Preface

This Volume contains the general laws of a permanent nature enacted by the General Assembly through the 1999 Regular Session, which are within Chapters 115C through 122C, and brings to date the annotations included therein.

A majority of the Session Laws are made effective upon becoming law, but a few provide for stated effective dates. If the Session Law makes no provision for an effective date, the law becomes effective under G.S. 120-20 "from and after 30 days after the adjournment of the session" in which passed.

A ready reference index is included in the back of this volume. This index is intended to give the user a quick reference to larger bodies of statutes within this volume only. For detailed research on any subject, both within this volume and the General Statutes as a whole, see the General Index to the General Statutes.

Beginning with formal opinions issued by the North Carolina Attorney General on July 1, 1969, selected opinions which construe a specific statute are cited in the annotations to that statute. For a copy of an opinion or of its headnotes, write the Attorney General, P.O. Box 629, Raleigh, N.C. 27602.

This recompiled volume has been prepared and published under the supervision of the Department of Justice of the State of North Carolina. The members of the North Carolina Bar are requested to communicate any suggestions they may have for improving the General Statutes to the Department, or to LEXIS Publishing, Charlottesville, Virginia.

CASE NOTES

Editor’s Note. — *Most of the cases below were decided under corresponding provisions of former Chapter 115.*

Mandates of State Constitution. — The provisions of N.C. Const., Art. I, § 15 and Art. IX, § 2(1), with the activating statutes, embody mandates for the establishment of free public

schools in North Carolina, the untrammelled privilege of education for all students, and “the duty of the State to maintain and guard that right,” while guaranteeing equal opportunities to all students. *Webster v. Perry*, 512 F.2d 612 (4th Cir. 1975).

State-imposed segregation in the public

schools is unconstitutional. *Godwin v. Johnston County Bd. of Educ.*, 301 F. Supp. 1339 (E.D.N.C. 1969).

Desegregation of Staffs and Faculties. — There is an affirmative duty on the part of a State school board, as well as on the part of other school officials throughout the State, to desegregate staffs and faculties. This is also a constitutional duty apart from any federal regulatory scheme. *Godwin v. Johnston County Bd. of Educ.*, 301 F. Supp. 1339 (E.D.N.C. 1969).

Property Interest Entitles Students to

Due Process. — Students in North Carolina have legitimate claims of entitlement to a public education, since by this section a uniform system of free public schools is provided throughout the State, and students are required to attend. Therefore, students have a property interest in public education and would be entitled to due process in connection with suspension from school. *Pegram v. Nelson*, 469 F. Supp. 1134 (M.D.N.C. 1979).

- (7) Power to Alter the Boundaries of City School Administrative Units and to Approve Agreements for the Consolidation and Merger of School Administrative Units Located in the Same County. — The Board shall have authority, in its discretion, to alter the boundaries of city school administrative units and to approve agreements submitted by county and city boards of education requesting the merger of two or more contiguous city school administrative units and the merger of city school administrative units with county school administrative units and the consolidation of all the public schools in the respective units under the administration of one board of education: Provided, that such merger of units and reorganization of school units shall not have the effect of abolishing any special taxes that may have been voted in any such units.

Editor's Note. — Session Laws 1987 (Reg. Sess., 1988), c. 1025, s. 16 provided that the Office of the Controller of the State Board of Education would be transferred to the Depart-

ment of Public Instruction, and that this transfer would have all of the elements of a Type I transfer, as that term is defined in § 143A-6(a).

ARTICLE 5.

Local Boards of Education.

§ 115C-35. How constituted.

(a) The county board of education in each county shall consist of five members elected by the voters of the county at large for terms of four years: Provided, that where there are multiple local school administrative units located within the county, and unless the county board is responsible for appointing members of the board of education of a city administrative unit located within the county, only those voters who reside within the county school administrative unit boundary lines shall be eligible to vote for members of the county board of education. Where the county board is responsible for appointing members of the board of education of a city administrative unit located within the county, the voters residing within that city school administrative unit shall be eligible to vote for members of the county board of education.

The terms of office of the members of boards of education of all school administrative units in this State, who serve on June 25, 1975, shall continue until members are elected and qualified as provided in this section unless modified by local legislation.

(b) No person residing in a local school administrative unit shall be eligible for election to the board of education of that local school administrative unit unless such person resides within the boundary lines of that local school administrative unit. (1955, c. 1372, art. 5, s. 1; 1967, c. 972, s. 1; 1969, c. 1301, s. 2; 1975, c. 855, ss. 1-3; 1981, c. 423, s. 1.)

Court Did Not Err in Dismissing Claims Against Superintendent. — Trial court did not err in dismissing plaintiffs' claims against superintendent; although plaintiffs alleged su-

perintendent's representations to both defendant boards "were grossly overstated" and "without foundation in fact," plaintiffs did not allege superintendent was in a decision-making position as to acquisition of the Square D facility. As a matter of law, a superintendent does not vote on appropriations. *Moore v. Wykle*, 107 N.C. App. 120, 419 S.E.2d 164, cert. denied, 332 N.C. 666, 424 S.E.2d 405 (1992).

All powers and duties conferred and imposed by law respecting public schools, which are not expressly conferred and imposed upon some other official, are conferred and imposed upon local boards of education. § 115C-37. Election of board members.

(a) **Method of Election.** — The county boards of education shall be elected on a nonpartisan basis at the time of the primary election in 1970 and biennially thereafter. The names of the candidates shall be printed on the ballots without reference to any party affiliation and any qualified voter residing in the county shall be entitled to vote such ballots. Except as otherwise provided herein, the

election shall be conducted according to the provisions of Chapter 163 of the General Statutes then governing primary elections.

The terms of office of the members shall be staggered so as nearly equal to one half as possible shall expire every two years.

(b) County Board of Elections to Provide for Elections. — The county board of elections under the direction of the State Board of Elections, shall make all necessary provisions for elections of county boards of education as are herein provided for. The county board of elections of each county shall file with the State Board of Elections a statement specifying the size and method of election of members of its county board of education.

(c) City Board of Education. — The board of education for any city administrative unit shall be appointed or elected as now provided by law. If no provision is now made by the law for the filling of vacancies in the membership of any city board of education, such vacancy may be filled by the governing body of the city or town embraced by said administrative unit. In the event that any such vacancy is not filled in this manner within 30 days, the State Board of Education may fill such vacancy.

(d) Members to Qualify. — Each county board of education shall hold a meeting in December following the election. At that meeting, newly elected members of the board of education shall qualify by taking the oath of office prescribed in Article VI, Sec. 7 of the Constitution.

This subsection shall not have the effect of repealing any local or special acts relating to boards of education of any particular counties whose membership to said boards is chosen by a vote of the people.

(e) Vacancies in Nominations for Membership on County Boards. — If any candidate nominated on a partisan basis shall die, resign, or for any reason become ineligible or disqualified between the date of his nomination and the time for the election, such vacancy caused thereby may be filled by the actions of the county executive committee of the political party of such candidate.

(f) Vacancies in Office. — All vacancies in the membership of the boards of education whose members are elected pursuant to the provisions of subsection (a) of this section by death, resignation, or other causes shall be filled by appointment by the remaining members of the board, of a person to serve until the next election of members of such board, at which time the remaining unexpired term of the office in which the vacancy occurs shall be filled by election.

(g) Eligibility for Board Membership; Holding Other Offices. — Any person possessing the qualifications for election to public office set forth in Article VI, Sec. 6 of the Constitution of North Carolina shall be eligible to serve as a member of a local board of education: Provided, however, that any person elected or appointed to a local board of education, and also employed by that board of education, shall resign his employment before taking office as a member of that board of education.

Membership on a board of education is hereby declared to be an office that, with the exceptions provided above, may be held concurrently with any appointive office, pursuant to Article VI, Sec. 9 of the Constitution, but any person holding an elective office shall not be eligible to serve as a member of a local board of education.

(h) Death or Disqualification of Candidate in Nonpartisan Election. — If a candidate dies or becomes disqualified after the filing period has closed and before the election, and the ballots have not been printed, the county board of elections shall immediately reopen the filing period for five days so that additional candidates may file for election. If the ballots have been printed at the time the board of elections receives notice of the death or disqualification, the board shall reopen the filing period for three days if the board determines it will have time to reprint the ballots before the election.

In the event the board of elections determines that there is not time enough to reopen the filing period for three days and to reprint the ballots, then the ballots shall not be reprinted and the name of the deceased or disqualified candidate shall remain on the ballot. Votes cast for such candidate shall not be considered and the candidates receiving the highest number of votes equal to the number of positions to be filled shall be elected.

(i) The local board of education shall revise electoral district boundaries from time to time as provided by this subsection. If district boundaries are set by local act or court order and the act or order does not provide a method for revising them, the local board of education shall revise them only for the purpose of (i) accounting for territory annexed to or excluded from the school administrative unit, and (ii) correcting population imbalances among the districts shown by a new federal census or caused by exclusions or annexations. After the General Assembly has ratified an act establishing district boundaries, the local board of education shall not revise them again until a new federal census of population is taken or territory is annexed to or excluded from the school administrative unit, whichever event first occurs. After the local board of education has revised district boundaries in conformity with this act, the local board of education shall not revise them again until a new federal census of population is taken or territory is annexed to or excluded from the school administrative unit, whichever event occurs first, except that the board may make an earlier revision of district boundaries it has drawn if it must do so to comply with a court order or to gain approval of a district-revision plan by the U.S. Justice Department under Section 5 of the Voting Rights Act. In establishing district boundaries, the local board of education shall use data derived from the most recent federal census. CASE NOTES

Editor's Note. — *The cases below were decided under corresponding provisions of former Chapter 115 and earlier statutes.*

Effect of Failure to Qualify on Day Prescribed. — A county board of education is a body politic and corporate, and is authorized to prosecute and defend suits in its own name, and to discharge certain duties imposed by

statute, and where the members of a board appointed by the General Assembly failed to take the oath of office on the date prescribed by statute, but took oath on the next succeeding day, their failure to qualify on the day prescribed did not impair the existence of the corporate body, and where they had discharged the statutory duties imposed upon them, and

no vacancy had been declared by the State Board of Education, and no proceedings in the nature of quo warranto had been instituted to determine their right to office, the acts of the appointees as members of the board could not be annulled by a proceeding to restrain the board from purchasing a school site in discharge of its statutory duties. *Crabtree v. Board of Educ.*, 199 N.C. 645, 155 S.E. 550 (1930).

§ 115C-37.1. Vacancies in offices of county boards elected on partisan basis in certain counties.

(a) All vacancies in the membership of county boards of education which are elected by public or local act on a partisan basis shall be filled by appointment of the person, board, or commission specified in the act, except that if the act specifies that appointment shall be made by a party executive committee, then the appointment shall be made instead by the remaining members of the board.

(b) If the vacating member was elected as the nominee of a political party, then the person, board, or commission required to fill the vacancy shall consult with the county executive committee of that party and appoint the person recommended by that party executive committee, if the party executive committee makes a recommendation within 30 days of the occurrence of the vacancy.

(c) Whenever only the qualified voters of less than the entire county were eligible to vote for the member whose seat is vacant (either because the county administrative unit was less than countywide or only residents of certain areas of the administrative unit could vote in the general election for a district seat), the appointing authority must accept the recommendation only if the county executive committee restricted voting to committee members who represent precincts all or part of which were within the territory of the vacating school board member.

(d) This section shall apply only in the following counties: Alamance, Alleghany, Avery, Beaufort, Brunswick, Buncombe, Burke, Cabarrus, Caldwell, Carteret, Cherokee, Clay, Cleveland, Davidson, Davie, Forsyth, Graham, Guilford, Haywood, Henderson, Jackson, Madison, McDowell, Mecklenburg, Moore, New Hanover, Polk, Randolph, Rockingham, Rutherford, Stanly, Stokes, Transylvania, Vance, Wake, Washington, and Yancey. § 115C-38. Compensation of board members.

The tax-levying authority for a local school administrative unit may, under the procedures of G.S. 153A-92, fix the compensation and expense allowances paid members of the board of education of that local school administrative unit.

Funds for the per diem, subsistence, and mileage for all meetings of county and city boards of education shall be provided from the current expense fund budget of the particular county or city.

The compensation and expense allowances of members of boards of education shall continue at the same levels as paid on July 1, 1975, until changed by or pursuant to local act or pursuant to this section. (1955, c. 1372, art. 5, s. 12; 1975, c. 569, ss. 1-3; 1977, c. 802, s. 39.5; 1981, c. 423, s. 1.)

§ 115C-39. Removal of board members; suspension of duties by State Board.

(a) In case the State Board of Education has sufficient evidence that any member of a local board of education is not capable of discharging, or is not discharging, the duties of his office as required by law, or is guilty of immoral or disreputable conduct, the State Board of Education shall notify the chairman of such board of education, unless such chairman is the offending member, in which case all other members of such board shall be notified. Upon receipt of such notice there shall be a meeting of said board of education for the purpose of investigating the charges, and if the charges are found to be true, such board shall declare the office vacant: Provided, that the offending member shall be given proper notice of the hearing and that record of the findings of the other members shall be recorded in the minutes of such board of education.

(b) In the event the State Board of Education has appointed an interim superintendent under G.S. 115C-105.39 and the State Board determines that the local board of education has failed to cooperate with the interim superintendent, the State Board shall have the authority to suspend any of the powers and duties of the local board and to act on its behalf under G.S. 115C-105.39. (1955, c. 1372, art. 5, s. 13; 1981, c. 423, s. 1; 1995 (Reg. Sess., 1996), c. 716, s. 5.)

§ 115C-40. Board a body corporate.

The board of education of each county in the State shall be a body corporate by the name and style of "The _____ County Board of Education," and the board of education of each city administrative school unit in the State shall be a body corporate by the name and style of "The _____ City Board of Education." The several boards of education, both county and city, shall hold all school property and be capable of purchasing and holding real and personal property, of building and repairing schoolhouses, of selling and transferring the same for school purposes, and of prosecuting and defending suits for or against the corporation.

Local boards of education, subject to any paramount powers vested by law in the State Board of Education or any other authorized agency shall have

general control and supervision of all matters pertaining to the public schools in their respective local school administrative units; they shall execute the school laws in their units; and shall have authority to make agreements with other boards of education to transfer pupils from one local school administrative unit to another unit when the administration of the schools can be thereby more efficiently and more economically accomplished. (1955, c. 1372, art. 5, s. 10; 1981, c. 423, s. 1; 1985 (Reg. Sess., 1986), c. 975, s. 24.)

CASE NOTES

Editor's Note. — *Most of the cases below were decided under corresponding provisions of former Chapter 115.*

Board Has Legal Existence Apart from Members. — Since the county board of education is a corporate body, it necessarily has a legal existence separate and apart from its members. *Edwards v. Yancey County Bd. of Educ.*, 235 N.C. 345, 70 S.E.2d 170 (1952); *McLaughlin v. Beasley*, 250 N.C. 221, 108 S.E.2d 226 (1959).

County board of education is a corporate body which has a legal existence separate and apart from its members. *Miller v. Henderson*, 71 N.C. App. 366, 322 S.E.2d 594 (1984).

Claims Against Individual Members of Boards Failed. — Where plaintiffs did not specifically allege any acts corrupt, malicious, or outside the scope of duty by any individual member of either board, and instead, all the allegations were as to acts of the two boards qua boards, since a county board of education is a corporate body with a legal existence of its members, plaintiffs' claims against the individual members of the two boards had to fail. *Moore v. Wykle*, 107 N.C. App. 120, 419 S.E.2d 164, cert. denied, 332 N.C. 666, 424 S.E.2d 405 (1992).

Committees are not given final authority. Their acts are under, subordinate to, and controlled by, the county or city boards. *Revels v. Oxendine*, 263 N.C. 510, 139 S.E.2d 737 (1965).

City voters' interest in functions performed by county board for the benefit of it and city boards — student transportation, the educational resource center, and the projects

for special students — individually or collectively, did not amount to a compelling State interest that city voters participate in the election of certain county school board members. *Locklear v. North Carolina State Bd. of Elections*, 514 F.2d 1152 (4th Cir. 1975).

Need for and Location of New School Buildings. — The board of education determines whether new school buildings are needed and, if so, where they shall be located. Such decisions are vested in the sound discretion of the board, and its discretion with reference thereto cannot be restrained by the courts absent a manifest abuse of discretion or a disregard of law. *Painter v. Wake County Bd. of Educ.*, 288 N.C. 165, 217 S.E.2d 650 (1975).

Board of County Commissioners Not Authorized to Devise and Fund School for Dyslexic Children, Absent Prior School Board Action. — Since, under the scheme for public education devised by the General Assembly, the board of county commissioners is empowered to appropriate funds only for items that are included by the board of education in its annual school budget, the board of county commissioners, absent statutory authority, cannot on its own initiative devise and fund programs for the school system. Therefore, a program of aid for the Dyslexia School of North Carolina devised and funded by the Gaston County Board of Commissioners on its own initiative and made directly to the school by that Board was not authorized under the statutory scheme for public education adopted by the General Assembly. *Hughey v. Cloninger*, 297 N.C. 86, 253 S.E.2d 898 (1979).

Disposition of Property Claim Would

Not Lie Against Board of Commissioners.

— The court did not err in determining complaint failed to state a claim as to the proposed sale of school and its adjacent property; the county board of education, not the board of commissioners, holds all school property and is capable of selling and transferring the same for school purposes; applying this law to the case under review, no claim with respect to disposition of the school property would lie against defendant board of commissioners. *Moore v. Wykle*, 107 N.C. App. 120, 419 S.E.2d 164, cert. denied, 332 N.C. 666, 424 S.E.2d 405 (1992).

Actions Against Board. — A county school board is a body corporate, and while it may sue and be sued in its corporate name, this fact, standing alone, is not determinative as to what actions may be maintained against it. *Eller v. Board of Educ.*, 242 N.C. 584, 89 S.E.2d 144 (1955).

Same — Tort Immunity. — A county school board of education has immunity from liability for torts of its members or agents except such liability as may be established under the Tort Claims Act, § 143-291 et seq. *Eller v. Board of Educ.*, 242 N.C. 584, 89 S.E.2d 144 (1955); *Fields v. Durham City Bd. of Educ.*, 251 N.C. 699, 111 S.E.2d 910 (1960). But see § 115C-42 et seq.

The Tort Claims Act, § 143-291 et seq., applicable to the State Board of Education and to State departments and agencies, except as amended by § 143-300.1, does not include local units such as county and city boards of education. *Turner v. Gastonia City Bd. of Educ.*, 250 N.C. 456, 109 S.E.2d 211 (1959). But see § 115C-42 et seq.

For case in which a tort action against city school board based on negligence of employee was not allowed on grounds of governmental

immunity, see *Turner v. Gastonia City Bd. of Educ.*, 250 N.C. 456, 109 S.E.2d 211 (1959). But see § 115C-42 et seq.

Same — Taking of Property. — An adjoining property owner was entitled to maintain an action against county school board for recovery of compensation for an alleged taking of plaintiff's land arising out of the construction and operation of a sewage disposal device by the school board which allegedly rendered plaintiff's spring unfit for use and his dwelling unfit for habitation, since complaint did not allege or attempt to allege a cause of action in tort. *Eller v. Board of Educ.*, 242 N.C. 584, 89 S.E.2d 144 (1955).

Same — Teacher's Contract. — An action may be maintained against a county board of education on a teacher's contract. *Kirby v. Stokes County Bd. of Educ.*, 230 N.C. 619, 55 S.E.2d 322 (1949).

No Error in Dismissal of Plaintiffs' Claims for Preliminary Injunctive Relief.

— Court did not err in dismissing plaintiffs' claims for preliminary injunctive relief; under a fair reading of plaintiffs' prayer for relief, the only preliminary injunctive relief requested was the enjoining of the disposal of the school property; while allegations may have been sufficient to show with particularity irreparable harm resulting from the expenditure of bond monies for the purchase of the facility, plaintiffs did not seek to enjoin that purchase. *Moore v. Wykle*, 107 N.C. App. 120, 419 S.E.2d 164, cert. denied, 332 N.C. 666, 424 S.E.2d 405 (1992).

OPINIONS OF ATTORNEY GENERAL

Release to Attend Private School. — Local boards of education have the discretionary authority to release students from school for a part of the school day to attend a private school so long as the private school meets compulsory attendance requirements. A school board that elects to deny such permission does not violate the constitutional rights of parents or students.

A board that elects to grant such permission should recognize, and should advise parents, that the absence from school may affect the student's academic progress. See opinion of Attorney General to Mr. W. Max Walser, Superintendent, Davidson County Schools, 57 N.C.A.G. 26 (1987).

§ 115C-41. Organization of board.

(a) Unless otherwise provided by local law, all local boards of education shall have an organizational meeting no later than 60 days after the swearing in of members following election or appointment and as often thereafter as the board shall determine appropriate. The board may fix the date and time of its organizational meeting. At the organizational meeting the members of all boards shall elect one of their members as chairman for a period of one year, or until his successor is elected and qualified. The chairman of the local board of

education shall preside at the meetings of the board, and in the event of his absence or sickness, the board may appoint one of its members temporary chairman. The superintendent of schools, whether a county or city superintendent, shall be ex officio secretary to his respective board. He shall keep the minutes of the meetings of the board but shall have no vote: Provided, that in the event of a vacancy in the superintendency, the board may elect one of its members to serve temporarily as secretary to the board.

(b) All local boards of education shall meet on the first Monday in January, April, July, and October of each year, or as soon thereafter as practicable. A board may elect to hold regular monthly meetings, and to meet in special session upon the call of the chairman or of the secretary as often as the school business of the local school administrative unit may require. (1955, c. 1372, art. 5, ss. 9, 11; 1981, c. 423, s. 1; 1983, c. 408.)

Local Modification. — Cumberland: 1983, c. 99.

CASE NOTES

Editor's Note. — *The cases below were decided under corresponding provisions of former Chapter 115.*

A county board of education has no authority to transact business except at a regular or special meeting, and statements or promises made by the individual members thereof have no binding effect on the board unless it expressly authorizes them. *Kistler v. Randolph County Bd. of Educ.*, 233 N.C. 400, 64 S.E.2d 403 (1951).

Attended by a Quorum. — A county board of education can exercise its power only in a regular or special meeting attended by at least a quorum of its members. It cannot perform its functions through its members acting individually, informally, and separately. *Iredell County Bd. of Educ. v. Dickson*, 235 N.C. 359, 70 S.E.2d 14 (1952).

The statute creating the county board of education does not specify in terms the number of members competent to transact its corporate business in the absence of other members. As a consequence, the common-law rule that a majority of the whole membership is necessary to constitute a quorum applies. *Edwards v. Yancey County Bd. of Educ.*, 235 N.C. 345, 70 S.E.2d 170 (1952).

Fact that action by a board of education was taken at a special meeting rather than a regular meeting had no bearing on the question of bad faith or abuse of discretion in taking such action, since special meetings are permitted by statute. *Kistler v. Randolph County Bd. of Educ.*, 233 N.C. 400, 64 S.E.2d 403 (1951).

OPINIONS OF ATTORNEY GENERAL

Member of Board of Education May Not Give Proxy to Cast Vote. — See opinion of Attorney General to Mr. Robert L. Edwards,

Superintendent, Madison County Public Schools, 40 N.C.A.G. 203 (1969), rendered under former Chapter 115.

§ 115C-42. Liability insurance and immunity.

Any local board of education, by securing liability insurance as hereinafter provided, is hereby authorized and empowered to waive its governmental immunity from liability for damage by reason of death or injury to person or property caused by the negligence or tort of any agent or employee of such board of education when acting within the scope of his authority or within the course of his employment. Such immunity shall be deemed to have been waived by the act of obtaining such insurance, but such immunity is waived only to the extent that said board of education is indemnified by insurance for such negligence or tort.

Any contract of insurance purchased pursuant to this section shall be issued by a company or corporation duly licensed and authorized to execute insurance

contracts in this State or by a qualified insurer as determined by the Department of Insurance and shall by its terms adequately insure the local board of education against liability for damages by reason of death or injury to person or property proximately caused by the negligent act or torts of the agents and employees of said board of education or the agents and employees of a particular school in a local administrative unit when acting within the scope of their authority. The local board of education shall determine what liabilities and what officers, agents and employees shall be covered by any insurance purchased pursuant to this section. Any company or corporation which enters into a contract of insurance as above described with a local board of education, by such act waives any defense based upon the governmental immunity of such local board of education.

Every local board of education in this State is authorized and empowered to pay as a necessary expense the lawful premiums for such insurance.

Any person sustaining damages, or in case of death, his personal representative may sue a local board of education insured under this section for the recovery of such damages in any court of competent jurisdiction in this State, but only in the county of such board of education; and it shall be no defense to any such action that the negligence or tort complained of was in pursuance of governmental, municipal or discretionary function of such local board of education if, and to the extent, such local board of education has insurance coverage as provided by this section.

Except as hereinbefore expressly provided, nothing in this section shall be construed to deprive any local board of education of any defense whatsoever to any such action for damages or to restrict, limit, or otherwise affect any such defense which said board of education may have at common law or by virtue of any statute; and nothing in this section shall be construed to relieve any person sustaining damages or any personal representative of any decedent from any duty to give notice of such claim to said local board of education or to commence any civil action for the recovery of damages within the applicable period of time prescribed or limited by statute.

A local board of education may incur liability pursuant to this section only with respect to a claim arising after such board of education has procured liability insurance pursuant to this section and during the time when such insurance is in force.

No part of the pleadings which relate to or allege facts as to a defendant's insurance against liability shall be read or mentioned in the presence of the trial jury in any action brought pursuant to this section. Such liability shall not attach unless the plaintiff shall waive the right to have all issues of law or fact relating to insurance in such an action determined by a jury and such issues shall be heard and determined by the judge without resort to a jury and the jury shall be absent during any motions, arguments, testimony or announcement of findings of fact or conclusions of law with respect thereto unless the defendant shall request a jury trial thereon: Provided, that this section shall not apply to claims for damages caused by the negligent acts or torts of public school bus, or school transportation service vehicle drivers, while driving school buses and school transportation service vehicles when the operation of such school buses and service vehicles is paid from the State Public School Fund. (1955, c. 1256; 1957, c. 685; 1959, c. 573, s. 2; 1961, c. 1102, s. 4; 1977, 2nd Sess., c. 1280, s. 3; 1981, c. 423, s. 1; 1985, c. 527.)

CASE NOTES

Editor's Note. — *Many of the cases below were decided under corresponding provisions of former Chapter 115.*

Applicability of Section. — This section does not apply to the type of claims which are covered by § 143-300.1. *Smith v. McDowell County Bd. of Educ.*, 68 N.C. App. 541, 316 S.E.2d 108 (1984).

Statute Not Retroactive. — Former § 115-53, corresponding to this section, was, in its nature, not retroactive. *Turner v. Gastonia City Bd. of Educ.*, 250 N.C. 456, 109 S.E.2d 211 (1959).

Construction. — As with all state statutes waiving sovereign immunity, this section must be strictly construed. *Mullis v. Sechrest*, 126 N.C. App. 91, 484 S.E.2d 423 (1997), cert. granted, 346 N.C. 548, 488 S.E.2d 806 (1997), rev'd on other grounds, 347 N.C. 548, 495 S.E.2d 721 (1998).

Waiver of Tort Immunity Depends on Action of Board. — The legislature has not waived immunity from tort liability as to county and city boards of education, except as to such liability as may be established under the Tort Claims Act, § 143-291 et seq., but has left the waiver of immunity from liability for torts to the respective boards, and then only to the extent such board has obtained liability insurance to cover negligence or torts. *Fields v. Durham City Bd. of Educ.*, 251 N.C. 699, 111 S.E.2d 910 (1960). See § 143-300.1.

Waiver of immunity under this section extends only to injuries specifically covered by insurance policy. *Overcash v. Statesville City Bd. of Educ.*, 83 N.C. App. 21, 348 S.E.2d 524 (1986).

Without Waiver Liability Limited to Tort Claims Act. — A county board of education, unless it has duly waived immunity from tort liability, as authorized in former § 115-53 (now this section), is not liable in a tort action or proceeding involving a tort, except as may be established under the Tort Claims Act, § 143-291 et seq. *Huff v. Northampton County Bd. of Educ.*, 259 N.C. 75, 130 S.E.2d 26 (1963); *Brown v. Charlotte-Mecklenburg Bd. of Educ.*, 267 N.C. 740, 149 S.E.2d 10 (1966). See § 143-300.1.

This section must be strictly construed against waiver. *Hallman v. Charlotte-Mecklenburg Bd. of Educ.*, 124 N.C. App. 435, 477 S.E.2d 179 (1996).

The purchase of tort liability insurance constitutes a waiver of governmental immunity by board of education. *James v. Charlotte-Mecklenburg Bd. of Educ.*, 60 N.C. App. 642, 300 S.E.2d 21 (1983).

Limitation of School Board's Waiver of Governmental Immunity. — The school board's waiver of governmental immunity was limited to the Insurance Guaranty Association's responsibility to pay \$300,000, less set-off, for a covered claim under a policy issued to the board by an insolvent insurer, since the waiver was effective only to the amount that the board was indemnified. *North Carolina Ins. Guar. Ass'n v. Burnette*, — N.C. App. —, 508 S.E.2d 837 (1998).

Non-School Use of School Facilities. — The school district was not entitled to immunity for a personal injury claim suffered during a non-school sponsored event, where the school district had waived sovereign immunity by obtaining liability insurance, and it also had failed to comply with district procedures in allowing the non-school group to hold the event. *Seipp v. Wake County Bd. of Educ.*, — N.C. App. —, 510 S.E.2d 193 (1999).

Where city, county and board of Education entered into an agreement creating a division of insurance and risk management to handle liability claims against the three entities, the risk management agreement was not a contract of insurance; therefore, under a strict construction of this section, the Board did not waive immunity by purchasing a contract of insurance. *Mullis v. Sechrest*, 126 N.C. App. 91, 484 S.E.2d 423 (1997), cert. granted, 346 N.C. 548, 488 S.E.2d 806 (1997), rev'd on other grounds, 347 N.C. 548, 495 S.E.2d 721 (1998).

Sufficiency of Complaint. — In the absence of an allegation in the complaint in a tort action against a city board of education, to the effect that such board has waived its immunity by the procurement of liability insurance to cover such alleged negligence or tort, or that such board has waived its immunity as authorized in this section, such complaint does not state a cause of action. *Fields v. Durham City Bd. of Educ.*, 251 N.C. 699, 111 S.E.2d 910 (1960).

Motion to Amend Complaint Denied. — Motion to amend complaint denied where plaintiffs knew of the purchase of insurance for

nearly two and a half years, and failed to amend their complaint to allege this until the motions hearing when defendants moved to dismiss the action based on plaintiffs' failure to so plead. *Gunter v. Anders*, 115 N.C. App. 331, 444 S.E.2d 685 (1994), cert. denied, 339 N.C. 612, 454 S.E.2d 250, cert. dismissed, 339 N.C. 738, 454 S.E.2d 651 (1995).

Effect of Purchase of Insurance on Motion for Directed Verdict. — Waiver of governmental immunity to any extent by the purchase of liability insurance is sufficient to preclude the granting of a motion for a directed verdict on the ground of governmental immunity. *Clary v. Alexander County Bd. of Educ.*, 286 N.C. 525, 212 S.E.2d 160 (1975).

Subject Matter Jurisdiction. — Where sovereign immunity is waived by the purchase of liability insurance, subject matter jurisdiction is statutorily vested in the superior court. *Meyer v. Walls*, 122 N.C. App. 507, 471 S.E.2d 422 (1996), aff'd in part and rev'd in part, 347 N.C. 97, 489 S.E.2d 880 (1997).

Exclusionary Clause of Insurance Policy Covering School Bus Liability Construed. — Construing exclusionary insurance clause, court held that clause excluded liability for injuries suffered by pupils while being transported by school bus or in the process of

boarding or disembarking from a school bus, as well as excluding injuries associated with design of bus route or location of bus stop, even though latter exclusion was not specifically stated in policy. *Beatty v. Charlotte-Mecklenburg Bd. of Educ.*, 99 N.C. App. 753, 394 S.E.2d 242 (1990), appeal dismissed, 329 N.C. 691, 406 S.E.2d 579 (1991).

Vicarious Liability of Board. — County Board of Education's vice-chairman was not acting as an agent of the board when he made statements concerning plaintiff in action against board to newspaper editor; therefore, the board was not vicariously liable for vice-chairman's conduct. *Phillips v. Winston-Salem/Forsyth County Bd. of Educ.*, 117 N.C. App. 274, 450 S.E.2d 753 (1994).

OPINIONS OF ATTORNEY GENERAL

Agreements Establishing Self-Insurance Programs. — Local boards of education have authority under Article 20 of Chapter 160A, § 160A-460 et seq., to make agreements establishing a self-insurance program, provided (1) the contracts establishing such program contain the provisions required by § 160A-464,

and (2) the contracts incorporate certain limitations set forth in this section and § 115C-43. See opinion of Attorney General to Mr. Gene Causby, Executive Director, North Carolina School Boards Association, 55 N.C.A.G. 77 (1986).

§ 115C-43. Defense of board of education members and employees.

(a) Upon request made by or in behalf of any member or employee or former member or employee, any local board of education may provide for the defense of any civil or criminal action or proceeding brought against him either in his official or in his individual capacity, or both, on account of any act done or omission made, or any act allegedly done or omission allegedly made, in the scope and course of his duty as a member of or employee of the local board of education. The defense may be provided by the local board of education by its own counsel, or by employing other counsel, or by purchasing insurance which requires that the insurer provide the defense. Nothing in this section shall be deemed to require any local board of education to provide for the defense of any action or proceeding of any nature.

(b) Any local board of education may budget funds for the purpose of paying all or part of a claim made or any civil judgment entered against any of its members or employees or former members and employees, when such claim is made or such judgment is rendered as damages on account of any act done or omission made, or any act allegedly done or omission allegedly made, in the scope and course of his duty as a member of the local board of education or as

an employee. Nothing in this section shall authorize any local board of education to budget funds for the purpose of paying any claim made or civil judgment entered against any of its members or employees or former members and employees if the local board of education finds that such member or employee acted or failed to act because of actual fraud, corruption or actual malice on his part. Any local board of education may budget for and purchase insurance coverage for payment of claims or judgments pursuant to this section. Nothing in this section shall be deemed to require any local board of education to pay any claim or judgment referred to herein, and the purchase of insurance coverage for payment of any such claim or judgment shall not be deemed an assumption of any liability not covered by such insurance contract, and shall not be deemed an assumption of liability for payment of any claim or judgment in excess of the limits of coverage in such insurance contract.

(c) Subsection (b) of this section shall not authorize any local board of education to pay all or part of a claim made or civil judgment entered or to provide a defense to a criminal charge unless (i) notice of the claim or litigation is given to the local board of education prior to the time that the claim is settled or civil judgment is entered and (ii) the local board of education shall have adopted, and made available for public inspection, uniform standards under which claims made, civil judgments entered, or criminal charges against members or employees or former members and employees shall be defended or paid. (1979, c. 1074, s. 1; 1981, c. 423, s. 1.)

OPINIONS OF ATTORNEY GENERAL

Agreements Establishing Self-Insurance Programs. — Local boards of education have authority under Article 20 of Chapter 160A, § 160A-460 et seq., to make agreements establishing a self-insurance program, provided (1) the contracts establishing such program contain the provisions required by § 160A-464,

and (2) the contracts incorporate certain limitations set forth in § 115C-42 and this section. See opinion of Attorney General to Mr. Gene Causby, Executive Director, North Carolina School Boards Association, 55 N.C.A.G. 77 (1986).

§ 115C-44. Suits and actions.

(a) A local board of education shall institute all actions, suits, or proceedings against officers, persons, or corporations, or their sureties, for the recovery, preservation, and application of all money or property which may be due to or should be applied to the support and maintenance of the schools, except in case of the breach of his bond by the treasurer of the county school fund, in which case action shall be brought by the board of county commissioners.

(b) In all actions brought in any court against a local board of education, the order or action of the board shall be presumed to be correct and the burden of proof shall be on the complaining party to show the contrary. (1955, c. 1372, art. 5, s. 14; 1981, c. 423, s. 1.)

CASE NOTES

Editor's Note. — *Most of the cases below were decided under corresponding provisions of former Chapter 115.*

The right to sue for the protection or recovery of the school funds of a particular school administrative unit belongs by necessary implication to the governing board of that unit. Indeed, former § 115-31 (now this section) confers upon the county board of education in

explicit terms the power to sue for the preservation and recovery of the money or property of the county administrative unit. *Branch v. Robeson County Bd. of Educ.*, 233 N.C. 623, 65 S.E.2d 124 (1951).

The county board of education pursued a governmental function in bringing suit to recover costs associated with the abatement of a potential health risk to school populations

incurred as a result of the presence of construction materials containing asbestos. *Rowan County Bd. of Educ. v. United States Gypsum Co.*, 332 N.C. 1, 418 S.E.2d 648 (1992).

Board Was Acting as Arm of State. — Given that the State (1) has undertaken the responsibility to provide free public schools, (2) has delegated day-to-day administration and operation of those schools to counties and local school boards, including the power to bring suit to recover money or property “which may be due to or should be applied to the support and maintenance of the schools” and (3) has retained the duty of providing those local entities with considerable operating funds from state revenues, the county board of education was acting as an arm of the State in pursuing the governmental function of constructing and maintaining its schools. *Rowan County Bd. of Educ. v. United States Gypsum Co.*, 332 N.C. 1, 418 S.E.2d 648 (1992).

Statutory Discretion Was Not Withdrawn by Purchase of Facility. — Where plaintiffs alleged that defendants made unauthorized diversions of school bond proceeds to purposes other than those authorized by the bond resolution, namely for purpose of facility, although the sale of the school property may have resulted from the purchase of facility, the Board of Education’s statutory discretion to determine that the school property was surplus property no longer needed for school purposes

was not withdrawn by its actions with respect to the facility. *Moore v. Wykle*, 107 N.C. App. 120, 419 S.E.2d 164, cert. denied, 332 N.C. 666, 424 S.E.2d 405 (1992).

Presumptions and Burden of Proof. — The provisions of former § 115-31 (now this section) clearly provide for a presumption of correctness as to any order or action of the board in all actions brought in any court against a county or city board of education. The section further places the burden of proof on the complaining party to show otherwise. *Eggiman v. Wake County Bd. of Educ.*, 22 N.C. App. 459, 206 S.E.2d 754, cert. denied, 285 N.C. 756, 209 S.E.2d 280 (1974).

As to the presumption of regularity and correctness in favor of the county board of education, see *Barrett v. Craven County Bd. of Educ.*, 70 F.R.D. 466 (E.D.N.C. 1976).

Subsection (b) of this section clearly places the burden of proof on plaintiff probationary school teachers to establish that the actions of the board in failing to renew their contracts were arbitrary or capricious. Moreover, the burden of proof includes not only the burden of going forward with the evidence, but also the burden of persuasion. *Abell v. Nash County Bd. of Educ.*, 89 N.C. App. 262, 365 S.E.2d 706 (1988).

Quoted in *Taborn v. Hammonds*, 324 N.C. 546, 380 S.E.2d 513 (1989).

§ 115C-45. Judicial functions of board.

(a) **Power to Subpoena and to Punish for Contempt.** — Local boards of education shall have power to issue subpoenas for the attendance of witnesses. Subpoenas may be issued in any and all matters which may lawfully come within the powers of the board and which, in the discretion of the board, require investigation; and it shall be the duty of the sheriff or any process serving officer to serve such subpoena upon payment of their lawful fees.

Local boards of education shall have power to punish for contempt for any disorderly conduct or disturbance tending to disrupt them in the transaction of official business.

(b) **Witness Failing to Appear; Misdemeanor.** — Any witness who shall wilfully and without legal excuse fail to appear before a local board of education to testify in any manner under investigation by the board shall be guilty of a Class 3 misdemeanor.

(c) **Appeals to Board of Education and to Superior Court.** — An appeal shall lie from the decision of all school personnel to the appropriate local board of education. In all such appeals it shall be the duty of the board of education to see that a proper notice is given to all parties concerned and that a record of the hearing is properly entered in the records of the board conducting the hearing.

The board of education may designate hearing panels composed of not less than two members of the board to hear and act upon such appeals in the name and on behalf of the board of education.

An appeal shall lie from the decision of a local board of education to the

superior court of the State in any action of a local board of education affecting one's character or right to teach. (1955, c. 1372, art. 5, ss. 15-17; 1971, c. 647; 1981, c. 423, s. 1; 1993, c. 539, s. 881; 1994, Ex. Sess., c. 24, s. 14(c).)

Cross References. — As to right to appeal from decisions affecting character or the right to teach, see § 115C-305.

CASE NOTES

Editor's Note. — *Most of the cases below were decided under corresponding provisions of former Chapter 115 and earlier statutes.*

Procedures Constitutionally Effective. — The hearing and appeal procedures contemplated by former § 115-34 provided plaintiff a constitutionally effective set of administrative and judicial remedies, despite the fact that it gave authority for a hearing only after plaintiff was discharged. *Presnell v. Pell*, 298 N.C. 715, 260 S.E.2d 611 (1979).

Construction. — Because this section and § 115C-305 both deal with appellate review of decisions of all school personnel to the local boards of education and to the superior court, courts will construe these statutes in pari materia and reconcile them so that each may be given effect. *Williams v. New Hanover County Bd. of Educ.*, 104 N.C. App. 425, 409 S.E.2d 753 (1991).

To accomplish the legislative purpose behind subsection (c) of this section and 115C-305, the "or" in § 115C-305 must be read conjunctively as an "and." This construction will preserve the long-recognized policy of judicial restraint in the context of judicial review of school personnel decisions while giving effect to both sections. *Williams v. New Hanover County Bd. of Educ.*, 104 N.C. App. 425, 409 S.E.2d 753 (1991).

Appeal from Personnel Decisions of County Board. — The part of former § 115-34 (corresponding to subsection (c) of this section) which provided for an appeal from decisions of school personnel to the county or city board of education had no application where the decision complained of was the decision of a county board of education. *Still v. Lance*, 279 N.C. 254, 182 S.E.2d 403 (1971).

Appeal Must First Be to Board of Educa-

tion. — Former § 115-34 required that a party entitled to its provisions first challenge action taken by school personnel by way of an appeal to the appropriate county or city board of education. After a decision by the board "affecting one's character or right to teach," a party could then invoke the appellate jurisdiction of the superior court. *Presnell v. Pell*, 298 N.C. 715, 260 S.E.2d 611 (1979).

Exhaustion of Administrative Remedies. — A party must exhaust his administrative remedies before seeking redress in the courts. Therefore, a teacher may not seek judicial review in superior court without first appealing the school personnel action to the local board of education. *Williams v. New Hanover County Bd. of Educ.*, 104 N.C. App. 425, 409 S.E.2d 753 (1991).

Appeal to Superior Court Not Precluded. — An appeal to the local board of education does not preclude an appeal to the superior court. *Williams v. New Hanover County Bd. of Educ.*, 104 N.C. App. 425, 409 S.E.2d 753 (1991).

Decision Not Affecting "One's Character or Right to Teach." — Former § 115-34, corresponding to this section, provided for an appeal from a decision of a county or city board of education to the superior court when the action of the board of education was one "affecting one's character or right to teach." The decision of a board to terminate the employment of a teacher at the end of the school year did not affect her character, nor did it deprive her of the right to teach elsewhere. *Still v. Lance*, 279 N.C. 254, 182 S.E.2d 403 (1971).

Applied in *Murphy v. McIntyre*, 69 N.C. App. 323, 317 S.E.2d 397 (1984).

Cited in *Warren v. Buncombe County Bd. of Educ.*, 80 N.C. App. 656, 343 S.E.2d 225 (1986).

OPINIONS OF ATTORNEY GENERAL

Right of Appeal of Nondomiciled Student Wrongfully Denied Enrollment. — A student who is not domiciled in a school system and who is denied enrollment therein, assuming he establishes a prima facie case of entitlement to enrollment, would have a right of an

appeal under this section. If a hearing is held pursuant to this section, the minimal requirements of due process will have been met, if not exceeded. See opinion of Attorney General to Mr. C. Wade Mobley, Superintendent, Rowan County Schools, 55 N.C.A.G. 61 (1985).

§ 115C-46. Powers of local boards to regulate parking of motor vehicles.

(a) Any local board of education may adopt reasonable rules and regulations with respect to the parking of motor vehicles and other modes of conveyance on public school grounds and may enforce such rules and regulations. A violation of a rule or regulation concerning parking on public school grounds is an infraction punishable by a penalty of not more than ten dollars (\$10.00) unless the regulation provides that the violation is not punishable as an infraction. Rules and regulations adopted hereunder shall be made available for inspection by any person upon request.

(b) Any local board of education may adopt written guidelines governing the individual assignment of parking spaces on school grounds. Such guidelines shall give first priority treatment to the physically handicapped.

(c) Any local board of education, by rules and regulations adopted hereunder, may provide for the registration of motor vehicles and other modes of conveyance maintained, operated or parked on school grounds. Any local board of education, by rules and regulations adopted hereunder, may provide for the issuance of stickers, decals, permits or other indicia representing the registration status of vehicles or the eligibility of vehicles to park on school grounds and may prohibit the forgery, counterfeiting, unauthorized transfer or unauthorized use of them.

(d) Any motor vehicle parked in a parking lot on school grounds, when such lot is clearly designated as such by a sign no smaller than 24 inches by 24 inches prominently displayed at each entrance thereto, in violation of the rules and regulations adopted by the local board of education, or any motor vehicle otherwise parked on school grounds in violation of the rules and regulations adopted by the county or city local board of education, may be removed from school grounds to a place of storage and the registered owner of that vehicle shall become liable for removal and storage charges. Any person who removes a vehicle pursuant to this section shall not be held liable for damages for the removal of the vehicle to the owner, lienholder or other person legally entitled to the possession of the vehicle removed; however, any person who intentionally or negligently damages a vehicle in the removal of such vehicle, or intentionally or negligently inflicts injury upon any person in the removal of such vehicle, may be held liable for damages. (1979, c. 821; 1981, c. 423, s. 1; 1981 (Reg. Sess., 1982), c. 1239, s. 2; 1983, c. 420, s. 3; 1985, c. 764, s. 37; 1989, c. 644, s. 4.)

§ 115C-47. Powers and duties generally.

In addition to the powers and duties designated in G.S. 115C-36, local boards of education shall have the power or duty:

- (1) To Provide an Adequate School System. — It shall be the duty of local boards of education to provide adequate school systems within their respective local school administrative units, as directed by law.
- (2) To Exercise Certain Judicial Functions and to Participate in Certain Suits and Actions. — Local boards of education shall have the power and authority to exercise certain judicial functions pursuant to the provisions of G.S. 115C-45 and to participate in certain suits and actions pursuant to the provisions of G.S. 115C-44.

- (3) To Divide Local School Administrative Units into Attendance Areas. — Local boards of education shall have authority to divide their various units into attendance areas without regard to district lines.
- (4) To Regulate Extracurricular Activities. — Local boards of education shall make all rules and regulations necessary for the conducting of extracurricular activities in the schools under their supervision, including a program of athletics, where desired, without assuming liability therefor; provided, that all interscholastic athletic activities shall be conducted in accordance with rules and regulations prescribed by the State Board of Education.
- (5) To Fix Time of Opening and Closing Schools. — The time of opening and closing the public schools shall be fixed under G.S. 115C-84.2.
- (6) To Regulate Fees, Charges and Solicitations. — Local boards of education shall adopt rules and regulations governing solicitations of, sales to, and fund-raising activities conducted by, the students and faculty members in schools under their jurisdiction, and no fees, charges, or costs shall be collected from students and school personnel without approval of the board of education as recorded in the minutes of said board; provided, this subdivision shall not apply to such textbooks fees as are determined and established by the State Board of Education. All schedules of fees, charges and solicitations approved by local boards of education shall be reported to the Superintendent of Public Instruction.
- (7) To Accept and Administer Federal or Private Funds. — Local boards of education shall have power and authority to accept, receive and administer any funds or financial assistance given, granted or provided under the provisions of the Elementary and Secondary Education Act of 1965 (Public Law 89-10, 89th Congress, HR 2362) and under the provisions of the Economic Opportunity Act of 1964 (Public Law 88-452, 88th Congress, S. 2642), or other federal acts or funds from foundations or private sources, and to comply with all conditions and requirements necessary for the receipt, acceptance and use of said funds. In the administration of such funds, local boards of education shall have authority to enter into contracts with and to cooperate with and to carry out projects with nonpublic elementary and secondary schools, community groups and nonprofit corporations, and to enter into joint agreements for these purposes with other local boards of education. Local boards of education shall furnish such information as shall be requested by the State Board of Education, from time to time, relating to any programs related or conducted pursuant to this subdivision.
- (8) To Sponsor or Conduct Educational Research. — Local boards of education are authorized to sponsor or conduct educational research and special projects approved by the Department of Public Instruction and the State Board of Education that may improve the school system under their jurisdictions. Such research or projects may be conducted during the summer months and the board may use any available funds for such purposes.
- (9) To Assure Accurate Attendance Records. — When the governing board of any local school administrative unit shall have information that inaccurate school attendance records are being kept, the board concerned shall immediately investigate such inaccuracies and take necessary action to establish and maintain correct records and report its findings and action to the State Board of Education.

(10) To Assure Appropriate Class Size. — It shall be the responsibility of local boards of education to assure that the class size and teaching load requirements set forth in G.S. 115C-301 are met. Any teacher who believes that the requirements of G.S. 115C-301 have not been met shall make a report to the principal and superintendent, and the superintendent shall immediately determine whether the requirements have in fact not been met. If the superintendent determines the requirements have not been met, he shall make a report to the next local board of education meeting. The local board of education shall take action to meet the requirements of the statute. If the local board cannot organizationally correct the exception and if any of the conditions set out in G.S. 115C-301(g)(1) exist, it shall immediately apply to the State Board of Education for additional personnel or a waiver of the class size requirements, as provided in G.S. 115C-301(g).

Upon notification from the State Board of Education that the reported exception does not qualify for an allotment adjustment or a waiver under provisions of G.S. 115C-301, the local board, within 30 days, shall take action necessary to correct the exception.

At the end of the second month of each school year, the local board of education, through the superintendent, shall file a report with the State Board of Education, in a format prescribed by the State Board of Education, describing the organization of each school, the duties of each teacher, the size of each class, and the teaching load of each teacher. As of February 1 each year, local boards of education, through the superintendent, shall report all exceptions to individual class size and daily teaching load maximums that exist at that time.

In addition to assuring that the requirements of G.S. 115C-301 are met, each local board of education shall also have the duty to provide an adequate number of classrooms to meet the requirements of that statute.

(11) To Determine the School Calendar. — Local boards of education shall determine the school calendar under G.S. 115C-84.2.

(12) **(For final effective date see notes)** To Implement the Basic Education Program. — Local boards of education shall implement the Basic Education Program in accordance with rules adopted by the State Board. This implementation shall include provision for the efficient teaching of the course content required by the standard course of study.

(12) **(For future effective date see notes)** To Implement the Basic Education Program. — Local boards of education shall implement the Basic Education Program in accordance with rules adopted by the State Board. (18) To Make Rules Concerning the Conduct and Duties of Personnel. — Local boards of education, upon the recommendation of the superintendent, shall have full power to make all just and needful rules and regulations governing the conduct of teachers, principals, and supervisors, the kind of reports they shall make, and their duties in the care of school property.

Prior to the beginning of each school year, each local board of education shall identify all reports, including local school required reports, that are required at the local level for the school year. No additional reports shall be required at the local level after the beginning of the school year without the prior approval of the local board of education.

(18a) To Adopt Rules and Policies Limiting the Noninstructional Duties of Teachers. — Local boards of education shall adopt rules and policies limiting the noninstructional duties assigned to teachers. A local board may temporarily suspend the rules and policies for individual schools upon a finding that there is a compelling reason the rules or policies should not be implemented. These rules and policies shall ensure that:

a. Teachers with initial certification are not assigned extracurricular activities unless they request the assignments in writing and that other noninstructional duties assigned to these teachers are minimized, so these teachers have an opportunity to develop into skilled professionals;

b. Teachers with 27 or more years of experience are not assigned extracurricular activities unless they request the assignments in writing and that other noninstructional duties assigned to these teachers are minimized, so these teachers have an opportunity to informally share their experience and expertise with their colleagues;

c. The noninstructional duties of all teachers are limited to the extent possible given federal, State, and local laws, rules, and policies, and that the noninstructional duties required of teachers are distributed equitably among employees.

(19) To Approve the Assignment of Duties to an Assistant Principal. — Local boards of education shall permit certain duties of the principal to be assigned to an assistant or acting principal pursuant to the provisions of G.S. 115C-289.

All salaries and bills shall be paid as provided by law for disbursing State and local funds.

The local board shall determine salary schedules of employees pursuant to the provisions of G.S. 115C-273, 115C-285(b), 115C-302.1(i), and 115C-316(b).

The authority for boards of education to issue salary vouchers to all school employees, whether paid from State or local funds, shall be a monthly payroll prepared on forms approved by the State Board of Education and containing all information required by the State Board of Education. This monthly payroll shall be signed by the principal of each school.

- (22) To Provide School Food Services. — Local boards of education shall provide, to the extent practicable, school food services as provided in Part 2 of Article 17 of this Chapter.
- (23) To Purchase Equipment and Supplies. — Local boards shall contract for equipment and supplies under G.S. 115C-522(a), 115C-522.1, and 115C-528.
- (24) Purchase of Activity Buses with Local Capital Outlay Tax Funds. — Local boards of education are authorized to purchase activity buses with local capital outlay tax funds, and are authorized to maintain these buses in the county school bus garage. Reimbursement to the State Public School Fund shall be made for all maintenance cost including labor, gasoline and oil, repair parts, tires and tubes, antifreeze, etc. Labor cost reimbursements and local funds may be used to employ additional mechanics so as to insure that all activity buses owned and operated by local boards of education are maintained in a safe mechanical condition. Replacement units for activity buses shall be financed with local funds.
- (25) To Secure Liability Insurance. — Local boards of education are authorized to secure liability insurance, as provided in G.S. 115C-42, so as to waive their immunity for liability for certain negligent acts of their employees.
- (26) If a local board of education provides access to its buildings and campus and the student information directory to persons or groups which make students aware of occupational or educational options, the local board of education shall provide access on the same basis to official recruiting representatives of the military forces of the State and of the United States for the purpose of informing students of educational and career opportunities available in the military.
- (27) Repealed by Session Laws 1987, c. 571, s. 2.
- (28) To Enter Lease Purchase and Installment Purchase Contracts. — Local boards may enter into lease purchase and installment purchase contracts as provided in G.S. 115C-528.
- (28a) To Enter Guaranteed Energy Savings Contracts for Energy Conservation Measures. — Local boards may purchase energy conservation measures by guaranteed energy savings contracts pursuant to Part 2 of Article 3B of Chapter 143 of the General Statutes.
- (29) To Authorize the Observance of a Moment of Silence. — To afford students and teachers a moment of quiet reflection at the beginning of each day in the public schools, to create a boundary between school time and nonschool time, and to set a tone of decorum in the classroom that will be conducive to discipline and learning, each local board of education may adopt a policy to authorize the observance of a moment of silence at the commencement of the first class of each day in all grades in the public schools. Such a policy shall provide that the teacher in charge of the room in which each class is held may announce that a period of silence not to exceed one minute in duration shall be observed and that during that period silence shall be maintained and no one may engage in any other activities. Such

period of silence shall be totally and completely unstructured and free of guidance or influence of any kind from any sources.

- (29a) To Encourage the Display of the United States and North Carolina Flags, and to Encourage the Recitation of the Pledge or Oath of Allegiance. — Local boards of education are encouraged to adopt policies to (i) provide for the display of the United States and North Carolina flags in each classroom, (ii) provide the opportunity for students to recite the Pledge or Oath of Allegiance on a regular basis, and (iii) provide age-appropriate instruction on the meaning and historical origins of the flag and the Pledge of Allegiance. These policies shall not compel any person to stand, salute the flag, or recite the Pledge of Allegiance. If flags are donated or are otherwise available, flags shall be displayed in each classroom.
- (29b) To Ensure Freedom of Religion. — No local board of education shall have a policy of denying, or that effectively prevents participation in, prayer in public schools by individuals on a voluntary basis, except when necessary to maintain order and discipline. No local board of education shall encourage or require any person to participate in prayer or influence the form or content of any prayer in public schools. This subdivision shall not be construed to direct any local board of education to take any action in violation of the Constitutions of North Carolina or the United States.
- (30) To Appoint Advisory Councils. — Local boards of education are authorized to appoint advisory councils as provided in G.S. 115C-55.
- (31) Local boards of education shall determine the hours of employment for teacher assistants. The Legislative Commission of Salary Schedules for Public School Employees shall include in its report to the General Assembly recommendations regarding hours of employment for teacher assistants and other employees.
- (32) To Refer All Students Who Drop Out of the Public Schools to Appropriate Services. — Local boards of education shall refer all students who drop out of the public schools to appropriate services. When appropriate public school services such as extended day programs are available, the local boards shall refer the students to those services. When appropriate public school programs are not available or are not suitable for certain students, the local board shall refer the students to the community college system or to other appropriate services.
- (32a) **(See editor's note for effective date)** To Establish Alternative Learning Programs and Develop Policies and Guidelines. — Each local board of education shall establish at least one alternative learning program and shall adopt guidelines for assigning students to alternative learning programs. These guidelines shall include (i) a description of the programs and services to be provided, (ii) a process for ensuring that an assignment is appropriate for the student and that the student's parents are involved in the decision, and (iii) strategies for providing alternative learning programs, when feasible and appropriate, for students who are subject to long-term suspension or expulsion. In developing these guidelines, local boards shall consider the State Board's policies and guidelines developed under G.S. 115C-12(24). Upon adoption of policies and guidelines under this subdivision, local boards are encouraged to incorporate them in their safe school plans developed under G.S. 115C-105.47.

The General Assembly urges local boards to adopt policies that prohibit superintendents from assigning to any alternative learning

program any professional public school employee who has received within the last three years a rating on a formal evaluation that is less than above standard.

Local boards shall assess on a regular basis whether the unit's alternative schools and alternative learning programs incorporate best practices for improving student academic performance and reducing disruptive behavior, are staffed with professional public school employees who are well trained and provided with appropriate staff development, are organized to provide coordinated services, and provide students with high quality and rigorous academic instruction.

- (33) Local boards of education shall have sole authority to select and procure supplementary instructional materials, whether or not the materials contain commercial advertising, pursuant to the provisions of G.S. 115C-98(b).

- (33a) To Approve and Use Textbooks Not Adopted by State Board of Education. — Local boards of education shall have the authority to select, procure, and use textbooks not adopted by the State Board of Education as provided in G.S. 115C-98(b1).

- (34) To Encourage the Business Community to Facilitate Student Achievement. — Local boards of education, in consultation with local business leaders, shall develop voluntary guidelines relating to after-school employment. The guidelines may include an agreement to limit the number of hours a student may work or to tie the number of hours a student may work to his academic performance, school attendance, and economic need. The General Assembly finds that local boards of education do not currently have information regarding how many of their students are employed after school and how many hours they work; the General Assembly urges local boards of education to compile this critical information so that the State can determine to what extent these students' work affects their school performance.

Local boards of education shall work with local business leaders to encourage employers to provide parents or guardians with time to attend conferences with their children's teachers.

The Superintendent of Public Instruction shall provide guidance and technical assistance to the local boards of education on carrying out the provisions of this subdivision.

- (35) To produce school building improvement reports. — Each administrative unit shall produce school building improvement reports for each school building in the local school administrative unit, in accordance with G.S. 115C-12(9)c3.

- (36) To Report All Acts of School Violence. — Local boards of education shall report all acts of school violence to the State Board of Education in accordance with G.S. 115C-12(21).

- (37) To purchase group accident and health insurance for students. — Local boards of education may purchase group accident, group health, or group accident and health insurance for students in accordance with G.S. 58-51-81.

- (38) **(Applicable to all school years beginning with the 2000-2001 school year)** To Establish School Improvement Teams. — Local boards shall adopt a policy to ensure that each principal has established a school improvement team under G.S. 115C-105.27 and in accordance with G.S. 115C-288(l). Local boards shall direct the superintendent or the superintendent's designee to provide appropriate guidance to principals to ensure that these teams are established and that the principals work together with these teams to develop, review, and amend school improvement plans for their schools. Editor's Note. — Session Laws 1985, c. 479, which in ss. 55(c)(4) and 55(c)(6) amended subdivision (12) of this section, provided in 55(c)(8) and (c)(9):

“(8) Nothing in this subsection creates any rights except to the extent that funds are appropriated by the State and the units of local government to implement the provisions of this subsection and the Basic Education Program.

“(9) This subsection shall apply to all school years beginning with the 1985-86 school year.”

This section was amended by Session Laws 1993 (Reg. Sess., 1994), c. 716, s. 2 in the coded bill drafting format provided by § 120-20.1. The act failed to incorporate the changes made to subdivision (24) by Session Laws 1993, c. 114, s. 1 and failed to include subdivision (36), as added by Session Laws 1993, c. 321, s. 139. Subdivisions (24) and (36) have been set out as above at the direction of the Revisor of Statutes. The new subdivision added by Session Laws 1993 (Reg. Sess., 1994), c. 716, s. 2 has been renumbered subdivision (37) at the direction of the Revisor of Statutes.

Session Laws 1997-443, s. 35.4, is a severability clause.

Session Laws 1999-237, s. 8.25(f), provides that the provisions in s. 8.25(a) of the act, which amend G.S. 115C-47(32a) to require at least one alternative school or alternative learning program in each local school administrative unit, become effective July 1, 2000, and that the remainder of s. 8.25 becomes effective July 1, 1999.

Session Laws 1999-237, s. 8.25(e), provides the State Board of Education shall review the qualifications of teachers assigned to alternative schools and alternative learning programs. The State Board shall include this information in the annual report to the Joint legislative Education Oversight Committee on alternative schools and alternative learning programs prior to the convening of the 2000 Regular Session of the 1999 General Assembly.

Session Laws 1999-237, s. 30.2 provides: “Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1999-2001 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1999-2001 biennium.”

Session Laws 1999-237, s. 1.1 provides: “This act shall be known as the ‘Current Operations and Capital Improvements Appropriations Act of 1999’.”

Session Laws 1999-237, s. 30.4 contains a severability clause.

Effect of Amendments. — Session Laws 1997-443, s. 8.38(j) and (k), effective July 1, 1998, substituted “under G.S. 115C-84.2” for “pursuant to the provisions of G.S. 115C-84(e)” in subdivision (5), substituted “School Calendar” for “Length of the School Day, the School Month and the School Term” in the subdivision catchline of subdivision (11), and substituted “school calendar under G.S. 115C-84.2” for

"length of the school day, the school month and the school term pursuant to the provisions of G.S. 115C-84(a) through (c)" in subdivision (11).

Session Laws 1998-194, s. 3, effective October 24, 1998, substituted "under G.S. 115C-522(a), 115C-522.1" for "pursuant to the provisions of G.S. 115C-522(a)" in subdivision (23).

Session Laws 1998-202, s. 12, effective July 1, 1999, and applicable to acts committed on or after that date, added subdivision (32a).

Session Laws 1999-96, s. 7, effective May 27, 1999, added subdivision (18a).

Session Laws 1999-237, s. 8.25(a), rewrote subdivision (32a). For effective date, see editor's note.

Session Laws 1999-373, s. 3, effective July 1, 1999, and applicable to all school years beginning with the 2000-2001 school year, added subdivision (38).

Session Laws 1999-397, s. 4, effective August

5, 1999, added the last paragraph in subdivision (32a).

Session Laws 1999-456, s. 35, made a technical amendment. This provision amended the portion of subdivision (32a) amended by Session Laws 1999-237, s. 8.25(a) to become effective July 1, 2000, by inserting "one" preceding "alternative learning program" and making the word "program" singular in the first sentence of subdivision (32a).

CASE NOTES

Editor's Note. — *Most of the cases below were decided under corresponding provisions of former Chapter 115 and earlier statutes.*

Purpose. — Article I, Section 15 and Article IX, Section 2 of the North Carolina Constitution combine to guarantee every child of this state an opportunity to receive a sound basic education in our public schools. *Leandro v. State*, 346 N.C. 336, 488 S.E.2d 249 (1997).

Purpose of 1990 Amendments. — Through the 1990 amendments to § 115C-98 and this section, the General Assembly made clear what the statutes already provided — that decisions concerning the procurement of supplementary instructional materials, including those which involve commercial advertising, are to be made exclusively by the local school boards without having to seek approval of the State Board. *State v. Whittle Communications*, 328 N.C. 456, 402 S.E.2d 556 (1991).

Sound Basic Education Defined. — For purposes of our Constitution, a sound basic education will provide the student with at least: (1) sufficient ability to read, write, and speak English and a sufficient knowledge of fundamental math and physical science to enable the student to function in a complex and rapidly changing society; (2) sufficient fundamental knowledge of geography, history and basic economic and political systems to enable the student to make informed choices regarding personal issues or issues that affect the community, state, and nation; (3) sufficient academic and vocational skills to enable the student to successfully engage in post-secondary education or vocational training; (4) and sufficient academic and social skills to enable the student to compete on an equal basis with others in further formal education or gainful

employment. *Leandro v. State*, 346 N.C. 336, 488 S.E.2d 249 (1997).

Equal Funding Not Required. — Although the State Constitution requires that access to a sound basic education be provided equally in every school district, the equal opportunities clause of Article IX, Section 2(1) does not require substantially equal funding or educational advantages in all school districts. *Leandro v. State*, 346 N.C. 336, 488 S.E.2d 249 (1997).

As to discretion of local boards to locate, discontinue, transfer and establish schools, see *Clark v. McQueen*, 195 N.C. 714, 143 S.E. 528 (1928).

Selection of School Sites. — The county board of education is given discretionary powers to direct and supervise the county school system for the benefit of all the children therein, including the duty, among others, of selecting a school site, with which the courts will not interfere in the absence of its abuse. *McInnish v. Board of Educ.*, 187 N.C. 494, 122 S.E. 182 (1924).

The board of education determines whether new school buildings are needed and, if so, where they shall be located. Such decisions are vested in the sound discretion of the board, and its discretion with reference thereto cannot be restrained by the courts absent a manifest abuse of discretion or a disregard of law. *Painter v. Wake County Bd. of Educ.*, 288 N.C. 165, 217 S.E.2d 650 (1975).

The phrase "without assuming liability therefor" in subsection (d) of former § 115-35 (see subdivision (4) of this section) was inserted for the purpose of making it clear that governing authorities were not waiving governmental immunity from torts, and does not restrict the

power of such boards to contract for transportation or other required items necessary in connection with duly approved interscholastic activities. *State ex rel. N.C. Utils. Comm'n v. McKinnon*, 254 N.C. 1, 118 S.E.2d 134 (1961).

Where the county purchasing agent purchases equipment for a school and gives a note for the same, signed by him in the name of the school, the county is not liable on the note, the purchasing agent having no connection with the county board of education. *Keith v. Henderson County*, 204 N.C. 21, 167 S.E. 481 (1933).

The courts may compel a county board of education to act upon discretionary powers conferred on them by the legislature, but cannot tell them how they must act. *Key v.*

Board of Educ., 170 N.C. 123, 86 S.E. 1002 (1915).

Criteria for Renewal of Contract of Probationary Teacher Who Serves as Coach.

— Given the broad legislative grant of authority over the status of probationary teachers and the legislative grant to local boards under subdivision (4) of this section, requiring them to promulgate rules and regulations for interscholastic athletics, a board may properly consider coaching changes as a basis for determining whether to renew a probationary teacher's contract when the teacher also serves as a coach. *Abell v. Nash County Bd. of Educ.*, 89 N.C. App. 262, 365 S.E.2d 706 (1988).

CASE NOTES

Editor's Note. — *The cases below were decided under corresponding provisions of former Chapter 115.*

An "administrative unit" is not a "school district" within the meaning of former N.C. Const., Art. II, § 29 (now N.C. Const., Art. II, § 24). *Hobbs v. County of Moore*, 267 N.C. 665, 149 S.E.2d 1 (1966).

Suit Against Administrative School Unit.

— A city administrative school unit may be sued only when and as authorized by statute, and may not be held liable for torts committed by its trustees or employees. *Smith v. Hefner*, 235 N.C. 1, 68 S.E.2d 783 (1952).

§ 115C-67. Merger of units in same county.

City school administrative units may be consolidated and merged with contiguous city school administrative units and with county school administrative units upon approval by the State Board of Education of a plan for consolidation and merger submitted by the boards of education involved and bearing the approval of the board of county commissioners.

County and city boards of education desiring to consolidate and merge their school administrative units may do so by entering into a written plan which shall set forth the conditions of merger. The provisions of the plan shall be consistent with the General Statutes and shall contain, but not be limited to, the following:

- (1) The name by which the merged school administrative unit shall be identified and known.
- (2) The effective date of the merger.
- (3) The establishment and maintenance of a board of education which shall administer all the public schools of the newly created unit, including:
 - a. The termination of any terms of office proposed in the reorganization of the board.
 - b. The method of constituting and continuing the board of education; the manner of selection of board members, including (i) the number of members of the board, (ii) the method of their election or appointment, (iii) whether members shall be nominated, elected, or appointed from districts or at large, (iv) the manner of determining the nominee, and (v) whether the election shall be partisan or nonpartisan; the length of the members' terms of office; the dates of induction into office; the organization of the board; the procedure for filling vacancies; and the compensation to be paid members of the board for expenses incurred in

performance of their duties. To the extent that the method conflicts with G.S. 115C-35, G.S. 115C-37, or with any local act concerning any of the units being merged and consolidated, the plan of merger and consolidation shall prevail.

- (4) The authority, powers, and duties of the board of education with respect to the employment of personnel, the preparation of budgets, and any other related matters which may be particularly applicable to the merged unit not inconsistent with the General Statutes.
- (5) The transfer of all facilities, properties, structures, funds, contracts, deeds, titles, and other obligations, assets and liabilities to the board of education of the merged unit.
- (6) Whether or not there shall be continued in force any supplemental school tax which may be in effect in either or all local school administrative units involved.
- (7) A public hearing, which shall have been announced at least 10 days prior to the hearing, on the proposed plan of merger.
- (8) A statement as to whether the question of merger, in accordance with the projected plan, is to be contingent upon approval of the voters in the affected area.
- (9) Any other condition or prerequisite to merger, together with any other appropriate subject or function that may be necessary for the orderly consolidation and merger of the local school administrative units involved.

The plan referred to above shall be mutually agreed upon by the city and county boards of education involved and shall be accompanied by a certification that the plan was approved by the board of education on a given day and that the action has been duly recorded in the minutes of said board, together with a certification to the effect that the public hearing required above was announced and held. The plan, together with the required certifications, shall then be submitted to the board of county commissioners for its concurrence and approval. After such approval has been received, the plan shall be submitted to the State Board of Education for the approval of said State Board and the plan shall not become effective until such approval is granted. Upon approval by the State Board of Education, the plan of consolidation and merger shall become final and shall be deemed to have been made by authority of law and shall not be changed or amended except by an act of the General Assembly. The written plan of agreement shall be placed in the custody of the board of education operating and administering the public schools in the merged unit and a copy filed with the Secretary of State.

The plan may be, but it is not required that it be, submitted for the approval of the voters of the geographic area affected in a referendum or election called for such purpose, and such elections or referendums if held shall be held under the provisions governing elections or referendums as set forth in G.S. 115C-507, with authority of the board of county commissioners to have such election or referendum conducted by the board of elections of the county.

Upon approval of the plan of consolidation or merger by the State Board of Education, or upon approval of the plan of consolidation or merger by the voters in a referendum or election called for such purpose, and as soon as a provisional or interim board of education of the merged unit, or a permanent board of education of the merged unit, enters in and upon the duties of the administration of the public schools of the consolidated or merged unit, then the former boards of education and all public officers of the former boards of education of the separate units thus merged shall stand abolished, and said separate boards of education or administrative units thus merged shall stand dissolved and shall cease to exist for any and all purposes. All consolidations and mergers of county and city boards of education and of county and city

school administrative units heretofore agreed to and finally approved, and all consolidation or merger proceedings entered into prior to June 9, 1969, are hereby declared to be effective, legal and according to law notwithstanding any defect in the merger or consolidation proceedings and notwithstanding any dissolution of the separate boards of education and public officers of the former, separate school units. OPINIONS OF ATTORNEY GENERAL

Editor's Note. — *The opinions below were rendered under corresponding provisions of former Chapter 115.*

Contents of Plan of Merger and Effect Thereof. — The plan of merger may include a provision that candidates for the merged board be elected on a nonpartisan basis in a partisan election. If the merger is brought about the city school board would have no further authority after the merger and would be dissolved by operation of law, while if the school units are merged and the city unit no longer exists, the

supplemental tax heretofore approved may still be levied and turned over to the merged board for administrative purposes within the area formerly recognized as the city administrative unit. See opinion of the Attorney General to Mr. R.A. Collier, Sr., Attorney for Statesville City School Board, 40 N.C.A.G. 221 (1969).

Effect of Merger of County and City Unit on Supplemental Taxes in Effect in Each Unit. — See opinion of Attorney General to Mr. Thomas A. Banks, Wake County Attorney, 40 N.C.A.G. 228 (1970).

§ 115C-68. Merger of units in adjoining counties.

(a) Boards of education of contiguous counties or boards of education in a group of counties in which each county is contiguous with at least one other county in the group, and any city school administrative unit located in counties to be merged, may merge school administrative units upon approval by the State Board of Education of a written plan for merger submitted by the boards of education involved and bearing the approval of the tax-levying body for the school units. The plan shall be consistent with the General Statutes, shall contain provisions covering those items listed in G.S. 115C-67 (providing for the merger of units in the same county), and shall contain any other provision deemed necessary or appropriate by the State Board of Education or the local boards of education for the merger of school units in two or more counties.

(b) The plan of merger, including any arrangements for financing or taxing for the schools in the new local school administrative unit, may be, but is not required to be, submitted for the approval of the voters of the geographic area affected in a referendum or election called for the purpose of approving these matters. Such elections or referendums, if held, shall be held under the provisions governing elections or referendums as set forth in G.S. 115C-507. Each board of county commissioners shall have authority to have such elections or referendums conducted by the board of elections of its county under the provisions set forth in G.S. 115C-507.

(c) If twenty percent (20%) of the qualified voters of a county to be merged petition the board of county commissioners of their county for an election as to whether their county shall be included in the proposed merger, the board of county commissioners shall call an election on this question for its county

under the provisions of G.S. 115C-507. The petition must be submitted to the board of county commissioners within 10 days following the public hearing required by G.S. 115C-67 on the proposed plan of merger. The board of county commissioners shall have authority to have such an election conducted by the board of election of its county under the provisions set forth in G.S. 115C-507.

(d) Boards of education considering a merger of two or more counties may spend money necessary for studying and preparing for such a merger. (1969, c. 828; 1981, c. 423, s. 1.)

Local Modification. — Edgecombe and Nash, city of Rocky Mount, and town of Tarboro: 1987, c. 534.

§ 115C-68.1. Merger of units by the board of commissioners.

(a) The board of commissioners of a county in which two or more local school administrative units are located, but all are located wholly within the county, may adopt a plan for the consolidation and merger of the units into a single countywide unit.

The plan adopted under this subsection shall require that the county adopting the plan provide local funding per average daily membership to the resulting local school administrative unit for subsequent years of at least the highest level of any local school administrative unit in the county during the preceding five fiscal years before the merger.

The board of commissioners shall forward a copy of the plan it adopts to the boards of education of all local school administrative units located within the county, immediately upon adoption.

(b) The boards of commissioners of two counties in which one local school administrative unit is located in both counties may jointly adopt plans for each of their counties, including a plan of consolidation and merger for such unit that is located in more than one county. The results of such consolidation and merger shall be that there is only one countywide local school administrative unit in each county, or that the entirety of the unit located within two counties is merged and consolidated with the county unit of one of the two counties. Such plans shall also merge and consolidate any other city school administrative unit located wholly within one of the two counties. Within the two-county area, all the plans shall take effect on the same day.

The plans jointly adopted under this subsection shall require that the counties jointly adopting the plans provide local funding per average daily membership to the resulting local school administrative units for subsequent fiscal years of at least the highest level of any local school administrative unit being merged during the preceding five fiscal years before the merger.

The boards of commissioners of each of the two counties shall forward copies of the plans they adopt to the boards of education of all local school administrative units located within the county, immediately upon adoption.

(c) The plans under this section shall be prepared and approved in accordance with G.S. 115C-67 as provided by general law, or G.S. 115C-68 as provided by general law, as applicable, except that the county and city boards of education shall not participate by preparing, entering into, submitting, or agreeing to a plan, and the plan shall not be contingent upon approval of the voters.

(d) For the purpose of this section, local funding per average daily membership means the budgeted local expense per average daily membership. The State Board of Education shall establish guidelines for the computation of this amount and the amount shall be set out in the plan for consolidation and merger.

(e) If the State Board of Education fails to approve a plan submitted to it under this section, such failure to approve does not preclude the approval of the plan by the General Assembly by local act. (1991, c. 689, s. 37(b).)

CASE NOTES

Election Enjoined to Prevent Discriminatory Merge. — White voters of Durham County were held entitled to a temporary restraining order to enjoin the election of the public school board pursuant to a districting plan designed to merge people of a particular

race within voting districts in a discriminatory manner. *Cannon v. North Carolina State Bd. of Educ.*, 917 F. Supp. 387 (E.D.N.C. 1996), *aff'd*, 129 F.3d 116 (4th Cir. 1997).

§ 115C-68.2. Merger of units by the local boards of education.

If a city board of education notifies the State Board of Education that it is dissolving itself, the State Board of Education shall adopt a plan of consolidation and merger of that city school administrative unit with the county school administrative unit in the county in which the city unit is located; provided, however, if a city school administrative unit located in more than one county notifies the State Board of Education that it is dissolving itself, the State Board shall adopt a plan that divides the city unit along the county line and consolidates and merges the part of the city unit in each county with the county unit in that county and the plans shall take effect on the same day. The plans shall be prepared and approved in accordance with G.S. 115C-67 as provided by general law, and G.S. 115C-68 as provided by general law, as applicable, except that the county and city boards of education and the boards of commissioners shall not participate by preparing, entering into, submitting, or agreeing to a plan, and the plan shall not be contingent upon approval by the voters. (1991, c. 689, s. 37(c).)

§ 115C-68.3. Validation of plans of consolidation and merger.

All plans for consolidation and merger of school administrative units entered into between June 9, 1969, and May 26, 1992, under G.S. 115C-67, 115C-68.1, 115C-68.2, former G.S. 115-74.1, or under any local act authorizing such mergers, are ratified and considered to have been adopted by act of the General Assembly. This Article prevails over G.S. 153A-76(4). (1991 (Reg. Sess., 1992), c. 767, s. 2; c. 1030, s. 51.2.)

Editor's Note. — Session Laws 1991 (Reg. Sess., 1992), c. 767, which enacted this section, in s. 1 provides: "Pending litigation threatens to disrupt the well-settled school mergers of Morganton/Glen Alpine/Burke County, Marion/McDowell County, Sanford/Lee County, North Wilkesboro/Wilkes County, New Bern/Craven County, Concord/Cabarrus County, Fayetteville/Cumberland County, Salisbury/Rowan County, Tryon/Polk County, and Statesville/Iredell County, and the recently approved school mergers of Hendersonville/Henderson County, Goldsboro/Wayne County, Kinston/Lenoir County, Durham/Durham County, and Monroe/Union County, all approved under a general law giv-

ing county boards of commissioners or the State Board of Education or both a role in the mergers, and threatens to disrupt the well-settled school mergers for Elm City/Wilson/Wilson County and Raleigh/Wake County, which were approved under local acts requiring approval of the county commissioners and the State Board of Education. The case, if affirmed by the appellate courts, would greatly increase State funding for school administrative staffs when numerous long-dissolved school units are revived by court order. It is clear that the 1967, 1969, and 1991 school merger legislation was designed as alternative procedures for the manner of electing school boards than the general law procedures on board composition, and the

procedures of these acts are in conformance with the long accepted trend of granting home rule and allowing local issues to be handled outside of local legislation. Arguments in litigation that G.S. 115C-35, 115C-37 and 153A-76(4) should restrict local settlement of merger is-

sues need to be disposed of so the mere presence of the litigation will not disrupt past, current, and future mergers and the ongoing implementation of merger in numerous school units."

§ 115C-69. Types of districts defined.

The term "district" here used is defined to mean any convenient territorial division or subdivision of a county, created for the purpose of maintaining within its boundaries one or more public schools. It may include one or more incorporated towns or cities, or parts thereof, or one or more townships, or parts thereof, all of which territory is included in a common boundary. There shall be three different kinds of districts:

- (1) The "nontax district" is a territorial division of a local school administrative unit under the control of the local board of education, having no special local tax fund voted by the people for supplementing State and county funds.
- (2) The "local tax district" is a territorial division of a local school administrative unit under the control of the local board of education, having in addition to State and county funds, a special local tax fund voted by the people for supplementing State and county funds.
- (3) The "administrative district" is a territorial division of a county school administrative unit under the control of a county board of education which is established for administrative purposes and which consists of any combination of one or more local tax districts, nontax areas or bond districts of the county school administrative unit. (1955, c. 1372, art. 1, s. 7; 1965, c. 584, s. 1; 1981, c. 423, s. 1; 1985 (Reg. Sess., 1986), c. 975, s. 12.)

CASE NOTES

Editor's Note. — Most of the cases below were decided under corresponding provisions of former Chapter 115.

A "school district" is an area within a county in which one or more public schools must be maintained. *Hobbs v. County of Moore*,

267 N.C. 665, 149 S.E.2d 1 (1966).

As to equivalent of township, see *Brown v. Candler*, 236 N.C. 576, 73 S.E.2d 550 (1952).

§ 115C-70: Repealed by Session Laws 1985 (Regular Session, 1986), c. 975, s. 24.

§ 115C-71. Districts formed from portions of contiguous counties.

School districts may be formed out of contiguous counties by agreement of the county boards of education of the respective counties subject to the approval of the State Board of Education. Rules for the organization, support and operation of districts so formed are subject to the agreement of the boards of education concerned, and as a guide to the working out of such agreements the formulas contained in G.S. 115C-510 should be followed as far as applicable. (1955, c. 1372, art. 8, s. 2; 1981, c. 423, s. 1.)

§ 115C-72. Consolidation of districts and discontinuance of schools.

(a) Local boards of education shall have the power and authority to close or consolidate schools located in the same district, and with the approval of the State Board of Education, to consolidate school districts or other school areas over which the board has full control, whenever and wherever in its judgement the closing or consolidation will better serve the educational interest of the local school administrative unit or any part of it.

In determining whether two or more public schools shall be consolidated, or in determining whether or not a school shall be closed and the pupils transferred therefrom, local boards of education of the several counties shall observe and be bound by the following rules:

- (1) In any question involving the closing or consolidation of any public school, the local board of education of the school administrative unit in which such school is located shall cause a thorough study of such school to be made, having in mind primarily the welfare of the students to be affected by a proposed closing or consolidation and including in such study, among other factors, geographic conditions, anticipated increase or decrease in school enrollment, the inconvenience or hardship that might result to the pupils to be affected by such closing or consolidation, the cost of providing additional school facilities in the event of such closing or consolidation, and such other factors as the board shall consider germane. Before the entry of any order of closing or consolidation, the local board of education shall provide for a public hearing in regard to such proposed closing or consolidation, at which hearing the public shall be afforded an opportunity to express their views. Upon the basis of the study so made and after such hearing, said board may, in the exercise of its discretion, approve the closing or consolidation proposed.
- (2) The provisions of this section shall not deprive any local board of education of the authority to assign or enroll any and all pupils in schools in accordance with the provisions of G.S. 115C-366(b) and 115C-367 to 115C-370.

(b) This section does not govern merger of a city school administrative unit with another school administrative unit. Such merger is governed by G.S. 115C-67. (1955, c. 1372, art. 8, s. 3; 1981, c. 423, s. 1; 1983, c. 308; c. 752.)

§ 115C-73. Enlarging tax districts and city units by permanently attaching contiguous property.

The county boards of education with the approval of the State Board of Education may transfer from nontax territory and attach permanently to local tax districts or to city school administrative units, real property contiguous to said local tax districts or city school administrative units, upon the written petition of the owners thereof and the taxpayers of the families living on such real property, and there shall be levied upon the property of each individual in the area so attached, including landowners and tenants, the same tax as is levied upon other property in said district or unit: Provided, that such transfer shall be subject to the approval of the board of education of such city unit: Provided, the petition must be signed by a majority of the persons who are the owners thereof and a majority of the taxpayers of the families living on such real property on the date the petition is filed with the county board of education: Provided, further, that a person or corporation owning only an easement in real property shall not be considered an owner of said property within contemplation of this section: Provided, further that no right of action or defense founded upon the invalidity of such transfer shall be asserted, nor shall the validity of such transfer be open to question in any court upon any ground whatever, except in an action or proceeding commenced within 60 days after the approval of such transfer is given by the State Board of Education.

Any qualified voter residing in the area attached shall be permitted to vote in any election for members of the board of education having jurisdiction over the attached area. (1955, c. 1372, art. 8, s. 4; 1959, c. 573, s. 4; 1971, c. 672; 1973, c. 1155; 1981, c. 423, s. 1; 1985 (Reg. Sess., 1986), c. 975, s. 13.)

§ 115C-74. School system defined.

The school system of each local school administrative unit shall consist of 12 years of study or grades, and shall be graded on the basis of a school year of not less than nine months. The system may be organized in one or two ways as follows: The first eight grades shall be styled the elementary school and the remaining four grades, the high school; or if more practicable, a junior high school may be formed by combining the first year of high school with both the seventh and eighth grades or with the eighth grade alone, and a senior high school which shall comprise the last three years of high school work. For purposes of Title V of the National Defense Education Act of 1958 (Public Law 85-864) the term "secondary school" shall be applicable to grades seven through 12. (1955, c. 1372, art. 1, s. 5; 1959, c. 573, s. 1; 1981, c. 423, s. 1.)

- (3) A “union school” is a school which embraces both elementary and high school grades.
- (4) A “junior high school” is a school which embraces not more than the first year of high school with not more than the upper two elementary grades.

SUBCHAPTER IV. EDUCATION PROGRAM.**ARTICLE 8.***General Education.***Part 1. Courses of Study.****§ 115C-81. Basic Education Program.**

(a) The General Assembly believes that all children can learn. It is the intent of the General Assembly that the mission of the public school community is to challenge with high expectations each child to learn, to achieve, and to fulfill his or her potential. With that mission as its guide, the State Board of Education shall adopt a Basic Education Program for the public schools of the State. Before it adopts or revises the Basic Education Program, the State Board shall consult with an Advisory Committee, including at least eight members of local boards of education, that the State Board appoints from a list of nominees submitted by the North Carolina School Boards Association.

The State Board shall implement the Basic Education Program within funds appropriated for that purpose by the General Assembly and by units of local government. It is the intent of the General Assembly that until the Basic Education Program is fully funded, the implementation of the Basic Education Program shall be the focus of State educational funding. It is the goal of the General Assembly that the Basic Education Program be fully funded and completely operational in each local school administrative unit by July 1, 1995.

It is further a goal of the General Assembly to provide supplemental funds to low-wealth counties to allow those counties to enhance the instructional program and student achievement.

- (a1) The Basic Education Program shall describe the education program to

be offered to every child in the public schools. It shall provide every student in the State equal access to a Basic Education Program. Instruction shall be offered in the areas of arts, communication skills, physical education and personal health and safety, mathematics, media and computer skills, science, second languages, social studies, and vocational and technical education.

Instruction in vocational and technical education under the Basic Education Program shall be based on factors including:

- (1) The integration of academic and vocational and technical education;
 - (2) A sequential course of study leading to both academic and occupational competencies;
 - (3) Increased student work skill attainment and job placement;
 - (4) Increased linkages, where geographically feasible, between public schools and community colleges, so the public schools can emphasize academic preparation and the community colleges can emphasize specific job training; and
 - (5) Instruction and experience, to the extent practicable, in all aspects of the industry the students are prepared to enter.
- (a2) Repealed by Session Laws 1995, c. 534, s. 1.
- (a3) Alcohol and Drug Education Program to Be Recommended and Implemented:

- (1) A comprehensive education program that includes alcohol and drug use prevention education must be available to every child in North Carolina schools in kindergarten through high school.
- (2) The State Board of Education shall develop and maintain a recommended list of alcohol and drug use prevention education materials that include components for teacher training and ongoing assessment and evaluation to verify success and ensure the use of up-to-date information and strategies.
- (3) The Department of Public Instruction will work to strengthen instructional offerings in the content and skill areas of the Basic Education Program in which alcohol and drug use prevention education is addressed. Curricular materials and resources will be developed that meet, extend, and supplement drug and alcohol education as outlined in the North Carolina Standard Course of Study and the Teacher Handbook for the competency-based curriculum.
- (4) The Department of Public Instruction shall recommend to the State Board of Education any drug use prevention education support materials that should be removed or added to the recommended list of curricular resources developed and maintained by the State Board of Education.
- (5) Local boards of education may select supplemental alcohol and drug use prevention education materials from the list maintained by the State Board of Education, or develop their own supplemental materials to be approved by the State Board of Education.
- (6) Local boards of education shall implement alcohol and drug use prevention education as a primary part of their comprehensive health education program.
- (7) Local boards of education will provide for ongoing evaluation of drug use prevention education resources, to include participation in ongoing evaluations with the Department of Public Instruction.
- (8) Local boards of education must implement an approved drug and alcohol education prevention program for kindergarten through sixth grade by the 1990-91 school year, and for seventh grade through twelfth grade by the 1991-92 school year.
- (9) Local boards of education will meet educational State accreditation

standards related to instruction in preventing alcohol and drug use in grades K-12.

- (10) The Department of Public Instruction, in conjunction with local school districts, will provide for staff development to train educators and support personnel to implement a comprehensive alcohol and drug use prevention education program.
- (11) Sequential, age-appropriate instruction will be provided that has the following features:
 - a. Reaches all students in all grades;
 - b. Presents a clear and consistent message that the use of alcohol and illicit drugs and the misuse of other drugs is unhealthy and harmful;
 - c. Reflects current research and theory;
 - d. Includes all abusable substances;
 - e. Utilizes information that is current and accurate;
 - f. Involves students in active "hands-on" learning experiences;
 - g. Integrates substance abuse education with other health and social issues and other subject and skill areas of the North Carolina Basic Education Program and Standard Course of Study;
 - h. Promotes understanding and respect for the law and values of society;
 - i. Encourages health, safe, and responsible attitudes and behaviors;
 - j. Includes strategies to involve parents, family members, and the community;
 - k. Includes information on intervention and treatment services;
 - l. Is continually open to revision, expansion and improvement.

(a4) Conflict Resolution and Mediation Models: The State Board of Education shall develop a list of recommended conflict resolution and mediation materials, models, and curricula that address responsible decision making, the causes and effects of school violence and harassment, cultural diversity, and nonviolent methods for resolving conflict, including peer mediation and shall make the list available to local school administrative units and school buildings by the beginning of the 1994-95 school year. In developing this list, the Board shall emphasize materials, models, and curricula that currently are being used in North Carolina and that the Board determines to be effective. The Board shall include at least one model that includes instruction and guidance for the voluntary implementation of peer mediation programs and one model that provides instruction and guidance for teachers concerning the integration of conflict resolution and mediation lessons into the existing classroom curriculum.

(b) The Basic Education Program shall include course requirements and descriptions similar in format to materials previously contained in the standard course of study and it shall provide:

- (1) A core curriculum for all students that takes into account the special needs of children and includes appropriate modifications for the learning disabled, the academically or intellectually gifted students, and the students with discipline and emotional problems;
- (2) A set of competencies, by grade level, for each curriculum area;
- (3) A list of textbooks for use in providing the curriculum;
- (4) Standards for student performance and promotion based on the mastery of competencies, including standards for graduation, that take into account children with special needs and, in particular, include appropriate modifications;
- (5) A program of remedial education;
- (6) Required support programs;

- (7) A definition of the instructional day;
- (8) Class size recommendations and requirements;
- (9) Prescribed staffing allotment ratios;
- (10) Material and equipment allotment ratios;
- (11) Facilities guidelines that reflect educational program appropriateness, long-term cost efficiency, and safety considerations; and
- (12) Any other information the Board considers appropriate and necessary.

The State Board shall not adopt or enforce any rule that requires Algebra I as a graduation standard or as a requirement for a high school diploma for any student whose individualized education program (i) identifies the student as learning disabled in the area of mathematics and (ii) states that this learning disability will prevent the student from mastering Algebra I.

(c) **(For final effective date see notes)** Local boards of education shall provide for the efficient teaching at appropriate grade levels of all materials set forth in the standard course of study, including integrated instruction in the areas of citizenship in the United States of America, government of the State of North Carolina, government of the United States, fire prevention, the free enterprise system, and the dangers of harmful or illegal drugs, including alcohol.

Except when a board authorizes teaching in a foreign language in order to comply with federal law, local boards of education shall require all teachers and principals to conduct classes except foreign language classes in English. Any teacher or principal who refuses to do so may be dismissed.

(c) **(For future effective date see notes)** Local boards of education shall provide for the efficient teaching at appropriate grade levels of all materials set forth in the Basic Education Program, including integrated instruction in the areas of citizenship in the United States of America, government of the State of North Carolina, government of the United States, fire prevention, the free enterprise system, and the dangers of harmful or illegal drugs, including alcohol.

Except when a board authorizes teaching in a foreign language in order to comply with federal law, local boards of education shall require all teachers and principals to conduct classes except foreign language classes in English. Any teacher or principal who refuses to do so may be dismissed.

(d) The standard course of study as it exists on January 1, 1985, and as subsequently revised by the State Board, shall remain in effect until its components have been fully incorporated and implemented as a part of the Basic Education Program.

(e) Repealed by Session Laws 1995, c. 534, s. 2.

(e1) School Health Education Program to Be Developed and Administered.

- (1) A comprehensive school health education program shall be developed and taught to pupils of the public schools of this State from kindergarten through ninth grade. This program includes age-appropriate instruction in the following subject areas, regardless of whether this instruction is described as, or incorporated into a description of, "family life education", "family health education", "health education", "family living", "health", "healthful living curriculum", or "self-esteem":

- a. Mental and emotional health;
- b. Drug and alcohol abuse prevention;
- c. Nutrition;
- d. Dental health;
- e. Environmental health;

- f. Family living;
- g. Consumer health;
- h. Disease control;
- i. Growth and development;
- j. First aid and emergency care, including the teaching of cardiopulmonary resuscitation (CPR) and the Heimlich maneuver by using hands-on training with mannequins so that students become proficient in order to pass a test approved by the American Heart Association, or American Red Cross;
- k. Preventing sexually transmitted diseases, including Acquired Immune Deficiency Syndrome (AIDS) virus infection, and other communicable diseases;
- l. Abstinence until marriage education; and
- m. Bicycle safety.

(2) The State Board of Education shall supervise the development and operation of a statewide comprehensive school health education program including curriculum development, in-service training provision and promotion of collegiate training, learning material review, and assessment and evaluation of local programs in the same manner as for other programs. The State Board of Education shall adopt objectives for the instruction of the subject areas listed in subdivision (1) of this subsection that are appropriate for each grade level. In addition, the State Board shall approve textbooks and other materials incorporating these objectives that local school administrative units may purchase with State funds. The State Board of Education, through the Department of Public Instruction, shall, on a regular basis, review materials related to these objectives, and distribute these reviews to local school administrative units for their information.

(3) The State Board of Education shall develop objectives for instruction in the prevention of sexually transmitted diseases, including Acquired Immune Deficiency Syndrome (AIDS) virus infection, that includes emphasis on the importance of parental involvement, abstinence from sex until marriage, and avoiding intravenous drug use. Any program developed under this subdivision shall present techniques and strategies to deal with peer pressure and to offer positive reinforcement and shall teach reasons, skills, and strategies for remaining or becoming abstinent from sexual activity; for appropriate grade levels and classes, shall teach that abstinence from sexual activity until marriage is the only certain means of avoiding out-of-wedlock pregnancy, sexually transmitted diseases, and other associated health and emotional problems, and that a mutually faithful monogamous heterosexual relationship in the context of marriage is the best lifelong means of avoiding diseases transmitted by sexual contact, including Acquired Immune Deficiency Syndrome (AIDS); and shall teach the positive benefits of abstinence until marriage and the risks of premarital sexual activity. Any instruction concerning the causes of sexually transmitted diseases, including Acquired Immune Deficiency Syndrome (AIDS), in cases where homosexual acts are a significant means of transmission, shall include the current legal status of those acts.

(4) The State Board of Education shall evaluate abstinence until marriage curricula and their learning materials and shall develop and maintain a recommended list of one or more approved abstinence until marriage curricula. The State Board may develop an abstinence until

marriage program to include on the recommended list. The State Board of Education shall not select or develop a program for inclusion on the recommended list that does not include the positive benefits of abstinence until marriage and the risks of premarital sexual activity as the primary focus. The State Board shall include on the recommended list only programs that include, in appropriate grades and classes, instruction that:

- a. Teaches that abstinence from sexual activity outside of marriage is the expected standard for all school-age children;
 - b. Presents techniques and strategies to deal with peer pressure and offering positive reinforcement;
 - c. Presents reasons, skills, and strategies for remaining or becoming abstinent from sexual activity;
 - d. Teaches that abstinence from sexual activity is the only certain means of avoiding out-of-wedlock pregnancy, sexually transmitted diseases, including Acquired Immune Deficiency Syndrome (AIDS), and other associated health and emotional problems;
 - e. Teaches that a mutually faithful monogamous heterosexual relationship in the context of marriage is the best lifelong means of avoiding sexually transmitted diseases, including Acquired Immune Deficiency Syndrome (AIDS);
 - f. Teaches the positive benefits of abstinence until marriage and the risks of premarital sexual activity;
 - g. Provides opportunities that allow for interaction between the parent or legal guardian and the student; and
 - h. Provides factually accurate biological or pathological information that is related to the human reproductive system.
- (5) The State Board of Education shall make available to all local school administrative units for review by the parents and legal guardians of students enrolled at that unit any State-developed objectives for instruction, any approved textbooks, the list of reviewed materials, and any other State-developed or approved materials that pertain to or are intended to impart information or promote discussion or understanding in regard to the prevention of sexually transmitted diseases, including Acquired Immune Deficiency Syndrome (AIDS), to the avoidance of out-of-wedlock pregnancy, or to the abstinence until marriage curriculum. The review period shall extend for at least 60 days before use.
- (6) Each local school administrative unit shall provide a comprehensive school health education program that meets all the requirements of this subsection and all the objectives established by the State Board. Each local board of education may expand on the subject areas to be included in the program and on the instructional objectives to be met. This expanded program may include a comprehensive sex education program for that local school administrative unit only if all of the following requirements are satisfied:
- a. Before a comprehensive sex education program is adopted, the local board of education shall conduct a public hearing, after adequately notifying the public of the hearing.
 - b. For at least 30 days before this public hearing and during this public hearing, the objectives for this proposed program and all instructional materials shall be made available for review.
 - c. For at least 30 days after the public hearing, the objectives for the program and all instructional materials shall remain available

for review by parents and legal guardians of students in that local school administrative unit.

(7) Each school year, before students may participate in any portion of (i) a program that pertains to or is intended to impart information or promote discussion or understanding in regard to the prevention of sexually transmitted diseases, including Acquired Immune Deficiency Syndrome (AIDS), or to the avoidance of out-of-wedlock pregnancy, (ii) an abstinence until marriage program, or (iii) a comprehensive sex education program, whether developed by the State or by the local board of education, the parents and legal guardians of those students shall be given an opportunity to review the objectives and materials. Local boards of education shall adopt policies to provide opportunities either for parents and legal guardians to consent or for parents and legal guardians to withhold their consent to the students' participation in any or all of these programs.

(8) Students may receive information about where to obtain contraceptives and abortion referral services only in accordance with a local board's policy regarding parental consent. Any instruction concerning the use of contraceptives or prophylactics shall provide accurate statistical information on their effectiveness and failure rates for preventing pregnancy and sexually transmitted diseases, including Acquired Immune Deficiency Syndrome (AIDS), in actual use among adolescent populations and shall explain clearly the difference between risk reduction and risk elimination through abstinence.

(9) Contraceptives, including condoms and other devices, shall not be made available or distributed on school property.

(10) School health coordinators may be employed to assist in the instruction of any portion of the comprehensive school health education program. Where feasible, a school health coordinator should serve more than one local school administrative unit. Each person initially employed as a State-funded school health coordinator after June 30, 1987, shall have a degree in health education.

(f) Establishment and Maintenance of Kindergartens. —

(1) Local boards of education shall provide for their respective local school administrative unit kindergartens as a part of the public school system for all children living in the local school administrative unit who are eligible for admission pursuant to subdivision (2) of this subsection provided that funds are available from State, local, federal or other sources to operate a kindergarten program as provided in this subsection.

All kindergarten programs so established shall be subject to the supervision of the Department of Public Instruction and shall be operated in accordance with the standards adopted by the State Board of Education, upon recommendation of the Superintendent of Public Instruction.

Among the standards to be adopted by the State Board of Education shall be a provision that the Board will allocate funds for the purpose of operating and administering kindergartens to each school administrative unit in the State based on the average daily membership for the best continuous three out of the first four school months of pupils in the kindergarten program during the last school year in that respective school administrative unit. Such allocations are to be made from funds appropriated to the State Board of Education for the kindergarten program.

- (2) Any child who meets the requirements of G.S. 115C-364 shall be eligible for enrollment in kindergarten. Any child who is enrolled in kindergarten and not withdrawn by the child's parent or guardian shall attend kindergarten.
 - (3) Notwithstanding any other provision of law to the contrary, subject to the approval of the State Board of Education, any local board of education may elect not to establish and maintain a kindergarten program. Any funds allocated to a local board of education which does not operate a kindergarten program may be reallocated by the State Board of Education, within the discretion of the Board, to a county or city board of education which will operate such a program.
- (g) Civic Literacy. —
- (1) Local boards of education shall require during the high school years the teaching of the nation's founding and related documents, which shall include at least the major principles in the Declaration of Independence, the United States Constitution and its amendments, and the most important of the Federalist Papers.
 - (2) Local boards of education shall require that high school students demonstrate knowledge and understanding of the nation's founding and related documents in order to receive a certificate or diploma of graduation from high school.
 - (3) Local boards of education shall include among the requirements for graduation from high school a passing grade in all courses that include primary instruction in the Declaration of Independence, the United States Constitution and its amendments, and the most important of the Federalist Papers.

Local boards, superintendents, principals, and supervisors shall not allow content-based censorship of American history in the public schools of this State, including religious references in these writings, documents, and records. Local boards and professional school personnel may develop curricula and use materials that are limited to specified topics provided the curricula and materials are aligned with the standard course of study or are grade level appropriate.
 - (4) The State Board of Education shall require that any high school level curriculum-based tests developed and administered statewide beginning with academic year 1990-91 include questions related to the Declaration of Independence, the United States Constitution and its amendments, and the most important of the Federalist Papers.
 - (5) The State Department of Public Instruction and the local boards of education, as appropriate, shall establish curriculum content and provide for teacher training to ensure that the intent and provisions of this subsection are carried out. The curriculum content established

shall include a review of the contributions made by Americans of all races.

(h) Character Education. — Local boards of education may require the teaching of the following character traits in the public schools:

- (1) Courage. — Having the determination to do the right thing even when others don't and the strength to follow your conscience rather than the crowd; and attempting difficult things that are worthwhile.

Sess., 1994), c. 769, s. 19.32(a) through (e).

Editor's Note. — Session Laws 1985, c. 479, which amended this section, provided in s. 55(c)(5): "The State Board may permit local pilot programs on an annual basis to deviate

from the Basic Education Program in order to encourage improvement through innovation. These local deviations and the purposes for each shall be described in the annual report required pursuant to G.S. 115C-81 before piloting begins. The achievement of purposes for each pilot program with recommendations shall also be reported. These local deviations shall be described in the annual report required pursuant to G.S. 115C-81 with accompanying rationale and recommendations."

Session Laws 1985, c. 479, s. 55(c)(8) and (c)(9), provided: "(8) Nothing in this subsection creates any rights except to the extent that funds are appropriated by the State and the units of local government to implement the provisions of this subsection and the Basic Education Program.

"(9) This subsection shall apply to all school years beginning with the 1985-86 school year."

Session Laws 1993, c. 359, s. 3, provides: "The effective date of the rule adopted by the State Board of Education in 1991 that established Algebra I as a requirement for a high school diploma is hereby suspended in its application to any student who is identified as learning disabled on the April 1993 headcount of exceptional children and whose individualized education program states that the student's learning disability requires course substitutions or other modifications in the area of mathematics. The State Board of Education may establish a new effective date after it completes its reevaluation required by Section 4 of this act."

Session Laws 1995, c. 371, which amended this section, in s. 2 provides for the suspension of the rule adopted by the State Board of Education establishing Algebra I as a requirement for a high school diploma as it applies to any student whose individualized education program identifies the student as learning disabled in the area of mathematics and states that the learning disability will prevent the student from mastering Algebra I, and provides that the State Board may require reasonable course substitutions for these students.

Session Laws 1995, c. 450, ss. 5, 6, and 7, effective July 1, 1995, in subsection (e), rewrote subdivisions (e)(3), (e)(4), and (e)(5) to read as follows:

"(e)(3) The development and administration of this program shall be the responsibility of each local school administrative unit in the State that uses State funds to implement this program.

"(e)(4) Each person initially employed as a State-funded school health coordinator after June 30, 1987, shall have a degree in health education.

"(e)(5) The Department of Public Instruction shall supervise the development and oper-

ation of a statewide comprehensive school health education program including curriculum development, in-service training provision and promotion of collegiate training, learning material review, and assessment and evaluation of local programs in the same manner as for other programs."

Subsection (e) was repealed by Session Laws 1995, c. 534, s. 2, effective July 29, 1995.

Session Laws 1995, c. 507, s. 17.3, provides for the transfer of funds appropriated to the Office of State Budget and Management, School Technology Reserve, to the State Board of Education, and the allocation of these funds by the State Board of Education to the credit of local school administrative units.

Session Laws 1995, c. 507, s. 17.14, deleted the language in Session Laws 1995, c. 371, s. 3, which provided that the amendments to this section by c. 371 would expire June 30, 1997.

Session Laws 1995, c. 507, s. 28.9, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1995-97 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1995-97 biennium."

Session Laws 1995, c. 534, s. 4, provides that local boards of education are authorized to implement this act as soon as feasible and are required to do so by the beginning of the 1996-97 school year.

Session Laws 1997-422, s. 2, provides that the State Board of Education shall adopt a policy by November 30, 1997, to ensure that the textbooks it adopts have no content-based censorship of American history, including religious references. The State Board may adopt textbooks that are limited to specified topics provided the textbooks are aligned with the standard course of study or are grade level appropriate.

Session Laws 1997-422, s. 3, provides that the State Board of Education shall provide a copy of that act to each local school superintendent in the State, and each local school superintendent shall ensure that school personnel within the unit are informed about the act.

Session Laws 1999-237, s. 8.36, provides in part that the state Board of Education shall establish a pilot program in up to five local school administrative units for the purpose of determining whether revisions in the present school accountability model under the ABCs Plan are likely to result in more students demonstrating mastery of grade level subject matter and skills on the end-of-grade tests or demonstrating mastery of course subject matter or skills on end-of-course tests. In selecting pilot sites, the Board shall consider geographical areas of the State and urban and rural areas. Personnel in schools that participate in the

pilot program and that achieve the pilot program school accountability goals shall be eligible to receive financial awards for that achievement. The State Board shall evaluate the pilot program on an annual basis regarding its implementation in each participating unit, student performance, whether the student performance of students who qualify for free or reduced lunch is improved, and how the student performance in pilot program schools compares with the statewide results under the ABCs Plan.

Session Laws 1999-237, s. 30.2 provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1999-2001 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1999-2001 biennium."

Session Laws 1999-237, s. 1.1 provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 1999'."

Session Laws 1999-237, s. 30.4 contains a severability clause.

OPINIONS OF ATTORNEY GENERAL

Release to Attend Private School. — Local boards of education have the discretionary authority to release students from school for a part of the school day to attend a private school so long as the private school meets compulsory attendance requirements. A school board that elects to deny such permission does not violate the constitutional rights of parents or students.

A board that elects to grant such permission should recognize, and should advise parents, that the absence from school may affect the student's academic progress. See opinion of Attorney General to Mr. W. Max Walser, Superintendent, Davidson County Schools, 57 N.C.A.G. 26 (1987.)

§ 115C-81.1. Basic Education Program Funds not to supplant Local funds for schools.

It is the intent of the General Assembly that budget funds appropriated by the General Assembly for vocational and technical education programs and clerical personnel to implement the Basic Education Program be used to supplement and not supplant existing State and local funding for the public schools. Therefore, to the extent that local school administrative units receive additional State funds for vocational and technical education programs and clerical personnel positions that were previously funded in whole or in part with nonstate funds, the local governments shall continue to spend for public school operating or capital purposes in the local school administrative units the amount of money they would have spent to provide the vocational and technical education programs and the school clerical personnel previously funded with nonstate funds.

Priority shall be given to funding capital needs, particularly those resulting from implementation of the Basic Education Program. (1987, c. 830, s. 88; 1993, c. 180, s. 2.)

§ 115C-81.2. Comprehensive plan for reading achievement.

(a) The State Board of Education shall develop a comprehensive plan to improve reading achievement in the public schools. The plan shall be fully integrated with State Board plans to improve student performance and promote local flexibility and efficiency. The plan shall be based on reading instructional practices for which there is strong evidence of effectiveness in

existing empirical scientific research studies on reading development. The plan shall be developed with the active involvement of teachers, college and university educators, parents of students, and other interested parties. The plan shall, if appropriate, include revision of the standard course of study, revision of teacher certification standards, and revision of teacher education program standards.

(b) The State Board of Education shall critically evaluate and revise the standard course of study so as to provide school units with guidance in the implementation of balanced, integrated, and effective programs of reading instruction. The General Assembly believes that the first, essential step in the complex process of learning to read is the accurate pronunciation of written words and that phonics, which is the knowledge of relationships of the symbols of the written language and the sounds of the spoken language, is the most reliable approach to arriving at the accurate pronunciation of a printed word. Therefore, these programs shall include early and systematic phonics instruction. The State Board shall provide opportunities for teachers, parents, and other interested parties to participate in this evaluation and revision.

(c) In order to reflect changes to the standard course of study and to emphasize balanced, integrated, and effective programs of reading instruction that include early and systematic phonics instruction, the State Board of Education, in collaboration with the Board of Governors of The University of North Carolina and with the North Carolina Association of Independent Colleges and Universities, shall review, evaluate, and revise current teacher certification standards and teacher education programs within the institutions of higher education that provide coursework in reading instruction.

(d) Local boards of education are encouraged to review and revise existing board policies, local curricula, and programs of professional development in order to reflect changes to the standard course of study and to emphasize balanced, integrated, and effective programs of reading instruction that include early and systematic phonics instruction.

(e) Repealed by Session Laws 1997-18, s. 15(g), effective July 1, 1999. (1995 (Reg. Sess., 1996), c. 716, ss. 8.1, 8.2, 8.3, 8.4, 8.5(a); 1997-18, s. 15(g); 1997-456, s. 16.)

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 716, ss. 8.1, 8.2, 8.3, 8.4, and 8.5(a) were codified as this section at the direction of the Revisor of Statutes.

Session Laws 1995 (Reg. Sess., 1996), c. 716, s. 8.5(b), provides: "The State Board shall dis-

seminate to local boards of education by March 31, 1997, the changes to the standard course of study."

Effect of Amendments. — Session Laws 1997-18, s. 15(g), effective July 1, 1999, repeals subsection (e).

§ **115C-82:** Repealed by Session Laws 1987 (Regular Session, 1988), c. 1086, s. 89(d).

§ **115C-83:** Repealed by Session Laws 1997-18, s. 4.

Part 2. Calendar.

§ **115C-84:** Repealed by Session Laws 1997-443, s. 8.38(a), effective July 1, 1998.

OPINIONS OF ATTORNEY GENERAL

Determination of School and Work Hours. — Section 115C-47(11) and subsection

(a) of this section give local boards of education authority over the length of the school day for

students, but do not give local boards authority to establish the length of the work day for State funded employees. See opinion of Attorney Gen-

eral to Mr. James O. Barber, Controller, State Board of Education, 55 N.C.A.G. 1 (1985).

§ 115C-84.1: Repealed by Session Laws 1997-443, s. 1, effective July 1, 1998.

§ 115C-84.2. School Calendar.

(a) **(Applicable to all school years beginning with the 2000-2001 school year)** School Calendar. — Each local board of education shall adopt a school calendar consisting of 220 days all of which shall fall within the fiscal year. A school calendar shall include the following:

- (1) **(For amendment to subdivision (a) (1) of G.S. 115C-84.2 by Session Laws 1999-463, Extra Session, s. 7A, as applicable to certain local school administrative units, see the 2000 Special Supplement.)**

- (2) A minimum of 10 annual vacation leave days.
- (3) The same or an equivalent number of legal holidays occurring within the school calendar as those designated by the State Personnel Commission for State employees.
- (4) Ten days, as designated by the local board, for use as teacher workdays, additional instructional days, or other lawful purposes. A local board may delegate to the individual schools some or all of the 10 days to schedule under subdivision (5) of this subsection. A local board may schedule different purposes for different personnel on any given day and is not required to schedule the same dates for all personnel.
- (5) The remaining days shall be scheduled by each individual school by the school's principal in consultation with the school improvement team. Days may be scheduled for any of the purposes allowed under subdivision (4) of this subsection. Days may be scheduled for different purposes for different personnel and there is no requirement to schedule the same dates for all personnel.

Local boards and individual schools are encouraged to use the calendar flexibility in order to meet the annual performance standards set by the State Board. Local boards of education shall consult with parents and the employed public school personnel in the development of the school calendar.

Local boards and individual schools shall give teachers at least 14 calendar days' notice before requiring a teacher to work instead of taking vacation leave on days scheduled in accordance with subdivision (4) or (5) of this subsection. A teacher may elect to waive this notice requirement for one or more such days.

(a) **(Applicable to all school years beginning with the 2000-2001 school year)** School Calendar. — Each local board of education shall adopt a school calendar consisting of 220 days all of which shall fall within the fiscal year. A school calendar shall include the following:

- (1) A minimum of 180 days and 1,000 hours of instruction covering at least nine calendar months. The local board shall designate when the 180 instructional days shall occur. The number of instructional hours

§ 115C-84.2(a) is set out twice. See notes.

in an instructional day may vary according to local board policy and does not have to be uniform among the schools in the administrative unit. Local boards may approve school improvement plans that include days with varying amounts of instructional time. If school is closed early due to inclement weather, the day and the scheduled amount of instructional hours may count towards the required minimum to the extent allowed by State Board policy. The school calendar shall include a plan for making up days and instructional hours missed when schools are not opened due to inclement weather.

- (2) A minimum of 10 annual vacation leave days.
- (3) The same or an equivalent number of legal holidays occurring within the school calendar as those designated by the State Personnel Commission for State employees.
- (4) Eight days, as designated by the local board, for use as teacher workdays, additional instructional days, or other lawful purposes. A local board may delegate to the individual schools some or all of the eight days to schedule under subdivision (5) of this subsection. A local board may schedule different purposes for different personnel on any given day and is not required to schedule the same dates for all personnel.
- (5) The remaining days scheduled by each school's principal for any of the purposes allowed under subdivision (4) of this subsection. Before scheduling these days, the principal shall work with the school improvement team to determine the days to be scheduled and the purposes for which they should be scheduled. Days may be scheduled and planned for different purposes for different personnel and there is no requirement to schedule the same dates for all personnel. However, if during the last two years the local school administrative unit has made up an average of at least eight days for school closing because of inclement weather, the local board may designate up to two of these days as additional make-up days to be scheduled after the last day of student attendance.

Local boards and individual schools are encouraged to use the calendar flexibility in order to meet the annual performance standards set by the State Board. Local boards of education shall consult with parents and the employed public school personnel in the development of the school calendar.

Local boards and individual schools shall give teachers at least 14 calendar days' notice before requiring a teacher to work instead of taking vacation leave on days scheduled in accordance with subdivision (4) or (5) of this subsection. A teacher may elect to waive this notice requirement for one or more such days.

(b) Limitations. — The following limitations apply when developing the school calendar:

- (1) The total number of teacher workdays for teachers employed for a 10 month term shall not exceed 200 days.
- (2) The calendar shall include at least 42 consecutive days when teacher attendance is not required unless: (i) the school is a year-round school; or (ii) the teacher is employed for a term in excess of 10 months. At the request of the local board of education or of the principal of a school, a teacher may elect to work on one of the 42 days when teacher attendance is not required in lieu of another scheduled workday.
- (3) School shall not be held on Sundays.
- (4) Veteran's Day shall be a holiday for all students enrolled in the public schools.

(c) Emergency Conditions. — During any period of emergency in any section of the State where emergency conditions make it necessary, the State Board of

Education may order general, and if necessary, extended recesses or adjournment of the public schools.

(d) **Opening and Closing Dates.** — Local boards of education shall determine the dates of opening and closing the public schools under subdivision (a)(1) of this section. A local board may revise the scheduled closing date if necessary in order to comply with the minimum requirements for instructional days or instructional time. Different opening and closing dates may be fixed for schools in the same administrative unit.

Local boards and individual schools shall give teachers at least 14 calendar days' notice before requiring a teacher to work instead of taking vacation leave on days scheduled in accordance with subdivision (4) or (5) of this subsection. A teacher may elect to waive this notice requirement for one or more such days. (1997-443, s. 8.38(c); 1998-212, s. 9.18(b); 1999-373, s. 1.)

Subsection (a) Set Out Twice. — The first version of subsection (a) set out above is effective July 1, 1999, and applies to all school years until the 2000-2001 school year. The second version of subsection (a) set out above is effective July 1, 1999, and applies to all school years beginning with the 2000-2001 school year.

Editor's Note. — Session Laws 1997-443, s. 8.38(o), makes this section effective July 1, 1998.

Session Laws 1998-212, s. 1.1 provides: "This act shall be known as the 'Current Operations Appropriations and Capital Improvement Appropriations Act of 1998'."

Session Laws 1998-212, s. 9.18(c), provides that the amendments to subdivision (b)(2) set out in Session Laws 1998-212, s. 9.18(b) apply to school years beginning with the 1999-2000 school year.

Session Laws 1998-212, s. 30.5 contains a severability clause.

Session Laws 1999-373, s. 4, directs the Joint

Legislative Education Oversight Committee to study issues related to the development of a school calendar, including whether there is sufficient flexibility under the current law to deal with school closings due to inclement weather and emergency situations involving individual schools, and provides that the Committee may report its findings and any recommendations to the 2000 Regular Session of the 1999 General Assembly, or to the 2001 General Assembly.

Effect of Amendments. — The 1998 amendment, effective July 1, 1998, in subsection (a), added the last paragraph; and in subdivision (b)(2), substituted "42 consecutive days" for "30 consecutive days", and added the second sentence.

Session Laws 1999-373, s. 1, effective July 1, 1999, and applicable to all school years beginning with the 2000-2001 school year, in subdivision (a)(4), substituted "Eight" for "Ten," and "eight" for "10"; and rewrote subdivision (a)(5).

Part 3. Textbooks.

§ 115C-85. Textbook needs are determined by course of study.

When the State Board of Education has adopted, upon the recommendation of the Superintendent of Public Instruction, a standard course of study at each instructional level in the elementary school and the secondary school, setting forth what subjects shall be taught at each level, it shall proceed to select and adopt textbooks.

As used in this part, "textbook" means systematically organized material comprehensive enough to cover the primary objectives outlined in the standard course of study for a grade or course. Formats for textbooks may be print or nonprint, including hardbound books, softbound books, activity-oriented programs, classroom kits, and technology-based programs that require the use of electronic equipment in order to be used in the learning process.

Textbooks adopted in accordance with the provisions of this Part shall be used by the public schools of the State except as provided in G.S. 115C-98(b1). (1955, c. 1372, art. 24, s. 1; 1959, c. 693, s. 1; 1969, c. 519, s. 1; 1981, c. 423, s. 1; 1993 (Reg. Sess., 1994), c. 677, s. 20; 1995 (Reg. Sess., 1996), c. 716, s. 18.)

The Board shall select and adopt for a period determined to be most advantageous to the State public school system for the exclusive use in the public schools of North Carolina the basic textbooks or series of books needed for instructional purposes at each instructional level on all subject matter required by law to be taught in elementary and secondary schools of North Carolina. (1955, c. 1372, art. 24, s. 2; 1959, c. 693, s. 2; 1965, c. 584, s. 18; 1969, c. 519, s. 1; 1981, c. 423, s. 1.)

§ 115C-87. Appointment of Textbook Commission.

Shortly after assuming office, the Governor shall appoint a Textbook Commission of 23 members who shall hold office for four years, or until their successors are appointed and qualified. The members of the Commission shall be appointed by the Governor upon recommendation of the Superintendent. Five of these members shall be teachers or principals in grades K-5; five shall be teachers or principals in grades 6-8; four shall be superintendents, teachers, or principals in grades 9-12; one shall be a superintendent of a local school administrative unit, three shall be parents of students in grades K-5 at the time of appointment; three shall be parents of students in grades 6-8 at the time of appointment; and two shall be parents of students in grades 9-12 at the time of appointment. The Governor shall fill all vacancies by appointment for the unexpired term. The Commission shall elect a chairman, subject to the approval of the Superintendent. The Commission shall meet four times a year or at the call of the chair. The members shall be entitled to compensation for each day spent on the work of the Commission as approved by the Board and to reimbursement for travel and subsistence expense incurred in the performance of their duties at the rates specified in G.S. 138-5(a). Compensation shall be paid from funds available to the State Board of Education. (1955, c. 1372, art. 24, s. 3; 1969, c. 519, s. 1; 1977, c. 1113; 1981, c. 423, s. 1; 1999-237, s. 8.30(a).)

Session Laws 1999-237, s. 30.4 contains a severability clause.

Effect of Amendments. — Session Laws 1999-237, s. 8.30(a), effective January 1, 2000, rewrote the section.

§ 115C-88. Commission to evaluate textbooks offered for adoption.

(a) The Commission shall evaluate all textbooks offered for adoption.

Each proposed textbook shall be read by at least one expert certified in the discipline for which the textbook would be used. The Commission may use

external experts if no Commission member or advisory committee member qualifies as an expert certified in a particular discipline.

The Commission may consider any review of a proposed textbook by other experts certified in the discipline who are not involved in the textbook adoption process. However, these reviews may not substitute for the direct examination of the proposed textbook by a Commission member, an advisory committee member, or any other expert retained by the Commission.

(b) Each member shall examine carefully and file a written evaluation of each proposed textbook for which the member is responsible.

The evaluation report shall give special consideration to the suitability of the textbook to the instructional level for which it is offered, the content or subject matter, whether the textbook is aligned with the Standard Course of Study, and other criteria prescribed by the Board.

Each evaluation report shall be signed by the member making the report and filed with the Board not later than a day fixed by the Board when the call for adoption is made. (1955, c. 1372, art. 24, s. 4; 1969, c. 519, s. 1; 1981, c. 423, s. 1; 1993 (Reg. Sess., 1994), c. 777, s. 3(a); 1999-237, s. 8.30(b).)

Editor's Note. — Session Laws 1999-237, s. 1.1 provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 1999.'"

Session Laws 1999-237, s. 30.4 contains a severability clause.

Effect of Amendments. — Session Laws 1999-237, s. 8.30, effective January 1, 2000, added the subsection designations; in subsection (a), substituted "Commission" for "mem-

bers of the Commission who are teachers, principals or the parents of students" in the first paragraph and added the second and third paragraphs; and in subsection (b), substituted "proposed textbook for which the member is responsible" for "textbook offered for adoption" in the first paragraph, and inserted "whether the textbook is aligned with the Standard Course of Study" in the second paragraph.

§ 115C-89. Selection of textbooks by Board.

At the next meeting of the Board after the reports have been filed, the Textbook Commission and the Board shall jointly examine the reports. From the books evaluated the Board shall select those that it thinks will meet the teaching requirements of the State public schools in the instructional levels for which they are offered. The Board shall request sealed bids from the publishers on all the books being considered.

The Board shall make all necessary rules and regulations concerning requests for bids, notification to publishers of calls for adoption, execution and delivery of contracts, requirement of performance bonds, cancellation clauses, and such other material matters as may affect the validity of the contracts. (1955, c. 1372, art. 24, s. 5; 1969, c. 519, s. 1; 1981, c. 423, s. 1; 1989, c. 798.)

§ 115C-90. Adoption of textbooks and contracts with publishers.

The publishers' sealed bids shall be opened in the presence of two persons designated by the State Board of Education and one person designated by the Superintendent of Public Instruction. The Board may then adopt the books required by the courses of study and enter into contracts with the publisher of adopted books. It may refuse to adopt any of the books offered at the prices bid and call for new bids. When bids are accepted and a contract entered into, the contract may require, in the Board's discretion, that the total sales of each book in the State of North Carolina be reported annually to the Board.

All textbook contracts shall include a clause granting to the State Board of Education the license to produce Braille, large print, and audio-cassette tape copies of the textbooks for use in the State public schools. Also, the General

Assembly urges the State Board of Education to request such a license from textbook publishers with whom a contract was entered into prior to August 1, 1987. (1955, c. 1372, art. 24, s. 6; 1969, c. 519, s. 1; 1981, c. 423, s. 1; 1983, c. 549, s. 1; 1987, c. 738, s. 190; 1987 (Reg. Sess., 1988), c. 1025, s. 10.)

§ 115C-91. Continuance and discontinuance of contracts with publishers.

When an existing or future contract expires, the Board may, with the publisher's approval, continue the contract for any particular book or books for a period not less than one or more than five years. If a publisher desires to terminate a contract that has been extended beyond the original contract period, he shall give notice to the Board 90 days prior to May 1. The Board may then proceed to a new adoption. (1955, c. 1372, art. 24, s. 7; 1969, c. 519, s. 1; 1981, c. 423, s. 1.)

§ 115C-92. Procedure for change of textbook.

The Superintendent may at any time communicate to the Board that a particular book is unsatisfactory for the schools, whereupon the Board may call for a new selection and adoption. If the Board votes to change a textbook, it shall give the publisher 90 days' notice prior to May 1, after which it may adopt a new book or books on the subject for which a book is sought. (1955, c. 1372, art. 24, s. 7; 1969, c. 519, s. 1; 1981, c. 423, s. 1.)

§ 115C-93. Advice from and suits by Attorney General.

The form and legality of contracts between the Board and publishers of textbooks shall be subject to the approval of the Attorney General.

When requested by the Board, the Attorney General shall bring suit against any publisher who fails to keep his contract as to prices, distribution, adequate supply of books in the edition adopted, or in any other way violates the terms of his contract. The suit shall be brought for an amount sufficient to enforce the contract or to compensate the State for any loss sustained by the publisher's failure to keep his contract. (1955, c. 1372, art. 24, s. 8; 1969, c. 519, s. 1; 1981, c. 423, s. 1.)

§ 115C-94. Publishers to register.

Any publisher who submits books for adoption shall register in the office of the Superintendent of Public Instruction the names of all agents or other employees authorized to represent that company in the State, and this registration list shall be open to the public for inspection. (1955, c. 1372, art. 24, s. 9; 1969, c. 519, s. 1; 1981, c. 423, s. 1.)

§ 115C-95. Sale of books at lower price reduces price to State.

Every contract made by the Board with the publisher of any school textbook on the State-adopted list shall be deemed to have written therein a condition providing that if that publisher, during the life of his contract with this State, contracts with any other governmental unit or places that textbook on sale anywhere in the United States for a price less than that stipulated in his contract with the State of North Carolina, the publisher shall immediately furnish that textbook to this State at a price not greater than that for which

the book is furnished, sold, or placed on sale anywhere else in the nation. (1955, c. 1372, art. 24, s. 10; 1969, c. 519, s. 1; 1981, c. 423, s. 1.)

§ 115C-96. Powers and duties of the State Board of Education in regard to textbooks.

The children of the public elementary and secondary schools of the State shall be provided with free basic textbooks within the appropriation of the General Assembly for that purpose. To implement this directive, the State Board of Education shall evaluate annually the amount of money necessary to provide textbooks based on the actual cost and availability of textbooks and shall request sufficient appropriations from the General Assembly.

The State Board of Education shall administer a fund and establish rules and regulations necessary to:

- (1) Acquire by contract such basic textbooks as are or may be on the adopted list of the State of North Carolina which the Board finds necessary to meet the needs of the State public school system and to carry out the provisions of this Part.
- (2) Provide a system of distribution of these textbooks and distribute the books that are provided without using any depository or warehouse facilities other than those operated by the State Board of Education.
- (3) Provide for the free use, with proper care and return, of elementary and secondary basic textbooks. The title of said books shall be vested in the State. (1955, c. 1372, art. 25, s. 1; 1965, c. 584, s. 19; 1969, c. 519, s. 1; 1981, c. 423, s. 1; 1991 (Reg. Sess., 1992), c. 900, s. 81(a).)

§ 115C-97. State Board of Education authorized to discontinue handling supplementary and library books.

The State Board of Education may discontinue the adoption of supplementary textbooks and, at the expiration of existing contracts, may discontinue the purchase, warehousing, and distribution of supplementary textbooks. The Board may also discontinue the purchase and resale of library books. Funds appropriated to the State Board of Education for supplementary textbooks shall be transferred to the State Public School Fund for allotment to each local school administrative unit, based on its average daily membership, for the purchase of supplementary textbooks, library books, periodicals, and other instructional materials. (1969, c. 519, s. 1; 1981, c. 423, s. 1.)

§ 115C-98. Local boards of education to provide for local operation of the textbook program, the selection and procurement of other instructional materials, and the use of nonadopted textbooks.

(a) Local boards of education shall adopt rules not inconsistent with the policies of the State Board of Education concerning the local operation of the textbook program.

(b) Local boards of education shall adopt written policies concerning the procedures to be followed in their local school administrative units for the

selection and procurement of supplementary textbooks, library books, periodicals, audiovisual materials, and other supplementary instructional materials needed for instructional purposes in the public schools of their units.

Local boards of education shall have sole authority to select and procure supplementary instructional materials, whether or not the materials contain commercial advertising, to determine if the materials are related to and within the limits of the prescribed curriculum, and to determine when the materials may be presented to students during the school day. Supplementary materials and contracts for supplementary materials are not subject to approval by the State Board of Education.

Supplementary books and other instructional materials shall neither displace nor be used to the exclusion of basic textbooks.

(b1) A local board of education may establish a community media advisory committee to investigate and evaluate challenges from parents, teachers, and members of the public to textbooks and supplementary instructional materials on the grounds that they are educationally unsuitable, pervasively vulgar, or inappropriate to the age, maturity, or grade level of the students. The State Board of Education shall review its rules and policies concerning these challenges and shall establish guidelines to be followed by community media advisory committees.

The local board, at all times, has sole authority and discretion to determine whether a challenge has merit and whether challenged material should be retained or removed.

(b2) Local boards of education may:

- (1) Select, procure, and use textbooks that have not been adopted by the State Board of Education for use throughout the local school administrative unit for selected grade levels and courses; and
- (2) Approve school improvement plans developed under G.S. 115C-105.27 that include provisions for using textbooks that have not been adopted by the State Board of Education for selected grade levels and courses.

All textbook contracts made under this subsection shall include a clause granting to the local board of education the license to produce braille, large print, and audiocassette tape copies of the textbooks for use in the local school administrative unit.

(c) Funds allocated by the State Board of Education or appropriated in the current expense or capital outlay budgets of the local school administrative units, may be used for the above-stated purposes. (1969, c. 519, s. 1; 1981, c. 423, s. 1; 1989 (Reg. Sess., 1990), c. 1074, s. 23(a); 1995 (Reg. Sess., 1996), c. 716, ss. 8.7, 19.)

Editor's Note. — The subsection designation (b2) was added at the direction of the Revisor of Statutes, the designation in Session Laws 1995 (Reg. Sess., 1996), c. 716, s. 19, having been (b1).

CASE NOTES

Purpose of 1990 Amendments. — Through the 1990 amendments to this section and § 115C-47, the General Assembly made clear what the statutes already provided — that decisions concerning the procurement of supplementary instructional materials, including those which involve commercial advertising, are to be made exclusively by the local school boards without having to seek approval of the

State Board. *State v. Whittle Communications*, 328 N.C. 456, 402 S.E.2d 556 (1991).

"Supplementary Instructional Material." — Since a short video news program designed to keep students informed on current affairs was a supplementary instructional material, the State Board of Education acted in excess of its authority in enacting a temporary rule to prohibit local school boards from con-

tracting for such programs. *State v. Whittle Communications*, 328 N.C. 456, 402 S.E.2d 556 (1991).

§ 115C-99. Legal custodians of textbooks furnished by State.

Local boards of education are the custodians of all textbooks purchased by the local boards with State funds. They shall provide adequate and safe storage facilities for the proper care of these textbooks and emphasize to all students the necessity for proper care of textbooks. (1955, c. 1372, art. 25, s. 3; 1969, c. 519, s. 1; 1981, c. 423, s. 1; 1993 (Reg. Sess., 1994), c. 777, s. 3(b).)

§ 115C-100. Rental fees for textbooks prohibited; damage fees authorized.

No local board of education may charge any pupil a rental fee for the use of textbooks. A pupil's parents or legal guardians may be charged damage fees for abuse or loss of textbooks under rules adopted by the State Board of Education. All money collected from the sale of textbooks purchased with State funds under the provisions of this Part shall be paid annually as collected to the State Board of Education. (1969, c. 519, s. 1; 1981, c. 423, s. 1; 1983, c. 549, s. 2; 1985, c. 581, s. 1; 1993 (Reg. Sess., 1994), c. 777, s. 3(c).)

§ 115C-101. Duties and authority of superintendents of local school administrative units.

The superintendent of each local school administrative unit, as an official agent of the State Board of Education, shall administer the provisions of this Part and the rules and regulations of the Board insofar as they apply to his unit. The superintendent of each local school administrative unit shall have authority to require the cooperation of principals and teachers so that the children may receive the best possible service, and so that all the books and moneys may be accounted for properly. If any principal or teacher fails to comply with the provisions of this section, his superintendent shall withhold his salary vouchers until the duties imposed by this section have been performed.

If any superintendent fails to comply with the provisions of this section, the State Superintendent, as secretary to the State Board of Education, shall notify the State Board of Education and the State Treasurer. The State Board and the State Superintendent shall withhold the superintendent's salary vouchers, and the State Treasurer shall make no payment until the State Superintendent notifies him that the provisions of this section have been complied with. (1955, c. 1372, art. 25, s. 8; 1969, c. 519, s. 1; 1981, c. 423, s. 1.)

§ 115C-102. Right to purchase; disposal of textbooks and materials.

(a) Any parent, guardian, or person in loco parentis may purchase any instructional material needed for any child in the public schools of the State from the board of education of the local school administrative unit in which the child is enrolled or, in the case of basic textbooks, from the State Board of Education.

(b) Notwithstanding Article 3A of Chapter 143 of the General Statutes, G.S. 143-49(4), or any other provision of law, the State Board of Education may adopt rules authorizing local boards of education to dispose of discontinued

instructional material, including State-adopted textbooks. (1955, c. 1372, art. 25, s. 2; 1969, c. 519, s. 1; 1981, c. 423, s. 1; 1991, c. 328, s. 1.)

No producers, vendors, or consultants to producers or vendors of learning or instructional management technologies shall serve on the Commission.

Members shall serve for two-year terms. Vacancies in terms of members shall be filled by the appointing officer. Persons appointed to fill vacancies shall qualify in the same manner as persons appointed for full terms.

Session Laws 1998-131, s. 19, made amendments to this section effective July 1, 1998 only if funds were appropriated for the 1998-99 fiscal year to implement this act. The necessary appropriation was made.

Effect of Amendments. — Session Laws 1998-131, s. 7, effective July 1, 1998, substituted "19" for "18" in the introductory language of subsection (b), added subdivision (b)(8), and made a stylistic change.

§ 115C-102.6. Duty to prepare a requirements analysis and propose a State school technology plan.

The Commission shall prepare a requirements analysis and propose a State school technology plan for improving student performance in the public schools through the use of learning and instructional management technologies.

In developing this plan, the Commission shall:

- (1) Assess factors related to the current use of learning and instructional management technologies in the schools, including what is currently being used, how the current use of technology relates to the standard course of study, how the effectiveness of learning and instructional management technologies is being evaluated, how schools are paying for learning and instructional management technologies, and what training school employees have received in the use of learning and instructional management technology and networks.
- (2) Identify the instructional goals that can be met through the use of learning and instructional management technologies. The goals may include teaching the standard course of study, reaching students with a broad range of abilities, and ensuring that all students have access to a complete curriculum regardless of the geographical location or the financial resources of the school.
- (3) Examine the types of learning and instructional management technologies available to meet the identified instructional goals, including computers, audiovisual aids, science laboratory equipment, vocational education equipment, and distance learning networks. The Commission shall consider the compatibility and accessibility of different types of learning and instructional management technologies, including compatibility with the planned statewide broadband ISDN network, and whether they may be easily communicated from one site to another. The Commission shall also consider linkages between learning and instructional management technologies and existing State and local administrative systems.
- (4) Develop a basic level of learning and instructional management technology for every school in the State. The basic level may include:
 - a. A computer lab with student stations or a specified number of student computer stations in each classroom for the use of instructional software such as computer-assisted instruction,

- integrated learning systems, instructional management systems, and applications software such as word processing, database, spreadsheet, and desktop publishing.
- b. A computer workstation in every classroom for teachers to use in preparation and delivery of instruction and for administrative record keeping.
 - c. A television monitor and video cassette-recorder in every classroom to take advantage of open-air broadcast programs, satellite programs, and instructional video tapes available from the library/media center.
 - d. Computer workstations at each elementary and secondary school, housed in the library/media center, for individual students to use for basic skills instructional software.
 - e. A telecommunications line, modem, and software in each school's library/media center that will allow students and teachers access to external databases and resources for research purposes.
 - f. The availability of telephones for teachers.
 - g. Initial training for the principal and teachers from each school in the use of the new technology.
- (5) Consider staffing required to operate the learning and instructional management technologies and options for maintaining the equipment.
 - (6) Consider the types of staff development necessary to maximize the benefits of learning and instructional management technologies and determine the appropriate ways to provide the necessary staff development.
 - (7) Develop a cost analysis of any plans and proposals that it develops. (1993, c. 321, s. 135(a); 1993 (Reg. Sess., 1994), c. 769, s. 19.26(a).)

The form of the Compact is substantially as follows:

COMPACT FOR EDUCATION.

Article I. Policy and Purpose.

It is the purpose of this Compact to:

- (1) Establish and maintain close cooperation and understanding among executive, legislative, professional, educational and lay leadership on a nationwide basis at the state and local levels.

- (2) Provide a forum for the discussion, development, crystallization and recommendation of public policy alternatives in the field of education.
- (3) Provide a clearinghouse of information on matters relating to educational problems and how they are being met in different places throughout the nation, so that the executive and legislative branches of state government and of local communities may have ready access to the experience and record of the entire country, and so that both lay and professional groups in the field of education may have additional avenues for the sharing of experience and the interchange of ideas in the formation of public policy in education.
- (4) Facilitate the improvement of state and local educational systems so that all of them will be able to meet adequate and desirable goals in a society which requires continuous qualitative and quantitative advances in educational opportunities, methods and facilities.
- (5) It is the policy of this Compact to encourage and promote local and state initiative in the development, maintenance, improvement and administration of educational systems and institutions in a manner which will accord with the needs and advantages of diversity among localities and states.
- (6) The party states recognize that each of them has an interest in the quality and quantity of education furnished in each of the other states, as well as in the excellence of its own educational systems and institutions, because of the highly mobile character of individuals within the nation, and because of the products and services contributing to the health, welfare and economic advancement of each state which are supplied in significant part by persons educated in other states.

Article II. State Defined.

As used in this Compact, "state" means a state, territory or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

Article III. The Commission.

- (1) The education commission of the states, hereinafter called "the commission," is hereby established. The commission shall consist of seven members representing each party state. One of such members shall be the governor; two shall be members of the state legislature selected by its respective houses and serving in such manner as the legislature may determine; and four shall be appointed by and serve at the pleasure of the governor, unless the laws of the state otherwise provide. - (2) The members of the commission shall be entitled to one vote each on the commission. No action of the commission shall be binding unless taken at a meeting at which a majority of the total number of votes on the commission are cast in favor thereof. Action of the commission shall be only at a meeting at which a majority of the commissioners are present. The commission shall meet at least once a year. In its bylaws, and subject to such directions and limitations as may be contained therein, the commission may delegate the exercise of any of its powers to the steering committee or the executive director, except for the power to approve budgets or requests for appropriations, the power to make policy recommendations pursuant to Article IV and adoption of the annual report pursuant to Article III(10).
 - (3) The commission shall have a seal.
 - (4) The commission shall elect annually, from among its members, a chairman, who shall be a governor, a vice-chairman and a treasurer. The commission shall provide for the appointment of an executive director. The executive director shall be secretary.
 - (5) Irrespective of the civil service, personnel or other merit system laws of any of the party states, the executive director subject to the approval of the steering committee shall appoint, remove or discharge such personnel as may be necessary for the performance of the functions of the commission, and shall fix the duties and compensation of such personnel. The commission in its bylaws shall provide for the personnel policies and programs of the commission.
 - (6) The commission may borrow, accept or contract for the services of personnel from any party jurisdiction, the United States, or any subdivision or agency of the aforementioned governments, or from any agency of two or more of the party jurisdictions or their subdivisions.
 - (7) The commission may accept for any of its purposes and functions under this Compact any and all donations, and grants of money, equipment, supplies, materials and services, conditional or otherwise, from any state, the United States, or any other governmental agency, or from any person, firm, association, foundation, or corporation, and may receive, utilize and dispose of the same. Any donation or grant accepted by the commission pursuant to this paragraph or services borrowed pursuant to paragraph (6) of this article shall be reported in the annual report of the commission. Such report shall include the nature, amount and conditions, if any, of the donation, grant, or services borrowed, and the identity of the donor or lender.
 - (8) The commission may establish and maintain such facilities as may be necessary for the transaction of its business. The commission may acquire, hold, and convey real and personal property and any interest therein.
 - (9) The commission shall adopt bylaws for the conduct of its business and shall have the power to amend and rescind these bylaws. The commission shall publish its bylaws in convenient form and shall file a copy thereof and a copy of any amendment thereto, with the appropriate agency or officer in each of the party states.

- (10) The commission annually shall make to the governor and legislature of each party state a report covering the activities of the commission for the preceding year. The commission may make such additional reports as it may deem desirable.

Article IV. Powers.

In addition to authority conferred on the commission by other provisions of the Compact, the commission shall have authority to:

- (1) Collect, correlate, analyze and interpret information and data concerning educational needs and resources.
- (2) Encourage and foster research in all aspects of education, but with special reference to the desirable scope of instruction, organization, administration, and instructional methods and standards employed or suitable for employment in public educational systems.
- (3) Develop proposals for adequate financing of education as a whole and at each of its many levels.
- (4) Conduct or participate in research of the types referred to in this article in any instance where the commission finds that such research is necessary for the advancement of the purposes and policies of this Compact, utilizing fully the resources of national associations, regional compact organizations for higher education, and other agencies and institutions, both public and private.
- (5) Formulate suggested policies and plans for the improvement of public education as a whole, or for any segment thereof, and make recommendations with respect thereto available to the appropriate governmental units, agencies and public officials.
- (6) Do such other things as may be necessary or incidental to the administration of any of its authority or functions pursuant to this Compact.

Article V. Cooperation with Federal Government.

- (1) If the laws of the United States specifically so provide, or if administrative provision is made therefor within the federal government, the United States may be represented on the commission by not to exceed 10 representatives. Any such representative or representatives of the United States shall be appointed and serve in such manner as may be provided by or pursuant to federal law, and may be drawn from any one or more branches of the federal government, but no such representatives shall have a vote on the commission.
- (2) The commission may provide information and make recommendations to any executive or legislative agency or officer of the federal government concerning the common educational policies of the states, and may advise with any such agencies or officers concerning any matter of mutual interest.

Article VI. Committees.

- (1) To assist in the expeditious conduct of its business when the full commission is not meeting, the commission shall elect a steering committee of 32 members which, subject to the provisions of this Compact and consistent with the policies of the commission, shall be constituted and function as provided in the bylaws of the commission. One fourth of the voting membership of the steering committee shall consist of governors, one fourth shall consist of legislators, and the remainder shall consist of other members of the commission. A federal representative on the commission may serve with the steering committee, but without vote. The voting members of the steering commit-

tee shall serve for terms of two years, except that members elected to the first steering committee of the commission shall be elected as follows: 16 for one year and 16 for two years. The chairman, vice-chairman, and treasurer of the commission shall be members of the steering committee and, anything in this paragraph to the contrary notwithstanding, shall serve during their continuance in these offices. Vacancies in the steering committee shall not affect its authority to act, but the commission at its next regularly ensuing meeting following the occurrence of any vacancy shall fill it for the unexpired term. No person shall serve more than two terms as a member of the steering committee; provided that service for a partial term of one year or less shall not be counted toward the two-term limitation.

- (2) The commission may establish advisory and technical committees composed of state, local, and federal officials, and private persons to advise it with respect to any one or more of its functions. Any advisory or technical committee may, on request of the states concerned, be established to consider any matter of special concern to two or more of the party states.
- (3) The commission may establish such additional committees as its bylaws may provide.

Article VII. Finance.

- (1) The commission shall advise the governor or designated officer or officers of each party state of its budget and estimated expenditures for such period as may be required by the laws of that party state. Each of the commission's budgets of estimated expenditures shall contain specific recommendations of the amount or amounts to be appropriated by each of the party states.
- (2) The total amount of appropriation requests under any budget shall be apportioned among the party states. In making such apportionment, the commission shall devise and employ a formula which takes equitable account of the populations and per capita income levels of the party states.
- (3) The commission shall not pledge the credit of any party states. The commission may meet any of its obligations in whole or in part with funds available to it pursuant to Article III(7) of this Compact, provided that the commission takes specific action setting aside such funds prior to incurring an obligation to be met in whole or in part in such manner. Except where the commission makes use of funds available to it pursuant to Article III(7) thereof, the commission shall not incur any obligation prior to the allotment of funds by the party states adequate to meet the same.
- (4) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established by its bylaws. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a qualified public accountant, and the report of the audit shall be included in and become part of the annual reports of the commission.
- (5) The accounts of the commission shall be open at any reasonable time for inspection by duly constituted officers of the party states and by any persons authorized by the commission.
- (6) Nothing contained herein shall be construed to prevent commission compliance with laws relating to audit or inspection of accounts by or on behalf of any government contributing to the support of the commission.

Article VIII. Eligible Parties' Entry into and Withdrawal.

- (1) This Compact shall have as eligible parties all states, territories, and possessions of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. In respect of any such jurisdiction not having a governor, the term "governor," as used in this Compact, shall mean the closest equivalent official of such jurisdiction.
- (2) Any state or other eligible jurisdiction may enter into this Compact and it shall become binding thereon when it has adopted the same: Provided that in order to enter into initial effect, adoption by at least 10 eligible party jurisdictions shall be required.
- (3) Adoption of the Compact may be either by enactment thereof or by adherence thereto by the governor; provided that in the absence of enactment, adherence by the governor shall be sufficient to make his state a party only until December 31, 1967. During any period when a state is participating in this Compact through gubernatorial action, the governor shall appoint those persons who, in addition to himself, shall serve as the members of the commission from his state, and shall provide to the commission an equitable share of the financial support of the commission from any source available to him.
- (4) Except for a withdrawal effective on December 31, 1967, in accordance with paragraph (3) of this article, any party state may withdraw from this Compact by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after the governor of the withdrawing state has given notice in writing of the withdrawal to the governors of all other party states. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

Article IX. Construction and Severability.

This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any state or of the United States, or the application thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any state participating therein, the Compact shall remain in full force and effect as to the state affected as to all severable matters. A request for a waiver shall (i) identify the school making the request, (ii) identify the State laws, rules, or policies that inhibit the school's ability to improve student performance, (iii) set out with specificity the circumstances under which the waiver may be used, and (iv) explain how the requested waiver will permit the school to improve student performance. Except as provided in subsection (c) of this section, the State Board shall grant waivers only for the specific schools for which they are requested and shall be used only under the specific circumstances for which they are requested.

(b) When requested as part of a school improvement plan, the State Board of Education may grant waivers of:

The State Board shall act on requests under this subsection at the first Board meeting following receipt of each request.

(f) Except as provided in subsection (e) of this section, the State Board shall act within 60 days of receipt of all requests for waivers under this section.

§ 115C-105.27. Development and approval of school improvement plans.

In order to improve student performance, each school shall develop a school improvement plan that takes into consideration the annual performance goal for that school that is set by the State Board under G.S. 115C-105.35. The principal of each school, representatives of the assistant principals, instructional personnel, instructional support personnel, and teacher assistants assigned to the school building, and parents of children enrolled in the school shall constitute a school improvement team to develop a school improvement plan to improve student performance. Representatives of the assistant principals, instructional personnel, instructional support personnel, and teacher assistants shall be elected by their respective groups by secret ballot. Unless the local board of education has adopted an election policy, parents shall be elected by parents of children enrolled in the school in an election conducted by the parent and teacher organization of the school or, if none exists, by the largest organization of parents formed for this purpose. Parents serving on school improvement teams shall reflect the racial and socioeconomic composition of the students enrolled in that school and shall not be members of the building-level staff. Parental involvement is a critical component of school success and positive student achievement; therefore, it is the intent of the General Assembly that parents, along with teachers, have a substantial role in developing school improvement plans. To this end, school improvement team meetings shall be held at a convenient time to assure substantial parent participation. The strategies for improving student performance shall include a plan for the use of staff development funds that may be made available to the school by the local board of education to implement the school improvement plan and shall include a plan to address school safety and discipline concerns in accordance with the safe school plan developed under Article 8C of this Chapter. The strategies may include a decision to use State funds in accordance with G.S. 115C-105.25. The strategies for improving student performance shall include a plan that specifies the effective instructional practices and methods to be used to improve the academic performance of students identified as at risk of academic failure or at risk of dropping out of school. The strategies may also include requests for waivers of State laws, rules, or policies for that school. A request for a waiver shall meet the requirements of G.S. 115C-105.26.

Support among affected staff members is essential to successful implementation of a school improvement plan to address improved student performance at that school. The principal of the school shall present the proposed school improvement plan to all of the principals, assistant principals, instructional

personnel, instructional support personnel, and teacher assistants assigned to the school building for their review and vote. The vote shall be by secret ballot. The principal shall submit the school improvement plan to the local board of education only if the proposed school improvement plan has the approval of a majority of the staff who voted on the plan.

The local board of education shall accept or reject the school improvement plan. The local board shall not make any substantive changes in any school improvement plan that it accepts. If the local board rejects a school improvement plan, the local board shall state with specificity its reasons for rejecting the plan; the school improvement team may then prepare another plan, present it to the principals, assistant principals, instructional personnel, instructional support personnel, and teacher assistants assigned to the school building for a vote, and submit it to the local board to accept or reject. If no school improvement plan is accepted for a school within 60 days after its initial submission to the local board, the school or the local board may ask to use the process to resolve disagreements recommended in the guidelines developed by the State Board under G.S. 115C-105.20(b)(5). If this request is made, both the school and local board shall participate in the process to resolve disagreements. If there is no request to use that process, then the local board may develop a school improvement plan for the school. The General Assembly urges the local board to utilize the school's proposed school improvement plan to the maximum extent possible when developing such a plan.

A school improvement plan shall remain in effect for no more than three years; however, the school improvement team may amend the plan as often as is necessary or appropriate. If, at any time, any part of a school improvement plan becomes unlawful or the local board finds that a school improvement plan is impeding student performance at a school, the local board may vacate the relevant portion of the plan and may direct the school to revise that portion. The procedures set out in this subsection shall apply to amendments and revisions to school improvement plans. (1989, c. 778, s. 3; 1991 (Reg. Sess., 1992), c. 900, s. 75.1(b); 1993, c. 38, s. 1; c. 263, s. 2; c. 321, s. 144.2(b); 1995, c. 272, s. 3; c. 450, s. 13; 1995 (Reg. The Board shall make the list available to local school administrative units and school buildings by the beginning of the 1994-95 school year.

A school is encouraged to review its need for a comprehensive conflict resolution program as part of the development of its school improvement plan under G.S. 115C-105.27. If a school determines that this program is needed, it may select from the list developed by the State Board of Education under G.S. 115C-81(a4) or may develop its own materials and curricula to be approved by the local board of education. (1993, c. 509, ss. 2, 3; 1995 (Reg. Sess., 1996), c. 716, ss. 2, 3.)

The school improvement team or parent organization shall file a copy of this request with the State Board. If the local board fails to provide adequate assistance to the school, then

the school improvement team or parent organization may ask the State Board to provide an assistance team to the school.

The State Board may provide an assistance team, established under G.S. 115C-105.38, to a school in order to promote or restore safety and an orderly learning environment at that school if one of the following applies:

- (1) The local board of education or superintendent requests that the State Board provide an assistance team to a school and the State Board determines that the school needs assistance.
- (2) The State Board determines within 10 days after its receipt of the request for assistance from a school improvement team or parent organization of a school that the school needs assistance and that the local board has failed to provide adequate assistance to that school.

If an assistance team is assigned to a school under this section, the team shall spend a sufficient amount of time at the school to assess the problems at the school, assist school personnel with resolving those problems, and work with school personnel and others to develop a long-term plan for restoring and maintaining safety and an orderly learning environment at the school. The assistance team also shall make recommendations to the local board of education and the superintendent on actions the board and the superintendent should consider taking to resolve problems at the school. These recommendations shall be in writing and are public records. If an assistance team is assigned to a school under this section, the powers given to the State Board and the assistance team under G.S. 115C-105.38 and G.S. 115C-105.39 shall apply as if the school had been identified as low-performing under this Article. (1997-443, s. 8.29(a)(2).)

Editor's Note. — Session Laws 1997-443, s. 8.29(a)(1) provides that, of the funds appropriated to State Aid to Local School Administrative Units, the State Board of Education may

use up to \$500,000 for the 1997-98 fiscal year and up to \$500,000 for the 1998-99 fiscal year to provide assistance teams to schools to assist those schools in restoring safety and order.

§ 115C-105.34: Reserved for future codification purposes.

Part 3. School-Based Accountability.

§ 115C-105.35. Annual performance goals.

The School-Based Management and Accountability Program shall (i) focus on student performance in the basics of reading, mathematics, and communications skills in elementary and middle schools, (ii) focus on student performance in courses required for graduation and on other measures required by the State Board in the high schools, and (iii) hold schools accountable for the educational growth of their students. To those ends, the State Board shall design and implement an accountability system that sets annual performance standards for each school in the State in order to measure the growth in performance of the students in each individual school. (1995 (Reg. Sess., 1996), c. 716, s. 3.)

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 716, s. 32, made this part effective upon ratification. The Act was ratified June 21, 1996.

The number of this section was assigned by the Revisor of Statutes, the number in Session Laws 1995 (Reg. Sess., 1996), c. 716, s. 3, having been 115C-105.28.

Session Laws 1995 (Reg. Sess., 1996), c. 716, s. 32(c), provides: "Part 3 of Article 8B of Chapter 115C of the General Statutes, as rewritten in Section 3 of this act, applies to any school that has any grades of kindergarten through eighth grade beginning with the 1996-97 school year, and to the remaining schools beginning with the 1997-98 school year.

The State Board shall establish appropriate deadlines for the development of school improvement plans after July 1, 1996.”

§ 115C-105.36. Performance recognition.

(a) The personnel in schools that achieve a level of expected growth greater than one hundred percent (100%) at a level to be determined by the State Board of Education are eligible for financial awards in amounts set by the State Board. Schools and personnel shall not be required to apply for these awards. For the purpose of this section, “personnel” includes the principal, assistant principal, instructional personnel, instructional support personnel, and teacher assistants (i) serving students in one or more of the grades kindergarten through 12 or (ii) assigned to a public school prekindergarten program that is located within a public elementary school and is designed to prepare students for kindergarten at that school.

(b) The State Board shall establish a procedure to allocate the funds for these awards to the local school administrative units in which the eligible schools are located. Funds shall become available for expenditure July 1 of each fiscal year. Funds shall remain available until November 30 of the subsequent fiscal year for expenditure for awards to the personnel. Each local school administrative unit is encouraged to make these awards to each eligible person no later than the first regular teacher payroll following the local unit’s receipt of the funds, and shall make these awards to each eligible person no later than the second regular teacher payroll following the local unit’s receipt of the funds. (1995 (Reg. Sess., 1996), c. 716, s. 3; 1997-443, s. 8.14; 1998-220, s. 2.)

Editor’s Note. — The number of this section was assigned by the Revisor of Statutes, the number in Session Laws 1995 (Reg. Sess., 1996), c. 716, s. 3, having been 115C-105.29.

Session Laws 1998-220, s. 19, provides in part that the 1998 amendment by 1998-220, s. 2, applies to funds awarded beginning with those awarded at the end of the 1998-99 school year, and any plan developed and approved under G.S. 115C-105.36(b) before the effective date of this act shall not apply to those funds.

Effect of Amendments. — The 1998 amendment, effective November 5, 1998, substituted the language “for awards to the personnel ... local unit’s receipt of the funds” for former subdivisions (b)(1) through (b)(2)c and the final paragraph immediately following subdivision (b)(2)c. See editor’s note for applicability.

§ 115C-105.37. Identification of low-performing schools.

(a) The State Board of Education shall design and implement a procedure to identify low-performing schools on an annual basis. Low-performing schools are those in which there is a failure to meet the minimum growth standards, as defined by the State Board, and a majority of students are performing below grade level.

(a1) By July 10 of each year, each local school administrative unit shall do a preliminary analysis of test results to determine which of its schools the State Board may identify as low-performing under this section. The superintendent then shall proceed under G.S. 115C-105.39. In addition, within 30 days of the initial identification of a school as low-performing by the local school administrative unit or the State Board, whichever occurs first, the superintendent shall submit to the local board a preliminary plan for addressing the needs of that school. Within 30 days of its receipt of this plan, the local board shall vote to approve, modify, or reject this plan. Before the board makes this vote, it shall make the plan available to the public, including the personnel assigned to that school and the parents and guardians of the students who are

assigned to the school, and shall allow for written comments. The board shall submit the plan to the State Board within five days of the board's vote. The State Board shall review the plan expeditiously and, if appropriate, may offer recommendations to modify the plan. The local board shall consider any recommendations made by the State Board.

(b) Each school that the State Board identifies as low-performing shall provide written notification to the parents of students attending that school. The written notification shall include a statement that the State Board of Education has found that the school has "failed to meet the minimum growth standards, as defined by the State Board, and a majority of students in the school are performing below grade level." This notification also shall include information about the plan developed under subsection (a1) of this section and a description of any additional steps the school is taking to improve student performance. (1995 (Reg. Sess., 1996), c. 716, s. 3; 1997-221, s. 20(b); 1997-443, s. 8.45; 1998-59, s. 1.)

Session Laws 1995 (Reg. Sess., 1996), c. 716, s. 29(c), provides: "The State Board of Education shall develop a plan that encourages teachers to seek employment or remain employed in schools that have been identified as low-performing under G.S. 115C-105.30 [115C-105.37]. The plan shall include recommendations regarding additional compensation for (i) newly recruited teachers, and (ii) currently employed teachers whose students have shown significant improvement in academic performance. The State Board shall submit its plan to the Joint Legislative Education Oversight committee by December 15, 1996."

Session Laws 1997-221, s. 32, provides: "This act shall not be construed to obligate the General Assembly to appropriate any funds to implement the provisions of this act. Nothing in Sections 16 through 25 or Sections 28 through 30 of this act shall be construed to create any rights or causes of action."

Session Laws 1997-443, s. 8.45, provides in

part: "The General Assembly finds that G.S. 115C-105.37, which pertains to the identification of low-performing schools, is being misconstrued and misunderstood. The General Assembly finds further that it is essential to resolve the misconstruction and misunderstanding of this statute immediately for the benefit of parents, children, and school systems; therefore, G.S. 115C-105.37(a) reads as rewritten."

Session Laws 1997-443, s. 35.2, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1997-99 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1997-99 fiscal biennium."

Effect of Amendments. — The 1998 amendment, effective July 24, 1998, and applicable to principals on or after that date, added subsection (a1); and in subsection (b) substituted "school that the State Board identifies as low-performing" for "identified low-performing school" in the first sentence, and substituted "information about the plan developed under subsection (a1) of this section and a description of any additional" for "a description of the" in the third sentence.

§ 115C-105.38. Assistance teams; review by State Board.

(a) The State Board of Education may assign an assistance team to any school identified as low-performing under this Article or to any other school that requests an assistance team and that the State Board determines would benefit from an assistance team. The State Board shall give priority to low-performing schools in which the educational performance of the students is declining. The Department of Public Instruction shall, with the approval of the State Board, provide staff as needed and requested by an assistance team.

(b) When assigned to an identified low-performing school, an assistance team shall:

- (1) Review and investigate all facets of school operations and assist in developing recommendations for improving student performance at that school.
- (2) Evaluate at least semiannually the personnel assigned to the school and make findings and recommendations concerning their performance.
- (3) Collaborate with school staff, central offices, and local boards of education in the design, implementation, and monitoring of a plan that, if fully implemented, can reasonably be expected to alleviate problems and improve student performance at that school.
- (4) Make recommendations as the school develops and implements this plan.
- (5) Review the school's progress.
- (6) Report, as appropriate, to the local board of education, the community, and the State Board on the school's progress. If an assistance team determines that an accepted school improvement plan developed under G.S. 115C-105.27 is impeding student performance at a school, the team may recommend to the local board that it vacate the relevant portions of that plan and direct the school to revise those portions.

(c) If a school fails to improve student performance after assistance is provided under this section, the assistance team may recommend that the assistance continues or that the State Board take further action under G.S. 115C-105.39.

(d) The State Board shall annually review the progress made in identified low-performing schools. (1995 (Reg. Sess., 1996), c. 716, s. 3.)

Editor's Note. — The number of this section was assigned by the Revisor of Statutes, the number in Session Law 1995 (Reg. Sess., 1996), c. 716, s. 3, having been 115C-105.31.

§ 115C-105.38A. Teacher competency assurance.

(a) General Knowledge Test. —

- (1) Each assistance team assigned to a low-performing school during the 1997-98 school year shall review the team's evaluations of certified staff members to determine which staff members have been designated by the team as Category 3 teachers. The assistance team shall then determine whether lack of general knowledge contributed to the Category 3 designation. If the assistance team determines that a certified staff member's lack of general knowledge contributed to that staff member being designated as a Category 3 teacher, the assistance team shall submit the staff member's name to the State Board. Upon receipt of the notification, the State Board shall require that the certified staff members identified by the assistance teams demonstrate their general knowledge by acquiring a passing score on a test designated by the State Board. The State Board shall administer the general knowledge test required under this subdivision at the end of the 1997-98 school year.
- (2) During the 1998-99 school year and thereafter, either the principal assigned to a low-performing school or the assistance team assigned to a low-performing school may recommend to the State Board that a certified staff member take a general knowledge test. A principal or an assistance team may make this recommendation if the principal or the assistance team determines that the certified staff member's performance is impaired by the staff member's lack of general knowledge. After receipt of the notification, but prior to the end of the

fiscal year, the State Board shall require that all certified staff members identified under this subdivision demonstrate their general knowledge by acquiring a passing score on a test designated by the State Board.

(b) Repealed by Session Laws 1998-5, s. 1, effective June 9, 1998.

(c) Remediation. — Certified staff members who do not acquire a passing score on the test required under subsection (a) of this section shall engage in a remediation plan based upon the deficiencies identified by the test, or an assistance team, or a principal. The remediation plan for deficiencies of individual certified staff members shall consist of up to a semester of university or community college training or coursework or other similar activity to correct the deficiency. The remediation shall be developed by the State Board of Education in consultation with the Board of Governors of The University of North Carolina. The State Board shall reimburse the institution providing the remediation any tuition and fees incurred under this section. If the remediation plan requires that the staff member engage in a full-time course of study or training, the staff member shall be considered on leave with pay.

(d) Retesting; Dismissal. — Upon completion of the remediation plan required under subsection (c) of this section, the certified staff member shall take the general knowledge test a second time. If the certified staff member fails to acquire a passing score on the second test, the State Board shall begin a dismissal proceeding under G.S. 115C-325(q)(2a).

(e) Repealed by Session Laws 1998-5, s. 1, effective June 9, 1998.

(f) Other Actions Not Precluded. — Nothing in this section shall be construed to restrict or postpone the following actions:

- (1) The dismissal of a principal under G.S. 115C-325(q)(1);
- (2) The dismissal of a teacher, assistant principal, director, or supervisor under G.S. 115C-325(q)(2);
- (3) The dismissal or demotion of a career employee for any of the grounds listed under G.S. 115C-325(e);
- (4) The nonrenewal of a school administrator's or probationary teacher's contract of employment; or
- (5) The decision to grant career status.

(g) Repealed by Session Laws 1998-5, s. 1, effective June 9, 1998. (1997-221, s. 3(a); 1998-5, s. 1.)

Editor's Note. — Session Laws 1997-221, s. 1, provides: "This act shall be known as 'The Excellent Schools Act.'"

Session Laws 1997-221, s. 2, provides: "The purpose of the Excellent Schools Act is to improve student academic achievement and to reduce teacher attrition. To accomplish this purpose, it is the goal of the General Assembly to: (i) concentrate student learning in the core academic areas; (ii) improve teacher skills and teacher knowledge as those skills and knowledge relate to improved student academic achievement; and (iii) reward teachers for their improved skills and knowledge and for improved student academic achievement. It is also the goal of the General Assembly to annually review the implementation of the revised and more rigorous teacher preparation, professional development, and certification standards developed by the State Board of Education in compliance with this act. Clear and specific evidence demonstrating identifiable progress

toward implementing more rigorous teacher professional standards must exist on an annual basis before the General Assembly may consider continued implementation of this act."

Session Laws 1997-221, ss. 3(b) through (d) and (f) provide that the State Board of Education shall develop: a plan to provide competent certified substitute teachers for teachers participating in remediation plans; a plan to provide for the remediation of teachers lacking competence in their areas of certification or lacking adequate classroom management skills and report to the Joint Legislative Education Oversight Committee prior to February 15, 1999; and a plan to address deficiencies identified in certified staff in low-performing schools. The Board shall report to the Joint Legislative Education Oversight Committee on the student performance standards by March 15, 1998.

Session Laws 1997-221, s. 32, provides: "This act shall not be construed to obligate the General Assembly to appropriate any funds to im-

plement the provisions of this act. Nothing in Sections 16 through 25 or Sections 28 through 30 of this act shall be construed to create any rights or causes of action."

Effect of Amendments. — The 1998 amendment, effective June 9, 1998, rewrote subsection (a); deleted subsection (b), relating to exemptions; in subsection (c), substituted "test required under subsection (a) of this section" for "general knowledge test" and "test, or an assistance team, or a principal" for "test" in the first sentence, and substituted "or other similar activity to correct the deficiency" for "or both" in the second sentence; in subsection (d),

substituted "Retesting; Dismissal" for "Retesting" in the subsection heading, and substituted "remediation plan required under subsection (c) of this section" for "first remediation plan" in the first sentence and "begin a dismissal proceeding under G.S. 115C-325(q)(2a)" for "provide a program of further remediation under subsection (c) of this section" in the second sentence; and deleted subsections (e) and (g), relating to dismissal and future testing.

§ 115C-105.39. Dismissal or removal of personnel; appointment of interim superintendent.

(a) Within 30 days of the initial identification of a school as low-performing, whether by the local school administrative unit under G.S. 115C-105.37(a1) or by the State Board under G.S. 115C-105.37(a), the superintendent shall take one of the following actions concerning the school's principal: (i) recommend to the local board that the principal be retained in the same position, (ii) recommend to the local board that the principal be retained in the same position and a plan of remediation should be developed, (iii) recommend to the local board that the principal be transferred, or (iv) proceed under G.S. 115C-325 to dismiss or demote the principal. The principal may be retained in the same position without a plan for remediation only if the principal was in that position for no more than two years before the school is identified as low-performing. The principal shall not be transferred to another principal position unless (i) it is in a school classification in which the principal previously demonstrated at least 2 years of success, (ii) there is a plan to evaluate and provide remediation to the principal for at least one year following the transfer to assure the principal does not impede student performance at the school to which the principal is being transferred; and (iii) the parents of the students at the school to which the principal is being transferred are notified. The principal shall not be transferred to another low-performing school in the local school administrative unit. If the superintendent intends to recommend demotion or dismissal, the superintendent shall notify the local board. Within 15 days of (i) receiving notification that the superintendent intends to proceed under G.S. 115C-325, or (ii) its decision concerning the superintendent's recommendation, but no later than September 30, the local board shall submit to the State Board a written notice of the action taken and the basis for that action. If the State Board does not assign an assistance team to that school or if the State Board assigns an assistance team to that school and the superintendent proceeds under G.S. 115C-325 to dismiss or demote the principal, then the State Board shall take no further action. If the State Board assigns an assistance team to the school and the superintendent is not proceeding under G.S. 115C-325 to dismiss or demote the principal, then the State Board shall vote to accept, reject, or modify the local board's recommendations. The State Board shall notify the local board of its action within five days. If the State Board rejects or modifies the local board's recommendations and does not recommend dismissal of the principal, the State Board's notification shall include recommended action concerning the principal's assignment or terms of employment. Upon receipt of the State Board's notification, the local board shall implement the State Board's recommended action concerning the principal's assignment or terms of employment

unless the local board asks the State Board to reconsider that recommendation. The State Board shall provide an opportunity for the local board to be heard before the State Board acts on the local board's request for a reconsideration. The State Board shall vote to affirm or modify its original recommended action and shall notify the local board of its action within five days. Upon receipt of the State Board's notification, the local board shall implement the State Board's final recommended action concerning the principal's assignment or terms of employment. If the State Board rejects or modifies the local board's action and recommends dismissal of the principal, the State Board shall proceed under G.S. 115C-325(q)(1).

(b) The State Board shall proceed under G.S. 115C-325(q)(2) for the dismissal of teachers, assistant principals, directors, and supervisors assigned to a school identified as low-performing in accordance with G.S. 115C-325(q)(2).

(c) The State Board may appoint an interim superintendent in a local school administrative unit:

- (1) Upon the identification of more than half the schools in that unit as low-performing under G.S. 115C-105.37; or
- (2) Upon the recommendation from an assistance team assigned to a school located in that unit that has been identified as low-performing under G.S. 115C-105.37. This recommendation shall be based upon a finding that the superintendent has failed to cooperate with the assistance team or has otherwise hindered that school's ability to improve.

The State Board may assign any of the powers and duties of the local superintendent and the local finance officer to the interim superintendent that the Board considers are necessary or appropriate to improve student performance in the local school administrative unit. The interim superintendent shall perform all of these assigned powers and duties. The State Board of Education may terminate the contract of any local superintendent entered into on or after July 1, 1996, when it appoints an interim superintendent. The Administrative Procedure Act shall apply to that decision. Neither party to that contract is entitled to damages.

(d) In the event the State Board has appointed an interim superintendent and the State Board determines that the local board of education has failed to cooperate with the interim superintendent or has otherwise hindered the ability to improve student performance in that local school administrative unit or in a school in that unit, the State Board may suspend any of the powers and duties of the local board of education that the State Board considers are necessary or appropriate to improve student performance in the local school administrative unit. The State Board shall perform all of these assigned powers and duties for a period of time to be specified by the State Board.

(e) If the State Board suspends any of the powers and duties of the local board of education under subsection (d) of this section and subsequently determines it is necessary to change the governance of the local school administrative unit in order to improve student performance, the State Board may recommend this change to the General Assembly, which shall consider, at its next session, the future governance of the identified local school administrative unit. Effect of Amendments. — The 1998 amendment, effective July 24, 1998, and applicable to principals on or after that date, rewrote subsection (a).

§ 115C-105.40. Student academic performance standards.

The State Board of Education shall develop a plan to create rigorous student academic performance standards for kindergarten through eighth grade and student academic performance standards for courses in grades 9-12. The performance standards shall align, whenever possible, with the student academic performance standards developed for the National Assessment of Educational Progress (NAEP). The plan also shall include clear and understandable methods of reporting individual student academic performance to parents. (1997-221, s. 3(e).)

Editor's Note. — Session Laws 1997-221, s. 3(e) was codified as this section at the direction of the Revisor of Statutes.

eral Assembly to appropriate any funds to implement the provisions of this act. Nothing in Sections 16 through 25 or Sections 28 through 30 of this act shall be construed to create any rights or causes of action."

ARTICLE 8C.

Local Plans For Alternative Schools/Alternative Learning Programs and Maintaining Safe and Orderly Schools.

§ 115C-105.45. Legislative findings.

The General Assembly finds that all schools should be safe, secure, and orderly. If students are to aim for academic excellence, it is imperative that there is a climate of respect in every school and that every school is free of disruption, drugs, violence, and weapons. All schools must have plans, policies, and procedures for dealing with disorderly and disruptive behavior.

All schools and school units must have effective measures for assisting students who are at risk of academic failure or of engaging in disruptive and disorderly behavior. (1997-443, s. 8.29(r)(1).)

Editor's Note. — Session Laws 1999-237, s. 20.5(a) through (c), authorizes the Department of Crime Control and Public Safety to spend \$350,000 for the 1999-2000 fiscal year to provide portable walk-through metal detectors for local school administrative units and hand-held metal detectors for each school in a local school administrative unit, and sets priorities for allocating such funds.

Session Laws 1999-237, s. 30.2 provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1999-2001 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1999-2001 biennium."

Session Laws 1999-237, s. 1.1 provides: "This act shall be known as the 'Current Operations

and Capital Improvements Appropriations Act of 1999.'"

Session Laws 1999-237, s. 30.4 contains a severability clause.

Session Laws 1999-397, s. 5(b), provides that local boards shall submit their revised plans to the State Board of Education by July 1, 2000. The State Board shall review the plans and may make recommendations regarding their implementation. Local boards of education are encouraged to consider these recommendations prior to implementing their revised safe school plans.

Effect of Amendments. — Session Laws 1999-397, s. 2, effective August 5, 1999, inserted "Alternative Schools/Alternative Learning Programs and" in the article heading preceding this section.

§ 115C-105.46. State Board of Education responsibilities.

In order to implement this Article, the State Board of Education:

- (1) Shall adopt guidelines for developing local plans under G.S. 115C-105.47.
- (2) Shall provide, in cooperation with the Board of Governors of The University of North Carolina, ongoing technical assistance to the local school administrative units in the development, implementation, and evaluation of their local plans under G.S. 115C-105.57.
- (3) May require a local board of education to withhold the salary of any administrator or other employee of a local school administrative unit who delays or refuses to prepare and implement local safe school plans in accordance with G.S. 115C-105.47.
- (4) May revoke the certificate of the superintendent, pursuant to G.S. 115C-274(c), for failure to fulfill the superintendent's duties under a local safe school plan.
- (5) Shall adopt policies that define who is an at-risk student. (1997-443, s. 8.29(r)(1); 1999-397, s. 2.)

Effect of Amendments. — Session Laws 1999-397, s. 2, effective August 5, 1999, added subdivision (5) and made stylistic changes.

§ 115C-105.47. Local safe school plans.

(a) Each local board of education shall develop a local school administrative unit safe school plan designed to provide that every school in the local school administrative unit is safe, secure, and orderly, that there is a climate of respect in every school, and that appropriate personal conduct is a priority for all students and all public school personnel. The board shall include parents, the school community, representatives of the community, and others in the development or review of this plan. The plan may be developed by or in conjunction with other committees.

(b) Each plan shall include each of the following components:

- (1) Clear statements of the standard of behavior expected of students at different grade levels and of school personnel and clear statements of the consequences that will result from one or more violations of those standards. There shall be a statement of consequences for students under the age of 13 who physically assault and seriously injure a teacher or other individual on school property or at a school-sponsored or school-related activity. The consequences may include placement in an alternative setting.
- (2) A clear statement of the responsibility of the superintendent for coordinating the adoption and the implementation of the plan, evaluating principals' performance regarding school safety, monitoring and evaluating the implementation of safety plans at the school level, and coordinating with local law enforcement and court officials appropriate aspects of implementation of the plan. The statement of responsibility shall provide appropriate disciplinary consequences that may occur if the superintendent fails to carry out these responsibilities. These consequences may include a reprimand in the superintendent's personnel file or withholding of the superintendent's salary, or both.
- (3) A clear statement of the responsibility of the school principal for restoring, if necessary, and maintaining a safe, secure, and orderly school environment and of the consequences that may occur if the principal fails to meet that responsibility. The principal's duties shall

include exhibiting appropriate leadership for school personnel and students, providing for alternative placements for students who are seriously disruptive, reporting all criminal acts under G.S. 115C-288(g), and providing appropriate disciplinary consequences for disruptive students. The consequences to the principal that may occur shall include a reprimand in the principal's personnel file and disciplinary proceedings under G.S. 115C-325.

- (4) Clear statements of the roles of other administrators, teachers, and other school personnel in restoring, if necessary, and maintaining a safe, secure, and orderly school environment.
- (5) Procedures for identifying and serving the needs of students who are at risk of academic failure or of engaging in disruptive or disorderly behavior.
- (6) Mechanisms for assessing the needs of disruptive and disorderly students and students who are at risk of academic failure, and providing them with services to assist them in achieving academically and in modifying their behavior, and removing them from the classroom when necessary.
- (7) Measurable objectives for improving school safety and order.
- (8) Measures of the effectiveness of efforts to assist students at risk of academic failure or of engaging in disorderly or disruptive behavior. The measures shall include an analysis of the effectiveness of procedures adopted under G.S. 115C-105.48 for students referred to alternative schools and alternative learning programs.
- (9) Professional development clearly matched to the goals and objectives of the plan.
- (10) A plan to work effectively with local law enforcement officials and court officials to ensure that schools are safe and laws are enforced.
- (11) A plan to provide access to information to the school community, parents, and representatives of the local community on the ongoing implementation of the local plan, monitoring of the local plan, and the integration of educational and other services for students into the total school program.
- (12) The name and role description of the person responsible for implementation of the plan.
- (13) Direction to school improvement teams within the local school administrative unit to consider the special conditions at their schools and to incorporate into their school improvement plans the appropriate components of the local plan for:

- (13a) A clear statement of the services that will be provided to students who are assigned to an alternative school or an alternative learning program.
- (14) A clear and detailed statement of the planned use of federal, State, and local funds allocated for at-risk students and alternative schools and alternative learning programs.
- (15) Any other information the local board considers necessary or appropriate to implement this Article.

A local board may develop its plan under this section by conducting a comprehensive review of its existing policies, plans, statements, and procedures to determine whether they: (i) are effective; (ii) have been updated to address recent changes in the law; (iii) meet the current needs of each school in the local school administrative unit; and (iv) address the components required to be included in the local plan. The board then may consolidate and

supplement any previously developed policies, plans, statements, and procedures that the board determines are effective and updated, meet the current needs of each school, and meet the requirements of this subsection.

Once developed, the board shall submit the local plan to the State Board of Education and shall ensure the plan is available and accessible to parents and the school community. The board shall provide annually to the State Board information that demonstrates how the At-Risk Student Services/Alternative Schools Funding allotment has been used to (i) prevent academic failure and (ii) promote school safety.

(c) A local board may amend the plan as often as it considers necessary or appropriate. (1997-443, s. 8.29(r)(1); 1999-397, s. 2.)

Effect of Amendments. — Session Laws 1999-397, s. 2, effective August 5, 1999, inserted “and students who are at risk of academic failure” in subdivision (b)(6); added the second sentence in subdivision (b)(8); added the subdivision (b)(13)a designation and made minor stylistic changes; added subdivisions

(b)(13)b and (b)(13a); substituted “at-risk students and alternative schools and alternative learning programs” for “at-risk students, alternative schools, or both” in subdivision (b)(14); and substituted “failure and” for “failure or” near the end of the last paragraph of subsection (b).

- (3) Provide to the alternative school or alternative learning program all relevant student records, including anecdotal information.

(b) When a student is placed in an alternative school or an alternative learning program, the appropriate staff of the alternative school or alternative learning program shall meet to review the records forwarded by the referring school and to determine what support services and intervention strategies are recommended for the student. The parents shall be encouraged to provide input regarding the students' needs. (1999-397, s. 2.)

ARTICLE 9.

Special Education.

Part 1. State Policy.

§ 115C-106. Policy.

(a) The General Assembly of North Carolina hereby declares that the policy of the State is to ensure every child a fair and full opportunity to reach his full potential and that no child as defined in this section and in G.S. 115C-122 shall

be excluded from service or education for any reason whatsoever. This policy shall be the practice of the State for children from birth through age 21 and the State requires compliance by all local education agencies and local school administrative units, all local human services agencies including, but not limited to, local health departments, local social service departments, community mental health centers and all State departments, agencies, institutions except institutions of higher education, and private providers which are recipients of general funds as these funds are defined in G.S. 143-1.

(b) The policy of the State is to provide a free appropriate publicly supported education to every child with special needs. The purpose of this Article is to (i) provide for a system of special educational opportunities for all children requiring special education, hereinafter called children with special needs; (ii) provide a system for identifying and evaluating the educational needs of all children with special needs; (iii) require evaluation of the needs of such children and the adequacy of special education programs before placing children in the programs; (iv) require periodic evaluation of the benefits of the programs to the children and of the nature of the children's needs after placement; (v) prevent denials of equal educational opportunity on the basis of physical, emotional, or mental handicap; (vi) assure that the rights of children with special needs and their parents or guardians are protected; (vii) ensure that there be no inadequacies, inequities, and discrimination with respect to children with special needs; and (viii) bring State law, regulations, and practice into conformity with relevant federal law. (1973, c. 1293, ss. 2-4; 1975, c. 563, ss. 1-5; 1977, c. 927, ss. 1, 2; 1979, 2nd Sess., c. 1295; 1981, c. 423, s. 1; 1997-443, s. 11A.47.)

Editor's Note. — Session Laws 1997-443, s.

35.2, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1997-99 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1997-99 fiscal biennium."

CASE NOTES

This section was not designed to require the development of a utopian educational program for handicapped students any more than the public schools are required to provide utopian educational programs for nonhandicapped students. *Harrell v. Wilson County Schools*, 58 N.C. App. 260, 293 S.E.2d 687, cert. denied and appeal dismissed, 306 N.C. 740, 295 S.E.2d 759 (1982), decided under former § 115-363.

The General Assembly intended to eliminate the effects of the handicap, at least to the extent that the child will be given an equal opportunity to learn if that is reasonably possible. Under this standard a handicapped child should be given an opportunity to achieve his full potential commensurate with that given other children. *Harrell v. Wilson County Schools*, 58 N.C. App. 260, 293 S.E.2d 687, cert. denied and appeal dismissed, 306 N.C. 740, 295 S.E.2d 759 (1982), decided under former § 115-363.

Section requires more than federal law. — North Carolina apparently requires more than the Education of the Handicapped Act (EHA), 20 U.S.C. §§ 1400 to 1425. The special education program must provide the child with an equal opportunity to learn if that is reasonably possible, ensuring that the child has an opportunity to reach her full potential commensurate with the opportunity given other children. *Burke County Bd. of Educ. v. Denton*, 895 F.2d 973 (4th Cir. 1990).

Failure of county and State boards to provide free appropriate public education to child who suffered from dyslexia was a violation of this section and the parallel federal statute, the Education for All Handicapped Children Act, 20 U.S.C. §§ 1400 to 1420. *Hall v. Vance County Bd. of Educ.*, 774 F.2d 629 (4th Cir. 1985).

Noncustodial Parent Ordered to Pay Child's Special Educational Expenses Even Though Custodial Parent Failed to

Seek Available Public Funding. — Although public funding may have been available for special education needs of child, but was not sought by custodial parent, court did not err in requiring noncustodial parent to pay costs of

child's educational expenses in proportion to parent's gross income. *Sikes v. Sikes*, 98 N.C. App. 610, 391 S.E.2d 855 (1990), *aff'd*, 330 N.C. 595, 411 S.E.2d 588 (1992).

OPINIONS OF ATTORNEY GENERAL

Scope of Obligations of Surrogate Parent. — The General Assembly intended that the obligations of a surrogate parent have the scope specified by federal law. See opinion of Attorney General to Mr. Johnnie Ellerbe, Consultant, Division for Exceptional Children, State Department of Public Instruction, 55 N.C.A.G. 94 (1986).

How Conflict with Federal Law Resolved. — Section 7A-647(2)c [see now §§ 7B-903, 7B-2502, 7B-2503, 7B-2506, 7B-2702, 7B-2704], as amended by Session Laws 1985, c. 777, appears on its face to be in conflict with 20 U.S.C. § 1415 and §§ 115C-114 and 115C-116 and this section to the extent that it authorizes the county director of social services to make educational decisions for a handicapped child in the custody of a department of social services. This apparent conflict should be resolved by giving full effect to 20 U.S.C. § 1415. See opinion of Attorney General to Mr. Johnnie Ellerbe, Consultant, Division for Exceptional Children, State Department of Public Instruction, 55 N.C.A.G. 94 (1986).

Representation of Parentless Child's Educational Interests. — In those situations where the parents of a handicapped child are unavailable or unknown and the child is a ward of the State, the responsibility and authority for representing that child's educational interests rests with a surrogate parent, and not with the county director of social services. Further, § 115C-116(c) and 20 U.S.C. § 1415(b)(1)(B)

prohibit the county director of social services or any employee of a department of social services involved in the education or care of such child from serving as a surrogate parent in such circumstances. See opinion of Attorney General to Mr. Johnnie Ellerbe, Consultant, Division for Exceptional Children, State Department of Public Instruction, 55 N.C.A.G. 94 (1986).

Educational programs operated by public schools for three- and four-year-old children are not subject to licensure and regulation by the Child Day Care Commission. See opinion of Attorney General to Mr. Harry E. Wilson, Legal Specialist, North Carolina Department of Public Instruction, — N.C.A.G. — (October 3, 1990).

Educational programs for three- and four-year-old children housed in public school buildings but operated by private providers are subject to licensure and regulations by the Child Day Care Commission. See opinion of Attorney General to Mr. Harry E. Wilson, Legal Specialist, North Carolina Department of Public Instruction, — N.C.A.G. — (October 3, 1990).

State is not prohibited from purchasing day care services from day care programs operated by public schools, even though those programs are not licensed by the Child Day Care Commission. See opinion of Attorney General to Mr. Harry E. Wilson, Legal Specialist, North Carolina Department of Public Instruction, — N.C.A.G. — (October 3, 1990).

§ 115C-107. Children can learn.

The General Assembly finds that all children with special needs are capable of benefitting from appropriate programs of special education and training and that they have the ability to be educated and trained and to learn and develop. Accordingly, the State has a duty to provide them with a free appropriate public education. (1977, c. 927, s. 1; 1981, c. 423, s. 1.)

§ 115C-108. Definition of special education and related services.

The term "special education" means specially designed instruction, at no cost to the parents or guardians, to meet the unique needs of a special needs child, including classroom instruction, instruction in physical education, home instruction, and instruction in hospitals and institutions. The term also includes speech pathology, audiology, occupational and physical therapy. The term "related services" means transportation for handicapped children with special needs who are unable because of their handicap to ride the regular school buses and such developmental, corrective and other supportive services

as are required to assist a special needs child to benefit from special education and includes speech pathology and audiology, psychological services, physical and occupational therapy, recreation, early identification and assessment of disabilities in children, counseling services, and medical services for diagnostic or evaluation purposes only. The term also includes school social work services, parent counseling and training, providing parents with information about child development and assisting parents in understanding the special needs of their child. Other similar services, materials and equipment may be provided as approved by regulations adopted by the State Board of Education. (1977, c. 927, s. 1; 1981, c. 423, s. 1; 1985, c. 479, s. 26(a).)

CASE NOTES

Education and Habilitation Services Distinguished. — North Carolina law recognizes the difference between special education services and habilitation services. *Burke County Bd. of Educ. v. Denton*, 895 F.2d 973 (4th Cir. 1990).

Requested Services Held Not Required

by Law. — In-home services sought by parents of 19-year-old autistic and moderately mentally handicapped child were not the kind of services which must be provided, under federal or North Carolina law, by the local education agency. *Burke County Bd. of Educ. v. Denton*, 895 F.2d 973 (4th Cir. 1990).

§ 115C-109. Definition of children with special needs.

The term "children with special needs" includes, without limitation, all children from age five through age 20 who because of permanent or temporary mental, physical or emotional handicaps need special education, are unable to have all their needs met in a regular class without special education or related services, or are unable to be adequately educated in the public schools. It includes those who are mentally retarded, epileptic, learning disabled, cerebral palsied, seriously emotionally disturbed, orthopedically impaired, autistic, multiply handicapped, pregnant, hearing-impaired, speech-impaired, blind or visually impaired, and other health impaired. (1977, c. 927, s. 1; 1981, c. 423, s. 1; 1983, c. 247, ss. 1, 2; 1983 (Reg. Sess., 1984), c. 1034, ss. 23, 24; 1985, c. 780, ss. 3, 4; 1996, 2nd Ex. Sess., c. 18, s. 18.24(b).)

OPINIONS OF ATTORNEY GENERAL

Sharing of Educational Records. — This section, §§ 115C-110(a) and 115C-403(b) represent and embody an intention by the General Assembly that public agencies providing education to school age children share the educational records of children who move or are

moved from one of those agencies to another. See opinion of Attorney General to C. Robin Britt, Sr., Secretary North Carolina Department of Human Resources, — N.C.A.G. — (July 24, 1995).

§ 115C-110. Services mandatory; single-agency responsibility; State and local plans; census and registration.

(a) The Board shall cause to be provided by all local school administrative units and by all other State and local governmental agencies providing special

education services or having children with special needs in their care, custody, management, jurisdiction, control, or programs, special education and related services appropriate to all children with special needs. In this regard, all local school administrative units and all other State and local governmental agencies providing special education and related services shall explore available local resources and determine whether the services are currently being offered by an existing public or private agency.

When a specified special education or related service is being offered by a local public or private resource, any unit or agency described above shall negotiate for the purchase of that service or shall present full consideration of alternatives and its recommendations to the Board. In this regard, a new or additional program for special education or related services shall be developed with the approval of the Board only when that service is not being provided by existing public or private resources or the service cannot be purchased from existing providers. Further, the Board shall support and encourage joint and collaborative special education planning and programming at local levels to include local administrative units and the programs and agencies of the Departments of Health and Human Services and Correction and the Office of Juvenile Justice.

The jurisdiction of the Board with respect to the design and content of special education programs or related services for children with special needs extends to and over the Department of Health and Human Services, the Office of Juvenile Justice, and the Department of Correction.

All provisions of this Article that are specifically applicable to local school administrative units also are applicable to the Department of Health and Human Services, the Office of Juvenile Justice, and the Department of Correction and their divisions and agencies; all duties, responsibilities, rights and privileges specifically imposed on or granted to local school administrative units by this Article also are imposed on or granted to the Department of Health and Human Services, the Office of Juvenile Justice, and the Department of Correction and their divisions and agencies. However, with respect to children with special needs who are residents or patients of any state-operated or state-supported residential treatment facility, including without limitation, a school for the deaf, school for the blind, mental hospital or center, mental retardation center, or in a facility operated by the Office of Juvenile Justice, the Department of Correction or any of its divisions and agencies, the Board shall have the power to contract with the Department of Health and Human Services, the Office of Juvenile Justice, and the Department of Correction for the provision of special education and related services and the power to review, revise and approve any plans for special education and related services to those residents.

The Departments of Health and Human Services and Correction and the Office of Juvenile Justice shall submit to the Board their plans for the education of children with special needs in their care, custody, or control. The Board shall have general supervision and shall set standards, by rule or regulation, for the programs of special education to be administered by it, by local educational agencies, and by the Departments of Health and Human Services and Correction and the Office of Juvenile Justice. The Board may grant specific exemptions for programs administered by the Department of Health and Human Services, the Office of Juvenile Justice, or the Department of Correction when compliance by them with the Board's standards would, in the Board's judgment, impose undue hardship on this Department or Office and when other procedural due process requirements, substantially equivalent to those of G.S. 115C-116, are assured in programs of special education and related services furnished to children with special needs served by this Department or Office. Further, the Board shall recognize that inpatient and

residential special education programs within the Departments of Health and Human Services and Correction and the Office of Juvenile Justice may require more program resources than those necessary for optimal operation of these programs in local school administrative units.

Every State and local department, division, unit or agency covered by this section is hereinafter referred to as a "local educational agency" unless the text of this Article otherwise provides.

(b) The Board shall make and keep current a plan for the implementation of the policy set forth in G.S. 115C-106(b). The plan shall include:

- (1) A census of the children with special needs in the State, as required by subsection (j) of this section;
- (2) A procedure for diagnosis and evaluation of each child;
- (3) An inventory of the personnel and facilities available to provide special education for these children;
- (4) An analysis of the present distribution of responsibility for special education between State and local educational agencies, together with recommendations for any necessary or desirable changes in the distribution of responsibilities;
- (5) Standards for the education of children with special needs;
- (6) Programs and procedures for the development and implementation of a comprehensive system of personnel development; and
- (7) Any additional matters, including recommendations for amendment of laws, changes in administrative regulations, rules and practices and patterns of special organization, and changes in levels and patterns of education financial support.

(c) The Board shall annually submit amendments to or revisions of the plan required by subsection (b) to the Governor and General Assembly and make it available for public comment pursuant to subdivision (1) and for public distribution no less than 30 days before January 15 of each year. All such submissions shall set forth in detail the progress made in the implementation of the plan.

(d) The Board shall adopt rules covering:

- (1) The qualifications of and standards for certification of teachers, teacher assistants, speech clinicians, school psychologists, and others involved in the education and training of children with special needs;
- (2) Minimum standards for the individualized educational program for all children with special needs other than for the pregnant children, and for the educational program for the pregnant children, who receive special education and related services; and
- (3) Any other rules as may be necessary or appropriate for carrying out the purposes of this Article. Representatives from the Departments of Health and Human Services and Correction and the Office of Juvenile Justice shall be involved in the development of the standards outlined under this subsection.

(e) On or before October 15, each local educational agency shall report annually to the Board the extent to which it is then providing special education for children with special needs. The annual report also shall detail the means by which the local educational agency proposes to secure full compliance with the policy of this Article, including the following:

- (1) A statement of the extent to which the required education and services will be provided directly by the agency;
- (2) A statement of the extent to which standards in force pursuant to G.S. 115C-110(b)(5) and (d)(2) are being met by the agency; and
- (3) The means by which the agency will contract to provide, at levels meeting standards in force pursuant to G.S. 115C-110(b)(5) and (d)(2), all special education and related services not provided directly by it or by the State.

(f) After submitting the report required by subsection (e), the local educational agency also shall submit such supplemental and additional reports as the Board may require to keep the local educational agency's plan current.

(g) By rule, the Board shall prescribe due dates not later than October 15 of each year, and all other necessary or appropriate matters relating to these annual and supplemental and additional reports.

(h) The annual report shall be a two-year plan for providing appropriate special education and related services to children with special needs. The agency shall submit the plan to the Board for its review, approval, modification, or disapproval. Unless thereafter modified with approval of the Board, the plan shall be adhered to by the local educational agency. The procedure for approving, disapproving, establishing, and enforcing the plan shall be the same as that set forth for the annual plan. The long-range plan shall include such provisions as may be appropriate for the following, without limitation:

- (1) Establishment of classes, other programs of instruction, curricula, facilities, equipment, and special services for children with special needs; and
- (2) Utilization and professional development of teachers and other personnel working with children with special needs.

(i) Each local educational agency shall provide free appropriate special education and related services in accordance with the provisions of this Article for all children with special needs who are residents of, or whose parents or guardians are residents of, the agency's district, beginning with children aged five. No matriculation or tuition fees or other fees or charges shall be required or asked of children with special needs or their parents or guardians except those fees or charges as are required uniformly of all public school pupils. The provision of free appropriate special education within the facilities of the Department of Health and Human Services and the Office of Juvenile Justice shall not prevent that Department and Office from charging for other services or treatment.

(j) The Board shall require an annual census of children with special needs, subdivided for "identified" and "suspected" children with special needs, to be taken in each school year. Suspected children are those in the formal process of being identified, evaluated or diagnosed as children with special needs. The census shall be conducted annually and shall be completed not later than October 15, and shall be submitted to the Governor and General Assembly and be made available to the public no later than January 15 annually.

In taking the census, the Board shall require the cooperation, participation, and assistance of all local educational agencies and all other State and local governmental departments and agencies providing or required to provide special education services to children with special needs, and those departments and agencies shall cooperate and participate with and assist the Board in conducting the census.

The census shall include the number of children identified and suspected with special needs, their age, the nature of their disability, their county or city of residence, their local school administrative unit residence, whether they are being provided special educational or related services and if so by what department or agency, whether they are not being provided special education or related services, the identity of each department or agency having children with special needs in its care, custody, management, jurisdiction, control, or programs, the number of children with special needs being served by each department or agency, and such other information or data as the Board shall require. The census shall be of children with special needs between the ages of three and 21, inclusive.

(k) The Department shall monitor the effectiveness of individualized education programs in meeting the educational needs of all children with special

needs other than pregnant children, and of educational programs in meeting the educational needs of the pregnant children.

(l) The Board shall provide for procedures assuring that in carrying out the requirements of this Article procedures are established for consultation with individuals involved in or concerned with the education of children with special needs, including parents or guardians of such children, and there are public hearings, adequate notice of such hearings, and an opportunity for comment available to the general public prior to the adoption of the policies, procedures, and rules or regulations required by this Article.

(m) Children with special needs shall be educated in the least restrictive appropriate setting, as defined by the State Board of Education. (1977, c. 927, s. 1; 1981, c. 423, s. 1; 1983, c. 247, ss. 3, 4; 1989, c. 585, s. 3; 1996, 2nd Ex. Sess., c. 18, ss. 18.24(c), (d); 1997-443, s. 11A.118(a); 1998-202, s. 4(g).)

Cross References. — As to nonapproval of contracts where standards not met, see § 115C-140.

Editor's Note. — Session Laws 1998-202, s. 36, contains a severability clause.

Session Laws 1999-117, s. 1, provides that any policy or rule adopted by the State Board of Education notwithstanding, if a local school administrative unit provides services to a student pursuant to a current individual education plan from another state while a determination is being made regarding the student's eligibility for services as a child with special needs in North Carolina, the local school administrative unit is entitled to receive State funding to serve the student while the determination is being made. If the student is later determined not to qualify for services in North Carolina, the local school administrative unit shall not be required to repay State funds received while the determination is being made.

Session Laws 1999-117, s. 2, provides that

the State Board of Education shall study the issue of school transportation for children with special needs. The State Board shall consider the difficulty local school administrative units are having in meeting the length of school day requirements for these children and the State Board shall report the results of the study and its recommendations to the Joint Legislative Education Oversight Committee prior to January 1, 2000.

Effect of Amendments. — The 1998 amendment, effective January 1, 1999, and applicable to acts committed on or after that date, inserted "the Office of Juvenile Justice," "and the Office of Juvenile Justice," or a variation thereof throughout; deleted "or regulation" or its plural following "rule" or its plural throughout; substituted "any plans" for "said Departments' plans" in the fourth paragraph in subsection (a); and made stylistic changes.

CASE NOTES

Applicability. — When a more generally applicable statute such as § 115C-366(a) conflicts with a more specific, special statute such as this section, the special statute is viewed as an exception to the provisions of the general statute. Accordingly, the specific requirements of subsection (i) of this section control where they are in conflict with the general requirements of § 115C-336(a). Craven County Bd. of Educ. v. Willoughby, 121 N.C. App. 495, 466 S.E.2d 334 (1996).

Standing to Raise Issue of Which Governmental Body to Pay Tuition. — The parents of a child with special educational needs failed to establish that their child was about to be denied continuance in a program appropriate to her special needs and did not have standing to raise the issue of whether the county board of education or the Department of Human Resources was responsible for tuition

expenses of their child at a private school for handicapped children to which their child had been assigned by the county school system, since the private school had remained in operation at all times prior to and during the action. Linder v. Wake County Bd. of Educ., 50 N.C. App. 378, 273 S.E.2d 735 (1981), decided under former Chapter 115.

Place of Actual Abode Determinative of Education Entitlement. — Where child's place of actual abode was clearly in county where he lived with his grandmother, he was a legal resident of the county so long as he continued to live there and was thus entitled to a free appropriate education in this county. OPINIONS OF ATTORNEY GENERAL

Sharing of Educational Records. — Sections 115C-109, 115C-403(b) and subsection (a) of this section represent and embody an intention by the General Assembly that public agencies providing education to school age children share the educational records of children who move or are moved from one of those agencies to another. See opinion of Attorney General to C. Robin Britt, Sr., Secretary North Carolina Department of Human Resources, — N.C.A.G. — (July 24, 1995).

The effect of subsection (a) is to make the various divisions and agencies of the Department of Human Resources engaged in providing educational opportunities to school age children with “special needs” the functional equivalent of a local school administrative unit. See opinion of Attorney General to C. Robin Britt, Sr., Secretary North Carolina Department of Human Resources, — N.C.A.G. — (July 24, 1995).

Part 2. Nondiscrimination in Education.

§ 115C-111. Free appropriate education for all children with special needs.

No child with special needs between the ages specified by G.S. 115C-109 shall be denied a free appropriate public education or be prevented from attending the public schools of the local educational agency in which he or his parents or legal guardian resides or from which he receives services or from attending any other public program of free appropriate public education because he is a child with special needs. If it appears that a child should receive a program of free appropriate public education in a program operated by or under the supervision of the Department of Health and Human Services or the Office of Juvenile Justice, the local educational agency shall confer with the appropriate Department of Health and Human Services or Office of Juvenile Justice staff for their participation and determination of the appropriateness of placement in said program and development of the child’s individualized education program. The individualized education program may then be challenged under the due process provisions of G.S. 115C-116. Every child with special needs shall be entitled to attend these nonresidential schools or programs and receive from them free appropriate public education. (1977, c. 927, s. 1; 1981, c. 423, s. 1; 1997-443, s. 11A.118(a); 1998-202, s. 4(h).)

Editor’s Note. — Session Laws 1998-202, s. 36, contains a severability clause.

Effect of Amendments. — The 1998 amendment, effective January 1, 1999, and applicable to acts committed on or after that date, inserted “or the Office of Juvenile Justice”

and “Office of Juvenile Justice” in the second sentence, and made a stylistic change.

CASE NOTES

Failure of county and State boards to provide free appropriate public education to child who suffered from dyslexia was a violation of this section and the parallel federal statute, the Education for All Handicapped

Children Act, 20 U.S.C. §§ 1400 to 1420. *Hall v. Vance County Bd. of Educ.*, 774 F.2d 629 (4th Cir. 1985).

§ 115C-112: Repealed by Session Laws 1995 (Regular Session, 1996), c. 716, s. 20.

§ 115C-113. Diagnosis and evaluation; individualized education program.

(a) Before taking any action described in subsection (b), below, each local educational agency shall cause a multi-disciplinary diagnosis and evaluation to be made of the child. The State Board of Education shall establish special, simplified procedures for the diagnosis and evaluation of the pregnant child, which procedures shall focus on the particular needs of the pregnant child and shall exclude those procedures which are not pertinent to the pregnant. The local educational agency shall use the diagnosis and evaluation to determine if the child has special needs, diagnose and evaluate those needs, propose special education programs to meet those needs, and provide or arrange to provide such programs. A multi-disciplinary diagnosis and evaluation is one which includes, without limitation, medical (if necessary), psychological (if necessary) and educational assessments and recommendations; such an evaluation may include any other assessments as the Board may, by rule or regulation, require.

All testing and evaluation materials and procedures utilized for the purposes of evaluation and placement of children with special needs will be selected and administered so as not to be racially or culturally discriminatory. Such materials or procedures shall be provided and administered in the child's native language or mode of communication, unless it clearly is not feasible to do so, and no single procedure shall be the sole criterion for determining an appropriate educational program for a child.

(b) An initial multi-disciplinary diagnosis and evaluation based on rules developed by the Board shall be made before any such child is placed in a special education program, removed from such a program and placed in a regular school program, transferred from one type of special education program to another, removed from a school program for placement in a nonschool program, or otherwise tracked, classified, or treated as a child with special needs.

(c) Referral of any child shall be in writing, signed by the person requesting diagnosis and evaluation, setting forth the reasons for the request; it shall be sent or delivered to one of the following: the child's teacher, the principal of the school to which the child is, has been or will be assigned, or the superintendent of the affected local educational agency or his designee. The local educational agency shall send a written notice to the parent or guardian describing the evaluation procedure to be followed and requesting consent for the evaluation. If the parents or guardian consent, the diagnosis and evaluation may be undertaken; if they do not, the local educational agency may obtain a due process hearing pursuant to G.S. 115C-116 on the failure of the parent or guardian to consent.

The local educational agency shall provide or cause to be provided, as soon as possible after receiving consent for evaluation, a diagnosis and evaluation appropriate to the needs of the child unless the parents or guardian have objected to such evaluation. If at the conclusion of the evaluation, the child is determined to be a child with special needs, the local educational agency shall within 30 calendar days convene an individualized education program committee. The purpose of the meeting shall be to propose the special education and related services for the child. An interpretation of the multi-disciplinary diagnosis and evaluation will be made to the parent or guardian during the meeting. The proposal shall set forth the specific benefits expected from such a program, a method for monitoring the benefits, and a statement regarding conditions which will be considered indicative of the child's readiness for participation in regular classes.

After an initial referral is made, the provision of special education and related services shall be implemented within 90 calendar days to eligible

students, unless the parents or guardian refuse to consent to evaluation or placement or the parent or local educational agency requests a due process hearing.

Within 12 months after placement in a special education program, and at least annually thereafter, those people responsible for developing the child's individualized education program, or educational program for the pregnant, shall review the child's progress and, on the basis of previously stated expected benefits, decide whether to continue or discontinue the placement or program. If the review indicates that the placement or program does not benefit the child, the appropriate reassignment or change in the prescribed program shall be recommended to the parents or guardian.

The local educational agency shall keep a complete written record of all diagnostic and evaluation procedures attempted, their results, the conclusions reached, and the proposals made.

(d) The local educational agency shall furnish the results, findings, and proposals, as described in the individualized education program based on the diagnosis and evaluation to the parents or guardian in writing in the parents' or guardian's native language or by their dominant mode of communication, prior to the parent or guardian giving consent for initial placement in special education and related services. Prior notice will be given to the parents or guardian by the local educational agency before any change in placement.

A reevaluation must be completed at least every three years to determine the appropriateness of the child's continuing to receive special education and related services.

(e) Each local educational agency shall make and keep current a list of all children evaluated and diagnosed pursuant to this section who are found to have special needs and of all children who are receiving home, hospital, institutional or other special education services, including those being educated within the regular classroom setting or in other special education programs.

(f) Each local educational agency shall prepare individualized educational programs for all children found to be children with special needs other than the pregnant children, and educational programs prescribed in subsection (h) of this section for the pregnant children. The individualized educational program shall be developed in conformity with Public Law 94-142 and the implementing regulations issued by the United States Department of Education and shall be implemented in conformity with timeliness set by that Department. The term "individualized educational program" means a written statement for each such child developed in any meeting by a representative of the local educational agency who shall be qualified to provide, or supervise the provision of, specially designed instruction to meet the unique needs of such children, the teacher, the parents or guardian of such child, and, whenever appropriate, such child, which statement shall be based on rules developed by the Board. Each local educational agency shall establish, or revise, whichever is appropriate, the individualized educational program of each child with special needs each school year and will then review and, if appropriate revise, its provisions periodically, but not less than annually. In the facilities and programs of the Department of Health and Human Services and the Office of Juvenile Justice, the individualized educational program shall be planned in collaboration with those other individuals responsible for the design of the total treatment or habilitation plan or both; the resulting educational, treatment, and habilitation plans shall be coordinated, integrated, and internally consistent.

(g) Repealed by Session Laws 1996, Second Extra Session, c. 18, s. 18.24(e).

(h) Each local educational agency shall prepare educational programs for the pregnant children. The State Board of Education shall promulgate rules and regulations specifically to address the preparation of these educational

programs, which rules and regulations shall include specific standards for ensuring that the individual educational needs of each child are addressed. (1977, c. 927, s. 1; 1981, c. 423, s. 1; 1983, c. 247, s. 4; 1989, c. 388; 1991, c. 142, s. 1; c. 761, s. 35; 1996, 2nd Ex. Sess., c. 18, s. 18.24(e); 1997-443, s. 11A.118(a); 1998-202, s. 4(i).)

Editor's Note. — Session Laws 1997-443, s. 11.52, effective July 1, 1997, provides the Department of Human Resources shall take immediate steps to ensure multidisciplinary diagnoses and evaluations are made on all students in training schools operated by the Division of Youth Services (DYS) and the requisite resources and services are provided all students in DYS training schools identified as children with special needs.

Session Laws 1997-443, s. 35.2, provides: "Except for statutory changes or other provi-

sions that clearly indicate an intention to have effects beyond the 1997-99 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1997-99 fiscal biennium."

Session Laws 1998-202, s. 36, contains a severability clause.

Effect of Amendments. — The 1998 amendment, effective January 1, 1999, and applicable to acts committed on or after that date, inserted "and the Office of Juvenile Justice" in the last sentence in subsection (f).

CASE NOTES

Special Education and Habilitation Services Distinguished. — North Carolina law recognizes the difference between special education services and habilitation services. *Burke County Bd. of Educ. v. Denton*, 895 F.2d 973 (4th Cir. 1990).

Requested Services Held Not Required by Law. — In-home services sought by parents of 19-year-old autistic and moderately mentally handicapped child were not the kind of services which must be provided, under federal or North Carolina law, by the local education agency. *Burke County Bd. of Educ. v. Denton*, 895 F.2d 973 (4th Cir. 1990).

Obligation to Develop IEP. — School system had a legal obligation to fully develop an individualized educational program (IEP) for child following her release from the The

Whitaker School, to present the IEP to petitioner upon petitioner's request, and to present school system's proposals in writing to petitioner, regardless of petitioner's request. *Beaufort County Schs. v. Roach*, 114 N.C. App. 330, 443 S.E.2d 339, cert. denied, 336 N.C. 602, 447 S.E.2d 384, 513 U.S. 989, 115 S. Ct. 486, 130 L. Ed. 2d 398 (1994).

Evaluation and Diagnosis. — Once a child has been referred for a diagnosis and evaluation, the local educational agency shall, "as soon as possible after receiving consent for evaluation" provide or cause to be provided a diagnosis and evaluation of the child. *Beaufort County Schs. v. Roach*, 114 N.C. App. 330, 443 S.E.2d 339, cert. denied, 336 N.C. 602, 447 S.E.2d 384, 513 U.S. 989, 115 S. Ct. 486, 130 L. Ed. 2d 398 (1994).

§ 115C-113.1. Surrogate parents.

In the case of a child whose parent or guardian is unknown, whose whereabouts cannot be determined after reasonable investigation, or who is a ward of the State, the local educational agency shall appoint a surrogate parent for the child. The surrogate parent shall be appointed from a group of persons approved by the Superintendent of Public Instruction, the Secretary of Health and Human Services, and the Office of Juvenile Justice, but in no case shall the person appointed be an employee of the local educational agency or directly involved in the education or care of the child. The Superintendent shall ensure that local educational agencies appoint a surrogate parent for every child in need of a surrogate parent. (1987 (Reg. Sess., 1988), c. 1079, s. 2; 1997-443, s. 11A.118(a); 1998-202, s. 4(j).)

Editor's Note. — Session Laws 1998-202, s. 36, contains a severability clause.

Effect of Amendments. — The 1998 amendment, effective January 1, 1999, and

applicable to acts committed on or after that date, inserted "and the Office of Juvenile Justice," and made a stylistic change.

§ 115C-114. Records; privacy and expunction.

(a) No local educational agency may release to any persons other than the eligible student, his parents or guardian or any surrogate parent any records, data or information on any child with special needs except (i) as permitted by the prior written consent of the student, his parents or guardian or surrogate parent, (ii) as required or permitted by federal law, (iii) school officials within the local education agency who have legitimate educational interest, (iv) school officials of other local educational agencies in which the student intends to enroll, or (v) certain authorized representatives of the State and federal government who are determining eligibility of the child for aid, as provided under Public Law 93-380 or other federal law.

(b) The eligible student, his parents or guardian or surrogate parent shall have the right to read, inspect and copy all and any records, data and information maintained by a local educational agency with respect to the student, and, upon their request, shall be entitled to have those records, data and information fully explained, interpreted and analyzed for them by the staff of the agency. The parent or guardian or surrogate parent may demand that his request must be honored within not more than 45 days after it is made.

(c) The student, his parents or guardian or surrogate parent shall have the right to add to the records, data and information written explanations or clarifications thereof, and to cause the expunction of incorrect, outdated, misleading or irrelevant entries. If a local educational agency refuses to expunge incorrect, outdated, misleading or irrelevant entries after having been asked to do so by the parent, such person may obtain a due process hearing, under G.S. 115C-116, on the agency's refusal, and must request the hearing within 30 days after the agency's refusal. (1977, c. 927, s. 1; 1981, c. 423, s. 1.)

OPINIONS OF ATTORNEY GENERAL

Scope of Obligations of Surrogate Parent. — The General Assembly intended that the obligations of a surrogate parent have the scope specified by federal law. See opinion of Attorney General to Mr. Johnnie Ellerbe, Consultant, Division for Exceptional Children, State Department of Public Instruction, 55 N.C.A.G. 94 (1986).

How Conflict with Federal Law Resolved. — Section 7A-647(2)c [see now §§ 7B-903, 7B-2502, 7B-2503, 7B-2506, 7B-2702, 7B-2704], as amended by Session Laws 1985, c. 777, appears on its face to be in conflict with 20 U.S.C. § 1415 and §§ 115C-106 and 115C-116 and this section to the extent that it authorizes the county director of social services to make educational decisions for a handicapped child in the custody of a department of social services. This apparent conflict should be resolved by giving full effect to 20 U.S.C. § 1415. See opinion of Attorney General to Mr. Johnnie Ellerbe, Consultant, Division for Exceptional Children, State Department of Public Instruction, 55 N.C.A.G. 94 (1986).

Representation of Parentless Child's Educational Interests. — In those situations where the parents of a handicapped child are unavailable or unknown and the child is a ward

of the State, the responsibility and authority for representing that child's educational interests rests with a surrogate parent, and not with the county director of social services. Further, § 115C-116(c) and 20 U.S.C. § 1415(b)(1)(B) prohibit the county director of social services or any employee of a department of social services involved in the education or care of such child from serving as a surrogate parent in such circumstances. See opinion of Attorney General to Mr. Johnnie Ellerbe, Consultant, Division for Exceptional Children, State Department of Public Instruction, 55 N.C.A.G. 94 (1986).

Transmittal of Educational Records. — Local school boards can and should transmit to the Division of Youth Services (DYS), and other Department of Human Resources (DHR) agencies providing educational services to school age children, any requested education records of juveniles committed to their custody or control. Once such education records are obtained by DHS or other DHR facilities they are confidential and must not be released except as permitted by the Family Educational Rights and Privacy Act. See opinion of C. Robin Britt, Sr., Secretary North Carolina Department of Human Resources, — N.C.A.G. — (July 24, 1995).

§ 115C-115. Placements in private schools, out-of-state schools and schools in other local educational agencies.

The board shall adopt rules and regulations to assure that:

- (1) There be no cost to the parents or guardian for the placement of a child in a private school, out-of-state school or a school in another local education agency if the child was so placed by the Board or by the appropriate local educational agency as the means of carrying out the requirement of this Article or any other applicable law requiring the provision of special education and related services to children within the State.
- (2) No child shall be placed by the Board or by the local educational agency in a private or out-of-state school unless the Board has determined that the school meets standards that apply to State and local educational agencies and that the child so placed will have all the rights he would have if served by a State or local educational agency.
- (3) If the placement of the child in a private school, out-of-state school or a school in another local educational agency determined by the Superintendent of Public Instruction to be the most cost-effective way to provide an appropriate education to that child and the child is not currently being educated by the Department of Health and Human Services, the Office of Juvenile Justice, or the Department of Correction, the State will bear a portion of the cost of the placement of the child. The local school administrative unit shall pay an amount equal to what it receives per pupil from the State Public School Fund and from other State and federal funds for children with special needs for that child. The State shall pay the full cost of any remainder up to a maximum of fifty percent (50%) of the total cost. (1977, c. 927, s. 1; 1979, 2nd Sess., c. 1299, s. 2; 1981, c. 423, s. 1; 1983, c. 768, s. 7; 1987 (Reg. Sess., 1988), c. 1079, s. 3; 1997-443, s. 11A.118(a); 1998-202, s. 4(k).)

Cross References. — For provision authorizing the State Board of Education and local boards to expend public funds for transportation of certain children with special needs, see § 115C-250(a).

Editor's Note. — Session Laws 1998-202, s.

36, contains a severability clause.

Effect of Amendments. — The 1998 amendment, effective January 1, 1999, and applicable to acts committed on or after that date, inserted "the Office of Juvenile Justice" in the first sentence of subdivision (3).

CASE NOTES

Effect of § 153A-248(a)(2). — While the general terms of § 153A-248(a)(2) could conceivably be construed to address the problem of inadequate educational opportunities for learning disabled children in the school system, it is evident that the specific remedies prescribed in

this Chapter are controlling. *Hughey v. Cloninger*, 297 N.C. 86, 253 S.E.2d 898 (1979), decided under former § 115-377.

Stated in *Hall v. Vance County Bd. of Educ.*, 774 F.2d 629 (4th Cir. 1985).

Part 3. Appeals.

§ 115C-116. Notice of decisions; mediation, administrative review, and judicial review of disagreements.

(a) Prior Notice. — The parent, guardian, or surrogate parent of a child shall be notified promptly when the local educational agency proposes to initiate or change, or refuses to initiate or change, the identification, evaluation, or educational placement of a child as a child with special needs. The written notice shall contain a full explanation of all the procedural safeguards available to the parent, guardian, or surrogate parent including the right to review the proposed decision, and a statement offering the parent, guardian, or surrogate parent the opportunity for mediation. The local educational agency shall document that all required notices have been sent to and received by parents, guardians, or surrogate parents.

(b) Mediation. — It is the policy of this State to encourage local educational agencies and parents, guardians, surrogate parents, custodians, and eligible students to seek informal resolution of disputes or disagreements regarding the identification of children with special needs and the provision of special education and related services before filing a request for a formal administrative review of the matter. To that end, the following provisions apply to the mediation of these disputes:

- (1) Purpose. — The purpose of mediation is to clarify the concerns of the parents and to resolve disputes.
- (2) Definitions. — As used in this subsection, the following terms have the following meanings:
 - a. "Dispute" means a disagreement between the parties that is subject to review under subsection (c) of this section.
 - b. "Mediation" means an informal process conducted by a mediator with the objective of helping parties voluntarily settle their dispute.
 - c. "Mediator" means a neutral person who acts to encourage and facilitate a resolution of a dispute.
 - d. "Parents" means parents, guardians, surrogate parents, custodians, and eligible students.
 - e. "Parties" means the local educational agency and the parents.
- (3) Nonadversarial. — The mediation shall be informal and nonadversarial as provided in G.S. 150B-22.
- (4) Rules of procedure. — The mediator is encouraged to follow applicable procedures provided in G.S. 7A-38.1, G.S. 7A-38.2, and applicable rules adopted by the Supreme Court under G.S. 7A-38.1. The mediator may establish other procedures to facilitate an informal resolution of the dispute. The mediator shall not render a decision or judgment as to the merits of the dispute.
- (5) Request for mediation. — Before a request for formal administrative review is filed, mediation shall commence upon the request of either party, so long as the other party consents.
- (6) Selection of mediator. — The parties shall agree to the selection of the mediator. The Exceptional Children Division of the Department of Public Instruction shall maintain a list of mediators who are certified or trained in resolving disputes under this subsection.
- (7) Notice of right to mediation. — The local educational agency shall notify parents of their right to request mediation under this subsection.
- (8) Time periods tolled. — Notwithstanding G.S. 150B-23, time periods related to the filing of a formal administrative review or the taking of

any other action with respect to the dispute, including any applicable statutes of limitations, are tolled upon the filing of a request for mediation under this subsection until the mediation is completed or the mediator declares an impasse.

- (9) Good cause for continuance. — A good faith effort by both parties to mediate the dispute is presumed to constitute good cause for a continuance so long as the administrative law judge does not find that the time delay for mediation would likely result in irreparable harm to one of the parties or to the child.
 - (10) Inadmissibility of negotiations. — Evidence of statements made and conduct occurring in a mediation shall not be subject to discovery and shall be inadmissible in any proceeding in the action or other actions on the same claim. However, no evidence otherwise discoverable shall be inadmissible merely because it is presented or discussed in a mediation. Mediators shall not be compelled in any civil proceeding to testify or produce evidence concerning statements made and conduct occurring in a mediation.
 - (11) Mediator's fees. — If mediation is requested before a request for formal administrative review is filed, the local educational agency shall pay the mediator's fees for one mediation session. If resolution is not reached in that session, the parties must agree to continue the mediation. The local educational agency shall pay any mediator fees for subsequent mediation sessions unless the parties agree otherwise.
 - (12) Mediated settlement conference after a request for administrative review. — In addition to mediation as provided by this subsection, the parties may participate in a mediated settlement conference as provided by G.S. 150B-23.1.
 - (13) Promotion of other settlement procedures. — The parties may agree to use other dispute resolution methods or to use mediation in other circumstances, including after a request for formal administrative review is filed, to the extent permitted under State and federal law.
- (c) Right of Review. — The parent, guardian, or surrogate parent may obtain review of proposed decisions on the following grounds:
- (1) The child has not been identified or has been incorrectly identified as a child with special needs;
 - (2) The child's individualized education plan is not appropriate to meet his needs;
 - (3) The child's individualized education plan is not being implemented; or
 - (4) The child is otherwise being denied a free, appropriate education.

In addition, a local educational agency may obtain review as provided by this section if a parent, guardian, or surrogate parent refuses to consent to the evaluation of the child for the purpose of determining whether the child is a child with special needs or for the purpose of developing a free appropriate educational program for the child.

(d) Administrative Review. — Except as otherwise provided in this section, the administrative review shall be initiated and conducted in accordance with Article 3 of Chapter 150B of the General Statutes, the Administrative Procedure Act.

(e) Scope of Review. — The issues for review shall be limited to those set forth in subsection (c).

(f) Venue of Hearing. — The hearing shall be conducted in the county where the child attends school or is entitled to enroll pursuant to G.S. 115C-366.

(g) Hearing Closed. — The hearing shall be closed to the public unless the parent, guardian, or surrogate parent, requests in writing that the hearing be open to the public.

(h) Decision of the Administrative Law Judge. — Following the hearing, the administrative law judge shall make a decision regarding the issues set forth in subsection (c). The decision shall contain findings of fact and conclusions of law. Notwithstanding the provisions of Chapter 150B of the General Statutes, the decision of the administrative law judge becomes final and not subject to further review unless appealed to the Review Officer as provided in subsection (i). A copy of the administrative law judge's decision shall be served upon each party and a copy shall be furnished to the attorneys of record. The written notice shall contain a statement informing the parties of the availability of appeal and the 30-day limitations period for appeal as set forth in subsection (i).

(i) Review by Review Officer. — Any party aggrieved by the decision of the administrative law judge may appeal that decision within 30 days after receipt of notice of the decision by filing a written notice of appeal with the Superintendent of Public Instruction. The State Superintendent of Public Instruction shall appoint a Review Officer from a pool of review officers approved by the State Board of Education. A Review Officer shall be an educator or other professional who is knowledgeable about special education and who possesses such other qualifications as may be established by the State Board of Education. The Review Officer may issue subpoenas upon his own motion or upon a written request.

No person may be appointed as a Review Officer if that person is an employee of an agency that has been involved in the education or care of the child whose parents have filed the petition (including an employee or official of the State Department of Education or the State Board of Education) or if the person is or has been employed by the local board of education responsible for the education or care of the child whose parents have filed the petition. The decision of the Review Officer shall contain findings of fact and conclusions of law and becomes final unless an aggrieved party brings a civil action pursuant to subsection (k). A copy of the decision shall be served upon each party and a copy shall be furnished to the attorneys of record. The written notice shall contain a statement informing the parties of the right to file a civil action and the 30-day limitations period for filing a civil action pursuant to subsection (k).

(j) Power to Enforce Final Decision. — The State Board shall have the power to enforce the final decision of the administrative law judge, if not appealed pursuant to subsection (i), or the final decision of the Review Officer, by ordering a local educational agency:

- (1) To provide a child with appropriate education;
- (2) To place a child in a private school that is approved to provide special education and that can provide the child an appropriate education; or
- (3) To reimburse parents for reasonable private school placement costs in accordance with the provisions of G.S. 115C-115 when it is determined that the local educational agency did not offer or provide the child with appropriate education and the private school in which the parent, guardian, or surrogate parent placed the child was an approved school and did provide the child an appropriate education.

(k) Right to File Civil Action. — Any party aggrieved by the decision of the Review Officer may institute a civil action in State court within 30 days after receipt of the notice of the decision or in federal court as provided in 20 U.S.C. § 1415.

(l) Change in Placement. — Upon the filing of a petition, no change may be made in the child's status or program by school officials during the period of the administrative review or subsequent judicial review, unless the parent, guardian, or surrogate parent gives written consent. (1973, c. 1293, s. 10; 1975, c. 151, ss. 1, 2; c. 563, ss. 8, 9; 1975, 2nd Sess., c. 983, ss. 79, 80; 1981, c. 423, s. 1; c. 497, ss. 1, 2; 1983, c. 247, s. 6; 1985, c. 412, s. 2; 1987, c. 827, s. 1; 1987

CASE NOTES

Federal Interpretation Controlling. — To the extent that North Carolina's interpretation of the authority of a hearing officer is a material variation from the federal district court's interpretation of 20 U.S.C. § 1415(b)(1)(E), the federal version must control, because it sets forth the minimum procedural safeguards intended by Congress to be followed by State and local agencies receiving federal assistance when making educational placement for handicapped children. *S-1 ex rel. P-1 v. Spangler*, 650 F. Supp. 1427 (M.D.N.C. 1986), vacated, 832 F.2d 294 (4th Cir. 1987).

Federal district court properly followed federal procedural law in reviewing independently both federal and State law special education claims. *Burke County Bd. of Educ. v. Denton*, 895 F.2d 973 (4th Cir. 1990).

Administrative Hearing and Decision Required. — The procedural safeguards embodied in § 1415(b)(1)(E) of the Education for All Handicapped Children Act (EAHCA), 20 U.S.C. § 1401 et seq., required defendant's city

board of education and hearing officer to conduct an administrative hearing and render a decision in that hearing on plaintiffs' claim for tuition reimbursement. *S-1 ex rel. P-1 v. Spangler*, 650 F. Supp. 1427 (M.D.N.C. 1986), vacated, 832 F.2d 294 (4th Cir. 1987).

Failure to Follow Time Limitations. — Plaintiffs who did not file a petition for a contested case under this section within the time limit prescribed by § 150B-23, abandoned the process and sought relief in the courts without exhausting the available administrative remedies; therefore, they were barred from seeking relief in federal district court. *Glen ex rel. OPINIONS OF ATTORNEY GENERAL

Scope of Obligations of Surrogate Parent. — The General Assembly intended that the obligations of a surrogate parent have the scope specified by federal law. See opinion of Attorney General to Mr. Johnnie Ellerbe, Consultant, Division for Exceptional Children, State Department of Public Instruction, 55 N.C.A.G. 94 (1986).

How Conflict with Federal Law Resolved. — Section 7A-647(2)c [see now §§ 7B-903, 7B-2502, 7B-2503, 7B-2506, 7B-2702, 7B-2704], as amended by Session Laws 1985, c. 777, appears on its face to be in conflict with 20 U.S.C. § 1415 and §§ 115C-106, 115C-114, and 115C-116 to the extent that it authorizes the county director of social services to make educational decisions for a handicapped child in the custody of a department of social services. This apparent conflict should be resolved by giving full effect to 20 U.S.C. § 1415. See opinion of Attorney General to Mr. Johnnie Ellerbe, Consultant, Division for Exceptional Children, State Department of Public Instruction, 55 N.C.A.G. 94 (1986).

Representation of Parentless Child's Ed-

ucational Interests. — In those situations where the parents of a handicapped child are unavailable or unknown and the child is a ward of the State, the responsibility and authority for representing that child's educational interests rests with a surrogate parent, and not with the county director of social services. Further, subsection (c) and 20 U.S.C. § 1415(b)(1)(B) prohibit the county director of social services or any employee of a department of social services involved in the education or care of such child from serving as a surrogate parent in such circumstances. See opinion of Attorney General to Mr. Johnnie Ellerbe, Consultant, Division for Exceptional Children, State Department of Public Instruction, 55 N.C.A.G. 94 (1986).

Access to Records. — As a part of the appeal proceedings, it is required that the parents of the child involved be granted access to medical and mental health records which were considered in the child's educational program placement, assignment or denial thereof. See opinion of Attorney General to Dr. Lenore Behar, 44 N.C.A.G. 231 (1975), rendered under former Chapter 115.

Part 4. Regional Educational Training Center.

§§ 115C-117 through 115C-120: Repealed by Session Laws 1997-18, s. 16.

Editor's Note. — G.S. 115C-117 was amended by Session Laws 1997-443, s. 11A.118(a), effective August 28, 1997. However, because of the repeal by Session Laws 1997-18, s. 16, the amendment was not given effect.

Part 5. Council on Educational Services for Exceptional Children.

§ 115C-121. Establishment; organization; powers and duties.

(a) There is hereby established an Advisory Council to the State Board of Education to be called the Council on Educational Services for Exceptional Children.

(b) The Council shall consist of 23 members to be appointed as follows: five ex officio members; two members appointed by the Governor; two members of the Senate appointed by the President Pro Tempore; two members of the House of Representatives appointed by the Speaker of the House; and 12 members appointed by the State Board of Education. Of those members of the Council appointed by the State Board one member shall be selected from each congressional district within the State, and the members so selected shall be composed of at least one person representing each of the following: handicapped individuals, parents or guardians of children with special needs, teachers of children with special needs, and State and local education officials and administrators of programs for children with special needs. The Council shall designate a chairperson from among its members. The designation of the chairperson is subject to the approval of the State Board of Education. The board shall promulgate rules or regulations to carry out this subsection.

Ex officio members of the Council shall be the following:

- (1) The Secretary of the Department of Health and Human Services or the Secretary's designee;
- (1a) A representative of the Office of Juvenile Justice, appointed by the Governor;
- (2) The Secretary of the Department of Correction or the Secretary's designee;
- (3) A representative from The University of North Carolina Planning Consortium for Children with Special Needs; and
- (4) The Superintendent of Public Instruction or the Superintendent's designee.

The term of appointment for all members except those appointed by the State Board of Education shall be for two years. The term for members appointed by the State Board of Education shall be for four years. No person shall serve more than two consecutive four-year terms. The initial term of office of the person appointed from the 12th Congressional District shall commence on January 3, 1993, and expire on June 30, 1996.

Each Council member shall serve without pay, but shall receive travel allowances and per diem in the same amount provided for members of the North Carolina General Assembly.

(c) The Council shall meet in offices provided by the Department of Public Instruction on a date to be agreed upon by the members of the Council from

meeting to meeting: Provided, however, that the Council shall meet no less than once every three months. The Department of Public Instruction shall provide the necessary secretarial and clerical staff and supplies to accomplish the objectives of the Council.

(d) The duties of the Council shall be to:

- (1) Advise the Board with respect to unmet needs within the State in the education of children with special needs, as defined in this Chapter.
- (2) Comment publicly on rules and regulations proposed for issuance by the Board regarding special education and related services and the procedures for issuing State and federal funds for special education and related services.
- (3) Assist the Board in developing and reporting such data and evaluations as may assist the Commissioner of Education in the performance of his duties under Part B, Education of the Handicapped Act, as amended by Public Law 94-142.
- (4) Comment publicly on State special education plans developed pursuant to Public Law 94-142 and State law. (1973, c. 1079, ss. 1-4; 1977, c. 646, ss. 1-5, 1981, c. 423, s. 1; 1991, c. 739, s. 12; 1991 (Reg. Sess., 1992), c. 1038, s. 13; 1997-443, s. 11A.118(a); 1998-202, s. 4(l).)

Editor's Note. — Session Laws 1998-202, s. 36, contains a severability clause.

Effect of Amendments. — The 1998 amendment, effective January 1, 1999, and applicable to acts committed on or after that

date, substituted "23 members" for "18 members," and inserted "five ex officio members" in the introductory paragraph in subsection (b), and inserted subdivision (b)(1a).

Part 6. Range of Services Available.

§ 115C-122. Early childhood development program; evaluation and placement of children.

The General Assembly of North Carolina declares that the public policy of North Carolina is defined as follows to carry out the policies stated in G.S. 115C-106:

- (1) The State shall provide for a comprehensive early childhood development program by emphasizing preventative and remedial measures designed to provide the services which will enable children to develop to the maximum level their physical, mental, social, and emotional potentials and to strengthen the role of the family as the first and most fundamental influence on child development. The General Assembly finds that the complexity of early childhood development precludes the enactment of legislation which is of a sufficiently comprehensive nature to encompass all possible implications. The Departments of Public Instruction and Health and Human Services shall, therefore, jointly develop an early childhood development program plan with flexibility sufficient to meet the State's policy as set forth in this subdivision. Said plan shall provide for the operation of a statewide early childhood development program no later than June 30, 1983.
- (2) The State requires a system of educational opportunities for all children with special needs and requires the identification and evaluation of the needs of children and the adequacy of various education programs before placement of children, and shall provide for periodic evaluation of the benefits of programs to the individual child and the nature of the child's needs thereafter.
- (3) The State shall prevent denial of equal educational and service opportunity on the basis of national origin, sex, economic status, race,

religion, and physical, mental, social or emotional handicap in the provision of services to any child. Each local school administrative unit shall develop program plans to meet the educational requirements of children with special needs and each local human services agency shall develop program plans to meet the human service requirements of children with special needs in accordance with program standards and in a planning format as shall be prescribed by the State Board of Education and the Department of Health and Human Services respectively.

The General Assembly intends that the educational program and human service program requirements of Session Laws 1973, Chapter 1293, shall be realized no later than June 30, 1982. The General Assembly further intends that currently imposed barriers to educational and human service opportunities for children with special needs by reason of a single standardized test, income, federal regulations, conflicting statutes, or any other barriers are hereby abrogated; except that with respect to barriers caused by reason of income, it shall be permissible for the State or any local education agency or local human services agency to charge fees for special services rendered, or special materials furnished to a child with special needs, his parents, guardian or persons standing in loco parentis unless the imposition of such fees would prevent or substantially deter the child, his parents, guardian, or persons standing in loco parentis from availing themselves of or receiving such services or materials.

- (4) It is recognized that children have a variety of characteristics and needs, all of which must be considered if the potential of each child is to be realized; that in order to accomplish this the State must develop a full range of service and education programs, and that a program must actually benefit a child or be designed to benefit a particular child in order to provide such child with appropriate educational and service opportunities. The General Assembly requires that all programs employ least restrictive alternatives as shall be defined by the Departments of Public Instruction and Human Resources. (1973, c. 1351, s. 1; 1981, c. 423, s. 1; 1997-443, ss. 11A.49A, 11A.118(a).)

Part 9. Central Orphanage of North Carolina.

§§ 115C-134 through 115C-138: Repealed by Session Laws 1997-18, s. 14.

Editor's Note. — Session Laws 1997-18, s. 14, effective July 1, 1997, provides in part: "This repeal shall not impair the continuing existence of any corporation established under

Chapter 47, Private Laws of 1887, and continued under Part 9 of Article 9 of Chapter 115C of the General Statutes."

Part 10. State and Local Relationships.

§ 115C-139. Interlocal cooperation.

(a) The Board, any two or more local educational agencies and any such agency and any State department, agency, or division having responsibility for the education, treatment or habilitation of children with special needs are authorized to enter into interlocal cooperation undertakings pursuant to the provisions of Chapter 160A, Article 20, Part 1 of the General Statutes or into undertakings with a State agency such as the Office of Juvenile Justice or the Departments of Public Instruction, Health and Human Services, or Correction, or their divisions, agencies, or units, for the purpose of providing for the special education and related services, treatment or habilitation of such children within the jurisdiction of the agency or unit, and shall do so when it itself is unable to provide the appropriate public special education or related services for these children. In entering into such undertakings, the local agency and State department, agency, or division shall also contract to provide the special education or related services that are most educationally appropriate to the children with special needs for whose benefit the undertaking is made, and provide these services by or in the local agency unit or State department, agency, or division located in the place most convenient to these children.

(b) Local educational agencies may establish special education and related programs for children with special needs aged birth through four and 19 through 21 inclusive. (1977, c. 927, s. 1; 1981, c. 423, s. 1; 1997-443, s. 11A.118(a); 1998-202, s. 4(m).)

Editor's Note. — Session Laws 1998-202, s. 36, contains a severability clause.

Effect of Amendments. — The 1998 amendment, effective January 1, 1999, and

applicable to acts committed on or after that date, in subsection (a) inserted "the Office of Juvenile Justice or" and made stylistic changes.

§ 115C-140. Contracts with private service-providers.

State departments, agencies and divisions and local educational agencies furnishing special education and related services to children with special needs may contract with private special education facilities or service providers to furnish such services as the public providers are unable to furnish. No contract between any public and private service provider shall be effective until it has received the prior written approval of the Board. The Board shall not withhold its approval of the contract unless the private facilities and providers do not meet the Board's standards established pursuant to G.S. 115C-110(a), (b)(5), and (d)(2). (1977, c. 927, s. 1; 1981, c. 423, s. 1.)

§ 115C-140.1. Cost of education of children in group homes, foster homes, etc.

(a) Notwithstanding the provisions of any other statute and without regard for the place of domicile of a parent or guardian, the cost of a free appropriate public education for a child with special needs who is placed in or assigned to a group home, foster home or other similar facility, pursuant to State and federal law, shall be borne by the local board of education in which the group home, foster home or other similar facility is located. Nothing in this section obligates any local board of education to bear any cost for the care and maintenance of a child with special needs in a group home, foster home or other similar facility.

(b) The State Board of Education shall use State and federal funds appropriated for children with special needs to establish a reserve fund to reimburse local boards of education for the education costs of children assigned to group homes or other facilities as provided in subsection (a) of this section. (1981, c. 859, s. 29.7.)

OPINIONS OF ATTORNEY GENERAL

Right to Attend Only Schools of District of Domicile. — Except for certain limited exceptions in this section and § 115C-366.2, principally concerning children in foster or group homes, a student has a right to attend

only the schools of the school system within which the student, his parents or legal guardian are domiciled. See opinion of Attorney General to Mr. C. Wade Mobley, Superintendent, Rowan County Schools, 55 N.C.A.G. 61 (1985).

Part 11. Rules and Regulations.

§ 115C-141. Board rules and regulations.

The Board shall adopt rules and regulations for the administration of this Article. The Board shall provide technical assistance to the various concerned agencies at their request. (1977, c. 927, s. 1; 1981, c. 423, s. 1.)

Part 12. Nonreduction Provision.

§ 115C-142. Nonreduction.

Notwithstanding any of the other provisions of this Article, it is the intent of the General Assembly that funds appropriated by it for the operation of

programs of special education and related services by local school administrative units not be reduced; rather, that adequate funding be made available to meet the special educational and related services needs of children with special needs, without regard to which State or local department, agency, or unit has the child in its care, custody, control, or program. (1977, c. 927, s. 1; 1981, c. 423, s. 1.)

CASE NOTES

Special Education Teachers Not Given Greater Protection Against Dismissal. —

The General Assembly did not intend this section to provide special education teachers with greater protection against dismissal due to a reduction-in-force than that provided other career teachers. Instead, the legislature intended that this section benefit special education stu-

dents; the section was intended to prevent funds appropriated for special education from being used for other purposes, and was not designed to provide enhanced job protection for special education teachers. *Taborn v. Hammonds*, 324 N.C. 546, 380 S.E.2d 513 (1989).

Part 13. Budget Analysis and Departmental Funding.

§ **115C-143**: Repealed by Session Laws 1981 (Regular Session, 1982), c. 1282, s. 29.

§ **115C-144**: Repealed by Session Laws 1997-18, s. 7.

§ **115C-145. Allocation of federal funds.**

At such time as any federal moneys for the special education and related services for children with special needs are made available, these funds shall be allocated according to a formula designed by the Board not inconsistent with federal laws and regulations. Such formula shall insure equitable distribution of resources based upon the number of children with special needs served by the respective agencies, and shall be implemented as funds are made available from federal and State appropriations. (1977, c. 927, s. 1; 1981, c. 423, s. 1.)

§ **115C-146**: Reserved for future codification purposes.

Part 14. Handicapped Children, Ages Three to Five.

§ **115C-146.1. Definitions.**

The term "preschool handicapped children" means all handicapped children:

- (1) Who have reached their third birthday and whose parents have requested services from the public schools, which services shall start no later than the beginning of the school year immediately following the children's third birthday;
- (2) Who are not eligible to enroll in public kindergarten; and
- (3) Who, because of permanent or temporary mental, physical, or emotional handicaps, need special education and related services in order to prepare them to benefit from the educational programs provided by the public schools, beginning with kindergarten. This term includes children who are mentally retarded, learning disabled, seriously emotionally disturbed, autistic, cerebral palsied, orthopedically im-

paired, hearing impaired, speech impaired, blind or visually impaired, multiply handicapped, or other health impaired. All evaluations performed pursuant to this Part shall be appropriate to the individual child's age and development. (1989 (Reg. Sess., 1990), c. 1003, s. 5.)

Editor's Note. — Session Laws 1989 (Reg. Sess., 1990), c. 1003, s. 6 provides: "Sections 1 through 4 of this act shall become effective July 1, 1990, and Section 5 of this act [which added this Part] shall become effective July 1, 1991, if and only if specific funds are appropriated for the specific programs established by this act. Funds appropriated for the 1990-91 fiscal year or for any fiscal year in the future do not constitute any entitlement to services beyond those provided for that fiscal year. Nothing in this act creates any rights except to the extent

that funds are appropriated by the State to implement its provisions from year to year and nothing in this act obligates the General Assembly to appropriate any funds to implement its provisions." An appropriation was made for the 1990-91 fiscal year, for the 1991-93 biennium and for the 1994-95 fiscal year.

OPINIONS OF ATTORNEY GENERAL

Educational programs operated by public schools for three- and four-year-old children are not subject to licensure and regulation by Child Day Care Commission. See opinion of Attorney General to Mr. Harry E. Wilson, Legal Specialist, North Carolina Department of Public Instruction, 60 N.C.A.G. 36 (1990).

opinion of Attorney General to Mr. Harry E. Wilson, Legal Specialist, North Carolina Department of Public Instruction, 60 N.C.A.G. 36 (1990).

State is not prohibited from purchasing day care services from day care programs operated by public schools, even though those programs are not licensed by Child Day Care Commission. See opinion of Attorney General to Mr. Harry E. Wilson, Legal Specialist, North Carolina Department of Public Instruction, 60 N.C.A.G. 36 (1990).

§ 115C-146.2. Entitlement to services.

Preschool handicapped children are entitled, at no cost to their parents or guardians, to individualized programs specifically designed to meet their unique needs for special education and related services. (1989 (Reg. Sess., 1990), c. 1003, s. 5.)

§ 115C-146.3. Obligation to provide services.

(a) The General Assembly finds:

- (1) That preschool handicapped children will benefit from the special education and related services required by this Part;
- (2) That the General Assembly has evaluated the known needs of the State and has endeavored to satisfy those needs in comparison to the social and economic problems of the State;
- (3) That the funds appropriated to serve these preschool handicapped children are a reasonable amount to provide such children with special education and related services; and
- (4) That, therefore, (i) State funds appropriated to implement this Part are the only State funds for public schools that may be used to provide special education and related services to preschool handicapped children; and (ii) preschool handicapped children will continue to be served by all other State funds they are otherwise entitled to.

(b) The State Board of Education shall cause local school administrative units to make available special education and related services to all preschool handicapped children whose parents or guardians request these services.

(c) State funds appropriated to implement the provisions of this Part shall be used to supplement and not supplant existing federal, State, and local funding for the public schools.

(d) Related services provided under this Part shall be provided by qualified services providers. The term "qualified services provider" means a person who meets State standards for licensure or State Board of Education standards for certification for a specific profession or discipline.

To the extent that the State Board of Education standards include provisions for certification that are less than the standard for certification or licensure for a specific profession, the Department of Public Instruction may certify individuals on a temporary or provisional basis, provided that the State Board of Education shall establish a comprehensive plan and reasonable time lines to ensure that only professionals who meet the appropriate standard for licensure or certification may be employed in the future. (1989 (Reg. Sess., 1990), c. 1003, s. 5; 1993, c. 522, s. 2.)

§ 115C-146.4. Rules.

The State Board of Education shall adopt rules implementing this Part, including rules necessary in order to receive federal funding pursuant to Part B of the Education of the Handicapped Act, 20 U.S.C. § 1400 et seq. These rules shall include a provision that, where a local education agency finds that appropriate services are available from other public agencies or private organizations, that local education agency shall, in accordance with G.S. 115C-149, contract for those services rather than provide them directly. These rules shall also include a provision that, where a local education agency finds that a child is already receiving appropriate services, that local education agency shall continue those services as long as appropriate. (1989 (Reg. Sess., 1990), c. 1003, s. 5.)

ARTICLE 9A.

Children with Chemical Dependency.

§ 115C-149. Policy. Chemically dependent children excluded from provisions of Article 9.

The General Assembly of North Carolina hereby declares that the policy of the State is to ensure that an appropriate education is provided for drug and alcohol addicted children; however, drug and alcohol addicted children are not "children with special needs" within the meaning of G.S. 115C-109 unless because of some other condition they meet that definition. (1989, c. 316, s. 1.)

§ 115C-150. State Board to adopt rules.

The State Board of Education shall adopt rules to ensure that local school administrative units provide an appropriate education for drug and alcohol addicted children. (1989, c. 316, s. 1.)

§§ 115C-150.1 through 115C-150.4: Reserved for future codification purposes.

ARTICLE 9B.

Academically or Intellectually Gifted Students.

§ 115C-150.5. Academically or intellectually gifted students.

The General Assembly believes the public schools should challenge all students to aim for academic excellence and that academically or intellectually gifted students perform or show the potential to perform at substantially high levels of accomplishment when compared with others of their age, experience, or environment. Academically or intellectually gifted students exhibit high performance capability in intellectual areas, specific academic fields, or in both intellectual areas and specific academic fields. Academically or intellectually gifted students require differentiated educational services beyond those ordinarily provided by the regular educational program. Outstanding abilities are present in students from all cultural groups, across all economic strata, and in all areas of human endeavor. (1996, 2nd Ex. Sess., c. 18, s. 18.24(f).)

§ 115C-150.6. State Board of Education responsibilities.

In order to implement this Article, the State Board of Education shall:

- (1) Develop and disseminate guidelines for developing local plans under G.S. 115C-150.7(a). These guidelines should address identification procedures, differentiated curriculum, integrated services, staff development, program evaluation methods, and any other information the State Board considers necessary or appropriate.

- (1) The State Board of Education shall adopt a system of annual testing for grades three through 12. These tests shall be designed to measure progress toward reading, communication skills, and mathematics for grades three through eight, and toward competencies designated by the State Board for grades nine through 12. Notwithstanding subsection (a) of this section, the State Board shall develop and implement a study allowing selected local school administrative units that volunteer to administer a standardized test in May, 12 months prior to the third grade end-of-grade test, in order to establish a baseline that will be used to measure academic growth at the end of third grade. Initially, the State Board shall select 12 volunteer local school administrative units that are diverse in geography and size to participate in the study. If the State Board determines that a standardized test administered in May, 12 months prior to the third grade end-of-grade test, is more reliable than a standardized test administered at the beginning of third grade for the purpose of measuring academic growth, the State Board may change the test date for additional local school units. The State Board shall report the results of the study to the Joint Legislative Education Oversight Committee by October 15, 2000.

Baseline measurements administered in May, 12 months prior to the third grade end-of-grade test, are not public records as provided in Chapter 132 of the General Statutes.

- (2) If the State Board of Education finds that additional testing in grades three through 12 is desirable to allow comparisons with national indicators of student achievement, that testing shall be conducted with the smallest size sample of students necessary to assure valid comparisons with other states. State Board of Education shall consider reducing the number of tests currently administered by the State. The State Board of Education shall consider the recommendations of the Education Standards and Accountability Commission and shall review the tests being adminis-

The purpose of this Part is to authorize a system of charter schools to provide opportunities for teachers, parents, pupils, and community members to estab-

lish and maintain schools that operate independently of existing schools, as a method to accomplish all of the following:

- (1) Improve student learning;
- (2) Increase learning opportunities for all students, with special emphasis on expanded learning experiences for students who are identified as at risk of academic failure or academically gifted;
- (3) Encourage the use of different and innovative teaching methods;
- (4) Create new professional opportunities for teachers, including the opportunities to be responsible for the learning program at the school site;
- (5) Provide parents and students with expanded choices in the types of educational opportunities that are available within the public school system; and
- (6) Hold the schools established under this Part accountable for meeting measurable student achievement results, and provide the schools with a method to change from rule-based to performance-based accountability systems. (1995 (Reg. Sess., 1996), c. 731, s. 2.)

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 731, s. 4, provides: "Nothing in this act shall be construed to obligate the General Assembly to appropriate funds to imple-

ment this act. In addition, all charters granted and all contracts entered into under this act are subject to any future appropriations and subsequent legislative changes."

§ 115C-238.29B. Eligible applicants; contents of applications; submission of applications for approval.

(a) Any person, group of persons, or nonprofit corporation seeking to establish a charter school may apply to establish a charter school. If the applicant seeks to convert a public school to a charter school, the application shall include a statement signed by a majority of the teachers and instructional support personnel currently employed at the school indicating that they favor the conversion and evidence that a significant number of parents of children enrolled in the school favor conversion.

(b) The application shall contain at least the following information:

- (1) A description of a program that implements one or more of the purposes in G.S. 115C-238.29A.
- (2) A description of student achievement goals for the school's educational program and the method of demonstrating that students have attained the skills and knowledge specified for those student achievement goals.
- (3) The governance structure of the school including the names of the proposed initial members of the board of directors of the nonprofit, tax-exempt corporation and the process to be followed by the school to ensure parental involvement.
- (3a) The local school administrative unit in which the school will be located.
- (4) Admission policies and procedures.
- (5) A proposed budget for the school and evidence that the financial plan for the school is economically sound.

- (8) Types and amounts of insurance coverage, including bonding insurance for the principal officers of the school, to be obtained by the charter school.
- (9) The term of the charter.
- (10) The qualifications required for individuals employed by the school.

(11) The procedures by which students can be excluded from the charter school and returned to a public school. Notwithstanding any law to the contrary, any local board may refuse to admit any student who is suspended or expelled from a charter school due to actions that would lead to suspension or expulsion from a public school under G.S. 115C-391 until the period of suspension or expulsion has expired.

(12) The number of students to be served, which number shall be at least 65, and the minimum number of teachers to be employed at the school, which number shall be at least three. However, the charter school may serve fewer than 65 students or employ fewer than three teachers if the application contains a compelling reason, such as the school would serve a geographically remote and small student population.

(13) Information regarding the facilities to be used by the school and the manner in which administrative services of the school are to be provided.

(14) Repealed by Session Laws 1997-430, s. 1.

(c) An applicant shall submit the application to a chartering entity for preliminary approval. A chartering entity may be:

(1) The local board of education of the local school administrative unit in which the charter school will be located;

(2) The board of trustees of a constituent institution of The University of North Carolina, so long as the constituent institution is involved in the planning, operation, or evaluation of the charter school; or

(3) The State Board of Education.

Regardless of which chartering entity receives the application for preliminary approval, the State Board of Education shall have final approval of the charter school.

Notwithstanding the provisions of this subsection, if the State Board of Education finds that an applicant (i) submitted an application to a local board of education and received final approval from the State Board of Education, but (ii) is unable to find a suitable location within that local school administrative unit to operate, the State Board of Education may authorize the charter school to operate within an adjacent local school administrative unit for one year only. The charter school cannot operate for more than one year unless it reapplies, in accordance with subdivision (1), (2), or (3) of this subsection, and receives final approval from the State Board of Education.

(d) Unless an applicant submits its application under subsection (c) of this section to the local board of education of the local school administrative unit in which the charter school will be located, the applicant shall submit a copy of its application to that local board within seven days of its submission under subsection (c) of this section. The local board may offer any information or comment concerning the application it considers appropriate to the chartering entity. The local board shall deliver this information to the chartering entity no later than January 1 of the next calendar year. The applicant shall not be required to obtain or deliver this information to the chartering entity on behalf of the local board. The State Board shall consider any information or comment it receives from a local board and shall consider the impact on the local school administrative unit's ability to provide a sound basic education to its students when determining whether to grant preliminary and final approval of the charter school. (1995 (Reg. Sess., 1996), c. 731, s. 2; 1997-430, s. 1.)

Editor's Note. — Subsection (d) of this section was so designated at the direction of the Revisor of Statutes, the designation in Session

Laws 1997-430, s. 1, having been subsection (c1).

§ 115C-238.29C. Preliminary approval of applications for charter schools.

(a) The chartering entity that receives a request for preliminary approval of a charter school shall act on each request received prior to November 1 of a calendar year by February 1 of the next calendar year.

(b) The chartering entity shall give preliminary approval to the application if the chartering entity determines that (i) information contained in the application meets the requirements set out in this Part or adopted by the State Board of Education, (ii) the applicant has the ability to operate the school and would be likely to operate the school in an educationally and economically sound manner, and (iii) granting the application would improve student learning and would achieve one of the other purposes set out in G.S. 115C-238.29A. In reviewing applications for the establishment of charter schools within a local school administrative unit, the chartering entity is encouraged to give preference to applications that demonstrate the capability to provide comprehensive learning experiences to students identified by the applicants as at risk of academic failure. If the chartering entity approves more than one application for charter schools located in a local school administrative unit, the chartering entity may state its order of preference among the applications that it approves.

(c) If a chartering entity other than the State Board disapproves an application, the applicant may appeal to the State Board of Education prior to February 15. The State Board shall consider the appeal at the same time it is considering final approval in accordance with G.S. 115C-238.29D. The State Board shall give preliminary approval of the application if it finds that the chartering entity acted in an arbitrary or capricious manner in disapproving the application, failed to consider appropriately the application, or failed to act within the time set out in G.S. 115C-238.29C.

If the chartering entity, the State Board of Education, or both, disapprove an application, the applicant may modify the application and reapply subject to the application deadline contained in subsection (a) of this section. (1995 (Reg. Sess., 1996), c. 731, s. 2.)

§ 115C-238.29D. Final approval of applications for charter schools.

(a) The State Board shall grant final approval of an application if it finds that the application meets the requirements set out in this Part or adopted by the State Board of Education and that granting the application would achieve one or more of the purposes set out in G.S. 115C-238.29A. The State Board shall act by March 15 of a calendar year on all applications and appeals it receives prior to February 15 of that calendar year.

(b) The State Board shall authorize no more than five charter schools per year in one local school administrative unit. The State Board shall authorize no more than 100 charter schools statewide. If more than five charter schools in one local school administrative unit or more than 100 schools statewide meet the standards for final approval, the State Board shall give priority to applications that are most likely to further State education policies and to strengthen the educational program offered in the local school administrative units in which they are located.

(c) The State Board of Education may authorize a school before the applicant has secured its space, equipment, facilities, and personnel if the applicant indicates the authority is necessary for it to raise working capital. The State Board shall not allocate any funds to the school until the school has obtained space.

(d) The State Board of Education may grant the initial charter for a period not to exceed five years and may renew the charter upon the request of the chartering entity for subsequent periods not to exceed five years each. A material revision of the provisions of a charter application shall be made only upon the approval of the State Board of Education. Beginning with the charter school's second year of operation and annually thereafter, the State Board shall allow a charter school to increase its enrollment by ten percent (10%) of the school's previous year's enrollment or as is otherwise provided in the charter. This enrollment growth shall not be considered a material revision of the charter application and shall not require the prior approval of the State Board. (1995 (Reg. Sess., 1996), c. 731, s. 2; 1997-430, s. 3.)

§ 115C-238.29E. Charter school operation.

(a) A charter school that is approved by the State shall be a public school within the local school administrative unit in which it is located. It shall be accountable to the local board of education if it applied for and received preliminary approval from that local board for purposes of ensuring compliance with applicable laws and the provisions of its charter. All other charter schools shall be accountable to the State Board for ensuring compliance with applicable laws and the provisions of their charters, except that any of these charter schools may agree to be accountable to the local board of the school administrative unit in which the charter school is located rather than to the State Board.

(b) A charter school shall be operated by a private nonprofit corporation that shall have received federal tax-exempt status no later than 24 months following final approval of the application.

(c) A charter school shall operate under the written charter signed by the entity to which it is accountable under subsection (a) of this section and the applicant. A charter school is not required to enter into any other contract. The charter shall incorporate the information provided in the application, as modified during the charter approval process, and any terms and conditions imposed on the charter school by the State Board of Education. No other terms may be imposed on the charter school as a condition for receipt of local funds.

(d) The board of directors of the charter school shall decide matters related to the operation of the school, including budgeting, curriculum, and operating procedures.

(e) A charter school's specific location shall not be prescribed or limited by a local board or other authority except a zoning authority. The school may lease space from a local board of education or as is otherwise lawful in the local school administrative unit in which the charter school is located. If a charter school leases space from a sectarian organization, the charter school classes and students shall be physically separated from any parochial students, and there shall be no religious artifacts, symbols, iconography, or materials on display in the charter school's entrance, classrooms, or hallways. Furthermore, if a charter school leases space from a sectarian organization, the charter school shall not use the name of that organization in the name of the charter school.

At the request of the charter school, the local board of education of the local school administrative unit in which the charter school will be located shall lease any available building or land to the charter school unless the board demonstrates that the lease is not economically or practically feasible or that the local board does not have adequate classroom space to meet its enrollment

needs. Notwithstanding any other law, a local board of education may provide a school facility to a charter school free of charge; however, the charter school is responsible for the maintenance of and insurance for the school facility.

(f) Except as provided in this Part and pursuant to the provisions of its charter, a charter school is exempt from statutes and rules applicable to a local board of education or local school administrative unit. (1995 (Reg. Sess., 1996), c. 731, s. 2; 1997-430, s. 4.)

§ 115C-238.29F. General requirements.

(a) Health and Safety Standards. — A charter school shall meet the same health and safety requirements required of a local school administrative unit.

(b) School Nonsectarian. — A charter school shall be nonsectarian in its programs, admission policies, employment practices, and all other operations and shall not charge tuition or fees. A charter school shall not be affiliated with a nonpublic sectarian school or a religious institution.

(c) Civil Liability and Insurance. —

(1) The board of directors of a charter school may sue and be sued. The State Board of Education shall adopt rules to establish reasonable amounts and types of liability insurance that the board of directors shall be required by the charter to obtain. The board of directors shall obtain at least the amount of and types of insurance required by these rules to be included in the charter. Any sovereign immunity of the charter school, of the organization that operates the charter school, or its members, officers, or directors, or of the employees of the charter school or the organization that operates the charter school, is waived to the extent of indemnification by insurance.

(2) No civil liability shall attach to any chartering entity, to the State Board of Education, or to any of their members or employees, individually or collectively, for any acts or omissions of the charter school.

(d) Instructional Program. —

(1) The school shall provide instruction each year for at least 180 days.

(2) The school shall design its programs to at least meet the student performance standards adopted by the State Board of Education and the student performance standards contained in the charter.

(3) A charter school shall conduct the student assessments required for charter schools by the State Board of Education.

(4) The school shall comply with policies adopted by the State Board of Education for charter schools relating to the education of children with special needs.

(5) The school is subject to and shall comply with Article 27 of Chapter 115C of the General Statutes, except that a charter school may also exclude a student from the charter school and return that student to another school in the local school administrative unit in accordance with the terms of its charter.

(e) Employees. —

(1) An employee of a charter school is not an employee of the local school administrative unit in which the charter school is located. The charter school's board of directors shall employ and contract with necessary teachers to perform the particular service for which they are employed in the school; at least seventy-five percent (75%) of these teachers in grades kindergarten through five, at least fifty percent (50%) of these teachers in grades six through eight, and at least fifty percent (50%)

of these teachers in grades nine through 12 shall hold teacher certificates. The board also may employ necessary employees who are not required to hold teacher certificates to perform duties other than teaching and may contract for other services. The board may discharge teachers and noncertificated employees.

- (2) No local board of education shall require any employee of the local school administrative unit to be employed in a charter school.
 - (3) If a teacher employed by a local school administrative unit makes a written request for an extended leave of absence to teach at a charter school, the local school administrative unit shall grant the leave. The local school administrative unit shall grant a leave for any number of years requested by the teacher, shall extend the leave for any number of years requested by the teacher, and shall extend the leave at the teacher's request. For the initial year of a charter school's operation, the local school administrative unit may require that the request for a leave or extension of leave be made up to 45 days before the teacher would otherwise have to report for duty. For subsequent years, the local school administrative unit may require that the request for a leave or extension of leave be made up to 90 days before the teacher would otherwise have to report for duty. A teacher who has career status under G.S. 115C-325 prior to receiving an extended leave of absence to teach at a charter school may return to a public school in the local school administrative unit with career status at the end of the leave of absence or upon the end of employment at the charter school if an appropriate position is available. If an appropriate position is unavailable, the teacher's name shall be placed on a list of available teachers and that teacher shall have priority on all positions for which that teacher is qualified in accordance with G.S. 115C-325(e)(2).
 - (4) The employees of the charter school shall be deemed employees of the local school administrative unit for purposes of providing certain State-funded employee benefits, including membership in the Teachers' and State Employees' Retirement System and the Teachers' and State Employees' Comprehensive Major Medical Plan. The State Board of Education provides funds to charter schools, approves the original members of the boards of directors of the charter schools, has the authority to grant, supervise, and revoke charters, and demands full accountability from charter schools for school finances and student performance. Accordingly, it is the determination of the General Assembly that charter schools are public schools and that the employees of charter schools are public school employees. Employees of a charter school whose board of directors elects to become a participating employer under G.S. 135-5.3 are "teachers" for the purpose of membership in the North Carolina Teachers' and State Employees' Retirement System. In no event shall anything contained in this Part require the North Carolina Teachers' and State Employees' Retirement System to accept employees of a private employer as members or participants of the System.
- (f) Accountability. —
- (1) The school is subject to the financial audits, the audit procedures, and the audit requirements adopted by the State Board of Education for charter schools. These audit requirements may include the requirements of the School Budget and Fiscal Control Act.
 - (2) The school shall comply with the reporting requirements established by the State Board of Education in the Uniform Education Reporting System.

- (3) The school shall report at least annually to the chartering entity and the State Board of Education the information required by the chartering entity or the State Board.

(g) Admission Requirements. —

- (1) Any child who is qualified under the laws of this State for admission to a public school is qualified for admission to a charter school.
- (2) No local board of education shall require any student enrolled in the local school administrative unit to attend a charter school.
- (3) Admission to a charter school shall not be determined according to the school attendance area in which a student resides, except that any local school administrative unit in which a public school converts to a charter school shall give admission preference to students who reside within the former attendance area of that school.
- (4) Admission to a charter school shall not be determined according to the local school administrative unit in which a student resides.
- (5) A charter school shall not discriminate against any student on the basis of ethnicity, national origin, gender, or disability. Except as otherwise provided by law or the mission of the school as set out in the charter, the school shall not limit admission to students on the basis of intellectual ability, measures of achievement or aptitude, athletic ability, disability, race, creed, gender, national origin, religion, or ancestry. The charter school may give enrollment priority to siblings of currently enrolled students who were admitted to the charter school in a previous year and to children of the school's principal, teachers, and teacher assistants. In addition, and only for its first year of operation, the charter school may give enrollment priority to children of the initial members of the charter school's board of directors, so long as (i) these children are limited to no more than ten percent (10%) of the school's total enrollment or to 20 students, whichever is less, and (ii) the charter school is not a former public or private school. Within one year after the charter school begins operation, the population of the school shall reasonably reflect the racial and ethnic composition of the general population residing within the local school administrative unit in which the school is located or the racial and ethnic composition of the special population that the school seeks to serve residing within the local school administrative unit in which the school is located. The school shall be subject to any court-ordered desegregation plan in effect for the local school administrative unit.
- (6) During each period of enrollment, the charter school shall enroll an eligible student who submits a timely application, unless the number of applications exceeds the capacity of a program, class, grade level, or building. In this case, students shall be accepted by lot. Once enrolled, students are not required to reapply in subsequent enrollment periods.
- (7) Notwithstanding any law to the contrary, a charter school may refuse admission to any student who has been expelled or suspended from a public school under G.S. 115C-391 until the period of suspension or expulsion has expired.

(h) Transportation. — The charter school may provide transportation for students enrolled at the school. The charter school shall develop a transportation plan so that transportation is not a barrier to any student who resides in the local school administrative unit in which the school is located. The charter school is not required to provide transportation to any student who lives within one and one-half miles of the school. At the request of the charter

school and if the local board of the local school administrative unit in which the charter school is located operates a school bus system, then that local board may contract with the charter school to provide transportation in accordance with the charter school's transportation plan to students who reside in the local school administrative unit and who reside at least one and one-half miles of the charter school. A local board may charge the charter school a reasonable charge that is sufficient to cover the cost of providing this transportation. Furthermore, a local board may refuse to provide transportation under this subsection if it demonstrates there is no available space on buses it intends to operate during the term of the contract or it would not be practically feasible to provide this transportation.

(i) **Assets.** — Upon dissolution of the charter school or upon the nonrenewal of the charter, all net assets of the charter school purchased with public funds shall be deemed the property of the local school administrative unit in which the charter school is located.

(j) **(Effective July 1, 2000) Driving Eligibility Certificates.** — In accordance with rules adopted by the State Board of Education, the designee of the school's board of directors shall do all of the following:

- (1) Sign driving eligibility certificates that meet the conditions established in G.S. 20-11.
- (2) Obtain the necessary written, irrevocable consent from parents, guardians, or emancipated juveniles, as appropriate, in order to disclose information to the Division of Motor Vehicles.
- (3) Notify the Division of Motor Vehicles when a student who holds a driving eligibility certificate no longer meets its conditions. (1995 (Reg. Sess., 1996), c. 731, s. 2; 1997-430, s. 5; 1997-443, s. 8.19; 1997-456, s. 55.4; 1998-212, s. 9.14A(a); 1999-243, s. 8.)

Editor's Note. — Session Laws 1997-430, s. 13, provides: "The Board of Trustees of the North Carolina Teachers' and State Employees' retirement System through the Office of the Attorney General shall request a letter of determination or ruling from the Internal Revenue Service, United States Department of Treasury, as to whether the status of the North Carolina Teachers' and State Employees' Retirement System as a governmental plan would be adversely affected by the participation of employees of charter schools. The request shall be made to the Internal Revenue Service after it is approved by the Speaker of the House of Representatives and the President Pro Tempore of the Senate or their designees and no later than 30 days after the effective date of this act. Employees of charter schools are eligible for participation in the North Carolina Teachers' and State Employees' Retirement System upon the first day of the calendar month following the State's receipt of a favorable letter of determination or ruling." As of October 31, 1997, the Revisor of Statutes is informed that no determination has yet been received.

Session Laws 1998-212, s. 1.1 provides: "This act shall be known as the 'Current Operations Appropriations and Capital Improvement Ap-

propriations Act of 1998'."

Session Laws 1998-212, s. 30.5 contains a severability clause.

Session Laws 1999-243, s. 10, provides that the State Board of Education shall initiate and coordinate meetings with the Division of Nonpublic Education in the Office of the Governor, with representatives of nonpublic schools, and with the State Board of Community Colleges in order to develop coordinated rules, policies, and guidelines needed to implement this act.

Session Laws 1999-243, s. 11, provides that the amendments by the act become effective July 1, 2000. Further, the act does not apply to any person who held a valid North Carolina limited learner's permit issued before December 1, 1997, who held a valid North Carolina learner's permit issued before December 1, 1997, or who was a provisional licensee and held a valid North Carolina drivers license issued before December 1, 1997. The act shall apply only to conduct committed on or after July 1, 2000, by a person who is expelled, suspended, or placed in an alternative educational setting as a result of that conduct.

Effect of Amendments. — The 1998 amendment, effective October 30, 1998, in subdivision (e)(4), substituted the present fourth

sentence for “and are ‘teachers’ for purposes of membership in the North Carolina Teachers’ and State Employees’ Retirement System and State Employees’ Comprehensive Major Medical Plan.”

Session Laws 1999-243, s. 8, effective July 1, 2000, added subsection (j). See editor’s note for applicability.

§ 115C-238.29G. Causes for nonrenewal or termination; disputes.

(a) The State Board of Education, or a chartering entity subject to the approval of the State Board of Education, may terminate or not renew a charter upon any of the following grounds:

- (1) Failure to meet the requirements for student performance contained in the charter;
- (2) Failure to meet generally accepted standards of fiscal management;
- (3) Violations of law;
- (4) Material violation of any of the conditions, standards, or procedures set forth in the charter;
- (5) Two-thirds of the faculty and instructional support personnel at the school request that the charter be terminated or not renewed; or
- (6) Other good cause identified.

(b) The State Board of Education shall develop and implement a process to address contractual and other grievances between a charter school and its chartering entity or the local board of education during the time of its charter.

(c) The State Board and the charter school are encouraged to make a good-faith attempt to resolve the differences that may arise between them. They may agree to jointly select a mediator. The mediator shall act as a neutral facilitator of disclosures of factual information, statements of positions and contentions, and efforts to negotiate an agreement settling the differences. The mediator shall, at the request of either the State Board or a charter school, commence a mediation immediately or within a reasonable period of time. The mediation shall be held in accordance with rules and standards of conduct adopted under Chapter 7A of the General Statutes governing mediated settlement conferences but modified as appropriate and suitable to the resolution of the particular issues in disagreement.

Notwithstanding Article 33C of Chapter 143 of the General Statutes, the mediation proceedings shall be conducted in private. Evidence of statements made and conduct occurring in a mediation are not subject to discovery and are inadmissible in any court action. However, no evidence otherwise discoverable is inadmissible merely because it is presented or discussed in a mediation. The mediator shall not be compelled to testify or produce evidence concerning statements made and conduct occurring in a mediation in any civil proceeding for any purpose, except disciplinary hearings before the State Bar or any agency established to enforce standards of conduct for mediators. The mediator may determine that an impasse exists and discontinue the mediation at any time. The mediator shall not make any recommendations or public statement of findings or conclusions. The State Board and the charter school shall share equally the mediator’s compensation and expenses. The mediator’s compensation shall be determined according to rules adopted under Chapter 7A of the General Statutes. (1995 (Reg. Sess., 1996), c. 731, s. 2; 1997-430, s. 6.)

§ 115C-238.29H. State and local funds for a charter school.

(a) The State Board of Education shall allocate to each charter school:

- (1) An amount equal to the average per pupil allocation for average daily membership from the local school administrative unit allotments in

which the charter school is located for each child attending the charter school except for the allocation for children with special needs and for the allocation for children with limited English proficiency;

- (2) An additional amount for each child attending the charter school who is a child with special needs; and
- (3) An additional amount for children with limited English proficiency attending the charter school, based on a formula adopted by the State Board.

In accordance with G.S. 115C-238.29D(d), the State Board shall allow for annual adjustments to the amount allocated to a charter school based on its enrollment growth in school years subsequent to the initial year of operation. In the event a child with special needs leaves the charter school and enrolls in a public school during the first 60 school days in the school year, the charter school shall return a pro rata amount of funds allocated for that child to the State Board, and the State Board shall reallocate those funds to the local school administrative unit in which the public school is located. In the event a child with special needs enrolls in a charter school during the first 60 school days in the school year, the State Board shall allocate to the charter school the pro rata amount of additional funds for children with special needs.

(a1) Funds allocated by the State Board of Education may be used to enter into operational and financing leases for real property or mobile classroom units for use as school facilities for charter schools and may be used for payments on loans made to charter schools for facilities or equipment. However, State funds shall not be used to obtain any other interest in real property or mobile classroom units. No indebtedness of any kind incurred or created by the charter school shall constitute an indebtedness of the State or its political subdivisions, and no indebtedness of the charter school shall involve or be secured by the faith, credit, or taxing power of the State or its political subdivisions. Every contract or lease into which a charter school enters shall include the previous sentence. The school also may own land and buildings it obtains through non-State sources.

(b) If a student attends a charter school, the local school administrative unit in which the child resides shall transfer to the charter school an amount equal to the per pupil local current expense appropriation to the local school administrative unit for the fiscal year. (1995 (Reg. Sess., 1996), c. 731, s. 2; 1997-430, s. 7; 1998-212, s. 9.20(f).)

Editor's Note. — Session Laws 1998-212, s. 1.1 provides: "This act shall be known as the 'Current Operations Appropriations and Capital Improvement Appropriations Act of 1998'."

Session Laws 1998-212, s. 30.5 contains a severability clause.

Effect of Amendments. — The 1998

amendment, effective July 1, 1998, in subsection (a), redesignated former subdivisions (i) and (ii) as subdivisions (1) and (2), and added subdivision (3); in subdivision (a)(1), added "for the allocation for children with limited English proficiency"; and made stylistic changes.

§ 115C-238.29I. Notice of the charter school process; review of charter schools; Charter School Advisory Committee.

(a) The State Board of Education shall distribute information announcing the availability of the charter school process described in this Part to each local school administrative unit and public postsecondary educational institution and, through press releases, to each major newspaper in the State.

(b) Repealed by Session Laws 1997-18, s. 15(i), effective July 1, 1999.

(c) The State Board of Education shall review and evaluate the educational effectiveness of the charter school approach authorized under this Part and the

effect of charter schools on the public schools in the local school administrative unit in which the charter schools are located. The Board shall report no later than January 1, 2002, to the Joint Legislative Education Oversight Committee with recommendations to modify, expand, or terminate that approach. The Board shall base its recommendations predominantly on the following information:

- (1) The current and projected impact of charter schools on the delivery of services by the public schools.
- (2) Student academic progress in the charter schools as measured, where available, against the academic year immediately preceding the first academic year of the charter schools' operation.
- (3) Best practices resulting from charter school operations.
- (4) Other information the State Board considers appropriate.

(d) The State Board of Education may establish a Charter School Advisory Committee to assist with the implementation of this Part. The Charter School Advisory Committee may (i) provide technical assistance to chartering entities or to potential applicants, (ii) review applications for preliminary approval, (iii) make recommendations as to whether the State Board should approve applications for charter schools, (iv) make recommendations as to whether the State Board should terminate or not renew a charter, (v) make recommendations concerning grievances between a charter school and its chartering entity, the State Board, or a local board, (vi) assist with the review under subsection (c) of this section, and (vii) provide any other assistance as may be required by the State Board.

(e) Notwithstanding the dates set forth in this Part, the State Board of Education may establish an alternative time line for the submission of applications, preliminary approvals, criminal record checks, appeals, and final approvals so long as the Board grants final approval by March 15 of each calendar year. (1995 (Reg. Sess., 1996), c. 731, s. 2; 1997-18, s. 15(i); 1997-430, ss. 8, 9; 1999-27, s. 1.)

Effect of Amendments. — Session Laws 1997, c. 18, s. 15(i), effective July 1, 1999, deleted subsection (b) regarding annual reports, and rewrote subsection (c).

Session Laws 1999-27, s. 1, effective July 1,

1999, in subsection (c), inserted “and evaluate” following “shall review” in the first sentence, added the second and third sentences, and added subdivisions (c)(1) through (c)(4).

§ 115C-238.29J. Public and private assistance to charter schools.

(a) Local boards of education are authorized and encouraged to provide administrative and evaluative support to charter schools located within their local school administrative units.

(b) Private persons and organizations are encouraged to provide funding and other assistance to the establishment or operation of charter schools.

(c) The State Board of Education shall direct the Department of Public Instruction to provide guidance and technical assistance, upon request, to applicants and potential applicants for charters. (1995 (Reg. Sess., 1996), c. 731, s. 2; 1997-430, s. 10.)

§ 115C-238.29K. Criminal history checks.

(a) As used in this section:

- (1) “Criminal history” means a county, state, or federal criminal history of conviction of a crime, whether a misdemeanor or a felony, that indicates an individual (i) poses a threat to the physical safety of students or personnel, or (ii) has demonstrated that he or she does not

have the integrity or honesty to fulfill his or her duties as school personnel. (b) The State Board of Education shall adopt a policy on whether and under what circumstances school personnel shall be required to be checked for a criminal history. The policy shall not require school personnel to be checked for a criminal history check before preliminary approval is granted under G.S. 115C-238.29B. The Board shall apply its policy uniformly in requiring school personnel to be checked for a criminal history. The Board may grant conditional approval of an application while the Board is checking a person's criminal history and making a decision based on the results of the check.

The Department of Justice shall provide to the State Board of Education the criminal history from the State and National Repositories of Criminal Histories of any school personnel for which the Board requires a criminal history check.

The State Board shall not require members of boards of directors of charter schools or employees of charter schools to pay for the fingerprints authorized under this section.

(d) The State Board shall review the criminal history it receives on an individual. The State Board shall determine whether the results of the review indicate that the individual (i) poses a threat to the physical safety of students or personnel, or (ii) has demonstrated that he or she does not have the integrity or honesty to fulfill his or her duties as school personnel and shall use the information when deciding whether to grant final approval of an application for a charter school under G.S. 115C-238.29D and for making an employment recommendation to the board of directors of a charter school. The State Board shall make written findings with regard to how it used the information when deciding whether to grant final approval under G.S. 115C-238.29D and when making an employment recommendation.

(e) The State Board shall notify in writing the board of directors of the charter school of the determination by the State Board as to whether the school personnel is qualified to operate or be employed by a charter school based on the school personnel's criminal history. At the same time, the State Board shall provide to the charter school's board of directors the written findings the Board makes in subsection (d) of this section and its employment recommendation. If the State Board recommends dismissal or nonemployment of any person, the board of directors of the charter school shall dismiss or refuse to employ that person. In accordance with the law regulating the dissemination of the contents of the criminal history file furnished by the Federal Bureau of Investigation, the State Board shall not release nor disclose any portion of the school personnel's criminal history to the charter school's board of directors or employees. The State Board also shall notify the school personnel of the procedure for completing or challenging the accuracy of the criminal history and the personnel's right to contest the State Board's determination in court.

(f) All the information received by the State Board of Education or the charter school in accordance with subsection (e) of this section through the checking of the criminal history is privileged information and is not a public record but is for the exclusive use of the State Board of Education or the board of directors of the charter school. The State Board of Education or the board of directors of the charter school may destroy the information after it is used for the purposes authorized by this section after one calendar year.

(g) There shall be no liability for negligence on the part of the State Board of Education or the board of directors of the charter school, or their employees, arising from any act taken or omission by any of them in carrying out the provisions of this section. The immunity established by this subsection shall not extend to gross negligence, wanton conduct, or intentional wrongdoing that would otherwise be actionable. The immunity established by this subsection shall be deemed to have been waived to the extent of indemnification by insurance, indemnification under Articles 31A and 31B of Chapter 143 of the General Statutes, and to the extent sovereign immunity is waived under the Tort Claims Act, as set forth in Article 31 of Chapter 143 of the General Statutes. (1997-430, s. 2.)

Part 7. Extended Services Programs.

§ 115C-238.30. Purpose.

The General Assembly believes that all children can learn. It is the intent of the General Assembly that the mission of the public school community is to challenge with high expectations each child to learn, to achieve, and to fulfill his or her potential. With that mission as a guide, local school administrative units are encouraged to provide timely assistance to students who are at risk of school failure through the extended services programs described in this Part. (1993, c. 132, s. 1.)

§ 115C-238.31. Extended services programs.

(a) Local school administrative units are encouraged to implement extended services programs that will expand students' opportunities for educational success through high-quality, integrated access to instructional programming during nonschool hours. Extended services programs may be incorporated into school improvement plans developed in accordance with G.S. 115C-105.27. Calendar alternatives include, but are not limited to, after-school hours, before-school hours, evening school, Saturday school, summer school, and year-round school. Instructional programming may include, but is not limited to, tutoring, direct instruction, enrichment activities, study skills, and reinforcement projects.

(b) Extended services programs shall be targeted primarily toward students who perform significantly below their age-level peers; however, these programs may be established for students who are achieving at or above grade level.

(c) Extended services programs should be accelerated and based on needs assessments of the students in the program. The programs shall build on, and be fully integrated with, existing classroom and school activities.

(d) Extended services programs may be based in schools, collaboratively between schools, or in other community-based locations. (1993, c. 132, s. 1; 1995 (Reg. Sess., 1996), c. 716, s. 24.)

§ 115C-238.32. Needs assessment; community-based collaboration.

(a) Before implementing an extended services program, the local school administrative unit shall conduct a needs assessment within the unit and in collaboration with local governmental and nongovernmental agencies to identify students, schools, and communities that need extended services. The needs assessment shall include an evaluation of existing school and community resources and programs and shall identify how instruction in the core curriculum could be improved to meet the needs of children at risk of school failure.

(b) Goals and expected outcomes for the program shall be based on the needs assessment. (1993, c. 132, s. 1.)

§ 115C-238.33. Plan for effective use of fiscal resources; comprehensive plan to implement extended services programs.

(a) The State Board of Education shall develop model plans which show how to (i) deliver comprehensive extended services; (ii) effectively use all fiscal resources, including federal funds, and other resources under its control that

support the goals of this Part; and (iii) maintain quality program evaluation. The model plans shall be communicated to local units and building-level committees.

(b) Repealed by Session Laws, 1997-18, c. 15(j). (1993, c. 132, s. 1; 1997-18, s. 15(j).)

§§ 115C-238.34 through 115C-238.39: Reserved for future codification purposes.

Part 8. Intervention/Prevention Grant Program for North Carolina School Children.

§§ 115C-238.40 through 115C-238.47: Repealed by 1995, c. 450, s. 42(b).

Supporting Services.

Part 1. Transportation.

§ 115C-239. Authority of local boards of education.

Each local board of education is hereby authorized to acquire, own, lease, contract and operate school buses for the transportation of pupils enrolled in the public schools of such local school administrative unit, and of persons employed in the operation of such schools in accordance with rules and regulations adopted by the State Board of Education under the authority of G.S. 115C-12(17) and within the limitations set forth in G.S. 115C-239 to 115C-246, 115C-248 to 115C-254 and 115C-256 to 115C-259. Boards of education which own and operate school buses for the transportation of pupils shall have authority to establish separate systems of transportation for pupils attending elementary schools and for pupils attending junior or senior high schools. Each such board may operate such buses to and from such of the schools within the local school administrative unit, and in such number, as the board shall from time to time find practicable and appropriate for the safe, orderly and efficient transportation of such pupils and employees to such schools. (1955, c. 1372, art. 21, s. 1; 1973, c. 586, s. 1; 1981, c. 423, s. 1; 1983, c. 630, s. 2.)

CASE NOTES

Editor's Note. — *The cases below were decided under corresponding provisions of former Chapter 115.*

State Board Relieved of Responsibility. — The General Assembly relieved the State Board of Education from all responsibility in

connection with the operation and control of school buses in this State by the enactment of the statute, which authorizes county and city boards of education to operate buses for the transportation of pupils enrolled in the public schools of such county or city administrative

units. *Huff v. Northampton County Bd. of Educ.*, 259 N.C. 75, 130 S.E.2d 26 (1963); *Brown v. Charlotte-Mecklenburg Bd. of Educ.*, 267 N.C. 740, 149 S.E.2d 10 (1966).

Whether any school board shall operate a bus transportation system is a matter in its sole discretion. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

A city board is not required to transport pupils living in the city and attending schools located therein, even though transportation to those same schools is furnished pupils living outside the city. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

Relief from Providing Transportation Not Construed as Prohibition Against Providing It. — Subsection (e) of former § 115-186 (see now subsection (e) of § 115C-246) merely relieves the city boards of any duty to provide transportation and cannot be construed as a prohibition against providing it — especially in the face of former § 115-180 (now this section), which grants to city boards, without limitation, the authority to operate transportation systems. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

A city board of education is authorized, without limitation, to transport all pupils residing within the unit. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

The school boards have the power to use school buses for all legitimate school pur-

poses. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

Use of School Buses to Promote Desegregation of Schools. — School buses can be used by the school boards to provide the flexibility and economy necessary to desegregate the schools. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

Transportation of Students Under Desegregation Plan Retaining Freedom of Choice. — If freedom of choice is retained in a desegregation plan, it should include provision for free transportation for any student who requests transfer out of a school where his race is in the majority, and to any school where his race is in the minority, and a means of insuring that all students have full and timely knowledge of the availability of such transportation. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

Transportation of School Bands and Athletic Teams. — School bands and athletic teams are under the control of school authorities. Therefore, the board controlling such activities would have the inherent right to contract for such transportation as might be necessary to transport its athletic teams and its bands to and from such events as have been scheduled under the supervision of school authorities. *State ex rel. N.C. Utils. Comm'n v. McKinnon*, 254 N.C. 1, 118 S.E.2d 134 (1961).

§ 115C-240. Authority and duties of State Board of Education.

(a) The State Board of Education shall promulgate rules and regulations for the operation of a public school transportation system.

(b) The State Board of Education shall be under no duty to supply transportation to any pupil or employee enrolled or employed in any school. Neither the State nor the State Board of Education shall in any manner be liable for the failure or refusal of any local board of education to furnish transportation, by school bus or otherwise, to any pupil or employee of any school, or for any neglect or action of any county or city board of education, or any employee of any such board, in the operation or maintenance of any school bus.

(c) The State Board of Education shall from time to time adopt such rules and regulations with reference to the construction, equipment, color, and maintenance of school buses, the number of pupils who may be permitted to ride at the same time upon any bus, and the age and qualifications of drivers of school buses as it shall deem to be desirable for the purpose of promoting safety in the operation of school buses. No school bus shall be operated for the transportation of pupils unless such bus is constructed and maintained as prescribed in such regulations and is equipped with adequate heating facilities, a standard signaling device for giving due notice that the bus is about to make a turn, an alternating flashing stoplight on the front of the bus, an alternating flashing stoplight on the rear of the bus, and such other warning devices, fire protective equipment and first aid supplies as may be prescribed for installation upon such buses by the regulation of the State Board of Education.

(d) The State Board of Education shall assist local boards of education by establishing guidelines and a framework through which local boards may establish, review and amend school bus routes prepared pursuant to G.S. 115C-246. The State Board shall also require local boards to implement the Transportation Information Management System or an equivalent system approved by the State Board of Education, no later than September 1, 1992. The State Board of Education shall also assist local boards of education with reference to the acquisition and maintenance of school buses or any other question which may arise in connection with the organization and operation of school bus transportation systems of local boards.

(e) The State Board of Education shall allocate to the respective local boards of education funds appropriated from time to time by the General Assembly for the purpose of providing transportation to the pupils enrolled in the public schools within this State. Such funds shall be allocated by the State Board of Education in accordance with the number of pupils to be transported, the length of bus routes, road conditions and all other circumstances affecting the cost of the transportation of pupils by school bus to the end that the funds so appropriated may be allocated on a fair and equitable basis, according to the needs of the respective local school administrative units and so as to provide the most efficient use of such funds. Such allocation shall be made by the State Board of Education at the beginning of each fiscal year, except that the State Board may reserve for future allocation from time to time within such fiscal year as the need therefor shall be found to exist, a reasonable amount not to exceed ten percent (10%) of the total funds available for transportation in such fiscal year from such appropriation. If there is evidence of inequitable or inefficient use of funds, the State Board of Education shall be empowered to review school bus routes established by local boards pursuant to G.S. 115C-246 as well as other factors affecting the cost of the transportation of pupils by school bus.

(f) The respective local boards shall use such funds for the purposes of replacing, maintaining, insuring, and operating public school buses and service vehicles in accordance with the provisions of G.S. 115C-239 to 115C-246, 115C-248 to 115C-254 and 115C-256 to 115C-259 and for no other purpose, but in the making of expenditures for such purposes shall be subject to rules and regulations promulgated by the State Board of Education. (1955, c. 1372, art. 21, p. 2; 1981, c. 423, s. 1; 1983, c. 630, ss. 3-6; 1989 (Reg. Sess., 1990), c. 1066, s. 96(a); 1991 (Reg. Sess., 1992), c. 900, s. 77(a).)

§ 115C-241. Assignment of school buses to schools.

The superintendent of the schools of each local school administrative unit which shall elect to operate a school bus transportation system, shall, prior to the commencement of each regular school year and subject to the approval of the local board of education, allocate and assign to the respective public schools within the jurisdiction of such local school administrative unit the school buses which the local board shall own and direct to be operated during such school year. From time to time during such school year, subject to the directions of the local board of education, the superintendent may revise such allocation and assignment of school buses in accordance with the changing transportation needs and conditions at the respective schools of such local school administrative unit, and may, pursuant to such revision, assign an additional bus or buses to a school or withdraw a bus or buses from a school in such local school administrative unit. (1955, c. 1372, art. 21, s. 3; 1981, c. 423, s. 1.)

Cross References. — As to exemption of vehicles other than buses from construction requirements, see § 115C-253.

§ 115C-242. Use and operation of school buses.

Public school buses may be used for the following purposes only, and it shall be the duty of the superintendent of the school of each local school administrative unit to supervise the use of all school buses operated by such local school administrative unit so as to assure and require compliance with this section:

- (1) A school bus may be used for the transportation of pupils enrolled in and employees in the operation of the school to which such bus is assigned by the superintendent of the local school administrative unit. Except as otherwise herein provided, such transportation shall be limited to transportation to and from such school for the regularly organized school day, and from and to the points designated by the principal of the school to which such bus is assigned, for the receiving and discharging of passengers. No pupil or employee shall be so transported upon any bus other than the bus to which such pupil or employee has been assigned pursuant to the provisions of this Article: Provided, that children enrolled in a Headstart program which is housed in a building owned and operated by a local school administrative unit where school is being conducted may be transported on public school buses, so long as the contractual arrangements made cause no extra expense to the State: Provided further, that children with special needs may be transported to and from the nearest appropriate private school having a special education program approved by the State Board of Education if the children to be transported are or have been placed in that program by a local school administrative unit as a result of the State or the unit's duty to provide such children with a free appropriate public education.
- (2) In the case of illness or injury requiring immediate medical attention of any pupil or employee while such pupil or employee is present at the school in which such pupil is enrolled or such employee is employed, the principal of such school may, in his discretion, permit such pupil or employee to be transported by a school bus to a doctor or hospital for medical treatment, and may, in his discretion, permit such other person as he may select to accompany such pupil.
- (3) The board of education of any local school administrative unit may operate the school buses of such unit one day prior to the opening of

the regular school term for the transportation of pupils and employees to and from the school to which such pupils are assigned or in which they are enrolled and such employees are employed, for the purposes of the registration of students, the organization of classes, the distribution of textbooks, and such other purposes as will, in the opinion of the superintendent of the schools of such unit, promote the efficient organization and operation of such public schools.

- (4) A local board of education which elects to operate a school bus transportation system, shall not be required to provide transportation for any school employee, nor shall such board be required to provide transportation for any pupil living within one and one half miles of the school in which such pupil is enrolled.
- (5) Local boards of education, under rules and regulations adopted by the State Board of Education, may permit the use and operation of school buses for the transportation of pupils and instructional personnel as the board deems necessary to serve the instructional programs of the schools. Included in the use permitted by this section is the transportation of children with special needs, such as mentally retarded children and children with physical defects, and children enrolled in programs that require transportation from the school grounds during the school day, such as special vocational or occupational programs. On any such trip, a city or county-owned school bus shall not be taken out of the State.

If State funds are inadequate to pay for the transportation approved by the local board of education, local funds may be used for these purposes. Local boards of education shall determine that funds are available to such boards for the transportation of children to and from the school to which they are assigned for the entire school year before authorizing the use and operation of school buses for other services deemed necessary to serve the instructional program of the schools.

Children with special needs may be transported to and from the nearest appropriate private school having a special education program approved by the State Board of Education if the children to be transported have been placed in that program by a local school administrative unit as a result of the State or the unit's duty to provide such children with a free appropriate public education.

- (6) School buses owned by a local board of education may be used for emergency management purposes in any state of disaster or local state of emergency declared under Chapter 166A of the General Statutes. Under rules and regulations adopted by a local board of education, its school buses may be used with its permission for the purpose of testing emergency management plans; however, neither the State Board of Education nor the local board of education shall be liable for the operating cost, any compensation claims or any tort claims resulting from the test.
- (7) Uses authorized by G.S. 115C-243. (1955, c. 1372, art. 21, s. 4; 1957, c. 1103; 1969, c. 47; 1973, c. 869; 1977, c. 830, ss. 2, 3; 1977, 2nd Sess., c. 1280, s. 2; 1979, c. 885; 1981, c. 423, s. 1; 1983, c. 630, s. 7; c. 768, s. 8; 1987, c. 827, s. 49.)

Cross References. — As to maximum speed for school buses, see § 20-218.

§ 115C-243. Use of school buses by senior citizen groups.

(a) Any local board of education may enter into agreements with the governing body of any county, city, or town, or with any State agency, or any agency established or identified pursuant to Public Law 89-73, Older Americans Act of 1965, to provide for the use of school buses to provide transportation for the elderly.

(b) Each agreement entered into under this section must provide the following:

- (1) That the board of education shall be reimbursed in full for the proportionate share of any and all costs, both fixed and variable, of such buses attributable to the uses of the bus pursuant to the agreement.
- (2) That the board of education shall be held harmless from any and all liability by virtue of uses of the buses pursuant to the agreement.
- (3) That adequate liability insurance is maintained under G.S. 115C-42 to insure the board of education, and that adequate insurance is maintained to protect the property of the board of education. The minimum limit of liability insurance shall not be less than the maximum amount of damages which may be awarded under the Tort Claims Act, G.S. 143-291. The costs of said insurance shall be paid by the agency contracting for the use of the bus, either directly or through the fee established by the agreement.

(c) Before any board of education shall enter into any agreement under this section, it must by resolution establish a policy for use of school buses by the elderly. The policy must give first priority to school uses under G.S. 115C-242 and 115C-42. The resolution must provide for a schedule of charges under this section. Such resolution, if adopted, shall be amended or readopted at least once per year to provide for adjustments to the schedule of charges or to provide for maintaining the same schedule of charges. If the price bid for the service by a private bus carrier is less than the schedule of charges adopted by the board of education, then the board of education may not enter into the agreement.

(d) No board of education shall be under any duty to sign any agreement under this section.

(e) No bus operated under the provisions of this section shall travel outside of the area consisting of the county or counties where the local board of education is located and the county or counties contiguous to that county or counties, but not outside of the State of North Carolina.

(f) Before any agreement under this section may be signed, the State Board of Education shall adopt a uniform schedule of charges for the use of buses under this section. Such schedule shall include a charge by the hour and by the mile which shall cover all costs both fixed and variable, including depreciation, gasoline, fuel, labor, maintenance, and insurance. The schedule may be amended by the State Board of Education. The schedule of charges adopted by the local board of education under subsection (c) may vary from the State schedule only to cover changes in wages. Prior to taking any action under this subsection, the State Board of Education may consult with the Advisory Budget Commission. (1977, 2nd Sess., c. 1280, s. 1; 1981, c. 423, s. 1; 1983, c. 717, s. 92; 1985 (Reg. Sess., 1986), c. 955, ss. 17, 18.)

§ 115C-244. Assignment of pupils to school buses.

(a) The superintendent or superintendent's designee shall assign the pupils and employees who may be transported to and from school upon the bus or buses assigned to each school and shall implement and enforce the plan developed under G.S. 115C-246. No pupil or employee shall be permitted to ride upon any school bus to which such pupil or employee has not been so assigned by the superintendent or superintendent's designee, except by the express direction of the superintendent or superintendent's designee.

(b) In the event that the superintendent or superintendent's designee assigns a school bus to be used in the transportation of pupils to two or more schools, the superintendent or superintendent's designee shall assign the pupils to be transported to and from each school by that bus, and the principals of the respective schools shall implement and enforce this assignment of pupils.

(c) Any pupil enrolled in any school, or the parent or guardian of any such pupil, or the person standing in loco parentis to such pupil, may apply to the principal of such school for transportation of such pupil to and from such school by school bus for the regularly organized school day. The principal shall deliver the application to the superintendent or superintendent's designee, who shall assign a pupil to a school bus if the pupil is entitled to school bus transportation under this Article and the rules of the State Board of Education. Such assignment shall be made by the superintendent or superintendent's designee so as to provide for the orderly, safe and efficient transportation of pupils to such school and so as to promote the orderly and efficient administration of the school and the health, safety and general welfare of the pupils to be so transported. Assignments of pupils and employees to school buses may be changed by the superintendent or superintendent's designee as he may from time to time find proper for the safe and efficient transportation of such pupils and employees.

(d) The parent or guardian of any pupil enrolled in any school, or the person standing in loco parentis to any such pupil, who shall apply under subsection (c) of this section for the transportation of such pupil to and from such school by school bus, may, if such application is denied, or if such pupil is assigned to a school bus not satisfactory to such parent, guardian, or person standing in loco parentis to such pupil, pursuant to rules and regulations established by the local board of education, apply to such board for such transportation upon a school bus designated in such application, and shall be entitled to a prompt and fair hearing by such board in accordance with the rules and regulations established by it. The majority of such board shall be a quorum for the purpose of holding such hearing and passing upon such application, and the decision of the majority of the members present at such hearing shall be the decision of the board. If, at such hearing, the board shall find that pupil is entitled to be transported to and from such school upon the school bus designated in such application, or if the board shall find that the transportation of such pupil upon such bus to and from such school will be for the best interests of such pupil, will not interfere with the proper administration of such school, or with the safe and efficient transportation by school bus of other pupils enrolled in such school and will not endanger the health or safety of the children there enrolled, the board shall direct that such child be assigned to and transported to such school upon such bus.

(e) A decision of a local board under subsection (d) is final and, except as provided in this subsection, is subject to judicial review in accordance with Article 4 of Chapter 150B of the General Statutes. A person seeking judicial review shall file a petition in the superior court of the county where the local board made its decision.

(f) No employee shall be assigned to or permitted to ride upon a school bus when to do so will result in the overcrowding of such bus or will prevent the assignment to such bus of a pupil entitled to ride thereon, or will otherwise, in the opinion of the superintendent or superintendent's designee, be detrimental to the comfort or safety of the pupils assigned to such bus, or to the safe, efficient and proper operation of such bus. (1955, c. 1372, art. 21, s. 5; 1981, c. 423, s. 1; 1987, c. 827, ss. 47, 48; 1998-220, s. 3.)

Effect of Amendments. — The 1998 amendment, effective November 5, 1998, rewrote subsections (a) and (b); in subsection (c), substituted "The principal shall deliver the application to the superintendent or the super-

intendent's designee, who shall assign" for "Upon application, the principal shall assign"; in subsection (d), substituted "under subsection (c) of this section" for "to the principal of such school"; and substituted "superintendent or superintendent's designee" for "principal" throughout the section.

§ 115C-245. School bus drivers; monitors; safety assistants.

(a) Each local board, which elects to operate a school bus transportation system, shall employ the necessary drivers for such school buses. The drivers shall have all qualifications prescribed by the regulations of the State Board of Education herein provided for and must be at least 18 years old and have at least six months driving experience as a licensed operator of a motor vehicle before employment as a regular or substitute driver, but the selection and employment of each driver shall be made by the local board of education, and the driver shall be the employee of such local school administrative unit. Each local board of education shall assign the bus drivers employed by it to the respective schools within the jurisdiction of such board, and the superintendent or superintendent's designee shall assign the drivers to the school buses to be driven by them. No school bus shall at any time be driven or operated by any person other than the bus driver assigned to such bus except by the express direction of the superintendent or superintendent's designee or in accordance with rules and regulations of the appropriate local board of education.

(b) The driver of a school bus subject to the direction of the superintendent or superintendent's designee shall have complete authority over and responsibility for the operation of the bus and the maintaining of good order and conduct upon such bus, and shall report promptly to the principal any misconduct upon such bus or disregard or violation of the driver's instructions by any person riding upon such bus. The principal may take such action with reference to any such misconduct upon a school bus, or any violation of the instructions of the driver, as he might take if such misconduct or violation had occurred upon the grounds of the school.

(c) The driver of any school bus shall permit no person to ride upon such bus except pupils or school employees assigned thereto or persons permitted by the express direction of the superintendent or superintendent's designee to ride thereon.

(d) The superintendent or superintendent's designee may, in his discretion, appoint a monitor for any bus assigned to any school. It shall be the duty of such monitor, subject to the direction of the driver of the bus, to preserve order

upon the bus and do such other things as may be appropriate for the safety of the pupils and employees assigned to such bus while boarding such bus, alighting therefrom or being transported thereon, and to require such pupils and employees to conform to the rules and regulations established by the local board of education for the safety of pupils and employees upon school buses. Such monitors shall be unpaid volunteers who shall serve at the pleasure of the superintendent or superintendent's designee.

(e) A local board of education may, in its discretion within funds available, employ transportation safety assistants upon recommendation of the principal through the superintendent. The safety assistants thus employed shall assist the bus drivers with the safety, movement, management, and care of children boarding the bus, leaving the bus, or being transported in it. The safety assistant should be either an adult or a certified student driver who is available as a substitute bus driver. (1955, c. 1372, art. 21, s. 6; 1979, c. 719, ss. 1-4; 1979, 2nd Sess., c. 1156; 1981, c. 423, s. 1; 1987, c. 276; 1989, c. 558, s. 2; 1998-220, s. 4.)

Editor's Note. — Session Laws 1999-275, s. 1, provides that the State Board of Education shall establish a pilot program in one or more local school administrative units, including the Northampton County Schools, to enable local boards of education to use State school transportation funds to install communication devices in school buses. The State Board shall report the results of the study to the Joint

Legislative Education Oversight Committee prior to January 1, 2000, and the report shall include the cost of the pilot program and the benefits derived from it.

Effect of Amendments. — The 1998 amendment, effective November 5, 1998, in subsection (a), deleted "by such principal" following "bus driver assigned" in the last sentence; in subsection (d), rewrote the first sentence; and substituted "superintendent or superintendent's designee" for "principal," "such principal," or a variation thereof throughout the section.

§ 115C-246. School bus routes.

(a) The superintendent of the local school administrative unit shall, prior to the commencement of each regular school year, prepare a plan for a definite route, including stops for receiving and discharging pupils, for each school bus so as to assure the most efficient use of such bus and the safety and convenience of the pupils assigned thereto. The superintendent may, in his discretion, obtain the advice of the State Board of Education with reference to the plan. The buses shall be operated upon the route so established and not otherwise, except as provided in this Article. From time to time the principal may suggest changes in any such bus route as he shall deem proper for the said purposes, and the same shall be effective when approved by the superintendent of the local school administrative unit.

(b) Unless road or other conditions shall make it inadvisable to do so, public school buses shall be so routed on state-maintained highways that the school bus, to which such pupil is assigned, shall pass within one mile of the residence of each pupil, who lives one and one half miles or more from the school to which such pupil is assigned.

(c) All bus routes when established pursuant to this section shall be filed in the office of the board of education of the local school administrative unit, and all changes made therein shall be filed in the office of such board within 10 days after such change shall become effective.

(d) Repealed by Session Laws 1985 (Regular Session, 1986), c. 975, s. 24.

(e) No provision of this Article shall be construed to place upon the State, or upon any county or city, any duty to supply any funds for the transportation of pupils, or any duty to supply funds for the transportation of pupils who live within the corporate limits of the city or town in which is located the public

school in which such pupil is enrolled or to which such pupil is assigned, even though transportation to or from such school is furnished to pupils who live outside the limits of such city or town. Sess., 1990), c. 1066, s. 96(b).)

CASE NOTES

Editor's Note. — *The cases below were decided under corresponding provisions of former Chapter 115.*

Constitutionality. — Subsection (e) of former § 115-186, similar to subsection (e) of this section, was plainly constitutional. *Sparrow v. Gill*, 304 F. Supp. 86 (M.D.N.C. 1969).

The distinction between county and city pupils, created by subsection (e) of former § 115-186, was a constitutionally valid one. *Sparrow v. Gill*, 304 F. Supp. 86 (M.D.N.C. 1969).

Subsection (e) of former § 115-186 was wholly reasonable. The State legislature could reasonably have concluded that transportation was more imperative for county students than for city students. The degree of urbanization of the entire State has not yet become so pronounced that the legislature might not reasonably conclude that city students have easier access than do county students to public transportation, that they are more apt to have sidewalks and other pedestrian protections on their way to school, and that they are more apt to participate in an "automobile" culture simplifying family transportation and the formation of carpools, than their county-dwelling counterparts. *Sparrow v. Gill*, 304 F. Supp. 86 (M.D.N.C. 1969).

The transportation of pupils who live outside the city limits in which the school they attend is located does not impose a correlative duty to transport pupils who live within the city and attend the same school. This classification is entirely reasonable, since ordinarily school children can obtain both private and public transportation more easily in the cities than in rural areas. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

Whether it would be better and fairer to abolish the city-county distinction and go to a measured-distance-from-school basis is a political question for the people and their legislative representatives. *Sparrow v. Gill*, 304 F. Supp. 86 (M.D.N.C. 1969).

Whether any school board shall operate a bus transportation system is a matter in

its sole discretion. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

There is no "duty" to provide transportation to city pupils attending in-city schools. *Sparrow v. Gill*, 304 F. Supp. 86 (M.D.N.C. 1969).

A city board is not required to transport pupils living in the city and attending schools located therein, even though transportation to those same schools is furnished pupils living outside the city. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

But Boards Are Not Forbidden to Supply Funds for Intra-City Transportation. — Subsection (e) of former § 115-186 (similar to subsection (e) of this section) did not forbid either the State Board or local boards to supply funds for the intra-city transportation of pupils. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

Subsection (e) of former § 115-186, which merely relieved the city boards of any duty to provide transportation, could not be construed as a prohibition against providing it, especially in the face of former § 115-180 (see now § 115C-239), which granted to city boards, without limitation, the authority to operate transportation systems. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

Students Residing More Than One and One-Half Miles from School. — Former § 115-186 (similar to this section) required the provision of transportation for all students who were assigned to schools more than one and one-half miles from their homes. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 402 U.S. 1, 91 S. Ct. 1267, 28 L. Ed. 2d 554, rehearing denied, 403 U.S. 912, 91 S. Ct. 2200, 29 L. Ed. 2d 689 (1971).

Local school authorities could be required to employ bus transportation as one tool of school desegregation. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 402 U.S. 1, 91 S. Ct. 1267, 28 L. Ed. 2d 554, rehearing denied, 403 U.S. 912, 91 S. Ct. 2200, 29 L. Ed. 2d 689 (1971).

§ 115C-247. Purchase of activity buses by local boards.

The several local boards of education in the State are hereby authorized and empowered to take title to school buses purchased with local or community funds for the purpose of transporting pupils to and from athletic events and for

other local school activity purposes, and commonly referred to as activity buses. The provisions of G.S. 115C-42 shall be fully applicable to the ownership and operation of such activity school buses. Activity buses may also be used as provided in G.S. 115C-243. (1955, c. 1256; 1957, c. 685; 1959, c. 573, s. 2; 1961, c. 1102, s. 4; 1977, 2nd Sess., c. 1280, s. 3; 1981, c. 423, s. 1.)

§ 115C-248. Inspection of school buses and activity buses; report of defects by drivers; discontinuing use until defects remedied.

(a) The superintendent of each local school administrative unit, shall cause each school bus owned or operated by such local school administrative unit to be inspected at least once each 30 days during the school year for mechanical defects, or other defects which may affect the safe operation of such bus. A report of such inspection, together with the recommendations of the person making the inspection, shall be filed promptly in the office of the superintendent of such local school administrative unit, and a copy thereof shall be forwarded to the principal of the school to which such bus is assigned.

(b) It shall be the duty of the driver of each school bus to report promptly to the principal of the school, to which such bus is assigned, any mechanical defect or other defect which may affect the safe operation of the bus when such defect comes to the attention of the driver, and the principal shall thereupon report such defect to the superintendent of the local school administrative unit. It shall be the duty of the superintendent of the local school administrative unit to cause any and all such defects to be corrected promptly.

(c) If any school bus is found by the principal of the school, to which it is assigned, or by the superintendent of the local school administrative unit, to be so defective that the bus may not be operated with reasonable safety, it shall be the duty of such principal or superintendent to cause the use of such bus to be discontinued until such defect is remedied, in which event the principal of the school, to which such bus is assigned, may permit the use of a different bus assigned to such school in the transportation of the pupils and employees assigned to the bus found to be defective.

(d) The superintendent of each local school administrative unit, shall cause each activity bus which is used for the transportation of students by such local school administrative unit or any public school system therein to be inspected for mechanical defects, or other defects which may affect the safe operation of such activity bus, at the same time and in the same way and manner as the regular public school buses for the normal transportation of public school pupils are inspected. A report of such inspection, together with the recommendations of the person making the inspection, shall be filed with the principal of the school which uses and operates such activity bus and a copy shall be forwarded to the superintendent of the local school administrative unit involved. It shall be the duty of the driver of each activity bus to make the same reports to the principal of the school using and operating such activity bus as is required by this section. If any public school activity bus is found to be so defective that the activity bus may not be operated with reasonable safety, it shall be the duty of such principal to cause the use of such activity bus to be discontinued until such defect is remedied to the satisfaction of the person making the inspection and a report to this effect has been filed in the manner herein prescribed. Nothing in this subsection shall authorize the use of State funds for the purchase, operation or repair of any activity bus. (1955, c. 1372, art. 21, s. 8; 1961, c. 474; 1975, c. 150, s. 2; 1981, c. 423, s. 1.)

§ 115C-249. Purchase and maintenance of school buses, materials and supplies.

(a) To the extent that the funds shall be made available to it for such purpose, a local board of education is authorized to purchase from time to time such additional school buses and service vehicles or replacements for school buses and service vehicles, as may be deemed by such board to be necessary for the safe and efficient transportation of pupils enrolled in the schools within such local school administrative unit. Any school bus so purchased shall be constructed and equipped as prescribed by the provisions of this Article and by the regulations of the State Board of Education issued pursuant thereto.

(b) The tax-levying authorities of any county are hereby authorized to make provision from time to time in the capital outlay budget of the county for the purchase of such school buses or service vehicles.

(c) Any funds appropriated from time to time by the General Assembly for the purchase of school buses or service vehicles shall be allocated by the State Board of Education to the respective local boards of education in accordance with the requirements of such boards as determined by the State Board of Education, and thereupon shall be paid over to the respective local boards of education in accordance with such allocation.

(d) The title to any additional or replacement school bus or service vehicle purchased pursuant to the provisions of this section, shall be taken in the name of the board of education of such local school administrative unit, and such bus shall in all respects be maintained and operated pursuant to the provisions of this Article in the same manner as any other public school bus.

(e) It shall be the duty of the county board of education to provide adequate buildings and equipment for the storage and maintenance of all school buses and service vehicles owned or operated by the board of education of any local school administrative unit in such county. It shall be the duty of the tax-levying authorities of such county to provide in its capital outlay budget for the construction or acquisition of such buildings and equipment as may be required for this purpose.

(f) In the event of the damage or destruction of any school bus or service vehicle by fire, collision, or otherwise, the board of education of the local school administrative unit which shall own or operate such bus or service vehicle may apply to the State Board of Education for funds with which to replace it. If the State Board of Education finds that such bus or service vehicle has been destroyed or damaged to the extent that it cannot be made suitable for further use, and if the State Board of Education finds that the replacement of such bus or service vehicle is necessary in order to enable such local school administrative unit to operate properly its school bus transportation system, the State Board of Education shall allot to the board of education of such local school administrative unit from the funds now held by the State Board of Education for the replacement of school buses or service vehicles, or from funds hereafter appropriated by the General Assembly for that purpose, a sum sufficient to purchase a new school bus or service vehicle to be used as a replacement for such damaged or destroyed bus or service vehicle and upon such allocation such sum shall be paid over to or for the account of the board of education of such local school administrative unit for such purpose.

(g) All school buses or service vehicles purchased by or for the account of any local board of education, except school buses or service vehicles purchased by such board from another local board of education of this State, shall be purchased through the Department of Administration.

(h) Appropriations by the General Assembly for the purchase of public school buses shall not revert to the General Fund. Any unexpended portion of those appropriations shall at the end of each fiscal year be transferred to a

reserve account and be held, together with any other funds appropriated for the purpose, for the purchase of public school buses. (1955, c. 1372, art. 21, s. 9; 1961, c. 833, s. 16; 1975, c. 879, s. 46; 1981, c. 423, s. 1; 1987, c. 827, s. 49; 1991 (Reg. Sess., 1992), c. 1039, s. 24.)

§ 115C-250. Authority to expend funds for transportation of children with special needs.

(a) The State Board of Education and local boards of education may expend public funds for transportation of handicapped children with special needs who are unable because of their handicap to ride the regular school buses and who have been placed in programs by a local school board as a part of its duty to provide such children with a free appropriate education, including its duty under G.S. 115C-115. At the option of the local board of education with the concurrence of the State Board of Education, funds appropriated to the State Board of Education for contract transportation of exceptional children may be used to purchase buses and minibuses as well as for the purposes authorized in the budget. The State Board of Education shall adopt rules and regulations concerning the construction and equipment of these buses and minibuses.

The Department of Health and Human Services, the Office of Juvenile Justice, and the Department of Correction may also expend public funds for transportation of handicapped children with special needs who are unable because of their handicap to ride the regular school buses and who have been placed in programs by one of these agencies as a part of that agency's duty to provide such children with a free appropriate public education.

If a local area mental health center places a child with special needs in an educational program, the local area mental health center shall pay for the transportation of the child, if handicapped and unable because of the handicap to ride the regular school buses, to the program.

(b) Funds appropriated for the transportation of children with special needs may be used to pay transportation safety assistants employed in accordance with the provisions of G.S. 115C-245(e) for buses to which children with special needs are assigned. (1955, c. 1372, art. 21, s. 6; 1973, c. 1351, s. 1; 1975, c. 678, ss. 9, 10; 1977, c. 830, s. 1; 1979, c. 719, ss. 1-4; 1979, 2nd Sess., c. 1156; 1981, c. 423, s. 1; c. 912, s. 1; 1981 (Reg. Sess., 1982), c. 1282, s. 31; 1985, c. 479, s. 26(b); 1987, c. 769; 1997-443, s. 11A.118(a); 1998-202, s. 4(n).)

Editor's Note. — Session Laws 1998-202, s. 36, contains a severability clause.

Effect of Amendments. — The 1998 amendment, effective January 1, 1999, and

applicable to acts committed on or after that date, inserted "the Office of Juvenile Justice" in the second paragraph of subsection (a).

§ 115C-251. Transportation supervisors.

The State Board of Education shall from time to time adopt such rules and regulations with regard to the qualifications of persons employed by local boards of education as chief mechanic or supervisor of transportation as it shall deem necessary or desirable for the purpose of assuring the proper maintenance and safety of school buses. A local board of education shall not employ any person as chief mechanic or supervisor of transportation if that person does not meet the qualifications established by the State Board. (1977, c. 314; 1981, c. 423, s. 1.)

§ 115C-252. Aid in lieu of transportation.

(a) When, by reason of road conditions or otherwise, any local board of education, which shall elect to operate a school bus transportation system,

shall find it impracticable to furnish to a pupil transportation by school bus to the school in which such pupil is enrolled, or to which such pupil is assigned, the board may assign such pupil to such other school within such local school administrative unit as the board shall deem advisable, unless the parent or guardian of such pupil or the person standing in loco parentis to such pupil, shall notify the principal of the school, in which such pupil is enrolled or to which such pupil is assigned, of the desire of such pupil to continue to attend such school without the benefit of transportation by school bus.

(b) In the event that any local board of education, which shall operate a system of school bus transportation, shall find it impracticable to furnish to a pupil such transportation to the school in which such pupil is enrolled or to which such pupil is assigned, and if, as a result thereof, such pupil shall be required to obtain board and lodging at a place other than the residence of such pupil in order to attend a school, such board may, in its discretion, provide for the payment to the parent or guardian of such pupil of a sum not to exceed fifty dollars (\$50.00) per month for each school month that such pupil shall so obtain board and lodging at a place other than the residence of the pupil for the purpose of attending a school. (1955, c. 1372, art. 21, s. 10; 1973, c. 932; 1981, c. 423, s. 1.)

§ 115C-253. Contracts for transportation.

Any local board of education may, in lieu of the operation by it of public school buses, enter into a contract with any person, firm or corporation for the transportation by such person, firm or corporation of pupils enrolled in the public schools of such local school administrative unit for the same purposes for which such local school administrative unit is authorized by this Article to operate public school buses. Any vehicle used by such person, firm or corporation for the transportation of such pupils shall be constructed and equipped as provided in rules and regulations promulgated by the State Board of Education, and the driver of such vehicle shall possess all of the qualifications prescribed by rules and regulations promulgated by the State Board of Education: Provided, that where a contract for transportation of pupils is entered into between a local board of education and any person, firm or corporation which contemplates the use of an automobile or vehicle other than a bus for the transportation of 16 pupils or less, the automobile or vehicle shall not be required to be constructed and equipped as provided for in G.S. 115C-240(c), but shall be constructed and equipped pursuant to rules and regulations promulgated by the State Board of Education. In the event that any local board of education shall enter into such a contract, the board may use for such purposes any funds which it might use for the operation of school buses owned by the board, and the tax-levying authorities of the county or of the city may provide in the county or city budget such additional funds as may be necessary to carry out such contracts. (1955, c. 1372, art. 21, s. 11; 1975, c. 382; 1981, c. 423, s. 1; 1987, c. 827, s. 49.)

§ 115C-254. Use of school buses by State militia or national guard.

When requested to do so by the Governor, the board of education of any local school administrative unit is authorized and directed to furnish a sufficient number of school buses to the North Carolina State Defense Militia or the national guard for the purpose of transporting members of the State militia [or] members of the national guard to and from authorized places of encampment, or to and from places to which members of the State militia or members of the national guard are ordered to proceed for the purpose of suppressing

riots or insurrections, repelling invasions or dealing with any other emergency. Public school buses so furnished by any local school administrative unit to the North Carolina State Defense Militia or the national guard shall be operated by members or employees of the State militia or national guard, and all expense of such operation, including any repair or replacement of any bus occasioned by such operation, shall be paid by the State from the appropriations available for the use of the State militia or the national guard. (1955, c. 1372, art. 21, s. 12; 1981, c. 423, s. 1; 1999-456, s. 33(e).)

Editor's Note. — The word “or” has been inserted in brackets in the first sentence of this section to reflect the apparent intent of the General Assembly.

Effect of Amendments. — Session Laws 1999-456, s. 33(e), effective August 13, 1999, substituted “militia” for “guard” in the section heading; in the first sentence, substituted “Defense Militia” for “guard,” substituted “trans-

porting members of the State militia members” for “transporting members of the State guard or members,” and substituted “to which members of the State militia” for “to which members of the State guard”; and, in the second sentence, substituted “Defense Militia” for “guard,” inserted the first appearance of “militia,” and substituted the second occurrence of “militia” for “guard.”

§ 115C-255. Liability insurance and waiver of immunity as to certain acts of bus drivers.

The securing of liability insurance and the waiver of immunity as to certain torts of school bus drivers, school transportation service vehicle drivers and school activity bus drivers, is subject to the provisions of G.S. 115C-42, except when such vehicles are operated with funds from the State Public School Fund. (1981, c. 423, s. 1.)

(1955, c. 1372, art. 5, s. 34; 1965, c. 912; 1967, c. 990; 1975, c. 384; 1981, c. 423, s. 1.)

§ 115C-264. Operation.

In the operation of their public school food programs, the public schools shall participate in the National School Lunch Program established by the federal government. The program shall be under the jurisdiction of the Division of School Food Services of the Department of Public Instruction and in accordance with federal guidelines as established by the Child Nutrition Division of the United States Department of Agriculture.

Each school may, with the approval of the local board of education, sell soft drinks to students so long as soft drinks are not sold (i) during the lunch period, (ii) at elementary schools, or (iii) contrary to the requirements of the National School Lunch Program.

All school food services shall be operated on a nonprofit basis, and any earnings therefrom over and above the cost of operation as defined herein shall be used to reduce the cost of food, to serve better food, or to provide free or reduced-price lunches to indigent children and for no other purpose. The term "cost of operation" shall be defined as actual cost incurred in the purchase and preparation of food, the salaries of all personnel directly engaged in providing food services, and the cost of nonfood supplies as outlined under standards adopted by the State Board of Education. "Personnel" shall be defined as food service supervisors or directors, bookkeepers directly engaged in food service record keeping and those persons directly involved in preparing and serving food: Provided, that food service personnel shall be paid from the funds of food services only for services rendered in behalf of lunchroom services. Any cost incurred in the provisions and maintenance of school food services over and beyond the cost of operation shall be included in the budget request filed annually by local boards of education with boards of county commissioners. It shall not be mandatory that the provisions of G.S. 115C-522(a) and 143-129 be complied with in the purchase of supplies and food for such school food services. (1955, c. 1372, art. 5, s. 34; 1965, c. 912; 1967, c. 990; 1975, c. 384; 1981, c. 423, s. 1; 1991 (Reg. Sess., 1992), c. 900, s. 78.)

(b) Each local school administrative unit in the State shall employ library/media personnel in accordance with State library/media guidelines approved by the State Board of Education insofar as funds are approved for that purpose by the North Carolina General Assembly. (1977, c. 1088, ss. 2, 3; 1981, c. 423, s. 1.)

§§ 115C-266 through 115C-270: Reserved for future codification purposes.

SUBCHAPTER V. PERSONNEL.

ARTICLE 18.

*Superintendents.***§ 115C-271. Selection by local board of education, term of office.**

(a) It is the policy of the State that each local board of education has the sole discretion to elect a superintendent of schools. However, the State Board shall adopt rules that establish the qualifications for election. At a minimum, each superintendent shall have been a principal in a North Carolina public school or shall have equivalent experience. In addition, the State Board may establish other minimum credentials, educational prerequisites, and experience requirements. It is the duty of each local board to elect a superintendent who is qualified. If a local board elects a superintendent who is not qualified or who cannot qualify under this section, then the election and contract are null and void, and the board shall elect a person who is qualified.

(b) Each local board of education shall elect a superintendent under a written contract of employment for a term of no more than four years, ending on June 30 of the final months of the contract. Contracts of employment for a period of less than one year shall be governed and limited by G.S. 115C-275. Each local board shall file a copy of the contract with the State Board of Education before the individual is eligible for this office.

(c) At any time after the first 12 months of the contract, a local board may, with the written consent of the current superintendent, extend or renew the term of the superintendent's contract for a term of no more than four years from the date of the extension. If new board members have been elected or appointed and are to be sworn in, a board shall not act to extend or renew the current superintendent's contract until after the new members have been sworn in.

(d) A local board may terminate the superintendent's contract before the contract term of employment has expired so long as all the following conditions are met:

- (1) No State funds are used for this purpose.
- (2) Local funds appropriated for teachers, textbooks, or classroom materials, supplies, and equipment are not transferred or used for this purpose.
- (3) The local board makes public the funds that are to be transferred or used for this purpose.
- (4) The local board notifies the State Board of the funds that are to be transferred or used for this purpose.
- (5) No funds acquired through donation or fund-raising are used for this purpose, except for funds raised specifically for this purpose or for funds donated by private for-profit corporations.

Immediately upon receipt of the notification from a local board under this subsection, the State Board shall review the accounts of that local school administrative unit. If the State Board finds that the local board failed to meet all the conditions set out in this subsection, the State Board shall issue a warning to the local board as provided in G.S. 115C-451 and, in addition to any other actions the State Board may take under G.S. 115C-451, shall order the local board to take action to comply with this subsection. (1981, c. 423, s. 1; 1983, c. 478; 1983 (Reg. Sess., 1984), c. 1103, s. 3; 1987, c. 389; 1989, c. 339; 1991, c. 238, s. 1; 1997-443, s. 8.7.)

CASE NOTES

Renewal of Superintendents' Contract. — Pursuant to the amendment to this section by Session Laws 1989, c. 339, s. 1, applicable to all superintendent contracts extended or renewed by local boards of education since July 1, 1985, which clarified legislative intent regarding renewal of superintendents' contracts under this section, the board of education was free to renew its superintendent's contract at any time during the final 12 months of the contract, since no new members were to take office during that period. *Rivenbark v. Pender County Bd. of Educ.*, 94 N.C. App. 703, 381 S.E.2d 183 (1989).

Superintendent and Principal as Agents of Board. — By statute and under traditional common-law principles, the superintendent and principal are agents of the board. The board cannot escape responsibility for its actions, based on the recommendations of its agents, by simply refusing to inquire into its agents' reasons. *Abell v. Nash County Bd. of Educ.*, 71 N.C. App. 48, 321 S.E.2d 502 (1984),

cert. denied, 313 N.C. 506, 329 S.E.2d 389 (1985).

No Error in Dismissal of Claims Against Superintendent. — Trial court did not err in dismissing plaintiffs' claims against superintendent; although plaintiffs alleged superintendent's representations to both defendant boards "were grossly overstated" and "without foundation in fact," plaintiffs did not allege superintendent was in a decision-making position as to acquisition of the Square D facility. As a matter of law, a superintendent does not vote on appropriations. *Moore v. Wykle*, 107 N.C. App. 120, 419 S.E.2d 164, cert. denied, 332 N.C. 666, 424 S.E.2d 405 (1992).

§ 115C-272. Residence, oath of office, and salary of superintendent.

(a) Every superintendent shall reside in the county in which he is employed. The superintendent shall not teach, nor be regularly employed in any other capacity that may limit or interfere with his duties as superintendent. Each superintendent, before entering upon the duties of his office, shall take an oath for the faithful performance thereof. The salary of the superintendent shall be in accordance with a State standard salary schedule, fixed and determined by the State Board of Education as provided by law; and such salary schedule for superintendents shall be determined on the same basis for both county and city superintendents and shall take into consideration the amount of work inherent to the office of both county and city superintendents; and such schedule shall be published in the same way and manner as the schedules for teacher and principal salaries are now published.

(b) Superintendents shall be paid promptly when their salaries are due provided the legal requirements for their employment and service have been met. All superintendents employed by any local school administrative unit who are paid from local funds shall be paid promptly as provided by law and as State allotted superintendents are paid. Superintendents paid from State funds shall be paid as follows:

- (1) Each local board of education shall establish a set date on which monthly salary payments to superintendents shall be made. This set pay date may differ from the end of the calendar month of service. Superintendents shall only be paid for the days employed as of the set pay date. Payment for a full month when days employed are less than a full month is prohibited as this constitutes prepayment. The daily rate of pay shall equal the number of weekdays in the pay period. Included within their term of employment shall be annual vacation

leave at the same rate provided for State employees. Included within the 12 months' employment each local board of education shall designate the same or an equivalent number of legal holidays as those designated by the State Personnel Commission for State employees.

- (2) Notwithstanding any provisions of this section to the contrary no person shall be entitled to pay for any vacation day not earned by that person. Vacation days shall not be used for extending the term of employment of individuals and shall not be cumulative from one fiscal year to another fiscal year: Provided, that superintendents may accumulate annual vacation leave days as follows: annual leave may be accumulated without any applicable maximum until June 30 of each year. On June 30 of each year, any superintendent with more than 30 days of accumulated leave shall have the excess accumulation converted to sick leave so that only 30 days are carried forward to July 1 of the same year. All vacation leave taken by the superintendent will be upon the authorization of his immediate supervisor and under policies established by the local board of education. An employee shall be paid in a lump sum for accumulated annual leave not to exceed a maximum of 240 hours or 30 days when separated from service due to resignation, dismissal, reduction in force, death, or service retirement. Upon separation from service due to service retirement, any annual vacation leave over 30 days will convert to sick leave and may be used for creditable service at retirement in accordance with G.S. 135-4(e). If the last day of terminal leave falls on the last workday in the month, payment shall be made for the remaining nonworkdays in that month. Employees retiring on disability retirement may exhaust annual leave rather than be paid in a lump sum. The provisions of this subdivision shall be accomplished without additional State and local funds being appropriated for this purpose. The State Board of Education shall adopt rules and regulations for the administration of this subdivision.
- (3) Each local board of education shall sustain any loss by reason of an overpayment to any superintendent paid from State funds.
- (4) All of the foregoing provisions of this section shall be subject to the requirement that at least fifty dollars (\$50.00), or other minimum amount required by federal social security laws, of the compensation of each school employee covered by the Teachers' and State Employees' Retirement System or otherwise eligible for social security coverage shall be paid in each of the four quarters of the calendar year.

(c) The State Board of Education, in fixing the State standard salary schedule of superintendents as authorized by law, shall provide that superintendents who entered the armed or auxiliary forces of the United States after September 16, 1940, and who left their positions for such service, shall be allowed experience increments for the period of such service as though the same had not been interrupted thereby, in the event such persons return to the position of teachers, principals or superintendents in the public schools of the State after having been honorably discharged from the armed or auxiliary forces of the United States. (1955, c. 1372, art. 6, s. 1; art. 17, s. 9; art. 18, s. 6; 1961, c. 1085; 1971, c. 1052; 1973, c. 647, s. 1; 1975, cc. 383, 608; c. 834, ss. 1, 2; 1979, c. 600, ss. 1-5; 1981, c. 423, s. 1; c. 946, s. 1; 1983, c. 872, s. 1; 1985, c. 757, s. 145(c); 1985 (Reg. Editor's Note. — Session Laws 1999-237, s. 1.1 provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 1999.'"

Session Laws 1999-237, s. 30.4 contains a severability clause.

Effect of Amendments. — Session Laws 1999-237, s. 28.26(c), effective July 1, 1999, in

subdivision (b)(2), inserted “or 30 days” following “240 hours” in the fifth sentence and inserted the present sixth sentence.

CASE NOTES

Dual Office Holding. — The office of county superintendent of public instruction was such an office as came within the former N.C. Const., Art. XIV, § 7 (see now N.C. Const., Art. VI, § 9), which prohibited the holding of more than one office by any person. *Whitehead v. Pittman*, 165 N.C. 89, 80 S.E. 976 (1914), decided under

corresponding provisions of former law.

OPINIONS OF ATTORNEY GENERAL

Salary and Hours of Certified Employees. — N.C. Const., Art. IX, § 5 and §§ 115C-12(9), 115C-284(c), 115C-296, and 115C-315(d) and subsection (a) of this section give the State Board of Education the authority to establish

salary schedules for all certified employees and to establish the amount of work required to earn those salaries. See opinion of Attorney General to Mr. James O. Barber, Controller, State Board of Education, 55 N.C.A.G. 1 (1985).

§ 115C-273. Salary schedule for superintendents.

Every local board of education may adopt, as to assistant or associate superintendents not paid out of State funds, a salary schedule similar to the State salary schedule, but it likewise shall recognize a difference in salaries based on different duties, training, experience, professional fitness, and continued service in the same school system; but if any local board of education shall fail to adopt such a schedule, the State salary schedule shall be in force. (1955, c. 1372, art. 5, s. 32; 1965, c. 584, s. 3; 1981, c. 423, s. 1.)

§ 115C-274. Removal.

(a) Local boards of education are authorized to remove a superintendent who is guilty of immoral or disreputable conduct or who shall fail or refuse to perform the duties required of him by law. In case the State Board of Education has sufficient evidence at any time that any superintendent of schools is not capable of discharging, or is not discharging, the duties of his office as required by law or is guilty of immoral or disreputable conduct, the State Board of Education shall report this matter to the board of education employing said superintendent of schools. It shall then be the duty of that board of education to hear the evidence in the case and, if after careful investigation it shall find the charges true, it shall declare the office vacant at once and proceed to elect a successor: Provided, that such superintendent shall have the right to try his title to office in the courts of the State.

(b) If the superintendent shall fail in the duties enumerated in G.S. 115C-276(g), 115C-276(h), 115C-276(i), or any other duties as may be assigned him, he shall be subject, after notice, to an investigation by the State Board of Education or by his board of education for failure to perform his duties. For persistent failure to perform these duties, the State Board of Education may revoke the superintendent’s certificate and the superintendent may be dismissed by his board of education.

(c) The identification by the State Board of Education of more than half the schools in a local school administrative unit as low-performing under G.S. 115C-105.37 is evidence that the superintendent is unable to fulfill the duties

of the office, and the State Board may appoint an interim superintendent to carry out the duties of the superintendent under G.S. 115C-105.39, may revoke the superintendent's certificate under this section, may dismiss the superintendent under G.S. 115C-105.39, or may take any combination of these actions. (1955, c. 1372, art. 5, s. 25; art. 6, s. 4; 1981, c. 423, s. 1; 1995 (Reg. Sess., 1996), c. 716, s. 6.)

CASE NOTES

Wayne County Bd. of Educ., 15 N.C. App. 531, 190 S.E.2d 224 (1972).

§ 115C-275. Vacancies in office of superintendent.

In case of vacancy by death, resignation, or otherwise, in the office of a superintendent, such vacancy shall be filled by the local board of education in which such vacancy occurred. If the vacancy is filled on a temporary basis, subject to the same approvals and to the same educational qualifications as provided for superintendents, the individual appointed to fill the vacancy on a temporary basis shall be paid the salary provided for superintendents. During the time any superintendent is on an approved leave of absence, without pay, an acting superintendent may be appointed in the same manner to serve during the interim period, which appointment shall be subject to the same approvals and to the same educational qualifications as provided for superintendents. In case such position is not filled immediately on a permanent or temporary basis, or in case of absence of a superintendent on account of illness or other approved reason, the board of education, by resolution duly adopted and recorded in the minutes of such board, may assign to an employee of such school board, with the approval of the Superintendent of Public Instruction, any duty or duties of such superintendent which necessity requires be performed during such time. If the superintendent's duty of signing warrants and checks is assigned, the board shall give proper notice immediately to the State Controller and to the appropriate local disbursing official. (1955, c. 1372, art. 6, s. 2; 1959, c. 573, s. 3; 1977, c. 298; 1981, c. 423, s. 1; 1987 (Reg. Sess., 1988), c. 1025, s. 11; 1991, c. 542, s. 1.)

(q) To Assign School Principals. — Subject to local board policy, the superintendent shall have the authority to assign principals to school buildings. When making an assignment, the superintendent shall consider (i) whether a principal has demonstrated the leadership ability to increase student achievement at a school where conditions indicated a significant risk of low student performance; and (ii) how to maintain stability at a school where, during the time the principal has been at a school, there has been significant improvement on end-of-course or end-of-grade tests and other accountability measures developed by the State Board of Education.

(r) To Maintain Student Discipline. — The superintendent shall maintain student discipline in accordance with Article 27 of this Chapter and shall keep data on each student suspended for more than 10 days or expelled. This data shall include the race, gender, and age of each student, the duration of suspension for each student, whether an alternative education was considered or provided for each student, and whether a student had multiple suspensions.

(s) To Provide for Annual Evaluations and Action Plans. — The superintendent shall provide for the annual evaluation of all certified employees assigned to low-performing schools that did not receive an assistance team. The superintendent shall determine whether all principals and assistant principals who evaluate certified employees are trained in the proper administration of the employee evaluations and the development of appropriate action plans. The superintendent also shall arrange for principals and assistant principals who evaluate certified employees to receive the appropriate training.

(t) Report on DWI Vehicle Forfeiture. — The superintendent, or the superintendent's designee, of each county school system shall report by October 1 of each year to the Department of Public Instruction the receipts received by the county school from the sale of seized vehicles and all costs to the county board of education for administering the DWI motor vehicle forfeiture law. The Department of Public Instruction shall report to the Joint Legislative Educa-

tion Oversight Committee annually by December 1 the results of these reports filed by the county school superintendents under this section. CASE NOTES

Superintendent and Principal as Agents of Board. — By statute and under traditional common-law principles, the superintendent and principal are agents of the board. The board cannot escape responsibility for its actions, based on the recommendations of its agents, by simply refusing to inquire into its agents' reasons. *Abell v. Nash County Bd. of Educ.*, 71 N.C. App. 48, 321 S.E.2d 502 (1984), cert. denied, 313 N.C. 506, 329 S.E.2d 389 (1985).

Claims Against Superintendent Dismissed Since Superintendent Does Not

Vote on Appropriations. — Trial court did not err in dismissing plaintiffs' claims against superintendent; although plaintiffs alleged superintendent's representations to both defendant boards "were grossly overstated" and "without foundation in fact," plaintiffs did not allege superintendent was in a decision-making position as to acquisition of the Square D facility. As a matter of law, a superintendent does not vote on appropriations. *Moore v. Wykle*, 107 N.C. App. 120, 419 S.E.2d 164, cert. denied, 332 N.C. 666, 424 S.E.2d 405 (1992).

OPINIONS OF ATTORNEY GENERAL

Recommending Assistant Principal. — The position of assistant principal is outside the category of teachers, and should be recommended to the county or city board of education by the superintendent of schools. See opinion of

the Attorney General to Mr. William E. Terry, Superintendent, Stokes County Board of Education, 40 N.C.A.G. 250 (1969), rendered under former Chapter 115.

§ 115C-277. Office, equipment, and clerical assistance to be provided by board.

It shall be the duty of the various boards of education to provide the superintendent of schools with an appropriate office. Likewise, it shall be the duty of the various boards of education to furnish adequately the superintendent's office and provide all necessary office supplies. Authority is hereby given to boards of education to employ sufficient clerical assistants and purchase sufficient office machines and equipment to the end that the business of the

superintendent of schools shall always be conducted in a prompt and efficient manner. (1955, c. 1372, art. 5, s. 23; 1981, c. 423, s. 1.)

§ 115C-278. Assistant superintendent and associate superintendent.

Local boards of education shall have authority to employ an assistant superintendent, in addition to those that may be furnished by the State when, in the discretion of the board of education, the schools of the administrative unit can thereby be more efficiently and more economically operated and when funds for the same are provided in the current expense fund budget. The duties of such assistant superintendent shall be assigned by the superintendent with the approval of the board of education.

Local boards of education may, upon the recommendation of the superintendent, elect assistant or associate superintendents for a term of from one to four years. The term may not, however, exceed the expiration date of the superintendent's contract, unless the remaining time of the superintendent's contract is less than one year. If there is less than one year remaining on the superintendent's contract, the assistant or associate superintendent shall be given a contract through the next school year.

The term of employment shall be stated in a written contract which shall be entered into between the board of education and the assistant or associate superintendent, a copy of which shall be filed with the Superintendent of Public Instruction as a matter of information. The assistant or associate superintendent may not be dismissed during the term to which he is elected except for misconduct of such a nature as to indicate he is unfit to continue in his position, incompetence, neglect of duty, or failure or refusal to carry out validly assigned duties. (1955, c. 1372, art. 5, s. 27; 1971, c. 1188, s. 1; 1973, c. 733; 1981, c. 423, s. 1.)

§§ 115C-279 through 115C-283: Reserved for future codification purposes.

ARTICLE 19.

Principals and Supervisors.

§ 115C-284. Method of selection and requirements.

(a) Principals and supervisors shall be elected by the local boards of education upon the recommendation of the superintendent, in accordance with the provisions of G.S. 115C-276(j).

(b) In the city administrative units, principals shall be elected by the board of education of such administrative unit upon the recommendation of the superintendent of city schools.

(c) The State Board of Education shall have entire control of certifying all applicants for supervisory and professional positions in all public elementary and high schools of North Carolina; and it shall prescribe the rules and regulations for the renewal and extension of all certificates, and shall determine and fix the salary for each grade and type of certificate which it authorizes. The State Board of Education shall require each applicant for an initial certificate or graduate certificate, other than an applicant who is

qualified under Article 19A of this Chapter, to demonstrate the applicant's academic and professional preparation by achieving a prescribed minimum score at least equivalent to that required by the Board on November 30, 1972, on a standard examination appropriate and adequate for that purpose. If the Board shall specify the National Teachers Examination for this purpose, the required minimum score shall not be lower than that which the Board required on November 30, 1972. The Board may not require an applicant who is qualified under Article 19A of this Chapter to take an additional exam to demonstrate academic competence. The Board shall not issue provisional certificates for principals.

The Board shall issue a one-year provisional assistant principal's certificate to an employee of a local board only if: (i) the local board determines there is a shortage of persons who hold or are qualified to hold a principal's certificate and the employee enrolls in an approved program leading to a masters degree in school administration before the provisional certificate expires; or (ii) the employee is enrolled in an approved masters in school administration program and is participating in the required internship under the masters program. The Board shall extend the provisional certificate for a total of no more than two additional years while the employee is completing the program.

(c1) It is the policy of the State of North Carolina to maintain the highest quality principal and assistant principal education programs in order to enhance the competence of professional personnel certified in North Carolina. To ensure that principal and assistant principal preparation programs are upgraded to reflect a more rigorous course of study, the State Board of Education shall submit to the General Assembly not later than March 1, 1992, a plan to promote this policy. In developing this plan, the State Board shall consider (i) requiring these programs to include additional preparation for site-based decision making and for the additional autonomy being granted to local school units, (ii) enhancing program entrance requirements to include assessment of an applicant's ability to complete the program and to perform as a principal, and (iii) enhancing the overall content of the programs.

The State Board of Education, as lead agency in coordination and cooperation with the University Board of Governors and such other public and private agencies as are necessary, shall refine the several certification requirements, standards for approval of institutions of principal and assistant principal education, standards for institution-based innovative and experimental programs, and standards for improved efficiencies in the administration of the approved programs.

(d) Repealed by Session Laws 1989, c. 385, s. 1.

(d1) It is the policy of the State of North Carolina that, subsequent to the adoption of a system of classroom teacher differentiation and prerequisites to candidacy for principal, a classroom teacher must have attained at least the second level of differentiation, have at least four years of classroom teaching experience, and possess, at least, a Masters Degree in Education Administration. This subsection shall not apply to educational personnel certified as of July 1, 1984.

(e) It shall be unlawful for any board of education to employ or keep in service any principal or supervisor who neither holds nor is qualified to hold a certificate in compliance with the provision of the law or in accordance with the regulations of the State Board of Education.

(f) The allotment of classified principals shall be one principal for each duly constituted school with seven or more state-allotted teachers.

(g) Local boards of education shall have authority to employ supervisors in addition to those that may be furnished by the State when, in the discretion of the board of education, the schools of the local school administrative unit can thereby be more efficiently and more economically operated and when funds

for the same are provided in the current expense fund budget. The duties of such supervisors shall be assigned by the superintendent with the approval of the board of education.

(h) All principals and supervisors employed in the public schools of the State or in schools receiving public funds, shall be required either to hold or be qualified to hold a certificate in compliance with the provision of the law or in accordance with the regulations of the State Board of Education. (1955, c. 1372 art. 5, ss. 4, 27; art. 6, s. 6; art. 18, ss. 1-4; 1963, c. 688, s. 3; 1965, c. 584, ss. 6, 20.1; 1969, c. 539; 1971, c. 1188, s. 1; 1973, cc. 236, 733; c. 770, ss. 1, 2; 1975, c. 437, s. 7; c. 686, s. 1; c. 731, ss. 1, 2; c. 965, s. 3; 1977, c. 1088, s. 4; 1981, c. 423, s. 1; 1983 (Reg. Sess., 1984), c. 1103, s. 4; 1985 (Reg. Sess., 1986), c. 975, s. 16; 1989, c. 385, s. 1; 1991, c. 689, s. 200(a); 1991 (Reg. Sess., 1992), c. 1030, s. 28; 1993, c. 392, s. 2; 1999-30, s. 1; 1999-394, s. 1.)

Effect of Amendments. — Session Laws 1999-30, s. 1, effective April 27, 1999, in subsection (c), in the first paragraph, substituted “the applicant’s” for “his” in the second sentence and deleted “and assistant principals” from the end of the last sentence, and added the second paragraph.

Session Laws 1999-394, s. 1, effective August

5, 1999, in the second paragraph of (c), substituted “certificate and” for “certificate, and (ii),” and inserted “or (ii) the employee is enrolled in an approved masters in school administration program and is participating in the required internship under the masters program”; and made minor punctuation changes.

OPINIONS OF ATTORNEY GENERAL

Salary and Hours of Certified Employees. — N.C. Const., Art. IX, § 5 and §§ 115C-12(9), 115C-272(a), 115C-296, and 115C-315(d) and subsection (c) of this section give the State Board of Education the authority to establish

salary schedules for all certified employees and to establish the amount of work required to earn those salaries. See opinion of Attorney General to Mr. James O. Barber, Controller, State Board of Education, 55 N.C.A.G. 1 (1985).

§ 115C-285. Salary.

(a) Principals and supervisors shall be paid promptly when their salaries are due provided the legal requirements for their employment and service have been met. All principals and supervisors employed by any local school administrative unit who are to be paid from local funds shall be paid promptly as provided by law and as state-allotted principals and supervisors are paid.

Principals and supervisors paid from State funds shall be paid as follows:

- (1) Classified principals and State-allotted supervisors shall be employed for a term of 12 calendar months. Each local board of education shall establish a set date on which monthly salary payments to classified principals and State-allotted supervisors shall be made. This set pay date may differ from the end of the calendar month of service.

Classified principals and State-allotted supervisors shall only be paid for the days employed as of the set pay date. Payment for a full month when days employed are less than a full month is prohibited as this constitutes prepayment. They shall earn annual vacation leave at the same rate provided for State employees. On a day that employees are required to report for a workday but pupils are not required to attend school due to inclement weather, an employee may elect not to report due to hazardous travel conditions and to take one of his annual vacation days or to make up the day at the time agreed upon by the employee and his immediate supervisor. They shall be provided by the board the same or an equivalent number of legal holidays as those designated by the State Personnel Commission for State employees.

- (2) Supervisors and classified principals paid on an hourly or other basis whether paid from State or from local funds may accumulate annual vacation leave days as follows: annual leave may be accumulated without any applicable maximum until June 30 of each year. On June 30 of each year, any supervisor or principals with more than 30 days of accumulated leave shall have the excess accumulation converted to sick leave so that only 30 days are carried forward to July 1 of the same year. All vacation leave taken by the employee will be upon the authorization of his immediate supervisor and under policies established by the local board of education. An employee shall be paid in a lump sum for accumulated annual leave not to exceed a maximum of 240 hours or 30 days when separated from service due to resignation, dismissal, reduction in force, death, or service retirement. Upon separation from service due to service retirement, any annual vacation leave over 30 days will convert to sick leave and may be used for creditable service at retirement in accordance with G.S. 135-4(e). If the last day of terminal leave falls on the last workday in the month, payment shall be made for the remaining nonworkdays in that month. Employees retiring on disability retirement may exhaust annual leave rather than be paid in a lump sum. The provisions of this subdivision shall be accomplished without additional State and local funds being appropriated for this purpose. The State Board of Education shall adopt rules and regulations for the administration of this subdivision.
- (3) Notwithstanding any provisions of this section to the contrary no person shall be entitled to pay for any vacation day not earned by that person. Vacation days shall not be used for extending the term of employment of individuals and shall not be cumulative from one fiscal year to another fiscal year, except as provided in subdivision (5) of this section.
- (4) Each local board of education shall sustain any loss by reason of an overpayment to any principal or supervisor paid from State funds.
- (5) All of the foregoing provisions of this section shall be subject to the requirement that at least fifty dollars (\$50.00), or other minimum amount required by federal social security laws, of the compensation of each school employee covered by the Teachers' and State Employees' Retirement System or otherwise eligible for social security coverage shall be paid in each of the four quarters of the calendar year.
- (6) The State Board of Education, in fixing the State standard salary schedule of principals as authorized by law, shall provide that principals who entered the armed or auxiliary forces of the United States after September 16, 1940, and who left their positions for such service, shall be allowed experience increments for the period of such service as though the same had not been interrupted thereby, in the

event such persons return to the position of teachers, principals or superintendents in the public schools of the State after having been honorably discharged from the armed or auxiliary forces of the United States.

- (7) All persons employed as principals in the schools and institutions listed in subsection (p) of G.S. 115C-325 shall be compensated at the same rate as are teachers in the public schools in accordance with the salary schedule adopted by the State Board of Education.

(b) Every local board of education may adopt, as to principals and supervisors not paid out of State funds, a salary schedule, but it likewise shall recognize a difference in salaries based on different duties, training, experience, professional fitness, and continued service in the same school system; but if any local board of education shall fail to adopt such a schedule, the State salary schedule shall be in force.

(c) The board of education may withhold the salary of any supervisor or principal who delays or refuses to render such reports as are required by law, but when the reports are delivered in accordance with law, the salary shall be paid forthwith. (1955, c. 1372, art. 5, s. 32; art. 6, s. 13; art. 17, s. 9; art. 18, s. 6; 1961, c. 1085; 1965, c. 584, s. 3; 1971, c. 1052; 1973, c. 315, s. 2; c. 647, s. 1; 1975, c. 383; c. 437, s. 9; c. 608; c. 834, ss. 1, 2; 1979, c. 600, ss. 1-5; 1981, c. 423, s. 1; c. 639, s. 4; c. 946, s. 2; 1983, c. 872, s. 2; 1985, c. 757, s. 145(d); 1985 (Reg. Sess., 1986), c. 975, s. 15; 1987, c. 414, s. 5; 1989, c. 386, s. 1; 1993, c. 321, s. 73(b); 1995, c. 450, s. 18; 1997-443, s. 8.38(g); 1999-237, s. 28.26(d).)

Editor's Note. — The version of subsection (p) of § 115C-325 referred to in subdivision (a)(7) was repealed by Session Laws 1983 (Reg. Sess., 1984), c. 1034, s. 34.

Session Laws 1999-237, s. 1.1 provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 1999.'"

Session Laws 1999-237, s. 30.4 contains a severability clause.

Effect of Amendments. — The 1997 amendment, effective July 1, 1998, inserted the sixth sentence of subdivision (a)(1) and twice substituted "the employee's" for "his" in the eighth sentence of that subdivision.

Session Laws 1999-237, s. 28.26(d), effective July 1, 1999, in subdivision (a)(2), inserted "or 30 days" following "240 hours" in the fourth sentence and inserted the present fifth sentence.

§ **115C-287**: Repealed by Session Laws 1993, c. 210, s. 5.

§ **115C-287.1. Method of employment of principals, assistant principals, supervisors, and directors.**

(a)(1) Beginning July 1, 1995, all persons employed as school administrators shall be employed pursuant to this section.

(2) Notwithstanding G.S. 115C-287.1(a)(1), the following school administrators shall be employed pursuant to G.S. 115C-325:

a. School administrators who, as of July 1, 1995, are serving in a principal or supervisor position with career status in that position; and

b. School administrators who, as of July 1, 1995, are serving in a principal or supervisor position and who are eligible to achieve career status on or before June 30, 1997.

A school administrator shall cease to be employed pursuant to G.S. 115C-325 if the school administrator: (i) voluntarily relinquishes career status or the opportunity to achieve career status through promotion, resignation, or otherwise; or (ii) is dismissed or demoted or whose contract is not renewed pursuant to G.S. 115C-325.

(3) For purposes of this section, school administrator means a:

a. Principal;

b. Assistant principal;

c. Supervisor; or

d. Director,

whose major function includes the direct or indirect supervision of teaching or of any other part of the instructional program.

(4) Nothing in this section shall be construed to confer career status on any assistant principal or director, or to make an assistant principal eligible for career status as an assistant principal or a director eligible for career status as a director.

(b) Local boards of education shall employ school administrators who are ineligible for career status as provided in G.S. 115C-325(c)(3), upon the recommendation of the superintendent. All contracts between a school administrator and a local board of education shall be for two to four years, ending on June 30 of the final 12 months of the contract. In the case of an initial contract between a school administrator and a local board of education, the first year of the contract may be for a period of less than 12 months provided the contract becomes effective on or before September 1. A local board of education may, with the written consent of the school administrator, extend, renew, or offer a new school administrator's contract at any time after the first 12 months of the contract so long as the term of the new, renewed, or extended contract does not exceed four years. Rolling annual contract renewals are not allowed. Nothing in this section shall be construed to prohibit the filling of an administrative position on an interim or temporary basis.

(c) The term of employment shall be stated in a written contract that shall be entered into between the local board of education and the school administrator. The school administrator shall not be dismissed or demoted during the term of the contract except for the grounds and by the procedure by which a career teacher may be dismissed or demoted as set forth in G.S. 115C-325.

(d) If a superintendent intends to recommend to the local board of education that the school administrator be offered a new, renewed, or extended contract,

the superintendent shall submit the recommendation to the local board for action. The local board may approve the superintendent's recommendation or decide not to offer the school administrator a new, renewed, or extended school administrator's contract.

If a superintendent decides not to recommend that the local board of education offer a new, renewed, or extended school administrator's contract to the school administrator, the superintendent shall give the school administrator written notice of his or her decision and the reasons for his or her decision no later than May 1 of the final year of the contract. The superintendent's reasons may not be arbitrary, capricious, discriminatory, personal, or political. No action by the local board or further notice to the school administrator shall be necessary unless the school administrator files with the superintendent a written request, within 10 days of receipt of the superintendent's decision, for a hearing before the local board. Failure to file a timely request for a hearing shall result in a waiver of the right to appeal the superintendent's decision. If a school administrator files a timely request for a hearing, the local board shall conduct a hearing pursuant to the provisions of G.S. 115C-45(c) and make a final decision on whether to offer the school administrator a new, renewed, or extended school administrator's contract.

If the local board decides not to offer the school administrator a new, renewed, or extended school administrator's contract, the local board shall notify the school administrator of its decision by June 1 of the final year of the contract. A decision not to offer the school administrator a new, renewed, or extended contract may be for any cause that is not arbitrary, capricious, discriminatory, personal, or political. The local board's decision not to offer the school administrator a new, renewed, or extended school administrator's contract is subject to judicial review in accordance with Article 4 of Chapter 150B of the General Statutes.

(e) Repealed by Session Laws 1995, c. 369, s. 1.

(f) If the superintendent or the local board of education fails to notify a school administrator by June 1 of the final year of the contract that the school administrator will not be offered a new school administrator's contract, the school administrator shall be entitled to 30 days of additional employment or severance pay beyond the date the school administrator receives written notice that a new contract will not be offered.

(g) If, prior to appointment as a school administrator, the school administrator held career status as a teacher in the local school administrative unit in which he or she is employed as a school administrator, a school administrator shall retain career status as a teacher if the school administrator is not offered a new, renewed, or extended contract by the local board of education, unless the school administrator voluntarily relinquished that right or is dismissed or demoted pursuant to G.S. 115C-325.

(h) An individual who holds a provisional assistant principal's certificate and who is employed as an assistant principal under G.S. 115C-284(c) shall be considered a school administrator for purposes of this section. Notwithstanding subsection (b) of this section, a local board may enter into one-year contracts with a school administrator who holds a provisional assistant principal's certificate. If the school administrator held career status as a teacher in the local school administrative unit prior to being employed as an assistant principal and the State Board for any reason does not extend the school administrator's provisional assistant principal's certificate, the school administrator shall retain career status as a teacher unless the school administrator voluntarily relinquished that right or is dismissed or demoted under G.S. 115C-325. Nothing in this subsection or G.S. 115C-284(c) shall be construed to require a local board to extend or renew the contract of a school administrator who holds a provisional assistant principal's certificate. CASE NOTES

Editor's Note. — *Most of the cases below were decided under corresponding provisions of former Chapter 115.*

Superintendent and Principal as Agents of Board. — By statute and under traditional common-law principles, the superintendent and principal are agents of the board. The board cannot escape responsibility for its actions, based on the recommendations of its agents, by simply refusing to inquire into its agents' reasons. *Abell v. Nash County Bd. of Educ.*, 71 N.C. App. 48, 321 S.E.2d 502 (1984), cert. denied, 313 N.C. 506, 329 S.E.2d 389 (1985).

School officials do not possess absolute authority over their students. *Givens v. Poe*, 346 F. Supp. 202 (W.D.N.C. 1972).

Students Possess Fundamental Rights. — Students in school as well as out of school are "persons" under the North Carolina Constitution, possessed of fundamental rights which the State must respect. *Givens v. Poe*, 346 F. Supp. 202 (W.D.N.C. 1972).

But Boards and Officials May Adopt Reasonable Regulations. — Local school boards and school officials have the implied right to adopt appropriate and reasonable rules and regulations for the purpose of carrying out their powers and duties. *Fowler v. Williamson*, 39 N.C. App. 715, 251 S.E.2d 889 (1979).

School Dress Code. — A school may adopt a dress code and may exclude a student from participating in certain school programs, including graduation ceremonies, if the student does not comply with the dress code. *Fowler v. Williamson*, 39 N.C. App. 715, 251 S.E.2d 889 (1979).

Violation of Dress Code. — Where the principal of a high school established a lawful and valid dress code for eligible graduates participating in the graduation ceremony, and the plaintiffs' son appeared for the graduation ceremony attired in violation of the code, in that he did not wear dress pants as required, but instead wore denim jeans, the defendant principal had the legal right to exclude plaintiffs' son

from the graduation ceremony for violation of the dress code. *Fowler v. Williamson*, 39 N.C. App. 715, 251 S.E.2d 889 (1979).

Principal's Duty to Keep Superintendent and Board Informed. — It is the duty of the principal to keep the superintendent and, through the superintendent, the board of edu-

cation, informed about all phases of school operations. *Johnson v. Gray*, 263 N.C. 507, 139 S.E.2d 551 (1965).

Reports Qualifiedly Privileged. — The reports a principal makes in the performance of his duties are qualifiedly privileged. *Johnson v. Gray*, 263 N.C. 507, 139 S.E.2d 551 (1965).

§ 115C-289. Assignment of principal's duties to assistant or acting principal; duties of State-funded assistant principals.

(a) Any duty or responsibility assigned to a principal by statute, State Board of Education regulation, or by the superintendent may, with the approval of the local board of education, be assigned by the principal to an assistant principal designated by the local board of education or to an acting principal designated by a principal.

(b) All persons employed as assistant principals in State-allotted positions, or as assistant principals in full-time positions regardless of funding source, in the public schools of the State or in schools receiving public funds, shall, in addition to other applicable requirements, be required either to hold or be qualified to hold a principal's certificate or a provisional assistant principal's certificate in compliance with applicable law and in accordance with the regulations of the State Board of Education. It shall be unlawful for any board of education to employ or keep in service any assistant principal who neither holds nor is qualified to hold a principal's certificate or a provisional assistant principal's certificate in compliance with applicable law and in accordance with the regulations of the State Board of Education. Persons who hold a provisional assistant principal's certificate and who are employed as assistant principals shall be employed under G.S. 115C-287.1(h).

(c) Repealed by Session Laws 1991, c. 689, s. 200(b).

(d) Assistant principals paid from State funds shall not have regularly assigned teaching duties. (1977, c. 539; 1981, c. 423, s. 1; 1987, c. 328; c. 830, s. 89(c); 1991, c. 689, s. 200(b); 1999-30, s. 2.)

Effect of Amendments. — Session Laws 1999-30, s. 2, effective April 27, 1999, in subsection (b), inserted "or a provisional assistant

principal's certificate" in the first and second sentences; and added the last sentence.

The members shall serve for two-year terms. Initial terms shall begin September 1, 1994. Vacancies in the membership shall be filled by the original appointing authority using the same criteria as provided in this subsection.

(1993 (Reg. Sess., 1994), c. 740, s. 1; 1996, 2nd Ex. Sess., c. 18, s. 18.12(a).)

§ 115C-295.2. Powers and duties of the Commission.

(a) The North Carolina Teaching Standards Commission shall:

- (1) Develop and recommend to the State Board of Education professional standards or revisions to professional standards for North Carolina teachers.
- (2) Review the areas of teacher certification and recommend to the State Board of Education those areas that should be consolidated, redesigned, eliminated, or enhanced.
- (3) Consider current methods to assess teachers and teaching candidates, including the National Teacher Exam, the assessments of the National Board for Professional Teaching Standards, and alternative methods of assessment and recommend to the State Board of Education the implementation of rigorous and appropriate assessments for initial and continuing certification that are valid and reliable measures of professional practice.
- (4) Evaluate, develop, and recommend to the State Board a procedure for the assessment and recommendation of candidates for initial and continuing teacher certification.

For purposes of this subsection, the areas of teacher certification include initial certification, continuing certification, and certification renewal, and do not include teacher education programs.

(b) The Commission shall submit its recommendations under subsection (a) of this section to the State Board. The State Board shall adopt or reject the recommendations. The State Board shall not make any substantive changes to any recommendation that it adopts. If the State Board rejects the recommendation, it shall state with specificity its reasons for rejection; the Commission then may amend that recommendation and resubmit it to the State Board. The Board shall adopt or reject the amended recommendation. If the State Board fails to adopt the Commission's original and amended recommendation concerning the implementation of assessments for certification and the procedure for the assessment and recommendation of candidates for teacher certification, the State Board may develop and adopt its own plan.

(c) The Commission shall submit an annual report by December 1 of each year to the Joint Legislative Education Oversight Committee and the State Board of Education of its activities during the preceding year, together with any recommendations and findings regarding improvement of the teaching profession. § **115C-295.3:** Repealed by Session Laws 1999-96, s. 6, effective May 27, 1999.

§ **115C-296. Board sets certification requirements.**

(a) The State Board of Education shall have entire control of certifying all applicants for teaching positions in all public elementary and high schools of North Carolina; and it shall prescribe the rules and regulations for the renewal and extension of all certificates and shall determine and fix the salary for each grade and type of certificate which it authorizes: Provided, that the State Board of Education shall require each applicant for an initial bachelors degree certificate or graduate degree certificate to demonstrate the applicant's academic and professional preparation by achieving a prescribed minimum score on a standard examination appropriate and adequate for that purpose. The State Board of Education shall make the standard initial certification exam sufficiently rigorous and raise the prescribed minimum score as necessary to ensure that each applicant has adequate academic and professional preparation to teach.

(a1) The State Board shall adopt policies that establish the minimum scores for the standard examinations and other measures necessary to assess the qualifications of professional personnel as required under subsection (a) of this section. For purposes of this subsection, the State Board shall not be subject to Article 2A of Chapter 150B of the General Statutes. At least 30 days prior to changing any policy adopted under this subsection, the State Board shall provide written notice to all North Carolina schools of education and to all local boards of education. The written notice shall include the proposed revised policy.

(a2) The State Board of Education shall impose the following schedule of fees for teacher certification and administrative changes:

- (1) Application for demographic or administrative changes to a certificate, \$30.00.
- (2) Application for a duplicate certificate or for copies of documents in the certification files, \$30.00.
- (3) Application for a renewal, extension, addition, upgrade, and variation to a certificate, \$55.00.
- (4) Initial application for New, In-State Approved Program Graduate, \$55.00.
- (5) Initial application for Out-of-State certificate, \$85.00.
- (6) All other applications, \$85.00.

The applicant must pay the fee at the time the application is submitted.

(b) (**See Note**) It is the policy of the State of North Carolina to maintain the highest quality teacher education programs and school administrator programs in order to enhance the competence of professional personnel certified in North Carolina. To the end that teacher preparation programs are upgraded to reflect a more rigorous course of study, the State Board of Education, as lead agency in coordination and cooperation with the University Board of Governors, the Board of Community Colleges and such other public and private agencies as are necessary, shall continue to refine the several certification requirements, standards for approval of institutions of teacher education, standards for institution-based innovative and experimental programs, standards for implementing consortium-based teacher education, and standards for improved efficiencies in the administration of the approved programs. The certification program shall provide for initial certification after completion of preservice training, continuing certification after three years of teaching experience, and certificate renewal every five years thereafter.

The State Board of Education, as lead agency in coordination with the Board of Governors of The University of North Carolina and any other public and private agencies as necessary, shall continue to raise standards for entry into teacher education programs.

The State Board of Education, in consultation with the Board of governors of The University of North Carolina, shall evaluate and develop enhanced requirements for continuing certification. The new requirements shall reflect more rigorous standards for continuing certification and to the extent possible shall be aligned with quality professional development programs that reflect State priorities for improving student achievement.

The State Board of Education, in consultation with local boards of education and the Board of Governors of The University of North Carolina, shall reevaluate and enhance the requirements for renewal of teacher certificates. The State Board shall consider modifications in the certificate renewal achievement and to make it a mechanism for teachers to renew continually their knowledge and professional skills. The State Board shall adopt new standards for the renewal of teacher certificates by May 15, 1998.

The standards for approval of institutions of teacher education shall require that teacher education programs for students who do not major in special education include demonstrated competencies in the identification and education of children with learning disabilities. The State Board of Education shall incorporate the criteria developed in accordance with G.S. 116-74.21 for assessing proposals under the School Administrator Training Program into its school administrator program approval standards.

All North Carolina institutions of higher education that offer teacher education programs, masters degree programs in education, or masters degree programs in school administration shall provide performance reports to the State Board of Education. The performance reports shall follow a common format, shall be submitted according to a plan developed by the State Board, and shall include the information required under the plan developed by the State Board.

(b1) The State Board of Education shall develop a plan to provide a focused review of teacher education programs and the current process of accrediting these programs in order to ensure that the programs produce graduates that are well prepared to teach. The plan shall include the development and implementation of a school of education performance report for each teacher education program in North Carolina. The performance report shall include at least the following elements: (i) quality of students entering the schools of education, including the average grade point average and average score on preprofessional skills tests that assess reading, writing, math and other competencies; (ii) graduation rates; (iii) time-to-graduation rates; (iv) average scores of graduates on professional and content area examination for the purpose of certification; (v) percentage of graduates receiving initial certification; (vi) percentage of graduates hired as teachers; (vii) percentage of graduates remaining in teaching for four years; (viii) graduate satisfaction based on a common survey; and (ix) employer satisfaction base ib a common survey. The performance reports shall follow a common format. The performance reports shall be submitted annually for the 1998-99, 1999-2000, and 2000-2001 school years. The performance reports shall be submitted biannually thereafter to coincide with the Board of governors' biannual report institutional effectiveness. The State Board of Education shall develop a plan to be implemented beginning in the 1998-99 school year to reward and sanction approved teacher education programs and masters of education programs and to revoke approval of those programs based on the performance reports and other criteria established by the State Board of Education.

The State Board also shall develop and implement a plan for annual performance reports for all masters degree programs in education and school

administration in North Carolina. To the extent it is appropriated, the performance report shall include similar indicators to those developed for the performance report for teacher education programs. The performance reports shall follow a common format.

Both plans for performance reports also shall include a method to provide the annual performance reports to the Board of Governors of The University of North Carolina, the State Board of Education, and the boards of trustees of the independent colleges. The State Board of Education shall review the schools of education performance reports and the performance reports for masters degree programs in education and school administration each year the performance reports are submitted.

(c) It is the policy of the State of North Carolina to encourage lateral entry into the profession of teaching by skilled individuals from the private sector. To this end, before the 1985-86 school year begins, the State Board of Education shall develop criteria and procedures to accomplish the employment of such individuals as classroom teachers. Regardless of credentials or competence, no one shall begin teaching above the middle level of differentiation. Skilled individuals who choose to enter the profession of teaching laterally may be granted a provisional teaching certificate for no more than five years and shall be required to obtain certification before contracting for a sixth year of service with any local administrative unit in this State.

It is further the policy of the State of North Carolina to ensure that local boards of education can provide the strongest possible leadership for schools based upon the identified and changing needs of individual schools. To this end, before the 1994-95 school year begins, the State Board of Education shall carefully consider a lateral entry program for school administrators to ensure that local boards of education will have sufficient flexibility to attract able candidates.

(d) The State Board shall adopt rules to establish the reasons and procedures for the suspension and revocation of certificates. The State Board shall revoke the certificate of a teacher or school administrator if the State Board receives notification from a local board or the Secretary of Health and Human Services that a teacher or school administrator has received an unsatisfactory or below standard rating under G.S. 115C-333(d). In addition, the State Board may revoke or refuse to renew a teacher's certificate when:

- (1) The Board identifies the school in which the teacher is employed as low-performing under G.S. 115C-105.37 or G.S. 143B-146.5; and
- (2) The assistance team assigned to that school makes the recommendation to revoke or refuse to renew the teacher's certificate for one or more reasons established by the State Board in its rules for certificate suspension or revocation.

The State Board may issue subpoenas for the purpose of obtaining documents or the testimony of witnesses in connection with proceedings to suspend or revoke certificates.

(e) The State Board of Education shall develop a mentor program to provide ongoing support for teachers entering the profession. In developing the mentor program, the State Board shall conduct a comprehensive study of the needs of new teachers and how those needs can be met through an orientation and mentor support program. For the purpose of helping local boards to support new teachers, the State Board shall develop and distribute guidelines which address optimum teaching load, extracurricular duties student assignment, and other working condition considerations. These guidelines shall provide that initially certified teachers not be assigned extracurricular activities unless they request the assignments in writing and that other noninstructional duties of these teachers be minimized. The State Board shall develop and coordinate a mentor teacher training program. The State Board

shall develop criteria for selecting excellent, experienced, and qualified teachers to be participants in the mentor teacher training program.

(f) The State Board of Education, after consultation with the Board of Governors of The University of North Carolina, shall develop a new category of teacher certificate known as the "Masters/Advanced Competencies" certificate. To receive this certificate, an applicant shall successfully complete a masters degree program that includes rigorous academic preparation in the subject area which the applicant will teach and in the skills and knowledge expected of a master teacher or the applicant shall demonstrate to the satisfaction of the State Board that the candidate has acquired the skills and knowledge expected of a master teacher.

Persons who qualify for a "G" certificate prior to September 1, 2000, shall be awarded a "Masters/Advanced Competencies" certificate without meeting additional requirements. On and after September 1, 2000, no additional "G" certificates shall be awarded. (1955, c. 1372, art. 18, s. 2; 1965, c. 584, s. 20.1; 1973, c. 236; 1975, c. 686, s. 1; 1981, c. 423, s. 1; 1983 (Reg. § 115C-296.1. (Expires September 1, 2002) Teacher shortages; certification.

(a) Notwithstanding any other law, if a local board determines there is or anticipates there will be a shortage of qualified teachers with North Carolina certificates available to teach specified subjects or grade levels, then the local board may employ as teachers individuals who do not meet the State Board's requirements for initial or continuing State certification. The local board may employ an individual under this subsection for up to one year under a provisional certificate so long as:

- (1) Each individual has a postsecondary degree that is at least a bachelors degree.
- (2) Each individual has:
 - a. An out-of-State certificate authorizing the individual to teach the grade or subject to be taught and at least one year of classroom teaching experience the board considers relevant to the grade or subject to be taught;
 - b. At least one year of full-time classroom teaching experience as a professor, assistant professor, associate professor, instructor, or visiting lecturer at a constituent institution of The University of North Carolina, a North Carolina community college, or other institution of higher education as defined in G.S. 90-270.2(5) provided the board considers the experience relevant to the grade or subject to be taught; or
 - c. Three years of other experience provided the board determines that both the individual's experience and postsecondary education are relevant to the grade or subject to be taught.
- (3) Each individual is eligible for re-employment by his or her prior employer.
- (4) The board has developed a plan to determine the individual's competence as a teacher. The board's plan shall include a review of the performance of students taught by the individual.
- (5) During the period of employment under this subsection, the board provides a mentor teacher if the individual does not have a year of classroom teaching experience.
- (6) During the period of employment under this subsection, the individual receives an annual evaluation and multiple observations under G.S. 115C-333(a).

(b) A local board may re-employ as a teacher an individual the board initially employed under subdivision (a)(2)a of this section. This individual is then deemed to have satisfied the academic and professional preparation required to receive an initial or continuing State teacher certificate and is not required to take and pass a standard examination to demonstrate that preparation. An individual who receives an initial or continuing State certificate under this subsection is subject to the same requirements for continuing certification and certificate renewal as other teachers who hold initial or continuing State teacher certificates.

(c) A local board may re-employ as a teacher an individual the board initially employed under subdivisions (a)(2)b and (a)(2)c of this section. If the individual, either prior to initial employment or within one year after initial employment, takes and passes the standard examination adopted by the State Board under G.S. 115C-296(a) that is or was applicable to the grade or subject the individual is employed to teach, then upon re-employment the individual is deemed to have satisfied the academic and professional preparation required

to receive an initial State teacher certificate. An individual who receives an initial certificate under this subsection is subject to the same requirements for continuing certification as other teachers who hold initial State teacher certificates. If the individual, within one year of the initial employment, does not take and pass the standard examination adopted by the State Board under G.S. 115C.296(a) that is applicable to the grade or subject the individual is employed to teach, then upon re-employment the individual shall continue to hold a provisional certificate and is subject to G.S. 115C-296(c).

(d) Local boards shall report semi-annually to the State Board the number of individuals employed as teachers under each sub-subdivision of subdivision (2) of subsection (a) of this section. (1998-226, s. 1; 1999-108, s. 1.)

Editor's Note. — Session Laws 1998-226, s. 2, made this section effective November 5, 1998, and provides for its expiration September 1, 2002, except that it remains effective for any teacher employed under this act before September 1, 2002.

Effect of Amendments. — Session Laws

1999-108, s. 1, effective July 1, 1999, and applicable to all persons hired under G.S. 115C-296.1, in subsection (c), in the second sentence, inserted "either prior to initial employment or," substituted "after" for "of the," and inserted "or was."

CASE NOTES

Power of State Board Not Enlarged or Restricted. — Former § 115-156, similar to this section, did not purport to enlarge or restrict the power of the State Board of Education to promulgate and administer rules and regu-

lations governing the issuance and the renewal of teachers' certificates. *Guthrie v. Taylor*, 279 N.C. 703, 185 S.E.2d 193 (1971), cert. denied, 406 U.S. 920, 92 S. Ct. 1774, 32 L. Ed. 2d 119 (1972).

§ 115C-299. Hiring of teachers.

(a) In the city administrative units, teachers shall be elected by the board of education of such administrative unit upon the recommendation of the superintendent of city schools.

Teachers shall be elected by the county and city boards of education upon the recommendation of the superintendent, in accordance with the provisions of G.S. 115C-276(j).

(b) No person otherwise qualified shall be denied the right to receive credentials from the State Board of Education, to receive training for the purpose of becoming a teacher, or to engage in practice teaching in any school on the grounds that such person is totally or partially blind; nor shall any local board of education refuse to employ such a person on such grounds. (1955, c. 1372, art. 5, s. 4; 1971, c. 949; 1981, c. 423, s. 1; 1985 (Reg. Sess., 1986), c. 975, s. 5.)

CASE NOTES

Editor's Note. — Most of the cases below were decided under corresponding provisions of former Chapter 115.

Final Authority for Election of Teachers Vested in Board. — The superintendent

makes recommendations, but the final authority for the election of teachers is vested in the school board. *Johnson v. Gray*, 263 N.C. 507, 139 S.E.2d 551 (1965).

Superintendent Entitled to Recommend

Against Rehiring. — A school board's failure to renew a probationary teacher's contract because the principal and superintendent recommended that he not be rehired would not be arbitrary, capricious, or for personal reasons, since the superintendent is entitled to make such recommendations. *Hasty v. Bellamy*, 44 N.C. App. 15, 260 S.E.2d 135 (1979).

No Claim Based on Failure to Renew

Contract. — Plaintiff stated no claim for relief against a school superintendent and principal in an action to recover damages arising from failure to renew plaintiff's contract as a teacher, since the power to hire teachers rests in the school board. *Hasty v. Bellamy*, 44 N.C. App. 15, 260 S.E.2d 135 (1979).

§ 115C-300. In-service training.

Local boards of education are authorized to provide for the professional growth of teachers while in service and to pass rules and regulations requiring teachers to cooperate with their superintendent for the improvement of instruction in the classroom and for promoting community improvement. (1955, c. 1372, art. 5, s. 29; 1981, c. 423, s. 1.)

§ 115C-301. Allocation of teachers; class size.

(a) **Request for Funds.** — The State Board of Education, based upon the reports of local boards of education and such other information as the State Board may require from local boards, shall determine for each local school administrative unit the number of teachers and other instructional personnel to be included in the State budget request.

(b) **Allocation of Positions.** — The State Board of Education is authorized to adopt rules to allot instructional personnel and teachers, within funds appropriated.

(c) **Maximum Class Size.** — The average class size for each grade span in a local school administrative unit shall at no time exceed the funded allotment ratio of teachers to students. At the end of the second school month and for the remainder of the school year, the size of an individual class shall not exceed the allotment ratio by more than three students. At no time may the General Assembly appropriate funds for higher unit-wide class averages than those for which State funds were provided during the 1984-85 school year.

(d) **Maximum Teaching Load.** — Students shall be assigned to classes so that from the 15th day of the school year through the end of the school year the number of students for whom teachers in grades 7 through 12 are assigned teaching responsibilities during the course of the day is no more than 150 students, except as provided in subsection (g) of this section.

(e) **Alternative Maximum Class Sizes.** — The State Board of Education, in its discretion, may set higher maximum class sizes and daily teaching loads for classes in music, physical education, and other similar subjects, so long as the effectiveness of the instructional programs in those areas is not thereby impaired.

(f) **Second Month Reports.** — At the end of the second month of each school year, each local board of education, through the superintendent, shall file a report for each school within the school unit with the State Board of Education. The report shall be filed in a format prescribed by the State Board of Education and shall include the organization for each school, the duties of each teacher, the size of each class, the teaching load of each teacher, and such other information as the State Board may require. As of February 1 each year, local boards of education, through the superintendent, shall report all exceptions to individual class size and daily teaching load maximums that occur at that time.

(g) **Waivers and Allotment Adjustments.** — Local boards of education shall report exceptions to the State Board of Education as provided in G.S.

115C-47(10), and shall request allotment adjustments or waivers from the standards set out above. Within 45 days of receipt of reports, the State Board of Education, within funds available, may allot additional positions or grant waivers for the excess class size or daily load.

- (1) If the exception resulted from (i) exceptional circumstances, emergencies, or acts of God, (ii) large changes in student population, (iii) organizational problems caused by remote geographic location, or (iv) classes organized for a solitary curricular area, and

- (2) If the local board cannot organizationally correct the exception.

All allotment adjustments and waivers submitted under this provision shall be reported to the Director of the Budget and to the General Assembly by May 15 of each year.

(h) State Board Rules. — The State Board of Education shall adopt rules necessary for the implementation of class size and teaching load provisions.

(i) Penalty for Noncompliance. — If the State Board of Education determines that a local superintendent has willfully failed to comply with the requirements of this section, no State funds shall be allocated to pay the superintendent's salary for the period of time the superintendent is in noncompliance. (1955, c. 1372, art. 6, s. 6; 1963, c. 688, s. 3; 1965, c. 584, s. 6; 1969, c. 539; 1973, c. 770, ss. 1, 2; 1975, c. 965, s. 3; 1977, c. 1088, s. 4; 1981, c. 423, s. 1; 1983 (Reg. Sess., 1984), c. 1034, ss. 12, 13; 1985, c. 479, s. 55(b)(3)b; 1987, c. 738, s. 181; 1987 (Reg. Sess., 1988), c. 1025, s. 15; c. 1086, s. 89(a).)

Cross References. — As to the allotment of classified principals, see § 115C-284.

Editor's Note. — Session Laws 1997-443, s. 8.13, provides: "The expansion budget funds appropriated by the 1993 and 1995 General Assemblies to provide teacher positions to reduce class size in kindergarten through second grade shall be allocated by the State Board of Education to local school administrative units on the basis of one teacher for every 23 students in each grade. Local school administrative units shall use these funds (i) to reduce class size in kindergarten through second grade or (ii) to hire reading teachers within kindergarten through second grade or otherwise reduce

the student-teacher ratio within kindergarten through second grade.

"Notwithstanding the provisions of g.S. 115C-301(c), both the maximum average class size for the grade span kindergarten, first grade, and second grade, and the maximum size of an individual class within the grade span shall be 26 students."

Session Laws 1997-443, s. 35.2, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1997-99 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1997-99 fiscal biennium."

CASE NOTES

Jurisdiction. — Because the legislature failed to provide for judicial review of suspensions of 10 days or less, there is no jurisdiction for review in this statute of more general appli-

cability. *Stewart v. Johnston County Bd. of Educ.*, 129 N.C. App. 108, 498 S.E.2d 382 (1998).

§ 115C-301.1. Duty free period.

All full-time assigned classroom teachers shall be provided a daily duty free period during regular student contact hours. The duty free period shall be provided to the maximum extent that (i) the safety and proper supervision of children may allow during regular student contact hours and (ii) insofar as funds are provided for this purpose by the General Assembly. If the safety and supervision of children does not allow a daily duty free period during regular student contact hours for a given teacher, the funds provided by the General Assembly for the duty free period for that teacher shall revert to the general fund. Principals shall not unfairly burden a given teacher by making that

teacher give up his or her duty free period on an ongoing, regular basis without the consent of the teacher. (1983, c. 761, s. 88; 1999-163, s. 1.)

Effect of Amendments. — Session Laws 1999-163, s. 1, effective July 1, 1999, and applicable to all school years beginning with the 1999-2000 school year, added the last sentence.

§ 115C-302: Repealed by Session Laws 1997-443, s. 8.38(d).

Editor's Note. — This section was amended by Session Laws 1997-456, s. 17, effective August 29, 1997. Because of the repeal by Session Laws 1997-443, s. 8.38(d), the amendment was not given effect.

§ 115C-302.1. (See note) Salary.

(a) Prompt Payment. — Teachers shall be paid promptly when their salaries are due provided the legal requirements for their employment and service have been met. All teachers employed by any local school administrative unit who are to be paid from local funds shall be paid promptly as provided by law and as State-allotted teachers are paid.

(b) Salary Payments. — State-allotted teachers shall be paid for a term of 10 months. State-allotted months of employment for vocational education to local boards shall be used for the employment of teachers of vocational and technical education for a term of employment to be determined by the local boards of education. However, local boards shall not reduce the term of employment for any vocational agriculture teacher personnel position that was 12 calendar months for the 1982-83 school year for any school year thereafter.

Each local board of education shall establish a set date on which monthly salary payments to State-allotted teachers shall be made. This set pay date may differ from the end of the month of service. The daily rate of pay for teachers shall equal one twenty-second of the monthly rate of pay.

Teachers may be prepaid on the monthly pay date for days not yet worked. A teacher who fails to attend scheduled workdays or who has not worked the number of days for which the teacher has been paid and who resigns, is dismissed, or whose contract is not renewed shall repay to the local board any salary payments received for days not yet worked. A teacher who has been prepaid and continues to be employed by a local board but fails to attend scheduled workdays may be subject to dismissal under G.S. 115C-325 or other appropriate discipline.

Any individual teacher who is not employed in a year-round school may be paid in 12 monthly installments if the teacher so requests on or before the first day of the school year. The request shall be filed in the local school administrative unit which employs the teacher. The payment of the annual salary in 12 installments instead of 10 shall not increase or decrease the teacher's annual salary nor in any other way alter the contract made between the teacher and the local school administrative unit. Teachers employed for a period of less than 10 months shall not receive their salaries in 12 installments.

(c) Vacation. — Included within the 10-month term shall be annual vacation leave at the same rate provided for State employees, computed at one-twelfth of the annual rate for State employees for each month of employment. Local boards shall provide at least 10 days of annual vacation leave at a time when students are not scheduled to be in regular attendance. However, instructional personnel who do not require a substitute may use annual vacation leave on days that students are in attendance. Vocational and technical education teachers who are employed for 11 or 12 months may, with prior approval of the principal, work on annual vacation leave days designated in the school calendar and may use those annual vacation leave days during the eleventh or twelfth month of employment.

On a day that pupils are not required to attend school due to inclement weather, but employees are required to report for a workday, a teacher may elect not to report due to hazardous travel conditions and to take an annual vacation day or to make up the day at a time agreed upon by the teacher and the teacher's immediate supervisor or principal. On a day that school is closed to employees and pupils due to inclement weather, a teacher shall work on the scheduled makeup day.

All vacation leave taken by the teacher will be upon the authorization of the teacher's immediate supervisor and under policies established by the local board of education. Annual vacation leave shall not be used to extend the term of employment.

Notwithstanding any provisions of this subsection to the contrary, no person shall be entitled to pay for any vacation day not earned by that person.

(c1) Conversion of Leave. — Teachers may accumulate annual vacation leave days without any applicable maximum until June 30 of each year. In order that only 30 days of annual vacation leave carry forward to July 1, on June 30 of each year any teacher or other personnel paid on the teacher salary schedule who has accumulated more than 30 days of annual vacation leave shall:

- (1) Convert to either sick leave or to pay the excess accumulation that is the result of the teacher having to forfeit annual vacation leave in order to attend required workdays; and
- (2) Convert to sick leave the remaining excess accumulation.

Local boards of education shall identify which days are accumulated due to the teacher forfeiting annual vacation leave in order to attend required workdays. Actual payment for excess accumulated annual vacation leave may be made after July 1.

(c2) Conversion of Leave Upon Separation of Service. — Upon separation from service due to service retirement, resignation, dismissal, reduction in force, or death, an employee shall be paid in a lump sum for accumulated annual vacation leave not to exceed a maximum of 30 days. Employees going onto term disability may exhaust annual leave rather than be paid in a lump sum.

Any teacher or other personnel paid on the teacher salary schedule who has more than 30 days of accumulated annual vacation leave at the time the person retires shall:

- (1) Convert to either sick leave or to pay the excess accumulation that is the result of the teacher having to forfeit annual vacation leave in order to attend required workdays; and
- (2) Convert to sick leave the remaining excess accumulation which may be used for creditable service at retirement in accordance with G.S. 135-4(e).

Local boards of education shall identify which days are accumulated due to the teacher forfeiting annual vacation leave in order to attend required workdays.

(d) Personal Leave. — Teachers earn personal leave at the rate of .20 days for each full month of employment not to exceed two days per year. Personal leave may be accumulated to a maximum of five days. Personal leave may be used only upon the authorization of the teacher's immediate supervisor, but if the request is made at least five days in advance, the teacher cannot be required to provide a reason for the request. Unless approved by the principal, a teacher shall not take personal leave on the first day the teacher is required to report for the school year, on required teacher workdays, or on the day before or the day after holidays or scheduled vacation days. Teachers may transfer personal leave days between local school administrative units. The local school administrative unit shall credit a teacher who has separated from service and is reemployed within 60 months from the date of separation with all personal

leave accumulated at the time of separation. Local school administrative units shall not advance personal leave. Teachers using personal leave receive full salary less the required substitute deduction.

(e) **Teachers in Year-Round Schools.** — Compensation for teachers employed in year-round schools shall be the same as teachers paid for a 10-month term, but those days may be scheduled over 12 calendar months. Annual leave, sick leave, workdays, holidays, salary, and longevity for teachers who are employed at year-round schools shall be equivalent to those of other teachers employed for the same number of months, respectively. Teachers paid for a term of 10 months in year-round schools shall receive their salary in 12 equal installments.

(f) **Overpayment.** — Each local board of education shall sustain any loss by reason of an overpayment to any teacher paid from State funds.

(g) **Service in Armed Forces.** — The State Board of Education, in fixing the State standard salary schedule of teachers as authorized by law, shall provide that teachers who entered the armed or auxiliary forces of the United States after September 16, 1940, and who left their positions for such service shall be allowed experience increments for the period of such service as though the same had not been interrupted thereby, in the event such persons return to the position of teachers, principals, and superintendents in the public schools of the State after having been honorably discharged from the armed or auxiliary forces of the United States.

(h) **Teachers Paid From Other Funds.** — Every local board of education may adopt, as to teachers not paid out of State funds, a salary schedule similar to the State salary schedule, but it likewise shall recognize a difference in salaries based on different duties, training, experience, professional fitness, and continued service in the same school system. If a local board of education does not adopt a local salary schedule, the State salary schedule shall apply. No teacher shall receive a salary higher than that provided in the salary schedule, unless by action of the board of education a higher salary is allowed for special fitness, special duties, or under extraordinary circumstances.

When a higher salary is allowed, the minutes of the board shall show what salary is allowed and the reason. A board of education may authorize the superintendent to supplement the salaries of all teachers from local funds, and the minutes of the board shall show what increase is allowed each teacher.

(i) **Longevity Pay.** — Longevity pay shall be based on the annual salary on the employee's anniversary date.

(j) **Parental Leave.** — A teacher may use annual leave, personal leave, or leave without pay to care for a newborn child or for a child placed with the teacher for adoption or foster care. The leave may be for consecutive workdays during the first 12 months after the date of birth or placement of the child, unless the teacher and local board of education agree otherwise. (1997-443, s. 8.38(e); 1999-237, s. 28.26(a), (b).)

Editor's Note. — Session Laws 1997-443, s. 8.38(o), provides that the daily rate of pay provisions in section 8.38(e), which added this section, become effective July 1, 1998, and that all other provisions become effective July 1, 1997. It also provides, in part: "For the 1997-98 fiscal year, the provisions of G.S. 115C-302.1(c), as enacted by subsection (e) of this section, that permit teachers to opt to have excess vacation leave converted to pay apply only if a local board of education or a school principal in consultation with the school improvement team opts to require the teachers to work on these days."

Session Laws 1999-237, s. 1.1 provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 1999.'"

Session Laws 1999-237, s. 30.4 contains a severability clause.

Effect of Amendments. — Session Laws 1999-237, s. 28.26(a) and (b), effective July 1, 1999, deleted the former fourth and fifth paragraphs of subsection (c) regarding accumulation of annual vacation leave for teachers and accumulated annual vacation leave lump sums; and added subsections (c1) and (c2).

§ 115C-303. Withholding of salary.

(a) No teacher shall be placed on the payroll of a local school administrative unit unless he holds a certificate as required by law, and unless a copy of the teacher's contract has been filed with the superintendent. No teacher may be paid more than he is due under the local school salary schedule in force in the local school administrative unit. Substitute and interim teachers shall be paid under rules of the State Board of Education.

(b) The board of education may withhold the salary of any teacher who delays or refuses to render such reports as are required by law, but when the reports are delivered in accordance with law, the salary shall be paid forthwith. (1955, c. 1372, art. 6, ss. 11, 13; 1975, c. 437, ss. 8, 9; 1981, c. 423, s. 1; 1985 (Reg. Sess., 1986), c. 975, s. 19.)

Editor's Note. — Session Laws 1995, c. 450, s. 24, provides for the rate of pay of substitute teachers, and provides: "Deductions in salaries

for teachers on leave who require a deduction in salary for substitute pay shall be at a standard rate of fifty dollars (\$50.00) per day."

§ 115C-304. Teacher tenure.

Tenure of teachers shall be determined in accordance with the provisions of G.S. 115C-325. (1981, c. 423, s. 1.)

§ 115C-305. Appeals to board of education and to superior court.

Appeals to the local board of education or to the superior court shall lie from the decisions of all school personnel, including decisions affecting character or the right to teach, as provided in G.S. 115C-45(c). (1981, c. 423, s. 1.)

CASE NOTES

This section indicates an intention to extend the right of appeal in public school personnel decisions far beyond the confines of the former law. *Warren v. Buncombe County Bd. of Educ.*, 80 N.C. App. 656, 343 S.E.2d 225 (1986).

Construction. — Because § 115C-45(c) and this section both deal with appellate review of decisions of all school personnel to the local board of education and to the superior court, courts will construe these statutes in *pari materia* and reconcile them so that each may be given effect. *Williams v. New Hanover County Bd. of Educ.*, 104 N.C. App. 425, 409 S.E.2d 753 (1991).

To accomplish the legislative purpose behind §§ 115C-45(c) and this section, the "or" in this section must be read conjunctively as an "and." This construction will preserve the long-recognized policy of judicial restraint in the context of judicial review of school personnel decisions while giving effect to both sections. *Williams v. New Hanover County Bd. of Educ.*, 104 N.C. App. 425, 409 S.E.2d 753 (1991).

Appeal to Superior Court Not Precluded. — An appeal to the local board of education does not preclude an appeal to the

superior court. *Williams v. New Hanover County Bd. of Educ.*, 104 N.C. App. 425, 409 S.E.2d 753 (1991).

Procedure for Judicial Review. — A party must exhaust his administrative remedies before seeking redress in the courts. Therefore, a teacher may not seek judicial review in superior court without first appealing the school personnel action to the local board of education. *Williams v. New Hanover County Bd. of Educ.*, 104 N.C. App. 425, 409 S.E.2d 753 (1991).

Standards for Judicial Review. — The standards for judicial review set forth in § 150B-51, the whole record test, govern appeals from decisions of city or county boards of education. *Warren v. New Hanover County Bd. of Educ.*, 104 N.C. App. 522, 410 S.E.2d 232 (1991).

Appeal to Superior Court. — A teacher who is denied a promotion under the career ladder program may appeal to the superior court after exhausting his administrative remedies by appealing to the local board of education. *Warren v. New Hanover County Bd. of Educ.*, 104 N.C. App. 522, 410 S.E.2d 232 (1991).

Final Administrative Action. — The local

board's review of the three-member appeals panel's decision as provided in § 115C-363.3(c) constituted the final administrative action required before a party participating in the career ladder program may appeal to superior court pursuant to this section. *Williams v. New Hanover County Bd. of Educ.*, 104 N.C. App. 425, 409 S.E.2d 753 (1991).

Appeal of Acceptance of Resignation. — Principal who delivered a letter of resignation

to school superintendent and one week later sought unsuccessfully to withdraw it had the right under this section to appeal from the decision of the county board of education approving acceptance of his resignation. *Warren v. Buncombe County Bd. of Educ.*, 80 N.C. App. 656, 343 S.E.2d 225 (1986).

§ 115C-307. Duties of teachers.

(a) **To Maintain Order and Discipline.** — It shall be the duty of all teachers, including student teachers, substitute teachers, voluntary teachers, and teacher assistants when given authority over some part of the school program by the principal or supervising teacher, to maintain good order and discipline in their respective schools. A teacher, student teacher, substitute teacher, voluntary teacher, or teacher assistant shall report to the principal acts of violence in school and students suspended or expelled from school as required to be reported in accordance with State Board policies.

(b) **To Provide for General Well-Being of Students.** — It shall be the duty of all teachers, including student teachers, substitute teachers, voluntary teachers, and teacher assistants when given authority over some part of the school program by the principal or supervising teacher, to encourage temperance, morality, industry, and neatness; to promote the health of all pupils, especially of children in the first three grades, by providing frequent periods of recreation, to supervise the play activities during recess, and to encourage wholesome exercises for all children.

(c) **To Provide Some Medical Care to Students.** — It is within the scope of duty of teachers, including substitute teachers, teacher assistants, student teachers or any other public school employee when given such authority by the board of education or its designee, (i) to administer any drugs or medication prescribed by a doctor upon written request of the parents, (ii) to give emergency health care when reasonably apparent circumstances indicate that any delay would seriously worsen the physical condition or endanger the life of the pupil, and (iii) to perform any other first aid or life saving techniques in which the employee has been trained in a program approved by the State Board of Education: Provided, that no one shall be required to administer drugs or medication or attend life saving techniques programs.

Any public school employee, authorized by the board of education or its designee to act under (i), (ii), or (iii) above, shall not be liable in civil damages for any such authorized act or for any omission relating to such act unless such act or omission amounts to gross negligence, wanton conduct or intentional wrongdoing. Any person, serving in a voluntary position at the request of or with the permission or consent of the board of education or its designee, who has been given the authority by the board of education or its designee to act under (ii) above shall not be liable in civil damages for any such authorized act or for any omission relating to such act unless the act amounts to gross negligence, wanton conduct or intentional wrongdoing.

At the commencement of each school year, but prior to the beginning of classes, and thereafter as circumstances require, the principal of each school shall determine which persons will participate in the medical care program.

(d) **To Teach the Students.** — It shall be the duty of all teachers, including student teachers, substitute teachers, voluntary teachers, and teacher assis-

tants when given authority over some part of the school program by the principal or supervising teacher, to teach as thoroughly as they are able all branches which they are required to teach; to provide for singing in the school, and so far as possible to give instruction in the public school music.

(e) To Enter into the Superintendent's Plans for Professional Growth. — It shall be the duty of all teachers, including student teachers, substitute teachers, voluntary teachers, and teacher assistants when given authority over some part of the school program by the principal or supervising teacher, to enter actively into the plans of the superintendent for the professional growth of the teachers.

(f) To Discourage Nonattendance. — Teachers shall cooperate with the principal in ascertaining the cause of nonattendance of pupils that he may report all violators of the compulsory attendance law to the school social worker in accordance with rules promulgated by the State Board of Education.

(g) To Make Required Reports. — Every teacher of a public school shall make such reports as are required by the boards of education, and the superintendent shall not approve the vouchers for the pay of teachers until the required monthly and annual reports are made: Provided, that the superintendents may require teachers to make reports to the principals. Provided further, that any teacher who knowingly and willfully makes or procures another to make any false report or records, requisitions, or payrolls, respecting daily attendance of pupils in the public schools, payroll data sheets, or other reports required to be made to any board or officer in the performance of their duties, shall be guilty of a Class 1 misdemeanor and the certificate of such person to teach in the public schools of North Carolina shall be revoked by the Superintendent of Public Instruction.

CASE NOTES

Editor's Note. — *Some of the cases below were decided under corresponding provisions of former Chapter 115.*

Local school boards and school officials have the implied right to adopt appropriate and reasonable rules and regulations for the purpose of carrying out their powers and duties. *Fowler v. Williamson*, 39 N.C. App. 715, 251 S.E.2d 889 (1979).

Regulations prescribing a teacher's speech and conduct are necessarily broad; they cannot possibly mention every specific kind of misconduct. The application of the regulations in each case depends on many factors, such as the age and sophistication of the students, the closeness of the relation between the specific technique used and some concededly valid educational objective, and the context and

manner of presentation. *Frison v. Franklin County Bd. of Educ.*, 596 F.2d 1192 (4th Cir. 1979).

Teachers who are entrusted with the care of small children and adolescents are intended by parents, citizenry and lawmakers alike to serve as good examples for their young charges. Their character and conduct may be expected to be above those of the average individual not working in so sensitive a relationship as that of teacher to pupil. *Faulkner v. New Bern-Craven County Bd. of Educ.*, 311 N.C. 42, 316 S.E.2d 281 (1984).

Applied in *Faulkner v. New Bern-Craven County Bd. of Educ.*, 65 N.C. App. 483, 309 S.E.2d 548 (1983); *Crump v. Durham County Bd. of Educ.*, 74 N.C. App. 77, 327 S.E.2d 599 (1985).

§ 115C-308. Rules for teacher's conduct.

The conduct of teachers, the kind of reports they shall make, and their duties in the care of school property are subject to the rules and regulations of the local board, as provided in G.S. 115C-47(18). (1981, c. 423, s. 1.)

§ 115C-309. Student teachers.

(a) Student Teacher and Student Teaching Defined. — A “student teacher” is any student enrolled in an institution of higher education approved by the State Board of Education for the preparation of teachers who is jointly assigned by that institution and a local board of education to student-teach under the direction and supervision of a regularly employed certified teacher.

“Student teaching” may include those duties granted to a teacher by G.S. 115C-307 and 115C-390 and any other part of the school program for which either the supervising teacher or the principal is responsible.

(b) Legal Protection. — A student teacher under the supervision of a certified teacher or principal shall have the protection of the laws accorded the certified teacher.

(c) Assignment of Duties. — It shall be the responsibility of a supervising teacher, in cooperation with the principal and the representative of the teacher-preparation institution, to assign to the student teacher responsibilities and duties that will provide adequate preparation for teaching. (1969, c. 638, s. 1; 1981, c. 423, s. 1.)

ARTICLE 21.***Other Employees.*****§ 115C-315. Hiring of school personnel.**

(a) Janitors and Maids. — In the city administrative units, janitors and maids shall be appointed by the board of education of such local school administrative unit upon the recommendation of the superintendent.

(b) Election by Local Boards. — School personnel shall be elected by the local board of education upon the recommendation of the superintendent, in accordance with the provisions of G.S. 115C-276(j).

It is the policy of the State of North Carolina to encourage and provide for the most efficient and cost-effective method of meeting the needs of local school administrative units for noncertified support personnel. To this end, the State Board of Education shall recommend to the General Assembly by November 1, 1984, a system using factors and formulas to determine the total number of noncertified support personnel allotted to local school administrative units. The recommended system for allotting noncertified support personnel shall include the proposed State's funding obligation for these positions and shall be developed in consultation with school-based support personnel or their representatives.

(c) Prerequisites for Employment. — All professional personnel employed in the public schools of the State or in schools receiving public funds shall be required either to hold or be qualified to hold a certificate in compliance with the provision of the law or in accordance with the regulations of the State Board of Education: Provided, that nothing herein shall prevent the employ-

ment of temporary personnel under such rules as the State Board of Education may prescribe.

(d) **Certification for Professional Positions.** — The State Board of Education shall have entire control of certifying all applicants for professional positions in all public elementary and high schools of North Carolina; and it shall prescribe the rules and regulations for the renewal and extension of all certificates and shall determine and fix the salary for each grade and type of certificate which it authorizes: Provided, that the State Board of Education shall require each applicant for an initial certificate or graduate certificate to demonstrate his or her academic and professional preparation by achieving a prescribed minimum score at least equivalent to that required by the Board on November 30, 1972, on a standard examination appropriate and adequate for that purpose: Provided, further, that in the event the Board shall specify the National Teachers Examination for this purpose, the required minimum score shall not be lower than that which the Board required on November 30, 1972.

(e) Repealed by Session Laws 1989, c. 385, s. 3.

(f) **Employing Persons Not Holding Nor Qualified to Hold Certificate.** — It shall be unlawful for any board of education to employ or keep in service any professional person who neither holds nor is qualified to hold a certificate in compliance with the provisions of the law or in accordance with the regulations of the State Board of Education. (1955, c. 1372, art. 5, s. 4; art. 18, ss. 1-4; 1965, c. 584, s. 20.1; 1973, c. 236; 1975, c. 437, s. 7; c. 686, s. 1; c. 731, ss. 1, 2; 1981, c. 423, s. 1; 1983 (Reg. Sess., 1984), c. 1103, s. 9; 1985 (Reg. Sess., 1986), c. 975, s. 16; 1989, c. 385, s. 3.)

CASE NOTES

Speech Pathologists. — State Board of Education does not have the power to credential speech pathologists pursuant to their regulatory authority over the qualifications of school employees; the Licensure Act for Speech and Language Pathologists and Audiologists (§ 90-292) alone governs the qualification of

persons practicing speech pathology, no matter what the setting. *North Carolina Bd. of Exmrs. for Speech & Language Pathologists & Audiologists v. North Carolina State Bd. of Educ.*, 122 N.C. App. 15, 468 S.E.2d 826 (1996), *aff'd*, 345 N.C. 493, 480 S.E.2d 50 (1997).

OPINIONS OF ATTORNEY GENERAL

Salary and Hours of Certified Employee. — N.C. Const., Art. IX, § 5 and §§ 115C-12(9), 115C-272(a), 115C-284(c), and 115C-296 and subsection (d) of this section give the State Board of Education the authority to establish

salary schedules for all certified employees and to establish the amount of work required to earn those salaries. See opinion of Attorney General to Mr. James O. Barber, Controller, State Board of Education, 55 N.C.A.G. 1 (1985).

§ 115C-316. Salary and vacation.

(a) School officials and other employees shall be paid promptly when their salaries are due provided the legal requirements for their employment and service have been met. All school officials and other employees employed by any local school administrative unit who are to be paid from local funds shall be paid promptly as provided by law and as state-allotted school officials and other employees are paid.

Public school employees paid from State funds shall be paid as follows:

- (1) **Employees Other than Superintendents, Supervisors and Classified Principals on an Annual Basis.** — Each local board of education shall establish a set date on which monthly salary payments to employees other than superintendents, supervisors, and classified principals employed on an annual basis, shall be made. This set pay date may

differ from the end of the calendar month of service. Employees may be prepaid on the monthly pay date for days not yet worked. An employee who fails to attend scheduled workdays or who has not worked the number of days for which the employee has been paid and who resigns or is dismissed shall repay to the local board any salary payments received for days not yet worked. An employee who has been prepaid and who continues to be employed by a local board but fails to attend scheduled workdays may be subject to dismissal or other appropriate discipline. The daily rate of pay shall equal the number of weekdays in the pay period. Included within their term of employment shall be annual vacation leave at the same rate provided for State employees, computed at one-twelfth (1/12) of the annual rate for state employees for each calendar month of employment. On a day that employees are required to report for a workday but pupils are not required to attend school due to inclement weather, an employee may elect not to report due to hazardous travel conditions and to take one of the employee's annual vacation days or to make up the day at a time agreed upon by the employee and the employee's immediate supervisor or principal. On a day that school is closed to employees and pupils due to inclement weather, an employee shall work on the scheduled makeup day. Included within their term of employment each local board of education shall designate the same or an equivalent number of legal holidays as those designated by the State Personnel Commission for State employees.

- (2) School Employees Paid on an Hourly or Other Basis. — Salary payments to employees other than those covered in G.S. 115C-272(b)(1), 115C-285(a)(1) and (2), 115C-302.1(b) and 115C-316(a)(1) shall be made at a time determined by each local board of education. Expenditures for the salary of these employees from State funds shall be within allocations made by the State Board of Education and in accordance with rules and regulations approved by the State Board of Education concerning allocations of State funds: Provided, that school employees employed for a term of 10 calendar months in year-round schools shall be paid in 12 equal installments: Provided further, that any individual school employee employed for a term of 10 calendar months who is not employed in a year-round school may be paid in 12 monthly installments if the employee so requests on or before the first day of the school year. Such request shall be filed in the administrative unit which employs the employee. The payment of the annual salary in 12 installments instead of 10 shall not increase or decrease said annual salary nor in any other way alter the contract between the employee and the said administrative unit. Employees may be prepaid on the set pay date for days not yet worked. An employee who fails to attend scheduled workdays or who has not worked the number of days for which the employee has been paid and who resigns or is dismissed shall repay to the local board any salary payments received for days not yet worked. An employee who has been prepaid and who continues to be employed by a local board but fails to attend scheduled workdays may be subject to dismissal or other appropriate discipline. The daily rate of pay shall equal the number of weekdays in the pay period. Included within the term of employment shall be provided for full-time employees annual vacation leave at the same rate provided for State employees, computed at one-twelfth (1/12) of the annual rate for State employees for each calendar month of employment, to be

taken under policies determined by each local board of education. On a day that employees are required to report for a workday but pupils are not required to attend school due to inclement weather, an employee may elect not to report due to hazardous travel conditions and to take one of his annual vacation days or to make up the day at a time agreed upon by the employee and his immediate supervisor or principal. On a day that school is closed to employees and pupils due to inclement weather, the employee shall work on the scheduled makeup day. Included within their term of employment, each local board of education shall designate the same or an equivalent number of legal holidays occurring within the period of employment as those designated by the State Personnel Commission for State employees.

- (3) Notwithstanding any provisions of this section to the contrary no person shall be entitled to pay for any vacation day not earned by that person. The first 10 days of annual leave earned by a 10- or 11-month employee during any fiscal year period shall be scheduled to be used in the school calendar adopted by the respective local boards of education. Vacation days shall not be used for extending the term of employment of individuals. Ten- or 11-month employees may accumulate annual vacation leave days as follows: annual leave may be accumulated without any applicable maximum until June 30 of each year. On June 30 of each year, any of these employees with more than 30 days of accumulated leave shall have the excess accumulation converted to sick leave so that only 30 days are carried forward to July 1 of the same year. All vacation leave taken by these employees shall be upon the authorization of their immediate supervisor and under policies established by the local board of education. Vacation leave for instructional personnel who do not require a substitute shall not be restricted to days that students are not in attendance. An employee shall be paid in a lump sum for accumulated annual leave not to exceed a maximum of 240 hours or 30 days when separated from service due to resignation, dismissal, reduction in force, death or service retirement. Upon separation from service due to service retirement, any annual vacation leave over 30 days will convert to sick leave and may be used for creditable service at retirement in accordance with G.S. 135-4(e). If the last day of terminal leave falls on the last workday in the month, payment shall be made for the remaining nonworkdays in that month. Employees retiring on disability retirement may exhaust annual leave rather than be paid in a lump sum. The provisions of this subdivision shall be accomplished without additional State and local funds being appropriated for this purpose. The State Board of Education shall adopt rules and regulations for the administration of this subdivision.
- (4) Twelve-month school employees other than superintendents, supervisors and classified principals paid on an hourly or other basis whether paid from State or from local funds may accumulate annual vacation leave days as follows: annual leave may be accumulated without any applicable maximum until June 30 of each year. On June 30 of each year, any employee with more than 30 days of accumulated leave shall have the excess accumulation converted to sick leave so that only 30 days are carried forward to July 1 of the same year. All vacation leave taken by the employee will be upon the authorization of his immediate supervisor and under policies established by the local board of education. An employee shall be paid in a lump sum for accum-

ulated annual leave not to exceed a maximum of 240 hours or 30 days when separated from service due to resignation, dismissal, reduction in force, death, or service retirement. Upon separation from service due to service retirement, any annual vacation leave over 30 days will convert to sick leave and may be used for creditable service at retirement in accordance with G.S. 135-4(e). If the last day of terminal leave falls on the last workday in the month, payment shall be made for the remaining nonworkdays in that month. Employees retiring on disability retirement may exhaust annual leave rather than be paid in a lump sum. The provisions of this subdivision shall be accomplished without additional State and local funds being appropriated for this purpose. The State Board of Education shall adopt rules and regulations for the administration of this subdivision.

- (4a) Employees employed on a 10- or 11-month basis at year-round schools shall be employed for the same total number of days as employees employed for a period of 10 or 11 calendar months, respectively, but those days may be scheduled over 12 calendar months. Annual leave, sick leave, workdays, holidays, salary, and longevity, for employees who are employed on a 10- or 11-month basis at year-round schools, shall be equivalent to those of employees employed for 10 or 11 calendar months, respectively.
- (5) All of the foregoing provisions of this section shall be subject to the requirement that at least fifty dollars (\$50.00), or other minimum amount required by federal social security laws, of the compensation of each school employee covered by the Teachers' and State Employees' Retirement System or otherwise eligible for social security coverage shall be paid in each of the four quarters of the calendar year.
- (6) Each local board of education shall sustain any loss by reason of an overpayment to any school official or other employee paid from State funds.

(b) Every local board of education may adopt, as to school officials other than superintendents, principals and supervisors not paid out of State funds, a salary schedule similar to the State salary schedule, but it likewise shall recognize a difference in salaries based on different duties, training, experience, professional fitness, and continued service in the same school system; but if any local board of education shall fail to adopt such a schedule, the State salary schedule shall be in force.

(c) Longevity pay for 10-month employees is based on their annual salary and the longevity percentage may not be reduced by prorating the longevity pay for 10-month employees over a 12-month period.

(d) **(Expires June 30, 2003)** A local board of education may pay a retired teacher, as that term is defined in G.S. 115C-325(a)(5a) no more than the employee would have received on the teacher salary schedule, excluding longevity, had the employee not retired. No local school administrative unit shall be required to participate in the pilot. A local board participating in the pilot shall bear all of the cost of recouping funds prepaid for work never done and the cost of these funds cannot be recouped.

Further, the State Board of Education shall report to the Joint Legislative Education Oversight Committee on the pilot program prior to September 15, 1998.

CASE NOTES

This section is specific in its authorization to county boards of education to designate the required number of legal holidays. It thus con-

trols over the general language of § 103-4. *Fleming v. Vance County Bd. of Educ.*, 60 N.C. App. 263, 298 S.E.2d 733 (1983).

§ 115C-317. Penalty for making false reports or records.

Any school employee of the public schools other than a superintendent, principal, or teacher, who knowingly and willfully makes or procures another to make any false report or records, requisitions, or payrolls, respecting daily attendance of pupils in the public schools, payroll data sheets, or other reports required to be made to any board or officer in the performance of his duties, shall be guilty of a Class 1 misdemeanor and the certificate of such person to teach in the public schools of North Carolina shall be revoked by the Superintendent of Public Instruction. (1955, c. 1372, art. 17, s. 6; 1959, c. 1294; 1981, c. 423, s. 1; 1993, c. 539, s. 885; 1994, Ex. Sess., c. 24, s. 14(c).)

The insurance shall cover claims made for injury liability and property damage liability on account of an act done or an omission made in the course of the employee's duties. As provided by law or the rules and policies of the State Board of Education or the local school administrative unit, the State Board of Education shall comply with the State's laws in securing the insurance and shall provide it at the earliest possible date for the 1982-83 school year. Nothing in this section shall prevent the State Board from furnishing the same liability insurance protection for nonteaching public school personnel not supported by State funds, provided that the cost of the protection shall be funded from the same source that supports the salaries of these employees. (1981 (Reg. Sess., 1982), c. 1399, s. 3; 1993, c. 522, s. 4; 1995, c. 450, s. 22.)

- (3) Members of the local board of education and the board's attorney;
- (4) A party by authority of a subpoena or proper court order may inspect and examine a particular confidential portion of an employee's personnel file.

Notwithstanding any other provision of this Chapter, any superintendent may, in his discretion, or shall at the direction of the Board of Education, inform any person or corporation of any promotion, demotion, suspension, reinstatement, transfer, separation, dismissal, employment or nonemployment of any applicant, employee or former employee employed by or assigned to the local board of education or whose personnel file is maintained by the board and the reasons therefor and may allow the personnel file of the person or any portion to be inspected and examined by any person or corporation provided that the board has determined that the release of the information or the inspection and examination of the file or any portion is essential to maintaining the integrity of the board or to maintaining the level or quality of services provided by the board; provided, that prior to releasing the information or making the file or any portion available as provided herein, the superintendent shall prepare a memorandum setting forth the circumstances which he and the board deem to require the disclosure and the information to be disclosed. The memorandum shall be retained in the files of the superintendent and shall be a public record. (1987, c. 571, s. 1.)

§ 115C-322: Reserved for future codification purposes.

ARTICLE 22.

General Regulations.

Part 1. Health Certificate.

§ 115C-323. Employee health certificate.

All public school employees upon initial employment, and those who have been separated from public school employment more than one school year, including superintendents, supervisors, principals, teachers, and any other

employees in the public schools of the State, shall file in the office of the superintendent, before assuming his duties, a certificate from a physician licensed to practice medicine in the State of North Carolina, certifying that said person does not have tuberculosis in the communicable form, or other communicable disease, or any disease, physical or mental, which would impair the ability of the said person to perform effectively his duties. A local school board or a superintendent may require any person herein named to take a physical examination when deemed necessary.

Any public school employee who has been absent for more than 40 successive school days because of a communicable disease must, before returning to work, file with the superintendent a physician's certificate certifying that the individual is free from any communicable disease.

The examining physician shall make the aforesaid certificates on an examination form supplied by the Superintendent of Public Instruction. The certificate shall be issued only after a physical examination has been made at the time of the certification, and such examination shall be in accordance with rules and regulations adopted by the Superintendent of Public Instruction, with approval of the Secretary of Health and Human Services, and such rules and regulations may include the requirement of an X-ray chest examination for all new employees of the public school system.

It shall be the duty of the superintendent of the school in which the person is employed to enforce the provisions of this section.

Any person violating any of the provisions of this section shall be guilty of a Class 1 misdemeanor. (1955, c. 1372, art. 17, s. 1; 1957, c. 1357, ss. 2, 14; 1973, c. 476, s. 128; 1975, c. 72; 1981, c. 423, s. 1; 1985 (Reg. Sess., 1986), c. 975, s. 20; 1991, c. 342, s. 4; 1993, c. 539, s. 886; 1994, Ex. Sess., c. 24, s. 14(c); 1997-443, s. 11A.50.)

Editor's Note. — Session Laws 1985 (Reg. Sess., 1986), c. 975, which substituted "principals" for "district principals, building principals" in the first sentence of the first paragraph,

provided in s. 25 that the provisions of the act should not be construed to abolish or in any manner affect any supplemental tax or any local taxing district.

OPINIONS OF ATTORNEY GENERAL

Sufficiency of Health Card. — A health card furnished by the public health department was sufficient as a proper certification for food service employees and janitors if it contained the certification required by former § 115-143, which was similar to this section. A true copy of such health card furnished by the public health

department was sufficient if furnished to the superintendent of schools. This requirement applied also to substitute teachers. See opinion of the Attorney General to Mr. Harry C. Corbin, Superintendent, Transylvania County Schools, 40 N.C.A.G. 273 (1969), rendered under former Chapter 115.

Part 2. Payment of Wages After Death of Employee.

§ 115C-324. Disposition of payment due employees at time of death.

In the event of the death of any superintendent, teacher, principal, or other school employee to whom payment is due for or in connection with services rendered by such person or to whom has been issued any uncashed voucher for or in connection with services rendered, when there is no administration upon the estate of such person, such voucher may be cashed by the clerk of the superior court of the county in which such deceased person resided, or a voucher due for such services may be made payable to such clerk, who will treat such sums as a debt owed to the intestate under the provisions of G.S.

28-68 [G.S. 28A-25-6]. (1955, c. 1372, art. 18, s. 8; 1965, c. 395; 1981, c. 423, s. 1.)

Editor's Note. — Section 28-68, referred to in this section, was transferred and renumbered as § 28A-25-6 by Session Laws 1973, c. 1329.

(2) Repealed by Session Laws 1997, c. 221, s. 13(a).

(3) "Day" means calendar day. In computing any period of time, Rule 6 of the North Carolina Rules of Civil Procedure shall apply.

(4) "Demote" means to reduce the salary of a person who is classified or paid by the State Board of Education as a classroom teacher or as a school administrator. The word "demote" does not include: (i) a suspension without pay pursuant to G.S. 115C-325(f)(1); (ii) the elimination or reduction of bonus payments, including merit-based supplements, or a systemwide modification in the amount of any applicable local supplement; or (iii) any reduction in salary that results from the elimination of a special duty, such as the duty of an athletic coach or a choral director.

(4a) "Disciplinary suspension" means a final decision to suspend a teacher or school administrator without pay for no more than 60 days under G.S. 115C-325(f)(2).

G.S. 135-3(8)c. A retired teacher shall be treated the same as a probationary teacher except that a retired teacher is not eligible for career status.

(5b) "School administrator" means a principal, assistant principal, supervisor, or director whose major function includes the direct or indirect supervision of teaching or any other part of the instructional program as provided in G.S. 115C-287.1(a)(3).

(7) Redesignated as (a)(5a).

(8) "Year" for purposes of computing time as a probationary teacher shall be not less than 120 workdays performed as a probationary teacher in a full-time permanent position in a school year.

(b) Personnel Files. — The superintendent shall maintain in his office a personnel file for each teacher that contains any complaint, commendation, or suggestion for correction or improvement about the teacher's professional conduct, except that the superintendent may elect not to place in a teacher's file (i) a letter of complaint that contains invalid, irrelevant, outdated, or false information or (ii) a letter of complaint when there is no documentation of an attempt to resolve the issue. The complaint, commendation, or suggestion shall be signed by the person who makes it and shall be placed in the teacher's file only after five days' notice to the teacher. Any denial or explanation relating to such complaint, commendation, or suggestion that the teacher desires to make shall be placed in the file. Any teacher may petition the local board of education to remove any information from his personnel file that he deems invalid, irrelevant, or outdated. The board may order the superintendent to remove said information if it finds the information is invalid, irrelevant, or outdated.

The personnel file shall be open for the teacher's inspection at all reasonable times but shall be open to other persons only in accordance with such rules and regulations as the board adopts. Any preemployment data or other information obtained about a teacher before his employment by the board may be kept in a file separate from his personnel file and need not be made available to him. No data placed in the preemployment file may be introduced as evidence at a hearing on the dismissal or demotion of a teacher, except the data may be used to substantiate G.S. 115C-325(e)(1)g. or G.S. 115C-325(e)(1)o. as grounds for dismissal or demotion.

(c)(1) Election of a Teacher to Career Status. — Except as otherwise provided in subdivision (3) of this subsection, when a teacher has been employed by a North Carolina public school system for four consecutive years, the board, near the end of the fourth year, shall vote upon whether to grant the teacher career status. The board shall give the teacher written notice of that decision by June 15. If a majority of the board votes to grant career status to the teacher, and if it has notified the teacher of the decision, it may not rescind that action but must proceed under the provisions of this section for the demotion or dismissal of a teacher if it decides to terminate the teacher's employment. If a majority of the board votes against granting career status, the teacher shall not teach beyond the current school term. If the board fails to vote on granting career status:

a. It shall not reemploy the teacher for a fifth consecutive year;

b. As of June 16, the teacher shall be entitled to one month's pay as compensation for the board's failure to vote upon the issue of granting career status; and

- c. The teacher shall be entitled to an additional month's pay for every 30 days after June 16 that the board fails to vote upon the issue of granting career status.
- (2) Employment of a Career Teacher. — A teacher who has obtained career status in any North Carolina public school system need not serve another probationary period of more than two years. The board may grant career status immediately upon employing the teacher, or after the first or second year of employment. If a majority of the board votes against granting career status, the teacher shall not teach beyond the current term. If after two consecutive years of employment, the board fails to vote on the issue of granting career status:
 - a. It shall not reemploy the teacher for a third consecutive year;
 - b. As of June 16, the teacher shall be entitled to one month's pay as compensation for the board's failure to vote upon the issue of granting career status; and
 - c. The teacher shall be entitled to one additional month's pay for every 30 days beyond June 16 that the board fails to vote upon the issue of granting career status.
- (2a) Notice of Teachers Eligible to Achieve Career Status. — At least 30 days prior to any board action granting career status, the superintendent shall submit to the board a list of the names of all teachers who are eligible to achieve career status. Notwithstanding any other provision of law, the list shall be a public record under Chapter 132 of the General Statutes.
- (3) Ineligible for Career Status. — No employee of a local board of education except a teacher as defined by G.S. 115C-325(a)(6) is eligible to obtain career status or continue in a career status as a teacher if he no longer performs the responsibilities of a teacher as defined in G.S. 115C-325(a)(6). No person who is employed as a school administrator who did not acquire career status as a school administrator by June 30, 1997, shall have career status as an administrator. Further, no director or assistant principal is eligible to obtain career status as a school administrator unless he or she has already been conferred that status by the local board of education.
- (4) Leave of Absence. — A career teacher who has been granted a leave of absence by a board shall maintain his career status if he returns to his teaching position at the end of the authorized leave.
- (5) Consecutive Years of Service. — If a probationary teacher in a full-time permanent position does not work for at least 120 workdays in a school year because the teacher is on sick leave, disability leave, or both, that school year shall not be deemed to constitute (i) a consecutive year of service for the teacher or (ii) a break in the continuity in consecutive years of service for the teacher.
- (d) Career Teachers and Career School Administrators.
 - (1) A career teacher or career school administrator shall not be subjected to the requirement of annual appointment nor shall he be dismissed, demoted, or employed on a part-time basis without his consent except as provided in subsection (e).
 - (2)a. The provisions of this subdivision do not apply to a person who is ineligible for career status as provided by G.S. 115C-325(c)(3).
 - b. Repealed by Session Laws 1997, c. 221, s. 13(a).
 - c. Subject to G.S. 115C-287.1, when a teacher has performed the duties of supervisor or principal for three consecutive years, the board, near the end of the third year, shall vote upon his employment for the next school year. The board shall give him written notice of that decision by June 1 of his third year of

employment as a supervisor or principal. If a majority of the board votes to reemploy the teacher as a principal or supervisor, and it has notified him of that decision, it may not rescind that action but must proceed under the provisions of this section. If a majority of the board votes not to reemploy the teacher as a principal or supervisor, he shall retain career status as a teacher if that status was attained prior to assuming the duties of supervisor or principal. A supervisor or principal who has not held that position for three years and whose contract will not be renewed for the next school year shall be notified by June 1 and shall retain career status as a teacher if that status was attained prior to assuming the duties of supervisor or principal.

A year, for purposes of computing time as a probationary principal or supervisor, shall not be less than 145 workdays performed as a full-time, permanent principal or supervisor in a contract year.

A principal or supervisor who has obtained career status in that position in any North Carolina public school system may be required by the board of education in another school system to serve an additional three-year probationary period in that position before being eligible for career status. However, he may, at the option of the board of education, be granted career status immediately or after serving a probationary period of one or two additional years. A principal or supervisor with career status who resigns and within five years is reemployed by the same school system need not serve another probationary period in that position of more than two years and may, at the option of the board, be reemployed immediately as a career principal or supervisor or be given career status after only one year. In any event, if he is reemployed for a third consecutive year, he shall automatically become a career principal or supervisor.

(e) Grounds for Dismissal or Demotion of a Career Employee.

- (1) Grounds. — No career employee shall be dismissed or demoted or employed on a part-time basis except for one or more of the following:
- a. Inadequate performance.
 - b. Immorality.
 - c. Insubordination.
 - d. Neglect of duty.
 - e. Physical or mental incapacity.
 - f. Habitual or excessive use of alcohol or nonmedical use of a controlled substance as defined in Article 5 of Chapter 90 of the General Statutes.
 - g. Conviction of a felony or a crime involving moral turpitude.
 - h. Advocating the overthrow of the government of the United States or of the State of North Carolina by force, violence, or other unlawful means.
 - i. Failure to fulfill the duties and responsibilities imposed upon teachers or school administrators by the General Statutes of this State.
 - j. Failure to comply with such reasonable requirements as the board may prescribe.
 - k. Any cause which constitutes grounds for the revocation of the career teacher's teaching certificate or the career school administrator's administrator certificate.
 - l. A justifiable decrease in the number of positions due to district reorganization, decreased enrollment, or decreased funding, provided that there is compliance with subdivision (2).

- m. Failure to maintain his certificate in a current status.
 - n. Failure to repay money owed to the State in accordance with the provisions of Article 60, Chapter 143 of the General Statutes.
 - o. Providing false information or knowingly omitting a material fact on an application for employment or in response to a preemployment inquiry.
- (2) **Reduction in Force.** — Before recommending to a board the dismissal or demotion of the career employee pursuant to G.S. 115C-325(e)(1)l., the superintendent shall give written notice to the career employee by certified mail or personal delivery of his intention to make such recommendation and shall set forth as part of his recommendation the grounds upon which he believes such dismissal or demotion is justified. The notice shall include a statement to the effect that if the career employee within 15 days after receipt of the notice requests a review, he shall be entitled to have the proposed recommendations of the superintendent reviewed by the board. Within the 15-day period after receipt of the notice, the career employee may file with the superintendent a written request for a hearing before the board within 10 days. If the career employee requests a hearing before the board, the hearing procedures provided in G.S. 115C-325(j3) shall be followed. If no request is made within the 15-day period, the superintendent may file his recommendation with the board. If, after considering the recommendation of the superintendent and the evidence adduced at the hearing if there is one, the board concludes that the grounds for the recommendation are true and substantiated by a preponderance of the evidence, the board, if it sees fit, may by resolution order such dismissal. Provisions of this section which permit a hearing by a case manager shall not apply to a dismissal or demotion recommended pursuant to G.S. 115C-325(e)(1)l.
- When a career employee is dismissed pursuant to G.S. 115C-325(e)(1)l. above, his name shall be placed on a list of available career employees to be maintained by the board. Career employees whose names are placed on such a list shall have a priority on all positions in which they acquired career status and for which they are qualified which become available in that system for the three consecutive years succeeding their dismissal. However, if the local school administrative unit offers the dismissed career employee a position for which he is certified and he refuses it, his name shall be removed from the priority list.
- (3) **Inadequate Performance.** — In determining whether the professional performance of a career employee is adequate, consideration shall be given to regular and special evaluation reports prepared in accordance with the published policy of the employing local school administrative unit and to any published standards of performance which shall have been adopted by the board. Failure to notify a career employee of an inadequacy in his performance shall be conclusive evidence of satisfactory performance.
- (4) **Three-Year Limitation on Basis of Dismissal or Demotion.** — Dismissal or demotion under subdivision (1) above, except paragraphs g. and o. thereof, shall not be based on conduct or actions which occurred more than three years before the written notice of the superintendent's intention to recommend dismissal or demotion is mailed to the career employee. The three-year limitation shall not apply to dismissals or demotions pursuant to subdivision (1)b. above when the charge of immorality is based upon a career employee's sexual misconduct toward or sexual harassment of students or staff.

(f)(1) **Suspension without Pay.** — If a superintendent believes that cause exists for dismissing a career employee for any reason specified in G.S. 115C-325(e)(1) and that immediate suspension of the career employee is necessary, the superintendent may suspend the career employee without pay. Before suspending a career employee without pay, the superintendent shall meet with the career employee and give him written notice of the charges against him, an explanation of the bases for the charges, and an opportunity to respond. Within five days after a suspension under this paragraph, the superintendent shall initiate a dismissal, demotion, or disciplinary suspension without pay as provided in this section. If it is finally determined that no grounds for dismissal, demotion, or disciplinary suspension without pay exist, the career employee shall be reinstated immediately, shall be paid for the period of suspension, and all records of the suspension shall be removed from the career employee's personnel file.

(2) **Disciplinary Suspension Without Pay.** — A career employee recommended for suspension without pay pursuant to G.S. 115C-325(a)(4a) may request a hearing before the board. If no request is made within 15 days, the superintendent may file his recommendation with the board. If, after considering the recommendation of the superintendent and the evidence adduced at the hearing if one is held, the board concludes that the grounds for the recommendation are true and substantiated by a preponderance of the evidence, the board, if it sees fit, may by resolution order such suspension.

a. **Board hearing for disciplinary suspensions for more than 10 days or for certain types of intentional misconduct.** — The procedures for a board hearing under G.S. 115C-325(j3) shall apply if any of the following circumstances exist:

1. The recommended disciplinary suspension without pay is for more than 10 days; or
2. The disciplinary suspension is for intentional misconduct, such as inappropriate sexual or physical conduct, immorality, insubordination, habitual or excessive alcohol or nonmedical use of a controlled substance as defined in Article 5 of Chapter 90 of the General Statutes, any cause that constitutes grounds for the revocation of the teacher's or school administrator's certificate, or providing false information.

b. **Board hearing for disciplinary suspensions of no more than 10 days.** — The procedures for a board hearing under G.S. 115C-325(j2) shall apply to all disciplinary suspensions of no more than 10 days that are not for intentional misconduct as specified in G.S. 115C-325(f)(2)a.2.

(f1) **Suspension with Pay.** — If a superintendent believes that cause may exist for dismissing or demoting a career employee for any reasons specified in G.S. 115C-325(e)(1), but that additional investigation of the facts is necessary and circumstances are such that the career employee should be removed immediately from his duties, the superintendent may suspend the career employee with pay for a reasonable period of time, not to exceed 90 days. The superintendent shall notify the board of education within two days of his action and shall notify the career employee within two days of the action and the reasons for it. If the superintendent has not initiated dismissal or demotion proceedings against the career employee within the 90-day period, the career employee shall be reinstated to his duties immediately and all records of the suspension with pay shall be removed from the career employee's personnel file at his request. However, if the superintendent and the employee agree to extend the 90-day period, the superintendent may initiate dismissal or

demotion proceedings against the career employee at any time during the period of the extension.

(f2) Procedure for Demotion of Career School Administrator. — If a superintendent intends to recommend the demotion of a career school administrator, the superintendent shall give written notice to the career school administrator by certified mail or personal delivery and shall include in the notice the grounds upon which the superintendent believes the demotion is justified. The notice shall include a statement that if the career school administrator requests a hearing within 15 days after receipt of the notice, the administrator shall be entitled to have the grounds for the proposed demotion reviewed by the local board of education. If the career school administrator does not request a board hearing within 15 days, the superintendent may file the recommendation of demotion with the board. If, after considering the superintendent's recommendation and the evidence presented at the hearing if one is held, the board concludes that the grounds for the recommendation are true and substantiated by a preponderance of the evidence, the board may by resolution order the demotion. The procedures for a board hearing under G.S. 115C-325(j3) shall apply to all demotions of career school administrators.

(g) Repealed by Session Laws 1997, c. 221, s. 13(a).

(h) Procedure for Dismissal or Demotion of Career Employee.

(1)a. A career employee may not be dismissed, demoted, or reduced to part-time employment except upon the superintendent's recommendation.

b. G.S. 115C-325(f2) shall apply to the demotion of a career school administrator.

(2) Before recommending to a board the dismissal or demotion of the career employee, the superintendent shall give written notice to the career employee by certified mail or personal delivery of his intention to make such recommendation and shall set forth as part of his recommendation the grounds upon which he believes such dismissal or demotion is justified. The superintendent also shall meet with the career employee and give him written notice of the charges against him, an explanation of the basis for the charges, and an opportunity to respond if the career employee has not done so under G.S. 115C-325(f)(1). The notice shall include a statement to the effect that if the career employee within 14 days after the date of receipt of the notice requests a review, he shall be entitled to have the grounds for the proposed recommendations of the superintendent reviewed by a case manager. A copy of G.S. 115C-325 and a current list of case managers shall also be sent to the career employee. If the career employee does not request a hearing with a case manager within the 14 days provided, the superintendent may submit his recommendation to the board.

(3) Within the 14-day period after receipt of the notice, the career employee may file with the superintendent a written request for either (i) a hearing on the grounds for the superintendent's proposed recommendation by a case manager or (ii) a hearing within 10 days before the board on the superintendent's recommendation. If the career employee requests an immediate hearing before the board, he forfeits his right to a hearing by a case manager. If no request is made within that period, the superintendent may file his recommendation with the board. The board, if it sees fit, may by resolution (i) reject the superintendent's recommendation or (ii) accept or modify the superintendent's recommendation and dismiss, demote, reinstate, or suspend the employee without pay. If a request for review is made, the superintendent shall not file his recommendation for dismissal with

the board until a report of the case manager is filed with the superintendent.

- (4) Repealed by Session Laws 1997, c. 221, s. 13(a).
- (5) If the career employee elects to request a hearing by a case manager, the career employee and superintendent shall each have the right to eliminate up to one-third of the names on the approved list of case managers. The career employee shall specify those case managers who are not acceptable in the career employee's request for a review of the superintendent's proposed recommendation under G.S. 115C-325(h)(3). The superintendent and career employee may jointly select a person to serve as case manager. The person need not be on the master list of case managers maintained by the Superintendent of Public Instruction.
- (6) If a career employee requests a review by a case manager, the superintendent shall notify the Superintendent of Public Instruction within two days' receipt of the request. The notice shall contain a list of the case managers the career employee and the superintendent have eliminated from the master list or the name of a person, if any, jointly selected. Failure to exercise the right to eliminate names from the master list shall constitute a waiver of that right.
- (7) The Superintendent of Public Instruction shall select a case manager within three days of receiving notice from the superintendent. The Superintendent of Public Instruction shall designate the person jointly selected by the parties to serve as case manager provided the person agrees to serve as case manager and can meet the requirements for time frames for the hearing and report as provided in G.S. 115C-325(i1)(1). If a case manager was not jointly selected or if the case manager is not available, the Superintendent of Public Instruction shall select a case manager from the master list. No person eliminated by the career employee or superintendent shall be designated case manager.
- (8) The superintendent and career employee shall provide each other with copies of all documents submitted to the Superintendent of Public Instruction or to the designated case manager.
- (h1) Case Managers; Qualifications; Training; Compensation.
 - (1) Each year the State Board of Education shall select and maintain a master list of no more than 42 qualified case managers.
 - (2) Persons selected by the State Board as case managers shall be: (i) certified as a North Carolina Superior Court mediator; (ii) a member of the American Arbitration Association's roster of arbitrators and mediators; or (iii) have comparable certification in alternative dispute resolution. Case managers must complete a special training course approved by the State Board of Education.
 - (3) The State Board of Education shall determine the compensation for a case manager. The State Board shall pay the case manager's compensation and reimbursement for expenses.
- (i) Repealed by Session Laws 1997, c. 221, s. 13(a).
- (i1) Report of Case Manager; Superintendent's Recommendation.
 - (1) The case manager shall complete the hearing held in accordance with G.S. 115C-325(j) and prepare the report within 10 days from the time of the designation. The case manager may extend the period of time by up to five additional days if the case manager informs the superintendent and the career employee that justice requires that a greater time be spent in connection with the investigation and the preparation of the report. Furthermore, the superintendent and the career employee may agree to an extension of more than five days.

- (2) The case manager shall make all necessary findings of fact, based upon the preponderance of the evidence, on all issues related to each and every ground for dismissal and on all relevant matters related to the question of whether the superintendent's recommendation is justified. The case manager also shall make a recommendation as to whether the findings of fact substantiate the superintendent's grounds for dismissal. The case manager shall deliver copies of the report to the superintendent and the career employee.
 - (3) Within two days after receiving the case manager's report, the superintendent shall decide whether to submit a written recommendation to the local board for dismissal, demotion, or disciplinary suspension without pay to the board or to drop the charges against the career employee. The superintendent shall notify the career employee, in writing, of the decision.
 - (4) If the superintendent contends that the case manager's report fails to address a critical factual issue, the superintendent shall within three days receipt of the case manager's report, request in writing with a copy to the career employee that the case manager prepare a supplement to the report. The superintendent shall specify what critical factual issue the superintendent contends the case manager failed to address. If the case manager determines that the report failed to address a critical factual issue, the case manager may prepare a supplement to the report to address the issue and deliver the supplement to both parties before the board hearing. The failure of the case manager to prepare a supplemental report or to address a critical factual issue shall not constitute a basis for appeal.
- (j) Hearing by a Case Manager. — The following provisions shall apply to a hearing conducted by the case manager.
- (1) The hearing shall be private.
 - (2) The hearing shall be conducted in accordance with reasonable rules and regulations adopted by the State Board of Education to govern case manager hearings.
 - (3) At the hearing the career employee and the superintendent or the superintendent's designee shall have the right to be present and to be heard, to be represented by counsel and to present through witnesses any competent testimony relevant to the issue of whether grounds for dismissal or demotion exist or whether the procedures set forth in G.S. 115C-325 have been followed.
 - (4) Rules of evidence shall not apply to a hearing conducted by a case manager and the case manager may give probative effect to evidence that is of a kind commonly relied on by reasonably prudent persons in the conduct of serious affairs.
 - (5) At least five days before the hearing, the superintendent shall provide to the career employee a list of witnesses the superintendent intends to present, a brief statement of the nature of the testimony of each witness and a copy of any documentary evidence the superintendent intends to present. At least three days before the hearing, the career employee shall provide to the superintendent a list of witnesses the career employee intends to present, a brief statement of the nature of the testimony of each witness and a copy of any documentary evidence the career employee intends to present. Additional witnesses or documentary evidence may not be presented except upon a finding by the case manager that the new evidence is critical to the matter at issue and the party making the request could not, with reasonable diligence, have discovered and produced the evidence according to the schedule provided in this subdivision.

- (6) The case manager may subpoena and swear witnesses and may require them to give testimony and to produce records and documents relevant to the grounds for dismissal.
 - (7) The case manager shall decide all procedural issues, including limiting cumulative evidence, necessary for a fair and efficient hearing.
 - (8) The superintendent shall provide for making a transcript of the hearing. If the career employee contemplates a hearing before the board or to appeal the board's decision to a court of law, the career employee may request and shall receive at no charge a transcript of the proceedings before the case manager.
- (j1) Board Determination.
- (1) Within two days after receiving the superintendent's notice of intent to recommend the career employee's dismissal to the board, the career employee shall decide whether to request a hearing before the board and shall notify the superintendent, in writing, of the decision. If the career employee can show that the request for a hearing was post-marked within the time provided, the career employee shall not forfeit the right to a board hearing. Within two days after receiving the career employee's request for a board hearing, the superintendent shall request that a transcript of the case manager hearing be made. Within two days of receiving a copy of the transcript, the superintendent shall submit to the board the written recommendation and shall provide a copy of the recommendation to the career employee. The superintendent's recommendation shall state the grounds for the recommendation and shall be accompanied by a copy of the case manager's report and a copy of the transcript of the case manager hearing.
 - (2) If the career employee contends that the case manager's report fails to address a critical factual issue the career employee shall, at the same time he notifies the superintendent of a request for a board hearing pursuant to G.S. 115C-325(j1)(1), request in writing with a copy to the superintendent that the case manager prepare a supplement to the case manager's report. The career employee shall specify the critical factual issue he contends the case manager failed to address. If the case manager determines that the report failed to address a critical factual issue, the case manager may prepare a supplement to the report to address the issue and shall deliver the supplement to both parties before the board hearing. The failure of the case manager to prepare a supplemental report or to address a critical factual issue shall not constitute a basis for appeal.
 - (3) Within two days after receiving the superintendent's recommendation and before taking any formal action, the board shall set a time and place for the hearing and shall notify the career employee by certified mail or personal delivery of the date, time, and place of the hearing. The time specified shall not be less than seven nor more than 10 days after the board has notified the career employee, unless both parties agree to an extension. If the career employee did not request a hearing, the board may, by resolution, reject the superintendent's decision, or accept or modify the decision and dismiss, demote, reinstate, or suspend the career employee without pay.
 - (4) If the career employee requests a board hearing, it shall be conducted in accordance with G.S. 115C-325(j2).
 - (5) The board shall make a determination and may (i) reject the superintendent's recommendation or (ii) accept or modify the recommendation and dismiss, demote, reinstate, or suspend the employee without pay.

- (6) Within two days following the hearing, the board shall send a written copy of its findings and determination to the career employee and the superintendent.
- (j2) Board Hearing. — The following procedures shall apply to a hearing conducted by the board:
- (1) The hearing shall be private.
 - (2) If the career employee requested a hearing by a case manager, the board shall receive the following:
 - a. The whole record from the hearing held by the case manager, including a transcript of the hearing, as well as any other records, exhibits, and documentary evidence submitted to the case manager at the hearing.
 - b. The case manager's findings of fact, including any supplemental findings prepared by the case manager under G.S. 115C-325 (i1)(4) or G.S. 115C-325(j1)(2).
 - c. The case manager's recommendation as to whether the grounds in G.S. 115C-325(e) submitted by the superintendent are substantiated.
 - d. The superintendent's recommendation and the grounds for the recommendation.
 - (3) If the career employee did not request a hearing by a case manager, the board shall receive the following:
 - a. Any documentary evidence the superintendent intends to use to support the recommendation. The superintendent shall provide the documentary evidence to the career employee seven days before the hearing.
 - b. Any documentary evidence the career employee intends to use to rebut the superintendent's recommendation. The career employee shall provide the superintendent with the documentary evidence three days before the hearing.
 - c. The superintendent's recommendation and the grounds for the recommendation.
 - (4) The superintendent and career employee may submit a written statement not less than three days before the hearing.
 - (5) The superintendent and career employee shall be permitted to make oral arguments to the board based on the record before the board.
 - (6) No new evidence may be presented at the hearing except upon a finding by the board that the new evidence is critical to the matter at issue and the party making the request could not, with reasonable diligence, have discovered and produced the evidence at the hearing before the case manager.
 - (7) The board shall accept the case manager's findings of fact unless a majority of the board determines that the findings of fact are not supported by substantial evidence when reviewing the record as a whole. In such an event, the board shall make alternative findings of fact. If a majority of the board determines that the case manager did not address a critical factual issue, the board may remand the findings of fact to the case manager to complete the report to the board. If the case manager does not submit the report within seven days receipt of the board's request, the board may determine its own findings of fact regarding the critical factual issues not addressed by the case manager. The board's determination shall be based upon a preponderance of the evidence.
 - (8) The board is not required to provide a transcript of the hearing to the career employee. If the board elects to make a transcript and if the career employee contemplates an appeal to a court of law, the career

employee may request and shall receive at no charge a transcript of the proceedings. A career employee may have the hearing transcribed by a court reporter at the career employee's expense.

(j3) Board Hearing for Certain Disciplinary Suspensions, Demotions of Career School Administrators, and for Reductions in Force. — The following procedures shall apply for a board hearing under G.S. 115C-325(e)(2), G.S. 115C-325(f2), and G.S. 115C-325(f)(2)a.:

- (1) The hearing shall be private.
- (2) The hearing shall be conducted in accordance with reasonable rules adopted by the State Board of Education to govern such hearings.
- (3) At the hearing, the career employee and the superintendent shall have the right to be present and to be heard, to be represented by counsel, and to present through witnesses any competent testimony relevant to the issue of whether grounds exist for a disciplinary suspension without pay under G.S. 115C-325(f)(2)a., a demotion of a career school administrator under G.S. 115C-325(f2), or whether the grounds for a dismissal or demotion due to a reduction in force is justified.
- (4) Rules of evidence shall not apply to a hearing under this subsection and the board may give probative effect to evidence that is of a kind commonly relied on by reasonably prudent persons in the conduct of serious affairs.
- (5) At least eight days before the hearing, the superintendent shall provide to the career employee a list of witnesses the superintendent intends to present, a brief statement of the nature of the testimony of each witness, and a copy of any documentary evidence the superintendent intends to present.
- (6) At least six days before the hearing, the career employee shall provide the superintendent a list of witnesses the career employee intends to present, a brief statement of the nature of the testimony of each witness, and a copy of any documentary evidence the career employee intends to present.
- (7) No new evidence may be presented at the hearing except upon a finding by the board that the new evidence is critical to the matter at issue and the party making the request could not, with reasonable diligence, have discovered and produced the evidence according to the schedule provided in this subsection.
- (8) The board may subpoena and swear witnesses and may require them to give testimony and to produce records and documents relevant to the grounds for suspension without pay.
- (9) The board shall decide all procedural issues, including limiting cumulative evidence, necessary for a fair and efficient hearing.
- (10) The superintendent shall provide for making a transcript of the hearing. If the career employee contemplates an appeal of the board's decision to a court of law, the career employee may request and shall receive at no charge a transcript of the proceedings.

(k), (l) Repealed by Session Laws 1997, c. 221, s. 13(a).

(m) Probationary Teacher.

- (1) The board of any local school administrative unit may not discharge a probationary teacher during the school year except for the reasons for and by the procedures by which a career employee may be dismissed as set forth in subsections (e), (f), (f1), and (h) to (j3) above.
- (2) The board, upon recommendation of the superintendent, may refuse to renew the contract of any probationary teacher or to reemploy any teacher who is not under contract for any cause it deems sufficient: Provided, however, that the cause may not be arbitrary, capricious, discriminatory or for personal or political reasons.

(n) Appeal. — Any career employee who has been dismissed or demoted under G.S. 115C-325(e)(2), or under G.S. 115C-325(j2), or who has been suspended without pay under G.S. 115C-325(a)(4a), or any school administrator whose contract is not renewed in accordance with G.S. 115C-287.1, or any school administrator whose contract is not renewed in accordance with G.S. 115C-287.1, or any probationary teacher whose contract is not renewed under G.S. 115C-325(m)(2) shall have the right to appeal from the decision of the board to the superior court for the superior court district or set of districts as defined in G.S. 7A-41.1 in which the career employee is employed. This appeal shall be filed within a period of 30 days after notification of the decision of the board. The cost of preparing the transcript shall be determined under G.S. 115C-325(j2)(8) or G.S. 115C-325(j3)(10). A career employee who has been demoted or dismissed, or a school administrator whose contract is not renewed, who has not requested a hearing before the board of education pursuant to this section shall not be entitled to judicial review of the board's action.

(o) Resignation; Nonrenewal of Contract. — A teacher, career or probationary, should not resign without the consent of the superintendent unless he has given at least 30 days' notice. If the teacher does resign without giving at least 30 days' notice, the board may request that the State Board of Education revoke the teacher's certificate for the remainder of that school year. A copy of the request shall be placed in the teacher's personnel file.

A probationary teacher whose contract will not be renewed for the next school year shall be notified of this fact by June 15.

(p) Section Applicable to Certain Institutions. — Notwithstanding any law or regulation to the contrary, this section shall apply to all persons employed in teaching and related educational classes in the schools and institutions of the Departments of Health and Human Services and Correction or the Office of Juvenile Justice regardless of the age of the students.

(p1) Procedure for Dismissal of School Administrators and Teachers Employed in Low-Performing Residential Schools. —

- (1) Notwithstanding any other provision of this section or any other law, this subdivision shall govern the dismissal by the Secretary of Health and Human Services of teachers, principals, assistant principals, directors, supervisors, and other certificated personnel assigned to a residential school that the State Board has identified as low-performing and to which the State Board has assigned an assistance team under Part 3A of Article 3 of Chapter 143B of the General Statutes. The Secretary shall dismiss a teacher, principal, assistant principal, director, supervisor, or other certificated personnel when the Secretary receives two consecutive evaluations that include written findings and recommendations regarding that person's inadequate performance from the assistance team. These findings and recommendations shall be substantial evidence of the inadequate performance of the teacher or school administrator.

The Secretary may dismiss a teacher, principal, assistant principal, director, supervisor, or other certificated personnel when:

- a. The Secretary determines that the school has failed to make satisfactory improvement after the State Board assigned an assistance team to that school under Part 3A of Article 3 of Chapter 143B of the General Statutes; and
- b. That assistance team makes the recommendation to dismiss the teacher, principal, assistant principal, director, supervisor, or other certificated personnel for one or more grounds established in G.S. 115C-325(e)(1) for dismissal or demotion of a career employee.

Within 30 days of any dismissal under this subdivision, a teacher, principal, assistant principal, director, supervisor, or other certifi-

cated personnel may request a hearing before a panel of three members designated by the Secretary. The Secretary shall adopt procedures to ensure that due process rights are afforded to persons recommended for dismissal under this subdivision. Decisions of the panel may be appealed on the record to the Secretary, with further right of judicial review under Chapter 150B of the General Statutes.

- (2) Notwithstanding any other provision of this section or any other law, this subdivision shall govern the dismissal by the Secretary of Health and Human Services of certificated staff members who have engaged in a remediation plan under G.S. 115C-105.38A(c) but who, after one retest, fail to meet the general knowledge standard set by the State Board. The failure to meet the general knowledge standard after one retest shall be substantial evidence of the inadequate performance of the certified staff member.

Within 30 days of any dismissal under this subdivision, a certificated staff member may request a hearing before a panel of three members designated by the Secretary of Health and Human Services. The Secretary shall adopt procedures to ensure that due process rights are afforded to certificated staff members recommended for dismissal under this subdivision. Decisions of the panel may be appealed on the record to the Secretary, with further right of judicial review under Chapter 150B of the General Statutes.

- (3) The Secretary of Health and Human Services or the superintendent of a residential school may terminate the contract of a school administrator dismissed under this subsection. Nothing in this subsection shall prevent the Secretary from refusing to renew the contract of any person employed in a school identified as low-performing under Part 3A of Article 3 of Chapter 143B of the General Statutes.

- (4) Neither party to a school administrator contract is entitled to damages under this subsection.

- (5) The Secretary of Health and Human Services shall have the right to subpoena witnesses and documents on behalf of any party to the proceedings under this subsection.

(q) Procedure for Dismissal of School Administrators and Teachers Employed in Low-Performing Schools.

- (1) Notwithstanding any other provision of this section or any other law, this subdivision governs the State Board's dismissal of principals assigned to low-performing schools to which the Board has assigned an assistance team:

- a. The State Board through its designee may, at any time, recommend the dismissal of any principal who is assigned to a low-performing school to which an assistance team has been assigned. The State Board through its designee shall recommend the dismissal of any principal when the Board receives from the assistance team assigned to that principal's school two consecutive evaluations that include written findings and recommendations regarding the principal's inadequate performance.

- b. If the State Board through its designee recommends the dismissal of a principal under this subdivision, the principal shall be suspended with pay pending a hearing before a panel of three members of the State Board. The purpose of this hearing, which shall be held within 60 days after the principal is suspended, is to determine whether the principal shall be dismissed.

[See note.] These principals shall be suspended with pay pending a hearing before a panel of three members of the State Board. The purpose of this hearing, which shall be held within 60

- days after the principal is suspended, is to determine whether the principal shall be dismissed.
- c. The panel shall order the dismissal of the principal if it determines from available information, including the findings of the assistance team, that the low performance of the school is due to the principal's inadequate performance.
 - d. The panel may order the dismissal of the principal if (i) it determines that the school has not made satisfactory improvement after the State Board assigned an assistance team to that school; and (ii) the assistance team makes the recommendation to dismiss the principal for one or more grounds established in G.S. 115C-325(e)(1) for dismissal or demotion of a career employee.
 - e. If the State Board or its designee recommends the dismissal of a principal before the assistance team assigned to the principal's school has evaluated that principal, the panel may order the dismissal of the principal if the panel determines from other available information that the low performance of the school is due to the principal's inadequate performance.
 - f. In all hearings under this subdivision, the burden of proof is on the principal to establish that the factors leading to the school's low performance were not due to the principal's inadequate performance. In all hearings under sub-subdivision d. of this subdivision, the burden of proof is on the State Board to establish that the school failed to make satisfactory improvement after an assistance team was assigned to the school and to establish one or more of the grounds established for dismissal or demotion of a career employee under G.S. 115C-325(e)(1).
 - g. In all hearings under this subdivision, two consecutive evaluations that include written findings and recommendations regarding that person's inadequate performance from the assistance team are substantial evidence of the inadequate performance of the principal.
 - h. The State Board shall adopt procedures to ensure that due process rights are afforded to principals under this subdivision. Decisions of the panel may be appealed on the record to the State Board, with further right of judicial review under Chapter 150B of the General Statutes.
- (2) Notwithstanding any other provision of this section or any other law, this subdivision shall govern the State Board's dismissal of teachers, assistant principals, directors, and supervisors assigned to schools that the State Board has identified as low-performing and to which the State Board has assigned an assistance team under Article 8B of this Chapter. The State Board shall dismiss a teacher, assistant principal, director, or supervisor when the State Board receives two consecutive evaluations that include written findings and recommendations regarding that person's inadequate performance from the assistance team. These findings and recommendations shall be substantial evidence of the inadequate performance of the teacher or school administrator.
- The State Board may dismiss a teacher, assistant principal, director, or supervisor when:
- a. The State Board determines that the school has failed to make satisfactory improvement after the State Board assigned an assistance team to that school under G.S. 115C-105.38; and
 - b. That assistance team makes the recommendation to dismiss the teacher, assistant principal, director, or supervisor for one or

more grounds established in G.S. 115C-325(e)(1) for dismissal or demotion of a career teacher.

A teacher, assistant principal, director, or supervisor may request a hearing before a panel of three members of the State Board within 30 days of any dismissal under this subdivision. The State Board shall adopt procedures to ensure that due process rights are afforded to persons recommended for dismissal under this subdivision. Decisions of the panel may be appealed on the record to the State Board, with further right of judicial review under Chapter 150B of the General Statutes.

- (2a) Notwithstanding any other provision of this section or any other law, this subdivision shall govern the State Board's dismissal of certified staff members who have engaged in a remediation plan under G.S. 115C-105.38A(a) but who, after one retest, fail to meet the general knowledge standard set by the State Board. The failure to meet the general knowledge standard after one retest shall be substantial evidence of the inadequate performance of the certified staff member.
A certified staff member may request a hearing before a panel of three members of the State Board within 30 days of any dismissal under this subdivision. The State Board shall adopt procedures to ensure that due process rights are afforded to certified staff members recommended for dismissal under this subdivision. Decisions of the panel may be appealed on the record to the State Board, with further right of judicial review under Chapter 150B of the General Statutes.
- (3) The State Board of Education or a local board may terminate the contract of a school administrator dismissed under this subsection. Nothing in this subsection shall prevent a local board from refusing to renew the contract of any person employed in a school identified as low-performing under G.S. 115C-105.37.
- (4) Neither party to a school administrator contract is entitled to damages under this subsection.
- (5) The State Board shall have the right to subpoena witnesses and documents on behalf of any party to the proceedings under this subsection. (1955, c. 664; 1967, c. 223, s. 1; 1971, c. 883; c. 1188, s. 2; 1973, c. 315, s. 1; c. 782, ss. 1-30; 1979, c. 864, s. 2; 1981, c. 423, s. 1; c. 538, ss. 1-3; c. 731, s. 1; c. 1127, ss. 39, 40; 1981 (Reg. Cross References. — As to duties of superintendent concerning staff, see § 115C-276. As to the compensation of principals in specific schools, see § 115C-285.

Editor's Note. — The number of subdivision (a)(5a) was assigned by the Revisor of Statutes, the number in Session Laws 1997-221, s. 13(a), having been subdivision (a)(7). Former subdivision (a)(8) was redesignated as subdivision (a)(7).

Subsection (n) was amended by Session Laws 1997-221, s. 13(a), in the coded bill drafting

format provided by § 120-20.1. The phrase "or any school administrator whose contract is not renewed in accordance with G.S. 115C-287.1," was apparently inadvertently reinserted in the first sentence.

Session Laws 1997-221, s. 2, provides: "The purpose of the Excellent Schools Act is to improve student academic achievement and to reduce teacher attrition. To accomplish this purpose, it is the goal of the General Assembly to (i) concentrate student learning in the core academic areas: (ii) improve teacher skills and

teacher knowledge as those skill and knowledge relate to improve student academic achievement; and (iii) reward teachers for their improved skill and knowledge and for improved student academic achievement. It is also the goal of the General Assembly to annually review the implementation of the revised and more rigorous teacher preparation, professional development and certification standards developed by the State Board of Education in compliance with this act. Clear and specific evidence demonstrating identifiable progress toward implementing more rigorous teacher professional standards must exist on an annual basis before the General Assembly may consider continued implementation of this act.

Session Laws 1997-221, s. 11(b), provides that s. 11 of that act applies to teachers, as defined in G.S. 115C-325(a)(6), who have not attained career status pursuant to G.S. 115C-325(c) prior to July 1, 1998.

Session Laws 1997-221, s. 13(b), provides that s. 13 of that act applies to proceedings initiated after September 1, 1997.

Session Laws 1997-221, s. 32, provides: "This act shall not be construed to obligate the General Assembly to appropriate any funds to implement the provisions of this act. Nothing in Sections 16 through 25 or Sections 28 through 30 of this act shall be construed to create any rights or causes of action."

This section was amended by Session Laws 1998-59, s. 3 in the coded bill drafting format provided by § 120-20.1. Subdivision (q)(1)b has been set out in the form above at the direction of the Revisor of Statutes. The two sentences in the second paragraph of (q)(1)b were apparently inadvertently retained.

Session Laws 1998-131, s. 19, made the amendment by s. 6 thereof, which added subsection (p1), effective July 1, 1998, only if funds were appropriated for the 1998-99 fiscal year. The necessary appropriations were made.

Session Laws 1998-212, s. 1.1, provides that this act shall be known as the 'Current Operations Appropriations and Capital Improvement Appropriations Act of 1998'.

Session Laws 1998-212, s. 30.5, contains a severability clause.

Session Laws 1998-202, s. 36, contains a severability clause.

Effect of Amendments. — Session Laws 1998-5, s. 2, effective June 9, 1998, substituted "G.S. 115C-105.38A(c)" for "G.S. 115C-105.38A(a)" and twice substituted "one retest" for "two retests" in the first paragraph of subdivision (q)(2a).

Session Laws 1998-59, s. 3, effective July 24, 1998, and applicable to principals on or after that date, rewrote subdivision (q)(1).

Session Laws 1998-131, s. 6, effective July 1, 1998 only upon appropriation of funds, which

were appropriated, added subsection (p1).

Session Laws 1998-202, s. 4(o), effective January 1, 1999, and applicable to acts committed on or after that date, inserted "or the Office of Juvenile Justice" in subsection (p).

Session Laws 1998-212, s. 28.24(c), effective January 1, 1999, and expiring on June 30, 2003, added present subdivision (a)(5a), and redesignated former subdivision (a)(5a) as present subdivision (a)(5b).

Session Laws 1998-217, s. 67.1, effective January 1, 1999, and expiring June 30, 2003, substituted "G.S. 135-3(8)c" for "G.S. 135-3(8)c1" in subdivision (a)(5a).

Session Laws 1999-96, s. 1, effective May 27, 1999, and applicable to proceedings initiated on or after that date, substituted "10" for "five" in subdivision (h)(3).

Session Laws 1999-96, s. 2, effective May 27, 1999, and applicable to proceedings initiated on or after that date, inserted "or the superintendent's designee" in subdivision (j)(3).

Session Laws 1999-96, s. 3, effective May 27, 1999, and applicable to proceedings initiated on or after that date, in subdivision (j1)(1), added "request that a transcript of the case manager hearing be made" at the end of the third sentence; in the present fourth sentence, added "Within two days ... the superintendent shall" at the beginning and inserted "of the recommendation"; and added "and a copy of the transcript of the case manager hearing" at the end.

Session Laws 1999-96, s. 4, effective May 27, 1999, and applicable to proceedings initiated on or after that date, substituted "eight" for "10" in subdivision (j3)(5).

Session Laws 1999-96, s. 5, effective May 27, 1999, substituted "June 15" for "June 1" in the second paragraph of subsection (o).

Session Laws 1999-456, s. 34, effective August 13, 1999, added subdivision (c)(5).

I. IN GENERAL.

Editor's Note. — *Many of the cases below were decided under corresponding provisions of former Chapter 115 and earlier statutes.*

Constitutionality. — The procedures provided by former corresponding statute did not violate the due process guarantees of the United States Constitution. *Thompson v. Wake County Bd. of Educ.*, 31 N.C. App. 401, 230 S.E.2d 164 (1976), rev'd on other grounds, 292 N.C. 406, 233 S.E.2d 538 (1977).

Subdivision (e)(1)b is constitutional. *Barringer v. Caldwell County Bd. of Educ.*, 123 N.C. App. 373, 473 S.E.2d 435 (1996).

Subdivision (e)(1) Not Void for Vagueness. — Subdivision (e)(1), which authorizes the dismissal of a career teacher for "inadequate performance," is not unconstitutionally void for vagueness. The term "inadequate performance," in regard to a job, can be readily understood by any person of ordinary intelligence who knows what the job entails. *Crump v. Durham County Bd. of Educ.*, 77 N.C. App. 74, 327 S.E.2d 599 (1985).

Legislative Intent. — When subdivision (e)(1) of this section is read in pari materia with other relevant portions of this section, it is apparent that the legislature intended to grant local school boards wide discretion in deciding whether to reduce personnel in response to decreased funding. *Taborn v. Hammonds*, 324 N.C. 546, 380 S.E.2d 513 (1989).

The manifest purpose of this section is to provide teachers of proven ability for the children of this State, by protecting such teachers from dismissal for political, personal, arbitrary or discriminatory reasons. *Bennett v. Hertford County Bd. of Educ.*, 69 N.C. App. 615, 317 S.E.2d 912, cert. denied, 312 N.C. 81, 321 S.E.2d 893 (1984).

Teachers Provided with Greater Security. — Tenure in employment has long been a laudable objective of the teaching profession, and former provisions corresponding to this section provided teachers with much greater security than they had theretofore had. *Taylor*

v. Crisp, 21 N.C. App. 359, 205 S.E.2d 102 (1974), aff'd and remanded, 286 N.C. 488, 212 S.E.2d 381 (1975).

Former corresponding section represented a legislative attempt to provide the public school teachers of this State a greater amount of job security than had previously existed. *Thompson v. Wake County Bd. of Educ.*, 31 N.C. App. 401, 230 S.E.2d 164 (1976), rev'd on other grounds, 292 N.C. 406, 233 S.E.2d 538 (1977).

Former corresponding section provided greater job security for career public school teachers, as defined, than existed under prior law. *Thompson v. Wake County Bd. of Educ.*, 292 N.C. 406, 233 S.E.2d 538 (1977).

Civil Action Dismissed for Failure to Exhaust Administrative Remedies. — See *Church v. Madison County Bd. of Educ.*, 31 N.C. App. 641, 230 S.E.2d 769 (1976), cert. denied and appeal dismissed, 292 N.C. 264, 233 S.E.2d 391 (1977).

Coaches Distinguished from Career Teachers. — Subdivision (a)(4) distinguishes between teaching and coaching because the statute classifies coaching as a "special duty" in addition to regular teaching duties; coaching is not protected by the tenure provisions of subsection (d), which apply to career teachers and protect them from dismissal, demotion, or employment on a part time basis. *Babb v. Harnett County Bd. of Educ.*, 118 N.C. App. 291, 454 S.E.2d 833, cert. denied, appeal dismissed, 340 N.C. 358, 458 S.E.2d 184 (1995).

II. PROBATIONARY TEACHERS.

"Probationary Teacher". — The General Assembly did not intend that the "temporary personnel" authorized by § 115C-295 be included within the definition of "probationary teacher" contained in subdivision (a)(5) of this section. *Campbell v. Board of Educ.*, 76 N.C. App. 495, 333 S.E.2d 507 (1985), cert. denied, 315 N.C. 390, 338 S.E.2d 878 (1986).

Subdivision (m)(2) imposes duty on boards of education to determine substantive basis for recommendations of nonrenewal and to assure that nonrenewal is not for a prohibited reason. *Abell v. Nash County Bd. of Educ.*, 71 N.C. App. 48, 321 S.E.2d 502 (1984).

As the legislature intended to afford probationary teachers minimum protection against arbitrary nonrenewal permitted under the common law. The discretion of the boards with respect to probationary teachers remains very broad, of course, but the decision not to renew must have some nonarbitrary basis. *Abell v. Nash County Bd. of Educ.*, 71 N.C. App. 48, 321 S.E.2d 502 (1984).

Board Must Ascertain Basis for Superintendent's Recommendation. — The advisory nature of the superintendent's recommendation to not rehire a nontenured teacher places the responsibility on the board to ascertain the rational basis for the recommendation before acting upon it. *Abell v. Nash County Bd. of Educ.*, 71 N.C. App. 48, 321 S.E.2d 502 (1984).

As Ultimate Responsibility Rests with Board. — School board may refuse to renew probationary teacher's contract upon recommendation of the superintendent. That recommendation is only advisory, however; ultimate responsibility rests with the board. *Abell v. Nash County Bd. of Educ.*, 71 N.C. App. 48, 321 S.E.2d 502 (1984).

Formal order is not required to be prepared each time Board of Education decides not to renew probationary teacher's contract, but the board's records should reflect the specific substantive reason for the nonrenewal of his contract. *Abell v. Nash County Bd. of Educ.*, 71 N.C. App. 48, 321 S.E.2d 502 (1984).

As to board's consideration of the renewal of a probationer's contract or the employment of a teacher who is not under contract, see also *Taylor v. Crisp*, 286 N.C. 488, 212 S.E.2d 381 (1975); *Sigmon v. Poe*, 564 F.2d 1093 (4th Cir. 1977).

Computation of Notice Period. — The employment period for salary purposes is the appropriate period to use in computing the requisite 30-day notice period for probationary

teacher. *Fleming v. Vance County Bd. of Educ.*, 60 N.C. App. 263, 298 S.E.2d 733 (1983).

Probationary Teacher Has No Right to Hearing. — Where a local school board determined not to renew the contract of a teacher who did not have tenure or any "equivalent of tenure," he was not entitled to a full due-process adversary hearing. *Williams v. Hyde County Bd. of Educ.*, 490 F.2d 1231 (4th Cir. 1974), cert. denied, 501 U.S. 1238, 111 S. Ct. 2870, 115 L. Ed. 2d 1035 (1991).

Hearing afforded to probationary teacher satisfied minimum due process standards to which he would have been entitled, had he had a valid claim to a hearing. *Satterfield v. Edenton-Chowan Bd. of Educ.*, 530 F.2d 567 (4th Cir. 1975).

Criteria for Renewal of Contract of Probationary Teacher Who Serves as Coach.

— Given the broad legislative grant of authority over the status of probationary teachers and the legislative grant to local boards under § 115C-47(4), requiring them to promulgate rules and regulations for interscholastic athletics, a board may properly consider coaching changes as a basis for determining whether to renew a probationary teacher's contract when the teacher also serves as a coach. *Abell v. Nash County Bd. of Educ.*, 89 N.C. App. 262, 365 S.E.2d 706 (1988).

Nonrenewal Must Have Non-Arbitrary Basis. — The discretion of school boards regarding the status of probationary teachers remains very broad, but a nonrenewal decision must have some non-arbitrary basis in order to comply with subdivision (m)(2) of this section. *Abell v. Nash County Bd. of Educ.*, 89 N.C. App. 262, 365 S.E.2d 706 (1988).

An arbitrary or capricious reason is one without any rational basis in the record, such that a decision made thereon amounts to an abuse of discretion. *Abell v. Nash County Bd. of Educ.*, 89 N.C. App. 262, 365 S.E.2d 706 (1988).

Whether school board's action in not renewing contracts was "arbitrary or capricious" is a mixed question of law and fact. The jury determines the factual issues involved and the judge applies these findings to determine whether the nonrenewals were arbitrary or capricious as a matter of law. *Abell v. Nash County Bd. of Educ.*, 89 N.C. App. 262, 365 S.E.2d 706 (1988).

Arbitrary or Capricious Failure to Renew Contract Gives Rise to Right of Action.

— Any claim of an arbitrary or capricious denial of renewal of a probationary teacher's contract gives rise to a right of action, which is to be resolved by a proper court and not by the board. *Sigmon v. Poe*, 528 F.2d 311 (4th Cir. 1975).

And Question Is Not to Be Resolved by Board. — Whether there has been a denial of

renewal of plaintiff's contract for "arbitrary, capricious, discriminatory or for personal or political reasons" is not a question to be resolved by the board. *Sigmon v. Poe*, 528 F.2d 311 (4th Cir. 1975).

If there is a claim of "arbitrary or capricious" nonrenewal, it is an independent right of action, triable, not by the school board, but by the court. *Satterfield v. Edenton-Chowan Bd. of Educ.*, 530 F.2d 567 (4th Cir. 1975).

Following Superintendent's Recommendation Against Rehiring Not Arbitrary or Capricious. — A school board's failure to renew a probationary teacher's contract because the principal and superintendent recommended that he not be rehired would not be arbitrary, capricious, or for personal reasons, since the superintendent is entitled to make such recommendations. *Hasty v. Bellamy*, 44 N.C. App. 15, 260 S.E.2d 135 (1979).

Failure to Rehire Based on Teacher's Refusal to Sign Document. — Failure to rehire a probationary teacher who would have become a career teacher upon the removal of his contract, based solely on the teacher's refusal to sign a document which to a layman might easily appear damaging, though it in fact had no practical effect, might be an arbitrary and capricious cause for not hiring the teacher. *Hasty v. Bellamy*, 44 N.C. App. 15, 260 S.E.2d 135 (1979).

Protection Against Discharge for Probationary Teacher During School Year. — A probationary teacher may not be dismissed at mid-year except for reasons that a career teacher may be dismissed, such as lack of funding, and may only be dismissed according to the procedures applicable to mid-year or discharge of a career teacher. Thus, the statutory protections are greater for probationary teachers sought to be discharged at mid-year. *Taborn v. Hammonds*, 83 N.C. App. 461, 350 S.E.2d 880 (1986).

Burden of Proof. — Section 115C-44(b) clearly places the burden of proof on plaintiff probationary school teachers to establish that the actions of the board in failing to renew their contracts were arbitrary or capricious. Moreover, the burden of proof includes not only the burden of going forward with the evidence, but also the burden of persuasion. *Abell v. Nash County Bd. of Educ.*, 89 N.C. App. 262, 365 S.E.2d 706 (1988).

Nonrenewals Upheld. — Evidence was not sufficient to support a finding that nonrenewals of probationary teachers' contracts were "arbitrary or capricious," and instead established a rational basis for the nonrenewals. *Abell v. Nash County Bd. of Educ.*, 89 N.C. App. 262, 365 S.E.2d 706 (1988).

III. CAREER TEACHERS.

Career Teacher Status Created. — Former corresponding section created the sta-

tus of "career teacher," to which various rights and privileges are attached. Perhaps the most important of these rights is that a career teacher may not be dismissed or demoted except upon specified grounds and in accordance with the statutory procedures provided. *Thompson v. Wake County Bd. of Educ.*, 31 N.C. App. 401, 230 S.E.2d 164 (1976), rev'd on other grounds, 292 N.C. 406, 233 S.E.2d 538 (1977).

But Grant of Career Status Not Instantaneous. — Since former corresponding section conferred upon career teachers additional security in their employment, it did not grant instant career status to all teachers presently employed, but provided appropriate methods through which a teacher could acquire career status. *Taylor v. Crisp*, 21 N.C. App. 359, 205 S.E.2d 102 (1974), aff'd and remanded, 286 N.C. 488, 212 S.E.2d 381 (1975).

Board Confers Career Status. — Under former statute (see now subsection (c)), the board of education votes upon the continued employment of a probationary teacher when such reemployment has the effect of granting career status. This is not simply a matter of renewing the contract of a probationary teacher who will again be considered before being granted career status. The board of education is reaching a decision which confers career status, and the legislature has determined that this decision shall be made by the elected board, which has ultimate control and supervision of all matters pertaining to the public schools. *Taylor v. Crisp*, 21 N.C. App. 359, 205 S.E.2d 102 (1974), aff'd and remanded, 286 N.C. 488, 212 S.E.2d 381 (1975).

Board is not required to follow the recommendation of the superintendent when it considers the election of career teachers. *Taylor v. Crisp*, 286 N.C. 488, 212 S.E.2d 381 (1975).

Dismissal. — Plaintiff who had attained the status of a career teacher under subsection (c) could not be dismissed or demoted except for reasons specified in subdivision (e)(1); therefore, plaintiff's claim based on the tort of wrongful discharge was correctly dismissed by the trial court. *Wagoner v. Elkin City Schs. Bd. of Educ.*, 113 N.C. App. 579, 440 S.E.2d 119, cert. denied, 336 N.C. 615, 447 S.E.2d 414 (1994).

IV. PRINCIPALS AND SUPERVISORS.

Principal Included in Definition of "Teacher". — This section governs the hiring, firing, tenure and resignation of public school teachers, and its definition of "teacher" includes those who directly supervise teaching, as plaintiff did when he was principal of high school. *Warren v. Buncombe County Bd. of Educ.*, 80 N.C. App. 656, 343 S.E.2d 225 (1986).

Legislature intended in subsection (d)(2) to protect persons who have served

as principals and supervisors for at least three consecutive years, regardless of whether this time was served prior to obtaining career teacher status. *Faison v. New Hanover County Bd. of Educ.*, 75 N.C. App. 334, 330 S.E.2d 511 (1985), decided under facts existing prior to 1983 amendment.

Board Need Not Consider Superintendent's Recommendation to Rehire Principal. — The board was not required to consider the recommendation of a superintendent that a principal be rehired for the school year 1973-74, but was free to refuse to rehire him as it chose. *Taylor v. Crisp*, 21 N.C. App. 359, 205 S.E.2d 102 (1974), *aff'd* and remanded, 286 N.C. 488, 212 S.E.2d 381 (1975).

Plaintiff, as a probationary principal, had a statutorily protected right in his job as a career teacher, and absent plaintiff's resignation as a career teacher, defendant board of education could not take this right away without affording him the statutorily mandated procedures of notice and hearing. *Rose v. Currituck County Bd. of Educ.*, 83 N.C. App. 408, 350 S.E.2d 376 (1986).

Cause of Action Against Board of Education for Negligent Employment and Retention of Principal. — For a case involving cause of action under common law against county board of education for negligent employment and retention of principal who sexually assaulted a student, see *Medlin v. Bass*, 327 N.C. 587, 398 S.E.2d 460 (1990).

Authority of Board of Education. — When a merger of a county and two city school systems was ratified by the General Assembly, the ratification impliedly repealed the former county board of education's ability to enter into an employment contract to be in effect after the effective date of the merger. Therefore, the attempt by the Board to enter into an employment contract with the superintendent, which would be binding if the merger were approved, was made without actual authority and was unenforceable. *Guilford County Bd. of Comm'rs v. Trogdon*, 124 N.C. App. 741, 478 S.E.2d 643 (1996).

V. GROUNDS FOR DISMISSAL OR DEMOTION.

Decision of School Board Must Be Justifiable. — The issue to be resolved by the courts in reviewing a teacher dismissal under subdivision (e)(1)l of this section is whether the board's decision to reduce teaching positions is supported by a rational basis, and given the presumption in favor of a board's decision under § 115C-44(b), a career teacher is entitled to relief in such cases only upon showing that the board's action was personal, political, discriminatory, without a rational basis or simply a subterfuge to avoid the protections extended

the teacher by law due to his or her status as a career teacher. *Taborn v. Hammonds*, 324 N.C. 546, 380 S.E.2d 513 (1989).

The issue to be resolved by the courts in reviewing a teacher dismissal under paragraph (e)(1)l is whether the board's decision to reduce teaching positions is supported by a rational basis; given the presumption in favor of the board's decision under § 115C-44(b), a career teacher is entitled to relief in such cases only upon a showing that the board's action was personal, political, discriminatory, without a rational basis, or simply a subterfuge to avoid the protections extended the teacher by law due to his or her status as a career teacher. Moreover, the role of the reviewing court is to assure the proper application of this standard, not to substitute its preferences for those of the board. *Taborn v. Hammonds*, 324 N.C. 546, 380 S.E.2d 513 (1989).

Rational Basis for Board's Decision. — Where board of education stated that the basis for its decision to make a reduction-in-force was that remaining funds were inadequate to meet the salaries of existing personnel, and program quality could be maintained with a smaller instructional staff, there was a rational basis for the board's decision, and no more was required under paragraph (e)(1)l. *Taborn v. Hammonds*, 324 N.C. 546, 380 S.E.2d 513 (1989).

Evidence to Show Arbitrariness or Capriciousness. — While there is no independent right of action against a school board pursuant to (former) § 115C-326, the failure of the school board to comply with evaluation procedures established under that section may be submitted as evidence in an action brought by a claimant pursuant to this section, to establish that his dismissal was arbitrary or capricious. *Clinton v. Wake County Bd. of Educ.*, 108 N.C. App. 616, 424 S.E.2d 691 (1993).

Immorality. — Characterization of a female student as a whore did not warrant a finding of immorality. *Thompson v. Wake County Bd. of Educ.*, 31 N.C. App. 401, 230 S.E.2d 164 (1976), *rev'd* on other grounds, 292 N.C. 406, 233 S.E.2d 538 (1977).

Insubordination — Defined. — Insubordination under paragraph (e)(1)c imports a willful disregard of express or implied directions of the employer and a refusal to obey reasonable orders. *Thompson v. Wake County Bd. of Educ.*, 31 N.C. App. 401, 230 S.E.2d 164 (1976), *rev'd* on other grounds, 292 N.C. 406, 233 S.E.2d 538 (1977); *Crump v. Board of Educ.*, 79 N.C. App. 372, 339 S.E.2d 483, *cert. denied*, 317 N.C. 333, 346 S.E.2d 137 (1986).

Same — Repeated Misconduct. — Repeated acts of teacher misconduct which are obviously contrary to accepted standards of behavior in the teaching profession and the

community in general should constitute insubordinate conduct. *Thompson v. Wake County Bd. of Educ.*, 31 N.C. App. 401, 230 S.E.2d 164 (1976), rev'd on other grounds, 292 N.C. 406, 233 S.E.2d 538 (1977).

Same — Dismissal Upheld. — The Board of Education's dismissal of a driver's education instructor on the ground of insubordination would be upheld, where there was substantial evidence to support the Board's conclusion that by twice driving alone with a female student, after a complaint from a female student about his conduct, the instructor willfully disregarded and refused to obey the principal's reasonable directive that at least two students be in the car any time a female was taking the road work phase of driver's education. *Crump v. Board of Educ.*, 79 N.C. App. 372, 339 S.E.2d 483, cert. denied, 317 N.C. 333, 346 S.E.2d 137 (1986).

Neglect of Duty. — The term "neglect of duty" is defined as a failure to perform some duty imposed by contract or law and encompasses, clearly, the failure to report for work. However, a dismissal upon this ground alone cannot be sustained unless it is proven that a reasonable man would have recognized the duty and would have considered himself obliged to conform. *Overton v. Goldsboro City Bd. of Educ.*, 304 N.C. 312, 283 S.E.2d 495 (1981).

Physical Incapacity. — Physical incapacity under this section refers to a present and continuing inability to perform the duties and meet the responsibilities and physical demands customarily associated with the individual's job as a career teacher in the public schools. The incapacity must be in effect at the time action is taken by the board of education. The projected duration of the incapacity must be long-term or indefinite, with no reasonable prospect for rapid rehabilitation. *Bennett v. Hertford County Bd. of Educ.*, 69 N.C. App. 615, 317 S.E.2d 912, cert. denied, 312 N.C. 81, 321 S.E.2d 893 (1984).

While physical incapacity may adversely affect a teacher's job performance, it does not necessarily follow that poor performance will always accompany less than perfect health. *Bennett v. Hertford County Bd. of Educ.*, 69 N.C. App. 615, 317 S.E.2d 912, cert. denied, 312 N.C. 81, 321 S.E.2d 893 (1984).

Habitual or Excessive Use of Alcohol. — Evidence that teacher, during the 1980-81 school year, consumed some form of alcoholic beverages at school or had the odor of alcohol on his breath at school during instructional hours, and that during the school day on occasions during the 1981-1982 school year, after reprimand and warning against the same, consumed alcoholic beverages, or had the odor of alcohol on his breath, showed conduct which, when ascribed to a career teacher in North Carolina,

constituted "habitual or excessive use of alcohol" within the meaning and intent of this section, becoming thereby lawful grounds for dismissal. *Faulkner v. New Bern-Craven County Bd. of Educ.*, 311 N.C. 42, 316 S.E.2d 281 (1984).

County board of education was entirely proper in concluding that a course of conduct involving the use of alcohol by a teacher on school property during school hours, the same being obvious to his students and other school personnel and parents, repeated after continued warnings, was "excessive" within the meaning of this section, and having properly found this course of conduct to exist, the board acted lawfully in exercising its authority to dismiss this teacher. *Faulkner v. New Bern-Craven County Bd. of Educ.*, 311 N.C. 42, 316 S.E.2d 281 (1984).

Going to Pool Room with Loaded Shotgun. — A reasonable public school teacher of ordinary intelligence would know that going to a pool room with a loaded shotgun constituted conduct likely to become known to the general student population and would manifest a poor example; thus, teacher was properly dismissed. *Barringer v. Caldwell County Bd. of Educ.*, 123 N.C. App. 373, 473 S.E.2d 435 (1996).

The regulations prescribing a teacher's speech and conduct are necessarily broad; they cannot possibly mention every specific kind of misconduct. The application of the regulations in each case depends on many factors, such as the age and sophistication of the students, the closeness of the relation between the specific technique used and some concededly valid educational objective, and the context and manner of presentation. *Frison v. Franklin County Bd. of Educ.*, 596 F.2d 1192 (4th Cir. 1979).

Teachers who are entrusted with the care of small children and adolescents are intended by parents, citizenry, and lawmakers alike to serve as good examples for their young charges. Their character and conduct may be expected to be above those of the average individual not working in so sensitive a relationship as that of teacher to pupil. *Faulkner v. New Bern-Craven County Bd. of Educ.*, 311 N.C. 42, 316 S.E.2d 281 (1984).

In balancing teacher's free speech interest and employer's administrative interest, the concern is weighing the degree of public interest in the particular expression by the teacher against the degree to which the teacher's conduct was justifiably viewed by a superintendent acting on behalf of the Board of Education as an actual or potential disruption of the operations for which the board is responsible. Stated generally, the factors to be taken into consideration include: whether the employee's personal employment situation is substantially involved in the subject matter of his

speech; whether the employee's speech would tend to harm the professional reputation of its target; whether the employee's speech would tend to undermine working relationships essential to the efficient operation of the governmental activity involved; and whether the personnel actions being challenged would tend to chill the employee's exercise of his free speech rights. *Gregory v. Durham County Bd. of Educ.*, 591 F. Supp. 145 (M.D.N.C. 1984).

Decrease in Funding. — When subsection (e)(1) is read in *pari materia* with other relevant provisions of this section, it is apparent that the legislature intended to grant local school boards wide discretion in deciding whether to reduce personnel in response to decreased funding. *Taborn v. Hammonds*, 324 N.C. 546, 380 S.E.2d 513 (1989).

Program-Specific Remedy to Funding Reduction. — When faced with funding reductions in a particular program, it was justifiable for a board of education to fashion a remedy that was program-specific; a board of education is not required to look across its entire budget to provide the salary for teaching positions when money originally available becomes unavailable due to a reduction of funds for an external grant program. *Taborn v. Hammonds*, 324 N.C. 546, 380 S.E.2d 513 (1989).

Reduction of Teaching Positions in Program for Which Funds Are Cut. — City board of education was justified in reducing the number of teaching positions for its exceptional children program, where the city schools had lost a substantial portion of State and federal funds for that program; a board of education is not required to look across its entire budget to provide the salary for teaching positions when money originally available becomes unavailable due to a reduction of funds for an external grant program. *Taborn v. Hammonds*, 324 N.C. 546, 380 S.E.2d 513 (1989).

Compensation for Improper Demotion. — Director of vocational education, demoted without statutory procedural safeguards, was entitled to salary adjustment to compensate him for any loss of salary and benefits which he suffered because of his improper demotion. *Faison v. New Hanover County Bd. of Educ.*, 75 N.C. App. 334, 330 S.E.2d 511 (1985).

Teacher suspended without pay need not have requested reinstatement to his position when the ninety-day time period elapsed; this reinstatement was automatic. *Davis v. Public Schs.*, 115 N.C. App. 98, 443 S.E.2d 781, cert. denied, 337 N.C. 690, 448 S.E.2d 519 (1994).

Subsequent Dismissal Proceedings Not Barred. — The General Assembly, in enacting this section, did not intend to prohibit the initiation of dismissal proceedings against a teacher who has been suspended with pay once 90 days beyond the date of such suspension

have lapsed. *Evers v. Pender County Bd. of Educ.*, 104 N.C. App. 1, 407 S.E.2d 879 (1991), *aff'd*, 331 N.C. 380, 416 S.E.2d 3 (1992).

While this section clearly requires the reinstatement of a teacher who has been suspended with pay once 90 days without the initiation of dismissal proceedings have lapsed, it does not prohibit the subsequent initiation of dismissal proceedings against such teacher. *Evers v. Pender County Bd. of Educ.*, 104 N.C. App. 1, 407 S.E.2d 879 (1991), *aff'd*, 331 N.C. 380, 416 S.E.2d 3 (1992).

VI. NOTICE AND HEARING.

The purpose of the private hearing provision is as much for the protection of the teacher involved as for the school officials. It is a provision that finds a counterpart in other types of proceedings, since the public hearing or trial concept, while embedded in U.S. Const., Amend. VI as a requirement of criminal trials, is not inflexibly applied in all civil proceedings. *Satterfield v. Edenton-Chowan Bd. of Educ.*, 530 F.2d 567 (4th Cir. 1975).

The Rules of Evidence, § 8C-1, are not applicable to teacher dismissal hearings before a board of education. *Evers v. Pender County Bd. of Educ.*, 104 N.C. App. 1, 407 S.E.2d 879 (1991), *aff'd*, 331 N.C. 380, 416 S.E.2d 3 (1992).

Rules of Evidence and Civil Procedure Not Applicable. — The procedures prescribed by this section for the dismissal of a career teacher are essentially administrative rather than judicial. The board is not bound by the formal rules of evidence which would ordinarily obtain in a proceeding in a trial court. Nor are the Rules of Civil Procedure, § 1A-1, applicable. *Baxter v. Poe*, 42 N.C. App. 404, 257 S.E.2d 71, cert. denied, 298 N.C. 293, 259 S.E.2d 298 (1979).

Latitude Permitted in Procedure and Reception of Evidence. — While a board of education conducting a hearing must provide all essential elements of due process, it is permitted to operate under a more relaxed set of rules than is a court of law. Boards of education, normally composed in large part of nonlawyers, are vested with the general control and supervision of all matters pertaining to the public schools in their respective administrative units, a responsibility differing greatly from that of a court. The carrying out of such a responsibility requires a wider latitude in procedure and in the reception of evidence than is allowed a court. *Baxter v. Poe*, 42 N.C. App. 404, 257 S.E.2d 71, cert. denied, 298 N.C. 293, 259 S.E.2d 298 (1979).

Kind of Evidence Admitted. — As long as evidence which is proffered at a teacher dismissal hearing can be said to be of a kind commonly relied upon by reasonably prudent

persons in the conduct of serious affairs, such evidence is competent and may properly be admitted into evidence. *Evers v. Pender County Bd. of Educ.*, 104 N.C. App. 1, 407 S.E.2d 879 (1991), *aff'd*, 331 N.C. 380, 416 S.E.2d 3 (1992).

Hearsay Held Not Violative of Due Process. — Certain hearsay testimony, at an informal hearing conducted by the board, did not violate due process. *Satterfield v. Edenton-Chowan Bd. of Educ.*, 530 F.2d 567 (4th Cir. 1975).

Evidence of Events More Than Three Years Past Is Admissible. — While a board of education is prohibited from basing dismissal "on conduct or actions which occurred more than three years before the written notice of the superintendent's intention to recommend dismissal is mailed to the teacher," there is no prohibition against the board hearing evidence of events which occurred more than three years before the hearing. *Baxter v. Poe*, 42 N.C. App. 404, 257 S.E.2d 71, *cert. denied*, 298 N.C. 293, 259 S.E.2d 298 (1979).

But Only as Background Information. — Although a personnel file may be consulted with regard to disciplinary matters, information in it regarding conduct occurring more than three years prior may not serve as a basis for a dismissal or demotion, but only as background for such action. *Gregory v. Durham County Bd. of Educ.*, 591 F. Supp. 145 (M.D.N.C. 1984).

Evidence Used to Refresh Recollection Only. — In hearing before board of education regarding teacher's dismissal, superintendent's use of a document containing a summary of standardized test results was used only to refresh the principal's recollection and was never presented into evidence; therefore, there was no violation of subdivision (j)(5). *Hope v. Charlotte-Mecklenburg Bd. of Educ.*, 110 N.C. App. 599, 430 S.E.2d 472 (1993).

VII. JUDICIAL REVIEW.

Judicial Review Is Part of Statutory Grievance Procedure. — Since judicial review is part of statutory grievance procedure, it should not be conducted in a federal court under the doctrine of pendent jurisdiction. *Frison v. Franklin County Bd. of Educ.*, 596 F.2d 1192 (4th Cir. 1979).

The role of a court in reviewing a dismissal proceeding is to examine the whole record to determine whether there is substantial evidence on which the findings of the school board are based and whether the conclusions are based on such facts and are not contrary to law. If the school board's findings and conclusions are substantiated in this manner, its order should be affirmed, regardless of the number or nature of the offenses charged. *Thompson v. Wake County Bd. of Educ.*, 31 N.C.

App. 401, 230 S.E.2d 164 (1976), *rev'd* on other grounds, 292 N.C. 406, 233 S.E.2d 538 (1977).

Standards for Review. — The standards for judicial review set forth in § 150A-51 (see now § 150B-51) are applicable to appeals from school boards to the courts, since no other statute provides guidance for judicial review of school board decisions, in the interest of uniformity in reviewing administrative board decisions. *Faulkner v. New Bern-Craven County Bd. of Educ.*, 311 N.C. 42, 316 S.E.2d 281 (1984).

Scope of Review. — On appeal of dismissal, review was limited to determining whether the superior court correctly decided that the board's decision to dismiss plaintiff on the grounds of immorality and insubordination was supported by substantial evidence in light of the whole record. *Crump v. Board of Educ.*, 79 N.C. App. 372, 339 S.E.2d 483, *cert. denied*, 317 N.C. 333, 346 S.E.2d 137 (1986).

What Evidence Considered on Review. — Although the reviewing superior court must still look for substantial evidence in the record as a whole which is competent and material, it may not exclude testimony from its consideration merely because it would otherwise violate a rule of evidence. *Thompson v. Wake County Bd. of Educ.*, 31 N.C. App. 401, 230 S.E.2d 164 (1976), *rev'd* on other grounds, 292 N.C. 406, 233 S.E.2d 538 (1977).

Consideration of Panel Report. — A trial judge reviewing a school board decision must not only consider the complete testimony of all the witnesses, he must also consider the panel report of the Professional Review Committee, which is "deemed to be competent evidence," and when it is introduced, becomes part of the record. *Thompson v. Wake County Bd. of Educ.*, 292 N.C. 406, 233 S.E.2d 538 (1977).

Statute of Limitations. — A civil action in which plaintiff sought reinstatement as a classroom teacher in defendant board of education's school system and back pay and other benefits arising out of defendant's alleged violation of the Teacher Tenure Act was not governed by the two year statute of limitations set out in § 1-53(1), which applies to an action upon a contract against a local unit of government; the applicable statute of limitations was the three year statute in § 1-52(2) "upon a liability created by statute." *Rose v. Currituck County Bd. of Educ.*, 83 N.C. App. 408, 350 S.E.2d 376 (1986).

Dismissal Upheld. — Competent and substantial evidence existed to support the education board's findings and conclusion that petitioner teacher should be dismissed for insubordination. *Hope v. Charlotte-Mecklenburg Bd. of Educ.*, 110 N.C. App. 599, 430 S.E.2d 472 (1993).

VIII. RESIGNATION.

Right to Resign. — A public school teacher can resign whenever he sees fit, though not necessarily with impunity, and his superintendent has the authority to accept his resignation. *Warren v. Buncombe County Bd. of Educ.*, 80 N.C. App. 656, 343 S.E.2d 225 (1986).

Board's Approval of Resignation. — When plaintiff resigned his position as principal of high school and superintendent accepted it, it was final; the subsequent approval of the resignation by the county board of education was a gratuitous, meaningless formality. *Warren v. Buncombe County Bd. of Educ.*, 80 N.C. App. 656, 343 S.E.2d 225 (1986).

Part 6. Criminal History Checks.

§ **115C-332. School personnel criminal history checks.**

(a) As used in this section:

- (1) "Criminal history" means a county, state, or federal criminal history of conviction of a crime, whether a misdemeanor or a felony, that indicates the employee (i) poses a threat to the physical safety of students or personnel, or (ii) has demonstrated that he or she does not have the integrity or honesty to fulfill his or her duties as public school personnel. Such crimes include the following North Carolina crimes contained in any of the following Articles of Chapter 14 of the General Statutes: Article 5A, Endangering Executive and Legislative Officers; Article 6, Homicide; Article 7A, Rape and Kindred Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or

Material; Article 14, Burglary and Other Housebreakings; Article 15, Arson and Other Burnings; Article 16, Larceny; Article 17, Robbery; Article 18, Embezzlement; Article 19, False Pretense and Cheats; Article 19A, Obtaining Property or Services by False or Fraudulent Use of Credit Device or Other Means; Article 20, Frauds; Article 21, Forgery; Article 26, Offenses Against Public Morality and Decency; Article 26A, Adult Establishments; Article 27, Prostitution; Article 28, Perjury; Article 29, Bribery; Article 31, Misconduct in Public Office; Article 35, Offenses Against the Public Peace; Article 36A, Riots and Civil Disorders; Article 39, Protection of Minors; and Article 60, Computer-Related Crime. Such crimes also include possession or sale of drugs in violation of the North Carolina Controlled Substances Act, Article 5 of Chapter 90 of the General Statutes, and alcohol-related offenses such as sale to underage persons in violation of G.S. 18B-302 or driving while impaired in violation of G.S. 20-138.1 through G.S. 20-138.5. In addition to the North Carolina crimes listed in this subparagraph, such crimes also include similar crimes under federal law or under the laws of other states.

(2) "School personnel" means any:

- a. Employee of a local board of education whether full-time or part-time, or
- b. Independent contractor or employee of an independent contractor of a local board of education, if the independent contractor carries out duties customarily performed by school personnel, whether paid with federal, State, local, or other funds, who has significant access to students. School personnel includes substitute teachers, driver training teachers, bus drivers, clerical staff, and custodians.

(b) Each local board of education shall adopt a policy on whether and under what circumstances an applicant for a school personnel position shall be required to be checked for a criminal history before the applicant is offered an unconditional job. Each local board of education shall apply its policy uniformly in requiring applicants for school personnel positions to be checked for a criminal history. A local board of education that requires a criminal history check for an applicant may employ an applicant conditionally while the board is checking the person's criminal history and making a decision based on the results of the check.

A local board of education shall not require an applicant to pay for the criminal history check authorized under this subsection.

(c) The Department of Justice shall provide to the local board of education the criminal history from the State and National Repositories of Criminal Histories of any applicant for a school personnel position in the local school administrative unit of for which a local board of education requires a criminal history check. The local board of education shall require the person to be checked by the Department of Justice to (i) be fingerprinted and to provide any additional information required by the Department of Justice to a person designated by the local board, or to the local sheriff or the municipal police, whichever is more convenient for the person, and (ii) sign a form consenting to the check of the criminal record and to the use of fingerprints and other identifying information required by the repositories. The local board of education shall consider refusal to consent when making employment decisions and decisions with regard to independent contractors.

The local board of education shall not require an applicant to pay for being fingerprinted.

(d) The local board of education shall review the criminal history it receives on a person. The local board shall determine whether the results of the review

indicate that the employee (i) poses a threat to the physical safety of students or personnel, or (ii) has demonstrated that he or she does not have the integrity or honesty to fulfill his or her duties as public school personnel and shall use the information when making employment decisions and decisions with regard to independent contractors. The local board shall make written findings with regard to how it used the information when making employment decisions and decisions with regard to independent contractors.

(e) The local board of education shall provide to the State Board of Education the criminal history it receives on a person who is certificated, certified, or licensed by the State Board of Education. The State Board of Education shall review the criminal history and determine whether the person's certificate or license should be revoked in accordance with State laws and rules regarding revocation.

(f) All the information received by the local board of education through the checking of the criminal history or by the State Board of Education in accordance with subsection (d) of this section is privileged information and is not a public record but is for the exclusive use of the local board of education or the State Board of Education. The local board of education or the State Board of Education may destroy the information after it is used for the purposes authorized by this section after one calendar year.

(g) There shall be no liability for negligence on the part of a local board of education, or its employees, or the State Board of Education, or its employees, arising from any act taken or omission by any of them in carrying out the provisions of this section. The immunity established by this subsection shall not extend to gross negligence, wanton conduct, or intentional wrongdoing that would otherwise be actionable. The immunity established by this subsection shall be deemed to have been waived to the extent of indemnification by insurance, indemnification under Articles 31A and 31B of Chapter 143 of the General Statutes, and to the extent sovereign immunity is waived under the Tort Claims Act, as set forth in Chapter 31 of Chapter 143 of the General Statutes. (1995, c. 373, s. 1.)

Part 7. Personnel Evaluations.

§ 115C-333. Evaluation of certified employees including certain superintendents; action plans; State board notification upon dismissal of employees.

(a) Annual Evaluations; Low-Performing Schools. — Local school administrative units shall evaluate at least once each year all certified employees assigned to a school that has been identified as low-performing, but has not received an assistance team. The evaluation shall occur early enough during the school year to provide adequate time for the development and implementation of an action plan if one is recommended under subsection (b) of this section. If the employee is a teacher as defined under G.S. 115C-325(a)(6), either the principal, the assistant principal who supervises the teacher, or an assessment team assigned under G.S. 115C-334 shall conduct the evaluation. If the employee is a school administrator as defined under G.S. 115C-287.1(a)(3), either the superintendent or the superintendent's designee shall conduct the evaluation.

Notwithstanding this subsection or any other law, all teachers who have not attained career status shall be observed at least three times annually by the principal or the principal's designee and at least once annually by a teacher and shall be evaluated at least once annually by a principal. All other

employees defined as teachers under G.S. 115C-325(a)(6) who are assigned to schools that are not designated as low-performing shall be evaluated annually unless a local board adopts rules that allow specified categories of teachers with career status to be evaluated more or less frequently. Local boards also may adopt rules requiring the annual evaluation of noncertified employees. This section shall not be construed to limit the duties and authority of an assistance team assigned to a low-performing school under G.S. 115C-105.38.

A local board shall use the performance standards and criteria adopted by the State Board unless the board develops an alternative evaluation that is properly validated and that includes standards and criteria similar to those adopted by the State Board. All other provisions of this section shall apply if a local board uses an evaluation other than one adopted by the State Board.

(b) Action Plans. —

- (1) If a certified employee in a low-performing school receives an unsatisfactory or below standard rating on any function of the evaluation that is related to the employee's instructional duties, the individual or team that conducted the evaluation shall recommend to the superintendent that: (i) the employee receive an action plan designed to improve the employee's performance; or (ii) the superintendent recommend to the local board that the employee be dismissed or demoted. The superintendent shall determine whether to develop an action plan or to recommend a dismissal proceeding. Action plans shall be developed by the person who evaluated the employee or the employee's supervisor unless the evaluation was conducted by an assistance team or an assessment team. If the evaluation was conducted by an assistance team or an assessment team, that team shall develop the action plan in collaboration with the employee's supervisor. Action plans shall be designed to be completed within 90 instructional days or before the beginning of the next school year. The State Board shall develop guidelines that include strategies to assist local boards in evaluating certified employees and developing effective action plans within the time allotted under this section. Local boards may adopt policies for the development and implementation of action plans or professional development plans for employees who do not require action plans under this section.

- (2) Local boards shall adopt policies to require action plans for all certified employees who receive a below standard or unsatisfactory rating on an evaluation in the event the superintendent does not recommend dismissal, demotion, or nonrenewal.

(c) Reevaluation. — Upon completion of an action plan under subdivision (1) of subsection (b) of this section, the superintendent, the superintendent's designee, or the assessment team shall evaluate the employee a second time. If on the second evaluation the employee receives one unsatisfactory or more than one below standard rating on any function that is related to the employee's instructional duties, the superintendent shall recommend that the employee be dismissed or demoted under G.S. 115C-325. The results of the second evaluation shall constitute substantial evidence of the employee's inadequate performance.

(d) State Board Notification. — If a local board dismisses an employee for any reason except a reduction in force under G.S. 115C-325(e)(1), it shall notify the State Board of the action, and the State Board annually shall provide to all local boards the names of those individuals. If a local board hires one of these individuals, within 60 days the superintendent or the superintendent's designee shall observe the employee, develop an action plan to assist the employee, and submit the plan to the State Board. The State Board shall review the action plan and may provide comments and suggestions to the

superintendent. If on the next evaluation the employee receives an unsatisfactory or below standard rating on any function that is related to the employee's instructional duties, the local board shall notify the State Board and the State Board shall revoke the employee's certificate under G.S. 115C-296(d). If on the next evaluation the employee receives at least a satisfactory rating on all the functions related to the employee's instructional duties, the local board shall notify the State Board that the employee is in good standing and the State Board shall not continue to provide the individual's name to local boards under this subsection unless the employee is subsequently dismissed under G.S. 115C-325 except for a reduction in force.

(e) **Civil Immunity.** — There shall be no liability for negligence on the part of the State Board of Education or a local board of education, or their employees, arising from any action taken or omission by any of them in carrying out the provisions of this section. The immunity established by this subsection shall not extend to gross negligence, wanton conduct, or intentional wrongdoing that would otherwise be actionable. The immunity established by this subsection shall be deemed to have been waived to the extent of indemnification by insurance, indemnification under Articles 31A and 31B of Chapter 143 of the General Statutes, and to the extent sovereign immunity is waived under the Tort Claims Act, as set forth in Article 31 of Chapter 143 of the General Statutes.

(f) **Local Board Evaluation of Certain Superintendents.** — Each year the local board of education shall evaluate the superintendent employed by the local school administrative unit and report to the State Board the results of that evaluation if during that year the State Board designated as low-performing:

- (1) One or more schools in a local school administrative unit that has no more than 10 schools.
- (2) Two or more schools in a local school administrative unit that has no more than 20 schools.
- (3) Three or more schools in a local school administrative unit that has more than 20 schools. (1998-5, s. 4; 1998-220, ss. 14, 15.)

Editor's Note. — Session Laws 1998-5, s. 4 made this Part effective June 9, 1998.

Effect of Amendments. — Session Laws 1998-220, ss. 14 and 15, effective November 5, 1998, added subdivision (b)(2), and redesignated the existing provisions in subsection (b) as subdivision (b)(1); in subdivision (b)(1), inserted "in a low-performing school"; and inserted "subdivision (1) of" preceding "subsection (b)" in the first sentence of subsection (c).

§ 115C-334. Assessment teams.

The State Board shall develop guidelines for local boards to use to create assessment teams. A local board shall assign an assessment team to every low-performing school in the local school administrative unit that has not received an assistance team. Local boards shall ensure that assessment team members are trained in the proper administration of the employee evaluation used by the local school administrative unit. If service on an assessment team is an additional duty for an employee of a local board, the board may pay the employee for that additional work.

Assessment teams shall have the following duties:

- (1) Conduct evaluations of certified employees in low-performing schools;
- (2) Provide technical assistance and training to principals, assistant principals, superintendents, and superintendents' designees who conduct evaluations of certified employees;
- (3) Develop action plans for certified employees; and

- (4) Assist principals, assistant principals, superintendents, and superintendents' designees in the development and implementation of action plans. (1998-5, s. 4.)

§ 115C-335. Development of performance standards and criteria for certified employees; training and remediation programs.

(a) Development of Performance Standards. — The State Board, in consultation with local boards of education, shall revise and develop uniform performance standards and criteria to be used in evaluating certified public school employees, including school administrators. These standards and criteria shall include improving student achievement, employee skills, and employee knowledge. The standards and criteria for school administrators also shall include building-level gains in student learning and effectiveness in providing for school safety and enforcing student discipline. The State Board shall develop rules regarding the use of these standards and criteria. The State Board also shall develop guidelines for evaluating superintendents. The guidelines shall include criteria for evaluating a superintendent's effectiveness in providing safe schools and enforcing student discipline.

(b) Training. — The State Board, in collaboration with the Board of Governors of The University of North Carolina, shall develop programs designed to train principals and superintendents in the proper administration of the employee evaluations developed by the State Board. The Board of Governors shall use the professional development programs for public school employees that are under its authority to make this training available to all principals and superintendents at locations that are geographically convenient to local school administrative units. The programs shall include methods to determine whether an employee's performance has improved student learning, the development and implementation of appropriate action plans, the process for contract nonrenewal, and the dismissal process under G.S. 115C-325. The Board of Governors shall ensure that the subject matter of the training programs is incorporated into the masters in school administration programs offered by the constituent institutions. The State Board, in collaboration with the Board of Governors, also shall develop in-service programs for certified public school employees that may be included in an action plan created under G.S. 115C-333(b). The Board of Governors shall use the professional development programs for public school employees that are under its authority to make this training available at locations that are geographically convenient to local school administrative units. (1998-5, s. 4.)

Editor's Note. — Session Laws 1998-5, s. 8 provides that the State Board of Education may expend funds appropriated to State Aid to Local School Administrative Units, or to the Department of Public Instruction, or both, to develop certified employee evaluations. The Board of Governors of The University of North Carolina shall direct resources allocated to entities affil-

iated with the Leadership Academy to accomplish the requirements of G.S. 115C-335(b) created under this act. Prior to December 15, 1998, the State Board shall provide to the Joint Legislative Education Oversight Committee a progress report on the development of the certified employee evaluations and the guidelines for assessment teams.

§§ 115C-335.1 through 115C-335.4: Reserved for future codification purposes.

Part 8. Protection for Reporting Harassment.

§ 115C-335.5. Protection against retaliation for reporting harassment.

No employee of a local board of education shall be disciplined in any way solely for the reason that the employee has filed a written complaint alleging sexual harassment by students, other local board employees, or school board members, unless the employee reporting the harassment knows or has reason to believe the report is false. (1999-352, s. 1.)

Editor's Note. — Session Laws 1999-352, s. 2, made this section effective July 22, 1999. This section was enacted as § 115C-335 and was redesignated as § 115C-335.5, under Part 8 of Article 22, at the direction of the Revisor of Statutes.

ARTICLE 23.

Employment Benefits.

§ 115C-336. Sick leave.

(a) All public school employees shall be permitted a minimum of five days per school term of sick leave, pursuant to rules and regulations promulgated by the State Board of Education as provided in G.S. 115C-12(8).

(b) The State Board of Education shall adopt rules and regulations for the establishment of voluntary sick leave banks by local boards of education, from which an employee, upon exhaustion of accumulated sick leave and annual leave, when allowable, may withdraw sick leave days in the event of emergency or catastrophic illness. These rules may include, but not be limited to, (i) requirements of minimum service and minimum balance of sick leave before an employee may join the sick leave bank, (ii) enrollment periods for present employees and new hires, (iii) time limits for rejoining the sick leave bank, (iv) limitation on number of days which can be withdrawn by any employee, (v) waiting period before being eligible to withdraw sick leave, (vi) exclusion of illness or injury covered by Workers' Compensation Benefits, (vii) certification by physician attesting to member's illness or accident, (viii) administration of each sick leave bank by a Sick Leave Bank Committee to be made up of representatives of different classifications of employees, and (ix) other requirements to prevent any adverse selection by employees. The rules concerning the establishment of sick leave banks shall include provisions for notifying employees who donate sick leave to and employees who withdraw sick leave from the sick leave bank, of the State retirement credit consequences as to the donated sick leave.

(c) The State Board of Education shall also adopt rules and regulations to authorize an employee who requires a substitute to use annual leave on days that students are in attendance if the employee has exhausted all of the employee's sick leave and if the employee's absence is due to the catastrophic illness of the employee. The employee shall not be required to pay the substitute. (1981, c. 423, s. 1; 1993, c. 321, s. 72(a); 1995, c. 324, s. 17.4.)

Editor's Note. — Session Laws 1995, c. 324, s. 17.1, provides: "State funds for substitute teachers shall be used to pay for substitute teachers on days that teachers use sick leave from voluntary sick leave banks established in accordance with G.S. 115C-336(b)." Session Laws 1995, c. 324, s. 28.3, provides: "Except for statutory changes or other provi-

sions that clearly indicate an intention to have effects beyond the 1995-97 biennium, the textual provisions of this act shall apply only to

funds appropriated for and activities occurring during the 1995-97 biennium."

§ 115C-337. Workers' compensation for school employees.

(a) Workers' Compensation Act Applicable to School Employees. — The provisions of the Workers' Compensation Act shall be applicable to all school employees, and the State Board of Education shall make arrangements necessary to carry out the provisions of the Workers' Compensation Act applicable to these employees paid from State school funds. Liability of the State for compensation shall be confined to school employees paid by the State from State school funds for injuries or death caused by accident arising out of and in the course of their employment in connection with the state-operated school term. The State shall be liable for this compensation on the basis of the average weekly wage of the employees as defined in the Workers' Compensation Act, to the extent of the proportionate part of each employee's salary that is paid from State funds. The State shall also be liable for workers' compensation for all school employees employed in connection with the teaching of vocational agriculture, home economics, trades and industries, and other vocational subjects, supported in part by State and federal funds, which liability shall cover the entire period of service of these employees, to the extent of the proportionate part of each employee's salary that is paid from State funds. The local school administrative units shall be liable for workers' compensation for school employees, including lunchroom employees, whose salaries or wages are paid by the local units from local or special funds. The local units may provide insurance to cover this compensation liability and to include the cost of this insurance in their annual budgets.

The provisions of this subsection shall not apply to any person, firm, or corporation making voluntary contributions to schools for any purpose, and the person, firm, or corporation shall not be liable for the payment of any sum of money under this Chapter.

(b) Payment of Awards to School Bus Drivers Pursuant to the Workers' Compensation Act. — In the event that the Industrial Commission shall make an award pursuant to the Workers' Compensation Act against any local board of education on account of injuries to or the death of a school bus driver arising out of and in the course of his employment as such driver, the local board of education shall draw a requisition upon the State Board of Education for the amount required to pay such award. The State Board of Education shall honor such requisition to the extent that it shall have in its hands, or subject to its control, available funds which have been or shall thereafter be appropriated by the General Assembly for the support of the school term. It shall be the duty of the local board of education to apply all funds received by it from the State Board of Education pursuant to such requisition to the payment of such award. Neither the State nor the State Board of Education shall be deemed the employer of such school bus driver, nor shall the State or the State Board of Education be liable to any school bus driver or any other person for the payment of any claim, award, or judgment under the provisions of the Workers' Compensation Act or of any other law of this State for any injury or death arising out of or in the course of the operation by such driver of a public school bus. Neither the local board of education, the local school administrative unit, nor the tax levying authorities for the local school administrative unit shall be liable for the payment of any award made pursuant to the provisions of this subsection in excess of the amount paid upon such requisition by the State Board of Education, nor shall the local school board of education, the local school administrative unit, nor the said tax levying authorities be required to

provide or carry workers' compensation insurance for such purpose. (1955, c. 1292; c. 1372, art. 18, s. 9; 1979, c. 714, s. 2; 1981, c. 423, s. 1; 1995, c. 324, s. 17(b).)

§ 115C-338. Salaries for employees injured during an episode of violence.

(a) For the purpose of this section, "employee" shall mean any teacher, helping teacher, librarian, principal, supervisor, superintendent of public schools or any full-time employee, city or county, superintendent of public instruction, or any full-time employee of Department of Public Instruction, president, dean or teacher, or any full-time employee in any educational institution supported by and under the control of the State: Provided, that the term "teacher" shall not include any part-time, temporary, or substitute teacher or employee, and shall not include those participating in an optional retirement program provided for in G.S. 135-5.1. In all cases of doubt, the Board of Trustees, as defined in G.S. 135-1(7), shall determine whether any person is a teacher as herein defined.

(b) Any employee who while engaged in the course of his employment or in any activities incidental thereto, suffers any injury or disability resulting from or arising out of any episode of violence by one or more persons shall be entitled to receive his full salary during the shortest of these periods: one year, the continuation of his disability, or the time during which he is unable to engage in his employment because of injury. An episode of violence shall be defined to mean but shall not be limited to any acts of violence directed toward any school building or facility, or to any employee or any student by any person including but not limited to another student. These benefits shall be in lieu of all other income or disability benefits payable under workers' compensation to such employee only during the period prescribed herein. Thereafter, such teacher shall be paid such income or disability payments to which he might be entitled under workers' compensation. If the employment of a substitute is necessitated by the disability of the injured employee the salary of such substitute shall be paid from the same source of funds from which the employee is paid. This section shall in no way limit the right of the injured employee to receive the benefits of medical, hospital, drug and related expense payments from any source, including workers' compensation: Provided, further, that this section shall not apply to any employee who is injured while he participates in or provokes such episode of violence except as is incident to the maintenance or restoration of order or classroom discipline or to defend himself: Provided,

further, that this section shall be given liberal construction and interpretation as to any and all definitions, conditions, and factual circumstances set forth herein.

(c) Any employee claiming the benefits of this section shall file claim with the board of education employing such employee within one year after the occurrence giving rise to his alleged injury. That board of education shall, within 30 days after receipt of such claim, decide whether and to what extent that employee is entitled to the benefits of this section and shall forthwith transmit its decision in writing to such employee. That employee shall, however, have the right to appeal the decision of that board of education to the North Carolina Industrial Commission by serving that board of education and the North Carolina Industrial Commission with written notice thereof within 30 days after receipt of the board's written decision. In determining all appeals under this section the North Carolina Industrial Commission shall constitute a court for the purpose of hearing de novo and passing upon all claims thereby presented in accordance with procedures utilized by the Commission in determining claims under the Workers' Compensation Act. The decision of the Industrial Commission in each instance shall be subject to appeal to the North Carolina Court of Appeals as provided in G.S. 143-293 and 143-294. (1971, c. 640, ss. 1, 2; 1973, c. 753; 1979, c. 714, s. 2; 1981, c. 423, s. 1.)

§ 115C-339. Retirement plan.

Provisions for retirement plans for public school employees may be found in Chapter 135 of the General Statutes. (1981, c. 423, s. 1.)

§ 115C-340. Health insurance.

(a) The State Board of Education may authorize and empower any local board of education, the board of trustees of any community college, or other governing authority, within the State, to establish a voluntary payroll deduction plan for premiums for any type of group insurance, including health insurance, established and authorized by the laws of this State.

(b) Any employee of any local board of education, any community college, or of any educational association, may enter into a written agreement with his employer for the purpose of carrying out the provisions of this section. The State Board of Education is authorized and empowered to make and promulgate rules and regulations to carry out the purposes of this section. (1969, c. 591; 1981, c. 423, s. 1; 1987, c. 564, ss. 12, 16.)

§ 115C-341. Annuity contracts.

Notwithstanding the provisions of this Chapter for the adoption of State and local salary schedules for the pay of teachers, principals, superintendents, and other school employees, local boards of education may enter into annual contracts with any employee of such board which provide for a reduction in salary below the total established compensation or salary schedule for a term of one year. The local board of education shall use the funds derived from the reduction in the salary of the employee to purchase a nonforfeitable annuity contract for the benefit of said employee. An employee who has agreed to a salary reduction for this purpose shall not have the right to receive the amount of the salary reduction in cash or in any other way except the annuity contract. Funds used by the local boards of education for the purchase of an annuity

contract shall not be in lieu of any amount earned by the employee before his election for a salary reduction has become effective.

The agreement for salary reductions referred to herein shall be effected under any necessary regulations and procedures adopted by the State Board of Education and on forms prepared by the State Board of Education.

Notwithstanding any other provisions of this section, the amount by which the salary of any employee is reduced pursuant to this section shall be included in computing and making payroll deductions for social security and retirement system purposes, and in computing and providing matching funds for retirement system purposes.

In lieu of the annuity contracts provided for under this section, interests in custodial accounts pursuant to Section 401(f), Section 403(b)(7), and related sections of the Internal Revenue Code of 1986 as amended may be purchased for the benefit of qualified employees under this section with the funds derived from the reduction in the salaries of such employees. (1963, c. 582; 1981, c. 423, s. 1; 1989, c. 526, s. 1.)

§ 115C-341.1. Flexible Compensation Plan.

Notwithstanding any other provisions of law relating to the salaries of employees of local boards of education, the State Board of Education is authorized to provide a plan of flexible compensation to eligible employees of local school administrative units for benefits available under Section 125 and related sections of the Internal Revenue Code of 1986 as amended. This plan shall not include those benefits provided to employees under Articles 1, 3, and 6 of Chapter 135 of the General Statutes nor any vacation leave, sick leave, or any other leave that may be carried forward from year to year by employees as a form of deferred compensation. In providing a plan of flexible compensation, the State Board may authorize local school administrative units to enter into agreements with their employees for reductions in the salaries of employees electing to participate in the plan of flexible compensation provided by this section. With the approval of the Director of the Budget, savings in the employer's share of contributions under the Federal Insurance Contributions Act on account of the reduction in salary may be used to pay some or all of the administrative expenses of the program. Should the State Board decide to contract with a third party to administer the terms and conditions of a plan of flexible compensation as provided by this section, it may select such a contractor only upon a thorough and completely advertised competitive procurement process. Editor's Note. — Session Laws 1999-237, s. 28.27(a), amended Session Laws 1991, (Reg. Sess., 1992), c. 1044, s. 14(i), as amended by Session Laws 1993, c. 561, s. 42, Session Laws 1993 (Reg. Sess., 1994), c. 769, s. 7.28A, and Session Laws 1997-43, s. 33.20, by deleting the provision that the amendment to this section

would expire December 31, 1999.

Session Laws 1999-237, s. 1.1 provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 1999.'"

Session Laws 1999-237, s. 30.4 contains a severability clause.

§ 115C-342. Group insurance and credit unions.

(a) The State Board of Education may authorize and empower any local board of education, the board of trustees of any community college, or other governing authority, within the State, to establish a voluntary payroll deduction plan for:

- (1) Premiums for any type of group insurance established and authorized by the laws of this State.
- (2) Amounts authorized by members of the State Employees' Credit Union or any local teachers' credit unions to be deposited with such organizations.
- (3) Loans made to teachers by credit unions.

(b) Any employee of any local board of education, any community college, or of any educational association, may enter into a written agreement with his employer for the purpose of carrying out the provisions of this section. The State Board of Education is authorized and empowered to make and promulgate rules and regulations to carry out the purposes of this section.

(c) Any public school teacher who is a member of a credit union organized and established under Chapter 54 of the General Statutes may, by executing a written consent to the local school administrative unit by whom employed, authorize periodical payment or obligation to such credit union to be deducted from their salaries or wages, and such deductions shall be made and paid to said credit union as and when said salaries and wages are payable. (1969, c. 591; 1981, c. 423, s. 1; 1987, c. 564, ss. 12, 16.)

§ 115C-343. Payroll savings plan for purchase of United States bonds.

(a) The State Board of Education may authorize any local school administrative school unit within the State to establish a voluntary payroll deduction plan for the purchase of United States Savings Bonds by the employees of such local school administrative unit, and to set up the necessary machinery for carrying out the purposes of this section.

(b) Any employee of any local school administrative school unit within the State may enter into a written agreement with the local board of education by which he is employed and which has adopted such payroll savings plan to authorize deductions from his salary of certain designated sums to be invested in United States Savings Bonds of the kind and type specified in such agreement.

(c) Upon execution of such agreement by an employee of any local school administrative unit the local board of education employing such person is authorized and empowered to deduct the sum specified in said agreement from the weekly or monthly salary of such employee and to show deductions on all payrolls in a manner similar to that in the weekly or monthly salary of such employee and to show deductions on all payrolls in a manner similar to that in which withholding tax and retirement are shown. Such sums shall be deposited monthly with a depository authorized by the United States Treasury Department. The sums so deposited shall be held by the depository until sufficient moneys have accumulated to the credit of each individual sufficient to purchase a bond, and such sums shall be invested in United States Savings Bonds for and on behalf of such employee, and the bonds shall be delivered to the employee as soon as practicable: Provided, that no coercion shall be exercised to require any person to participate in such plan.

(d) Such agreement may be canceled by the employee executing the same by giving written notice to the superintendent of schools who is ex officio secretary to the local board of education, not later than the fifteenth day of the month in which he desires such agreement to be terminated; and the local board of education may cancel any agreement herein provided for upon giving 10 days written notice to the affected employee. Upon the termination of the agreement, the depository is hereby authorized and directed to refund any amount of money held for such employee. (1957, c. 751, ss. 1-4; 1981, c. 423, s. 1.)

ARTICLE 24.

Interstate Agreement on Qualifications of Educational Personnel.

§ 115C-349. Purpose, findings, and policy.

(a) The states party to this agreement, desiring by common action to improve their respective school systems by utilizing the teacher or other professional educational person wherever educated, declare that it is the policy of each of them, on the basis of cooperation with one another, to take advantage of the preparation and experience of such persons wherever gained, thereby serving the best interests of society, of education, and of the teaching profession. It is the purpose of this agreement to provide for the development and execution of such programs of cooperation as will facilitate the movement of teachers and other professional educational personnel among the states party to it, and to authorize specific interstate educational personnel contracts to achieve that end.

(b) The party states find that included in the large movement of population among all sections of the nation are many qualified educational personnel who move for family and other personal reasons but who are hindered in using their professional skill and experience in their new locations. Variations from state to state in requirements for qualifying educational personnel discourage such personnel from taking the steps necessary to qualify in other states. As a consequence, a significant number of professionally prepared and experienced educators is lost to our school systems. Facilitating the employment of qualified educational personnel, without reference to their states of origin, can increase the available educational resources. Participation in this Compact can increase the availability of educational manpower. (1969, c. 631, s. 1; 1981, c. 423, s. 1.)

§ 115C-350. Definitions.

As used in this agreement and contracts made pursuant to it, unless the context clearly requires otherwise:

- (1) "Accept" or any variant thereof, means to recognize and give effect to one or more determinations of another state relating to the qualifications of educational personnel in lieu of making or requiring a like determination that would otherwise be required by or pursuant to the laws of a receiving state.
- (2) "Designated state official" means the educational official of a state selected by that state to negotiate and enter into, on behalf of his state, contracts pursuant to this agreement.
- (3) "Educational personnel" means persons who must meet requirements pursuant to state law as a condition of employment in educational programs.
- (4) "Originating state" means a state (and the subdivision thereof, if any) whose determination that certain educational personnel are qualified to be employed for specific duties in schools, is acceptable in accordance with the terms of a contract made pursuant to G.S. 115C-351.
- (5) "Receiving state" means a state (and the subdivisions thereof) which accepts educational personnel in accordance with the terms of a contract made pursuant to G.S. 115C-351.

- (6) "State" means a state, territory, or possession of the United States; the District of Columbia; or the Commonwealth of Puerto Rico. (1969, c. 631, s. 1; 1981, c. 423, s. 1.)

§ 115C-351. Interstate educational personnel contracts.

(a) The designated state official of a party state may make one or more contracts on behalf of his state with one or more other party states providing for the acceptance of educational personnel. Any such contract for the period of its duration shall be applicable to and binding on the states whose designated state officials enter into it, and the subdivisions of those states, with the same force and effect as if incorporated in this agreement. A designated state official may enter into a contract pursuant to this section only with states in which he finds that there are programs of education, certification standards or other acceptable qualifications that assure preparation or qualification of educational personnel on a basis sufficiently comparable, even though not identical to that prevailing in his own state.

(b) Any such contract shall provide for:

- (1) Its duration.
- (2) The criteria to be applied by an originating state in qualifying educational personnel for acceptance by a receiving state.
- (3) Such waivers, substitutions, and conditional acceptances as shall aid the practical effectuation of the contract without sacrifice of basic educational standards.
- (4) Any other necessary matters.

(c) No contract made pursuant to this agreement shall be for a term longer than five years but any such contract may be renewed for like or lesser periods.

(d) Any contract dealing with acceptance of educational personnel on the basis of their having completed an educational program shall specify the earliest date or dates on which originating state approval of the program or programs involved can have occurred. No contract made pursuant to this agreement shall require acceptance by a receiving state of any persons qualified because of successful completion of a program prior to January 1, 1954.

(e) The certification or other acceptance of a person who has been accepted pursuant to the terms of a contract shall not be revoked or otherwise impaired because the contract has expired or been terminated. However, any certificate or other qualifying document may be revoked or suspended on any ground which would be sufficient for revocation or suspension of a certificate or other qualifying document initially granted or approved in the receiving state.

(f) A contract committee composed of the designated state officials of the contracting states or their representatives shall keep the contract under continuous review, study means of improving its administration, and report no less frequently than once a year to the heads of the appropriate education agencies of the contracting states. (1969, c. 631, s. 1; 1981, c. 423, s. 1.)

§ 115C-352. Approved and accepted programs.

(a) Nothing in this agreement shall be construed to repeal or otherwise modify any law or regulation of a party state relating to the approval of programs of educational preparation having effect solely on the qualification of educational personnel within that state.

(b) To the extent that contracts made pursuant to this agreement deal with the educational requirements for the proper qualification of educational personnel, acceptance of a program of educational preparation shall be in accordance with such procedures and requirements as may be provided in the applicable contract. (1969, c. 631, s. 1; 1981, c. 423, s. 1.)

§ 115C-353. Interstate cooperation.

The party states agree that:

- (1) They will, so far as practicable, prefer the making of multilateral contracts pursuant to G.S. 115C-351 of this agreement.
- (2) They will facilitate and strengthen cooperation in interstate certification and other elements of educational personnel qualification and for this purpose shall cooperate with agencies, organizations, and associations interested in certification and other elements of educational personnel qualification. (1969, c. 631, s. 1; 1981, c. 423, s. 1.)

§ 115C-354. Agreement evaluation.

The designated state officials of any party state(s) may meet from time to time as a group to evaluate progress under the agreement, and to formulate recommendations for changes. (1969, c. 631, s. 1; 1981, c. 423, s. 1.)

§ 115C-355. Other arrangements.

Nothing in this agreement shall be construed to prevent or inhibit other arrangements or practices of any party state or states to facilitate the interchange of educational personnel. (1969, c. 631, s. 1; 1981, c. 423, s. 1.)

§ 115C-356. Effect and withdrawal.

(a) This agreement shall become effective when enacted into law by two states. Thereafter it shall become effective as to any state upon its enactment of this agreement.

(b) Any party state may withdraw from this agreement by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after the governor of the withdrawing state has given notice in writing of the withdrawal to the governors of all other party states.

(c) No withdrawal shall relieve the withdrawing state of any obligation imposed upon it by a contract to which it is a party. The duration of contracts and the methods and conditions of withdrawal therefrom shall be those specified in their terms. (1969, c. 631, s. 1; 1981, c. 423, s. 1.)

§ 115C-357. Construction and severability.

This agreement shall be liberally construed so as to effectuate the purposes thereof. The provisions of this agreement shall be severable and if any phrase, clause, sentence, or provision of this agreement is declared to be contrary to the constitution of any state or of the United States, or the application thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this agreement and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this agreement shall be held contrary to the constitution of any state participating therein, the agreement shall remain in full force and effect as to the state affected as to all severable matters. (1969, c. 631, s. 1; 1981, c. 423, s. 1.)

§ 115C-358. Designated state official.

For the purposes of the agreement set forth in this Article the "designated state official" for this State shall be the Superintendent of Public Instruction. He shall enter into contracts pursuant to G.S. 115C-351 only with the approval of the specific text thereof by the State Board of Education. (1969, c. 631, s. 2; 1981, c. 423, s. 1.)

§ 115C-363.23A. Teaching Fellows Program established; administration.

(a) A Teaching Fellows Program shall be administered by the North Carolina Teaching Fellows Commission. The Teaching Fellows Program shall be used to provide a four-year scholarship loan of six thousand five hundred dollars (\$6,500) per year to North Carolina high school seniors interested in preparing to teach in the public schools of the State. The Commission shall adopt very stringent standards, including minimum grade point average and scholastic aptitude test scores, for awarding these scholarship loans to ensure that only the best high school seniors receive them.

(b) The Commission shall administer the program in cooperation with teacher training institutions selected by the Commission. Teaching Fellows should be exposed to a range of extra-curricular activities while in college. These activities should be geared to instilling a strong motivation not only to remain in teaching but to provide leadership for tomorrow's schools.

(c) The Commission shall form regional review committees to assist it in identifying the best high school seniors for the program. The Commission and the review committees shall make an effort to identify and encourage minority

students and students who may not otherwise consider a career in teaching to enter the program.

(d) All scholarship loans shall be evidenced by notes made payable to the Commission that shall bear interest at the rate of ten percent (10%) per year beginning September 1 after completion of the program, or immediately after termination of the scholarship loan, whichever is earlier. The scholarship loan may be terminated by the recipient withdrawing from school or by the recipient not meeting the standards set by the Commission.

(e) The Commission shall forgive the loan if, within seven years after graduation, the recipient teaches for four years at a North Carolina public school or at a school operated by the United States government in North Carolina. The Commission shall also forgive the loan if, within seven years after graduation, the recipient teaches for three consecutive years, unless the recipient takes an approved leave of absence, at a North Carolina public school in a local school administrative unit that, at the time the recipient accepts employment with the unit, is a low-performing school system identified in accordance with Article 6A of this Chapter or is on warning status as defined by the State Board of Education. The Commission shall also forgive the loan if it finds that it is impossible for the recipient to teach for four years, within seven years after graduation, at a North Carolina public school or at a school operated by the United States government in North Carolina, because of the death or permanent disability of the recipient.

(f) All funds appropriated to or otherwise received by the Teaching Fellows Program for scholarships, all funds received as repayment of scholarship loans, and all interest earned on these funds, shall be placed in a revolving fund. This revolving fund shall be used for scholarship loans granted under the Teaching Fellows Program. With the prior approval of the General Assembly in the Current Operations Appropriations Act, the revolving fund may also be used for campus and summer program support, and costs related to disbursement of awards and collection of loan repayments.

The Public School Forum, as administrator for the Teaching Fellows Program, may use up to one hundred fifty thousand dollars (\$150,000) annually from the fund balance for costs associated with administration of the Teaching Fellows Program. These funds are in addition to funds required for collection costs related to loan repayments. (1985 (Reg. Sess., 1986), c. 1014, s. 63(a); 1989 (Reg. Sess., 1990), c. 1066, s. 101(a), (b); 1991 (Reg. Sess., 1992), c. 1030, s. 29; 1993, c. 330, s. 1; 1998-212, s. 9.19(a); 1999-237, s. 8.12.)

Editor's Note. — Session Laws 1998-212, s. 9.19(b) provides: "Notwithstanding the provisions of G.S. 115C-363.23A(f), the Public School Forum, as administrator for the North Carolina Teaching Fellows Program, may spend, in addition to funds required for collection costs related to loan repayments, up to one hundred fifty thousand dollars (\$150,000) for the 1998-99 fiscal year and for the 1999-2000 fiscal year from the fund balance for the Program for costs associated with administration of the Program."

Session Laws 1998-212, s. 1.1 provides: "The act shall be known as the 'Current Operations Appropriations and Capital Improvement Appropriations Act of 1998'."

Session Laws 1998-212, s. 30.2 provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1998-99 fiscal year, the textual

provisions of this act apply only to funds appropriated for, and activities occurring during, the 1998-99 fiscal year."

Session Laws 1998-212, s. 30.5 contains a severability clause.

Session Laws 1999-237, s. 1.1 provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 1999.'"

Session Laws 1999-237, s. 30.4 contains a severability clause.

Effect of Amendments. — The 1998 amendment, effective July 1, 1998, substituted "six thousand five hundred dollars (\$6,500)" for "five thousand dollars (\$5,000)" in subsection (a).

Session Laws 1999-237, s. 8.12, effective July 1, 1999, added the last paragraph of subsection (f).

SUBCHAPTER VI. STUDENTS.

ARTICLE 25.

Admission and Assignment of Students.

§ **115C-364. Admission requirements.**

(a) A child who is presented for enrollment at any time during the first 120 days of a school year is entitled to initial entry into the public schools if:

- (1) The child reaches or reached the age of 5 on or before October 16 of that school year; or
- (2) The child did not reach the age of 5 on or before October 16 of that school year, but has been attending school during that school year in another state in accordance with the laws or rules of that state before the child moved to and became a resident of North Carolina.

(b) A local board may allow a child who is presented for enrollment at any time after the first 120 days of a school year to be eligible for initial entry into the public schools if:

- (1) The child reached the age of 5 on or before October 16 of that school year; or
- (2) The child did not reach the age of 5 on or before October 16 of that school year, but has been attending school during that school year in another state in accordance with the laws or rules of that state before the child moved to and became a resident of North Carolina.

(c) The initial point of entry into the public school system shall be at the kindergarten level. If the principal of a school finds as fact subsequent to initial entry that a child, by reason of maturity can be more appropriately served in the first grade rather than in kindergarten, the principal may act under G.S. 115C-288 to implement this educational decision without regard to chronological age. The principal of any public school may require the parent or guardian of any child presented for admission for the first time to that school to furnish a certified copy of the child's birth certificate, which shall be furnished by the register of deeds of the county having on file the record of the birth of the child, or other satisfactory evidence of date of birth.

(d) A child who has passed the fourth anniversary of the child's birth on or before April 16 may enter kindergarten if the child is presented for enrollment no later than the end of the first month of the school year and if the principal of the school finds, based on information submitted by the child's parent or guardian, that the child is gifted and that the child has the maturity to justify admission to the school. The State Board of Education shall establish guide-

lines for the principal to use in making this finding. (1955, c. 1372, art. 19, s. 2; 1969, c. 1213, s. 4; 1973, c. 603, s. 3; 1981, c. 423, s. 1; 1983, c. 656, s. 1; 1997-204, s. 1; 1997-269, s. 1.)

§ 115C-365: Repealed by Session Laws 1991, c. 719, s. 1.

§ 115C-366. Assignment of student to a particular school.

(a) All students under the age of 21 years who are domiciled in a school administrative unit who have not been removed from school for cause, or who have not obtained a high school diploma, are entitled to all the privileges and advantages of the public schools to which they are assigned by the local boards of education. The assignment of students living in one local school administrative unit or district to a school located in another local school administrative unit or district, shall have no effect upon the right of the local school administrative unit or district to which the students are assigned to levy and collect any supplemental tax heretofore or hereafter voted in that local school administrative unit or district.

(a1) Children living in and cared for and supported by an institution established, operated, or incorporated for the purpose of rearing and caring for children who do not live with their parents shall be considered legal residents of the local school administrative unit in which the institution is located. These children shall be deemed to qualify for admission to the public schools of the local school administrative unit as provided in this section. This subsection shall apply to foster homes and group homes.

(a2) It is the policy of the State that every child of a homeless individual and every homeless child have access to a free, appropriate public education on the same basis as all children who are domiciled in this State. The local board of education having jurisdiction where the child is actually living shall enroll the child in the school administrative unit where the child is actually living. In no event shall the child be denied enrollment because of uncertainty regarding his domiciliary status, regardless of whether the child is living with the homeless parents or has been temporarily placed elsewhere by the parents. The local board shall not charge the homeless child, as defined in this subsection, tuition for enrollment. The child's parent, guardian, or person standing in loco parentis to the child, may apply to the State Board of Education for a determination of whether a particular local board of education shall enroll the child, and this determination shall be binding on the local board of education, subject to judicial review. As used in this subsection, the term "homeless" refers to an individual who (i) lacks a fixed, regular, and adequate nighttime residence or (ii) has a primary nighttime residence in a supervised publicly or privately operated shelter for temporary accommodations, lives in an institution providing temporary residence for individuals intended to be institutionalized, or a public or private place not designated for, or ordinarily used as, a regular sleeping accommodation for human beings. The term does not include persons who are imprisoned or otherwise detained pursuant to federal or State law.

(a3) A student who is not a domiciliary of a local school administrative unit may attend, without the payment of tuition, the public schools of that unit if:

- (1) The student resides with an adult, who is a domiciliary of that unit, as a result of:
 - a. The death, serious illness, or incarceration of a parent or legal guardian,
 - b. The abandonment by a parent or legal guardian of the complete control of the student as evidenced by the failure to provide substantial financial support and parental guidance,

- c. Abuse or neglect by the parent or legal guardian,
 - d. The physical or mental condition of the parent or legal guardian is such that he or she cannot provide adequate care and supervision of the student, or
 - e. The loss or uninhabitability of the student's home as the result of a natural disaster;
- (2) The student is not currently under a term of suspension or expulsion from a school for conduct that could have led to a suspension or an expulsion from the local school administrative unit; and
 - (3) The adult with whom the student resides and the student's parent, guardian, or legal custodian have each completed and signed separate affidavits that:
 - a. Confirm the qualifications set out in this subsection establishing the student's residency,
 - b. Attest that the student's claim of residency in the unit is not primarily related to attendance at a particular school within the unit, and
 - c. Attest that the adult with whom the student is residing has been given and accepts responsibility for educational decisions for the child, including receiving notices of discipline under G.S. 115C-391, attending conferences with school personnel, granting permission for school-related activities, and taking appropriate action in connection with student records.

For purposes of subdivision (1)c. of this subsection, a student shall be deemed to be abused or neglected if there has been an adjudication of that issue. The State Board may adopt an additional definition of abuse and neglect and that definition shall also apply to this subsection.

If the student's parent, guardian, or legal custodian is unable, refuses, or is otherwise unavailable to sign the affidavit, then the adult with whom the student is living shall attest to that fact in the affidavit.

Upon receipt of both affidavits or an affidavit from the adult with whom the student is living that includes an attestation that the student's parent, guardian, or legal custodian is unable, refuses, or is otherwise unavailable to sign an affidavit, the local board shall admit and assign as soon as practicable the student to an appropriate school, as determined under the local board's school assignment policy, pending the results of any further procedures for verifying eligibility for attendance and assignment within the local school administrative unit.

If it is found that the information contained in either or both affidavits is false, then the local board may, unless the student is otherwise eligible for school attendance under other laws or local board policy, remove the student from school. If a student is removed from school, the board shall provide an opportunity to appeal the removal under the appropriate policy of the local board and shall notify any person who signed the affidavit of this opportunity. If it is found that a person willfully and knowingly provided false information in the affidavit, the maker of the affidavit shall be guilty of a Class 1 misdemeanor and shall pay to the local board an amount equal to the cost of educating the student during the period of enrollment. Repayment shall not include State funds.

Affidavits shall include, in large print, the penalty, including repayment of the cost of educating the student, for providing false information in an affidavit.

(a4) When a student transfers into the public schools of a local school administrative unit, that local board shall require the student's parent, guardian, or custodian to provide a statement made under oath or affirmation before a qualified official indicating whether the student is, at the time, under

suspension or expulsion from attendance at a private or public school in this or any other state or has been convicted of a felony in this or any other state. This subsection does not apply to the enrollment of a student who has never been enrolled in or attended a private or public school in this or any other state.

(a5) Notwithstanding any other law, a local board may deny admission to or place reasonable conditions on the admission of a student who has been suspended from a school under G.S. 115C-391 or who has been suspended from a school for conduct that could have led to a suspension from a school within the local school administrative unit where the student is seeking admission until the period of suspension has expired. Also, a local board may deny admission to or place reasonable conditions on the admission of a student who has been expelled from a school under G.S. 115C-39 or who has been expelled from a school for behavior that indicated the student's continued presence in school constituted a clear threat to the safety of other students or employees or who has been convicted of a felony in this or any other state. If the local board denies admission to a student who has been expelled or convicted of a felony, the student may request the local board to reconsider that decision in accordance with G.S. 115C-391(d).

(b) Each local board of education shall assign to a public school each student qualified for assignment under this section. Except as otherwise provided by law, the authority of each board of education in the matter of assignment of children to the public schools shall be full and complete, and its decision as to the assignment of any child to any school shall be final.

(c) Any child who is qualified under the laws of this State for admission to a public school and who has a place of residence in a local school administrative unit incident to his parent's or guardian's service in the General Assembly, other than the local school administrative unit in which he is domiciled, is entitled to attend school in the local school administrative unit of that residence as if he were domiciled there, subject to the payment of applicable out-of-county fees in effect at the time.

(d) A student domiciled in one local school administrative unit may be assigned either with or without the payment of tuition to a public school in another local school administrative unit upon the terms and conditions agreed to in writing between the local boards of education involved and entered in the official records of the boards. The assignment shall be effective only for the current school year, but may be renewed annually in the discretion of the boards involved.

(e) The boards of education of adjacent local school administrative units may operate schools in adjacent units upon written agreements between the respective boards of education and approval by the county commissioners and the State Board of Education.

(f) This section shall not be construed to allow students to transfer from one local school administrative unit to another for athletic participation purposes in violation of eligibility requirements established by the State Board of Education and the North Carolina High School Athletic Association. (1955, c. 366, s. 1; c. 1372, art. 19, s. 3; 1956, Ex. Sess., c. 7, s. 1; 1971, c. 153; 1981, c. 423, s. 1; c. 567, s. 1; 1991, c. 407, s. 1; c. 719, s. 2; 1997-271, s. 1; 1997-443, s. 8.29(d).)

CASE NOTES

Editor's Note. — *Most of the cases below were decided under corresponding provisions of former Chapter 115.*

History of Pupil Enrollment Act. — See *In re Application for Reassignment*, 247 N.C. 413, 101 S.E.2d 359 (1958).

As to the constitutionality of this section, see *Harris v. Hall*, 572 F. Supp. 1054 (E.D.N.C. 1983).

Constitutionality of Former Statute. — The standards set forth in former § 115-177 as it stood before the 1956 amendment thereto, which standards were the same as those set forth in the next to the last sentence of subsection (b) of this section, were not on their face insufficient to sustain the exercise of the administrative power conferred. *Carson v. Warlick*, 238 F.2d 724 (4th Cir. 1956), cert. denied, 353 U.S. 910, 77 S. Ct. 665, 1 L. Ed. 2d 664 (1957).

Although the North Carolina Assignment and Enrollment of Pupils Act was declared facially constitutional, use of such a statute to discriminate against black pupils would be an unconstitutional application. Criteria may not be used to screen and deny black applicants to a particular school if they are not used in the same manner to screen and deny white applicants similarly situated. *Felder v. Harnett County Bd. of Educ.*, 349 F.2d 366 (4th Cir. 1965).

Construed with § 115C-110. — When a more generally applicable statute such as this section conflicts with a more specific, special statute such as § 115C-110(i), the special statute is viewed as an exception to the provisions of the general statute. Accordingly, the specific requirements of § 115-110(i) control where they are in conflict with the general requirements of subsection (a) of this section. *Craven County Bd. of Educ. v. Willoughby*, 121 N.C. App. 495, 466 S.E.2d 334 (1996).

Authority for Assignment and Enrollment of Pupils Is Vested Solely in Local Boards. — While State officials are given broad general powers over the public school system, specific authority for the assignment and enrollment of pupils in all city and county administrative units throughout the State is vested solely in county and city boards of education. There is no provision giving State officials any authority or control whatever over local school officials relating to the enrollment and assignment of pupils in the public schools. *Jeffers v. Whitley*, 165 F. Supp. 951 (M.D.N.C. 1958); *McKissick v. Durham City Bd. of Educ.*, 176 F. Supp. 3 (M.D.N.C. 1959).

The duty to recognize the constitutional rights of pupils rests primarily upon the school board, and there it should be placed by

an appropriate order of the court, for the United States district court has a secondary duty of enforcement of individual rights and of supervision of the steps taken by the school board to bring itself within the requirements of the law. *Jeffers v. Whitley*, 309 F.2d 621 (4th Cir. 1962).

State Board No Longer Has Authority to Assign Children from One Unit to Another.

— By virtue of the comprehensive rewriting of former Chapter 115 by Session Laws 1955, c. 1372, the State Board no longer has the authority formerly vested in it to assign children from one administrative unit or district to another for the school term. *In re Assignment of School Children*, 242 N.C. 500, 87 S.E.2d 911 (1955).

Power of Local Boards Is Subject Only to Standards and Limitations of Statute.

— The State has entrusted to the county and city boards of education the "full and complete" power to assign and reassign each child residing within its unit to a public school, subject only to the standards and limitations prescribed by the Pupil Assignment Law, including the power of the courts of North Carolina to hear de novo an appeal from the final order of the board and, thereupon, to enter the appropriate order. *In re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

County Board of Education could not require the payment of an exit tuition fee as a condition to approving the transfer of a county resident student to a school system in a different county, as the exit tuition fee is not provided for by the constitution and statutes of this State. *Streeter v. Greene County Bd. of Educ.*, 115 N.C. App. 452, 446 S.E.2d 107 (1994).

And Board May Not Delegate Its Duty. —

The Pupil Assignment Law does not authorize the school board to abdicate or delegate its duty to exercise the power so entrusted to it for the best interests of the applying child. *In re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

The school board is endowed with "full and complete" and "final" authority to assign students to whatever schools the board chooses to assign them. The board may not shift this statutory burden to others. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 306 F. Supp. 1299 (W.D.N.C. 1969), reh'g den., 403 U.S. 912, 91 S. Ct. 2201, 29 L. Ed. 2d 689 (1971).

Hence, Board May Not Transfer Its Power to Federal Employee. —

The school board may not, in the hope of receiving money for its school, shut its eyes to the mandate of the statute. It may not, by contract or otherwise, transfer its power to an employee of the federal government, or bind itself to exercise it as he may direct, or in any other manner than

that provided by statute, or for any purpose other than that for which the State conferred the power upon it. In re Varner, 266 N.C. 409, 146 S.E.2d 401 (1966).

It is the local school board, and not the court, which has the duty to assign pupils and operate the schools, subject to the requirements of the Constitution. It is the court's duty to assess any pupil assignment plan in terms of the Constitution, which is the supreme law of the land. Swann v. Charlotte-Mecklenburg Bd. of Educ., 300 F. Supp. 1358 (W.D.N.C. 1969).

De jure segregation was outlawed by the decisions of the United States Supreme Court in Brown v. Board of Educ., 347 U.S. 483, 74 S. Ct. 686, 98 L. Ed. 873, 38 A.L.R.2d 1180 (1954) and 349 U.S. 294, 75 S. Ct. 753, 99 L. Ed. 1083 (1955); Swann v. Charlotte-Mecklenburg Bd. of Educ., 300 F. Supp. 1358 (W.D.N.C. 1969).

In the field of public education the doctrine of "separate but equal" has no place. Separate educational facilities are inherently unequal. Swann v. Charlotte-Mecklenburg Bd. of Educ., 300 F. Supp. 1358 (W.D.N.C. 1969).

Assignments on a racial basis are neither authorized nor contemplated by the permissive Pupil Enrollment Act. Jeffers v. Whitley, 309 F.2d 621 (4th Cir. 1962).

And Such Assignments Are Unconstitutional. — It is an unconstitutional administration of the North Carolina Pupil Enrollment Act to assign pupils to schools according to racial factors. Wheeler v. Durham City Bd. of Educ., 309 F.2d 630 (4th Cir. 1962).

"Freedom of Choice". — In desegregating a racially dual school system a plan utilizing "freedom of choice" is not an end in itself. "Freedom of choice" is not a sacred talisman; it is only a means to a constitutionally required end — the abolition of the system of segregation and its effects. Swann v. Charlotte-Mecklenburg Bd. of Educ., 300 F. Supp. 1358 (W.D.N.C. 1969).

If a voluntary system is to justify its name, it must, at reasonable intervals, offer to the pupils reasonable alternatives, so that, generally, those who wish to do so may attend a school with members of the other race. Jeffers v. Whitley, 309 F.2d 621 (4th Cir. 1962).

The neighborhood school theory has no standing to override the Constitution. Swann v. Charlotte-Mecklenburg Bd. of Educ., 300 F. Supp. 1358 (W.D.N.C. 1969).

The neighborhood school theory was repudiated by the 1955 General Assembly and by the Pupil Assignment Act of 1955-56. Swann v. Charlotte-Mecklenburg Bd. of Educ., 300 F. Supp. 1358 (W.D.N.C. 1969).

The neighborhood school concept never prevented statutory racial segregation; it may not now be validly used to perpetuate segregation. Swann v. Charlotte-Mecklenburg Bd. of Educ.,

300 F. Supp. 1358 (W.D.N.C. 1969).

The quality of public education should not depend on the economic or racial accident of the neighborhood in which a child's parents have chosen to live — or find they must live — nor on the color of the child's skin. Swann v. Charlotte-Mecklenburg Bd. of Educ., 300 F. Supp. 1358 (W.D.N.C. 1969).

Where pupils live must not control where they are assigned to school, if some other approach is necessary in order to eliminate racial segregation. Swann v. Charlotte-Mecklenburg Bd. of Educ., 306 F. Supp. 1299 (W.D.N.C. 1969), reh'g den., 403 U.S. 912, 91 S. Ct. 2201, 29 L. Ed. 2d 689 (1971).

Duty to Desegregate Schools. — School officials have the continuing duty to take whatever action may be necessary to create a unitary, nonracial system. Swann v. Charlotte-Mecklenburg Bd. of Educ., 300 F. Supp. 1358 (W.D.N.C. 1969).

The school board has a duty to promote acceptance of and compliance with the law. Swann v. Charlotte-Mecklenburg Bd. of Educ., 306 F. Supp. 1299 (W.D.N.C. 1969), reh'g den., 403 U.S. 912, 91 S. Ct. 2201, 29 L. Ed. 2d 689 (1971).

School boards are clearly charged with the affirmative duty to desegregate schools "now" by positive measures. Swann v. Charlotte-Mecklenburg Bd. of Educ., 300 F. Supp. 1358 (W.D.N.C. 1969).

School boards operating State-compelled racially dual systems were clearly charged with the affirmative duty to take whatever steps might be necessary to convert to a unitary system in which racial discrimination would be eliminated root and branch. Swann v. Charlotte-Mecklenburg Bd. of Educ., 300 F. Supp. 1358 (W.D.N.C. 1969).

The duty of the local school boards is not simply a negative duty to refrain from active legal racial discrimination, but a duty to act positively to fashion affirmatively a school system as free as possible from the lasting effects of historical apartheid. Swann v. Charlotte-Mecklenburg Bd. of Educ., 300 F. Supp. 1358 (W.D.N.C. 1969).

The school board has an affirmative duty to promote faculty desegregation and desegregation of pupils, and to deal with the problem of all-black schools. Swann v. Charlotte-Mecklenburg Bd. of Educ., 300 F. Supp. 1358 (W.D.N.C. 1969).

The board must fashion steps which promise realistically to convert promptly to a system without a "white" school and a "black" school, but just schools. Swann v. Charlotte-Mecklenburg Bd. of Educ., 306 F. Supp. 1299 (W.D.N.C. 1969), reh'g den., 403 U.S. 912, 91 S. Ct. 2201, 29 L. Ed. 2d 689 (1971).

Desegregation Plan — Burden on School Board. — The burden on a school board is to

come forward with a school desegregation plan that promises realistically to work, and promises realistically to work now. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

Same — Purpose. — The transition to a unitary, nonracial system of public education was and is the ultimate end to be brought about by a school desegregation plan. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

Same — Methods of Desegregation. — In developing a desegregation plan, the school board is free to consider all known ways of desegregation, including bussing; pairing of grades or of schools; enlargement and realignment of existing zones; freedom of transfer coupled with free transportation for those who elect to abandon de facto segregated schools; and any other methods calculated to establish education as a public program operated according to its own independent standards, and unhampered and uncontrolled by the race of the faculty or pupils or the temporary housing patterns of the community. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

Same — Rezoning. — A school desegregation plan should try to avoid any rezoning which tends to perpetuate segregated pupil assignment. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

As to consideration of factors other than mixture of races in drawing boundaries, see *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 369 F.2d 29 (4th Cir. 1966).

Assignment to School Outside Administrative Unit. — Former § 115-176 provided for assignment en masse upon the basis of residence to a school outside the administrative unit if the boards agreed in writing, without notice, or the approval of the child or its parents, and without hearing. In re *Hayes*, 261 N.C. 616, 135 S.E.2d 645 (1964).

The legislature contemplated agreements between boards acting within the framework of the statute and free to accomplish its purpose — the assignment of the individual child to the school where his or her “best interest” would be served without disruption of that school. In re *Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

The board of one administrative unit cannot assign a child to a school in another administrative unit without the consent of the board of the other unit. In re *Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

Under the Pupil Assignment Law, as amended in 1956, the board of education of one city or county administrative unit could not permit to be enrolled in one of its schools a child who resided in the territory of another unit solely upon its own willingness to do so, plus

the desire of the child or its parents to attend that school. Nothing else appearing, the assent of the board of the unit in which the child resides had to be obtained. In re *Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

The requirement that a child residing in one unit may not be placed in school in another unit without the assent of his resident unit’s board is a protection to each unit against raids upon its student body by another unit so as to gain additional teacher allotment by the State on account of increased enrollment, or so as to gain accomplished athletes, or for any other purpose. In re *Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

It is not within the fair intendment of this law that a board may enter into an agreement with some other agency or person that, come what may and regardless of the welfare of the applying child, the board will never agree to assign any child to any school in another county. In re *Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

Assignment of Pupils Outside County of Their Residence. — The assignment by a county board of education of the plaintiffs to schools in another county was without authority and of no effect. Plaintiffs had a legal right to the enjoyment of opportunities in the county of their residence, and the administrative board could not justify requiring their resort to opportunities elsewhere. *Griffith v. Board of Educ.*, 186 F. Supp. 511 (W.D.N.C. 1960).

Place of Child’s Actual Abode. — Where child’s place of actual abode was clearly in county where he lived with his grandmother, he was a legal resident of the county as long as he continued to live there and was thus entitled to a free appropriate education in this county. *Craven County Bd. of Educ. v. Willoughby*, 121 N.C. App. 495, 466 S.E.2d 334 (1996).

Exhaustion of Administrative Remedies. — The administrative remedy provided for persons who feel that they have not been assigned to the schools that they are entitled to attend must be exhausted before the federal courts will give relief. *Carson v. Board of Educ.*, 227 F.2d 789 (4th Cir. 1955); *Carson v. Warlick*, 238 F.2d 724 (4th Cir. 1956), cert. denied, 353 U.S. 910, 77 S. Ct. 665, 1 L. Ed. 2d 664 (1957); *Holt v. Raleigh City Bd. of Educ.*, 164 F. Supp. 853 (E.D.N.C. 1958), aff’d, 265 F.2d 95 (4th Cir.), cert. denied, 361 U.S. 818, 80 S. Ct. 59, 4 L. Ed. 2d 63 (1959); *Jeffers v. Whitley*, 165 F. Supp. 951 (M.D.N.C. 1958); *Covington v. Edwards*, 264 F.2d 780 (4th Cir. 1959), cert. denied, 361 U.S. 840, 80 S. Ct. 78, 4 L. Ed. 2d 79 (1959).

The administrative remedies provided by statute must be exhausted before the courts of the United States will grant injunctive relief, and rights must be asserted as individuals, not as a class or group. *McKissick v. Durham City Bd. of Educ.*, 176 F. Supp. 3 (M.D.N.C. 1959);

Jeffers v. Whitley, 197 F. Supp. 84 (M.D.N.C. 1961), *aff'd* in part and *rev'd* in part, 309 F.2d 621 (4th Cir. 1962).

The federal court is not authorized to act until administrative remedies have been properly sought and it is shown that the statute is being unconstitutionally administered. After the hearing and final decision thereon, if one is not satisfied, and can show that he has been discriminated against because of his race, he may then apply to the federal court for relief. *Morrow ex rel. Morrow v. Mecklenburg County Bd. of Educ.*, 195 F. Supp. 109 (W.D.N.C. 1961).

A contention that even if the Assignment and Enrollment of Pupils Act was constitutional it did not have to be complied with in the instant case because the provisions of the act were being unconstitutionally applied was untenable in view of the fact there was no allegation that any of the plaintiffs ever sought to comply with the provisions of the act. Not until each of the plaintiffs had applied to the county board of education as individuals, and not as a class, for reassignment, and had failed to be given the relief sought, should the court be asked to interfere in school administration. *Covington v. Edwards*, 165 F. Supp. 957 (M.D.N.C. 1958), *aff'd*, 264 F.2d 780 (4th Cir. 1959), *cert. denied*, 361 U.S. 840, 80 S. Ct. 78, 4 L. Ed. 2d 79 (1959). But see *Jeffers v. Whitley*, 309 F.2d 621 (4th Cir. 1962).

Unless Such Remedies Perpetrate Discrimination. — When an administrative remedy respecting school assignments and transfers, however fair upon its face, has, in practice, been employed principally as a means of perpetration of discrimination and of denial of constitutionally protected rights, it is consistently held inadequate. A remedy so administered need not be exhausted or pursued before resort to the courts for enforcement of the protected rights. *Jeffers v. Whitley*, 309 F.2d 621 (4th Cir. 1962).

Hence, school boards are required to administer the assignment statutes reasonably if pupils are to be required to exhaust their administrative remedies before applying to the courts for relief. *Wheeler v. Durham City Bd. of Educ.*, 196 F. Supp. 71 (M.D.N.C. 1961), *rev'd* on other grounds, 309 F.2d 630 (4th Cir. 1962).

Assumption That State Officials Will Obey Law. — Until there has been a failure of the administrative process, it should be assumed in a federal court that State officials will obey the law when their official action is properly invoked. *Jeffers v. Whitley*, 309 F.2d 621 (4th Cir. 1962).

When, however, administrators have displayed a firm purpose to circumvent

the law, when they have consistently employed the administrative processes to frustrate enjoyment of legal rights, there is no longer room for indulgence of an assumption that the administrative proceedings provide an appropriate method by which recognition and enforcement of those rights may be obtained. *Jeffers v. Whitley*, 309 F.2d 621 (4th Cir. 1962).

Judicial Relief. — For statement of judicial relief to be granted to school children who were initially assigned on a racial basis, see *Jeffers v. Whitley*, 309 F.2d 621 (4th Cir. 1962).

When Class Action in Federal Court Proper. — Where each plaintiff was rejected for the same or similar reasons and each sought in the application the identical relief, having exhausted their administrative remedies they had the right under the law to maintain a class action in the federal courts in behalf of themselves and others likewise qualified. *Griffith v. Board of Educ.*, 186 F. Supp. 511 (W.D.N.C. 1960).

State officials are not indispensable and necessary parties to an action to compel desegregation of schools in a county. *Jeffers v. Whitley*, 165 F. Supp. 951 (M.D.N.C. 1958).

Members of the State Board of Education and the State Superintendent of Public Instruction are neither necessary nor proper parties in actions involving the assignment and enrollment of pupils. *Covington v. Edwards*, 165 F. Supp. 957 (M.D.N.C. 1958), *aff'd*, 264 F.2d 780 (4th Cir.), *cert. denied*, 361 U.S. 840, 80 S. Ct. 78, 4 L. Ed. 2d 79 (1959).

Members of the North Carolina State Board of Education are neither necessary nor proper parties to an action against a city board of education. *McKissick v. Durham City Bd. of Educ.*, 176 F. Supp. 3 (M.D.N.C. 1959).

Burden of Proof. — The burden of proof is on the plaintiffs to establish by a preponderance of the evidence that they have exhausted their administrative remedies before applying to the federal courts for injunctive relief. *McKissick v. Durham City Bd. of Educ.*, 176 F. Supp. 3 (M.D.N.C. 1959).

The burden is upon plaintiffs seeking a transfer to establish by a preponderance of the evidence that they were denied a constitutional right because of their race. *Jeffers v. Whitley*, 197 F. Supp. 84 (M.D.N.C. 1961), *aff'd* in part and *rev'd* in part, 309 F.2d 621 (4th Cir. 1962).

Injunction. — Board of education was enjoined from applying racial considerations to any applications for reassignment under the North Carolina Pupils Enrollment Act. *Chance v. Board of Educ.*, 224 F. Supp. 472 (E.D.N.C. 1963).

OPINIONS OF ATTORNEY GENERAL

Construction with § 115C-366.1. — Under the rules of statutory construction, this section and § 115C-366.1 must be construed together and the provisions of both must be given effect. See opinion of Attorney General to Mr. C. Wade Mobley, Superintendent, Rowan County Schools, 55 N.C.A.G. 61 (1985).

Right to Attend Only Schools of District of Domicile. — Except for certain limited exceptions in §§ 115C-140.1 and 115C-366.2, principally concerning children in foster or group homes, a student has a right to attend only the schools of the school system within which the student, his parents or legal guardian are domiciled and in which they intend to make their home, permanently or indefinitely. See opinion of Attorney General to Mr. C. Wade Mobley, Superintendent, Rowan County Schools, 55 N.C.A.G. 61 (1985).

Refusal to Enroll Students Without Statutory Right to Attend. — Action of a local board of education in refusing to enroll students who do not have a statutory right to attend its schools would not infringe any constitutional rights of students provided such decisions are not based upon discriminatory policies or practices. See opinion of Attorney General to Mr. C. Wade Mobley, Superintendent, Rowan County Schools, 55 N.C.A.G. 61 (1985).

Agreement Between Boards to Allow Attendance of Nondomiciled Student. — The only method by which a student domiciled in the State may attend the schools of a school system in which neither he, his parents or guardian is domiciled is, in accordance with subsection (a), through an agreement between the boards involved. Such agreement may provide for the payment of tuition and other reasonable terms and conditions. See opinion of Attorney General to Mr. C. Wade Mobley, Superintendent, Rowan County Schools, 55 N.C.A.G. 61 (1985).

Domicile Acquired Immediately upon Move. — Domicile for school attendance usually will be acquired immediately upon moving into a school system with the purpose of making a home permanently or indefinitely in the school system. No "waiting period" is required.

See opinion of Attorney General to Mr. C. Wade Mobley, Superintendent, Rowan County Schools, 55 N.C.A.G. 61 (1985).

Temporary Move to School System with Intent to Return to Permanent Home. — Domicile for school purposes can be established immediately upon a move to a school system, but a temporary move to a school system with a fixed intention to return to a permanent home will not suffice. See opinion of Attorney General to Mr. C. Wade Mobley, Superintendent, Rowan County Schools, 55 N.C.A.G. 61 (1985).

"Guardian" Not to Be Appointed as Ruse. — The reference in this section to a "guardian" means a guardian appointed for a minor in accordance with the provisions and limitations contained in Chapter 33 (see now Chapter 35A, § 35A-1101 et seq.), and where either parent is living and capable of caring for a child, a guardian, absent unusual circumstances, may not be appointed for the purpose of conferring a right upon a child to attend a school system where the parent is not domiciled. See opinion of Attorney General to Mr. C. Wade Mobley, Superintendent, Rowan County Schools, 55 N.C.A.G. 61 (1985).

Conditioning Transfer on Relinquishment of Extracurricular Activities. — Local boards of education which determine that a student should be permitted to transfer from one school system to the other may not condition that transfer upon relinquishment of participation in extracurricular activities, absent some exceptional circumstance. See opinion of Attorney General to Mr. Don W. Viets, Jr., Attorney, Whiteville City School System, 55 N.C.A.G. 11 (1985).

Transfers to Participate in Interscholastic Athletics. — The eligibility of students who transfer from one school system to another to participate in interscholastic athletics is governed by State Board of Education regulations which are made binding upon local boards of education by § 115C-47(4) and cannot be altered by local boards as a part of a transfer agreement. See opinion of Attorney General to Mr. Don W. Viets, Jr., Attorney, Whiteville City School System, 55 N.C.A.G. 11 (1985).

§ 115C-366.1. Local boards of education; tuition charges.

- (a) Local boards of education may charge tuition to the following persons:
- (1) Persons of school age who are not domiciliaries of the State.
 - (2) Persons of school age who are domiciliaries of the State but who do not reside within the school administrative unit or district.
 - (3) Persons of school age who reside on a military or naval reservation located within the State and who are not domiciliaries of the State. Provided, however, that no person of school age residing on a military

or naval reservation located within the State and who attends the public schools within the State may be charged tuition if federal funds designed to compensate for the impact on public schools of military dependent persons of school age are funded by the federal government at not less than fifty percent (50%) of the total per capita cost of education in the State, exclusive of capital outlay and debt service, for elementary or secondary pupils, as the case may be, of such school administrative unit.

(4) Persons who are 21 years of age or older before the beginning of the school year in which they wish to enroll.

(b) The tuition charge for a student shall not exceed the amount of per pupil local funding.

(c) The tuition required in this section shall be determined by local boards of education each August 1 prior to the beginning of a new school year. (1981, c. 567, ss. 2-4; 1982, Ex. Sess., c. 2, ss. 1, 2; 1983 (Reg. Sess., 1984), c. 1034, s. 22; 1985, c. 780, s. 2.)

CASE NOTES

Residence and Domicile Defined. — Residence simply indicates a person's actual place of abode, whether permanent or temporary, while domicile denotes one's permanent, established home as distinguished from a temporary, although actual, place of residence; furthermore, an unemancipated minor may not establish a domicile different from his parents, surviving parents, or legal guardian, but obviously may reside in a place separate from his parents. *Chapel Hill-Carrboro City Sch. Sys. v. Chavioux*, 116 N.C. App. 131, 446 S.E.2d 612 (1994).

Although the defendant and her daughter were domiciled outside plaintiff's administrative unit, the daughter resided within that unit; therefore, plaintiff may recover nothing from defendant because it is only

empowered to charge tuition to students who do not reside within its administrative unit. *Chapel Hill-Carrboro City Sch. Sys. v. Chavioux*, 116 N.C. App. 131, 446 S.E.2d 612 (1994).

County Board of Education could not require the payment of an exit tuition fee as a condition to approving the transfer of a county resident student to a school system in a different county, as the exit tuition fee is not provided for by the constitution and statutes of this State. *Streeter v. Greene County Bd. of Educ.*, 115 N.C. App. 452, 446 S.E.2d 107 (1994).

Applied in *Floyd v. Lumberton City Bd. of Educ.*, 71 N.C. App. 670, 324 S.E.2d 18 (1984).

OPINIONS OF ATTORNEY GENERAL

Construction with § 115C-366. — Under the rules of statutory construction, § 115C-366 and this section must be construed together and the provisions of both must be given effect. See opinion of Attorney General to Mr. C. Wade Mobley, Superintendent, Rowan County Schools, 55 N.C.A.G. 61 (1985).

Discretionary Authority to Enroll Student Domiciled Outside the State. — While this section does not expressly provide that local boards of education may enroll students domiciled outside the State, the authority to charge tuition for such students is necessarily

dependent upon the authority, in the first instance, to enroll such students. This discretionary authority to enroll students domiciled outside the State, with or without the payment of tuition, carries with it the authority to establish additional terms and conditions for enrollment (e.g., that an adult within the system, through a guardianship or otherwise, agree to assume responsibility for the student.) See opinion of Attorney General to Mr. C. Wade Mobley, Superintendent, Rowan County Schools, 55 N.C.A.G. 61 (1985).

§ 115C-366.2. Applicability to certain persons.

For the purposes of G.S. 115C-366 and 115C-366.1 for any person who is a resident of a place which is not the person's place of domicile, because: (i) of the residence of a parent, guardian, or legal custodian who is a student, employee

or faculty member, of a college or university, or a visiting scholar at the National Humanities Center; or (ii) the child is placed in or assigned to a group home, foster home, or other similar facility or institution, other than a child covered by G.S. 115C-140.1(a); or (iii) the child resides with a legal custodian who is not the child's parent or guardian, those sections shall be applied by substituting the word "residing" for the word "domiciled," by substituting the word "residence" for the word "domicile," and by substituting the word "residents" for the word "domiciliaries." For purposes of this section, "legal custodian" means the person or agency that has been awarded legal custody of the child by a court.

This section shall not be construed to affect the ability of any person to acquire a new domicile. (1981, c. 965; 1989, c. 473, s. 17.)

OPINIONS OF ATTORNEY GENERAL

Right to Attend Only Schools of District of Domicile. — Except for certain limited exceptions in § 115C-140.1 and this section, principally concerning children in foster or group homes, a student has a right to attend

only the schools of the school system within which the student, his parents or legal guardian are domiciled. See opinion of Attorney General to Mr. C. Wade Mobley, Superintendent, Rowan County Schools, 55 N.C.A.G. 61 (1985).

§ 115C-367. Assignment on certain bases prohibited.

No person shall be refused admission to or be excluded from any public school in this State on account of race, creed, color or national origin. No school attendance district or zone shall be drawn for the purpose of segregating persons of various races, creeds, colors or national origins from the community.

Where local school administrative units have divided the geographic area into attendance districts or zones, pupils shall be assigned to schools within such attendance districts: Provided, however, that the board of education of a local school administrative unit may assign any pupil to a school outside of such attendance district or zone in order that such pupil may attend a school of a specialized kind including but not limited to a vocational school or school operated for, or operating programs for, pupils mentally or physically handicapped, or for any other reason which the board of education in its sole discretion deems sufficient.

The provisions of G.S. 115C-366(b), 115C-367 to 115C-370 and 115C-116 shall not apply to a temporary assignment due to the unsuitability of a school for its intended purpose nor to any assignment or transfer necessitated by overcrowded conditions or other circumstances which, in the sole discretion of the school board, require assignment or reassignment.

The provisions of G.S. 115C-366(b), 115C-367 to 115C-370 and 115C-116 shall not apply to an application for the assignment or reassignment by the parent, guardian or person standing in loco parentis of any pupil or to any assignment made pursuant to a choice made by any pupil who is eligible to make such choice pursuant to the provisions of a freedom of choice plan voluntarily adopted by the board of education of a local school administrative unit. (1969, c. 1274; 1981, c. 423, s. 1.)

CASE NOTES

Editor's Note. — *The case annotated below was decided under corresponding provisions of former Chapter 115.*

Constitutionality of Former Provisions.

— There was nothing unconstitutional in the first paragraph of former § 115-176.1, similar to the first paragraph of this section. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 312 F. Supp. 503 (W.D.N.C. 1970), *aff'd*, 402 U.S. 43, 91 S. Ct. 1284, 28 L. Ed. 2d 586, appeal dismissed, 402 U.S. 47, 91 S. Ct. 1292, 28 L. Ed. 2d 590 (1971).

The first sentence of the second paragraph of former § 115-176.1, similar to the second paragraph of this section, allowed school boards to establish a geographically zoned neighborhood school system, but did not require them to do so. Consequently, this sentence did not prevent the boards from complying with their constitutional duty in circumstances where zoning and neighborhood school plans might not result in a unitary system. The clause in the sentence permitting assignment for "any other reason" in the board's "sole discretion" meant simply that the school boards could assign outside the neighborhood school zone for noninvidious, administrative reasons. So read, it presented no constitutional difficulty. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 312 F. Supp. 503 (W.D.N.C. 1970), *aff'd*, 402 U.S. 43, 91 S. Ct. 1284, 28 L. Ed. 2d 586, appeal dismissed, 402 U.S. 47, 91 S. Ct. 1292, 28 L. Ed. 2d 590 (1971).

The third paragraph of former § 115-176.1, similar to the third paragraph of this section, merely allowed the school board noninvidious discretion to assign students to schools for valid administrative reasons. It did not relate to race at all and, so read, was constitutional. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 312 F. Supp. 503 (W.D.N.C. 1970), *aff'd*, 402 U.S. 43, 91 S. Ct. 1284, 28 L. Ed. 2d 586, appeal dismissed, 402 U.S. 47, 91 S. Ct. 1292, 28 L. Ed. 2d 590 (1971).

The fourth paragraph of former § 115-176.1, similar to the fourth paragraph of this section, relieved school boards from compliance with the statute where they were implementing voluntarily adopted freedom-of-choice plans within their systems. It did not require the boards to adopt freedom of choice in any particular situation, but left them free to comply with their constitutional duty by any effective means available, including, where appropriate, freedom of choice. So interpreted, the paragraph was constitutional. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 312 F. Supp. 503 (W.D.N.C. 1970), *aff'd*, 402 U.S. 43, 91 S. Ct. 1284, 28 L. Ed. 2d 586, appeal dismissed, 402 U.S. 47, 91 S. Ct. 1292, 28 L. Ed. 2d 590 (1971).

Provisions of former § 115-176.1 (not carried over into this section) which prohibited school boards from assigning, compelling, or involuntarily bussing students on account of race or in order to racially "balance" the school system were unconstitutional. *North Carolina State Bd. of Educ. v. Swann*, 402 U.S. 43, 91 S. Ct. 1284, 28 L. Ed. 2d 586 (1971).

The Constitution does not compel any particular degree of racial balance or mixing, but when past and continuing constitutional violations are found, some ratios are likely to be useful starting points in shaping a remedy. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 402 U.S. 1, 91 S. Ct. 1267, 28 L. Ed. 2d 554, rehearing denied, 403 U.S. 912, 91 S. Ct. 2201, 29 L. Ed. 2d 690 (1971).

Just as the race of students must be considered in determining whether a constitutional violation has occurred, so also must race be considered in formulating a remedy. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 402 U.S. 1, 91 S. Ct. 1267, 28 L. Ed. 2d 554, rehearing denied, 403 U.S. 912, 91 S. Ct. 2201, 29 L. Ed. 2d 690 (1971).

§ 115C-368. Notice of assignment.

In exercising the authority conferred by G.S. 115C-366(b), each local board of education may, in making assignments of pupils, give individual written notice of assignment, on each pupil's report card or by written notice by any other feasible means, to the parent or guardian of each child or the person standing in loco parentis to the child, or may give notice of assignment of groups or categories of pupils by publication at least two times in some newspaper having general circulation in the local administrative unit. (1955, c. 366, s. 2; 1956, Ex. Sess., c. 7, s. 2; 1981, c. 423, s. 1.)

CASE NOTES

As to good faith and reasonable administration required on the part of public offi-

cials, see *McKissick v. Durham City Bd. of Educ.*, 176 F. Supp. 3 (M.D.N.C. 1959); *Wheeler*

v. Durham City Bd. of Educ., 196 F. Supp. 71 (M.D.N.C. 1961), rev'd on other grounds, 309 F.2d 630 (4th Cir. 1962).

§ 115C-369. Application for reassignment; notice of disapproval; hearing before board.

The parent or guardian of any child, or the person standing in loco parentis to any child, who is dissatisfied with the assignment made by a local board of education may, within 10 days after notification of the assignment, or the last publication thereof, apply in writing to the local board of education for the reassignment of the child to a different public school. Application for reassignment shall be made on forms prescribed by the local board of education pursuant to rules and regulations adopted by the board of education. If the application for reassignment is disapproved, the local board of education shall give notice to the applicant by registered or certified mail, and the applicant may within five days after receipt of such notice apply to the local board for a hearing, and shall be entitled to a prompt and fair hearing on the question of reassignment of such child to a different school. The local board of education may designate hearing panels composed of not less than two members of the board to hear such appeals in the name of the board of education. The panel's recommendations shall be submitted to the board of education for final determination. At the hearing the local board of education shall consider the best interest of the child, the orderly and efficient administration of the public schools, the proper administration of the school to which reassignment is requested and the instruction, health, and safety of the pupils there enrolled, and shall assign said child in accordance with such factors. The local board shall render prompt decision upon the hearing, and notice of the decision shall be given to the applicant by registered or certified mail. (1955, c. 366, s. 3; 1956, Ex. Sess., c. 7, s. 3; 1981, c. 423, s. 1; 1987, cc. 406, 791.)

CASE NOTES

Editor's Note. — *The cases below were decided under corresponding provisions of former Chapter 115.*

The combination of investigatory and quasi-judicial powers is established practice generally approved by the courts and subject to judicial review in case of abuse. In the operation of the public schools, such an arrangement is well-nigh essential, and the North Carolina statute implies that both functions shall be exercised by the boards of education. *Holt v. Raleigh City Bd. of Educ.*, 265 F.2d 95 (4th Cir. 1959), cert. denied, 361 U.S. 818, 80 S. Ct. 59, 4 L. Ed. 2d 63 (1959).

The authority to make the assignment and enrollment of pupils is placed in the county board of education, and there is no direction for the participation of the State Board of Education in these matters. A motion to amend a complaint to join these officials as additional defendants was denied in the instant case. *Covington v. Edwards*, 264 F.2d 780 (4th Cir. 1959), cert. denied, 361 U.S. 840, 80 S. Ct. 78, 4 L. Ed. 2d 79 (1959).

Reassignment Is Made on Individual Basis. — Reassignment is in the nature of a

special case and made on an individual student basis, upon the request of the parent. In *re Hayes*, 261 N.C. 616, 135 S.E.2d 645 (1964).

And Emphasis Is on Welfare of Child and Effect on School. — Former corresponding statute placed all emphasis on the welfare of the child and the effect upon the school to which reassignment was requested. In *re Hayes*, 261 N.C. 616, 135 S.E.2d 645 (1964); In *re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

It is the best interest of the applying child which must guide the deliberations and control the decision of the board, unless the granting of the application will interfere with the proper administration of the school to which the child seeks reassignment or will endanger the proper instruction, the health or the safety of the other children enrolled therein. In *re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

Right to Apply for Reassignment Is Limited to Parent, Guardian or Person in Loco Parentis. — The right to apply for a reassignment is limited to the parent, guardian, or person standing in loco parentis to the child seeking reassignment. Notice of the board's decision must be given to the applicant

or his parent. No notice is required to be given to the parents of other children; they are not parties to the hearing, and they are not entitled to notice of the board's decision. In re Application for Reassignment, 247 N.C. 413, 101 S.E.2d 359 (1958).

The parent is authorized to apply to the appropriate public school official for the enrollment of his child or children by name in any public school within the county or city administrative unit in which such child or children reside. But such parent is not authorized to apply for admission of any child or children other than his own, unless he is the guardian of such child or children or stands in loco parentis to such child or children. Joyner v. McDowell County Bd. of Educ., 244 N.C. 164, 92 S.E.2d 795 (1956).

Criteria for Considering Applications for Transfer. — The courts have uniformly approved residence and academic preparedness as appropriate criteria for considering applications for transfer. A variety of other criteria would undoubtedly be appropriate in given situations, so long as such criteria are not used in such a way as to deprive individuals of their constitutional rights. Wheeler v. Durham City Bd. of Educ., 196 F. Supp. 71 (M.D.N.C. 1961), rev'd on other grounds, 309 F.2d 630 (4th Cir. 1962).

Failure of Parents and Child to Appear Before Board for Interrogation. — A board of education, requested to transfer a child from one school to another, was clearly within its right before making its initial decision in requesting the child and his parents to appear for interrogation, and they on their part were clearly delinquent in refusing to attend and to furnish all relevant information in their possession. They were not justified in deferring their appearance until the "formal hearing" provided by statute for a review of an adverse decision, or on failing, even at that stage, to appear in person and submit to examination by members of the board. Thus they were not entitled to appeal for relief to the federal court, not having exhausted the remedies afforded them by the statutes of the State. Holt v. Raleigh City Bd. of Educ., 265 F.2d 95 (4th Cir. 1959), cert. denied, 361 U.S. 818, 80 S. Ct. 59, 4 L. Ed. 2d 63 (1959).

Failure to Make Second Application Following Merger of Schools. — Where plain-

tiffs were assigned by the board to the school structure to which they sought admission, but a merger of two schools was followed in a few days by a series of actions whereby the newly integrated school was disintegrated without notice to the plaintiffs, their desire to attend an integrated school was completely frustrated, and relief should not be denied on the ground that the plaintiffs had failed to make a second application to the board for reassignment after the merger of the two schools had taken place, nor should the plaintiffs be required again to pursue administrative remedies without the aid of the court. McCoy v. Greensboro City Bd. of Educ., 283 F.2d 667 (4th Cir. 1960).

Separate Suit for Each Child Is Not Required. — The dismissal of a suit by several parents of school children on the ground that they had not exhausted their administrative remedies does not mean that there must be a separate suit for each child on whose behalf it is claimed that an application for reassignment has been improperly denied. There can be no objection to the joining of a number of applicants in the same suit as has been done in other cases. The county board of education, however, is entitled, to consider each application on its individual merits, and if this is done without unnecessary delay and with scrupulous observance of individual constitutional rights, there will be no just cause for complaint. Covington v. Edwards, 264 F.2d 780 (4th Cir. 1959), cert. denied, 361 U.S. 840, 80 S. Ct. 78, 4 L. Ed. 2d 79 (1959).

Exhaustion of State Remedies Required. — Persons aggrieved by the actions of the school officials of a state may not appeal for relief to the federal courts until they have exhausted the remedies afforded them by the statutes of the State. Holt v. Raleigh City Bd. of Educ., 265 F.2d 95 (4th Cir. 1959), cert. denied, 361 U.S. 818, 80 S. Ct. 59, 4 L. Ed. 2d 63 (1959).

System of Free Transfers Held Constitutionally Permissible. — Where a system of free transfers was the only means by which many black students could attend integrated schools, and each pupil in the system had the option, the existence of the right to transfer was constitutionally permissible. Swann v. Charlotte-Mecklenburg Bd. of Educ., 369 F.2d 29 (4th Cir. 1966).

§ 115C-370. Judicial review of board's decision.

A decision of a local board under G.S. 115C-369 is final and, except as provided in this section, is subject to judicial review in accordance with Article 4 of Chapter 150B of the General Statutes. A person seeking judicial review shall file a petition in the superior court of the county where the local board made its decision. (1955, c. 366, s. 4; 1969, c. 44, s. 73; 1981, c. 423, s. 1; 1987, c. 827, s. 51.)

CASE NOTES

Editor's Note. — *The cases below were decided under corresponding provisions of former Chapter 115.*

Who May Appeal. — An appeal to the superior court from the denial of an application made by any parent, guardian or person standing in loco parentis to any child or children for the admission of such child or children to a particular school must be prosecuted in behalf of the child or children by the interested parent, guardian or person standing in loco parentis to such child or children respectively and not collectively. *Joyner v. McDowell County Bd. of Educ.*, 244 N.C. 164, 92 S.E.2d 795 (1956); *In re Application for Reassignment*, 247 N.C. 413, 101 S.E.2d 359 (1958).

Where a municipal board of education grants the applications for reassignment of certain pupils, appeal from its decision may be taken as to each child only by the child's parent, guardian or person standing in loco parentis; the parents of other children attending the schools to which the reassignments are made are not the parties aggrieved by such reassignments and have no standing in court to contest the assignments. Moreover, each reassignment must be challenged separately; reassignments cannot be challenged en masse. *In re Application for Reassignment*, 247 N.C. 413, 101 S.E.2d 359 (1958).

No agreement of the board can deprive the courts of this State of jurisdiction conferred upon them by statute, or bar the court before which an appeal from the board's order is brought from entering the judgment prescribed in such case. *In re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

And Courts Will Determine Right to Reassignment According to Statutory Standards. — So long as the Pupil Assignment Law remains the law of North Carolina, the courts of this State, in passing upon appeals from orders of the boards of education concerning applications for the reassignment of children to the public schools, will determine the right to reassignment in accordance with the standards

prescribed by the statute, not pursuant to agreements between the board and another or letters from such other party setting forth his ex parte construction of the alleged agreement. *In re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

The court has the authority to reassign the child to the school which he and his parents want him to attend, if that is in the best interest of the child and the child's enrollment therein will not interfere with the proper administration of that school or endanger the instruction, the health or the safety of the other pupils there enrolled. *In re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

Or It May Reassign Him to School in Another Administrative Unit. — Upon appeal, the superior court has the authority to reassign the child to a school of another administrative unit, even though the board of education of the administrative unit wherein the child resides objects. *In re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

Mandamus. — An application for mandamus, requiring the immediate integration of all black pupils residing in the administrative unit, is neither contemplated nor authorized by this section. *Joyner v. McDowell County Bd. of Educ.*, 244 N.C. 164, 92 S.E.2d 795 (1956).

Federal Remedies. — The appeals provided by the Pupil Assignment Law are judicial and not administrative remedies, and after administrative remedies before the school boards have been exhausted, judicial remedies for denial of constitutional rights may be pursued at once in the federal courts without pursuing state court remedies. *Carson v. Warlick*, 238 F.2d 724 (4th Cir. 1956), cert. denied, 353 U.S. 910, 77 S. Ct. 665, 1 L. Ed. 2d 664 (1957); *Holt v. Raleigh City Bd. of Educ.*, 164 F. Supp. 853 (E.D.N.C. 1958), aff'd, 265 F.2d 95 (4th Cir.), cert. denied, 361 U.S. 818, 80 S. Ct. 59, 4 L. Ed. 2d 63 (1959); *Covington v. Edwards*, 264 F.2d 780 (4th Cir. 1959), cert. denied, 361 U.S. 840, 80 S. Ct. 78, 4 L. Ed. 2d 79 (1959).

§ 115C-371. Assignment to special education programs.

Assignment of students to special education programs is subject to the provisions of G.S. 115C-116. (1981, c. 423, s. 1.)

§ 115C-372. Assignment to school bus.

Assignment of students to school buses is subject to the provisions of G.S. 115C-244. (1981, c. 423, s. 1.)

§§ 115C-373 through 115C-377: Reserved for future codification purposes.

ARTICLE 26.

Attendance.

Part 1. Compulsory Attendance.

§ 115C-378. Children required to attend.

Every parent, guardian or other person in this State having charge or control of a child between the ages of seven and 16 years shall cause such child to attend school continuously for a period equal to the time which the public school to which the child is assigned shall be in session. Every parent, guardian, or other person in this State having charge or control of a child under age seven who is enrolled in a public school in grades kindergarten through two shall also cause such child to attend school continuously for a period equal to the time which the public school to which the child is assigned shall be in session unless the child has withdrawn from school. No person shall encourage, entice or counsel any such child to be unlawfully absent from school. The parent, guardian, or custodian of a child shall notify the school of the reason for each known absence of the child, in accordance with local school policy.

The principal, superintendent, or teacher who is in charge of such school shall have the right to excuse a child temporarily from attendance on account of sickness or other unavoidable cause which does not constitute unlawful absence as defined by the State Board of Education. The term "school" as used herein is defined to embrace all public schools and such nonpublic schools as have teachers and curricula that are approved by the State Board of Education.

All nonpublic schools receiving and instructing children of a compulsory school age shall be required to keep such records of attendance and render such reports of the attendance of such children and maintain such minimum curriculum standards as are required of public schools; and attendance upon such schools, if the school refuses or neglects to keep such records or to render such reports, shall not be accepted in lieu of attendance upon the public school of the district to which the child shall be assigned: Provided, that instruction in a nonpublic school shall not be regarded as meeting the requirements of the law unless the courses of instruction run concurrently with the term of the public school in the district and extend for at least as long a term.

The principal or his designee shall notify the parent, guardian, or custodian of his child's excessive absences after the child has accumulated three unexcused absences in a school year. After not more than six unexcused absences, the principal shall notify the parent, guardian, or custodian by mail that he may be in violation of the Compulsory Attendance Law and may be prosecuted if the absences cannot be justified under the established attendance policies of the State and local boards of education. Once the parents are notified, the school attendance counselor shall work with the child and his family to analyze the causes of the absences and determine steps, including adjustment of the school program or obtaining supplemental services, to eliminate the problem. The attendance counselor may request that a law-enforcement officer accompany him if he believes that a home visit is necessary.

After 10 accumulated unexcused absences in a school year the principal shall review any report or investigation prepared under G.S. 115C-381 and

shall confer with the student and his parent, guardian, or custodian if possible to determine whether the parent, guardian, or custodian has received notification pursuant to this section and made a good faith effort to comply with the law. If the principal determines that parent, guardian, or custodian has not, he shall notify the district attorney. If he determines that parent, guardian, or custodian has, he may file a complaint with the juvenile intake counselor pursuant to Chapter 7B of the General Statutes that the child is habitually absent from school without a valid excuse. Evidence that shows that the parents, guardian, or custodian were notified and that the child has accumulated 10 absences which cannot be justified under the established attendance policies of the local board shall establish a prima facie case that the child's parent, guardian, or custodian is responsible for the absences. (1955, c. 1372, art. 20, s. 1; 1956, Ex. Sess., c. 5; 1963, c. 1223, s. 6; 1969, c. 339; c. 799, s. 1; 1971, c. 846; 1975, c. 678, s. 2; c. 731, s. 3; 1979, c. 847; 1981, c. 423, s. 1; 1985, c. 297; 1991 (Reg. Sess., 1992), c. 769, s. 2; 1998-202, s. 13(aa).)

Editor's Note. — Session Laws 1998-202, s. 36, contains a severability clause.

Effect of Amendments. — The 1998 amendment, effective July 1, 1999, and applicable to acts committed on or after that date, substituted "pursuant to Chapter 7B of the General Statutes" for "under G.S. 7A-561" in the third sentence of the last paragraph.

CASE NOTES

Editor's Note. — *Many of the cases below were decided under corresponding provisions of former Chapter 115 and earlier statutes.*

Purpose of Statute. — The purpose of the compulsory attendance law is to prevent those in charge or control of children from encouraging or enticing said children to be absent from school unlawfully. In re McMillan, 30 N.C. App. 235, 226 S.E.2d 693 (1976).

Property Interest Entitles Students to Due Process. — Students in North Carolina have legitimate claims of entitlement to a public education, since by § 115-1 (see now § 115C-1), a uniform system of free public schools is provided throughout the State and students are required to attend by this section. Therefore, students have a property interest in public education and would be entitled to due process in connection with suspension from school. Pegram v. Nelson, 469 F. Supp. 1134 (M.D.N.C. 1979).

There are four ways by which school-aged children in this State may comply with school attendance statutes. First, under this section a child may attend public school. Second, under the same section, a child may attend an "approved", "nonpublic school" which maintains the required records and conducts its curriculum concurrently with the local public school. Third, a child may attend a

"private church school or school of religious charter" which meets the requirements of § 115C-547 et seq. Fourth, a child may attend a "nonpublic school" which "qualifies" by meeting the requirements of § 115C-555 et seq. Delconte v. State, 313 N.C. 384, 329 S.E.2d 636 (1985).

Home Instruction of Children. — Plaintiff's home instruction of his school-age children was not prohibited by compulsory school attendance statutes. Delconte v. State, 313 N.C. 384, 329 S.E.2d 636 (1985).

The statute does not compel every child to attend public schools exclusively for the prescribed period. Such a law would be invalid. State v. Vietto, 38 N.C. App. 99, 247 S.E.2d 298, rev'd on other grounds, 297 N.C. 8, 252 S.E.2d 732 (1979).

Parent Asserting Rights Under Vaccination Statute. — Where it appeared that the defendant did everything within his power to keep his child in school, except to waive what he believed to be his rights under former § 130-93.1 (h), so long as the defendant, in good faith, was asserting his rights as he conceived them under the statute, he was not subject to conviction under this section. State v. Miday, 263 N.C. 747, 140 S.E.2d 325 (1965).

Indictment for Noncompliance. — For a conviction of failure to keep children in school it

was necessary for the indictment to allege, and for the State to offer evidence tending to show, not only that the parent or guardian of the children within the described age had failed or refused to send them to the public school within the district, but also that such child or children had not been sent to attend school periodically for a period equal to the time during which the public school in the district in which they resided was in session. *State v. Johnson*, 188 N.C. 591, 125 S.E. 183 (1924).

Where the indictment does not sufficiently allege the failure of the parent or guardian to send the child to a school other than the public school in the district, an amendment may be allowed to cure the defect. *State v. Johnson*, 188 N.C. 591, 125 S.E. 183 (1924).

An indictment charging a parent with unlawfully and willfully failing to cause his children, between the ages of 8 and 14 (now 7 and 16) years, to attend the public schools of the district of his and the children's residence, is defective in not observing the distinction that the parent, having the custody of his children, may have them attend private schools for the required period, and no conviction may be had under the charge set out in the indictment. *State v. Lewis*, 194 N.C. 620, 140 S.E. 434 (1927).

Willfulness is not an element of the offense. *State v. Vietto*, 38 N.C. App. 99, 247 S.E.2d 298, rev'd on other grounds, 297 N.C. 8, 252 S.E.2d 732 (1979).

Burden. — Where the indictment is defective in failing to charge that a parent or guardian had also failed to send the child or children to a school other than the district school, and the State offers no evidence in respect to it, it is not required that the parent or guardian offer evidence to show that he had complied with the proviso of the statute; and an instruction of the court to the jury, placing the burden upon the defendant to so show, is reversible error. *State v. Johnson*, 188 N.C. 591, 125 S.E. 183 (1924).

Evidence Insufficient to Show That School Was Not Approved. — Defendant's motion for directed verdict should have been allowed, where the evidence showed that defendant removed her twelve-year-old child from the public schools and enrolled her in Learning Foundations of Wilmington, and the only evidence that Learning Foundations was not a nonpublic school approved by the State Board of Education was inherently speculative. *State v. Vietto*, 297 N.C. 8, 252 S.E.2d 732 (1979).

Competence of Testimony of Public School Officials. — Public school officials were competent to testify as to whether or not the school in which the defendant's daughter was placed was an "approved" nonpublic school. *State v. Vietto*, 38 N.C. App. 99, 247 S.E.2d 298, rev'd on other grounds, 297 N.C. 8, 252 S.E.2d 732 (1979).

Stated in *Duro v. District Att'y*, 712 F.2d 96 (4th Cir. 1983).

OPINIONS OF ATTORNEY GENERAL

Transmittal of Educational Records. — Local school boards can and should transmit to the Division of Youth Services (DYS) and other Department of Human Resources (DHR) agencies providing educational services to school age children any requested education records of juveniles committed to their custody or control. Once such education records are obtained by DYS or other DHR facilities they are confidential and must not be released except as permitted by the Family Educational Rights and Privacy Act. See opinion of C. Robin Britt, Sr., Secretary North Carolina Department of Human Resources, — N.C.A.G. — (July 24, 1995).

Requirements for Home School. — Parents who establish a school in their home to educate their school-age children must have their home school recognized by the Office of Nonpublic Schools and meet the requirements of Article 39, Chapter 115C in order to meet the requirements of the Compulsory Attendance Law. See opinion of Attorney General to Mr. Charles C. McConnell, Superintendent, Haywood County Schools, 55 N.C.A.G. 86 (1986).

Parents who educate their child in a home school which has not met the requirements of Article 39 of Chapter 115C, but has been created as a satellite by another recognized home school, are not in compliance with the Compulsory Attendance Law. See opinion of Attorney General to Mr. Charles C. McConnell, Superintendent, Haywood County Schools, 55 N.C.A.G. 86 (1986).

Release to Attend Private School. — Local boards of education have the discretionary authority to release students from school for a part of the school day to attend a private school so long as the private school meets compulsory attendance requirements. A school board that elects to deny such permission does not violate the constitutional rights of parents or students. A board that elects to grant such permission should recognize, and should advise parents, that the absence from school may affect the student's academic progress. See opinion of Attorney General to Mr. W. Max Walser, Superintendent, Davidson County Schools, 57 N.C.A.G. 26 (1987).

§ 115C-379. Method of enforcement.

It shall be the duty of the State Board of Education to formulate such rules and regulations as may be necessary for the proper enforcement of the provisions of this Part. The Board shall prescribe what shall constitute unlawful absence, what causes may constitute legitimate excuses for temporary nonattendance due to physical or mental inability to attend, and under what circumstances teachers, principals, or superintendents may excuse pupils for nonattendance due to immediate demands of the farm or the home in certain seasons of the year in the several sections of the State. It shall be the duty of all school officials to carry out such instructions from the State Board of Education, and any school official failing to carry out such instructions shall be guilty of a Class 3 misdemeanor: Provided, that the compulsory attendance law herein prescribed shall not be in force in any local school administrative unit that has a higher compulsory attendance feature than that provided herein. (1955, c. 1372, art. 20, s. 2; 1963, c. 1223, s. 7; 1981, c. 423, s. 1; 1993, c. 539, s. 887; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 115C-380. Penalty for violation.

Any parent, guardian or other person violating the provisions of this Part shall be guilty of a Class 3 misdemeanor. (1955, c. 1372, art. 20, s. 4; 1969, c. 799, s. 2; 1981, c. 423, s. 1; 1993, c. 539, s. 888; 1994, Ex. Sess., c. 24, s. 14(c).)

Legal Periodicals. — For note, "Delconte v. State: Some Thoughts on Home Education," see 64 N.C.L. Rev. 1302 (1986).

§ 115C-381. School social workers; reports; prosecutions.

The Superintendent of Public Instruction shall prepare such rules and procedures and furnish such blanks for teachers and other school officials as may be necessary for reporting such case of unlawful absence or lack of attendance to the school social worker of the respective local school administrative units. Such rules shall provide, among other things, for a notification in writing, to the person responsible for the nonattendance of any child, that the case is to be reported to the school social worker of the local school administrative unit unless the law is complied with immediately. Upon recommendation of the superintendent, local boards of education may employ school social workers and such school social workers shall have authority to report and verify on oath the necessary criminal warrants or other documents for the prosecutions of violations of this Part: Provided, that local school administrative units shall provide in their local operating budgets for travel and necessary office expense for such school social workers as may be employed through State or local funds, or both. The State Board of Education shall determine the process for allocating school social workers to the various local school administrative units, establish their qualifications, and develop a salary schedule which shall be applicable to such personnel: Provided, that persons now employed by local boards of education as attendance counselors shall be deemed qualified as school social workers under the terms of this Part subject to the approval of said local boards of education.

The school social worker shall investigate all violators of the provisions of this Part. The reports of unlawful absence required to be made by teachers and principals to the school social worker shall, in his hands, in case of any prosecution, constitute prima facie evidence of the violation of this Part and the burden of proof shall be upon the defendant to show the lawful attendance of the child or children upon an authorized school. (1955, c. 1372, art. 20, ss. 3,

5; 1957, c. 600; 1961, c. 186; 1963, c. 1223, ss. 8, 9; 1981, c. 423, s. 1; 1985, c. 686, s. 3.)

§ 115C-382. Investigation of indigency.

If affidavit shall be made by the parent of a child or by any other person that any child who is required to attend school under G.S. 115C-378 is not able to attend school by reason of necessity to work or labor for the support of himself or the support of the family, then the school social worker shall diligently inquire into the matter and bring it to the attention of some court allowed by law to act as a juvenile court, and said court shall proceed to find whether as a matter of fact such parents, or persons standing in loco parentis, are unable to send said child to school for the term of compulsory attendance for the reasons given. If the court shall find, after careful investigation, that the parents have made or are making bona fide effort to comply with the compulsory attendance law, and by reason of illness, lack of earning capacity, or any other cause which the court may deem valid and sufficient, are unable to send said child to school, then the court shall find and state what help is needed for the family to enable compliance with the attendance law. The court shall transmit its findings to the director of social services of the county or city in which the case may arise for such social services officer's consideration and action. (1955, c. 1372, art. 20, s. 6; 1961, c. 186; 1963, c. 1223, s. 10; 1969, c. 982; 1981, c. 423, s. 1; 1985, c. 686, s. 4; 1991 (Reg. Sess., 1992), c. 769, s. 3.)

§ 115C-383. Attendance of deaf and blind children.

(a) Deaf Children and Blind Children to Attend School; Age Limits; Minimum Attendance. — Every deaf child and every blind child between the ages of six and 18 years of sound mind in North Carolina who shall be qualified for admission into a State school for the deaf or the blind shall attend a school that has an approved program for the deaf or the blind, or in the case of a blind child, such child may attend a public school, for a term of not less than nine months each year. Parents, guardians, or custodians of every such blind or deaf child between the ages of six and 18 years shall send, or cause to be sent, such child to some school for the instruction of the blind or deaf or public school as herein provided. As to any deaf child, or any blind child not attending a public school as herein provided, the superintendent of any school for the blind or deaf may exempt any such child from attendance at any session or during any year, and may discharge from his custody any such blind or deaf child whenever such discharge seems necessary or proper. Such discharge or exemption shall be reviewed by the board of directors upon petition by the parent, guardian, or other interested person or the child who has been exempted or discharged: Provided, however, that such board shall not be required to review such discharge or exemption more than once during each calendar year. Whenever a blind or deaf child reaches the age of 18 years and is still unable to become self-supporting because of his defects, such child shall continue in said school until he reaches the age of 21, unless he becomes capable of self-support at an earlier date.

(b) Parents, etc., Failing to Enroll Deaf Child in School Guilty of Misdemeanor; Provisos. — The parents, guardians, or custodians of any deaf child between the ages of six and 18 years failing to enroll such deaf child or children in some school for instruction as provided herein, shall be guilty of a Class 1 misdemeanor: Provided, that this subsection shall not apply to or be enforced against the parent, guardian, or custodian of any deaf child until such time as the superintendent of any school for the instruction of the deaf shall in his discretion serve written notice on such parent, guardian, or custodian, direct-

ing that such child be sent to the institution, advising such parents, guardians, or custodians of the legal requirements of this subsection: Provided, further, that the willful failure of such parent, guardian, or custodian shall constitute a continuing offense and shall not be barred by the statute of limitations.

(c) Parents, etc., Failing to Send Blind Child to School Guilty of Misdemeanor; Provisos. — The parents, guardians, or custodians of any blind child between the ages of six and 18 years failing to send such child to some school for the instruction of the blind or public school shall be guilty of a Class 1 misdemeanor. This subsection shall not be enforced against the parents, guardians, or custodians of any blind child until such time as the superintendent of some school for the instruction of the blind shall in his discretion serve written notice on such parents, guardians, or custodians directing that such child be sent to the said school or to a public school, advising such parents, guardians, or custodians of the legal requirements of this subsection: Provided, further, that the willful failure of such parents, guardians, or custodians shall constitute a continuing offense and shall not be barred by the statute of limitations. The authorities of the Governor Morehead School shall not be compelled to retain in their custody or under their instruction any incorrigible person of confirmed immoral habits.

(d) Local Superintendent to Report Blind and Deaf Children. — It shall be the duty of the local superintendents to report the names and addresses of parents, guardians, or custodians of any deaf or blind children residing within their respective local school administrative units to the superintendent of the institution provided for each. Such report also shall be made to the Department of Public Instruction. (1955, c. 1372, art. 20, ss. 7-10; 1969, c. 749, s. 1; 1981, c. 423, s. 1; 1993, c. 539, ss. 889, 890; 1994, Ex. Sess., c. 24, s. 14(c).)

Part 2. Student Records and Fees.

§ 115C-384. Student records and fees.

(a) In General. — The local board of education has the power to regulate fees, charges and solicitations subject to the provisions of G.S. 115C-47(6).

(b) Refund of Fees upon Transfer of Pupils.

(1) As used in this subsection:

- a. "Month" shall mean 20 school days.
- b. "First semester" shall mean the first 90 teaching days of the 180 days of the school year.
- c. "Second semester" shall mean the last 90 teaching days of the 180 days of the school year.
- d. "Term" shall have the same meaning as that of first semester or second semester.

(2) In all cases where pupils of a local school administrative unit of the public school system transfer to some other public school in another local school administrative unit or such pupils are compelled to leave the school in which they are enrolled because of some serious or permanent illness, or for any other good and valid reason, then such pupils or their parents shall be entitled to a refund of the fees and charges paid by them as follows:

- a. If the transfer or departure of the pupils from the school in which they are enrolled takes place within one month after enrollment, then all such fees and charges shall be refunded in full.
- b. If the transfer or leaving the school on the part of said pupils takes place after the first month and before the middle of the first semester, then one half of the fees for the first semester shall be

refunded, and all fees and charges for the second semester shall be refunded.

- c. If the pupils transfer or leave the school after the middle of the first semester, then no first semester fees or charges shall be refunded.
 - d. If the fees and charges on the part of such pupils have been paid for a year and such pupils transfer or leave the school at the end of the first semester or within the first month of the second semester, then all second semester fees and charges shall be refunded in full.
 - e. If the fees and charges herein described and set forth have been paid for one year, and the pupils transfer or leave the school before the middle of the second semester, then one half of the second semester fees shall be refunded.
 - f. The words "fees" and "charges" as used in this subsection shall not include any fees or charges paid for insurance or fees charged for expendable materials.
 - g. If the pupils transfer or leave the school after the middle of the second semester, then no fees shall be refunded.
 - h. If the amount of total refund as determined by this subsection shall be less than one dollar (\$1.00), no refund shall be paid.
- (3) The principal shall be responsible for refunding fees and charges at the place of the collection of the fees and charges by check made payable to the parent or guardian of pupils leaving the school as noted in subdivision (2) above.

(c) **Rental Fees for Textbooks Prohibited; Damage Fees Authorized.** — No rental fees are permitted for the use of textbooks, but damage fees may be collected pursuant to the provisions of G.S. 115C-100. (1969, c. 756; 1981, c. 423, s. 1.)

ARTICLE 27.

Discipline.

§ 115C-390. School personnel may use reasonable force.

Except as restricted or prohibited by rules adopted by the local boards of education, principals, teachers, substitute teachers, voluntary teachers, and teacher assistants and student teachers in the public schools of this State may use reasonable force in the exercise of lawful authority to restrain or correct pupils and maintain order. (1955, c. 1372, art. 17, s. 4; 1959, c. 1016; 1969, c. 638, ss. 2, 3; 1971, c. 434; 1981, c. 423, s. 1; 1985 (Reg. Sess., 1986), c. 975, s. 21; 1989, c. 585, s. 6; 1991, c. 269, s. 1.)

CASE NOTES

Editor's Note. — *Most of the cases below were decided under corresponding provisions of former Chapter 115.*

Constitutionality Generally. — The second paragraph of former § 115-146, similar to this section, was constitutional on its face. *Baker v. Owen*, 395 F. Supp. 294 (M.D.N.C. 1975), *aff'd*, 423 U.S. 907, 96 S. Ct. 210, 46 L. Ed. 2d 137 (1975).

The concept of liberty in U.S. Const., Amend. XIV, embraces the right of a parent to determine and choose between means of discipline of children. *Baker v. Owen*, 395 F. Supp. 294 (M.D.N.C. 1975), *aff'd*, 423 U.S. 907, 96 S. Ct. 210, 46 L. Ed. 2d 137 (1975).

A parent's right of total opposition to corporal punishment is not fundamental in a constitutional sense. *Baker v. Owen*, 395 F. Supp. 294 (M.D.N.C. 1975), *aff'd*, 423 U.S. 907, 96 S. Ct. 210, 46 L. Ed. 2d 137 (1975).

A student has an interest, protected by the concept of liberty in U.S. Const., Amend. XIV, in avoiding corporal punishment. *Baker v. Owen*, 395 F. Supp. 294 (M.D.N.C. 1975), *aff'd*, 423 U.S. 907, 96 S. Ct. 210, 46 L. Ed. 2d 137 (1975).

Liberty under U.S. Const., Amend. XIV embraces the right of parents generally to control means of discipline of their children. *Baker v. Owen*, 395 F. Supp. 294 (M.D.N.C. 1975), *aff'd*, 423 U.S. 907, 96 S. Ct. 210, 46 L. Ed. 2d 137 (1975).

To implement the statute authorizing corporal punishment without according to students procedural due process would be a violation of U.S. Const., Amend. XIV. *Baker v. Owen*, 395 F. Supp. 294 (M.D.N.C. 1975), *aff'd*, 423 U.S. 907, 96 S. Ct. 210, 46 L. Ed. 2d 137 (1975).

In their statutory context the words "reasonable" and "lawful" are not intended to be likened to the due process and equal protection clauses of the United States Constitution. *Baker v. Owen*, 395 F. Supp. 294 (M.D.N.C. 1975), *aff'd*, 423 U.S. 907, 96 S. Ct. 210, 46 L. Ed. 2d 137 (1975).

"Reasonable" and "lawful" seem to embody no more than the traditional tort concepts that a person privileged to use force can use only the force necessary under the circumstances, i.e., reasonable force, and that he can use force only for the purpose for which he is granted the privilege, i.e., pursuant to his lawful authority. *Baker v. Owen*, 395 F. Supp. 294 (M.D.N.C. 1975), *aff'd*, 423 U.S. 907, 96 S. Ct. 210, 46 L. Ed. 2d 137 (1975).

The State has an interest in the maintenance of order in the schools sufficient to sustain the right of teachers and school officials to administer reasonable corporal punishment for disciplinary purposes. *Baker v. Owen*, 395 F. Supp. 294 (M.D.N.C. 1975), *aff'd*, 423 U.S. 907,

96 S. Ct. 210, 46 L. Ed. 2d 137 (1975).

And the State historically has been granted broader powers over children than over adults. *Baker v. Owen*, 395 F. Supp. 294 (M.D.N.C. 1975), *aff'd*, 423 U.S. 907, 96 S. Ct. 210, 46 L. Ed. 2d 137 (1975).

But school officials do not possess absolute authority over their students. *Givens v. Poe*, 346 F. Supp. 202 (W.D.N.C. 1972).

Students Possess Fundamental Rights. — Students in school as well as out of school are "persons" under the North Carolina Constitution, possessed of fundamental rights which the State must respect. *Givens v. Poe*, 346 F. Supp. 202 (W.D.N.C. 1972). See also, *Baker v. Owen*, 395 F. Supp. 294 (M.D.N.C. 1975), *aff'd*, 423 U.S. 907, 96 S. Ct. 210, 46 L. Ed. 2d 137 (1975).

Due-Process Requirements. — Teachers and school officials must accord to students minimal procedural due process in the course of inflicting corporal punishment. *Baker v. Owen*, 395 F. Supp. 294 (M.D.N.C. 1975), *aff'd*, 423 U.S. 907, 96 S. Ct. 210, 46 L. Ed. 2d 137 (1975).

The State has failed to provide any procedural protection to insure that those acting under the authority of the statute authorizing corporal punishment will adhere to its dictates and neither punish arbitrarily nor use unreasonable force. *Baker v. Owen*, 395 F. Supp. 294 (M.D.N.C. 1975), *aff'd*, 423 U.S. 907, 96 S. Ct. 210, 46 L. Ed. 2d 137 (1975).

Except for those acts of misconduct which are so antisocial or disruptive in nature as to shock the conscience, corporal punishment may never be used unless the student was informed beforehand that specific misbehavior could occasion its use, and, subject to this exception, it should never be employed as a first line of punishment for misbehavior. *Baker v. Owen*, 395 F. Supp. 294 (M.D.N.C. 1975), *aff'd*, 423 U.S. 907, 96 S. Ct. 210, 46 L. Ed. 2d 137 (1975).

A teacher or principal must punish corporally in the presence of a second school official (teacher or principal), who must be informed beforehand and in the student's presence of the reason for the punishment. The student need not be afforded a formal opportunity to present his side to the second official; the requirement is intended only to allow a student to protest, spontaneously, an egregiously arbitrary or contrived application of punishment. *Baker v. Owen*, 395 F. Supp. 294 (M.D.N.C. 1975), *aff'd*, 423 U.S. 907, 96 S. Ct. 210, 46 L. Ed. 2d 137 (1975).

An official who has administered corporal punishment must provide the child's parent, upon request, a written explanation of his reasons and the name of the second official who was present. *Baker v. Owen*, 395 F. Supp. 294

(M.D.N.C. 1975), *aff'd*, 423 U.S. 907, 96 S. Ct. 210, 46 L. Ed. 2d 137 (1975).

County school board's policy regulating corporal punishment upheld. See *Kurtz v. Winston-Salem/Forsyth County Bd. of Educ.*, 39 N.C. App. 412, 250 S.E.2d 718 (1979).

There can be no recovery for corporal punishment if the punishment is reasonable in light of its purpose. *Gaspersohn ex rel. Gaspersohn v. Harnett County Bd. of Educ.*, 75 N.C. App. 23, 330 S.E.2d 489, cert. denied, 314 N.C. 539, 335 S.E.2d 315 (1985).

Jury Instructions. — A proposed instruction that corporal punishment should never be employed as a first line of punishment except in cases in which the act of the student is so antisocial or disruptive in nature as to shock the conscience was contrary to this section. The court correctly charged the jury that if a school

official failed to exercise ordinary care and inflicted permanent or long lasting injury that was the natural and probable result of his action that he would be liable. *Gaspersohn ex rel. Gaspersohn v. Harnett County Bd. of Educ.*, 75 N.C. App. 23, 330 S.E.2d 489, cert. denied, 314 N.C. 539, 335 S.E.2d 315 (1985).

The court could correctly refuse to give an instruction that boys, but not girls, were given, as an alternative to corporal punishment, the choice of raking leaves. When student chose corporal punishment as an alternative to in-school suspension, the question was whether a reasonable amount of force was used, not whether some other form of punishment should have been used. *Gaspersohn ex rel. Gaspersohn v. Harnett County Bd. of Educ.*, 75 N.C. App. 23, 330 S.E.2d 489, cert. denied, 314 N.C. 539, 335 S.E.2d 315 (1985).

§ 115C-391. Corporal punishment, suspension, or expulsion of pupils.

(a) Local boards of education shall adopt policies not inconsistent with the provisions of the Constitutions of the United States and North Carolina, governing the conduct of students and establishing procedures to be followed by school officials in suspending or expelling any student, or in disciplining any student if the offensive behavior could result in suspension, expulsion, or the administration of corporal punishment. The policies that shall be adopted for the administration of corporal punishment shall include at a minimum the following conditions:

- (1) Corporal punishment shall not be administered in a classroom with other children present;
- (2) The student body shall be informed beforehand what general types of misconduct could result in corporal punishment;
- (3) Only a teacher, substitute teacher, principal, or assistant principal may administer corporal punishment and may do so only in the presence of a principal, assistant principal, teacher, substitute teacher, teacher assistant, or student teacher, who shall be informed beforehand and in the student's presence of the reason for the punishment; and
- (4) An appropriate school official shall provide the child's parent or guardian with notification that corporal punishment has been administered, and upon request, the official who administered the corporal punishment shall provide the child's parent or guardian a written explanation of the reasons and the name of the second school official who was present.

Each local board shall publish all the policies mandated by this subsection and make them available to each student and his parent or guardian at the beginning of each school year. Notwithstanding any policy adopted pursuant to this section, school personnel may use reasonable force, including corporal punishment, to control behavior or to remove a person from the scene in those situations when necessary:

- (1) To quell a disturbance threatening injury to others;
- (2) To obtain possession of weapons or other dangerous objects on the person, or within the control, of a student;
- (3) For self-defense;
- (4) For the protection of persons or property; or

(5) To maintain order on school property, in the classroom, or at a school-related activity on or off school property.

(b) The principal of a school, or his delegate, shall have authority to suspend for a period of 10 days or less any student who willfully violates policies of conduct established by the local board of education: Provided, that a student suspended pursuant to this subsection shall be provided an opportunity to take any quarterly, semester or grading period examinations missed during the suspension period.

(c) The principal of a school, with the prior approval of the superintendent, shall have the authority to suspend for periods of times in excess of 10 school days but not exceeding the time remaining in the school year, any pupil who willfully violates the policies of conduct established by the local board of education. The pupil or his parents may appeal the decision of the principal to the local board of education.

(d) Notwithstanding G.S. 115C-378, a local board of education may, upon recommendation of the principal and superintendent, expel any student 14 years of age or older whose behavior indicates that the student's continued presence in school constitutes a clear threat to the safety of other students or employees. The local board of education's decision to expel a student under this section shall be based on clear and convincing evidence. Prior to ordering the expulsion of a student pursuant to this subsection, the local board of education shall consider whether there is an alternative program offered by the local school administrative unit that may provide education services for the student who is subject to expulsion. At any time after the first July 1 that is at least six months after the board's decision to expel a student under this subsection, a student may request the local board of education to reconsider that decision. If the student demonstrates to the satisfaction of the local board of education that the student's presence in school no longer constitutes a threat to the safety of other students or employees, the board shall readmit the student to a school in that local school administrative unit on a date the board considers appropriate.

(d1) A local board of education or superintendent shall suspend for 365 calendar days any student who:

(1) Brings onto educational property or to a school-sponsored curricular or extracurricular activity off educational property, or

(2) Possesses on educational property or at a school-sponsored curricular or extracurricular activity off educational property,

a weapon, as defined in G.S. 14-269.2(b), 14-269.2(b1), 14-269.2(g), and 14-269.2(h). The local board of education upon recommendation by the superintendent may modify this suspension requirement on a case-by-case basis that includes, but is not limited to, the procedures established for the discipline of students with disabilities and may also provide, or contract for the provision of, educational services to any student suspended pursuant to this subsection in an alternative school setting or in another setting that provides educational and other services.

(d2)(1) The superintendent shall, upon recommendation of the principal, remove to an alternative educational setting, as provided in subdivision (4) of this subsection, any student who is at least 13 and who physically assaults and seriously injures a teacher or other school personnel. If no appropriate alternative educational setting is available, then the superintendent shall, upon recommendation of the principal, suspend for no less than 300 days but no more than 365 days any student who is at least 13 and who physically assaults and seriously injures a teacher or other school personnel.

(2) The superintendent may, upon recommendation of the principal, remove to an alternative educational setting any student who is at least 13 and who does one of the following:

- a. Physically assaults a teacher or other adult who is not a student.
- b. Physically assaults another student if the assault is witnessed by school personnel.
- c. Physically assaults and seriously injures another student.

If no appropriate alternative educational setting is available, then the superintendent may, upon recommendation of the principal, suspend this student for up to 365 days.

- (3) For purposes of this subsection, the conduct leading to suspension or removal to an alternative educational setting must occur on school property or at a school-sponsored or school-related activity on or off school property. This subsection shall not apply when the student who is subject to suspension or removal was acting in self-defense. If a teacher is assaulted or injured and as a result a student is suspended or removed to an alternative educational setting under this subsection, then the student shall not be returned to that teacher's classroom unless the teacher consents. If a student is suspended under this subsection, the board may assign the student to an alternative educational setting upon the expiration of the period of suspension.
- (4) If the superintendent removes the student to an alternative educational setting, as provided in subdivision (1) of this subsection, and the conduct leading to the removal occurred on or before the ninetieth school day, the board shall remove the student to that setting for the remainder of the current school year and the first 90 school days in the following school year. If the superintendent chooses to remove the student to an alternative educational setting, as provided in subdivision (1) of this subsection, and the conduct leading to the removal occurred after the ninetieth school day, the board shall remove the student to that setting for the remainder of the current school year and for the entire subsequent school year. Notwithstanding these requirements, the superintendent may authorize a shorter or longer length of time a student must remain in an alternative educational setting if the superintendent finds this would be more appropriate based upon the recommendations of the principals of the alternative school and the school to which the student will return.

(d3) A local board of education shall suspend for 365 calendar days any student who, by any means of communication to any person or group of persons, makes a report, knowing or having reason to know the report is false, that there is located on educational property or at a school-sponsored curricular or extracurricular activity off educational property any device designed to destroy or damage property by explosion, blasting, or burning, or who, with intent to perpetrate a hoax, conceals, places, or displays any device, machine, instrument, or artifact on educational property or at a school-sponsored curricular or extracurricular activity off educational property, so as to cause any person reasonably to believe the same to be a bomb or other device capable of causing injury to persons or property. The local board upon recommendation by the superintendent may modify either suspension requirement on a case-by-case basis that includes, but is not limited to, the procedures established for the discipline of students with disabilities and may also provide, or contract for the provision of, educational services to any student suspended under this subsection in an alternative school setting or in another setting that provides educational and other services. For purposes of this subsection and subsection (d1) of this section, the term "educational property" has the same definition as in G.S. 14-269.2(a)(1).

(e) A decision of a superintendent under subsection (c), (d1), (d2), or (d3) of this section may be appealed to the local board of education. A decision of the local board upon this appeal or of the local board under subsection (d) or (d1)

of this section is final and, except as provided in this subsection, is subject to judicial review in accordance with Article 4 of Chapter 150B of the General Statutes. A person seeking judicial review shall file a petition in the superior court of the county where the local board made its decision.

(f) Local boards of education shall ensure they have clear policies governing the conduct of students. At a minimum, these policies shall state the consequences of violent or assaultive behavior, possessions of weapons, and criminal acts committed on school property or at school-sponsored functions. The State Board shall develop guidelines to assist local boards in this process.

(g) Notwithstanding the provisions of this section, the policies and procedures for the discipline of students with disabilities shall be consistent with federal laws and regulations.

(h) Notwithstanding any other law, no officer or employee of the State Board of Education or of a local board of education shall be civilly liable for using reasonable force, including corporal punishment, in conformity with State law, State or local rules, or State or local policies regarding the control, discipline, suspension, and expulsion of students. Furthermore, the burden of proof is on the claimant to show that the amount of force used was not reasonable. Editor's Note. — Session Laws 1993, c. 509, s. 4, effective July 24, 1993, was codified as subsection (f) of this section at the direction of the Revisor of Statutes.

Session Laws 1995, c. 386, s. 3, provides for the development of guidelines by the State Board of Education that define acts and conduct considered a clear threat to the safety of students and teachers, and for the Board to report to the General Assembly and the Joint Legislative Education Oversight Committee regarding the implementation of the act.

Session Laws 1998-202, s. 32, directs the State Board of Education to study and report to the General Assembly on ways for the State to provide an alternative educational program for any student suspended or expelled from school and to report the results of the study, including any legislative recommendations, to the Joint Legislative Education Oversight Committee by May 1, 1999.

Effect of Amendments. — Session Laws 1998-220, ss. 7-9, effective November 5, 1998, inserted "or superintendent" in the first sentence in subsection (d1); substituted "The superintendent shall, upon recommendation of the principal" or a variation thereof for "A local board of education shall" or a variation thereof throughout, and substituted "superintendent" for "local board" and "board" in subsection (d2) throughout; and in subsection (e), in the first sentence, substituted "superintendent" for "local board," deleted "(d)" preceding "(d1)" and

CASE NOTES

Editor's Note. — *Most of the cases below were decided under corresponding provisions of former Chapter 115.*

Double Jeopardy. — Expulsion from a school for violation of school policies is not punishment so as to invoke the protection of constitutional double jeopardy restrictions because important, if not essential, nonpunitive purposes are served by administrative suspension and expulsion. *State v. Davis*, 126 N.C. App. 415, 485 S.E.2d 329 (1997).

School officials do not possess absolute authority over their students. *Givens v. Poe*, 346 F. Supp. 202 (W.D.N.C. 1972).

Students Possess Fundamental Rights. — Students in school as well as out of school are "persons" under the North Carolina Constitution, possessed of fundamental rights which the State must respect. *Givens v. Poe*, 346 F. Supp. 202 (W.D.N.C. 1972).

Extended suspension or exclusion from school deprives a student of important rights and liberties. *Givens v. Poe*, 346 F. Supp. 202 (W.D.N.C. 1972).

Due Process Requirements for Prolonged Suspension. — Where exclusion or suspension for any considerable period of time is a possible consequence of proceedings, due process requires a number of procedural safeguards to students, such as: (1) Notice to parents and student in the form of a written and specific statement of the charges which, if proved, would justify the punishment sought; (2) a full hearing after adequate notice; (3) a hearing conducted by an impartial tribunal; (4) the right to examine exhibits and other evidence against the students; (5) the right to be represented by counsel (though not at public expense); (6) the right to confront and examine adverse witnesses; (7) the right to present evidence on behalf of the student; (8) the right to make a record of the proceedings; and (9) the requirement that the decision of the authorities be based upon substantial evidence. *Givens v. Poe*, 346 F. Supp. 202 (W.D.N.C. 1972).

Lack of Jurisdiction Over Short-Term Suspensions. — By expressly providing for judicial review for disciplinary actions resulting in suspensions of more than 10 days, but failing to indicate that such review is available for shorter suspensions, the legislature did not intend to grant superior courts subject matter jurisdiction over such appeals. *Stewart v.*

Johnston County Bd. of Educ., 129 N.C. App. 108, 498 S.E.2d 382 (1998).

Prohibition Against Distribution of Printed Matter Held Invalid Prior Restraint. — A school rule which prohibited pupils from distributing any printed material without the express permission of the principal was held to be an invalid attempt at prior restraint because it lacked any criteria to be followed by the school authorities in determining whether to grant or deny permission, and any procedural safeguards in the form of an expeditious review procedure of the decision of the school authorities. *Quarterman v. Byrd*, 453 F.2d 54 (4th Cir. 1971).

Ban on the use or possession of tobacco products by students at school is a valid exercise of the authority delegated to the various boards of education by the legislature, and does not violate the guarantee of equal protection contained in U.S. Const., Amend. XIV and N.C. Const., Art. I, § 19. *Craig v. Buncombe County Bd. of Educ.*, 80 N.C. App. 683, 343 S.E.2d 222, appeal dismissed, 318 N.C. 285, 348 S.E.2d 138 (1986).

Suspension from Entire System. — The grant of authority to suspend or expel in this section is not expressly limited to suspensions from the regular classroom, but contemplates suspension from the entire system. *In re Jackson*, 84 N.C. App. 167, 352 S.E.2d 449 (1987).

The public schools have no affirmative duty to provide an alternate educational program for suspended students, in the absence of a legislative mandate. *In re Jackson*, 84 N.C. App. 167, 352 S.E.2d 449 (1987).

Court Limited to Available Dispositional Alternatives. — When a student has been lawfully suspended or expelled pursuant to this section and the school has not provided a suitable alternative educational forum, court-ordered public school attendance is not a dispositional alternative available to the juvenile court judge, absent a voluntary reconsideration of or restructuring of the suspension by the school board to allow the student's restoration to an educational program within its system. *In re Jackson*, 84 N.C. App. 167, 352 S.E.2d 449 (1987).

The primary goal of suspension and expulsion is the protection of the student body. *State v. Davis*, 126 N.C. App. 415, 485 S.E.2d 329 (1997).

§ 115C-392. Appeal of disciplinary measures.

Appeals of disciplinary measures are subject to the provisions of G.S. 115C-45(c). (1981, c. 423, s. 1.)

§§ 115C-393 through 115C-397: Reserved for future codification purposes.

ARTICLE 27A.

Management and Placement of Disruptive Students.

§ 115C-397.1. Management and placement of disruptive students.

If, after a teacher has requested assistance from the principal two or more times due to a student's disruptive behavior, the teacher finds that the student's disruptive behavior continues to interfere with the academic achievement of that student or other students in the class, then the teacher may refer the matter to a school-based committee. The teacher may request that additional classroom teachers participate in the committee's proceedings. For the purposes of this section, the committee shall notify the student's parent, guardian, or legal custodian and shall encourage that person's participation in the proceedings of the committee concerning the student. A student is not required to be screened, evaluated, or identified as a child with special needs under this section. The committee shall review the matter and shall take one or more of the following actions: (i) advise the teacher on managing the student's behavior more effectively, (ii) recommend to the principal the transfer of the student to another class within the school, (iii) recommend to the principal a multidisciplinary diagnosis and evaluation of the student, (iv) recommend to the principal that the student be assigned to an alternative learning program, or (v) recommend to the principal that the student receive any additional services that the school or the school unit has the resources to provide for the student. If the principal does not follow the recommendation of the committee, the principal shall provide a written explanation to the committee, the teacher who referred the matter to the committee, and the superintendent, of any actions taken to resolve the matter and of the reason the principal did not follow the recommendation of the committee.

This section shall be in addition to the supplemental to disciplinary action taken in accordance with any other law. The recommendation of the committee is final and shall not be appealed under G.S. 115C-45(c). Nothing in this section shall authorize a student to refer a disciplinary matter to this committee or to have the matter of the student's behavior referred to this committee before any discipline is imposed on the student. (1997-443, s. 8.29(b).)

ARTICLE 28.

Student Liability.

§ 115C-398. Damage to school buildings, furnishings, textbooks.

Students and their parents or legal guardians may be liable for damage to school buildings, furnishings and textbooks pursuant to the provisions of G.S. 115C-523, 115C-100 and 14-132. (1981, c. 423, s. 1; 1985, c. 581, s. 3.)

§ 115C-399. Trespass on or damage to school bus.

Any person who willfully trespasses upon or damages a school bus may be liable pursuant to the provisions of G.S. 14-132.2. (1981, c. 423, s. 1.)

ARTICLE 29.

Protective Provisions and Maintenance of Student Records.

§ 115C-400. School personnel to report child abuse.

Any person who has cause to suspect child abuse or neglect has a duty to report the case of the child to the Director of Social Services of the county, as provided in Article 3 of Chapter 7B of the General Statutes. (1981, c. 423, s. 1; 1998-202, s. 13(bb).)

Editor's Note. — Session Laws 1998-202, s. 36, contains a severability clause.

Effect of Amendments. — The 1998 amendment, effective July 1, 1999, and appli-

cable to acts committed on or after that date, substituted "Article 3 of Chapter 7B of the General Statutes" for "G.S. 7A-543 to 7A-552".

CASE NOTES

School System Held Not Liable for Principal's Report. — In an action for malicious prosecution, defamation, intentional infliction of emotional distress, and negligence brought by a substitute teacher against a school system, the school system was held not liable where

evidence established that the principal's reports were an accurate representation of the students' complaints, and the principal clearly acted in good faith. *Davis v. Durham City Schools*, 91 N.C. App. 520, 372 S.E.2d 318 (1988).

§ 115C-401. School counseling inadmissible evidence.

Information given to a school counselor to enable him to render counseling services may be privileged as provided in G.S. 8-53.4. (1981, c. 423, s. 1.)

§ 115C-402. Student records; maintenance; contents; confidentiality.

The official record of each student enrolled in North Carolina public schools shall be permanently maintained in the files of the appropriate school after the student graduates, or should have graduated, from high school unless the local board determines that such files may be filed in the central office or other location designated by the local board for that purpose.

The official record shall contain, as a minimum, adequate identification data including date of birth, attendance data, grading and promotion data, and such other factual information as may be deemed appropriate by the local board of education having jurisdiction over the school wherein the record is maintained. Each student's official record also shall include notice of any suspension for a period of more than 10 days or of any expulsion under G.S. 115C-391 and the conduct for which the student was suspended or expelled. The notice of suspension or expulsion shall be expunged from the record if the student (i) graduates from high school or (ii) is not expelled or suspended again during the two-year period commencing on the date of the student's return to school after the expulsion or suspension.

The official record of each student is not a public record as the term "public record" is defined by G.S. 132-1. The official record shall not be subject to inspection and examination as authorized by G.S. 132-6. (1975, c. 624, ss. 1, 2; 1981, c. 423, s. 1; 1985, c. 268; c. 416; 1997-443, s. 8.29(s).)

§ 115C-403. Flagging and verification of student records; notification of law enforcement agencies.

(a) Upon notification by a law enforcement agency or the North Carolina Center for Missing Persons of a child's disappearance, the superintendent of a local school administrative unit or his designee shall flag or mark the record of any child who is currently or was previously enrolled in a school of that unit and who is reported as missing. The flag or mark shall be made in such a manner that when a copy of or information regarding the record is requested, school personnel are alerted to the fact that the record is that of a missing child.

Before providing a copy of the school record or other information concerning the child whose record is flagged pursuant to this section, the superintendent or his designee shall notify the agency that requested that the record be flagged of every inquiry made concerning the flagged record, and shall provide a copy to the agency of any written request for information concerning the flagged record.

(b) When any child transfers from one school system to another school system, the receiving school shall, within 30 days of the child's enrollment, obtain the child's record from the school from which the child is transferring. If the child's parent, custodian, or guardian provides a copy of the child's record from the school from which the child is transferring, the receiving school shall, within 30 days of the child's enrollment, request written verification of the school record by contacting the school or institution named on the transferring child's record. Upon receipt of a request, the principal or the principal's designee of the school from which the child is transferring shall not withhold the record or verification for any reason, except as is authorized under the Family Educational Rights and Privacy Act. Any information received indicating that the transferring child is a missing child shall be reported to the North Carolina Center for Missing Persons. (1989, c. 331, s. 1; 1998-220, s. 12.)

Effect of Amendments. — The 1998 amendment, effective November 5, 1998, added the next-to-last sentence in subsection (b).

OPINIONS OF ATTORNEY GENERAL

Sharing of Educational Records. — Sections 115C-109, 115C-110(a) and subsection (b) of this section represent and embody an intention by the General Assembly that public agencies providing education to school age children share the educational records of children who

move or are moved from one of those agencies to another. See opinion of Attorney General to C. Robin Britt, Sr., Secretary North Carolina Department of Human Resources, — N.C.A.G. — (July 24, 1995).

§ 115C-404. Use of juvenile court information.

(a) Written notifications received in accordance with G.S. 7B-3101 and information gained from examination of juvenile records in accordance with G.S. 7B-3100 are confidential records, are not public records as defined under G.S. 132-1, and shall not be made part of the student's official record under G.S. 115C-402. Immediately upon receipt, the principal shall maintain these documents in a safe, locked record storage that is separate from the student's other school records. The principal shall shred, burn, or otherwise destroy documents received in accordance with G.S. 7B-3100 to protect the confidentiality of the information when the principal receives notification that the court dismissed the petition under G.S. 7B-2411, the court transferred jurisdiction over the student to superior court under G.S. 7B-2200, or the court granted the

student's petition for expunction of the records. The principal shall shred, burn, or otherwise destroy all information gained from examination of juvenile records in accordance with G.S. 7B-3100 when the principal finds that the school no longer needs the information to protect the safety of or to improve the educational opportunities for the student or others. In no case shall the principal make a copy of these documents.

G.S. 7A-675.2 Article 31 of Chapter 7B of the General Statutes petition, court, records pursuant to Chapter 7B of the General Statutes.

(b) Documents received under this section shall be used only to protect the safety of or to improve the education opportunities for the student or others. Information gained in accordance with G.S. 7B-3100 shall not be the sole basis for a decision to suspend or expel a student. Upon receipt of each document, the principal shall share the document with those individuals who have (i) direct guidance, teaching, or supervisory responsibility for the student, and (ii) a specific need to know in order to protect the safety of the student or others. Those individuals shall indicate in writing that they have read the document and that they agree to maintain its confidentiality. Failure to maintain the confidentiality of these documents as required by this section is grounds for the dismissal of an employee who is not a career employee and is grounds for dismissal of an employee who is a career employee, in accordance with G.S. 115C-325(e)(1)i.

(c) If the student graduates, withdraws from school, is suspended for the remainder of the school year, is expelled, or transfers to another school, the principal shall return all documents not destroyed in accordance with subsection (a) of this section to the juvenile court counselor and, if applicable, shall provide the counselor with the name and address of the school to which the student is transferring. (1997-443, s. 8.29(f); 1998-202, ss. 8, 13(cc); 1998-217, s. 12.)

Editor's Note. — Section 7A-675.2, referred to in the second paragraph of subsection (a) above, has been repealed. See now § 7B-3101.

Session Laws 1998-202, ss. 8 and 13(cc), and Session Laws 1998-17, s. 12 amended this section in the coded bill drafting format provided by § 120-20.1. Each of the amendments failed to incorporate the changes in subsection (a) made by the other acts, resulting in the residual language at the end of subsection (a). This section has been set out in the form above at the direction of the Revisor of Statutes.

Session Laws 1998-202, s. 36, contains a severability clause.

Effect of Amendments. — Session Laws 1998-202, s. 8, effective July 1, 1999, and applicable to acts committed on or after that date, rewrote subsection (a); in subsection (b) substituted "shall be used" for "may be used" in the first sentence, and inserted the present second

sentence; and substituted "return all documents not destroyed in accordance with subsection (a) of this section" for "return the documents" in subsection (c).

Session Laws 1998-202, s. 13(cc), effective July 1, 1999, and applicable to acts committed on or after that date, in subsection (a) substituted "Article 31 of Chapter 7B of the General Statutes" for "G.S. 7A-675.1", substituted "petition, the judge transferred jurisdiction over the student to superior court" for "petition under G.S. 7A-637, the judge transferred jurisdiction over the student to superior court under G.S. 7A-608", and added "pursuant to Chapter 7B of the General Statutes" in the third sentence.

Session Laws 1998-217, s. 12, effective October 31, 1998, substituted "G.S. 7A-675.2" for "G.S. 7A-675.1" in subsection (a).

SUBCHAPTER VII. FISCAL AFFAIRS.

ARTICLE 30.

*Financial Powers of the State Board of Education.***§ 115C-408. Funds under control of the State Board of Education.**

(a) It is the policy of the State of North Carolina to create a public school system that graduates good citizens with the skills demanded in the marketplace, and the skills necessary to cope with contemporary society, using State, local and other funds in the most cost-effective manner. The Board shall have general supervision and administration of the educational funds provided by the State and federal governments, except those mentioned in Section 7 of Article IX of the State Constitution, and also excepting such local funds as may be provided by a county, city, or district.

(b) To insure a quality education for every child in North Carolina, and to assure that the necessary resources are provided, it is the policy of the State of North Carolina to provide from State revenue sources the instructional expenses for current operations of the public school system as defined in the standard course of study.

It is the policy of the State of North Carolina that the facilities requirements for a public education system will be met by county governments.

It is the intent of the 1983 General Assembly to further clarify and delineate the specific financial responsibilities for the public schools to be borne by State and local governments. (1955, c. 1372, art. 2, s. 2; 1957, c. 541, s. 11; 1961, c. 969; 1963, c. 448, ss. 24, 27; c. 688, ss. 1, 2; c. 1223, s. 1; 1965, c. 1185, s. 2; 1967, c. 643, s. 1; 1969, c. 517, s. 1; 1971, c. 704, s. 4; c. 745; 1973, c. 476, s. 138; c. 675; 1975, c. 699, s. 2; c. 975; 1979, c. 300, s. 1; c. 935; 1981, c. 423, s. 1; 1983 (Reg. CASE NOTES

Equal Funding Not Required. — Although the State Constitution requires that access to a sound basic education be provided equally in every school district, the equal opportunities clause of Article IX, Section 2(1) does not require substantially equal funding or educational advantages in all school districts. Leandro v. State, 346 N.C. 336, 488 S.E.2d 249 (1997).

Sound Basic Education. — Article I, Section 15 and Article IX, Section 2 of the North Carolina Constitution combine to guarantee every child of this state an opportunity to receive a sound basic education in our public schools. Leandro v. State, 346 N.C. 336, 488 S.E.2d 249 (1997).

For purposes of our Constitution, a sound basic education will provide the student with at least: (1) sufficient ability to read, write, and

speak English and a sufficient knowledge of fundamental math and physical science to enable the student to function in a complex and rapidly changing society; (2) sufficient fundamental knowledge of geography, history and basic economic and political systems to enable the student to make informed choices regarding personal issues or issues that affect the community, state, and nation; (3) sufficient academic and vocational skills to enable the student to successfully engage in post-secondary education or vocational training; (4) and sufficient academic and social skills to enable the student to compete on an equal basis with others in further formal education or gainful employment. However, the Board is not authorized to accept any such funds upon any condition that the public schools of this State shall be operated contrary to any provisions of the Constitution or statutes of this State.

(b) The State Board of Education or any other State agency designated by the Governor shall have the power and authority to provide library resources, textbooks, and other instructional materials purchased from federal funds appropriated for the funding of the Elementary and Secondary Education Act of 1965 (Public Law 89-10, 89th Congress, HR 2362, effective April 11, 1965) or other acts of Congress for the use of children and teachers in private elementary and secondary schools in the State as required by acts of Congress and rules and regulations promulgated thereunder. (1955, c. 1372, art. 2, s. 2; 1957, c. 541, s. 11; 1961, c. 969; 1963, c. 448, ss. 24, 27; c. 688, ss. 1, 2; c. 1223, s. 1; 1965, c. 1185, s. 2; 1967, c. 643, s. 1; 1969, c. 517, s. 1; 1971, c. 704, s. 4; c. 745; 1973, c. 476, s. 138; c. 675; 1975, c. 699, s. 2; c. 975; 1979, c. 300, s. 1; c. 935; 1981, c. 423, s. 1.)

§ 115C-412. Power to purchase at mortgage sales.

§ 115C-413. Power to adjust debts.

The State Board of Education is hereby authorized and empowered to settle, compromise or otherwise adjust any indebtedness due it upon the purchase price of any land or property sold by it, or to cancel and surrender the notes, mortgages, trust deeds, or other evidence of indebtedness without payment, when, in the discretion of said Board, it appears that it is proper to do so. The Board of Education is further authorized and empowered to sell or otherwise dispose of any such notes, mortgages, trust deeds, or other evidence of indebtedness. (1955, c. 1372, art. 2, s. 2; 1957, c. 541, s. 11; 1961, c. 969; 1963, c. 448, ss. 24, 27; c. 688, ss. 1, 2; c. 1223, s. 1; 1965, c. 1185, s. 2; 1967, c. 643, s. 1; 1969, c. 517, s. 1; 1971, c. 704, s. 4; c. 745; 1973, c. 476, s. 138; c. 675; 1975, c. 699, s. 2; c. 975; 1979, c. 300, s. 1; c. 935; 1981, c. 423, s. 1.)

§ 115C-414. State Board as successor to powers of abolished commissions and boards.

The Board shall succeed to all the powers and trusts of the president and directors of the Literary Fund of North Carolina; and to all the powers, functions, duties, and property of all abolished commissions and boards including the State School Commission, the State Textbook Commission, the Department of Health and Human Services, and the State Board of Commercial Education, including the power to take, hold and convey property, both real and personal, to the same extent that any corporation might take, hold and convey the same under the laws of this State. § 115C-415: Repealed by Session Laws 1997-18, s. 15(l).

§ 115C-416. Power to allot funds for teachers and other personnel.

The Board shall have power to provide for the enrichment and strengthening of educational opportunities for the children of the State, and when sufficient State funds are available to provide first for the allotment of such a number of teachers as to prevent the teacher loan from being too great in any school, the Board is authorized, in its discretion, to make an additional allotment of teaching personnel to local school administrative units of the State to be used either jointly or separately, as the Board may prescribe. Such additional teaching personnel may be used in the local school administrative units as librarians, special teachers, or supervisors of instruction and for other special instructional services such as art, music, physical education, adult education, special education, or industrial arts as may be authorized and approved by the Board. The salary of all such personnel shall be determined in accordance with the State salary schedule adopted by the Board.

In addition, the Board is authorized and empowered in its discretion, to make allotments of funds for clerical assistants for classified principals and for school social workers.

The Board is further authorized, in its discretion, to allot teaching personnel to local school administrative units for experimental programs and purposes.

The Board may also allot teaching and other positions, within funds available, to local school administrative units to allow local units to place personnel occupying those positions in private hospitals and treatment facilities for the limited purpose of providing education to students confined to those institutions. The Board shall adopt rules to ensure that any such placements do not contribute to the profitability of private institutions and that they are otherwise in accordance with State and federal law. ARTICLE 31.

The School Budget and Fiscal Control Act.

Part 1. General Provisions.

§ 115C-422. Short title.

This Article may be cited as "The School Budget and Fiscal Control Act." (1975, c. 437, s. 1; 1981, c. 423, s. 1.)

§ 115C-423. Definitions.

The words and phrases defined in this section have the meanings indicated when used in this Article, unless the context clearly requires another meaning:

- (1) "Budget" is a plan proposed by a board of education for raising and spending money for specified school programs, functions, activities, or objectives during a fiscal year.
- (2) "Budget resolution" is a resolution adopted by a board of education that appropriates revenues for specified school programs, functions, activities, or objectives during a fiscal year.
- (3) "Budget year" is the fiscal year for which a budget is proposed and a budget resolution is adopted.

- (4) "Fiscal year" is the annual period for the compilation of fiscal operations. The fiscal year begins on July 1 and ends on June 30.
- (5) "Fund" is an independent fiscal and accounting entity consisting of cash and other resources together with all related liabilities, obligations, reserves, and equities which are segregated by appropriate accounting techniques for the purpose of carrying on specific activities or attaining certain objectives in accordance with established legal regulations, restrictions or limitations.
- (6) "Vending facilities" has the same meaning as it does in G.S. 143-12.1. (1975, c. 437, s. 1; 1981, c. 423, s. 1; 1983 (Reg. Sess., 1984), c. 1034, s. 167.)

§ 115C-424. Uniform system; conflicting laws and local acts superseded.

It is the intent of the General Assembly by enactment of this Article to prescribe for the public schools a uniform system of budgeting and fiscal control. To this end, all provisions of general laws and local acts in effect as of July 1, 1976, and in conflict with the provisions of this Article are repealed except local acts providing for the levy or for the levy and collection of school supplemental taxes. No local act enacted or taking effect after July 1, 1976, may be construed to modify, amend, or repeal any portion of this Article unless it expressly so provides by specific reference to the appropriate section. (1975, c. 437, s. 1; 1981, c. 423, s. 1.)

CASE NOTES

Applicability. — Since § 105-472(b)(2) and § 115C-430 are not in conflict, the trial court did not err in concluding that the repealer statute, this section did not apply. *Banks v.*

County of Buncombe, 128 N.C. App. 214, 494 S.E.2d 791 (1998), *aff'd*, 348 N.C. 687, 500 S.E.2d 666 (1998).

Part 2. Budget.

§ 115C-425. Annual balanced budget resolution.

(a) Each local school administrative unit shall operate under an annual balanced budget resolution adopted and administered in accordance with this Article. A budget resolution is balanced when the sum of estimated net revenues and appropriated fund balances is equal to appropriations. Appropriated fund balance in any fund shall not exceed the sum of cash and investments minus the sum of liabilities, encumbrances, and deferred revenues arising from cash receipts, as those figures stand at the close of the fiscal year next preceding the budget year. The budget resolution shall cover one fiscal year.

(b) It is the intent of this Article that all moneys received and expended by a local school administrative unit should be included in the school budget resolution. Therefore, notwithstanding any other provisions of law, after July 1, 1976, no local school administrative unit may expend any moneys, regardless of their source (including moneys derived from federal, State, or private sources), except in accordance with a budget resolution adopted pursuant to this Article.

(c) Subsection (b) of this section does not apply to funds of individual schools, as defined in G.S. 115C-448. (1975, c. 437, s. 1; 1981, c. 423, s. 1; 1993, c. 179, s. 1.)

§ 115C-426. Uniform budget format.

(a) The State Board of Education, in cooperation with the Local Government Commission, shall cause to be prepared and promulgated a standard budget format for use by local school administrative units throughout the State.

(b) The uniform budget format shall be organized so as to facilitate accomplishment of the following objectives: (i) to enable the board of education and the board of county commissioners to make the local educational and local fiscal policies embodied therein; (ii) to control and facilitate the fiscal management of the local school administrative unit during the fiscal year; and (iii) to facilitate the gathering of accurate and reliable fiscal data on the operation of the public school system throughout the State.

(c) The uniform budget format shall require the following funds:

- (1) The State Public School Fund.
- (2) The local current expense fund.
- (3) The capital outlay fund.

In addition, other funds may be required to account for trust funds, federal grants restricted as to use, and special programs. Each local school administrative unit shall maintain those funds shown in the uniform budget format that are applicable to its operations.

(d) The State Public School Fund shall include appropriations for the current operating expenses of the public school system from moneys made available to the local school administrative unit by the State Board of Education.

(e) The local current expense fund shall include appropriations sufficient, when added to appropriations from the State Public School Fund, for the current operating expense of the public school system in conformity with the educational goals and policies of the State and the local board of education, within the financial resources and consistent with the fiscal policies of the board of county commissioners. These appropriations shall be funded by revenues accruing to the local school administrative unit by virtue of Article IX, Sec. 7 of the Constitution, moneys made available to the local school administrative unit by the board of county commissioners, supplemental taxes levied by or on behalf of the local school administrative unit pursuant to a local act or G.S. 115C-501 to 115C-511, State money disbursed directly to the local school administrative unit, and other moneys made available or accruing to the local school administrative unit for the current operating expenses of the public school system.

(f) The capital outlay fund shall include appropriations for:

- (1) The acquisition of real property for school purposes, including but not limited to school sites, playgrounds, athletic fields, administrative headquarters, and garages.
- (2) The acquisition, construction, reconstruction, enlargement, renovation, or replacement of buildings and other structures, including but not limited to buildings for classrooms and laboratories, physical and vocational educational purposes, libraries, auditoriums, gymnasiums, administrative offices, storage, and vehicle maintenance.
- (3) The acquisition or replacement of furniture and furnishings, instructional apparatus, data-processing equipment, business machines, and similar items of furnishings and equipment.
- (4) The acquisition of school buses as additions to the fleet.
- (5) The acquisition of activity buses and other motor vehicles.
- (6) Such other objects of expenditure as may be assigned to the capital outlay fund by the uniform budget format.

The cost of acquiring or constructing a new building, or reconstructing, enlarging, or renovating an existing building, shall include the cost of all real

property and interests in real property, and all plants, works, appurtenances, structures, facilities, furnishings, machinery, and equipment necessary or useful in connection therewith; financing charges; the cost of plans, specifications, studies, reports, and surveys; legal expenses; and all other costs necessary or incidental to the construction, reconstruction, enlargement, or renovation.

No contract for the purchase of a site shall be executed nor any funds expended therefor without the approval of the board of county commissioners as to the amount to be spent for the site; and in case of a disagreement between a board of education and a board of county commissioners as to the amount to be spent for the site, the procedure provided in G.S. 115C-431 shall, insofar as the same may be applicable, be used to settle the disagreement.

Appropriations in the capital outlay fund shall be funded by revenues made available for capital outlay purposes by the State Board of Education and the board of county commissioners, supplemental taxes levied by or on behalf of the local school administrative unit pursuant to a local act or G.S. 115C-501 to 115C-511, the proceeds of the sale of capital assets, the proceeds of claims against fire and casualty insurance policies, and other sources.

(g) Other funds shall include appropriations for such purposes funded from such sources as may be prescribed by the uniform budget format. (1975, c. 437, s. 1; 1981, c. 423, s. 1.)

Legal Periodicals. — See legislative survey, 21 Campbell L. Rev. 323 (1999).

§ 115C-426.1. Vending facilities.

Moneys received by a local school administrative unit on account of operation of vending facilities shall be deposited, budgeted, appropriated, and expended in accordance with the provisions of this Article. (1983 (Reg. Sess., 1984), c. 1034, s. 168.)

§ 115C-426.2. Joint planning.

In order to promote greater mutual understanding of immediate and long-term budgetary issues and constraints affecting public schools and county governments, local boards of education and boards of county commissioners are strongly encouraged to conduct periodic joint meetings during each fiscal year. In particular, the boards are encouraged to assess the school capital outlay needs, to develop and update a joint five-year plan for meeting those needs, and to consider this plan in the preparation and approval of each year's budget under this Article. (1995 (Reg. Sess., 1996), c. 666, s. 2.)

§ 115C-427. Preparation and submission of budget and budget message.

(a) Before the close of each fiscal year, the superintendent shall prepare a budget for the ensuing year for consideration by the board of education. The budget shall comply in all respects with the limitations imposed by G.S. 115C-432.

(b) The budget, together with a budget message, shall be submitted to the board of education not later than May 1. The budget and budget message should, but need not, be submitted at a formal meeting of the board. The budget message should contain a concise explanation of the educational goals fixed by the budget for the budget year, should set forth the reasons for stated changes from the previous year in program goals, programs, and appropriation

levels, and should explain any major changes in educational or fiscal policy. (1975, c. 437, s. 1; 1981, c. 423, s. 1.)

CASE NOTES

No Error in Dismissal of Claims Against Superintendent. — Trial court did not err in dismissing plaintiffs' claims against superintendent; although plaintiffs alleged superintendent's representations to both defendant boards "were grossly overstated" and "without foundation in fact," plaintiffs did not allege superin-

tendent was in a decision-making position as to acquisition of the Square D facility. As a matter of law, a superintendent does not vote on appropriations. *Moore v. Wykle*, 107 N.C. App. 120, 419 S.E.2d 164, cert. denied, 332 N.C. 666, 424 S.E.2d 405 (1992).

§ 115C-428. Filing and publication of the budget; budget hearing.

(a) On the same day that he submits the budget to the board of education, the superintendent shall file a copy of it in his office where it shall remain available for public inspection until the budget resolution is adopted. He may also publish a statement in a newspaper qualified under G.S. 1-597 to publish legal advertisements in the county that the budget has been submitted to the board of education, and is available for public inspection in the office of the superintendent of schools. The statement should also give notice of the time and place of the budget hearing authorized by subsection (b) of this section.

(b) Before submitting the budget to the board of county commissioners, the board of education may hold a public hearing at which time any persons who wish to be heard on the school budget may appear. (1975, c. 437, s. 1; 1981, c. 423, s. 1.)

§ 115C-429. Approval of budget; submission to county commissioners; commissioners' action on budget.

(a) Upon receiving the budget from the superintendent and following the public hearing authorized by G.S. 115C-428(b), if one is held, the board of education shall consider the budget, make such changes therein as it deems advisable, and submit the entire budget as approved by the board of education to the board of county commissioners not later than May 15, or such later date as may be fixed by the board of county commissioners.

(b) The board of county commissioners shall complete its action on the school budget on or before July 1, or such later date as may be agreeable to the board of education. The commissioners shall determine the amount of county revenues to be appropriated in the county budget ordinance to the local school administrative unit for the budget year. The board of county commissioners may, in its discretion, allocate part or all of its appropriation by purpose, function, or project as defined in the uniform budget format.

(c) The board of county commissioners shall have full authority to call for, and the board of education shall have the duty to make available to the board of county commissioners, upon request, all books, records, audit reports, and other information bearing on the financial operation of the local school administrative unit.

(d) Nothing in this Article shall be construed to place a duty on the board of commissioners to fund a deficit incurred by a local school administrative unit through failure of the unit to comply with the provisions of this Article or rules

and regulations issued pursuant hereto, or to provide moneys lost through misapplication of moneys by a bonded officer, employee or agent of the local school administrative unit when the amount of the fidelity bond required by the board of education was manifestly insufficient. (1975, c. 437, s. 1; 1981, c. 423, s. 1.)

CASE NOTES

Editor's Note. — *The case annotated below was decided under corresponding provisions of former Chapter 115.*

Close Consideration of Budget Requests. — County commissioners have the right, indeed the duty, to consider budget requests submitted by the board of education on a line-by-line basis. Certainly there can be no doubt but that this must be done where the requests of the board of education, if granted, would require an additional tax levy, and the

statutes clearly imply this as a requirement, even where no additional tax levy is necessary. *Wilson County Bd. of Educ. v. Wilson County Bd. of Comm'rs*, 26 N.C. App. 114, 215 S.E.2d 412 (1975).

Boards of commissioners can only fulfill their duty to the taxpayers by considering closely all budgets presented to them as requests for funds. *Wilson County Bd. of Educ. v. Wilson County Bd. of Comm'rs*, 26 N.C. App. 114, 215 S.E.2d 412 (1975).

OPINIONS OF ATTORNEY GENERAL

A school employee who serves as a member of a board of county commissioners is not prohibited from voting on the school board's budget request. There may be circumstances, however, when the school employee's vote would violate the employee's duty to vote in the

public interest rather than his own interest. In those circumstances, the employee should abstain from voting. See opinion of Attorney General to Dr. Martin Eaddy, Superintendent, Lincoln County Schools, — N.C.A.G. — (July 29, 1987).

§ 115C-430. Apportionment of county appropriations among local school administrative units.

If there is more than one local school administrative unit in a county, all appropriations by the county to the local current expense funds of the units, except appropriations funded by supplemental taxes levied less than countywide pursuant to a local act of G.S. 115C-501 to 115C-511, must be apportioned according to the membership of each unit. County appropriations are properly apportioned when the dollar amount obtained by dividing the amount so appropriated to each unit by the total membership of the unit is the same for each unit. The total membership of the local school administrative unit is the unit's average daily membership for the budget year to be determined by and certified to the unit and the board of county commissioners by the State Board of Education. (1975, c. 437, s. 1; 1981, c. 423, s. 1; 1985 (Reg. Sess., 1986), c. 1014, s. 78.)

CASE NOTES

Construction With Other Provisions. — Since distribution of the residual sales taxes under § 105-472(b)(2) is dependent upon the levy of ad valorem taxes within a taxing district, it does not appear that it was the intent of the legislature for this section to supersede

§ 105-472(b)(2); therefore, the trial court properly concluded that the two statutes were not in conflict. *Banks v. County of Buncombe*, 128 N.C. App. 214, 494 S.E.2d 791 (1998), aff'd, 348 N.C. 687, 500 S.E.2d 666 (1998).

§ 115C-431. Procedure for resolution of dispute between board of education and board of county commissioners.

(a) If the board of education determines that the amount of money appropriated to the local current expense fund, or the capital outlay fund, or both, by the board of county commissioners is not sufficient to support a system of free public schools, the chairman of the board of education and the chairman of the board of county commissioners shall arrange a joint meeting of the two boards to be held within seven days after the day of the county commissioners' decision on the school appropriations.

Prior to the joint meeting, the Senior Resident Superior Court Judge shall appoint a mediator unless the boards agree to jointly select a mediator. The mediator shall preside at the joint meeting and shall act as a neutral facilitator of disclosures of factual information, statements of positions and contentions, and efforts to negotiate an agreement settling the boards' differences.

At the joint meeting, the entire school budget shall be considered carefully and judiciously, and the two boards shall make a good-faith attempt to resolve the differences that have arisen between them.

(b) If no agreement is reached at the joint meeting of the two boards, the mediator shall, at the request of either board, commence a mediation immediately or within a reasonable period of time. The mediation shall be held in accordance with rules and standards of conduct adopted under Chapter 7A of the General Statutes governing mediated settlement conferences but modified as appropriate and suitable to the resolution of the particular issues in disagreement.

Unless otherwise agreed upon by both boards, the following individuals shall constitute the two working groups empowered to represent their respective boards during the mediation:

- (1) The chair of each board or the chair's designee;
- (2) The superintendent of the local school administrative unit and the county manager or either's designee;
- (3) The finance officer of each board; and
- (4) The attorney for each board.

Members of both boards, their chairs, and representatives shall cooperate with and respond to all reasonable requests of the mediator to participate in the mediation. Notwithstanding Article 33C of Chapter 143 of the General Statutes, the mediation proceedings involving the two working groups shall be conducted in private. Evidence of statements made and conduct occurring in a mediation are not subject to discovery and are inadmissible in any court action. However, no evidence otherwise discoverable is inadmissible merely because it is presented or discussed in a mediation. The mediator shall not be compelled to testify or produce evidence concerning statements made and conduct occurring in a mediation in any civil proceeding for any purpose, except disciplinary hearings before the State Bar or any agency established to enforce standards of conduct for mediators. Reports by members of either working group to their respective boards shall be made in compliance with Article 33C of Chapter 143 of the General Statutes.

Unless both boards agree otherwise, or unless the boards have already resolved their dispute, the mediation shall end no later than August 1. The mediator shall have the authority to determine that an impasse exists and to discontinue the mediation. The mediation may continue beyond August 1 provided both boards agree. If both boards agree to continue the mediation beyond August 1, the board of county commissioners shall appropriate to the local school administrative unit for deposit in the local current expense fund a sum of money sufficient to equal the local contribution to this fund for the previous year.

If the working groups reach a proposed agreement, the terms and conditions must be approved by each board. If no agreement is reached, the mediator shall announce that fact to the chairs of both boards, the Senior Resident Superior Court Judge, and the public. The mediator shall not disclose any other information about the mediation. The mediator shall not make any recommendations or public statement of findings or conclusions.

The local board of education and the board of county commissioners shall share equally the mediator's compensation and expenses. The mediator's compensation shall be determined according to rules adopted under Chapter 7A of the General Statutes.

(c) Within five days after an announcement of no agreement by the mediator, the local board of education may file an action in the superior court division of the General Court of Justice. The court shall find the facts as to the amount of money necessary to maintain a system of free public schools, and the amount of money needed from the county to make up this total. Either board has the right to have the issues of fact tried by a jury. When a jury trial is demanded, the cause shall be set for the first succeeding term of the superior court in the county, and shall take precedence over all other business of the court. However, if the judge presiding certifies to the Chief Justice of the Supreme Court, either before or during the term, that because of the accumulation of other business, the public interest will be best served by not trying the cause at the term next succeeding the filing of the action, the Chief Justice shall immediately call a special term of the superior court for the county, to convene as soon as possible, and assign a judge of the superior court or an emergency judge to hold the court, and the cause shall be tried at this special term. The issue submitted to the jury shall be what amount of money is needed from sources under the control of the board of county commissioners to maintain a system of free public schools.

All findings of fact in the superior court, whether found by the judge or a jury, shall be conclusive. When the facts have been found, the court shall give judgment ordering the board of county commissioners to appropriate a sum certain to the local school administrative unit, and to levy such taxes on property as may be necessary to make up this sum when added to other revenues available for the purpose.

(d) If an appeal is taken to the appellate division of the General Court of Justice, and if such an appeal would result in a delay beyond a reasonable time for levying taxes for the year, the judge shall order the board of county commissioners to appropriate to the local school administrative unit for deposit in the local current expense fund a sum of money sufficient when added to all other moneys available to that fund to equal the amount of this fund for the previous year. All papers and records relating to the case shall be considered a part of the record on appeal.

(e) If, in an action filed under this section, the final judgment of the General Court of Justice is rendered after the due date prescribed by law for property taxes, the board of county commissioners is authorized to levy such supplementary taxes as may be required by the judgment, notwithstanding any other provisions of law with respect to the time for doing acts necessary to a property tax levy. Upon making a supplementary levy under this subsection, the board of county commissioners shall designate the person who is to compute and prepare the supplementary tax receipts and records for all such taxes. Upon delivering the supplementary tax receipts to the tax collector, the board of county commissioners shall proceed as provided in G.S. 105-321.

The due date of supplementary taxes levied under this subsection is the date of the levy, and the taxes may be paid at par or face amount at any time before the one hundred and twentieth day after the due date. On or after the one hundred and twentieth day and before the one hundred and fiftieth day from

the due date there shall be added to the taxes interest at the rate of two percent (2%). On or after the one hundred and fiftieth day from the due date, there shall be added to the taxes, in addition to the two percent (2%) provided above, interest at the rate of three-fourths of one percent ($\frac{3}{4}$ of 1%) per 30 days or fraction thereof until the taxes plus interest have been paid. No discounts for prepayment of supplementary taxes levied under this subsection shall be allowed. (1975, c. 437, s. 1; 1981, c. 423, s. 1; 1989, c. 493, s. 2; 1995 (Reg. § 115C-432. The budget resolution; adoption; limitations; tax levy; filing.

(a) After the board of county commissioners has made its appropriations to the local school administrative unit, or after the appeal procedure set out in G.S. 115C-431 has been concluded, the board of education shall adopt a budget resolution making appropriations for the budget year in such sums as the board may deem sufficient and proper. The budget resolution shall conform to the uniform budget format established by the State Board of Education.

(b) The following directions and limitations shall bind the board of education in adopting the budget resolution:

- (1) If the county budget ordinance allocates appropriations to the local school administrative unit pursuant to G.S. 115C-429(b), the school budget resolution shall conform to that allocation. The budget resolution may be amended to change allocated appropriations only in accordance with G.S. 115C-433.
- (2) Subject to the provisions of G.S. 115C-429(d), the full amount of any lawful deficit from the prior fiscal year shall be appropriated.
- (3) Contingency appropriations in a fund may not exceed five percent (5%) of the total of all other appropriations in that fund. Each expenditure to be charged against a contingency appropriation shall be authorized by resolution of the board of education, which resolution shall be deemed an amendment to the budget resolution, not subject to G.S. 115C-429(b) and 115C-433(b), setting up or increasing an appropriation for the object of expenditure authorized. The board of education may authorize the superintendent to authorize expenditures from contingency appropriations subject to such limitations and procedures as it may prescribe. Any such expenditure shall be reported to the board of education at its next regular meeting and recorded in the minutes.
- (4) Sufficient funds to meet the amounts to be paid during the fiscal year under continuing contracts previously entered into shall be appropriated.
- (5) The sum of estimated net revenues and appropriated fund balances in each fund shall be equal to appropriations in that fund.
- (6) No appropriation may be made that would require the levy of supplemental taxes pursuant to a local act or G.S. 115C-501 to 115C-511 in

excess of the rate of tax approved by the voters, or the expenditure of revenues for purposes not permitted by law.

(7) In estimating revenues to be realized from the levy of school supplemental taxes pursuant to a local act or G.S. 115C-501 to 115C-511, the estimated percentage of collection may not exceed the percentage of that tax actually realized in cash during the preceding fiscal year, or if the tax was not levied in the preceding fiscal year, the percentage of the general county tax levy actually realized in cash during the preceding fiscal year.

(8) Amounts to be realized from collection of supplemental taxes levied in prior fiscal years shall be included in estimated revenues.

(9) No appropriation may be made to or from the capital outlay fund to or from any other fund, except as permitted by G.S. 115C-433(d).

(c) If the local school administrative unit levies its own supplemental taxes pursuant to a local act, the budget resolution shall make the appropriate tax levy in accordance with the local act, and the board of education shall notify the county or city that collects the levy in accordance with G.S. 159-14.

(d) The budget resolution shall be entered in the minutes of the board of education, and within five days after adoption, copies thereof shall be filed with the superintendent, the school finance officer and the county finance officer. (1975, c. 437, s. 1; 1981, c. 423, s. 1; 1987 (Reg. Sess., 1988), c. 1025, s. 13; 1993, c. 57, s. 1.)

§ 115C-433. Amendments to the budget resolution; budget transfers.

(a) Subject to the provisions of subsection (b) of this section, the board of education may amend the budget resolution at any time after its adoption, in any manner, so long as the resolution as amended continues to satisfy the requirements of G.S. 115C-425 and 115C-432.

(b) If the board of county commissioners allocates part or all of its appropriations pursuant to G.S. 115C-429(b), the board of education must obtain the approval of the board of county commissioners for an amendment to the budget that (i) increases or decreases expenditures from the capital outlay fund for projects listed in G.S. 115C-426(f)(1) or (2), or (ii) increases or decreases the amount of county appropriation allocated to a purpose or function by twenty-five percent (25%) or more from the amount contained in the budget ordinance adopted by the board of county commissioners: Provided, that at its discretion, the board may in its budget ordinance specify a lesser percentage, so long as such percentage is not less than ten percent (10%).

(c) The board of education may by appropriate resolution authorize the superintendent to transfer moneys from one appropriation to another within the same fund, subject to such limitations and procedures as may be prescribed by the board of education or State or federal law or regulations. Any such transfers shall be reported to the board of education at its next regular meeting and shall be entered in the minutes.

(d) The board of education may amend the budget to transfer money to or from the capital outlay fund to or from any other fund, with the approval of the board of county commissioners, to meet emergencies unforeseen and unforeseeable at the time the budget resolution was adopted. When such an emergency arises, the board of education may adopt a resolution requesting approval from the board of commissioners for the transfer of a specified amount of money to or from the capital outlay fund to or from some other fund. The resolution shall state the nature of the emergency, why the emergency was not foreseen and was not foreseeable when the budget resolution was adopted, what specific objects of expenditure will be added or increased as a result of the

transfer, and what objects of expenditure will be eliminated or reduced as a result of the transfer. A certified copy of this resolution shall be transmitted to the board of county commissioners for (its) approval and to the boards of education of all other local school administrative units in the county for their information. The board of commissioners shall act upon the request within 30 days after it is received by the clerk to the board of commissioners or the chairman of the board of commissioners, after having afforded the boards of education of all other local school administrative units in the county an opportunity to comment on the request. The board of commissioners may either approve or disapprove the request as presented. Upon either approving or disapproving the request, the board of commissioners shall forthwith so notify the board of education making the request and any other board of education that exercised its right to comment thereon. Upon receiving such notification, the board of education may proceed to amend the budget resolution in the manner indicated in the request. Failure of the board of county commissioners to act within the time allowed for approval or disapproval shall be deemed approval of the request. The time limit for action by the board of county commissioners may be extended by mutual agreement of the board of county commissioners and the board of education making the request. A budget resolution amended in accordance with this subsection need not comply with G.S. 115C-430. (1975, c. 437, s. 1; 1981, c. 423, s. 1.)

§ 115C-434. Interim budget.

In case the adoption of the budget resolution is delayed until after July 1, the board of education shall make interim appropriations for the purpose of paying salaries and the usual ordinary expenses of the local school administrative unit for the interval between the beginning of the fiscal year and the adoption of the budget resolution. Interim appropriations so made and expended shall be charged to the proper appropriations in the budget resolution. (1975, c. 437, s. 1; 1981, c. 423, s. 1.)

Part 3. Fiscal Control.

§ 115C-435. School finance officer.

Each local school administrative unit shall have a school finance officer who shall be appointed or designated by the superintendent of schools and approved by the board of education, with the school finance officer serving at the pleasure of the superintendent. The duties of school finance officer may be conferred on any officer or employee of the local school administrative unit or, upon request of the superintendent, with approval by the board of education and the board of county commissioners, on the county finance officer. In counties where there is more than one local school administrative unit, the duties of finance officer may be conferred on any one officer or employee of the several local school administrative units by agreement between the affected superintendents with the concurrence of the affected board of education and the board of county commissioners. The position of school finance officer is hereby declared to be an office that may be held concurrently with other appointive, but not elective, offices pursuant to Article VI, Sec. 9, of the Constitution. (1975, c. 437, s. 1; 1981, c. 423, s. 1.)

§ 115C-436. Duties of school finance officer.

(a) The school finance officer shall be responsible to the superintendent for:

- (1) Keeping the accounts of the local school administrative unit in accordance with generally accepted principles of governmental accounting, the rules and regulations of the State Board of Education, and the rules and regulations of the Local Government Commission.
- (2) Giving the preaudit certificate required by G.S. 115C-441.
- (3) Signing and issuing all checks, drafts, and State warrants by the local school administrative unit, investing idle cash, and receiving and depositing all moneys accruing to the local school administrative unit.
- (4) Preparing and filing a statement of the financial condition of the local school administrative unit as often as requested by the superintendent, and when requested in writing, with copy to the superintendent, by the board of education or the board of county commissioners.
- (5) Performing such other duties as may be assigned to him by law, by the superintendent, or by rules and regulations of the State Board of Education and the Local Government Commission.

All references in other portions of the General Statutes or local acts to school treasurers, county treasurers, or other officials performing any of the duties conferred by this section on the school finance officer shall be deemed to refer to the school finance officer.

(b) The State Board of Education has authority to issue rules and regulations having the force of law governing procedures for the disbursement of money allocated to the local school administrative unit by or through the State. The Local Government Commission has authority to issue rules and regulations having the force of law governing procedures for the disbursement of all other moneys allocated or accruing to the local school administrative unit. The State Board of Education and the Local Government Commission may inquire into and investigate the internal control procedures of a local school administrative unit with respect to moneys under their respective jurisdictions and may require any modifications in internal control procedures which may be necessary or desirable to prevent embezzlements or mishandling of public moneys. (1975, c. 437, s. 1; 1981, c. 423, s. 1.)

§ 115C-437. Allocation of revenues to the local school administrative unit by the county.

Revenues accruing to the local school administrative unit by virtue of Article IX, Sec. 7, of the Constitution and taxes levied by or on behalf of the local school administrative unit pursuant to a local act or G.S. 115C-501 to 115C-511 shall be remitted to the school finance officer by the officer having custody thereof within 10 days after the close of the calendar month in which the revenues were received or collected. The clear proceeds of all penalties and forfeitures and of all fines collected for any breach of the penal laws of the State, as referred to in Article IX, Sec. 7 of the Constitution, shall include the full amount of all penalties, forfeitures or fines collected under authority conferred by the State, diminished only by the actual costs of collection, not to exceed ten percent (10%) of the amount collected. Revenues appropriated to the local school administrative unit by the board of county commissioners from general county revenues shall be made available to the school finance officer by such procedures as may be mutually agreeable to the board of education and the board of county commissioners, but if no such agreement is reached, these funds shall be remitted to the school finance officer by the county finance officer in monthly installments sufficient to meet its lawful expenditures from the county appropriation until the county appropriation to the local school administrative unit is exhausted. Each installment shall be paid not later than 10 days after the close of each calendar month. When revenue has been appropriated to the local school administrative unit by the board of county commis-

sioners from funds which carry specific restrictions binding upon the county as recipient, the board of commissioners must inform the local school administrative unit in writing of those restrictions. (1975, c. 437, s. 1; 1981, c. 423, s. 1; 1985, c. 779.)

§ 115C-438. Provision for disbursement of State money.

The deposit of money in the State treasury to the credit of local school administrative units shall be made in monthly installments, and additionally as necessary, at such time and in such a manner as may be most convenient for the operation of the public school system. Before an installment is credited, the school finance officer shall certify to the State Board of Education the expenditures to be made by the local school administrative unit from the State Public School Fund during the month. This certification shall be filed on or before the fifth day following the end of the month preceding the period in which the expenditures will be made. The State Board of Education shall determine whether the moneys requisitioned are due the local school administrative unit, and upon determining the amount due, shall cause the requisite amount to be credited to the local school administrative unit. Upon receiving notice from the State Treasurer of the amount placed to the credit of the local school administrative unit, the finance officer may issue State warrants up to the amount so certified.

The State Board of Education may withhold money for payment of salaries for administrative officers of local school administrative units if any report required to be filed with State school authorities is more than 30 days overdue. The State Board of Education shall withhold money for payment of salaries for the superintendent, finance officer, and all other administrative officers charged with providing payroll information pursuant to G.S. 115C-12(18), if the local school administrative unit fails to provide the payroll information to the State Board in a timely fashion and substantially in accordance with the standards set by the State Board. The State Board of Education shall also withhold money used for payment of salaries for the superintendent, transportation director, and all other administrative officers or employees charged by the local board of education or the local superintendent with implementing the Transportation Information Management System, pursuant to G.S. 115C-240(d), if the State Board finds that a local school administrative unit is not progressing in good faith and is not using its best efforts to implement the Transportation Information Management System.

Money in the State Public School Fund and State bond moneys shall be released only on warrants drawn on the State Treasurer, signed by such local official as may be required by the State Board of Education. (1975, c. 437, s. 1; 1981, c. 423, s. 1; 1987, c. 414, s. 14; 1987 (Reg. Sess., 1988), c. 1025, s. 15; 1989 (Reg. Sess., 1990), c. 1066, s. 106; 1991, c. 689, s. 39.2; 1991 (Reg. Sess., 1992), c. 900, s. 77(b).)

§ 115C-439. Facsimile signatures.

The board of education may provide by appropriate resolution for the use of facsimile signature machines, signature stamps, or similar devices in signing checks and drafts and in signing the preaudit certificate on contracts or purchase orders. The board shall charge the finance officer or some other bonded officer or employee with the custody of the necessary machines, stamps, plates, or other devices, and that person and the sureties on his official bond are liable for any illegal, improper, or unauthorized use of them. (1975, c. 437, s. 1; 1981, c. 423, s. 1.)

§ 115C-440. Accounting system.

(a) System Required. — Each local school administrative unit shall establish and maintain an accounting system designed to show in detail its assets, liabilities, equities, revenues, and expenditures. The system shall also be designed to show appropriations and estimated revenues as established in the budget resolution as originally adopted and subsequently amended.

(b) Basis of Accounting. — Local school administrative units shall use the modified accrual basis of accounting in recording transactions.

(c) Encumbrance Systems. — Except as otherwise provided in this subsection, no local school administrative unit is required to record or show encumbrances in its accounting system. The Local Government Commission, in consultation with the State Board of Education, shall establish regulations, based on total membership of the local school administrative unit or some other appropriate criterion, setting forth which units are required to maintain an accounting system that records and shows the encumbrances outstanding against each category of expenditure appropriated in the budget resolution. Any other local school administrative unit may record and show encumbrances in its accounting system.

(d) Commission Regulations. — The Local Government Commission, in consultation with the State Board of Education, may prescribe rules and regulations having the force of law as to:

- (1) Features of accounting systems to be maintained by local school administrative units.
- (2) Bases of accounting, including identifying in detail the characteristics of a modified accrual basis and identifying what revenues are susceptible to accrual.
- (3) Definitions of terms not clearly defined in this Article.

These rules and regulations may be varied according to the size of the local school administrative unit, or according to any other criteria reasonably related to the purpose or complexity of the financial operations involved. (1975, c. 437, s. 1; 1981, c. 423, s. 1.)

§ 115C-440.1. Report on county spending on public capital outlay.

(a) It is the purpose of Article 42 of Chapter 105 of the General Statutes for counties to appropriate funds generated under that Article to increase the level of county spending for public elementary and secondary school capital outlay (including retirement of indebtedness incurred by the county for this purpose) above and beyond the level of spending prior to the levy of the additional tax authorized under that Article.

(b) On or before May 1 of each year the Local Government Commission shall furnish to the General Assembly a report of the level of each county's appropriations for public school capital outlay, including appropriations to the

public school capital outlay fund, funds expended by counties on behalf of and for the benefit of public schools for capital outlay, monies reserved for future years' retirement of debt incurred or capital outlay, and any other information the Local Government Commission considers relevant. For purposes of this subsection, the term "public schools" includes charter schools, if authorized. The Local Government Commission shall develop and implement by May 1, 1997, a uniform reporting system whereby counties are able to report all county expenditures under this subsection.

(c) Any local board of education may petition the Local Government Commission to make a finding that the funds provided by a county for public school capital outlay purposes are, within the financial resources available and consistent with the fiscal policies of the Board of County Commissioners, inadequate to meet the public school capital outlay needs within that county and that the Board of County Commissioners has not complied with the requirements or intent of this Article. The petition shall be in the form prescribed by the Commission. In making its finding, the Commission shall consider the facts it is required to report under subsection (b) of this section, as well as any other information it deems necessary. The Commission shall report its findings on such petition, together with any recommendations it deems appropriate, to the Joint Legislative Commission on Governmental Operations. (1985 (Reg. Sess., 1986), c. 906, s. 1; 1995, c. 507, s. 17.5; 1995 (Reg. Sess., 1996), c. 666, ss. 4, 5.)

§ 115C-441. Budgetary accounting for appropriations.

(a) Incurring Obligations. — Except as set forth below, no obligation may be incurred by a local school administrative unit unless the budget resolution includes an appropriation authorizing the obligation and an unencumbered balance remains in the appropriation sufficient to pay in the current fiscal year the sums obligated by the transaction for the current fiscal year. If an obligation is evidenced by a contract or agreement requiring the payment of money or by a purchase order for supplies and materials, the contract, agreement, or purchase order shall include on its face a certificate stating that the instrument has been preaudited to assure compliance with this section. The certificate, which shall be signed by the finance officer, shall take substantially the following form:

"This instrument has been preaudited in the manner required by the School Budget and Fiscal Control Act.

(Date)

(Signature of finance officer)"

An obligation incurred in violation of this section is invalid and may not be enforced. The finance officer shall establish procedures to assure compliance with this section.

(b) Disbursements. — When a bill, invoice, or other claim against a local school administrative unit is presented, the finance officer shall either approve or disapprove the necessary disbursement. The finance officer may approve the claim only if he determines the amount to be payable, the budget resolution includes an appropriation authorizing the expenditure and either (i) an encumbrance has been previously created for the transaction or (ii) an unencumbered balance remains in the appropriation sufficient to pay the amount to be disbursed. A bill, invoice, or other claim may not be paid unless it has been approved by the finance officer or, under subsection (c) of this section, by the board of education.

(c) Board of Education Approval of Bills, Invoices, or Claims. — The board of education may, as permitted by this subsection, approve a bill, invoice, or other claim against the local school administrative unit that has been disapproved by the finance officer. It may not approve a claim for which no appropriation appears in the budget resolution, or for which the appropriation contains no encumbrance and the unencumbered balance is less than the amount to be paid. The board of education shall approve payment by formal resolution stating the board's reasons for allowing the bill, invoice, or other claim. The resolution shall be entered in the minutes together with the names of those voting in the affirmative. The chairman of the board or some other member designated for this purpose shall sign the certificate on the check or draft given in payment of the bill, invoice, or other claim. If payment results in a violation of law, each member of the board voting to allow payment is jointly and severally liable for the full amount of the check or draft given in payment.

(c1) Continuing Contracts for Capital Outlay. — An administrative unit may enter into a contract for capital outlay expenditures, some portion or all of which is to be performed and/or paid in ensuing fiscal years, without the budget resolution including an appropriation for the entire obligation, provided:

- a. The budget resolution includes an appropriation authorizing the current fiscal year's portion of the obligation;
- b. An unencumbered balance remains in the appropriation sufficient to pay in the current fiscal year the sums obligated by the transaction for the current fiscal year; and
- c. Contracts for capital outlay expenditures are approved by a resolution adopted by the board of county commissioners, which resolution when adopted shall bind the board of county commissioners to appropriate sufficient funds in ensuing fiscal years to meet the amounts to be paid under the contract in those years.

(d) Payment. — A local school administrative unit may not pay a bill, invoice, salary, or other claim except by a check or draft on an official depository, by a bank wire transfer from an official depository, or by a warrant on the State Treasurer. Except as provided in this subsection each check or draft on an official depository shall bear on its face a certificate signed by the finance officer or signed by the chairman or some other member of the board pursuant to subsection (c) of this section. The certificate shall take substantially the following form:

"This disbursement has been approved as required by the School Budget and Fiscal Control Act.

(Signature of finance officer)"

No certificate is required on payroll checks or drafts or on State warrants.

(e) Penalties. — If an officer or employee of a local school administrative unit incurs an obligation or pays out or causes to be paid out any funds in violation of this section, he and the sureties on his official bond are liable for any sums so committed or disbursed. If the finance officer gives a false certificate to any contract, agreement, purchase order, check, draft, or other document, he and the sureties on his official bond are liable for any sums illegally committed or disbursed thereby. (1975, c. 437, s. 1; 1981, c. 423, s. 1; 1985, c. 783, ss. 1, 2; 1997-456, s. 27.)

§ 115C-441.1. Dependent care assistance program.

The State Board of Education is authorized to provide eligible employees of local school administrative units a program of dependent care assistance as available under Section 129 and related sections of the Internal Revenue Code of 1986, as amended. The State Board may authorize local school administrative units to enter into annual agreements with employees who elect to participate in the program to provide for a reduction in salary. With the approval of the Director of the Budget, savings in the employer's share of contributions under the Federal Insurance Contributions Act on account of the reduction in salary may be used to pay some or all of the administrative expenses of the program. Should the State Board decide to contract with a third party to administer the terms and conditions of a program of dependent care assistance, it may select a contractor only upon a thorough and completely competitive procurement process. Session Laws 1999-237, s. 30.4 contains a severability clause.

§ 115C-442. Fidelity bonds.

(a) The finance officer shall give a true accounting and faithful performance bond with sufficient sureties in an amount to be fixed by the board of education, not less than ten thousand dollars (\$10,000) nor more than two hundred fifty thousand dollars (\$250,000). This bond shall cover the faithful performance of all duties placed on the finance officer by or pursuant to law and the faithful accounting for all funds in his custody except State funds placed to the credit of the local school administrative unit by the State Treasurer. The premium on the bond shall be paid by the local school administrative unit.

(b) The State Board of Education shall provide for adequate and appropriate bonding of school finance officers and such other employees as it deems appropriate with respect to the disbursement of State funds. When it requires such bonds, the State Board of Education is authorized to place the bonds and pay the premiums thereon.

(c) The treasurer of each individual school and all other officers, employees and agents of each local school administrative unit who have custody of public school money in the normal course of their employment or agency shall give a true accounting bond with sufficient sureties in an amount to be fixed by the board of education. The premiums on these bonds shall be paid by the local school administrative unit. Instead of individual bonds, a local school administrative unit may provide for a blanket bond to cover all officers, employees, and agents of the local school administrative unit required to be bonded, except the finance officer. The finance officer may be included within the blanket bond if the blanket bond protects against risks not protected against by the individual bond. (1975, c. 437, s. 1; 1981, c. 423, s. 1.)

§ 115C-443. Investment of idle cash.

(a) A local school administrative unit may deposit at interest or invest all or part of the cash balance of any fund. The finance officer shall manage investments subject to whatever restrictions and directions the board of education may impose. The finance officer shall have the power to purchase, sell, and exchange securities on behalf of the board of education. The investment program shall be so managed that investments and deposits can be converted into cash when needed.

(b) Moneys may be deposited at interest at any bank, savings and loan association, or trust company in this State in the form of certificates of deposit or such other forms of time deposit as the Local Government Commission may approve. Investment deposits shall be secured as provided in G.S. 115C-444(b).

(c) Moneys may be invested in the following classes of securities, and no others:

- (1) Obligations of the United States of America.
- (2) Obligations of any agency or instrumentality of the United States of America if the payment of interest and principal of such obligations is fully guaranteed by the United States of America.
- (3) Obligations of the State of North Carolina.
- (4) Bonds and notes of any North Carolina local government or public authority, subject to such restrictions as the Secretary of the Local Government Commission may impose.
- (5) Shares of any savings and loan association organized under the laws of this State and shares of any federal savings and loan association having its principal office in this State, to the extent that the investment in such shares is fully insured by the United States of America or an agency thereof or by any mutual deposit guaranty association authorized by the Commissioner of Insurance of North Carolina to do business in North Carolina pursuant to Article 7A of Chapter 54 of the General Statutes.
- (6) Obligations maturing no later than 18 months after the date of purchase of the Federal Intermediate Credit Banks, the Federal Home Loan Banks, the Federal National Mortgage Association, the Banks for Cooperatives, and the Federal Land Banks.
- (7) Any form of investment allowed by law to the State Treasurer.
- (8) Any form of investment allowed by G.S. 159-30 to local governments and public authorities.

(d) Investment securities may be bought, sold, and traded by private negotiation, and local school administrative units may pay all incidental costs thereof and all reasonable cost of administering the investment and deposit program. Securities and deposit certificates shall be in the custody of the finance officer who shall be responsible for their safekeeping and for keeping accurate investment accounts and records.

(e) Interest earned on deposits and investments shall be credited to the fund whose cash is deposited or invested. Cash of several funds may be combined for deposit or investment if not otherwise prohibited by law; and when such joint deposits or investments are made, interest earned shall be prorated and credited to the various funds on the basis of the amounts thereof invested, figured according to an average periodic balance or some other sound accounting principle. Interest earned on the deposit or investment of bond funds shall be deemed a part of the bond proceeds.

(f) Registered securities acquired for investment may be released from registration and transferred by signature of the finance officer.

(g) It is the intent of this Article that the foregoing provisions of this section shall apply only to those funds received by the local school administrative unit

as required by G.S. 115C-437. The county finance officer shall be responsible for the investment of all county funds allocated to the local school administrative unit prior to such county funds actually being remitted to the school finance officer as provided by G.S. 115C-437. (1975, c. 437, s. 1; 1981, c. 423, s. 1; 1985, c. 246, s. 1.)

Editor's Note. — Article 7A of Chapter 54, Session Laws 1981, c. 282. See now Article 12 of referred to in this section, was repealed by Chapter 54B, § 54B-236 et seq.

§ 115C-444. Selection of depository; deposits to be secured.

(a) Each board of education shall designate as the official depositories of the local school administrative unit one or more banks, savings and loan associations, or trust companies in this State. It shall be unlawful for any money belonging to a local school administrative unit or an individual school to be deposited in any place, bank, or trust company other than an official depository, except as permitted by G.S. 115C-443(b); however, moneys belonging to an administrative unit or an individual school may be deposited in official depositories in Negotiable Order of Withdrawal (NOW) accounts.

(b) Money on deposit in an official depository or deposited at interest pursuant to G.S. 115C-443(b) shall be secured by deposit insurance, surety bonds, or investment securities of such nature, in a sufficient amount to protect the administrative unit or an individual school on account of deposit of moneys made therein, and in such manner, as may be prescribed by rule or regulation of the Local Government Commission. When deposits are secured in accordance with this subsection, no public officer or employee may be held liable for any losses sustained by a local school administrative unit because of the default or insolvency of the depository. (1975, c. 437, s. 1; 1981, c. 423, s. 1; c. 682, s. 23; c. 866, ss. 1, 2; 1985, c. 246, s. 2.)

§ 115C-445. Daily deposits.

Except as otherwise provided by law, all moneys collected or received by an officer, employee or agent of a local school administrative unit or an individual school shall be deposited in accordance with this section. Each officer, employee and agent of a local school administrative unit or individual school whose duty it is to collect or receive any taxes or other moneys shall deposit his collections and receipts daily. If the board of education gives its approval, deposits shall be required only when the moneys on hand amount to as much as two hundred fifty dollars (\$250.00), but in any event a deposit shall be made on the last business day of the month. All deposits shall be made with the finance officer or in an official depository. Deposits in an official depository shall be immediately reported to the finance officer or individual school treasurer by means of a duplicate deposit ticket. The finance officer may at any time audit the accounts of any officer, employee or agent collecting or receiving any taxes or other moneys, and may prescribe the form and detail of these accounts. The accounts of such an officer, employee or agent shall be audited at least annually. (1975, c. 437, s. 1; 1981, c. 423, s. 1.)

§ 115C-446. Semiannual reports on status of deposits and investments.

Each school finance officer shall report to the Secretary of the Local Government Commission on January 1 and July 1 of each year, or such other dates as the Secretary may prescribe, the amounts of money then in his

custody and in the custody of treasurers of individual schools within the local school administrative unit, the amount of deposits of such money in depositories, a list of all investment securities and time deposits held by the local school administrative unit and individual schools therein. In like manner, each bank or trust company acting as the official depository of any administrative unit or individual school may be required to report to the Secretary a description of the surety bonds or investment securities securing such public deposits. If the Secretary finds at any time that any moneys of a local school administrative unit or an individual school are not properly deposited or secured, or are invested in securities not eligible for investment, he shall notify the officer in charge of the moneys of the failure to comply with law. Upon such notification, the officer shall comply with the law within 30 days, except as to the sale of securities not eligible for investment which shall be sold within nine months at a price to be approved by the Secretary. The Local Government Commission may extend the time for sale of ineligible securities, but no one extension may cover a period of more than one year. (1975, c. 437, s. 1; 1981, c. 423, s. 1; c. 866, s. 3.)

§ 115C-447. Annual independent audit.

Each local school administrative unit shall have its accounts and the accounts of individual schools therein audited as soon as possible after the close of each fiscal year by a certified public accountant or by an accountant certified by the Local Government Commission as qualified to audit local government accounts. The auditor who audits the accounts of a local school administrative unit shall also audit the accounts of its individual schools. The auditor shall be selected by and shall report directly to the board of education. The audit contract shall be in writing, shall include all its terms and conditions, and shall be submitted to the Secretary of the Local Government Commission for his approval as to form, terms and conditions. The terms and conditions of the audit contract shall include the scope of the audit, and the requirement that upon completion of the examination the auditor shall prepare a typewritten or printed report embodying financial statements and his opinion and comments relating thereto. The financial statements accompanying the auditor's report shall be prepared in conformity with generally accepted accounting principles. The auditor shall file a copy of the audit report with the Secretary of the Local Government Commission, the State Board of Education, the board of education and the board of county commissioners, and shall submit all bills or claims for audit fees and costs to the Secretary of the Local Government Commission for his approval. It shall be unlawful for any local school administrative unit to pay or permit the payment of such bills or claims without this approval. Each officer, employee and agent of the local school administrative unit having custody of public money or responsibility for keeping records of public financial or fiscal affairs shall produce all books and records requested by the auditor and shall divulge such information relating to fiscal affairs as he may request. If any member of a board of education or any other public officer, employee or agent shall conceal, falsify, or refuse to deliver or divulge any books, records, or information, with an intent thereby to mislead the auditor or impede or interfere with the audit, he is guilty of a Class 1 misdemeanor.

The State Auditor shall have authority to prescribe the manner in which funds disbursed by administrative units by warrants on the State Treasurer shall be audited. (1975, c. 437, s. 1; 1981, c. 423, s. 1; 1983, c. 913, s. 17; 1987 (Reg. Sess., 1988), c. 1025, s. 14; 1993, c. 539, s. 891; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 115C-448. Special funds of individual schools.

(a) The board of education shall appoint a treasurer for each school within the local school administrative unit that handles special funds. The treasurer shall keep a complete record of all moneys in his charge in such form and detail as may be prescribed by the finance officer of the local school administrative unit, and shall make such reports to the superintendent and finance officer of the local school administrative unit as they or the board of education may prescribe. Special funds of individual schools shall be deposited in an official depository of the local school administrative unit in special accounts to the credit of the individual school, and shall be paid only on checks or drafts signed by the principal of the school and the treasurer. The board of education may, in its discretion, waive the requirements of this section for any school which handles less than three hundred dollars (\$300.00) in any school year.

(b) Nothing in this section shall prevent the board of education from requiring that all funds of individual schools be deposited with and accounted for by the school finance officer. If this is done, these moneys shall be disbursed and accounted for in the same manner as other school funds except that the check or draft shall not bear the certificate of preaudit.

(c) For the purposes of this section, "special funds of individual schools" includes by way of illustration and not limitation funds realized from gate receipts of interscholastic athletic competition, sale of school annuals and newspapers, and dues of student organizations. (1975, c. 437, s. 1; 1981, c. 423, s. 1.)

§ 115C-449. Proceeds of insurance claims.

Moneys paid to a local school administrative unit pursuant to contracts of insurance against loss of capital assets through fire or casualty shall be used to repair or replace the damaged asset, or if the asset is not repaired or replaced, placed to the credit of the capital outlay fund for appropriation at some future time. (1975, c. 437, s. 1; 1981, c. 423, s. 1.)

§ 115C-450. School food services.

School food services shall be included in the budget of each local school administrative unit and the State Board of Education shall provide for school food services in the uniform budget format required by G.S. 115C-426. (1975, c. 437, s. 1; 1981, c. 423, s. 1.)

§ 115C-451. Reports to State Board of Education; failure to comply with School Budget Act.

(a) The State Board of Education shall have authority to require local school administrative units to make such reports as it may deem advisable with respect to the financial operation of the public schools.

(b) The State Board of Education shall be responsible for assuring that local boards of education comply with State laws and regulations regarding the budgeting, management, and expenditure of funds. When a local board of education willfully or negligently fails or refuses to comply with these laws and regulations, the State Board of Education shall issue a warning to the local board of education and direct it to take remedial action. In addition, the State Board may suspend the flexibility given to the local board under G.S. 115C-105.21A and may require the local board to use funds during the term of suspension only for the purposes for which they were allotted or for other purposes with the specific approval from the State Board.

(c) If the local board of education, after warning, persists in willfully or negligently failing or refusing to comply with these laws and regulations, the State Board of Education shall by resolution assume control of the financial affairs of the local board of education and shall appoint an administrator to exercise the powers assumed. The adoption of a resolution shall have the effect of divesting the local board of education of its powers as to the adoption of budgets, expenditure of money, and all other financial powers conferred upon the local board of education by law. (1975, c. 437, s. 1; 1981, c. 423, s. 1; 1991, c. 529, s. 5; 1997-443, s. 8.7.)

§ 115C-452. Fines and forfeitures.

The clear proceeds of all penalties and forfeitures and of all fines collected in the General Court of Justice in each county shall be remitted by the clerk of the superior court to the county finance officer, who shall forthwith determine what portion of the total is due to each local school administrative unit in the county and remit the appropriate portion of the amount to the finance officer of each local school administrative unit. Fines and forfeitures shall be apportioned according to the projected average daily membership of each local school administrative unit as determined by and certified to the local school administrative units and the board of county commissioners by the State Board of Education pursuant to G.S. 115C-430. (1975, c. 437, s. 1; 1981, c. 423, s. 1.)

CASE NOTES

The term "penal laws," as used in the context of this section, means laws that impose a monetary payment for their violation. The payment is punitive rather than remedial in nature and is intended to penalize the wrongdoer rather than to compensate a particular party. *Mussallam v. Mussallam*, 321 N.C. 504, 364 S.E.2d 364, rehearing denied, 322 N.C. 115, 367 S.E.2d 915 (1988).

Two Distinct Funds for Public Schools. — The provisions of this section relating to the clear proceeds from penalties, forfeitures and fines identify two distinct funds for the public schools. These are (1) the clear proceeds of all penalties and forfeitures in all cases, regardless of their nature, so long as they accrue to the state, and (2) the clear proceeds of all fines collected for any breach of the criminal laws.

Mussallam v. Mussallam, 321 N.C. 504, 364 S.E.2d 364, rehearing denied, 322 N.C. 115, 367 S.E.2d 915 (1988).

Proceeds of Bond Payable to Board of Education. — In custody case in which wife sought to regain custody of child who had been removed outside the country, bond set by superior court judge was to ensure husband's appearance, as the punishment for his failure to so appear would be immediate forfeiture of the bond, and since the terms of the bond specifically made its proceeds payable to the State of North Carolina should it be forfeited, such bond was penal in nature and accrued to the Board of Education. *Mussallam v. Mussallam*, 321 N.C. 504, 364 S.E.2d 364, rehearing denied, 322 N.C. 115, 367 S.E.2d 915 (1988), reversing 83 N.C. App. 213, 349 S.E.2d 618 (1986).

The clear proceeds of all civil penalties and civil forfeitures that are collected by a State agency and are payable to the County School Fund pursuant to Article IX, Section 7 of the Constitution shall be remitted to the Office of State Budget and Management by the officer having custody of the funds within 10 days after the close of the calendar month in which the revenues were received or collected. Notwithstanding any other law, all funds which are civil penalties or civil forfeitures within the meaning of Article IX, Section 7 of the Constitution shall be deposited in the Civil Penalty and Forfeiture Fund. The clear proceeds of such funds include the full amount of all such penalties and forfeitures collected under authority conferred by the State, diminished only by the actual costs of collection, not to exceed ten percent (10%) of the amount collected. (1997-443, s. 8.20.)

§ 115C-457.3. Transfer of funds to the State School Technology Fund.

The Office of State Budget and Management shall transfer funds accruing to the Civil Penalty and Forfeiture Fund to the State School Technology Fund. These funds shall be allocated to local school administrative units on the basis of average daily membership. (1997-443, s. 8.20.)

ARTICLE 32.

Loans from State Literary Fund.

§ 115C-458. Loans by State Board from State Literary Fund.

The State Literary Fund includes all funds derived from the sources enumerated in Sec. 6, Article IX, of the Constitution, and all funds that may be hereafter so derived, together with any interest that may accrue thereon. This Fund shall be separate and distinct from other funds of the State.

The State Board of Education, under such rules and regulations as it may deem advisable, not inconsistent with the provisions of this Article, may make loans from the State Literary Fund to the counties for the use of local boards of education under such rules and regulations as it may adopt and according to law for the purpose of aiding in the erection and equipment of school plants, maintenance buildings and transportation garages. No warrant for the expenditure of money for such purposes shall be issued except upon the order of the Superintendent of Public Instruction with the approval of the State Board of Education. (1955, c. 1372, art. 11, s. 1; 1971, c. 704, s. 11; c. 1096; 1981, c. 423, s. 1.)

§ 115C-459. Terms of loans.

Loans made under the provisions of this Article shall be payable in 10 installments, shall bear interest at a uniform rate determined by the State Board of Education not to exceed eight percent (8%), payable annually, and shall be evidenced by the note of the county, executed by the chairman, the clerk of the board of county commissioners, and the chairman and secretary of the local board of education, and deposited with the State Treasurer. The first installment of such loan, together with the interest on the whole amount then due, shall be paid by the local board on the tenth day of February after the tenth day of August subsequent to the making of such loan, and the remaining installments, together with the interest, shall be paid on the tenth day of February of each subsequent year until all shall have been paid. (1955, c. 1372, art. 11, s. 2; 1971, c. 1094; 1981, c. 423, s. 1; 1983, c. 477.)

§ 115C-460. How secured and paid.

At the January meeting of the board of education, before any installment shall be due on the next tenth day of February, the local board of education shall set apart out of the school funds an amount sufficient to pay such installment and interest to be due, and shall issue its order upon the treasurer of the county or city school fund therefor, who, prior to the tenth day of February, shall pay over to the State Treasurer the amount then due. Upon failure of any local school administrative unit to pay any installment of principal or interest, or any part of either, when due, the State Treasurer, upon demand of the State Board of Education, shall bring action against the local board of education and board of county commissioners to compel the levy and collection of sufficient taxes to pay said installment of principal and accrued interest. The State Board of Education may accept payment of any or all of said notes and the interest accrued thereon before maturity. (1955, c. 1372, art. 11, s. 3; 1981, c. 423, s. 1.)

§ 115C-461. Loans by county board to school districts.

The county board of education, from any sum borrowed under the provisions of this Article, may make loans only to districts that shall have levied a local tax sufficient to repay the installments and interest on said loan for the purpose of building schoolhouses in the district, and the amount so loaned to any district shall be payable in 10 annual installments, with interest thereon at the same rate the county board of education is paying, payable annually. Any amount loaned under the provisions of this law shall be a lien upon the total local tax funds produced in the district. Whenever the local taxes may not be sufficient to pay the installments and the interest, the county board of education must supply the remainder out of the current expense fund, and shall make provision for the same when the county budget is made and presented to the commissioners. (1955, c. 1372, art. 11, s. 4; 1981, c. 423, s. 1; 1985 (Reg. Sess., 1986), c. 975, s. 24.)

§ 115C-462. State Board of Education authorized to accept funding or refunding bonds of counties for loans; approval by Local Government Commission.

In any case where a loan has heretofore been made from the State Literary Fund or from any special building fund of the State to a county and such county has heretofore or shall hereafter authorize the issuance of bonds for the

purpose of funding or refunding interest on or the principal of all or a part of the notes evidencing such loan, the State Board of Education is hereby authorized to accept funding or refunding bonds or notes of such county in payment of interest on or the principal of the notes evidencing such loan: Provided, however, that the issuance of such funding or refunding bonds shall have been approved by the Local Government Commission. (1955, c. 1372, art. 11, s. 5; 1981, c. 423, s. 1.)

§ 115C-463. Issuance of bonds as part of general refunding plan.

In any case where the funding or refunding of interest on or the principal of such notes shall constitute a part of a refunding plan or program of the county, and the terms of such funding or refunding shall be accepted by a sufficient number of the holders of the county's obligation to put same into effect, the State Board of Education may authorize the acceptance of such funding or refunding bonds or notes upon the same terms and conditions, both as to principal and interest, as have been agreed upon by a sufficient number of the other holders of the county's obligations to put same into effect. (1955, c. 1372, art. 11, s. 6; 1981, c. 423, s. 1.)

§ 115C-464. Validating certain funding and refunding notes of counties.

The notes of any county held by the State Board of Education which were heretofore issued in exchange for and for the purpose of refunding and retiring notes evidencing loans made from the State Literary Fund pursuant to Article 24 of Chapter 136 of the Public Laws of 1923, or from special building funds pursuant to either Chapter 147 of the Public Laws of 1921, or Article 25 of Chapter 136 of the Public Laws of 1923, or Chapter 201 of the Public Laws of 1925, or Chapter 199 of the Public Laws of 1927, are hereby declared to be valid existing indebtedness of said county incurred by said county for the maintenance of the school term as required by the Constitution of North Carolina, notwithstanding any lack of authority for the issuance of said notes or error or omission or irregularity in the acts done or proceedings taken to provide for their issuance, and said notes held by the State Board of Education are hereby authorized to be refunded with bonds issued pursuant to the County Finance Act, being Chapter 81 of the Public Laws of 1927, as amended. (1955, c. 1372, art. 11, s. 7; 1971, c. 704, s. 12; 1981, c. 423, s. 1.)

§ 115C-465. Special appropriation from fund.

The State Board of Education may annually set aside and use out of the funds accruing in interest to the State Literary Fund, a sum not exceeding seventeen thousand five hundred dollars (\$17,500) to be used for giving directions in the preparation of proper plans for the erection of school buildings in providing inspection of such buildings as may be erected in whole, or in part, with money borrowed from said fund, and such other purposes as said Board may determine to secure the erection of a better type of school building and better administration of said fund. (1955, c. 1372, art. 11, s. 8; 1981, c. 423, s. 1.)

§ 115C-466. Loans not granted in accordance with § 115C-458.

The State Board of Education, under such rules and regulations as it may adopt, may make loans from the State Literary Fund to any local board of

education, when the State Board of Education finds as a fact that it is not practicable for a loan to be granted in accordance with the provisions of G.S. 115C-458, for the purpose of aiding in the erection and equipment of public school plants. Such a loan shall not constitute a credit obligation of the county. No warrant for the expenditure of money for a loan authorized under the provisions of this section shall be issued except upon the approval of the State Board of Education, and after a finding of fact by said Board that it is not practicable for a loan to be granted in accordance with the provisions of G.S. 115C-458, and that a dire emergency exists in the local school administrative unit applying for such loan. Loans made under the provisions of this section shall be made in accordance with the terms specified in G.S. 115C-459 and shall be evidenced by the note of the local board of education, executed by the chairman and the secretary of said board. The first installment of such loan, together with the interest then due, shall be paid by the local board of education on or before the tenth day of June in the fiscal year following the fiscal year in which the loan was made, and succeeding installments, together with accrued interest, shall be paid one each on or before the tenth day of June of each successive fiscal year until all amounts due on said loan shall have been paid. The provisions of G.S. 115C-460 shall not apply to loans made pursuant to the provisions of this section. (1959, c. 227; c. 764, s. 2; 1981, c. 423, s. 1.)

§ 115C-467. Pledge of nontax revenues to repayment of loans from State Literary Fund.

Any local board of education obtaining a loan from the State Literary Fund under the provisions of G.S. 115C-466 may, with the approval of the board of county commissioners, pledge to the repayment of such loan any available nontax revenues, including but not limited to, fines, penalties, and forfeitures. (1959, c. 764, s. 1; 1981, c. 423, s. 1.)

ARTICLE 32A.

Scholarship Loan Fund for Prospective Teachers.

§ 115C-468. Establishment of fund.

(a) There is established a revolving fund known as the "Scholarship Loan Fund for Prospective Teachers".

(b) Criteria for awarding scholarship loans from the fund shall include measures of academic performance including grade point averages, scores on standardized tests, class rank, and recommendations of guidance counselors and principals. To the extent practical, an equal number of scholarships shall be awarded in each of the State's Congressional Districts.

(c) The Superintendent of Public Instruction may earmark up to twenty percent (20%) of the funds available for scholarship loans each year for awards to applicants who have been employed for at least one year as teacher assistants and who are currently employed as teacher assistants. Preference for these scholarship loans from funds earmarked for teacher assistants shall be given first to applicants who worked as teacher assistants for at least five years and whose positions as teacher assistants were abolished and then to applicants who already hold a baccalaureate degree or who have already been formally admitted to an approved teacher education program in North Carolina. The criteria for awarding scholarship loans to applicants who worked as teacher assistants for at least five years and whose positions as teacher assistants were abolished shall include whether the teacher assistant has been admitted to an approved teacher education program in North Carolina.

The Superintendent of Public Instruction may further earmark a portion of these funds each year for two-year awards to applicants who have been employed for at least one year as teacher assistants to attend community colleges to get other skills of use in public schools or to get an early childhood associate degree. The provisions of this Article shall apply to these scholarship loans except that a recipient of one of these scholarship loans may receive credit upon the amount due by reason of the loan as provided in G.S. 115C-471(5) or by working in a nonteaching position in the North Carolina public schools or by working in a licensed child care center in North Carolina. (1957, c. 1237; 1983 (Reg. Sess., 1984), c. 1034, s. 10.1; 1987, c. 738, s. 198(b); 1993, c. 260, s. 1; 1996, 2nd Ex. Sess., c. 18, s. 18.10; 1997-506, s. 40.)

Editor's Note. — Sections 115C-468 through 115C-471 were formerly §§ 116-171 through 116-174. They were transferred to Article 32A of Chapter 115C by Session Laws 1983 (Reg. Sess., 1984), c. 1034, s. 10.1.

§ 115C-469. Appropriations paid into fund; how administered.

Such funds as may be appropriated by the General Assembly to said fund or to the State Board of Education for the purpose of a student loan fund for teacher education shall be paid into the Scholarship Loan Fund for Prospective Teachers and administered by the State Board of Education and the State Superintendent of Public Instruction as follows:

During the first year of the 1957-1959 biennium, to provide for prospective teachers not to exceed 300 regular scholarship loans in the amount of not more than three hundred fifty dollars (\$350.00) each, and for the second year of the biennium to provide for such persons not to exceed 600 regular scholarship loans in the amount of not more than three hundred fifty dollars (\$350.00) each, and for each summer of said biennium to provide for prospective teachers and for teachers taking undergraduate courses not to exceed 200 summer school scholarship loans in the amount of not more than seventy-five dollars (\$75.00) each; provided, however, the State Board of Education in its discretion may, within the funds available, vary the number and proportion of regular and summer scholarship loans to be established in any one year.

During years after the first biennium in which this fund shall be established, loans of the type and amounts provided for during the first biennium shall be made in such numbers and amounts and proportions as the State Board of Education in its discretion may prescribe within the funds available from appropriations or otherwise. (1957, c. 1237; 1983 (Reg. Sess., 1984), c. 1034, s. 10.1.)

§ 115C-470. Duration of fund; loans repaid and interest received added to fund and administered for same purposes.

The Scholarship Loan Fund for Prospective Teachers shall continue in effect until terminated by action of the General Assembly of North Carolina and such amounts of loans as shall be repaid from time to time under the provisions of this Article, together with such amounts of interest as may be received on account of loans made shall become a part of the principal amount of said loan fund and shall be administered for the same purposes and under the same provisions as are set forth herein to the end that such funds may be utilized in addition to such further amounts as may be appropriated from time to time by the General Assembly to said loan fund. § 115C-471. Fund administered by State Superintendent of Public Instruction; rules and regulations.

The Scholarship Loan Fund for Prospective Teachers shall be administered by the State Superintendent of Public Instruction, under rules adopted by the State Board of Education and subject to the following directions and limitations:

- (1) Any resident of North Carolina who is interested in preparing to teach in the public schools of the State may apply in writing to the State Superintendent of Public Instruction for a regular scholarship loan in the amount of not more than two thousand five hundred dollars (\$2,500) per academic school year. An applicant who has been employed for at least one year as a teacher assistant and who is currently employed as a teacher assistant may apply for a scholarship loan from funds earmarked for teacher assistants in the amount of not more than one thousand two hundred dollars (\$1,200) per academic school year.
- (2) All scholarship loans shall be evidenced by notes made payable to the State Board of Education that bear interest at the rate of ten percent (10%) per annum from and after September 1 following fulfillment by a prospective teacher of the requirements for a certificate based upon the entry level degree; or in the case of persons already teaching in the public schools who obtain scholarship loans, the notes shall bear interest at the prescribed rate from and after September 1 of the school year beginning immediately after the use of the scholarship loans; or in the event any such scholarship is terminated under the provisions of subdivision (3) of this section, the notes shall bear interest from the date of termination. A minor recipient who signs a note shall also obtain the endorsement thereon by a parent, if there be a living parent, unless the endorsement is waived by the Superintendent of Public Instruction. The minor recipient shall be obligated upon the note as fully as if the recipient were of age and shall not be permitted to plead such minority as a defense in order to avoid the obligations undertaken upon the notes.
- (3) Each recipient of a scholarship loan under the provisions of this program shall be eligible for scholarship loans each year until the recipient has qualified for a certificate based upon the entry level degree, but the recipient shall not be so eligible for more than the minimum number of years normally required for qualifying for the certificate. The permanent withdrawal of any recipient from college or failure of the recipient to do college work in a manner acceptable to the State Superintendent of Public Instruction shall immediately forfeit the recipient's right to retain the scholarship and subject the scholarship to termination by the State Superintendent of Public Instruction in the Superintendent's discretion. All terminated scholarships shall be regarded as vacant and subject to being awarded to other eligible persons.
- (4) Except under emergency conditions applicable to the State Superintendent of Public Instruction, recipients of scholarship loans shall enter the public school system of North Carolina at the beginning of the next school term after qualifying for a certificate based upon the entry level degree or, in case of persons already teaching in the public schools, at the beginning of the next school term after the use of the loan. All teaching service for which the recipient of any scholarship loan is obligated shall be rendered by August 31 of the seventh school year following graduation.

- (5) For each full school year taught in a North Carolina public school, the recipient of a scholarship loan shall receive credit upon the amount due by reason of the loan equal to the loan amount for a school year as provided in the note plus credit for the total interest accrued on that amount. Also, the recipient of the loan shall receive credit upon the total amount due by reason of all four years of the loan if the recipient teaches for three consecutive years, or for three years interrupted only by an approved leave of absence, at a North Carolina public school that is in a low-performing school system or a school system on warning status at the time the recipient accepts employment with the local school administrative unit. In lieu of teaching in the public school, a recipient may elect to pay in cash the full amount of scholarship loans received plus interest then due thereon or any part thereof that has not been canceled by the State Board of Education by reason of teaching service rendered.
- (6) If any recipient of a scholarship loan dies during the period of attendance at a college or university under a scholarship loan or before the scholarship loan is satisfied by payment or teaching service, any balance shall be automatically canceled.
- If any recipient of a scholarship loan fails to fulfill the recipient's obligations under subdivision (4) of this section, other than as provided above, the amount of the loan and accrued interest, if any, shall be due and payable from the time of failure to fulfill the recipient's obligations.
- (7) The State Superintendent of Public Instruction shall award scholarship loans with due consideration to factors and circumstances such as aptitude, purposefulness, scholarship, character, financial need, and geographic areas or subjects of instruction in which the demands for teachers are greatest. Since the primary purpose of this Article is to attract worthy young people to the teaching profession, preference for scholarship loans, except for the scholarship loans from funds earmarked for teacher assistants, shall be given to high school seniors in the awarding of scholarships. In awarding scholarship loans from funds earmarked for teacher assistants, preference shall be given to applicants who have already earned a baccalaureate degree or who have been formally admitted to an approved teacher education program in North Carolina. Computer Loan Revolving Fund.

§ 115C-472.5. Creation of the Fund; administration.

(a) The Department of Public Instruction shall administer the Computer Loan Revolving Fund. The Fund shall be used to provide loans to local school administrative units to enable them to purchase computer equipment to implement the Uniform Education Reporting System in accordance with the standards adopted by the State Board of Education pursuant to G.S. 115C-12(18).

(b) A loan shall be for the actual amount of the equipment up to a maximum to be determined by the Superintendent.

(c) Loans shall be evidenced by notes made payable to the Department of Public Instruction. The rate, term, and other conditions of the note shall be determined in accordance with uniform policies established by the Superintendent.

(d) The Department of Public Instruction shall report to the Information Resource Management Commission on an annual basis on all loans made from the fund. (1991 (Reg. Sess., 1992), c. 1044, s. 23(a); 1997-18, s. 15(m).)

ARTICLE 33.

Assumption of School District Indebtedness by Counties.

§ 115C-473. Method of assumption; validation of proceedings.

The county board of education, with the approval of the board of commissioners, and when the assumption of such indebtedness is approved at an election as hereinafter provided, if such election is required by the Constitution, may include in the debt service fund in the school budget all outstanding indebtedness for school purposes of every city, town, school district, school taxing district, township, city administrative unit or other political subdivision in the county, hereinafter collectively called "local districts," lawfully incurred in erecting and equipping school buildings necessary for the school term. The election on the question of assuming such indebtedness shall be called and held in accordance with the provisions of Chapter 159 of the General Statutes, known as "The Local Government Finance Act," insofar as the same may be made applicable, and the returns of such election shall be canvassed and a statement of the result thereof prepared, filed and published as provided in the Local Government Finance Act. No right of action or defense founded upon the invalidity of the election shall be asserted, nor shall the validity of the election be open to question in any court upon any ground whatever, except in an action or proceeding commenced within 30 days after the publication of such statement of result. When such indebtedness is taken over for payment by the county as a whole and the local districts are relieved of their annual payments, the county funds provided for such purpose shall be deducted from the debt service fund prior to the division of such fund among the schools of the county as provided in Article 31 of this Chapter.

The assumption, as herein provided, by any county, at any time prior to the 28th day of February, 1951, of the indebtedness of local districts for school purposes and all proceedings had in connection therewith are hereby in all respects ratified, approved, confirmed, and validated: Provided, that nothing herein shall prevent counties and local taxing districts from levying taxes to provide for the payment of their debt service requirements if they have not been otherwise provided for. (1955, c. 1372, art. 12, s. 1; 1981, c. 423, s. 1.)

CASE NOTES

Former Section Considered in Pari Materia with Special School Bond Act. — Where former § 115-109, similar to this section, and a special school bond act (Session Laws 1957, c. 1078) dealt with the same general subject, namely, assumption by counties of

school district indebtedness, these statutory provisions would be regarded as in pari materia. It was presumed that the earlier general act was known to the legislature when it enacted the later special act, and that the later statute was enacted in the light of and in

reference to the former general statute on the same subject. *Strickland v. Franklin County*, 248 N.C. 668, 104 S.E.2d 852 (1958).

§ 115C-474. Taxes levied and collected for bonds assumed to be paid into school debt service fund of county; discharge of sinking fund custodian.

In any county where the bonds of a local district have been assumed under the provisions of this Article, all taxes levied and collected for the purpose of paying the principal of and interest on said bonds, or for creating a sinking fund for the retirement of said bonds, shall be deposited in the school debt service fund of the county. The custodian of all moneys and other assets of a sinking fund created for the retirement of said bonds is hereby authorized to turn over such moneys and assets to the county treasurer, the county sinking fund commissioner or other county officer charged with the custodianship of sinking funds, and such custodian shall thereby be discharged from further responsibility for administration of and accounting for such sinking fund. (1955, c. 1372, art. 12, s. 2; 1981, c. 423, s. 1.)

§ 115C-475. Allocation to district bonds of taxes collected.

The collections of taxes levied for debt service on all taxable property of a county in which local district bonds have been assumed shall be proportionately allocated to each issue of such bonds. (1955, c. 1372, art. 12, s. 3; 1981, c. 423, s. 1.)

§§ 115C-476 through 115C-480: Reserved for future codification purposes.

ARTICLE 34.

Refunding and Funding Bonds of School Districts.

§ 115C-481. School district defined.

The term "school district" as used in this Article shall be deemed to include any special school taxing district, local tax district, special charter district, city administrative unit or other political subdivision of a county by which or on behalf of which bonds have been issued for erecting and equipping school buildings, or for refunding the same, and such bonds are outstanding. (1955, c. 1372, art. 13, s. 1; 1981, c. 423, s. 1.)

§ 115C-482. Continuance of district until bonds are paid.

Notwithstanding the provisions of any law which affect the continued existence of a school district or the levy of taxes therein for the payment of its bonds, such school district shall continue in existence with its boundaries unchanged from those established at the time of issuance of its bonds, unless such boundaries shall have been extended and thereby embrace additional territory subject to the levy of such taxes, until all of its outstanding bonds, together with the interest thereon, shall be paid. (1955, c. 1372, art. 13, s. 2; 1981, c. 423, s. 1.)

§ 115C-483. Funding and refunding of bonds authorized; issuance and sale or exchange; tax levy for repayment.

The board of commissioners of the county in which any such school district is located is hereby authorized to issue bonds at one time or from time to time for the purpose of refunding or funding the principal or interest of any bonds of such school district then outstanding. Such refunding or funding bonds shall be issued in the name of the school district and they may be sold or delivered in exchange for or upon the extinguishment of the obligations or indebtedness refunded or funded. Except as otherwise provided in this Article, such refunding and funding bonds shall be issued in accordance with the provisions of Chapter 159 of the General Statutes, the Local Government Finance Act. The tax-levying body or bodies authorized by law to levy taxes for the payment of the bonds, the principal or interest of which shall be refunded or funded, shall levy annually a special tax on all taxable property in such school district sufficient to pay the principal and interest of said refunding or funding bonds as the same become due. (1955, c. 1372, art. 13, s. 3; 1981, c. 423, s. 1.)

§ 115C-484. Issuance of bonds by cities and towns; debt statement; tax levy for repayment.

In case the governing body of any city or town is the body authorized by law to levy taxes for the payment of the bonds of such district, whether the territory embraced in such district lies wholly or partly within the corporate limits of such city or town, such governing body of such city or town is hereby authorized to issue bonds at the time or from time to time for the purpose of refunding or funding the principal or interest of any bonds then outstanding which were issued by or on behalf of such school district. Except as otherwise provided in this Article, such refunding and funding bonds shall be issued in accordance with the provisions of the Local Government Bond Act, relating to the issuance of refunding and funding bonds under that act, and the provisions of the Local Government Finance Act, except in the following respects:

- (1) The bonds shall be issued in the name and on behalf of the school district by the governing body of such city or town.
- (2) It shall not be necessary to include in the ordinance authorizing the bonds, or in the notice required to be published after the passage of the ordinance, any statement concerning the filing of a debt statement, and, as applied to said bonds, G.S. 159-54 and G.S. 159-55 (the Local Government Bond Act,) shall be read and understood as if they contained no requirements in respect to such matters.
- (3) The governing body of such city or town shall annually levy and collect a tax ad valorem upon all the taxable property in such school district sufficient to pay the principal and interest of such refunding or funding bonds as the same become due. (1955, c. 1372, art. 13, s. 4; 1981, c. 423, s. 1.)

ARTICLE 34A.

*Critical School Facility Needs Fund.***§ 115C-489.1. (For contingent repeal see note) Creation of Fund; administration.**

(a) There is created the Critical School Facility Needs Fund.

(b) On or before January 15, 1988, the Secretary of Revenue shall estimate the amount of additional tax revenue that will be collected during the twelve months ending June 30, 1988, as a result of Section 9 of the School Facilities Finance Act of 1987. The Secretary shall, prior to February 1, 1988, deposit with the State Treasurer in the Critical School Facility Needs Fund, an amount equal to that estimate. These funds shall be drawn from individual income tax net collections received by the Department of Revenue under Division II of Article 4 of Chapter 105 of the General Statutes.

The Secretary of Revenue shall, on or before February 1, 1988, deposit with the State Treasurer in the Critical School Facility Needs Fund the sum of forty million dollars (\$40,000,000). These funds shall be drawn from sales and use tax net collections received by the Department of Revenue under Article 5 of Chapter 105 of the General Statutes.

Effective July 1, 1988, the Secretary of Revenue shall, on a quarterly basis, deposit with the State Treasurer in the Critical School Facility Needs Fund the sum of two million five hundred thousand dollars (\$2,500,000). These funds shall be drawn from the corporate income tax collections received by the Department of Revenue under Division I of Article 4 of Chapter 105 of the General Statutes.

All funds deposited in the Critical School Facility Needs Fund shall be invested as provided in G.S. 147-69.2 and G.S. 147-69.3.

(c) The Fund shall be administered by the State Board of Education. Monies in the Fund shall be used only for the purposes specified in this Article. (1987, c. 622, s. 13; 1989 (Reg. Sess., 1990), c. 1066, s. 28(c).)

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 631, s. 14, provides: "Effective 30 days after the last local school administrative unit on the priority list established in 1988 by The Commission on School Facility Needs is funded under G.S. 115C-489.2, Article 34 of Chapter 115C of the General Statutes is repealed. Any unexpended funds in the Critical School Facility Needs Fund, as provided for in G.S. 115C-489.1, which is repealed by this

section, are transferred to the Public School Building Capital Fund created in G.S. 115C-546.1." As of October 14, 1997, this contingency had not been met. The contingency is not expected to occur until after 2000.

Session Laws 1995 (Reg. Sess., 1996), c. 631, s. 17, provides in part: "This act does not obligate the General Assembly to appropriate funds."

§ 115C-489.2. (For contingent repeal see note) Grants from the Fund.

(a) The board of education and the boards of county commissioners of the county in which the local school administrative unit is located in whole or in part shall apply jointly for a grant from the Fund to meet a particular critical need in the local school administrative unit. Grants may be made only for projects that meet the statewide school facility minimum standards adopted by the State Board of Education pursuant to G.S. 115C-489.3.

The application shall contain information on how the critical need for which funds are requested would be met and how much State money is required for the project. The application shall also include an analysis of the school facility needs of the county and a long-range plan for meeting those needs.

At the request of a board of county commissioners or a local board of education, the State Board of Education shall provide technical assistance in facility planning to a local school administrative unit and a county preparing an application for a grant from the Fund.

(b) The State Board of Education shall make grants from the Fund based on the grant priority list established in 1988 by The Commission on School Facility Needs until the next 11 local school administrative units on that priority list are funded. (1987, c. 622, s. 13; c. 813, s. 18; 1995 (Reg. Sess., 1996), c. 631, s. 12.)

Local Modification. — Edgecombe and Nash Counties and local school administrative units located in those counties: 1987, c. 813, s. 18.2.

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 631, s. 14, provides: "Effective 30 days after the last local school administrative unit on the priority list established in 1988 by The Commission on School Facility Needs is funded under G.S. 115C-489.2, Article 34 of Chapter 115C of the General Statutes is repealed. Any unexpended funds in the Critical School Facility Needs Fund, as provided for in

G.S. 115C-489.1, which is repealed by this section, are transferred to the Public School Building Capital Fund created in G.S. 115C-546.1." As of October 14, 1997, this contingency had not been met. The contingency is not expected to occur until after 2000.

Session Laws 1995 (Reg. Sess., 1996), c. 631, s. 17, provides in part: "This act does not obligate the General Assembly to appropriate funds."

Section 115C-489.3, referred to in subsection (a), has been repealed.

§§ 115C-489.3, 115C-489.4: Repealed by Session Laws 1995 (Regular Session, 1996), c. 631, s. 13.

Cross References. — For provisions regarding erection of school buildings, see § 115C-521.

Editor's Note. — Former G.S. 115C-489.3(c) provided that the statewide school facility minimum standards adopted by the State Board of Education pursuant to that section should apply to the construction, reconstruction, enlargement, and improvement of all school buildings after the standards were adopted, regardless of the source of the funds for the project. For provisions regarding erection of school buildings, see § 115C-521.

Session Laws 1995 (Reg. Sess., 1996), c. 631, s. 17, provides in part: "This act does not obligate the General Assembly to appropriate funds."

Session Laws 1996, Second Extra Session, c. 18, s. 18.17(b), effective August 3, 1996, repealed G.S. 115C-489.3(c), regarding application of the statewide school facility minimum standards. Because this section was repealed by Session Laws 1995 (Regular Session, 1996),

c. 631, s. 13, this separate repeal of subsection (c) is not set out.

Session Laws 1996, Second Extra Session, c. 18, s. 18.18, provides for the creation of the School Facilities Task Force under the State Board of Education, for the membership and duties of the Task Force, and for recommendations to the State Board and adoption by the State Board of guidelines, procedures, and a plan to establish a central clearinghouse for prototype designs. The State Board shall submit a report by April 15, 1997, to the General Assembly regarding these items, and the Task Force shall terminate upon submission of this report.

Session Laws 1996, Second Extra Session, c. 18, s. 29.2, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1996-97 fiscal year, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1996-97 fiscal year."

ARTICLE 35.

*Voluntary Endowment Fund for Public Schools.***§ 115C-490. Creation of endowment funds; administration.**

Any local board of education is hereby authorized and empowered upon the passage of a resolution to create and establish a permanent endowment fund which shall be financed by gifts, donations, bequests or other forms of voluntary contributions. Any endowment fund established under the provisions of this Article shall be administered by the members of such board of education who, ex officio, shall constitute and be known as "The Board of Trustees of the Endowment Fund of the Public Schools of _____ County or _____ City or Town" (in which shall be inserted the name of the county, city or town). The board of trustees so established shall determine its own organization and methods of procedure. (1961, c. 970; 1981, c. 423, s. 1.)

§ 115C-491. Boards of trustees public corporations; powers and authority generally; investments.

Any board of trustees created and organized under this Article shall be a body politic, public corporation and instrumentality of government and as such may sue and be sued in matters relating to the endowment fund and shall have the power and authority to acquire, hold, purchase and invest in all forms of property, both real and personal, including, but not by way of limitation, all types of stocks, bonds, securities, mortgages and all types, kinds and subjects of investments of any nature and description. The board of trustees of said endowment fund may receive pledges, gifts, donations, devises and bequests, and may in its discretion retain such in the form in which they are made, and may use the same as a permanent endowment fund. The board of trustees of any endowment fund created hereunder shall have the power to sell any property, real, personal or choses in action, of the endowment fund, at either public or private sale. The board of trustees shall be responsible for the prudent investment of any funds or moneys belonging to the endowment fund in the exercise of its sound discretion without regard to any statute or rule of law relating to the investment of funds by fiduciaries. (1961, c. 970; 1981, c. 423, s. 1.)

§ 115C-492. Expenditure of funds; pledges.

It is not the intent that such endowment fund created hereunder shall take the place of State appropriations or any regular appropriations, tax funds or other funds made available by counties, cities, towns or local school administrative units for the normal operation of the public schools. Any endowment fund created hereunder, or the income from same, shall be used for the benefit of the public schools of the county, city or town involved and to supplement regular and normal appropriations to the end that the public schools may improve and increase their functions, may enlarge their areas of service and may become more useful to a greater number of people. The board of trustees in its discretion shall determine the objects and purposes for which the endowment fund shall be spent. Nothing herein shall be construed to prevent the board of trustees of any such endowment fund established hereunder from receiving pledges, gifts, donations, devises and bequests and from using the

same for such lawful school purposes as the donor or donors designate: Provided, always, that the administration of any such pledges, gifts, donations, devises and bequests, or the expenditure of funds from same, will not impose any financial burden or obligation on the State of North Carolina or any subdivisions of government of the State. The board of trustees may, with the consent of the donor of any pledges, transfer and assign such pledges as security for loans. This consent by the donor may be made at the time of the pledge or at any time before said pledges are paid off in full. It is the purpose of this provision to enable the board of trustees to have the immediate use of funds which the donor may desire to pledge as payable over a period of years. (1961, c. 970; 1981, c. 423, s. 1.)

§ 115C-493. When only income from fund expended.

Where the donor of said pledges, gifts, donations, devises and bequests so provides, the board of trustees shall keep the principal of such gift or gifts intact and only the income therefrom may be expended. (1961, c. 970; 1981, c. 423, s. 1.)

§ 115C-494. Property and income of board of trustees exempt from State taxation.

All property received, purchased, contributed or donated to the board of trustees for the benefit of any endowment fund created hereunder and all donations, gifts and bequests received or otherwise administered for the benefit of said endowment fund, as well as the principal and income from said endowment fund, shall at all times be free from taxation, of any nature whatsoever, within the State. (1961, c. 970; 1981, c. 423, s. 1.)

§§ 115C-495 through 115C-499: Reserved for future codification purposes.

SUBCHAPTER VIII. LOCAL TAX ELECTIONS.

ARTICLE 36.

Voted Tax Supplements for School Purposes.

§ 115C-500. Superintendents must furnish boundaries of special taxing districts.

It shall be the duty of superintendents to furnish tax listers at tax listing time the boundaries of each taxing district as provided in G.S. 115C-276(m). (1981, c. 423, s. 1.)

Local Modification. — (As to Article 36)
Transylvania: 1983, c. 363.

§ 115C-501. Purposes for which elections may be called.

(a) To Vote a Supplemental Tax. — Elections may be called by the local tax-levying authority to ascertain the will of the voters as to whether there shall be levied and collected a special tax in the several local school administrative units, districts, and other school areas, including districts formed from

contiguous counties, to supplement the funds from State and county allotments and thereby operate schools of a higher standard by supplementing any item of expenditure in the school budget. When supplementary funds are authorized by the carrying of such an election, such funds may be used to employ additional teachers other than those allotted by the State, to teach any grades or subjects or for kindergarten instruction, to establish and maintain approved summer schools, to make the contribution to the Teachers' and State Employees' Retirement System of North Carolina for such teachers, or for any object of expenditure: Provided, that elections may be called to ascertain the will of the voters of an entire county, as to whether there shall be levied and collected a special tax on all the taxable property within the county for the purposes enumerated in this subsection. In such event, the supplemental tax shall be apportioned among the local school administrative units in the county pursuant to G.S. 115C-430.

(b) To Increase a Supplemental Tax Rate. — Elections may be called in any school area which has previously voted a supplemental tax of less than the maximum for the purpose of increasing the rate of tax previously voted but not to exceed the maximum.

(c) To Enlarge City Administrative Units. — Elections may be called in any districts, or other school areas, of a county administrative unit to ascertain the will of the voters in such districts or other school areas, as to whether an adjoining city administrative unit shall be enlarged by consolidating such districts, or other school areas, with such city administrative unit, and whether after such enlargement of the city administrative unit there shall be levied in such other districts, or other school area or areas, so consolidated with the city administrative unit the same school taxes as shall be levied in the other portion of the city administrative unit.

(d) To Supplement and Equalize Educational Advantages. — Elections may be called in any area of a county administrative unit which is enclosed in one common boundary line to ascertain the will of the voters as to whether there shall be levied and collected a special tax to supplement and equalize the standards on which the schools in such areas are operated, and at the same time repeal any special taxes heretofore voted by any parts of such area.

(e) To Abolish a Special School Tax. — Elections may be called in any local school administrative unit, district or other school area which has previously voted a supplemental tax, to ascertain the will of the people as to whether such tax shall be abolished.

(f) To Vote School Bonds. — Boards of county commissioners are authorized as provided by law to call elections to ascertain the will of the voters as to whether bonds for school purposes may be issued.

(g) To Provide a Supplemental Tax on a Countywide Basis after Petition for Consolidation of City or County Administrative Units. — Elections may be called for an entire county on the question of a special tax to supplement the funds from State and county allotments and thereby operate schools of a higher standard by supplementing any item of expenditure in the school budget, where the boards of education of all the city administrative units in said county have petitioned the county board of education for a consolidation with the county administrative unit pursuant to the provisions of the first paragraph of G.S. 115C-70(a) and prior to the approval of said petitions by the county and State boards of education. In which event, and provided the petitions so specify, if said election for a countywide supplemental tax fails to carry, said petitions may be withdrawn and any existing supplemental tax theretofore voted in any of the city administrative units involved or in the county administrative unit shall not be affected. If the vote for the countywide supplemental tax carries, said tax shall not be levied unless and until the consolidation of the units involved shall be completed according to the requirements of the first paragraph of G.S. 115C-70(a).

(h) To Annex or Consolidate Areas or Districts from Contiguous Counties and to Provide a Supplemental School Tax in Such Annexed Areas or Consolidated Districts. — An election may be called in any districts or other school areas, from contiguous counties, as to whether the districts in one county shall be enlarged by annexing or consolidating therewith any adjoining districts, or other school area or areas from an adjoining county, and if a special or supplemental school tax is levied and collected in the districts of the county to which the territory is to be annexed or consolidated, whether upon such annexation or consolidation there shall be levied and collected in the territory to be annexed or consolidated the same special or supplemental tax for schools as is levied and collected in the districts in the other county. If such election carries, the said special or supplemental tax shall be collected pursuant to G.S. 115C-511 and remitted to the local school administrative unit on whose behalf such special and supplemental tax is already levied: Provided, that notwithstanding the provisions of G.S. 115C-508, if the notice of election clearly so states, and the election shall be held prior to August 1, the annexation or consolidation shall be effective and the tax so authorized shall be levied and collected beginning with the fiscal year commencing July 1 next preceding such elections.

(i) To Vote School Bonds and Taxes in Certain Merged School Administrative Units. — Elections for the purpose of authorizing the levy of certain taxes and the issuance of bonds shall be called by a merged school administrative unit described in G.S. 115C-513 with the consent of the boards of county commissioners of both counties in which the merged unit is located. The election shall be conducted and the results canvassed by the boards of elections of both counties. The boards of elections shall certify the results of the election to the board of education of the merged school administrative unit. The board of education shall certify and declare the result of the election, which shall be determined on an aggregate basis from the results certified by the boards of elections. The board of education shall publish a statement of the result once as provided in the Local Government Bond Act, Article 4 of Chapter 159 of the General Statutes. (1955, c. 1372, art. 14, s. 1; 1957, c. 1066; c. 1271, s. 1; 1959, c. 573, s. 9; 1961, c. 894, s. 2; c. 1019, s. 1; 1975, c. 437, ss. 2-4; 1981, c. 423, s. 1; 1991, c. 325, s. 2.)

"(d) Inconsistent provisions. Insofar as the provisions of this act are inconsistent with the provisions of any general laws, this act shall be controlling.

"(e) Severability. CASE NOTES

Editor's Note. — Most of the cases below were decided under corresponding provisions of former Chapter 115 and earlier statutes.

Intent of Former Article. — The clear intent of Article 14 of former Chapter 115, similar to this Article, was to provide a method

by which the county commissioners could be compelled to call an election to obtain a tax levy or for other purposes. *Harris v. Board of Comm'rs*, 1 N.C. App. 258, 161 S.E.2d 213, aff'd, 274 N.C. 343, 163 S.E.2d 387 (1968).

Additional Tax to Supplement Teachers' Salaries. — In levying an additional tax for the purpose of supplementing teachers' salaries pursuant to former § 115-80(a), the board of county commissioners acted as an agency of the State under a delegation of authority from the General Assembly to carry out the duty imposed upon it by the state Constitution, to maintain a system of public schools. *Harris v. Board of Comm'rs*, 1 N.C. App. 258, 161 S.E.2d 213, aff'd, 274 N.C. 343, 163 S.E.2d 387 (1968).

§ 115C-502. Maximum rate and frequency of elections.

(a) A tax for supplementing the public school budget shall not exceed fifty cents (50¢) on the one-hundred-dollar (\$100.00) value of property subject to taxation by the local school administrative unit: Provided, that in any local school administrative unit, district, or other school area having a total population of not less than 100,000 said local annual tax that may be levied shall not exceed sixty cents (60¢) on one-hundred-dollars (\$100.00) valuation of said property.

(b) If a majority of those who vote in any election called pursuant to the provisions of this Article do not vote in favor of the purpose for which such election is called, another election for the same purpose shall not be called for and held in the same local school administrative unit, district, or area until the lapse of six months after the prior election. However, the foregoing time limitation shall not apply to any election held in a local school administrative unit, district, or other school area which is larger or smaller than the local school administrative unit, district, or area in which the prior election was held, or to any election held for a different purpose than the prior election. (1955, c. 1231; c. 1372, art. 14, s. 2; 1957, c. 1271, s. 2; 1959, c. 573, s. 10; 1975, c. 437, s. 5; 1981, c. 423, s. 1.)

§ 115C-503. Who may petition for election.

Local boards of education may petition the board of county commissioners for an election in their respective local school administrative units or for any school areas therein.

A majority of the qualified voters who have resided for the preceding 12 months in an area which is adjacent to a city administrative unit may petition the county board of education for an election on the question of annexing such area to the city administrative unit. For any of the other purposes enumerated in G.S. 115C-501, twenty-five percent (25%) of the qualified voters who reside in a local school administrative unit may petition the local board of education for an election. (1955, c. 1372, art. 14, s. 3; 1961, c. 1019, s. 2; 1981, c. 423, s. 1; 1985 (Reg. Sess., 1986), c. 975, s. 7.)

§ 115C-504. Necessary information in petitions.

The petition for an election shall contain such of the following information as may be pertinent to the proposed election:

- (1) Purpose for calling the proposed election.
- (2) A legally sufficient description of the area, by metes and bounds or otherwise, in which the election is requested.
- (3) The maximum rate of tax which is proposed to be levied. This subdivision shall not apply to a petition for an election to enlarge a city administrative unit.
- (4) If the petition is for an election to enlarge a city administrative unit, it shall state therein that, if a majority of those who shall vote in the area proposed to be consolidated with the city administrative unit shall vote in favor of such enlargement, such area shall be consolidated with the city administrative unit, effective July 1 next following such election, and that there shall thereafter be levied in such area so consolidated with the city administrative unit the same school taxes as shall be levied in the other portions of the city administrative unit, including any tax to provide for the payment of school bonds theretofore issued by or for such city administrative unit or for all or some part of the school area annexed to such city administrative unit, unless payment of such bonds has otherwise been provided for.
- (5) If the petition for an election is to supplement and equalize educational advantages, and if any school districts in the area in which it is proposed to vote such a tax have heretofore voted a supplementary tax, the petition and the notice of election shall state that in the event such election is carried, it will repeal all local taxes heretofore voted in any district except those in effect for debt service in any district, unless such debt service obligation is assumed by the county or otherwise provided for. (1955, c. 1372, art. 14, s. 4; 1957, c. 1271, ss. 3-5; 1981, c. 423, s. 1.)

§ 115C-505. Boards of education must consider petitions.

The board of education to whom the petition requesting an election is addressed shall receive the petition and give it due consideration. If, in the discretion of the board or education, the petition for an election shall be approved, it shall be endorsed by the chairman and the secretary of the board and a record of the endorsement shall be made in the minutes of the board. Petitions for an election to enlarge a city administrative unit shall be subject to the approval and endorsement of both county and city boards of education which are therein affected.

Local boards of education shall have no discretion in granting an election to abolish a special school tax in any local school administrative unit, or district, or other school area, which has previously voted a supplemental tax, whenever a majority of the qualified voters residing in said local school administrative unit, district or school area shall petition for an election. When such a petition, showing the proper number of names of qualified voters, is presented to a board of education, it is hereby made mandatory that such petition shall be granted and the election held. If at the election a majority of those in the district who have voted thereon have voted "against local tax," the tax shall be deemed revoked and shall not be levied: Provided, that in Alexander, Anson, Beaufort, Buncombe, Carteret, Catawba, Chatham, Chowan, Cleveland, Craven, Currituck, Davidson, Duplin, Franklin, Gates, Greene, Henderson, Hoke, Hyde, Iredell, Jackson, Johnston, Lenoir, Martin, Mecklenburg, Moore, Nash, Onslow, Pamlico, Pitt, Randolph, Richmond, Robeson, Rockingham,

Transylvania, Vance, Wake, Warren and Wilkes Counties, petition of twenty-five percent (25%) of the number of voters in the election creating said special tax district, said petition to be signed by qualified voters residing in such special tax district, shall be sufficient.

The provisions of this section as to abolishing local tax districts shall not be applied when such local tax district is in debt in any sum whatever, or has obligated or committed its resources in any contractual manner: Provided, that no election for revoking a local tax in any local tax district shall be ordered and held in the district within less than one year from the date of the election at which the tax was voted and the district established, nor at any time within less than one year after the date of the last election on the question of revoking the tax in the district; and no petition seeking to revoke a school tax shall be approved by a board of education more often than once a year. (1955, c. 1372, art. 14, s. 5; 1957, c. 1100; 1981, c. 423, s. 1; 1985 (Reg. Sess., 1986), c. 975, s. 24.)

CASE NOTES

Time for Holding Subsequent Election Revoking Local Tax. — The period in which no election may be had should be computed from the last valid election on the subject.

Weesner v. Davidson County, 182 N.C. 604, 109 S.E. 863 (1921), decided under former corresponding provisions.

§ 115C-506. Action of board of county commissioners or governing body of municipality.

Petitions requesting special school elections and bearing the approval of the board of education of the local school administrative unit shall be presented to the board of county commissioners, and it shall be the duty of said board of county commissioners to call an election and fix the date for the same: Provided, that the board of education requesting the election may, for any reason deemed sufficient by said board which shall be specified and recorded in the minutes of the board, withdraw the petition by the twenty-fifth day before the election, and if the petition be so withdrawn, the election shall not be held unless by some other provision of law the holding of such election is mandatory. In the case of a city administrative unit in any incorporated city or town and formed from portions of contiguous counties, said petition shall be presented to the governing body of the city or town situated within, coterminous with, or embracing such city administrative unit, and the election shall be ordered by said governing body, and said governing body shall perform all the duties pertaining to said election performed by the board of county commissioners in elections held under this Article. (1955, c. 1372, art. 14, s. 6; 1959, c. 72; 1981, c. 423, s. 1; 1993 (Reg. Sess., 1994), c. 762, s. 9.)

CASE NOTES

Duty of County Commissioners Ministerial. — The county commissioners have no discretion to order or not order an election. After the board of education has approved the petition, the duty of the commissioners is min-

isterial only and may be enforced by mandamus. Board of Educ. v. Board of County Comm'rs, 189 N.C. 650, 127 S.E. 692 (1925), decided under former corresponding provisions.

§ 115C-507. Rules governing elections.

All elections under this Chapter shall be held and conducted by the appropriate county or municipal board of elections.

If the purpose of the election is to enlarge a city administrative unit, the notice of election shall include the following: a statement of the purpose of the election; a legal description of the area within which the election is to be held; and a statement that if a majority of those who shall vote in the area proposed to be consolidated with the city administrative unit shall vote in favor of such enlargement such area shall be consolidated with the city administrative unit, effective July 1 next following such election, and there shall thereafter be levied in such area so consolidated with the city administrative unit the same school taxes as shall be levied in the other portions of the city administrative unit, including any tax levy to provide for the payment of school bonds theretofore issued by or for such city administrative unit or for all or some part of the school area annexed to such city administrative unit, unless payment of such bonds has otherwise been provided for.

The notice of the election shall be given as provided in G.S. 163-33(8) and in addition include a legal description of the area within which the election is to be held, and, if any additional tax is proposed to be levied, the maximum rate of tax to be levied which shall not exceed the maximum prescribed by this Article, and the purpose of the tax.

No new registration of voters is required, but the board of elections, in its discretion, may use either Method A or Method B set forth in G.S. 163-288.2 in activating the voters in the territory.

The ballot in such election shall contain the words "FOR local tax and AGAINST local tax" except when the election is held under subsection (c) of G.S. 115C-501, in which case the ballots shall contain the words "FOR enlargement of the _____ City Administrative Unit and school tax of the same rate," and "AGAINST enlargement of the _____ City Administrative Unit and school tax of the same rate."

The elections shall be held in accordance with the applicable provisions of Chapter 163 and the expense of the election shall be paid by the board of education of the administrative unit in which the election is held, provided that when territory is proposed to be added to a city administrative unit, that unit shall bear the expense.

No election held under this Article shall be open to question except in an action or proceeding commenced within 30 days after the board of elections has certified the results. (1955, c. 1372, art. 14, s. 7; 1957, c. 1271, ss. 6, 7; 1981, c. 423, s. 1.)

CASE NOTES

As to giving notice of election under former corresponding provisions, see *Younts v. Commissioners of Union County*, 151 N.C. 582, 66 S.E. 575 (1909); *Gregg v. Board of Comm'rs*,

162 N.C. 479, 78 S.E. 301 (1913); *Miller v. Duke School Dist.*, 184 N.C. 197, 113 S.E. 786 (1922), decided under former corresponding provisions.

§ 115C-508. Effective date; levy of taxes.

(a) If, in any election authorized by this Article, a majority of the voters voting in such election vote in favor of the enlargement of a city administrative unit, such enlargement shall become effective July 1 next following such election; and thereafter there shall be levied and collected in the area consolidated with the city administrative unit the same school taxes as shall be levied in the other portions of the city administrative unit.

(b) If, in any election authorized by this Article, a majority of the voters voting in such election vote in favor of a supplemental tax, or in favor of the increase of a supplemental tax, or in favor of a tax to supplement and equalize educational advantages, the tax so authorized shall be levied and collected

beginning with the fiscal year commencing July 1 next following such election. (1957, c. 1271, s. 8; 1981, c. 423, s. 1.)

§ 115C-509. Conveyance of school property upon enlargement of city administrative unit.

Before any election is called to enlarge a city administrative unit, if any school property is located in the area proposed to be consolidated with the city administrative unit, the board of education of such city administrative unit and the board of education of the county administrative unit concerned shall agree with each other as to the school property to be conveyed and transferred to the board of education of the city administrative unit if a majority of the voters voting in the election vote in favor of such enlargement. And, if such enlargement is authorized by such election, the board of education of the county administrative unit shall, within 10 days after July 1 next following such election, convey and transfer to the board of education of the city administrative unit the property so agreed to be conveyed and transferred. (1957, c. 1271, s. 8; 1981, c. 423, s. 1.)

§ 115C-510. Elections in districts created from portions of contiguous counties.

Districts already created and those that may be created from portions of two or more contiguous counties may hold elections under this Article to be incorporated or to vote a special local tax therein for the purposes enumerated in G.S. 115C-501.

Elections for either purpose must be initiated by petitions from the portion of each county included in the district, or the proposed district. In districts already created or proposed to be created, the petition must be signed by fifteen percent (15%) of the registered voters who reside in the area. When the petitions shall have been approved by each of the boards of education of such contiguous counties, they shall then be presented by each of said boards of education to their respective boards of county commissioners.

The boards of commissioners of each of the contiguous counties, in compliance with the provisions of this Article relating to the conduct of local tax elections, then shall call upon the county board of elections to hold an election in that portion of the proposed district lying in its county. Election returns shall be made from each portion of the proposed district to the board of commissioners ordering the election in that portion, and the returns shall be canvassed and recorded as required in this Article for local tax districts.

If a majority of the voters who vote thereon in each of the counties shall vote in favor of the tax, or for incorporation, the election shall be determined to have carried in the whole district, and shall be so recorded in the records of the board of county commissioners in each county in which the district is located.

If the proposition submitted to the voters in the election is a question of incorporating the district, the ballots for this election shall have printed thereon the words "For Incorporation" and "Against Incorporation." If the election for incorporation is carried, the district is thereby incorporated and shall possess all the authority of incorporated districts.

In case the election carried in each portion of the proposed district, the several county boards of education concerned shall each pass a formal order consolidating the territory into one joint local tax district, which shall be and become a body corporate by the name and style of "_____ Joint Local Tax School District of _____ Counties." The county board of education having the largest school census and the largest area in the part of the joint local tax district lying in its county shall determine the location of the

schoolhouse; but if the largest census and largest area do not both lie in the same county, then the county boards shall jointly select the site for the building; and in case of a disagreement they shall submit the question to a board of arbitration consisting of three members, one member to be named by each board of education if three counties are concerned, or if there are but two counties, then each board shall choose one member and the two so named shall select the third member. The decision of this board of arbitration shall be binding on all county boards of education concerned.

The building of all schoolhouses in such joint local tax districts shall be effected by the county board of education of the county in which the building is to be located under authority of law governing the erection of school buildings by county boards of education. It shall be lawful for the boards of education in the other county or counties to contribute to the cost of the building in proportion to the number of children shown by the official census to be resident within that part of the joint district lying within each county respectively. If the building is to be erected from moneys borrowed from the State Literary Fund or from county taxation, then each county board of education shall contribute to its construction in the proportion set out above and pay over its contribution to the treasurer of the county board having control of the erection of the building: Provided, it shall be lawful for the county board that controls the erection of the building to borrow from the State and lend to the district the full amount of the cost of the building in cases where the entire amount, or part of the amount, is to be repaid by the district from district funds.

All district funds of a joint local tax district shall be kept distinct from all other funds, placed to the credit of the district, and expended as other local tax or district bond funds are lawfully disbursed.

The county board of education and county superintendent of schools of the county in which the schoolhouse is located shall have as full and ample control over the joint school and the district as it has in the case of other local tax districts, subject only to the limitations of this section.

All districts formed from portions of contiguous counties before the ratification of this Article are hereby authorized and empowered to exercise all the powers and privileges conferred by this Article. (1955, c. 1372, art. 14, s. 8; 1981, c. 423, s. 1; 1985 (Reg. Sess., 1986), c. 975, ss. 8, 24.)

§ 115C-511. Levy and collection of taxes.

(a) If a local school administrative unit or district has voted a tax to operate schools of a higher standard than that provided by State and county support, the board of county commissioners of each county in which the local school administrative unit is located is authorized to levy a tax on all property having a situs in the local school administrative unit for the purpose of supplementing the local current expense fund, the capital outlay fund, or both.

(b) Before April 15 of each year, the tax supervisor of each county in which the local school administrative unit is located shall certify to the superintendent of schools an estimate of the total assessed value of property in the county subject to taxation on behalf of the local school administrative unit and any districts therein pursuant to this Article. The board of education, in the budget it submits to the board of county commissioners, shall request the rate of ad valorem tax it wishes to have levied on its behalf as a school supplemental tax, not in excess of the rate approved by the voters. The board of county commissioners may approve or disapprove this request in whole or in part, and may levy such rate of supplemental tax as it may find to be in the best interests of the taxpayers and the public schools, not in excess of the rate requested by the board of education. Upon approving a supplemental tax levy pursuant to this section, the board of county commissioners shall cause the school supple-

mental tax to be computed for all property subject thereto. The taxes thus computed shall be shown separately on the county tax receipts for the fiscal year, and the county shall collect the school supplemental tax in the same manner that county taxes are collected. Collections shall be remitted to the local school administrative unit within 10 days after the close of each calendar month. Partial payments shall be proportionately divided between the county and the local school administrative unit. The board of county commissioners may, in its discretion, deduct from the proceeds of the school supplemental tax the actual additional cost to the county of levying, computing, billing, and collecting the tax.

(c) It shall be unlawful for any part of a tax levied pursuant to this Article to be used for any purpose other than those purposes authorized by the election in the unit or district. (1955, c. 1372, art. 14, s. 9; 1965, c. 584, s. 12; 1975, c. 437, s. 6; 1981, c. 423, s. 1.)

§ 115C-512. Expansion of existing supplemental school tax area pursuant to merger of school administrative units in certain counties.

(a) This section applies to:

- (1) Counties that have three school administrative units located entirely within the county, only one of which units has a supplemental school tax in effect that is levied exclusively by the elected school board of the administrative unit.
- (2) Counties that have three school administrative units, two of which are entirely within the county and one of which is located in more than one county.

(b) If a school administrative unit in a county to which this section applies merges with another school administrative unit in the county, and one of the merging units has previously voted a supplemental school tax that is in effect prior to and at the time of the merger, then the geographic area subject to the supplemental school tax in effect prior to the merger shall be expanded to include the entire geographic area encompassed by the new school administrative unit resulting from the merger. The levy and collection of and the expenditure of revenues from the tax shall be expanded as herein provided without approval of the voters of the geographic area directly affected by the merger, and shall be used for purposes provided in G.S. 115C-501(a).

(b1) If legislation is enacted providing for the merger of two school administrative units located entirely within a county described in subdivision (a)(2), and one of the merging units has previously voted a supplemental school tax that is in effect, then from July 1, 1991, and for two years following the effective date of the merger, the board of commissioners of the county in which the units are located may create a special tax district pursuant to this Article consisting of one of the merging units and may levy a supplemental school tax in that district at a rate that is different from the rate levied in the remainder of the merged unit. The tax levied in the special district may be levied without approval of the voters of the district but may not exceed the amount of the supplemental school tax previously voted in one of the merged units. The supplemental school tax levied pursuant to this subsection may be used for any purpose for which a board of education may budget funds under Article 31 of Chapter 115C of the General Statutes.

(c) Notwithstanding levying authority in existence prior to the merger, the board of county commissioners shall, upon merger of the administrative units, have the exclusive authority to levy the supplemental tax expanded in accordance with this section, provided that the tax shall be levied at a rate not

to exceed the rate of the supplemental school tax in effect prior to the merger of the school administrative units. (1989, c. 768, s. 1; 1991, c. 325, s. 1.)

Editor's Note. — Session Laws 1991, c. 325, which amended subsection (a) and added subsection (b1), in s. 9 provides:

“Interpretation of Act.

“(a) Additional method. The foregoing sections of of this act shall be deemed to provide an additional and alternative method for the doing of things authorized thereby and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of any powers now existing.

“(b) Statutory references. References in this act to specific sections or Chapters of the General Statutes are intended to be references to such sections as they may be amended from

time to time by the General Assembly.

“(c) Liberal construction. This act, being necessary for the health and welfare of the people of the State, shall be liberally construed to effect these purposes.

“(d) Inconsistent provisions. Insofar as the provisions of this act are inconsistent with the provisions of any general laws, this act shall be controlling.

“(e) Severability. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.”

§ 115C-513. Special tax for certain merged school administrative units.

(a) Scope. — This section applies to a merged school administrative unit that consists of one entire county and part of a second county and is composed of two merging units, one of which is located within one county and one of which is located partly in the same county as the first unit and partly in a second county. A merged school administrative unit to which this section applies may levy taxes as provided in this section to be applied to the payment of notes, bonds, or refunding bonds issued to finance capital costs of school facilities as described in G.S. 159-48.

(b) Issuance of Bonds. — The board of education of a merged school administrative unit may issue notes, bonds, or refunding bonds at one time or from time to time to pay the capital costs of school facilities as described in G.S. 159-48. The bonds shall be issued and maintained in accordance with the provisions of Articles 1, 4, 5A, 7, 9, 10, and 11 of Chapter 159 of the General Statutes, except as modified by this section.

The board of education of a merged school administrative unit shall call for a referendum authorizing the issuance of notes, bonds, and refunding bonds and the levy of a tax to pay amounts relating to these notes, bonds, or refunding bonds. The referendum may be called only with the consent of the boards of commissioners of both counties in which the merged school administrative unit is located. The referendum shall be held in the merged school administrative unit and only those qualified voters who reside in the unit may vote. The board of commissioners of each county shall have the referendum conducted by the board of elections of its county.

After issuance of the approved bonds, the merged school administrative unit shall make timely payments of principal and interest on the bonds after receipt of notification of its debt service obligation pursuant to G.S. 159-35. The provisions of G.S. 159-36 govern a failure by the merged school administrative unit to levy taxes or otherwise provide for payment of the debt.

Bonds, notes, and refunding bonds issued under this section shall be exempt from all State, county, and municipal taxation and assessment, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, excluding inheritance and gift taxes, income taxes on the gain from the transfer of bonds, notes, and refunding bonds, and franchise taxes. The interest on bonds, notes, and refunding bonds is not subject to taxation as income.

Article 9 of the North Carolina Uniform Commercial Code, Chapter 25 of the General Statutes, does not apply to any security interest created in connection with the issuance of bonds under this section.

(c) Tax. — If a majority of the qualified voters of a merged school administrative unit voting on the question approve the issuance of bonds and levy of a tax as provided in this section, the board of education of the merged school administrative unit may levy a tax on all property having a situs in the merged school administrative unit for the purpose of retiring bonds issued by the unit under this section. Taxes levied pursuant to this section may be levied prior to the issuance of notes or bonds. The authority of a merged school administrative unit to levy a tax pursuant to this section terminates after all of the related notes, bonds, and refunding bonds are discharged or paid.

Before April 15 of each year, the tax assessor of each county in which the merged school administrative unit is located shall certify to the superintendent of schools an estimate of the total assessed value of property in the county subject to taxation on behalf of the merged school administrative unit pursuant to this Article. The board of education of the merged school administrative unit, in the budget it submits to each board of county commissioners, shall set the rate of ad valorem tax it levies as a tax under this section. The levy under this section shall be at the rate necessary to provide for payment of interest on and principal of outstanding notes, bonds, and refunding bonds issued by the merged school administrative unit.

Each county in which the merged school administrative unit is located shall compute and collect this tax in the same manner that county taxes are collected. The tax shall be shown separately on the tax receipts for the fiscal year. Collections shall be remitted to the merged school administrative unit within 10 days after the close of each calendar month. Partial payments shall be proportionally divided between the county collecting the tax and the merged school administrative unit. The board of commissioners of each county collecting the tax levied under this section may, in its discretion, deduct from the proceeds of the tax the actual additional cost to the county of computing, billing, and collecting the tax. (1991, c. 325, s. 3; 1995, c. 46, s. 4.)

Editor's Note. — Session Laws 1991, c. 325, which enacted this section, in s. 9 provides:

“Interpretation of Act.

“(a) Additional method. The foregoing sections of of this act shall be deemed to provide an additional and alternative method for the doing of things authorized thereby and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of any powers now existing.

“(b) Statutory references. References in this act to specific sections or Chapters of the General Statutes are intended to be references to such sections as they may be amended from time to time by the General Assembly.

“(c) Liberal construction. This act, being necessary for the health and welfare of the people of the State, shall be liberally construed to effect these purposes.

“(d) Inconsistent provisions. Insofar as the provisions of this act are inconsistent with the provisions of any general laws, this act shall be controlling.

“(e) Severability. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.”

Session Laws 1995, c. 46, s. 21 provides that the act is effective July 1, 1995, and applies to obligations issued on or after that date.

Session Laws 1995, c. 46, s. 4, which amended this section, was effective July 1, 1995 and applicable to obligations issued on or after that date.

SUBCHAPTER IX. PROPERTY.

ARTICLE 37.

School Sites and Property.

§ 115C-517. Acquisition of sites.

Local boards of education may acquire suitable sites for schoolhouses or other school facilities either within or without the local school administrative unit; but no school may be operated by a local school administrative unit outside its own boundaries, although other school facilities such as repair shops, may be operated outside the boundaries of the local school administrative unit. Whenever any such board is unable to acquire or enlarge a suitable site or right-of-way for a school, school building, school bus garage or for a parking area or access road suitable for school buses or for other school facilities by gift or purchase, condemnation proceedings to acquire same may be instituted by such board under the provisions of Chapter 40A of the General Statutes, and the determination of the local board of education of the land necessary for such purposes shall be conclusive. (1955, c. 1335; c. 1372, art. 15, s. 1; 1957, c. 683; 1969, c. 516; 1971, c. 290; 1981, c. 423, s. 1; c. 1127, s. 78; 1995, c. 199, s. 1.)

CASE NOTES

Editor's Note. — *The cases below were decided under corresponding provisions of former Chapter 115 and earlier statutes.*

Constitutionality. — Former § 115-125, similar to this section, did not violate the requirements of just compensation and due process provided by U.S. Const., Amend. XIV. *Doby v. Brown*, 135 F. Supp. 584 (M.D.N.C. 1955), *aff'd*, 232 F.2d 504 (4th Cir.), *cert. denied*, 352 U.S. 837, 77 S. Ct. 57, 1 L. Ed. 2d 55 (1956).

History of Section. — See *Board of Educ. v. Forrest*, 190 N.C. 753, 130 S.E. 621 (1925).

Presumption exists that school board will act in good faith and comply with all applicable state and federal regulations in its plans to enlarge school facilities. *Board of Educ. v. Seagle*, 120 N.C. App. 566, 463 S.E.2d 277 (1995), *cert. denied*, 343 N.C. 509, 471 S.E.2d 63 (1996).

Discretion of School Authorities. — The question of changing the location of a schoolhouse, as well as the selection of a site for a new one, is vested in the sound discretion of the school authorities, and their action cannot be restrained by the courts, unless it is in violation of some provision of the law, or the authorities have been influenced by improper motives, or there has been a manifest abuse of discretion on their part. *Atkins v. McAden*, 229 N.C. 752, 51 S.E.2d 484 (1949); *Wayne County Bd. of*

Educ. v. Lewis, 231 N.C. 661, 58 S.E.2d 725 (1950); *Feezor v. Siceloff*, 232 N.C. 563, 61 S.E.2d 714 (1950).

While school authorities have the discretionary power to select sites for new schools and to change the location of existing schools, their action in this regard may be enjoined when it is without authority of law, or when the selection of a proposed site is so clearly unreasonable as to amount to a manifest abuse of their discretion. *Brown v. Candler*, 236 N.C. 576, 73 S.E.2d 550 (1952).

The advisability of taking property for public school use is a matter committed to the sound discretion of the petitioner, with the exercise of which neither the respondents nor the courts can interfere. *Burlington City Bd. of Educ. v. Allen*, 243 N.C. 520, 91 S.E.2d 180 (1956).

The board of education determines whether new school buildings are needed and, if so, where they shall be located. Such decisions are vested in the sound discretion of the board, and its discretion with reference thereto cannot be restrained by the courts absent a manifest abuse of discretion or a disregard of law. *Painter v. Wake County Bd. of Educ.*, 288 N.C. 165, 217 S.E.2d 650 (1975).

County board of education had the discretion to determine what land constituted a "suitable site" to construct its athletic facilities and what

land was “necessary” to construct its athletic facilities. The board had authority to condemn land to be used as wetlands mitigation and a source of fill as necessary to building athletic facilities in an environmentally sensitive area. *Dare County Bd. of Educ. v. Sakaria*, 118 N.C. App. 609, 456 S.E.2d 842 (1995), *aff’d*, 342 N.C. 648, 466 S.E.2d 717, rehearing denied, 343 N.C. 128, 468 S.E.2d 778 (1996), cert. denied, 519 U.S. 976, 117 S. Ct. 412, 136 L. Ed. 2d 325 (1996).

The courts are bound by the discretionary decision of a local board of education in selecting and determining the land necessary to construct a school, school building, school bus garage, a parking area, an access road suitable for school buses or “other school facilities” unless that decision is an arbitrary abuse of discretion or disregard of law. *Dare County Bd. of Educ. v. Sakaria*, 118 N.C. App. 609, 456 S.E.2d 842 (1995), *aff’d*, 342 N.C. 648, 466 S.E.2d 717, rehearing denied, 343 N.C. 128, 468 S.E.2d 778 (1996), cert. denied, 519 U.S. 976, 117 S. Ct. 412, 136 L. Ed. 2d 325 (1996).

Facts Not Showing Abuse of Discretion. — The fact that the site for a high school selected by the school authorities in a mountainous section of the State could be approached only by a crooked highway and over a narrow bridge, and that there might have been other satisfactory sites for such school, did not compel or support the conclusion that the school authorities abused their discretion in selecting the site. *Brown v. Candler*, 236 N.C. 576, 73 S.E.2d 550 (1952).

Effect of Restrictive Covenants. — A board of education which purchases property for a valid school purpose cannot be enjoined to comply with restrictive covenants requiring that the property be used exclusively for residential purposes, the appropriate remedy for other landowners protected by the covenant being an action to recover damages for the taking of their property rights. *Carolina Mills, Inc. v. Catawba County Bd. of Educ.*, 27 N.C. App. 524, 219 S.E.2d 509 (1975).

Necessity of Permits. — Whether permits would be required to satisfy § 404 of the Clean Water Act did not raise an issue of fact concerning the need for school board to secure a permit before proceeding with expansion requiring condemnation of defendant’s property, and that issue had nothing to do with whether the school board had found the land to be a “suitable site” for its needs. *Board of Educ. v. Seagle*, 120 N.C. App. 566, 463 S.E.2d 277 (1995), cert. denied, 343 N.C. 509, 471 S.E.2d 63 (1996).

Selection of Site on Grounds of County Home. — Former § 153-9(9) (see now § 153A-169) did not preclude school authorities from selecting, without advertising, a part of the grounds of a county home for the site of a high school, when its use would not interfere with the use of the remainder of the site for a county home. *Brown v. Candler*, 236 N.C. 576, 73 S.E.2d 550 (1952).

High School and Elementary School on Adjoining Sites. — A high school and an elementary school may be located on adjoining sites. However, neither site may contain more than 10 (now 50) acres of land, if any part thereof must be obtained by condemnation. *Wayne County Bd. of Educ. v. Lewis*, 231 N.C. 661, 58 S.E.2d 725 (1950).

Where the county board of education selects a site for an elementary school contiguous to its high school site, it may condemn for such elementary school site lands not in excess of 10 (now 50) acres, since the board has the discretionary power to locate the schools on adjoining sites. *Wayne County Bd. of Educ. v. Lewis*, 231 N.C. 661, 58 S.E.2d 725 (1950).

There is no limitation on the acreage which may be purchased or donated for a school site. The limitation applies only where the site, or any part thereof, must be obtained by condemnation. In such cases, the land owned, donated or purchased, together with the adjacent lands to be condemned, shall not exceed 10 (now 50) acres. *Wayne County Bd. of Educ. v. Lewis*, 231 N.C. 661, 58 S.E.2d 725 (1950).

OPINIONS OF ATTORNEY GENERAL

Acquisition of Land by Purchase Does Not Affect Right to Condemn Additional Land. — Where a board of education has acquired a tract of land by purchase and because of the nature of the land an additional five acres is required, the board may resort to condemnation for the extra five acres needed,

and this right is not nullified by the fact that the board has heretofore acquired some land for the school site by purchase. See opinion of the Attorney General to Mr. W. Earl Britt, Attorney for Fairmont Board of Education, 40 N.C.A.G. 216 (1969), rendered under former corresponding provisions.

§ 115C-518. Disposition of school property; easements and rights-of-way.

(a) When in the opinion of any local board of education the use of any building site or other real property or personal property owned or held by the board is unnecessary or undesirable for public school purposes, the local board of education may dispose of such according to the procedures prescribed in General Statutes, Chapter 160A, Article 12, or any successor provisions thereto. Provided, when any real property to which the board holds title is no longer suitable or necessary for public school purposes, the board of county commissioners for the county in which the property is located shall be afforded the first opportunity to obtain the property. The board of education shall offer the property to the board of commissioners at a fair market price or at a price negotiated between the two boards. If the board of commissioners does not choose to obtain the property as offered, the board of education may dispose of such property according to the procedure as herein provided. Provided that no State or federal regulations would prohibit such action. For the purposes of this section references in Chapter 160A, Article 12, to the "city," the "council," or a specific city official are deemed to refer, respectively, to the school administrative unit, the board of education, and the school administrative official who most nearly performs the same duties performed by the specified city official. A local board of education may also sell any property other than real property through the facilities of the North Carolina Department of Administration. The proceeds of any sale of real property or from any lease for a term of over one year shall be applied to reduce the county's bonded indebtedness for the school administrative unit disposing of such real property or for capital outlay purposes.

(b) In addition to the foregoing, local boards of education are hereby authorized and empowered, in their sound discretion, to grant easements to any public utility, municipality or quasi-municipal corporations to furnish utility services, with or without compensation except the benefits accruing by virtue of the location of the said public utility, and to dedicate portions of any lands owned by such boards as rights-of-way for public streets, roads or sidewalks, with or without compensation except the benefits accruing by virtue of the location or improvement of such public streets, roads or sidewalks.

(c) Any sale, exchange or lease of real or personal property by any local board of education prior to June 18, 1982, and pursuant to the authority of G.S. 115-126 is hereby validated, ratified and confirmed. (1955, c. 1372, art. 15, s. 2; 1959, c. 324; c. 573, s. 11; 1961, c. 395; 1975, c. 264; c. 879, s. 46; 1977, c. 803; 1981, c. 423, s. 1; 1981 (Reg. Sess., 1982), c. 1216; 1983, c. 731; 1985 (Reg. Cross References. — For provision exempting services, products, and properties generated through vocational education instructional activities from the requirements of this section, see § 115C-159. As to sale, lease, exchange and joint use of governmental property by State and local governmental units, see § 160A-274.

Editor's Note. — Chapter 115, including § 115-126, referred to in this section, was repealed by Session Laws 1981, c. 423, s. 1, and has been recodified as Chapter 115C.

CASE NOTES

Editor's Note. — *Many of the cases below were decided under corresponding provisions of former Chapter 115 and earlier statutes.*

Power to Acquire Land. — Subsection (d) of former § 115-126 did not give the board of education any additional power to acquire land for school purposes. This power was given by §§ 115-27, 115-35(b) and 115-125 (see now §§ 115C-40, 115C-36 and 115C-517). *Painter v. Wake County Bd. of Educ.*, 288 N.C. 165, 217 S.E.2d 650 (1975).

There is nothing in the Constitution which prohibits the board of education from exchanging land which it owns for other land for school purposes. *Painter v. Wake County Bd. of Educ.*, 288 N.C. 165, 217 S.E.2d 650 (1975).

No Claim Would Lie Against Board of Commissioners. — The court did not err in determining complaint failed to state a claim as to the proposed sale of school and its adjacent property; the county board of education, not the board of commissioners, holds all school property and is capable of selling and transferring the same for school purposes; applying this law to the case under review, no claim with respect to disposition of the school property would lie against defendant board of commissioners. *Moore v. Wykle*, 107 N.C. App. 120, 419 S.E.2d 164, cert. denied, 332 N.C. 666, 424 S.E.2d 405 (1992).

If a discrepancy in valuation exists it bears only on the question of abuse of discretion, and any such discrepancy is only one of the factors to be considered in determining whether the board has abused its discretion. *Painter v. Wake County Bd. of Educ.*, 288 N.C. 165, 217 S.E.2d 650 (1975).

Burden to Overcome Presumption. — The burden was on plaintiffs to overcome the presumption that the board of education, in proposing an exchange of property, was acting in good faith and in accord with the spirit and purpose of former § 115-126. *Painter v. Wake County Bd. of Educ.*, 288 N.C. 165, 217 S.E.2d 650 (1975).

Lease of Surplus Lands. — A city school administrative unit contemplated by § 115-4 (see now § 115C-66) was a governmental agency separate and distinct from the city, and such administrative unit, having acquired more land than presently needed for school purposes, had legislative authority to lease the surplus, either for a public or a private purpose, so long as it exercised its discretion in good faith. Where lease stipulated that use was to be for a public or semipublic purpose, the law would presume that the parties intended and contemplated use of the property without unlawful discrimination because of race, religion or other illegal classification. *State v. Cooke*, 248 N.C. 485, 103 S.E.2d 846 (1958), appeal dismissed, 364 U.S. 177, 80 S. Ct. 1482, 4 L. Ed. 2d 1650, rehearing denied, 364 U.S. 856, 81 S. Ct. 29, 5 L. Ed. 2d 80 (1960).

Delegation of Authority. — Where a chartered school district acquired property by foreclosure of a loan made from its sinking fund, the property thus acquired being in no way connected with the operation of its schools, and the trustees of the district instructed the property committee to consider any offers for the property in excess of a stipulated sum, and delegated "power to act" in the matter, and where the chairman thereafter entered into a contract for the sale of the property for a price in excess of the minimum amount stipulated by the trustees, upon a suit by a taxpayer of the district to restrain conveyance to the purchaser in the contract, it was held that the trustees of the district were without power to delegate authority to sell the school property, and the district was not bound by the contract entered into, and a decree restraining the execution of the contract was proper. *Bowles v. Fayetteville Graded Schools*, 211 N.C. 36, 188 S.E. 615 (1936).

Statutory Discretion Was Not Withdrawn by Purchase of Facility. — Where plaintiffs alleged that defendants made unauthorized diversions of school bond proceeds to

purposes other than those authorized by the bond resolution, namely for purpose of facility, although the sale of the school property may have resulted from the purchase of facility, the Board of Education's statutory discretion to determine that the school property was surplus

property no longer needed for school purposes was not withdrawn by its actions with respect to the facility. *Moore v. Wykle*, 107 N.C. App. 120, 419 S.E.2d 164, cert. denied, 332 N.C. 666, 424 S.E.2d 405 (1992).

§ 115C-519. Deeds to property.

All deeds to school property shall, after registration, be delivered to the superintendent of the local school administrative unit in which the property is located and he shall provide a safe place for preserving all such deeds. (1955, c. 1372, art. 15, s. 3; 1981, c. 423, s. 1.)

§ 115C-520. Vehicles owned by boards of education.

All school buses, trucks, automobiles and other motor vehicles owned by local boards of education and used for transporting pupils to and from school or used by other school personnel in the performance of their work, shall be exempt from taxation, but all such vehicles shall be duly registered in the Division of Motor Vehicles as provided in G.S. 20-84. (1955, c. 1372, art. 15, s. 4; 1975, c. 716, s. 5; 1981, c. 423, s. 1.)

§ 115C-521. Erection of school buildings.

(a) It shall be the duty of local boards of education to provide classroom facilities adequate to meet the requirements of G.S. 115C-47(10) and 115C-301. Local boards of education shall submit their long-range plans for meeting school facility needs to the State Board of Education by January 1, 1988, and every five years thereafter. In developing these plans, local boards of education shall consider the costs and feasibility of renovating old school buildings instead of replacing them.

(b) It shall be the duty of the boards of education of the several local school administrative school units of the State to make provisions for the public school term by providing adequate school buildings equipped with suitable school furniture and apparatus. The needs and the cost of those buildings, equipment, and apparatus, shall be presented each year when the school budget is submitted to the respective tax-levying authorities. The boards of commissioners shall be given a reasonable time to provide the funds which they, upon investigation, shall find to be necessary for providing their respective units with buildings suitably equipped, and it shall be the duty of the several boards of county commissioners to provide funds for the same.

Upon determination by a local board of education that the existing permanent school building does not have sufficient classrooms to house the pupil enrollment anticipated for the school, the local board of education may acquire and use as temporary classrooms for the operation of the school, relocatable or mobile classroom units, whether built on the lot or not, which units and method of use shall meet the approval of the School Planning Division of the State Board of Education, and which units shall comply with all applicable requirements of the North Carolina State Building Code and of the local building and electrical codes applicable to the area in which the school is located. These units shall also be anchored in a manner required to assure their structural safety in severe weather. The acquisition and installation of these units shall be subject in all respects to the provisions of Chapter 143 of the General Statutes. The provisions of Chapter 87, Article 1, of the General Statutes, shall not apply to persons, firms or corporations engaged in the sale or furnishing to local boards of education and the delivery and installation

upon school sites of classroom trailers as a single building unit or of relocatable or mobile classrooms delivered in less than four units or sections.

(c) The building of all new school buildings and the repairing of all old school buildings shall be under the control and direction of, and by contract with, the board of education for which the building and repairing is done. If a board of education is considering building a new school building to replace an existing school building, the board shall not invest any construction money in the new building unless it submits to the State Superintendent and the State Superintendent submits to the North Carolina Historical Commission an analysis that compares the costs and feasibility of building the new building and of renovating the existing building and that clearly indicates the desirability of building the new building. No board of education shall invest any money in any new building until it has (i) developed plans based upon a consideration of the State Board's facilities guidelines, (ii) submitted these plans to the State Board for its review and comments, and (iii) reviewed the plans based upon a consideration of the comments it receives from the State Board. No local board of education shall contract for more money than is made available for the erection of a new building. However, this subsection shall not be construed so as to prevent boards of education from investing any money in buildings that are being constructed pursuant to a continuing contract of construction as provided for in G.S. 115C-441(c). All contracts for buildings shall be in writing and all buildings shall be inspected, received, and approved by the local superintendent and the architect before full payment is made therefor. Nothing in this subsection shall prohibit boards of education from repairing and altering buildings with the help of janitors and other regular employees of the board.

In the design and construction of new school buildings and in the renovation of existing school buildings that are required to be designed by an architect or engineer under G.S. 133-1.1, the local board of education shall participate in the planning and review process of the Energy Guidelines for School Design and Construction that are developed and maintained by the Department of Public Instruction and shall adopt local energy-use goals for building design and operation that take into account local conditions in an effort to reduce the impact of operation costs on local and State budgets. In the design and construction of new school facilities and in the repair and renovation of existing school facilities, the local board of education shall consider the placement and design of windows to use the climate of North Carolina for both light and ventilation in case of power shortages. A local board shall also consider the installation of solar energy systems in the school facilities whenever practicable.

In the case of any school buildings erected, repaired, or equipped with any money loaned or granted by the State to any local school administrative unit, no board of education shall invest any money until it has (i) developed plans based upon a consideration of the State Board's facilities guidelines, (ii) submitted these plans to the State Board for its review and comments, and (iii) reviewed the plans based upon a consideration of the comments it receives from the State Board.

(d) Local boards of education shall make no contract for the erection of any school building unless the site upon which it is located is owned in fee simple by the board: Provided, that the board of education of a local school administrative unit, with the approval of the board of county commissioners, may appropriate funds to aid in the establishment of a school facility and the operation thereof in an adjoining local school administrative unit when a written agreement between the boards of education of the administrative units involved has been reached and the same recorded in the minutes of the boards, whereby children from the administrative unit making the appropriations shall be entitled to attend the school so established.

In all cases where title to property has been vested in the trustees of a special charter district which has been abolished and has not been reorganized, title to the property shall be vested in the local board of education of the county embracing the former special charter district.

(e) The State Board of Education shall establish within the Department of Public Instruction a central clearinghouse for access by local boards of education that may want to use a prototype design in the construction of school facilities. The State Board shall compile necessary publications and a computer database to distribute information on prototype designs to local school administrative units. All architects and engineers registered in North Carolina may submit plans for inclusion in the computer database and these plans may be accessed by any person. The original architect of record or engineer of record shall retain ownership and liability for a prototype design. The State Board may adopt rules it considers necessary to implement this subsection. Editor's Note. — The statewide school facility minimum standards were to be adopted under prior G.S. 115C-489.3, repealed by Session Laws 1995 (Reg. Sess., 1996), c. 631, s. 13, effective June 21, 1996.

Session Laws 1993 (Reg. Sess., 1994), c. 775, which amended this section, in s. 10, as amended by Session Laws 1995, c. 295, s. 3, would have prohibited local governmental units from entering into guaranteed energy savings contracts under Part 2 of Article 3B of Chapter 143 on or after July 1, 1999. This provision was repealed by Session Laws 1999-235, s. 4, effective July 1, 1999.

Session Laws 1995, c. 8, s. 1, which amended this section, was effective March 13, 1995, and applicable to cost and feasibility analyses submitted to the State Superintendent on or after that date.

CASE NOTES

Editor's Note. — *The cases below were decided under corresponding provisions of former Chapter 115 and earlier statutes.*

Board of Education Presents Needs to Commissioners. — Each year the board of education surveys the needs of its school system with reference to buildings and equipment. By resolution it presents these needs, together with their costs, to the commissioners, who are

given a reasonable time to provide the funds which they, upon investigation, shall find to be necessary for providing their respective units with buildings suitably equipped. *Dilday v. Beaufort County Bd. of Educ.*, 267 N.C. 438, 148 S.E.2d 513, 149 S.E.2d 345 (1966).

Commissioners to Determine What Expenditures Shall Be Made. — The board of commissioners of the county, and not the board

of education, are charged with the duty to determine what expenditures shall be made for the erection, repair and equipment of school buildings in the county. *Johnson v. Marrow*, 228 N.C. 58, 44 S.E.2d 468 (1947).

The county board of education surveys annually the needs of the county school system in respect to school plant facilities and equipment and by resolution presents its plan to the board of commissioners. Then, and only then, it becomes the duty of the board of commissioners to determine what expenditures, if any, proposed for such purposes by the board of education are necessary. When it determines that funds are necessary for any one or all of the proposed projects, then it must furnish the funds necessary to provide the facilities incorporated in the approved projects. *Parker v. Anson County*, 237 N.C. 78, 74 S.E.2d 338 (1953).

The right of the board of commissioners to determine what expenditures shall be made arises when a proposal for the expenditure of funds for school facilities is made by the board of education. Having determined that question and having provided the funds it deems necessary, its jurisdiction ends and the authority to execute the plan of enlargement or improvement reverts to the board of education. *Parker v. Anson County*, 237 N.C. 78, 74 S.E.2d 338 (1953).

It is the board of commissioners which is charged with the duty of determining what expenditures shall be made for the erection, repairs, and equipment of school buildings in the county. *Dilday v. Beaufort County Bd. of Educ.*, 267 N.C. 438, 148 S.E.2d 513, 149 S.E.2d 345 (1966).

But They Cannot Interfere with Authority of Board of Education. — The control of the board of county commissioners over the expenditure of funds for the erection, repair and equipment of school buildings will not be construed so as to interfere with the exclusive control of the schools vested in the county board of education or the trustees of an administrative unit. *Atkins v. McAden*, 229 N.C. 752, 51 S.E.2d 484 (1949); *Parker v. Anson County*, 237 N.C. 78, 74 S.E.2d 338 (1953).

The commissioners' control over the expenditure of funds for the erection, repair, and equipment of school buildings does not interfere with the exclusive control of the schools which is vested in the county board of education or in the trustees of administrative units. Having determined what expenditures are necessary and possible, and having provided the funds, the jurisdiction of the commissioners ends. The authority to execute the plans is in the board of education. *Dilday v. Beaufort County Bd. of Educ.*, 267 N.C. 438, 148 S.E.2d 513, 149 S.E.2d 345 (1966).

All Expenditures Must Be Authorized. — All expenditures for the construction, repair

and equipment of school buildings in a county must be authorized by the board of county commissioners, acting in good faith, pursuant to statutory and constitutional authority. *Atkins v. McAden*, 229 N.C. 752, 51 S.E.2d 484 (1949).

Expense a Countywide Charge. — It is the duty of the county commissioners, upon information being furnished by the county boards of education, to provide the funds necessary for suitable buildings and proper equipment, and such expenses are a countywide charge. *Reeves v. Board of Educ.*, 204 N.C. 74, 167 S.E. 454 (1933).

Commissioners May Reallocate Proceeds of Bond Issue. — A bond order issued under former § 153-78 set out in detail the estimates and projects for which the funds were proposed to be used in discharge of the constitutional requirement of a six months' school term within the municipal administrative unit. It was held that former § 153-107 did not preclude the board of county commissioners, upon its finding, after investigation, of changed conditions, from reallocating the proceeds of bonds to different projects upon further finding, after investigation, that such reallocation of the funds was necessary to effectuate the purpose of the bond issue. *Atkins v. McAden*, 229 N.C. 752, 51 S.E.2d 484 (1949).

But May Not Change Purpose for Which Bonds Were Issued. — Where the county commissioners attempted to change the purpose for which school bonds were issued, such action of the commissioners was held to constitute a clear invasion of the prerogatives of the board of education. *Parker v. Anson County*, 237 N.C. 78, 74 S.E.2d 338 (1953).

Any change in plan must be initiated by the board of education, then the board of commissioners, acting in good faith, may, in proper cases, after finding the facts required by statute, determine whether the reallocation of funds or the change in plans is or is not necessary, and approve or disapprove the expenditure of the funds theretofore furnished by it for the execution of the amended plan. *Parker v. Anson County*, 237 N.C. 78, 74 S.E.2d 338 (1953).

Power of Board of Education Discretionary. — The building of a school is a matter vested by statute in the sound discretion of the county board of education and is not to be restrained by the courts, unless it is in violation of some provision of law, or unless the committee is influenced by improper motives, or there is misconduct on their part. *Venable v. School Comm.*, 149 N.C. 120, 62 S.E. 902 (1908); *Pickler v. County Board*, 149 N.C. 221, 62 S.E. 902 (1908).

Whether a change should be made in the location of a school, as well as the selection of a site for a new one, is vested in the sound

discretion of the school authorities, and their action cannot be restrained by the courts unless it is in violation of some provision of law, or the authorities have been influenced by improper motives, or there has been a manifest abuse of discretion on their part. *Feezor v. Siceloff*, 232 N.C. 563, 61 S.E.2d 714 (1950).

Courts Cannot Interfere with Discretion of Board of Education Absent Abuse. — The board of education determines, in the first instance, what buildings require repairs, remodeling, or enlarging; whether new schoolhouses are needed; and if so, where they shall be located. Such decisions are vested in the sound discretion of the board of education, and its actions with reference thereto cannot be restrained by the courts absent a manifest abuse of discretion or a disregard of law. *Dilday v. Beaufort County Bd. of Educ.*, 267 N.C. 438, 148 S.E.2d 513, 149 S.E.2d 345 (1966).

Money Available for Erection of Building. — Where a county board of education consolidated five existing high schools into one countywide high school with the approval of the State Board of Education, and plans for the new school building were approved by the State Superintendent of Public Instruction, and public moneys for the erection of the building were allocated to the county board of education,

equity would not enjoin the county board of education from entering into a contract for the construction of the building on the ground that the county board of commissioners had refused to provide funds for the construction of the building, and that the proposed contract would offend former corresponding section, providing that a county board of education has no authority to contract for the construction of a new schoolhouse costing more than the "money . . . available for its erection." *Edwards v. Yancey County Bd. of Educ.*, 235 N.C. 345, 70 S.E.2d 170 (1952).

Providing Electric Lights. — Under general statutory authority the erection of electric transmission lines to supply school buildings with electric lighting is given to the board of education of a county. But contracts for such work need not be in writing, nor need they be approved by the State Superintendent. *Conrad v. Board of Educ.*, 190 N.C. 389, 130 S.E. 53 (1925).

A former statute similar to subsection (d) of this section did not apply to the erection of electric light wires. It applied only to sites for school buildings; it did not extend to or include the rights-of-way. *Conrad v. Board of Educ.*, 190 N.C. 389, 130 S.E. 53 (1925).

§ 115C-522. Provision of equipment for buildings.

(a) Except as provided in G.S. 115C-522.1, it shall be the duty of local boards of education to purchase or exchange all supplies, equipment and materials in accordance with contracts made by or with the approval of the Department of Administration. Title to instructional supplies, office supplies, fuel and janitorial supplies, enumerated in the current expense fund budget and purchased out of State funds, shall be taken in the name of the local board of education which shall be responsible for the custody and replacement: Provided, that no contracts shall be made by any local school administrative unit for purchases unless provision has been made in the budget of the unit to pay for the purchases, unless surplus funds are on hand to pay for the purchases, or unless the contracts are made pursuant to G.S. 115C-47(28) and G.S. 115C-528 and adequate funds are available to pay in the current fiscal year the sums obligated for the current fiscal year, and in order to protect the State purchase contractor, it is made the duty of the governing authorities of the local units to pay for these purchases promptly and in accordance with the terms of the contract of purchase.

(b) It shall be the duty of the local boards of education to provide suitable school furniture and apparatus, as provided in G.S. 115C-521(b).

(c) It shall be the duty of local boards of education and tax-levying authorities to provide suitable supplies for the school buildings under their jurisdictions. These shall include, in addition to the necessary instructional supplies, proper window shades, blackboards, reference books, library equipment, maps, and equipment for teaching the sciences.

Likewise, it shall be the duty of said boards of education and boards of county commissioners to provide every school with a good supply of water, approved by the Department of Environment and Natural Resources, and where such school cannot be connected to water-carried sewerage facilities,

there shall be provided sanitary privies for the boys and for the girls according to specifications of the Commission for Health Services. Such water supply and sanitary privies shall be considered an essential and necessary part of the equipment of each public school and may be paid for in the same manner as desks and other essential equipment of the school are paid for. (1955, c. 1352, art. 5, s. 35; art. 15, s. 8; 1965, c. 840; 1973, c. 476, s. 128; 1981, c. 423, s. 1; 1985, c. 436, s. 2; 1989, c. 727, s. 219(33); 1995 (Reg. Sess., 1996), c. 716, s. 13; 1997-443, s. 11A.51; 1998-194, s. 2.)

Cross References. — As to penalty for school officials having pecuniary interest in school supplies, see §§ 14-236 and 14-237. As to exception for school food services, see § 115C-264.

Effect of Amendments. — The 1998 amendment, effective October 24, 1998, added “Except as provided in G.S. 115C-522.1” at the beginning of subsection (a).

CASE NOTES

Editor’s Note. — *The cases below were decided under corresponding provisions of former Chapter 115 and earlier statutes.*

Authority to Authorize Purchases. — Local school boards alone have the duty or authority to enter into or authorize purchases of supplies and equipment for the respective local school systems. *Community Projects for Students, Inc. v. Wilder*, 60 N.C. App. 182, 298 S.E.2d 434 (1982).

Compliance Presumed. — A county board would not be enjoined from constructing a new school building on the grounds that it has failed

to make plans for water and sewer service for the school, where it appeared from the complaint that at the time the suit was instituted the construction of the proposed building had progressed only to the stage where bids had been accepted, since presumably the defendants at the proper time would comply with the statute and make provision for a proper supply of water. *Lamb v. Randolph County Bd. of Educ.*, 235 N.C. 377, 70 S.E.2d 201 (1952).

Bonds for Sanitary Improvements. — See *Taylor v. Board of Educ.*, 206 N.C. 263, 173 S.E. 608 (1934).

OPINIONS OF ATTORNEY GENERAL

As to applicability of statute to purchases made from state and local funds, and inapplicability to purchase of printing, see opinion of Attorney General to Mr. Herbert O. Carter,

State Purchasing Officer, 44 N.C.A.G. 176 (1974), rendered under former corresponding provisions.

§ 115C-522.1. Purchasing flexibility.

(a) Repealed by Session Laws 1998-194, s. 1, effective October 24, 1998.

(b) Local school administrative units shall have the authority to purchase supplies, equipment, and materials from noncertified sources subject to the following conditions:

- (1) The purchase price, including the cost of delivery, is less than the cost under the State term contract;
- (1a) The items are the same or substantially similar in quality, service, and performance as items available under State term contracts;
- (2) The cost of the purchase shall not exceed the bid value benchmark established under G.S. 143-53.1;
- (3) The local school administrative unit maintains written documentation of the cost savings; and
- (4) Repealed by Session Laws 1998-194, s. 1, effective October 24, 1998.
- (5) The local school administrative unit notifies the Department of Administration of any purchases of items it made that are substantially equivalent to and not the same as items under State term contracts.

(c) The requirements listed in subsection (b) of this section shall not apply to purchases from noncertified sources that fall below the economic ordering quantity of a State term contract.

(d) Upon the request of the Department of Administration, a local school administrative unit shall provide the written documentation of cost savings required under subdivision (3) of subsection (b) of this section.

(e) The State Board shall adopt rules to exempt from this section supplies, equipment, and materials related to student transportation. The State Board shall adopt guidelines regarding the interpretation and implementation of this section. (1995 (Reg. Sess., 1996), c. 716, s. 15.1; 1998-194, s. 1.)

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 716, s. 15.1, was codified as this section at the direction of the Revisor of Statutes.

Effect of Amendments. — The 1998 amendment, effective October 24, 1998, repealed subsection (a), regarding a pilot program allowing selected local school administrative units to purchase supplies, equipment and

materials from noncertified sources; in subsection (b), rewrote the introductory language, inserted subdivisions (b)(1a) and (b)(5), substituted "maintains written documentation of" for "documents in writing" in subdivision (b)(3), and repealed subdivision (b)(4), which provided that local school administrative units provide an annual itemized report of cost savings; rewrote subsection (d); and added subsection (e).

§ 115C-523. Care of school property.

It shall be the duty of every teacher and principal in charge of school buildings to instruct the children in the proper care of public property, and it is their duty to exercise due care in the protection of school property against damage, either by defacement of the walls and doors or any breakage on the part of the pupils, and if they shall fail to exercise a reasonable care in the protection of property during the day, they may be held financially responsible for all such damage, and if the damage is due to carelessness or negligence on the part of the teachers or principal, the superintendent may hold those in charge of the building responsible for the damage, and if it is not repaired before the close of a term, a sufficient amount may be deducted from their final vouchers to repair the damage for which they are responsible.

Notwithstanding any other provision of law, the parents or legal guardians of any minor are liable for any gross negligence or willful damage or destruction of school property by that minor to the extent of five thousand dollars (\$5,000). The Board of Education shall make written demand upon the parent or legal guardian as a prerequisite to bringing suit.

It shall be the duty of all principals to report immediately to their respective superintendents any unsanitary condition, damage to school property or needed repair. (1955, c. 1372, art. 17, s. 7; 1981, c. 423, s. 1; 1985, c. 581, s. 4.)

§ 115C-524. Repair of school property; use of buildings for other than school purposes.

(a) Repair of school buildings is subject to the provisions of G.S. 115C-521(c) and (d).

(b) It shall be the duty of local boards of education and tax-levying authorities, in order to safeguard the investment made in public schools, to keep all school buildings in good repair to the end that all public school property shall be taken care of and be at all times in proper condition for use. It shall be the duty of all principals, teachers, and janitors to report to their respective boards of education immediately any unsanitary condition, damage to school property, or needed repair. All principals, teachers, and janitors shall be held responsible for the safekeeping of the buildings during the school session and all breakage and damage shall be repaired by those responsible for

same, and where any principal or teacher shall permit damage to the public school buildings by lack of proper discipline of pupils, such principal or teacher shall be held responsible for such damage: Provided, principals and teachers shall not be held responsible for damage that they could not have prevented by reasonable supervision in the performance of their duties.

Notwithstanding the provisions of G.S. 115C-263 and 115C-264, local boards of education may adopt rules and regulations under which they may enter into agreements permitting non-school groups to use school real and personal property, except for school buses, for other than school purposes so long as such use is consistent with the proper preservation and care of the public school property. No liability shall attach to any board of education, individually or collectively, for personal injury suffered by reason of the use of such school property pursuant to such agreements. (1955, c. 1372, art. 15, s. 9; 1957, c. 684; 1963, c. 253; 1981, c. 423, s. 1; 1985 (Reg. Sess., 1986), c. 975, s. 23; 1991 (Reg. Sess., 1992), c. 900, s. 79(a).)

CASE NOTES

This section explicitly precludes liability from attaching to schools when the school facilities are being used for nonschool purposes. *Lindler v. Duplin County Bd. of Educ.*, 108 N.C. App. 757, 425 S.E.2d 465, cert. denied, 333 N.C. 791, 431 S.E.2d 25 (1993).

Child Care Program. — The legislature may constitutionally delegate to the school board the power or authority to maintain a child care program. *Kiddie Korner Day Schools, Inc. v. Charlotte-Mecklenburg Bd. of Educ.*, 55 N.C. App. 134, 285 S.E.2d 110 (1981), cert. denied and appeal dismissed, 305 N.C. 300, 291 S.E.2d 150 (1982), decided under former § 115-133.

Immunity from Liability. — There is no exception, in cases of active negligence, to the immunity provided by this section. The legislature clearly intended to do more than codify the old common-law rule that if an affirmative act of negligence were committed or the premises were leased in a ruinous condition, a third party injured on school premises would have recourse against the county board of education. *Plemmons v. City of Gastonia*, 62 N.C. App. 470, 302 S.E.2d 905, cert. denied, 309 N.C. 322, 307 S.E.2d 165, 307 S.E.2d 166 (1983).

A county board of education was immune from liability for injury to a minor who fell from

gymnasium bleachers. *Plemmons v. City of Gastonia*, 62 N.C. App. 470, 302 S.E.2d 905, cert. denied, 309 N.C. 322, 307 S.E.2d 165, 307 S.E.2d 166 (1983).

Immunity Precluded By Failure to Comply With Rules for Non-School Use. — The school district was not entitled to immunity for a personal injury claim suffered during a non-school sponsored event, where the school district had waived sovereign immunity by obtaining liability insurance, and it also had failed to comply with district procedures in allowing the non-school group to hold the event. *Seipp v. Wake County Bd. of Educ.*, — N.C. App. —, 510 S.E.2d 193 (1999).

The county school board's action to recover lost tax dollars expended in removing asbestos from school property was a governmental function exercised in pursuit of a sovereign purpose for the public good on behalf of the State, and the action was not barred by the statute of limitations. *Rowan County Bd. of Educ. v. United States Gypsum Co.*, 87 N.C. App. 106, 359 S.E.2d 814, cert. denied, 321 N.C. 298, 362 S.E.2d 782 (1987).

§ 115C-525. Fire prevention.

(a) **Duty of Principal Regarding Fire Hazards.** — The principal of every public school in the State shall have the following duties regarding fire hazards during periods when he is in control of a school:

- (1) Every principal shall make certain that all corridors, halls, and tower stairways which are used for exits shall always be kept clear and that nothing shall be permitted to be stored or kept in corridors or halls, or in, on or under stairways that could in any way interfere with the orderly exodus of occupants. The principal shall make certain that all doors used for exits shall be kept in good working condition. During

the occupancy of the building or any portion thereof by the public or for school purposes, the principal shall make certain that all doors necessary for prompt and orderly exodus of the occupants are kept unlocked.

- (2) Every principal shall make certain that no electrical wiring shall be installed within any school building or structure or upon the premises and that no alteration or addition shall be made in any existing wiring, except with the authorization of the superintendent. Any such work shall be performed by a licensed electrical contractor, or by a maintenance electrician regularly employed by the board of education and approved by the Commissioner of Insurance.
- (3) Every principal shall make certain that combustible materials necessary to the curriculum and for the operation of the school shall be stored in a safe and orderly manner.
- (4) Every principal shall make certain that all supplies, such as oily rags, mops, etc., which may cause spontaneous combustion, shall be stored in an orderly manner in a well-ventilated place.
- (5) Every principal shall make certain that all trash and rubbish shall be removed from the school building daily. No trash or rubbish shall be permitted to accumulate in a school attic, basement or other place on the premises.
- (6) Every principal shall cooperate in every way with the authorized building inspector, electrical inspector, county fire marshal or other designated person making the inspections required by G.S. 115C-525(b).

It shall further be the duty of the principal to bring to the attention of the local superintendent of schools the failure of the building inspector, electrical inspector, county fire marshal, or other person to make the inspections required by G.S. 115C-525(b). It shall further be the duty of the principal to call to the attention of the superintendent of schools all recommendations growing out of the inspections, in order that the proper authorities can take steps to bring about the necessary corrections.

(b) Inspection of Schools for Fire Hazards; Removal of Hazards. — Every public school building in the State shall be inspected a minimum of two times during the year in accordance with the following plan: Provided, that the periodic inspections herein required shall be at least 120 days apart:

- (1) Each school building shall be inspected to make certain that none of the fire hazards enumerated in G.S. 115C-525(a)(1) through (5) exist, and to ensure that the building and all heating, mechanical, electrical, gas, and other equipment and appliances are properly installed and maintained in a safe and serviceable manner as prescribed by the North Carolina Building Code. Following each inspection, the persons making the inspection shall furnish to the principal of the school a written report of conditions found during inspection, upon forms furnished by the Commissioner of Insurance, and the persons making the inspection shall also furnish a copy of the report to the superintendent of schools; the superintendent shall keep such copy on file for a period of three years. In addition to the periodic inspections herein required, any alterations or additions to existing school buildings or to school building utilities or appliances shall be inspected immediately following completion.
- (2) The board of county commissioners of each county shall designate the persons to make the inspections and reports required by subdivision (1) of this subsection. The board may designate any city or county building inspector, any city or county fire prevention bureau, any city or county electrical inspector, the county fire marshal, or any other qualified persons, but no person shall make any inspection unless he shall be qualified as required by G.S. 153A-351.1 and Section 7 of

Chapter 531 of the 1977 Session Laws. Nothing in this section shall be construed as prohibiting two or more counties from designating the same persons to make the inspections and reports required by subdivision (1) of this subsection. The board of county commissioners shall compensate or provide for the compensation of the persons designated to make all such inspections and reports. The board of county commissioners may make appropriations in the general fund of the county to meet the costs of such inspections, or in the alternative the board may add appropriations to the school current expense fund to meet the costs thereof: Provided, that if appropriations are added to the school current expense fund, such appropriations shall be in addition to and not in substitution of existing school current expense appropriations.

- (3) It shall be the duty of the Commissioner of Insurance, the Superintendent of Public Instruction, and the State Board of Education to prescribe any additional rules and regulations which they may deem necessary in connection with such inspections and reports for the reduction of fire hazards and protection of life and property in public schools.
- (4) It shall be the duty of each principal to make certain that all fire hazards called to his attention in the course of the inspections and reports required by subdivision (1) of this subsection are immediately removed or corrected, if such removal or correction can be accomplished by the principal. If such removal or correction cannot be accomplished by the principal, it shall be the duty of the principal to bring the matter to the attention of the superintendent.
- (5) It shall be the duty of each superintendent of schools to make certain that all fire hazards called to his attention in the course of the inspections and reports required by subdivision (1) of this subsection and not removed or corrected by the principals as required by subdivision (4) of this subsection are removed or corrected, if such removal or correction can be brought about within the current appropriations available to the superintendent. Where any removal or correction of a hazard will require the expenditure of funds in excess of current appropriations, it shall be the duty of the superintendent to bring the matter to the attention of the appropriate board of education, and the board of education in turn shall bring the same to the attention of the board of county commissioners, in order that immediate steps be taken, within the framework of existing law, to remove or correct the hazard.

(c) Liability for Failure to Perform Duties Imposed by G.S. 115C-288 and 115C-525(a) or 115C-525(b). — Any person willfully failing to perform any of the duties imposed by G.S. 115C-288, 115C-525(a) or 115C-525(b) shall be guilty of a Class 3 misdemeanor and shall only be fined not more than five hundred dollars (\$500.00) in the discretion of the court. (1957, c. 844; 1959, c. 573, s. 14; 1981, c. 423, s. 1; 1989, c. 681, s. 12; 1993, c. 539, s. 892; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 115C-526. Reward for information leading to arrest of persons damaging school property.

Local boards of education are authorized and empowered to offer and pay rewards in an amount not exceeding three hundred dollars (\$300.00) for information leading to the arrest and conviction of any persons who willfully deface, damage, destroy or commit acts of vandalism or larceny of, the property belonging to the public school system under the jurisdiction of and adminis-

tered by any local board of education. (1967, c. 369; 1973, c. 1216; 1975, c. 437, s. 7; 1981, c. 423, s. 1.)

§ 115C-527. Use of schools and other public buildings for political meetings.

The governing authority having control over schools or other public buildings which have facilities for group meetings, or where polling places are located, is hereby authorized and directed to permit the use of such buildings without charge, except custodial and utility fees, by political parties, as defined in G.S. 163-96, for the express purpose of annual or biennial precinct meetings and county and district conventions: Provided, that the use of such buildings by political parties shall not be permitted at times when school is in session or which would interfere with normal school activities or functions normally carried on in such school buildings, and such use shall be subject to reasonable rules and regulations of the school boards and other governing authorities. (1975, c. 465; 1981, c. 423, s. 1; 1983, c. 519, ss. 1, 2.)

§ 115C-528. Lease purchase and installment purchase contracts for certain equipment.

(a) Local boards of education may purchase or finance the purchase of automobiles; school buses; mobile classroom units; photocopiers; and computers, computer hardware, computer software, and related support services by lease purchase contracts and installment purchase contracts as provided in this section. Computers, computer hardware, computer software, and related support services purchased under this section shall meet the technical standards specified in the North Carolina Instructional Technology Plan as developed and approved under G.S. 115C-102.6A and G.S. 115C-102.6B.

(b) A lease purchase contract under this section creates in the local board the right to possess and use the property for a specified period of time in exchange for periodic payments and shall include either an obligation or an option to purchase the property during the term of the contract. The contract may include an option to upgrade the property during the term. A local board may exercise an option to upgrade without rebidding the contract.

(c) An installment purchase contract under this section creates in the property purchased a security interest to secure payment of the purchase price to the seller or to an individual or entity advancing moneys or supplying financing for the purchase transaction.

(d) The term of a contract entered into under this section shall not exceed the useful life of the property purchased. An option to upgrade shall be considered in determining the useful life of the property.

(e) A contract entered into under this section shall be considered a continuing contract for capital outlay and subject to G.S. 115C-441(c1).

(f) A contract entered into under this section is subject to Article 8 of Chapter 159 of the General Statutes, except for G.S. 159-148(a)(4) and (b)(2). For purposes of determining whether the standards set out in G.S. 159-148(a)(3) have been met, only the five hundred thousand dollar (\$500,000) threshold shall apply.

(g) Subsections (e) and (f) of this section shall not apply to contracts entered into under this section so long as the term of each contract does not exceed three years and the total amount financed during any three-year period is no greater than two hundred fifty thousand dollars (\$250,000) or is no greater than three times the local board's annual State allocation for classroom materials, equipment, and instructional supplies, whichever is less. The local board shall submit information, including the principal and interest paid and

the amount of outstanding obligation, concerning these contracts as part of the annual budget it submits to its board of county commissioners under Article 31 of this Chapter.

(h) No contract entered into under this section may contain a nonsubstitution clause that restricts the right of a local board to:

- (1) Continue to provide a service or activity; or
- (2) Replace or provide a substitute for any property financed or purchased by the contract.

(i) No deficiency judgment may be rendered against any local board of education or any unit of local government, as defined in G.S. 160A-20(h), in any action for breach of a contractual obligation authorized by this section, and the taxing power of a unit of local government is not and may not be pledged directly or indirectly to secure any moneys due under a contract authorized by this section. (1995 (Reg. Sess., 1996), c. 716, s. 14; 1997-236, s. 4.)

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 716, s. 28, provides: “(a) G.S. 150B-21.2(a) shall not apply to proposed adopted by the State Board of Education if the proposed rules are directly related to the implementation of this act.

“(b) Notwithstanding G.S. 150B-21.3(b), a permanent rule that is adopted by the State Board of Education, is approved by the Rules Review Commission, and is directly related to the implementation of this act, shall become effective five business days after the Commission delivers the rule to the Codifier of Rules, unless the rule specifies a later effective date. If the State Board of Education specifies a later effective date, the rule becomes effective upon that date. A permanent rule that is adopted by the State Board of Education that is directly related to the implementation of this act, but is not approved by the Rules Review Commission, shall not become effective.

“(c) G.S. 150-21.4(b1) shall not apply to permanent rules the State Board of Education proposes to adopt if those rules are directly

related to the implementation of this act.

“(d) The State Board of Education shall determine whether a proposed rule is directly related to this act based upon a finding that there is a rational relationship between the proposed rule and specific provisions of this act. A proposed rule may create, amend, or repeal a rule. The State Board shall indicate in the notice of the proposed text that the rule is directly related to the implementation of this act and that the Board is proceeding under the authority granted by this act.

“(e) The State Board of Education shall provide written notice to all boards of county commissioners and all local boards of education of proposed rules that are directly related to the implementation of this act and that would affect the expenditures or revenues of a unit of local government under G.S. 150B-21.4(b). The notice shall state that a copy of the fiscal note may be obtained from the State Board.

“(f) This section shall not apply to Sections 11-15.1 of this act.”

§ 115C-529. Useful life guidelines.

The Information Resource Management Commission shall develop and annually revise guidelines for determining the useful life of computers purchased under G.S. 115C-528. The Division of Purchase and Contract shall develop and periodically revise guidelines for determining the useful life of automobiles, school buses, and photocopiers purchased under G.S. 115C-528. The Local Government Commission shall develop and periodically revise guidelines for determining the useful life of mobile classroom units purchased under G.S. 115C-528. Guidelines for computers and photocopiers shall include provisions for upgrades during the term of the contract. The Information Resource Management Commission, the Division of Purchase and Contract, and the Local Government Commission shall provide their respective guidelines to the State Board of Education by November 1, 1996. The State Board of Education shall provide the guidelines to local boards of education by January 1, 1997. (1995 (Reg. Sess., 1996), c. 716, s. 15)

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 716, s. 15, was codified as this section at the direction of the Revisor of Statutes.

§ 115C-530. Operational leases of school buildings and school facilities.

(a) Local boards of education may enter into operational leases of real or personal property for use as school buildings or school facilities. Operational leases for terms of less than three years shall not be subject to the approval of the board of county commissioners. Operational leases for terms of three years or longer, including periods that may be added to the original term through the exercise of options to renew or extend, are permitted if all of the following conditions are met:

- (1) The budget resolution includes an appropriation authorizing the current fiscal year's portion of the obligation.
- (2) An unencumbered balance remains in the appropriation sufficient to pay in the current fiscal year the sums obligated by the lease for the current fiscal year.
- (3) The leases are approved by a resolution adopted by the board of county commissioners. If an operational lease is approved by the board of county commissioners, in each year the county commissioners shall appropriate sufficient funds to meet the amounts to be paid during the fiscal year under the lease.
- (4) Any construction, repair, or renovation of the property is in compliance with the requirements of G.S. 115C-521(c) relating to energy guidelines.

For purposes of this section, an operational lease is defined according to generally accepted accounting principles.

(b) Local boards of education may enter into contracts for the repair or renovation of leased property if (i) the budget resolution includes an appropriation authorizing the obligation, (ii) an unencumbered balance remains in the appropriation sufficient to pay in the current fiscal year the sums obligated by the transaction for the current fiscal year, and (iii) the repair or renovation is in compliance with the requirements of G.S. 115C-521(c) relating to energy guidelines. Contracts for renovation that are subject to the bidding requirements of G.S. 143-129(a) and which do not constitute continuing contracts for capital outlay must be approved by the board of county commissioners.

(c) Operational leases and contracts entered into under this section are subject to approval by the Local Government Commission under Article 8 of Chapter 159 of the General Statutes if they meet the standards set out in G.S. 159-148(a) (1), 159-148(a) (2), and 159-148(a) (3). For purposes of determining whether the standards set out in G.S. 159-148(a) (3) have been met, only the five hundred thousand dollar (\$500,000) threshold shall apply. (1997-236, s. 2.)

ARTICLE 38.

State Insurance of Public School Property.

§ 115C-533. Duty of State Board to operate insurance system.

The State Board shall have the duty to manage and operate a system of insurance for public school property. (1955, c. 1372, art. 2, s. 2; 1957, c. 541, s.

11; 1961, c. 969; 1963, c. 448, ss. 24, 27; c. 688, ss. 1, 2; c. 1223, s. 1; 1965, c. 1185, s. 2; 1967, c. 643, s. 1; 1969, c. 517, s. 1; 1971, c. 704, s. 4; c. 745; 1973, c. 476, s. 138; c. 675; 1975, c. 699, s. 2; c. 975; 1979, c. 300, s. 1; c. 935; 1981, c. 423, s. 1.)

§ 115C-534. Duty to insure property.

(a) The board of every local school administrative unit in the public school system of this State, in order to safeguard the investment made in public schools, shall:

- (1) Insure and keep insured to the extent of not less than seventy-five percent (75%) of the current insurable value as determined by the insurer and the insured of each of its insurable buildings against fire, lightning and the perils embraced in extended coverage.
- (2) Insure and keep insured adequately the equipment and contents of said building.

(b) The tax-levying authority for each local school administrative unit shall appropriate funds necessary for compliance with the provisions of subsection (a).

(c) Willful failure to comply with the provisions of (a) and (b) above, is declared a Class 3 misdemeanor. Every 24 hours without such insurance constitutes a separate offense. (1957, c. 1040; 1981, c. 423, s. 1; 1993, c. 539, s. 893; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 115C-535. Authority and rules for organization of system.

The State Board of Education is hereby authorized, directed and empowered to establish a division to manage and operate a system of insurance for public school property. The Board shall adopt such rules and regulations as, in its discretion, may be necessary to provide all details inherent in the insurance of public school property. The Board shall employ a director, safety inspectors, engineers and other personnel with suitable training and experience, which in its opinion is necessary to insure and protect effectively public school property, and it shall fix their compensation with the approval of the Personnel Commission. (1955, c. 1372, art. 16, s. 1; 1981, c. 423, s. 1.)

§ 115C-536. Public School Insurance Fund; decrease of premiums when fund reaches five percent of total insurance in force.

There shall be set up in the books of the State Treasurer a fund to be known and designated as the "Public School Insurance Fund," which fund hereafter in G.S. 115C-535 to 115C-542 is referred to as "the Fund." In order to provide adequate reserves against losses which may be incurred on account of the risks insured against as provided in G.S. 115C-535 to 115C-542 and to provide payment for such losses as may be incurred therein, there is hereby appropriated to the Fund the sum of two million dollars (\$2,000,000), which shall be paid from and charged to the State Literary Fund as set up and defined in this Chapter. When the reserves in the Fund shall be increased by the payment of premiums by the governing boards of local school administrative school units, or otherwise, to the extent of one million dollars (\$1,000,000), there shall be transferred from the Fund back to the State Literary Fund the sum of one million dollars (\$1,000,000) and when the Fund shall again be increased to the extent of another one million dollars (\$1,000,000), there shall be transferred therefrom back to the State Literary Fund an additional sum of one million

dollars (\$1,000,000) in full reimbursement of the sum of two million dollars (\$2,000,000), which is authorized to be transferred from the State Literary Fund by the provisions hereof. All funds paid over to the State Treasurer for premiums on insurance by the governing boards of local school administrative units and all money received from interest or from loans and deposits and from any other source connected with the insurance of the property hereinafter referred to shall be held by the State Treasurer in the Fund for the purpose of paying all fire, lightning, windstorm, hail and explosion losses for which the said Fund shall be liable and the expenses necessary for the proper conduct of the insurance of said property, together with such premiums for reinsurance of such part of said insurance as the State Board of Education may deem necessary to reinsure, as provided for in G.S. 115C-535 to 115C-542. The State Treasurer shall be the custodian of the Fund and shall invest its assets in accordance with the provisions of G.S. 147-69.2 and 147-69.3.

When the Fund herein provided for reaches the sum of five percent (5%) of the total insurance in force, then annually thereafter the State Board of Education shall proportionately decrease the premiums on insurance to an amount which will be sufficient to maintain the Fund at five percent (5%) of the total insurance in force, and in the event in the judgment of the State Board of Education the income from the investments of the Fund are sufficient to maintain the same at five percent (5%) of the total insurance in force, no premium shall be charged for the ensuing year: Provided, that no building or property insured shall cease to pay premiums until five annual payments of premiums have been made whether or not through such payments the Fund shall be increased beyond five percent (5%) of the total insurance in force, unless such building or property shall cease to be insurable within the meaning of G.S. 115C-535 to 115C-542 within such five-year period. (1955, c. 1372, art. 16, s. 2; 1981, c. 423, s. 1.)

§ 115C-537. Insurance of property by local boards; notice of election to insure and information to be furnished; outstanding policies.

All local boards of education may insure all property within their units against the direct loss or damage by fire, lightning, windstorm, hail or explosions resulting by reason of defects in equipment in public school buildings and other public school properties in the Fund hereinbefore set up and provided for. Any property covered by an insurance policy in effect on the date when the property of a unit is insured in the Fund shall be insured by the Fund as of the expiration of the policy. Each local board shall give notice of its election to insure in the Fund at least 30 days prior to such insurance becoming effective and shall furnish to the State Board of Education a full and complete list of all outstanding fire insurance policies, giving in complete detail the name of the insurers, the amount of the insurance and expirations thereof. While the said insurance policies remain in effect, the Fund shall act as coinsurer of the properties covered by such insurance to the same extent and in the same manner as is provided for coinsurance under the provisions of the standard form of fire insurance as provided by law, and in the event of loss shall have the same rights and duties as required by participating insurance companies. (1955, c. 1372, art. 16, s. 3; 1957, c. 686, s. 3; 1981, c. 423, s. 1.)

§ 115C-538. Inspections of insured public school properties.

The State Board of Education shall provide for periodic inspections of all public school properties in the State of North Carolina insured under the

provisions hereof, the said inspections for safety of buildings and particularly school buildings, against the loss or damage from fire and explosions. The inspections shall be the basis for offering such engineering advice as may be thought to be necessary to safeguard the children in the public schools from death and injury from school fires or explosions and to protect said school properties from loss, and the local boards of education shall be required so far as possible, and reasonable, to carry out and put into effect such recommendations in respect thereto as may be made by the State Board of Education. (1955, c. 1372, art. 16, s. 4; 1981, c. 423, s. 1.)

§ 115C-539. Information to be furnished prior to insuring in Fund; providing for payment of premiums.

Local boards of education shall at least 30 days before insuring in the Fund, furnish to the State Board of Education a complete and detailed list of all school buildings and contents thereof and other insurable school property, together with an estimate of the present value of the said property. Valuation for purposes of insuring in the Fund shall be reached by agreement in accordance with the procedure hereinafter set up for adjustment of losses. Local boards of education and the tax-levying authority shall be required to provide for the payment of premiums for insurance on the school properties of each local school administrative unit, respectively, to the extent of not less than seventy-five percent (75%) of the current insurable value of the said properties, including the insurance in fire insurance companies and the insurance provided by the Fund as set out herein. (1955, c. 1372, art. 16, s. 5; 1981, c. 423, s. 1.)

§ 115C-540. Determination and adjustment of premium rates; certificate as to insurance carried; no lapse; notice as to premiums required, and payment thereof.

The State Board of Education shall determine the annual premium rate to be charged for insurance of school properties as herein provided, which said rate shall not, however, be in excess of the rates fixed by law for insurance of such properties in effect on May 31, 1948, and such rates shall be adjusted from time to time so as to provide insurance against damage or loss resulting from fires, lightning, windstorm, hail or explosions resulting from defects in equipment in public school buildings and properties for the local school administrative units at the lowest cost possible in keeping with the payment of cost of administration of G.S. 115C-535 to 115C-542, and the creation of adequate reserves to pay losses which may be incurred. The State Board of Education shall furnish to each local school administrative unit annually and, at such times as changes may require, a certificate showing the amount of insurance carried on each item of insurable property. The said insurance shall not lapse but shall remain in force until the local board of education requests that said insurance be canceled or until such property becomes uninsurable in the manner set out in G.S. 115C-542. From time to time the local board of education shall be notified as to the amount of the premiums required to be paid for said insurance and the amounts thereof shall be provided for in the annual budget of such schools. The tax-levying authorities shall provide by taxation or otherwise a sum sufficient to pay the required premiums thereon.

The local board of education shall within 30 days from notice thereof pay to the State Board of Education the premiums on such insurance, and in the event that there are no funds on hand at such time with which to make said

payment, the same shall be paid out of the first funds available to such school board. Delayed payments shall bear interest at the rate of six percent (6%) per annum. (1955, c. 1372, art. 16, s. 6; 1981, c. 423, s. 1.)

§ 115C-541. Adjustment of losses; determination and report of appraisers; payment of amounts to treasurers of local school administrative units; disbursement of funds.

In the event of loss or damage by fire, lightning, windstorm, hail, or explosions resulting from defects in equipment in public school buildings and properties for the local school administrative units, the Fund shall pay the loss in the same proportion as the amount of insurance carried bore to the valuation of the property at the time it was insured, but not exceeding the amount which it would cost to repair or replace the property with material of like quality within a reasonable time after such loss, not in excess of the amount of insurance provided for said property, and not in excess of the amount of such loss which the Fund is required to pay in participation with fire insurance companies having policies of insurance in force on said properties at the time of the loss or damage, and the Fund shall not be liable for a greater proportion of any loss than the amount of insurance thereon shall bear to the whole insurance covering the property against the peril involved.

In the event of loss or damage by fire, lightning, windstorm, hail, or explosions resulting from defects in equipment in public school buildings and properties of the local school administrative units, to the property insured, when an agreement as to the extent of such loss or damage cannot be arrived at between the State Board of Education and the local officials having charge of the said property, the amount of such loss or damage shall be determined by three appraisers; one to be named by the State Board of Education, one by the local board of education having charge of the property, and the two so appointed shall select a third, all of whom shall be disinterested persons, and qualified from experience to appraise and value such property: Provided, however, if the appraisers appointed by the State Board of Education and the local board of education shall fail for 15 days to agree upon the third appraiser, then, on request of the State Board of Education or the local board of education having charge of the property, such third appraiser shall be selected by any regular resident superior court judge of the superior court district or set of districts as defined in G.S. 7A-41.1 in which the property is located. The appraisers so named shall file their written report with the State Board of Education and with the local board of education having such property in charge. The costs of the appraisal shall be paid by the Fund. Upon the determination of the loss by the appraisers, the State Board of Education shall pay the amount of such loss or damage to school property in the control of the local school administrative unit to its treasurer, upon proper warrant of the State Board of Education. Said funds shall be paid out by the treasurer of said units, as provided by this Chapter for the disbursement of the funds of such unit. (1955, c. 1372, art. 16, s. 7; 1981, c. 423, s. 1; 1987 (Reg. Sess., 1988), c. 1037, s. 110.)

§ 115C-542. Maintenance of inspection and engineering service; cancellation of insurance.

The State Board of Education is authorized and empowered to maintain an inspection and engineering service deemed by it appropriate and necessary to reduce the hazards of fire in public school buildings insured in the Fund as

hereinbefore provided, and to expend for such purpose not in excess of ten percent (10%) of the annual premiums collected from the local school authorities. The State Board of Education is hereby authorized and empowered to cancel any insurance on any school property when, in its opinion, because of dilapidation and depreciation such property is no longer insurable. Before cancellation, the local board of education shall be given at least 30 days notice, and in the event said property can be restored to insurable condition, the State Board of Education may make such orders with respect to the continuance of such coverage as may be deemed proper: Provided, that the findings and results of the inspection of local school property by the agents of the Board shall be reported to local boards of education and to the board of county commissioners of such units as carry insurance with the State 30 days before budget-making time in order that all school property shall be properly taken care of and made safe from fire hazards. (1955, c. 1372, art. 16, s. 8; 1981, c. 423, s. 1.)

§ 115C-543. Other property insurance.

The State Board of Education may adopt rules for providing property insurance on property insured by the Fund against all risks of direct physical loss not otherwise insured against pursuant to this Article. Losses covered by this additional insurance shall be paid out of the Fund in the same manner as fire and extended coverage losses.

Each local school administrative unit that elects to purchase this additional insurance shall pay a premium in accordance with rates fixed by the Board. This additional insurance shall be subject to the provisions and stipulations on policy forms approved by the State Board. (1987, c. 312, s. 1.)

§§ 115C-544 through 115C-546: Reserved for future codification purposes.

ARTICLE 38A.

Public School Building Capital Fund.

§ 115C-546.1. Creation of Fund; administration.

(a) There is created the Public School Building Capital Fund. The Fund shall be used to assist county governments in meeting their public school building capital needs and their equipment needs under their local school technology plans.

(b) **(See notes)** Each calendar quarter, the Secretary of Revenue shall remit to the State Treasurer for credit to the Public School Building Capital Fund an amount equal to two thirty-firsts ($\frac{2}{31}$) of the net collections received during the previous quarter by the Department of Revenue under G.S. 105-130.3 minus two million five hundred thousand dollars (\$2,500,000). All funds deposited in the Public School Building Capital Fund shall be invested as provided in G.S. 147-69.2 and G.S. 147-69.3.

(b) **(See notes)** Each calendar quarter, the Secretary of Revenue shall remit to the State Treasurer for credit to the Public School Building Capital Fund an amount equal to the applicable fraction provided in the table below of the net collections received during the previous quarter by the Department of Revenue under G.S. 105-130.3 minus two million five hundred thousand dollars (\$2,500,000). All funds deposited in the Public School Building Capital Fund shall be invested as provided in G.S. 147-69.2 and G.S. 147-69.3.

§ 115C-546.1(b) is set out twice. See notes.

<i>Period</i>	<i>Fraction</i>
10/1/97 to 9/30/98	One-fifteenth ($\frac{1}{15}$)
10/1/98 to 9/30/99	Two twenty-ninths ($\frac{2}{29}$)
10/1/99 to 9/30/00	One-fourteenth ($\frac{1}{14}$)
After 9/30/00	Five sixty-ninths ($\frac{5}{69}$)

(c) The Fund shall be administered by the Office of State Budget and Management. (1987, c. 622, s. 12; c. 813, s. 20; 1989 (Reg. Sess., 1990), c. 1066, s. 28(b); 1991, c. 689, s. 260; 1995 (Reg. Sess., 1996), c. 631, s. 15; 1996, 2nd Ex. Sess. c. 13, s. 2.2; 1997-221, s. 26.)

Subsection (b) Set Out Twice. — The first version of subsection (b) was to be effective until October 1, 1997, subject to a contingent amendment described in the Editor's note, below. The second version of subsection (b) was to be effective October 1, 1997, subject to the same contingent amendment, described in the Editor's note, below.

Cross References. — As to the purpose of The Excellent Schools Act, Session Laws 1997-221, see the Editor's note under § 115C-105.38A.

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 631, s. 15, provides for the amendment of subsection (b) by deleting "minus two million five hundred thousand dollars (\$2,500,000)" at the end of the first sentence. Session Laws 1995 (Reg. Sess., 1996), c. 631, s. 17, provides that section 15 of the act becomes effective "30 days after the last local school administrative unit on the priority list established in 1988 by The Commission on School Facility Needs is funded under G.S. 115C-489.2." As of October 14, 1997, the contingency described in Session Laws 1995 (Reg. Sess.,

1996), c. 631, s. 17, has not occurred; thus the amendment by section 15 of that act has not become effective. The contingency is not expected to occur until after 2000.

Session Laws 1995 (Reg. Sess., 1996), c. 631, s. 17, provides in part: "This act does not obligate the General Assembly to appropriate funds."

Session Laws 1996, Second Extra Session, c. 13, s. 10.1, provides: "This act does not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by this act before its amendment or repeal; nor does it affect the right to any refund or credit of a tax that would otherwise have been available under the amended or repealed statute before its amendment or repeal."

Session Laws 1997-221, s. 32, provides: "This act shall not be construed to obligate the General Assembly to appropriate any funds to implement the provisions of this act. Nothing in Sections 16 through 25 or Sections 28 through 30 of this act shall be construed to create any rights or causes of action."

CASE NOTES

Plaintiffs Should Have Sought Leave to Amend Although Claims Raised in Answer.

— Where the essence of plaintiffs' complaint and amended complaint was that defendants made unauthorized and unwarranted diversions of school bond proceeds to purposes other than those authorized by the bond resolution, namely for purchase and renovation of the Square D facility, and where neither complaint included an allegation that monies from other sources of revenue were improperly diverted, although defense, asserted in the answer of the Board of Education defendants, raised a claim

of misappropriation of revenues other than bond proceeds, the trial court did not err in limiting denial of defendants' motions to dismiss to only the allegations relating to the propriety of the expenditure of school bond proceeds on the Square D facility; if plaintiffs desired to add a claim that defendants diverted sources of revenue other than school bond proceeds, plaintiffs should have sought leave to amend under 1A-1, Rule 15(a). *Moore v. Wykle*, 107 N.C. App. 120, 419 S.E.2d 164, cert. denied, 332 N.C. 666, 424 S.E.2d 405 (1992).

§ 115C-546.2. Allocations from the Fund; uses; expenditures; reversion to General Fund; matching requirements.

(a) Monies in the Fund shall be allocated to the counties on a per average

daily membership basis according to the average daily membership for the budget year as determined and certified by the State Board of Education. Interest earned on funds allocated to each county shall be allocated to that county.

(b) Counties shall use monies in the Fund for capital outlay projects including the planning, construction, reconstruction, enlargement, improvement, repair, or renovation of public school buildings and for the purchase of land for public school buildings; for equipment to implement a local school technology plan that is approved pursuant to G.S. 115C-102.6C; or for both. Monies used to implement a local school technology plan shall be transferred to the State School Technology Fund and allocated by that Fund to the local school administrative unit for equipment.

As used in this section, "public school buildings" only includes facilities for individual schools that are used for instructional and related purposes and does not include centralized administration, maintenance, or other facilities.

In the event a county finds that it does not need all or part of the funds allocated to it for capital outlay projects including the planning, construction, reconstruction, enlargement, improvement, repair, or renovation of public school buildings, for the purchase of land for public school buildings, or for equipment to implement a local school technology plan, the unneeded funds allocated to that county may be used to retire any indebtedness incurred by the county for public school facilities.

In the event a county finds that its public school building needs and its school technology needs can be met in a more timely fashion through the allocation of financial resources previously allocated for purposes other than school building needs or school technology needs and not restricted for use in meeting public school building needs or school technology needs, the county commissioners may, with the concurrence of the affected local Board of Education, use those financial resources to meet school building needs and school technology needs and may allocate the funds it receives under this Article for purposes other than school building needs or school technology needs to the extent that financial resources were redirected from such purposes. The concurrence described herein shall be secured in advance of the allocation of the previously unrestricted financial resources and shall be on a form prescribed by the Local Government Commission.

(c) Monies in the Fund allocated for capital projects shall be matched on the basis of one dollar of local funds for every three dollars of State funds. Monies in the Fund transferred to the State Technology Fund do not require a local match.

Revenue received from local sales and use taxes that is restricted for public school capital outlay purposes pursuant to G.S. 105-502 or G.S. 105-487 may be used to meet the local matching requirement. Funds expended by a county after July 1, 1986, for land acquisition, engineering fees, architectural fees, or other directly related costs for a public school building capital project that was not completed prior to July 1, 1987, may be used to meet the local match requirement. (1987, c. 622, s. 12; c. 813, ss. 18.1, 19.1, 21; 1991 (Reg. Sess., 1992), c. 1030, s. 30; 1997-221, s. 27.)

SUBCHAPTER X. PRIVATE AND PROPRIETARY SCHOOLS.

ARTICLE 39.

Nonpublic Schools.

Part 1. Private Church Schools and Schools of Religious Charter.

§ 115C-547. Policy.

In conformity with the Constitutions of the United States and of North Carolina, it is the public policy of the State in matters of education that "No human authority shall, in any case whatever, control or interfere with the rights of conscience," or with religious liberty and that "religion, morality and knowledge being necessary to good government and the happiness of mankind . . . the means of education shall forever be encouraged." (1979, c. 505; 1981, c. 423, s. 1.)

For note, "Delconte v. State: Some Thoughts on Home Education," see 64 N.C.L. Rev. 1302 (1986).

CASE NOTES

Purpose. — The evident purpose of Parts 1 (§ 115C-547 et seq.) and 2 (§ 115C-555 et seq.) of Article 39 of Chapter 115C is to loosen, rather than tighten, the standards for nonpublic education in North Carolina. *Delconte v. State*, 313 N.C. 384, 329 S.E.2d 636 (1985).

Home Instruction of Children. — Plain-

tiff's home instruction of his school-age children was not prohibited by compulsory school attendance statutes. *Delconte v. State*, 313 N.C. 384, 329 S.E.2d 636 (1985).

OPINIONS OF ATTORNEY GENERAL

Requirements for Home School. — Parents who educate their child in a home school which has not met the requirements of Article 39 (§ 115C-547 et seq.) of Chapter 115C, but has been created as a satellite by another

recognized home school, are not in compliance with the Compulsory Attendance Law. See opinion of Attorney General to Mr. Charles C. McConnell, Superintendent, Haywood County Schools, 55 N.C.A.G. 86 (1986).

§ 115C-548. Attendance; health and safety regulations.

Each private church school or school of religious charter shall make, and maintain annual attendance and disease immunization records for each pupil enrolled and regularly attending classes. Attendance by a child at any school to which this Part relates and which complies with this Part shall satisfy the requirements of compulsory school attendance: Provided, however, that such school operates on a regular schedule, excluding reasonable holidays and vacations, during at least nine calendar months of the year. Each school shall be subject to reasonable fire, health and safety inspections by State, county and municipal authorities as required by law. (1979, c. 505; 1981, c. 423, s. 1.)

CASE NOTES

There are four ways by which school-aged children in this State may comply with school attendance statutes. First, under § 115C-378 a child may attend public school. Second, under the same section, a child may attend an "approved," "nonpublic school" which maintains the required records and conducts its curriculum concurrently with the local public school. Third, a child may attend a "private church school or school of religious charter" which meets the requirements of § 115C-547 et seq. Fourth, a child may attend a

"nonpublic school" which "qualifies" by meeting the requirements of § 115C-555 et seq. *Delconte v. State*, 313 N.C. 384, 329 S.E.2d 636 (1985).

Home Instruction of Children. — Plaintiff's home instruction of his school-age children was not prohibited by compulsory school attendance statutes. *Delconte v. State*, 313 N.C. 384, 329 S.E.2d 636 (1985).

Applied in *Duro v. District Att'y*, 712 F.2d 96 (4th Cir. 1983).

§ 115C-549. Standardized testing requirements.

Each private church school or school of religious charter shall administer, at least once in each school year, a nationally standardized test or other nationally standardized equivalent measurement selected by the chief administrative officer of such school, to all students enrolled or regularly attending grades three, six and nine. The nationally standardized test or other equivalent measurement selected must measure achievement in the areas of English grammar, reading, spelling and mathematics. Each school shall make and maintain records of the results achieved by its students. For one year after the testing, all records shall be made available, subject to the provision of G.S. 115C-196, at the principal office of such school, at all reasonable times, for annual inspection by a duly authorized representative of the State of North Carolina. (1979, c. 505; 1981, c. 423, s. 1; 1987, c. 738, s. 180(b).)

Editor's Note. — Section 115C-196, referred to in this section, was repealed by Session Laws 1985 (Reg. Sess., 1986), c. 1014, s. 74(a), effective

July 15, 1986. For present provisions as to testing, see § 115C-174.10 et seq.

CASE NOTES

Applied in *Duro v. District Att'y*, 712 F.2d 96 (4th Cir. 1983).

§ 115C-550. High school competency testing.

To assure that all high school graduates possess those minimum skills and that knowledge thought necessary to function in society, each private church school or school of religious charter shall administer at least once in each school year, a nationally standardized test or other nationally standardized

equivalent measure selected by the chief administrative officer of such school, to all students enrolled and regularly attending the eleventh grade. The nationally standardized test or other equivalent measurement selected must measure competencies in the verbal and quantitative areas. Each private church school or school of religious charter shall establish a minimum score which must be attained by a student on the selected test in order to be graduated from high school. For one year after the testing, all records shall be made available, subject to the provision of G.S. 115C-196, at the principal office of such school, at all reasonable times, for annual inspection by a duly authorized representative of the State of North Carolina. (1979, c. 505; 1981, c. 423, s. 1.)

Editor's Note. — Section 115C-196, referred in this section, was repealed by Session Laws 1985 (Reg. Sess., 1986), c. 1014, s. 74(a), effective

July 15, 1986. For present provisions as to testing, see § 115C-174.10 et seq.

CASE NOTES

Applied in *Duro v. District Att'y*, 712 F.2d 96 (4th Cir. 1983).

§ 115C-551. Voluntary participation in the State programs.

Any such school may, on a voluntary basis, participate in any State operated or sponsored program which would otherwise be available to such school, including but not limited to the high school competency testing and statewide testing programs. (1979, c. 505; 1981, c. 423, s. 1.)

§ 115C-552. New school notice requirements; termination.

(a) Any new school to which this Part relates shall send to a duly authorized representative of the State of North Carolina a notice of intent to operate, name and address of the school, and name of the school's owner and chief administrator.

(b) Any school to which this Part applies shall notify a duly authorized representative of the State of North Carolina upon termination of the school. (1979, c. 505; 1981, c. 423, s. 1.)

§ 115C-553. Duly authorized representative.

The duly authorized representative of the State of North Carolina to whom reports of commencing operation and termination shall be made and who may inspect certain records under this Part shall be designated by the Governor. (1979, c. 505; 1981, c. 423, s. 1.)

§ 115C-554. Requirements exclusive.

No school, operated by any church or other organized religious group or body as part of its religious ministry, which complies with the requirements of this Part shall be subject to any other provision of law relating to education except requirements of law respecting fire, safety, sanitation and immunization. (1979, c. 505; 1981, c. 423, s. 1.)

Part 2. Qualified Nonpublic Schools.

§ 115C-555. Qualification of nonpublic schools.

The provisions of this Part shall apply to any nonpublic school which has one or more of the following characteristics:

- (1) It is accredited by the State Board of Education.
- (2) It is accredited by the Southern Association of Colleges and Schools.
- (3) It is an active member of the North Carolina Association of Independent Schools.
- (4) It receives no funding from the State of North Carolina. (1979, c. 506; 1981, c. 423, s. 1.)

Each subdivision of this section is equally specific and discrete and stands on its own footing. And this section clearly re-

quires that only one of the “characteristics” which it sets out be present. *Delconte v. State*, 313 N.C. 384, 329 S.E.2d 636 (1985).

Home Instruction of Children. — Plaintiff’s home instruction of his school-age children was not prohibited by compulsory school attendance statutes. *Delconte v. State*, 313 N.C. 384, 329 S.E.2d 636 (1985).

(b) "Duly authorized representative of the State" means the Director, Division of Nonpublic Education, or his staff. (1987 (Reg. Sess., 1988), c. 891, s. 1.)

(a) The Secretary of Administration, upon consideration of the advice of the Division of Nonpublic Education in the Office of the Governor and representatives of nonpublic schools, shall adopt rules for the procedures a person who is or was enrolled in a home school, in a nonpublic school that is not accredited by the State Board of Education, or in an educational program found by a court, prior to July 1, 1998, to comply with the compulsory attendance law, must follow and the requirements that person must meet to obtain a driving eligibility certificate. The procedures shall provide that the person who is required under G.S. 20-11(n) to sign the driving eligibility certificate must provide the certificate if he or she determines that one of the following requirements is met:

Other than identifying under which statutory subsection the student is no longer eligible, no other details or information concerning the student's school record shall be released pursuant to this consent. This form shall be used for students enrolled in home schools or nonpublic schools.

The purposes of this Chapter are to provide for the establishment, organization, and administration of a system of educational institutions throughout the State offering courses of instruction in one or more of the general areas of two-year college parallel, technical, vocational, and adult education programs, to serve as a legislative charter for such institutions, and to authorize the levying of local taxes and the issuing of local bonds for the support thereof. The major purpose of each and every institution operating under the provisions of this Chapter shall be and shall continue to be the offering of vocational and technical education and training, and of basic, high school level, academic education needed in order to profit from vocational and technical education, for students who are high school graduates or who are beyond the compulsory age limit of the public school system and who have left the public schools, provided, juveniles of any age committed to the Office of Juvenile Justice by a court of competent jurisdiction may, if approved by the director of the training school to which they are assigned, take courses offered by institutions of the system if they are otherwise qualified for admission. (1963, c. 448, s. 23; 1969, c. 562, s. 1; 1979, c. 462, s. 2; 1985, c. 479, s. 68; 1997-443, s. 11A.118(a); 1998-202, s. 4(p).)

Editor's Note. — This Chapter was enacted by Session Laws 1979, c. 462, which also repealed former Chapter 115A. Where appropriate, the historical citations to the sections in the former Chapter have been added to corresponding sections in this Chapter.

Session Laws 1987, c. 564, s. 6 changed the heading of this Chapter from "Community Colleges and Technical Institutes" to "Community Colleges."

Session Laws 1989 (Reg. Sess., 1990), c. 997, s. 1 provided: "The Veterans and Military Education Program is transferred from the Department of Community Colleges and the State Board of Community Colleges to The University of North Carolina. This transfer shall have all of the elements of a Type I transfer, as that term is defined in G.S. 143A-6(a)."

to enable local community colleges to provide annual performance data to local high schools on their students that enter community colleges. The reporting system shall be implemented as of the first day of the 1991 Community College fall quarter."

OPINIONS OF ATTORNEY GENERAL

Programs of community colleges must be undertaken for educational purposes; business and service ventures, not for educa-

tional purposes, are improper. See opinion of Attorney General to Mr. John M. Jenkins, Director, N.C. Vocational Textiles School, 41

N.C.A.G. 790 (1972), rendered under former Chapter 115A.

§ 115D-2. Definitions.

As used in this Chapter:

- (1) The "administrative area" of an institution comprises the county or counties directly responsible for the local financial support and local administration of such institution as provided in this Chapter.
- (2) The term "community college" is defined as an educational institution operating under the provisions of this Chapter and dedicated primarily to the educational needs of the service area which it serves, and may offer
 - a. The freshmen and sophomore courses of a college of arts and sciences, authorized by G.S. 115D-4.1;
 - b. Organized credit curricula for the training of technicians; curricular courses may carry transfer credit to a senior college or university where the course is comparable in content and quality and is appropriate to a chosen course of study;
 - c. Vocational, trade, and technical specialty courses and programs, and
 - d. Courses in general adult education.
- (3) The term "institution" refers to any institution established pursuant to this Chapter except for the North Carolina Center for Applied Textile Technology.
- (4) The term "regional institution" means an institution whose service area as assigned by the State Board of Community Colleges includes three or more counties; provided, however, any institution receiving funds as a regional institution on May 1, 1987, shall continue to receive funds on that basis.
- (5) The term "State Board" refers to the State Board of Community Colleges.
- (6) The "tax-levying authority" of an institution is the board of commissioners of the county or all of the boards of commissioners of the counties, jointly, which constitute the administrative area of the institution.
- (7) Repealed by Session Laws 1987, c. 564, s. 1.
- (8) "Vending facilities" has the same meaning as it does in G.S. 143-12.1. (1963, c. 448, s. 23; 1969, c. 562, s. 2; 1973, c. 590, s. 1; 1979, c. 462, s. 2; c. 553; c. 896, s. 1; 1979, 2nd Sess., c. 1130, s. 1; 1983, c. 761, s. 104; 1983 (Reg. Sess., 1984), c. 1034, s. 169; 1987, c. 564, s. 1; 1999-84, s. 1.)

Effect of Amendments. — Session Laws 1999-84, s. 1, effective May 21, 1999, deleted a final sentence in subdivision (2), regarding local boards of trustees adopting institution

names before January 1, 1988, following subdivision (2)d; and substituted "Center for Applied Textile Technology" for "Vocational Textile School" in subdivision (3).

§ 115D-2.1. State Board of Community Colleges.

- (a) The State Board of Community Colleges is established.
- (b) The State Board of Community Colleges shall consist of 21 members, as follows:
 - (1) The Lieutenant Governor (or a person designated by the Lieutenant Governor) shall be a member ex officio.
 - (2) The Treasurer of North Carolina shall be a member ex officio.

- (3) The Governor shall appoint to the State Board four members from the State at large and one member from each of the six Trustee Association Regions defined in G.S. 115D-62. The initial appointments by the Governor shall be made effective July 1, 1980, or as soon as feasible thereafter. In order to establish regularly overlapping terms, the initial appointments by the Governor shall be made so that three expire June 30, 1981, three expire June 30, 1983, and four expire June 30, 1985. Each subsequent regular appointment by the Governor shall be for a term of six years and until a successor is appointed and qualifies. Any vacancy occurring among his appointees before the expiration of term shall be filled by appointment of the Governor; the member so appointed shall meet the same residential qualification, if any, as the member whom he succeeds and shall serve for the remainder of the unexpired term of that member.
- (4) The General Assembly shall elect eight members of the State Board from the State at large in the following manner:
- a. In 1980, the Senate shall elect three members, one of whom shall serve a term expiring June 30, 1981, one of whom shall serve a term expiring June 30, 1983, and one of whom shall serve a term expiring June 30, 1985. In 1985, the Senate shall elect two members to serve terms expiring June 30, 1991. Each subsequent regular election by the Senate shall be for a term of six years and until a successor is elected and qualifies.
 - b. In 1980, the House of Representatives shall elect four members, one of whom shall serve a term expiring June 30, 1981, one of whom shall serve a term expiring June 30, 1983, and two of whom shall serve a term expiring June 30, 1985. In 1985, the House of Representatives shall elect two members, to serve terms expiring June 30, 1991. Each subsequent regular election by the House of Representatives shall be for a term of six years and until a successor is elected and qualifies.
 - c. Repealed by Session Laws 1985, c. 227, s. 5.
 - d. The initial elections by the two houses of the General Assembly shall be held on or before July 1, 1980.
 - e. Any vacancy occurring among the members elected by the two houses of the General Assembly before the expiration of term shall be filled when the General Assembly next convenes. The member then elected shall be elected by the same house that elected the member whom he succeeds, and shall serve for the remainder of the unexpired term of that member.
 - f. At each session of the General Assembly held in an odd-numbered year, the Speaker of the House of Representatives and the President Pro Tempore of the Senate shall assign to either a standing or a special committee of that house the duty of receiving from the members of that house nominations of persons to be considered by that house for election to the State Board. The chairmen of the two committees shall jointly determine a common final date for receiving nominations from members of that house, and a common date for reporting to their respective houses their nominations for the State Board. Each committee shall screen the proposed candidates for nomination as to their qualifications, background, lack of statutory disabilities, and willingness and ability to serve if elected. Each Senator and each Representative may nominate only one candidate. When the nominating process is closed, each committee shall list all candidates and shall separately vote "aye" or "no" on each candidate to determine

whether that person shall be listed as a nominee of the committee. The verbal vote of a majority of those members of the committee present and voting shall constitute one nominee of the committee. An individual cannot be a candidate for nomination to more than one place. If a sufficient number of candidates is submitted to each committee, then each committee shall nominate at least two persons for each place to be filled by that chamber, otherwise each committee shall nominate at least one person for each place to be filled by each of the House of Representatives and the Senate. No person may simultaneously be a candidate for election by both houses, and if one is nominated in both houses, he shall determine by which house he shall be nominated and so advise the chairman of both committees. The two houses shall, by joint resolution, fix a common date and time for the election of members of the State Board. At the election session in each house, the committee shall report its list of nominees with the term of office indicated for each nominee. The ballot in the House of Representatives shall also include the names of all other persons nominated by a member of that house who are determined by the committee to be qualified for the offices, with the committee's list of nominees being clearly set out on the ballot. No additional nominations shall be received from the floor. Each house shall then proceed to an election of the State Board. In order to be chosen, a nominee shall receive the votes of a majority of all members present and voting.

When each house has chosen one person for each place to be filled on the State Board, the chairman of the committee shall make a motion for the simultaneous election of those persons by that house to the indicated positions and for the indicated terms. The vote shall then be called electronically. If a majority of those voting shall vote "aye," persons named in the motion shall be declared to have been elected. Each house may adopt rules consistent with this section with respect to the election by that house of members of the State Board.

- (5) The person serving as president of the North Carolina Comprehensive Community College Student Government Association shall be an ex officio member of the State Board. If the president of the Association is unable for any reason to serve as the student member of the State Board, then pursuant to the constitution of the Association, the vice-president of the Association shall serve as the student member of the State Board. Any person serving as the student member of the State Board must be a student in good standing at a North Carolina community college. Special meetings of the State Board may be set at any regular meeting or may be called by the chairman. (h) Whenever any vacancy shall occur in the appointed membership of the State Board, the chairman shall inform the appropriate appointing authority of the vacancy.

(i) The State Board of Community Colleges may declare vacant the office of an appointed or elected member who does not attend three consecutive scheduled meetings without justifiable excuse. The chairman of the State Board shall notify the appropriate appointing or electing authority of any vacancy. § 115D-3. Community Colleges System Office; staff.

The Community Colleges System Office shall be a principal administrative department of State government under the direction of the State Board of Community Colleges, and shall be separate from the free public school system of the State, the State Board of Education, and the Department of Public Instruction. The State Board has authority to adopt and administer all policies, regulations, and standards which it deems necessary for the operation of the System Office.

The State Board shall elect a President of the North Carolina System of Community Colleges who shall serve as chief administrative officer of the Community Colleges System Office. The compensation of this position shall be fixed by the State Board from funds provided by the General Assembly in the Current Operations Appropriations Act.

The President shall be assisted by such professional staff members as may be deemed necessary to carry out the provisions of this Chapter, who shall be elected by the State Board on nomination of the President. The compensation

of the staff members elected by the Board shall be fixed by the State Board of Community Colleges, upon recommendation of the President of the Community College System, from funds provided in the Current Operations Appropriations Act. These staff members shall include such officers as may be deemed desirable by the President and State Board. Provision shall be made for persons of high competence and strong professional experience in such areas as academic affairs, public service programs, business and financial affairs, institutional studies and long-range planning, student affairs, research, legal affairs, health affairs and institutional development, and for State and federal programs administered by the State Board. In addition, the President shall be assisted by such other employees as may be needed to carry out the provisions of this Chapter, who shall be subject to the provisions of Chapter 126 of the General Statutes. The staff complement shall be established by the State Board on recommendation of the President to insure that there are persons on the staff who have the professional competence and experience to carry out the duties assigned and to insure that there are persons on the staff who are familiar with the problems and capabilities of all of the principal types of institutions represented in the system. The State Board of Community Colleges shall have all other powers, duties, and responsibilities delegated to the State Board of Education affecting the Community Colleges System Office not otherwise stated in this Chapter. § 115D-4. Establishment of institutions; capital improvements.

The establishment of all community colleges shall be subject to the approval of the General Assembly upon recommendation of the State Board of Community Colleges. In no case, however, shall favorable recommendation be made by the State Board for the establishment of an institution until it has been demonstrated to the satisfaction of the State Board that a genuine educational need exists within a proposed administrative area, that existing public and private post-high school institutions in the area will not meet the need, that adequate local financial support for the institution will be provided, that public schools in the area will not be affected adversely by the local financial support required for the institution, and that funds sufficient to provide State financial support of the institution are available.

The expenditures of any State funds for any capital improvements of existing institutions shall be subject to the prior approval of the State Board of Community Colleges and the Governor, provided that the Governor may consult with the Advisory Budget Commission before giving approval. The expenditure of State funds at any institution herein authorized to be approved by the State Board shall be subject to the terms of the Executive Budget Act unless specifically otherwise provided in this Chapter. (1963, c. 448, s. 23; 1965, c. 1028; 1971, c. 1244, s. 14; 1977, c. 154, s. 1; 1979, c. 462, s. 2; c. 896, s. 4; 1979, 2nd Sess., c. 1130, s. 1; 1983, c. 717, ss. 27-27.2; 1985 (Reg. Editor's Note. — Session Laws 1995, c. 269, s. 1, provides that a pilot correction education program that would allow prison inmates to participate in community college capital con-

struction projects is established. The State Board of Community Colleges shall report to the General Assembly prior to January 1, 1997 on the progress of the program.

CASE NOTES

Questions to Be Determined by State Courts. — Whether the plaintiff had any rights under former § 115A-4, whether the plaintiff was covered under that section and whether the plaintiff's school met the required education and occupational needs, was maintaining proper standards, and was in the administrative area were questions involving former § 115A-4, and had to be determined by State and not federal courts. *Harrell v. Trustees*

of Beaufort County Technical Inst., 354 F. Supp. 50 (E.D.N.C. 1973).

At Different Locations. — A board of trustees has full authority to establish two community colleges in different locations and as separate units. *Wynn v. Trustees of Charlotte Community College Sys.*, 255 N.C. 594, 122 S.E.2d 404 (1961), decided under former G.S. 116.49.

§ 115D-4.1. College transfer program approval; standards for programs.

(a) Repealed by Session Laws 1995, c. 288, s. 1, effective September 1, 1995.

(b) The State Board of Community Colleges may approve the addition of the college transfer program to a community college. If addition of the college transfer program to an institution would require a substantial increase in funds, State Board approval shall be subject to appropriation of funds by the General Assembly for this purpose.

(c) Addition of the college transfer program shall not decrease an institution's ability to provide programs within its basic mission of vocational and technical training and basic academic education.

(d) The State Board of Community Colleges shall develop appropriate criteria and standards to regulate the addition of the college transfer program to institutions.

(e) The State Board of Community Colleges shall develop appropriate criteria and standards to regulate the operation of college transfer programs. The criteria and standards shall require all college transfer programs to continue to meet the accreditation standards of the Southern Association of Colleges and Schools.

The State Board of Community Colleges shall report annually to the General Assembly on compliance of the community colleges with these criteria and standards.

(f) The Board of Governors of The University of North Carolina shall report to each community college and to the State Board of Community Colleges in accordance with G.S. 116-11(10b) on the academic performance of that community college's transfer students. If the State Board of Community Colleges finds that college transfer students from a community college are not consistently performing adequately at a four-year college, the Board shall review the community college's program and determine what steps are necessary to remedy the problem. The Board shall report annually to the General Assembly on the reports it receives and on what steps it is taking to remedy problems that it finds. (1987, c. 564, s. 4; 1995, c. 288, s. 1; 1999-84, s. 2.)

the North Carolina Community College System, and between those institutions and the constituent institutions of The University of North Carolina, the intention of the General Assembly to adopt a plan for the transfer of credits, and the implementation, by the State

Board of Community Colleges, of a common course numbering system.

Effect of Amendments. — Session Laws 1999-84, s. 2, effective May 21, 1999, rewrote subsection (e).

§ 115D-5. Administration of institutions by State Board of Community Colleges; personnel exempt from State Personnel Act; extension courses; tuition waiver; in-plant training; contracting, etc., for establishment and operation of extension units of the community college system; use of existing public school facilities.

(a) The State Board of Community Colleges may adopt and execute such policies, regulations and standards concerning the establishment, administration, and operation of institutions as the State Board may deem necessary to insure the quality of educational programs, to promote the systematic meeting of educational needs of the State, and to provide for the equitable distribution of State and federal funds to the several institutions.

The State Board of Community Colleges shall establish standards and scales for salaries and allotments paid from funds administered by the State Board, and all employees of the institutions shall be exempt from the provisions of the State Personnel Act. The State Board shall have authority with respect to individual institutions: to approve sites, buildings, building plans, budgets; to approve the selection of the chief administrative officer; to establish and administer standards for professional personnel, curricula, admissions, and graduation; to regulate the awarding of degrees, diplomas, and certificates; to establish and regulate student tuition and fees within policies for tuition and fees established by the General Assembly; and to establish and regulate financial accounting procedures.

The State Board of Community Colleges shall require all community colleges to meet the faculty credential requirements of the Southern Association of Colleges and Schools for all community college programs.

(a1) Notwithstanding G.S. 66-58(c)(3) or any other provisions of law, the State Board of Community Colleges may adopt rules governing the expenditure of funds derived from bookstore sales by community colleges. These expenditures shall be consistent with the mission and purpose of the Community College System. Profits may be used in the support and enhancement of the bookstores, for student aid or scholarships, for expenditures of direct benefit to students, and for other similar expenditures authorized by the board of trustees, subject to rules adopted by the State Board. These funds shall not be used to supplement salaries of any personnel.

(a2) The State Board of Community Colleges shall comply with the provisions of G.S. 116-11(10a) to plan and implement an exchange of information between the public schools and the institutions of higher education in the State.

(a3) The State Board of Community Colleges shall adopt the following rules to assist community colleges in their administration of procedures necessary to implement G.S. 20-11 and G.S. 20-13.2:

- (1) To establish the procedures a person who is or was enrolled in a community college must follow and the requirements that person must meet to obtain a driving eligibility certificate.
- (2) To require the person who is required under G.S. 20-11(n) to sign the driving eligibility certificate to provide the certificate if he or she determines that one of the following requirements is met:

- a. The person seeking the certificate is eligible for the certificate under G.S. 20-11(n)(1) and is not subject to G.S. 20-11(n1).
 - b. The person seeking the certificate is eligible for the certificate under G.S. 20-11(n)(1) and G.S. 20-11(n1).
- (3) To provide for an appeal through the grievance procedures established by the board of trustees of each community college by a person who is denied a driving eligibility certificate.
 - (4) To define exemplary student behavior and to define what constitutes the successful completion of a drug or alcohol treatment counseling program.

The State Board also shall develop policies as to when it is appropriate to notify the Division of Motor Vehicles that a person who is or was enrolled in a community college no longer meets the requirements for a driving eligibility certificate. The State Board also shall adopt guidelines to assist the presidents of community colleges in their designation of representatives to sign driving eligibility certificates.

The State Board shall develop a form for the appropriate individuals to provide their written, irrevocable consent for a community college to disclose to the Division of Motor Vehicles that the student no longer meets the conditions for a driving eligibility certificate under G.S. 20-11(n)(1) or G.S. 20-11(n1), if applicable, in the event that this disclosure is necessary to comply with G.S. 20-11 or G.S. 20-13.2. Other than identifying under which statutory subsection the student is no longer eligible, no other details or information concerning the student's school record shall be released pursuant to this consent.

(b) In order to make instruction as accessible as possible to all citizens, the teaching of curricular courses and of noncurricular extension courses at convenient locations away from institution campuses as well as on campuses is authorized and shall be encouraged. A pro rata portion of the established regular tuition rate charged a full-time student shall be charged a part-time student taking any curriculum course. In lieu of any tuition charge, the State Board of Community Colleges shall establish a uniform registration fee, or a schedule of uniform registration fees, to be charged students enrolling in extension courses for which instruction is financed primarily from State funds; provided, however, that the State Board of Community Colleges may provide by general and uniform regulations for waiver of tuition and registration fees for persons not enrolled in elementary or secondary schools taking courses leading to a high school diploma or equivalent certificate, for training courses for volunteer firemen, local fire department personnel, volunteer rescue and lifesaving department personnel, local rescue and lifesaving department personnel, Radio Emergency Associated Citizens Team (REACT) members when the REACT team is under contract to a county as an emergency response agency, local law-enforcement officers, patients in State alcoholic rehabilitation centers, all full-time custodial employees of the Department of Correction, employees of the Department's Division of Adult Probation and Parole and employees of the Office of Juvenile Justice required to be certified pursuant to Chapter 17C of the General Statutes and the rules of the Criminal Justice and Training Standards Commission, trainees enrolled in courses conducted under the New and Expanding Industry Program, clients of sheltered workshops, clients of adult developmental activity programs, students in Health and Human Services Development Programs, juveniles of any age committed to the Office of Juvenile Justice by a court of competent jurisdiction, prison inmates, and members of the North Carolina State Defense Militia as defined in G.S. 127A-5 and as administered pursuant to Article 5 of Chapter 127A of the General Statutes. Provided further, tuition shall be waived for senior citizens

Provided further, tuition shall also be waived for all courses taken by high school students at community colleges in accordance with G.S. 115D-20(4) and this section.

(c) No course of instruction shall be offered by any community college at State expense or partial State expense to any captive or co-opted group of students, as defined by the State Board of Community Colleges, without prior approval of the State Board of Community Colleges. Approval by the State Board of Community Colleges shall be presumed to constitute approval of both the course and the group served by that institution. The State Board of Community Colleges may delegate to the President the power to make an initial approval, with final approval to be made by the State Board of Community Colleges. A course taught without such approval will not yield any full-time equivalent students, as defined by the State Board of Community Colleges.

(c1) Community colleges shall report full-time equivalent (FTE) student hours for correction education programs on the basis of contact hours rather than student membership hours. No community college shall operate a multi-entry/multi-exit class or program in a prison facility, except for a literacy class or program.

The State Board shall work with the Department of Correction on offering classes and programs that match the average length of stay of an inmate in a prison facility.

(d) Community colleges shall assist in the preemployment and in-service training of employees in industry, business, agriculture, health occupation and governmental agencies. Such training shall include instruction on worker safety and health standards and practices applicable to the field of employment. The State Board of Community Colleges shall make appropriate regulations including the establishment of maximum hours of instruction which may be offered at State expense in each in-plant training program. No instructor or other employee of a community college shall engage in the normal management, supervisory and operational functions of the establishment in which the instruction is offered during the hours in which the instructor or other employee is employed for instructional or educational purposes.

(e) Repealed by Session Laws 1999-84, s. 3, effective May 21, 1999.

(f) A community college may not offer a new program without the approval of the State Board of Community Colleges except that approval shall not be required if the tuition for the program will fully cover the cost of the program. If at any time tuition fails to fully cover the cost of a program that falls under the exception, the program shall be discontinued unless approved by the State Board of Community Colleges. If a proposed new program would serve more than one community college, the State Board of Community Colleges shall perform a feasibility study prior to acting on the proposal.

The State Board of Community Colleges shall report on an annual basis to the Governor, Lieutenant Governor, the Speaker of the House of Representatives, the Joint Legislative Commission on Governmental Operations, and the Advisory Budget Commission on all new programs it approved during the year. The report shall include the specific reasons for which each program was approved.

(g) Funds appropriated to the Community Colleges System Office as operating expenses for allocation to the institutions comprising the North Carolina Community College System shall not be used to support recreation extension courses. The financing of these courses by any institution shall be on a self-supporting basis, and membership hours produced from these activities shall not be counted when computing full-time equivalent students (FTE) for use in budget-funding formulas at the State level.

(h) Whenever a community college offers real estate continuing education courses pursuant to G.S. 93A-4A, the courses shall be offered on a self-supporting basis.

(i) The State Board of Community Colleges shall report to the Joint Legislative Education Oversight Committee on March 1 and October 1 of each year on expenditures for the New and Expanding Industry Program each fiscal year. The report shall include, for each company or individual that receives funds for New and Expanding Industry:

- (2) The amount of funds per trainee received by the company or individual;
- (3) The amount of funds received per trainee by the community college training the trainee;
- (4) The number of trainees trained by company and by community college; and
- (5) The number of years the companies or individuals have been funded.

(j) The State Board of Community Colleges shall use its Board Reserve Fund for feasibility studies, pilot projects, start-up of new programs, and innovative ideas. The State Board shall report to the Joint Legislative Education Oversight Committee on expenditures from the State Board Reserve Fund on January 15 and June 15 each year.

(k) The North Carolina Community College System's New and Expanding Industry Training (NEIT) Program Guidelines, which were adopted by the State Board of Community Colleges on April 18, 1997, apply to all funds appropriated for the Program after June 30, 1997. A project approved as an exception under these Guidelines, or these Guidelines as modified by the State Board of Community Colleges, shall be approved for one year only.

(l) The State Board shall review and approve lease purchase and installment purchase contracts as provided under G.S. 115D-58.15(b). The State Board shall adopt policies and procedures governing the review and approval process. CASE NOTES

Employment Duties. — This section, making one of the duties of the Board of Trustees to elect a president of a college and to elect or employ all other personnel of the institution, essentially makes the Board of Trustees the de

facto employers of community college president and other employees, and the board should be held to the same standards as other employers for the tortious acts of its employees. *Caldwell v. Linker*, 901 F. Supp. 1010 (M.D.N.C. 1995).

§ 115D-21. Traffic regulations; fines and penalties.

(a) All of the provisions of Chapter 20 of the General Statutes relating to the use of highways of the State of North Carolina and the operation of motor vehicles thereon shall apply to the streets, roads, alleys and driveways on the campuses of all institutions in the North Carolina Community College System. Any person violating any of the provisions of Chapter 20 of the General Statutes in or on the streets, roads, alleys and driveways on the campuses of institutions in the North Carolina Community College System shall, upon conviction thereof, be punished as prescribed in this section and as provided by Chapter 20 of the General Statutes relating to motor vehicles. Nothing contained in this section shall be construed as in any way interfering with the ownership and control of the streets, roads, alleys and driveways on the campuses of institutions in the system as is now vested by law in the trustees of each individual institution in the North Carolina Community College System.

(b) The trustees are authorized and empowered to make additional rules and regulations and to adopt additional ordinances with respect to the use of the streets, roads, alleys and driveways and to establish parking areas on or off the campuses not inconsistent with the provisions of Chapter 20 of the General Statutes of North Carolina. Upon investigation, the trustees may determine and fix speed limits on streets, roads, alleys, and driveways subject to such rules, regulations, and ordinances, lower than those provided in G.S. 20-141. The trustees may make reasonable provisions for the towing or removal of unattended vehicles found to be in violation of rules, regulations and ordinances. All rules, regulations and ordinances adopted pursuant to the authority of this section shall be recorded in the proceedings of the trustees; shall be printed; and copies of such rules, regulations and ordinances shall be filed in the office of the Secretary of State of North Carolina. Violation of any such rules, regulations, or ordinances, is an infraction punishable by a penalty of not more than one hundred dollars (\$100.00).

Regardless of whether an institution does its own removal and disposal of motor vehicles or contracts with another person to do so, the institution shall

provide a hearing procedure for the owner. For purposes of this subsection, the definitions in G.S. 20-219.9 apply.

- (1) If the institution operates in such a way that the person who tows the vehicle is responsible for collecting towing fees, all provisions of Article 7A, Chapter 20, apply.
- (2) If the institution operates in such a way that it is responsible for collecting towing fees, it shall:
 - a. Provide by contract or ordinance for a schedule of reasonable towing fees,
 - b. Provide a procedure for a prompt fair hearing to contest the towing,
 - c. Provide for an appeal to district court from that hearing,
 - d. Authorize release of the vehicle at any time after towing by the posting of a bond or paying of the fees due, and
 - e. If the institution chooses to enforce its authority by sale of the vehicle, provide a sale procedure similar to that provided in G.S. 44A-4, 44A-5, and 44A-6, except that no hearing in addition to the probable cause hearing is required. If no one purchases the vehicle at the sale and if the value of the vehicle is less than the amount of the lien, the institution may destroy it.

(c) The trustees may by rules, regulations, or ordinances provide for a system of registration of all motor vehicles where the owner or operator does park on the campus or keeps said vehicle on the campus. The trustees shall cause to be posted at appropriate places on campus notice to the public of applicable parking and traffic rules, regulations, and ordinances governing the campus over which it has jurisdiction. The trustees may by rules, regulations, or ordinances establish or cause to have established a system of citations that may be issued to owners or operators of motor vehicles who violate established rules, regulations, or ordinances. The trustees shall provide for the administration of said system of citations; establish or cause to be established a system of fines to be levied for the violation of established rules, regulations and ordinances; and enforce or cause to be enforced the collection of said fines. The fine for each offense shall not exceed five dollars (\$5.00), which funds shall be retained in the institution and expended in the discretion of the trustees. The trustees shall be empowered to exercise the right to prohibit repeated violators of such rules, regulations, or ordinances from parking on the campus. (1971, c. 795, ss. 1-3; 1979, c. 462, s. 2; 1983, c. 420, s. 4; 1985, c. 764, s. 38.)

§ 115D-21.1. Campus law enforcement agencies.

(a) The board of trustees of any community college may establish a campus law enforcement agency and employ campus police officers. These officers shall meet the requirements of Chapter 17C of the General Statutes, shall take the oath of office prescribed by Article VI, Section 7 of the Constitution, and shall have all the powers of law enforcement officers generally. The territorial jurisdiction of a campus police officer shall include all property owned or leased to the community college employing the officer and that portion of any public road or highway passing through the property and immediately adjoining it, wherever located.

(b) The board of trustees of any community college that establishes a campus law enforcement agency under subsection (a) of this section may enter into joint agreements with the governing board of any municipality to extend the law enforcement authority of campus police officers into the municipality's

jurisdiction and to determine the circumstances under which this extension of authority may be granted.

(c) The board of trustees of any community college that establishes a campus law enforcement agency under subsection (a) of this section may enter into joint agreements with the governing board of any county, with the consent of the sheriff, to extend the law enforcement authority of campus police officers into the county's jurisdiction and to determine the circumstances under which this extension of authority may be granted. § 115D-23. Workers' Compensation Act applicable to institutional employees.

The provisions of Chapter 97 of the General Statutes of North Carolina, the Workers' Compensation Act, shall apply to all institutional employees. The State Board of Community Colleges shall make the necessary arrangements to carry out those provisions of Chapter 97 which are applicable to employees whose wages are paid in whole or in part from State funds. The State shall be liable for compensation, based upon the average weekly wage as defined in the act, of an employee regardless of the portion of his wage paid from other than State funds.

The board of trustees of each institution shall be liable for workers' compensation for employees whose salaries or wages are paid by the board entirely from local public or special funds. Each board of trustees is authorized to purchase insurance to cover workers' compensation liability and to include the cost of insurance in the annual budget of the institution.

The provisions of this section shall not apply to any person, firm or corporation making voluntary contributions to institutions for any purpose, and such a person, firm, or corporation shall not be liable for the payment of any sum of money under the provisions of this section. (1963, c. 448, s. 23; 1979, c. 462, s. 2; c. 714, s. 2; c. 896, s. 13; 1979, 2nd Sess., c. 1130, s. 1.)

§ 115D-24. Waiver of governmental immunity from liability for negligence of agents and employees of institutions; liability insurance.

The board of trustees of any institution, by obtaining liability insurance as provided in G.S. 115D-53, is authorized to waive its governmental immunity from liability for the death or injury of person or for property damage caused by the negligence or tort of any agent or employee of the board of trustees when the agent or employee is acting within the scope of his authority or the course of his employment. All automobiles, buses, trucks, or other motor vehicles intended primarily for use on the public roads and highways which are the

property of a board of trustees shall be insured at all times with liability insurance as provided in G.S. 115D-53. Governmental immunity shall be deemed to have been waived by the act of obtaining liability insurance, but only to the extent that the board is indemnified for the negligence or torts of its agents and employees and only as to claims arising after the procurement of liability insurance and while such insurance is in force. (1963, c. 448, s. 23; 1979, c. 462, s. 2.)

Editor's Note. — Section 115D-53, referred to in this section, was rewritten by Session Laws 1981, c. 157, and has been recodified. The subject matter of § 115D-53 is now covered by § 115D-58.12.

The agreement for salary reductions referred to in this section shall be effected under any necessary regulations and procedures adopted by the State Board of Community Colleges and on forms prepared by the State Board of Community Colleges. Notwithstanding any other provisions of this section or law, the amount by which the salary of an officer, agent or employee is reduced pursuant to this section shall not be excluded, but shall be included, in computing and making payroll deductions for social security and retirement system purposes, and in computing and providing matching funds for retirement system purposes.

Financial Support.

§ 115D-31. State financial support of institutions.

(a) The State Board of Community Colleges shall be responsible for providing, from sources available to the State Board, funds to meet the financial

needs of institutions, as determined by policies and regulations of the State Board, for the following budget items:

- (1) Plant Fund. — Furniture and equipment for administrative and instructional purposes, library books, and other items of capital outlay approved by the State Board. Provided, the State Board may, on an equal matching-fund basis from appropriations made by the State for the purpose, grant funds to individual institutions for the purchase of land, construction and remodeling of institutional buildings determined by the State Board to be necessary for the instructional programs or administration of such institutions. For the purpose of determining amount of matching State funds, local funds shall include expenditures made prior to the enactment of this Chapter or prior to an institution becoming a community college pursuant to the provisions of this Chapter, when such expenditures were made for the purchase of land, construction, and remodeling of institutional buildings subsequently determined by the State Board to be necessary as herein specified, and provided such local expenditures have not previously been used as the basis for obtaining matching State funds under the provisions of this Chapter or any other laws of the State. Notwithstanding the provisions of this subdivision, G.S. 116-53(b), or G.S. 143-31.4, appropriations by the State of North Carolina for capital or permanent improvements for community colleges may be matched with any prior expenditure of non-State funds for capital construction or land acquisition not already used for matching purposes.
- (2) Current Operating Expenses:
 - a. General administration. — Salaries and other costs as determined by the State Board necessary to carry out the functions of general administration.
 - b. Instructional services. — Salaries and other costs as determined by the State Board necessary to carry out the functions of instructional services.

Amount of matching funds to be provided by the State under this section shall be determined as follows: The population of the administrative area in which the regional institution is located shall be called the "local factor," the combined populations of all other counties served by the institution shall be called the "State factor." When the budget for the items listed in G.S. 115D-32(a)(2)a has been approved under the procedures set out in G.S. 115D-45, the administrative area in which the regional institution is located shall provide a percentage to be determined by dividing the local factor by the sum of the local factor and the State factor. The State shall provide a percentage of the necessary funds to meet this budget, the percentage to be determined by dividing the State factor by the sum of the local factor and the State factor. If the local administrative area provides less than its proportionate share, the amount of State funds provided shall be reduced by the same proportion as were the administrative area funds.

Wherever the word "population" is used in this subdivision, it shall mean the population of the particular area in accordance with the latest United States census.

(b) The State Board is authorized to accept, receive, use, or reallocate to the institutions any federal funds or aids that have been or may be appropriated by the government of the United States for the encouragement and improvement of any phase of the programs of the institutions.

(c) State funds appropriated to the State Board of Community Colleges for equipment and library books, except for funds appropriated to the Equipment Reserve Fund, shall revert to the General Fund 12 months after the close of the fiscal year for which they were appropriated. Encumbered balances outstanding at the end of each period shall be handled in accordance with existing State budget policies. The System Office shall identify to the Office of State Budget and Management the funds that revert at the end of the 12 months after the close of the fiscal year.

(d) State funds appropriated to the State Board of Community Colleges for the Equipment Reserve Fund shall be allocated to institutions in accordance with the equipment allocation formula for the fiscal period. An institution to which these funds are allocated shall spend the funds only in accordance with an equipment acquisition plan developed by the institution and approved by the State Board.

These funds shall not revert and shall remain available until expended in accordance with an approved plan.

(e) If receipts for community college tuition and fees exceed the amount certified in General Fund Codes at the end of a fiscal year, the State Board of Community Colleges shall transfer the amount of receipts and fees above those budgeted to the Equipment Reserve Fund. (d) Each college shall publish its performance on these six measures in its catalog each year beginning with the 2001 academic year. (1999-237, s. 9.2(a).)

(1981, c. 157, s. 1.)

§ 115D-57. Interim budget.

In case the adoption of the budget resolution is delayed until after July 1, the board of trustees shall authorize the president, through interim provisions, to pay salaries and the other ordinary expenses of the institution for the interval between the beginning of the fiscal year and the adoption of the budget resolution. Interim provisions so made shall be charged to the proper allocations in the budget resolution. (1981, c. 157, s. 1.)

§ 115D-58. Amendments to the budget; budget transfers.

If such payments, which are not used to repair or replace institutional buildings, exceed the total institutional indebtedness borne by all counties of the administrative area, such excess funds shall remain to the credit of the institution and shall be applied to the next succeeding plant fund budget until the excess funds shall be expended. Funds received by the trustees of an institution for loss or damage to the contents of buildings shall be divided between the board of trustees and the State Board of Community Colleges in proportion to the value of the lost contents owned by the board of trustees and the State, respectively. Any company which enters into such a contract of insurance with a board of trustees by such act waives any defense based upon the governmental immunity of such board.

(b) Any person sustaining damages, or in case of death, his personal representative, may sue a board of trustees insured under this section for the recovery of such damages in any court of competent jurisdiction in this State, but only in a county of the administrative area of the institution against which the suit is brought; and it shall be no defense to any such action that the negligence or tort complained of was in pursuance of a governmental, municipal, or discretionary function of such board of trustees, to the extent that such board is insured as provided by this section.

(c) Nothing in this section shall be construed to deprive any board of trustees of any defense whatsoever to any action for damages, or to restrict, limit, or otherwise affect any such defense; and nothing in this section shall be construed to relieve any person sustaining damages or any personal representative of any decedent from any duty to give notice of such claim to the board of trustees or commence any civil action for the recovery of damages within the applicable period of time prescribed or limited by law.

(d) No part of the pleadings which relate to or allege facts as to a defendant's insurance against liability shall be read or mentioned in the presence of the trial jury in any action brought pursuant to this section. Liability shall not attach unless the plaintiff shall waive the right to have all issues of law and fact relating to insurance in such action determined by a jury, and such issues shall be heard and determined by the judge without resort to a jury, and the jury shall be absent during any motions, arguments, testimony, or announcements of findings of fact or conclusions of law with respect thereto, unless the defendant shall request jury trial thereon.

(e) The board of trustees of all institutions in this Chapter is authorized to pay as a necessary expense the lawful premiums of liability insurance provided in this section. (1963, c. 448, s. 23; 1979, c. 462, s. 2; 1981, c. 157, s. 1; 1985, c. 489.)

(b) Contract Approval. — Contracts for more than one hundred thousand dollars (\$100,000) or for a term of more than three years shall be subject to review and approval as provided in this subsection. If the source of funds for payment of the obligation by the community college is intended to be local funds, the contract must be approved by resolution of the tax-levying authority, and the authority must acknowledge in writing its understanding that the community college may require appropriations from the tax-levying authority in order to meet the college's obligations under the contract. The tax-levying authority may in each fiscal year appropriate sufficient funds to meet the amounts to be paid during the fiscal year under the contract. If the source of funds for payment of the obligation by the community college is intended to be State funds, the contract must be approved by resolution of the State Board of Community Colleges. - (1) Extends for five or more years from the date of the contract;
- (2) Obligates the board of trustees to pay sums of money to another, regardless of whether the payee is a party to the contract; and
- (3) Obligates the board of trustees to pay five hundred thousand dollars (\$500,000) or more over the full term of the contract.

(d) Application of Section. — When determining whether a contract is subject to approval under this section the total cost of exercising an option to

upgrade property shall be taken into consideration. The term of a contract shall include periods that may be added to the original term through the exercise of an option to renew or extend.

(e) Nonsubstitution Clause. — No contract entered into under this section may contain a nonsubstitution clause that restricts the right of a board of trustees to:

- (2) Replace or provide a substitute for any property financed or purchased by the contract.

(f) Nonappropriations Clause. — No deficiency judgment may be rendered against any board of trustees, any tax-levying authority, the State Board of Community Colleges, or the State of North Carolina in any action for breach of a contractual obligation authorized by this section. The taxing power of a tax-levying authority and the State is not and may not be pledged directly or indirectly to secure any moneys due under a contract authorized by this section. (1998-111, s. 2.)

Editor's Note. — Session Laws 1998-111, s. 4, made this section effective August 20, 1998, and applicable to contracts entered into on or after that date.

§ 115D-95. Bonds required.

(a) A guaranty bond is required for each school that is licensed to operate: Provided, however, a school that is unable to secure a bond may, with the consent of the State Board of Community Colleges, provide an alternative to a guaranty bond, as provided in subsection (c) of this section.

The State Board may revoke the license of a school that fails to maintain a bond or an alternative to a bond, pursuant to this section.

(b)(1) When application is made for a license or license renewal, the applicant shall file a guaranty bond with the clerk of the superior court of the county in which the school will be located. The bond shall be in favor of the students. The bond shall be executed by the applicant as principal and by a bonding company authorized to do business in this State. The bond shall be conditioned to provide indemnification to any student, or his parent or guardian, who has suffered a loss of tuition or any fees by reason of the failure of the school to offer or complete student instruction, academic services, or other goods and services related to course enrollment for any reason, including the suspension, revocation, or nonrenewal of a school's license, bankruptcy, foreclosure, or the school ceasing to operate.

(2) The bond shall be in an amount determined by the State Board of Community Colleges to be adequate to provide indemnification to any student, or his parent or guardian, under the terms of the bond. The bond amount for a school shall be at least equal to the maximum amount of prepaid tuition held at any time during the last fiscal year by the school. The bond amount shall also be at least ten thousand dollars (\$10,000).

Each application for a license shall include a letter signed by an authorized representative of the school showing in detail the calculations made and the method of computing the amount of the bond, pursuant to this subdivision and the rules of the State Board. If the State Board finds that the calculations made and the method of computing the amount of the bond are inaccurate or that the amount of the bond is otherwise inadequate to provide indemnification under the terms of the bond, the State Board may require the applicant to provide an additional bond.

(3) The bond shall remain in force and effect until cancelled by the guarantor. The guarantor may cancel the bond upon 30 days notice to the State Board of Community Colleges. Cancellation of the bond shall not affect any liability incurred or accrued prior to the termination of the notice period.

(c) An applicant that is unable to secure a bond may seek a waiver of the guaranty bond from the State Board of Community Colleges and approval of

one of the guaranty bond alternatives set forth in this subsection. With the approval of the State Board, an applicant may file with the clerk of the superior court of the county in which the school will be located, in lieu of a bond:

- (1) An assignment of a savings account in an amount equal to the bond required (i) which is in a form acceptable to the State Board of Community Colleges; (ii) which is executed by the applicant; and (iii) which is executed by a state or federal savings and loan association, state bank, or national bank, that is doing business in North Carolina and whose accounts are insured by a federal depositors corporation; and (iv) for which access to the account in favor of the State of North Carolina is subject to the same conditions as for a bond in subsection (b) of this section.
- (2) A certificate of deposit (i) which is executed by a state or federal savings and loan association, state bank, or national bank, which is doing business in North Carolina and whose accounts are insured by a federal depositors corporation; and (ii) which is either payable to the State of North Carolina, unrestrictively endorsed to the State Board of Community Colleges; in the case of a negotiable certificate of deposit, is unrestrictively endorsed to the State Board of Community Colleges; or in the case of a nonnegotiable certificate of deposit, is assigned to the State Board of Community Colleges in a form satisfactory to the State Board; and (iii) for which access to the certificate of deposit in favor of the State of North Carolina is subject to the same conditions as for a bond in subsection (b) of this section. § 115E-2. Legislative findings.

It is hereby declared that for the benefit of the people of the State of North Carolina, the increase of their commerce, welfare and prosperity and the improvement of their health and living conditions it is essential that they be given the fullest opportunity to learn and to develop their intellectual capacities; that it is essential for institutions for higher education and institutions for elementary and secondary education within the State to be able to construct and renovate facilities to assist its citizens in achieving the fullest development of their intellectual capacities; and that it is the purpose of this Chapter to provide a measure of assistance and an alternative method to enable private institutions for higher education and institutions for elementary and secondary education in the State to provide the facilities and the structures that are needed to accomplish the purposes of this Chapter, all to the public benefit and good, to the extent and in the manner provided herein.

It is hereby further declared that this purpose will benefit the people as a way to improve student learning, increase learning opportunities for all students, encourage the use of different and innovative teaching methods, create new professional opportunities for teachers, provide parents and students with expanded choices in the types of educational opportunities that are available, and lower the overall cost of education to the State and to parents and students. (1985 (Reg. Sess., 1986), c. 794, s. 2; 1998-124, s. 3.)

Effect of Amendments. — The 1998 amendment, effective August 27, 1998, in the first paragraph, inserted “and institutions for elementary and secondary education” in two

places, substituted “for” for “of” in two places and substituted “that” for “which”; and added the second paragraph.

as designated by the Governor, and each director shall continue in office until his successor shall be duly appointed and qualified, except that any person appointed to fill a vacancy shall serve only for the unexpired term. Any vacancy in a position held by an appointive member shall be filled by a new appointment made by the officer who originally made such appointment. Any member of the board of directors shall be eligible for reappointment. The Governor shall designate from among the members of the board of directors a chairman and a vice-chairman. The terms of the chairman and vice-chairman shall extend to the earlier or either two years or the date of expiration of their then current terms as members of the board of directors of the agency. No vacancy in the membership of the agency shall impair the rights of a quorum to exercise all the rights and to perform all the duties of the agency.

Such proposal shall set forth the type and location of the project and may include other information and data available to the institution for higher education or the institution for elementary and secondary education respecting the project and the extent to which such project conforms to the criteria and requirements set forth in this Chapter. The agency may request the institution for higher education or the institution for elementary and secondary education to provide additional information and data respecting the project. The agency is authorized to make or cause to be made such investigation, surveys, studies, reports and reviews as in its judgment are necessary and desirable to determine the feasibility and desirability of the project, the extent to which the project will contribute to the health and welfare of the area in which it will be located, the powers, experience, background, financial condition, record of service and capability of the management of the institution for higher education or the institution for elementary and secondary education, the extent to which the project otherwise conforms to the criteria and requirements of this Chapter, and such other factors as may be deemed relevant or convenient in carrying out the purposes of this Chapter. The agency may sell or lease any project to a participating institution for operation and maintenance or lend money to any participating institution in such manner as shall effectuate the purposes of this Chapter, under a loan agreement or an agreement of sale or lease in form and substance not inconsistent herewith. Any such loan agreement or agreement of sale or lease may include provisions that:

- (2) The purchase price payments to be made under the agreement of sale, the rent payable under the agreement of lease or the loan repayments under the loan agreement shall in the aggregate be not less than an amount sufficient to pay all of the interest, principal and any redemption premium on the bonds or notes issued by the agency to pay the cost of the project sold or leased thereunder or with respect to which the loan was made;
- (3) The participating institution shall pay all other costs incurred by the agency in connection with the providing of the project covered by any such agreement, except such costs as may be paid out of the proceeds of bonds or notes or otherwise, including, but without limitation, insurance costs, the cost of administering the resolution authorizing the issuance of, or any trust agreement securing, such bonds or notes

and the fees and expenses of trustees, paying agents, attorneys, consultants and others;

- (4) The loan agreement or the agreement of sale or lease shall terminate not earlier than the date on which all such bonds and all other obligations incurred by the agency in connection with the project covered by any such agreement are retired or provision for such retirement is made; and
- (5) The obligation of the participating institution to make loan repayments or purchase price payments or to pay rent shall not be subject to cancellation, termination or abatement by the participating institution until the bonds have been retired or provision has been made for such retirement.

If the agency has acquired a possessory or ownership interest in any project it has undertaken on behalf of a participating institution, it shall promptly convey, without the payment of any consideration, all its right, title and interest in such project to such participating institution upon the retirement or provision for the retirement of all bonds or notes issued and obligations incurred by the agency in connection with such project. (1985 (Reg. Sess., 1986), c. 794, s. 8; 1998-124, s. 8.)

higher education” following “participating institution” throughout, substituted “is” or “are” for “shall be” throughout, and made stylistic changes.

§ 115E-9. Construction contracts.

If the agency determines that the purposes of this Chapter will be more effectively served, the agency in its discretion may award or cause to be awarded contracts for the construction of any project on behalf of a participating institution upon a negotiated basis as determined by the agency. The agency shall prescribe such bid security requirements and other procedures in connection with the award of such contracts as in its judgment shall protect the public interest. The agency may by written contract engage the services of the participating institution in the construction of such project and may provide in any such contract that such participating institution, subject to such conditions and requirements consistent with the provisions of this Chapter as shall be prescribed in such contract, may act as an agent of, or an independent contractor for, the agency for the performance of the functions described therein, including the acquisition of the site and other real property for such project, the preparation of plans, specifications and contract documents, the award of construction and other contracts upon a competitive or negotiated basis, the construction of such project directly by such participating institution, the inspection and supervision of construction, the employment of engineers, architects, builders and other contractors and the provision of money to pay the cost thereof pending reimbursement by the agency. Any such contract may provide that the agency may, out of proceeds of bonds or notes, make advances to or reimburse the participating institution for its costs incurred in the performance of such functions, and shall set forth the supporting documents required to be submitted to the agency and the reviews, examinations and audits that shall be required in connection therewith to assure compliance with the provisions of this Chapter and such contract. (1985 (Reg. Sess., 1986), c. 794, s. 9; 1998-124, s. 9.)

§ 115E-10. Credit of State not pledged.

Bonds or notes issued under the provisions of this Chapter shall not be secured by a pledge of the faith and credit of the State or of any political subdivision thereof or be deemed to create an indebtedness of the State, or of any such political subdivision thereof, requiring any voter approval, but shall be payable solely from the revenues and other funds provided therefor. Each bond or note issued under this Chapter shall contain on the face thereof a statement to the effect that the agency shall not be obligated to pay the same nor the interest thereon except from the revenues and other funds pledged therefor and that neither the faith and credit nor the taxing power of the State or of any political subdivision thereof is pledged as security for the payment of the principal of or the interest on such bond or note.

Expenses incurred by the agency in carrying out the provisions of this Chapter may be made payable from funds provided pursuant to, or made available for use under, this Chapter and no liability shall be incurred by the agency hereunder beyond the extent to which moneys shall have been so provided. (1985 (Reg. Sess., 1986), c. 794, s. 10.)

§ 115E-11. Bonds and notes.

(a) The agency is hereby authorized to provide for the issuance, at one time or from time to time, of bonds, or notes in anticipation of the issuance of bonds, of the agency to carry out and effectuate its corporate purposes. The principal of and the interest on such bonds or notes shall be payable solely from funds provided under this Chapter for such payment. Any such notes may be made payable from the proceeds of bonds or renewal notes or, in the event bond or renewal note proceeds are not available, such notes may be paid from any available revenues or other funds provided therefor. The bonds or notes of each issue shall be dated and may be made redeemable before maturity at the option of the agency at such price or prices and upon such terms and conditions as may be determined by the agency. The bonds may also be made payable from time to time on demand or tender for purchase by the owner upon such terms and conditions as may be determined by the agency. Any such bonds or notes shall bear interest at such rate or rates (including variable rates) as may be determined by the Local Government Commission of North Carolina with the approval of the agency. Notes shall mature at such time or times not exceeding 10 years from their date or dates and bonds shall mature at such time or times not exceeding 40 years from their date or dates, as may be determined by the agency. The agency shall determine the form and manner of execution of the bonds or notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations and the place or places of payment of principal and interest, which may be any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or notes or coupons attached thereto shall cease to be such officer before the delivery thereof, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. The agency may also provide for the authentication of the bonds or notes by a trustee or fiscal agent. The bonds or notes may be issued in coupon or in registered form, or both, as the agency may determine, and provision may be made for the registration of any coupon bonds or notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds or notes of any bonds or notes

registered as to both principal and interest, and for the interchange of registered and coupon bonds or notes. No bonds or notes may be issued by the agency under this Chapter unless the issuance thereof is approved by the Local Government Commission of North Carolina.

(b) The agency shall file with the Secretary of the Local Government Commission an application requesting approval of the issuance of such bonds or notes which shall contain such information and have attached to it such documents concerning the proposed financing and prospective borrower, vendee or lessee as the Secretary may require.

In determining whether a proposed bond or note issue should be approved, the Local Government Commission may consider, in addition to the criteria and requirements mentioned in this Chapter, the effect of the proposed financing upon any scheduled or proposed sale of tax-exempt obligations by the State or any of its agencies or departments or by any unit of local government in the State.

The Local Government Commission shall approve the issuance of such bonds or notes if, upon the information and evidence it receives, it finds and determines that the proposed financing will effectuate the purposes of this Chapter.

Upon the filing with the Local Government Commission of a resolution of the agency requesting that its bonds or notes be sold, such bonds or notes may be sold in such manner, either at public or private sale, and for such price as the Local Government Commission shall determine to be for the best interests of the agency and effectuate best the purposes of this Chapter, provided that such sale shall be approved by the agency.

(c) The proceeds of any bonds or notes shall be used solely for the purposes for which issued and shall be disbursed in such manner and under such restrictions, if any, as the agency may provide in the resolution authorizing the issuance of, or any trust agreement securing, such bonds or notes.

(d) Prior to the preparation of definitive bonds, the agency may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds, when such bonds shall have been executed and are available for delivery. The agency may also provide for the replacement of any bonds or notes which shall become mutilated or shall be destroyed or lost.

(e) Bonds or notes may be issued under the provisions of this Chapter without obtaining, except as otherwise expressly provided in this Chapter, the consent of any department, division, commission, board, body, bureau or agency of the State, and without any other proceedings or the happening of any conditions or things other than those proceedings, conditions or things which are specifically required by this Chapter and the provisions of the resolution authorizing the issuance of, or any trust agreement securing, such bonds or notes. (1985 (Reg. Sess., 1986), c. 794, s. 11.)

§ 115E-12. Trust agreement or resolution.

In the discretion of the agency any bonds or notes issued under the provisions of this Chapter may be secured by a trust agreement by and between the agency and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the State. Such trust agreement or the resolution authorizing the issuance of such bonds or notes may pledge or assign all or any part of the revenues of the agency received pursuant to this Chapter, including, without limitation, fees, loan repayments, purchase price payments, rents, charges, insurance proceeds, condemnation awards and any other revenues and funds received in connection with any project and may grant a deed of trust or a mortgage on any

project. Such trust agreement or resolution may contain such provisions for protecting and enforcing the rights and remedies of the holders of any such bonds or notes as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the agency in relation to the purposes to which bond or note proceeds may be applied, the disposition or pledging of the revenues of the agency, including any payments in respect of any federally guaranteed security or any federally insured mortgage note, the duties of the agency with respect to the acquisition, construction, maintenance, repair and operation of any project, the fees, loan repayments, purchase price payments, rents and charges to be fixed and collected in connection therewith, the terms and conditions for the issuance of additional bonds or notes, and the custody, safeguarding and application of all moneys. All bonds issued under this Chapter shall be equally and ratably secured by a pledge, charge, and lien upon revenues provided for in such trust agreement or resolution, without priority by reason of number, or of dates of bonds, execution, or delivery, in accordance with the provisions of this Chapter and of such trust agreement or resolution; except that the agency may provide in such trust agreement or resolution that bonds issued pursuant thereto shall to the extent and in the manner prescribed in such trust agreement or resolution be subordinated and junior in standing, with respect to the payment of principal and interest and the security thereof, to any other bonds. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depositary of the proceeds of bonds or notes, revenues or other money hereunder to furnish such indemnifying bonds or to pledge such securities as may be required by the agency. Any such trust agreement or resolution may set off the rights and remedies, including foreclosure of any deed of trust or mortgage, of the holders of any bonds or notes and of the trustee, and may restrict the individual right of action by any such holders. In addition to the foregoing, any such trust agreement or resolution may contain such other provisions as the agency may deem reasonable and proper for the security of the holders of any bonds or notes. Expenses incurred in carrying out the provisions of such trust agreement or resolution may be treated as a part of the cost of any project or paid from the revenues pledged or assigned to the payment of the principal of and the interest on bonds or notes or from any other funds available to the agency. (1985 (Reg. Sess., 1986), c. 794, s. 12.)

§ 115E-13. Revenues; pledges of revenues.

(a) The agency is hereby authorized to fix and to collect fees, loan repayments, purchase price payments, rents and charges for the use of any project, and any part or section thereof, and to contract with any participating institution for the use thereof. The agency may require that the participating institution shall operate, repair or maintain such project and shall bear the cost thereof and other costs of the agency in connection therewith, all as may be provided in the agreement of sale or lease, loan agreement or other contract with the agency, in addition to other obligations imposed under such agreement or contract.

(b) The fees, loan repayments, purchase price payments, rents and charges shall be fixed so as to provide a fund sufficient, with such other funds as may be made available therefor, (i) to pay the costs of operating, repairing and maintaining the project to the extent that adequate provision for the payment of such costs has not otherwise been provided for, (ii) to pay the principal of and the interest on all bonds or notes as the same shall become due and payable and (iii) to create and maintain any reserves provided for in the resolution authorizing the issuance of, or any trust agreement securing, such bonds; and such fees, loan repayments, purchase price payments, rents and charges may

be applied or pledged to the payment of debt service on the bonds prior to the payment of the costs of operating, repairing and maintaining the project.

(c) All pledges of fees, loan repayments, purchase price payments, rents, charges and other revenues under the provisions of this Chapter shall be valid and binding from the time when such pledges are made. All such revenues so pledged and thereafter received by the agency shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the agency, irrespective of whether such parties have notice thereof. The resolution or any trust agreement by which a pledge is created or any loan agreement, agreement of sale or lease need not be filed or recorded except in the records of the agency.

(d) The State of North Carolina does pledge to and agree with the holders of any bonds or notes issued by the agency that so long as any of such bonds or notes are outstanding and unpaid the State will not limit or alter the rights vested in the agency at the time of issuance of the bonds or notes to fix, revise, charge, and collect or cause to be fixed, revised, charged and collected loan repayments, purchase price payments, rents, fees and charges for the use of or services rendered by any project in connection with which the bonds or notes were issued, so as to provide a fund sufficient, with such other funds as may be made available therefor, to pay the costs of operating, repairing and maintaining the project, to pay the principal of and the interest on all bonds and notes as the same shall become due and payable and to create and maintain any reserves provided therefor and to fulfill the terms of any agreements made with the bondholders or noteholders, nor will the State in any way impair the rights and remedies of the bondholders or noteholders until the bonds or notes and all costs and expenses in connection with any action or proceedings by or on behalf of the bondholders or noteholders, are fully paid, met and discharged. (1985 (Reg. Sess., 1986), c. 794, s. 13; 1998-124, s. 10.)

Effect of Amendments. — The 1998 amendment, effective August 27, 1998, deleted “for higher education” following “participating institution” two times in subsection (a).

§ 115E-14. Trust funds.

Notwithstanding any other provisions of law to the contrary, all moneys received pursuant to the authority of this Chapter, including, without limitation, fees, loan repayments, purchase price payments, rents, charges, insurance proceeds, condemnation awards and any other revenues and funds received in connection with any project, shall be deemed to be trust funds to be held and applied solely as provided in this Chapter. The resolution authorizing the issuance of, or any trust agreement securing, any bonds or notes may provide that any of such moneys may be temporarily invested pending the disbursement thereof and shall provide that any officer with whom, or any bank or trust company with which, such moneys shall be deposited shall act as trustee of such moneys and shall hold and apply the same for the purposes of this Chapter, subject to such limitations as this Chapter and such resolution or trust agreement may provide. Any such moneys may be invested as provided in G.S. 159-30, as it may from time to time be amended. (1985 (Reg. Sess., 1986), c. 794, s. 14.)

§ 115E-15. Remedies.

Any holder of bonds or notes issued under the provisions of this Chapter or any coupons appertaining thereto, and the trustee under any trust agreement or resolution authorizing the issuance of such bonds or notes, except to the

extent the rights herein given may be restricted by such trust agreement or resolution, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the State or granted hereunder or under such trust agreement or resolution, or under any other contract executed by the agency pursuant to this Chapter, and may enforce and compel the performance of all duties required by this Chapter or by such trust agreement or resolution to be performed by the agency or by any officer thereof. (1985 (Reg. Sess., 1986), c. 794, s. 15.)

§ 115E-16. Investment securities.

All bonds, notes and interest coupons appertaining thereto issued under this Chapter are hereby made investment securities within the meaning of and for all the purposes of Article 8 of the Uniform Commercial Code as enacted in this State, whether or not they are of such form and character as to be investment securities under said Article 8, subject only to the provisions of the bonds and notes pertaining to registration. (1985 (Reg. Sess., 1986), c. 794, s. 16.)

§ 115E-17. Bonds or notes eligible for investment.

Bonds or notes issued under the provisions of this Chapter are hereby made securities in which all public officers and public bodies of the State and its political subdivisions, all insurance companies, trust companies, banking associations, investment companies, executors, administrators, trustees and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Such bonds or notes are hereby made securities which may properly and legally be deposited with and received by any State or municipal officer or any agency or political subdivision of the State for any purpose for which the deposit of bonds, notes or obligations of this State is now or may hereafter be authorized by law. (1985 (Reg. Sess., 1986), c. 794, s. 17.)

§ 115E-18. Refunding bonds or notes.

The agency is hereby authorized to provide for the issuance of refunding bonds or notes for the purpose of refunding any bonds or notes then outstanding which shall have been issued under the provisions of this Chapter, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds or notes and, if deemed advisable by the agency, for any corporate purpose of the agency, including, without limitation:

- (1) Constructing improvements, additions, extensions or enlargements of the project in connection with which the bonds or notes to be refunded shall have been issued, and
- (2) Paying all or any part of the cost of any additional project.

The issuance of such bonds or notes, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties and obligations of the agency in respect of the same shall be governed by the provisions of this Chapter which relate to the issuance of bonds or notes, insofar as such provisions may be appropriate therefor.

Refunding bonds or notes may be sold or exchanged for outstanding bonds or notes issued under this Chapter and, if sold, the proceeds thereof may be applied, in addition to any other authorized purposes, to the purchase, redemption or payment of such bonds or notes, with any other available funds, to the payment of the principal, accrued interest and any redemption premium on the bonds or notes being refunded, and, if so provided or permitted in the

resolution authorizing the issuance of, or in the trust agreement securing, such bonds or notes, to the payment of any interest on such refunding bonds or notes and any expenses in connection with such refunding. Such proceeds may be invested in direct obligations of, or obligations the principal of and the interest on which are unconditionally guaranteed by, the United States of America which shall mature or which shall be subject to redemption by the holders thereof, at the option of such holders, not later than the respective dates when the proceeds, together with the interest accrued thereon, will be required for the purposes intended. (1985 (Reg. Sess., 1986), c. 794, s. 18.)

§ 115E-19. Annual report.

The agency shall, promptly following the close of each fiscal year, submit an annual report of its activities under this Chapter for the preceding year to the Governor, the State Auditor, the General Assembly, the Advisory Budget Commission and the Local Government Commission. The agency shall cause an audit of its books and accounts relating to its activities under this Chapter to be made at least once in each year by an independent certified public accountant and the cost thereof may be paid from any available moneys of the agency. (1985 (Reg. Sess., 1986), c. 794, s. 19.)

§ 115E-20. Officers not liable.

No member or officer of the agency shall be subject to any personal liability or accountability by reason of his execution of any bonds or notes or the issuance thereof. (1985 (Reg. Sess., 1986), c. 794, s. 20.)

§ 115E-21. Tax exemption.

The exercise of the powers granted by this Chapter will be in all respects for the benefit of the people of the State and will promote their health and welfare, and no tax or assessment shall be levied upon any project undertaken by the agency prior to the retirement or provision for the retirement of all bonds or notes issued and obligations incurred by the agency in connection with such project.

Any bonds or notes issued by the agency under the provisions of this Chapter shall at all times be free from taxation by the State or any local unit or political subdivision or other instrumentality of the State, excepting inheritance or gift taxes, income taxes on the gain from the transfer of the bonds and notes, and franchise taxes. The interest on the bonds and notes is not subject to taxation as income. (1985 (Reg. Sess., 1986), c. 794, s. 21; 1995, c. 46, s. 5.)

§ 115E-22. Conflict of interest.

If any member, officer or employee of the agency shall be interested either directly or indirectly, or shall be an officer or employee of or have an ownership interest in any firm or corporation interested directly or indirectly, in any contract with the agency, such interest shall be disclosed to the agency and shall be set forth in the minutes of the agency, and the member, officer or employee having such interest therein shall not participate on behalf of the agency in the authorization of any such contract. (1985 (Reg. Sess., 1986), c. 794, s. 22.)

§ 115E-23. Additional method.

The foregoing sections of this Chapter shall be deemed to provide an additional and alternative method for the doing of the things authorized

thereby and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of any powers now existing; provided, however, that the issuance of bonds or notes under the provisions of this Chapter need not comply with the requirements of any other law applicable to the issuance of bonds or notes. (1985 (Reg. Sess., 1986), c. 794, s. 23.)

ARTICLE 1.***The University of North Carolina.*****Part 1. General Provisions.****§ 116-1. Purpose.**

(a) In order to foster the development of a well-planned and coordinated system of higher education, to improve the quality of education, to extend its benefits and to encourage an economical use of the State's resources, the University of North Carolina is hereby redefined in accordance with the provisions of this Article.

(b) The University of North Carolina is a public, multicampus university dedicated to the service of North Carolina and its people. It encompasses the 16 diverse constituent institutions and other educational, research, and public service organizations. Each shares in the overall mission of the university. That mission is to discover, create, transmit, and apply knowledge to address the needs of individuals and society. This mission is accomplished through instruction, which communicates the knowledge and values and imparts the skills necessary for individuals to lead responsible, productive, and personally satisfying lives; through research, scholarship, and creative activities, which advance knowledge and enhance the educational process; and through public service, which contributes to the solution of societal problems and enriches the quality of life in the State. In the fulfillment of this mission, the university shall seek an efficient use of available resources to ensure the highest quality in its service to the citizens of the State.

Teaching and learning constitute the primary service that the university renders to society. Teaching, or instruction, is the primary responsibility of each of the constituent institutions. The relative importance of research and public service, which enhance teaching and learning, varies among the constituent institutions, depending on their overall missions. OPINIONS OF ATTORNEY GENERAL

Western Carolina University (WCU) is not a public utility subject to supervision by the Commission, except that, pursuant to § 116-35, sales to the public of excess power must be "at a rate or rates approved by the

Utilities Commission." See opinion of Attorney General to Mr. Myron L. Coulter, Chancellor, Western Carolina University, 55 N.C.A.G. 55 (1985).

§ 116-2.1: Repealed by Session Laws 1971, c. 1244, s. 1.

Part 2. Organization, Governance and Property of the University.

§ 116-3. Incorporation and corporate powers.

The Board of Trustees of the University of North Carolina is hereby redesignated, effective July 1, 1972, as the "Board of Governors of the University of North Carolina." The Board of Governors of the University of North Carolina shall be known and distinguished by the name of "the University of North Carolina" and shall continue as a body politic and corporate and by that name shall have perpetual succession and a common seal. It shall be able and capable in law to take, demand, receive, and possess all moneys, goods, and chattels that shall be given for the use of the University, and to apply to same according to the will of the donors; and by gift, purchase, or devise to receive, possess, enjoy, and retain forever any and all real and personal estate and funds, of whatsoever kind, nature, or quality the same may be, in special trust and confidence that the same, or the profits thereof, shall be applied to and for the use and purpose of establishing and endowing the University, and shall have power to receive donations from any source whatever, to be exclusively devoted to the purposes of the maintenance of the University, or according to the terms of donation.

The corporation shall be able and capable in law to bargain, sell, grant, alien, or dispose of and convey and assure to the purchasers any and all such real and personal estate and funds as it may lawfully acquire when the condition of the grant to it or the will of the devisor does not forbid it; and shall be able and capable in law to sue and be sued in all courts whatsoever; and shall have power to open and receive subscriptions, and in general may do all such things

as are usually done by bodies corporate and politic, or such as may be necessary for the promotion of learning and virtue. (1971, c. 1244, s. 1.)

CASE NOTES

Purpose and scope of this section is to allow the University of North Carolina and its constituent institutions to sue and be sued in their own names, but only as otherwise specifically provided by law; it does not abolish the doctrine of sovereign immunity. *Truesdale v. University of N.C.*, 91 N.C. App. 186, 371 S.E.2d 503 (1988), appeal dismissed and cert. denied, 323 N.C. 706, 377 S.E.2d 230, cert. denied, 493 U.S. 808, 110 S. Ct. 50, 107 L. Ed. 2d 19 (1989), overruled on other grounds, *Corum v. University of N.C. ex rel. Bd. of Governors*, 330 N.C. 761, 413 S.E.2d 276, reh'g denied, 331 N.C. 558, 418 S.E.2d 664, cert. denied, 506 U.S. 985, 113 S. Ct. 493, 121 L. Ed. 2d 431 (1992).

This section allows the University of North Carolina and its constituent institutions to be sued only as otherwise specifically provided by law. *Jones v. Pitt County Mem. Hosp.*, 104 N.C. App. 613, 410 S.E.2d 513 (1991).

Legislative Intent. — When read together, the language of the act and of this section, making The University of North Carolina (UNC) and its constituent institutions “able and capable in law to sue and be sued in all courts whatsoever,” evidence a legislative intent that all tort claims against UNC and its constituent institutions for money damages be brought before the North Carolina Industrial Commission. *Jones v. Pitt County Mem. Hosp.*, 104 N.C. App. 613, 410 S.E.2d 513 (1991).

Section does not operate as a waiver of the State's immunity under U.S. Const., Amend. XI. *Huang v. Board of Governors*, 902 F.2d 1134 (4th Cir. 1990).

But Merely Allows UNC and Its Constituent Institutions to Sue and Be Sued in Their Own Names. — This section contains no express language waiving North Carolina's constitutional immunity, nor does its language justify any inference of waiver. Moreover, even if this provision could be construed as waiver of North Carolina's sovereign immunity in its own courts, it lacks any indication that North Carolina has consented to suit in federal court. The provision, correctly construed, does no more than allow UNC and its constituent institutions to sue and be sued in their own names but only as otherwise specifically provided by law. *Huang v. Board of Governors*, 902 F.2d 1134 (4th Cir. 1990).

Section does not waive North Carolina's sovereign immunity in its own courts, let alone its immunity under U.S. Const., Amend. XI in federal court. North Carolina law nowhere specifically provides for waiver of

immunity under U.S. Const., Amend. XI. *Huang v. Board of Governors*, 902 F.2d 1134 (4th Cir. 1990).

Capacity to Take Devise. — See *Brewer v. University of N.C.*, 110 N.C. 26, 14 S.E. 644 (1892), decided under former § 116-3, existing prior to the 1971 revision of this Part.

University and Its Subdivisions Are “Alter-Egos” of State for Diversity Purposes. — The University of North Carolina and The University of North Carolina at Chapel Hill are “alter-egos” of the State of North Carolina for purposes of federal diversity jurisdiction. *Roberson v. Dale*, 464 F. Supp. 680 (M.D.N.C. 1979).

Relationship of Board of Governors to Its Campuses. — The University of North Carolina is, by definition, one State agency, not 16 separate, independent agencies. The statute constitutes the Board of Governors of UNC as a body politic and corporate. This section does not grant this status to any of the 16 campuses that the Board administers. *Board of Governors v. United States Dep't of Labor*, 917 F.2d 812 (4th Cir. 1990), cert. denied, 500 U.S. 916, 111 S. Ct. 2013, 114 L. Ed. 2d 100 (1991).

Individual campuses enjoy a substantial measure of autonomy; they operate largely free from control of the Board of Governors. On a day-to-day basis, operations of campuses are determined primarily by their respective chancellors and boards of trustees. This is true, however, because of the independence that the Board has allowed the campuses, and not because of any autonomy with which they are inherently endowed under relevant statutes. *Board of Governors v. United States Dep't of Labor*, 917 F.2d 812 (4th Cir. 1990), cert. denied, 500 U.S. 916, 111 S. Ct. 2013, 114 L. Ed. 2d 100 (1991).

Extent to Which University May Be Sued. — This section allows the University to be sued only to the extent that the State can be sued and does not operate to abolish the doctrine of sovereign immunity with regard to the University. *Board of Governors v. Helpingstine*, 714 F. Supp. 167 (M.D.N.C. 1989).

Sovereign immunity protects the University from suit under § 75-1.1 for restraint of trade. *Board of Governors v. Helpingstine*, 714 F. Supp. 167 (M.D.N.C. 1989).

Power to Operate Water System. — The University of North Carolina as a body politic and corporate has authority to own, maintain, and operate a water system to provide services for itself and to any other person, firm, or

corporation desiring such services outside the University. *University of N.C. v. Town of Carrboro*, 15 N.C. App. 501, 190 S.E.2d 231, cert. denied, 282 N.C. 155, 191 S.E.2d 602 (1972).

Discretionary Authority to Serve Non-resident Consumers. — The University of North Carolina is under no obligation to maintain a water system for the town or any person, firm, or corporation other than itself. A municipality which operates its own waterworks has the discretionary power to engage in this undertaking. When a municipality exercises this discretionary power, it does not assume the obligations of a public service corporation toward nonresident consumers. *University of N.C. v. Town of Carrboro*, 15 N.C. App. 501, 190 S.E.2d 231, cert. denied, 282 N.C. 155, 191 S.E.2d 602 (1972).

And to Set Different Rates for Services. — Having exercised its discretion to furnish water outside its corporate limits, The University of North Carolina has discretionary authority to set the rates which it will charge for such services, and it retains the authority to specify the terms upon which nonresidents may obtain its water. In exerting this authority, it may fix a different rate from that charged within the corporate limits. The defendant, having accepted these services for almost half a century is not now in a position to complain about the rates. *University of N.C. v. Town of Carrboro*, 15 N.C. App. 501, 190 S.E.2d 231, cert. denied, 282 N.C. 155, 191 S.E.2d 602 (1972).

Applied in *Uzzell v. Friday*, 592 F. Supp. 1502 (M.D.N.C. 1984); *Corum v. University of N.C.*, 97 N.C. App. 527, 389 S.E.2d 596 (1990).

To this end it shall govern the 16 constituent institutions, subject to the powers and responsibilities given in this Article to the boards of trustees of the institutions, and to this end it shall maintain close liaison with the State Board of

Community Colleges, the Community Colleges System Office and the private colleges and universities of the State. The Board, in consultation with representatives of the State Board of Community Colleges and of the private colleges and universities, shall prepare and from time to time revise a long-range plan for a coordinated system of higher education, supplying copies thereof to the Governor, the members of the General Assembly, the Advisory Budget Commission and the institutions. Statewide federal or State programs that provide aid to institutions or students of post-secondary education through a State agency, except those related exclusively to the community college system, shall be administered by the Board pursuant to any requirements of State or federal statute in order to insure that all activities are consonant with the State's long-range plan for higher education.

- (2) The Board of Governors shall be responsible for the general determination, control, supervision, management and governance of all affairs of the constituent institutions. For this purpose the Board may adopt such policies and regulations as it may deem wise. Subject to applicable State law and to the terms and conditions of the instruments under which property is acquired, the Board of Governors may acquire, hold, convey or otherwise dispose of, invest and reinvest any and all real and personal property, with the exception of any property that may be held by trustees of institutional endowment funds under the provisions of G.S. 116-36 or that may be held, under authority delegated by the Board of Governors, either by a board of trustees or by trustees of any other endowment or trust fund.
- (3) The Board shall determine the functions, educational activities and academic programs of the constituent institutions. The Board shall also determine the types of degrees to be awarded. The powers herein given to the Board shall not be restricted by any provision of law assigning specific functions or responsibilities to designated institutions, the powers herein given superseding any such provisions of law. The Board, after adequate notice and after affording the institutional board of trustees an opportunity to be heard, shall have authority to withdraw approval of any existing program if it appears that the program is unproductive, excessively costly or unnecessarily duplicative. The Board shall review the productivity of academic degree programs every two years, using criteria specifically developed to determine program productivity.
- (4) The Board of Governors shall elect officers as provided in G.S. 116-14. Subject to the provisions of section 18 of this act [Session Laws 1971, Chapter 1244, section 18], the Board shall also elect, on nomination of the President, the chancellor of each of the constituent institutions and fix his compensation. The President shall make his nomination from a list of not fewer than two names recommended by the institutional board of trustees.
- (5) The Board of Governors shall, on recommendation of the President and of the appropriate institutional chancellor, appoint and fix the compensation of all vice-chancellors, senior academic and administrative officers and persons having permanent tenure.

who serves a constituent institution or agency of the University and who is not subject to Chapter 126 of the General Statutes, shall retire on July 1 coincident with or next following his seventieth birthday, unless continued in service on a year-to-year basis in accordance with regulations adopted by the Board of Governors.

- (7) The Board shall set tuition and required fees at the institutions, not inconsistent with actions of the General Assembly.
- (8) The Board shall set enrollment levels of the constituent institutions.
- (8a) The Board of Governors, after consultation with representatives from nonpublic schools, including representatives of nonpublic schools operated under Parts 1 and 3 of Article 39 of Chapter 115C of the General Statutes, and after taking into consideration comments received from the Joint Legislative Education Oversight Committee, shall adopt a policy regarding uniform admissions requirements for applicants from nonpublic schools lawfully operated under Article 39 of Chapter 115C of the General Statutes. The policy shall not arbitrarily differentiate between applicants based upon whether the applicant attended a public or a lawfully operated nonpublic school.
- (9)a. The Board of Governors shall develop, prepare and present to the Governor, the Advisory Budget Commission and the General Assembly a single, unified recommended budget for all of public senior higher education. The recommendations shall consist of requests in three general categories: (i) funds for the continuing operation of each constituent institution, (ii) funds for salary increases for employees exempt from the State Personnel Act and (iii) funds requested without reference to constituent institutions, itemized as to priority and covering such areas as new programs and activities, expansions of programs and activities, increases in enrollments, increases to accommodate internal shifts and categories of persons served, capital improvements, improvements in levels of operation and increases to remedy deficiencies, as well as other areas. The function of the Advisory Budget Commission under this section applies only if the Director of the Budget consults with the Commission in preparation of the budget.
- b. Funds for the continuing operation of each constituent institution shall be appropriated directly to the institution. Funds for salary increases for employees exempt from the State Personnel Act shall be appropriated to the Board in a lump sum for allocation to the institutions. Funds for the third category in paragraph a of this subdivision shall be appropriated to the Board in a lump sum for allocation to the institutions. The Board shall make allocations among the institutions in accordance with the Board's schedule of priorities and any specifications in the Current Operations Appropriations Act. When both the Board and the Director of the Budget deem it to be in the best interest of the State, funds in the third category may be allocated, in whole or in part, for other items within the list of priorities or for items not included in the list. Provided, nothing herein shall be construed to allow the General Assembly, except as to capital improvements, to refer to particular constituent institutions in any specifications as to priorities in the third category. Prior to taking any action under this paragraph, the Director of the Budget may consult with the Advisory Budget Commission.
- c. The Director of the Budget may, on recommendation of the Board, authorize transfer of appropriated funds from one institution to

another to provide adjustments for over or under enrollment or may make any other adjustments among institutions that would provide for the orderly and efficient operation of the institutions. Prior to taking any action under this paragraph, the Director of the Budget may consult with the Advisory Budget Commission.

d. Repealed by Session Laws 1987, c. 795, s. 27.

(10) The Board shall collect and disseminate data concerning higher education in the State. To this end it shall work cooperatively with the Community Colleges System Office and shall seek the assistance of the private colleges and universities. It may prescribe for the constituent institutions such uniform reporting practices and policies as it may deem desirable.

(10a) The Board of Governors, the State Board of Community Colleges, and the State Board of Education, in consultation with private higher education institutions defined in G.S. 116-22(1), shall plan a system to provide an exchange of information among the public schools and institutions of higher education to be implemented no later than June 30, 1995. The information shall include:

- a. The number of high school graduates who apply to, are admitted to, and enroll in institutions of higher education;
- b. College performance of high school graduates for the year immediately following high school graduation including each student's: need for remedial coursework at the institution of higher education that the student attends; performance in standard freshmen courses; and continued enrollment in a subsequent year in the same or another institution of higher education in the State;
- c. The progress of students from one institution of higher education to another; and
- d. Consistent and uniform public school course information including course code, name, and description.

The Department of Public Instruction shall generate and the local school administrative units shall use standardized transcripts in an automated format for applicants to higher education institutions. The standardized transcript shall include grade point average, class rank, end-of-course test scores, and uniform course information including course code, name, units earned toward graduation, and credits earned for admission from an institution of higher education. The grade point average and class rank shall be calculated by a standard method to be devised by the institutions of higher education.

The Board of Governors shall coordinate a joint progress report on the implementation of the system to provide an exchange of information among the public and independent colleges and universities, the community colleges, and the public schools. The report shall be made to the Joint Legislative Education Oversight Committee no later than February 15, 1993, and annually thereafter.

(10b) The Board of Governors of The University of North Carolina shall report to each community college and to the State Board of Community Colleges on the academic performance of that community college's transfer students.

(11) The Board shall assess the contributions and needs of the private colleges and universities of the State and shall give advice and recommendations to the General Assembly to the end that the

resources of these institutions may be utilized in the best interest of the State.

- (12) The Board shall give advice and recommendations concerning higher education to the Governor, the General Assembly, the Advisory Budget Commission and the boards of trustees of the institutions.
- (12a) The Board of Governors of The University of North Carolina shall implement, administer, and revise programs for meaningful professional development for professional public school employees based upon the evaluations and recommendations made by the State Board of Education under G.S. 115C-12(26). The programs shall be aligned with State education goals and directed toward improving student academic achievement. The Board of Governors shall submit to the State Board of Education an annual report evaluating the professional development programs administered by the Board of Governors.
- (12b) The Board of Governors of The University of North Carolina shall create a Board of Directors for the UNC Center for School Leadership Development. The Board of Governors shall determine the powers and duties of the Board of Directors.
- (13) The Board may delegate any part of its authority over the affairs of any institution to the board of trustees or, through the President, to the chancellor of the institution in any case where such delegation appears necessary or prudent to enable the institution to function in a proper and expeditious manner. Any delegation of authority may be rescinded by the Board at any time in whole or in part.
- (14) The Board shall possess all powers not specifically given to institutional boards of trustees. Sess., 1996), c. 625, provides that the Board of Governors of The University of North Carolina and the State Board of Community Colleges shall develop a plan to provide students with information regarding the transfer of credits between community colleges and between community colleges and the constituent institutions of The University of North Carolina, shall develop a timetable for development of guidelines and report to the General Assembly and the Joint Legislative Education Oversight Committee by January 15, 1997, and shall review policies and make any necessary changes by September 1, 1997.

Session Laws 1997-221, s. 12(d), provides that the Board of Governors of The University

of North Carolina shall report to the Joint Legislative Education Oversight Committee by April 1, 1998, on a plan to coordinate and consolidate the professional development programs for professional public school employees.

Session Laws 1997-221, s. 32, provides: "This act shall not be construed to obligate the General Assembly to appropriate any funds to implement the provisions of this act. Nothing in Sections 16 through 25 or Sections 28 through 30 of this act shall be construed to create any rights or causes of action."

Session Laws 1997-240, s. 3, except for the last sentence thereof, was codified as subsection (8a) of this section at the direction of the Revisor of Statutes.

Session Laws 1997-240, s. 1, provides: "The Board of Governors of The University of North Carolina shall review the admissions procedures, practices, and requirements of the constituent institutions regarding applicants from nonpublic schools lawfully operated under Article 39 of Chapter 115C of the General Statutes. The Board of Governors shall consult with representatives from nonpublic schools, including representatives of nonpublic schools operated under Parts 1 and 3 of Article 39 of Chapter 115C of the General Statutes, while conducting the review."

Session Laws 1997-240, s. 2, provides: "Prior to September 15, 1997, the Board of Governors shall report to the Joint Legislative Education Oversight Committee the results of the review and its recommendations for a policy regarding uniform admissions requirements for applicants from nonpublic schools lawfully operated under Article 39 of Chapter 115C of the General Statutes. The recommended policy shall take into consideration the results of the review and consultation required under Section 1 of this act."

Session Laws 1997-240, s. 3, provides in part: "The Board of Governors shall report the policy to the Joint Legislative Education Oversight Committee prior to November 21, 1997."

Session Laws 1998-212, s. 11.12(b) provides that the Board of Governors of The University of North Carolina shall further study and recommend to the Joint Legislative Education Oversight Committee, by December 15, 1998, any statutory or other organizational changes to assure oversight and coordination of program components of the UNC Center for School Leadership Development, including whether or not there are reasons that existing boards of these professional development programs should not be made advisory to the Board of Directors of the UNC Center for School Leadership Development.

Session Laws 1998-212, s. 11.12(c) provides that the Model Teacher Consortium funded in the Department of Public Instruction and its related budget, powers, duties, functions,

records, personnel, property, and unexpended balances of appropriations, allocations, or other funds of the Model Teacher Consortium are transferred from the Department of Public Instruction to the Board of Governors of The University of North Carolina effective January 1, 1999. The Board of Governors shall coordinate the program within the UNC Center for School Leadership Development.

Session Laws 1998-212, s. 1.1 provides: "This act shall be known as the 'Current Operations Appropriations and Capital Improvement Appropriations Act of 1998'."

Session Laws 1998-212, s. 30.2 provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1998-99 fiscal year, the textual provisions of this act apply only to funds appro-

priated for, and activities occurring during, the 1998-99 fiscal year."

Session Laws 1998-212, s. 30.5 contains a severability clause.

Session Laws 1999-84, s. 19, effective May 21, 1999, substituted "Community Colleges System Office" for "Department of Community Colleges" in subdivisions (1) and (10).

CASE NOTES

Powers of planning and coordination of a system of higher education in North Carolina, granted to the Board in a number of subsections of this section, each of which deals with a specific power, are expressly relative to the Board's governance of the constituent institutions of The University of North Carolina. *Nova Univ. v. Board of Governors*, 305 N.C. 156, 287 S.E.2d 872 (1982).

Board of Governors' Power to Control Campuses. — Delegation of Board's power to campuses does not deprive the Board of control over campuses' activity with which the delegation is connected. Instead, the statute provides that "any delegation of authority may be rescinded by the Board at any time in whole or in part." The statute also provides that the chancellor of each campus acts "subject to the direction of the President." Regardless of any authority that the Board of Governors may have delegated to the constituent campuses of UNC, the Board retains ultimate control over the campuses' activity through its unlimited power to rescind any delegation. *Board of Governors v. United States Dep't of Labor*, 917 F.2d 812 (4th Cir. 1990), cert. denied, 500 U.S. 916, 111 S. Ct. 2013, 114 L. Ed. 2d 100 (1991).

Individual campuses enjoy a substantial measure of autonomy; they operate largely free from control of the Board of Governors. On a day-to-day basis, operations of campuses are

determined primarily by their respective chancellors and boards of trustees. This is true, however, because of the independence that the board has allowed the campuses, and not because of any autonomy with which they are inherently endowed under the relevant statutes. *Board of Governors v. United States Dep't of Labor*, 917 F.2d 812 (4th Cir. 1990), cert. denied, 500 U.S. 916, 111 S. Ct. 2013, 114 L. Ed. 2d 100 (1991).

Open Meetings Law Inapplicable. — Since the board of governors of The University of North Carolina has no governmental powers, i.e., no powers peculiar to the sovereign, the board of governors is not, itself, a "governmental body of this State," and the former Open Meetings Law, § 143-318.2 (see now § 143-318.9 et seq.), does not extend to the meetings of its employees, even though such employees be deemed a "component part" of the board of governors. *Student Bar Ass'n Bd. of Governors v. Byrd*, 293 N.C. 594, 239 S.E.2d 415 (1977).

In case a conflict arises as to which property, rights or privileges were held for the beneficial interest of a particular institution, or as to the extent to which such property, rights or privileges were so held, the Board of Governors shall determine the issue, and the determination of the Board shall constitute final administrative action. Nothing in this Article shall be deemed to increase or diminish the income, other revenue or specific property which is pledged, or otherwise hypothecated, for the security or liquidation of any obligations, it being the intent that the Board of Governors shall assume said obligations without thereby either enlarging or diminishing the rights of the holders thereof. (1971, c. 1244, s. 1; 1995 (Reg. Sess., 1996), c. 603, s. 4.)

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 603, s. 7, provides: "(a) All statutory and other legal authority, powers, duties, functions, records, personnel, property, and unexpended balances of appropriations or other funds of Pembroke State University remain those of the University of North Carolina at Pembroke.

"(b) Nothing in this act requires the immediate replacement of any stationery, other sup-

plies, or any emblems or other symbols used by the University of North Carolina at Pembroke as they existed prior to the enactment of this act."

Session Laws 1995 (Reg. Sess., 1996), c. 603, s. 8, provides: "This act shall be funded by funds currently available to the University of North Carolina at Pembroke. Nothing in this act obligates the General Assembly to appropriate any funds to implement it."

§ 116-13. Powers of Board regarding property subject to general law.

The power and authority granted to the Board of Governors with regard to the acquisition, operation, maintenance and disposition of real and personal property shall be subject to, and exercised in accordance with, the provisions of Chapters 143 and 146 of the General Statutes. (1971, c. 1244, s. 1.)

§ 116-15. Licensing of certain nonpublic post-secondary educational institutions.

(a1) The General Assembly of North Carolina in recognition of the importance of higher education and of the particular significance attached to the personal credentials accessible through higher education and in consonance with statutory law of this State making unlawful any "unfair or deceptive acts or practices in the conduct of any trade or commerce," hereby declares it the policy of this State that all institutions conducting post-secondary degree activity in this State that are not subject to Chapter 115 or 115D of the General Statutes, nor some other section of Chapter 116 of the General Statutes shall be subject to licensure under this section except as the institution or a particular activity of the institution may be exempt from licensure by one or another provision of this section.

(a2) Definitions. — As used in this section the following terms are defined as set forth in this subsection:

(1) "Post-secondary degree". — A credential conferring on the recipient thereof the title of "Associate", "Bachelor", "Master", or "Doctor", or an equivalent title, signifying educational attainment based on (i) study, (ii) a substitute for study in the form of equivalent experience or achievement testing, or (iii) a combination of the foregoing; provided, that "post-secondary degree" shall not include any honorary degree or other so-called "unearned" degree.

(2) "Institution". — Any sole proprietorship, group, partnership, venture, society, company, corporation, school, college, or university that en-

gages in, purports to engage in, or intends to engage in any type of post-secondary degree activity.

- (3) "Post-secondary degree activity". — Any of the following is "post-secondary degree activity":
 - a. Awarding a post-secondary degree.
 - b. Conducting or offering study, experience, or testing for an individual or certifying prior successful completion by an individual of study, experience, or testing, under the representation that the individual successfully completing the study, experience, or testing will be awarded therefor, at least in part, a post-secondary degree.
- (4) "Publicly registered name". — The name of any sole proprietorship, group, partnership, venture, society, company, corporation, school, college, or institution that appears as the subject of any Articles of Incorporation, Articles of Amendment, or Certificate of Authority to Transact Business or to Conduct Affairs, properly filed with the Secretary of State of North Carolina and currently in force.
- (5) "Board". — The Board of Governors of The University of North Carolina.

(b) Required License. — No institution subject to this section shall undertake post-secondary degree activity in this State, whether through itself or through an agent, unless the institution is licensed as provided in this section to conduct post-secondary degree activity or is exempt from licensure under this section as hereinafter provided.

(c) Exemption from Licensure. — Any institution that has been continuously conducting post-secondary degree activity in this State under the same publicly registered name or series of publicly registered names since July 1, 1972, shall be exempt from the provisions for licensure under this section upon presentation to the Board of information acceptable to the Board to substantiate such post-secondary degree activity and public registration of the institution's names. Any institution that, pursuant to a predecessor statute to this subsection, had presented to the Board proof of activity and registration such that the Board granted exemption from licensure, shall continue to enjoy such exemption without further action by the Board.

(d) Exemption of Institutions Relative to Religious Education. — Notwithstanding any other provision of this section, no institution shall be subject to licensure under this section with respect to post-secondary degree activity based upon a program of study, equivalent experience, or achievement testing the institutionally planned objective of which is the attainment of a degree in theology, divinity, or religious education or in any other program of study, equivalent experience, or achievement testing that is designed by the institution primarily for career preparation in a religious vocation. This exemption shall be extended to any institution with respect to each program of study, equivalent experience, and achievement test that the institution demonstrates to the satisfaction of the Board should be exempt under this subsection.

(e) Post-secondary Degree Activity within the Military. — To the extent that an institution undertakes post-secondary degree activity on the premises of military posts or reservations located in this State for military personnel stationed on active duty there, or their dependents, the institution shall be exempt from the licensure requirements of this section.

(f) Standards for Licensure. — To receive a license to conduct post-secondary degree activity in this State, an institution shall satisfy the Board that the institution has met the following standards:

- (1) That the institution is State-chartered. If chartered by a state or sovereignty other than North Carolina, the institution shall also obtain a Certificate of Authority to Transact Business or to Conduct

Affairs in North Carolina issued by the Secretary of State of North Carolina;

- (2) That the institution has been conducting post-secondary degree activity in a state or sovereignty other than North Carolina during consecutive, regular-term, academic semesters, exclusive of summer sessions, for at least the two years immediately prior to submitting an application for licensure under this section, or has been conducting with enrolled students, for a like period in this State or some other state or sovereignty, post-secondary educational activity not related to a post-secondary degree; provided, that an institution may be temporarily relieved of this standard under the conditions set forth in subsection (i), below;
- (3) That the substance of each course or program of study, equivalent experience, or achievement test is such as may reasonably and adequately achieve the stated objective for which the study, experience, or test is offered or to be certified as successfully completed;
- (4) That the institution has adequate space, equipment, instructional materials, and personnel available to it to provide education of good quality;
- (5) That the education, experience, and other qualifications of directors, administrators, supervisors, and instructors are such as may reasonably insure that the students will receive, or will be reliably certified to have received, education consistent with the stated objectives of any course or program of study, equivalent experience, or achievement test offered by the institution;
- (6) That the institution provides students and other interested persons with a catalog or brochure containing information describing the substance, objectives, and duration of the study, equivalent experience, and achievement testing offered, a schedule of related tuition, fees, and all other necessary charges and expenses, cancellation and refund policies, and such other material facts concerning the institution and the program or course of study, equivalent experience, and achievement testing as are reasonably likely to affect the decision of the student to enroll therein, together with any other disclosures that may be specified by the Board; and that such information is provided to prospective students prior to enrollment;
- (7) That upon satisfactory completion of study, equivalent experience, or achievement test, the student is given appropriate educational credentials by the institution, indicating that the relevant study, equivalent experience, or achievement testing has been satisfactorily completed by the students;
- (8) That records are maintained by the institution adequate to reflect the application of relevant performance or grading standards to each enrolled student;
- (9) That the institution is maintained and operated in compliance with all pertinent ordinances and laws, including rules and regulations adopted pursuant thereto, relative to the safety and health of all persons upon the premises of the institution;
- (10) That the institution is financially sound and capable of fulfilling its commitments to students and that the institution has provided a bond as provided in subsection (f1) of this section;
- (11) That the institution, through itself or those with whom it may contract, does not engage in promotion, sales, collection, credit, or other practices of any type which are false, deceptive, misleading, or unfair;
- (12) That the chief executive officer, trustees, directors, owners, administrators, supervisors, staff, instructors, and employees of the institu-

tion have no record of unprofessional conduct or incompetence that would reasonably call into question the overall quality of the institution;

- (13) That the student housing owned, maintained, or approved by the institution, if any, is appropriate, safe, and adequate;
 - (14) That the institution has a fair and equitable cancellation and refund policy; and
 - (15) That no person or agency with whom the institution contracts has a record of unprofessional conduct or incompetence that would reasonably call into question the overall quality of the institution.
- (f1)(1) A guaranty bond is required for each institution that is licensed. The Board may revoke the license of an institution that fails to maintain a bond pursuant to this subsection.

If the institution has provided a bond pursuant to G.S. 115D-95, the Board may waive the bond requirement under this subsection. The Board may not waive the bond requirement under this subsection if the applicant has provided an alternative to a guaranty bond under G.S. 115D-95(c).

- (2) When application is made for a license or license renewal, the applicant shall file a guaranty bond with the clerk of the superior court of the county in which the institution will be located. The bond shall be in favor of the students. The bond shall be executed by the applicant as principal and by a bonding company authorized to do business in this State. The bond shall be conditioned to provide indemnification to any student, or his parent or guardian, who has suffered a loss of tuition or any fees by reason of the failure of the institution to offer or complete student instruction, academic services, or other goods and services related to course enrollment for any reason, including the suspension, revocation, or nonrenewal of an institution's license, bankruptcy, foreclosure, or the institution ceasing to operate.

The bond shall be in an amount determined by the Board to be adequate to provide indemnification to any student, or his parent or guardian, under the terms of the bond. The bond amount for an institution shall be at least equal to the maximum amount of prepaid tuition held at any time during the last fiscal year by the institution. The bond amount shall also be at least ten thousand dollars (\$10,000).

Each application for a license shall include a letter signed by an authorized representative of the institution showing in detail the calculations made and the method of computing the amount of the bond, pursuant to this subdivision and the rules of the Board. If the Board finds that the calculations made and the method of computing the amount of the bond are inaccurate or that the amount of the bond is otherwise inadequate to provide indemnification under the terms of the bond, the Board may require the applicant to provide an additional bond.

The bond shall remain in force and effect until cancelled by the guarantor. The guarantor may cancel the bond upon 30 days notice to the Board. Cancellation of the bond shall not affect any liability incurred or accrued prior to the termination of the notice period.

(g) Review of Licensure. — Any institution that acquires licensure under this section shall be subject to review by the Board to determine that the institution continues to meet the standard for licensure of subsection (f), above. Review of such licensure by the Board shall always occur if the institution is legally reconstituted, or if ownership of a preponderance of all the assets of the institution changes pursuant to a single transaction or agreement or a

recognizable sequence of transactions or agreements, or if two years has elapsed since licensure of the institution was granted by the Board.

Notwithstanding the foregoing paragraph, if an institution has continued to be licensed under this section and continuously conducted post-secondary degree activity in this State under the same publicly registered name or series of publicly registered names since July 1, 1979, or for six consecutive years, whichever is the shorter period, and is accredited by an accrediting commission recognized by the Council on Post-Secondary Accreditation, such institution shall be subject to licensure review by the Board every six years to determine that the institution continues to meet the standard for licensure of subsection (f), above. However, should such an institution cease to maintain the specified accreditation, become legally reconstituted, have ownership of a preponderance of all its assets transferred pursuant to a single transaction or agreement or a recognizable sequence of transactions or agreements to a person or organization not licensed under this section, or fail to meet the standard for licensure of subsection (f), above, then the institution shall be subject to licensure review by the Board every two years until a license to conduct post-secondary degree activity and the requisite accreditation have been restored for six consecutive years.

(h) Denial and Revocation of Licensure. — Any institution seeking licensure under the provisions of this section that fails to meet the licensure requirements of this section shall be denied a license to conduct post-secondary degree activity in this State. Any institution holding a license to conduct post-secondary degree activity in this State that is found by the Board of Governors not to satisfy the licensure requirements of this section shall have its license to conduct post-secondary degree activity in this State revoked by the Board; provided, that the Board of Governors may continue in force the license of an institution deemed by the Board to be making substantial and expeditious progress toward remedying its licensure deficiencies.

(i) Regulatory Authority in the Board. — The Board shall have authority to establish such rules, regulations, and procedures as it may deem necessary or appropriate to effect the provisions of this section. Such rules, regulations, and procedures may include provision for the granting of an interim permit to conduct post-secondary degree activity in this State to an institution seeking licensure but lacking the two-year period of activity prescribed by subsection (f)(2), above.

(j) Enforcement Authority in the Attorney General. — The Board shall call to the attention of the Attorney General, for such action as he may deem appropriate, any institution failing to comply with the requirements of this section.

(k) Severability. — The provisions of this section are severable, and, if any provision of this section is declared unconstitutional or invalid by the courts, such declaration shall not affect the validity of the section as a whole or any provision other than the provision so declared to be unconstitutional or invalid. (1971, c. 1244, s. 1; 1973, c. 1331, s. 3; 1975, c. 268; 1977, c. 563, ss. 1-4; 1979, c. 896, s. 13; 1979, 2nd Sess., c. 1130, s. 1; 1983 (Reg. Sess., 1984), c. 1006; 1989 (Reg. Sess., 1990), c. 824, s. 2; 1997-456, s. 27.)

Local Modification. — Cabarrus Memorial Hospital: 1998-204.

Editor's Note. — The first paragraph of this section and subsection (a) of this section were renumbered as subsections (a1) and (a2) pursuant to Session Laws 1997-456, s. 27 which authorized the Revisor of Statutes to renumber or reletter sections and parts of sections having a number or letter designation that is incom-

patible with the General Assembly's computer database.

Chapter 115, referred to in the introductory paragraph, was rewritten by Session Laws 1981, c. 423, s. 1, and has been recodified as Chapter 115C.

CASE NOTES

This section expressly authorizes the Board to license only the conferral of degrees, and not teaching. *Nova Univ. v. Board of Governors*, 305 N.C. 156, 287 S.E.2d 872 (1982).

Inherent in the power to license degrees is the power to establish minimum criteria which a North Carolina institution must meet in order to be licensed to grant degrees, and this is sufficient power for the Board to ensure that degrees conferred by North Carolina institutions are backed by curricula meeting the minimum standards of quality pre-

scribed by the Board's regulations. *Nova Univ. v. Board of Governors*, 305 N.C. 156, 287 S.E.2d 872 (1982).

Board Has No Authority to Regulate Out-of-State University. — This section does not authorize the Board of Governors of The University of North Carolina to regulate through a licensing procedure teaching in North Carolina by an out-of-state university when the teaching leads to conferral of academic degrees in Florida and pursuant to Florida law. *Nova Univ. v. Board of Governors*, 305 N.C. 156, 287 S.E.2d 872 (1982).

The agreement for salary reductions referred to herein shall be effected under any necessary regulations and procedures adopted by the various governing boards of the various institutions of higher learning and on forms prepared by said governing boards. Notwithstanding any other provision of this section or law, the amount by which the salary of any faculty member, administrative officer or employee is reduced pursuant to this section shall not be excluded, but shall be included, in computing and making payroll deductions for social security and retirement system purposes, and in computing and providing matching funds for retirement system purposes.

§ 116-18. Information Center established.

The Board of Governors of the University of North Carolina, with the cooperation of other concerned organizations, shall establish, as a function of the Board, an Educational Opportunities Information Center to provide information and assistance to prospective college and university students and to the several institutions, both public and private, on matters regarding student admissions, transfers and enrollments. The public institutions shall cooperate with the Center by furnishing such nonconfidential information as may assist the Center in the performance of its duties. Similar cooperation shall be requested of the private institutions in the State.

An applicant for admission to an institution who is not offered admission may request that the institution send to the Center appropriate nonconfidential information concerning his application. The Center may, at its discretion and with permission of the applicant, direct the attention of the applicant to other institutions and the attention of other institutions to the applicant. The Center is authorized to conduct such studies and analyses of

admissions, transfers and enrollments as may be deemed appropriate. (1971, c. 1086, s. 1; c. 1244, s. 4.)

§ 116-19. Contracts with private institutions to aid North Carolina students.

In order to encourage and assist private institutions to continue to educate North Carolina students, the State Education Assistance Authority may enter into contracts with the institutions under the terms of which an institution receiving any funds that may be appropriated pursuant to this section would agree that, during any fiscal year in which such funds were received, the institution would provide and administer scholarship funds for needy North Carolina students in an amount at least equal to the amount paid to the institution, pursuant to this section, during the fiscal year. Under the terms of the contracts the State Education Assistance Authority would agree to pay to the institutions, subject to the availability of funds, a fixed sum of money for each North Carolina student enrolled at the institutions for the regular academic year, said sum to be determined by appropriations that might be made from time to time by the General Assembly pursuant to this section. Funds appropriated pursuant to this section shall be paid by the State Education Assistance Authority to an institution on certification of the institution showing the number of North Carolina students enrolled at the institution as of October 1 of any year for which funds may be appropriated. (1971, c. 744, s. 1; c. 1244, s. 5; 1993, c. 321, s. 80(d).)

Editor's Note. — Session Laws 1993, c. 321, s. 80, as amended by Session Laws 1993 (Reg. Sess., 1994), c. 769, s. 17; 1995, c. 324, s. 15; and 1996 Second Extra Session, c. 18, s. 16, provides:

“(a) Funds appropriated in this act to the Board of Governors of The University of North Carolina for aid to private colleges shall be disbursed in accordance with the provisions of G.S. 116-19, 116-21, and 116-22. These funds shall provide up to six hundred dollars (\$600.00) per full-time equivalent North Carolina undergraduate student enrolled at a private institution as of October 1 each fiscal year.

“These funds shall be placed in a separate, identifiable account in each eligible institution's budget or chart of accounts. All funds in this account shall be provided as scholarship funds for needy North Carolina students during the fiscal year. Each student awarded a scholarship from this account shall be notified of the source of the funds and of the amount of the award. Funds not utilized under G.S. 116-19 shall be for the tuition grant program as defined in subsection (b) of this section.

“(b) In addition to any funds appropriated pursuant to G.S. 116-19 and in addition to all other financial assistance made available to private educational institutions located within the State, or to students attending these institutions, there is granted to each full-time North Carolina undergraduate student attending an approved institution as defined in G.S. 116-22, a sum, not to exceed one thousand three hun-

dred (\$1,300) per academic year, which shall be distributed to the student as hereinafter provided.

“The tuition grants provided for in this section shall be administered by the State Education Assistance Authority pursuant to rules adopted by the State Education Assistance Authority not inconsistent with this section. The State Education Assistance Authority shall not approve any grant until it receives proper certification from an approved institution that the student applying for the grant is an eligible student. Upon receipt of the certification, the State Education Assistance Authority shall remit at such times as it shall prescribe the grant to the approved institution on behalf, and to the credit, of the student.

“In the event a student on whose behalf a grant has been paid is not enrolled and carrying a minimum academic load as of the tenth classroom day following the beginning of the school term for which the grant was paid, the institution shall refund the full amount of the grant to the State Education Assistance Authority. Each approved institution shall be subject to examination by the State Auditor for the purpose of determining whether the institution has properly certified eligibility and enrollment of students and credited grants paid on the behalf of the students.

“In the event there are not sufficient funds to provide each eligible student with a full grant:

“(1) The Board of Governors of The University of North Carolina, with the ap-

proval of the Office of State Budget and Management, may transfer available funds to meet the needs of the programs provided by subsections (a) and (b) of this section; and

- “(2) Each eligible student shall receive a pro rata share of funds then available for the remainder of the academic year within the fiscal period covered by the current appropriation.

“Any remaining funds shall revert to the General Fund.

“(c) Expenditures made pursuant to this section shall be used only for secular educational purposes at nonprofit institutions of higher learning. Expenditures made pursuant to this section shall not be used for any student who:

“(1) Is incarcerated in a State or federal correctional facility for committing a Class A, B, B1, or B2 felony; or

“(2) Is incarcerated in a State or federal correctional facility for committing a Class C through I felony and is not eligible for parole or release within 10 years.

“(d) The State Education Assistance Authority shall document the number of full-time equivalent North Carolina undergraduate students that are enrolled in off-campus programs and the State funds collected by each institution pursuant to G.S. 116-19 for those students. The State Education Assistance Authority shall also document the number of scholarships and the amount of the scholarships that are awarded under G.S. 116-19 to students enrolled in off-campus programs. An ‘off-campus program’ is any program offered for degree credit

away from the institution’s main permanent campus.

“The State Education Assistance Authority shall report to the Joint Legislative Commission on Governmental Operations by March 1, 1997, regarding its findings.”

§ 116-30.1. Special responsibility constituent institutions.

The Board of Governors of The University of North Carolina, acting on recommendation made by the President of The University of North Carolina

after consultation by him with the State Auditor, may designate one or more constituent institutions of The University as special responsibility constituent institutions. That designation shall be based on an express finding by the Board of Governors that each institution to be so designated has the management staff and internal financial controls that will enable it to administer competently and responsibly all additional management authority and discretion to be delegated to it. The Board of Governors, on recommendation of the President, shall adopt rules prescribing management staffing standards and internal financial controls and safeguards, including the lack of any significant findings in the annual financial audit by the State Auditor's Office, that must be met by a constituent institution before it may be designated a special responsibility constituent institution and must be maintained in order for it to retain that designation. These rules shall not be designed to prohibit participation by a constituent institution because of its size. These rules shall establish procedures for the President and his staff to review the annual financial audit reports, special reports, electronic data processing reports, performance reports, management letters, or any other report issued by the State Auditor's Office for each special responsibility constituent institution. The President shall take immediate action regarding reported weaknesses in the internal control structure, deficiencies in the accounting records, and noncompliance with rules and regulations. In any instance where significant findings are identified, the President shall notify the Chancellor of the particular special responsibility constituent institution that the institution must make satisfactory progress in resolving the findings, as determined by the President of The University, after consultation with the State Auditor, within a three-month period commencing with the date of receipt of the published financial audit report, any other audit report, or management letter. If satisfactory progress is not made within a three-month period, the President of The University shall recommend to the Board of Governors at its next meeting that the designation of the particular institution as a special responsibility constituent institution be terminated until such time as the exceptions are resolved to the satisfaction of the President of The University of North Carolina, after consultation with the State Auditor. However, once the designation as a special responsibility constituent institution has been withdrawn by the Board of Governors, reinstatement may not be effective until the beginning of the following fiscal year at the earliest. Any actions taken by the Board of Governors with respect to withdrawal or reinstatement of an institution's status as a special responsibility constituent institution shall be reported immediately to the Joint Legislative Education Oversight Committee.

The rules established under this section shall include review by the President, after consultation with the State Auditor, the Director of the Office of State Personnel, and the Director of the Division of State Purchasing and Contracts in ascertaining whether or not a constituent institution has the management staff and internal financial controls to administer the additional authorities authorized under G.S. 116-30.2, 116-30.4, and 143-53.1. Such review and consultation must take place no less frequently than once each biennium. (1991, c. 689, s. 206.2(a); 1993 (Reg. Sess., 1994), c. 591, s. 10(a); 1996, 2nd Ex. Sess., c. 18, s. 7.4(k); 1997-71, s. 1.)

If a board of trustees provides access to its buildings and campus and the student information directory to persons or groups which make students aware of occupational or educational options, the board of trustees shall provide access on the same basis to official recruiting representatives of the military forces of the State and of the United States for the purpose of informing students of educational and career opportunities available in the military. CASE NOTES

Power of Chancellor Limited by President's Directions. — Delegation of the Board's power to campuses does not deprive the Board of control over the campuses' activity with which the delegation is connected. Instead, the statute provides that "any delegation of authority may be rescinded by the Board at any time in whole or in part." The statute also provides that the chancellor of each campus acts "subject to the direction of the President." Regardless of any authority that the Board of Governors may have delegated to the constituent campuses of UNC, the Board retains ultimate control over the campuses' activity through its unlimited power to rescind any delegation. *Board of Governors v. § 116-35. Electric power plants, campus school, etc.

Institutions operating electric power plants and distribution systems as of October 30, 1971, are authorized to continue such operation and, after furnishing power to the institution, to sell any excess current to the people of the community at a rate or rates approved by the Utilities Commission. Any net profits derived from the operation, or any proceeds derived from the lease or sale, of such power plants and distribution systems shall be paid into the permanent endowment fund held for the institution as provided for in G.S. 116-36. Institutions operating or authorized to operate, as of October 30, 1971, water or sewer distribution systems, may continue to do so. Each of the institutions now operating a campus laboratory or demonstration school may continue to do so under the presently existing plan of operation, consistent with the appropriations made therefor. The provisions of this section shall not apply to the University Enterprises of the University of North Carolina at Chapel Hill, which shall continue to be governed in all respects as provided in Chapters 634 and 723 of the Session Laws of 1971, G.S. 116-41.1 through 116-41.12, and other applicable legislation. OPINIONS OF ATTORNEY GENERAL

The words "net profit" were not intended to include funds which were needed to maintain the operating system. See opinion of Attorney General to Mr. Myron L. Coulter, Western Carolina University, 55 N.C.A.G. 35 (1985).

Western Carolina University (WCU) is not a public utility subject to supervision by the Commission, except that, pursuant to § 116-35, sales to the public of excess power must be "at a rate or rates approved by the Utilities Commission." See opinion of Attorney General to Mr. Myron L. Coulter, Chancellor, Western Carolina University, 55 N.C.A.G. 55 (1985).

Distribution of Refunds. — As to voluntary, partial refund plan submitted by Western

Carolina University (WCU) for approval to the Commission for refund of a portion of refund made to it by wholesaler incident to litigation to its own retail customers for the years involved, the language of the escheats statute, former § 116B-15, did not become operative so as to mandate the escheating to the State Treasurer of unclaimed refunds, and as proposed to be treated by WCU to maintain the existing system for accounting purposes, the refunds did not constitute net profits which had to be turned over to the endowment fund. See opinion of Attorney General to Mr. Myron L. Coulter, Chancellor, Western Carolina University, 55 N.C.A.G. 55 (1985).

§ 116-36. Endowment fund.

(a) The board of trustees of each constituent institution shall establish and maintain, pursuant to such terms and conditions, uniformly applicable to all constituent institutions, as the Board of Governors of the University of North Carolina may from time to time prescribe, an endowment fund for the constituent institution.

(b) It is not the intent of this section that the proceeds from any endowment fund shall take the place of State appropriations or any part thereof, but it is the intent of this section that those proceeds shall supplement the State appropriations to the end that the institution may improve and increase its functions, may enlarge its areas of service, and may become more useful to a greater number of people.

(c) Pursuant to the foregoing subsections and consistent with the powers and duties prescribed in this section, each board of trustees shall appoint an investment board to be known as "The Board of Trustees of the Endowment Fund of _____" (here shall be inserted the name of the constituent institution).

(d) The trustees of the endowment fund may receive and administer as part of the endowment fund gifts, devises, and bequests and any other property of any kind that may come to them from the Board of Governors of the University of North Carolina or that may come to the trustees of the endowment fund from any other source, excepting always the moneys received from State appropriations and from tuition and fees collected from students and used for the general operation of the institution.

(e) The trustees of the endowment fund shall be responsible for the prudent investment of the fund in the exercise of their sound discretion, without regard to any statute or rule of law relating to the investment of funds by fiduciaries but in compliance with any lawful condition placed by the donor upon that part of the endowment fund to be invested.

(f) In the process of prudent investment of the fund or to realize the statutory intent of the endowment, the board of trustees of the endowment fund may expend or use interest and principal of gifts, devises, and bequests; provided that, the expense or use would not violate any condition or restriction imposed by the original donor of the property which is to be expended or used. To realize the statutory intent of the endowment fund, the board of trustees of the endowment fund may transfer interest or principal of the endowment fund to the useful possession of the constituent institution; provided that, the transfer would not violate any condition or restriction imposed by the original donor of the property which is the subject of the proposed transfer.

(g) The trustees of the endowment fund shall have the power to buy, sell, lend, exchange, lease, transfer, or otherwise dispose of or to acquire (except by pledging their credit or violating a lawful condition of receipt of the corpus into the endowment fund) any property, real or personal, with respect to the fund, in either public or private transaction, and in doing so they shall not be subject to the provisions of Chapters 143 and 146 of the General Statutes; provided that, any expense or financial obligation of the State of North Carolina created by any acquisition or disposition, by whatever means, of any real or personal property of the endowment fund shall be borne by the endowment fund unless authorization to satisfy the expense or financial obligation from some other source shall first have been obtained from the Director of the Budget. Prior to taking any action under this subsection, the Director of the Budget may consult with the Advisory Budget Commission.

(h) The Board of Governors of the University of North Carolina shall establish and maintain in a manner not inconsistent with the provisions of this section or with regulations established under this section an endowment fund

for all endowment funds now held or hereafter acquired by the University of North Carolina for the benefit of the University as a whole, or for the joint benefit of any two or more constituent institutions of the University.

(i) The Board of Governors of the University of North Carolina shall establish and maintain in a manner not inconsistent with the provisions of this section or with regulations established under this section an endowment fund for all endowment funds now held or hereafter acquired for the benefit of the University of North Carolina Press.

(i1) The Board of Governors of the University of North Carolina shall establish and maintain in a manner not inconsistent with the provisions of this section or with regulations established under this section an endowment fund for all endowment funds now held or hereafter acquired for the benefit of the University of North Carolina Center for Public Television.

§ 116-36.1. Regulation of institutional trust funds.

(a) The Board is responsible for the custody and management of the trust funds of the University of North Carolina and of each institution. The Board shall adopt uniform policies and procedures applicable to the administration of these funds which shall assure that the receipt and expenditure of such funds is properly authorized and that the funds are appropriately accounted for. The Board may delegate authority, through the president, to the respective chancellors of the institutions when such delegation is necessary or prudent to enable the institution to function in a proper and expeditious manner.

(b) Trust funds shall be deposited with the State Treasurer who shall hold them in trust in separate accounts in the name of the University of North Carolina and of each institution. The cash balances of these accounts may be pooled for investment purposes, but investment earnings shall be credited pro rata to each participating account. For purposes of distribution of investment earnings, all trust funds of an institution shall be deemed a single account.

(c) Moneys deposited with the State Treasurer in trust fund accounts pursuant to this section, and investment earnings thereon, are available for expenditure by each institution without further authorization from the General Assembly.

(d) Trust funds are subject to the oversight of the State Auditor pursuant to Article 5A of Chapter 147 of the General Statutes but are not subject to the

provisions of the Executive Budget Act except for capital improvements projects which shall be authorized and executed in accordance with G.S. 143-18.1.

(e) Each institution shall submit such reports or other information concerning its trust fund accounts as may be required by the Director of the Budget.

(f) Trust funds or the investment income therefrom shall not take the place of State appropriations or any part thereof, but any portion of these funds available for general institutional purposes shall be used to supplement State appropriations to the end that the institution may improve and increase its functions, may enlarge its areas of service, and may become more useful to a greater number of people.

(g) As used in this section, "trust funds" means:

- (1) Moneys, or the proceeds of other forms of property, received by an institution as gifts, devises, or bequests that are neither presumed nor designated to be gifts, devises, or bequests to the endowment fund of the institution;
- (2) Moneys received by an institution pursuant to grants from, or contracts with, the United States government or any agency or instrumentality thereof;
- (3) Moneys received by an institution pursuant to grants from, or contracts with, any State agencies, any political subdivisions of the State, any other states or nations or political subdivisions thereof, or any private entities whereby the institution undertakes, subject to terms and conditions specified by the entity providing the moneys, to conduct research, training or public service programs, or to provide financial aid to students;
- (4) Moneys collected by an institution to support extracurricular activities of students of the institution;
- (5) Moneys received from or for the operation by an institution of activities established for the benefit of scholarship funds or student activity programs;

- (7) Moneys received by an institution in respect to fees and other payments for services rendered by medical, dental or other health care professionals under an organized practice plan approved by the institution or under a contractual agreement between the institution and a hospital or other health care provider;
- (8) The net proceeds from the disposition effected pursuant to Chapter 146, Article 7, of any interest in real property owned by or under the supervision and control of an institution if the interest in real property had first been acquired by gift, devise, or bequest or through expenditure of moneys defined in this subsection (g) as "trust funds," except the net proceeds from the disposition of an interest in real property first acquired by the institution through expenditure of moneys received as a grant from a State agency;
- (9) Moneys received from the operation and maintenance of institutional forests and forest farmlands, provided, that such moneys shall be used, when used, by the institution for support of forest-related research, teaching, and public service programs.

(h) Notwithstanding the provisions of subsection (b) of this section, the Board may designate as the official depository of the funds identified in subsection (g)(7) of this section one or more banks or trust companies in this State. The amount of funds on deposit in an official depository shall be fully

secured by deposit insurance, surety bonds, or investment securities of such nature, in such amounts, and in such manner as is prescribed by the State Treasurer for the security of public deposits generally. The available cash balance of funds deposited pursuant to this subsection shall be invested in interest-bearing deposits and investments so that the rate of return equals that realized from the investment of State funds generally.

(i) The cash balances on hand as of June 30, 1978, and all future receipts accruing thereafter, of funds identified in this section are hereby appropriated to the use of the University of North Carolina and its constituent institutions. (b) As used in this section, "special funds of individual institutions" means:

- (1) Moneys received from or for the operation by an institution of its program of intercollegiate athletics;

§ 116-36.3: Repealed by Session Laws 1989 (Regular Session, 1990), c. 936, s. 1(b).

Each institution shall provide to the director of the Budget and the State Auditor such information as they may from time to time require concerning the use of net proceeds from operations of vending facilities for the previous fiscal year under G.S. 116-36.1. Net proceeds may be used only as authorized by the Board of Governors, but this section does not authorize expenditures for purposes not otherwise authorized by law. (1983 (Reg. Sess., 1984), c. 1034, s. 172; 1987, c. 738, s. 233(b); 1993, c. 406, s. 1; 1995, c. 507, s. 15.7.)

§ 116-36.5. Centennial Campus trust fund; Horace Williams Campus trust fund.

This fund shall be treated in the manner of institutional trust funds as provided in G.S. 116-36.1. This fund shall be deemed an additional and alternative method of funding the Centennial Campus and not an exclusive one. Effect of Amendments. — The 1998 amendment, effective September 28, 1998, substituted "is defined by G.S. 116-198.33(4)" for "shall mean that real property and appurtenant facilities designated by the Board as part of the Centennial Campus of North Carolina

- (1) The board of directors shall fix or approve the schedules of pay, expense allowances, and other compensation and adopt position

classification plans for employees of the University of North Carolina Health Care System.

However, an employee who has achieved career State employee status as defined by G.S. 126-1.1 by October 31, 1998, shall not have his or her compensation reduced as a result of this subdivision. Further, an employee who has achieved career State employee status as defined by G.S. 126-1.1 by October 31, 1998, shall be subject to the rules regarding discipline or discharge that were effective on October 31, 1998, and shall not be subject to the rules regarding discipline or discharge adopted after October 31, 1998.
- (3) The board of directors may prescribe the office hours, workdays, and holidays to be observed by the various offices and departments of the University of North Carolina Health Care System.
- (4) The board of directors may establish boards, committees, or councils to conduct hearings upon the appeal of employees who have been suspended, demoted, otherwise disciplined, or discharged, to hear employee grievances, or to undertake any other duties relating to personnel administration that the board of directors may direct.

The board of directors shall submit all initial classification and pay plans and other rules and regulations adopted pursuant to subdivisions (1) through (4) of this subsection to the Office of State Personnel for review upon adoption by the board. Any subsequent changes to these plans, rules, and policies adopted by the board shall be submitted to the Office of State Personnel for review. Any comments by the Office of State Personnel shall be submitted to the Chief Executive Officer and to the President of The University of North Carolina.

(e) Finances. — The University of North Carolina Health Care System shall be subject to the provisions of the Executive Budget Act. The Chief Executive Officer, subject to the board of directors, shall be responsible for all aspects of budget preparation, budget execution, and expenditure reporting. All operating funds of the University of North Carolina Health Care System may be budgeted and disbursed through special fund codes, maintaining separate auditable accounts for the University of North Carolina Hospitals at Chapel Hill and the clinical patient care programs of the School of Medicine of the University of North Carolina at Chapel Hill. All receipts of the University of North Carolina Health Care System may be deposited directly to the special fund codes, and General Fund appropriations for support of the University of North Carolina Hospitals at Chapel Hill shall be budgeted in a General Fund code under a single purpose, "Contribution to University of North Carolina Hospitals at Chapel Hill Operations" and be transferable to a special fund operating code as receipts.

(f) Finances — Patient/Health Care System Benefit. — The Chief Executive Officer of the University of North Carolina Health Care System, or the Chief Executive Officer's designee, may expend operating budget funds, including State funds, of the University of North Carolina Health Care System for the direct benefit of a patient, when, in the judgment of the Chief Executive Officer or the Chief Executive Officer's designee, the expenditure of these funds would result in a financial benefit to the University of North Carolina Health Care

System. Any such expenditures are declared to result in the provision of medical services and create charges of the University of North Carolina Health Care System for which the health care system may bill and pursue recovery in the same way as allowed by law for recovery of other health care systems' charges for services that are unpaid.

These expenditures shall be limited to no more than seven thousand five hundred dollars (\$7,500) per patient per admission and shall be restricted (i) to situations in which a patient is financially unable to afford ambulance or other transportation for discharge; (ii) to afford placement in an after-care facility pending approval of third-party entitlement benefits; (iii) to assure availability of a bed in an after-care facility after discharge from the hospitals; (iv) to secure equipment or other medically appropriate services after discharge; or (v) to pay health insurance premiums. The Chief Executive Officer or the Chief Executive Officer's designee shall reevaluate at least once a month the cost-effectiveness of any continuing payment on behalf of a patient.

To the extent that the University of North Carolina Health Care System advances anticipated government entitlement benefits for a patient's benefit, for which the patient later receives a lump-sum "back-pay" award from an agency of the State, whether for the current admission or subsequent admission, the State agency shall withhold from this back pay an amount equal to the sum advanced on the patient's behalf by the University of North Carolina Health Care System, if, prior to the disbursement of the back pay, the applicable State program has received notice from the University of North Carolina Health Care System of the advancement.

(g) Reports. — The Chief Executive Officer and the President of The University of North Carolina jointly shall report by September 30 of each year on the operations and financial affairs of the University of North Carolina Health Care System to the Joint Legislative Commission on Governmental Operations. The report shall include the actions taken by the board of directors under the authority granted in subsections (d), (h), (i), and (j) of this section.

(h) Purchases. — Notwithstanding the provisions of Articles 3, 3A, and 3C of Chapter 143 of the General Statutes to the contrary, the board of directors shall establish policies and regulations governing the purchasing requirements of the University of North Carolina Health Care System. These policies and regulations shall provide for requests for proposals, competitive bidding, or purchasing by means other than competitive bidding, contract negotiations, and contract awards for purchasing supplies, materials, equipment, and services which are necessary and appropriate to fulfill the clinical, educational, research, and community service missions of the University of North Carolina Health Care System. The board of directors shall submit all initial policies and regulations adopted pursuant to this subsection to the Division of Purchase and Contract for review upon adoption by the board. Any subsequent changes to these policies and regulations adopted by the board shall be submitted to the Division of Purchase and Contract for review. Any comments by the Division of Purchase and Contract shall be submitted to the Chief Executive Officer and to the President of The University of North Carolina.

(i) Property. — The board of directors shall establish rules and regulations for acquiring or disposing of any interest in real property for the use of the University of North Carolina Health Care System. These rules and regulations shall include provisions for development of specifications, advertisement, and negotiations with owners for acquisition by purchase, gift, lease, or rental, but not by condemnation or exercise of eminent domain, on behalf of the University of North Carolina Health Care System. This section does not authorize the board of directors to encumber real property. The board of directors shall submit all initial policies and regulations adopted pursuant to this subsection to the State Property Office for review upon adoption by the board. Any

subsequent changes to these policies and regulations adopted by the board shall be submitted to the State Property Office for review. Any comments by the State Property Office shall be submitted to the Chief Executive Officer and to the President of The University of North Carolina. After review by the Attorney General as to form and after the consummation of any such acquisition, the University of North Carolina Health Care System shall promptly file a report concerning the acquisition or disposition with the Governor and Council of State. Acquisitions and dispositions of any interest in real property pursuant to this section shall not be subject to the provisions of Article 36 of Chapter 143 of the General Statutes or the provisions of Chapter 146 of the General Statutes.

(j) **Property — Construction.** — Notwithstanding G.S. 143-341(3) and G.S. 143-135.1, the board of directors shall adopt policies and procedures with respect to the design, construction, and renovation of buildings, utilities, and other property developments of the University of North Carolina Health Care System requiring the expenditure of public money for:

- (1) Conducting the fee negotiations for all design contracts and supervising the letting of all construction and design contracts.
- (2) Performing the duties of the Department of Administration, the Office of State Construction, and the State Building Commission under G.S. 133-1.1(d), Article 8 of Chapter 143 of the General Statutes, and G.S. 143-341(3).
- (3) Using open-end design agreements.

- (5) Using the standard contracts for design and construction currently in use for State capital improvement projects by the Office of State Construction of the Department of Administration.

The board of directors shall submit all initial policies and procedures adopted under this subsection to the Office of State Construction for review upon adoption by the board. Any subsequent changes to these policies and procedures adopted by the board shall be submitted to the Office of State Construction for review. Any comments by the Office of State Construction shall be submitted to the Chief Executive Officer and to the President of The University of North Carolina.

(k) **Patient Information.** — The University of North Carolina Health Care System shall, at the earliest possible opportunity, specifically make a verbal and written request to each patient to disclose the patient's social security number, if any. If the patient does not disclose that number, the University of North Carolina Health Care System shall deny benefits, rights, and privileges of the University of North Carolina Health Care System to the patient as soon as practical, to the maximum extent permitted by federal law or federal regulations. The University of North Carolina Health Care System shall make the disclosure to the patient required by Section 7(b) of P.L. 93-579. This subsection is supplementary to G.S. 105A-3(c). (1971, c. 762, s. 1; c. 1244, s. 6; 1981, c. 859, s. 41.5; 1983, c. 717, s. 32; 1985 (Reg. Sess., 1986), c. 955, ss. 30, 31; 1989, c. 141, s. 1; 1991, c. 550, s. 2; c. 689, s. 206.2(d); 1993 (Reg. contrary, the board of directors", and substituted "for acquiring" for "to perform the functions otherwise prescribed for the Department

of Administration in acquiring"; and added the last sentence.

The University is hereby authorized to pay service charges for, or for the right to, the use, occupancy, services or commodities of or furnished by any project or by any other service or auxiliary facility of the University, including the University Enterprises, and the income and receipts derive from such service charges paid by the University shall be deemed to be revenues under the provisions of this Part and shall be applied and accounted for in the same manner as other revenues. (1961, c. 1078, s. 3.)

§ 116-41.4. Bonds authorized; amount limited; form, execution and sale; terms and conditions; use of proceeds; additional bonds; interim receipts or temporary bonds; replacement of lost, etc., bonds; approval or consent for issuance; bonds not debt of State; bond anticipation notes.

The Board is hereby authorized to issue, subject to the approval of the Director of the Budget, at one time or from time to time, revenue bonds of the University for the purpose of undertaking and carrying out any project or projects hereunder; provided, however, that the aggregate principal amount of revenue bonds which the Board is authorized to issue under this section during the biennium ending June 30, 1969, shall not exceed three million five hundred thousand dollars (\$3,500,000); provided, further, the Board shall have authority to issue revenue bonds under this section in an additional aggregate principal amount not to exceed three million five hundred thousand dollars (\$3,500,000) during the biennium ending June 30, 1971; provided, however, that the aggregate principal amount of revenue bonds which the Board is authorized to issue under this section during the biennium ending June 30, 1973, shall not exceed thirteen million dollars (\$13,000,000); provided, further, that the aggregate principal amount of revenue bonds which the Board is authorized to issue under this section during the biennium ending June 30, 1975, shall not exceed thirteen million dollars (\$13,000,000). The bonds shall be dated, shall mature at such time or times not exceeding 30 years from their date or dates, and shall bear interest at such rate or rates as may be determined by the Board, and may be made redeemable before maturity at the option of the Board at such price or prices and under such terms and conditions as may be fixed by the Board prior to the issuance of the bonds. The Board shall determine the form and manner of execution of the bonds, and any interest coupons to be attached thereto, and shall fix the denomination or denomina-

tions of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature appears on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Part or any recitals in any bonds issued under the provisions of this Part, all such bonds shall be deemed to be negotiable instruments under the laws of this State. The bonds may be issued in coupon or registered form or both, as the Board may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The Board may sell such bonds in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the University.

The proceeds of the bonds of each issue shall be used solely for the purpose for which such bonds shall have been authorized and shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such bonds. Unless otherwise provided in the authorizing resolution, if the proceeds of such bonds, by error of estimates or otherwise, shall be less than such costs, additional bonds may in like manner be issued to provide the amount of such deficit and shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same purpose.

The resolution providing for the issuance of revenue bonds may also contain such limitations upon the issuance of additional revenue bonds as the Board may deem proper, and such additional bonds shall be issued under such restrictions and limitations as may be prescribed by such resolution.

Prior to the preparation of definitive bonds, the Board may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Board may also provide for the replacement of any bonds which shall become mutilated or be destroyed or lost.

Bonds may be issued by the Board under the provisions of this Part, subject to the approval of the Director of the Budget, but without obtaining the consent of any other commission, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or things than those consents, proceedings, conditions or things which are specifically required by this Part.

Revenue bonds issued under the provisions of this Part shall not be deemed to constitute a debt of the State of North Carolina or a pledge of the faith and credit of the State, but such bonds shall be payable solely from the funds herein provided therefor and a statement to that effect shall be recited on the face of the bonds.

The Board is hereby authorized to issue, subject to the approval of the Director of the Budget, at one time or from time to time, revenue bond anticipation notes of the Board in anticipation of the issuance of bonds authorized pursuant to the provisions of this Part. The principal of and the interest on such notes shall be payable solely from the proceeds of bonds or renewal notes or, in the event bond or renewal note proceeds are not available, any available revenues of the project or projects for which such bonds shall have been authorized. The notes of each issue shall be dated, shall mature at such time or times not exceeding two years from their date or dates, shall bear interest at such rate or rates as may be determined by the Board, and may be

made redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board, and may be made redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board prior to the issuance of the notes. The Board shall determine the form and manner of execution of the notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the notes and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer, whose signature or a facsimile of whose signature shall appear on any notes or coupons, shall cease to be such officer before the delivery of such notes, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Part or any recitals in any notes issued under the provisions of this Part, all such notes shall be deemed to be negotiable instruments under the laws of this State. The notes may be issued in coupon or registered form or both, as the Board may determine, and provision may be made for the registration of any coupon notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon notes of any notes registered as to both principal and interest. The Board may sell such notes in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the University.

The proceeds of the notes of each issue shall be used solely for the purpose for which the bonds in anticipation of which such notes are being issued shall have been authorized, and such note proceeds shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such notes or bonds.

The resolution providing for the issuance of notes or bonds may also contain such limitations upon the issuance of additional notes as the Board may deem proper, and such additional notes shall be issued under such restrictions and limitations as may be prescribed by such resolution.

Notes may be issued by the Board under the provisions of this Part, subject to the approval of the Director of the Budget, but without obtaining the consent of any other commission, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or things than those consents, proceedings, conditions or things which are specifically required by this Part.

Revenue bond anticipation notes issued under the provisions of this Part shall not be deemed to constitute a debt of the State of North Carolina or a pledge of the faith and credit of the State, but such notes shall be payable solely from the funds herein provided therefor and a statement to that effect shall be recited on the face of the notes.

Unless the context shall otherwise indicate, the word "bonds," wherever used in this Part, shall be deemed and construed to include the words "bond anticipation notes."

Prior to taking any action under this section, the Director of the Budget may consult with the Advisory Budget Commission. § 116-41.5. Contents of resolution authorizing issuance; powers liberally construed; deposit and use of revenues; rights and remedies of bondholders; service charges; insurance of projects; depositaries.

The Board in the resolution authorizing the issuance of bonds under this Part may provide for a pledge to the payment of such revenue bonds and the interest thereon of the revenue derived from the project and also for a pledge of the revenues derived from any system, facility, plant, works, instrumentalities or properties improved, bettered, or extended by the project or otherwise within the jurisdiction of or operated by the University in connection with the University of North Carolina at Chapel Hill, North Carolina, the revenues derived from any future improvements, betterments or extensions of the project, the revenues derived from the University Enterprises, or any part thereof, or the revenues from the project and any or all of the revenues mentioned in this sentence, without regard to whether the operations involved are deemed governmental or proprietary, it being the purpose hereof to vest in the Board broad powers which shall be liberally construed. So long as any revenues of the University mentioned in this paragraph are pledged for the payment of the principal of or interest on any bonds issued hereunder, such revenues shall be deposited in a special fund and shall be applied and used only as provided in the resolution authorizing such bonds, subject, however, to any prior pledge or encumbrance thereof.

The resolution authorizing the issuance of the bonds may contain provisions for protecting and enforcing the rights and remedies of the holders of the bonds, including covenants setting forth the duties of the University in relation to the construction of any project to be financed with the proceeds of said bonds, and to the maintenance, repair, operation and insurance of such project or any other project, systems, facilities, plants, works, instrumentalities, properties, the University Enterprises or any part thereof, if the revenues thereof are in any way pledged as security for the bonds; the fixing and revising of service charges and the collection thereof; and the custody, safeguarding and application of all moneys of the University pertaining to the project and the bonds, and all revenues pledged therefor. Notwithstanding the provisions of any other law, the Board may carry insurance on any such project in such amounts and covering such risks as it may deem advisable. It shall be lawful for any bank or trust company incorporated under the laws of the State of North Carolina which may act as depository of the proceeds of bonds or of revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the Board. Such resolution may set forth the rights and remedies of the bondholders and may restrict the individual right of action by bondholders. Such resolution may contain such other provisions in addition to the foregoing as the Board may deem reasonable and proper for the security of the bondholders.

The Board may provide for the payment of the proceeds of the bonds and any revenues pledged therefor to such officer, board or depository as it may designate for the custody thereof, and for the method of disbursement thereof, with such safeguards and restrictions as it may determine. All expenses incurred in carrying out the provisions of such resolution may be treated as a part of the cost of operation. (1961, c. 1078, s. 5; 1971, c. 1244, s. 15.)

§ 116-41.6. Pledge of revenues; lien.

All pledges of revenues under the provisions of this Part shall be valid and binding from the time such pledges are made. All such revenues so pledged

shall immediately upon receipt thereof be subject to the lien of such pledge without any physical delivery thereof or further action, and the lien of such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the University, irrespective of whether such parties have notice thereof. (1961, c. 1078, s. 6.)

§ 116-41.7. Proceeds of bonds, revenues, etc., deemed trust funds.

The proceeds of all bonds issued and all revenues and other moneys received pursuant to the authority of this Part shall be deemed to be trust funds, to be held and applied solely as provided in this Part. The resolution authorizing the issuance of bonds shall provide that any officer to whom, or bank, trust company or fiscal agent to which, such moneys shall be paid shall act as trustee of such moneys and shall hold and apply the same for the purposes hereof, subject to such regulations as such resolution may provide. (1961, c. 1078, s. 7.)

§ 116-41.8. Rights and remedies of bondholders.

Any holder of revenue bonds issued under the provisions of this Part or of any of the coupons appertaining thereto, except to the extent that the rights herein given may be restricted by the resolution authorizing the issuance of such bonds, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the State of North Carolina, including this Part, or under such resolution, and may enforce and compel the performance of all duties required by this Part or by such resolution to be performed by the University or by any officer thereof or the Board, including the fixing, charging and collecting of service charges. (1961, c. 1078, s. 8; 1971, c. 1244, s. 15.)

§ 116-41.9. Refunding revenue bonds.

The University is hereby authorized, subject to the approval of the Director of the Budget, to issue from time to time refunding revenue bonds for the purpose of refunding any revenue bonds issued by the University under this Part in connection with any project or projects, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds. The University is further authorized, subject to the approval of the Director of the Budget, to issue from time to time refunding revenue bonds for the combined purpose of

- (1) Refunding any revenue bonds or refunding revenue bonds issued by the University in connection with any project or projects including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds, and
- (2) Paying all or any part of the cost of any project or projects.

The issuance of such refunding revenue bonds, the maturities and other details thereof, the rights and remedies of the holders thereof, and the rights, powers, privileges, duties and obligations of the University with respect to the same, shall be governed by the foregoing provisions of this Part insofar as the same may be applicable.

Prior to taking any action under this section, the Director of the Budget may consult with the Advisory Budget Commission. (1961, c. 1078, s. 9; 1983, c. 577, s. 4; 1985 (Reg. Sess., 1986), c. 955, ss. 34, 35.)

§ 116-41.10. Exemption from taxation.

The bonds issued under the provisions of this Part and the income therefrom shall at all times be free from taxation within the State. (1961, c. 1078, s. 10.)

§ 116-41.11. Executive committee may be authorized to exercise powers and functions of Board.

The Board by resolution may authorize its executive committee to exercise or perform any of the powers or functions vested in the Board under this Part. (1961, c. 1078, s. 11; 1971, c. 1244, s. 15.)

§ 116-41.12. Part provides supplemental and additional powers; compliance with other laws not required.

This Part shall be deemed to provide an additional and alternative method for the doing of the things authorized hereby and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of or as repealing any powers now existing under any other law, either general, special or local; provided, however, that the issuance of revenue bonds or refunding revenue bonds under the provisions of this Part need not comply with the requirements of any other law applicable to the issuance of bonds and provided, further, that all general, special or local laws, or parts thereof, inconsistent herewith are hereby declared to be inapplicable to the provisions of this Part. (1961, c. 1078, s. 12.)

Part 4A. Distinguished Professors Endowment Trust Fund.

§ 116-41.13. Distinguished Professors Endowment Trust Fund; purpose.

The General Assembly of North Carolina recognizes that the public university system would be greatly strengthened by the addition of distinguished scholars. It further recognizes that private as well as State support is preferred in helping to obtain distinguished scholars for the State universities and that private support will help strengthen the commitment of citizens and organizations in promoting excellence throughout all State universities. It is the intent of the General Assembly to establish a trust fund to provide the opportunity to each State university to receive and match challenge grants to create endowments for selected distinguished professors to occupy chairs within the university. The associated foundations that serve the universities shall solicit and receive gifts from private sources to provide for matching funds to the trust fund challenge grants for the establishment of endowments for chairs within universities. (1985, c. 757, s. 202.)

§ 116-41.14. Distinguished Professors Endowment Trust Fund; establishment; maintenance.

There is established a Distinguished Professors Endowment Trust Fund to be maintained by the Board to provide challenge grants to the constituent institutions. All appropriated funds deposited into the trust fund shall be invested pursuant to G.S. 116-36. Interest income accruing to that portion of the trust fund not matched shall increase the total funds available for challenge grants. (1985, c. 757, s. 202.)

§ 116-41.15. Distinguished Professors Endowment Trust Fund; allocation; administration.

The amount appropriated to the trust shall be allocated by the Board as follows:

- (1) On the basis of one three hundred thirty-four thousand dollar (\$334,000) challenge grant for each six hundred sixty-six thousand dollars (\$666,000) raised from private sources; or
- (2) On the basis of one one hundred sixty-seven thousand dollar (\$167,000) challenge grant for each three hundred thirty-three thousand dollars (\$333,000) raised from private sources.

If an institution chooses to pursue the use of the allocated challenge grant funds described in either subdivision (1) or subdivision (2) of this section, the funds shall be matched on a two-to-one basis. Matching funds shall come from contributions made after July 1, 1985, and pledged for the purposes specified by G.S. 116-41.14. Each participating constituent institution's board of trustees shall establish its own Distinguished Professors Endowment Trust Fund, and shall maintain it pursuant to the provision of G.S. 116-36 to function as a depository for private contributions and for the State matching funds for the challenge grants. The State matching funds shall be transferred to the constituent institution's Endowment Fund upon notification that the institution has received and deposited the appropriate amount required by this section in its own Distinguished Professors Endowment Trust Fund. Only the net income from that account shall be expended in support of the distinguished professorship thereby created. (1985, c. 757, s. 202.)

§ 116-41.16. Distinguished Professors Endowment Trust Fund; contribution commitments.

Contributions may also be eligible for matching if there is:

- (1) A commitment to make a donation of at least six hundred sixty-six thousand dollars (\$666,000), as prescribed by G.S. 143-31.4, and an initial payment of one hundred eleven thousand dollars (\$111,000) to receive a grant described in G.S. 116-41.15(1); or
- (2) A commitment to make a donation of at least three hundred thirty-three thousand dollars (\$333,000), as prescribed by G.S. 143-31.4, and an initial payment of fifty-five thousand five hundred dollars (\$55,500) to receive a grant described in G.S. 116-41.15(2);

and if the initial payment is accompanied by a written pledge to provide the balance within five years after the date of the initial payment. Each payment on the balance shall be no less than the amount of the initial payment and shall be made on or before the anniversary date of the initial payment. Pledged contributions may not be matched prior to the actual collection of the total funds. Once the income from the institution's Distinguished Professors Endowment Trust Fund can be effectively used pursuant to G.S. 116-41.17, the institution shall proceed to implement plans for establishing an endowed chair. (1985, c. 757, s. 202.)

§ 116-41.17. Distinguished Professors Endowment Trust Fund; establishment of chairs.

When the sum of the challenge grant and matching funds in the Scholars' Endowment Trust Fund reaches:

- (1) One million dollars (\$1,000,000), if the sum of funds described in G.S. 116-41.15(1); or
- (2) Five hundred thousand dollars (\$500,000), if the sum of funds described in G.S. 116-41.15(2);

the board of trustees may recommend to the Board, for its approval, the establishment of an endowed chair or chairs. The Board, in considering whether to approve the recommendation, shall include in its consideration the programs already existing in The University of North Carolina. If the Board

approves the recommendation, the chair or chairs shall be established. The chair or chairs, the property of the constituent institution, may be named in honor of a donor, benefactor, or honoree of the institution, at the option of the board of trustees. (1985, c. 757, s. 202.)

§ 116-41.18. Distinguished Professors Endowment Trust Fund; selection of Distinguished Professors.

(a) Each constituent institution that receives, through private gifts and an allocation by the Board of Governors, funds for the purpose shall, under procedures established by rules of the Board of Governors and the board of trustees of the constituent institution, select a holder of the Distinguished Professorship. Once given, that designation shall be retained by the distinguished professor as long as he remains in the full-time service of the institution as a faculty member, or for more limited lengths of time when authorized by the Board of Governors and the board of trustees at the institution when the Distinguished Professorship is originally established or vacated. When a distinguished professorship becomes vacant, it shall remain assigned to the institution and another distinguished professor shall be selected under procedures established by rules of the Board of Governors and the board of trustees of the constituent institution.

(a1) No rule shall prevent the constituent institutions of The University of North Carolina from selecting holders of Distinguished Professorships from among existing faculty members or newly hired faculty members.

(b) The Board of Governors of The University of North Carolina shall promulgate rules to implement this section.

(c) There is appropriated from the General Fund to the Board of Governors of The University of North Carolina the sum of two million dollars (\$2,000,000) for fiscal year 1985-86, and the sum of two million dollars (\$2,000,000) for fiscal year 1986-87, to implement this section. (1985, c. 757, s. 202; 1991 (Reg. Sess., 1992), c. 1030, s. 31; 1995, c. 507, s. 15.12; 1997-443, s. 10.6.)

§ 116-41.19. Distinguished Professors Endowment Trust Fund; promulgation of rules.

The Board of Governors of The University of North Carolina shall promulgate rules to implement this Part. (1985, c. 757, s. 202.)

Cross References. — See Editor's note to §§ 116-42 to 116-42.4.

§ 116-44.4. Regulation of traffic and parking and registration of motor vehicles.

(a) Except as otherwise provided in this Part, all of the provisions of Chapter 20 of the General Statutes relating to the use of highways of the State and the operation of motor vehicles thereon are applicable to all streets, alleys, driveways, parking lots, and parking structures on University property. Nothing in this section modifies any rights of ownership or control of University property, now or hereafter vested in the Board of Governors of the University of North Carolina or the State of North Carolina.

(b) Each board of trustees may by ordinance prohibit, regulate, divert, control, and limit pedestrian or vehicular traffic and the parking of motor vehicles and other modes of conveyance on the campus. In fixing speed limits, the board of trustees is not subject to G.S. 20-141(f1) or (g2), but may fix any speed limit reasonable and safe under the circumstances as conclusively determined by the board of trustees. The board of trustees may not regulate traffic on streets open to the public as of right, except as specifically provided in this Part.

(c) Each board of trustees may by ordinance provide for the registration of motor vehicles maintained or operated on the campus by any student, faculty member, or employee of the University, and may fix fees for such registration. The ordinance may make it unlawful for any person to operate an unregistered motor vehicle on the campus when the vehicle is required by the ordinance to be registered.

(d) Each board of trustees may by ordinance set aside parking lots and other parking facilities on the campus for use by students, faculty, and employees of the University and members of the general public attending schools, conferences, or meetings at the University, visiting or making use of any University facilities, or attending to official business with the University. The board of trustees may issue permits to park in these lots and garages and may charge a fee therefor. The board of trustees may also by ordinance make it unlawful for any person to park a motor vehicle in any lot or other parking facility without procuring the requisite permit and displaying it on the vehicle.

(e) Each board of trustees may by ordinance set aside spaces in designated parking areas or facilities in which motor vehicles may be parked for specified periods of time. To regulate parking in such spaces, the board of trustees may install a system of parking meters and make it unlawful for any person to park a motor vehicle in a metered space without activating the meter for the entire time that the vehicle is parked, up to the maximum length of time allowed for that space. The meters may be activated by coins of the United States. The board of trustees may also install automatic gates, employ attendants, and use any other device or procedure to control access to and collect the fees for using its parking areas and facilities.

(f) The board of trustees may by ordinance provide for the issuance of stickers, decals, permits, or other indicia representing the registration status of vehicles or the eligibility of vehicles to park on the campus and may by ordinance prohibit the forgery, counterfeiting, unauthorized transfer, or unauthorized use of them.

(g) Violation of an ordinance adopted under any portion of this Part is an infraction as defined in G.S. 14-3.1 and is punishable by a penalty of not more than fifty dollars (\$50.00). An ordinance may provide that certain prohibited acts shall not be infractions and in such cases the provisions of subsection (h) may be used to enforce the ordinance.

(h) An ordinance adopted under any portion of this Part may provide that violation subjects the offender to a civil penalty. Penalties may be graduated according to the seriousness of the offense or the number of prior offenses by the person charged. Each board of trustees may establish procedures for the collection of these penalties and they may be enforced by civil action in the nature of debt. The board of trustees may also provide for appropriate administrative sanctions if an offender does not pay a validly due penalty or upon repeated offenses. Appropriate administrative sanctions include, but are not limited to, revocation of parking permits, termination of vehicle registration, and termination or suspension of enrollment in or employment by the University.

(i) An ordinance adopted under any portion of this Part may provide that any vehicle illegally parked may be removed to a storage area. Regardless of whether a constituent institution does its own removal and disposal of motor vehicles or contracts with another person to do so, the institution shall provide a hearing procedure for the owner. For purposes of this subsection, the definitions in G.S. 20-219.9 apply.

(1) If the institution operates in such a way that the person who tows the vehicle is responsible for collecting towing fees, all provisions of Article 7A, Chapter 20, apply.

(2) If the institution operates in such a way that it is responsible for collecting towing fees, it shall:

b. Provide a procedure for a prompt fair hearing to contest the towing,

c. Provide for an appeal to district court from that hearing,

d. Authorize release of the vehicle at any time after towing by the posting of a bond or paying of the fees due, and

If no one purchases the vehicle at the sale and if the value of the vehicle is less than the amount of the lien, the institution may destroy it.

(1) The person holding a University parking permit for the vehicle, or

(2) If no University parking permit has been issued for the vehicle, the person in whose name the vehicle is registered with the University pursuant to subsection (c), or

(3) If no University parking permit has been issued for the vehicle and the vehicle is not registered with the University, the person in whose name it is registered with the North Carolina Division of Motor Vehicles or the corresponding agency of another state or nation.

The rule of evidence established by this subsection applies only in civil, criminal, or administrative actions or proceedings concerning violations of ordinances of the board of trustees. G.S. 20-162.1 does not apply to such actions or proceedings.

(k) Each board of trustees shall cause to be posted appropriate notice to the public of applicable traffic and parking restrictions.

Each board of trustees shall provide for printing and distributing copies of its traffic and parking ordinances.

(m) All moneys received pursuant to this Part shall be placed in a trust account in each constituent institution and may be used for any of the following purposes:

- (1) To defray the cost of administering and enforcing ordinances adopted under this Part;

Loan Fund for Prospective College Teachers.

§ **116-71. Purpose of Article.**

The purpose of this Article is to encourage, assist, and expedite the postgraduate-level education and training of competent teachers for the public and private universities, colleges and community colleges in this State by the granting of loans to finance such study. The funds shall be used to increase the number of teaching faculty as distinguished from research specialists. (1965, c. 1148, s. 1; 1987, c. 564, s. 22.)

§ **116-72. Fund established.**

There is established a loan fund for prospective college teachers to assist capable persons to pursue study and training leading to masters or doctorate degrees in preparation to become teachers in the public and private institutions of education beyond the high school in North Carolina. Both private and public sources may be solicited in the creation of the fund. (1965, c. 1148, s. 1.)

§ **116-73. Joint committee for administration of fund; rules and regulations.**

"The Scholarship Loan Fund for Prospective College Teachers" shall be the responsibility of the Board of Governors of the University of North Carolina

- (5) Loans for 12 weeks of summer study, carrying stipends not to exceed five hundred dollars (\$500.00) for single and married students, should be available to students who do not plan to attend postgraduate school as full-time students during the regular academic year. Recipients should be eligible for up to three renewals over a four-year period. The obligation to teach in a North Carolina college or other educational institution, or failing that, to repay the State, shall apply proportionally as indicated above. The Scholarship Loan Fund for Prospective College Teachers shall continue in effect until terminated by action of the General Assembly of North Carolina. Such amounts of loans as shall be repaid from time to time under the provisions of this Article, together with such amounts of interest as may be received on account of loans made shall become a part of the principal amount of said loan fund. § 116-74.21. Establishment of a competitive proposal process for school administrator programs.

(a) The Board of Governors shall develop and implement a competitive proposal process and criteria for assessing proposals to establish school administrator training programs within the constituent institutions of The University of North Carolina. To facilitate the development of the programs, program criteria, and the proposal process, the Board of Governors may convene a panel of national school administrator program experts and other professional training program experts to assist it in designing the program, the proposal process, and criteria for assessing the proposals.

(b) No more than nine school administrator programs shall be established under the competitive proposal program. In selecting campus sites, the Board of Governors shall be sensitive to the racial, cultural, and geographic diversity of the State. Special priority shall be given to the following factors: (i) the historical background of the institutions in training educators; (ii) the ability of the sites to serve the geographic regions of the State, such as, the far west, the west, the triad, the piedmont, and the east; and, (iii) whether the type of roads and terrain in a region make commuting difficult. A school administrator program may provide for instruction at one or more campus sites.

(c) The Board of Governors shall study the issue of supply and demand of school administrators to determine the number of school administrators to be trained in the programs in each year of each biennium. The Board of Governors shall report the results of this study to the Joint Legislative Education Oversight Committee no later than March 1, 1994, and annually thereafter.

(d) The Board of Governors shall develop a budget for the programs established under subsection (a) of this section that reflects the resources necessary to establish and operate school administrator programs that meet the vision of the report submitted to the 1993 General Assembly by the Educational Leadership Task Force.

(e) The Board of Governors shall report annually on the implementation of the act no later than December 1 of each year. (1993, c. 199, s. 1; 1993 (Reg. Sess., 1994), c. 677, s. 13; 1995, c. 507, s. 27.2(a); 1998-212, s. 11.13(a).)

Editor's Note. — Session Laws 1993, c. 199, which enacted this article, in s. 8 provided that Sections 5 and 7 of this act would not become effective unless sufficient funds were appropriated for this purpose. However, this contingency was removed by Session Laws 1993, c. 321, s. 317. Session Laws 1993, c. 199, s. 8 further provides: "Nothing in this act shall require the General Assembly to appropriate any funds to implement it."

At the direction of the Revisor of Statutes, Session Laws 1993 (Reg. Sess., 1994), c. 677, s. 13 has been codified as subsection (e).

Session Laws 1993 (Reg. Sess., 1994), c. 677 is an act which reorganized education reports, clarified the terms for a scholarship loan under

the principal fellows program and made technical and clarifying changes to the education laws.

Session Laws 1995, c. 507, s. 27.2(b), provides: "The Board of Governors of The University of North Carolina shall continue the Master of School Administrators program at Appalachian State University as one of the eight school administrator programs established pursuant to G.S. 116-74.21."

Session Laws 1995, c. 507, s. 28.9, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1995-97 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring

during, the 1995-97 biennium.”

Session Laws 1998-212, s. 1.1 provides: “This act shall be known as the ‘Current Operations Appropriations and Capital Improvement Appropriations Act of 1998’.”

Session Laws 1998-212, s. 11.13(b) provides that the Board of Governors of The University of North Carolina shall include the Master of School Administration program at North Carolina State University in Raleigh as one of the nine school administrator programs established pursuant to this section. In providing this program, North Carolina State University shall cooperate with North Carolina Central University and the University of North Carolina at Chapel Hill through the use of distance

education methodologies and sharing of faculty expertise.

Session Laws 1998-212, s. 30.2 provides: “Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1998-99 fiscal year, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1998-99 fiscal year.”

Session Laws 1998-212, s. 30.5 contains a severability clause.

Effect of Amendments. — The 1998 amendment, effective July 1, 1998, substituted “nine school administrator programs” for “eight school administrator programs” in subsection (b).

Initial terms of those members appointed to fill the Board of Governors of The University of North Carolina, State Board of Education, deans of schools of education, and the member of business and industry seats shall expire July 1, 1997. Thereafter, all appointments for these seats shall be for four-year terms.

(d) Except as otherwise provided, if a vacancy occurs in the membership, the appointing authority shall appoint another person to serve for the balance of the unexpired term. In the discretion of the appointing authority, a State Board of Education member or a member of the Board of Governors of The University of North Carolina may complete a term on the Commission after the member's appointment from the appointing board has expired.

(e) Commission members shall receive per diem, subsistence, and travel allowances in accordance with G.S. 138-5 or G.S. 138-6, as appropriate.

(f) The Commission shall meet regularly, at times and places deemed necessary by the chair. (1993, c. 321, s. 85(a).)

§ 116-74.42. Principal Fellows Program established; administration.

(a) A Principal Fellows Program shall be administered by the North Carolina Principal Fellows Commission in collaboration with the State Education Assistance Authority. The Principal Fellows Program shall provide up to a two-year scholarship loan to selected recipients and shall provide extracurricular enhancement activities for recipients. The North Carolina Principal Fellows Commission shall determine selection criteria, methods of selection, and shall select recipients to receive scholarship loans made under the Principal Fellows Program.

(b) The Board of Governors of The University of North Carolina shall appoint a director of the Principal Fellows Program. The director shall chair and staff the Principal Fellows Commission, and shall administer the extracurricular enhancement activities of the program. The Board of Governors shall provide office space and clerical support staff for the program.

(c) The Principal Fellows Program shall provide a two-year scholarship loan in the amount of twenty thousand dollars (\$20,000) per year, per recipient, to persons who may be eligible to be selected as school administrators in the public schools of the State by completing a full-time program in school administration in an approved program. Approved programs are those chosen by the Commission from among school administrator programs within the State. No more than 200 principal fellow scholarship loan awards shall be made in each year. The final number of scholarship loan awards per year shall be made in accordance with the Board of Governors' findings concerning the supply and demand of administrators, the State's need for school administrator candidates and within funds appropriated for the scholarship loans. Effective September 1, 1995, and in accordance with school administrator training programs established by the Board of Governors of The University of North Carolina, recipients shall be required to complete an approved full-time academic program during the first year of the scholarship loan program and a full-time internship during the second year of the program. In order to attract fellows as interns, local school administrative units may use all or part of the

funds allotted for an assistant principal salary for each intern accepted by the local school administrative unit; however, interns shall not serve as assistant principals.

(d) The Commission shall adopt stringent standards, which may include standardized test scores, undergraduate performance, job experience and performance, leadership and management abilities, and other standards deemed appropriate by the Commission, to ensure that only the best potential students receive scholarship loans under the Principal Fellows Program. The Commission shall consider the qualifications of all applicants fairly, regardless of gender or race, and shall consider the geographic diversity of the State. Scholarship loans under the Principal Fellows Program shall be awarded only to applicants who meet the standards set by the Commission, are domiciled in North Carolina, and who agree to work as school administrators in a North Carolina public school or at a school operated by the United States government in North Carolina upon completion of the two-year school administrator program supported by the loan.

(e) The Commission shall develop and administer the Principal Fellows Program in cooperation with school administrator programs at institutions approved by the Commission. The Commission shall develop criteria and a process for the approval of campus program sites. Extracurricular enhancement activities shall be coordinated with each fellow's campus program and shall focus on the leadership development of program fellows.

(f) The Commission may form regional review committees to assist it in identifying the best applicants for the program. The Commission and the review committees shall make an effort to identify and encourage women and minorities and others who may not otherwise consider a career in school administration to apply for the Principal Fellows Program.

(g) Upon the naming of recipients of the scholarship loans by the Principal Fellows Commission, the Commission shall transfer to the State Education Assistance Authority (SEAA) its decisions. The SEAA shall perform all of the administrative functions necessary to implement this Article, which functions shall include: rule making, dissemination of information, disbursement, receipt, liaison with participating educational institutions, determination of the acceptability of service repayment agreements, and all other functions necessary for the execution, payment, and enforcement of promissory notes required under this Article. (1993, c. 321, s. 85(a).)

§ 116-74.43. Terms of loans; receipt and disbursement of funds.

(a) All scholarship loans shall be evidenced by notes made payable to the State Education Assistance Authority that bear interest at the rate of ten percent (10%) per year beginning 90 days after completion of the school administrator program, or 90 days after termination of the scholarship loan, whichever is earlier. The scholarship loan may be terminated upon the recipient's withdrawal from school or by the recipient's failure to meet the standards set by the Commission.

(b) The State Education Assistance Authority shall forgive the loan and any interest accrued on the loan if, within six years after graduation from a school administrator program, exclusive of any authorized deferment for extenuating circumstances, the recipient serves for four years as a school administrator at a North Carolina public school or at a school operated by the United States government in North Carolina. The SEAA shall also forgive the loan if it finds that it is impossible for the recipient to work for four years, within six years

after completion of the two-year school administrator program supported by the scholarship loan at a North Carolina public school, or at a school operated by the United States government in North Carolina, because of the death or permanent disability of the recipient. If the recipient repays the scholarship loan by cash payments, all indebtedness shall be repaid within 12 years after completion of the two-year school administrator program supported by the scholarship loan. If the recipient completes the school administrator program, payment of principal and interest shall begin no later than 27 months after the completion of the program. Should a recipient present extenuating circumstances, the State Education Assistance Authority may extend the period to repay the loan in cash to no more than a total of 15 years.

(c) All funds appropriated to, or otherwise received by, the Principal Fellows Program for scholarships, all funds received as repayment of scholarship loans, and all interest earned on these funds, shall be placed in a university trust fund. This university trust fund may be used only for scholarship loans granted under the Principal Fellows Program and administrative costs associated with the recovery of funds advanced under the program. (1993, c. 321, s. 85(a); 1993 (Reg. Sess., 1994), c. 677, s. 12(a).)

*General Provisions as to Tuition and Fees in Certain State
Institutions.*

§ **116-143. State-supported institutions of higher education required to charge tuition and fees.**

The Board of Governors of the University of North Carolina shall fix the tuition and fees, not inconsistent with actions of the General Assembly, at the

institutions enumerated in G.S. 116-4 in such amount or amounts as it may deem best, taking into consideration the nature of each institution and program of study and the cost of equipment and maintenance; and each institution shall charge and collect from each student, at the beginning of each semester or quarter, tuition, fees, and an amount sufficient to pay other expenses for the term.

In the event that said students are unable to pay the cost of tuition and required academic fees as the same may become due, in cash, the said several boards of trustees are hereby authorized and empowered, in their discretion, to accept the obligation of the student or students together with such collateral or security as they may deem necessary and proper, it being the purpose of this Article that all students in State institutions of higher learning shall be required to pay tuition, and that free tuition is hereby abolished.

Inasmuch as the giving of tuition and fee waivers, or especially reduced rates, represent in effect a variety of scholarship awards, the said practice is hereby prohibited except when expressly authorized by statute or by the Board of Governors of the University of North Carolina; and, furthermore, it is hereby directed and required that all budgeted funds expended for scholarships of any type must be clearly identified in budget reports.

Notwithstanding the above provision relating to the abolition of free tuition, the Board of Governors of the University of North Carolina may, in its discretion, provide regulations under which a full-time faculty member of the rank of full-time instructor or above, and any full-time staff member of the University of North Carolina may during the period of normal employment enroll for not more than one course per semester in the University of North Carolina free of charge for tuition, provided such enrollment does not interfere with normal employment obligations and further provided that such enrollments are not counted for the purpose of receiving general fund appropriations. (1933, c. 320, s. 1; 1939, cc. 178, 253; 1949, c. 586; 1961, c. 833, s. 16.1; 1963, c. 448, s. 27.1; 1965, c. 903; 1971, c. 845, ss. 6, 10; c. 1086, s. 2; c. 1244, s. 12; 1973, c. 116, s. 1; 1977, c. 605; 1981, c. 859, s. 41.4.)

Editor's Note. — Session Laws 1993, c. 321, s. 89, as amended by Session Laws 1993 (Reg. Sess., 1994), c. 769, s. 17.10, provides:

“(a) In order to monitor institutional progress in meeting the expectation of Item 1 of the “Plan to Improve Graduation Rates in The University of North Carolina” that full-time undergraduates will take an average of 15 semester hours per term, the Board of Governors shall require constituent institutions to set a goal of increasing to 15 the average number of credit hours per term taken by full-time undergraduates. This goal shall be met systemwide and by each constituent institution no later than December of 1997. The Board shall instruct all institutions to report on their progress in meeting their goals in their annual assessment reports. The Board shall require those institutions failing to make timely progress to submit special reports identifying additional steps to be taken. The Board shall report annually by April 1 to the Joint Legislative Education Oversight Committee on the progress of each constituent institution in meeting these goals.

“(b) The Board of Governors of The University of North Carolina shall ensure that proce-

dures are established that are necessary to impose a twenty-five percent (25%) tuition surcharge on students who take more than 140 degree credit hours to complete a baccalaureate degree in four-year program or more than one hundred ten percent (110%) of the credit hours necessary to complete a baccalaureate degree in any program officially designated by the Board of Governors as a five-year program. The calculation of these credit hours taken at a constituent institution or accepted for transfer shall exclude hours earned through the College Board's Advanced Placement or CLEP examinations, through institutional advanced placement or course validation, or through summer term or extension programs. No surcharge shall be imposed on any student who exceeds the degree credit hour limits within the equivalent of four academic years of regular term enrollment, or within five academic years of regular term enrollment in a degree program officially designated by the Board of Governors as a five-year program. The Board shall report to the Joint Legislative Education Oversight Committee by April 1, 1994, on its recommendations for implementing this surcharge.”

Session Laws 1993, c. 321, s. 321 provides:

"Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1993-95 biennium, the textual provisions of this act shall apply only to funds appropriated for and activities occurring during the 1993-95 biennium."

Session Laws 1993 (Reg. Sess., 1994), c. 769, s. 43.2 provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1994-95 fiscal year, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1994-95 fiscal year."

Session Laws 1995, c. 507, s. 15.15, provides that the Board of Trustees of a constituent institution of The University of North Carolina designated as a Research University I campus, or which has a professional school or masters degree in Business Administration, may increase tuition at that institution, notwithstanding G.S. 116-143, and provides for the allocation of revenues derived from the increase.

Session Laws 1995, c. 507, s. 28.9, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1995-97 fiscal biennium, the textual provisions of this act apply only to

funds appropriated for, and activities occurring during, the 1995-97 biennium."

Session Laws 1997-443, s. 10.21, provides that the Board of Governors of The University of North Carolina may set tuition rates for students in the Masters of Business Administration and the Masters of Accounting programs of the School of Business at the University of North Carolina at Chapel Hill that are higher than those currently set pursuant to G.S. 116-143. The Board of Governors is also to conduct a study of tuition levels and adjust tuition rates to align with policies on tuition differentials, and report to the Joint Legislative Education Oversight Committee by January 15, 1999, regarding the findings of its study.

Session Laws 1997-443, s. 35.2, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1997-99 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1997-99 fiscal biennium."

CASE NOTES

Quoted in *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 318 F. Supp. 786 (W.D.N.C. 1970).

§ 116-143.1. Provisions for determining resident status for tuition purposes.

(a) As defined under this section:

- (1) A "legal resident" or "resident" is a person who qualifies as a domiciliary of North Carolina; a "nonresident" is a person who does not qualify as a domiciliary of North Carolina.
- (2) A "resident for tuition purposes" is a person who qualifies for the in-State tuition rate; a "nonresident for tuition purposes" is a person who does not qualify for the in-State tuition rate.
- (3) "Institution of higher education" means any of the constituent institutions of the University of North Carolina and the community colleges under the jurisdiction of the State Board of Community Colleges.

(b) To qualify as a resident for tuition purposes, a person must have established legal residence (domicile) in North Carolina and maintained that legal residence for at least 12 months immediately prior to his or her classification as a resident for tuition purposes. Every applicant for admission shall be required to make a statement as to his length of residence in the State.

(c) To be eligible for classification as a resident for tuition purposes, a person must establish that his or her presence in the State currently is, and during the requisite 12-month qualifying period was, for purposes of maintaining a bona fide domicile rather than of maintaining a mere temporary residence or abode incident to enrollment in an institution of higher education.

(d) An individual shall not be classified as a resident for tuition purposes and, thus, not rendered eligible to receive the in-State tuition rate, until he or

she has provided such evidence related to legal residence and its duration as may be required by officials of the institution of higher education from which the individual seeks the in-State tuition rate.

(e) When an individual presents evidence that the individual has living parent(s) or court-appointed guardian of the person, the legal residence of such parent(s) or guardian shall be prima facie evidence of the individual's legal residence, which may be reinforced or rebutted relative to the age and general circumstances of the individual by the other evidence of legal residence required of or presented by the individual; provided, that the legal residence of an individual whose parents are domiciled outside this State shall not be prima facie evidence of the individual's legal residence if the individual has lived in this State the five consecutive years prior to enrolling or reregistering at the institution of higher education at which resident status for tuition purposes is sought.

(f) In making domiciliary determinations related to the classification of persons as residents or nonresidents for tuition purposes, the domicile of a married person, irrespective of sex, shall be determined, as in the case of an unmarried person, by reference to all relevant evidence of domiciliary intent. For purposes of this section:

- (1) No person shall be precluded solely by reason of marriage to a person domiciled outside North Carolina from establishing or maintaining legal residence in North Carolina and subsequently qualifying or continuing to qualify as a resident for tuition purposes;
- (2) No persons shall be deemed solely by reason of marriage to a person domiciled in North Carolina to have established or maintained a legal residence in North Carolina and subsequently to have qualified or continued to qualify as a resident for tuition purposes;
- (3) In determining the domicile of a married person, irrespective of sex, the fact of marriage and the place of domicile of his or her spouse shall be deemed relevant evidence to be considered in ascertaining domiciliary intent.

(g) Any nonresident person, irrespective of sex, who marries a legal resident of this State or marries one who later becomes a legal resident, may, upon becoming a legal resident of this State, accede to the benefit of the spouse's immediately precedent duration as a legal resident for purposes of satisfying the 12-month durational requirement of this section.

(h) No person shall lose his or her resident status for tuition purposes solely by reason of serving in the armed forces outside this State.

(i) A person who, having acquired bona fide legal residence in North Carolina, has been classified as a resident for tuition purposes but who, while enrolled in a State institution of higher education, loses North Carolina legal residence, shall continue to enjoy the in-State tuition rate for a statutory grace period. This grace period shall be measured from the date on which the culminating circumstances arose that caused loss of legal residence and shall continue for 12 months; provided, that a resident's marriage to a person domiciled outside of North Carolina shall not be deemed a culminating circumstance even when said resident's spouse continues to be domiciled outside of North Carolina; and provided, further, that if the 12-month period ends during a semester or academic term in which such a former resident is enrolled at a State institution of higher education, such grace period shall extend, in addition, to the end of that semester or academic term.

(j) Notwithstanding the prima facie evidence of legal residence of an individual derived pursuant to subsection (e), notwithstanding the presumptions of the legal residence of a minor established by common law, and notwithstanding the authority of a judicially determined custody award of a minor, for purposes of this section, the legal residence of a minor whose parents

are divorced, separated, or otherwise living apart shall be deemed to be North Carolina for the time period relative to which either parent is entitled to claim and does in fact claim the minor as a dependent for North Carolina individual income tax purposes. The provisions of this subsection shall pertain only to a minor who is claimed as a dependent by a North Carolina legal resident.

Any person who immediately prior to his or her eighteenth birthday would have been deemed under this subsection a North Carolina legal resident but who achieves majority before enrolling at an institution of higher education shall not lose the benefit of this subsection if that person:

- (1) Upon achieving majority, acts, to the extent that the person's degree of actual emancipation permits, in a manner consistent with bona fide legal residence in North Carolina; and
 - (2) Begins enrollment at an institution of higher education not later than the fall academic term next following completion of education prerequisite to admission at such institution.
- (k) Notwithstanding other provisions of this section, a minor who satisfies the following conditions immediately prior to commencement of an enrolled term at an institution of higher education, shall be accorded resident tuition status for that term:

- (1) The minor has lived for five or more consecutive years continuing to such term in North Carolina in the home of an adult relative other than a parent, domiciled in this State; and
- (2) The adult relative has functioned during those years as a de facto guardian of the minor and exercised day-to-day care, supervision, and control of the minor.

A person who immediately prior to his or her eighteenth birthday qualified for or was accorded resident status for tuition purposes pursuant to this subsection shall be deemed upon achieving majority to be a legal resident of North Carolina of at least 12 months' duration; provided, that the legal residence of such an adult person shall be deemed to continue in North Carolina only so long as the person does not abandon legal residence in this State.

(l) Any person who ceases to be enrolled at or graduates from an institution of higher education while classified as a resident for tuition purposes and subsequently abandons North Carolina domicile shall be permitted to reenroll at an institution of higher education as a resident for tuition purposes without necessity of meeting the 12-month durational requirement of this section if the person reestablishes North Carolina domicile within 12 months of abandonment of North Carolina domicile and continuously maintains the reestablished North Carolina domicile at least through the beginning of the academic term(s) for which in-State tuition status is sought. The benefit of this subsection shall be accorded not more than once to any one person. CASE NOTES

Evidence Held Sufficient to Support Determination of Nonresidency. — Although the whole record did not support University's State Residency Committee's decision to the exclusion of all other conclusions, the record

disclosed substantial evidence sufficient to support its determination that petitioner was not a North Carolina resident for tuition purposes; therefore, the trial court's reversal of the Committee's decision was error. *Wilson v. State*

Residence Comm., 92 N.C. App. 355, 374 S.E.2d 415 (1988), cert. denied, 324 N.C. 252, 377 S.E.2d 764 (1989).

Regulation Held Invalid. — Regulation providing that a student classified as a nonresident for tuition purposes at the time of his original enrollment at a State institution of higher learning, in order to qualify for in-state tuition, must be domiciled in this State for at least six months preceding the date of reenrollment without being enrolled in an institution of higher education during the six-month period is invalid. *Glusman v. Trustees of Univ. of N.C.*, 284 N.C. 225, 200 S.E.2d 9 (1973).

Legal Residence of Parents Not Prima Facie Evidence of Residence. — Although university student's parents were domiciled outside North Carolina, the legal residence of her parents was not prima facie evidence of her legal residence since she had lived in this state five consecutive years prior to enrolling at the university. *Fain v. State Residence Comm.*, 117

N.C. App. 541, 451 S.E.2d 663, aff'd, 342 N.C. 402, 464 S.E.2d 43 (1995).

Student May Establish Domicile While Enrolled at University. — A student who was classified as a nonresident for tuition purposes at the time of his original enrollment could become, upon establishing his domicile in North Carolina for six months or more, entitled to in-State tuition status notwithstanding during this six months period he was enrolled in an institution of higher education in this State. *Glusman v. Trustees of Univ. of N.C.*, 284 N.C. 225, 200 S.E.2d 9 (1973).

Students Found to Have Same Domicile as Parents. — Under subsection (e) students were presumed to have the same domicile where their parents lived in other states as, neither student lived in North Carolina for five consecutive years and in their applications they stated they came to the state for educational opportunities. *Norman v. Cameron*, 127 N.C. App. 44, 488 S.E.2d 297 (1997), cert. denied, 347 N.C. 398, 494 S.E.2d 416 (1997).

§ 116-143.2: Expired.

Editor's Note. — This section, which was enacted by Session Laws 1977, c. 590, s. 1, expired by the terms of s. 2 of the 1977 act on July 1, 1982.

§ 116-143.3. Tuition of personnel in the armed services.

(a) For purposes of this section the term "armed services" shall mean the United States Air Force, Army, Coast Guard, Marine Corps, and Navy; the North Carolina National Guard; and any Reserve Component of the foregoing. The term "abode" shall mean the place where a person actually lives, whether temporarily or permanently; the term "abide" shall mean to live in a given place.

(b) Any member of the armed services qualifying for admission to an institution of higher education as defined in G.S. 116-143.1(a)(3) but not qualifying as a resident for tuition purposes under G.S. 116-143.1 shall be charged the out-of-State tuition rate; provided, that the out-of-State tuition shall be forgiven to the extent that the out-of-State tuition rate exceeds any amounts payable to the institution or the service member by the service member's employer by reason of enrollment pursuant to such admission while the member is abiding in this State incident to active military duty, plus the amount that represents the percentage of the out-of-State tuition rate paid to the institution or the service member by the service member's employer multiplied by the in-State tuition rate and then subtracted from the in-State tuition rate. Any member of the armed services who does not qualify for any payment by the member's employer shall be eligible to be charged the in-State tuition rate and shall pay the full amount of the in-State tuition rate.

(c) Any dependent relative of a member of the armed services who is abiding in this State incident to active military duty, as defined by the Board of Governors of The University of North Carolina and by the State Board of Community Colleges while sharing the abode of that member shall be eligible to be charged the in-State tuition rate, if the dependent relative qualifies for admission to an institution of higher education as defined in G.S. 116-143.1(a)(3). The dependent relatives shall comply with the requirements of the

Selective Service System, if applicable, in order to be accorded this benefit. In the event the member of the armed services removes his abode from North Carolina during an academic year, the dependent relative shall continue to be eligible for the in-State tuition rate during the remainder of that academic year.

(d) The burden of proving entitlement to the benefit of this section shall lie with the applicant therefor.

(e) A person charged less than the out-of-State tuition rate solely by reason of this section shall not, during the period of receiving that benefit, qualify for or be the basis of conferring the benefits of G.S. 116-143.1(g), (h), (i), (j), (k), or (l). § 116-175.1. Consultation with Advisory Budget Commission.

Whenever this Article requires the approval of the Director of the Budget of an action, the Director of the Budget may consult with the Advisory Budget Commission before giving approval. (1983, c. 577, s. 5; 1985 (Reg. Sess., 1986), c. 955, s. 36.)

§ 116-176. Issuance of bonds.

The Board is hereby authorized to issue, subject to the approval of the Director of the Budget, at one time or from time to time, revenue bonds of the Board for the purpose of acquiring or constructing any project or projects. The bonds of each issue shall be dated, shall mature at such time or times not exceeding 50 years from their date or dates, shall bear interest at such rate or rates as may be determined by the Board, and may be redeemable before maturity, at the option of the Board, at such price or prices and under terms and conditions as may be fixed by the Board prior to the issuance of the bonds. The Board shall determine the form and manner of execution of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Article or any recitals in any bonds issued under the provisions of this Article, all such bonds shall be deemed to be negotiable instruments under the laws of this State. The bonds may be issued in coupon or registered form or both, as the Board may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The Board may sell such bonds in such manner, at public or private sale, and for such price, as it may determine to be in the best interest of the Board.

The proceeds of the bonds of each issue shall be used solely for the purpose for which such bonds shall have been authorized and shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same. Unless otherwise provided in the authorizing resolution or in the trust agreement securing such bonds, if the

proceeds of such bonds, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit and shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same purpose.

The resolution providing for the issuance of revenue bonds, and any trust agreement securing such bonds, may also contain such limitations upon the issuance of additional revenue bonds as the Board may deem proper, and such additional bonds shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement.

Prior to the preparation of definitive bonds, the Board may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Board may also provide for the replacement of any bonds which shall become mutilated or be destroyed or lost.

Bonds may be issued by the Board under the provisions of this Article, subject to the approval of the Director of the Budget, but without obtaining the consent of any other commission, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or things than those consents, proceedings, conditions or things which are specifically required by this Article.

Revenue bonds issued under the provisions of this Article shall not be deemed to constitute a debt of the State of North Carolina or a pledge of the faith and credit of the State, but such bonds shall be payable solely from the funds herein provided therefor and a statement to that effect shall be recited on the face of the bonds.

The Board may enter into or negotiate a note with an acceptable bank or trust company in lieu of issuing bonds for the financing of projects covered under this Article. The terms and conditions of any note of this nature shall be in accordance with the terms and conditions surrounding issuance of bonds. (1957, c. 1131, s. 2; 1969, c. 1158, s. 1; 1971, c. 511, s. 1; 1975, c. 233, s. 1; 1983, c. 577, s. 6.)

§ 116-177. Revenues for payment of bonds; rules for use of facilities.

So long as any bonds issued under this Article shall be outstanding the Board shall fix, and may revise from time to time, rentals for the facilities to be furnished by any project financed under this Article or for the right to use any such facilities or to receive any such services. Such rentals shall be fixed and revised so that the revenues received by the Board from any project or projects, together with any other available funds, will be sufficient at all times

- (1) To pay the cost of maintaining, repairing and operating such project or projects, including reserves for such purposes, and
- (2) To pay when added to increased rentals from existing facilities the principal of and the interest on the bonds for the payment of which such revenues are pledged and to provide reserves therefor.

The Board shall increase the rentals for the facilities furnished by any existing dormitories at any institution to provide, to the extent necessary, additional funds to liquidate in full any revenue bonds issued under this Article.

The Board is further authorized to make and enforce and to contract to make and enforce parietal rules that shall insure the maximum use of any project or existing facilities. (1957, c. 1131, s. 3.)

§ 116-178. Trust agreement.

In the discretion of the Board and subject to the approval of the Director of the Budget, each or any issue of revenue bonds may be secured by a trust agreement by and between the Board and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the State. The resolution authorizing the issuance of the bonds or such trust agreement may pledge to the extent necessary the revenues to be received from any project or projects at any institution and from any similar existing facilities described in G.S. 116-175(4) at the same institution, in excess of amounts now charged to each occupant of such project, but shall not convey or mortgage any such project or existing facilities, and may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Board in relation to the acquisition or construction of such project or projects and in relation to the maintenance, repair, operation and insurance of such project or projects and such existing facilities, the fixing and revising of rentals and other charges; and, the custody, safeguarding and application of all moneys, and for the employment of consulting engineers or architects in connection with such acquisition, construction or operation. Notwithstanding the provisions of any other law the Board may carry insurance on any such project or projects in such amounts and covering such risks as it may deem advisable. It shall be lawful for any bank or trust company incorporated under the laws of the State of North Carolina which may act as depository of the proceeds of bonds or of revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the Board. Such resolution or trust agreement may set forth the rights and remedies of the bondholders and of the trustees, if any, and may restrict the individual right of action by bondholders. Such resolution or trust agreement may contain such other provisions in addition to the foregoing as the Board may deem reasonable and proper for the security of the bondholders.

The Board may provide for the payment of the proceeds of the sale of the bonds and the revenues of any project or existing facilities or part thereof to such officer, board or depository as it may designate for the custody thereof, and for the method of disbursement thereof, with such safeguards and restrictions as it may determine. All expenses incurred in carrying out the provisions of such resolution or trust agreement may be treated as a part of the cost of operation.

All pledges of revenues under the provisions of this Article shall be valid and binding from the time when such pledges are made. All such revenues so pledged and thereafter received by the Board shall immediately be subject to the lien of such pledges without any physical delivery thereof or further action, and the lien of such pledges shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Board, irrespective of whether such parties have notice thereof. (1957, c. 1131, s. 4; 1983, c. 577, s. 6.)

§ 116-179. Sale of bonds; functions performed by executive committee.

The Board may authorize its executive committee to sell any bonds which the Board has, with the approval of the Director of the Budget, authorized to

be issued under this Article in such manner and under such limitations or conditions as the Board shall prescribe and to perform such other functions under this Article as the Board shall determine. (1957, c. 1131, s. 5; 1983, c. 577, s. 6.)

§ 116-180. Moneys received deemed trust funds.

All moneys received pursuant to the authority of this Article shall be deemed to be trust funds, to be held and applied solely as provided in this Article. The resolution authorizing the issuance of bonds or the trust agreement securing such bonds shall provide that any officer to whom, or bank, trust company or fiscal agent to which, such moneys shall be paid shall act as trustee of such moneys and shall hold and apply the same for the purposes hereof, subject to such regulations as such resolution or trust agreement may provide. (1957, c. 1131, s. 6.)

§ 116-181. Remedies.

Any holder of revenue bonds issued under the provisions of this Article or of any of the coupons appertaining thereto, and the trustee under any trust agreement, except to the extent that the rights herein given may be restricted by the resolution authorizing the issuance of such bonds or by such trust agreement, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the State of North Carolina or granted hereunder or under such resolution or trust agreement, and may enforce and compel the performance of all duties required by this Article or by such resolution or trust agreement to be performed by the Board or by any officer thereof, including the fixing, charging and collecting of fees, rentals and other charges. (1957, c. 1131, s. 7.)

§ 116-182. Refunding bonds.

The Board is hereby authorized, subject to the approval of the Director of the Budget, to issue from time to time revenue refunding bonds for the purpose of refunding any revenue bonds issued by the Board in connection with any project or projects at any one institution, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds. The Board is further authorized, subject to the approval of the Director of the Budget, to issue from time to time revenue refunding bonds for the combined purpose of

- (1) Refunding any revenue bonds or revenue refunding bonds issued by the Board in connection with any project or projects at any one institution, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds, and
- (2) Paying all or any part of the cost of acquiring or constructing any additional project or projects at the same institution.

The issuance of such bonds, the maturities and other details thereof, the rights and remedies of the holders thereof, and the rights, powers, privileges, duties and obligations of the Board with respect to the same, shall be governed by the foregoing provisions of this Article insofar as the same may be applicable. (1957, c. 1131, s. 8; 1983, c. 577, s. 6.)

Cross References. — As to refunding bonds issued under this Article, see § 116-195.

§ 116-183. Acceptance of grants; exemption from taxation.

The Board is hereby authorized, subject to the approval of the Director of the Budget, to accept grants of money or materials or property of any kind for any project from a federal agency, private agency, corporation or individual, upon such terms and conditions as such federal agency, private agency, corporation or individual may impose. The bonds issued under this Article are exempt from all State, county, and municipal taxation or assessment, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, excluding inheritance and gift taxes, income taxes on the gain from the transfer of the bonds and notes, and franchise taxes. The interest on the bonds and notes is not subject to taxation as income. (1957, c. 1131, s. 9; 1983, c. 577, s. 6; 1995, c. 46, s. 6.)

§ 116-184. Article cumulative.

This Article shall be deemed to provide an additional and alternative method for the doing of the things authorized hereby and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of or as repealing any powers now existing under any other law, either general, special or local; provided, however, that the issuance of revenue bonds or revenue refunding bonds under the provisions of this Article need not comply with the requirements of any other law applicable to the issuance of bonds. (1957, c. 1131, s. 10.)

§ 116-185. Inconsistent laws declared inapplicable.

All general, special or local laws, or parts thereof, inconsistent herewith are hereby declared to be inapplicable to the provisions of this Article. (1957, c. 1131, s. 11.)

§ 116-191. Issuance of bonds and bond anticipation notes.

The Board is hereby authorized to issue, subject to the approval of the Director of the Budget, at one time or from time to time, revenue bonds of the Board for the purpose of paying all or any part of the cost of acquiring, constructing or providing any project or projects. The bonds of each issue shall be dated, shall mature at such time or times not exceeding 50 years from their date or dates, shall bear interest at such rate or rates as may be determined by the Board, and may be redeemable before maturity, at the option of the Board,

at such price or prices and under such terms and conditions as may be fixed by the Board prior to the issuance of the bonds. The Board shall determine the form and manner of execution of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Article or any recitals in any bonds issued under the provisions of this Article, all such bonds shall be deemed to be negotiable instruments under the laws of this State, subject only to the provisions for registration in any resolution authorizing the issuance of such bonds or any trust agreement securing the same. The bonds may be issued in coupon or registered form or both, as the Board may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The Board may sell such bonds in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the Board.

The proceeds of the bonds of each issue shall be used solely for the purpose for which such bonds shall have been authorized and shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same. Unless otherwise provided in the authorizing resolution or in the trust agreement securing such bonds, if the proceeds of such bonds, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit and shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same purpose.

The resolution providing for the issuance of revenue bonds, and any trust agreement securing such bonds, may also contain such limitations upon the issuance of additional revenue bonds as the Board may deem proper, and such additional bonds shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement.

Prior to the preparation of definitive bonds, the Board may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Board may also provide for the replacement of any bonds which shall become mutilated or be destroyed or lost.

Except as herein otherwise provided, bonds may be issued under this Article and other powers vested in the Board under this Article may be exercised by the Board without obtaining the consent of any department, division, commission, board, bureau or agency of the State and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions or things which are specifically required by this Article.

The Board may enter into or negotiate a note with an acceptable bank or trust company in lieu of issuing bonds for the financing of projects covered under this section. The terms and conditions of any note of this nature shall be in accordance with the terms and conditions surrounding issuance of bonds.

The Board is hereby authorized to issue, subject to the approval of the Director of the Budget, at one time or from time to time, revenue bond anticipation notes of the Board in anticipation of the issuance of bonds authorized pursuant to the provisions of this Article. The principal of and the

interest on such notes shall be payable solely from the proceeds of bonds or renewal notes or, in the event bond or renewal note proceeds are not available, any available revenues of the project or projects for which such bonds shall have been authorized. The notes of each issue shall be dated, shall mature at such time or times not exceeding two years from their date or dates, shall bear interest at such rate or rates as may be determined by the Board, and may be redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board prior to the issuance of the notes. The Board shall determine the form and the manner of execution of the notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the notes and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer, whose signature or a facsimile of whose signature shall appear on any notes or coupons, shall cease to be such officer before the delivery of such notes, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Article or any recitals in any notes issued under the provisions of this Article, all such notes shall be deemed to be negotiable instruments under the laws of this State, subject only to the provisions for registration in any resolution authorizing the issuance of such notes or any trust agreement securing the bonds in anticipation of which such notes are being issued. The notes may be issued in coupon or registered form or both, as the Board may determine, and provision may be made for the registration of any coupon notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon notes of any notes registered as to both principal and interest. The Board may sell such notes in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the Board.

The proceeds of the notes of each issue shall be used solely for the purpose for which the bonds in anticipation of which such notes are being issued shall have been authorized, and such note proceeds shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such notes or bonds or in the trust agreement securing such bonds.

The resolution providing for the issuance of notes, and any trust agreement securing the bonds in anticipation of which such notes are being authorized, may also contain such limitations upon the issuance of additional notes as the Board may deem proper, and such additional notes shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement. The Board may also provide for the replacement of any notes which shall become mutilated or be destroyed or lost.

Except as herein otherwise provided, notes may be issued under this Article and other powers vested in the Board under this Article may be exercised by the Board without obtaining the consent of any department, division, commission, board, bureau or agency of the State and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions or things which are specifically required by this Article.

Unless the context shall otherwise indicate, the word "bonds," wherever used in this Article, shall be deemed and construed to include the words "bond anticipation notes." (1963, c. 847, s. 5; 1969, c. 1158, s. 2; 1971, c. 511, s. 2; 1973, c. 662; 1975, c. 233, s. 2; 1983, c. 577, s. 8.)

§ 116-192. Trust agreement; money received deemed trust funds; insurance; remedies.

In the discretion of the Board and subject to the approval of the Director of the Budget, any revenue bonds issued under this Article may be secured by a

trust agreement by and between the Board and a corporate trustee (or trustees) which may be any trust company or bank having the powers of a trust company within or without the State. Such trust agreement or the resolution providing for the issuance of such bonds may pledge or assign the revenues to be received, but shall not convey or mortgage any project or projects or any existing facilities or any part thereof. Such trust agreement or resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the holders of such bonds as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Board in relation to the acquisition, construction or provision of any project or projects, the maintenance, repair, operation and insurance of any project or projects and any existing facilities, student fees and admission fees and charges and other fees, rents and charges to be fixed and collected, and the custody, safeguarding and application of all moneys. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depository of the proceeds of bonds or revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the Board. Any such trust agreement or resolution may set forth the rights and remedies of the holders of the bonds and the rights, remedies and immunities of the trustee or trustees, if any, and may restrict the individual right of action by such holders. In addition to the foregoing, any such trust agreement or resolution may contain such other provisions as the Board may deem reasonable and proper for the security of such holders. All expenses incurred in carrying out the provisions of such trust agreement or resolution may be treated as a part of the cost of the project or projects for which such bonds are issued or as an expense of operation of such project or projects, as the case may be.

All moneys received pursuant to the authority of this Article, whether as proceeds from the sale of bonds or as revenues, shall be deemed to be trust funds to be held and applied solely as provided in this Article. The Board may provide for the payment of the proceeds of the sale of the bonds and the revenues, or part thereof, to such officer, board or depository as it may designate for the custody thereof, and for the method of disbursement thereof, with such safeguards and restrictions as it may determine. Any officer with whom, or any bank or trust company with which, such moneys shall be deposited shall act as trustee of such moneys and shall hold and apply the same for the purposes hereof, subject to such requirements as are provided in this Article and in the resolution or trust agreement authorizing or securing such bonds.

Notwithstanding the provisions of any other law the Board may carry insurance on any project or projects and any existing facilities in such amounts and covering such risks as it may deem advisable.

Any holder of bonds issued under this Article or of any of the coupons appertaining thereto, and the trustee or trustees under any trust agreement, except to the extent the rights herein given may be restricted by such trust agreement or the resolution authorizing the issuance of such bonds, may, either at law or in equity, by suit, action, mandamus or other proceedings, protect and enforce any and all rights under the laws of the State or granted hereunder or under such trust agreement or resolution, and may enforce and compel the performance of all duties required by this Article or by such trust agreement or resolution to be performed by the Board or by any officer thereof, including the fixing, charging and collecting of fees, rents and charges. (1963, c. 847, s. 6; 1983, c. 577, s. 8.)

§ 116-193. Fixing fees, rents and charges; sinking fund.

For the purpose of aiding in the acquisition, construction or provision of any project and the maintenance, repair and operation of any project or any

existing facilities, the Board is authorized to fix, revise from time to time, charge and collect from students enrolled at the institution under its jurisdiction such student fee or fees for such privileges and services and in such amount or amounts as the Board shall determine, and to fix, revise from time to time, charge and collect other fees, rents and charges for the use of and for the services furnished or to be furnished by any project or projects and any existing facilities, or any portion thereof, and admission fees for athletic games and other public events, and to contract with any person, partnership, association or corporation for the lease, use, occupancy or operation of, or for concessions in, any project or projects and any existing facilities, or any part thereof, and to fix the terms, conditions, fees, rents and charges for any such lease, use, occupancy, operation or concession. So long as bonds issued hereunder and payable therefrom are outstanding, such fees, rents and charges shall be so fixed and adjusted, with relation to other revenues available therefor, as to provide funds pursuant to the requirements of the resolution or trust agreement authorizing or securing such bonds at least sufficient with such other revenues, if any, (i) to pay the cost of maintaining, repairing and operating any project or projects and any existing facilities any part of the revenues of which are pledged to the payment of the bonds issued for such project or projects, (ii) to pay the principal of and the interest on such bonds as the same shall become due and payable, and (iii) to create and maintain reserves for such purposes. Such fees, rents and charges shall not be subject to supervision or regulation by any other commission, board, bureau or agency of the State. A sufficient amount of the revenues, except such part thereof as may be necessary to pay such cost of maintenance, repair and operation and to provide such reserves therefor and for renewals, replacements, extensions, enlargements and improvements as may be provided for in the resolution authorizing the issuance of such bonds or in the trust agreement securing the same, shall be set aside at such regular intervals as may be provided in such resolution or such trust agreement in a sinking fund which is hereby pledged to, and charged with, the payment of the principal of and the interest on such bonds as the same shall become due and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made, the fees, rents and charges and other revenues or other moneys so pledged and thereafter received by the Board shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Board, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the Board. The use and disposition of moneys to the credit of such sinking fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of the trust agreement securing the same. (1963, c. 847, s. 7.)

§ 116-194. Vesting powers in executive committee.

The Board may authorize its executive committee to sell any bonds which the Board has, with the approval of the Director of the Budget, authorized to be issued under this Article in such manner and under such limitations or conditions as the Board shall prescribe and to perform such other functions under this Article as the Board shall determine. (1963, c. 847, s. 8; 1983, c. 577, s. 8.)

§ 116-195. Refunding bonds.

The Board is hereby authorized, subject to the approval of the Director of the Budget, to issue from time to time revenue refunding bonds for the purpose of refunding any revenue bonds or revenue refunding bonds issued by the Board under Chapter 1289 of the 1955 Session Laws of North Carolina or under G.S. 116-175 to 116-185, inclusive, or under this Article, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds. The Board is further authorized, subject to the approval of the Director of the Budget, to issue from time to time revenue refunding bonds for the combined purpose of (i) refunding any such revenue bonds or revenue refunding bonds issued by the Board under said Chapter 1289 or under said G.S. 116-175 to 116-185, inclusive, or under this Article, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds, and (ii) paying all or any part of the cost of acquiring or constructing any additional project or projects.

The issuance of such refunding bonds, the maturities and other details thereof, the rights and remedies of the holders thereof, and the rights, powers, privileges, duties and obligations of the Board with respect to the same, shall be governed by the foregoing provisions of this Article insofar as the same may be applicable. (1963, c. 847, s. 9; 1983, c. 577, s. 8.)

§ 116-196. Exemption from taxation; bonds eligible for investment or deposit.

Any bonds issued under this Article shall at all times be exempt from all taxes or assessment, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, which are levied or assessed by the State or by any county, political subdivision, agency or other instrumentality of the State, excluding inheritance and gift taxes, income taxes on the gain from the transfer of the bonds, and franchise taxes. The interest on the bonds is not subject to taxation as income. Bonds issued by the Board under the provisions of this Article are hereby made securities in which all public officers and public bodies of the State and its political subdivisions, all insurance companies, trust companies, banking associations, investment companies, executors, administrators, trustees and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Such bonds are hereby made securities which may properly and legally be deposited with and received by any State or municipal officer or any agency or political subdivision of the State for any purpose for which the deposit of bonds or obligations of the State is now or may hereafter be authorized by law. (1963, c. 847, s. 10; 1995, c. 46, s. 7.)

§ 116-197. Article provides additional and alternative method.

This Article shall be deemed to provide an additional and alternative method for the doing of the things authorized hereby and shall be regarded as supplemental and additional to powers conferred by other laws, including G.S. 116-175 to 116-185, inclusive, and shall not be regarded as in derogation of or as repealing any powers now existing under any other law, either general, special or local; provided, however, that the issuance of revenue bonds or revenue refunding bonds under the provisions of this Article need not comply with the requirements of any other law applicable to the issuance of bonds. (1963, c. 847, s. 11.)

§ 116-198. Inconsistent laws declared inapplicable.

All general, special or local laws, or parts thereof, inconsistent herewith are hereby declared to be inapplicable to the provisions of this Article. (1963, c. 847, s. 12.)

The bonds of each issue shall be dated, shall mature at such time or times not exceeding 40 years from their date or dates, shall bear interest at such rate or rates as may be determined by the Board, and may be redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board prior to the issuance of the bonds. The Board shall determine the form and manner of execution of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Article or any recitals in any bonds issued under the provisions of this Article, all such bonds shall be deemed to be negotiable instruments under the laws of this State, subject only to the provisions for registration in any resolution authorizing the issuance of

such bonds or any trust agreement securing the same. The bonds may be issued in coupon or registered form or both or as book-entry bonds, as the Board may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The Board may sell such bonds in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the Board.

The proceeds of the bonds of each issue shall be used solely for the purpose for which such bonds shall have been authorized and shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same. Unless otherwise provided in the authorizing resolution or in the trust agreement securing such bonds, if the proceeds of such bonds, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit and shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same purpose.

The resolution providing for the issuance of revenue bonds, and any trust agreement securing such bonds, may also contain such limitations upon the issuance of additional revenue bonds as the Board may deem proper, and such additional bonds shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement.

Prior to the preparation of definitive bonds, the Board may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Board may also provide for the replacement of any bonds which shall become mutilated or be destroyed or lost.

Except as herein otherwise provided, bonds may be issued under this Article and other powers vested in the Board under this Article may be exercised by the Board without obtaining the consent of any department, division, commission, board, bureau, or agency of the State and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions, or things which are specifically required by this Article.

The Board may enter into or negotiate a note with an acceptable bank or trust company in lieu of issuing bonds for the financing of projects covered under this section. The terms and conditions of any note of this nature shall be in accordance with the terms and conditions surrounding issuance of bonds.

The Board is hereby authorized to issue, subject to the approval of the Director of the Budget, at one time or from time to time, revenue bond anticipation notes of the Board in anticipation of the issuance of bonds authorized pursuant to the provisions of this Article. The principal of and the interest on such notes shall be payable solely from the proceeds of bonds or renewal notes, or, in the event bond or renewal note proceeds are not available, any available revenues of the project or projects for which such bonds shall have been authorized. The notes of each issue shall be dated, shall mature at such time or times not exceeding two years from their date or dates, shall bear interest at such rate or rates as may be determined by the Board, and may be redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board prior to the issuance of the notes. The Board shall determine the form and the manner of execution of the notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the notes and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a

facsimile of whose signature shall appear on any notes or coupons shall cease to be such officer before the delivery of such notes, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Article or any recitals in any notes issued under the provisions of this Article, all such notes shall be deemed to be negotiable instruments under the laws of this State, subject only to the provisions for registration in any resolution authorizing the issuance of such notes or any trust agreement securing the bonds in anticipation of which such notes are being issued. The notes may be issued in coupon or registered form or both or as book entry notes, as the Board may determine, and provision may be made for the registration of any coupon notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon notes of any notes registered as to both principal and interest. The Board may sell such notes in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the Board.

The proceeds of the notes of each issue shall be used solely for the purpose for which the bonds in anticipation of which such notes are being issued shall have been authorized, and such note proceeds shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such notes or bonds or in the trust agreement securing such bonds.

The resolution providing for the issuance of notes, and any trust agreement securing the bonds in anticipation of which such notes are being authorized, may also contain such limitations upon the issuance of additional notes as the Board may deem proper, and such additional notes shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement. The Board may also provide for the replacement of any notes which shall become mutilated or be destroyed or lost.

Except as herein otherwise provided, notes may be issued under this Article and other powers vested in the Board under this Article may be exercised by the Board without obtaining the consent of any department, division, commission, board, bureau, or agency of the State and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions, or things which are specifically required by this Article.

Unless the context shall otherwise indicate, the word "bonds" wherever used in this Article, shall be deemed and construed to include the words "bond anticipation notes." (1987, c. 336, s. 1; 1999-234, s. 6.)

Effect of Amendments. — Session Laws 1999-234, s. 6, effective July 1, 1999, added "or on the Horace Williams Campus" to the first sentence in the first paragraph.

§ 116-198.36. Proceeds of bonds are deemed trust funds.

In the discretion of the Board and subject to the approval of the Director of the Budget, any revenue bonds issued under this Article may be secured by a trust agreement by and between the Board and a corporate trustee (or trustees) which may be any trust company or bank having the powers of a trust company within or without the State. Such trust agreement or the resolution providing for the issuance of such bonds may pledge or assign the revenues to be received but shall not convey or mortgage any project or projects or any existing facilities or any part thereof. Such trust agreement or resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the holders of such bonds as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Board in relation to the acquisition,

construction, or provision of any project or projects, the maintenance, repair, operation, and insurance of any project or projects and any existing facilities, student fees and admission fees and charges, and other fees, rents, and charges to be fixed and collected, and the custody, safeguarding, and application of all moneys. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depository of the proceeds of bonds or revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the Board. Any such trust agreement or resolution may set forth the rights and remedies of the holders of the bonds and the rights, remedies, and immunities of the trustee or trustees, if any, and may restrict the individual right of action by such holders. In addition to the foregoing, any such trust agreement or resolution may contain such other provisions as the Board may deem reasonable and proper for the security of such holders. All expenses incurred in carrying out the provisions of such trust agreement or resolution may be treated as a part of the cost of the project or projects for which such bonds are issued or as an expense of operation of such project or projects, as the case may be.

The proceeds of all bonds issued and all revenues and other moneys received pursuant to the authority of this Article shall be deemed to be trust funds, to be held and applied solely as provided in this Article. The Board may provide for the payment of the proceeds of the sale of the bonds and the revenues, or part thereof, to such officer, board, or depository as it may designate for the custody thereof, and for the method of disbursement thereof, with such safeguards and restrictions as it may determine. Any officer with whom, or any bank, trust company, or fiscal agent with which, such moneys shall be deposited shall act as trustee of such moneys and shall hold and apply the same for the purposes hereof, subject to such requirements as are provided in this Article and in the resolution or trust agreement authorizing or securing such bonds.

Notwithstanding the provisions of any other law, the Board may carry insurance on any project or projects and any existing facilities in such amounts and covering such risks as it may deem advisable.

Any holder of bonds issued under this Article or of any of the coupons appertaining thereto, and the trustee or trustees under any trust agreement, except to the extent the rights herein given may be restricted by such trust agreement or the resolution authorizing the issuance of such bonds, may, either at law or in equity, by suit, action, mandamus, or other proceedings, protect and enforce any and all rights under the laws of the State or granted hereunder or under such trust agreement or resolution, and may enforce and compel the performance of all duties required by this Article or by such trust agreement or resolution to be performed by the Board or by any officer thereof, including the fixing, charging, and collecting of fees, rents, and charges. (1987, c. 336, s. 1.)

§ 116-198.37. Fixing fees, rents, and charges; sinking fund.

For the purpose of aiding in the acquisition, construction, or provision of any project and the maintenance, repair, and operation of any project or any existing facilities, the Board is authorized to fix, revise from time to time, charge, and collect such fee or fees for such privileges and services and in such amount or amounts as the Board shall determine, and to fix, revise from time to time, charge, and collect other fees, rents, and charges for the use of and for the services furnished or to be furnished by any project or projects and any existing facilities, or any portion thereof, and to contract with any person, partnership, association, or corporation for the lease, use, occupancy, or operation of any project or projects and any existing facilities, or any part

thereof, and to fix the terms, conditions, fees, rents, and charges for any such lease, use, occupancy, or operation. So long as bonds issued hereunder and payable therefrom are outstanding, such fees, rents, and charges shall be so fixed and adjusted, with relation to other revenues available therefor, as to provide funds pursuant to the requirements of the resolution or trust agreement authorizing or securing such bonds at least sufficient with such other revenues, if any, (i) to pay the cost of maintaining, repairing, and operating any project or projects and any existing facilities any part of the revenues of which are pledged to the payment of the bonds issued for such project or projects, (ii) to pay the principal of and the interest on such bonds as the same shall become due and payable, and (iii) to create and maintain reserves for such purposes. Any surplus funds remaining after application to the purposes mentioned in (i), (ii), and (iii), above, shall be held in trust and applied by the Board to the development of the Centennial Campus or the Horace Williams Campus as applicable. Such fees, rents, and charges shall not be subject to supervision or regulation by any other commission, board, bureau, or agency of the State. A sufficient amount of the revenues, except such part thereof as may be necessary to pay such cost of maintenance, repair, and operation and to provide such reserves therefor and for renewals, replacements, extensions, enlargements, and improvements as may be provided for in the resolution authorizing the issuance of such bonds or in the trust agreement securing the same, shall be set aside at such regular intervals as may be provided in such resolution or such trust agreement in a sinking fund which is hereby pledged to and charged with the payment of the principal of and the interest on such bonds as the same shall become due and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the fees, rents, and charges and other revenues or other moneys so pledged and thereafter received by the Board shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act; and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the Board, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the Board. The use and disposition of moneys to the credit of such sinking fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of the trust agreement securing the same. (1987, c. 336, s. 1; 1999-234, s. 7.)

Effect of Amendments. — Session Laws 1999-234, s. 7, effective July 1, 1999, inserted “or the Horace Williams Campus as applicable” in the second sentence of this section.

§ 116-198.38. Refunding bonds.

The Board is hereby authorized, subject to the approval of the Director of the Budget, to issue from time to time revenue refunding bonds for the purpose of refunding any revenue bonds or revenue refunding bonds issued by the Board under this Article, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds. The Board is further authorized, subject to the approval of the Director of the Budget, to issue from time to time revenue refunding bonds for the combined purpose of (i) refunding any such revenue bonds or revenue refunding bonds issued by the Board under this Article, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds, and (ii) paying all or any part of the cost of acquiring or constructing any additional project or projects.

The issuance of such refunding bonds, the maturities and other details thereof, the rights and remedies of the holders thereof, and the rights, powers, privileges, duties, and obligations of the Board with respect to the same, shall be governed by the foregoing provisions of this Article insofar as the same may be applicable. (1987, c. 336, s. 1.)

§ 116-198.39. Bonds are exempt from taxation.

Any bonds issued under this Article shall at all times be exempt from all taxes or assessment, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, which are levied or assessed by the State or by any county, political subdivision, agency, or other instrumentality of the State, excluding inheritance and gift taxes, income taxes on the gain from the transfer of the bonds, and franchise taxes. The interest on the bonds is not subject to taxation as income. Bonds issued by the Board under the provisions of this Article are hereby made securities in which all public officers and public bodies of the State and its political subdivisions, all insurance companies, trust companies, banking associations, investment companies, executors, administrators, trustees, and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Such bonds are hereby made securities which may properly and legally be deposited with and received by any State or municipal officer or any agency or political subdivision of the State for any purpose for which the deposit of bonds or obligations of the State is now or may hereafter be authorized by law. (1987, c. 336, s. 1; 1995, c. 46, s. 8.)

§ 116-198.40. Article provides additional and alternative method of financing; not exclusive.

This Article shall be deemed to provide an additional and alternative method for the doing of the things authorized hereby and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of or as repealing any powers now existing under any other law, either general, special, or local; provided, however, that the issuance of revenue bonds or revenue refunding bonds under the provisions of this Article need not comply with the requirements of any other law applicable to the issuance of bonds. (1987, c. 336, s. 1.)

ARTICLE 22.

Visiting Speakers at State-Supported Institutions.

§§ 116-199, 116-200: Repealed by Session Laws 1995, c. 379, s. 17.

ARTICLE 23.

State Education Assistance Authority.

§ 116-201. Purpose and definitions.

(a) The purpose of this Article is to authorize a system of financial assistance, consisting of grants, loans, work-study or other employment, and other aids, to assist qualified students to enable them to obtain an education beyond the high school level by attending public or private educational institutions.

The General Assembly has found and hereby declares that it is in the public interest and essential to the welfare and well-being of the State and to the proper growth and development of the State to foster and provide financial assistance to properly qualified students in order to help them to obtain an education beyond the high school level. The General Assembly has further found that many students who are fully qualified to enroll in appropriate educational institutions for furthering their education beyond the high school level lack the financial means and are unable, without financial assistance as authorized under this Article, to pay the cost of such education, with a consequent irreparable loss to the State of valuable talents vital to its welfare. The General Assembly has determined that the establishment of a proper system of financial assistance for such objective purpose serves a public purpose and is fully consistent with the long established policy of the State to encourage, promote and assist education to enhance economic development.

school level. See opinion of Attorney General to Stan C. Broadway, Executive Director, N.C. State Education Assistance Authority, 50 N.C.A.G. 46 (1980).

§ 116-202. Authority may buy and sell students' obligations; undertakings of Authority limited to revenues.

In order to facilitate vocational and college education and to promote the industrial and economic development of the State, the State Education Assistance Authority (hereinafter created) is hereby authorized and empowered to buy and sell obligations of students attending institutions of higher education or post-secondary business, trade, technical, and other vocational schools, which obligations represent loans made to such students for the purpose of obtaining training or education.

No bonds, as this term is defined in this Article, are deemed to constitute a debt of the State, or of any political subdivision thereof or a pledge of the faith and credit of the State or of any political subdivision, but are payable solely from the funds of the Authority. All bonds shall contain on their faces a statement to the effect that neither the State nor the Authority is obligated to pay the same or the interest thereon except from revenues of the Authority and that neither the faith and credit nor the taxing power of the State or of any political subdivision is pledged to the payment of the principal of or the interest on the bonds.

All expenses incurred in carrying out the provisions of this Article shall be payable solely from funds provided under the provisions of this Article and no liability or obligation shall be incurred by the Authority hereunder beyond the extent to which moneys shall have been provided under the provisions of this Article. There is hereby created and constituted a political subdivision of the State to be known as the "State Education Assistance Authority." The exercise by the Authority of the powers conferred by this Article shall be deemed and held to be the performance of an essential governmental function.

The Authority shall be governed by a board of directors consisting of seven members, each of whom shall be appointed by the Governor. Two of the first members of the board appointed by the Governor shall be appointed for terms of one year, two for terms of two years, two for terms of three years, and one for a term of four years from the date of their appointment; and thereafter the members of the board shall be appointed for terms of four years. Immediately after such appointment, the directors shall enter upon the performance of their duties. The board shall annually elect one of its members as chairman and another as vice-chairman, and shall also elect annually a secretary, or a secretary-treasurer, who may or may not be a member of the board. The chairman, or in his absence, the vice-chairman, shall

preside at all meetings of the board. In the absence of both the chairman and vice-chairman, the board shall appoint a chairman pro tempore, who shall preside at such meetings. Four directors shall constitute a quorum for the transaction of the business of the Authority, and no vacancy in the membership of the board shall impair the right of a quorum to exercise all the rights and perform all the duties of the Authority. The favorable vote of at least a majority of the members of the board present at any meeting is required for the adoption of any resolution or motion or for other official action. The members of the board are entitled to the travel expenses, subsistence allowances and compensation provided in G.S. 138-5. revenue and interest as well as other income received in connection with such obligations is hereby established as a trust fund. Such fund shall be used for the purposes of the Authority other than maintenance and operation.

The maintenance and operating expenses of the Authority shall be paid from funds specifically appropriated for such purposes. No part of the trust fund established under this section shall be expended for such purposes.

The State Treasurer shall be the custodian of the assets of the Authority and shall invest them in accordance with the provisions of G.S. 147-69.2 and 147-69.3. All payments from the accounts thereof shall be made by him issued upon vouchers signed by such persons as are designated by the Authority. A duly attested copy of a resolution of the Authority designating such persons and bearing on its face the specimen signatures of such persons shall be filed with the State Treasurer as his authority for issuing warrants upon such vouchers.

The trust fund is designated "Reserve Trust Fund" and shall be maintained by the Authority, except as otherwise provided, pursuant to the provisions of this Article, as security for or insurance respecting any bonds or other obligations issued by the Authority under this Article. The corpus of the Escheat Fund, including all future additions other than the income, are transferred to, and become, a part of the Reserve Trust Fund and shall be accounted for, administered, invested, reinvested, used and applied as provided in Chapter 116B of the General Statutes. The Authority may pledge and vest a security interest in all or any part of the Reserve Trust Fund by resolution adopted or trust agreement approved by it as security for or insurance respecting the payment of bonds or other obligations issued under this Article. The Reserve Trust Fund shall be held, administered, invested, reinvested, used and applied as provided in any resolution adopted or trust agreement approved by the Authority, subject to the provisions of this Article and Chapter 116B of the General Statutes. (1965, c. 1180, s. 1; 1979, c. 165, s. 4; c. 467, s. 8; 1987, c. 227, s. 5.)

CASE NOTES

Taxpayer Has No Standing to Seek Injunction Restraining Acts of Authority. — Since issuance of tax-exempt revenue bonds by the State Education Assistance Authority for purpose of financing loans to college students does not pledge the credit of the State or of any political subdivision thereof, a taxpayer can suffer no injury from the issuance of the bonds and has no interest therein except his general interest as a member of the public in good government pursuant to the North Carolina Constitution, and, consequently, a taxpayer has no standing to seek an injunction restraining actions of the Authority and its fiscal agent relating to the issuance of the bonds and the expenditure of the proceeds thereof. *Nicholson v. State Educ. Assistance Auth.*, 275 N.C. 439, 168 S.E.2d 401 (1969).

Allegation Insufficient Basis for Injunctive Relief. — The allegation that, by expressing its intent to issue a further series of bonds, the Authority has indicated that "additional tax funds will be expended" unless enjoined is not sufficient basis for injunctive relief, since this allegation is consistent with a contemplated use of funds appropriated from tax revenues for "lawful functions" of the Authority, such as the payment of salaries and expenses of employees engaged in the performance of functions authorized by this section. *Nicholson v. State Educ. Assistance Auth.*, 275 N.C. 439, 168 S.E.2d 401 (1969).

§ 116-209.1. Provisions in conflict.

Any of the foregoing provisions of this Article which shall be in conflict with the provisions hereinbelow set forth shall be repealed to the extent of such conflict. (1967, c. 1177.)

§ 116-209.2. Reserves.

The Authority may provide in any resolution authorizing the issuance of bonds or any trust agreement securing any bonds that proceeds of such bonds may be used to establish reserve accounts in any trustee or banking institution or otherwise as determined by the Authority, for securing such bonds and facilitating the making of student loans and acquiring student obligations, to provide for the payment of interest on such bonds for such period of time as the Authority shall determine, and for such other purposes as will facilitate the issuance of bonds at rates of interest and upon terms deemed reasonable by the Authority and will, in the Authority's judgment, facilitate carrying out the purposes of this Article. (1967, c. 1177; 1971, c. 392, s. 3.)

§ 116-209.3. Additional powers.

The Authority is authorized to develop and administer programs and perform all functions necessary or convenient to promote and facilitate the making and insuring of student loans and providing such other student loan assistance and services as the Authority shall deem necessary or desirable for carrying out the purposes of this Article and for qualifying for loans, grants, insurance and other benefits and assistance under any program of the United States now or hereafter authorized fostering student loans. There shall be established and maintained a trust fund which shall be designated "State Education Assistance Authority Loan Fund" (the "Loan Fund") which may be used by the Authority in making student loans directly or through agents or independent contractors, insuring student loans, acquiring, purchasing, endorsing or guaranteeing promissory notes, contracts, obligations or other legal instruments evidencing student loans made by banks, educational institutions, nonprofit corporations or other eligible lenders, and for defraying the expenses of operation and administration of the Authority for which other funds are not available to the Authority. There shall be deposited to the credit of such Loan Fund the proceeds (exclusive of accrued interest) derived from the sale of its revenue bonds by the Authority and any other moneys made available to the Authority for the making or insuring of student loans or the purchase of obligations. There shall also be deposited to the credit of the Loan Fund surplus funds from time to time transferred by the Authority from the sinking fund. Such Loan Fund shall be maintained as a revolving fund. There is also deposited to the credit of the Loan Fund the income derived from the investment or deposit of the Escheat Fund distributed to the Authority pursuant to G.S. 116B-7. The income shall be held, administered and applied by the Authority as provided in any resolution adopted or trust agreement approved by the Authority, subject to the provisions of Chapter 116B of the General Statutes and this Article.

In lieu of or in addition to the Loan Fund, the Authority may provide in any resolution authorizing the issuance of bonds or any trust agreement securing such bonds that any other trust funds or accounts may be established as may be deemed necessary or convenient for securing the bonds or for making student loans, acquiring obligations or otherwise carrying out its other powers under this Article, and there may be deposited to the credit of any such fund or account proceeds of bonds or other money available to the Authority for the

purposes to be served by such fund or account. (1967, c. 1177; 1971, c. 392, s. 4; 1979, c. 165, s. 5; 1987, c. 227, s. 6; 1999-460, s. 12.)

Editor's Note. — Session Laws 1999-460, s. 13, contains a severability clause.

Effect of Amendments. — Session Laws 1999-460, s. 12, effective January 1, 2000, and

applicable to property existing on or after that date, substituted "G.S. 116B-7" for "G.S. 116B-37" in the next to last sentence of the first paragraph.

CASE NOTES

Sections 116-209.1 to 116-209.15 do not unconstitutionally authorize use of public funds. State Educ. Assistance Auth. v. Bank of Statesville, 276 N.C. 576, 174 S.E.2d 551 (1970).

It is expected that a student loan will inure to the private benefit of the person who obtains it. It is equally true that the education provided throughout the entire school system is intended to inure to the benefit of the individual who obtains it. However, the fact that the individual obtains a private benefit cannot be considered sufficient ground to defeat the execution of the paramount public purpose of encouraging education. State Educ. Assistance Auth. v. Bank of Statesville, 276 N.C. 576, 174 S.E.2d 551 (1970).

Whether the student loan program is wise or unwise is for determination by the General Assembly. State Educ. Assistance Auth. v. Bank of Statesville, 276 N.C. 576, 174 S.E.2d 551 (1970).

Assistance of Federal Government Is Prerequisite to Functioning of Student Loan Program. — The assistance of the federal government and coordination with its program are prerequisite to the functioning of the North Carolina student loan program. State Educ. Assistance Auth. v. Bank of Statesville, 276 N.C. 576, 174 S.E.2d 551 (1970).

And Only Loans Qualifying for Assistance under Federal Statutes May Be Made. — The only student loans the Authority is authorized to make or purchase are student loans which qualify under the federal statutes for federal assistance in respect of interest

subsidy and guaranty. State Educ. Assistance Auth. v. Bank of Statesville, 276 N.C. 576, 174 S.E.2d 551 (1970).

It is implicit in the provisions of §§ 116-209.1 to 116-209.15 that the General Assembly contemplated and intended that no loans would be made from the proceeds from the sale of tax-exempt revenue bonds except student loans made in compliance with the standards prescribed by federal legislation and therefore qualified for assistance. Seemingly, the General Assembly realized that its specification of more precise standards for "student loans" might impede that functioning of the Authority and render it unable to qualify from time to time for the federal assistance upon which its program depended. State Educ. Assistance Auth. v. Bank of Statesville, 276 N.C. 576, 174 S.E.2d 551 (1970).

The provisions of this section and § 116-209.6 disclose that the General Assembly is well aware of the federal, State and private programs of low-interest insured loans to students in institutions of higher education and other post-secondary schools. State Educ. Assistance Auth. v. Bank of Statesville, 276 N.C. 576, 174 S.E.2d 551 (1970).

Borrowers Unable to Make Payment until Completion of Education. — Persons who obtain "student loans" are unable to make payment on account of interest or principal until completion of their education by graduation or otherwise. State Educ. Assistance Auth. v. Bank of Statesville, 276 N.C. 576, 174 S.E.2d 551 (1970).

§ 116-209.4. Authority to issue bonds.

The Authority is hereby authorized to provide for the issuance, at one time or from time to time, of revenue bonds of the Authority in such principal amounts as the Board of Directors shall determine to be necessary. The bonds shall be designated, subject to such additions or changes as the Authority deems advisable, "State Education Assistance Authority Revenue Bonds, Series _____," inserting in the blank space a letter identifying the particular series of bonds.

The principal of and the interest on such bonds shall be payable solely from the funds herein provided for such payment. The bonds of each issue shall be dated, shall bear interest at such rate or rates, shall mature at such time or times not exceeding 30 years from their date or dates, as may be determined

by the Authority, and may be made redeemable before maturity, at the option of the Authority, at such price or prices and under such terms and conditions as may be fixed by the Authority prior to the issuance of the bonds. Prior to the preparation of definitive bonds, the Authority may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Authority may also provide for the replacement of any bonds which shall become mutilated or shall be destroyed or lost. The Authority shall determine the form and the manner of execution of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. The Authority may also provide for the authentication of the bonds by a fiscal agent. The bonds may be issued in coupon or in registered form, or both, as the Authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest, and for the interchange of registered and coupon bonds. The Authority may sell such bonds in such manner, either at public or private sale, and for such price as it may determine will best effectuate the purposes of this Article.

The Authority is authorized to provide in any resolution authorizing the issuance of bonds for pledging or assigning as security for its revenue bonds, subject to any prior pledge or assignment, and for deposit to the credit of the sinking fund, any or all of its income, receipts, funds or other assets, exclusive of bond proceeds and other funds required to be deposited to the credit of the Loan Fund, of whatsoever kind from time to time acquired or owned by the Authority, including all donations, grants and other money or property made available to it, payments received on student loans, such as principal, interest and penalties, if any, premiums on student loan insurance, fees, charges and other income derived from services rendered or otherwise, proceeds of property or insurance, earnings and profits on investments of funds and from sales, purchases, endorsements or guarantees of obligations, as defined in G.S. 116-201 hereof, and other securities and instruments, contract rights, any funds, rights, insurance or other benefits acquired pursuant to any federal law or contract to the extent not in conflict therewith, money recovered through the enforcement of any remedies or rights, and any other funds or things of value which in the determination of the Authority may enhance the marketability of its revenue bonds. Money in the sinking fund shall be disbursed in such manner and under such restrictions as the Authority may provide in the resolution authorizing the issuance of such bonds. Unless otherwise provided in the bond resolution, the revenue bonds at any time issued hereunder shall be entitled to payment from the sinking fund without preference or priority of the bonds first issued. Bonds may be issued under the provisions of this Article without obtaining, except as otherwise expressly provided in this Article, the consent of any department, division, commission, board, body, bureau or agency of the State, and without any other proceedings or the happening of any conditions or things other than those proceedings, conditions or things which are specifically required by this Article and the provisions of the resolution authorizing the issuance of such bonds.

The Authority is authorized to provide by resolution or in any trust agreement for the issuance of revenue refunding bonds of the Authority for the

purpose of refunding, or advance refunding and paying, any bonds then outstanding, which have been issued under the provisions of this Article, including the payment of any redemption premium and of any interest accrued or to accrue up to the date of redemption of the bonds, and, if deemed advisable by the Authority, for making student loans or acquiring obligations under this Article. The issuance of the revenue refunding bonds, the maturities and other details, the rights of the holders and the rights, duties and obligations of the Authority, shall be governed by the appropriate provisions of this Article relating to the issuance of revenue bonds. Revenue refunding bonds issued under this section may be sold or exchanged for outstanding bonds issued under this Article. If sold, in addition to any other authorized purpose, the proceeds may be deposited in an escrow or other trust fund and invested, in whole or in part, and with the earnings from the investments, may be applied to the purchase or to the redemption prior to, or to payment at maturity, of outstanding bonds, all as provided by resolution or in trust agreement securing the bonds. (1967, c. 1177; 1971, c. 392, ss. 5-7; 1979, c. 165, s. 6.)

CASE NOTES

Constitutionality. — The people of North Carolina constitute the State's greatest resource. Where bond proceeds are to be used solely to make loans to meritorious North Carolinians of slender means and thereby minimize the number of qualified persons whose

education or training is interrupted or abandoned for lack of funds, the bond proceeds are used for a public purpose when used to make such loans. *State Educ. Assistance Auth. v. Bank of Statesville*, 276 N.C. 576, 174 S.E.2d 551 (1970).

§ 116-209.5. Bond resolution.

The resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Authority in relation to the purchase or sale of obligations, the making of student loans, the insurance of student loans, the fees, charges and premiums to be fixed and collected, the terms and conditions for the issuance of additional bonds and the custody, safeguarding and application of all moneys. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depository of the proceeds of bonds, revenues or other money hereunder to furnish such indemnifying bonds or to pledge such securities as may be required by the Authority. Any such resolution may set forth the rights and remedies of the bondholders and may restrict the individual right of action by bondholders. All expenses incurred in carrying out the provisions of such resolution may be treated as a part of the cost of administering this Article and may be payable, together with other expenses of operation and administration under this Article incurred by the Authority, from the Loan Fund.

In the discretion of the Authority, any bonds issued under the provisions of this Article may be secured by a trust agreement by and between the Authority and a corporate trustee, which may be any trust company or bank having powers of a trust company within or without the State. Such trust agreement or the resolution providing for the issuance of such bonds may pledge or assign the fees, penalties, charges, proceeds from collections, grants, subsidies, donations and other funds and revenues to be received therefor. Such trust agreement or resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the holders of such bonds as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Authority in relation to student loans, the acquisition of obligations, insurance, the fees, penalties and

other charges to be fixed and collected, the sale or purchase of obligations or any part thereof, or other property, the terms and conditions for the issuance of additional bonds, and the custody, safeguarding and application of all moneys. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depositary of the proceeds of bonds, revenues or other money hereunder to furnish such indemnifying bonds or to pledge such securities as may be required by the Authority. Any such trust agreement or resolution may set forth the rights and remedies of the bondholders and of the trustee, and may restrict the individual right of action by bondholders. In addition to the foregoing, any such trust agreement or resolution may contain such other provisions as the Authority may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the provisions of such trust agreement or resolution may be treated as a part of the cost of carrying out the purposes for which such bonds shall be issued.

In addition to all other powers granted to the Authority by this Article, the Authority is hereby authorized to pledge to the payment of the principal of and the interest on any bonds under the provisions of this Article any moneys received or to be received by it under any appropriation made to it by the General Assembly, unless the appropriation is restricted by the General Assembly to specific purposes of the Authority or such pledge is prohibited by the law making such appropriation; provided, however, that nothing herein shall be construed to obligate the General Assembly to make any such appropriation. (1967, c. 1177; 1971, c. 392, s. 8.)

§ 116-209.6. Revenues.

The Authority is authorized to fix and collect fees, charges, interest and premiums for making or insuring student loans, purchasing, endorsing or guaranteeing obligations and any other services performed under this Article. The Authority is further authorized to contract with the United States of America or any agency or officer thereof and with any person, partnership, association, banking institution or other corporation respecting the carrying out of the Authority's functions under this Article. The Authority shall at all times endeavor to fix and collect such fees, charges, receipts, premiums and other income so as to have available in the sinking fund at all times an amount which, together with any other funds made available therefor, shall be sufficient to pay the principal of and the interest on such bonds as the same shall become due and payable and to create reserves for such purposes. Money in the sinking fund, except such part thereof as may be necessary to provide such reserves for the bonds as may be provided for in the resolution authorizing the issuance of such bonds, shall be set aside in the sinking fund at such regular intervals as may be provided in such resolution and is hereby pledged to, and charged with, the payment of the principal of and the interest on such bonds as the same shall become due and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made. The fees, charges, receipts, proceeds and other revenues and moneys so pledged and thereafter received by the Authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Authority, irrespective of whether such parties have notice thereof. The resolution by which a pledge is created need not be filed or recorded except in the records of the Authority. The use and disposition of money to the credit of the sinking fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds. Any

such resolution may, in the discretion of the Authority, provide for the transfer of surplus money in the sinking fund to the credit of the Loan Fund. Except as may otherwise be provided in such resolution, such sinking fund shall be a fund for all such bonds without distinction or priority of one over another. (1967, c. 1177.)

§ 116-209.7. Trust funds.

Notwithstanding any other provisions of law to the contrary, all money received pursuant to the authority of the Article, whether as proceeds from the sale of bonds, sale of property or insurance, or as payments of student loans, whether principal, interest or penalties, if any, thereon, or as insurance premiums, or from the purchase or sale of obligations, or as any other receipts or revenues derived hereunder, shall be deemed to be trust funds to be held and applied solely as provided in this Article. The resolution authorizing the bonds of any issue may provide that any of such money may be temporarily invested pending the disbursement thereof and shall provide that any officer with whom, or any bank or trust company with which, such money shall be deposited shall act as trustee of such money and shall hold and apply the same for the purposes hereof, subject to such regulations as this Article and such resolution may provide. (1967, c. 1177.)

§ 116-209.8. Remedies.

Any holder of bonds issued under the provisions of this Article or any of the coupons appertaining thereto, except to the extent the rights herein given may be restricted by such resolution authorizing the issuance of such bonds, may either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the State or granted hereunder or under such resolution authorizing the issuance of such bonds, or under any contract executed by the Authority pursuant to this Article, and may enforce and compel the performance of all duties required by this Article or by such resolution to be performed by the Authority or by any officer thereof, including the fixing, charging and collecting of fees, charges and premiums and the collection of principal, interest and penalties, if any, on student loans or obligations evidencing such loans. The Authority may provide in any trust agreement securing the bonds that any such rights may be enforced for and on

behalf of the holders of bonds by the trustee under such trust agreement. (1967, c. 1177; 1971, c. 392, s. 9.)

§ 116-209.9. Negotiability of bonds.

All bonds issued under the provisions of this Article shall have and are hereby declared to have all the qualities and incidents, including negotiability, of investment securities under the Uniform Commercial Code of the State but no provision of such Code respecting the filing of a financial statement to perfect a security interest shall be deemed applicable to or necessary for any security interest created in connection with the issuance of any such bonds. § 116-209.10. Bonds eligible for investment.

Bonds issued by the Authority under the provisions of this Article are hereby made securities in which all public officers and public bodies of the State and its political subdivisions, all insurance companies, trust companies, banking associations, investment companies, executors, administrators, trustees and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Such bonds are hereby made securities which may properly and legally be deposited with and received by any State or municipal officer or any agency or political subdivision of the State for any purpose for which the deposit of bonds or obligations of the State is now or may hereafter be authorized by law. (1967, c. 1177.)

CASE NOTES

Whether tax-exempt revenue bonds issued under § 116-209.4 should be approved for investment by fiduciaries and for deposit "for any purpose for which the deposit of bonds or obligations of the State is now or may hereafter be authorized by law," as set

forth in this section, is for determination by the General Assembly. Whether the purchase of these bonds is wise or unwise is for determination by the investor. State Educ. Assistance Auth. v. Bank of Statesville, 276 N.C. 576, 174 S.E.2d 551 (1970).

§ 116-209.11. Additional pledge.

Notwithstanding any other provision to the contrary herein, the Authority is hereby authorized to pledge as security for any bonds issued hereunder any contract between the Authority and the United States of America under which the United States agrees to make funds available to the Authority for any of the purposes of this Article, to insure or guarantee the payment of interest or principal on student loans, or otherwise to aid in promoting or facilitating student loans. (1967, c. 1177.)

§ 116-209.12. Credit of State not pledged.

Bonds issued under the provisions of this Article shall not be deemed to constitute a debt, liability or obligation of the State or of any political subdivision thereof or a pledge of the faith and credit of the State or of any such political subdivision, but shall be payable solely from the revenues and other funds provided therefor. Each bond issued under this Article shall contain on the face thereof a statement to the effect that the Authority shall not be obligated to pay the same nor the interest thereon except from the revenues, proceeds and other funds pledged therefor and that neither the faith and credit nor the taxing power of the State or of any political subdivision thereof is pledged to the payment of the principal of or the interest on such bonds.

Expenses incurred by the Authority in carrying out the provisions of this Article may be made payable from funds provided pursuant to this Article and no liability or obligation shall be incurred by the Authority hereunder beyond the extent to which moneys shall have been so provided. (1967, c. 1177.)

CASE NOTES

Taxpayer Has No Standing to Seek Injunction Restraining Acts of Authority. —

Since issuance of tax-exempt revenue bonds by the State Education Assistance Authority for purpose of financing loans to college students does not pledge the credit of the State or of any political subdivision thereof, a taxpayer can suffer no injury from the issuance of the bonds and has no interest therein except his general interest as a member of the public in good government pursuant to the North Carolina

Constitution, and, consequently, a taxpayer has no standing to seek an injunction restraining actions of the Authority and its fiscal agent relating to the issuance of the bonds and the expenditure of the proceeds thereof. *Nicholson v. § 116-209.13. Tax exemption.

The exercise of the powers granted by this Article in all respects will be for the benefit of the people of the State, for their well-being and prosperity and for the improvement of their social and economic conditions, and the Authority shall not be required to pay any taxes on any property owned by the Authority under the provisions of this Article or upon the income therefrom, and the bonds issued under the provisions of this Article shall at all times be free from taxation by the State or any local unit or political subdivision or other instrumentality of the State, excepting inheritance or gift taxes, income taxes on the gain from the transfer of the bonds, and franchise taxes. The interest on the bonds is not subject to taxation as income. (1967, c. 1177; 1995, c. 46, s. 9.)

§ 116-209.16. Other powers; criteria.

The Authority, in addition to all the powers more specifically vested hereunder, shall have all other powers necessary or convenient to carry out and effectuate the purposes and provisions of this Article, including the power to receive, administer and comply with the conditions and requirements respecting any gift, grant or donation of any property or money, any insurance or guarantee of any student loan or student obligations, any loans, advances, contributions, interest subsidies or any other assistance from any federal or State agency or other entity; to pledge or assign any money, charges, fees or other revenues and any proceeds derived by the Authority from any student loans, obligations, sales of property, insurance or other sources; to borrow money and to issue in evidence thereof revenue bonds of the Authority for the purposes of this Article and to issue revenue refunding bonds; to conduct studies and surveys respecting the needs for financial assistance of residents of the State respecting education beyond the high school level.

In carrying out the powers vested and the responsibilities imposed under this Article, the Authority shall be guided by and shall observe the following criteria and requirements, the determination of the Authority as to compliance with such criteria and requirements being final and conclusive:

- (1) Any student loan, grant or other assistance provided by the Authority to any student shall be necessary to enable the student to pursue his education above the high school level; and
- (2) No student loan, grant or other financial assistance shall be provided to any student by the Authority except in conformity with the provisions of this Article and to carry out the purposes hereof.

The Authority shall by rules and regulations prescribe other conditions, criteria and requirements that it shall deem necessary or desirable for providing financial assistance to students under this Article upon a fair and equitable basis, giving due regard to the needs and qualifications of the students and to the purposes of this Article. (1971, c. 392, s. 11.)

§ 116-209.17. Establishment of student assistance program.

The Authority is authorized, in addition to all other powers and duties vested or imposed under this Article, to establish and administer a statewide student assistance program for the purpose of removing, insofar as may be possible, the financial barriers to education beyond the high school level for eligible needy students at public or private institutions in this State and, with respect to loans, public, and private institutions located elsewhere. This objective shall be accomplished, consistent with Federal law or regulation, through a comprehensive program under which the financial ability of each student and of his family, under standards prescribed by the Authority, is measured against the reasonable costs, as determined by the Authority, of the educational program which the student proposes to pursue. Needs of students for financial assistance shall, to the extent of the availability of funds from federal, State, institutional or other sources, be met through work-study programs, loans, grants and out-of-term employment, or a combination of these forms of assistance. With respect to grants made pursuant to this Article, no student is

eligible to receive benefits under this student assistance program for a total of more than 45 months of full-time, post-high school level education. (1971, c. 392, s. 11; 1979, c. 165, s. 8; 1987, c. 227, s. 7.)

§ 116-209.18. Powers of Authority to administer student assistance program.

In order to accomplish the purposes of this Article the Authority is authorized:

- (1) To receive from the general fund or other sources such sums as the General Assembly may authorize from time to time for such purposes, and to receive from any other donor, public or private, such sums as may be made available, and to cause such sums to be disbursed for the purposes for which they have been provided;
- (2) To establish such criteria as the Authority shall deem necessary or desirable for determining the need of students for grants under this Article, as opposed to other forms of financial assistance, and for deciding who shall receive grants;
- (3) To prescribe the form and to regulate the submission of applications for assistance and to prescribe the procedures for considering and approving such applications;
- (4) To provide for the making of, and to make, grants under this Article under such terms and conditions as the Authority shall deem advisable;
- (5) To encourage educational institutions to increase the resources available for financial assistance; to prescribe such formulas for institutional maintenance of effort as the Authority may determine to be consistent with the purposes of this Article;
- (6) To provide by contract for the administration of all or any portion of the student assistance program by nonprofit organizations or corporations, pursuant to regulations and criteria established by the Authority;
- (7) To serve, on designation by the Governor, or as may otherwise be provided by federal law, as the State agency to administer such statewide programs of student assistance as shall be established from time to time under federal law; and
- (8) To have all other powers and authority necessary to carry out the purposes of the student assistance program, including, without limitation, all the powers given to the Authority by G.S. 116-204 and by other provisions of the General Statutes. (1971, c. 392, s. 11.)

§ 116-209.19. Grants to students.

The Authority is authorized to make grants to eligible students enrolled or to be enrolled in eligible institutions in North Carolina out of such money as from time to time may be appropriated by the State or as may otherwise be available to the Authority for such grants. The Authority, subject to the provisions of this Article and any applicable appropriation act, shall adopt rules, regulations and procedures for determining the needs of the respective students for grants and for the purpose of making such grants. The amount of any grant made by the Authority to any student, whether enrolled or to be enrolled in any private institution or any tax-supported public institution, shall be determined by the Authority upon the basis of substantially similar standards and guides that shall be set forth in the Authority's rules, regulations and procedures; provided, however, that grants made in any fiscal year to students enrolled or to be enrolled in private institutions may be increased to

compensate, in whole or in part, for the average annual State appropriated tuition subsidy for such fiscal year, determined as provided herein. The average annual State appropriated subsidy for each fiscal year shall be determined by the Secretary of Administration, after consultation with the Board of Governors of The University of North Carolina and the Authority, for each of the two categories of tax-supported institutions, being (i) institutions, presently 16, that provide education of the collegiate grade and grant baccalaureate degrees and (ii) institutions, such as community colleges and technical institutes created and existing under Chapter 115A of the General Statutes and community colleges created and existing under Chapter 115D of the General Statutes. The average annual State appropriated subsidy for each of such two categories of institutions shall mean the amount of the total appropriations of the State for the respective fiscal years under the current operations budgets, pursuant to the Executive Budget Act reasonably allocable to undergraduate students enrolled in such institutions exclusive of the Division of Health Affairs of The University of North Carolina and the North Carolina School of the Arts for all institutions in such category, all as shall be determined by the Secretary of Administration after consultation as above provided, divided by the budgeted number of North Carolina undergraduate students to be enrolled in such fiscal year.

The Authority, in determining the needs of students for grants, may among other factors, give consideration to the amount of other financial assistance that may be available to the students, such as nonrepayable awards under the Pell Grant Program, the Health Professions Education Assistance Act or other student assistance programs created by federal law.

Prior to taking any action under this subsection, the Secretary of Administration may consult with the Advisory Budget Commission. (1971, c. 392, s. 11; c. 1244, s. 14; 1975, c. 879, s. 46; 1979, c. 165, s. 9; 1983, c. 717, s. 35; 1985 (Reg. Sess., 1986), c. 955, ss. 38, 39; 1987, c. 227, s. 8; c. 564, s. 23.)

§ 116-209.20. Public purpose.

No expenditure of funds under this Article shall be made for any purpose other than a public purpose. (1971, c. 392, s. 11.)

§ 116-209.21. Cooperation of the Board of Governors of the University of North Carolina.

The Board of Governors of the University of North Carolina shall provide the secretariat for the Authority. The Executive Director of the Authority, who shall be its principal executive officer, shall be elected by the Board of Directors of the Authority on nomination of the President of the University of North Carolina. (1971, c. 392, s. 11; c. 1244, s. 14.)

§ 116-209.22. Constitutional construction.

The provisions of this Article are severable, and if any of its provisions shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any of the remaining provisions. (1971, c. 392, s. 11.)

§ 116-209.23. Inconsistent laws inapplicable.

Insofar as the provisions of this Article are inconsistent with the provisions of any general or special laws, or parts thereof, the provisions of this Article shall be controlling, except that no provision of the 1971 amendments to this

Article shall apply to scholarships for children of war veterans as set forth in Article 4 of Chapter 165, as amended. (1971, c. 392, s. 11.)

§ 116-209.24. Parental loans.

(a) Policy. — The General Assembly of North Carolina hereby finds and declares that the making and insuring of loans to the eligible parents of students is fully consistent with and furthers the long established policy of the State to encourage, promote and assist education as more fully set forth in G.S. 116-201(a).

(b) Definitions. — As used in this section, the following terms shall have the following meanings:

- (1) "Obligations", "student obligations", or "student loan obligations" as defined under G.S. 116-201(b)(7) includes, unless the context indicates a contrary intent, parental obligations.
- (2) "Parent" means a student's mother, father, adoptive parent, or legal guardian of the student if such guardian is required by court order to use his or her own financial resources to support that student.

- (4) "Parental obligations" means obligations evidencing loans made pursuant to subsection (c) of this section.
- (5) "Student loans" includes, unless the context indicates a contrary intent, parental loans.

(c) Parental Assistance. — The Authority is authorized to develop and administer programs and perform all functions necessary or convenient to promote and facilitate the making and insuring of loans to parents of students in order to facilitate the vocational and college education of such students who are enrolled or to be enrolled in eligible institutions. The Authority is also authorized to provide such other services and loan assistance to parents of students as the Authority shall deem necessary or desirable for carrying out the purpose of this section and for qualifying for loans, grants, insurance, and other benefits and assistance under any program of the United States now or hereafter authorized fostering loans to eligible parents of students.

(d) Authorization to Buy and Sell Parental Obligations. — The Authority is hereby authorized and empowered to buy and sell parental obligations.

(e) Authorization to Issue Bonds. — The Authority is hereby authorized to provide for the issuance, at one time or from time to time, of bonds or revenue bonds, as such terms are defined in G.S. 116-201(4), in conformity with provisions of this section. (1981, c. 794, s. 1; 1987, c. 227, s. 9.)

§ 116-209.25. Parental Savings Trust Fund.

(a) Policy. — The General Assembly of North Carolina hereby finds and declares that encouraging parents and other interested parties to save for the postsecondary education expenses of eligible students is fully consistent with and furthers the long-established policy of the State to encourage, promote, and assist education as more fully set forth in G.S. 116-201(a).

(b) Parental Savings Trust Fund. — There is established a parental savings trust fund to be administered by the State Education Assistance Authority to enable qualified parents to save funds to meet the costs of the postsecondary education expenses of eligible students.

(c) Contributions to the Trust Fund. — The Authority is authorized to accept, hold, and disburse contributions, and interest earned on such contributions, from qualified parents and other interested parties in the Parental Savings Trust Fund. The contributions to the Parental Savings Trust Fund

shall be held by the Authority in a separate institutional trust fund and, as such, contributions to the trust fund shall be invested by the State Treasurer as authorized in G.S. 147-69.2(b)(1) through (6) and the applicable provisions of G.S. 147-69.3. The contributions to the Parental Savings Trust Fund shall not be considered State moneys, assets of the State, or State revenue for any purpose.

(d) Administration of the Trust Fund. — The Authority is authorized to develop and perform all functions necessary and desirable to administer the Parental Savings Trust Fund and to provide such other services as the Authority shall deem necessary to facilitate participation in the Parental Savings Trust Fund.

(e) Loan Program. — The Authority is authorized to develop and administer a loan program in conjunction with the Parental Savings Trust Fund to provide loan assistance to qualified parents and interested parties in order to facilitate the postsecondary education of eligible students. All funds appropriated to, or otherwise received by the Authority for loans under this section, all funds received as repayment of such loans, and all interest earned on these funds shall be placed in an institutional trust fund. This institutional trust fund may be used only for loans made to qualified parents and interested parties who contributed to the Parental Savings Trust Fund and administrative costs associated with the recovery of funds advanced under this loan program. (1996, 2nd Ex. Sess., c. 18, s. 16.7.)

§§ 116-209.26 through 116-209.29: Reserved for future codification purposes.

§ 116-209.30. Social Workers' Education Loan Fund.

(a) There is established the Social Workers' Education Loan Fund to be administered by the State Education Assistance Authority, in consultation with the Department of Health and Human Services, to attract trained social workers into public child welfare positions in all county departments of social services in the State. The Fund shall provide 25 four-year undergraduate and 10 two-year graduate scholarship loans per year.

(b) The Authority, in consultation with the Department of Health and Human Services, shall develop the following criteria to administer the Fund:

- (1) All students shall be enrolled in an institution of higher education in North Carolina in an accredited bachelors of social work or masters of social work program;
- (2) All students shall be residents of North Carolina. For purposes of this section, residency shall be determined by the same standard as residency for tuition purposes pursuant to G.S. 116-143.1;
- (3) All students shall enter into a legal agreement and promissory note with the Authority to accept employment in public child welfare in exchange for receiving any funds, which agreement shall include stipulation that the student agrees to accept employment in rural or other need-based counties; and
- (4) Any additional criteria that the Authority considers necessary to administer the program effectively, including:
 - a. Consideration of the appropriate numbers of minority students and students from diverse socio-economic backgrounds to receive funds pursuant to this section;
 - b. Consideration of what rural or other need-based areas of the State shall be considered appropriate for work after graduation pursuant to subdivision (3) of this subsection;

- c. Consideration of the academic qualifications of the individuals applying to receive funds; and
 - d. Consideration of the commitment the individuals applying to receive funds demonstrate to the profession of social work.
- (c) The Authority shall ensure that the loan amounts are limited as follows:
- (1) For a student pursuing a bachelors of social work degree, four thousand dollars (\$4,000) per year for a maximum of four years; and
 - (2) For a student pursuing a masters of social work degree, five thousand dollars (\$5,000) per year for a maximum of two years.
- (d) The Authority shall ensure that the following loan cancellations and repayment schedules apply to all funds distributed pursuant to this section:
- (1) The individual who graduates with a bachelors of social work degree or a masters of social work degree and who works for a public child welfare agency in a rural or other need-based area of North Carolina shall have that amount of the loan cancelled that is based on the amount of time employed and the number of academic years funds were received. One full year of employment shall cancel one academic year's loan, whether four thousand dollars (\$4,000) or five thousand dollars (\$5,000);
 - (2) The individual who graduates with a bachelors of social work degree or a masters of social work degree and who works in public child welfare in a rural or other need-based area of North Carolina for the equivalent of the total number of academic years funds were received shall have the entire loan cancelled;
 - (3) The individual who graduates with a bachelors of social work degree or a masters of social work degree and who does not work in public child welfare in a rural or other need-based area of North Carolina for any or all of the equivalent of the number of years funds were received shall repay the loan to the Authority according to a schedule prescribed in the promissory note, plus ten percent (10%) annual interest; and
 - (4) The individual who does not graduate with a bachelors of social work degree or a masters of social work degree shall repay the loan according to a schedule prescribed by the Authority, not to exceed fifteen percent (15%) annual interest. In establishing a schedule and interest rate, the Authority shall take into consideration the reasons the individual did not graduate with a bachelors of social work degree or a masters of social work degree.

The Authority shall ensure that all repayments, including accrued interest, shall be placed in the Fund.

The Authority may forgive or reduce any loan repayment if the Authority considers that extenuating circumstances exist that would make repayment impossible.

(e) The State Education Assistance Authority, in consultation with the Department of Health and Human Services, shall adopt rules to implement the Social Workers' Education Loan Fund as described in this section. (1993 (Reg. Sess., 1994), c. 769, s. 17.16; 1997-443, s. 11A.118(a).)

The types of health-care practitioners to which the provisions of this Article may apply include, but are not limited to, medical doctors, dentists, nurses, residents, interns, medical technologists, nurses' aides, and orderlies. Subject to all requirements and limitations of this Article, the coverage to be provided, through insurance or self-insurance or combination thereof, may include provision for the payment of expenses of litigation, the payment of civil judgments in courts of competent jurisdiction, and the payment of settlement amounts, in actions, suits or claims to which this Article applies. (1975, 2nd Sess., c. 976; 1989, c. 141, s. 6.)

CASE NOTES

Extent of Coverage. — The University of North Carolina's (UNC) trust fund providing coverage against personal tort liability for individuals, whether an employee, agent or officer of UNC, does not require that the individual's

conduct only be covered if he has a valid employment contract with UNC. *University of N.C. v. Shoemate*, 113 N.C. App. 205, 437 S.E.2d 892, cert. denied, 336 N.C. 615, 447 S.E.2d 413 (1994).

§ 116-220. Establishment and administration of self-insurance trust funds; rules and regulations; defense of actions against covered persons; application of § 143-300.6.

(a) In the event the Board elects to act as self-insurer of a program of liability insurance, it may establish one or more insurance trust accounts to be used only for the purposes authorized by this Article: Provided, however, said program of liability insurance shall not be subject to regulation by the Commissioner of Insurance. The Board is authorized to receive and accept any gift, donation, appropriation or transfer of funds made for the purposes of this section and to deposit such funds in the insurance trust accounts. All expenses incurred in collecting, receiving, and maintaining such funds and in otherwise administering the self-insured program of liability insurance shall be paid from such insurance trust accounts.

(b) Subject to all requirements and limitations of this Article, the Board is authorized to adopt rules and regulations for the establishment and administration of the self-insured program of liability insurance, including, but not limited to, rules and regulations concerning the eligibility for and terms and conditions of participation in the program, the assessment of charges against participants, the management of the insurance trust accounts, and the negotiation, settlement, litigation, and payment of claims.

(c) The Board is authorized to create a Liability Insurance Trust Fund Council composed of not more than 13 members; one member each shall be appointed by the State Attorney General, the State Auditor, the State Insurance Commissioner, the Director of the Office of State Budget and Management, and the State Treasurer; the remaining members shall be appointed by the Board. Subject to all requirements and limitations of this Article and to any rules and regulations adopted by the Board under the terms of subsection (b) of this section, the Board may delegate to the Liability Insurance Trust Fund Council responsibility and authority for the administration of the self-insured liability insurance program and of the insurance trust accounts established pursuant to such program.

(d) Defense of all suits or actions against an individual health-care practitioner who is covered by a self-insured program of liability insurance established by the Board under the provisions of this Article may be provided by the Attorney General in accordance with the provisions of G.S. 143-300.3 of Article 31A of Chapter 143; provided, that in the event it should be determined pursuant to G.S. 143-300.4 that defense of such a claim should not be provided by the State, or if it should be determined pursuant to G.S. 143-300.5 and G.S. 147-17 that counsel other than the Attorney General should be employed, or if the individual health-care practitioner is not an employee of the State as defined in G.S. 143-300.2, then private legal counsel may be employed by the Liability Insurance Trust Fund Council and paid for from funds in the insurance trust accounts.

(e) For purposes of the requirements of G.S. 143-300.6, the coverage provided State employees by any self-insured program of liability insurance established by the Board pursuant to the provisions of this Article shall be deemed to be commercial liability insurance coverage within the meaning of G.S. 143-300.6(c).

(f) By rules or regulations adopted by the Board in accordance with G.S. 116-220(b) of this Article, the Board may provide that funds maintained in insurance trust accounts under such a self-insured program of liability insurance may be used to pay any expenses, including damages ordered to be paid, which may be incurred by the University of North Carolina, a constituent institution of the University of North Carolina, or the University of North Carolina Hospitals at Chapel Hill with respect to any tort claim, based on alleged negligent acts in the provision of health-care services, which may be prosecuted under the provisions of Article 31 of Chapter 143 of the General Statutes. (1975, 2nd Sess., c. 976; 1987, c. 263, s. 1; 1989, c. 141, s. 7.)

§ 116-220.1. Funding of self-insurance program.

(a) If the Board elects to establish a self-insurance trust fund, the initial contribution to the fund shall be determined by an independent actuary but shall be no less than three hundred thousand dollars (\$300,000). Annual contributions to said fund shall be made in an amount to be determined each year by the Trust Fund Council upon the advice of an independent actuary and shall include amounts necessary to pay all costs of administration of the self-insurance program and claims adjustment including litigation in addition to amounts necessary to pay claims. Contributions shall be no less than one

hundred fifty percent (150%) of the amounts actually paid each year on medical malpractice claims until such time as the Trust Fund Council, with the advice of an independent actuary and the approval of the Board of Governors, determines that an annual contribution in a lesser amount will not impair the adequacy of the fund to satisfy existing and potential health care malpractice claims for a period of one year.

(b) Claims certified to be paid from the fund shall be paid in the order of award or settlement. In the event that the fund created hereunder shall at any time have insufficient funds to assure that both existing and future claims will be paid, the Board is hereby authorized to borrow necessary amounts up to thirty million dollars (\$30,000,000) per established self-insurance trust fund account to replenish the fund. The Board shall maintain funds in each self-insurance trust at no less than one hundred thousand dollars (\$100,000) at all times.

(c) Funds borrowed by the Board to replenish the trust fund account may be secured by pledging noncapital assets of the members. Members shall mean those entities, agencies, departments or divisions of the University which directly contribute funds to the self-insurance trust. In no event shall individual health care providers be deemed members for the purposes of this section.

(d) Obligations issued under the provisions of this Article shall not be deemed to constitute a debt, liability or obligation of the State or of any political subdivision thereof or a pledge of the faith and credit of the State or of any such political subdivision but shall be payable solely from the revenues or assets of the members. Each obligation issued under this Article shall contain on the face thereof a statement to the effect that the University shall not be obligated to pay the same nor the interest thereon except from the revenues or assets pledged therefor and that neither the faith and credit nor the taxing power of the State or of any political subdivision thereof is pledged to the payment of the principal of or the interest on such obligation. (1977, c. 523, s. 2; 1987, c. 263, s. 2.)

§ 116-220.2. Termination of fund.

Any fund created hereunder may be terminated by the Board of Governors upon their determination that other satisfactory and adequate arrangements have been made to assure that both existing and future health care malpractice claims or judgments against the participants in the self-insurance program will be paid and satisfied. Upon the termination of any fund pursuant to this section, the full amount remaining in such fund upon termination less any outstanding indebtedness shall promptly be repaid to the University and allocated among the participating entities according to their respective contributions as determined by the Board of Governors. (1977, c. 523, s. 2.)

§ 116-221. Sovereign immunity.

Nothing in this Article shall be deemed to waive the sovereign immunity of the State. (1975, 2nd Sess., c. 976.)

For purposes of this section, the definitions in G.S. 20-219.9 apply.

- (1) If the college or university operates in such a way that the person who tows the vehicle is responsible for collecting towing fees, all provisions of Article 7A, Chapter 20, apply.
- (2) If the college or university operates in such a way that it is responsible for collecting towing fees, it shall:

All power and authority exercised with regard to the acquisition, operation, maintenance, and disposition of real and personal property shall be subject to the provisions of Chapters 143 and 146 of the General Statutes except as provided in G.S. 116-238.
- (3) The Board of Trustees is authorized to accept, receive, and use any federal funds, or aids, that may be made available by the federal

government which, in the judgment of the Board of Trustees, would be beneficial to the operation of the School.

(4) The Board of Trustees is authorized to establish a permanent endowment fund as provided in G.S. 116-238.

(5) The lands and other property of the School shall be exempt from all kinds of public taxation, except as may be provided for by State law.

(6) The Board of Trustees may establish policies and regulations for the sale of goods and services, not inconsistent with the provisions of Article 11 of Chapter 66 of the General Statutes.

(e) Regulation of Traffic and Parking and Registration of Motor Vehicles. —

(1) Unless the context clearly requires another meaning, the following words and phrases have the meanings indicated when used in this subsection:

a. "Board of Trustees" means the Board of Trustees of the North Carolina School of Science and Mathematics.

b. "Campus" means that School property, without regard to location, which is used wholly or partly for the purposes of the North Carolina School of Science and Mathematics.

c. "School property" means property owned or leased in whole or in part by the State of North Carolina and which is subject to the general management and control of the Board of Trustees of the North Carolina School of Science and Mathematics.

(2) Except as otherwise provided in this subsection, all of the provisions of Chapter 20 of the General Statutes relating to the use of highways of the State and the operation of motor vehicles thereon are applicable to all streets, alleys, driveways, parking lots, and parking structure on School property. Nothing in this subsection modifies any rights of ownership or control of School property, now or hereafter vested in the Board of Trustees or the State of North Carolina.

(3) The Board of Trustees may by ordinance prohibit, regulate, divert, control, and limit pedestrian or vehicular traffic and the parking of motor vehicles and other modes of conveyance on the campus. In fixing speed limits, the Board of Trustees is not subject to G.S. 20-141(f1) or (g2), but may fix any speed limit reasonable and safe under the circumstances as conclusively determined by the Board of Trustees. The Board of Trustees may not regulate traffic on streets open to the public as of right, except as specifically provided in this section.

(4) The Board of Trustees may by ordinance provide for the registration of motor vehicles maintained or operated on the campus by any student, faculty member, or employee of the School, and may fix fees for such registration. The ordinance may make it unlawful for any person to operate an unregistered motor vehicle on the campus when the vehicle is required by the ordinance to be registered.

(5) The Board of Trustees may by ordinance set aside parking lots and other parking facilities on the campus for use by students, faculty, and employees of the School and members of the general public attending schools, conferences, or meetings at the School, visiting or making use of any School facilities, or attending to official business with the School. The Board of Trustees may issue permits to park in these lots and garages and may charge a fee therefor. The Board of Trustees may also by ordinance make it unlawful for any person to park a motor vehicle in any lot or other parking facility without procuring the requisite permit and displaying it on the vehicle.

(6) The Board of Trustees may by ordinance set aside spaces in designated parking areas or facilities in which motor vehicles may be parked for

specified periods of time. To regulate parking in such spaces, the Board of Trustees may install a system of parking meters and make it unlawful for any person to park a motor vehicle in a metered space without activating the meter for the entire time that the vehicle is parked, up to the maximum length of time allowed for that space. The meters may be activated by coins of the United States. The Board of Trustees may also install automatic gates, employ attendants, and use any other device or procedure to control access to and collect the fees for using its parking areas and facilities.

- (7) The Board of Trustees may by ordinance provide for the issuance of stickers, decals, permits, or other indicia representing the registration status of vehicles or the eligibility of vehicles to park on the campus and may by ordinance prohibit the forgery, counterfeiting, unauthorized transfer, or unauthorized use of them.
- (8) Violation of an ordinance adopted under any portion of this subsection is a Class 3 misdemeanor. An ordinance may provide that certain acts prohibited thereby shall not be enforced by criminal sanctions, and in such cases a person committing any such act shall not be guilty of a misdemeanor.
- (9) An ordinance adopted under any portion of this subsection may provide that violation subjects the offender to a civil penalty. Penalties may be graduated according to the seriousness of the offense or the number of prior offenses by the person charged. The Board of Trustees may establish procedures for the collection of these penalties and they may be enforced by civil action in the nature of debt. The Board of Trustees may also provide for appropriate administrative sanctions if an offender does not pay a validly due penalty or upon repeated offenses. Appropriate administrative sanctions include, but are not limited to, revocation of parking permits, termination of vehicle registration, and termination or suspension of enrollment in or employment by the School.
- (10) An ordinance adopted under any portion of this subsection may provide that any vehicle illegally parked may be removed to a storage area. Regardless of whether the School does its own removal and disposal of motor vehicles or contracts with another person to do so, the School shall provide a hearing procedure for the owner. For purposes of this subdivision, the definitions in G.S. 20-219.9 apply.
 - a. If the School operates in such a way that the person who tows the vehicle is responsible for collecting towing fees, all provisions of Article 7A, Chapter 20, apply.
 - b. If the School operates in such a way that it is responsible for collecting towing fees, it shall:
 1. Provide by contract or ordinance for a schedule of reasonable towing fees,
 2. Provide a procedure for a prompt fair hearing to contest the towing,
 3. Provide for an appeal to district court from that hearing,
 4. Authorize release of the vehicle at any time after towing by the posting of a bond or paying of the fees due, and
 5. If the School chooses to enforce its authority by sale of the vehicle, provide a sale procedure similar to that provided in G.S. 44A-4, 44A-5, and 44A-6, except that no hearing in addition to the probable cause hearing is required. If no one purchases the vehicle at the sale and if the value of the vehicle is less than the amount of the lien, the School may destroy it.

- (11) Evidence that a motor vehicle was found parked or unattended in violation of an ordinance of the Board of Trustees is prima facie evidence that the vehicle was parked by:
- The person holding a School parking permit for the vehicle, or
 - If no School parking permit has been issued for the vehicle, the person in whose name the vehicle is registered with the School pursuant to subdivision (3), above, or
 - If no School parking permit has been issued for the vehicle and the vehicle is not registered with the School, the person in whose name it is registered with the North Carolina Division of Motor Vehicles or the corresponding agency of another state or nation.

The rule of evidence established by this subdivision (11) applies only in civil, criminal, or administrative actions or proceedings concerning violations of ordinances of the Board of Trustees. G.S. 20-162.1 does not apply to such actions or proceedings.

- (12) The Board of Trustees shall cause to be posted appropriate notice to the public of applicable traffic and parking restrictions.
- (13) All ordinances adopted under this subsection shall be recorded in the minutes of the Board of Trustees and copies thereof shall be filed in the office of the Secretary of State. The Board of Trustees shall provide for printing and distributing copies of its traffic and parking ordinances.
- (14) All moneys received pursuant to this subsection shall be placed in a trust account of the School and may be used for any of the following purposes:
- To defray the cost of administering and enforcing ordinances adopted under this subsection;
 - To develop, maintain, and supervise parking areas and facilities;
 - To fulfill other purposes related to parking, traffic, and transportation on the campus.

(f) Status as a Body Politic and Corporate. — The Board of Trustees of the School is hereby made a body corporate and politic, to be known and distinguished as “The Board of Trustees of the North Carolina School of Science and Mathematics.” The Board of Trustees shall be capable in law to sue and be sued and of prosecuting and defending suits for or against the corporation, subject to the provisions of G.S. 114-2 and G.S. 147-17.

(g) The Board of Trustees may adopt such other policies and regulations as it may consider necessary and expedient for the operation and management of the affairs of the School, not inconsistent with the provisions of this Article.

(h) The Board of Trustees shall keep the Board of Governors fully and promptly informed, through the President of The University of North Carolina, concerning activities of the Board of Trustees, including notices of meetings and copies of the minutes of all such meetings. (1985, c. 757, s. 206(b); 1993, c. 539, ss. 896, 897; 1994, Ex. Sess., c. 24, s. 14(c); 1995, c. 507, s. 15.1.)

Editor’s Note. — Subsection (e)(8), rather than subsection (c)(8) of this section, was amended as directed by Session Laws 1993, c. 539, s. 897, as amended by Session Laws 1994, Extra Session, c. 24, s. 14(c), effective October 1, 1994. It has been set out in the form above at

the direction of the Revisor of Statutes.

The references to § 20-141(f1) and (g2) in subdivision (e)(3) of this section are to subsections existing prior to the 1973 amendment of § 20-141.

§ 116-236. Director of the School.

The chief administrative officer of the School shall be the Director, who shall be appointed by the Board of Trustees to serve at its pleasure. The Director shall administer all affairs of the School, subject to policies, rules, and

regulations adopted by the Board of Trustees. The Director shall serve as the Secretary to the Board of Trustees and shall report at least annually to the Board of Trustees concerning the state of the School. (1985, c. 757, s. 206(b).)

§ 116-237. Educational Advisory Council.

The Board of Governors shall establish a 12-member Educational Advisory Council consisting of (1) ex officio, the State Superintendent of the Department of Public Instruction and the chairman of the State Board of Education, and (2) 10 persons who are scientists, mathematicians, public school representatives, or other persons having an interest in the School and desiring to contribute to its work. The members of the Advisory Council shall be appointed by the Board of Governors for four-year terms. No person shall be eligible to serve more than two successive four-year terms. The Advisory Council shall give advice and counsel to the Director and the Board of Trustees. (1985, c. 757, s. 206(b).)

§ 116-238. Endowment fund.

(a) The Board of Trustees of the School may establish and maintain, consistent with this section, an endowment fund for the School.

(b) It is not the intent of this section that the proceeds from any endowment fund shall take the place of State appropriations or any part thereof, but it is the intent of this section that those proceeds shall supplement the State appropriations to the end that the School may improve and increase its functions, may enlarge its areas of service, and may become more useful to a greater number of people.

(c) Pursuant to the foregoing subsections and consistent with the powers and duties prescribed in this section, the Board of Trustees of the School shall appoint an investment board to be known as "The Board of Trustees of the Endowment Fund of the North Carolina School of Science and Mathematics."

(d) The trustees of the endowment fund may receive and administer as part of the endowment fund gifts, devises, and bequests and any other property of any kind that may come to them from the Board of Governors of The University of North Carolina or that may come to the trustees of the endowment fund from any other source, excepting always the moneys received from State appropriations and from tuition and fees, if any, collected from students and used for the general operation of the institution.

(e) The trustees of the endowment fund shall be responsible for the prudent investment of the fund in the exercise of their sound discretion, without regard to any statute or rule of law relating to the investment of funds by fiduciaries but in compliance with any lawful condition placed by the donor upon that part of the endowment fund to be invested.

(f) In the process of prudent investment of the fund or to realize the statutory intent of the endowment, the Board of Trustees of the endowment fund may expend or use interest and principal of gifts, devises, and bequests; provided that, the expense or use would not violate any condition or restriction imposed by the original donor of the property which is to be expended or used. To realize the statutory intent of the endowment fund, the Board of Trustees of the endowment fund may transfer interest or principal of the endowment fund to the useful possession of the School; provided that, the transfer would not violate any condition or restriction imposed by the original donor of the property which is the subject of the proposed transfer.

(g) The trustees of the endowment fund shall have the power to buy, sell, lend, exchange, lease, transfer, or otherwise dispose of or to acquire (except by pledging their credit or violating a lawful condition of receipt of the corpus into the endowment fund) any property, real or personal, with respect to the fund,

in either public or private transaction, and in doing so they shall not be subject to the provisions of Chapters 143 and 146 of the General Statutes; provided that, any expense or financial obligation of the State of North Carolina created by any acquisition or disposition, by whatever means, of any real or personal property of the endowment fund shall be borne by the endowment fund unless authorization to satisfy the expense or financial obligation from some other source shall first have been obtained from the Director of the Budget after the Director of the Budget consults with the Advisory Budget Commission.

(h), (i) Reserved for future codification purposes.

(j) Any gift, devise, or bequest of real or personal property to the North Carolina School of Science and Mathematics shall be presumed, nothing to the contrary appearing, a gift, devise, or bequest, as the case may be, to the endowment fund of the School.

(k) Whenever any property of the endowment fund authorized by this section is disposed of or otherwise transferred from the endowment fund, any instrument of transfer shall indicate that the donor, grantor, seller, lessor, lender, or transferor, as the case may be, is the Board of Trustees of the endowment fund.

(l) All instruments for execution of the duly authorized business of the endowment fund, including deeds of conveyance and other documents of title to real property, are hereby authorized to be executed in the name of the endowment board by the principal officer of the Board of Trustees of the endowment fund or such other person or agent as the board may expressly appoint in a manner consistent with the requirements of law. § 116B-1. Escheats to Escheat Fund.

All real estate which has accrued to the State since June 30, 1971, or shall hereafter accrue from escheats, shall be vested in the Escheat Fund. Title to

any such real property which has escheated to the Escheat Fund shall be conveyed by deed in the manner now provided by G.S. 146-74 through G.S. 146-78, except as is otherwise provided herein: Provided, that in any action in the superior court of North Carolina wherein the State Treasurer is a party, and wherein said court enters a judgment of escheat for any real property, then, upon petition of the State Treasurer in said action, said court shall have the authority to appoint the State Treasurer or his designated agent as a commissioner for the purpose of selling said real property at a public sale, for cash, at the courthouse door in the county in which the property is located, after properly advertising the sale according to law. The said commissioner, when appointed by the court, shall have the right to convey a valid title to the purchaser of the property at public sale. The funds derived from the sale of any such escheated real property by the commissioner so appointed shall thereafter be paid by him into the Escheat Fund. OPINIONS OF ATTORNEY GENERAL

Former Chapter 116A Was Applicable to State Chartered Credit Unions. — See opinion of Attorney General to Mr. W.L. Cole, Ad-

ministrators, Office of Credit Unions, 45 N.C.A.G. 223 (1976).

§ 116B-2. Unclaimed real and personal property escheats to the Escheat Fund.

Whenever the owner of any real or personal property situated or located within this State dies intestate, or dies testate but did not dispose of all real or personal property by will, without leaving surviving any heirs, as defined in G.S. 29-2(3), to inherit said property under the laws of this State, such real and personal property shall escheat. The State Treasurer shall have the right to institute a civil action in the superior court of any county in which such real or personal property is situated, against any administrator, executor, and unknown heirs or unknown claimants as party defendants, which unknown heirs or unknown claimants may be served with summons and notice of such action by publication as is now provided by the laws of this State. If an administrator or executor has been appointed, he shall make a determination that there are no known heirs or unknown claimants and shall inform the State Treasurer of that determination. The superior court in which such civil action is instituted shall have the authority to enter a judgment therein declaring the real and personal property unclaimed as having escheated, and the real property may

be sold according to the provisions of G.S. 116B-1. A default final judgment may be entered by the clerk of the superior court in such cases when no answer is filed by the administrator, executor, unknown heirs or unknown claimants to the complaint, or if any answer is filed, the allegations of the complaint are either admitted or not denied by such party defendants, and no claim is made in the answer to the property left by said deceased person. The funds derived from such sale shall be paid into the Escheat Fund where said funds, together with all other escheated funds, shall be held without liability for profit or interest, subject to any just claims therefor. (1957, c. 1105, s. 1; 1971, c. 1135, s. 2; 1979, 2nd Sess., c. 1311, s. 1.)

CASE NOTES

There is a distinction between derelict property and escheated property. An escheat occurs when the property owner dies intestate and without relatives descended from a common parent or grandparent. *North Carolina State Treas. v. City of Asheville*, 61 N.C. App. 140, 300 S.E.2d 283 (1983).

Unrefunded ticket proceeds is neither abandoned nor derelict property. By purchasing a ticket to a concert, the ticket holder enters into a contract with the auditorium and the performer. If the contract is not performed, he or

she may rescind the agreement and demand a refund, but is not compelled to do so. Nor must the auditorium operator or performer refund the purchase price absent a demand. If that were the case, the ticket holder would be unjustly enriched in retaining both money and memento. The auditorium is not a trustee of the unrefunded proceeds of the ticket sale; the auditorium is simply a party to an unperformed contract. *North Carolina State Treas. v. City of Asheville*, 61 N.C. App. 140, 300 S.E.2d 283 (1983).

§ 116B-3. Unclaimed personalty on settlements of decedents' estates to the Escheat Fund.

All sums of money or other personal estate of whatever kind which shall remain in the hands of any administrator, executor, administrator c.t.a., or personal representative when the administration of an estate of a person dying intestate, or partially intestate, without leaving any known heirs to inherit same, is ready to be closed, unrecovered or unclaimed by suit, by creditors, heirs, or others entitled thereto, shall, prior to the closing of the administration of the estate, be paid or delivered by such administrator or executor to the State Treasurer as an escheat and shall be included in the disbursements in the final account of such estate. In such cases as above described, the State Treasurer is authorized to demand, sue for, recover, and collect such unclaimed moneys or other personal estate of whatever kind from any administrator or executor after the estate is ready to be closed, or from the clerk of the superior court if the unclaimed assets have been paid over to him, and the State Treasurer shall hold the same without liability for profit or interest, subject to any just claims therefor. The provisions of this section and G.S. 116B-2 shall apply to the estate of a person missing for 30 days or more and the State Treasurer may bring an action to have a receiver appointed in such case under the provisions of Chapter 28C, Estates of Missing Persons. (1957, c. 1105, ss. 2, 2½; 1971, c. 1135, s. 2; 1979, 2nd Sess., c. 1311, s. 1; 1981, c. 531, s. 1.)

§ 116B-4. Claim for escheated property.

Any escheated property or proceeds from the sale of escheated property held by the Escheat Fund pursuant to G.S. 116B-5 may be claimed by an heir of the decedent or by a creditor of the decedent who is not barred from presenting a claim under the provisions of Article 19 of Chapter 28A of the General Statutes. The provisions of G.S. 116B-67(a), (c), (d), and (e) and G.S. 116B-68 shall apply to a claim under this section. (1979, 2nd Sess., c. 1311, s. 1; 1999-460, s. 1.)

Effect of Amendments. — Session Laws

1999-460, s. 1, effective January 1, 2000, and applicable to property existing on or after that date, rewrote the section.

§ 116B-5. Escheat Fund.

All property escheated or abandoned under the provisions of this Chapter and all property escheated or abandoned since June 30, 1971, under the provisions of former Chapter 116A, as amended, shall be paid into a fund to be administered by the Treasurer, which fund shall be designated the Escheat Fund. No escheated or abandoned property heretofore paid or delivered to the University of North Carolina pursuant to any constitutional provision or statute of this State shall be subject to the provisions of this Chapter. (1979, 2nd Sess., c. 1311, s. 1; 1999-460, s. 3(b).)

Editor's Note. — Session Laws 1999-460, s. 3(b), effective January 1, 2000, provides that 116B-27 is recodified as G.S. 116B-5 within Article 1 of Chapter 116B of the General Statutes. Session Laws 1999-460, s. 13 contains a severability clause.

§ 116B-6. Administration of Escheat Fund; Escheat Account.

(a) Escheat Account. — All funds received by the Treasurer as escheated or abandoned property and which were transferred prior to January 1, 1980, to the trust fund created under G.S. 116-209 shall remain in that trust fund and shall be placed in a special fund, designated the "Escheat Account."

(b) Investment and Transfer of Assets; Income. — The Treasurer is the trustee of the Escheat Account and has full power to invest and reinvest the assets of the Escheat Account and the Escheat Fund. Subject to the Treasurer's withholding an amount necessary to accomplish the Treasurer's duties as set out in this Chapter, including subsections (e), (f) and (g) of this section, the Treasurer shall transfer, at least annually, to the Escheat Account all moneys then in the Treasurer's custody received as, or derived from the disposition of, escheated and abandoned property and shall disburse to the State Education Assistance Authority, as provided in G.S. 116B-7, the income derived from the investment of the Escheat Account and the Escheat Fund. All moneys transferred to the Escheat Account under this section shall be accounted for and administered separately from other assets and money in the trust fund created under G.S. 116-209.

(c) Security Interest in Escheat Account. — The State Education Assistance Authority, in addition to other powers vested under G.S. 116-201 to G.S. 116-209.23, inclusive, is authorized to pledge and vest a security interest in all or any part of the Escheat Account, by resolution adopted or trust agreement approved by it, as security for or insurance respecting the payment of bonds or other obligations, as defined in G.S. 116-201, including principal, interest and redemption premium, if any; provided, that such pledge and security interest in the Escheat Account shall, in the determination of the Authority, constitute a use of the Escheat Fund to aid worthy and needy students who are residents of this State and are enrolled in public institutions of higher education in this State. The Authority may submit to the Treasurer, from time to time as it deems necessary, requisitions for transfers of money in the Escheat Account to pay such bonds and other obligations to the extent necessary under such pledge of, or security interest in, the Escheat Account, or any part thereof, and

the Treasurer is authorized and directed to pay such money so requisitioned to the Authority for such purposes.

(d) Limitation on Amount of Obligations Secured. — The principal amount of bonds and other obligations insured or secured by the Escheat Account shall not exceed 10 times the amount held for the credit of the Escheat Account, as certified from time to time by the Treasurer, and, in no event, shall exceed three hundred fifty million dollars (\$350,000,000). If the amount held for the credit of the Escheat Account, as certified by the Treasurer, shall be ten percent (10%) or less of the principal amount of the bonds and other obligations so insured or secured, the Authority shall not issue any additional bonds or cause additional obligations to be insured or secured by the Escheat Account until such time as the amount held for the credit of the Escheat Account exceeds ten percent (10%) of the principal amount of the bonds and other obligations secured or insured by the Escheat Account.

(e) Use of Excess Funds. — If the amount held for the credit of the Escheat Account at any time shall exceed the sum of thirty-five million dollars (\$35,000,000), such excess may be used by the State Education Assistance Authority, with the written approval of the Treasurer, for the purpose of either (i) making student loans or (ii) refunding outstanding bonds or other obligations issued by the Authority and secured by a pledge of, or a security interest in, the Escheat Account. Any excess so used shall be repaid by the Authority to the Escheat Account in the manner agreed between the Authority and the Treasurer.

(f) Refund Reserve. — The Treasurer shall retain in the Escheat Fund, as a permanent refund reserve, either the sum of five million dollars (\$5,000,000) or a sum equal to the total value of escheated or abandoned property received in the preceding fiscal year, whichever is greater, for the purpose of payment of refunds of escheated or abandoned property to persons entitled thereto.

(g) Additional Funds for Refunds. — If at any time the amount of the refund reserve shall be insufficient to make refunds required to be made, the Treasurer, in addition, may use all current receipts derived from escheated or abandoned property, exclusive of earnings and profits on investments of the Escheat Fund and the Escheat Account, for the purpose of making such refunds; and if all such funds shall be inadequate for such refunds, the Treasurer may apply to the Council of State, pursuant to the Executive Budget Act, to the limit of funds available from the Contingency and Emergency Fund, for a loan, without interest, to supply any deficiencies, in whole or in part. No receipts derived from escheated or abandoned property, other than earnings or profits on investments, shall be paid to the Authority until: (i) all valid claims for refund have been paid; (ii) the reserve for refund shall equal five million dollars (\$5,000,000); and (iii) the amount loaned from the Contingency and Emergency Fund shall have been repaid by the Escheat Fund.

(h) Expenditures. — The Treasurer may expend the funds in the Escheat Fund, other than funds in the Escheat Account, for the payment of claims for refunds to owners, holders and claimants under G.S. 116B-4; for the payment of costs of maintenance and upkeep of abandoned or escheated property; costs of preparing lists of names of owners of abandoned property to be furnished to clerks of superior court; costs of notice and publication; costs of appraisals; fees of persons employed pursuant to G.S. 116B-8 costs involved in determining whether a decedent died without heirs; costs of a title search of real property that has escheated; and costs of auction or sale under this Chapter. All other costs, including salaries of personnel, necessary to carry out the duties of the Treasurer under this Chapter, shall be appropriated from the funds of the Escheat Fund pursuant to the provisions of Article 1, Chapter 143 of the General Statutes.

(i) Records. — Before making a deposit to the Escheat Fund, or retaining or destroying property, the Treasurer shall record the name and address of the

holder, the name and last known address of each person appearing from the holder's reports to be entitled to the abandoned property, the name and last known address of each insured person or annuitant, the amount or description of the property, and, with respect to each policy or contract listed in the report of an insurer, its number and the name of the corporation. The records shall be available for public inspection at all reasonable business hours. (1979, 2nd Sess., c. 1311, s. 1; 1999-460, ss. 3(b), 4(a), (b).)

§ 116B-7. Distribution of income of fund.

The income derived from the investment or deposit of the Escheat Fund shall be distributed annually on or before July 15 to the State Education Assistance Authority for loans to aid worthy and needy students who are residents of this State and are enrolled in public institutions of higher education in this State. Such loans shall be made upon terms, consistent with the provisions of this Chapter, pursuant to which the State Education Assistance Authority makes loans to other students under G.S. 116-201 to 116-209.23, Article 23. CASE NOTES

Editor's Note. — *The following case was decided under former § 116B-10 and prior to the enactment of this article.*

Layaway Funds Are Subject to This Chapter. — As long as a customer may get a refund, merely possession of the funds, not ownership, has been ceded. The customer retains an equitable interest in the money. The

retention of a legal or an equitable interest in the funds makes the customer the statutory owner of the layaway payments. As a holder, not an owner, the layaway funds within the store's control are subject to the escheat statute. *Rose's Stores, Inc. v. Boyles*, 106 N.C. App. 263, 416 S.E.2d 200, cert. granted, 332 N.C. 484, 421 S.E.2d 356 (1992).

§ 116B-53. Presumptions of abandonment.

(a) Property is unclaimed if the apparent owner has not communicated in writing or by other means reflected in a contemporaneous record prepared by or on behalf of the holder, with the holder concerning the property or the account in which the property is held, and has not otherwise indicated an interest in the property. A communication with an owner by a person (other than the holder or its representative) who has not, in writing, identified the property to the owner is not an indication of interest in the property by the owner.

(b) An indication of an interest in property includes:

- (1) The presentment of a check or other instrument of payment of a dividend or other distribution made with respect to an account or underlying stock or other interest in a business association or, in the case of a distribution made by electronic or similar means, evidence that the distribution has been received;
- (2) The presentment of a check or other instrument of payment of interest made with respect to debt of a business association or, in the case of

- an interest payment made by electronic or similar means, evidence that the interest payment has been received;
- (3) Owner-directed activity in the account in which the property is held, including a direction by the owner to increase, decrease, or change the amount or type of property held in the account;
 - (4) The making of a deposit to or withdrawal from an account in a financial organization;
 - (5) Owner activity in another account with the holder of a deposit described in subdivisions (c)(2) and (c)(6) of this section; and
 - (6) The payment of a premium with respect to a property interest in an insurance policy; but the application of an automatic premium loan provision or other nonforfeiture provision contained in an insurance policy does not prevent a policy from maturing or terminating if the insured has died or the insured or the beneficiary of the policy has otherwise become entitled to the proceeds before the depletion of the cash surrender value of a policy by the application of those provisions.
- (c) Property is presumed abandoned if it is unclaimed by the apparent owner during the time set forth below for the particular property:
- (1) Traveler's check, 15 years after issuance;
 - (2) Time deposit, including a deposit that is automatically renewable, 10 years after the later of initial maturity or the date of the last indication by the owner of interest in the property;
 - (3) Money order, cashier's check, teller's check, and certified check, seven years after issuance;
 - (4) Stock or other equity interest in a business association, including a security entitlement under Article 8 of the Uniform Commercial Code, Chapter 25 of the General Statutes, five years after the earlier of:
 - a. The date of a cash dividend or other cash distribution unclaimed by the apparent owner, or
 - b. The date of the second mailing of a stock certificate or other evidence of ownership, a statement of account, or other notification or communication which second mailing was returned as undeliverable or the date the holder discontinued mailings, notifications, or communications to the apparent owner;
 - (5) Debt of a business association, other than a bearer bond or an original issue discount bond, five years after the date of an interest payment unclaimed by the apparent owner;
 - (6) Demand or savings deposit, five years after the date of the last indication by the owner of interest in the property;
 - (7) Money or credits owed to a customer as a result of a retail business transaction, three years after the obligation accrued;
 - (8) Any gift certificate or electronic gift card bearing an expiration date and remaining unredeemed or dormant for more than three years after the gift certificate or electronic gift card was sold is deemed abandoned. The amount abandoned is deemed to be sixty percent (60%) of the unredeemed portion of the face value of the gift certificate or the electronic gift card;
 - (9) Amount owed by an insurer on a life or endowment insurance policy or an annuity that has matured or terminated, three years after the obligation to pay arose or, in the case of a policy or annuity payable upon proof of death, three years after the insured has attained, or would have attained if living, the limiting age under the mortality table on which the reserve is based;
 - (10) Property distributable by a business association in a course of dissolution, one year after the property becomes distributable;
 - (11) Property received by a court as proceeds of a class action, and not distributed pursuant to the judgment, one year after the distribution date;

- (12) Property held by a court, government, governmental subdivision, agency, or instrumentality, one year after the property becomes distributable;
- (13) Wages or other compensation for personal services, two years after the compensation becomes payable;
- (14) Deposit or refund owed to a subscriber by a utility, one year after the deposit or refund becomes payable;
- (15) Property in an individual retirement account, defined benefit plan, or other account or plan that is qualified for tax deferral under the income tax laws of the United States, three years after the earliest of the date of the distribution or attempted distribution of the property, the date of the required distribution as stated in the plan or trust agreement governing the plan, or the date, if determinable by the holder, specified in the income tax laws of the United States by which distribution of the property must begin in order to avoid a tax penalty; and
- (16) All other property, five years after the owner's right to demand the property or after the obligation to pay or distribute the property arises, whichever first occurs.

(d) At the time that an interest in property is presumed abandoned under subsection (c) of this section, any other property right accrued or accruing to the owner as a result of the interest, and not previously presumed abandoned, is also presumed abandoned.

(e) Property is payable or distributable for purposes of this Chapter notwithstanding the owner's failure to make demand or present an instrument or document otherwise required to obtain payment or distribution, except as otherwise provided by the Uniform Commercial Code. (1999-460, s. 6.)

DRAFTER'S COMMENT

The examples in subsection (b) of indications of interest in property are not exclusive. For

example, notification of a change of the apparent owner's address is an indication of interest.

CASE NOTES

Editor's Note. — *The cases below were decided under former § 116B-21 and prior to the enactment of this article.*

Property Subject to Escheat. — Property which is held in the ordinary course of business is deemed abandoned and subject to escheat when it is: 1) any item of property, not otherwise specifically covered under the escheat statute, 2) in the possession of one not the owner, and 3) held for five years after the sum becomes payable or distributable. *Rose's Stores, Inc. v. Boyles*, 106 N.C. App. 263, 416

S.E.2d 200, 332 N.C. 484, 421 S.E.2d 356 (1992).

Demand for Return of Item Not Required. — This chapter does not require the customer to make a demand for the return of the item before it is deemed to be abandoned property. In fact, the statute clearly indicates that property is considered abandoned after five years have passed since the last assertion of ownership. *Rose's Stores, Inc. v. Boyles*, 106 N.C. App. 263, 416 S.E.2d 200, cert. granted, 332 N.C. 484, 421 S.E.2d 356 (1992).

OPINIONS OF ATTORNEY GENERAL

Editor's Note. — *The opinions below were rendered under former law.*

§ 116B-54. Exclusion for forfeited reservation deposits, certain gift certificates or electronic gift cards, prepaid calling cards, certain manufactured home buyer deposits, and certain credit balances.

(a) A forfeited reservation deposit is not abandoned property. For the purposes of this section, the term "reservation deposit" means an amount of money paid to a business association to guarantee that the business association holds a specific service, such as a room accommodation at a hotel, seating at a restaurant, or an appointment with a doctor, for a specified date and place. The term "reservation deposit" does not include an application fee, a utility deposit, or a deposit made toward the purchase of real property.

(b) A gift certificate or electronic gift card is not abandoned property when the gift certificate or electronic gift card:

- (1) Conspicuously states that the gift certificate or electronic gift card does not expire;
- (2) Bears no expiration date; or
- (3) States that a date of expiration printed on the gift certificate or electronic gift card is not applicable in North Carolina.

(c) A prepaid calling card issued by a public utility as defined in G.S. 62-3(23)a.6. is not abandoned property.

(d) A buyer deposit that a dealer is authorized to retain under either G.S. 143-143.21A or G.S. 143-143.21B is not abandoned property and is not subject to this Article.

(e) Credit balances as shown on the records of a business association to or for the benefit of another business association, shall not constitute abandoned property. For purposes of this section, the term "credit balances" means items such as overpayments or underpayments on the sale of goods or services. (1999-460, s. 6.)

Editor's Note. — Session Laws 1999-460, s. 15, provides that subsection (d) of this section, as enacted by Session Laws 1999-460, s. 6, is intended to clarify and not change existing law.

§ 116B-55. Contents of safe deposit box or other safekeeping depository.

Contents of a safe deposit box or other safekeeping depository held by a financial organization is presumed abandoned if the apparent owner has not claimed the property within the period established by G.S. 53-43.7 and shall be delivered to the Treasurer as provided by that section. If the contents include property described in G.S. 116B-53, the Treasurer shall hold the property for the remainder of the applicable period set forth in that section before the property is deemed to be received for purpose of sale under G.S. 116B-65. CASE NOTES

Editor's Note. — *The cases below were decided under former statutory law and prior to the enactment of this article.*

Escheat Officer Not Liable. — Funds representing amounts apportioned to claimants of an insolvent bank who failed to prove their claims, which are turned over to the Secretary of State (now the State Treasurer) as escheat officer, are not assets of the liquidated bank, but are to be held subject solely to the rights of

those who failed to prove their claims, and a depositor who proved his claim and received dividends thereon as a common claim may not hold the escheat officer liable for the balance unpaid on his claim upon his contention that the claim should have been paid in full as a preferred claim. *Windley v. Lupton*, 212 N.C. 167, 193 S.E. 213 (1937), decided under earlier statute.

§ 116B-56. Rules for taking custody.

(a) Except as otherwise provided in this Chapter or by other statute of this State, property that is presumed abandoned, whether located in this or another state, is subject to the custody of this State if:

- (1) The last known address of the apparent owner, as shown on the records of the holder, is in this State;
- (2) The records of the holder do not reflect the identity of the person entitled to the property, and it is established that the last known address of the person entitled to the property is in this State;
- (3) The records of the holder do not reflect the last known address of the apparent owner and it is established that:
 - a. The last known address of the person entitled to the property is in this State; or
 - b. The holder is domiciled in this State or is a government or governmental subdivision, agency, or instrumentality of this State and has not previously paid or delivered the property to the state of the last known address of the apparent owner or other person entitled to the property;
- (4) The last known address of the apparent owner, as shown on the records of the holder, is in a state that does not provide for the escheat or custodial taking of the property, and the holder is domiciled in this State or is a government or governmental subdivision, agency, or instrumentality of this State;
- (5) The last known address of the apparent owner, as shown on the records of the holder, is in a foreign country, and the holder is domiciled in this State or is a government or governmental subdivision, agency, or instrumentality of this State; or
- (6) The property is a traveler's check or money order purchased in this State or the issuer of the traveler's check or money order has its principal place of business in this State and the issuer's records show that the instrument was purchased in a state that does not provide for the escheat or custodial taking of the property or do not show the state in which the instrument was purchased.

(b) In the case of an amount payable under the terms of an annuity or insurance policy, the last known address of the person entitled to the property is presumed to be the same as the last known address of the insured or the principal, as shown on the records of the insurance company, if:

- (1) A person other than the insured or the principal is entitled to the property; and
- (2) Either:
 - a. No address of the person is known to the insurance company; or
 - b. The records of the insurance company do not reflect the identity of the person. (1999-460, s. 6.)

§ 116B-57. Dormancy charge; other lawful charges.

(a) A holder may deduct from property presumed abandoned a reasonable charge imposed by reason of the owner's failure to claim the property within a specified time only if there is a valid and enforceable written contract between the holder and the owner under which the holder may impose the charge and the holder regularly imposes the charge, which is not regularly reversed or otherwise canceled.

(b) This Chapter does not prevent a holder from deducting from property presumed abandoned other lawful charges specifically authorized by statute or by a valid and enforceable contract. (1999-460, s. 6.)

§ 116B-58. Burden of proof as to property evidenced by record of check or draft.

A record of the issuance of a check, draft, or similar instrument is prima facie evidence of an obligation. In claiming property from a holder who is also the issuer, the Treasurer's burden of proof as to the existence and amount of the property and its abandonment is satisfied by showing issuance of the instrument and passage of the requisite period of abandonment. Defenses of payment, satisfaction, discharge, and want of consideration are affirmative defenses that must be established by the holder. In asserting these affirmative defenses, a holder who is also the issuer may satisfy the holder's burden of proof by showing a written acknowledgement by the payee of a check, draft, or similar instrument that no obligation is owed the payee. (1999-460, s. 6.)

§ 116B-59. Notice by holders to apparent owners.

(a) A holder of property presumed abandoned shall make a good faith effort to locate an apparent owner.

(b) The holder shall send written notice, by first-class mail, to the apparent owner, not more than 120 days or less than 60 days before filing the report required by G.S. 116B-60, to the last known address of the apparent owner as reflected in the holder's records, if the value of the property is fifty dollars (\$50.00) or more.

(c) The notice must contain:

- (1) A statement that, according to the records of the holder, property is being held to which the addressee appears entitled and the amount or description of the property;
- (2) The name and address of the person holding the property and any necessary information regarding changes of name and address of the holder;
- (3) A statement that, if satisfactory proof of claim is not presented by the owner to the holder by the following October 1 or, if the holder is an insurance company, by the following April 1, the property will be placed in the custody of the Treasurer, to whom all further claims shall be directed. (1979, 2nd Sess., c. 1311, s. 1; 1981, c. 531, ss. 4-6; 1993, c. 539, s. 898; c. 541, s. 5; 1994, Ex. Sess., c. 24, s. 14(c); 1999-460, s. 6.)

§ 116B-60. Report of abandoned property; certification by holders with tax return.

(a) A holder of property presumed abandoned shall make a report to the Treasurer concerning the property.

(b) The report must be verified and must contain:

- (1) A description of the property;
- (2) Except with respect to a traveler's check or money order, the name, if known, and last known address, if any, and the social security number or taxpayer identification number, if readily ascertainable, of the apparent owner of property of the value of fifty dollars (\$50.00) or more;
- (3) An aggregated amount of items valued under fifty dollars (\$50.00) each;
- (4) In the case of an amount of fifty dollars (\$50.00) or more held or owing under an annuity or a life or endowment insurance policy, the full name and last known address of the annuitant or insured and of the beneficiary;
- (5) The date, if any, on which the property became payable, demandable, or returnable, and the date of the last transaction or communication with the apparent owner with respect to the property; and
- (6) Other information that the Treasurer by rule prescribes as necessary for the administration of this Chapter.

(c) If a holder of property presumed abandoned is a successor to another person who previously held the property for the apparent owner or the holder has changed its name while holding the property, the holder shall file with the report its former names, if any, and the known names and addresses of all previous holders of the property.

(d) The report must be filed before November 1 of each year and cover the 12 months next preceding July 1 of that year, but a report with respect to a life insurance company must be filed before May 1 of each year for the calendar year next preceding.

(e) Before the date for filing the report, the holder of property presumed abandoned may request the Treasurer to extend the time for filing the report. A request for an extension for filing a report shall be accompanied by an extension processing fee of ten dollars (\$10.00). The Treasurer may grant the extension for good cause. The holder, upon receipt of the extension, may make an interim payment on the amount the holder estimates will ultimately be due, which terminates the accrual of additional interest on the amount paid.

(f) The holder of property presumed abandoned shall file with the report an affidavit stating that the holder has complied with G.S. 116B-59.

(g) Every business association holding property presumed abandoned under this Chapter shall certify the holding in the income tax return required by Chapter 105 of the General Statutes. The certification shall be a part of the tax return with which it is filed. If the business association is not required to file an income tax return under Chapter 105, the certification shall be made in the form and manner required by the Secretary of Revenue. The information appearing on the certification is not privileged or confidential, and this information shall be furnished by the Secretary of Revenue to the Escheat Fund on October 1 of each year, or if this date shall fall on a weekend or holiday, on the next regular business day. (1979, 2nd Sess., c. 1311, s. 1; 1981, c. 531, ss. 7, 8; 1983, c. 204, s. 3; 1985, c. 215, ss. 2, 3; 1987, c. 163, ss. 1-3; 1993, c. 541, s. 6; 1999-460, s. 6.)

§ 116B-61. Payment or delivery of abandoned property.

(a) Upon filing the report required by G.S. 116B-60, the holder of property presumed abandoned shall pay, deliver, or cause to be paid or delivered to the Treasurer the property described in the report, but if the property is an automatically renewable deposit, and a penalty or forfeiture in the payment of interest would result, the time for compliance is extended to the next filing and delivery date at which a penalty or forfeiture would no longer result.

(b) If the property reported to the Treasurer is a security or security entitlement under Article 8 of Chapter 25 of the General Statutes, the Treasurer is an appropriate person to make an indorsement, instruction, or entitlement order on behalf of the apparent owner to invoke the duty of the issuer or its transfer agent or the securities intermediary to transfer or dispose of the security or the security entitlement in accordance with Article 8 of Chapter 25 of the General Statutes.

(c) If the holder of property reported to the Treasurer is the issuer of a certificated security, the Treasurer has the right to obtain a replacement certificate pursuant to G.S. 25-8-405, but an indemnity bond is not required.

(d) An issuer, the holder, and any transfer agent or other person acting pursuant to the instructions of and on behalf of the issuer or holder in accordance with this section is not liable to the apparent owner and must be indemnified against claims of any person in accordance with G.S. 116B-63. (1979, 2nd Sess., c. 1311, s. 1; 1981, c. 531, s. 14; 1987, c. 163, s. 6; 1993, c. 541, s. 7; 1999-460, s. 6.)

§ 116B-62. Preparation of list of owners by Treasurer.

(a) There shall be delivered to the clerk of superior court of each county prior to June 30 of each year a list prepared by the Treasurer of escheated and abandoned property reported to the Treasurer. The list shall contain:

- (1) The names, if known, in alphabetical order of surname, and last known addresses, if any, of apparent owners of escheated and abandoned property;
- (2) The names and addresses of the holders of the abandoned property; and
- (3) A statement that claim and proof of legal entitlement to escheated or abandoned property shall be presented by the owner to the Treasurer, which statement shall set forth where further information may be obtained.

(b) At the time the lists are distributed to the clerks of superior court, the Treasurer shall cause to be published once each week for two consecutive weeks, in at least two newspapers having general circulation in this State, a notice stating the nature of the lists and that the lists are available for inspection at the offices of the respective clerks of superior court, together with any other information the Treasurer deems appropriate to appear in the notice.

(c) The Treasurer is not required to include in any list any item of a value, as determined by the Treasurer, in the Treasurer's discretion, of less than fifty dollars (\$50.00), unless the Treasurer deems inclusion of items of lesser amounts to be in the public interest.

(d) The clerks of superior court shall retain the lists on permanent file in their offices and shall make them available for public inspection.

(e) The lists prepared by the Treasurer shall include only escheated and abandoned property reported for the current reporting date and are not required to be cumulative lists of escheated and abandoned property previously reported.

(f) Notwithstanding the provisions of Chapter 132 of the General Statutes, the supporting data and lists of apparent owners of escheated and abandoned property may be confidential until six months after the notice to clerks of superior court required by subsection (b) of this section has been distributed. This subsection shall not apply to owners of reported property making inquiries about their property to the Escheat Fund. (1979, 2nd Sess., c. 1311, s. 1; 1981, c. 531, ss. 9-13; 1983, c. 204, ss. 4-7; 1985, c. 215, s. 4; 1987, c. 163, ss. 4, 5; 1999-460, s. 6.)

§ 116B-63. Custody by State; recovery by holder; defense of holder.

- (a) In this section, payment or delivery is made in “good faith” if:
- (1) Payment or delivery was made in a reasonable attempt to comply with this Chapter;
 - (2) The holder was not then in breach of a fiduciary obligation with respect to the property and had a reasonable basis for believing, based on the facts then known, that the property was presumed abandoned; and
 - (3) There is no showing that the records under which the payment or delivery was made did not meet reasonable commercial standards of practice.

(b) Upon payment or delivery of property to the Treasurer, the State assumes custody and responsibility for the safekeeping of the property. A holder who pays or delivers property to the Treasurer in good faith is relieved of all liability arising thereafter with respect to the property.

(c) A holder who has paid money to the Treasurer pursuant to this Chapter may subsequently make payment to a person reasonably appearing to the holder to be entitled to payment. Upon a filing by the holder of proof of payment and proof that the payee was entitled to the payment, the Treasurer shall promptly reimburse the holder for the payment without imposing a fee or other charge. If reimbursement is sought for a payment made on a negotiable instrument, including a traveler’s check or money order, the holder must be reimbursed upon filing proof that the instrument was duly presented and that payment was made to a person who reasonably appeared to be entitled to payment. The holder must be reimbursed for payment made even if the payment was made to a person whose claim was barred under G.S. 116B-71(a).

(d) A holder who has delivered property other than money to the Treasurer pursuant to this Chapter may reclaim the property if it is still in the possession of the Treasurer, without paying any fee or other charge, upon filing proof that the apparent owner has claimed the property from the holder.

(e) The Treasurer may accept a holder’s affidavit as sufficient proof of the holder’s right to recover money and property under this section.

(f) If a holder pays or delivers property to the Treasurer in good faith and thereafter another person claims the property from the holder or another state claims the money or property under its laws relating to escheat or abandoned or unclaimed property, the Treasurer, upon written notice of the claim, shall defend the holder against the claim and indemnify the holder against any liability on the claim resulting from payment or delivery of the property to the Treasurer. (1979, 2nd Sess., c. 1311, s. 1; 1989, c. 114, s. 3; 1999-460, s. 6.)

§ 116B-64. Income or gain accruing after payment or delivery.

If property other than money is delivered to the Treasurer under this Chapter, the owner is entitled to receive from the Treasurer any income or gain realized or accruing on the property at or before liquidation or conversion of the property into money. If the property is interest-bearing or pays dividends, the interest or dividends shall be paid until the date on which the amount of the deposits, accounts, or funds, or the shares must be remitted or delivered to the Treasurer under G.S. 116B-61. Otherwise, when property is delivered or paid to the Treasurer, the Treasurer shall hold the property without liability for income or gain. (1979, 2nd Sess., c. 1311, s. 1; 1999-460, s. 6.)

§ 116B-65. Public sale of abandoned property.

(a) Except as otherwise provided in this section, the Treasurer, within three years after the receipt of abandoned property, shall sell it to the highest bidder at public sale at a location in the State which in the judgment of the Treasurer affords the most favorable market for the property. The Treasurer may decline the highest bid and reoffer the property for sale if the Treasurer considers the bid to be insufficient. The Treasurer need not offer the property for sale if the Treasurer considers that the probable cost of sale will exceed the proceeds of the sale. A sale held under this section must be preceded by a single publication of notice, at least three weeks before sale, in a newspaper of general circulation in the county in which the property is to be sold. The Treasurer is not required to sell money unless it is a collector's species having value greater than the face value of the money as cash.

(b) Securities listed on an established stock exchange must be sold at prices prevailing on the exchange at the time of sale. Other securities may be sold over the counter at prices prevailing at the time of sale or by any reasonable method selected by the Treasurer. If securities are sold by the Treasurer before the expiration of three years after their delivery to the Treasurer, a person making a claim under this Chapter before the end of the three-year period is entitled to the proceeds of the sale of the securities or the market value of the securities at the time the claim is made, whichever is greater, less any deduction for expenses of sale. A person making a claim under this Chapter after the expiration of the three-year period is entitled to receive the securities delivered to the Treasurer by the holder, if they still remain in the custody of the Treasurer, or the net proceeds received from sale, and is not entitled to receive any appreciation in the value of the property occurring after delivery to the Treasurer, except in a case of intentional misconduct by the Treasurer.

(c) A purchaser of property at a sale conducted by the Treasurer pursuant to this Chapter takes the property free of all claims of the owner or previous holder and of all persons claiming through or under them. The Treasurer shall execute all documents necessary to complete the transfer of ownership. (1979, 2nd Sess., c. 1311, s. 1; 1999-460, s. 6.)

§ 116B-66. Claim of another state to recover property.

(a) After property has been paid or delivered to the Treasurer under this Article, another state may recover the property if:

- (1) The property was paid or delivered to the custody of this State because the records of the holder did not reflect a last known location of the apparent owner within the borders of the other state, and the other state establishes that the apparent owner or other person entitled to the property was last known to be located within the borders of that state and under the laws of that state the property has escheated or become subject to a claim of abandonment by that state;
- (2) The property was paid or delivered to the custody of this State because the laws of the other state did not provide for the escheat or custodial taking of the property, and under the laws of that state subsequently enacted, the property has escheated or become subject to a claim of abandonment by that state;
- (3) The records of the holder were erroneous in that they did not accurately identify the owner of the property and the last known location of the owner within the borders of another state, and under the laws of that state the property has escheated or become subject to a claim of abandonment by that state;
- (4) The property was subjected to custody by this State under G.S. 116B-56(6), and under the laws of the state of domicile of the holder,

the property has escheated or become subject to a claim of abandonment by that state; or

- (5) The property is a sum payable on a traveler's check, money order, or similar instrument that was purchased in the other state and delivered into the custody of this State under G.S. 116B-56(7), and under the laws of the other state, the property has escheated or become subject to a claim of abandonment by that state.

(b) A claim of another state to recover escheated or abandoned property must be presented in a form prescribed by the Treasurer, who shall decide the claim within 90 days after it is presented. The Treasurer shall allow the claim upon determining that the other state is entitled to the abandoned property under subsection (a) of this section.

(c) The Treasurer shall require another state, before recovering property under this section, to agree to indemnify this State and its officers and employees against any liability on a claim to the property. (1999-460, s. 6.)

§ 116B-67. Claim for property paid or delivered to the Treasurer.

(a) A person, excluding another state, claiming property paid or delivered to the Treasurer may file a claim on a form prescribed by the Treasurer and verified by the claimant.

(b) At the discretion of the Treasurer, the claim shall be made to the holder or to the holder's successor. If the holder is satisfied that the claim is valid and that the claimant is the owner of the property, the holder shall so certify to the Treasurer by written statement attested by the holder under oath, or in the case of a corporation, by two principal officers, or one principal officer and an authorized employee of the corporation. The determination of the holder that the claimant is the owner shall, in the absence of fraud, be binding upon the Treasurer and upon receipt of the certificate of the holder to this effect, the Treasurer shall forthwith authorize and make payment of the claim or return of the property, or if the property has been sold, the amount received from the sale, to the owner, or to the holder in the event the owner has assigned the claim to the holder and the certificate of the holder is accompanied by an assignment. In the event the holder rejects the claim, the claimant may appeal to the Treasurer.

If the holder, or the holder's successor, is not available, the owner may file a claim with the Treasurer on a form prescribed by the Treasurer. In addition to any other information, the claim shall state the facts surrounding the unavailability of the holder and the lack of a successor.

(c) Within 90 days after a claim is filed, the Treasurer shall allow or deny the claim and give written notice of the decision to the claimant. If the claim is denied, the Treasurer shall inform the claimant of the reasons for the denial and specify what additional evidence is required before the claim will be allowed. The claimant may then file a new claim with the Treasurer or maintain an action under G.S. 116B-68.

(d) Within 30 days after a claim is allowed, the property or the net proceeds of a sale of the property must be delivered or paid by the Treasurer to the claimant.

(e) The claimant or claimants and the holder, if the holder either certifies that the claimant is the owner under subsection (b) of this section or recovers money and property from the Treasurer under G.S. 116B-63, shall agree to indemnify, save harmless, and defend the State, the Treasurer, and the Escheat Fund from any claim arising out of or in connection with refund of the property claimed. In like manner, the claimant shall also agree to indemnify, save harmless, and defend the holder, if the holder certifies the claim under

subsection (b) of this section or pays or delivers property to the claimant under G.S. 116B-63. (1979, 2nd Sess., c. 1311, s. 1; 1987, c. 163, s. 8; c. 827, s. 18; 1999-460, s. 6.)

§ 116B-68. Action to establish claim.

A person aggrieved by a decision of the Treasurer or whose claim has not been acted upon within 90 days after its filing may maintain an original action to establish the claim in the Superior Court of Wake County, naming the Treasurer as a defendant. (1999-460, s. 6.)

§ 116B-69. Election to take payment or delivery.

(a) The Treasurer may decline to receive property reported under this Chapter which the Treasurer considers to have a value less than the expenses of notice and sale.

(b) A holder, with the written consent of the Treasurer and upon conditions and terms prescribed by the Treasurer, may report and deliver property before the property is presumed abandoned. Property so delivered must be held by the Treasurer and is not presumed abandoned until it otherwise would be presumed abandoned under this Article. (1979, 2nd Sess., c. 1311, s. 1; 1981, c. 531, s. 14; 1987, c. 163, ss. 6, 7; 1993, c. 541, s. 7; 1999-460, s. 6.)

§ 116B-70. Destruction or disposition of property having no substantial commercial value; immunity from liability; property of historical significance.

(a) If the Treasurer determines after investigation that property delivered under this Chapter has no substantial commercial value, the Treasurer may destroy or otherwise dispose of the property at any time. An action or proceeding may not be maintained against the State or any officer, employee, or agent of the State, both past and present, in the person's individual and official capacity, or against the holder for or on account of an act of the Treasurer under this subsection, except for intentional misconduct.

(b) Notwithstanding the provisions of G.S. 116B-65, the Treasurer may retain any tangible property delivered to the Treasurer, if the property has recognized historic significance. The historic significance shall be certified by the Treasurer, with the advice of the Secretary of Cultural Resources; and a statement of the appraised value of the property shall be filed with the certification. Historic property retained under this subsection may be stored and displayed at any suitable location. (1979, 2nd Sess., c. 1311, s. 1; 1999-460, s. 6.)

§ 116B-71. Periods of limitation.

(a) The expiration, before or after the effective date of this Article, of a period of limitation on the owner's right to receive or recover property, whether specified by contract, statute, or court order, does not preclude the property from being presumed abandoned or affect a duty of a holder to file a report or to pay or deliver or transfer property to the Treasurer as required by this Article.

(b) An action or proceeding may not be maintained by the Treasurer to enforce this Article in regard to the reporting, delivery, or payment of property more than five years after the holder filed a report with the Treasurer in which the holder specifically identified property, should have but failed to identify

property, or gave express notice to the Treasurer of a dispute regarding property. In the absence of such a report or other express notice, the period of limitation is tolled. The period of limitation is also tolled by the filing of a report that is fraudulent. (1979, 2nd Sess., c. 1311, s. 1; 1993, c. 541, s. 8; 1999-460, s. 6.)

§ 116B-72. Requests for reports and examination of records.

(a) The Treasurer may require a person who has not filed a report, or a person who the Treasurer believes has filed an inaccurate, incomplete, or false report, to file a verified report in a form specified by the Treasurer. The report must state whether the person is holding property reportable under this Chapter, describe property not previously reported or as to which the Treasurer has made inquiry, and specifically identify and state the value of property that may be in issue.

(b) The Treasurer, at reasonable times and upon reasonable notice, may examine the records of any person to determine whether the person has complied with this Chapter. The Treasurer may conduct the examination even if the person believes it is not in possession of any property that must be reported, paid, or delivered under this Chapter. The Treasurer may contract with any other person to conduct the examination on behalf of the Treasurer.

(c) The Treasurer at reasonable times may examine the records of an agent, including a dividend disbursing agent or transfer agent, of a business association that is the holder of property presumed abandoned if the Treasurer has given the notice required by subsection (b) of this section to both the association and the agent at least 90 days before the examination.

(d) Documents and working papers obtained or compiled by the Treasurer, or the Treasurer's agents, employees, or designated representatives, in the course of conducting an examination are confidential, but the documents and papers may be:

- (1) Used by the Treasurer in the course of an action to collect unclaimed property or otherwise enforce this Chapter;
- (2) Used in joint examinations conducted with or pursuant to an agreement with another state, the federal government, or any other governmental subdivision, agency, or instrumentality;
- (3) Produced pursuant to subpoena or court order; or
- (4) Disclosed to the abandoned property office of another state for that state's use in circumstances equivalent to those described in this subsection, if the other state is bound to keep the documents and papers confidential.

(e) If an examination results in the disclosure of property reportable under this Chapter, the Treasurer may assess, against a holder who made a fraudulent report, the cost of the examination at the rate of two hundred dollars (\$200.00) a day for each examiner, or a greater amount that is reasonable and was incurred, but the assessment may not exceed the value of the property found to be reportable. The cost of an examination made pursuant to subsection (c) of this section may be assessed only against the business association.

(f) If a holder does not maintain the records required by G.S. 116B-73 and the records of the holder available for the periods subject to this Chapter are insufficient to permit the preparation of a report, the Treasurer may require the holder to report and pay to the Treasurer the amount the Treasurer reasonably estimates, on the basis of any available records of the holder or by any other reasonable method of estimation, should have been, but was not reported. (1979, 2nd Sess., c. 1311, s. 1; 1981, c. 671, s. 18; 1999-460, s. 6.)

§ 116B-73. Retention of records.

(a) Except as otherwise provided in subsection (b) of this section, a holder required to file a report under G.S. 116B-60 shall maintain the records containing the information required to be included in the report for 10 years after the holder files the report, unless a shorter period is provided by rule of the Treasurer.

(b) A business association that sells, issues, or provides to others for sale or issue in this State, traveler's checks, money orders, or similar instruments other than third-party bank checks, on which the business association is directly liable, shall maintain a record of the instruments while they remain outstanding, indicating the state and date of issue, for three years after the holder files the report. (1999-460, s. 6.)

§ 116B-74. Discretionary precompliance review.

A holder may request the Treasurer to conduct a precompliance review of the holder's compliance program to educate the holder's employees on the unclaimed property laws and filing procedures and to recommend ways to facilitate the holder's compliance with the law. Subject to the availability of staff, the Treasurer may conduct a precompliance review upon request. The Treasurer may charge the holder a precompliance review fee of up to five hundred dollars (\$500.00) per day for conducting this review. (1999-460, s. 6.)

§ 116B-75. Enforcement.

(a) The Treasurer may maintain an action in this or another state to enforce this Chapter.

(b) The Treasurer may order a person required to report, pay, or deliver property under this Chapter, or an officer or employee of the person, or a person having possession, custody, care, or control of records relevant to the matter under inquiry, or any other person having knowledge of the property or records, to appear before the Treasurer, at a time and place named in the order, and to produce the records and to give such testimony under oath or affirmation relevant to the inquiry. For purposes of this subsection, the Treasurer may administer oaths or affirmations. If a person refuses to obey an order of the Treasurer, the Treasurer may apply to the Superior Court of Wake County for an order requiring the person to obey the order of the Treasurer. Failure to comply with the court order is punishable for contempt. (1999-460, s. 6.)

§ 116B-76. Interstate agreements and cooperation; joint and reciprocal actions with other states.

(a) The Treasurer may enter into an agreement with another state to exchange information relating to abandoned property or its possible existence. The agreement may permit the other state, or another person acting on behalf of a state, to examine records as authorized in G.S. 116B-72. The Treasurer by rule may require the reporting of information needed to enable compliance with an agreement made under this section and prescribe the form.

(b) The Treasurer may join with another state to seek enforcement of this Chapter against any person who is or may be holding property reportable under this Chapter.

(c) At the request of another state, the Attorney General of this State may maintain an action on behalf of the other state to enforce, in this State, the unclaimed property laws of the other state against a holder of property subject

to escheat or a claim of abandonment by the other state, if the other state has agreed to pay expenses incurred by the Attorney General in maintaining the action.

(d) The Treasurer may request that the attorney general of another state or another attorney commence an action in the other state on behalf of the Treasurer. With the approval of the Attorney General of this State, the Treasurer may retain any other attorney to commence an action in this State on behalf of the Treasurer. This State shall pay all expenses, including attorneys' fees, in maintaining an action under this subsection. With the Treasurer's approval, the expenses and attorneys' fees may be paid from money received under this Chapter. The Treasurer may agree to pay expenses and attorneys' fees based in whole or in part on a percentage of the value of any property recovered in the action. Any expenses or attorneys' fees paid under this subsection may not be deducted from the amount that is subject to the claim by the owner under this Chapter.

(e) The Treasurer is authorized to make such expenditures from the funds of the Escheat Fund as may be necessary to effectuate the provisions of this section. (1979, 2nd Sess., c. 1311, s. 1; 1999-460, s. 6.)

§ 116B-77. Interest and penalties; waiver.

(a) A holder who fails to report, pay, or deliver property within the time prescribed by this Chapter shall pay to the Treasurer interest at the rate established pursuant to this subsection on the property or value of the property from the date the property should have been reported, paid, or delivered. On or before June 1 and December 1 of each year, the Treasurer shall establish the interest rate to be in effect during the six-month period beginning on the next succeeding July 1 and January 1, respectively, after giving due consideration to current market conditions. If no new rate is established, the rate in effect during the preceding six-month period shall continue in effect. The rate established by the Treasurer may not be less than five percent (5%) per year and may not exceed sixteen percent (16%) per year.

(b) A holder who willfully fails to report, pay, or deliver property within the time prescribed by this Chapter, or willfully fails to perform other duties imposed by this Chapter, shall pay to the Treasurer, in addition to interest as provided in subsection (a) of this section, a civil penalty of one thousand dollars (\$1,000) for each day the report, payment, or delivery is withheld, or the duty is not performed, up to a maximum of twenty-five thousand dollars (\$25,000), plus twenty-five percent (25%) of the value of any property that should have been but was not reported.

(c) A holder who makes a fraudulent report shall pay to the Treasurer, in addition to interest as provided in subsection (a) of this section, a civil penalty of one thousand dollars (\$1,000) for each day from the date a report under this Chapter was due, up to a maximum of twenty-five thousand dollars (\$25,000), plus twenty-five percent (25%) of the value of any property that should have been but was not reported.

(d) The Treasurer for good cause may waive, in whole or in part, interest under subsection (a) of this section and penalties under subsection (b) of this section. (1979, 2nd Sess., c. 1311, s. 1; 1989, c. 114, s. 4; 1999-460, s. 6.)

§ 116B-78. Agreement to locate property.

(a) An agreement by an owner, the primary purpose of which is to locate, deliver, recover, or assist in the recovery of property that is presumed abandoned, is void and unenforceable if it was entered into during the period commencing on the date the property was presumed abandoned and extending

to a time that is 24 months after the date the property is paid or delivered to the Treasurer. This subsection does not apply to an owner's agreement with an attorney to file a claim as to identified property or contest the Treasurer's denial of a claim.

(b) An agreement by an owner, the primary purpose of which is to locate, deliver, recover, or assist in the recovery of property, is enforceable only if the agreement is in writing, clearly sets forth the nature of the property and the services to be rendered, is signed by the owner, and states the value of the property before and after the fee or other compensation has been deducted.

(c) If an agreement covered by this section applies to mineral proceeds and the agreement contains a provision to pay compensation that includes a portion of the underlying minerals or any mineral proceeds not then presumed abandoned, the provision is void and unenforceable.

(d) An agreement covered by this section that provides for compensation that is unconscionable is unenforceable except by the owner. An owner who has made an agreement to pay compensation that is unconscionable, or the Treasurer on behalf of the owner, may maintain an action to reduce the compensation to a conscionable amount. The court may award reasonable attorneys' fees to an owner who prevails in the action.

(e) This section does not preclude an owner from asserting that an agreement covered by this section is invalid on grounds other than as provided in subsection (d) of this section.

(f) Any person who enters into an agreement covered by this section with an owner shall register annually with the Treasurer. The information to be required under this subsection shall include the person's name, address, telephone number, state of incorporation or residence, as applicable, and the person's federal identification number. A registration fee of one hundred dollars (\$100.00) shall be paid to the Treasurer at the time of the filing of the registration information. Fees received under this subsection shall be credited to the General Fund. (1979, 2nd Sess., c. 1311, s. 1; 1989, c. 114, s. 6; 1999-460, s. 6.)

§ 116B-79. Transitional provisions.

(a) An initial report filed under this Article for property that was not required to be reported before the effective date of this Article but which is subject to this Article must include all items of property that would have been presumed abandoned during the 10-year period next preceding the effective date of this Article as if this Article had been in effect during that period.

(b) This Article does not relieve a holder of a duty that arose before the effective date of this Article to report, pay, or deliver property. Except as otherwise provided in G.S. 116B-71(b) and G.S. 116B-77(d), a holder who did not comply with the law in effect before the effective date of this Article is subject to the applicable provisions for enforcement and penalties which then existed, which are continued in effect for the purpose of this section. (1999-460, s. 6.)

§ 116B-80. Rules.

The Treasurer may adopt rules necessary to carry out this Chapter. (1979, 2nd Sess., c. 1311, s. 1; 1987, c. 827, s. 19; 1989, c. 114, s. 5; 1999-460, s. 6.)

§ 117-2. Powers.

The purpose of said North Carolina Rural Electrification Authority is to secure electrical service for the rural districts of the State where service is not now being rendered, and it is hereby empowered to do the following in order to accomplish that purpose:

- (1) To investigate all applications from communities unserved, or inadequately served, with electrical energy in North Carolina, and to determine the feasibility of obtaining such service therefor.
- (2) To employ such personnel as shall be necessary to conduct surveys, assist the several communities to organize and finance extensions of rural distribution lines; to negotiate with power companies and other agencies for the supply of electric energy for and on behalf of the rural communities that desire service.
- (3) To contact the power companies and other agencies contiguous to the area and areas desiring service, for the purpose of arranging for the extension by said companies, or other agencies, of service in that community for such extension as may be feasible for the power company, or other agency, contiguous to the area to finance itself.
- (4) To make estimates of costs of extension which the power company would not be willing to finance and report such findings to the citizens of the community desiring service or to the corporations organized under this Chapter, to be known as "electric membership corporations."
- (5) To estimate the service charges which said community would have to set up in addition to the rates for energy as may be found necessary in order to make extension self-liquidating.

- (6) To have authority to call upon the Utilities Commission of the State to fix such rates and service charges as will be necessary to accomplish the purpose, and the right to petition the Utilities Commission to require extension of lines by the power companies when, in its opinion, it is proper and feasible.
- (7) To have the power of eminent domain for the purpose of condemning rights-of-way for the erection of transmission and distribution lines, either in its own name, or in its own name on behalf of the electric membership corporations to be formed as provided by law. For the purposes of exercising the powers of eminent domain the North Carolina Rural Electrification Authority shall be deemed a private condemnor and shall follow the procedures of Chapter 40A for a private condemnor.
- (8) To have such right and authority to secure for said local communities or electric membership corporations as may be set up assistance from any agency of the United States government, either by gift or loan, as may be possible to aid said local community in securing electric energy for said community.
- (9) To investigate all applications from communities for the formation of electric membership corporations and determine and pass upon the question of granting the authority to form such corporations; to provide forms for making such applications; and to do all things necessary to a proper determination of the question of establishment of the local electric membership corporations.
- (10) To act as agent for any electric membership corporations formed under direction or permission of the North Carolina Rural Electrification Authority in securing loans or grants from any agency of the United States government.
- (11) To prescribe rules and regulations and the necessary blanks for the electric membership corporations in making applications for grant or loan from any agency of the United States government.
- (12) To do all other acts and things which may be necessary to aid the rural communities in North Carolina to secure electric energy. (1935, c. 288, s. 2; 1981, c. 919, s. 12.)

§ 117-2.1. Additional powers.

In addition to the powers provided in G.S. 117-2, the Authority is empowered, authorized and directed to make, promulgate and implement plans and programs whereby the electric membership corporations organized or domesticated under this Chapter shall promote and foster methods of conserving electric energy in accordance with provisions of the National Energy Act as delegated to the states. (1979, c. 285, s. 1.)

§ 117-3. Authority not granted power to fix rates or order line extensions; right of suggestion and petition.

The Authority itself shall not be a rate-making body, and shall have no power to fix the rates or service charges, or to order the extension of lines by the

power companies. The function of making rates and service charges and orders for the extension of lines shall remain in the Utilities Commission of North Carolina, and the Authority shall only have the right of suggestion and petition to the Utilities Commission of its opinion as to the proper rates and service charges and line extensions, and no rate recommended or suggested by the Authority shall be effective until approved by the Utilities Commission: Provided, that if the Utilities Commission of North Carolina does not have the right under the existing law to fix service charges in addition to the rates prescribed for electrical energy, and the power to order line extensions, such power and authority is hereby granted the Utilities Commission of North Carolina to fix and promulgate service charges in addition to rates in any community which avails itself of this Article, and form a corporation authorized hereunder to be known as electric membership corporation, and to order line extensions when it shall determine that the same is proper and feasible. CASE NOTES

Stated in State ex rel. North Carolina Util. Comm'n v. Municipal Corps., 243 N.C. 193, 90 S.E.2d 519 (1955).

§ 117-3.1. Regulatory fee.

(a) Fee imposed. — It is the policy of the State of North Carolina to provide fair regulation of electric and telephone membership corporations in the interest of the public. The cost of regulating electric and telephone membership corporations is a burden incident to the privilege of operating as an electric or telephone membership corporation. Therefore, for the purpose of defraying the cost of regulating electric and telephone membership corporations, every electric and telephone membership corporation subject to the jurisdiction of the Authority shall pay a quarterly regulatory fee, in addition to all other fees and taxes, as provided in this section. The fees collected shall be used only to pay the expenses of the Authority in regulating electric and telephone membership corporations in the interest of the public.

(b) Rate. — For each fiscal year, the regulatory fee shall be the greater of the following:

- (1) The rate established by the General Assembly for that year for each electric membership corporation's North Carolina meter connected for service and each telephone membership corporation's North Carolina access line connected for service for each quarter of the year.
- (2) Four cents (4¢) for each electric membership corporation's North Carolina meter connected for service and for each telephone membership corporation's North Carolina access line connected for service for each quarter of the year.

When the Authority prepares its budget request for the upcoming fiscal year, the Authority shall propose a rate for the regulatory fee. For fiscal years beginning in an odd-numbered year, that proposed rate shall be included in the budget message the Governor submits to the General Assembly pursuant to G.S. 143-11. For fiscal years beginning in an even-numbered year, that proposed rate shall be included in a special budget message the Governor shall submit to the General Assembly. If the General Assembly decides to set the regulatory fee at a rate higher than the rate in subdivision (2) of this subsection, it shall set the regulatory fee by law.

The regulatory fee may not exceed the amount necessary to generate funds sufficient to defray the estimated cost of the operations of the Authority for the

upcoming fiscal year, including a reasonable margin for a reserve fund. The amount of the reserve may not exceed the estimated cost of operating the Authority for the upcoming fiscal year. In calculating the amount of the reserve, the General Assembly shall consider all relevant factors that may affect the cost of operating the Authority or a possible unanticipated increase or decrease in North Carolina electric meters and North Carolina telephone access lines.

(c) When Due. — The regulatory fee imposed under this section is due and payable to the Authority on or before the 15th day of the second month following the end of each quarter. Every electric and telephone membership corporation subject to the regulatory fee shall, on or before the date the fee is due for each quarter, prepare and render a report on a form prescribed by the Authority. The report shall state the electric or telephone membership corporation's total North Carolina electric meters or North Carolina telephone access lines connected for service for the preceding quarter and shall be accompanied by any supporting documentation that the Authority may by rule require.

(d) Use of Proceeds. — A special fund in the office of the State Treasurer, the North Carolina Rural Electrification Authority Fund (NCREA Fund), is created. The fees collected pursuant to this section and all other funds received by the Authority shall be deposited in the NCREA Fund. The NCREA Fund shall be placed in an interest bearing account and any interest or other income derived from the NCREA Fund shall be credited to the NCREA Fund. Moneys in the NCREA Fund shall only be spent pursuant to an appropriation by the General Assembly.

The NCREA Fund shall be subject to the provisions of the Executive Budget Act except that no unexpended surplus of the NCREA Fund shall revert to the General Fund. All funds credited to the NCREA Fund shall be used only to pay the expenses of the Authority in regulating electric and telephone membership corporations in the interest of the public as provided by this Chapter. (1991, c. 473, s. 1; 1991 (Reg. Sess., 1992), c. 803, s. 1.)

Editor's Note. — Session Laws 1991, c. 473, s. 2 provides: "Nothing herein contained shall be construed to obligate the General Assembly to appropriate funds to implement the provisions of this act."

The Executive Budget Act, referred to in subsection (d), is codified as § 143-1 et seq.

§ 117-4. Organization meeting of Authority; chairman and secretary.

Promptly after their appointment the Authority shall meet and organize at such meeting, and at the first meeting of each year thereafter, the members shall choose from their number a chairman. They shall also choose a secretary, who shall be a competent engineer and shall fix his salary subject to the approval as provided in G.S. 143-35 to 143-47. (1935, c. 288, s. 4.)

Editor's Note. — Sections 143-35 to 143-47, referred to in this section, were repealed by Session Laws 1965, c. 640, s. 1. For present

statutory provisions relating to the State Personnel System, see Chapter 126.

§ 117-5. Compensation and expenses.

All members of the Authority, except the secretary, shall receive as compensation for their services per diem and actual expenses incurred while in the

performance of their duties in accordance with the provisions of G.S. 138-5. (1935, c. 288, s. 5; 1939, c. 97; 1975, c. 709, s. 8.)

Local Modification. — Carteret, Craven, Greene, Hoke, Onslow, Pamlico and Pitt: 1941, c. 314.

Editor's Note. — Session Laws 1999-180, s. 8, provides that it is the intent of the General Assembly that both the election of board members and the hiring of employees of electric membership corporations should reflect the diversity of the communities those corporations serve. Cooperatives so that the Association can report on minority representation to the Joint Legislative Commission on Governmental Operations. The North Carolina Association of Electric Cooperatives shall make an interim report on minority representation on the boards and workforces of the electric membership corporations by June 16, 2001, and shall make a final report on that subject by June 16, 2003.

Each corporation formed under this Article shall have a board of directors, in which management of the affairs of the corporation is vested. The directors of the corporation, other than those named in its certificate of incorporation, shall be elected annually by the members entitled to vote, but if the bylaws so provide the directors may be elected on a staggered-term basis: Provided, that the total number of directors on a board shall be so divided that not less than one third of them, or as nearly thereto as their division for that purpose will permit, shall be elected annually, and no term shall be longer than for three years; and provided further that, except as may be necessary in inaugurating such a plan, all directors shall be elected for terms of equal duration. § 117-15. Certificates of membership.

A corporation may issue to its members certificates of membership and each member shall be entitled to only one vote at the meetings of the corporation. (1935, c. 291, s. 10.)

§ 117-16. Corporate purpose; terms and conditions of membership.

The corporate purpose of each corporation formed hereunder shall be to render service to its members only, and no person shall become or remain a member unless such person shall use energy supplied by such corporation and shall have complied with the terms and conditions in respect to membership contained in the bylaws of such corporation: Provided, that such terms and conditions of membership shall be reasonable; and provided further, that no bona fide applicant for membership, who is able and willing to satisfy and abide by all such terms and conditions of membership, shall be denied arbitrarily, or capriciously, or without good cause. With respect to the members of an electric membership corporation whose principal purpose is to furnish or cause to be furnished bulk electric supplies at wholesale, the word "use" as used in this section shall also mean either "use and purchase" or "purchase" solely, as the case may be, and the words "supplied by" shall also mean "supplied for the account of". With respect to an electric membership corporation whose principal purpose is to furnish or cause to be furnished bulk electric supplies at wholesale, it shall be lawful for such corporation to enter into joint arrangements with other power supply entities, including but not limited to investor-owned public utilities and bodies politic, for the purchase and sale of bulk power supplies and bulk power services and for the joint ownership of bulk power supply properties. (1935, c. 291, s. 11; 1959, c. 387, s. 2; 1979, c. 285, s. 3.)

CASE NOTES

Persons who are not members of an electric membership corporation may not maintain an action challenging the validity of acts of the director of the corporation, and the fact that such persons are eligible and might hereafter become members and maintain an action under the principle announced in *Gorrell v. Greensboro Water Supply Co.*, 124 N.C. 328, 32 S.E. 720, 70 Am. St. R. 589, 46 L.R.A. 513 (1899), does not affect this result, since they have no rights or interest in the management of the corporation until they are members. *Bailey v. Carolina Power & Light Co.*, 212 N.C. 768, 195 S.E. 64 (1938).

Membership is not terminated by a change in the character of the community

from rural to urban. The corporation has the right and the duty to continue to serve its members. However, it is not entitled to expand its services in such an area. *Duke Power Co. v. Blue Ridge Elec. Membership Corp.*, 256 N.C. 62, 122 S.E.2d 782 (1961).

A member may continue to receive current though he is not a resident of the area served. The test is where the service is rendered, not the residence of the member. *Duke Power Co. v. Blue Ridge Elec. Membership Corp.*, 256 N.C. 62, 122 S.E.2d 782 (1961).

§ 117-16.1. Discrimination prohibited.

No electric membership corporation shall, as to rates or services, make or grant any unreasonable preference or advantage to any member or subject any member to any unreasonable prejudice or disadvantage. No electric membership corporation shall establish or maintain any unreasonable difference as to rates or services either as between localities or as between classes of service. No electric membership corporation shall give, pay, or receive any rebate or bonus, directly or indirectly, or mislead or deceive its members in any manner as to rates charged for the services of such electric membership corporation. (1965, c. 287, s. 11.)

§ 117-17. General grant of powers.

Each corporation formed under this Article is hereby vested with all power necessary or requisite for the accomplishment of its corporate purpose and capable of being delegated by the legislature; and no enumeration of particular powers hereby granted shall be construed to impair any general grant of power herein contained, nor to limit any such grant to a power or powers of the same class as those so enumerated. (1935, c. 291, s. 12.)

Session Laws 1999-180, s. 7, provides that four years after this act (S.L. 1999-180) becomes law (June 16, 1999), the Utilities Commission shall report to the Joint Legislative Utility Review Committee on activities the

Commission has conducted pursuant to the provisions of this act. The report shall contain the Utilities Commission's recommendations, if any, with regard to any action to be taken by the General Assembly.

CASE NOTES

Legislative Purpose. — The legislature, by this section, made certain that when necessary to create membership corporations to provide citizens of rural areas with electricity, the corporations so created would not be hampered by having to obtain permission to function from some other agency. *Duke Power Co. v. Blue Ridge Elec. Membership Corp.*, 253 N.C. 596, 117 S.E.2d 812 (1961).

An electric membership corporation and a public utility corporation are free to compete in rural areas, unless restricted by the provisions of a contract between them. *Pitt & Greene Elec. Membership Corp. v. Carolina Power & Light Co.*, 255 N.C. 258, 120 S.E.2d 749 (1961).

§ 117-18.1. Subsidiary business activities.

(a) Electric membership corporations may form, organize, acquire, hold, dispose of, and operate any interest up to and including full controlling interest in separate business entities that provide energy services and products, telecommunications services and products, water, and wastewater collection and treatment, so long as those other business entities meet all of the following conditions:

- (1) They are not financed with loans or grants from the Rural Utilities Service (RUS) of the United States Department of Agriculture (USDA) or the USDA or with similar financing from any successor agency. This limitation shall not apply to RUS or USDA loans or grants, or loans or grants from successor agencies, for water or wastewater collection and treatment projects.
 - (2) They are subject to all taxes, specifically including federal and State income taxes, levied against business entities of the same structure and engaged in the same activities.
 - (3) They fully compensate the electric membership corporation for the use of personnel, services, equipment, or tangible and intangible property, the greater of (i) a competitive price, which is a price comparable with prices generally being charged at the time in arms length transactions in the same market, or (ii) the electric membership corporation's fully distributed costs, which shall include all direct and indirect costs, including cost of capital incurred in providing the personnel, services, equipment, tangible property, or intangible property in question. The value of real property shall include the intangible value of not having to purchase the real property being used, and the value of the identification with the EMC that will exist because of the use of the particular real property. Should the Utilities Commission, upon complaint showing reasonable grounds for investigation, find after investigation, that the charges for those transactions between the electric membership corporation and the other business entity do not conform with the provisions of this subdivision, the Utilities Commission is empowered to direct the electric membership corporation to adjust those charges to comply with the provisions of this subdivision. If the electric membership corporation does not comply with the Utilities Commission's directive, then the Utilities Commission is empowered to direct the electric membership corporation to divest its interest in the other business entity. For purposes of enforcing this subdivision, members of the Utilities Commission, the Utilities Commission staff, and the Public Staff are authorized to inspect the books and records of such other business entities and the electric membership corporations. The Utilities Commission shall have the authority to adopt rules and reporting requirements to enforce this subdivision. The provisions of G.S. 62-310(a), 62-311, 62-312, 62-313, 62-314, 62-315, 62-316, 62-326, and 62-327 shall apply to electric membership corporations with respect to the application of this subdivision.
 - (4) They are organized and operated pursuant to Chapter 55 or Chapter 57C of the General Statutes.
 - (5) They do not receive from an electric membership corporation any investment, loan, guarantee, or pledge of assets in an amount that, in the aggregate, exceeds ten percent (10%) of the assets of that electric membership corporation.
- (b) An electric membership corporation may not form or organize a separate business entity to engage in activities involving the distribution, storage, or sale of oil, as defined in G.S. 143-215.77(8), specifically including liquefied

petroleum gases, but may acquire, hold, dispose of, and operate any interest in an existing business entity already engaged in these activities, subject to the other provisions of this section.

(c) No director, or spouse of a director, of an electric membership corporation may be employed or have any financial interest in any separate business entity formed, organized, acquired, held, or operated by an electric membership corporation pursuant to the provisions of this section. (1999-180, s. 2.)

Editor's Note. — Session Laws 1999-180, s. 9, made this section effective June 16, 1999.

Session Laws 1999-180, s. 7, provides that four years after this act (S.L. 1999-180) becomes law (June 16, 1999), the Utilities Commission shall report to the Joint Legislative

Utility Review Committee on activities the Commission has conducted pursuant to the provisions of this act. The report shall contain the Utilities Commission's recommendations, if any, with regard to any action to be taken by the General Assembly.

§ 117-19. Taxes and assessments.

(a) From and after April 20, 1965, no electric membership corporation heretofore or hereafter organized, reorganized, or domesticated under the provisions of this Chapter shall be a public agency; nor shall any such corporation be, or have the rights of, a political subdivision of the State.

(b) With respect to its properties owned and revenues received on and after January 1, 1967, each electric membership corporation operating within the State shall be subject to, and shall pay taxes and assessments under, all laws relative to State, county, municipal and other local taxes and assessments applicable to the electric light and power companies in this State, except income tax.

(c) through (e) Repealed by Session Laws 1997-6, s. 16. (1935, c. 291, s. 14; 1965, c. 287, s. 12; 1997-6, s. 16.)

Editor's Note. — Session Laws 1997-6, s. 21 provides that this act does not affect the rights or liabilities of the State, or taxpayer, or another person arising under a statute amended or repealed by this act before the effective date of its amendment or repeal; nor does it affect

the right to any refund or credit of a tax that accrued under the amended or repealed statute before the effective date of its amendment or repeal.

§ 117-30. Telephone membership corporations.

(a) In the event it is ascertained by the Rural Electrification Authority that the community or communities referred to in the foregoing section G.S. 117-29

are in need of telephone service and that there is a sufficient number of persons to be served to justify such services, and the telephone company serving in the area in which the community or communities are located is unwilling to provide such service, a telephone membership corporation may be organized by such community or communities in the same manner that electric membership corporations may be formed under Article 2 of this Chapter, and all of the provisions of said Article shall be applicable to the formation of telephone membership corporations and such corporations shall have all the authority, powers and duties of such a corporation when formed under the provisions of said Article; except that the provisions of G.S. 117-8, 117-9, 117-10.1, 117-10.2, 117-16.1, 117-18(14), 117-18.1, 117-19 and 117-24 shall not be applicable to the organization of a telephone membership corporation, and except that such corporations so formed for the express purpose of providing telephone service necessary to serve the community or communities prescribed in the application may also provide the community or communities prescribed in the application with any communication service for the transmission of voice, sounds, signals, pictures, writing or signs of all kinds through the use of electricity or the electromagnetic spectrum between the transmitting and receiving apparatus, together with any telecommunications service requiring band-width capacity, including, but not limited to community antenna and cable television services, and including all lines, wires, cables, radio, light, electromagnetic impulse and all facilities, systems or other means used in the rendition of such services, but not including message telegram service or radio broadcasting services or facilities within the meaning of section 3(o) of the Federal Communications Act of 1934, as amended (47 USC § 153(o)) and except that such corporation so formed shall have no authority to engage in any other business. Provided, that the references in Article 2 of this Chapter to "power lines" or "energy" as to such telephone membership corporations shall be construed to mean telephone lines, broadband cables and lines, telephone service and broadband communications services. Provided further, that nothing herein shall be construed to authorize any telephone membership corporation organized hereunder to duplicate any line or lines, systems or other means by which adequate telephone service is being furnished; or to build or to construct a telephone line, or telephone lines, or telephone systems, or otherwise to provide facilities or means of furnishing telephone service to any person, community, town or city then being adequately served by a telephone company, corporation or system; or to provide telephone service in an unserved area while any telephone company, corporation or system is acting in good faith and with reasonable diligence in arranging to provide adequate telephone service to such person, community, town or city.

(b) Any telephone membership corporation formed under this Article which now provides or has imminent plans to provide any service which is subject to the requirement of a state or local franchise shall make reasonable efforts to secure any such state or local franchise required for the operation of such service within its service area. Unless otherwise prohibited, any such franchise granted to a telephone membership corporation may be transferred or assigned by that corporation, in its discretion, if such transfer or assignment is reasonably calculated to contribute to the development of any such service within the franchised area. Provided, however, that no telephone membership corporation shall be required to obtain a state or local franchise to provide the types of telephone services being provided on July 1, 1979 by a telephone membership corporation, or the types of telephone services offered by existing telephone membership corporations on July 1, 1979 and proposed to be offered by any telephone membership corporation formed thereafter, without respect to the facilities or methods which are used to provide such services. (1945, c. 853, s. 2; 1965, c. 345, s. 1; 1979, c. 586; 1999-180, s. 3.)

Editor's Note. — Session Laws 1999-180, s. 7, provides that four years after this act (S.L. 1999-180) becomes law (June 16, 1999), the Utilities Commission shall report to the Joint Legislative Utility Review Committee on activities the Commission has conducted pursuant to the provisions of this act. The report shall

contain the Utilities Commission's recommendations, if any, with regard to any action to be taken by the General Assembly.

Effect of Amendments. — Session Laws 1999-180, s. 3, effective June 16, 1999, in subsection (a), inserted "117-18(14), 117-18.1" in the first sentence.

§ 117-31. Power of Rural Electrification Authority to prosecute requested investigations.

In investigating the application filed with the Rural Electrification Authority under the provisions of G.S. 117-30 of this Article, the Rural Electrification Authority shall have the authority to employ such personnel as shall be necessary to conduct surveys; to contact the telephone companies serving the general area for the purpose of arranging for extension of telephone service by such companies to such community or communities; to make estimates of the cost of the extension of telephone service to such community or communities; to call upon the Utilities Commission of the State to fix such rates as will be applicable to such service; to secure for such community or communities any assistance which may be available from the federal government by gift or loan or in any other manner; to investigate all applications for the creation of telephone membership corporations and determine and pass upon the question of granting authority to form such corporation; to provide forms for making such applications, and to do all things necessary to a proper determination of the question of the establishment of such telephone membership corporations in keeping with the provisions of this Article; to act as agent for any such telephone membership corporation in securing loans or grants from any agency of the United States government; to prescribe rules and regulations and the necessary blanks for such membership corporations in making applications for grants or loans from any agency of the United States government; to do all other acts and things which may be necessary to aid the rural communities in North Carolina in securing telephone service. (1945, c. 853, s. 3.)

§ 117-32. Loans from federal agencies; authority of county, etc., to engage in telephone business.

Whenever any corporation organized under the provisions of this Article desires to secure a grant or loan from any agency of the United States government now in existence or hereafter authorized, it shall apply through the North Carolina Rural Electrification Authority and not direct to the United States agency, and the said North Carolina Rural Electrification Authority alone shall have the authority to make application for grants or loans to any such corporation. Nothing in this Article shall be deemed to authorize any county, city or town to engage in the telephone business. (1945, c. 853, s. 4.)

A certificate of dissolution and a certified copy or copies thereof shall be filed in the same place as an original certificate of incorporation and thereupon the corporation shall be deemed to be dissolved.

Such corporation shall continue for the purpose of paying, satisfying and discharging any existing liabilities or obligations and collecting or liquidating its assets, and doing all other acts required to adjust and wind up its business and affairs, and may sue and be sued in its corporate name. Any assets remaining after all liabilities or obligations of the corporation have been satisfied or discharged shall pass to and become the property of the State. (1965, c. 345, s. 2; 1987, c. 448, s. 3.)

§ 117-35. Article complete in itself and controlling.

Article 4 is complete in itself and shall be controlling. The provisions of any other law, general, special, or local except as provided in this Article, shall not apply to a telephone membership corporation formed under this Article. (1965, c. 345, s. 2.)

- (1b) "Rerefined oil" means used oil that is refined to remove the physical and chemical contaminants acquired through use and that, by itself or when blended with new lubricating oil or additives, meets applicable American Petroleum Institute (A.P.I.) service classifications.
- (2) "Specifications" means the minimum chemical properties or analysis as determined by the American Society for Testing Materials (A.S.T.M.) test methods using current ASTM analytical procedures.
- (3) "Used oil" means any oil that has been refined from crude or synthetic oil and, as a result of use, storage, or handling becomes unsuitable for its original purpose due to the loss of its original properties or the presence of impurities, but that may be rerefined for further use. § 119-13.2. Labels required on sealed containers; oil to meet minimum specifications.

(a) It shall be unlawful to offer for sale or sell or deliver in this State previously used oil that has not been rerefined or recycled oil that has not been rerefined, as defined in G.S. 119-13.1, in a sealed container unless this container be labeled or bear a label on which shall be expressed the brand or trade name of the oil and the words "made from previously used lubricating oil"; the name and address of the person, firm, or corporation that has rerefined or reprocessed said oil or placed it in the container; the Society of Automotive Engineers (S.A.E.) viscosity grade; the net contents of the container expressed in U.S. liquid measure of quarts, gallons, or pints; which label has been registered and approved by the Gasoline and Oil Inspection Division of the

Department of Agriculture and Consumer Services; and that the oil in each container shall meet the minimum specifications. The Gasoline and Oil Inspection Board shall adopt minimum quality specifications, the measurement of which shall be accomplished using current A.S.T.M. analytical procedures.

(b) A person may represent a product made in whole or in part from rerefined oil to be substantially equivalent to a product made from virgin oil for a particular end use if the product conforms with the applicable American Petroleum Institute (A.P.I.) service classifications. (1953, c. 1137; 1979, c. 158, s. 2; 1995, c. 516, s. 2; 1997-261, s. 109.)

CASE NOTES

Order of Federal Trade Commission Not in Conflict with This Section. — This section requires that containers of reclaimed used oil be clearly marked “Reprocessed Oil.” It does not prohibit the use of additional descriptive words, and where the Federal Trade Commission indicated that it was not the use of the word “reprocessed” which it considered decep-

tive, but rather the failure to make the additional specific disclosure that the reprocessed oil had been previously used, an order of the Commission prohibiting sale of the oil without disclosing its previous use was clearly not in conflict with the State’s requirement. *Royal Oil Corp. v. FTC*, 262 F.2d 741 (4th Cir. 1959).

§ 119-13.3. Violation a misdemeanor.

Any person, firm, or corporation violating any of the provisions of this Article shall for each offense be guilty of a Class 1 misdemeanor. For a second or subsequent offense, the person shall also be enjoined from selling or distributing previously used oil for not less than one year nor more than five years. (1953, c. 1137; 1993, c. 539, s. 901; 1994, Ex. Sess., c. 24, s. 14(c); 1995, c. 516, s. 3.)

ARTICLE 3.

Gasoline and Oil Inspection.

§ 119-14. Title of Article.

This Article shall be known as the Gasoline and Oil Inspection Act. (1937, c. 425, s. 1.)

§ 119-15. Definitions that apply to Article.

The following definitions apply in this Article:

- (1) Alternative fuel. — Defined in G.S. 105-449.130.
- (2) Gasoline. — Defined in G.S. 105-449.60.
- (3) Kerosene. — Petroleum oil that is free from water, glue, and suspended matter and that meets the specifications and standards adopted by the Gasoline and Oil Inspection Board.
- (3a) Kerosene distributor. — A person who acquires kerosene from any of the following for subsequent sale:
 - a. A supplier licensed under Part 2 of Article 36C of Chapter 105 of the General Statutes.

- b. A kerosene supplier.
- c. Another kerosene distributor.
- (3b) Kerosene supplier. — Either of the following:
 - a. A person who supplies both kerosene and motor fuel and, consequently, is required to be licensed under Part 2 of Article 36C of Chapter 105 of the General Statutes.
 - b. A person who is not required to be licensed as a supplier under Part 2 of Article 36C of Chapter 105 of the General Statutes and who maintains storage facilities for kerosene to be used to fuel an airplane.
- (4) Motor fuel. — Defined in G.S. 105-449.60.
- (5) Person. — Defined in G.S. 105-229.90. (1937, c. 425, s. 2; 1995, c. 390, s. 19; 1995 (Reg. Sess., 1996), c. 647, s. 53; 1997-6, s. 17.)

Editor's Note. — The subdivision designations (3a) and (3b) were assigned by the Revisor of Statutes, those definitions having been enacted as subdivisions (4) and (5), respectively.

Session Laws 1997-6, s. 21 provides that this act does not affect the rights or liabilities of the State, or taxpayer, or another person arising under a statute amended or repealed by this act before the effective date of its amendment or repeal; nor does it affect the right to any refund

or credit of a tax that accrued under the amended or repealed statute before the effective date of its amendment or repeal.

Effect of Amendments. — The 1997 amendment, effective March 21, 1997, in subdivision (3b) added "Either of the following:" after the subcatchline, added the (3b)a. and (3b)b. designations and added subdivision (3b)a.

§§ 119-16, 119-16.1: Repealed by Session Laws 1995, c. 390, ss. 20 and 21.

§ 119-16.2. Application for license.

(a) When Required. — A person may not engage in business as a kerosene supplier unless the person is licensed under Part 2 of Article 36C of Chapter 105 of the General Statutes or has a kerosene supplier license issued under this section. A kerosene distributor is required to have a kerosene distributor license only if the distributor imports kerosene. Other kerosene distributors may elect to have a kerosene distributor license. A licensed kerosene distributor that buys kerosene from a supplier licensed under Part 2 of Article 36C of Chapter 105 of the General Statutes has the right to defer payment of the inspection tax until the supplier is required to remit the tax to this State or another state. A licensed kerosene distributor that pays the tax due a supplier licensed under that Part by the date the supplier must pay the tax to the State may deduct from the amount due a discount in the amount set in G.S. 105-449.93.

(b) Application. — To obtain a license under this section, an applicant must file an application with the Secretary of Revenue on a form provided by the Secretary and file with the Secretary a bond in the amount required by the Secretary, not to exceed twenty thousand dollars (\$20,000). An applicant must give the Secretary the same information the applicant would be required to give under Part 2 of Article 36C of Chapter 105 of the General Statutes if the applicant were applying for a license under that Part.

(c) General. — A bond filed under this section must be conditioned on compliance with this Article, be payable to the State, and be in the form required by the Secretary. A license issued under this section remains in effect until surrendered or canceled, must be displayed in the same manner as a license issued under Part 2 of Article 36C of Chapter 105 of the General Statutes, and is subject to the same restrictions as a license issued under that Part. A person who fails to comply with this section is guilty of a Class 1 misdemeanor. (1967, c. 1110, s. 12; 1973, c. 476, s. 193; 1993, c. 539, s. 902;

1994, Ex. Sess., c. 24, s. 14(c); 1993 (Reg. Sess., 1994), c. 745, s. 29; 1995, c. 390, s. 22; 1995 (Reg. Sess., 1996), c. 647, s. 54; 1997-6, s. 18.)

Editor's Note. — Session Laws 1997-6, s. 21 provides that this act does not affect the rights or liabilities of the State, or taxpayer, or another person arising under a statute amended or repealed by this act before the effective date

of its amendment or repeal; nor does it affect the right to any refund or credit of a tax that accrued under the amended or repealed statute before the effective date of its amendment or repeal.

§ 119-16.3. Certain kerosene sales prohibited.

It shall be a Class 1 misdemeanor for any distributor to sell kerosene dispensed from a pump located on the same island where there are pumps dispensing gasoline or gasohol. An island is a group of two or more dispensing pumps within 15 feet of each other. This section shall apply only to pumps installed after October 1, 1985. (1985, c. 314; 1993, c. 539, s. 903; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 119-17. Inspection of kerosene, gasoline and other petroleum products provided for.

All kerosene used for illuminating or heating purposes and all gasoline used or intended to be used for generating power in internal combustion engines or otherwise sold or offered for sale, and all kerosene, benzine, naphtha, petroleum solvents, distillates, gas oil, furnace or fuel oil and all other volatile and inflammable liquids by whatever name known or sold and produced, manufactured, refined, prepared, distilled, compounded or blended for the purpose of generating power in motor vehicles for the propulsion thereof by means of internal combustion engines or which are sold or used for such purposes, and any and all substances or liquids which in themselves or by reasonable combination with others might be used for or as substitutes for motor fuel shall be subject to inspection, to the end that the public may be protected in the quality of petroleum products it buys, that the State's revenue may be protected, and that frauds, substitutions, adulterations and other reprehensible practices may be prevented. (1937, c. 425, s. 4.)

§ 119-18. Inspection tax and distribution of the tax proceeds.

(a) Tax. — An inspection tax of one fourth of one cent ($\frac{1}{4}$ of 1¢) per gallon is levied upon all of the following fuel, regardless of whether the fuel is exempt from the per-gallon excise tax imposed by Article 36C or 36D of Chapter 105 of the General Statutes:

- (1) Motor fuel that is not dyed diesel fuel.
- (2) Dyed diesel fuel used to operate a highway vehicle.
- (3) Alternative fuel used to operate a highway vehicle.
- (4) Kerosene.

The inspection tax on motor fuel is due and payable to the Secretary of Revenue at the same time that the per gallon excise tax on motor fuel is due and payable under Article 36C of Chapter 105 of the General Statutes. The inspection tax on alternative fuel is due and payable to the Secretary of Revenue at the same time that the excise tax on alternative fuel is due and payable under Article 36D of Chapter 105 of the General Statutes. The inspection tax on kerosene is payable monthly to the Secretary by a supplier that is licensed under Part 2 of Article 36C of Chapter 105 of the General Statutes and by a kerosene supplier. A monthly report is due by the 22nd of

each month and applies to kerosene sold during the preceding month by a supplier licensed under that Part and to kerosene received during the preceding month by a kerosene supplier.

(b) **Proceeds.** — The proceeds of the inspection tax levied by this section shall be applied first to the costs of administering this Article and Subchapter V of Chapter 105 of the General Statutes. The remainder of the proceeds shall be credited on a monthly basis to the Commercial Leaking Petroleum Underground Storage Tank Cleanup Fund and the Noncommercial Leaking Petroleum Underground Storage Tank Cleanup Fund. If the amount of revenue in the Noncommercial Fund at the end of a month is at least five million dollars (\$5,000,000), one-half of the remainder of the proceeds shall be credited to the Noncommercial Fund and one-half of the remainder of the proceeds shall be credited to the Commercial Fund. If the amount of revenue in the Noncommercial Fund at the end of a month is less than this threshold amount, all of the remainder of the proceeds shall be credited to the Noncommercial Fund.

(c) **No Local Tax.** — No county, city, or town shall impose any inspection charge, tax, or fee, in the nature of the charge prescribed by this section, upon kerosene and motor fuel. (1917, c. 166, s. 4; C.S., s. 4856; 1933, c. 544, s. 5; 1937, c. 425, s. 5; 1967, c. 1110, s. 12; 1973, c. 476, s. 193; 1985, c. 602, s. 2; 1991, c. 636, s. 12; 1991 (Reg. Sess., 1992), c. 913, s. 12; 1993, c. 402, s. 8; 1995, c. 390, s. 23; 1995 (Reg. Sess., 1996), c. 647, s. 55.)

§ 119-19. Authority of Secretary to cancel a license.

The Secretary of Revenue may cancel a license issued under G.S. 119-16.2 upon the written request of the license holder. The Secretary may summarily cancel a license issued under G.S. 119-16.2 or Article 36C or 36D of Chapter 105 of the General Statutes when the Secretary finds that the license holder is incurring liability for the tax imposed by this Article after failing to pay a tax when due under this Article. The Secretary may cancel the license of a license holder who files a false report under this Article or fails to file a report required under this Article after holding a hearing on whether the license should be cancelled.

The Secretary must send a person whose license is summarily cancelled a notice of the cancellation and must give the person an opportunity to have a hearing on the cancellation within 10 days after the cancellation. The Secretary must give a person whose license may be cancelled after a hearing at least 10 days' written notice of the date, time, and place of the hearing. A notice of a summary license cancellation and a notice of hearing must be sent by registered mail to the last known address of the license holder.

When the Secretary cancels a license and the license holder has paid all taxes and penalties due under this Article, the Secretary must either return to the license holder the bond filed by the license holder or notify the person liable on the bond and the license holder that the person is released from liability on the bond. (1933, c. 544, s. 10; 1967, c. 1110, s. 12; 1973, c. 476, s. 193; 1995, c. 390, s. 24.)

Cross References. — As to administrative, inspection fees levied under this Chapter, see penalty and remedy provisions applicable to § 105-269.3.

§ 119-21. On failure to report, Secretary may determine tax.

Whenever any person shall neglect or refuse to make and file any report as required by this Article, or shall file an incorrect or fraudulent report, the Secretary of Revenue shall determine after an investigation the number of gallons of kerosene oil and other motor fuel with respect to which the person has incurred liability under the tax laws of the State of North Carolina, and shall fix the amount of the taxes and penalties payable by the person under this Article accordingly. In any action or proceeding for the collection of the inspection tax for kerosene oil or motor fuel and/or any penalties or interest imposed in connection therewith, an assessment by the Secretary of Revenue of the amount of tax due, and/or interest and/or penalties due to the State, shall constitute prima facie evidence of the claim of the State; and the burden of proof shall be upon the person to show that the assessment was incorrect and contrary to law; and the Secretary of Revenue may institute action therefor in the Superior Court of Wake County, regardless of the residence of such person or the place where the default occurred. (1933, c. 544, s. 12; 1973, c. 476, s. 193.)

§ 119-22: Repealed by Session Laws 1995, c. 390, s. 25.

§ 119-23. Administration by Commissioner of Agriculture; collection of fees by Department of Revenue and payment into State treasury; disposition of moneys by State Treasurer.

Gasoline and oil inspection fees or taxes shall be collected by, and reports relating thereto, shall be made to, the Department of Revenue. The administration of the gasoline and oil inspection law shall otherwise be administered by the Commissioner of Agriculture. Except as provided in G.S. 119-26.1(c) and G.S. 119-39.1, all moneys received under the authority of this Article shall be paid into the State treasury and the State Treasurer shall place to the credit of the "State Highway Fund" that proportion of said funds representing inspection fees collected on highway use motor fuels, as certified monthly to the State Treasurer by the Secretary of Revenue, and the remainder of said funds shall be credited to the general fund. (1937, c. 425, s. 6; 1941, c. 36; 1949, c. 1167; 1963, c. 245; 1973, c. 476, s. 193; 1998-215, s. 23(b).)

§ 119-25. Inspectors, clerks and assistants.

The Secretary of Revenue and the Commissioner of Agriculture, respectively, shall appoint and employ such number of inspectors, clerks and assistants as may be necessary to administer and effectively enforce all the provisions of the

gasoline and oil inspection law with the administration or enforcement of which each said Commissioner [or Secretary] is charged. All inspectors shall be bonded in the sum of one thousand dollars (\$1,000) in the usual manner provided for the bonding of State employees, and the expense of such bonding shall be paid from the Gasoline and Oil Inspection Fund created by this Article. Each inspector, before entering upon his duties, shall take an oath of office before some person authorized to administer oaths. Any inspector who, while in office, shall be interested directly or indirectly in the manufacture or vending of any illuminating oils or gasoline or other motor fuels shall be guilty of a Class 1 misdemeanor. (1937, c. 425, s. 8; 1949, c. 1167; 1973, c. 476, s. 193; 1993, c. 539, s. 904; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 119-26. Gasoline and Oil Inspection Board created; composition, appointment of members, etc.; expenses; powers generally; adoption of standards, etc.; sale of products not complying with standards; renaming, etc., of gasoline.

In order to more fully carry out the provisions of this Article there is hereby created a Gasoline and Oil Inspection Board of five members, to be composed of the Commissioner of Agriculture, the Director of the Gasoline and Oil Inspection Division, and three members to be appointed by the Governor, who shall serve at his will. The Commissioner of Agriculture and the Director of the Gasoline and Oil Inspection Division shall serve without additional compensation. Other members of the Board shall each receive the amount provided by G.S. 138-5 for each day he attends a session of the Board and for each day necessarily spent in traveling to and from his place of residence, and he shall receive five cents (5¢) a mile for the distance to and from Raleigh by the usual direct route for each meeting of the Board which he attends. These expenses shall be paid from the Gasoline and Oil Inspection Fund created by this Article. The duly appointed and acting Gasoline and Oil Inspection Board shall have the power, in its discretion, after public notice and provision for the hearing of all interested parties, to adopt standards for kerosene and one or more grades of gasoline based upon scientific tests and ratings and for each of the articles for which inspection is provided; to require the labeling of dispensing pumps or other dispensing devices, and to prescribe the forms therefor; to require that the label, name, or brand under which gasoline is thereafter to be sold be applied at the time of its first purchase within the State and to pass all rules and regulations necessary for enforcing the provisions of the laws relating to the transportation and inspection of petroleum products; provided, however, that the action of said Gasoline and Oil Inspection Board shall be subject to the approval of the Governor of the State; and provided further, that if the Gasoline and Oil Inspection Board should promulgate any regulation which requires that gasoline be labeled, named or branded at the time of its first sale in the State, that such regulation shall provide in addition that any subsequent owner may rename, rebrand, or relabel such gasoline if such subsequent owner first files with the Board a notice of intention to do so, said notice to contain information showing the original brand, name, label, the company or person from whom the gasoline has been or is to be purchased, the minimum specifications registered by the seller, the brand, name, or label that is to be given such gasoline and the minimum specifications of such gasoline as filed with the Board; provided, further, that no labeling, naming or branding of gasoline which may be required by the Gasoline and Oil Inspection Board under the provisions of this Article, shall be construed as permitting gasoline to become the subject of fair trade contracts, as provided in G.S. 66-52. After

the adoption and publication of said standards it shall be unlawful to sell or offer for sale or exchange or use in this State any products which do not comply with the standards so adopted. The said Gasoline and Oil Inspection Board shall, from time to time after a public hearing, have the right to amend, alter, or change said standards. Three members of said Board shall constitute a quorum. (1937, c. 425, s. 9; 1941, c. 220; 1949, c. 1167; 1961, c. 961; 1969, c. 445, s. 2.)

§ 119-26.1. Content of motor fuels and reformulated gasoline.

(a) Rules adopted pursuant to G.S. 143-215.107(a)(9) to regulate the content of motor fuels or to require the use of reformulated gasoline shall be implemented by the Department of Agriculture and Consumer Services and the Gasoline and Oil Inspection Board. Such rules shall be implemented within any area specified by the Environmental Management Commission when the Commission certifies to the Commissioner of Agriculture that implementation:

- (1) Will improve the ambient air quality within the specified county or counties;
- (2) Is necessary to achieve attainment or preclude violations of the National Ambient Air Quality Standards; or
- (3) Is otherwise necessary to meet federal requirements.

(b) The Department of Agriculture and Consumer Services and the Gasoline and Oil Inspection Board may adopt rules to implement this section. Rules shall be consistent with the implementation schedule and rules adopted by the Environmental Management Commission.

(c) The Commissioner of Agriculture may assess and collect civil penalties for violations of rules adopted under G.S. 143-215.107(a)(9) or this section in accordance with G.S. 143-215.114A. The Commissioner of Agriculture may institute a civil action for injunctive relief to restrain, abate, or prevent a violation or threatened violation of rules adopted under G.S. 143-215.107(a)(9) or this section in accordance with G.S. 143-215.114C. The assessment of a civil penalty under this section and G.S. 143-215.114A or institution of a civil action under G.S. 143-215.114C and this section shall not relieve any person from any other penalty or remedy authorized under this Article.

(c1) The clear proceeds of civil penalties assessed pursuant to this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(d) The Commissioner of Agriculture may delegate his powers and duties under this subsection to the Director of the Standards Division of the Department of Agriculture and Consumer Services. (1991 (Reg. Sess., 1992), c. 889, s. 4; 1997-261, s. 83; 1998-215, s. 23(a); 1999-328, s. 2.3.)

Editor's Note. — Session Laws 1999-328, s. 5.1, provides that this act shall not be construed to obligate the General Assembly to appropriate any funds to implement the provisions of this act. Every State agency to which this act applies shall implement the provisions of this act from funds otherwise appropriated or

available to that agency.

Session Laws 1999-328, s. 5.3, contains a severability clause.

Effect of Amendments. — The 1998 amendment, effective October 31, 1998, added the second paragraph of subsection (c).

Session Laws 1999-328, s. 2.3, effective July

21, 1999, substituted "Content of motor fuels" for "Oxygen content standards" in the section catchline; in the introductory paragraph to subsection (a), deleted "oxygen" following "to regu-

late the" and substituted "motor fuels" for "gasoline" in the first sentence; and designated the paragraph following subsection (c) as subsection (c1).

§ 119-26.2. (See editor's note for effective date) Sulfur content standards.

(a) No person shall manufacture, sell, or offer for sale gasoline that contains a concentration of sulfur greater than 30 parts per million except that a person may manufacture, sell, or offer for sale gasoline that contains a concentration of sulfur of not more than 80 parts per million if the average concentration of sulfur in the gasoline manufactured, sold, or offered for sale by that person is 30 parts per million or less. The average concentration of sulfur contained in gasoline shall be determined on the basis of a one-year period established by rule.

(b) The Gasoline and Oil Inspection Board shall adopt rules to implement this section. (1999-328, s. 2.1.)

Editor's Note. — Session Laws 1999-328, section 2.2, provides that this act becomes effective as provided in this section. No later than July 1, 2000, the Governor shall determine whether the United States Environmental Protection Agency has adopted, pursuant to the Notice of Proposed Rulemaking published on May 13, 1999 in the Federal Register, Volume 64, Number 92, Page 26003 et seq., regulations applicable to gasoline manufactured, sold, and offered for sale in this State that limit the sulfur content of gasoline to a concentration equal to or less than the concentration set out in G.S. 119-26.2. If the Governor so determines, the Governor shall issue an Executive Order setting out the date on which G.S. 119-26.2 becomes effective, which shall be the date on which the federal regulation becomes effective in this State. Otherwise, G.S. 119-26.2 becomes effective January 1, 2004. If the United States Environmental Protection Agency promulgates

a regulation that imposes a limit on the concentration of sulfur in gasoline other than that set out in G.S. 119-26.2, as enacted by Section 2.1 of this act, it is the intention of the General Assembly to review the limit established in G.S. 119-26.2. In that event, the Environmental Review Commission shall review the limit on the concentration of sulfur in gasoline and report its findings and recommendations, if any, to the General Assembly.

Session Laws 1999-328, s. 5.1, provides that this act shall not be construed to obligate the General Assembly to appropriate any funds to implement the provisions of this act. Every State agency to which this act applies shall implement the provisions of this act from funds otherwise appropriated or available to that agency.

Session Laws 1999-328, s. 5.3, contains a severability clause.

§ 119-27. Display of grade rating on pumps, etc.; sales from pumps or devices not labeled; sale of gasoline not meeting standard indicated on label.

In the event that the Gasoline and Oil Inspection Board shall adopt standards for grades of gasoline, at all times there shall be firmly attached to or painted on each dispensing pump or other dispensing device used in the retailing of gasoline a label stating that the gasoline contained therein is North Carolina _____ grade. Any person, firm, partnership, or corporation who shall offer or expose for sale gasoline from any dispensing pump or other dispensing device which has not been labeled as required by this section, and/or offer and expose for sale any gasoline which does not meet the required standard for the grade indicated on the label attached to the dispensing pump or other dispensing device, shall be guilty of a Class 2 misdemeanor, and the gasoline offered or exposed for sale shall be confiscated.

The gasoline and oil inspectors shall have the authority to immediately seize and seal, to prevent further sales, any dispensing pump or other dispensing device from which gasoline is offered or exposed for sale in violation of or without complying with the provisions of this Article. Provided, however, that this section shall not be construed to permit the destruction of any gasoline which may be blended or rerefined or offered for sale as complying with the legal specifications of a lower grade except under order of the court in which an indictment is brought for violation of the provisions of this Article. Provided, further, that gasoline that has been confiscated and sealed by the gasoline and oil inspectors for violation of the provisions of this Article shall not be offered or exposed for sale until the Director of the Gasoline and Oil Inspection Division has been fully satisfied that the gasoline offered or exposed for sale has been blended or rerefined or properly labeled to meet the requirements of this Article and the owners of said gasoline have been notified in writing of this fact by said Director and, provided, further, that the permitting of blending, rerefining or properly labeling of confiscated gasoline shall not be construed to in any manner affect any indictment which may be brought for violation of this section. (1937, c. 425, s. 11; 1939, c. 276, s. 1; 1941, c. 220; 1993, c. 539, s. 905; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 119-27.1. Self-service gasoline pumps; display of owner's or operator's name, address and telephone number.

(a) Every owner of, or other person in control of, a self-service gas pump or station whose equipment permits purchase and physical transfer of gasoline or oil products by insertion of money into some device or machine without the necessity of personal service by the owner or his agent shall clearly affix a sticker to each pump showing his name, address, and telephone number.

(b) The North Carolina Department of Agriculture and Consumer Services shall have the responsibility for the enforcement of this section. (1973, c. 1324, s. 1; 1997-261, s. 84.)

§ 119-28. Regulations for sale of substitutes.

All materials, fluids, or substances offered or exposed for sale, purporting to be substitutes for or motor fuel improvers, shall, before being sold, exposed or offered for sale, be submitted to the Commissioner of Agriculture for examination and inspection, and shall only be sold or offered for sale when properly labeled with a label, the form and contents of which label has been approved by the said Commissioner of Agriculture in writing. (1937, c. 425, s. 12; 1949, c. 1167.)

§ 119-29. Rules and regulations of Board available to interested parties.

It shall be the duty of the Commissioner of Agriculture to make available for all interested parties the rules and regulations adopted by the Gasoline and Oil Inspection Board for the purpose of carrying into effect the laws relating to the inspection and transportation of petroleum products. (1937, c. 425, s. 13; 1949, c. 1167.)

§ 119-30. Establishment of laboratory for analysis of inspected products.

The Commissioner of Agriculture is authorized to provide for the analysis of samples of inspected articles by establishing a laboratory under the Gasoline

and Oil Inspection Division for the analysis of inspected products. (1937, c. 425, s. 14; 1949, c. 1167.)

§ 119-31. Payment for samples taken for inspection.

The gasoline and oil inspectors shall pay at the regular market price, at the time the sample is taken, for each sample obtained for inspection purposes when request for payment is made: Provided, however, that no payment shall be made any retailer or distributor unless said retailer or distributor or his agent shall sign a receipt furnished by the Commissioner of Agriculture showing that payment has been made as requested. (1937, c. 425, s. 15; 1949, c. 1167.)

§ 119-32. Powers and authority of inspectors.

The gasoline and oil inspectors shall have the right of access to the premises and records of any place where petroleum products are stored for the purpose of examination, inspection and/or drawing of samples, and said inspectors are hereby vested with the authority and powers of peace and police officers in the enforcement of motor fuel tax and inspection laws throughout the State, including the authority to arrest, with or without warrants, and take offenders before the several courts of the State for prosecution or other proceedings, and seize or hold or deliver to the sheriff of the proper county all motor or other vehicles and all containers used in transporting motor fuels and/or other liquid petroleum products in violation of or without complying with the provisions of this Article or the rules, regulations or requirements of the Commissioner of Agriculture and/or the Gasoline and Oil Inspection Board and also all motor fuels contained therein. Said inspectors shall have power and authority on the public highways or any other place to stop and detain for inspection and investigation any vehicle containing any motor fuel and/or other liquid petroleum products in excess of 100 gallons or commonly used in the transportation of such fuels and the driver or person in charge thereof, and to require the production by such driver or person in charge of all records, documents and papers required by law to be carried and exhibited by persons in charge of vehicles engaged in transporting such fuels; and whenever said inspectors shall find or see any person engaged in handling, selling, using, or transporting any fuels in violation of any of the provisions of the motor fuel tax or inspection laws of this State, or whenever any such person shall fail or refuse to exhibit to said inspectors, upon demand therefor, any records, documents or papers required by law to be kept subject to inspection or to be exhibited by such person, said person shall be guilty of a Class 1 misdemeanor, and it shall be the duty of said inspectors to immediately arrest such violator and take him before some proper peace officer of the county in which the offense was committed and institute proper prosecution. (1937, c. 425, s. 16; 1949, c. 1167; 1993, c. 539, s. 906; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 119-33. Investigation and inspection of measuring equipment; devices calculated to falsify measures.

The gasoline and oil inspectors shall be required to investigate and inspect the equipment for measuring gasoline, kerosene, lubricating oil, and other liquid petroleum products. Said inspectors shall be under the supervision of the Commissioner of Agriculture, and are hereby vested with the same power and authority now given by law to inspectors of weights and measures, insofar as the same may be necessary to effectuate the provisions of this Article. The

rules, regulations, specifications and tolerance limits as promulgated by the National Conference of Weights and Measures, and recommended by the United States Bureau of Standards, shall be observed by said inspectors insofar as they apply to the inspection of equipment used in measuring gasoline, kerosene, lubricating oil and other petroleum products. Inspectors of weights and measures appointed and maintained by the various counties and cities of the State shall have the same power and authority given by this section to inspectors under the supervision of the Commissioner of Agriculture. In all cases where it is found, after inspection, that the measuring equipment used in connection with the distribution of such products is inaccurate, the inspector shall condemn and seize all incorrect devices which in his best judgment are not susceptible of satisfactory repair, but such as are incorrect, and in his best judgment may be repaired, he shall mark or tag as "condemned for repairs" in a manner prescribed by the Commissioner of Agriculture. After notice in writing the owners or users of such measuring devices which have been condemned for repairs shall have the same repaired and corrected within 10 days, and the owners and/or users thereof shall neither use nor dispose of said measuring devices in any manner, but shall hold the same at the disposal of the gasoline and oil inspector. The inspector shall confiscate and destroy all measuring devices which have been condemned for repairs and have not been repaired as required by this Article. The gasoline and oil inspectors shall officially seal all dispensing pumps or other dispensing devices found to be accurate on inspection, and if, upon inspection at a later date, any pump is found to be inaccurate and the seal broken, the same shall constitute prima facie evidence of intent to defraud by giving inaccurate measure, and the owner and/or user thereof shall be guilty of a Class 2 misdemeanor. Any person who shall remove or break any seal placed upon said measuring and/or dispensing devices by said inspectors until the provisions of this section have been complied with shall be guilty of a Class 2 misdemeanor. Any person, firm, or corporation who shall sell or have in his possession for the purpose of selling or using any measuring device to be used or calculated to be used to falsify any measure shall be guilty of a Class 1 misdemeanor. (1937, c. 425, s. 17; 1949, c. 1167; 1993, c. 539, s. 907; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 119-34. Responsibility of retailers for quality of products.

The retail dealer shall be held responsible for the quality of the petroleum products he sells or offers for sale: Provided, however, that the retail dealer shall be released if the results of analysis of a sealed sample taken in a manner prescribed by the Commissioner of Agriculture at the time of delivery, and in the presence of the distributor or his agent, show that the product delivered by the distributor was of inferior quality. It shall be the duty of the distributor or his agent to assist in sampling the product delivered. (1937, c. 425, s. 18; 1949, c. 1167.)

(1937, c. 425, s. 20; 1949, c. 1167.)

Every person, firm, or corporation engaged in the retail business of dispensing gasoline and/or other petroleum products to the public shall keep on the premises of said place of business, for a period of one year, duplicate original copies of invoices or delivery tickets of each delivery received, showing the name and address of the party to whom delivery is made, the date of delivery, the kind and amount of each delivery received, and the name and address of the distributor. Each delivery ticket or invoice shall be signed by the retailer or his agent and the distributor or his agent. Such records shall be subject to inspection at any time by the gasoline and oil inspectors. (1937, c. 425, s. 21.)

§ 119-39.1. Civil Penalties.

The Commissioner of Agriculture may assess a civil penalty of not more than five thousand dollars (\$5,000) against any person who violates a provision of this Article or any rule promulgated thereunder. In determining the amount of the penalty, the Commissioner shall consider the degree and extent of harm caused by the violation.

The clear proceeds of civil penalties assessed pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1995, c. 516, s. 4; 1998-215, s. 24.)

Every person hauling, transporting or conveying into, out of, or between points in this State any motor fuel and/or any liquid petroleum product that is or may hereafter be made subject to the inspection laws of this State over either the public highways or waterways of this State, shall, during the entire time he is so engaged, have in his possession an invoice, or bill of sale, or bill of lading showing the true name and address of the person from whom he has received the motor fuel and/or other liquid petroleum products, the kind, and the number of gallons so originally received by him, and the true name and address of every person to whom he has made deliveries of said motor fuel and/or other liquid petroleum products or any part thereof and the number of gallons so delivered to each said person. Such person engaged in transporting said motor fuels and/or other petroleum products shall, at the request of any agent of the Commissioner of Agriculture, exhibit for inspection such papers or documents immediately, and if said person fails to produce said papers or documents or if, when produced, they fail to clearly disclose said information, the agent of the Commissioner of Agriculture shall hold for investigation the vehicle and contents thereof. If investigation shows that said motor fuels and/or other petroleum products are being transported in violation of or without compliance with the motor fuel tax and/or inspection laws of this State such fuels and/or other petroleum products and the vehicle used in the transportation thereof are hereby declared common nuisances and contraband, and shall be seized and sold and the proceeds shall go to the common school fund of the State: Provided, however, that this Article shall not be construed to include the carrying of motor fuel in the supply tank of vehicles which is regularly connected with the carburetor of the engine of the vehicle, except when said fuel supply tank shall have a capacity of more than 100 gallons: And, provided further, that this section shall not be construed to include the carrying of motor fuel in the supply tank which is regularly connected with the carburetor of the engine of any vehicle operated by franchise carriers engaged solely in the transportation of passengers to, from and between points in North Carolina. (1937, c. 425, s. 25; 1939, c. 276, s. 3; 1949, c. 1167.)

Such dealers shall not deliver kerosene oil in any barrel, cask, can, or other container which has not been stenciled or labeled as hereinbefore provided. Every person purchasing gasoline for use or sale shall procure and keep the same only in tanks, barrels, casks, cans, or other containers stenciled or

labeled as hereinbefore provided: Provided, that nothing in this section shall prohibit the delivery of gasoline by hose or pipe from a tank directly into the tank of any automobile or any other motor vehicle: Provided further, that in case gasoline or other inflammable liquid is sold in bottles, cans, or packages of not more than one gallon for cleaning and other similar purposes, the label shall also bear the words "Unsafe when exposed to heat or fire." (1937, c. 425, s. 26; 1939, c. 276, s. 4; 1949, c. 1167.)

CASE NOTES

Purpose. — The safety provisions requiring that gasoline be sold only in approved and labeled containers were enacted to prevent various injuries possible from the improper storage of a highly flammable and dangerous material. *Al-Hourani v. Ashley*, 126 N.C. App. 519, 485 S.E.2d 887 (1997).

CASE NOTES

Contributory Negligence. — Violation of former § 119-49, relating to the adoption of standards, by the driver of a truck transporting liquid petroleum gas could not be asserted as contributory negligence on the part of such

driver in his action to recover for burns received in a collision where defendants did not plead violation of the statute or the applicable safety regulations. *Rodgers v. Thompson*, 256 N.C. 265, 123 S.E.2d 785 (1962).

§ 119-56. Registration of dealers; liability insurance or substitute required.

If another registered supplier is requested by the consumer to connect service and is given permission by the consumer to do so, the new supplier shall notify the former supplier before disconnecting the former service and connecting the new service and shall cap or plug all disconnected equipment outlets and leave the equipment in a condition consistent with this Article and the rules adopted pursuant to this Article. The penalty may not exceed one hundred dollars (\$100.00) for the first violation, three hundred dollars (\$300.00) for a second violation, and five hundred dollars (\$500.00) for a third or subsequent violation. In determining the amount of a penalty, the Commissioner shall consider the degree and extent of harm or potential harm that has resulted or could have resulted from the violation.

The Commissioner may not assess a civil penalty against a person until the Commissioner has notified the person of the alleged violation and has given the person at least 45 days to correct or cease the alleged violation. A notice may be served by any means authorized by G.S. 1A-1, Rule 4. The clear proceeds of civil penalties assessed pursuant to this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

§ 119-60. Liquefied petroleum gas accidents; liability limitations.

Any person who provides assistance upon request of any police agency, fire department, rescue or emergency squad, or any governmental agency in the event of an accident or other emergency involving the use, handling, transportation, transmission or storage of liquefied petroleum gas, when the reasonably apparent circumstances require prompt decisions and actions, shall not be liable for any civil damages resulting from any act of commission or omission on his part in the course of his rendering such assistance unless such acts or omissions amount to willful or wanton negligence or intentional wrongdoing. Nothing in this section shall be deemed or construed to relieve any person from liability for civil damages (a) where the accident or emergency referred to above involved his own facilities or equipment or (b) resulting from any act of commission or omission on his part in the course of providing care or assistance in the normal and ordinary course of conducting his own business or profession, nor shall this section be construed to relieve from liability for civil damages any other tortfeasor not referred to herein. When the assistance takes the form of rendering first aid or emergency health care treatment, questions of liability shall be governed by G.S. 90-21.14. (1981, c. 660.)

§ 119-61. Replacement data plates for liquified petroleum gas tanks.

A liquified petroleum gas tank of 120 gallons or more that is subject to the American Society of Mechanical Engineers (ASME) Code must have a data plate indicating that it was built in accordance with that Code. The Commissioner may issue a data plate to replace a rusting or partially detached data plate on a liquified petroleum gas tank. The Commissioner shall charge a person to whom a replacement data plate is issued a fee of twenty dollars (\$20.00) for the plate. Fees collected under this section shall be credited to the Department of Agriculture and Consumer Services and applied to the cost of issuing replacement data plates. All such repayments and purchases not made within two years after the member becomes eligible shall equal the full actuarial cost of the additional service credit as defined in G.S. 135-4(m). (1983, c. 761, s. 238; 1987, c. 738, s. 31(b).)

§ 120-4.17. Assets of retirement system.

(a) All of the assets of the Retirement System shall be credited according to the purpose for which they are held to one of two funds, either the Annuity Savings Fund or the Pension Accumulation Fund.

(b) The Annuity Savings Fund is the fund to which all members' contributions, and regular interest allowances provided for as in G.S. 135-7(b), shall be credited. From this fund shall be paid the accumulated contributions of a member.

(c) Upon the retirement of a member, his accumulated contributions shall be transferred from the Annuity Savings Fund to the Pension Accumulation Fund. In the event that a retired former member should subsequently again become a member of the Retirement System as provided for in G.S. 120-4.11, any excess of his accumulated contributions at his date of retirement over the sum of the retirement allowance payments received by him since his date of

retirement shall be transferred from the Pension Accumulation Fund to the Annuity Savings Fund and shall be credited to his individual account in the Annuity Savings Fund.

(d) The Pension Accumulation Fund is the fund in which accumulated contributions by the State and amounts transferred from the Annuity Savings Fund in accordance with subsection (c) of this section and to which all income from the invested assets of the Retirement System are credited. From this fund is paid retirement allowances and any other benefits provided for under this Article except payments of accumulated contributions as provided in G.S. 120-4.14.

(e) The regular interest allowance on the members' accumulated contributions provided for as in G.S. 135-7(b) shall be transferred each year from the Pension Accumulation Fund to the Annuity Savings Fund. (1983, c. 761, s. 238.)

§ 120-4.18. Management of funds.

The Board of Trustees shall manage the fund established by G.S. 120-4.17 pursuant to G.S. 135-7. (1983, c. 761, s. 238.)

§ 120-4.19. Contributions by the members.

Effective upon convening of the 1985 Regular Session of the General Assembly, each member shall contribute by payroll deduction for each pay period for which he receives compensation seven percent (7%) of his compensation for the period.

Anything within this Article to the contrary notwithstanding, the State, pursuant to the provisions of Section 414(h)(2) of the Internal Revenue Code of 1954 as amended, shall pick up and pay the contributions which would be payable by the members under this section with respect to the services of such members rendered after the effective date of this paragraph. The members' contributions picked up by the State shall be designated for all purposes of the Retirement System as member contributions, except for the determination of tax upon a distribution from the System. These contributions shall be credited to the Annuity Savings Fund and accumulated within the Fund in a member's account which shall be separately established for the purpose of accounting for picked-up contributions. Member contributions picked up by the State shall be payable from the same source of funds used for the payment of compensation to a member. A deduction shall be made from a member's compensation equal to the amount of his contributions picked up by the State. This deduction, however, shall not reduce a member's compensation as defined in G.S. 120-4.8(1). Picked-up contributions shall be transmitted to the Retirement System monthly for the preceding month by means of a warrant drawn by the State payable to the Retirement System and shall be accompanied by a schedule of the picked-up contributions on such forms as may be prescribed. (1983, c. 761, s. 238; 1985, c. 400, s. 8.)

§ 120-4.20. Contributions by the State.

(a) Effective upon convening of the 1985 Regular Session of the General Assembly, the State shall contribute annually an amount equal to the sum of the "normal contribution" and the "accrued liability contribution."

(b) The normal contribution for any period shall be determined as a percentage, equal to the normal contribution rate, of the total compensation of the members for the period. The normal contribution rate shall be determined as the percentage represented by the ratio of (i) the annual normal cost to

provide the benefits of the Retirement System, computed in accordance with recognized actuarial principles on the basis of methods and assumptions approved by the Board of Trustees, in excess of the part thereof provided by the members' contributions, to (ii) the total annual compensation of the members of the Retirement System.

(c) The accrued liability contribution for any period shall be determined as a percentage, equal to the accrued liability contribution rate, of the total compensation of the members for the period. The accrued liability contribution rate shall be determined as the percentage represented by the ratio of (i) the level annual contribution necessary to amortize the unfunded accrued liability over a period of 15 years, computed in accordance with recognized actuarial principles on the basis of methods and assumptions approved by the Board of Trustees, to (ii) the total annual compensation of the members of the Retirement System.

(d) The unfunded accrued liability as of any date shall be determined, in accordance with recognized actuarial principles on the basis of methods and assumptions approved by the Board of Trustees, as the excess of (i) the then present value of the benefits to be provided under the Retirement System in the future over (ii) the sum of the assets of the Retirement System then currently on hand in the Annuity Savings Fund and the Pension Accumulation Fund, plus the then present value of the stipulated contributions to be made in the future by the members, plus the then present value of the normal contributions expected to be made in the future by the State.

(e) The normal contribution rate and the accrued liability contribution rate shall be determined after each annual valuation of the Retirement System and shall remain in effect until a new valuation is made.

(f) The annual contributions by the State for any year shall be at least sufficient, when combined with the amount held in the Pension Accumulation Fund at the start of the year, to provide the retirement allowances and other benefits payable out of the fund during the current year. (1983, c. 761, s. 238.)

§ 120-4.24. Return to membership of former member.

If a retired former member of the Retirement System or of the Legislative Retirement Fund returns to service as a member of the General Assembly, his retirement allowance shall cease and he shall be restored as a member of the Retirement System. The computation of the amount of benefits to which he may subsequently become entitled under this Article shall be computed as follows:

Upon his subsequent retirement, he shall be paid a retirement allowance determined as follows:

- (1) For a member who earns at least three years' membership service after restoration to service, the retirement allowance shall be computed on the basis of his compensation and service before and after the period of prior retirement without restrictions.
- (2) For a member who does not earn three years' membership service after restoration to service, the retirement allowance shall be equal to the sum of the retirement allowance to which he would have been entitled had he not been restored to service, without modification of the election of an optional allowance previously made, and the retirement

allowance that results from service earned since being restored to service. (1983, c. 761, s. 238; 1987, c. 738, s. 39(a).)

§ 120-4.25. Return of accumulated contributions.

If a member ceases to be a member of the General Assembly except by death or retirement, he shall, upon submission of an application, be paid not earlier than 60 days following the date of termination of service, the sum of his contributions if he has less than five years of creditable service, or the sum of his accumulated contributions if he has five or more years of creditable service, provided he has not in the meantime returned to service. Upon payment of this sum his membership in the System ceases. If he becomes a member afterwards, no credit shall be allowed for any service previously rendered except as provided in G.S. 120-4.14 and the payment shall be in full and complete discharge of any rights in or to any benefits otherwise payable under this Article. Upon receipt of proof satisfactory to the Board of Trustees of the death, prior to retirement, of a member or former member, there shall be paid to the person or persons he nominated by written designation duly acknowledged and filed with the Board of Trustees, if the person or persons are living at the time of the member's death, otherwise to the member's legal representatives, the amount of his accumulated contributions at the time of his death, unless the beneficiary elects to receive the alternate benefit under the provisions of G.S. 120-4.28. No election may be made after the first payment becomes due, or the first retirement check cashed, nor may an election be revoked or a nomination changed. The election of Option 2 or Option 3 or the nomination of the person thereunder shall be revoked if the person nominated dies prior to the date the first payment becomes normally due or until the first retirement check has been cashed. The election may be revoked by the member prior to the date the first payment becomes normally due or until his first retirement check has been cashed. Provided, however, in the event a member has elected Option 2 or Option 3 and nominated his or her spouse to receive a retirement allowance upon the member's death, and the spouse predeceases the member after the first payment becomes normally due or the first retirement check has been cashed, if the member remarries he or she may nominate a new spouse to receive the retirement allowance under the previously elected option, within 90 days of the remarriage. The new nomination shall be effective on the first day of the month in which it is made and shall provide for a retirement allowance computed to be the actuarial equivalent of the retirement allowance in effect immediately prior to the effective date of the new nomination. Any member having elected Options 2 or 3 and nominated his or her spouse to receive a retirement allowance upon the member's death may, after divorce from his or her spouse, revoke the nomination and elect a new option, effective on the first day of the month in which the new option is elected, providing for a retirement allowance computed to be the actuarial equivalent to the retirement allowance in effect immediately prior to the effective date of the new option.

Option 1. For Members Retiring Prior to July 1, 1993. — If a member dies within 10 years from his retirement date, an amount equal to his accumulated

contributions at retirement, less one-one hundred twentieth ($\frac{1}{120}$) for each month for which he has received a retirement allowance payment, shall be paid to his legal representative or to the person he nominates by written designation acknowledged and filed with the Board of Trustees;

Option 2. — Upon his death, his reduced retirement allowance shall be continued throughout the life of and paid to the person he nominates by written designation duly acknowledged and filed with the Board of Trustees at the time of his retirement. If the person selected is other than his spouse, the reduced retirement allowance payable to the member shall not be less than one half of the retirement allowance without optional modification which would otherwise be payable to him; or

Option 3. — Upon his death, one half of his reduced retirement allowance shall be continued throughout the life of and paid to the person he nominates by written designation duly acknowledged and filed with the Board of Trustees at the time of his retirement. (1983, c. 761, s. 238; 1985, c. 649, s. 9; 1993, c. 321, s. 74.1(a); 1998-212, s. 28.26(a).)

Editor's Note. — Session Laws 1998-212, s. 28.26(d) provides that the 1998 amendment is effective when it becomes law (October 30, 1998), and its provisions shall apply to all persons who are retired from the Legislative Retirement System, the Local Governmental Employees' Retirement System, or the Teachers' and State Employees' Retirement System on that date or who retire from any of those retirement systems after that date. In the case of retired members who designated a spouse as survivor under one of the options specified in this act, whose designated spouses predeceased them, and who remarried prior to the effective date of this act, such members may nominate the new spouse to receive the survivor retirement benefits in accordance with this act, provided that such nomination is made within 90

days of the effective date of this section.

Session Laws 1998-212, s. 1.1 provides: "The act shall be known as the 'Current Operations Appropriations and Capital Improvement Appropriations Act of 1998'."

Session Laws 1998-212, s. 30.5 contains a severability clause.

Effect of Amendments. — The 1998 amendment, effective October 30, 1998, and applicable to all persons who are retired from the Legislative Retirement System, the Local Governmental Employees' Retirement System, or the Teachers' and State Employees' Retirement System on that date or who retire from any of those retirement systems after that date, in the first paragraph inserted the present fifth and sixth sentences, and at the beginning of the seventh sentence, deleted "Provided, however".

§ 120-4.26A. Benefits on death after retirement.

In the event of the death of a retired member while in receipt of a retirement allowance under the provisions of this Article, there shall be paid to such person or persons as the retiree shall have nominated by written designation duly acknowledged and filed with the Board of Trustees, if such person or persons are living at the time of the retiree's death, otherwise to the retiree's legal representatives, a death benefit equal to the excess, if any, of the accumulated contributions of the retiree at the date of retirement over the total of the retirement allowances paid prior to the death of the retiree.

In the event that a retirement allowance becomes payable to the designated survivor of a retired member under the provisions of G.S. 120-4.26 and such retirement allowance to the survivor shall terminate upon the death of the survivor before the total of the retirement allowances paid to the retiree and the designated survivor combined equals the amount of the accumulated contributions of the retiree at the date of retirement, the excess, if any, of such accumulated contributions over the total of the retirement allowances paid to the retiree and the survivor combined shall be paid in a lump sum to such person or persons as the retiree shall have nominated by written designation duly acknowledged and filed with the Board of Trustees, if such person or persons are living at the time such payment falls due, otherwise to the retiree's legal representative. (1993, c. 321, s. 74.1(b).)

§ 120-4.27. Death benefit.

The designated beneficiary of a member who dies while in service after completing one year of creditable service shall receive a lump-sum payment of an amount equal to the deceased member's highest annual salary, to a maximum of fifteen thousand dollars (\$15,000). For purposes of this death benefit "in service" means currently serving as a member of the North Carolina General Assembly.

The death benefit provided by this section shall be designated a group life insurance benefit payable under an employee welfare benefit plan that is separate and apart from the Retirement System but under which the members of the Retirement System shall participate and be eligible for group life insurance benefits. The Board of Trustees is authorized to provide the death benefit in the form of group life insurance either by purchasing a contract or contracts of group life insurance with any life insurance company or companies licensed and authorized to transact business in the State of North Carolina for the purpose of insuring the lives of qualified members in service, or by establishing or affiliating with a separate trust fund qualified under Section 501(c)(9) of the Internal Revenue Code of 1954, as amended.

This death benefit shall be a lump-sum payment in the amount of five thousand dollars (\$5,000) upon the completion of twenty-four months of contributions required under this subsection. Should death occur before the completion of twenty-four months of contributions required under this subsection, the deceased retired member's surviving spouse or legal representative if not survived by a spouse shall be paid the sum of the retired member's contributions required by this subsection plus interest to be determined by the Board of Trustees.

This death benefit shall be a lump-sum payment in the amount of six thousand dollars (\$6,000) upon the completion of 24 months of contributions required under this subsection. Effect of Amendments. — The 1998 amendment, effective January 1, 1999, inserted “but before January 1, 1999” in the first sentence in the third paragraph, and added the last paragraph.

§ 120-4.28. Survivor’s alternate benefit.

The designated beneficiary of a member who dies in service before retirement but after age 60 and after completing five years of creditable service or after completing 12 years of creditable service is entitled to Option 2 prescribed by G.S. 120-4.26. (1983, c. 761, s. 238; 1983 (Reg. Sess., 1984), c. 1034, s. 199; 1985, c. 400, s. 3; 1987, c. 738, ss. 31(d), 37(c).)

§ 120-4.29. Exemption from garnishment, attachment.

Except for the applications of the provisions of G.S. 110-136, and in connection with a court-ordered equitable distribution under G.S. 50-20, the right of a person to a pension, annuity, or retirement allowance, to the return of contributions, or to the receipt of the pension, annuity or retirement allowance itself, any optional benefit or any other right accrued or accruing to any person under the provisions of this Article, and the moneys in the various funds created by this Article, are exempt from levy and sale, garnishment, attachment, or any other process whatsoever, and shall be unassignable except as this Article specifically provides. Notwithstanding any provisions to the contrary, any overpayment of benefits to a member in a state-administered retirement system or Disability Salary Continuation Plan may be offset against any retirement allowance, return of contributions or any other right accruing under this Chapter to the same person, the person’s estate, or designated beneficiary. (1983, c. 761, s. 238; 1985, c. 402; c. 649, s. 5; 1989, c. 792, s. 2.2; 1991, c. 636, s. 13.)

§ 120-4.30. Termination or partial termination; discontinuance of contributions.

In the event of the termination or partial termination of the Retirement System or in the event of complete discontinuance of contributions under the Retirement System, the rights of all affected members to benefits accrued to the date of such termination, partial termination, or discontinuance, to the extent funded as of such date, or the amounts credited to the members’ accounts, shall be nonforfeitable and fully vested. (1987, c. 177, s. 1(a), (b).)

§ 120-4.31. Internal Revenue Code compliance.

(a) Notwithstanding any other provisions of law to the contrary, compensation for any calendar year after 1988 in which employee or employer contributions are made and for which annual compensation is used for computing any benefit under this Article shall not exceed the higher of two hundred thousand dollars (\$200,000) or the amount determined by the Commissioner of Internal Revenue as the limitation for calendar years after 1989; provided the imposition of the limitation shall not reduce a member’s benefit below the amount determined as of December 31, 1988.

Effective January 1, 1996, the annual compensation of a member taken into account for determining all benefits provided under this Article shall not exceed one hundred fifty thousand dollars (\$150,000), as adjusted pursuant to section 401(a)(17)(B) of the Internal Revenue Code and any regulations issued under the Code. However, with respect to a person who became a member of the Retirement System prior to January 1, 1996, the imposition of this

limitation on compensation shall not reduce the amount of compensation which may be taken into account for determining the benefits of that member under this Article below the amount of compensation which would have been recognized under the provisions of this Article in effect on July 1, 1993.

(b) Notwithstanding any other provisions of law to the contrary, the annual benefit payable on behalf of a member shall, if necessary, be reduced to the extent required by Section 415(b) and (e) of the Internal Revenue Code, as adjusted by the Secretary of the Treasury or his delegate pursuant to Section 415(d) of the Code. If a member is a participant under any qualified defined contributions plan that is required to be taken into account for the purposes of the limitation contained in Section 415 of the Internal Revenue Code, the annual benefit payable under this Article shall be reduced to the extent required by Section 415(e) prior to making any reduction under the defined contribution plan provided by the employer.

(c) On and after January 1, 1989, the retirement allowance of a member who has terminated employment shall begin no later than the later of April 1 of the calendar year following the calendar year that the member attains 70 ½ years of age or April 1 of the calendar year following the calendar year in which the member terminates employment.

(d) This subsection applies to distributions made on or after January 1, 1993. Notwithstanding any other provision of the Plan to the contrary that would otherwise limit a distributee's election under this Article, a distributee may elect, at the time and in the manner prescribed by the Plan administrator, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover. Provided, an eligible rollover distribution is any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of 10 years or more; any distribution to the extent such distribution is required under section 401(a)(9) of the Code; and the portion of any distribution that is not includible in gross income (determined without regard to the exclusion for net realized appreciation with respect to employer securities). Provided, an eligible retirement plan is an individual retirement account described in section 408(a) of the Code, an individual retirement annuity described in section 408(b) of the Code, an annuity plan described in section 403(a) of the Code, or a qualified trust described in section 401(a) of the Code, that accepts the distributee's eligible rollover distribution. However, in case of an eligible rollover distribution to the surviving spouse, an eligible retirement plan is an individual retirement account or an individual retirement annuity. Provided, a distributee includes an employee or former employee. In addition, the employee's or former employee's surviving spouse and the employee's or former employee's spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in section 414(p) of the Code, or a court ordered equitable distribution of marital property, as provided under G.S. 50-20, whichever may be applicable, are distributees with regard to the interest of the spouse or former spouse. Provided further, a direct rollover is a payment by the Plan to the eligible retirement plan specified by the distributee. (1989, c. 276, s. 1; 1993, c. 531, s. 2; 1995, c. 361, s. 4.)

A subpoena for the purpose of obtaining the testimony of a witness before a joint committee of the House and Senate may be issued by the joint action of the cochairmen of the joint committee, upon authorization of one of the above officers from each house and by majority vote of the joint committee. The subpoena shall be signed by the committee chairman and either the Speaker of the House, the President of the Senate, the President pro tempore of the Senate, or the Speaker pro tempore of the House and shall be directed to the witness, and state the name of the witness, and a description of any papers, documents, or records that he is required to bring with him; and the subpoena shall state the subject matter of the hearing before the committee, the name of the committee, and the name and address of the committee chairman; and the subpoena shall

§ 120-19.3. Witness fees and expenses.

Witnesses subpoenaed to testify before a committee of either house of the General Assembly or a joint committee of the General Assembly shall be entitled to the same fees and expenses as are allowable for witnesses in criminal proceedings in the superior court division of the General Court of Justice. (1973, c. 543.)

§ 120-19.4. Failure to respond to subpoena or refusal to testify punishable as contempt.

The person being investigated shall be given written notice by regular mail at least 10 days prior to the date that the State Bureau of Investigation is requested to perform the background investigation by the presiding officer of the body from which the request originated. There is a rebuttable presumption that the person being investigated received the notice if the presiding officer has a copy of the notice. The State Bureau of Investigation shall perform the requested background investigation and shall provide the information, including criminal records, to the presiding officer of the body from which the request originated. A copy of the information also shall be provided to the person being investigated. The term "background investigation" shall be limited to an investigation of a person's criminal record, educational background, employment record, records concerning the listing and payment of taxes, and credit record, and to a requirement that the person provide the information contained in the statements of economic interest required to be filed by persons subject to Executive Order Number 1, filed on January 31, 1985, as contained on pages 1405 through 1419 of the 1985 Session Laws (First Session, 1985). (1987, c. 867, s. 2.)

§ 120-19.5. Committee staff assistance.

Upon a certificate of need from the Speaker of the House, the President of the Senate, the President pro tempore of the Senate, or the Speaker pro tempore of the House and upon request of the committee chairman, the Legislative Services Officer is authorized to assign to any standing committee having interim research, drafting, or hearing assignment one or more members of his staff who shall function as research assistant and counsel to the committee when needed. (1973, c. 543.)

§ 120-19.6. Interim committee activity; rules.

(a) Upon a general directive by resolution of the house in question or upon a specific authorization of either the Speaker of the House, President of the Senate, President pro tempore of the Senate or the Speaker pro tempore of the House, any standing committee, select committee or subcommittee of either house of the General Assembly is authorized to meet in the interim period between sessions or during recesses of the General Assembly to consider specific bills or resolutions or other matters properly before the committee. No particular form of authority is needed, but this section is intended to promote better coordination by having a system of authorization for meetings of the committees of the General Assembly between sessions or during recesses. Meetings will be held in Raleigh, but with the approval of the Speaker or Speaker pro tempore, a House committee may meet elsewhere; and with the approval of the President or President pro tempore, a Senate committee may meet elsewhere. In addition, committees may meet at such places as authorized by specific resolution or action of either body of the General Assembly.

(b) In all other respects, committees shall function in the interim period between sessions or during recesses in the same manner and under the rules generally applicable to committees of the house in question of the General Assembly during the session of the General Assembly.

(c) Any committee during the interim period that meets upon specific authorization of the Speaker of the House, President of the Senate, President pro tempore of the Senate or Speaker pro tempore of the House shall limit its activities to those matters contained in the authorization, and shall suspend its activities upon written directive of such officer. Any interim committee that meets upon a directive by resolution of the house in question of the General

Assembly shall limit its activities to those matters contained in the authorization. (1973, c. 543.)

§ 120-19.7. Subcommittees.

By consent and approval of a majority of any committee, the chairman may designate a subcommittee of not less than five persons to conduct hearings, call witnesses, and inquire into any matters properly before the committee. A duly constituted subcommittee shall have all of the powers of the full committee, but any subcommittee shall cease its activities upon majority vote of the full committee, or as provided in G.S. 120-19.6. (1973, c. 543.)

§ 120-19.8. Limitation by resolution of either house.

The provisions of G.S. 120-19.5 pertaining to staff assistance and the provisions of G.S. 120-19.6 pertaining to interim committee activity shall not apply to the House if the House by rule or resolution shall adopt an alternate method of staff assistance or interim committee activity and shall not apply to the Senate if the Senate by rule or resolution shall adopt an alternate method of staff assistance or interim committee activity. Either house of the General Assembly shall have the right to determine any matter concerning the scope of its internal procedure by appropriate rule or resolution without the joinder of the other. (1973, c. 543.)

§ 120-19.9. Local acts affecting State highway system to be considered by transportation committees.

Any local bill affecting the State highway system shall, prior to its passage, be referred to a committee of either the House or Senate charges with the responsibility of examining bills or issues related to transportation or to the State highway system. (1987, c. 747, s. 24.)

ARTICLE 6.

Acts and Journals.

§ 120-20. When acts take effect.

Acts of the General Assembly shall be in force only from and after 60 days after the adjournment of the session in which they shall have passed, unless the commencement of the operation thereof be expressly otherwise directed. (1799, c. 527, P.R.; R.C., c. 52, s. 35; 1868-9, c. 270, s. 1; Code, s. 2862; Rev., s. 4417; C.S., s. 6105; 1995, c. 20, s. 3.)

Editor's Note. — Session Laws 1995, c. 20, s. 17, provided that sections 1 through 16 of that act would become effective only if the constitutional amendments proposed by Session Laws 1995, c. 5, ss. 1-2 were approved as provided by Session Laws 1995, c. 5, ss. 3-4, to be decided in the November, 1996, election, and

if so approved, sections 1 through 16 would become effective with respect to bills and joint resolutions passed in either house of the General Assembly on or after January 1, 1997. The constitutional amendments to N.C. Const., Art. II, § 22, and Art. III, § 5, were approved.

CASE NOTES

Where an act declares that it is to be in force from and after its ratification, in-

stead of its passage, then the day on which it is ratified by the signatures of the speakers of the

two houses is the day from and after which the act is in force. *Hamlet v. Taylor*, 50 N.C. 48 (1857), holding that an act which provides that it shall be in force from and after its passage takes effect from the first day of the session at which it was passed.

Where a statute is to be in force from and after its ratification it will be held effective from the first moment of the day of its enact-

ment, in the absence of evidence of the precise time; such evidence, however, will always be received when required for the prevention of a wrong or the assertion of a meritorious right. *Lloyd v. North Carolina R.R.*, 151 N.C. 536, 66 S.E. 604 (1909).

§ 120-20.1. Coded bill drafting.

(a) Whenever in any act:

(1) It is stated that a law “reads as rewritten.”; and

(2) The law is set out showing material struck through or underlined, or both

the material struck through is being deleted from the existing law, and the material underlined is being added to the existing law.

(b) Notwithstanding subsection (a) of this section, underlining in a column heading is existing law, and a double underline shows a column heading being added to existing law.

(b1) In any part of a law enacted in the format provided by this section, the material deleted from existing law and the material being added to existing law are the only changes made, the setting out of material not deleted or added is for illustration only, and the fact that two different acts amend the same law, when one or more of those is in the format provided by this section, does not in itself create a conflict.

(b2) In any act ratified on or after January 11, 1989, when a new section, subsection, or subdivision is added to the General Statutes, and that section, subsection, or subdivision is underlined, the underlining is not part of the law, but merely an illustration that the material in the bill which enacted the law is new.

(c) As used in this section “act” and “law” also includes joint and simple resolutions.

(d) This section applies to acts ratified on or after February 9, 1987. (1987, c. 138; c. 485, s. 4; 1989, c. 770, s. 40.)

It shall be the duty of the principal clerks of the two houses of the General Assembly to hasten the preparation of their journals for the printer, so that in no case at any time shall the journal of either house of any one day’s proceedings remain unprepared for the printer by the clerk for a longer period than six days after its approval, and such clerks shall, immediately after the

preparation of any and every day's proceedings of their respective houses, send the same to the office of the Secretary of State. (1872-3, c. 45, ss. 2, 3; Code, ss. 3627, 3628; Rev., s. 5100; C.S., s. 7299.)

The principal clerks of the two houses of the General Assembly shall provide full and complete indexes for the journals of their respective houses. (1866-7, c. 71; 1881, c. 292; Code, s. 2868; Rev., s. 4421; C.S., s. 6112.)

§ 120-29. Journals deposited with Secretary of State.

The principal clerks of the Senate and House of Representatives, as soon as may be practicable after the close of each session, shall deposit in the office of the Secretary of State the journals of the General Assembly; and the Secretary of State shall make and certify copies of any part or entry of the journals, and may take for the copy of each entry made and certified the same fee as for the copy of a grant. (1819, c. 1020, P.R.; R.C., c. 52, s. 36; Code, s. 2867; Rev., s. 4420; C.S., s. 6113.)

§ 120-29.1. Approval of bills.

(a) If the Governor approves a bill, the Governor shall write upon the same, below the signatures of the presiding officers of the two houses, the fact, date, and time of approval, as follows: "Approved _____m. this _____ day of _____, _____" and shall sign the same as follows: "_____ Governor". The Governor shall then return the approved bill to the enrolling clerk.

(b) If any bill becomes law because of the failure of the Governor to take any action, it shall be the duty of the Governor to return the measure to the enrolling clerk, who shall sign the following certificate on the measure and deposit it with the Secretary of State: "This bill having been presented to the Governor for his signature on the _____ day of _____, _____ and the Governor having failed to approve it within the time prescribed by law, the same is hereby declared to have become a law.

This _____ day of _____, _____, _____ Enrolling Clerk".

(c) If the Governor returns any bill to the house of origin with his objections, the Governor shall write such objections on the measure or cause the objections to be attached to the measure. When any such bill becomes law after reconsideration of the two houses, the principal clerk of the second house to act shall, below the objections of the Governor, sign the following certificate: "Became law notwithstanding the objections of the Governor, _____ this _____ day of _____, _____". The principal clerk of the second house to act shall fill in the time. The enrolling clerk shall deposit the measure with the Secretary of State.

(d) In calculating the period under Section 22(7) of Article II of the North Carolina Constitution, the day on which the bill is presented to the Governor shall be excluded and the entire last day of the period is included. (1995, c. 20, s. 2; 1997-1, s. 3.)

Editor's Note. — Session Laws 1995, c. 20, s. 17, provided that sections 1 through 16 of that act would become effective only if the constitutional amendments proposed by Session Laws 1995, c. 5, ss. 1-2 were approved as provided by Session Laws 1995, c. 5, ss. 3-4, to be decided in the November, 1996, election, and if so approved, sections 1 through 16 would

become effective with respect to bills and joint resolutions passed in either house of the General Assembly on or after January 1, 1997. The constitutional amendments to N.C. Const., Art. II, § 22, and Art. III, § 5, were approved.

*Local Government Fiscal Information Act.***§ 120-30.41. Short title.**

This Article may be cited as the "Local Government Fiscal Information Act." (1979, 2nd Sess., c. 1262, s. 1.)

§ 120-30.42. Definitions.

For the purposes of this Article, "unit of local government" means counties, cities, towns, and incorporated villages, sanitary districts, mosquito control districts, hospital districts, metropolitan sewerage districts, metropolitan water districts, county water and sewer districts, special airport districts, water and sewer authorities, county boards of education and city boards of education. (1979, 2nd Sess., c. 1262, s. 2.)

§ 120-30.43. Purpose.

It is the purpose of this Article to provide procedures for the preparation and distribution of fiscal information on bills, resolutions, amendments to bills and resolutions or rules which if enacted or adopted would have a fiscal impact on the units of local government of this State. (1979, 2nd Sess., c. 1262, s. 3.)

§ 120-30.44. Fiscal note defined.

For purposes of this Article, "fiscal note" means a realistic statement of the estimated effect on the expenditures or revenues of units of local government

of implementing or complying with a proposed bill, resolution or rule. (1979, 2nd Sess., c. 1262, s. 4.)

§ 120-30.45. Fiscal note on legislation.

(a) Every bill and resolution introduced in the General Assembly proposing any change in the law that could increase or decrease expenditures or revenues of a unit of local government shall have attached to it at the time of its consideration by the General Assembly a fiscal note prepared by the Fiscal Research Division. The fiscal note shall identify and estimate, for the first five fiscal years the proposed change would be in effect, all costs of the proposed legislation. If, after careful investigation, the Fiscal Research Division determines that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar amount can be given. No comment or opinion shall be included in the fiscal note with regard to the merits of the measure for which the note is prepared. However, technical and mechanical defects may be noted.

(b) The sponsor of each bill or resolution to which this section applies shall present a copy of the bill or resolution with the request for a fiscal note to the Fiscal Research Division. Upon receipt of the request and the copy of the bill or resolution, the Fiscal Research Division shall prepare the fiscal note as promptly as possible. The Fiscal Research Division shall prepare the fiscal note and transmit it to the sponsor within two weeks after the request is made, unless the sponsor agrees to an extension of time.

(c) This fiscal note shall be attached to the original of each proposed bill or resolution that is reported favorably by any committee of the General Assembly, but shall be separate from the bill or resolution and shall be clearly designated as a fiscal note. A fiscal note attached to a bill or resolution pursuant to this subsection is not a part of the bill or resolution and is not an expression of legislative intent proposed by the bill or resolution.

(d) If a committee of the General Assembly reports favorably a proposed bill or resolution with an amendment that proposes a change in the law that could increase or decrease expenditures or revenues of a unit of local government, the chair of the committee shall obtain from the Fiscal Research Division and attach to the amended bill or resolution a fiscal note as provided in this section.

(e) The Office of State Budget and Management, the Department of Revenue, the Department of the State Treasurer, the Department of the State Auditor, the State department most directly concerned, and, where appropriate, officials of units of local government, upon the request of Fiscal Research Division, shall assist the Fiscal Research Division in the preparation of the fiscal note.

(f) Copies of fiscal notes prepared by the Fiscal Research Division shall be furnished to the sponsor of the bill or resolution, the chairmen of the Local Government Committees, and the chairmen of the Appropriations, Finance, Rules, or the Senate Ways and Means Committees as appropriate. (1979, 2nd Sess., c. 1262, s. 5; 1995, c. 415, s. 6.)

§ 120-30.46. Fiscal information related to requests for State appropriations.

Any State department, institution, agency, or other authority making requests for State appropriations to fund changes in existing programs or for implementing new programs shall, if such changes or new programs would require local expenditures, incorporate as a part of the information submitted in support of the request a statement of the estimated fiscal effect on the units of local government. (1979, 2nd Sess., c. 1262, s. 6.)

§ 120-30.47. Legislation introduced by request.

Any State department, institution, agency, or other authority requesting a member or members of the General Assembly to introduce legislation which if enacted would have a fiscal impact on the units of local government of this State shall furnish to such member or members, and to the Fiscal Research Division, a fiscal note containing a realistic estimate of the effect of the measure for the ensuing two fiscal periods. (1979, 2nd Sess., c. 1262, s. 7.)

§ 120-30.48. Fiscal impact of administrative rules.

An agency is required to prepare a fiscal note on a proposed administrative rule that affects the expenditures or revenues of a unit of local government as provided in G.S. 150B-21.4. (1979, 2nd Sess., c. 1262, s. 8; 1987, c. 827, ss. 1, 55; 1991, c. 418, s. 13.)

§ 120-30.49. Compiling federal mandates; annual report.

(a) The Fiscal Research Division shall, in consultation with the appropriate staff of the Research and Bill Drafting Divisions, make an annual report to the General Assembly pertaining to the fiscal effect of federal mandates on, or federal law on which is conditioned the receipt of federal funds by the State and units of local government. The annual report on federal mandates shall include the following:

- (1) A listing of federal laws that require the State and any unit of local government, including a county, city, school administrative unit, or other local entity funded by or through a unit of local government to carry out additional or modified responsibilities;
- (2) An estimate of the amount of any increase or decrease in the costs to the State and units of local government in providing or delivering public services required by federal law that are funded in whole or in part by the State or units of local government; and
- (3) A listing of any other federal actions directly affecting the expenditures or revenues of the State and units of local government.

(b) The Office of State Budget and Management shall assist the Fiscal Research Division in the preparation of the annual report on federal mandates upon the request of the Division. Each State department, agency, or institution shall cooperate fully with the Fiscal Research Division in compiling the annual report on federal mandates and shall supply information to the Division in accordance with G.S. 120-32.01. The North Carolina Association of County Commissioners, the North Carolina League of Municipalities, and units of local government shall cooperate with the Fiscal Research Division in compiling the annual report on federal mandates, as requested, by supplying information relevant to the expenditures or revenues of units of local government.

(c) Copies of the annual report on federal mandates to the State and units of local government shall be provided to members of the General Assembly and to the Governor, the Office of State Budget and Management, the North Carolina Association of County Commissioners, and the North Carolina League of Municipalities. (2) To the Secretary of State of:

a. Acts not required to be presented to the Governor under Article II, Section 22 of the Constitution of North Carolina; and

b. Joint resolutions.

In the case of any bill presented to the Governor, the enrolling clerk shall write upon the bill the time and date presented to the Governor.

(d1) The enrolling clerk shall present to the Secretary of State one true ratified copy of:

(1) Any bill which has become law with the approval of the Governor as provided by G.S. 120-29.1(a);

(2) Any bill which has become law without the approval of the Governor as provided by G.S. 120-29.1(b); and

(3) Any bill which has become law notwithstanding the objections of the Governor, as provided by G.S. 120-29.1(c).

(d2) No bill required to be presented to the Governor under Article II, Section 22 of the Constitution of North Carolina shall be so presented until the next business day after the bill was ratified, unless expressly ordered by that house where such bill was ordered enrolled. For the purpose of this section, a business day is a weekday other than one on which there is both a State employee holiday and neither house is in session. No bill required to be presented to the Governor under Article II, Section 22 of the North Carolina Constitution shall be recalled from the Enrolling Clerk or Governor after it has been ratified but before it has been acted upon by the Governor except by joint resolution.

(e) Repealed by Session Laws 1995, c. 20, s. 1, effective January 1, 1997, contingent on approval of constitutional amendments.

(f) The enrolling clerk upon completion of duties after each session shall deposit the original bills and resolutions enrolled for ratification with the Secretary of State. (1969, c. 1184, s. 3; 1995, c. 20, s. 1; 1997-1, s. 1.)

Editor's Note. — Session Laws 1995, c. 20, s. 17, provided that sections 1 through 16 of that act would become effective only if the constitutional amendments proposed by Session Laws 1995, c. 5, ss. 1-2 were approved as provided by Session Laws 1995, c. 5, ss. 3-4, to be decided in the November, 1996, election, and if so approved, sections 1 through 16 would

become effective with respect to bills and joint resolutions passed in either house of the General Assembly on or after January 1, 1997. The constitutional amendments to N.C. Const., Art. II, § 22, and Art. III, § 5, were approved.

§ 120-34. Printing of session laws.

(a) The Legislative Services Commission shall publish all laws and joint resolutions passed at each session of the General Assembly. The laws and joint resolutions shall be kept separate and indexed separately. Each volume shall contain a certificate from the Secretary of State stating that the volume was printed under the direction of the Legislative Services Commission from ratified acts and resolutions on file in the Office of the Secretary of State. The Commission may publish the Session Laws and House and Senate Journals of extra and special sessions of the General Assembly in the same volume or volumes as those of regular sessions of the General Assembly. In printing, the signatures of the presiding officers and the Governor shall be omitted.

The enrolling clerk or the Legislative Services Office shall assign to each bill that becomes law a number in the order the bill became law, and the laws shall be printed in the Session Laws in that order. The number shall be preceded by the phrase "Session Law" or the letters "S.L." followed by the calendar year it was ordered enrolled, followed by a hyphen and the sequential law number. Laws of Extra Sessions shall so indicate. In the case of any bill required to be presented to the Governor, and which became law, the Session Laws shall carry, below the date of ratification, editorial notes as to what time and what date the bill became law. In any case where the Governor has returned a bill to the General Assembly with objections, those objections shall be printed verbatim in the Session Laws, regardless of whether or not the bill became law notwithstanding the objections.

(b) All index references with respect to the session laws shall refer to the Chapter numbers of such laws in lieu of page numbers, and all index references to resolutions shall refer to the resolution numbers of the resolutions in lieu of page numbers, to the end that the indexes shall thereby be made consistent with the index to the General Statutes which refers to the section numbers and not to page numbers.

(c) There shall be printed not more than 2,500 volumes of the session laws and 600 volumes of the journals of each house of each session of the General Assembly, all of which shall be bound, and delivered to the Secretary of State for distribution by him under the provisions of G.S. 147-45, G.S. 147-46.1, G.S. 147-48 and other applicable statutes. (1969, c. 1184, s. 4; 1971, c. 685, s. 1; 1983 (Reg. Sess., 1984), c. 1034, s. 179; 1995, c. 20, s. 12; 1997-456, s. 45.)

Editor's Note. — Session Laws 1995, c. 20, s. 17, provided that sections 1 through 16 of that act would become effective only if the constitutional amendments proposed by Session Laws 1995, c. 5, ss. 1-2 were approved as provided by Session Laws 1995, c. 5, ss. 3-4, to be decided in the November, 1996, election, and

if so approved, sections 1 through 16 would become effective with respect to bills and joint resolutions passed in either house of the General Assembly on or after January 1, 1997. The constitutional amendments to N.C. Const., Art. II, § 22, and Art. III, § 5, were approved.

§ 120-35. Payment for expenses.

Actual expenses for the joint operation of the General Assembly shall be paid by the State Treasurer upon authorization of the President pro tempore of the Senate and the Speaker of the House of Representatives. Expenses for the operation of the Senate shall be paid upon authorization of the President pro tempore of the Senate. Expenses for the operation of the House shall be paid upon authorization of the Speaker of the House. (1969, c. 1184, s. 5; 1971, c. 1200, s. 6.)

§ 120-36. Legislative Services Officer of the General Assembly.

(a) The Legislative Services Officer of the General Assembly shall be appointed by and serve at the pleasure of the Legislative Services Commission, and his compensation shall be fixed by the Legislative Services Commission.

(b) The Legislative Services Officer of the General Assembly shall perform such duties as are assigned to him by the Legislative Services Commission and shall be available to the Legislative Research Commission to provide such clerical, printing, drafting, and research duties as are necessary to the proper functions of the Legislative Research Commission. (1969, c. 1184, s. 6.)

§ 120-36.7. Long-term fiscal notes.

(a) Budget Outlook; Proposed Legislation. — Every fiscal analysis of the State budget outlook shall encompass the upcoming five-year period. Every fiscal analysis of the impact of proposed legislation on the State budget shall estimate the impact for the first five fiscal years the legislation would be in effect.

(b) Proposed State Buildings. — Upon the request of a member of the General Assembly, the Fiscal Research Division shall prepare a fiscal analysis of proposed legislation to appropriate funds for a State building. The analysis shall estimate the projected maintenance and operating costs of the building for the first 20 fiscal years after it is completed.

(c) Proposed New Programs. — Upon the request of a member of the General Assembly, the Fiscal Research Division shall prepare a fiscal analysis of proposed legislation to create a new State program. The analysis shall identify and estimate all personnel costs of the proposed new program for the first five fiscal years it will operate. The analysis shall also include a five-year estimate of space requirements, an indication of whether those requirements can be satisfied using existing State-owned facilities, and estimated costs of occupying leased space where State-owned space is not available.

(d) Proposed Increases in Incarceration. — Every bill and resolution introduced in the General Assembly proposing any change in the law that could cause a net increase in the length of time for which persons are incarcerated or the number of persons incarcerated, whether by increasing penalties for violating existing laws, by criminalizing behavior, or by any other means, shall have attached to it at the time of its consideration by the General Assembly a fiscal note prepared by the Fiscal Research Division. The fiscal note shall be prepared in consultation with the Sentencing Policy and Advisory Commission and shall identify and estimate, for the first five fiscal years the proposed change would be in effect, all costs of the proposed net increase in incarceration, including capital outlay costs if the legislation would require increased cell space. If, after careful investigation, the Fiscal Research Division determines that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the fiscal note with regard to the merits of the measure for which the note is prepared. However, technical and mechanical defects may be noted.

The sponsor of each bill or resolution to which this subsection applies shall present a copy of the bill or resolution with the request for a fiscal note to the Fiscal Research Division. Upon receipt of the request and the copy of the bill or resolution, the Fiscal Research Division shall prepare the fiscal note as promptly as possible. The Fiscal Research Division shall prepare the fiscal note and transmit it to the sponsor within two weeks after the request is made, unless the sponsor agrees to an extension of time.

This fiscal note shall be attached to the original of each proposed bill or resolution that is reported favorably by any committee of the General Assembly, but shall be separate from the bill or resolution and shall be clearly designated as a fiscal note. A fiscal note attached to a bill or resolution pursuant to this subsection is not a part of the bill or resolution and is not an expression of legislative intent proposed by the bill or resolution.

If a committee of the General Assembly reports favorably a proposed bill or resolution with an amendment that proposes a change in the law that could cause a net increase in the length of time for which persons are incarcerated or the number of persons incarcerated, whether by increasing penalties for violating existing laws, by criminalizing behavior, or by any other means, the chair of the committee shall obtain from the Fiscal Research Division and

attach to the amended bill or resolution a fiscal note as provided in this section. (1991, c. 689, s. 340; 1993, c. 561, s. 21.)

§ 120-36.8. Certification of legislation required by federal law.

(a) Every bill and resolution introduced in the General Assembly proposing any change in the law which purports to implement federal law or to be required or necessary for compliance with federal law, or on which is conditioned the receipt of federal funds shall have attached to it at the time of its consideration by the General Assembly a certification prepared by the Fiscal Research Division, in consultation with the Bill Drafting and Research Divisions, identifying the federal law requiring passage of the bill or resolution. The certification shall contain a statement setting forth the reasons why the bill or resolution is required by federal law. If the bill or resolution is not required by federal law or exceeds the requirements of federal law, then the certification shall state the reasons for that opinion. No comment or opinion shall be included in the certification with regard to the merits of the measure for which the certification is prepared. However, technical and mechanical defects may be noted.

(b) The sponsor of each bill or resolution to which this section applies shall present a copy of the bill or resolution with the request for certification to the Fiscal Research Division. Upon receipt of the request and the copy of the bill or resolution, the Fiscal Research Division shall consult with the Bill Drafting and Research Divisions, and may consult with the Office of State Budget and Management or any State agency on preparation of the certification as promptly as possible. The Fiscal Research Division shall prepare the certification and transmit it to the sponsor within two weeks after the request is made, unless the sponsor agrees to an extension of time.

(c) This certification shall be attached to the original of each proposed bill or resolution that is reported favorably by any committee of the General Assembly, but shall be separate from the bill or resolution and shall be clearly designated as a certification. A certification attached to a bill or resolution pursuant to this section is not a part of the bill or resolution and is not an expression of legislative intent proposed by the bill or resolution.

(d) If a committee of the General Assembly reports favorably a proposed bill or resolution with an amendment proposing any change in the law which purports to implement federal law or to be required or necessary for compliance with federal law, the chair of the committee shall obtain from the Fiscal Research Division and attach to the amended bill or resolution a certification as provided in this section. (1995, c. 415, s. 8.)

Session Laws 1991, c. 740, which amended

this section, in s. 3 provides that the act shall be implemented within funds available to the Secretary of State, and that nothing in the act shall be construed to obligate the General Assembly to appropriate funds to implement the provisions of the act.

A separate registration, together with a separate registration fee of seventy-five dollars (\$75.00), shall be required for each lobbyist's principal for which a person acts as a lobbyist. Fees so collected shall be deposited in the General Fund of the State. (1975, c. 852, s. 1; 1983, c. 713, s. 50; 1991, c. 740, s. 1.1.)

ARTICLE 13.

Joint Legislative Commission on Governmental Operations.

§ 120-71. Purpose.

The rapid increase in the functions and costs of State government and the complexity of agency operations deeply concern the General Assembly. Members of the General Assembly have the ultimate responsibility for making public policy decisions and deciding on appropriations of public moneys. Knowledge of the public service needs being met, having evidence as to whether previous policy and appropriations have resulted in expected program benefits, and data on how State government reorganization has affected agency operations are most important.

Legislative examination and review of public policies, expenditures and reorganization implementation as an integral part of legislative duties and responsibilities should be strengthened. For the purpose of performing such continuing examination and evaluation of State agencies, [and] their actual effectiveness in programming and in carrying out procedures under reorganization, the General Assembly herein provides for the continuing review of operations of State government. (1975, c. 490.)

Editor's Note. — Session Laws 1997-443, s. 21(b), provides that unless a state statute provides a different forum for review, when a federal law or regulation provides that an individual State application for a grant shall be reviewed by the State legislature or its designated body and at the time of the review the General Assembly is not in session, that application shall be reviewed by the Joint Legislative Commission on Governmental Operations.

Session Laws 1999-395, s. 19.1 provides for the creation of an Ergonomics Program and Study. Section 19.1(a) provides that no funds appropriated to the Department of Labor for the 1999-2000 fiscal year or for the 2000-2001 fiscal year shall be used, encumbered, or committed to implement or enforce an ergonomics standard.

Session Laws 1999-395, s. 19.1(b) provides that the Legislative Study Commission on Occupational Musculoskeletal Disorders is created to study the causes, frequency, costs, and prevention of occupational musculoskeletal disorders including, but not limited to, sprains,

strains, and repetitive motion disorders.

Session Laws 1999-395, s. 19.1(c) provides: "The Commission shall be comprised of 16 members. The President Pro Tempore of the Senate and the Speaker of the House of Representatives shall appoint cochairmen of the Commission. Appointments to the Commission shall be made as follows:

"(1) The President Pro Tempore of the Senate shall appoint four members of the Senate and three members of the general public, one of whom shall be a representative of business or industry management, one of whom shall be a representative of labor, and one of whom shall be a member of the public-at-large.

"(2) The Speaker of the House of Representatives shall appoint four members of the House and three members of the general public, one of whom shall be a representative of business or industry management, one of whom shall be a representative of labor, and one of whom shall be a member of the public-at-large.

“(3) The Commissioner of Labor shall appoint two members from the general public.”

Session Laws 1999-395, s. 19.1(d) provides that by April 1, 2000, the Commission shall report to the Joint Legislative Commission on Governmental Operations and to the Senate and House Appropriations Subcommittees on Natural and Economic Resources its findings regarding the prevention of occupational musculoskeletal disorders, including recom-

mendations regarding an ergonomics standard.

Session Laws 1999-395, s. 19.1(e) provides that nothing in s. 19.1 of Session Laws 1999-395 shall prohibit the Commissioner from using funds appropriated to the Department of Labor for the 1999-2000 fiscal year or for the 2000-2001 fiscal year to comply with federal law, participate in legislative study commissions, or continue voluntary ergonomics programs.

§ 120-72. Definition.

For the purposes of this Article, “program evaluation” is defined as: an examination of the organization, programs, and administration of State government to ascertain whether such functions (i) are effective, (ii) continue to serve their intended purposes, (iii) are efficient, and (iv) require modification or elimination. (1975, c. 490.)

§ 120-73. Commission established.

There is hereby established the Joint Legislative Commission on Governmental Operations, hereinafter called the Commission, which shall conduct evaluative studies of the programs, policies, practices and procedures of the various departments, agencies, and institutions of State government. (1975, c. 490.)

§ 120-74. Appointment of members; terms of office.

The Commission shall consist of 36 members. The President pro tempore of the Senate, the Speaker pro tempore of the House, the Deputy President pro tempore of the Senate, the Majority Leader of the House of Representatives, and the Majority Leader of the Senate and the Speaker of the House shall serve as ex officio members of the Commission. The Speaker of the House of Representatives shall appoint 15 members from the House. The President pro tempore of the Senate shall appoint 15 members from the Senate. Vacancies created by resignation or otherwise shall be filled by the original appointing authority. Members shall serve two-year terms beginning and ending on January 15 of the odd-numbered years. Members shall not be disqualified from completing a term of service on the Commission because they fail to run or are defeated for reelection. Resignation or removal from the General Assembly shall constitute resignation or removal from membership on the Commission. (1975, c. 490; 1977, c. 988, s. 1; 1979, c. 932, s. 9; 1981, c. 859, s. 85; 1985, c. 757, s. 142(a)-(c); 1991, c. 72, s. 1; 1995, c. 542, s. 24.1(a); 1997-495, s. 92; 1999-405, s. 1; 1999-431, s. 3.5(a).)

Editor’s Note. — Session Laws 1995, c. 542, s. 24.1(b), provides: “Appointees to the new positions created under this section shall serve initial terms beginning on the date of their appointment and ending January 15, 1997.”

Session Laws 1999-405, s. 1, provided that it amended this section if Senate Bill 437 became law. Senate Bill 437, enacted as Session Laws 1999-431, became law effective August 9, 1999.

Session Laws 1999-431, s. 3.5(b), provides that the initial terms of the four additional members of the Joint Legislative Commission

on Governmental Operations added by subsection (a) in 1999 shall begin upon appointment.

Session Laws 1999-431, s. 4, provides that unless otherwise provided for in the act, appointments are for terms to begin when the bill becomes law.

Effect of Amendments. — Session Laws 1999-431, s. 3.5(a), effective August 9, 1999, as amended by Session Laws 1999-405, s. 1, effective August 5, 1999, substituted “36 members” for “30 members” in the first sentence; inserted “the Deputy President pro tempore of the Sen-

ate, the Majority Leader of the House of Representatives" in the second sentence; substituted "15 members" for "13 members" in the third and fourth sentences; deleted "except that initial appointments shall begin on July 1,

1975" following "years" in the sixth sentence; and deleted the former last sentence, which read: "The terms of the initial members of the Commission shall expire January 15, 1977."

§ 120-75. Organization of the Commission.

The President pro tempore of the Senate and the Speaker of the House of Representatives shall serve as cochairmen of the Commission. Either of the cochairmen may call a meeting of the Commission. (1975, c. 490; 1977, c. 988, s. 2; 1981, c. 859, s. 86; 1991, c. 72, s. 2.)

§ 120-76. Powers and duties of the Commission.

The Commission shall have the following powers:

- (1) To conduct program evaluation studies of the various components of State agency activity as they relate to:

 - b. Achievement of program goals;
 - c. Use of indicators by which the success or failure of a program may be gauged; and
 - d. Conformity with legislative intent.
- (2) To study legislation which would result in new programs with state-wide implications for feasibility and need. These studies may be jointly conducted with the Fiscal Research Division of the Legislative Services Commission.
- (3) To study on a continuing basis the implementation of State government reorganization with respect to:

- (5) To produce routine written reports of findings for general legislative and public distribution. Special attention shall be given to the presentation of findings to the appropriate committees of the Senate and the House of Representatives. If findings arrived at during a study have a potential impact on either the finance or appropriations deliberations, such findings shall immediately be presented to the committees. Such reports shall contain recommendations for appropriate executive action and when legislation is considered necessary to effect change, draft legislation for that purpose may be included. Such reports as are submitted shall include but not be limited to the following matters:
 - a. Ways in which the agencies may operate more economically and efficiently;
 - b. Ways in which agencies can provide better services to the State and to the people; and
 - c. Areas in which functions of State agencies are duplicative, overlapping, or failing to accomplish legislative objectives, or for any other reason should be redefined or redistributed.

The results of such evaluations may be made to the Appropriations Committees at the beginning of each regular session.
- (7) To evaluate and approve or deny requests from the Department of Transportation regarding the funding of federally eligible construction projects as provided in the fourth paragraph of G.S. 136-44.2.

 - c. Proceeds to reduce programs subsequent to a reduction of ten percent (10%) or more in the federal fund level certified to a department and any subsequent changes in distribution formulas.
 - d. However, if the Committee fails to meet within 10 calendar days of a request by the Governor for its consultation, the Governor may proceed to take the actions he feels are appropriate and necessary and shall then report those actions at the next meeting of the Commission.
 - e. Approves a new capital improvement project funded from gifts, grants, receipts, special funds, self-liquidating indebtedness, and other funds or any combination of funds for the project not specifically authorized by the General Assembly. The budget for each capital project must include projected revenues in an amount not less than projected expenditures.

Notwithstanding the provisions of this subdivision or any other provision of law requiring prior consultation by the Governor with the Commission, whenever an expenditure is required because of an emergency that poses an imminent threat to public health or public safety, and is either the result of a natural event, such as a hurricane or a flood, or an accident, such as an explosion or a wreck, the Governor may take action under this subsection without consulting the Commission if the action is determined by the Governor to be related to the emergency. The Governor shall report to the Commission on any expenditures made under this paragraph no later than 30 days after making the expenditure and shall identify in the report the emergency, the type of action taken, and how it was related to the emergency. (1975, c. 490; 1981, c. 859, s. 87; 1996, 2nd Ex. Sess., c. 18, s. 7.4(a); 1997-443, s. 7.8(e).)

- (4) Recommend legislation which will insure and maintain sound retirement and pension policy for all funds.
- (5) Analyze each item of proposed pension and retirement legislation in accordance with Article 15 of Chapter 120 of the General Statutes.
- (6) Study, analyze, and report on related subjects directed to be studied by joint resolution, resolution of either house of the General Assembly, or by direction of the Speaker of the House or President of the Senate. (1979, 2nd Sess., c. 1250, s. 1; 1981, c. 85, s. 3; 1987 (Reg. Sess., 1988), c. 1091, s. 4; 1989, c. 261; s. 2.)

§ 120-111.3. Analysis of legislation.

Every bill, which creates or modifies any provision for the retirement of public officers or public employees or for the payment of retirement benefits or of pensions to public officers or public employees, shall, upon introduction in either house of the General Assembly, be referred to the Committee on Pensions and Retirement of each house. When the bill is reported out of committee it shall be accompanied by a written report by the Committee on Pensions and Retirement containing, among other matters which the Committee deems relevant, the actuarial note required by Article 15 of Chapter 120 of the General Statutes, and pursuant to the Rules of the General Assembly, and an evaluation of the proposed legislation's actuarial soundness and adherence

to sound retirement and pension policy. Any bill referred to the Committee on Pensions and Retirement cannot be further considered by that house until such bill has received a favorable report, a report without prejudice, or has been recalled from that committee.

Whenever a bill is considered by the Committee on Pensions and Retirement that proposes changes in the benefits of any State-administered retirement or pension plan to be financed by unencumbered actuarial experience gains generated either through a change in actuarial assumptions adopted by the plan for the previous budget year or through a continuation of the actuarial assumptions adopted by the plan for the previous budget year, the Committee shall give equal consideration to the effects that such unencumbered actuarial gains would have upon annual employer or State contributions to the plan and to the amount by which the plan's unfunded accrued liabilities, if any, might be reduced. If such unencumbered actuarial experience gains could be used to modify annual employer or State contributions to the plan resulting in a corresponding effect upon State appropriations, the Committee on Pensions and Retirement shall, upon a favorable report, refer the bill to the Committee on Appropriations of the same house before the bill is considered by that house. (1979, 2nd Sess., c. 1250, s. 1; 1981, c. 85, s. 4; 1985, c. 187; c. 400, s. 10; 1987 (Reg. Sess., 1988), c. 1110, s. 11.1.)

§ 120-111.4. Staff and actuarial assistance.

Upon application of the chairman of the Senate or House Committee on Pensions and Retirement, the Legislative Services Commission shall provide staff, including actuarial assistance, to aid the committee in its work. (1979, 2nd Sess., c. 1250, s. 1; 1981, c. 85, s. 5.)

§ 120-113. Duties and functions of Fiscal Research Division.

(a) The Fiscal Research Division of the Legislative Services Commission of the General Assembly shall have authority to evaluate on a continuing basis all aspects of any State, municipal, or other retirement system, funded in whole or in part out of public funds, and all aspects of any program of hospital, medical, disability, or related benefits provided for teachers and State employees, funded in whole or in part by State funds, as to actuarial soundness. The Fiscal Research Division shall make periodic detailed reports to the General Assembly specifically setting forth the findings of such evaluations. In conducting its evaluations the division shall have complete access without charge to all books, accounts, and personnel of the retirement systems, and to all books, accounts, and personnel of agencies and contractors charged with

providing programs of hospital, medical, disability, or related benefits for teachers and State employees.

(b) No provision of this Article shall be deemed or in any way construed to preclude the authority of any retirement system funded in whole or in part out of public funds to hire an actuary for any such retirement system. No provision of this Article shall be deemed or in any way construed to preclude the authority of any program of hospital, medical, disability, or related benefits provided for teachers and State employees, funded in whole or in part by State funds, to hire an actuary for any such program.

(c) The Fiscal Research Division shall, in addition to the powers and functions conferred by this Article, render such assistance as the Legislative Services Commission may require with respect to any other matter requiring actuarial evaluations. (1977, c. 503, s. 2; 1987 (Reg. Sess., 1988), c. 1091, s. 2.)

§ 120-114. Actuarial notes.

(a) Every bill, joint resolution, and simple or concurrent resolution introduced in the General Assembly proposing any change in the law relative to any State, municipal, or other retirement system, funded in whole or in part out of public funds, or any program of hospital, medical, disability, or related benefits provided for teachers and State employees, funded in whole or in part by State funds, shall have attached to it at the time of its consideration by any committee of either house of the General Assembly a brief explanatory statement or note which shall include a reliable estimate of the financial and actuarial effect of the proposed change in any such retirement system or program of hospital, medical, disability, or related benefits. This actuarial note shall be attached to the original of each proposed bill or resolution which is reported favorably by any committee of either house of the General Assembly, but shall be separate therefrom, shall be clearly designated as an actuarial note and shall not constitute a part of the law or other provisions or expression of legislative intent proposed by the bill or resolution.

(b) The author of each bill or resolution shall present a copy of the bill or resolution, with his request for an actuarial note, to the Fiscal Research Division which shall have the duty to prepare said actuarial note as promptly as possible. Actuarial notes shall be prepared and transmitted to the author or authors no later than two weeks after the request for the actuarial note is made, unless an extension of time is agreed to by the author or authors as being necessary in preparation of the note. Any person who signs an actuarial note knowing it to contain false information shall be fined not more than five hundred dollars (\$500.00) or imprisoned not more than six months, or both.

(c) The author of each bill or resolution shall also present a copy of the bill or resolution to any actuary employed by the retirement system, or to any actuary employed by a program of hospital, medical, disability, or related benefits provided for teachers and State employees, affected by the bill or resolution in question. Actuarial notes shall be prepared and transmitted to the author or authors of the measure no later than two weeks after the request for the actuarial note is received, unless an extension of time is agreed to by the author or authors as being necessary in preparation of the note. Any person who signs an actuarial note knowing it to contain false information shall be fined not more than five hundred dollars (\$500.00) or imprisoned not more than six months, or both. The provisions of this subsection may be waived for any local government retirement or pension plans not administered by the State, and for any local government program of hospital, medical, disability, or related benefits for local government employees not administered by the State.

(d) The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable or reasonably

foreseeable, the long range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. However, technical and mechanical defects may be noted.

(e) At any time any committee of either house reports any legislative instrument, to which an actuarial note or notes are attached at the time of committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any retirement system, or program of hospital, medical, disability, or related benefits for teachers and State employees, as stated in the actuarial note or notes attached to the measure at the time of such consideration, it shall be the responsibility of the chairman of the committee reporting such instrument to obtain from the Fiscal Research Division an actuarial note of the fiscal and actuarial effect of the change proposed by the amendment reported. Such actuarial note shall be attached to the report of the committee on the measure as a supplement thereto. A floor amendment to a bill or resolution to which an actuarial note was attached at the time of committee consideration of the bill or resolution shall not be in order, if the amendment affects the costs to or the revenues of a retirement system, or program of hospital, medical, disability, or related benefits provided for teachers and State employees, unless the amendment is accompanied by an actuarial note, prepared by the Fiscal Research Division, as to the actuarial effect of the amendment. (1977, c. 503, s. 3; 1985, c. 189; 1987 (Reg. Sess., 1988), c. 1091, s. 3; 1989, c. 261.)

ARTICLE 16.

Legislative Appointments to Boards and Commissions.

§ 120-121. Legislative appointments.

(a) In any case where the General Assembly is called upon by law to appoint a member to any board or commission, that appointment shall be made by enactment of a bill.

(b) A bill may make more than one appointment.

(c) The bill shall state the name of the person being appointed, the board or commission to which the appointment is being made, the effective date of the appointment, the date of expiration of the term, the county of residence of the appointee, and whether the appointment is made upon the recommendation of the Speaker of the House of Representatives, President Pro Tempore of the Senate, or the President of the Senate.

(d) Nothing in this section or any other statute precludes any member of the General Assembly from proposing an amendment to any bill making an appointment to a board or commission, or from introducing a bill to make an appointment to a board or commission, where an appointment by the General Assembly is authorized by law. (1981 (Reg. Sess., 1982), c. 1191, s. 2; 1983, c. 717, s. 111; 1985, c. 290, s. 9.)

§ 120-122. Vacancies in legislative appointments.

When a vacancy occurs, other than by the expiration of term, in any office subject to appointment by the General Assembly upon the recommendation of

the Speaker of the House of Representatives, upon the recommendation of the President Pro Tempore of the Senate, or upon the recommendation of the President of the Senate, and the vacancy occurs either: (i) after election of the General Assembly but before convening of the regular session; (ii) when the General Assembly has adjourned to a date certain, which date is more than 20 days after the date of adjournment; or (iii) after sine die adjournment of the regular session, then the Governor may appoint a person to serve until the expiration of the term or until the General Assembly fills the vacancy, whichever occurs first. The General Assembly may fill the vacancy in accordance with G.S. 120-121 during a regular or extra session. Before making an appointment, the Governor shall consult the officer who recommended the original appointment to the General Assembly (the Speaker of the House of Representatives, the President Pro Tempore of the Senate, or the President of the Senate), and ask for a written recommendation. After receiving the written recommendation, the Governor must within 30 days either appoint the person recommended or inform the officer who made the recommendation that he is rejecting the recommendation. Failure to act within 30 days as required under the provisions of the preceding sentence shall be deemed to be approval of the candidate, and the candidate shall be eligible to enter the office in as full and ample extent as if the Governor had executed the appointment. The Governor shall not appoint a person other than the person so recommended. Any position subject to initial appointment by the General Assembly but not filled prior to sine die adjournment of the Session at which the position was created or adjournment to a date certain which date is more than 20 days after the date of adjournment of the session at which the position was created may be filled by the Governor under this section as if it were a vacancy occurring after the General Assembly had made an appointment. (1981 (Reg. Sess., 1982), c. 1191, s. 2; 1983, c. 717, ss. 112, 113; 1985, c. 752, ss. 1, 2; 1993, c. 563, s. 13.)

Editor's Note. — Section 106-720, referred to in subsection (49) above, has been repealed.

Section 106-727, referred to in subsection (50) above, has been repealed.

Section 143B-426.21 referred to in subdivision (57) has been renumbered as 143B-472.41.

Session Laws 1983, c. 832, which added subdivision (42), provides in s. 6, as amended by Session Laws 1991, c. 301, s. 1: "This act shall become effective when funds are appropriated by the General Assembly to the Department of Crime Control and Public Safety to implement the provisions of this act." Such an appropriation was made. Session Laws 1983, c. 832, s. 6 further provided: "No claims may be filed under this act for any criminally injurious conduct occurring before the effective date of this act."

Session Laws 1985, c. 746, s. 6, added a subdivision (1a) to this section. Section 18.2 of Session Laws 1985, c. 746, provided: "The President of the Senate and the Speaker of the House of Representatives shall request the Supreme Court to issue an advisory opinion on the constitutionality of Sections 5 and 6 of this act and the appointment of the chief hearing officer by the Chief Justice as provided in G.S. 7A-752 in Section 2 of this act."

Section 19 of Session Laws 1985, c. 746, provided that sections 5 and 6 of the act, which added §§ 143A-55.2 through 143A-55.6 and added subdivision (1a) of this section, would

become effective 30 days from the date the Supreme Court issued an advisory opinion on the constitutionality of those sections unless the opinion stated that those sections were unconstitutional, in which event those sections would not become effective. Section 19 of Session Laws 1985, c. 746, further provided that the act would not affect contested cases commenced before Jan. 1, 1986. Furthermore, Session Laws 1985, c. 746, s. 19 provided that the act would expire Jan. 1, 1992, and would not be effective on or after that date. However, this expiration provision was deleted by Session Laws 1991, c. 103, s. 1.

Session Laws 1985 (Reg. Sess., 1986), c. 1022, s. 7 deleted the word "advisory" preceding "opinion" in the third sentence of Session Laws 1985, c. 746, s. 19.

By letter dated October 28, 1985, the Supreme Court declined to issue an advisory opinion as contemplated by Session Laws 1985, c. 746, ss. 18.2 and 19. See the note headed "Advisory Opinion" in the Case Notes below.

At the direction of the Revisor of Statutes, subdivision (1a) of this section, as enacted by Session Laws 1985, c. 746, s. 6, has been shown as "Not effectuated." For similar provision, see subdivision (1b), as added by Session Laws 1985 (Reg. Sess., 1986), c. 1028, s. 33.

Session Laws 1991 (Reg. Sess., 1992), c. 900, which amended this section, in s. 14(h), as amended by Session Laws 1991 (Reg. Sess., 1992), c. 1030, s. 51.14, provided that the

amendment to this section became effective on September 1, 1992, except that appointments to the Information Resources Management Commission may be made by the General Assembly at any time after ratification of the act. The act was ratified July 8, 1992.

The number of subdivision (62) of this section was assigned by the Revisor of Statutes, the number in Session Laws 1993, c. 321, s. 309.1(b) having been subdivision (60).

The majority of section 17.9 of House Bill 229 of the 1995 of the General Assembly, which is referred to above in subdivision (63), has been codified as 116-30.01 at the direction of the Revisor of Statutes.

Session Laws 1997-148, s. 8, purported to amend § 20-123(57). There is no subdivision (57) in § 20-123, and it appears that the amendment was intended to be for this section. The attempted amendment would have substituted "G.S. 143B-472.41" for "G.S. 143B-

426.21" in subdivision (57).

Section 115C-489.4 referred to in subdivision (52) has been repealed.

Effect of Amendments. — Session Laws 1998-181, s. 3, effective October 13, 1998, added subdivision (68).

Session Laws 1998-212, s. 12.37B(e), effective October 30, 1998, added subdivision (69).

Session Laws 1998-217, s. 45, effective October 31, 1998, repealed subdivision (55), pertaining to the North Carolina Health Insurance Trust Commission, and subdivision (65), pertaining to the Board of Governors of the North Carolina Health Care Excess Liability Fund.

Session Laws 1998-224, s. 19(c), effective November 5, 1998, added subdivision (31a).

Session Laws 1998-225, s. 1.2, effective retroactively to September 1, 1997, in subdivision (53), substituted "G.S. 143B-289.51" for "G.S. 143B-289.5."

CASE NOTES

Advisory Opinion. — By letter of October 28, 1985, addressed to the President of the Senate and the Speaker of the House, the Supreme Court declined to issue an advisory opinion as contemplated by Session Laws 1985, c. 746, s. 18.2, on the grounds that to issue such

an opinion would be to place the court directly in the stream of the legislative process, and in view of the prerogative of the General Assembly to first address and determine the constitutionality of its own legislation. See *In re Advisory Opinion*, 314 N.C. 679, 335 S.E.2d 890 (1985).

(c) This section does not prohibit the dissemination of information or language contained in any document which has been prepared by a legislative employee in response to a substantially similar request from another legislator, provided that the identity of the requesting legislator and the fact that he had made such a request not be divulged. An employee of a State agency other than the General Assembly who receives such a request or who learns of such a request made to another employee of his or her agency shall reveal the existence of the request only to other employees of the agency to the extent that it is necessary to respond to the request, and to the employee's supervisor and to the Office of State Budget and Management. All documents prepared by the employee in response to the request of the Fiscal Research Division are also confidential and shall be kept confidential in the same manner as the original request, except that documents submitted to the Fiscal Research Division in response to the request cease to be confidential under this section when the Fiscal Research Division releases a fiscal note based on the documents.

(b) As used in this section, "employee" means an employee or officer of a State agency.

(c) Violation of this section may be grounds for disciplinary action. (1995, c. 324, s. 8.1(a); c. 507, s. 8.2.)

§ 120-132. Testimony by legislative employees.

No present or former legislative employees may be required to disclose any information that the individual, while employed or retained by the State, may have acquired:

- (1) In a standing, select, or conference committee or subcommittee of either house of the General Assembly or a legislative commission;
- (2) On the floor of either house of the General Assembly, or in any office of a legislator;
- (3) As a result of communications that are confidential under G.S. 120-130 and G.S. 120-131.

Notwithstanding the provisions of the preceding sentence, the presiding judge of a court of competent jurisdiction may compel that disclosure, if in his opinion, the same is necessary to a proper administration of justice. (1983, c. 900, s. 1; 1983 (Reg. Sess., 1984), c. 1038, s. 5.)

§ 120-133. Redistricting communications.

(1983, c. 900, s. 1; 1995, c. 20, s. 13.)

Editor's Note. — Session Laws 1995, c. 20, s. 17 provided that sections 1 through 16 of that act would become effective only if the constitutional amendments proposed by Session Laws 1995, c. 5, ss. 1-2 were approved as provided by Session Laws 1995, c. 5, ss. 3-4, to be decided in the November, 1996, election, and if so ap-

proved, sections 1 through 16 would become effective with respect to bills and joint resolutions passed in either house of the General Assembly on or after January 1, 1997. The constitutional amendments to N.C. Const., Art. II, § 22 and to Art. III, § 5, were approved.

§ 120-134. Penalty.

Violation of any provision of this Article shall be grounds for disciplinary action in the case of employees and for removal from office in the case of public officers. No criminal penalty shall attach for any violation of this Article. (1983, c. 900, s. 1; 1983 (Reg. Sess., 1984), c. 1038, s. 6.)

ARTICLE 18.*Review of Proposals to License New Occupations and Professions.*

§§ 120-140 through 120-149: Expired.

Editor's Note. — This Article was enacted by Session Laws 1983 (Reg. Sess., 1984), c. 1089, s. 1, effective August 1, 1984, and expired pursuant to s. 2 of that act on January 1, 1987.

Sections 120-140 through 120-145 were amended by Session Laws 1985, c. 173, ss. 1-4. Sections 120-146 through 120-149 had been reserved for future codification purposes.

ARTICLE 18A.*Review of Proposals to License New Occupations and Professions.***§ 120-149.1. Findings and purpose.**

The General Assembly finds that the number of licensed occupations and professions has substantially increased and that licensing boards have occasionally been established without a determination that the police power of the State is reasonably exercised by the establishment of such licensing boards.

The General Assembly further finds that by establishing criteria and procedures for reviewing proposed licensing boards, it will be better able to evaluate the need for new licensing boards. To this end, it is the purpose of this Article to assure that no new licensing board shall be established unless the following criteria are met:

- (1) The unregulated practice of the profession or occupation can substantially harm or endanger the public health, safety or welfare, and the potential for such harm is recognizable and not remote or dependent upon tenuous argument;
- (2) The profession or occupation possesses qualities that distinguish it from ordinary labor;
- (3) Practice of the profession or occupation requires specialized skill or training;
- (4) A substantial majority of the public does not have the knowledge or experience to evaluate whether the practitioner is competent; and
- (5) The public is not effectively protected by other means; and
- (6) Licensure will not have a substantial adverse economic impact upon consumers of the practitioner's goods or services. (1987, c. 180, s. 1.)

§ 120-149.2. Definitions.

As used in this Article:

- (1) "Assessment report" means a report that initially describes the need for and the fiscal impact of a new licensing board.
- (2) "Committee" means the Legislative Committee on New Licensing Boards.
- (3) "Licensing" means a regulatory system that requires persons to meet certain qualifications before they are eligible to engage in a particular occupation or profession, but does not include a regulatory system that imposes certain qualifications as a condition for using or advertising specified titles or descriptions in connection with a particular occupation or profession, unless the restrictions on the use and advertisement of said titles is so broad as to effectively prohibit the practitioner from engaging in the profession or occupation without meeting the qualifications.
- (4) "New licensing board" includes each of the following:
 - a. A proposed new board with licensing authority over an occupation or profession; and
 - b. An existing board with proposed licensing authority over an occupation or profession not previously licensed by the board; provided, however, that the Committee, in reviewing a proposal to license a profession or occupation under an existing board, shall not assess the need for the continued licensing of professions and occupations already within the board's jurisdiction.
- (5) "Supplementary report" means a report that assesses the changes proposed by an amendment or committee substitute which would substantially alter a legislative proposal to create a new licensing board and for which an assessment report has already been prepared. (1987, c. 180, s. 1; 1997-456, s. 27.)

Editor's Note. — Subdivisions (4)(i) and (4)(ii) were renumbered as subdivisions (4)a. and (4)b. pursuant to S.L. 1997-456, s. 27 which authorized the Revisor of Statutes to renumber

or reletter sections and parts of sections having a number or letter designation that is incompatible with the General Assembly's computer database.

§ 120-149.3. Assessment of new licensing boards.

(a) Any legislative proposal introduced in the General Assembly after the effective date of this act proposing (1) the establishment of a new licensing board, or (2) a study of the need to establish a new licensing board, shall not be eligible for consideration on the floor of either house (other than first reading) or before any committee of either house of the General Assembly until a final assessment report has been issued pursuant to G.S. 120-149.4(e), with a copy of the report accompanying the proposal in accordance with the rules of the appropriate house.

(b) If the proposal to establish a new licensing board is first contained in a legislative proposal, the sponsor shall present a copy of the legislative proposal to the Legislative Committee on New Licensing Boards which shall prepare an assessment report. If the proposal is not in the form of a legislative proposal, the person or organization seeking to establish a new licensing board may obtain an assessment report from the Committee only if a legislator requests such a report.

(c) If a legislative proposal receives a favorable report but does not become law during the biennial session in which it is introduced, a new assessment report shall be required before the same or a substantially similar legislative proposal may be considered after first reading or by any committee during a

subsequent biennial session of the General Assembly. If a proposal receives a favorable report but is not introduced as a legislative proposal, the favorable report shall expire at the adjournment of the biennial session coinciding with or following issuance of the final report.

(d) A preliminary assessment report shall be prepared and returned to the sponsor or requesting legislator as soon as possible and not later than 60 days after the Committee receives the request, provided that if the volume of requests makes preparation of all such reports impossible within that time, the Committee may extend the time for preparation of any report to a maximum of 90 days from the time the request is received. The Committee shall not consider any request until it has received the information required by G.S. 120-149.4(a).

(e) If an amendment or committee substitute to a legislative proposal is introduced, the appropriate committee chairman, the presiding officer of the appropriate house, or the sponsor of the proposal may request a supplementary report when, in the opinion of any of them, the amendment or committee substitute substantially alters the legislative proposal. The supplementary report shall be prepared and returned to the requesting individual, and to the sponsor, within 30 days after the Committee receives the request.

(f) Each assessment report shall be designated as either preliminary, final, or supplementary and shall not constitute any part of the expression of legislative intent proposed by the formation of a new licensing board. An unfavorable final report shall not bar further consideration of the proposal on the floor or by any committee of either house.

(g) The Committee shall make all reports, including supplementary reports, available to all members of the General Assembly. At least one copy of all preliminary, final, and supplementary reports shall be maintained in the Legislative Library for public inspection. (1987, c. 180, s. 1; 1995, c. 20, s. 14.)

Editor's Note. — Session Laws 1995, c. 20, s. 17 provided that sections 1 through 16 of that act would become effective only if the constitutional amendments proposed by Session Laws 1995, c. 5, ss. 1-2 were approved as provided by Session Laws 1995, c. 5, ss. 3-4, to be decided in the November, 1996, election, and if so ap-

proved, sections 1 through 16 would become effective with respect to bills and joint resolutions passed in either house of the General Assembly on or after January 1, 1997. The constitutional amendments to N.C. Const., Art. II, § 22 and Art. III, § 5, were approved.

§ 120-149.4. Procedure and criteria to be used in preparation of assessment reports.

(a) The Legislative Committee on New Licensing Boards shall conduct an evaluation of the need for each new licensing board.

If a legislator or other person or organization is seeking to establish a new licensing board, that legislator or other person or organization shall have the burden of demonstrating to the Committee that the criteria listed in G.S. 120-149.1 are met, and furnish the Committee additional information to show:

- (1) That the unregulated practice of the occupation or profession may be hazardous to the public health, safety, or welfare;
- (2) The approximate number of people who would be regulated and the number of persons who are likely to utilize the services of the occupation or profession;
- (3) That the occupational or professional group has an established code of ethics, a voluntary certification program, or other measures to ensure a minimum quality of service;
- (4) That other states have regulatory provisions similar to the one proposed;

- (5) How the public will benefit from regulation of the occupation or profession;
 - (6) How the occupation or profession will be regulated, including the qualifications and disciplinary proceedings to be applied to practitioners;
 - (7) The purpose of the proposed regulation and whether there has been any public support for licensure of the profession or occupation;
 - (8) That no other licensing board regulates similar or parallel activities;
 - (9) That the educational requirements for licensure, if any, are fully justified; and
 - (10) Any other information the Committee considers relevant to the proposed regulatory plan. The Committee shall adopt an appropriate form for use by applicants. The form shall contain a list of questions to be completed by the person or organization requesting the assessment report and a copy of this Article.
- (b) In preparing an assessment report with respect to a legislative proposal to establish a new licensing board, the Committee shall consider, but shall not be limited to considering, the factors listed in subsection (a). The report shall analyze the effects of the new licensing board and shall include the Committee's recommendation on whether the General Assembly should approve the new licensing board. The Committee shall make specific findings in its report on each of the following:
- (1) Whether the unregulated practice of the profession or occupation can substantially harm or endanger the public health, safety, or welfare, and whether the potential for such harm is recognizable and not remote or dependent upon tenuous argument;
 - (2) Whether the profession or occupation possesses qualities that distinguish it from ordinary labor;
 - (3) Whether practice of the profession or occupation requires specialized skill or training;
 - (4) Whether a substantial majority of the public has the knowledge or experience to evaluate the practitioner's competence;
 - (5) Whether the public can be effectively protected by other means; and
 - (6) Whether licensure would have a substantial adverse economic impact upon consumers of the practitioner's goods or services.
- (c) The Committee may also evaluate the legislative proposal itself in terms of its clarity, conciseness, conformity with existing statutes and general principles of administrative law, and specificity of the delegation of authority to promulgate rules and set fees.
- (d) The Committee shall furnish a copy of the preliminary assessment report to the requesting legislator or sponsor at least seven days prior to the Committee's final meeting on the proposal, unless the sponsor or requesting legislator waives this requirement. The requesting legislator or sponsor shall have an opportunity at the final meeting to respond to the preliminary report.
- (e) The Committee shall adopt a final assessment report on the proposal at the final meeting and shall issue the report within 14 days of the issuance of the preliminary report; provided that if the Committee wishes to further review or consider the sponsor's or requesting legislator's responses to the preliminary assessment report, the final report shall be issued within 21 days of the issuance of the preliminary report. If the Committee recommends against licensure, it may suggest alternative measures for regulation of the occupation or profession. (1987, c. 180, s. 1.)

§ 120-149.5. Hearings.

- (a) Before submitting a preliminary or final assessment report, the Committee may, in its discretion, hold one or more public hearings in the Legislative Building or Legislative Office Building.

(b) When assessment reports involving the same or similar occupations or professions are pending before the Committee, the Committee may consider any or all of the matters to be addressed by the reports. (1987, c. 180, s. 1.)

§ 120-149.6. Legislative Committee on New Licensing Boards.

(a) The Legislative Committee on New Licensing Boards is created to consist of a Chairman and eight members, four Senators appointed by the President Pro Tempore of the Senate, four members of the House of Representatives appointed by the Speaker of the House and the Chairman to be appointed as provided herein.

(b) The President Pro Tempore of the Senate shall appoint a member of the Senate as Chairman upon the effective date of this Article who shall serve a term beginning with the effective date of this Article and expiring upon the organization of the General Assembly in 1989. Thereafter, the Speaker of the House and the President Pro Tempore of the Senate shall alternate the appointment of the Chairman to serve during each biennial session of the General Assembly. The Chairman may vote only in the event of a tie vote. The members of the Committee shall likewise serve biennial terms. If the office of Chairman or any member shall become vacant, the vacancy shall be filled for the unexpired term by the authority making the initial appointment. Five members shall constitute a quorum of the Committee.

(c) The Committee may meet on days when the members of the General Assembly are entitled to subsistence pursuant to G.S. 120-3.1. The Committee is authorized to use the facilities of the State Legislative Building and Legislative Office Building. Clerical and professional staff shall be provided by the Legislative Services Commission. (1987, c. 180, s. 1; 1991, c. 739, s. 16.)

Editor's Note. — Session Laws 1991 (Reg. Sess., 1992), c. 785, substituted "Agriculture and Forestry" for "Agriculture, Forestry, and Seafood" throughout this article, but did not make this substitution in the article heading.

Session Laws 1995, c. 490, which amended

this section, by adding "Pro Tempore" in subdivision (2), in s. 65 provides: "This act applies with respect to terms beginning on or after January 1, 1997, and to vacancies occurring on or after that date regardless of the date the term began."

§ 120-151. Advisory Committee.

Upon proper motion and by a vote of a majority of the members present, the Commission may appoint an Advisory Committee. (a) The Department of Cultural Resources may establish, expand, and maintain a North Carolina Register of Historic Places composed of districts, sites, buildings, structures, and objects significant in North Carolina history, architecture, archaeology, engineering, and culture. Until such time as the North Carolina Register of Historic Places is established, all references to it in the General Statutes and in the rules adopted pursuant to it shall be construed to mean properties and districts in North Carolina that are listed in the National Register of Historic Places.

(b) The North Carolina Historical Commission shall establish criteria for properties to be included in the State Register of Historic Places, and, within such criteria, shall provide for levels of significance as necessary and appropriate.

(c) The North Carolina Historical Commission shall promulgate regulations requiring that before any property or district may be included on the North Carolina Register of Historic Places, the owner or owners of such property, or a majority of the owners of the properties within the district in the case of an historic district, shall be given the opportunity (including a reasonable period of time) to concur in, or object to, the nomination of the property or district for such inclusion or designation. If the owner or owners of any privately owned property, or a majority of the owners of such properties within the district in the case of an historic district, object to such inclusion or designation, such property shall not be included on the North Carolina Register until such objection has been withdrawn. The regulations under this paragraph shall include provisions to carry out the purposes of this paragraph in the case of multiple ownership of a single property. (1989, c. 60.)

§ 121-5. Public records and archives.

(a) **State Archival Agency Designated.** — The Department of Cultural Resources shall be the official archival agency of the State of North Carolina with authority as provided throughout this Chapter and Chapter 132 of the General Statutes of North Carolina in relation to the public records of the State, counties, municipalities, and other subdivisions of government.

(b) **Destruction of Records Regulated.** — No person may destroy, sell, loan, or otherwise dispose of any public record without the consent of the Department of Cultural Resources, except as provided in G.S. 130A-99. Whoever unlawfully removes a public record from the office where it is usually kept, or alters, mutilates, or destroys it shall be guilty of a Class 3 misdemeanor and upon conviction only fined at the discretion of the court.

When the custodian of any official State records certifies to the Department of Cultural Resources that such records have no further use or value for official and administrative purposes and when the Department certifies that such

records appear to have no further use or value for research or reference, then such records may be destroyed or otherwise disposed of by the agency having custody of them.

When the custodian of any official records of any county, city, municipality, or other subdivision of government certifies to the Department that such records have no further use or value for official business and when the Department certifies that such records appear to have no further use or value for research or reference, then such records may be authorized by the governing body of said county, city, municipality, or other subdivision of government to be destroyed or otherwise disposed of by the agency having custody of them. A record of such certification and authorization shall be entered in the minutes of the governing body granting the authority.

The North Carolina Historical Commission is hereby authorized and empowered to make such orders, rules, and regulations as may be necessary and proper to carry into effect the provisions of this section. When any State, county, municipal, or other governmental records shall have been destroyed or otherwise disposed of in accordance with the procedure authorized in this subsection, any liability that the custodian of such records might incur for such destruction or other disposal shall cease and determine.

(c) Assistance to Public Officers. — The Department of Cultural Resources shall have the right to examine into the condition of public records and shall, subject to the availability of staff and funds, give advice and assistance to public officials and agencies in regard to preserving or disposing of the public records in their custody. When requested by the Department of Cultural Resources, public officials shall assist the Department in the preparation of an inclusive inventory of records in their custody, to which inventory shall be attached a schedule, approved by the head of the governmental unit or agency having custody of the records and the Department of Cultural Resources, establishing a time period for the retention or disposal of each series of records. So long as such approved schedule remains in effect, destruction or disposal of records in accordance with its provisions shall be deemed to have met the requirements of G.S. 121-5(b).

The Department of Cultural Resources is hereby authorized and directed to conduct a program of inventorying, repairing, and microfilming in the counties for security purposes those official records of the several counties which the Department determines have permanent value, and of providing safe storage for microfilm copies of such records. Subject to the availability of funds, such program shall be extended to the records of permanent value of the cities, municipalities, and other subdivisions of government.

(d) Preservation of Permanently Valuable Records. — Public records certified by the Department of Cultural Resources as being of permanent value shall be preserved in the custody of the agency in which the records are normally kept or of the North Carolina State Archives. Any State, county, municipal, or other public official is hereby authorized and empowered to turn over to the Department of Cultural Resources any State, county, municipal, or other public records no longer in current official use, and the Department of Cultural Resources is authorized in its discretion to accept such records, and having done so shall provide for their administration and preservation in the North Carolina State Archives. When such records have been thus surrendered, photocopies, microfilms, typescripts, or other copies of them shall be made and certified under seal of the Department, upon application of any person, which certification shall have the same force and effect as if made by the official or agency by which the records were transferred to the Department of Cultural Resources; and the Department may charge reasonable fees for such copies. The Department may answer written inquiries for nonresidents of North Carolina and for such service charge a search and handling fee not to

exceed ten dollars (\$10.00), the receipts from which fee shall be used to defray the cost of providing such service. (1907, c. 714, s. 5; C.S., s. 6145; 1939, c. 249; 1943, c. 237; 1945, c. 55; 1953, c. 224; 1955, c. 543, s. 1; 1959, c. 1162; 1973, c. 476, s. 48; 1979, c. 361; c. 801, s. 95; 1981, c. 406, ss. 1, 2; 1993, c. 539, s. 916; 1994, Ex. Sess., c. 24, s. 14(c); 1997-309, s. 13.)

Editor's Note. — Session Laws 1997-309, s. 15, provides that the removal and destruction by a register of deeds of any out-of-county birth certificates prior to the effective date of that act is valid, and the register of deeds is not in violation of G.S. 121-5 or G.S. 132-3.

(a) **General Provisions.** — It shall be the duty of the Department of Cultural Resources to promote and encourage the writing of North Carolina history and to collect, edit, publish, print, and distribute books, pamphlets, papers, manuscripts, documents, maps, and other materials relating to North Carolina archives and history. The Department of Cultural Resources may establish a reasonable charge for such publications and devote the revenue arising therefrom to such additional publication of materials relating to North Carolina archives and history as may be undertaken by the Department of Cultural Resources. Except for reports, bulletins, and other publications issued for free distribution, professional materials including books and journals published by the Department of Cultural Resources are hereby expressly excluded from provisions of G.S. 147-50.

(b) **Editing and Publishing of Official Messages and Other Papers of Governor.** — During the term of office of each Governor of this State, a copy of all official messages delivered to the General Assembly, addresses, speeches, statements, news releases, proclamations, executive orders, weekly calendars, articles, transcripts of news conferences, lists of appointments, and other official releases and papers of the Governor shall be kept in the Governor's office for delivery to the Department of Cultural Resources at the end of each quarter during the Governor's administration. These papers shall be compiled and a selection made therefrom by a skilled and competent editor. The editor shall edit, according to acceptable scholarly standards, the selected materials which shall be published in a documentary volume as soon as practicable after the conclusion of the term of office of each Governor. If, for any reason, a Governor serves less than a full term, a documentary volume shall be edited and published for such portion of a term as he shall have served. If a Governor serves more than one term, a documentary volume shall be edited and published for each term served. Funds for editorial assistance, printing, binding, and distribution shall be paid from the Contingency and Emergency Fund. The number of copies of each volume to be printed shall be determined by the Department of Cultural Resources in consultation with the Governor whose papers are being published.

(c) It shall be the duty and the responsibility for the Department of Cultural Resources to edit and publish a second or new series of the most significant

records of colonial North Carolina. From records which have been compiled in the North Carolina State Archives concerning the colonial period of North Carolina, a selection of the most significant documents shall be made therefrom by a skilled and competent editor. The editor shall edit, according to acceptable scholarly standards, the selected materials which shall be published in documentary volumes not to exceed approximately 700 pages each in length until full and representative published colonial records of North Carolina shall have been achieved. The number of copies of each volume to be so printed shall be determined by the Department of Cultural Resources, and such determination shall be based on the number of copies the Department can reasonably expect to sell in a period of 10 years from the date of publication. In any year during which the Department of Cultural Resources has completed a volume and has it ready for publication, the Department may include in its continuation budget for that year sufficient funds to pay the estimated costs of publishing the volume. In the event that the volume is not published during that year, the appropriation made, or any unencumbered balance, shall revert to the general fund. (1971, c. 480, s. 6; 1973, c. 476, s. 48; 1979, c. 1010; 1981 (Reg. Sess., 1982), c. 1290.)

§ 121-7. Historical museums.

(a) The Department of Cultural Resources shall maintain and administer State historic attractions under the management of the Division of Archives and History and the North Carolina Museum of History Division for the collection, preservation, study, and exhibition of authentic artifacts and other historical materials relating to the history and heritage of North Carolina. The Department, with the approval of the Historical Commission, may acquire, either by purchase, gift, or loan such artifacts and materials, and, having acquired them, shall according to accepted museum practices classify, accession, preserve, and where feasible exhibit such materials and make them available for study. Within available funds, one or more branch museums of history or specialized regional history museums may be established and administered by the Department. The Department of Cultural Resources, subject to the availability of staff and funds, may give financial, technical, and professional assistance to nonstate historical museums sponsored by governmental agencies and nonprofit organizations according to regulations adopted by the North Carolina Historical Commission.

The Department of Cultural Resources may, with the explicit approval of the North Carolina Historical Commission sell, trade, or place on permanent loan any artifact owned by the State of North Carolina and in the custody of and curated by the Museum of History Division or Division of Archives and History, unless the sale, trade, or loan would be contrary to the terms of acquisition. The net proceeds of any sale, after deduction of the expenses attributable to that sale, shall be deposited to the State treasury to the credit of either the Division of Archives and History Artifact Fund or the Museum of History Artifact Fund, as appropriate, and shall be used only for the purchase of other artifacts. No artifact curated by any agency of the Department of Cultural Resources may be pledged or mortgaged.

(b) Insofar as practicable, the Division of Archives and History shall accession and maintain records showing provenance, value, location, and other pertinent information on such furniture, furnishings, decorative items, and other objects as have historical or cultural importance and which are owned by or to be acquired by the State for use in the State Capitol and the Executive Mansion, and, upon request of the Department of Administration, any other state-owned building. When any such item or object has been entered in the accession records of the Division of Archives and History, the custodian of such

item or object shall, upon its removal from the premises upon which it was located or when it is otherwise disposed of, submit to the Division of Archives and History sufficient details concerning its removal or disposition to permit an adequate entry in the accession records to the end that its location or disposition, and authority for such change, shall be shown therein.

(c) Title to an artifact whose ownership is unknown or whose owner cannot be located passes to the Department of Cultural Resources if:

- (1) The artifact was placed on loan with the Division of Archives and History or the North Carolina Museum of History Division for a period of time exceeding five years or for an indefinite period of time or the artifact's status with the Division of Archives and History or the North Carolina Museum of History Division as a loan, gift, purchase, or other arrangement is unknown; and
- (2) The artifact has been a part of the inventory of the Division of Archives and History or the North Carolina Museum of History Division for more than five years; and
- (3) The Department of Cultural Resources makes a reasonable effort, including a diligent search of its own records to locate and inform the owner, his heirs or successors, that either the Division of Archives and History or the North Carolina Museum of History Division is holding the artifact and clarify the artifact's status with that Division.

To initiate the procedure to clarify title to an artifact, the Department of Cultural Resources shall mail, first class postage prepaid, a notice to the last known address of the owner of the artifact or the last known address of the owner's heirs or successors. The Department need not mail a notice, if after exercising due diligence to find a record within the Department of Cultural Resources indicating the owner of the artifact and his latest address, that information is not available. If no claim is made within 90 days from the date that notice is mailed, the Department of Cultural Resources shall publish a notice in three papers of general circulation once a week for four consecutive weeks. If, at the end of 30 days, no claim of ownership is submitted to the Department of Cultural Resources, the Department may determine that legal title to the artifact is vested in the Division of Archives and History or the North Carolina Museum of History Division.

(d) Any person claiming legal title to an artifact to which the North Carolina Division of Archives and History or the North Carolina Museum of History Division also claims title as provided by subsection (c) may file a claim with the Department of Cultural Resources on a form prescribed by the Department. If the claimant is not the owner from whom the Department originally obtained the artifact, the claimant shall state in addition to any other information required by the Department, the facts surrounding the unavailability of the person who originally loaned or bestowed the property to the Division of Archives and History or the North Carolina Museum of History Division and the basis for the claim to title of the artifact. If the Department of Cultural Resources is satisfied that the claim is valid and that the claimant is the legal owner of the artifact, the Department shall return the artifact to the owner. If the Department determines that the claim is not valid and rejects the claim to the artifact, the claimant may appeal the determination as provided by Chapter 150B. (1973, c. 476, s. 48; 1979, c. 861, s. 1; 1987, c. 721, s. 1; 1991, c. 689, s. 191(a); c. 757, s. 6; 1993 (Reg. Sess., 1994), c. 769, s. 12.3; 1997-411, s. 4.)

ment of Cultural Resources, with the approval of the North Carolina Historical Commission, may sell, trade, or place on permanent loan any artifact from the collection of the North Carolina Maritime Museum unless the sale, trade, or loan would be contrary to the terms of the acquisition. Sales or exchanges shall be conducted in accordance with generally accepted practices for accredited museums. § 121-8. Historic preservation program.

(a) **Historic Preservation Agency Designated.** — The historic preservation agency of the State of North Carolina shall be the Department of Cultural Resources.

(b) **Surveys of Historic Properties.** — The Department of Cultural Resources shall conduct a continuing statewide survey to identify, document, and record properties having historical, architectural, archaeological, or other cultural significance to the State, its communities, and the nation. Upon approval of the North Carolina Historical Commission, the Director of the Division of Archives and History or his designee as the State Historic Preservation Officer, may nominate appropriate properties for entry in the National Register of Historic Places as established by the National Historic Preservation Act of 1966, Public Law 89-665, 16 U.S.C. section 470. The Department of Cultural Resources shall maintain a permanent file containing research reports, descriptions, photographs, and other appropriate documentation relating to properties deemed worthy of inclusion in the statewide survey.

(c) **Statewide Historic Preservation Plan.** — The Department of Cultural Resources shall prepare and revise as needed a State plan for historic preservation, which plan, when approved by the North Carolina Historical

Commission, shall constitute official State policy for the preservation, or the encouragement of the preservation, of important historic, architectural, archaeological, and other cultural properties in North Carolina.

(d) Cooperation with Federal Government. — The Department of Cultural Resources and/or the Department of Administration may enter into and carry out contracts with the federal government or any agency thereof under which said government or agency grants financial or other assistance to the Department of Cultural Resources to further the purposes of this Chapter. Either of the Departments may agree to and comply with any reasonable conditions not inconsistent with State law which are imposed on such grants. Such grants or other assistance may be accepted from the federal government or an agency thereof and expended whether or not pursuant to a contract.

(e) Cooperation with Local Governments. — The Department shall, within the limits of staff and available funds, cooperate with and assist counties, cities, municipalities, and other subdivisions of government, and, where appropriate, private individuals and organizations, in promoting historic preservation to the end that important properties which are not owned by the State may be preserved or encouraged to be preserved. Such cooperation and assistance may include but not be limited to reviewing historic preservation plans, evaluating historic properties, and providing technical, financial and professional assistance. The Department may further enter into and carry out contracts with local governments or their agencies and with any private party to further the purposes of this Article.

(f) Continuing Programs. — The Department of Cultural Resources shall develop a continuing program of historical, architectural, archaeological, and cultural research and development to include surveys, excavation, salvage, preservation, scientific recording, interpretation, and publication of the State's historical, architectural, archaeological, and cultural resources. A reasonable charge may be made for publications resulting therefrom and the income from such sales may be devoted to the work of the Department.

(g) Abandoned Cemeteries. — The Department of Cultural Resources is authorized to take appropriate measures to record and permanently preserve information of significant historical genealogical or archaeological value when, in the opinion of the Department, any such information located within an abandoned cemetery is in imminent danger of loss or destruction because of the condition or circumstances of the cemetery. The Department may obtain access to any abandoned cemetery for the purpose of recording and preserving information of significant historical, genealogical or archaeological value pursuant to Chapter 15, Article 4A of the General Statutes: Provided, that prior to the requesting of the administrative warrant, the Department shall contact the affected landowners and request their consent for access to their lands for the purpose of gathering such information. If consent is not granted, the Department shall give reasonable notice of the time, place and before whom the administrative warrant will be requested so that the owner or owners may have an opportunity to be heard. Service of this notice may be in any manner prescribed by N.C.G.S. 1A-1 Rule 4(j). Any measures taken by the Department pursuant to this subsection shall be effected in such a manner as to cause as little inconvenience or disruption as possible to the owners of the land upon which the abandoned cemetery is located and of land necessary to obtain access to the cemetery. (1973, c. 476, s. 48; 1981, c. 215; 1989, c. 65.)

§ 121-9. Historic properties.

(a) Administration of Properties Acquired by State. — Historic or archaeological properties acquired by the State for administration by the State of North Carolina shall be under the control and administration of the Department of Cultural Resources. Upon approval of the North Carolina Historical Commission and the Secretary of Cultural Resources, the Department of Cultural Resources may, in its discretion, make a contract with any county or municipality within the State or with any nonprofit corporation or organization for the administration of any portion of such property.

(b) Acquisition of Historic Properties. — For the purpose of protecting or preserving any property of historical, architectural, archaeological, or other cultural importance to the people of North Carolina, and subject to the provisions of Subchapter II of Chapter 146 of the General Statutes, the Department may, with the approval of the North Carolina Historical Commission and after consultation with the Joint Legislative Commission on Governmental Operations, acquire, preserve, restore, hold, maintain, operate, and dispose of such properties, together with such adjacent lands as may be necessary for their protection, preservation, maintenance, and operation. Such property may be real or personal in nature, and in the case of real property, the acquisition may include the fee or any lesser interest therein. Property may be acquired by gift, grant, bequest, devise, lease, purchase, or condemnation pursuant to the provisions of Chapter 40A of the General Statutes, or otherwise. Property may be acquired by the Department, using such funds as may be appropriated for the purpose or moneys available to it from any other source.

(b1) In the case of real property, the North Carolina Historical Commission shall report the following information to the Joint Legislative Commission on Governmental Operations before acquiring the property:

- (1) The statewide historical significance of the site.
- (2) The potential uses of the site.
- (3) The capital requirements of the site over a 20-year period of time.
- (4) The annual operating costs of the site.
- (5) The expected levels of visitation at the site.
- (6) Any other information that would assist in determining the full cost of maintaining, operating, and administering the site as State property.

(c) Interests Which May Be Acquired. — In the case of real property, the interest acquired shall be limited to that estate, interest, or term deemed by the Department to be reasonably necessary for the continued protection or preservation of the property. The Department may acquire the fee simple title, but where it finds that a lesser interest, including any development right, negative or affirmative easement in gross or appurtenant, covenant, lease, or other contractual right of or to any real property to be the most practical and economical method of protecting and preserving historic property, the lesser interest may be acquired.

(d) Conveyance of Property for Preservation Purposes. — In appropriate cases, the Department may acquire or dispose of the fee or lesser interest to any such property for the specific purpose of conveying or leasing the property back to its original owner or of conveying or leasing it to such other person, firm, association, corporation, or other organization under such covenants, deed restrictions, lease, or other contractual arrangements as will limit the future use of the property in such a way as to insure its preservation. Where such action is taken, the property may be conveyed or leased by private sale. In all cases where property is conveyed, it shall be subjected by covenant or otherwise to such rights of access, public visitation, and other conditions or restrictions of operation, maintenance, restoration, and repair as the Depart-

ment may prescribe, or to such conditions as may be agreed upon between the Department and the grantee or lessee to accomplish the purposes of this section.

(e) Use of Property so Acquired. — Any historic property acquired, whether in fee or otherwise, may be used, maintained, improved, restored, or operated by the Department for any public purpose within its powers and not inconsistent with the purpose of the continued preservation of the property. The property shall not be subject to condemnation by the State of North Carolina or any of its agencies or political subdivisions at any time, unless such method of acquisition is first approved by the Governor and Council of State.

(f) Emergency Acquisition Where Funds Not Immediately Available. — If funds or contributions for the acquisition of needed historic property are not available, the Governor and Council of State may, upon the recommendation of the Secretary of Cultural Resources and approval of the North Carolina Historical Commission, allocate from the Contingency and Emergency Fund an amount sufficient to acquire an option on the property or properties, which option shall continue until 90 days after the adjournment sine die of the next General Assembly. Upon recommendation of the Secretary and approval of the Historical Commission, the Governor and Council of State may allocate funds from the Contingency and Emergency Fund for the immediate acquisition, preservation, restoration, or operation of historically, archaeologically, architecturally, or culturally important properties. All funds hereinafter appropriated to purchase, restore, maintain, develop, or operate historic or archaeological or other important property shall be administered subject to the provisions of Article 1 of Chapter 143 of the General Statutes unless the statute making the appropriation shall in specific and express terms provide otherwise.

(g) Power to Acquire Property by Condemnation. — In the event that a property which has been found by the Department of Cultural Resources to be important for public ownership or assistance is in danger of being sold, used, or neglected to such an extent that its historical or cultural importance will be destroyed or seriously impaired, or that the property is otherwise in danger of destruction or serious impairment, the Department of Cultural Resources, after receiving the approval of the North Carolina Historical Commission and of the Governor and Council of State, may acquire the historic property or any interest therein by condemnation under the provisions of Chapter 40A of the General Statutes. The Department of Cultural Resources, upon finding that destruction or serious impairment of the value of the property is imminent, shall file with the Governor and Council of State a report on the importance of the property and the desirability of ownership of the property, or the ownership of an interest therein, by the State of North Carolina. Upon giving their approval, the Governor and Council of State shall cause to have filed such approval with the clerk of the superior court in the county or counties where the property is situated. Until the approval is filed, the power of condemnation may not be exercised. All condemnation proceedings shall be instituted and prosecuted in the name of the State of North Carolina.

(h) Preservation and Custodial Care of State Capitol. — The rotunda, corridors, and stairways of the first floor of the State Capitol and all portions of the second, third, and loft floors of the said building shall be placed in the custody of the Department of Cultural Resources; and the Department shall, subject to the availability of funds for the purpose, care for and administer these areas for the edification of present and future generations. The aforesaid areas shall be preserved as historic shrines and shall be maintained insofar as practicable as they shall appear following the restoration of the Capitol. The Department of Cultural Resources is authorized to deny the use of the legislative chambers for meetings in order that they, with their historic furnishings, may be better preserved for posterity; provided, however, that the

General Assembly may hold therein such sessions as it may by resolution deem proper.

The Department of Cultural Resources is hereby entrusted with the responsibilities herein specified as being the agency with the experience best qualified to preserve and administer historic properties in a suitable manner. However, for the purposes of carrying out the provisions of this section, it is hereby directed that such cooperation and assistance shall be made available to the said Department of Cultural Resources and such labor supplied, as may be feasible, by the Department of Administration.

The offices and working areas of the first floor as well as all washrooms and the exterior of the Capitol shall remain under the jurisdiction of the Department of Administration: Provided, however, that the Department of Administration shall seek the advice of the Department of Cultural Resources in matters relating to any alteration, renovation, and furnishing of said offices and areas. (1955, c. 543, s. 1; 1961, c. 724; 1963, c. 210, s. 1; 1965, c. 1129; 1971, c. 480, ss. 1-3, 5; 1973, c. 476, s. 48; 1991 (Reg. Sess., 1992), c. 1030, s. 34; 1993 (Reg. Such employees shall receive no additional compensation for performing the duties of special peace officers under this section.

(b) Powers of Arrest. — Any employee of the Department of Cultural Resources commissioned as a special peace officer shall have the right to arrest with warrant any person violating any law, rule, or regulation on or relating to the State historic or archaeological properties under the control or supervision of the Department of Cultural Resources, and shall have power to pursue and arrest without warrant any person violating in his presence any law, rule, or regulation on or relating to said historic and archaeological properties under the control or supervision of the Department of Cultural Resources.

(c) Bond Required. — Each employee of the Department of Cultural Resources commissioned as a special peace officer under this section shall give a bond with a good surety, payable to the State of North Carolina in a sum not less than one thousand dollars (\$1,000), conditioned upon the faithful discharge of his duty as such peace officer. The bond shall be duly approved by and filed in the office of the Commissioner of Insurance, and copies of the same, certified by the Commissioner of Insurance, shall be received in evidence in all actions and proceedings in this State.

(d) Oaths Required. — Before any employee of the Department of Cultural Resources commissioned as a special peace officer shall exercise any power of arrest under this Article, he shall take the oaths required of public officers

before an officer authorized to administer oaths. (1955, c. 543, s. 1; 1973, c. 476, s. 48.)

§ 121-11. Procedures where assistance extended to cities, counties, and other agencies or individuals.

In consideration of the public purpose thereby achieved, the Department of Cultural Resources may assist any county, city, or other political subdivision, corporation or organization, or private individual in the acquisition, maintenance, preservation, restoration, or development of historic or archaeological property by providing a portion of the cost therefor: Provided, that the Department of Cultural Resources may not make any acquisition, maintenance, preservation, restoration, or development of any property, nor any assistance for any property, nor any contribution for these purposes, until:

- (1) The property or properties shall have been approved for these purposes by the Department of Cultural Resources according to criteria adopted by the North Carolina Historical Commission,
- (2) The report and recommendations of the Commission have been received and considered by the Department of Cultural Resources, and
- (3) The Department has found that there is a feasible and practical method of providing funds for the acquisition, restoration, preservation, maintenance, and operation of such property.

In all cases where assistance is extended by the Department of Cultural Resources to nonstate owners of property, whether from State funds or otherwise, it shall be a condition of assistance that

- (1) The property assisted shall, upon its acquisition or restoration, be made accessible to the public at such times and upon such terms as the Department of Cultural Resources shall by rule prescribe;
- (2) That the plans for preservation, restoration, and development be reviewed and approved by the Department of Cultural Resources;
- (3) That the expenditure of such funds be supervised by the Department of Cultural Resources; and
- (4) That such expenditures be accounted to the Department in a manner and at such times as are satisfactory to it.

In further consideration of the public purpose thereby achieved, the Department of Cultural Resources may assist any county, city, or other political subdivision, or corporation nonprofit history museum in the development of interpretive, security or climate control programs or projects. Provided, that the Department of Cultural Resources may not make any assistance or contribution from State funds for a program or project until:

- (1) The program or project shall have been approved for these purposes by the Department of Cultural Resources according to criteria adopted by the North Carolina Historical Commission;
- (2) The report and recommendations of the Commission have been received and considered by the Department of Cultural Resources; and
- (3) The Department has found that there is a feasible and practical method of providing funds for the maintenance and operation of such history museum.

In all cases where assistance is extended by the Department of Cultural Resources to nonstate owners of history museums, whether from State funds or otherwise, it shall be a condition of assistance that:

- (1) The museum assisted shall be accessible to the public at such times and upon such terms as the Department of Cultural Resources shall by rule prescribe;

- (2) Plans for the development of museum programs or projects be reviewed and approved by the Department of Cultural Resources;

§ 121-12. North Carolina Historical Commission.

(a) Protection of Properties on National Register. — It shall be the duty of the Historical Commission, meeting at such times and according to such procedures as it shall by rule prescribe, to provide an advisory and coordinative mechanism in and by which State undertakings of every kind that are potentially harmful to the cause of historic preservation within the State may be discussed, and where possible, resolved, giving due consideration to the competing public interests that may be involved. To this end, the head of any State agency having direct or indirect jurisdiction over a proposed State or state-assisted undertaking, or the head of any State department, board, commission, or independent agency having authority to build, construct, operate, license, authorize, assist, or approve any State or state-assisted undertaking, shall, prior to the approval of any State funds for the undertaking, or prior to any approval, license, or authorization, as the case may be, take into account the effect of the undertaking on any district, site, building, structure, or object that is listed in the National Register of Historic Places established pursuant to Public Law 89-665, 16 U.S.C. 470.

Where, in the judgment of the Commission, an undertaking will have an effect upon any listed district, site, building, structure, area, or object, the head of the appropriate State agency shall afford the Commission a reasonable opportunity to comment with regard to such undertaking.

The Historical Commission shall act with reasonable diligence to insure that all State departments, boards, commissions, or agencies potentially affected by the provisions of this section be kept currently informed with respect to the name, location, and other significant particulars of any district, site, building, structure, or object listed or placed upon the National Register of Historic Places. Each affected State department or agency shall furnish, either upon its own initiative or at the request of the Historical Commission such information as may reasonably be required by the Commission for the proper implementation of this section.

(b) Criteria for State Historic Properties. — The Commission shall prepare and adopt criteria for the evaluation of State historic sites and all other real and personal property which it may consider to be of such historic, architectural, archaeological, or cultural importance as would justify the acquisition and ownership thereof by the State of North Carolina, or for the extension of any assistance or aid thereto by the State, acting by itself or in connection with any county, city, corporation, organization, or individual. acquisition by a county, city, historic properties commission, or other organization or individual for which State aid or assistance is requested from the Department of Cultural Resources. The Commission shall investigate, evaluate, and prepare a written report on all historic or archaeological property for which State aid or appropriations to be administered by the Department of Cultural Resources are proposed. If the property is a building, the Commission shall request and review the plans for the use, maintenance, operation, and purpose of the building and shall comment on the feasibility of the plans in the written report. This report, which shall be filed as a matter of record in the custody of the Department of Cultural Resources, shall set forth the following opinions or recommendations of the Commission:

The Commission shall investigate, evaluate, and prepare a written report on all interpretive, security, or climate control programs or projects for which State appropriations to be administered by the Department of Cultural Resources are proposed. tion of State funds to the Department of Cultural Resources for the purpose of assisting a history museum, at least five copies of a report on the findings and recommendations of the Commission relating to such property. All such requests shall be subjected to the process described in G.S. 121-12.1 and included in the Department's biennial budget request submitted in compliance with the Executive Budget Act.

The Department of Cultural Resources shall notify on a timely basis and in appropriate detail all those recipients of continuing appropriations as grants-in-aid of the requirements for submission of requests for appropriations for the ensuing fiscal period.

The Secretary of Cultural Resources is empowered and directed, in discharging the responsibilities herein assigned, to make regular and timely reviews, studies and recommendations concerning the operations and needs of these organizations for State funds, and to request from the applicants for grants and the recipients of grants through the Department, operating statements, audit reports and other information deemed appropriate. § 121-20. Commission to receive and expend funds donated or made available for restoration of Tryon's Palace; Commission to acquire and sell artifacts for Tryon's Palace.

(a) In addition to exercising the powers and duties imposed upon the Tryon Palace Commission by Chapter 791 of the Session Laws of 1945 and Chapter 233 of the Session Laws of 1949, the Tryon Palace Commission is hereby fully authorized and empowered to receive and expend and disburse, for the restoration of the said Tryon's Palace, all such funds and property which were provided for said purpose by the last will and testament of Maude Moore Latham, deceased, and the said Commission shall likewise have the power and authority to receive and expend all such other funds as may be donated or

made available for the purpose of restoring the said Palace or for the purpose of furnishing and equipping same and the grounds on which the same is located at New Bern, North Carolina.

The Tryon Palace Commission is hereby authorized, empowered and directed to designate some person as financial officer and treasurer, to disburse the funds and property devised by Maude Moore Latham to the said Tryon Palace Commission for the aforesaid purpose and all such other funds as may be donated or made available to the said Commission for expenditure for the aforesaid purposes. The said financial officer and treasurer shall be made the custodian of all stocks, bonds and securities and funds hereinbefore referred to and shall be authorized and empowered to sell, convert and transfer any stocks, bonds and securities held for such purpose, subject to and with the advice and approval of a finance committee to be appointed by the Tryon Palace Commission for such purpose. The sale and conversion and transfer of said securities shall be made when necessary to provide funds required for the said restoration and at such time as, in the opinion of the finance officer and treasurer, when approved by the finance committee, will be to the interests and advantage of the Tryon Palace Commission and the purposes for which said funds and securities were provided.

The finance officer and treasurer aforesaid shall be required to give such bond as, in the opinion of the Tryon Palace Commission, is proper for the faithful performance as finance officer and treasurer, and shall render to the Tryon Palace Finance Committee, with copies to the Department of Cultural Resources and the State Treasurer, annual or ad interim detailed reports of moneys and/or securities received, exchanged or converted into cash. Checks issued against such funds shall be countersigned by the chairman of Tryon Palace Commission, or by one duly authorized by the said Commission.

The finance officer and treasurer shall serve without compensation; however, any expenses incurred for the faithful performance of said duties, including the cost of the bond, shall be borne by the Tryon Palace Commission, from the proceeds of the funds thus handled.

The Tryon Palace Commission shall have the power and authority in its discretion to call upon the Treasurer of the State of North Carolina to act as treasurer of the said funds and properties and, if so designated, said treasurer shall exercise all the powers and duties herein imposed upon the financial officer and treasurer hereinbefore referred to.

The Tryon Palace Commission is hereby authorized and empowered to expend the funds hereinbefore referred to and it may disburse said funds through the Department of Cultural Resources in the event it is found more practical to do so, and said Commission shall cooperate with the Department of Cultural Resources of the State of North Carolina in the expenditure of the funds for the restoration of said Tryon's Palace provided by two trust funds created by Maude Moore Latham in her lifetime, which funds shall be expended in accordance with the terms and provisions of said trusts for the purposes therein set out.

(b) The Tryon Palace Commission may solicit, accept, and hold artifacts and furnishings, and may acquire them by purchase or gift for the interpretive needs and development of Tryon Palace Historic Sites and Gardens. The Commission may dispose of by trade, sale, or transfer, in accordance with accepted museum practices, any accessioned or unaccessioned artifacts and furnishings in the custody of the Commission, or its appointed officers, that are determined to have no further value for official or administrative purposes or for research, reference, or interpretation. Any proceeds realized through the deaccession and sale of artifacts and furnishings shall be placed in a collections fund administered by the Tryon Palace Commission. Monies received by the Commission, after deduction of the expenses attributable to that sale, shall be

used for the acquisition of artifacts and furnishings necessary or desirable for research, reference, and interpretation at Tryon Palace Historic Sites and Gardens. (1953, c. 1100; 1973, c. 1262, s. 86; 1975, c. 387; 1993 (Reg. Sess., 1994), c. 769, s. 12.2.)

§ 121-21. Commission authorized to adopt and copyright certain emblems and lease or license the use of reproductions or replicas.

The Tryon Palace Commission is hereby authorized to adopt an official flag, seal, and other emblems appropriate in connection with the management and operation of the Tryon Palace Restoration, and to copyright the same in the name of the State. The Commission, with the approval of the Governor, is authorized to lease or license the use of reproductions or replicas of such flag, seal, and other emblems upon such terms and conditions as it deems advisable. (1957, c. 1449.)

ARTICLE 3.

Salvage of Abandoned Shipwrecks and Other Underwater Archaeological Sites.

§ 121-22. Title to bottoms of certain waters and shipwrecks, etc., thereon declared to be in State.

Subject to Chapter 82 of the General Statutes, entitled "Wrecks" and to the provisions of Chapter 210, Session Laws of 1963, and to any statute of the United States, the title to all bottoms of navigable waters within one marine league seaward from the Atlantic seashore measured from the extreme low watermark; and the title to all shipwrecks, vessels, cargoes, tackle, and underwater archaeological artifacts which have remained unclaimed for more than 10 years lying on the said bottoms, or on the bottoms of any other navigable waters of the State, is hereby declared to be in the State of North Carolina, and such bottoms, shipwrecks, vessels, cargoes, tackle, and underwater archaeological artifacts shall be subject to the exclusive dominion and control of the State. (1967, c. 533, s. 1.)

Editor's Note. — Chapter 82, §§ 82-1 through 82-18, referred to in the first sentence

of this section, was repealed by Session Laws 1971, c. 882, s. 5.

CASE NOTES

Common Law. — Under the common law, wrecks or derelicts became the property of the Crown or its grantee after a year and a day if no owner appeared within that time to claim them. *State ex rel. Bruton v. Flying "W" Enters., Inc.*, 273 N.C. 399, 160 S.E.2d 482 (1968).

Legislative Intent. — An examination of the face of the statute and its legislative history reveal the manifest intent of the legislature to vest title in the State of all archaeological artifacts recovered from navigable waters. Nowhere does it appear that the legislature intended to limit the coverage of this section to

artifacts associated with shipwrecks. *State v. Armistead*, 19 N.C. App. 704, 200 S.E.2d 226 (1973), appeal dismissed, 284 N.C. 617, 201 S.E.2d 690 (1974).

A cannon rolled off a bluff into the river by the Confederate Army in 1865 is an archaeological artifact within the meaning of this section. *State v. Armistead*, 19 N.C. App. 704, 200 S.E.2d 226 (1973), appeal dismissed, 284 N.C. 617, 201 S.E.2d 690 (1974).

Stated in *Riebe v. Unidentified, Wrecked & Abandoned 18th Century Shipwreck*, 691 F. Supp. 923 (E.D.N.C. 1987).

The Department of Cultural Resources is the custodian of shipwrecks, vessels, cargoes, tackle, and underwater archaeological artifacts to which the State has title under G.S. 121-22. The Department of Cultural Resources may adopt rules necessary to preserve, protect, recover, or salvage any or all of these properties. (1967, c. 533, s. 2; 1973, c. 476, s. 48; 1993, c. 249, s. 1.)

§ 121-24. Department authorized to establish professional staff.

The Department of Cultural Resources is also authorized to establish a professional staff for the purpose of conducting and/or supervising the surveillance, protection, preservation, survey and systematic underwater archaeological recovery of underwater materials as defined in G.S. 121-22 hereof. (1967, c. 533, s. 3; 1973, c. 476, s. 48.)

§ 121-25. License to conduct exploration, recovery or salvage operations.

Any qualified person, firm or corporation desiring to conduct any type of exploration, recovery or salvage operations, in the course of which any part of a derelict or its contents or other archaeological site may be removed, displaced or destroyed, shall first make application to the Department of Cultural Resources for a permit or license to conduct such operations. If the Department of Cultural Resources shall find that the granting of such permit or license is in the best interest of the State, it may grant such applicant a permit or license for such a period of time and under such conditions as the Department may deem to be in the best interest of the State. Such permit or license may include but need not be limited to the following:

- (1) Payment of monetary fee to be set by the Department;
- (2) That a portion or all of the historic material or artifacts be delivered to custody and possession of the Department;
- (3) That a portion of all of such relics or artifacts may be sold or retained by the licensee;
- (4) That a portion or all of such relics or artifacts may be sold or traded by the Department.

Permits or licenses may be renewed upon or prior to expiration upon such terms as the applicant and the Department may mutually agree. Holders of permits or licenses shall be responsible for obtaining permission of any federal agencies having jurisdiction, including the United States Coast Guard, the United States Department of the Navy and the United States Army Corps of Engineers prior to conducting any salvaging operations. (1967, c. 533, s. 4; 1973, c. 476, s. 48.)

§ 121-26. Funds received by Department under § 121-25.

Any funds which may be paid to or received by the Department of Cultural Resources under the terms of G.S. 121-25 hereof may be allocated for use by the Department of Cultural Resources for continuing its duties under this Article, subject to the approval of the Department of Administration. (1967, c. 533, s. 5; 1973, c. 476, s. 48; 1975, c. 879, s. 46.)

§ 121-28. Violation of Article a misdemeanor.

Any person violating the provisions of this Article or any rules or regulations established thereunder shall be guilty of a Class 1 misdemeanor. (1967, c. 533, s. 8; 1993, c. 539, s. 917; 1994, Ex. Sess., c. 24, s. 14(c).)

CASE NOTES

To find the true value of property subject to conservation easements, the State Property Tax Commission must determine the market value prior to the granting of the easements and then reduce that value by applying a damage factor caused by the granting of the

conservation easements. Determining the highest and best use of the property prior to the granting of the easement is a critical part of the appraisal process. *Rainbow Springs Partnership v. County of Macon*, 79 N.C. App. 335, 339 S.E.2d 681 (1986).

§ 121-41. Public recording of agreements.

(a) Conservation agreements shall be recorded in the office of the Register of Deeds of the county or counties in which the subject land or improvement is located, in the same manner as deeds are now recorded.

(b) Releases or terminations of such agreements shall be recorded in the same waiver. Releases or terminations, or the recording entry, shall appropriately identify by date, parties, and book and pages of recording, the agreement which is the subject of the release or termination. § 122A-2. Legislative findings and purposes.

The General Assembly hereby finds and declares that as a result of the spread of slum conditions and blight to formerly sound urban and rural neighborhoods and as a result of actions involving highways, public facilities and urban renewal activities there exists in the State of North Carolina a serious shortage of decent, safe and sanitary residential housing available at low prices or rentals to persons and families of lower income. This shortage is severe in certain urban areas of the State, is especially critical in the rural areas, and is inimical to the health, safety, welfare and prosperity of all residents of the State and to the sound growth of North Carolina communities.

The General Assembly hereby finds and declares further that private enterprise and investment have not been able to produce, without assistance, the needed construction of decent, safe and sanitary residential housing at low prices or rentals which persons and families of lower income can afford, or to achieve the urgently needed rehabilitation of much of the present lower income housing. It is imperative that the supply of residential housing for persons and families of lower income affected by the spread of slum conditions and blight and for persons and families of lower income displaced by public actions or natural disaster be increased; and that private enterprise and investment be encouraged to sponsor, build and rehabilitate residential housing for such persons and families, to help prevent the recurrence of slum conditions and blight and assist in their permanent elimination throughout North Carolina.

The General Assembly hereby finds and declares further that the purposes of this Chapter are to provide financing for residential housing construction, new or rehabilitated, for sale or rental to persons and families of lower income.

The General Assembly hereby finds and declares further that in accomplishing this purpose, the North Carolina Housing Finance Agency, a public agency and an instrumentality of the State, is acting in all respects for the benefit of the people of the State in the performance of essential public functions and serves a public purpose in improving and otherwise promoting their health, welfare and prosperity, and that the North Carolina Housing Finance Agency, is empowered to act on behalf of the State of North Carolina and its people in serving this public purpose for the benefit of the general public.

The General Assembly hereby further finds and declares that it shall be the policy of said Agency, whenever feasible, to give first priority in its programs to assisting persons and families of lower income in the purchase and rehabilitation of residential housing, and to undertake its programs in the areas where the greatest housing need exists, and to give priority to projects and individual units which conform to sound principles and practices of comprehensive land use and environmental planning, regional development planning and transportation planning as established by units of local government and regional organizations having jurisdiction over the area within which such projects and units are to be located if such government agencies exist in an area under consideration. However, no area of need shall be penalized because government planning agencies do not exist in such areas.

The General Assembly hereby also further finds and declares that private enterprise and investment have not been able to provide, without assistance, the needed installation of energy saving materials in owner occupied residences of persons and families of lower income. It is imperative for the health,

safety and welfare of these persons and the general public that their residences be suitably heated at affordable cost in order to provide decent housing; and that the consumption of nonrenewable sources of energy be reduced. Therefore, the General Assembly finds that one of the purposes of this Chapter is to assist persons and families of lower income to obtain loans for the purpose of heating their homes at affordable cost and at the same time to significantly reduce the amount of consumption of nonrenewable sources of energy. (a) There is hereby created a body politic and corporate to be known as "North Carolina Housing Finance Agency" which shall be constituted a public agency and an instrumentality of the State for the performance of essential public functions.

(b) The Agency shall be governed by a board of directors composed of 13 members. The directors of the Agency shall be residents of the State and shall not hold other public office.

(c) The General Assembly shall appoint eight directors, four upon the recommendation of the Speaker of the House of Representatives (at least one of whom shall have had experience with a mortgage-servicing institution and one of whom shall be experienced as a licensed real estate broker), and four upon the recommendation of the President Pro Tempore of the Senate (at least one of whom shall be experienced with a savings and loan institution and one of whom shall be experienced in home building). Appointments by the General Assembly shall be made in accordance with G.S. 120-121, and vacancies in those appointments shall be filled in accordance with G.S. 120-122. Notwithstanding any other provision of law, the terms of the four noncategorical appointments by the General Assembly shall expire on June 30, 1983. Subsequent noncategorical appointments shall be for terms of two years each. The terms of the initial categorical appointees by the General Assembly upon the recommendation of the Speaker shall expire on June 30, 1983; the terms of subsequent appointees shall be two years. The term of one of the initial categorical appointees by the General Assembly upon the recommendation of the President of the Senate shall expire on June 30, 1983, and the other on June 30, 1985; the terms of subsequent appointees shall be four years.

(d) The Governor shall appoint four of the directors of the Agency; one of such appointees shall be experienced in community planning, one shall be experienced in subsidized housing management, one shall be experienced as a specialist in public housing policy, and one shall be experienced in the manufactured housing industry. Any person appointed to fill a vacancy shall serve only for the unexpired term.

(e) Any member of the board of directors shall be eligible for reappointment. The 12 members of the board shall then elect a thirteenth member to the board by simple majority vote. Each member of the board of directors may be removed by the Governor for misfeasance, malfeasance or neglect of duty after reasonable notice and a public hearing, unless the same are in writing expressly waived. Each member of the board of directors before entering upon his duties shall take an oath of office to administer the duties of his office faithfully and impartially, and a record of such oath shall be filed in the office of the Secretary of State.

(f) The Governor shall designate from among the members of the Board a chairman and a vice-chairman. The terms of the chairman and vice-chairman shall extend to the earlier of either two years or the date of expiration of their then current terms as members of the Board of Directors of the Agency. sation of these officers in the Current Operations Appropriations Act. The books and records of the Agency shall be maintained by the Agency and shall be subject to periodic review and audit by the State.

No part of the revenues or assets of the Agency shall inure to the benefit of or be distributable to its members or officers or other private persons. The members of the Agency shall receive no compensation for their services but shall be entitled to receive, from funds of the Agency, for attendance at meetings of the Agency or any committee thereof and for other services for the Agency reimbursement for such actual expenses as may be incurred for travel and subsistence in the performance of official duties and such per diem as is allowed by law for members of other State boards, commissions and committees.

The Executive Director shall administer, manage and direct the affairs and business of the Agency, subject to the policies, control and direction of the members of the Agency Board of Directors. The Secretary of the Agency shall keep a record of the proceedings of the Agency and shall be custodian of all books, documents and papers filed with the Agency, the minute book or journal of the Agency and its official seal. The Secretary may have copies made of all minutes and other records and documents of the Agency and may give certificates under the official seal of the Agency to the effect that such copies are true copies, and all persons dealing with the Agency may rely upon such certificates. Seven members of the Board of Directors of the Agency shall constitute a quorum and the affirmative vote of a majority of the members present at a meeting of the Board of Directors duly called and held shall be necessary for any action taken by the Board of Directors of the Agency, except adjournment; provided, however, that the Board of Directors may appoint an executive committee to act in behalf of said Board during the period between regular meetings of said Board, and said committee shall have full power to act upon the vote of a majority of its members. No vacancy in the membership of the Agency shall impair the rights of a quorum to exercise all the rights and to perform all the duties of the Agency. CASE NOTES

Agency Is Not a Legislative Body. — The North Carolina Housing Corporation (now the North Carolina Housing Finance Agency) does not legislate but determines factually, by application of the factors the General Assembly has prescribed, what persons or families are persons and families of lower income and therefore

entitled to the benefits of this Chapter. *Martin v. North Carolina Hous. Corp.*, 277 N.C. 29, 175 S.E.2d 665 (1970).

Nor Is It Vested with Power of Eminent Domain. — The North Carolina Housing Corporation (now the North Carolina Housing Finance Agency) is not vested with the power of

eminent domain. Rather, its function is to foster the planning, construction and financing of modest residences which would not otherwise be available to persons and families of lower income. *Martin v. North Carolina Hous. Corp.*, 277 N.C. 29, 175 S.E.2d 665 (1970).

Public Purpose of Chapter. — This Chapter was enacted for a public purpose and the North Carolina Housing Corporation's (now the North Carolina Housing Finance Agency's) authorized activities pursuant thereto are for a public purpose. *Martin v. North Carolina Hous. Corp.*, 277 N.C. 29, 175 S.E.2d 665 (1970).

Scope of Activities. — The North Carolina Housing Corporation's (now the North Carolina Housing Finance Agency's) authorized activities respond to a serious need of deep public concern but do so only when the planning, construction and financing of residential housing is not otherwise available to persons and families of lower income. *Martin v. North Carolina Hous. Corp.*, 277 N.C. 29, 175 S.E.2d 665 (1970).

Function. — The evident function of the North Carolina Housing Corporation (now the North Carolina Housing Finance Agency) created by this Chapter is to assist persons and families of lower income who desire and seek residential housing elsewhere than as tenants

in a low-cost housing project. Such persons would include those who were or are ineligible to be tenants in a housing project. *Martin v. North Carolina Hous. Corp.*, 277 N.C. 29, 175 S.E.2d 665 (1970).

The reason and justification for the Corporation's (now Agency's) existence is to make available decent, safe and sanitary housing to persons and families of lower income who cannot otherwise obtain such housing accommodations. *Martin v. North Carolina Hous. Corp.*, 277 N.C. 29, 175 S.E.2d 665 (1970).

Discretion in Choice of Sites and Sponsor, Builder or Developer. — The North Carolina Housing Corporation (now the North Carolina Housing Finance Agency) must exercise its discretion and judgment with reference to the choice of sites and the identity of the sponsor, builder or developer with whom the Corporation (now Agency) will deal in connection with a particular project. It is contemplated that such sponsor, builder or developer will continue until completion of the program. *Martin v. North Carolina Hous. Corp.*, 277 N.C. 29, 175 S.E.2d 665 (1970).

Applied in *In re Denial of Approval to Issue Hous. Bonds*, 307 N.C. 52, 296 S.E.2d 281 (1982).

§ 122A-5.1. Rules and regulations governing Agency activity.

(a) The Agency shall from time to time adopt, modify or repeal rules and regulations governing the purchase of federally insured securities by the Agency and the purchase and sale of mortgage loans and the application of the proceeds thereof, including rules and regulations as to any or all of the following:

- (1) Procedures for the submission of requests or the invitation of proposals for the purchase and sale of mortgage loans or for the purchase of federally insured securities;
- (2) Limitations or restrictions as to the number of family units, location or other qualifications or characteristics of residences to be financed by mortgage loans and requirements as to the income limits of persons and families of lower income occupying such residences;
- (3) Restrictions as to the interest rates on mortgage loans or the return which may be realized by mortgage lenders on any mortgage loans or on the sale of federally insured securities to the Agency;
- (4) Requirements as to commitments by mortgage lenders with respect to the use of the proceeds of sale of any federally insured securities;
- (5) Schedules of any fees and charges necessary to provide for expenses and reserves of the Agency; and
- (6) Any other matters related to the duties and the exercise of the powers of the Agency to purchase and sell mortgage loans, or to purchase federally insured securities.

Such rules and regulations shall be designed to effectuate the general purposes of this Chapter and the following specific objectives: (i) the construction of decent, safe and sanitary residential housing at low prices or rentals which persons and families of lower income can afford; (ii) the rehabilitation of

present lower-income housing; (iii) increasing the supply of residential housing for persons and families of lower income affected by the spread of slum conditions and blight and for persons and families of lower income displaced by public action or natural disaster; (iv) the encouraging of private enterprise and investment to sponsor, build and rehabilitate residential housing for such persons and families to prevent the recurrence of slum conditions and blight and assist in their permanent elimination throughout the State; and (v) the restriction of the financial return and benefit to that necessary to protect against the realization by mortgage lenders of an excessive financial return or benefit as determined by prevailing market conditions.

(b) The interest rate or rates and other terms of federally insured securities or mortgage loans purchased from the proceeds of any issue of bonds of the Agency shall be at least sufficient to assure the payment of said bonds and the interest thereon as the same become due from the amounts received by the Agency in repayment of such federally insured securities or such loans and interest thereon.

(c) The Agency shall require as a condition of the purchase of federally insured securities from a mortgage lender and the purchase or the making of a commitment to purchase mortgage loans from a mortgage lender where the Agency has not given its approval prior to the initial making of the mortgage loan that such mortgage lender shall on or prior to the one-hundred-eightieth day (or such earlier day as may be prescribed by rules and regulations of the Agency) following the receipt of the sale proceeds have entered into written commitments to make, and shall thereafter proceed as promptly as practicable to make from such sale proceeds, new mortgage loans with respect to residential housing in the State having a stated maturity of not less than 20 years from the date thereof in an aggregate principal amount equal to the amount of such sale proceeds. The Agency shall not purchase nor make commitment to purchase mortgage loans, federally insured securities or other obligations from a mortgage lender from which it has previously purchased federally insured securities or mortgage loans initially made without such prior approval unless said mortgage lender has either made or entered into written commitments to make such new mortgage loans. (1973, c. 1296, s. 44; 1975, c. 616, s. 3.)

Editor's Note. — Session Laws 1991, c. 582, ss. 1 and 2 provide: "Section 1. The North Carolina Housing Finance Agency shall establish a demonstration program within one or more counties and within funds available through the Agency's Multifamily Rental Assistance Fund, setting up a security and utility deposit revolving loan fund to enable people in shelters and transitional housing projects to borrow utility and security deposits necessary to enable them to move into permanent housing. The Agency shall adopt rules to administer

this fund, including rules specifying the eligibility requirements for loans, the number of times per year the same person may borrow from this fund, the limit, if any, on the amount that may be borrowed, and the specific requirements with regards to repayment.

"Sec. 2. The Agency shall file a report on the demonstration program, including any recommendations on the continuation or modification of the program, with the Joint Legislative Commission on Governmental Operations by January 31, 1993."

§ 122A-5.2. Mortgage insurance authority.

(a) The Agency may upon application of a proposed mortgagee insure and make advance commitments to insure payments required by a loan for residential housing for persons of lower income upon such terms and conditions as the Agency may prescribe. Mortgage loans insured by the Agency under this Chapter may provide financing for related ancillary facilities to the extent permitted by applicable Agency regulations. Mortgage loans insured by the Agency under this Chapter shall be secured by a first mortgage.

The aggregate principal amount of all mortgages so insured by the Agency under this Chapter and outstanding at any one time shall not exceed 10 times the average annual balance for the preceding calendar year of funds on deposit in the housing mortgage insurance fund, the creation of which is hereby authorized. The aggregate amount of principal obligations of all mortgages so insured shall not be deemed to constitute a debt, liability or obligation of the State or of any political subdivision thereof or a pledge of the faith and credit of the State or of any such political subdivision, but shall be payable solely from moneys on deposit to the credit of the housing mortgage insurance fund. Any contract of insurance executed by the Agency under this section shall be conclusive evidence of eligibility for such mortgage insurance and the validity of any contract of insurance so executed or of an advance commitment to issue such shall be incontestable in the hands of a mortgagee from the date of execution of such contract or commitment, except for fraud or misrepresentation on the part of such mortgagee and, as to commitments to insure, noncompliance with the terms of the advance commitment or Agency regulations in force at the time of issuance of the advance commitment.

(b) For mortgage payments to be eligible for insurance under the provisions of this Chapter, the underlying mortgage loan shall:

- (1) Be one which is made and held by a mortgagee approved by the Agency as responsible and able to service the mortgage properly;
- (2) Not exceed (i) ninety percent (90%) of the estimated cost of the proposed housing if owned or to be owned by a profit-making sponsor or (ii) one hundred percent (100%) of the estimated cost of such proposed housing if owned or to be owned by a nonprofit housing sponsor or, if owned by a person or family of lower income, in the case of a single family dwelling or condominium;
- (3) Have a maturity satisfactory to the Agency but in no case longer than eighty percent (80%) of the Corporation's [Agency's] estimate of the remaining useful life of said housing or 40 years from the date of the issuance of insurance, whichever is earlier;
- (4) Contain amortization provisions satisfactory to the Agency requiring periodic payments by the mortgagor not in excess of his ability to pay as determined by the Agency;
- (5) Be in such form and contain such terms and provisions with respect to maturity, property insurance, repairs, alterations, payment of taxes and assessments, default reserves, delinquency charges, default remedies, anticipation of maturity, additional and secondary liens, equitable and legal redemption rights, prepayment privileges and other matters as the Agency may prescribe.

(c) All applications for mortgage insurance shall be forwarded, together with an application fee prescribed by the Agency, to the executive director of the Agency. The Agency shall cause an investigation of the proposed housing to be made, review the application and the report of the investigation, and approve or deny the application. No application shall be approved unless the Agency finds that it is consistent with the purposes of this Chapter and further finds that the financing plan for the proposed housing is sound. The Agency shall notify the applicant and the proposed lender of its decision. Any such approval shall be conditioned upon payment to the Agency, within such reasonable time and after notification of approval as may be specified by the Agency, of the commitment fee prescribed by the Agency.

(d) The Agency shall fix mortgage insurance premiums for the insurance of mortgage payments under the provision of this Chapter. Such premiums shall be computed as a percentage of the principal of the mortgage outstanding at the beginning of each mortgage year, but shall not be more than one half of one percent ($\frac{1}{2}$ of 1%) per year of such principal amount. The amount of premium

need not be uniform for all insured loans. Such premiums shall be payable by mortgagors or mortgagees in such manner as prescribed by the Agency.

(e) In the event of default by the mortgagor, the mortgagee shall notify the Agency both of the default and the mortgagee's proposed course of action. When it appears feasible, the Agency may for a temporary period upon default or threatened default by the mortgagor authorize mortgage payments to be made by the Agency to the mortgagee which payments shall be repaid under such conditions as the Agency may prescribe. The Agency may also agree to revised terms of financing when such appear prudent. The mortgagee shall be entitled to receive the benefits of the insurance provided herein upon:

- (1) Any sale of the mortgaged property by court order in foreclosure or a sale with the consent of the Agency by the mortgagor or a subsequent owner of the property or by the mortgagee after foreclosure or acquisition by deed in lieu of foreclosure, provided all claims of the mortgagee against the mortgagor or others arising from the mortgage, foreclosure, or any deficiency judgment shall be assigned to the Agency without recourse except such claims as may have been released with the consent of the Agency; or
- (2) The expiration of six months after the mortgagee has taken title to the mortgaged property under judgment of strict foreclosure, foreclosure by sale or other judicial sale, or under a deed in lieu of foreclosure if during such period the mortgagee has made a bona fide attempt to sell the property, and thereafter conveys the property to the Agency with an assignment, without recourse, to the Agency of all claims of the mortgagee against the mortgagor or others arising out of the mortgage foreclosure, or deficiency judgment; or
- (3) The acceptance by the Agency of title to the property or an assignment of the mortgage, without recourse to the Agency, in the event the Agency determines it imprudent to proceed under (1) or (2) above.

Upon the occurrence of either (1), (2) or (3) hereof, the obligation of the mortgagee to pay premium charges for insurance shall cease, and the Agency shall, within 30 days thereafter, pay to the mortgagee ninety-eight percent (98%) of the sum of (i) the then unpaid principal balance of the insured indebtedness, (ii) the unpaid interest to the date of conveyance or assignment to the Agency, as the case may be, (iii) the amount of all payments made by the mortgagee for which it has not been reimbursed for taxes, insurance, assessments and mortgage insurance premiums, and (iv) such other necessary fees, costs or expenses of the mortgagee as may be approved by the Agency.

(f) Upon request of the mortgagee, the Agency may at any time, under such terms and conditions as it may prescribe, consent to the release of the mortgagor from his liability or consent to the release of parts of the property from the lien of the mortgage, or approve a substitute mortgagor or sale of the property or part thereof.

(g) No claim for the benefit of the insurance provided in this Chapter shall be accepted by the Agency except within one year after any sale or acquisition of title of the mortgaged premises described in subdivisions (1) or (2) of subsection (e) of this section.

(h) There shall be paid into the housing mortgage insurance fund (i) all premiums received by the Agency for the granting of such mortgage insurance, (ii) any moneys or other assets received by the Agency as a result of default or delinquency on mortgage loans insured by the Agency, including any proceeds from the sale or lease of real property, (iii) any moneys appropriated and made available by the State for the purpose of such fund. (1973, c. 1296, s. 45.)

§ 122A-5.3. Energy conservation loan authority.

(a) The Agency may guarantee the payment or collection of energy conservation loans pursuant to and in accordance with the provisions of this Chapter

when the Agency has given its approval prior to the initial making of the loan; provided that any such guarantee shall be made only upon determination by the Agency that energy conservation loans were at the time of approval not otherwise available from private lenders upon reasonably equivalent terms and conditions; and provided further, no single guarantee of payment or collection shall exceed the sum of twelve hundred dollars (\$1200) and no person or family of lower income shall be entitled to more than one loan guarantee.

(b) At no time may the Agency have outstanding loan guarantees in which the liability of the Agency exceeds 15 times any amounts remaining unspent from the specific funds appropriated by the General Assembly for the energy conservation loan guarantee program plus any specific grants or donations for this purpose; but the Agency is authorized to expend any unspent amounts from these sources to satisfy its liabilities under the loan guarantee program; provided no other assets of the Agency shall be obligated or expended in satisfaction of its energy conservation loan guarantee liability.

(c) The Agency shall from time to time adopt, modify, or repeal rules and regulations governing the guaranteeing of energy conservation loans including rules and regulations as to any or all of the following:

- (1) Procedures for the submission and approval of requests to guarantee energy conservation loans including advance commitments by the Agency to guarantee loans;
 - (2) Limitations and restrictions on the number of family units, location or other qualifications or characteristics of residences in regard to which energy conservation work is performed to qualify for a loan guarantee;
 - (3) Restrictions as to interest rates on energy conservation loans or the return which may be realized by mortgage lenders on energy conservation loans guaranteed by the Agency;
 - (4) Schedules of any fees and charges necessary to provide for the administrative expenses of the Agency allocable to the administration of the energy conservation loan guarantee program;
 - (5) Procedures regarding the servicing of energy conservation loan guarantees including procedures for honoring defaults and procedures to be implemented to enforce the obligations of the borrowers to repay guaranteed energy conservation loans;
 - (6) Any other matters related to the duties and the exercise of the power of the Agency with respect to the energy conservation loan guarantee program deemed necessary to effectuate the purposes of this act.
- (1977, c. 1083, s. 3.)

§ 122A-5.4. Housing for persons and families of moderate income.

(a) The General Assembly hereby finds and determines that there is a serious shortage of decent, safe and sanitary housing which persons and families of moderate income in the State can afford; that it is in the best interests of the State to encourage home ownership by persons and families of moderate income; that the assistance provided by this section will enable persons and families of moderate income to acquire existing decent, safe and sanitary housing without undue financial hardship and will encourage private enterprise to sponsor, build and rehabilitate additional housing for such persons and families; and that the Agency in providing such assistance is promoting the health, welfare and prosperity of all citizens of the State and is serving a public purpose for the benefit of the general public.

(b) The terms "persons and families of lower income" and "persons of lower income" wherever they appear in this Chapter, except where they appear in

G.S. 122A-2 and 122A-3(11), shall be deemed to include "persons and families of moderate income" as defined in clause (c) of this section.

(c) "Persons and families of moderate income" means persons and families deemed by the Agency to require the assistance made available by this Chapter on account of insufficient personal or family income taking into consideration, without limitation, (i) the amount of the total income of such persons and families available for housing needs, (ii) the size of the family, (iii) the cost and condition of housing facilities available and (iv) the eligibility of such persons and families for federal housing assistance of any type predicated upon a moderate or low and moderate income basis. (1979, c. 810.)

CASE NOTES

This section was enacted for a public purpose, and is, therefore, a valid exercise of the State's power to tax under N.C. Const., Art. V, § 2. In re Denial of Approval to Issue Hous. Bonds, 307 N.C. 52, 296 S.E.2d 281 (1982).

The reason and justification for the Agency's existence is to make available decent, safe and sanitary housing to persons and families of lower income who cannot otherwise obtain such housing accommodations. In expanding the Agency's power to help those with moderate

incomes, the legislature is acting with the same public purpose in mind. In re Denial of Approval to Issue Hous. Bonds, 307 N.C. 52, 296 S.E.2d 281 (1982).

In enacting this section the legislature has appropriately responded to the changing conditions in the residential housing market, and the benefits flowing from this section are benefits for the common good of all the people of the State. In re Denial of Approval to Issue Hous. Bonds, 307 N.C. 52, 296 S.E.2d 281 (1982).

§ 122A-5.5. Rehabilitation Loan Authority.

(a) In order to effectuate the authority of the Agency to participate in commitments to purchase and to purchase mortgage loans for the rehabilitation of existing residential housing the Agency is hereby empowered to adopt, modify or repeal rules and regulations governing the making or participation in the making of mortgage loans and the purchase or participation in commitments for the purchase of mortgage loans for the rehabilitation of existing residential housing.

(b) The rules and regulations of the Agency adopted pursuant to this section shall provide at a minimum that:

- (1) Rehabilitation mortgage loans shall be for the purpose of owner-financed improvements to or renovation of residential housing;
- (2) Requirements for eligibility for rehabilitation mortgage loans shall be consistent with all applicable federal laws and regulations governing bonds for rehabilitation mortgage loans in order to insure that such bonds are exempt from taxation. (1981, c. 344, s. 2.)

§ 122A-5.6. Terms and conditions of loans to and by mortgage lenders.

(a) The Agency shall from time to time adopt, modify, amend or repeal rules and regulations governing the making of loans to mortgage lenders and the application of the proceeds thereof. These rules and regulations shall be designed to effectuate the general purposes of this Chapter and the following specific objectives: (i) the construction and rehabilitation of decent, safe and sanitary residential housing available to persons and families of lower income and persons and families of moderate income at prices or rentals that they can afford; (ii) the encouragement of private enterprise and investment to sponsor, build and rehabilitate residential housing for persons and families of lower income and persons and families of moderate income; and (iii) the restriction of the financial return and benefit to the mortgage lenders from such loans to

an amount that is necessary to induce their participation and that is not excessive as determined by prevailing market conditions.

(b) Notwithstanding any other provision of this section, the interest rate or rates and other terms of the loans to mortgage lenders made from the proceeds of any issue of bonds of the Agency shall provide that the amounts received by the Agency in repayment of the loans and interest thereon shall be at least sufficient to assure the payment of the principal of and the interest on the bonds as they become due.

(c) The Agency shall enter into a written agreement with each mortgage lender that shall require as a condition of each loan to such mortgage lender that the mortgage lender shall originate new mortgage loans within a reasonable period of time as determined by the Agency's rules and regulations and that such new mortgage loans shall have such stated maturities as determined by the Agency's rules and regulations.

(d) The loans to mortgage lenders shall be general obligations of the respective mortgage lenders owing them. The Agency shall require that such loans shall be additionally secured as to payment of both principal and interest by a pledge and lien upon collateral security. The collateral security itself shall be in such amount as the Agency determines will assure the payment of the principal of and the interest on the bonds as they become due. Collateral security shall be deemed to be sufficient if the principal of and the interest on the collateral security, when due, will be sufficient to pay the principal of and the interest on the bonds. The collateral security shall consist of any of the following items: (i) direct obligations of, or obligations guaranteed by, the State or the United States of America; (ii) bonds, debentures, notes or other evidences of indebtedness, satisfactory to the Agency, issued by any of the following federal agencies: Bank for Cooperatives, Federal Intermediate Credit Bank, Federal Home Loan Bank System, Export-Import Bank of Washington, Federal Land Banks, the Federal National Mortgage Association or the Government National Mortgage Association; (iii) direct obligations of or obligations guaranteed by the State; (iv) mortgages insured or guaranteed by the United States of America or an instrumentality of it as to payment of principal and interest; (v) any other mortgages secured by real estate on which there is located a residential structure, the collateral value of which shall be determined by the regulations issued from time to time by the Agency; (vi) obligations of Federal Home Loan Banks; (vii) certificates of deposit of banks or trust companies, including the trustee, organized under the laws of the United States or any state, which have a combined capital and surplus of at least fifteen million dollars (\$15,000,000); (viii) Bankers Acceptances; and (ix) commercial paper that has been classified for rating purposes by Dun & Bradstreet, Inc., as Prime-1 or by Standard & Poor's Corp. as A-1.

(e) The Agency may require as a condition of any loan to a mortgage lender such representations and warranties that it determines to be necessary to secure such loans and to carry out the purposes of this section. (1983, c. 148, s. 3.)

§ 122A-5.7. Homeownership Assistance Fund authorized; authority.

The North Carolina Housing Finance Agency is authorized to establish a Homeownership Assistance Fund (hereinafter referred to as "the Fund") to assist families of low and moderate income in the purchase of affordable residential housing. To achieve this purpose, the Agency may use the Fund to provide additional security for eligible loans, to subsidize down payments, principal payments and interest payments, and to provide any type of mortgage assistance the Agency deems necessary. The Fund shall operate as a

revolving fund. The Agency shall adopt rules for the operation and use of the Fund. These funds shall be used for people who otherwise would be unable to receive subsidized loans from the Housing Finance Agency. (1983, c. 923, s. 203.)

§ 122A-5.8. Distressed multi-family residential rental housing provisions.

(a) The General Assembly hereby finds and determines that a serious shortage of decent, safe and sanitary multi-family residential rental housing which persons and families of low and moderate income in the State can afford continues to exist; that it is in the best interests of the State to continue to promote and maintain the viability of such housing and to encourage private enterprise to sponsor, build and rehabilitate additional multi-family residential rental housing for such low and moderate income persons and families; that certain multi-family residential rental housing projects financed by the Agency are currently experiencing financial difficulties due to low occupancy levels; that measures to facilitate higher occupancy levels by extending occupancy on a temporary basis to those with incomes in excess of required low and moderate levels will help to maintain certain multi-family residential rental housing for persons and families of low and moderate income to prevent foreclosure and the use of such facilities without regard to income limitations; and that the Agency in providing such temporary assistance is promoting the health, welfare and property of all citizens of the State and is serving a public purpose for the benefit of the general public.

(b) "Distressed rental housing project" means any multi-family residential rental housing project heretofore or hereafter financed by the Agency that, as determined by resolution of the Board of Directors of the Agency, has an occupancy level below that required for sustaining operation and as a result thereof needs to increase its occupancy levels in order to avoid foreclosure and the subsequent use of such facilities without regard to the Agency's income limitations. In determining the foregoing, the Board of Directors of the Agency shall take into consideration (1) occupancy rates of the project, (2) market conditions affecting the project, (3) costs of operation of the project, (4) debt service for the project, (5) management of the project and such other factors as the Board of Directors may deem relevant.

(c) The Board of Directors of the Agency may determine, by resolution, to permit not in excess of ten percent (10%) of the rental units in any distressed rental housing project to be rented to persons or families without regard to income until the project's occupancy levels, in the judgment of the Agency, will sustain operations at a level sufficient to prevent delinquency or default.

(d) The Board of Directors may also determine, by resolution, to permit additional rental units at any such distressed rental housing project, to be rented to persons or families without regard to income, subject to the restriction contained in subsection (c) of this section, provided that: (1) the units therein that have been available for rental without regard to income have been available for a period of time not less than three months, (2) the Agency has determined that permitting additional units, in excess of ten percent (10%), to be rented without regard to income is necessary in order for such distressed rental housing project to avoid foreclosure, and (3) the total number of housing units at any distressed rental housing project rented without regard to income shall not exceed fifteen percent (15%) of the total number of units therein.

(e) Once a distressed rental housing project attains sustaining occupancy at a level satisfactory to the Agency, the Agency will thereafter require the owners of such distressed rental housing project to rent only to persons and families of

low and moderate income and will require that any units that were leased without regard to income limitations pursuant to the provisions of this section will next be leased, when such units become vacant, only to persons and families whose incomes fall within the then current Agency income limitations. (1987, c. 305, s. 1; 1989, c. 454, ss. 1-3; 1989, c. 454, s. 3.)

§ 122A-5.9. Formation of subsidiary corporations to own and operate housing projects.

(a) The Agency may acquire, by purchase or otherwise, construct, acquire, develop, own, repair, maintain, improve, rehabilitate, renovate, furnish, equip, operate, and manage residential rental housing projects to rent to persons and families of lower and moderate income.

(b) The Agency may form a nonprofit corporation or corporations under the laws of this State which may acquire, construct, develop, repair, improve, rehabilitate, renovate, furnish, equip, operate and manage residential rental housing projects for persons and families of lower and moderate income. All of the stock of a nonprofit corporation formed by the Agency shall be owned by the Agency and its Board of Directors shall be elected or appointed by the Agency.

(c) No statutory provisions with respect to the acquisition, operation or disposition of property by other public bodies shall be applicable to the Agency or to any nonprofit corporation formed pursuant to this section. (1987, c. 305, s. 2.)

Editor's Note. — Session Laws 1987, c. 305, s. 5 made this section effective upon ratification. The act was ratified June 8, 1987.

Obligations issued under the provisions of this Chapter shall not be deemed to constitute a debt, liability or obligation of the State or of any political subdivision thereof or a pledge of the faith and credit of the State or of any such political subdivision, but shall be payable solely from the revenues or assets of the Agency. Each obligation issued under this Chapter shall contain on the face thereof a statement to the effect that the Agency shall not be obligated to pay the same nor the interest thereon except from the revenues or assets pledged therefor and that neither the faith and credit nor the taxing power of the State or of any political subdivision thereof is pledged to the payment of the principal of or the interest on such obligation.

Expenses incurred by the Agency in carrying out the provisions of this Chapter may be made payable from funds provided pursuant to this Chapter and no liability shall be incurred by the Agency hereunder beyond the extent to which moneys shall have been so provided. CASE NOTES

The method of financing set forth in this section does not create a debt within the meaning of the Constitution and therefore the limitations of former N.C. Const., Art. V, § 3 (see now N.C. Const., Art. V, § 2) are inapplicable. *Martin v. North Carolina Hous. Corp.*, 277 N.C. 29, 175 S.E.2d 665 (1970).

The North Carolina Housing Corporation (now the North Carolina Housing Finance Agency) has no authority to incur any debt which would obligate the General Assembly to make appropriations. *Martin v. North Carolina Hous. Corp.*, 277 N.C. 29, 175 S.E.2d 665 (1970).

§ 122A-6.1. Credit of State not pledged to satisfy liabilities under energy conservation loan guarantees.

Energy conservation loan guarantees issued under the provisions of this Chapter shall not be deemed to constitute a debt, liability, obligation of the State or of any political subdivision thereof, or a pledge of the faith and credit of the State or of any political subdivision thereof, but shall be payable solely from any unspent specific appropriations by the General Assembly for the energy conservation loan guarantee program and any donations and grants for this specific purpose. Each guarantee issued by the Agency shall contain on its face a statement to the effect that the Agency shall not be obligated to pay the same nor the interest thereon except from the unspent specific appropriations by the General Assembly for the energy conservation loan guarantee program and any specific donations and grants for this purpose, and that neither the faith and credit nor the taxing power of the State or of any political subdivision thereof is pledged to the payment of the principal of or the interest on such guarantees.

Provided any recoveries from the borrower or others which ultimately reduce the amounts paid out by the Agency in satisfaction of its liabilities under the energy conservation loan guarantee program shall be deemed unspent appropriations, donations or grants. (1977, c. 1083, s. 5.)

§ 122A-7: Repealed by Session Laws 1973, c. 1296, s. 47.

The total amount of bonds, bond anticipation notes, and construction loan notes outstanding at any one time shall not exceed one billion five hundred million dollars (\$1,500,000,000) excluding therefrom any bond anticipation notes for the payment of which bonds have been issued. The principal of and the interest on such bonds or notes shall be payable solely from the funds herein provided for such payment. Any such notes may be made payable from the proceeds of bonds or renewal notes or, in the event bond or renewal note proceeds are not available, such notes may be paid from any available revenues or assets of the Agency. The bonds or notes of each issue shall be dated and may be made redeemable before maturity at the option of the Agency at such price or prices and under such terms and conditions as may be determined by the Agency. Any such bonds or notes shall bear interest at such rate or rates as may be determined by the Local Government Commission of North Carolina with the approval of the Agency. Notes shall mature at such time or times not exceeding 10 years from their date or dates and bonds shall mature at such time or times not exceeding 43 years from their date or dates, as may be determined by the Agency. The Agency shall determine the form and manner of execution of the bonds or notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations and the place or places of payment of principal and interest, which may be any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or notes or coupons attached thereto shall cease to be such officer before the delivery thereof, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. The Agency may also provide for the authentication of the bonds or notes by a trustee or fiscal agent. The bonds or notes may be issued in coupon or in registered form, or both, as the Agency may determine, and provision may be made for the registration of any coupon bonds or notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds or notes of any bonds or notes registered as to both principal and interest, and for the interchange of registered and coupon bonds or notes. Upon the filing with the Local Government Commission of North Carolina of a resolution of the Agency requesting that its bonds and notes be sold, such bonds or notes may be sold in such manner, either at public or private sale, and for such price as the Commission shall determine to be for the best interest of the Agency and best effectuate the purposes of this Chapter, as long as the sale is approved by the Agency.

The proceeds of any bonds or notes shall be used solely for the purposes for which issued and shall be disbursed in such manner and under such restrictions, if any, as the Agency may provide in the resolution authorizing the issuance of such bonds or notes or in the trust agreement hereinafter mentioned securing the same.

Prior to the preparation of definitive bonds, the Agency may, under like restrictions, issue interim receipts or temporary bonds, with or without

coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Agency may also provide for the replacement of any bonds or notes which shall become mutilated or shall be destroyed or lost.

Bonds or notes may be issued under the provisions of this Chapter without obtaining, except as otherwise expressly provided in this Chapter, the consent of any department, division, commission, board, body, bureau or agency of the State, and without any other proceedings or the happening of any conditions or things other than those proceedings, conditions or things which are specifically required by this Chapter and the provisions of the resolution authorizing the issuance of such bonds or notes or the trust agreement securing the same. § 122A-8.1. Powers of the State Treasurer.

Notwithstanding any other provisions of this act, the State Treasurer shall have the exclusive power to issue bonds and notes authorized under the act upon request of the Agency and with the approval of the Local Government Commission.

The State Treasurer in his sole discretion shall determine the interest rates, maturities, and other terms and conditions of the bonds and notes authorized by this act.

The North Carolina Housing Finance Agency shall determine when a bond issue is indicated. The Agency shall cooperate with the State Treasurer in structuring any bond issue in general, and also in soliciting proposals from financial consultants, underwriters, and bond attorneys.

The State Treasurer shall have the exclusive power to employ and designate the financial consultants, underwriters, and bond attorneys to be associated with the bond issue; provided, at least annually, the Treasurer shall seek the written recommendations of the Housing Finance Agency; and, subsequent to each bond issue, the Treasurer shall conduct a formal performance evaluation of the financial consultants, underwriters and bond attorneys which shall be open to public inspection.

The Director of the Budget shall provide to the State Treasurer the funds necessary to defray the costs incurred in performing the fiscal functions reserved to the Treasurer under this act from the funds allocated to the Agency pursuant to the 1975 Session Laws. Prior to taking any action under this paragraph, the Director of the Budget may consult with the Advisory Budget Commission.

Nothing in this act is intended to abrogate or diminish the inherent power of the State Treasurer to negotiate the terms and conditions of the bonds and notes, and to issue the bonds and notes authorized by General Statutes Chapter 122A. (1977, c. 673, s. 5; 1983, c. 717, s. 38; 1985, c. 723, s. 5; 1985 (Reg. Sess., 1986), c. 955, ss. 41, 42.)

§ 122A-9. Trust agreement or resolution.

In the discretion of the Agency any obligations issued under the provisions of this Chapter may be secured by a trust agreement by and between the

Agency and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the State. Such trust agreement or the resolution providing for the issuance of such obligations may pledge or assign all or any part of the revenues or assets of the Agency, including, without limitation, mortgage loans, mortgage loan commitments, contracts, agreements and other security or investment obligations, the fees or charges made or received by the Agency, the moneys received in payment of loans and interest thereon and any other moneys received or to be received by the Agency. Such trust agreement or resolution may contain such provisions for protecting and enforcing the rights and remedies of the holders of any such obligations as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Agency in relation to the purposes to which obligation proceeds may be applied, the disposition or pledging of the revenues or assets of the Agency, the terms and conditions for the issuance of additional obligations, and the custody, safeguarding and application of all moneys. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depositary of the proceeds of obligations, revenues or other money hereunder to furnish such indemnifying bonds or to pledge such securities as may be required by the Agency. Any such trust agreement or resolution may set forth the rights and remedies of the holders of any obligations and of the trustee, and may restrict the individual right of action by any such holders. In addition to the foregoing, any such trust agreement or resolution may contain such other provisions as the Agency may deem reasonable and proper for the security of the holders of any obligations. All expenses incurred in carrying out the provisions of such trust agreement or resolution may be paid from the revenues or assets pledged or assigned to the payment of the principal of and the interest on obligations or from any other funds available to the Agency. (1969, c. 1235, s. 9; 1973, c. 1296, s. 49.)

§ 122A-10. Validity of any pledge.

The pledge of any assets or revenues of the Agency to the payment of the principal of or the interest on any obligations of the Agency shall be valid and binding from the time when the pledge is made and any such assets or revenues shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Agency, irrespective of whether such parties have notice thereof. Nothing herein shall be construed to prohibit the Agency from selling any assets subject to any such pledge except to the extent that any such sale may be restricted by the trust agreement or resolution providing for the issuance of such obligations. (1969, c. 1235, s. 10; 1973, c. 1296, s. 50.)

§ 122A-11. Trust funds.

Notwithstanding any other provisions of law to the contrary, all moneys received pursuant to the authority of this Chapter shall be deemed to be trust funds to be held and applied solely as provided in this Chapter. The resolution authorizing any obligations or the trust agreement securing the same may provide that any of such moneys may be temporarily invested pending the disbursement thereof and shall provide that any officer with whom, or any bank or trust company with which, such moneys shall be deposited shall act as trustee of such moneys and shall hold and apply the same for the purposes hereof, subject to such regulations as this Chapter and such resolution or trust agreement may provide.

Any moneys received pursuant to the authority of this Chapter and any other moneys available to the Agency for investment may be invested:

- (1) As provided in G.S. 159-30, except that for purposes of G.S. 159-30(b) the Agency may deposit moneys at interest in banks or trust companies outside as well as in this State, as long as any moneys at deposit outside this State are collateralized to the same extent and manner as if at deposit in this State;
- (2) In evidences of ownership of, or fractional undivided interests in, future interest and principal payments on either direct obligations of the United States government or obligations the principal of and the interest on which are guaranteed by the United States government, which obligations are held by a bank or trust company organized and existing under the laws of the United States of America or any state in the capacity of custodian;
- (3) In obligations which are collateralized by mortgage pass-through securities guaranteed by the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, or the Federal National Mortgage Association;
- (4) In a trust certificate or similar instrument evidencing an equity investment in a trust or other similar arrangement which is formed for the purpose of issuing obligations which are collateralized by mortgage pass-through or participation certificates guaranteed by the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association; and
- (5) In repurchase agreements with respect to either direct obligations of the United States government or obligations the principal of and the interest on which are guaranteed by the United States government if all of the following conditions are met:
 - a. The repurchase agreement is entered into with an institution whose ability to pay its unsecured long-term obligations (including, if the institution is an insurance company, its claims paying ability) is rated in one of the two highest ratings categories by a nationally recognized securities rating agency. If the term of the repurchase agreement is for a period of one year or less, however, the repurchase agreement may be entered into with an institution that does not have such a long-term rating if its ability to pay its unsecured short-term obligations is rated in one of the two highest ratings categories by a nationally recognized securities rating agency. If the institution with which the agreement is to be entered does not meet the ratings requirement of this subparagraph, the repurchase agreement may nevertheless be entered into with the institution if the obligations of the institution under the repurchase agreement are fully guaranteed by another institution that does meet the ratings requirement of this subparagraph.
 - b. The repurchase agreement provides that it shall be terminated, without penalty, if the institution with which the repurchase agreement is entered or by whom the institution's obligations are guaranteed fails to maintain (i) in the event that the repurchase agreement was entered into in reliance upon the rating of the institution's long-term obligations, a rating of its long-term obligations in one of the three highest ratings categories by at least one nationally recognized securities rating agency, or (ii) in the event that the repurchase agreement was entered into in reliance upon the rating of the institution's short-term obligations, a

rating of its short-term obligations in one of the two highest ratings categories by at least one nationally recognized securities rating agency. The repurchase agreement does not have to be terminated, however, if a new guarantor meeting the rating requirement set forth in subparagraph a. as the requirement necessary for the Agency to enter the repurchase agreement agrees to fully guarantee the obligations of the institution under the repurchase agreement.

- c. The obligations that are subject to the repurchase agreement are delivered (in physical or in book entry form) to the Agency, or any financial institution serving either as trustee for obligations issued by the Agency or as fiscal agent for the Agency or the State Treasurer or are supported by a safekeeping receipt issued by a depository satisfactory to the Agency. The repurchase agreement must provide that the value of the underlying obligations shall be maintained at a current market value, calculated at least daily, of not less than one hundred percent (100%) of the repurchase price. The financial institution serving either as trustee or as fiscal agent for the Agency holding the obligations subject to the repurchase agreement hereunder or the depository issuing the safekeeping receipt shall not be the provider of the repurchase agreement.
 - d. A valid and perfected first security interest in the obligations which are the subject of the repurchase agreement has been granted to the Agency or its assignee or book entry procedures, conforming, to the extent practicable, with federal regulations and satisfactory to the agency have been established for the benefit of the Agency or its assignee.
 - e. The securities are free and clear of any adverse third-party claims.
 - f. The repurchase agreement is in a form satisfactory to the Agency.
- (1969, c. 1235, s. 11; 1973, c. 1296, s. 51; 1985, c. 479, s. 149(b); 1985 (Reg. Sess., 1986), c. 1014, s. 185; 1997-13, s. 2.)

§ 122A-12. Remedies.

Any holder of obligations issued under the provisions of this Chapter or any coupons appertaining thereto, and the trustee under any trust agreement or resolution authorizing the issuance of such obligations, except to the extent the rights herein given may be restricted by such trust agreement or resolution, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the State or granted hereunder or under such trust agreement or resolution, or under any other contract executed by the Agency pursuant to this Chapter, and may enforce and compel the performance of all duties required by this Chapter or by such trust agreement or resolution to be performed by the Agency or by any officer thereof. (1969, c. 1235, s. 12; 1973, c. 1296, s. 52.)

§ 122A-13. Negotiable instruments.

Notwithstanding any of the foregoing provisions of this Chapter or any recitals in any obligations issued under the provisions of this Chapter, all such obligations and interest coupons appertaining thereto shall be and are hereby made negotiable instruments under the laws of this State, subject only to any applicable provisions for registration. (1969, c. 1235, s. 13.)

§ 122A-14. Obligations eligible for investment.

Obligations issued under the provisions of this Chapter are hereby made securities in which all public officers and public bodies of the State and its

political subdivisions, all insurance companies, trust companies, banking associations, investment companies, executors, administrators, trustees and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Such obligations are hereby made securities which may properly and legally be deposited with and received by any State or municipal officer or any agency or political subdivision of the State for any purpose for which the deposit of bonds, notes or obligations of the State is now or may hereafter be authorized by law. (1969, c. 1235, s. 14.)

§ 122A-15. Refunding obligations.

The Agency is hereby authorized to provide for the issuance of refunding obligations for the purpose of refunding any obligations then outstanding which shall have been issued under the provisions of this Chapter, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such obligations and, if deemed advisable by the Agency, for any corporate purpose of the Agency. The issuance of such obligations, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties and obligations of the Agency in respect of the same shall be governed by the provisions of this Chapter which relate to the issuance of obligations, insofar as such provisions may be appropriate therefor.

Refunding obligations may be sold or exchanged for outstanding obligations issued under this Chapter and, if sold, the proceeds thereof may be applied, in addition to any other authorized purposes, to the purchase, redemption or payment of such outstanding obligations. Pending the application of the proceeds of any such refunding obligations, with any other available funds, to the payment of the principal, accrued interest and any redemption premium on the obligations being refunded, and, if so provided or permitted in the resolution authorizing the issuance of such refunding obligations or in the trust agreement securing the same, to the payment of any interest on such refunding obligations and any expenses in connection with such refunding, such proceeds may be invested in direct obligations of, or obligations the principal of and the interest on which are unconditionally guaranteed by, the United States of America which shall mature or which shall be subject to redemption by the holders thereof, at the option of such holders, not later than the respective dates when the proceeds, together with the interest accruing thereon, will be required for the purposes intended. (1965, c. 1235, s. 15; 1973, c. 1296, s. 55.)

§ 122A-16. Oversight by committees of General Assembly; annual reports.

The Finance Committee of the House of Representatives and the Finance Committee of the Senate shall exercise continuing oversight of the Agency in order to assure that the Agency is effectively fulfilling its statutory purpose; provided, however, that nothing in this Chapter shall be construed as required by the Agency to receive legislative approval for the exercise of any of the powers granted by this Chapter. The Agency shall, promptly following the close of each fiscal year, submit an annual report of its activities for the preceding year to the Governor, the Office of State Budget and Management, State Auditor, the aforementioned committees of the General Assembly, the Advisory Budget Commission and the Local Government Commission. Each such report shall set forth a complete operating and financial statement of the Agency during such year. The Agency shall cause an audit of its books and accounts to be made at least once in each year by an independent certified public accountant and the cost thereof may be paid from any available moneys of the

Agency. The Agency shall on January 1 and July 1 of each year submit a written report of its activities to the Joint Legislative Commission on Governmental Operations. The Agency shall also at the end of each fiscal year submit a written report of its budget expenditures by line item to the Joint Legislative Commission on Governmental Operations. (1969, c. 1235, s. 16; 1973, c. 1296, s. 56; 1977, c. 673, s. 3; c. 771, s. 4; 1981, c. 895, s. 4; 1981 (Reg. Sess., 1982), c. 1191, s. 34; 1983 (Reg. Sess., 1984), c. 1034, s. 134.)

§ 122A-17. Officers not liable.

No member or other officer of the Agency shall be subject to any personal liability or accountability by reason of his execution of any obligations or the issuance thereof. (1969, c. 1235, s. 17; 1973, c. 1296, s. 57.)

§ 122A-18. Authorization to accept appropriated moneys.

The Agency is authorized to accept such moneys as may be appropriated from time to time by the General Assembly for effectuating its corporate purposes including, without limitation, the payment of the initial expenses of administration and operation and the establishment of a reserve or contingency fund to be available for the payment of the principal of and the interest on any bonds or notes of the Agency. (1969, c. 1235, s. 18; 1973, c. 1296, s. 58.)

CASE NOTES

Appropriations for Reserve Fund Not a Pledge of Faith and Credit of State or Subdivisions. — The fact that such appropriations as the General Assembly may see fit to make may be used for the establishment of a reserve or contingency fund to be available for the payment of the principal of and the interest on any bonds or notes of the North Carolina

Housing Corporation (now the North Carolina Housing Finance Agency) does not constitute a pledge of the faith and credit of the State or of any political subdivision thereof for the payment of the principal of and the interest on any bonds or notes of the Corporation (now Agency). *Martin v. North Carolina Hous. Corp.*, 277 N.C. 29, 175 S.E.2d 665 (1970).

§ 122A-19. Tax exemption.

The exercise of the powers granted by this Chapter will be in all respects for the benefit of the people of the State, for their well-being and prosperity and for the improvement of their social and economic conditions, and the Agency shall not be required to pay any tax or assessment on any property owned by the Agency under the provisions of this Chapter or upon the income therefrom.

Any obligations issued by the Agency under the provisions of this Chapter shall at all times be free from taxation by the State or any local unit or political subdivision or other instrumentality of the State, excepting inheritance or gift taxes, income taxes on the gain from the transfer of the obligations, and franchise taxes. The interest on the obligations is not subject to taxation as income. (1969, c. 1235, s. 19; 1973, c. 1296, s. 59; 1995, c. 46, s. 10.)

CASE NOTES

Property and Obligations of Agency May Be Exempted from Taxation. — Since this Chapter and the North Carolina Housing Corporation's (now the North Carolina Housing Finance Agency's) activities pursuant thereto are for a public purpose, it is permissible for the

General Assembly to exempt from taxation the property of the Corporation (now Agency) and the obligations incurred by the Corporation (now Agency) to effectuate such public purpose. *Martin v. North Carolina Hous. Corp.*, 277 N.C. 29, 175 S.E.2d 665 (1970).

§ 122A-20. Conflict of interest.

If any member, officer or employee of the Agency shall be interested either directly or indirectly, or shall be an officer or employee of or have an ownership interest in any firm or corporation interested directly or indirectly in any contract with the Agency, including any loan to any sponsor, builder or developer, such interest shall be disclosed to the Agency and shall be set forth in the minutes of the Agency, and the member, officer or employee having such interest therein shall not participate on behalf of the Agency in the authorization of any such contract. (1969, c. 1235, s. 20; 1973, c. 1296, s. 60.)

§ 122A-21. Additional method.

The foregoing sections of this Chapter shall be deemed to provide an additional and alternative method for the doing of the things authorized thereby and shall be regarded as supplemental and additional to powers conferred by other laws, and shall not be regarded as in derogation of any powers now existing; provided, however, that the issuance of bonds or notes under the provisions of this Chapter need not comply with the requirements of any other law applicable to the issuance of bonds or notes. (1969, c. 1235, s. 21.)

§ 122A-22. Chapter liberally construed.

This Chapter, being necessary for the prosperity of the State and its inhabitants, shall be liberally construed to effect the purposes thereof. (1969, c. 1235, s. 22.)

§ 122A-23. Inconsistent laws inapplicable.

Insofar as the provisions of this Chapter are inconsistent with the provisions of any general or special laws, or parts thereof, the provisions of this Chapter shall be controlling. (1969, c. 1235, s. 24.)

§ 122C-2. Policy.

The policy of the State is to assist individuals with mental illness, developmental disabilities, and substance abuse problems in ways consistent with the dignity, rights, and responsibilities of all North Carolina citizens. Within available resources it is the obligation of State and local government to provide services to eliminate, reduce, or prevent the disabling effects of mental illness, developmental disabilities, and substance abuse through a service delivery system designed to meet the needs of clients in the least restrictive available setting, if the least restrictive setting is therapeutically most appropriate, and to maximize their quality of life.

State and local governments shall develop and maintain a unified system of services centered in area programs. The public service system will strive to provide a continuum of services for clients while considering the availability of services in the private sector.

The furnishing of services to implement the policy of this section requires the cooperation and financial assistance of counties, the State, and the federal government. (1977, c. 568, s. 1; 1979, c. 358, s. 1; 1983, c. 383, s. 1; 1985, c. 589, s. 2; c. 771; 1989, c. 625, s. 2.)

§ 122C-3. Definitions.

As used in this Chapter, unless another meaning is specified or the context clearly requires otherwise, the following terms have the meanings specified:

- (1) "Area authority" means the area mental health, developmental disabilities, and substance abuse authority.
- (2) "Area board" means the area mental health, developmental disabilities, and substance abuse board.
- (3) "Camp Butner reservation" means the original Camp Butner reservation as may be designated by the Secretary as having been acquired by the State and includes not only areas which are owned and occupied by the State but also those which may have been leased or otherwise disposed of by the State.
- (4) "City" has the same meaning as in G.S. 153A-1(1).
- (5) "Catchment area" means the geographic part of the State served by a specific area authority.
- (6) "Client" means an individual who is admitted to and receiving service from, or who in the past had been admitted to and received services from, a facility.
- (7) "Client advocate" means a person whose role is to monitor the protection of client rights or to act as an individual advocate on behalf of a particular client in a facility.
- (8) "Commission" means the Commission for Mental Health, Developmental Disabilities, and Substance Abuse Services, established under Part 4 of Article 3 of Chapter 143B of the General Statutes.
- (9) "Confidential information" means any information, whether recorded or not, relating to an individual served by a facility that was received in connection with the performance of any function of the facility. "Confidential information" does not include statistical information from reports and records or information regarding treatment or services which is shared for training, treatment, habilitation, or

monitoring purposes that does not identify clients either directly or by reference to publicly known or available information.

(10) "County of residence" of a client means the county of his domicile at the time of his admission or commitment to a facility. A county of residence is not changed because an individual is temporarily out of his county in a facility or otherwise.

(11) "Dangerous to himself or others" means:

a. "Dangerous to himself" means that within the relevant past:

1. The individual has acted in such a way as to show:

I. That he would be unable, without care, supervision, and the continued assistance of others not otherwise available, to exercise self-control, judgment, and discretion in the conduct of his daily responsibilities and social relations, or to satisfy his need for nourishment, personal or medical care, shelter, or self-protection and safety; and

II. That there is a reasonable probability of his suffering serious physical debilitation within the near future unless adequate treatment is given pursuant to this Chapter. A showing of behavior that is grossly irrational, of actions that the individual is unable to control, of behavior that is grossly inappropriate to the situation, or of other evidence of severely impaired insight and judgment shall create a prima facie inference that the individual is unable to care for himself; or

2. The individual has attempted suicide or threatened suicide and that there is a reasonable probability of suicide unless adequate treatment is given pursuant to this Chapter; or

3. The individual has mutilated himself or attempted to mutilate himself and that there is a reasonable probability of serious self-mutilation unless adequate treatment is given pursuant to this Chapter.

Previous episodes of dangerousness to self, when applicable, may be considered when determining reasonable probability of physical debilitation, suicide, or self-mutilation.

b. "Dangerous to others" means that within the relevant past, the individual has inflicted or attempted to inflict or threatened to inflict serious bodily harm on another, or has acted in such a way as to create a substantial risk of serious bodily harm to another, or has engaged in extreme destruction of property; and that there is a reasonable probability that this conduct will be repeated. Previous episodes of dangerousness to others, when applicable, may be considered when determining reasonable probability of future dangerous conduct. Clear, cogent, and convincing evidence that an individual has committed a homicide in the relevant past is prima facie evidence of dangerousness to others.

- c. Is likely to continue indefinitely;
 - d. Results in substantial functional limitations in three or more of the following areas of major life activity: self-care, receptive and expressive language, capacity for independent living, learning, mobility, self-direction and economic self-sufficiency; and

- (34) "Single portal of entry and exit policy" means an admission and discharge policy for designated facilities that is adopted by an area authority and shall be approved by the Secretary before it is in force. The policy and its provisions shall be designed to promote quality client care in and among designated facilities. Furthermore, the policy shall be designed to integrate otherwise independent facilities into a unified and coordinated system, in which system the area authority shall be responsible for assuring that the individual client can receive services from the facility that is best able to meet his needs. However, the policy may not be inconsistent with any other provisions of the General Statutes or federal law, nor may the policy include the complete exclusion of clients from admission to any specific facility.
- (35) "Single portal area" means the county or counties that comprise the catchment area of an area authority that has adopted a single portal of entry and exit policy.

- (35a) "State resources" means State and federal funds and other receipts administered by the Division.
- (36) "Substance abuse" means the pathological use or abuse of alcohol or other drugs in a way or to a degree that produces an impairment in personal, social, or occupational functioning. "Substance abuse" may include a pattern of tolerance and withdrawal.
- (37) "Substance abuser" means an individual who engages in substance abuse. Editor's Note. — Subdivisions (13a1) and (13b) were renumbered as subdivisions (13c) and (13d) pursuant to S.L. 1997-456, s. 27 which authorized the Revisor of Statutes to renumber or reletter sections and parts of sections having a number or letter designation that is incompatible with the General Assembly's computer database.

Session Laws 1989 (Reg. Sess., 1990), c. 1003, s. 6 provides: "Sections 1 through 4 of this act [which amended this section] shall become effective July 1, 1990, and Section 5 of this act shall become effective July 1, 1991, if and only if specific funds are appropriated for the specific programs established by this act. Funds appropriated for the 1990-91 fiscal year or for any year in the future do not constitute any entitlement to services beyond those provided for that fiscal year. Nothing in this act creates any rights except to the extent that funds are appropriated by the State to implement its provisions from year to year and nothing in this act obligates the General Assembly to appropriate any funds to implement its provisions." An appropriation was made to implement the provisions of this act in the 1989 (Reg. Sess., 1990) Session.

Session Laws 1995, c. 406, s. 6, provided that the amendment to subdivision (31) of this sec-

tion by Session Laws 1995, c. 406, s. 5, would expire July 1, 1999. However, Session Laws 1999-186, s. 1, repealed the expiration provision. Subdivision (31) is set out above as amended by Session Laws 1995, c. 406, s. 5.

Effect of Amendments. — Session Laws 1998-198, s. 3, effective October 1, 1998, added clause (iii) in subdivision (20), and made related stylistic changes.

Session Laws 1998-202, s. 4(r), effective January 1, 1999, and applicable to acts committed on or after that date, substituted "G.S. 7B-903" for "G.S. 7A-647(3)" in subdivision (13a)b.2.; substituted "G.S. 7B-2506" for "G.S. 7A-649(8)" in subdivision (13a)b.3.; substituted "G.S. 7B-2506" for "G.S. 7A-649(6)" in subdivision (13a)b.4.; and substituted "Office of Juvenile Justice" for "Division of Youth Services" and "G.S. 7B-2506" for "G.S. 7A-649(10)" in subdivision (13a)b.5.

CASE NOTES

Editor's Note. — *Most of the cases cited below were decided under former statutory provisions.*

Court Could Not Declare Subdivision Unconstitutional Nunc Pro Tunc. — Where

the trial court concluded the case or controversy by finding the respondent not mentally ill pursuant to this section, it lacked jurisdiction to subsequently (six months later) declare nunc pro tunc that subdivision (21)(ii) was unconsti-

tutional. In re Lynette H., 323 N.C. 598, 374 S.E.2d 272 (1988).

Effect of 1985 Amendment. — When the legislature in 1985, deleted the term “recent past” and substituted the term “relevant past,” the Court of Appeals construed this legislative amendment as an effort on the part of the legislature to clarify the meaning of the statute, not to change the law. Davis v. North Carolina Dep’t of Human Resources, 121 N.C. App. 105, 465 S.E.2d 2 (1995).

Statutory language establishes a two-prong test for dangerousness to self. The first prong addresses self-care ability regarding one’s daily affairs. The second prong, which also must be satisfied for involuntary commitment to result, mandates a specific finding of a probability of serious physical debilitation resulting from the more general finding of lack of self-caring ability. In re Monroe, 49 N.C. App. 23, 270 S.E.2d 537 (1980); In re Crainshaw, 54 N.C. App. 429, 283 S.E.2d 553 (1981); In re Medlin, 59 N.C. App. 33, 295 S.E.2d 604 (1982).

Failure to Care for Needs as Dangerousness. — Failure of a person to properly care for her medical needs, diet, grooming and general affairs would meet the required test of dangerousness to self. In re Medlin, 59 N.C. App. 33, 295 S.E.2d 604 (1982).

Eating disorders are subsumed under the definition of mental illness and are not included in the terms “chemical dependency” or “substance abuse.” Laurel Wood of Henderson, Inc. v. North Carolina Dep’t of Human Resources, 117 N.C. App. 601, 452 S.E.2d 334, rev’d in part per curiam, cert. dismissed in part as improvidently granted, 342 N.C. 400, 464 S.E.2d 44 (1995).

Unusual eating habits alone do not amount to danger as contemplated in this statute. In re Monroe, 49 N.C. App. 23, 270 S.E.2d 537 (1980).

The State may involuntarily commit a person who cannot be relied upon to maintain the proper diet necessary to her welfare and who has no income to cover the expense of food, clothing, fuel or shelter. In re Medlin, 59 N.C. App. 33, 295 S.E.2d 604 (1982).

Trial court must find three elements present in order to find that respondent is dangerous to others: (1) within the recent past (2) respondent has (a) inflicted serious bodily harm on another, or (b) attempted to inflict serious bodily harm on another, or (c) threatened to inflict serious bodily harm on another, or (d) has acted in such a manner as to create a substantial risk of serious bodily harm to another, and (3) there is a reasonable probability that such conduct will be repeated. In re Monroe, 49 N.C. App. 23, 270 S.E.2d 537 (1980).

Present statutory definition of “dangerous to others” does not require a finding of

overt acts. In re Monroe, 49 N.C. App. 23, 270 S.E.2d 537 (1980).

Evidence was competent to support the trial court’s conclusions that respondent was mentally ill and dangerous to himself within the statutory definitions of those terms. In re Lowery, 110 N.C. App. 67, 428 S.E.2d 861 (1993).

“Recent Past” Same as “Relevant Past.” — The Court of Appeals construed the term “recent past” to mean “relevant past”; as such, violent acts committed by mental patient within the six months prior to the district court hearing were the “relevant past.” Davis v. North Carolina Dep’t of Human Resources, 121 N.C. App. 105, 465 S.E.2d 2 (1995).

Former § 122-58.1 et seq., and the related definition of mental illness under former § 122-36 were not unconstitutionally vague. In re Salem, 31 N.C. App. 57, 228 S.E.2d 649 (1976).

Facts Supporting Finding as to Mental Illness. — The facts which the court recorded as supporting its ultimate findings, that respondent had delusions as to the extent of the danger posed by the Ku Klux Klan, that she misinterpreted stimuli, and that she was out of touch with reality, might have furnished some support for the ultimate finding that she was mentally ill, but they furnished no support for the court’s alternative finding that she was inebriate. In re Hogan, 32 N.C. App. 429, 232 S.E.2d 492 (1977).

Prisoners receiving mental health care were not covered by subsection (g) of former § 122-36 (see now § 122C-3) and former § 122-55.2 (see now §§ 122C-53, 122C-58, and 122C-62); the statute applied only to mental health patients who were not imprisoned with the Department of Corrections. Baugh v. Woodard, 56 N.C. App. 180, 287 S.E.2d 412, cert. denied, 305 N.C. 759, 292 S.E.2d 574 (1982).

With respect to the rights of prisoners receiving care in facilities operated by the Department of Human Resources [now Department of Health and Human Services], § 143B-261.1 and the regulations adopted pursuant thereto apply, rather than former § 122-36 (see now § 122C-3) and former § 122-55.2 (see now §§ 122C-53, 122C-58, and 122C-62), as they do to those prisoners who remain in prison for their mental health care. Baugh v. Woodard, 56 N.C. App. 180, 287 S.E.2d 412, cert. denied, 305 N.C. 759, 292 S.E.2d 574 (1982).

Facts Negating Finding as to Mental Retardation. — Where the defendant had an IQ of 70 and presented evidence that he was employed and was able to function in society, the evidence negated a finding that he had deficit adaptive behavior. The defendant did not show he was mentally retarded. State v. Best, 342 N.C. 502, 467 S.E.2d 45 (1996).

§ 122C-4. Use of phrase “client or his legally responsible person.”

Except as otherwise provided by law, whenever in this Chapter the phrase “client or his legally responsible person” is used, and the client is a minor or an incompetent adult, the duty or right involved shall be exercised not by the client, but by the legally responsible person. (1985, c. 589, s. 2.)

OPINIONS OF ATTORNEY GENERAL

Right to Choose Attorney. — A minor client who is receiving treatment or habilitation from a 24-hour facility, as that term is defined in § 122C-3(14)g, does not have the right to choose at his or her own expense or the expense of his or her legally responsible person, an attorney of the minor client's choice. The

legally responsible person is the only one who can choose an attorney for the minor client unless the minor is over the age of 16 and emancipated. See opinion of Attorney General to C. Robin Britt, Sr., Secretary, Department of Human Resources, — N.C.A.G. — (December 20, 1995).

§§ 122C-5 through 122C-20: Reserved for future codification purposes.

ARTICLE 2.

Licensure of Facilities for the Mentally Ill, the Developmentally Disabled, and Substance Abusers.

§ 122C-21. Purpose.

The purpose of this Article is to provide for licensure of facilities for the mentally ill, developmentally disabled, and substance abusers by the development, establishment, and enforcement of basic rules governing:

- (1) The provision of services to individuals who receive services from licensable facilities as defined by this Chapter, and
- (2) The construction, maintenance, and operation of these licensable facilities that in the light of existing knowledge will ensure safe and adequate treatment of these individuals. (1983, c. 718, s. 1; 1985, c. 589, s. 2; 1989, c. 625, s. 4.)

§ 122C-22. Exclusions from licensure; deemed status.

(a) The following are excluded from the provisions of this Article and are not required to obtain licensure under this Article:

- (1) Physicians and psychologists engaged in private office practice;
- (2) General hospitals licensed under Article 5 of Chapter 131E of the General Statutes, that operate special units for the mentally ill, developmentally disabled, or substance abusers;
- (3) State and federally operated facilities;

- (4) Adult care homes licensed under Chapter 131D of the General Statutes;
- (5) Developmental child care centers licensed under Article 7 of Chapter 110 of the General Statutes;
- (6) Persons subject to licensure under rules of the Social Services Commission;
- (7) Persons subject to rules and regulations of the Division of Vocational Rehabilitation Services; and
- (8) Facilities that provide occasional respite care for not more than two individuals at a time; provided that the primary purpose of the facility is other than as defined in G.S. 122C-3(14).

(b) The Commission may adopt rules establishing a procedure whereby a licensable facility certified by a nationally recognized agency, such as the Joint Commission on Accreditation of Hospitals, may be deemed licensed under this Article by the Secretary. Any facility licensed under the provisions of this subsection shall continue to be subject to inspection by the Secretary. (1983, c. 718, s. 1; 1983 (Reg. Sess., 1984), c. 1110, s. 5; 1985, c. 589, s. 2; c. 695, s. 13; 1987, c. 345, s. 2; 1989, c. 625, s. 5; 1995, c. 535, s. 7; 1997-506, s. 43.)

Editor's Note. — Session Laws 1995, c. 535, which amended this section, in s. 37 provides: "Rules adopted by the Department of Human Resources, the Medical Care Commission, and the Social Services Commission regulating domiciliary care homes prior to the effective date of this act remain in effect for adult care homes until amended or repealed."

Session Laws 1995, c. 507, s. 19.9, provides that inpatient chemical dependency or substance abuse facilities that provide services exclusively to inmates of the Department of Correction shall be exempt from licensure by the Department of Human Resources under Chapter 122C of the General Statutes; that if a facility provides services both to inmates and to the public, the portion of the facility that serves inmates shall be exempt from licensure; any person who contracts to provide such services to inmates may construct and operate a new facility without first obtaining a certificate of need from the Department of Human Resources, and that a new facility or addition without a certificate of need shall not be licensed pursuant to Chapter 122C of the General Statutes and shall not admit anyone other than inmates without first obtaining a certificate of need; and that this section applies to existing facilities as well as future facilities contracting with the Department of Correction.

Session Laws 1999-237, s. 18.8(a), provides that inpatient chemical dependency or substance abuse facilities that provide services exclusively to inmates of the Department of Correction shall be exempt from licensure by the Department of Health and Human Services under Chapter 122C of the General Statutes. If an inpatient facility provides services to in-

mates of the Department of Correction and to members of the general public, the portion of the facility that serves inmates shall be exempt from licensure.

Session Laws 1999-237, s. 18.8(b), provides that any person who contracts to provide inpatient chemical dependency or substance abuse services to inmates of the Department of Correction may construct and operate a new chemical dependency or substance abuse facility for that purpose without first obtaining a certificate of need from the Department of Health and Human Services pursuant to Article 9 of Chapter 131E of the General Statutes. However, a new facility or addition developed for that purpose without a certificate of need shall not be licensed pursuant to Chapter 122C of the General Statutes and shall not admit anyone other than inmates unless the owner or operator first obtains a certificate of need.

Session Laws 1999-237, s. 18.8(c), provides that section 18.8 applies to existing facilities, as well as future facilities contracting with the Department of Correction.

Session Laws 1999-237, s. 30.2, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1999-2001 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1999-2001 biennium."

Session Laws 1999-237, s. 1.1, provides: "This act shall be known as the 'Current Operations and Capital Improvements Appropriations Act of 1999'."

Session Laws 1999-237, s. 30.4, contains a severability clause.

§ 122C-23. Licensure.

(a) No person shall establish, maintain, or operate a licensable facility for the mentally ill, developmentally disabled, or substance abusers without a current license issued by the Secretary.

(b) Each license is issued to the person only for the premises named in the application and shall not be transferrable or assignable except with prior written approval of the Secretary.

(c) Any person who intends to establish, maintain, or operate a licensable facility shall apply to the Secretary for a license. The Secretary shall prescribe by rule the contents of the application forms.

(d) The Secretary shall issue a license if the Secretary finds that the person complies with this Article and the rules of the Commission and Secretary.

(e) Unless a license is provisional or has been suspended or revoked, it shall be valid for a period not to exceed two years from the date of issue. The expiration date of a license shall be specified on the license when issued. Renewal of a regular license is contingent upon receipt of information required by the Secretary for renewal and continued compliance with this Article and the rules of the Commission and the Secretary.

A provisional license for a period not to exceed six months may be granted by the Secretary to a person who is temporarily unable to comply with a rule or rules. During this period the licensable facility shall correct the noncompliance based on a plan submitted to and approved by the Secretary. The noncompliance may not present an immediate threat to the health and safety of the individuals in the licensable facility. A provisional license for an additional period of time to meet the noncompliance may not be issued.

(f) Upon written application and in accordance with rules of the Commission, the Secretary may for good cause waive any of the rules implementing this Article, provided those rules do not affect the health, safety, or welfare of the individuals within the licensable facility. Decisions made pursuant to this subsection may be appealed to the Commission for a hearing in accordance with Chapter 150B of the General Statutes. (1899, c. 1, s. 60; Rev., s. 4600; C.S., s. 6219; 1945, c. 952, s. 41; 1957, c. 100, ss. 1, 4; 1963, c. 813, s. 1; c. 1166, s. 7; 1965, c. 1178, ss. 1-3; 1969, c. 954; 1973, c. 476, ss. 133, 152; 1977, c. 679, s. 7; 1981, c. 51, s. 3; 1983, c. 718, ss. 1, 4; 1985, c. 589, s. 2; 1985 (Reg. Sess., 1986), c. 863, s. 8; 1987, c. 345, ss. 3, 4; 1989, c. 625, s. 6.)

§ 122C-24. Adverse action on a license.

(a) The Secretary may deny, suspend, amend, or revoke a license in any case in which the Secretary finds that there has been a substantial failure to comply with any provision of this Article or other applicable statutes or any applicable rule adopted pursuant to these statutes. Action[s] under this section and appeals of those actions shall be in accordance with rules of the Commission and Chapter 150B of the General Statutes.

(b) When an appeal is filed concerning the denial, suspension, amendment, or revocation of a license, a copy of the proposal for decision shall be sent to the Chairman of the Commission in addition to the parties specified in G.S. 150B-34. The Chairman or members of the Commission designated by the Chairman may submit for the Secretary's consideration written or oral comments concerning the proposal prior to the issuance of a final agency decision in accordance with G.S. 150B-36. (1983, c. 718, s. 1; 1985, c. 589, s. 2; 1985 (Reg. Sess., 1986), c. 863, ss. 8-10; 1987, c. 345, s. 5.)

Editor's Note. — The word "Action" at the beginning of the second sentence of subsection (a) was apparently intended to be the word "Actions."

§ 122C-25. Inspections; confidentiality.

(a) The Secretary shall make or cause to be made inspections that the Secretary considers necessary. Facilities licensed under this Article shall be subject to inspection at all times by the Secretary.

(b) Notwithstanding G.S. 8-53, G.S. 8-53.3 or any other law relating to confidentiality of communications involving a patient or client, in the course of an inspection conducted under this section, representatives of the Secretary may review any writing or other record concerning the admission, discharge, medication, treatment, medical condition, or history of any individual who is or has been a patient, resident, or client of a licensable facility and the personnel records of those individuals employed by the licensable facility.

A licensable facility, its employees, and any other individual interviewed in the course of an inspection are immune from liability for damages resulting from disclosure of any information to the Secretary.

Except as required by law, it is unlawful for the Secretary or an employee of the Department to disclose the following information to someone not authorized to receive the information:

- (1) Any confidential or privileged information obtained under this section unless the client or his legally responsible person authorizes disclosure in writing; or
- (2) The name of anyone who has furnished information concerning a licensable facility without the individual's consent.

Violation of this subsection is a Class 3 misdemeanor punishable only by a fine, not to exceed five hundred dollars (\$500.00).

All confidential or privileged information obtained under this section and the names of persons providing this information are exempt from Chapter 132 of the General Statutes.

(c) The Secretary shall adopt rules regarding inspections, that, at a minimum, provide for:

- (1) A general administrative schedule for inspections; and
- (2) An unscheduled inspection without notice, if there is a complaint alleging the violation of any licensing rule adopted under this Article. (1983, c. 718, s. 1; 1985, c. 589, s. 2; 1993, c. 539, s. 918; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 122C-26. Powers of the Commission.

In addition to other powers and duties, the Commission shall exercise the following powers and duties:

- (1) Adopt, amend, and repeal rules consistent with the laws of this State and the laws and regulations of the federal government to implement the provisions and purposes of this Article;
- (2) Issue declaratory rulings needed to implement the provisions and purposes of this Article;
- (3) Adopt rules governing appeals of decisions to approve or deny licensure under this Article; and
- (4) Adopt rules for the waiver of rules adopted under this Article. (1983, c. 718, s. 1; 1985, c. 589, s. 2.)

§ 122C-27. Powers of the Secretary.

The Secretary shall:

- (1) Administer and enforce the provisions, rules, and decisions pursuant to this Article;
- (2) Appoint hearing officers to conduct appeals under this Article;

- (3) Prescribe by rule the contents of the application for licensure and renewal;
- (4) Inspect facilities and records of each facility to be licensed under this Article under the rules and decisions pursuant to this Article;
- (5) Issue a license upon a finding that the applicant and facility comply with the provisions of this Article and the rules of the Commission and the Secretary;
- (6) Define by rule procedures for submission of periodic reports by facilities licensed under this Article;
- (7) Grant, deny, suspend, or revoke a license under this Article;
- (8) In accordance with rules of the Commission, make final agency decisions for appeals from the denial, suspension, or revocation of a license in accordance with G.S. 122C-24; and
- (9) In accordance with rules of the Commission, grant waiver for good cause of any rules implementing this Article that do not affect the health, safety, or welfare of individuals within a licensable facility. (1983, c. 718, s. 1; 1985, c. 589, s. 2.)

§ 122C-28. Penalties.

Operating a licensable facility without a license is a Class 3 misdemeanor and is punishable only by a fine not to exceed fifty dollars (\$50.00), for the first offense and a fine, not to exceed five hundred dollars (\$500.00), for each subsequent offense. Each day's operation of a licensable facility without a license is a separate offense. (1983, c. 718, s. 1; 1985, c. 589, s. 2; 1993, c. 539, s. 919; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 122C-29. Injunction.

(a) Notwithstanding the existence or pursuit of any other remedy, the Secretary may, in the way provided by law, maintain an action in the name of the State for injunction or other process against any person to restrain or prevent the establishment, conduct, management, or operation of a licensable facility operating without a license or in a way that threatens the health, safety, or welfare of the individuals in the licensable facility.

(b) If any individual interferes with the proper performance or duty of the Secretary in carrying out this Article, the Secretary may institute an action in the superior court of the county in which the interference occurred for injunctive relief against the continued interference, irrespective of all other remedies at law. (1983, c. 718, s. 1; 1985, c. 589, s. 2.)

§ 122C-30. Peer review committee; immunity from liability; confidentiality.

For purposes of peer review functions of a hospital licensed under the provisions of this Chapter:

- (1) A member of a duly appointed peer review committee who acts without malice or fraud shall not be subject to liability for damages in any civil action on account of any act, statement, or proceeding undertaken, made, or performed within the scope of the functions of the committee; and
- (2) Proceedings of a peer review committee, the records and materials it produces, and the material it considers shall be confidential and not considered public records within the meaning of G.S. 132-1, "Public records' defined," and shall not be subject to discovery or introduction into evidence in any civil action against a facility or a provider of

professional health services that results from matters which are the subject of evaluation and review by the committee. No person who was in attendance at a meeting of the committee shall be required to testify in any civil action as to any evidence or other matters produced or presented during the proceedings of the committee or as to any findings, recommendations, evaluations, opinions, or other actions of the committee or its members. However, information, documents or records otherwise available are not immune from discovery or use in a civil action merely because they were presented during proceedings of the committee, and nothing herein shall prevent a provider of professional health services from using such otherwise available information, documents or records in connection with an administrative hearing or civil suit relating to the medical staff membership, clinical privileges or employment of the provider. A member of the committee or a person who testifies before the committee may be subpoenaed and be required to testify in a civil action as to events of which the person has knowledge independent of the peer review process, but cannot be asked about his testimony before the committee for impeachment or other purposes or about any opinions formed as a result of the committee hearings. OPINIONS OF ATTORNEY GENERAL

Disclosure of Information to Former Patient. — There is no absolute prohibition against disclosing information from a former patient's records to the former patient. Such a request should be acted upon according to the circumstances of the case. See opinion of Attor-

ney General to Mr. R. Patterson Webb, Assistant Commissioner for Administration, N.C. Department of Mental Health, 42 N.C.A.G. 291 (1973), rendered under former statutory provisions.

§ 122C-54. Exceptions; abuse reports and court proceedings.

(a) A facility shall disclose confidential information if a court of competent jurisdiction issues an order compelling disclosure.

(a1) Upon a determination by the facility director or his designee that disclosure is in the best interests of the client, a facility may disclose confidential information for purposes of filing a petition for involuntary commitment of a client pursuant to Article 5 of this Chapter or for purposes of filing a petition for the adjudication of incompetency of the client and the appointment of a guardian or an interim guardian under Chapter 35A of the General Statutes.

(b) If an individual is a defendant in a criminal case and a mental examination of the defendant has been ordered by the court, the facility may send the results or the report of the mental examination to the clerk of court, to the district attorney or prosecuting officer, and to the attorney of record for the defendant as provided in G.S. 15A-1002(d).

(c) Certified copies of written results of examinations by physicians and records in the cases of clients voluntarily admitted or involuntarily committed and facing district court hearings and rehearings pursuant to Article 5 of this Chapter shall be furnished by the facility to the client's counsel, the attorney representing the State's interest, and the court. The confidentiality of client information shall be preserved in all matters except those pertaining to the necessity for admission or continued stay in the facility or commitment under review. The relevance of confidential information for which disclosure is sought in a particular case shall be determined by the court with jurisdiction over the matter.

(d) Any individual seeking confidential information contained in the court files or the court records of a proceeding made pursuant to Article 5 of this Chapter may file a written motion in the cause setting out why the information is needed. A district court judge may issue an order to disclose the confidential information sought if he finds the order is appropriate under the circumstances and if he finds that it is in the best interest of the individual admitted or committed or of the public to have the information disclosed.

(e) Upon the request of the legally responsible person or the minor admitted or committed, and after that minor has both been released and reached adulthood, the court records of that minor made in proceedings pursuant to Article 5 of this Chapter may be expunged from the files of the court. The minor and his legally responsible person shall be informed in writing by the court of the right provided by this subsection at the time that the application for admission is filed with the court.

(f) A State facility and the psychiatric service of the University of North Carolina Hospitals at Chapel Hill may disclose confidential information to staff attorneys of the Attorney General's office whenever the information is necessary to the performance of the statutory responsibilities of the Attorney General's office or to its performance when acting as attorney for a State facility or the psychiatric service of the University of North Carolina Hospitals at Chapel Hill.

(g) A facility may disclose confidential information to an attorney who represents either the facility or an employee of the facility, if such information is relevant to litigation, to the operations of the facility, or to the provision of services by the facility. An employee may discuss confidential information with his attorney or with an attorney representing the facility in which he is employed.

(h) A facility shall disclose confidential information for purposes of complying with Article 3 of Chapter 7B of the General Statutes and Article 6 of Chapter 108A of the General Statutes, or as required by other State or federal law. § 122C-57. Right to treatment and consent to treatment.

(a) Each client who is admitted to and is receiving services from a facility has the right to receive age-appropriate treatment for mental health, mental retardation, and substance abuse illness or disability. Each client within 30 days of admission to a facility shall have an individual written treatment or habilitation plan implemented by the facility. The client and the client's legally responsible person shall be informed in advance of the potential risks and alleged benefits of the treatment choices.

(b) Each client has the right to be free from unnecessary or excessive medication. Medication shall not be used for punishment, discipline, or staff convenience.

(c) Medication shall be administered in accordance with accepted medical standards and only upon the order of a physician as documented in the client's record.

(d) Each voluntarily admitted client, the client's legally responsible person, or a health care agent named pursuant to a valid health care power of attorney has the right to consent to or refuse any treatment offered by the facility. Consent may be withdrawn at any time by the person who gave the consent. If treatment is refused, the qualified professional shall determine whether treatment in some other modality is possible. If all appropriate treatment modalities are refused, the voluntarily admitted client may be discharged. In an emergency, a voluntarily admitted client may be administered treatment or medication, other than those specified in subsection (f) of this section, despite the refusal of the client, the client's legally responsible person, a health care agent named pursuant to a valid health care power of attorney, or the client's refusal expressed in a valid advance instruction for mental health treatment. The Commission may adopt rules to provide a procedure to be followed when a voluntarily admitted client refuses treatment.

(d1) Except as provided in G.S. 90-21.4, discharge of a voluntarily admitted minor from treatment shall include notice to and consultation with the minor's legally responsible person and in no event shall a minor be discharged from treatment upon the minor's request alone.

(e) In the case of an involuntarily committed client, treatment measures other than those requiring express written consent as specified in subsection (f) of this section may be given despite the refusal of the client, the client's legally responsible person, a health care agent named pursuant to a valid health care power of attorney, or the client's refusal expressed in a valid advance instruction for mental health treatment in the event of an emergency or when consideration of side effects related to the specific treatment measure is given and in the professional judgment, as documented in the client's record, of the treating physician and a second physician, who is either the director of clinical services of the facility, or the director's designee, either:

- (1) The client, without the benefit of the specific treatment measure, is incapable of participating in any available treatment plan which will give the client a realistic opportunity of improving the client's condition;
- (2) There is, without the benefit of the specific treatment measure, a significant possibility that the client will harm self or others before improvement of the client's condition is realized.

(f) Treatment involving electroshock therapy, the use of experimental drugs or procedures, or surgery other than emergency surgery may not be given without the express and informed written consent of the client, the client's legally responsible person, a health care agent named pursuant to a valid health care power of attorney, or the client's consent expressed in a valid advance instruction for mental health treatment. This consent may be withdrawn at any time by the person who gave the consent. The Commission may adopt rules specifying other therapeutic and diagnostic procedures that require the express and informed written consent of the client, the client's legally responsible person, or a health care agent named pursuant to a valid health care power of attorney. (1973, c. 475, s. 1; c. 1436, ss. 6, 7; 1981, c. 328, ss. 1, 2; 1985, c. 589, s. 2; 1995, c. 336, s. 1; 1997-442, s. 3; 1998-198, s. 5; 1998-217, s. 53(a)(4); 1999-456, s. 4.)

Editor's Note. — The subsection designation (d1) was assigned by the Revisor of Statutes, the designation in Session Laws 1995, c. 336, s. 1 having been (d)(1).

This section was amended by Session Laws 1998-198, s. 5, as amended by Session Laws 1998-217, s. 53(3), in the coded bill drafting format provided by § 120-20.1. Subsections (d), (e) and (f) have been set out in the form above at the direction of the Revisor of Statutes.

Effect of Amendments. — The 1997 amendment, effective January 1, 1998, inserted "a health care agent named pursuant to a valid health care power of attorney, or an attorney-in-fact named pursuant to a valid advance instruction for mental health treatment" twice in subsections (d) and (f), and in subsection (e); and made stylistic changes.

Session Laws 1998-198, s. 5, as amended by Session Laws 1998-217, s. 53(3), effective October 1, 1998, deleted "or an attorney in fact named pursuant to a valid advance instruction for mental health treatment has" from the first

sentence, and substituted "or the client's refusal...for mental health treatment" for "or an attorney in fact named pursuant to a valid advance instruction for mental health treatment" in subsection (d); in subsection (e) inserted "or the client's refusal...for mental health treatment"; in subsection (f) substituted "or the client's consent expressed....or mental health treatment" for "or an attorney in fact named pursuant to a valid advance instruction for mental health treatment"; and made stylistic changes.

Session Laws 1999-456, s. 4, effective August 13, 1999, deleted "or an attorney-in-fact named pursuant to a valid instruction for mental health treatment" following "mental health treatment" in the introductory language of subsection (e) and deleted "or an attorney-in-fact named pursuant to a valid advance instruction for mental health treatment prior to their initiation" at the end of subsection (f), and made minor stylistic changes throughout.

CASE NOTES

Subsection (a) sets a level of care to which each person receiving services from a facility is entitled and if the person is no longer entitled to receive services, they have

no entitlement to treatment or care pursuant to this subsection. In re Royal, 128 N.C. App. 645, 495 S.E.2d 404 (1998).

§ 122C-58. Civil rights and civil remedies.

Except as otherwise provided in this Chapter, each adult client of a facility keeps the same right as any other citizen of North Carolina to exercise all civil rights, including the right to dispose of property, execute instruments, make purchases, enter into contractual relationships, register and vote, bring civil actions, and marry and get a divorce, unless the exercise of a civil right has been precluded by an unrevoked adjudication of incompetency. This section shall not be construed as validating the act of any client who was in fact incompetent at the time he performed the act. (1973, c. 475, s. 1; c. 1436, ss. 2-5; 1985, c. 589, s. 2.)

CASE NOTES

Editor's Note. — The case annotated below was decided under former statutory provisions.

Prisoners receiving mental health care were not covered by former § 122-36 (see now § 122C-3) and former § 122-55.2 (see now §§ 122C-53, 122C-58, and 122C-62); the statutes applied only to mental health patients who were not imprisoned with the Department of Correction. *Baugh v. Woodard*, 56 N.C. App. 180, 287 S.E.2d 412, cert. denied, 305 N.C. 759, 292 S.E.2d 574 (1982).

With respect to the rights of prisoners receiving care in facilities operated by the Department of Human Resources, § 143B-261.1 and the regulations adopted pursuant thereto apply, rather than former § 122-36 (see now § 122C-3) and former § 122-55.2 (see now §§ 122C-53, 122C-58, and 122C-62), as they do to those prisoners who remained in prison for their mental health care. *Baugh v. Woodard*, 56 N.C. App. 180, 287 S.E.2d 412, cert. denied, 305 N.C. 759, 292 S.E.2d 574 (1982).

§ 122C-59. Use of corporal punishment.

§ 122C-60. Use of physical restraints or seclusion.

(a) Physical restraint or seclusion of a client shall be employed only when there is imminent danger of abuse or injury to himself or others, when substantial property damage is occurring, or when the restraint or seclusion is necessary as a measure of therapeutic treatment. All instances of restraint or seclusion and the detailed reasons for such action shall be documented in the client's record. Each client who is restrained or secluded shall be observed frequently, and a written notation of the observation shall be made in the client's record.

(b) The Commission may adopt rules to implement this section. (1973, c. 475, s. 1; 1985, c. 589, s. 2.)

Editor's Note. — Session Laws 1997-443, s. 11.48, provides that the Commission for Mental Health, Developmental Disabilities, and Sub-

stance Abuse Services adopt temporary rules to implement the forensic treatment program at Dorothea Dix Hospital.

CASE NOTES

Standard of Liability. — Adopting the standard enunciated in *Youngberg v. Romeo*, 457 U.S. 307, 102 S. Ct. 2452, 73 L. Ed. 2d 28 (1982), the court held that so long as the requisite procedures were followed, and the decision to restrain a plaintiff, a voluntarily

admitted patient at a state mental hospital, was an exercise of professional judgment, the defendants were not liable to the plaintiff for their actions. *Alt v. Parker*, 112 N.C. App. 307, 435 S.E.2d 773 (1993).

§ 122C-61. Treatment rights in 24-hour facilities.

In addition to the rights set forth in G.S. 122C-57, each client who is receiving services at a 24-hour facility has the following rights:

- (1) The right to receive necessary treatment for and prevention of physical ailments based upon the client's condition and projected length of stay. The facility may seek to collect appropriate reimbursement for its costs in providing the treatment and prevention; and
- (2) The right to have, as soon as practical during treatment or habilitation but not later than the time of discharge, an individualized written discharge plan containing recommendations for further services designed to enable the client to live as normally as possible. A discharge plan may not be required when it is not feasible because of an unanticipated discontinuation of a client's treatment. With the consent of the client or his legally responsible person, the professionals responsible for the plans shall contact appropriate agencies at the client's destination or in his home community before formulating the recommendations. A copy of the plan shall be furnished to the client or to his legally responsible person and, with the consent of the client, to the client's next of kin. (1973, c. 475, s. 1; c. 1436, ss. 6, 7; 1981, c. 328, ss. 1, 2; 1985, c. 589, s. 2.)

§ 122C-62. Additional rights in 24-hour facilities.

(a) In addition to the rights enumerated in G.S. 122C-51 through G.S. 122C-61, each adult client who is receiving treatment or habilitation in a 24-hour facility keeps the right to:

- (1) Send and receive sealed mail and have access to writing material, postage, and staff assistance when necessary;
- (2) Contact and consult with, at his own expense and at no cost to the facility, legal counsel, private physicians, and private mental health, developmental disabilities, or substance abuse professionals of his choice; and

(3) Contact and consult with a client advocate if there is a client advocate. The rights specified in this subsection may not be restricted by the facility and each adult client may exercise these rights at all reasonable times.

(b) Except as provided in subsections (e) and (h) of this section, each adult client who is receiving treatment or habilitation in a 24-hour facility at all times keeps the right to:

- (1) Make and receive confidential telephone calls. All long distance calls shall be paid for by the client at the time of making the call or made collect to the receiving party;
- (2) Receive visitors between the hours of 8:00 a.m. and 9:00 p.m. for a period of at least six hours daily, two hours of which shall be after 6:00 p.m.; however visiting shall not take precedence over therapies;
- (3) Communicate and meet under appropriate supervision with individuals of his own choice upon the consent of the individuals;
- (4) Make visits outside the custody of the facility unless:

- a. Commitment proceedings were initiated as the result of the client's being charged with a violent crime, including a crime involving an assault with a deadly weapon, and the respondent was found not guilty by reason of insanity or incapable of proceeding;
- b. The client was voluntarily admitted or committed to the facility while under order of commitment to a correctional facility of the Department of Correction; or
- c. The client is being held to determine capacity to proceed pursuant to G.S. 15A-1002;

A court order may expressly authorize visits otherwise prohibited by the existence of the conditions prescribed by this subdivision;

- (5) Be out of doors daily and have access to facilities and equipment for physical exercise several times a week;
- (6) Except as prohibited by law, keep and use personal clothing and possessions, unless the client is being held to determine capacity to proceed pursuant to G.S. 15A-1002;
- (7) Participate in religious worship;
- (8) Keep and spend a reasonable sum of his own money;
- (9) Retain a driver's license, unless otherwise prohibited by Chapter 20 of the General Statutes; and
- (10) Have access to individual storage space for his private use.

(c) In addition to the rights enumerated in G.S. 122C-51 through G.S. 122C-57 and G.S. 122C-59 through G.S. 122C-61, each minor client who is receiving treatment or habilitation in a 24-hour facility has the right to have access to proper adult supervision and guidance. In recognition of the minor's status as a developing individual, the minor shall be provided opportunities to enable him to mature physically, emotionally, intellectually, socially, and vocationally. In view of the physical, emotional, and intellectual immaturity of the minor, the 24-hour facility shall provide appropriate structure, supervision and control consistent with the rights given to the minor pursuant to this Part. The facility shall also, where practical, make reasonable efforts to ensure that each minor client receives treatment apart and separate from adult clients unless the treatment needs of the minor client dictate otherwise.

Each minor client who is receiving treatment or habilitation from a 24-hour facility has the right to:

- (1) Communicate and consult with his parents or guardian or the agency or individual having legal custody of him;
- (2) Contact and consult with, at his own expense or that of his legally responsible person and at no cost to the facility, legal counsel, private physicians, private mental health, developmental disabilities, or substance abuse professionals, of his or his legally responsible person's choice; and
- (3) Contact and consult with a client advocate, if there is a client advocate. The rights specified in this subsection may not be restricted by the facility and each minor client may exercise these rights at all reasonable times.

(d) Except as provided in subsections (e) and (h) of this section, each minor client who is receiving treatment or habilitation in a 24-hour facility has the right to:

- (1) Make and receive telephone calls. All long distance calls shall be paid for by the client at the time of making the call or made collect to the receiving party;
- (2) Send and receive mail and have access to writing materials, postage, and staff assistance when necessary;
- (3) Under appropriate supervision, receive visitors between the hours of 8:00 a.m. and 9:00 p.m. for a period of at least six hours daily, two hours of which shall be after 6:00 p.m.; however visiting shall not take precedence over school or therapies;
- (4) Receive special education and vocational training in accordance with federal and State law;
- (5) Be out of doors daily and participate in play, recreation, and physical exercise on a regular basis in accordance with his needs;
- (6) Except as prohibited by law, keep and use personal clothing and possessions under appropriate supervision, unless the client is being held to determine capacity to proceed pursuant to G.S. 15A-1002;
- (7) Participate in religious worship;
- (8) Have access to individual storage space for the safekeeping of personal belongings;
- (9) Have access to and spend a reasonable sum of his own money; and
- (10) Retain a driver's license, unless otherwise prohibited by Chapter 20 of the General Statutes.

(e) No right enumerated in subsections (b) or (d) of this section may be limited or restricted except by the qualified professional responsible for the formulation of the client's treatment or habilitation plan. A written statement shall be placed in the client's record that indicates the detailed reason for the restriction. The restriction shall be reasonable and related to the client's treatment or habilitation needs. A restriction is effective for a period not to exceed 30 days. An evaluation of each restriction shall be conducted by the qualified professional at least every seven days, at which time the restriction may be removed. Each evaluation of a restriction shall be documented in the client's record. Restrictions on rights may be renewed only by a written statement entered by the qualified professional in the client's record that states the reason for the renewal of the restriction. In the case of an adult client who has not been adjudicated incompetent, in each instance of an initial restriction or renewal of a restriction of rights, an individual designated by the client shall, upon the consent of the client, be notified of the restriction and of the reason for it. In the case of a minor client or an incompetent adult client, the legally responsible person shall be notified of each instance of an initial restriction or renewal of a restriction of rights and of the reason for it. Notification of the designated individual or legally responsible person shall be documented in writing in the client's record.

(f) The Commission may adopt rules to implement subsection (e) of this section.

(g) With regard to clients being held to determine capacity to proceed pursuant to G.S. 15A-1002 or clients in a facility for substance abuse, and notwithstanding the prior provisions of this section, the Commission may adopt rules restricting the rights set forth under (b)(2), (b)(3), and (d)(3) of this section if restrictions are necessary and reasonable in order to protect the health, safety, and welfare of the client involved or other clients.

(h) The rights stated in subdivisions (b)(2), (b)(4), (b)(5), (b)(10), (d)(3), (d)(5) and (d)(8) may be modified in a general hospital by that hospital to be the same as for other patients in that hospital; provided that any restriction of a specific client's rights shall be done in accordance with the provisions of subsection (e) of this section. (1973, c. 475, s. 1; c. 1436, ss. 2-5, 8; 1985, c. 589, s. 2; 1989, c. 625, s. 10; 1995, c. 299, s. 2; 1997-456, s. 27.)

Editor's Note. — As the text that formerly made up this Article has been recodified as Part 1 of this article by Session Laws 1997-442, the

term "this Part" was substituted for "this Article" in the third sentence of subsection (c) by direction of the Revisor of Statutes.

CASE NOTES

Editor's Note. — *The case annotated below was decided under former statutory provisions.*

Prisoners receiving mental health care were not covered by former § 122-36 (see now § 122C-3) and former § 122-55.2 (see now §§ 122C-53, 122C-58, and 122C-62); the statutes applied only to mental health patients who were not imprisoned with the Department of Correction. *Baugh v. Woodard*, 56 N.C. App. 180, 287 S.E.2d 412, cert. denied, 305 N.C. 759, 292 S.E.2d 574 (1982).

With respect to the rights of prisoners receiving care in facilities operated by the Department of Human Resources, § 143B-261.1 and the regulations adopted pursuant thereto apply, rather than former § 122-36 (see now § 122C-3) and former § 122-55.2 (see now §§ 122C-53, 122C-58, and 122C-62), as they do to those prisoners who remained in prison for their mental health care. *Baugh v. Woodard*, 56 N.C. App. 180, 287 S.E.2d 412, cert. denied, 305 N.C. 759, 292 S.E.2d 574 (1982).

OPINIONS OF ATTORNEY GENERAL

Right to Choose Attorney. — A minor client who is receiving treatment or habilitation from a 24-hour facility, as that term is defined in § 122C-3(14)g, does not have the right to choose at his or her own expense or the expense of his or her legally responsible person, an attorney of the minor client's choice. The legally responsible person is the only one who can choose an attorney for the minor client unless the minor is over the age of 16 and emancipated. See opinion of Attorney General to C. Robin Britt, Sr., Secretary, Department of Human Resources, — N.C.A.G. — (December 20, 1995).

Protection of Child's Rights. — Although

a minor cannot obtain legal representation without the consent of the legally responsible person, the rights of the child can be adequately protected. First, the Department of Social Services can conduct an investigation of the legally responsible person pursuant to § 7A-542 et seq. [see now § 7B-300 et seq.], the guardian ad litem program can provide additional support for abused, neglected, or dependent juveniles, including legal support and, a minor receives representation for the commitment proceedings by virtue of § 122C-224.1 and § 122C-270. See opinion of Attorney General to C. Robin Britt, Sr., Secretary, Department of Human Resources, — N.C.A.G. — (December 20, 1995).

§ 122C-63. Assurance for continuity of care for individuals with mental retardation.

(a) Any individual with mental retardation admitted for residential care or treatment for other than respite or emergency care to any residential facility operated under the authority of this Chapter and supported all or in part by state-appropriated funds has the right to residential placement in an alternative facility if the client is in need of placement and if the original facility can no longer provide the necessary care or treatment.

(b) The operator of a residential facility providing residential care or treatment, for other than respite or emergency care, for individuals with mental retardation shall notify the area authority serving the client's county of residence of his intent to close a facility or to discharge a client who may be in need of continuing care at least 60 days prior to the closing or discharge.

The operator's notification to the area authority of intent to close a facility or to discharge a client who may be in need of continuing care constitutes the operator's acknowledgement of the obligation to continue to serve the client until:

- (1) The area authority determines that the client is not in need of continuing care;
- (2) The client is moved to an alternative residential placement; or
- (3) Sixty days have elapsed;

whichever occurs first.

In cases in which the safety of the client who may be in need of continuing care, of other clients, of the staff of the residential facility, or of the general public, is concerned, this 60-day notification period may be waived by securing an emergency placement in a more secure and safe facility. The operator of the residential facility shall notify the area authority that an emergency placement has been arranged within 24 hours of the placement. The area authority and the Secretary shall retain their respective responsibilities upon receipt of this notice.

(c) An individual who may be in need of continuing care may be discharged from a residential facility without further claim for continuing care against the area authority or the State if:

- (1) After the parent or guardian, if the client is a minor or an adjudicated incompetent adult, or the client, if an adult not adjudicated incompetent, has entered into a contract with the operator upon the client's admission to the original residential facility the parent, guardian, or client who entered into the contract refuses to carry out the contract, or
- (2) After an alternative placement for a client in need of continuing care is located, the parent or guardian who admitted the client to the residential facility, if the client is a minor or an adjudicated incompetent adult, or the client if an adult not adjudicated incompetent, refuses the alternative placement.

(d) Decisions made by the area authority regarding the need for continued placement or regarding the availability of an alternative placement of a client may be appealed pursuant to the appeals process of the area authority and subsequently to the Secretary or the Commission under their rules. If the appeal process extends beyond the operator's 60-day obligation to continue to serve the client, the Secretary shall arrange a temporary placement in a State facility for the mentally retarded pending the outcome of the appeal.

(e) The area authority that serves the county of residence of the client is responsible for assessing the need for continuity of care and for the coordination of the placement among available public and private facilities whenever the authority is notified that a client may be in need of continuing care. If an alternative placement is not available beyond the operator's 60-day obligation to continue to serve the client, the Secretary shall arrange for a temporary placement in a State facility for the mentally retarded. The area authority shall retain responsibility for coordination of placement during a temporary placement in a State facility.

(f) The Secretary is responsible for coordinative and financial assistance to the area authority in the performing of its duties to coordinate placement so as to assure continuity of care and for assuring a continuity of care placement beyond the operator's 60-day obligation period.

(g) The area authority's financial responsibility, through local and allocated State resources, is limited to:

- (1) Costs relating to the identification and coordination of alternative placements;
- (2) If the original facility is an area facility, maintenance of the client in the original facility for up to 60 days; and
- (3) Release of allocated categorical State funds used to support the care or treatment of the specific client at the time of alternative placement if the Secretary requires the release.

(h) In accordance with G.S. 143B-147(a)(1) the Commission shall develop programmatic rules to implement this section, and, in accordance with G.S. 122C-112(a)(6), the Secretary shall adopt budgetary rules to implement this section. (1981, c. 1012; 1985, c. 589, s. 2.)

§ 122C-64. Human rights committees.

Human rights committees responsible for protecting the rights of clients shall be established at each State facility and may be established for area authorities. The Commission shall adopt rules for the establishment of committees. These rules shall include the composition and duties of the committees and procedures for appointment of the members by the Secretary for State facilities and by the area board for area authorities. (1985, c. 589, s. 2.)

§ 122C-65. Offenses relating to clients.

(a) For the protection of clients receiving treatment or habilitation in a 24-hour facility, it is unlawful for any individual who is not a developmentally disabled client in a facility:

- (1) To assist, advise, or solicit, or to offer to assist, advise, or solicit a client of a facility to leave without authority;
- (2) To transport or to offer to transport a client of a facility to or from any place without the facility's authority;
- (3) To receive or to offer to receive a minor client of a facility into any place, structure, building, or conveyance for the purpose of engaging in any act that would constitute a sex offense, or to solicit a minor client of a facility to engage in any act that would constitute a sex offense;
- (4) To hide an individual who has left a facility without authority; or
- (5) To engage in, or offer to engage in an act with a client of a facility that would constitute a sex offense.

(b) Violation of this section is a Class 1 misdemeanor. (1899, c. 1, s. 53; Rev., s. 3694; C.S., s. 6171; 1963, c. 1184, ss. 1, 6; 1985, c. 589, s. 2; 1989, c. 625, s. 11; 1993, c. 539, s. 921; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 122C-66. Protection from abuse and exploitation; reporting.

(a) An employee of or a volunteer at a facility who, other than as a part of generally accepted medical or therapeutic procedure, knowingly causes pain or injury to a client or borrows or takes personal property from a client is guilty of a Class 1 misdemeanor. Any employee or volunteer who uses reasonable force to carry out the provisions of G.S. 122C-60 or to protect himself or others from a violent client does not violate this subsection.

(b) An employee of a facility who witnesses or has knowledge of a violation of subsection (a) or of an accidental injury to a client shall report the violation

or accidental injury to authorized personnel designated by the facility. No employee making a report may be threatened or harassed by any other employee or volunteer on account of the report. Violation of this subsection is a Class 3 misdemeanor punishable only by a fine, not to exceed five hundred dollars (\$500.00).

(c) The identity of an individual who makes a report under this section or who cooperates in an ensuing investigation may not be disclosed without his consent, except to persons authorized by the facility or by State or federal law to investigate or prosecute these incidents, or in a grievance or personnel hearing or civil or criminal action in which a reporting individual is testifying, or when disclosure is legally compelled or authorized by judicial discovery. This subsection shall not be interpreted to require the disclosure of the identity of an individual where it is otherwise prohibited by law.

(d) An employee who makes a report in good faith under this section is immune from any civil liability that might otherwise occur for the report. In any case involving liability, making of a report under this section is prima facie evidence that the maker acted in good faith.

(e) The duty imposed by this section is in addition to any duty imposed by G.S. 7B-301 or G.S. 108A-102.

(f) The facility shall investigate or provide for the investigation of all reports made under the provisions of this section. (1985, c. 589, s. 2; 1993, c. 539, ss. 922, 923; 1994, Ex. Sess., c. 24, s. 14(c); 1998-202, s. 13(ee).)

Effect of Amendments. — The 1998 amendment, effective July 1, 1999, and applicable to acts committed on or after that date,

substituted "G.S. 7B-301" for "G.S. 7A-543" in subsection (e).

CASE NOTES

Cause of Action Under Section. — While this section requires reporting of known or suspected abuse of patients in facilities subject to the licensing requirements of this Chapter, such as the Alcohol Rehabilitation Center, the language of this provision does not create a cause of action for retaliatory discharge against an employer by an employee discharged in retaliation for reporting suspected patient abuse. *Lenzer v. Flaherty*, 106 N.C. App. 496,

418 S.E.2d 276, cert. denied, 332 N.C. 345, 421 S.E.2d 348 (1992).

Discharge resulting from a report made pursuant to this section would give rise to a cause of action for wrongful discharge under the public policy exception to the at-will doctrine. *Lenzer v. Flaherty*, 106 N.C. App. 496, 418 S.E.2d 276, cert. denied, 332 N.C. 345, 421 S.E.2d 348 (1992).

§ 122C-67. Other rules regarding abuse, exploitation, neglect not prohibited.

G.S. 122C-66 does not prohibit the Commission from adopting rules for State and area facilities and does not prohibit other facilities from issuing policies regarding other forms of prohibited abuse, exploitation, or neglect. (1985, c. 589, s. 2.)

§§ 122C-68 through 122C-70: Reserved for future codification purposes.

Part 2. Advance Instruction for Mental Health Treatment.

§ 122C-71. Purpose.

(a) The General Assembly recognizes as a matter of public policy the fundamental right of an individual to control the decisions relating to the individual's mental health care.

(b) The purpose of this Part is to establish an additional, nonexclusive method for an individual to exercise the right to consent to or refuse mental health treatment when the individual lacks sufficient understanding or capacity to make or communicate mental health treatment decisions.

(c) This Part is intended and shall be construed to be consistent with the provisions of Article 3 of Chapter 32A of the General Statutes, provided that in the event of a conflict between the provisions of this Part and Article 3 of Chapter 32A, the provisions of this Part control. (1997-442, s. 2; 1998-198, s. 2.)

Editor's Note. — Session Laws 1997-442, s. 4, made this Part effective January 1, 1998.

Effect of Amendments. — The 1998 amendment, effective October 1, 1998, substituted "mental health care" for "medical care,

and that this right may be exercised on behalf of the individual by an agent chosen by the individual" in subsection (a).

§ 122C-72. Definitions.

As used in this Part, unless the context clearly requires otherwise, the following terms have the meanings specified:

- (1) "Advance instruction for mental health treatment" or "advance instruction" means a written instrument, signed in the presence of two qualified witnesses who believe the principal to be of sound mind at the time of the signing, and acknowledged before a notary public, pursuant to which the principal makes a declaration of instructions, information, and preferences regarding the principal's mental health treatment and states that the principal is aware that the advance instruction authorizes a mental health treatment provider to act according to the instruction. It may also state the principal's instructions regarding, but not limited to, consent to or refusal of mental health treatment when the principal is incapable.
- (2) "Attending physician" means the physician who has primary responsibility for the care and treatment of the principal.
- (3) Repealed by Session Laws 1998-198, s. 2, effective October 1, 1998.
- (4) "Incapable" means that, in the opinion of a physician or eligible psychologist, the person currently lacks sufficient understanding or capacity to make and communicate mental health treatment decisions. As used in this Part, the term "eligible psychologist" has the meaning given in G.S. 122C-3(13d).
- (5) "Mental health treatment" means the process of providing for the physical, emotional, psychological, and social needs of the principal for the principal's mental illness. "Mental health treatment" includes, but is not limited to, electroconvulsive treatment (ECT), commonly referred to as "shock treatment", treatment of mental illness with psychotropic medication, and admission to and retention in a facility for care or treatment of mental illness.
- (6) "Principal" means the person making the advance instruction.
- (7) "Qualified witness" means a witness who affirms that the principal is personally known to the witness, that the principal signed or acknowledged the principal's signature on the advance instruction in the

presence of the witness, that the witness believes the principal to be of sound mind and not to be under duress, fraud, or undue influence, and that the witness is not:

- a. The attending physician or mental health service provider or an employee of the physician or mental health treatment provider;
- b. An owner, operator, or employee of an owner or operator of a health care facility in which the principal is a patient or resident; or
- c. Related within the third degree to the principal or to the principal's spouse. (1997-442, s. 2; 1998-198, s. 2.)

Effect of Amendments. — The 1998 amendment, effective October 1, 1998, rewrote subdivision (1); repealed subdivision (3), which defined "Attorney in fact"; rewrote subdivision

(4); in subdivision (7), inserted "mental health treatment" in a., substituted "employee" for "relative" in a. and b., and added c.; and made stylistic changes.

§ 122C-73. Scope, use, and authority of advance instruction for mental health treatment.

(a) Any adult of sound mind may make an advance instruction regarding mental health treatment. The advance instruction may include consent to or refusal of mental health treatment.

(b) An advance instruction may include, but is not limited to, the names and telephone numbers of individuals to be contacted in case of a mental health crisis, situations that may cause the principal to experience a mental health crisis, responses that may assist the principal to remain in the principal's home during a mental health crisis, the types of assistance that may help stabilize the principal if it becomes necessary to enter a facility, and medications that the principal is taking or has taken in the past and the effects of those medications.

(c) An individual shall not be required to execute or to refrain from executing an advance instruction as a condition for insurance coverage, as a condition for receiving mental or physical health services, as a condition for receiving privileges while in a facility, or as a condition of discharge from a facility.

(c1) A principal, through an advance instruction, may grant or withhold authority for mental health treatment, including, but not limited to, the use of psychotropic medication, electroconvulsive treatment, and admission to and retention in a facility for the care or treatment of mental illness.

(d) A principal may nominate, by advance instruction for mental health treatment, the guardian of the person of the principal if a guardianship proceeding is thereafter commenced. The court shall make its appointment in accordance with the principal's most recent nomination in an unrevoked advance instruction for mental health treatment, except for good cause shown.

(e) If, following the execution of an advance instruction for mental health treatment, a court of competent jurisdiction appoints a guardian of the person of the principal, or a general guardian with powers over the person of the principal, the guardian shall follow the advance instruction consistent with G.S. 35A-1201(a)(5).

(f) An advance instruction for mental health treatment may be combined with a health care power of attorney or general power of attorney that is executed in accordance with the requirements of Chapter 32A of the General Statutes so long as each form shall be executed in accordance with its own statute. (1997-442, s. 2; 1998-198, s. 2.)

Effect of Amendments. — The 1998 amendment, effective October 1, 1998, deleted

the last sentence of subsection (a), which read: "The advance instruction may also appoint an

attorney-in-fact"; substituted "An individual" added present subsection (c1); and rewrote subsection for "A person" at the beginning of subsection (c); sections (e) and (f).

§ 122C-74. Effectiveness and duration; revocation.

(a) A validly executed advance instruction becomes effective upon its proper execution and remains valid unless revoked.

(b) The attending physician or other mental health treatment provider may consider valid and rely upon an advance instruction in the absence of actual knowledge of its revocation or invalidity.

(c) An attending physician or other mental health treatment provider may presume that a person who executed an advance instruction in accordance with this Part was of sound mind and acted voluntarily when he or she executed the advance instruction.

(d) An attending physician or other mental health treatment provider shall act in accordance with an advance instruction when the principal has been determined to be incapable. If a patient is incapable, an advance instruction executed in accordance with this Article is presumed to be valid.

(e) The attending physician or mental health treatment provider shall continue to obtain the principal's informed consent to all mental health treatment decisions when the principal is capable of providing informed consent or refusal, as required by G.S. 122C-57. Unless the principal is deemed incapable by the attending physician or eligible psychologist, the instructions of the principal at the time of treatment shall supersede the declarations expressed in the principal's advance instruction.

(f) The fact of a principal's having executed an advance instruction shall not be considered an indication of a principal's capacity to make or communicate mental health treatment decisions at such times as those decisions are required.

(g) Upon being presented with an advance instruction, an attending physician or other mental health treatment provider shall make the advance instruction a part of the principal's medical record. When acting under authority of an advance instruction, an attending physician or other mental health treatment provider shall comply with the advance instruction unless:

- (1) Compliance, in the opinion of the attending physician or other mental health treatment provider, is not consistent with generally accepted community practice standards of treatment to benefit the principal;
- (2) Compliance is not consistent with the availability of treatments requested;
- (3) Compliance is not consistent with applicable law;
- (4) The principal is committed to a 24-hour facility pursuant to Article 5 of Chapter 122C of the General Statutes, and treatment is authorized in compliance with G.S. 122C-57 and rules adopted pursuant to it; or
- (5) Compliance, in the opinion of the attending physician or other mental health treatment provider, is not consistent with appropriate treatment in case of an emergency endangering life or health.

In the event that one part of the advance instruction is unable to be followed because of one or more of the above, all other parts of the advance instruction shall nonetheless be followed.

(h) If the attending physician or other mental health treatment provider is unwilling at any time to comply with any part or parts of an advance instruction for one or more of the reasons set out in subdivisions (1) through (5) of subsection (g), the attending physician or other mental health care treatment provider shall promptly notify the principal and, if applicable, the health care agent and shall document the reason for not complying with the advance instruction and shall document the notification in the principal's medical record.

(i) An advance instruction does not limit any authority provided in Article 5 of G.S. 122C either to take a person into custody, or to admit, retain, or treat a person in a facility.

(j) An advance instruction may be revoked at any time by the principal so long as the principal is not incapable. The principal may exercise this right of revocation in any manner by which the principal is able to communicate an intent to revoke and by notifying the revocation to the treating physician or other mental health treatment provider. The attending physician or other mental health treatment provider shall note the revocation as part of the principal's medical record. (1997-442, s. 2; 1998-198, s. 2.)

Effect of Amendments. — The 1998 amendment, effective October 1, 1998, rewrote this section.

§ 122C-75. Reliance on advance instruction for mental health treatment.

(a) An attending physician or eligible psychologist who in good faith determines that the principal is or is not incapable for the purpose of deciding whether to proceed or not to proceed according to an advance instruction, is not subject to criminal prosecution, civil liability, or professional disciplinary action for making and acting upon that determination.

(b) In the absence of actual knowledge of the revocation of an advance instruction, no attending physician or other mental health treatment provider shall be subject to criminal prosecution or civil liability or be deemed to have engaged in unprofessional conduct as a result of the provision of treatment to a principal in accordance with this Part unless the absence of actual knowledge resulted from the negligence of the attending physician or mental health treatment provider.

(c) An attending physician or mental health treatment provider who administers or does not administer mental health treatment according to and in good faith reliance upon the validity of an advance instruction is not subject to criminal prosecution, civil liability, or professional disciplinary action resulting from a subsequent finding of an advance instruction's invalidity.

(d) No attending physician or mental health treatment provider who administers or does not administer treatment under authorization obtained pursuant to this Part shall incur liability arising out of a claim to the extent that the claim is based on lack of informed consent or authorization for this action.

(e) This section shall not be construed as affecting or limiting any liability that arises out of a negligent act or omission in connection with the medical diagnosis, care, or treatment of a principal under an advance instruction or that arises out of any deviation from reasonable medical standards. (1997-442, s. 2; 1998-198, s. 2.)

Effect of Amendments. — The 1998 amendment, effective October 1, 1998, rewrote this section.

§ 122C-76. Penalty.

§ 122C-77. Statutory form for advance instruction for mental health treatment.

NOTICE TO PERSON MAKING AN INSTRUCTION FOR MENTAL HEALTH TREATMENT

This is an important legal document. It creates an instruction for mental health treatment. Before signing this document you should know these important facts:

This document allows you to make decisions in advance about certain types of mental health treatment. The instructions you include in this declaration will be followed if a physician or eligible psychologist determines that you are incapable of making and communicating treatment decisions. Otherwise you will be considered capable to give or withhold consent for the treatments. Your instructions may be overridden if you are being held in accordance with civil commitment law. Under the Health Care Power of Attorney you may also appoint a person as your health care agent to make treatment decisions for you if you become incapable. You have the right to revoke this document at any time you have not been determined to be incapable. **YOU MAY NOT REVOKE THIS ADVANCE INSTRUCTION WHEN YOU ARE FOUND INCAPABLE BY A PHYSICIAN OR OTHER AUTHORIZED MENTAL HEALTH TREATMENT PROVIDER.** A revocation is effective when it is communicated to your attending physician or other provider. The physician or other provider shall note the revocation in your medical record. To be valid, this advance instruction must be signed by two qualified witnesses, personally known to you, who are present when you sign or acknowledge your signature. It must also be acknowledged before a notary public.

NOTICE TO PHYSICIAN OR OTHER MENTAL HEALTH TREATMENT PROVIDER

Under North Carolina law, a person may use this advance instruction to provide consent for future mental health treatment if the person later becomes incapable of making those decisions. Under the Health Care Power of Attorney

the person may also appoint a health care agent to make mental health treatment decisions for the person when incapable. A person is "incapable" when in the opinion of a physician or eligible psychologist the person currently lacks sufficient understanding or capacity to make and communicate mental health treatment decisions. This document becomes effective upon its proper execution and remains valid unless revoked. Upon being presented with this advance instruction, the physician or other provider must make it a part of the person's medical record. The attending physician or other mental health treatment provider must act in accordance with the statements expressed in the advance instruction when the person is determined to be incapable, unless compliance is not consistent with G.S. 122C-74(g). The physician or other mental health treatment provider shall promptly notify the principal and, if applicable, the health care agent, and document noncompliance with any part of an advance instruction in the principal's medical record. The physician or other mental health treatment provider may rely upon the authority of a signed, witnessed, dated, and notarized advance instruction, as provided in G.S. 122C-75.

Funds appropriated for the 1990-91 fiscal year or for any year in the future do not constitute any entitlement to services beyond those provided for that fiscal year. Nothing in this act creates any rights except to the extent that funds are appropriated by the State to implement its provisions from year to year and nothing in this act obligates the General Assembly to appropriate any funds to implement its provisions.” An appropriation was made to implement the provisions of this act in the 1989 (Reg. Area Authority to assess the feasibility of combining with another existing area authority.

Session Laws 1997-443, s. 35.2, provides: “Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1997-99 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1997-99 fiscal biennium.”

Session Laws 1997-443, s. 1.1, provides: “This act shall be known as ‘The Current Operations and Capital Improvements Appropriations Act of 1997’.”

Session Laws 1998-212, s. 1.1 provides: “The act shall be known as the ‘Current Operations Appropriations and Capital Improvement Appropriations Act of 1998’.”

Session Laws 1998-212, s. 30.2 provides: “Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1998-99 fiscal year, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1998-99 fiscal year.”

A significant deterioration of fund balance is defined as a twenty-five percent (25%) decrease in the balance from one fiscal year to the next without the prior approval of the Department. Area authorities shall report any such revenue or expenditure variance or deterioration in fund balance to the Department of Health and Human Services within 30 days of its occurrence. In the event that funding is suspended, the Department, after providing written notification of its intent to the area board and after providing the area authority an opportunity to be heard, may contract with, and make payments of Department funds on an interim basis directly to, a contract provider of the area authority to avoid the disruption of direct services to clients.

(b) If the Secretary determines that an area authority is not providing minimally adequate services, in accordance with its annual service plan, to persons in need in a timely manner, or fails to demonstrate reasonable efforts to do so, the Secretary, after providing written notification of the Secretary's intent to the area board and after providing the area authority an opportunity to be heard, may withhold funding for the particular service or services in question from the area authority and insure the provision of these services

through contracts with public or private agencies or by direct operation by the Department.

(c) Upon suspension of funding, the Department shall, in conjunction with the area authority, develop and implement a corrective plan of action and provide notification to the area authority's board of directors of the plan. The Department shall also keep the county board of commissioners and the area authority's board of directors informed of any ongoing concerns or problems with the area authority's finances or delivery of services. (1995, c. 507, s. 23.2; 1995 (Reg. Sess., 1996), c. 749, s. 6; 1997-443, s. 11A.118(a).)

§ 122C-125. Area Authority financial failure; State assumption of financial control.

At any time that the Secretary of the Department of Health and Human Services determines that an area authority is in imminent danger of failing financially and of failing to provide direct services to clients, the Secretary, after providing written notification of the Secretary's intent to the area board and after providing the area authority an opportunity to be heard, may assume control of the financial affairs of the area authority and appoint an administrator to exercise the powers assumed. This assumption of control shall have the effect of divesting the area authority of its powers as to the adoption of budgets, expenditures of money, and all other financial powers conferred in the area authority by law. County funding of the area authority shall continue when the State has assumed control of the financial affairs of the area authority. At no time after the State has assumed this control shall a county withdraw funds previously obligated or appropriated to the area authority. The Secretary shall adopt rules to define imminent danger of failing financially and of failing to provide direct services to clients.

Upon assumption of financial control, the Department shall, in conjunction with the area authority, develop and implement a corrective plan of action and provide notification to the area authority's board of directors of the plan. The Department shall also keep the county board of commissioners and the area authority's board of directors informed of any ongoing concerns or problems with the area authority's finances. (1995, c. 507, s. 23.2; 1995 (Reg. Sess., 1996), c. 749, s. 7; 1997-443, s. 11A.118(a).)

§ 122C-125.1. Area Authority failure to provide services; State assumption of service delivery.

At any time that the Secretary determines that an area authority is not providing minimally adequate services, in accordance with its annual service plan, to persons in need in a timely manner, or fails to demonstrate reasonable efforts to do so, the Secretary, after providing written notification of the Secretary's intent to the area board and providing the area authority an opportunity to be heard, may assume control of the particular service in question or of the area authority and appoint an administrator to exercise the powers assumed. This assumption of control shall have the effect of divesting the area authority of its powers in G.S. 122C-117 and all other service delivery powers conferred in the area authority by law as they pertain to this service. County funding of the area authority shall continue when the State has assumed control of a service area or of the area authority. At no time after the State has assumed this control shall a county withdraw funds previously obligated or appropriated to the area authority.

Upon assumption of control of service delivery, the Department shall, in conjunction with the area authority, develop and implement a corrective plan of action and provide notification to the area authority's board of directors of

the plan. The Department shall also keep the county board of commissioners and the area authority's board of directors informed of any ongoing concerns or problems with the area authority's delivery of services. (1995 (Reg. Sess., 1996), c. 749, s. 8.)

§ 122C-126. Area authority caretakers appointed.

In the event that an area authority fails to comply with the corrective plan of action required pursuant to G.S. 122C-124 when funding is suspended, pursuant to G.S. 122C-125 when the State assumes financial control of the area authority, or pursuant to G.S. 122C-125.1 when the State assumes control of service delivery, the Secretary, after providing written notification of the Secretary's intent to the area board, shall appoint a caretaker administrator, a caretaker board of directors, or both.

The Secretary may assign any of the powers and duties of the director of the area authority and of the board of directors and the caretaker board to the caretaker administrator as it deems necessary and appropriate to continue to provide direct services to clients, including the powers as to the adoption of budgets, expenditures of money, and all other financial powers conferred on the area authority by law. County funding of the area authority shall continue when the State has assumed control of the financial affairs of the area authority. At no time after the State has assumed this control shall a county withdraw funds previously obligated or appropriated to the area authority. The caretaker administrator and the caretaker board shall perform all of these powers and duties. The Secretary may terminate the contract of any director when it appoints a caretaker administrator. The Administrative Procedure Act shall apply to any such decision. Neither party to any such contract shall be entitled to damages.

After a caretaker board has been appointed, the General Assembly shall consider, at its next regular session, the future governance of the identified area authority. (1995, c. 507, s. 23.2; 1995 (Reg. Sess., 1996), c. 749, s. 9.)

Part 2A. Consolidated Human Services.

§ 122C-127. Consolidated human services board; human services director.

(a) Except as otherwise provided by this section and subject to any limitations that may be imposed by the board of county commissioners under G.S. 153A-77, a consolidated human services agency shall have the responsibility and authority set forth in G.S. 122C-117(a) to carry out the programs established in this Chapter in conformity with the rules and regulations of the Department and under the supervision of the Secretary in the same manner as an area authority. In addition to the powers conferred by G.S. 153A-77(d), a consolidated human services board shall have all the powers and duties of the governing unit of an area authority as provided by G.S. 122C-117(b), except that the consolidated human services board may not:

- (1) Appoint the human services director.
- (2) Transmit or present the budget for social services programs.
- (3) Enter into contracts, including contracts to provide services to governmental or private entities, unless specifically authorized to do so by the board of county commissioners in accordance with county contracting policies and procedures.

(b) In addition to the powers conferred by G.S. 153A-77(e), a human services director shall have all the powers and duties of an area director as provided by G.S. 122C-121, except that the human services director may:

- (1) Serve as the executive officer of the consolidated human services board only to the extent and in the manner authorized by the county manager.
- (2) Appoint staff of the consolidated human services agency only upon the approval of the county manager.

The human services director is not an employee of the area board, but serves as an employee of the county under the direct supervision of the county manager. (1995 (Reg. Sess., 1996), c. 690, s. 12.)

§§ 122C-128 through 122C-130: Reserved for future codification purposes.

Part 3. Service Delivery System.

§ 122C-131. Composition of system.

Mental health, developmental disabilities, and substance abuse services of the public system in this State shall be delivered through area authorities and State facilities. (1985, c. 589, s. 2; 1989, c. 625, s. 15.)

§ 122C-132. Single portal of entry and exit designation for mental health and substance abuse facilities.

(a) The public system should provide for a single portal of entry and exit policy for State and area mental health and substance abuse facilities. In order to accomplish this objective, an area authority desiring designation as a single portal area shall present to the Secretary a single portal of entry and exit plan approved by the area board. The decision as to whether to choose to submit a plan is in the discretion of the area authority after weighing the policy goal stated in this subsection and in G.S. 122C-101. The single portal of entry and exit policy for State and area mental health and substance abuse facilities does not preclude those individuals who have the resources to pay for the cost of inpatient hospital care without the use of any (i) public funds appropriated to the area authority or (ii) Medicaid funds from selecting a facility for treatment and care which is different from that designated by the area authority in its single portal plan.

(b) In order for a single portal area to be designated, the single portal of entry and exit plan shall be subject to approval by the Secretary. Once an area is designated by the Secretary as a single portal area, any changes to the plan shall be subject to approval by the Secretary. In order for a single portal plan approved before July 1, 1996, to remain in force, it shall be reviewed by the area authority, show evidence of renewal of the agreements provided for in subdivision (c)(5) below, and be reapproved by the Secretary after July 1, 1996.

(c) The plan shall include but not be limited to:

- (1) A specific listing of facilities to be covered by the single portal of entry and exit plan;
- (2) Procedures for review of individuals to be admitted to or discharged from State and area facilities;

- (3) Procedures for shared responsibility when individuals are admitted directly to a State facility;
 - (3a) Procedures for treatment of mentally retarded individuals with mental illness who are committed to a 24-hour facility;
 - (4) Evidence of incorporation of these plans within the contracts between the area authority and the State facilities as required by G.S. 122C-143(c) and with other public and private agencies as required in G.S. 122C-141;
 - (5) Evidence of cooperative arrangements with local law enforcement, local courts, and the local medical society; and
 - (6) Procedures for review of citizen complaints.
- (d) Residents of a county in a designated single portal area who do not have the resources to pay for the cost of inpatient hospital care without the use of any (i) public funds appropriated to the area authority or (ii) Medicaid funds shall be admitted to or discharged from State and area facilities through the area authority as described in the area's single portal of entry and exit policy. (1977, c. 568, s. 1; c. 679, s. 7; 1979, c. 358, ss. 1, 2, 12; 1981, c. 51, ss. 3, 4; c. 539, s. 1; 1983, c. 280; c. 383, ss. 1-3; 1985, c. 589, s. 2; 1993, c. 396, s. 4(a), (b); 1995 (Reg. Sess., 1996), c. 739, s. 1.)

Editor's Note. — Section 122C-143, referred to in subdivision (c)(4), was repealed by Session Laws 1993, c. 321, s. 220(d), effective July 1, 1993.

Session Laws 1995 (Reg. Sess., 1996), c. 739, s. 15, effective January 1, 1997, and applicable to commitments on or after that date, provides:

"Nothing in this act shall require hospitals licensed under G.S. 131E or G.S. 122C to contract with area mental health, developmental disabilities, and substance abuse authorities to provide inpatient or outpatient treatment for persons who are mentally retarded with mental illness."

§ 122C-132.1. Single portal of entry and exit designation for public and private services for individuals with developmental disabilities.

(a) The public system shall, in cooperation with private providers, provide for a single portal of entry and exit policy for services for individuals with developmental disabilities. An area authority shall present to the Secretary a single portal of entry and exit plan for services for individuals with developmental disabilities that has been approved by the area board. Area authorities are encouraged to use community interagency councils in the development and implementation of single portal of entry and exit policies. For purposes of this section, services for individuals with developmental disabilities shall include 24-hour and day/night services for individuals with developmental disabilities operated under the authority of this Chapter, Chapters 131D-2, Part 1 of Article 6 of Chapter 131E of the General Statutes, Article 7 of Chapter 110 of the General Statutes, rules of the Division of Vocational Rehabilitation Services, and rules of the Social Services Commission.

(b) In order for a single portal area to be designated, the single portal of entry and exit plan shall be subject to approval by the Secretary. Once an area is designated by the Secretary as a single portal area, any changes to the plan shall be subject to approval by the Secretary. However, an approved plan and designation as a single portal area shall remain in force pending approval of any changes.

(c) The plan shall include:

- (1) A specific listing of services for individuals with developmental disabilities to be covered by the single portal of entry and exit plan;
- (2) Procedures for review of individuals to be admitted to or discharged from services for individuals with developmental disabilities;

- (3) Procedures for shared responsibility when individuals are admitted directly to a State facility;
- (4) Evidence of incorporation of these plans within the contracts between the area authority and the State facilities as required by G.S. 122C-143(c) and with other public and private agencies as required in G.S. 122C-141;
- (5) Evidence of cooperative arrangements with services for individuals with developmental disabilities not otherwise under contract with the area authorities;
- (6) Procedures for review of facility and citizen complaints;
- (7) Provisions for services funded jointly by area authorities and local education agencies; and
- (8) Provisions for services funded jointly by area authorities and the Division of Vocational Rehabilitation Services.

When the services described in subdivisions (7) and (8) of this subsection are not funded jointly, these services shall not be part of the plan prescribed in this subsection. The local education agencies and the Division of Vocational Rehabilitation Services upon receipt of a written request shall notify annually the appropriate area authority of the projected number of individuals with developmental disabilities needing day/night and 24-hour services who are not otherwise included in the plan. (1993, c. 396, s. 5; 1997-456, s. 27.)

Editor's Note. — Section 122C-143, referred to in subdivision (c)(4), was repealed by Session Laws 1993, c. 321, s. 220(d), effective July 1, 1993.

A reference in subsection (a) to "Part A of Article 6 of Chapter 131E" was changed to "Part 1 of Article 6 of Chapter 131E" pursuant

to Session Laws 1997-456, s. 27, which authorized the Revisor of Statutes to renumber or reletter sections or parts of sections having a number or letter designation that is incompatible with the General Assembly's computer database.

§§ 122C-133 through 122C-140: Reserved for future codification purposes.

Part 4. Area Facilities.

§ 122C-141. Provision of services.

(a) The area authority may provide services directly and may contract with other public or private agencies, institutions, or resources for the provision of services.

(b) All area authority services provided directly or under contract shall meet the requirements of applicable State statutes and the rules of the Commission and the Secretary. The Secretary may delay payments and, with written notification of cause, may reduce or deny payment of funds if an area authority fails to meet these requirements.

(c) The area authority may contract with a health maintenance organization, certified and operating in accordance with the provisions of Article 67 of Chapter 58 of the General Statutes for the area authority, to provide mental health, developmental disabilities, or substance abuse services to enrollees in a health care plan provided by the health maintenance organization. The terms of the contract must meet the requirements of all applicable State statutes and rules of the Commission and Secretary governing both the provision of services by an area authority and the general and fiscal operation of an area authority and the reimbursement rate for services rendered shall be based on the usual and customary charges paid by the health maintenance organization to similar providers. Any provision in conflict with a State statute

or rule of the Commission or the Secretary shall be void; however, the presence of any void provision in that contract does not render void any other provision in that contract which is not in conflict with a State statute or rule of the Commission or the Secretary. Subject to approval by the Secretary and pending the timely reimbursement of the contractual charges, the area authority may expend funds for costs which may be incurred by the area authority as a result of providing the additional services under a contractual agreement with a health maintenance organization. (1977, c. 568, s. 1; c. 679, s. 7; 1979, c. 358, ss. 7, 18; 1981, c. 51, s. 3; c. 539, ss. 3, 4; c. 614, s. 7; 1985, c. 589, s. 2; 1987, c. 839; 1989, c. 625, s. 16.)

§ 122C-142. Contract for services.

(a) When the area authority contracts with persons for the provision of services, the area authority shall assure that these contracted services meet the requirements of applicable State statutes and the rules of the Commission and the Secretary. Terms of the contract shall require the area authority to monitor the contract to assure that rules and State statutes are met. The Secretary may also monitor contracted services to assure that rules and State statutes are met.

(b) When the area authority contracts for services, it may provide funds to purchase liability insurance, to provide legal representation, and to pay any claim with respect to liability for acts, omissions, or decisions by members of the boards or employees of the persons with whom the area authority contracts. These acts, omissions, and decisions shall be ones that arise out of the performance of the contract and may not result from actual fraud, corruption, or actual malice on the part of the board members or employees. (1977, c. 568, s. 1; c. 679, s. 7; 1979, c. 358, s. 18; 1981, c. 51, s. 3; c. 539, ss. 3, 4; 1985, c. 589, s. 2.)

§ 122C-142.1. Substance abuse services for those convicted of driving while impaired or driving while less than 21 years old after consuming alcohol or drugs.

(a) Services. — An area authority shall provide, directly or by contract, the substance abuse services needed by a person to obtain a certificate of completion required under G.S. 20-17.6 as a condition for the restoration of a drivers license. A person may obtain the required services from an area facility, from a private facility that has complied with this subsection, or, with the approval of the Department, from an agency that is located in another state. Before a private facility located in this State provides the substance abuse services needed by a person to obtain a certificate of completion, the facility shall notify both the designated area facility for the catchment area in which it is located and the Department of its intent to provide the services and shall agree to comply with the laws and rules concerning these services that apply to area facilities.

(b) Assessments. — To conduct a substance abuse assessment, a facility shall give a client a standardized test approved by the Department to determine chemical dependency and shall conduct a clinical interview with the client. Based on the assessment, the facility shall recommend that the client either attend an alcohol and drug education traffic (ADET) school or obtain treatment. A recommendation shall be reviewed and signed by a certified alcoholism, drug abuse, or substance abuse counselor, as defined by the Commission, a Certified Substance Abuse Counselor, or by a physician certified by the American Society of Addiction Medicine (ASAM).

(c) School or Treatment. — Attendance at an ADET school is required if none of the following applies and completion of a treatment program is required if any of the following applies:

- (1) The person took a chemical test at the time of the offense that caused the person's license to be revoked and the test revealed that the person had an alcohol concentration at any relevant time after driving of at least 0.15.
- (2) The person has a prior conviction of an offense involving impaired driving.
- (3) The substance abuse assessment identifies a substance abuse disability.

(d) Standards. — An ADET school shall offer the curriculum established by the Commission and shall comply with the rules adopted by the Commission. A substance abuse treatment program offered to a person who needs the program to obtain a certificate of completion shall comply with the rules adopted by the Commission.

(e) Certificate of Completion. — Any facility that issues a certificate of completion shall forward the original certificate of completion to the Department. The Department shall review the certificate of completion for accuracy and completeness. If the Department finds the certificate of completion to be accurate and complete, the Department shall forward it to the Division of Motor Vehicles of the Department of Transportation. If the Department finds the certificate of completion is not accurate or complete, the Department shall return the certificate of completion to the area facility for appropriate action.

(f) Fees. — A person who has a substance abuse assessment conducted for the purpose of obtaining a certificate of completion shall pay to the assessing agency a fee of fifty dollars (\$50.00). A person shall pay to a treatment facility or school a fee of seventy-five dollars (\$75.00). If the defendant is treated by an area mental health facility, G.S. 122C-146 applies after receipt of the seventy-five dollar (\$75.00) fee.

A facility that provides to a person who is required to obtain a certificate of completion a substance abuse assessment, an ADET school, or a substance abuse treatment program may require the person to pay a fee required by this subsection before it issues a certificate of completion. As stated in G.S. 122C-146, however, an area facility may not deny a service to a person because the person is unable to pay.

An area facility shall remit to the Department five percent (5%) of each fee paid to the area facility under this subsection by a person who attends an ADET school conducted by the area facility. The Department may use amounts remitted to it under this subsection only to support, evaluate, and administer ADET schools.

(g) Out-of-State Services. — A person may obtain a substance abuse service needed to obtain a certificate of completion from a provider located in another state if the service offered by that provider is substantially similar to the service offered by a provider located in this State. A person who obtains a service from a provider located in another state is responsible for paying any fees imposed by the provider.

(h) Rules. — The Commission may adopt rules to implement this section. In developing rules for determining when a person needs to be placed in a substance abuse treatment program, the Commission shall consider diagnostic criteria such as those contained in the most recent revision of the Diagnostic and Statistical Manual or used by the American Society of Addiction Medicine (ASAM).

(i) Report. — The Department shall submit an annual report on substance abuse assessments to the Joint Legislative Commission on Governmental Operations. The report is due by February 1. Each facility that provides

services needed by a person to obtain a certificate of completion shall file an annual report with the Department by October 1 that contains the information the Department needs to compile the report the Department is required to submit under this section.

The report submitted to the Joint Legislative Commission on Governmental Operations shall include all of the following information and any other information requested by that Commission:

- (1) The number of persons required to obtain a certificate of completion during the previous fiscal year as a condition of restoring the person's drivers license under G.S. 20-17.6.
- (2) The number of substance abuse assessments conducted during the previous fiscal year for the purpose of obtaining a certificate of completion.
- (3) Of the number of assessments reported under subdivision (2) of this subsection, the number recommending attendance at an ADET school, the number recommending treatment, and, for those recommending treatment, the level of treatment recommended.
- (4) Of the number of persons recommended for an ADET school or treatment under subdivision (3) of this subsection, the number who completed the school or treatment.
- (5) The number of substance abuse assessments conducted by each facility and, of these assessments, the number that recommended attendance at an ADET school and the number that recommended treatment.
- (6) The fees paid to a facility for providing services for persons to obtain a certificate of completion and the facility's costs in providing those services. (1995, c. 496, ss. 10, 13.)

Editor's Note. — Session Laws 1995, c. 496, s. 14, provided that this section became effective January 1, 1996, and was applicable to offenses occurring on or after that date, and that s. 13, which substituted "less than 21

years old" for "a provisional licensee" in the catchline, became effective only if House Bill 353 of the 1995 General Assembly was enacted. House Bill 353 was ratified as Session Laws 1995, c. 506, on July 28, 1995.

§ 122C-143: Repealed by Session Laws 1993, c. 321, s. 220.

§ 122C-143.1. Policy guidance.

(a) The General Assembly shall, as it considers necessary, endorse as policy guidance long-range plans for the broad age/disability categories of persons to be served and the services to be provided by area authorities.

(b) The Secretary shall develop a payment policy that designates, within broad age/disability categories, the priority populations, based on their disability level and the types of service to be supported by State resources. The Secretary shall review the Department's payment policy annually to assure that payments are made consistent with the State's long-range plans.

(c) The Secretary shall ensure that the payment policy provides incentives designated to target resources consistent with legislative policy and with the State's long-range plans and to promote equal accessibility to services for individuals regardless of their catchment area.

(d) Upon request of the Secretary, each area authority shall develop, revise, or amend its local long-range plans to be consistent with the policy guidance set forth in the State's long-range plans. Local service implementation plans shall be subject to the approval of the Secretary.

(e) The Secretary shall ensure that the Department's requests for expansion funds for area authorities are consistent with the State's long-range plans and

include consideration of needs identified by the area authorities and their local plans. (1993, c. 321, s. 220(e).)

§ 122C-143.2. Annual Memorandum of Agreement.

(a) In accordance with procedures specified by the Secretary, the area authority shall complete cost finding, rate setting, and annual age/disability service planning as preparation for a Memorandum of Agreement between the area authority and the Department.

(b) In a format established by the Secretary, the Memorandum of Agreement shall include age/disability service plans that delineate the services that are to be purchased by the State. Payment for services purchased shall be made at reimbursement rates established in G.S. 122C-147.2.

(c) The Memorandum of Agreement shall include the area authority activities that will be supported by grants allocated in accordance with G.S. 147.1(c)(2).

(d) The Memorandum of Agreement shall provide flexibility for the area authority to earn State resources within the payment policy for each age/disability fund established by G.S. 122C-143.1(b).

(e) The Memorandum of Agreement may delineate other special conditions or expectations. (1993, c. 321, s. 220(e).)

Editor's Note. — The reference in subsection (c) of this section to G.S. 147.1(c)(2) may be intended to refer to § 122C-147.1. However, § 122C-147.1 does not have a subdivision (c)(2).

§ 122C-144: Repealed by Session Laws 1993, c. 321, s. 220.

Editor's Note. — For present provisions relating to budget format and reports, see § 122C-144.1.

§ 122C-144.1. Budget format and reports.

(a) The area authority shall maintain its budget in accordance with the requirements of Article 3 of Subchapter III of Chapter 159 of the General Statutes, the Local Government Budget and Fiscal Control Act.

(b) The Secretary may require periodic reports of receipts and expenditures for all area authority services provided directly or under contract according to a format prescribed by the Secretary.

(c) In accordance with G.S. 159-34, the area authority shall have an audit completed and submit it to the Local Government Commission.

(d) The Secretary may require reports of client characteristics, staffing patterns, agency policies or activities, services, or specific financial data of the area authority, but the reports shall not identify individual clients of the area authority unless specifically required by State statute or federal statute or regulation, or unless valid consent for the release has been given by the client or legally responsible person. (1993, c. 321, s. 220(g).)

§ 122C-145: Renumbered as G.S. 122C-151.2 by Session Laws 1993, c. 321, s. 220.

§ 122C-146. Fee for service.

The area authority and its contractual agencies shall prepare fee schedules for services and shall make every reasonable effort to collect appropriate

reimbursement for costs in providing these services from individuals or entities able to pay, including insurance and third-party payment, except that individuals may not be charged for free services, as required in "The Amendments to the Education of the Handicapped Act", P.L. 99-457, provided to eligible infants and toddlers and their families. This exemption from charges does not exempt insurers or other third-party payors from being charged for payment for these services, if the person who is legally responsible for any eligible infant or toddler is first advised that the person may or may not grant permission for the insurer or other payor to be billed for the free services. However, no individual may be refused services because of an inability to pay. All funds collected from fees from area authority operated services shall be used for the fiscal operation or capital improvements of the area authority's programs. The collection of fees by an area authority may not be used as justification for reduction or replacement of the budgeted commitment of local tax revenue. (1977, c. 568, s. 1; 1979, c. 358, s. 16; 1985, c. 589, s. 2; 1989 (Reg. Sess., 1990), c. 1003, s. 4; 1991, c. 215, s. 2; 1993, c. 487, s. 3; c. 553, s. 36.)

Editor's Note. — Session Laws 1989 (Reg. Sess., 1990), c. 1003, s. 6 provided: "Sections 1 through 4 of this act [which amended this section] shall become effective July 1, 1990, and Section 5 of this act shall become effective July 1, 1991, if and only if specific funds are appropriated for the specific programs established by this act. Funds appropriated for the 1990-91 fiscal year or for any year in the future do not constitute any entitlement to services beyond

those provided for that fiscal year. Nothing in this act creates any rights except to the extent that funds are appropriated by the State to implement its provisions from year to year and nothing in this act obligates the General Assembly to appropriate any funds to implement its provisions." An appropriation was made to implement the provisions of this act in the 1989 (Reg. Sess., 1990) Session.

§ 122C-147. Financing and title of area authority property.

- (a) Repealed by Session Laws 1993, c. 321, s. 220(i).
- (b) Unless otherwise specified by the Secretary, State appropriations to area authorities shall be used exclusively for the operating costs of the area authority; provided however:
 - (1) The Secretary may specify that designated State funds may be used by area authorities (i) for the purchase, alteration, improvement, or rehabilitation of real estate to be used as a facility or (ii) in contracting with a private, nonprofit corporation or with another governmental entity that operates facilities for the mentally ill, developmentally disabled, or substance abusers and according to the terms of the contract between the area authority and the private, nonprofit corporation or with the governmental entity, for the purchase, alteration, improvement, rehabilitation of real estate or, to make a lump sum down payment or periodic payments on a real property mortgage in the name of the private, nonprofit corporation or governmental entity.
 - (2) Upon cessation of the use of the facility by the area authority, if operated by the area authority, or upon termination, default, or nonrenewal of the contract if operated by a contractual agency, the Department shall be reimbursed in accordance with rules adopted by the Secretary for the Department's participation in the purchase of the facility.
- (c) All real property purchased for use by the area authority shall be provided by local or federal funds unless otherwise allowed under subsection (b) of this section or by specific capital funds appropriated by the General Assembly. The title to this real property and the authority to acquire it is held by the county where the property is located. The authority to hold title to real

property and the authority to acquire it, including the area authority's authority to finance its acquisition by an installment contract under G.S. 160A-20, may be held by the area authority or by the contracting governmental entity with the approval of the board or boards of commissioners of all the counties that comprise the area authority. The approval of a board of county commissioners shall be by resolution of the board and may have any necessary or proper conditions, including provisions for distribution of the proceeds in the event of disposition of the property by the area authority. Real property may not be acquired by means of an installment contract under G.S. 160A-20 unless the Local Government Commission has approved the acquisition. No deficiency judgment may be rendered against any unit of local government in any action for breach of a contractual obligation authorized by this subsection, and the taxing power of a unit of local government is not and may not be pledged directly or indirectly to secure any moneys due under a contract authorized by this subsection.

(d) The area authority may lease real property.

(e) Equipment necessary for the operation of the area authority may be obtained with local, State, federal, or donated funds, or a combination of these.

(f) The area authority may acquire or lease personal property. An acquisition may be accomplished by an installment contract under G.S. 160A-20 or by a lease-purchase agreement. An area authority may not acquire personal property by means of an installment contract under G.S. 160A-20 without the approval of the board or boards of commissioners of all the counties that comprise the area authority. The approval of a board of county commissioners shall be by resolution of the board and may have any necessary or proper conditions, including provisions for distribution of the proceeds in the event of disposition of the property by the area authority. The area authority may not acquire personal property by means of an installment contract under G.S. 160A-20 without the approval of the Local Government Commission, when required by that statute. No deficiency judgment may be rendered against any unit of local government in any action for breach of a contractual obligation authorized by this subsection, and the taxing power of a unit of local government is not and shall not be pledged directly or indirectly to secure any moneys due under a contract authorized by this subsection. Title to personal property may be held by the area authority.

(g) All area authority funds shall be spent in accordance with the rules of the Secretary. Failure to comply with the rules is grounds for the Secretary to stop participation in the funding of the particular program. The Secretary may withdraw funds from a specific program of services not being administered in accordance with an approved plan and budget after written notice and subject to an appeal as provided by G.S. 122C-145 and Chapter 150B of the General Statutes.

(h) Notwithstanding subsection (b) of this section and in addition to the purposes listed in that subsection, the funds allocated by the Secretary for services for members of the class identified in *Willie M., et al. vs. Hunt, et al.* (C-C-79-294, Western District) may be used for the purchase, alteration, improvement, or rehabilitation of real property owned or to be owned by a nonprofit corporation or by another governmental entity and used or to be used as a facility.

(i) Notwithstanding subsection (c) of this section and in addition to the purposes listed in that subsection, funds allocated by the Secretary for services for members of the class identified in *Willie M., et al. vs. Hunt, et al.* (C-C-79-294, Western District) may be used for the purchase, alteration, improvement, or rehabilitation of real property used by an area authority as long as the title to the real property is vested in the county where the property is located or is vested in another governmental entity. If the property ceases to

be used in accordance with the annual plan, the unamortized part of funds spent under this subsection for the purchase, alteration, improvement, or rehabilitation of real property shall be returned to the Department, in accordance with the rules of the Secretary.

(j) Notwithstanding subsection (c) of this section the area authority, with the approval of the Secretary, may use local funds for the alteration, improvement, and rehabilitation of real property owned by a nonprofit corporation or by another governmental entity under contract with the area authority and used or to be used as a facility. Prior to the use of county appropriated funds for this purpose, the area authority shall obtain consent of the board or boards of commissioners of all the counties that comprise the area authority. The consent shall be by resolution of the affected board or boards of county commissioners and may have any necessary or proper conditions, including provisions for distribution of the proceeds in the event of disposition of the property. Session Laws 1997-443, s. 35.2, provides:

“Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1997-99 fiscal biennium, the textual provisions of this act apply only to funds appropriated for, and activities occurring during, the 1997-99 fiscal biennium.”

Section 122C-145, referred to in subsection (g), was renumbered as § 122C-151.2 by Session Laws 1993, c. 321, s. 220(m), effective January 1, 1993.

§ 122C-147.1. Appropriations and allocations.

(a) Except as provided in subsection (b) of this section, funds shall be appropriated by the General Assembly in broad age/disability categories. The Secretary shall allocate and account for funds in broad age/disability categories so that the area authority may, with flexibility, earn funds in response to local needs that are identified within the payment policy developed in accordance with G.S. 122C-143.1(b).

(b) When the General Assembly determines that it is necessary to appropriate funds for a more specific purpose than the broad age/disability category, the Secretary shall determine whether expenditure accounting, special reporting within earning from a broad fund, the Memorandum of Agreement, or some other mechanism allows the best accounting for the funds.

(c) Funds that have been appropriated by the General Assembly for a more specific purpose than specified in subsection (a) of this section shall be converted to a broad age/disability category at the beginning of the second biennium following the appropriation, unless otherwise acted upon by the General Assembly.

(d) The Secretary shall allocate funds to area programs:

- (1) To be earned in a purchase of service basis, at negotiated reimbursement rates, for services that are included in the payment policy and delivered to mentally ill, developmentally disabled, and substance abuse clients and for services that are included in the payment policy to other recipients; or
- (2) To be paid under a grant on the basis of agreed-upon expenditures, when the Secretary determines that it would be impractical to pay on a purchase of service basis.

(e) After the close of a fiscal year, final payments of funds shall be made:

- (1) Under the purchase of service basis, on the earnings of the area authority for the delivery to individuals within each age/disability group, of any services that are consistent with the payment policy established in G.S. 122C-143.1(b), up to the final allocation amount; or
- (2) When awarded on an expenditure basis, on allowable actual expenditures, up to the final allocation amount.

Under rules adopted by the Secretary, final payments shall be adjusted on the basis of the audit required in G.S. 122C-144.1(d). (1993, c. 321, s. 220(j).)

§ 122C-147.2. Purchase of services and reimbursement rates.

When funds are used to purchase services, the following provisions apply:

- (1) Reimbursement rates for specific types of service shall be negotiated between the Secretary and the area authority. The negotiation shall begin with the rate determined by the standardized cost-finding and rate-setting procedure that is required by G.S. 122C-143.2(a) or by another method approved by the Secretary.
- (2) The reimbursement rate used for the payment of services shall incorporate operating and administrative costs, including costs for property in accordance with G.S. 122C-147. (1993, c. 321, s. 220(j).)

Editor's Note. — Session Laws 1995, c. 324, s. 23.17, provides: "To ensure uniformity in rates charged to area programs and funded with State-allocated resources, the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services of the Department of Human Resources may require a private agency that provides services under contract with two or more area programs, except for hospital services that have an established Medicaid rate, to complete an agency-wide uniform cost finding in accordance with G.S. 122C-143.2(a) and G.S. 122C-147.2. The resulting

cost shall be the maximum included for the private agency in the contracting area program's unit cost finding."

Session Laws 1995, c. 324, s. 1.1, provides: "This act shall be known as the Continuation Budget Operations Appropriations Act of 1995."

Session Laws 1995, c. 324, s. 28.3, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1995-97 biennium, the textual provisions of this act shall apply only to funds appropriated for and activities occurring during the 1995-97 biennium."

§§ 122C-148 through 122C-150: Repealed by Session Laws 1993, c. 321, s. 220.

Editor's Note. — For present provisions relating to appropriations and allocations, see § 122C-147.1.

§ 122C-151. Responsibilities of those receiving appropriations.

(a) All resources allocated to and received by any area authority and used for programs of mental health, developmental disabilities, substance abuse or other related services are subject to the conditions specified in this Article and to the rules of the Commission and the Secretary and to the conditions of the Memorandum of Agreement specified in G.S. 122C-143.2.

(b) If an area authority fails to complete actions necessary for the development of a Memorandum of Agreement, fails to file required reports within the time limit set by the Secretary, or fails to comply with any other requirements specified in this Article, the Secretary may:

- (1) Delay payments; and

- (2) With written notification of cause and subject to an appeal as provided by G.S. 122C-151.2, reduce or deny payment of funds. Restoration of funds upon compliance is within the discretion of the Secretary. (1977, c. 568, s. 1; c. 679, s. 7; 1979, c. 358, s. 25; 1981, c. 51, s. 3; 1985, c. 589, s. 2; 1989, c. 625, s. 19; 1993, c. 321, s. 220(l).)

§ 122C-151.1: Repealed by Session Laws 1993, c. 321, s. 220(n), as amended by Session Laws 1993 (Regular Session, 1994), c. 591, s. 7.

§ 122C-151.2. Appeal by area authorities.

(a) The area authority may appeal to the Commission any action regarding rules under the jurisdiction of the Commission or rules under the joint jurisdiction of the Commission and the Secretary.

(b) The area authority may appeal to the Secretary any action regarding rules under the jurisdiction of the Secretary.

(c) Appeals shall be conducted according to rules adopted by the Commission and Secretary and in accordance with Chapter 150B of the General Statutes. (1977, c. 568, s. 1; c. 679, s. 7; 1979, c. 358, ss. 7, 19; 1981, c. 51, s. 3; c. 614, s. 7; 1985, c. 589, s. 2; 1987, c. 720, s. 3; 1993, c. 321, s. 220(m).)

Editor's Note. — This section was formerly numbered G.S. 122C-145. It was renumbered G.S. 122C-151.2 by Session Laws 1993, c. 321, s. 220(m) effective July 1, 1993.

§ 122C-151.3. Dispute with area authorities.

An area authority shall establish written procedures for resolving disputes over decisions of an area authority that may be appealed to the Area Authority Appeals Panel under G.S. 122C-151.4. The procedures shall be informal and shall provide an opportunity for those who dispute the decision to present their position. (1993, c. 321, s. 220(o).)

§ 122C-151.4. Appeal to Area Authority Appeals Panel.

(a) Definitions. — The following definitions apply in this section:

- (1) "Contract" means a contract with an area authority to provide services, other than personal services, to clients and other recipients of services.
- (2) "Contractor" means a person who has a contract or who had a contract during the current fiscal year.
- (3) "Former contractor" means a person who had a contract during the previous fiscal year.

(b) Appeals Panel. — The Area Authority Appeals Panel is established. The Panel shall consist of three members appointed by the Secretary. The Secretary shall determine the qualifications of the Panel members. Panel members serve at the pleasure of the Secretary.

(c) Who Can Appeal. — The following persons may appeal to the Area Authority Appeals Panel after having exhausted the appeals process at the appropriate area authority:

- (1) A contractor or a former contractor who claims that an area authority is not acting or has not acted within applicable State law or rules in imposing a particular requirement on the contractor on fulfillment of the contract;

- (2) A contractor or a former contractor who claims that a requirement of the contract substantially compromises the ability of the contractor to fulfill the contract;
 - (3) A contractor or former contractor who claims that an area authority has acted arbitrarily and capriciously in reducing funding for the type of services provided or formerly provided by the contractor or former contractor;
 - (4) A client or a person who was a client in the previous fiscal year, who claims that an area authority has acted arbitrarily and capriciously in reducing funding for the type of services provided or formerly provided to the client directly by the area authority; and
 - (5) A person who claims that an area authority did not comply with a State law or a rule adopted by the Secretary or the Commission in developing the plans and budgets of the area authority and that the area authority's failure to comply has adversely affected the ability of the person to participate in the development of the plans and budgets.
- (d) Hearing. — All members of the Area Authority Appeals Panel shall hear an appeal to the Panel. An appeal shall be filed with the Panel within the time required by the Secretary and shall be heard by the Panel within the time required by the Secretary. A hearing shall be conducted at the place determined in accordance with the rules adopted by the Secretary. A hearing before the Panel shall be informal; no sworn testimony shall be taken and the rules of evidence do not apply. The person who appeals to the Panel has the burden of proof. The Panel shall not stay a decision of an area authority during an appeal to the Panel.
- (e) Decision. — The Area Authority Appeals Panel shall make a written decision on each appeal to the Panel within the time set by the Secretary. A decision may direct a contractor or an area authority to take an action or to refrain from taking an action, but it shall not require a party to appeal to pay any amount except payment due under the contract. In making a decision, the Panel shall determine the course of action that best protects or benefits the clients of the area authority. If a party to an appeal fails to comply with a decision of the Panel and the Secretary determines that the failure deprives clients of the area authority of a type of needed service, the Secretary may use funds previously allocated to the area authority to provide the service.
- (f) 150B Appeal. — A person who is dissatisfied with a decision of the Panel may commence a contested case under Article 3 of Chapter 150B of the General Statutes. Notwithstanding G.S. 150B-2(1), an area authority is considered an agency for purposes of the limited appeal authorized by this section. The Secretary shall make a final decision in the contested case. (1993, c. 321, s. 220(o).)

§ 122C-152. Liability insurance and waiver of immunity as to torts of agents, employees, and board members.

(a) An area authority, by securing liability insurance as provided in this section, may waive its governmental immunity from liability for damage by reason of death or injury to person or property caused by the negligence or tort of any agent, employee, or board member of the area authority when acting within the scope of his authority or within the course of his duties or employment. Governmental immunity is waived by the act of obtaining this insurance, but it is waived by only to the extent that the area authority is indemnified by insurance for the negligence or tort.

(b) Any contract of insurance purchased pursuant to this section shall be issued by a company or corporation licensed and authorized to execute

insurance contracts in this State and shall by its terms adequately insure the area authority against any and all liability for any damages by reason of death or injury to a person or property proximately caused by the negligent acts or torts of the agents, employees, and board members of the area authority when acting within the course of their duties or employment. The area board shall determine the extent of the liability and what agents, employees by class, and board members are covered by any insurance purchased pursuant to this subsection. Any company or corporation that enters into a contract of insurance as described in this section with the authority, by this act waives any defense based upon the governmental immunity of the area authority.

(c) Any persons sustaining damages, or, in the case of death, his personal representative, may sue an area authority insured under this section for the recovery of damages in any court of competent jurisdiction in this State, but only in a county located within the geographic limits of the authority. It is no defense to any action that the negligence or tort complained of was in pursuance of a governmental or discretionary function of the area authority if, and to the extent that, the authority has insurance coverage as provided by this section.

(d) Except as expressly provided by subsection (c) of this section, nothing in this section deprives any area authority of any defense whatsoever to any action for damages or to restrict, limit, or otherwise affect any defense which the area authority may have at common law or by virtue of any statute. Nothing in this section relieves any person sustaining damages nor any personal representative of any decedent from any duty to give notice of a claim to the area authority or to commence any civil action for the recovery of damages within the applicable period of time prescribed or limited by statute.

(e) The area authority may incur liability pursuant to this section only with respect to a claim arising after the authority has procured liability insurance pursuant to this section and during the time when the insurance is in force.

(f) No part of the pleadings that relate to or allege facts as to a defendant's insurance against liability may be read or mentioned in the presence of the trial jury in any action brought pursuant to this section. This liability does not attach unless the plaintiff waives the right to have all issues of law or fact relating to insurance in the action determined by a jury. These issues shall be heard and determined by the judge, and the jury shall be absent during any motions, arguments, testimony, or announcement of findings of fact or conclusions of law with respect to insurance. (1981, c. 539, s. 2; 1985, c. 589, s. 2.)

CASE NOTES

Sovereign Immunity Waived. — Where sovereign immunity is waived by the purchase of liability insurance, subject matter jurisdiction is statutorily vested in the superior court.

Meyer v. Walls, 122 N.C. App. 507, 471 S.E.2d 422 (1996), aff'd in part and rev'd in part, 347 N.C. 97, 489 S.E.2d 880 (1997).

§ 122C-153. Defense of agents, employees, and board members.

(a) Upon request made by or in behalf of any agent, employee, or board member or former agent, employee, or board member of the area authority, any area authority may provide for the defense of any civil or criminal action or proceeding brought against him either in his official or in his individual capacity, or both, on account of any act done or omission made, or any act allegedly done or omission allegedly made, in the scope and course of his duty as an agent, employee, or board member. The defense may be provided by the local board by employing counsel or by purchasing insurance that requires that

the insurer provide the defense. Nothing in this section requires any area authority to provide for the defense of any action or proceeding of any nature.

(b) An area authority may budget funds for the purpose of paying all or part of the claim made or any civil judgment entered against any of its agents, employees, or board members or former agents, employees, or board members when a claim is made or judgment is rendered as damages on account of any act done or omission made, or any act allegedly done or omission allegedly made, in the scope and course of his duty as an agent, employee, or board member of the area authority. Nothing in this section shall authorize any area authority to budget funds for the purpose of paying any claim made or civil judgment against any of its agents, employees, or board members, or former agents, employees, or board members, if the authority finds that the agent, employee, or board member acted or failed to act because of actual fraud, corruption, or actual malice on his part. Any authority may budget for and purchase insurance coverage for payment of claims or judgments pursuant to this section. Nothing in this section requires any authority to pay any claim or judgment referred to, and the purchase of insurance coverage for payment of the claim or judgment may not be considered an assumption of any liability not covered by the insurance contract and may not be deemed an assumption of liability or payment of any claim or judgment in excess of the limits of coverage in the insurance contract.

(c) Subsection (b) of this section does not authorize an authority to pay all or part of a claim made or civil judgment entered or to provide a defense to a criminal charge unless (i) notice of the claim or litigation is given to the area authority before the time that the claim is settled or civil judgment is entered; and (ii) the area authority has adopted, and made available for public inspection, uniform standards under which claims made, civil judgments entered, or criminal charges against agents, employees, or board members or former agents, employees, or board members shall be defended or paid.

(d) The board or boards of county commissioners that establish the area authority and the Secretary may allocate funds not otherwise restricted by law, in addition to the funds allocated for the operation of the program, for the purpose of paying legal defense, judgments, and settlements under this section. (1981, c. 539, s. 2; 1985, c. 589, s. 2.)

§ 122C-154. Personnel.

Employees under the direct supervision of the area authority are employees of the area authority. For the purpose of personnel administration, Chapter 126 of the General Statutes applies unless otherwise provided in this Article. (1971, c. 470, s. 1; 1973, c. 476, s. 133; 1977, c. 568, s. 1; c. 679, s. 7; 1979, c. 358, s. 14; 1981, c. 51, s. 3; 1985, c. 589, s. 2.)

§ 122C-155. Supervision of services.

Unless otherwise specified, client services are the responsibility of a qualified professional. Direct medical and psychiatric services shall be provided by a qualified psychiatrist or a physician with adequate training and experience acceptable to the Secretary. (1971, c. 470, s. 1; 1973, c. 476, s. 133; 1977, c. 568, s. 1; c. 679, s. 7; 1979, c. 358, s. 14; 1981, c. 51, s. 3; 1985, c. 589, s. 2.)

§ 122C-156. Salary plan for employees of the area authority.

(a) The area authority shall establish a salary plan which shall set the salaries for employees of the area authority. The salary plan shall be in

compliance with Chapter 126 of the General Statutes. In a multi-county area, the salary plan shall not exceed the highest paying salary plan of any county in that area. In a single-county area, the salary plan shall not exceed the county's salary plan. The salary plan limitations set forth in this section may be exceeded only if the area authority and the board or boards of county commissioners, as the case may be, jointly agree to exceed these limitations.

(b) An area authority may purchase life insurance or health insurance or both for the benefit of all or any class of authority officers or employees as a part of its compensation. An area authority may provide other fringe benefits for authority officers and employees.

(c) An area authority that is providing health insurance under subsection (b) of this section may provide health insurance for all or any class of former officers and employees of the area authority who are receiving benefits under Article 3 of Chapter 128 of the General Statutes. Health insurance may be paid entirely by the area authority, partly by the area authority and former officer or employee, or entirely by the former officer or employee, at the option of the area board. (1977, c. 568, s. 1; 1979, c. 358, ss. 15, 23; 1985, c. 589, s. 2.)

§ 122C-157. Establishment of a professional reimbursement policy.

The area authority shall adopt and enforce a professional reimbursement policy. This policy shall (i) require that fees for the provision of services received directly under the supervision of the area authority shall be paid to the area authority, (ii) prohibit employees of the area authority from providing services on a private basis which require the use of the resources and facilities of the area authority, and (iii) provide that employees may not accept dual compensation and dual employment unless they have the written permission of the area authority. (1977, c. 568, s. 1; 1979, c. 358, s. 17; 1985, c. 589, s. 2.)

§ 122C-158. Privacy of personnel records.

(a) Notwithstanding the provisions of G.S. 132-6 or any other State statute concerning access to public records, personnel files of employees or applicants for employment maintained by an area authority are subject to inspection and may be disclosed only as provided by this section. For purposes of this section, an employee's personnel file consists of any information in any form gathered by the area authority with respect to that employee, including his application, selection or nonselection, performance, promotions, demotions, transfers, suspensions and other disciplinary actions, evaluation forms, leave, salary, and termination of employment. As used in this section, "employee" includes former employees of the area authority.

(b) The following information with respect to each employee is a matter of public record: name; age; date of original employment or appointment to the area authority; current position title; current salary; date and amount of most recent increase or decrease in salary; date of the most recent promotion, demotion, transfer, suspension, separation, or other change in position classification; and the office to which the employee is currently assigned. The area authority shall determine in what form and by whom this information will be maintained. Any person may have access to this information for the purpose of inspection, examination, and copying during regular business hours, subject only to rules for the safekeeping of public records as the area authority may have adopted. Any person denied access to this information may apply to the appropriate division of the General Court of Justice for an order compelling disclosure, and the court shall have jurisdiction to issue these orders.

(c) All information contained in an employee's personnel file, other than the information made public by subsection (b) of this section, is confidential and is open to inspection only in the following instances:

- (1) The employee or an authorized agent may examine portions of his personnel file except (i) letters of reference solicited before employment, and (ii) information concerning a medical disability, mental or physical, that a prudent physician would not divulge to a patient.
 - (2) A licensed physician designated in writing by the employee may examine the employee's medical record.
 - (3) An area authority employee having supervisory authority over the employee may examine all material in the employee's personnel file.
 - (4) By order of a court of competent jurisdiction, any person may examine the part of an employee's personnel file that is ordered by the court.
 - (5) An official of an agency of the State or federal government, or any political subdivision of the State, may inspect any part of a personnel file pursuant to G.S. 122C-25(b) or G.S. 122C-192(a) or when the inspection is considered by the official having custody of the records to be inspected to be necessary and essential to the pursuance of a proper function of the inspecting agency. No information may be divulged for the purpose of assisting in a criminal prosecution of the employee or for the purpose of assisting in an investigation of the employee's tax liability. However, the official having custody of the records may release the name, address, and telephone number from a personnel file for the purpose of assisting in a criminal investigation.
 - (6) An employee may sign a written release, to be placed with the employee's personnel file, that permits the person with custody of the file to provide, either in person, by telephone or by mail, information specified in the release to prospective employers, educational institutions, or other persons specified in the release.
 - (7) The area authority may tell any person of the employment or nonemployment, promotion, demotion, suspension, or other disciplinary action, reinstatement, transfer, or termination of an employee and the reasons for that personnel action. Before releasing the information, the area authority shall determine in writing that the release is essential to maintaining public confidence in the administration of services or to maintaining the level and quality of services. This written determination shall be retained as a record for public inspection and shall become part of the employee's personnel file.
- (d) Even if considered part of an employee's personnel file, the following information need not be disclosed to an employee nor to any other person:
- (1) Testing or examination material used solely to determine individual qualifications for appointment, employment, or promotion in the area authority service, when disclosure would compromise the objectivity or the fairness of the testing or examination process.
 - (2) Investigative reports or memoranda and other information concerning the investigation of possible criminal action of an employee, until the investigation is completed and no criminal action taken, or until the criminal action is concluded.
 - (3) Information that might identify an undercover law-enforcement officer or a law-enforcement informer.
 - (4) Notes, preliminary drafts, and internal communications concerning an employee. In the event these materials are used for any official personnel decision, then the employee or an authorized agent has a right to inspect these materials.
- (e) The area authority may permit access, subject to limitations it may impose, to selected personnel files by a professional representative of a training, research, or academic institution if that representative certifies that he will not release information identifying the employees whose files are opened and that the information will be used solely for statistical, research, or

teaching purposes. This certification shall be retained by the area authority as long as each personnel file so examined is retained.

(f) The area authority that maintains personnel files containing information other than the information mentioned in subsection (b) of this section shall establish procedures whereby an employee who objects to material in the employee's file on grounds that it is inaccurate or misleading may seek to have the material removed from the file or may place in the file a statement relating to the material.

(g) Permitting access, other than that authorized by this section, to a personnel file of an employee of an area authority is a Class 3 misdemeanor and is punishable only by a fine, not to exceed five hundred dollars (\$500.00).

(h) Anyone who, knowing that he is not authorized to do so, examines, removes, or copies information in a personnel file of an employee of an area authority is guilty of a Class 3 misdemeanor and is punishable only by a fine, not to exceed five hundred dollars (\$500.00). (1983, c. 281; 1985, c. 589, s. 2; 1993, c. 539, ss. 924, 925; 1994, Ex. Sess., c. 24, s. 14(c).)

All moneys and proceeds of property donated in which there are special directions for their application and the interest earned on these funds shall be spent as the donor has directed and except as required for deposit with the State treasury, shall not be subject to the provisions of the Executive Budget Act except for capital improvements projects which shall be authorized and executed in accordance with G.S. 143-18.1.

Part 6. Quality Assurance.

§ 122C-191. Quality of services.

(a) The assurance that services provided are of the highest possible quality within available resources is an obligation of the area authority and the Secretary.

(b) Each area authority and State facility shall comply with the rules of the Commission regarding quality assurance activities, including: program evaluation; utilization and peer review; and staff qualifications, privileging, supervision, education, and training. These rules may not nullify compliance otherwise required by Chapter 126 of the General Statutes.

(c) Each area authority and State facility shall develop internal processes to monitor and evaluate the level of quality obtained by all its programs and services including the activities prescribed in the rules of the Commission.

(d) The Secretary shall develop rules for a review process to monitor area facilities and State facilities for compliance with the required quality assurance activities as well as other rules of the Commission and the Secretary. The rules may provide that the Secretary has the authority to determine whether applicable standards of practice have been met.

(e) For purposes of peer review functions only:

(1) A member of a duly appointed quality assurance committee who acts without malice or fraud shall not be subject to liability for damages in any civil action on account of any act, statement, or proceeding undertaken, made, or performed within the scope of the functions of the committee.

(2) The proceedings of a quality assurance committee, the records and materials it produces, and the material it considers shall be confidential and not considered public records within the meaning of G.S. 132-1, "Public records' defined," and shall not be subject to discovery

or introduction into evidence in any civil action against a facility or a provider of professional health services that results from matters which are the subject of evaluation and review by the committee. No person who was in attendance at a meeting of the committee shall be required to testify in any civil action as to any evidence or other matters produced or presented during the proceedings of the committee or as to any findings, recommendations, evaluations, opinions, or other actions of the committee or its members. However, information, documents or records otherwise available are not immune from discovery or use in a civil action merely because they were presented during proceedings of the committee, and nothing herein shall prevent a provider of professional health services from using such otherwise available information, documents or records in connection with an administrative hearing or civil suit relating to the medical staff membership, clinical privileges or employment of the provider. A member of the committee or a person who testifies before the committee may be subpoenaed and be required to testify in a civil action as to events of which the person has knowledge independent of the peer review process, but cannot be asked about his testimony before the committee for impeachment or other purposes or about any opinions formed as a result of the committee hearings.

- (3) Peer review information that is confidential and is not subject to discovery or use in civil actions under subdivision (2) of this subsection may be released to a professional standards review organization that contracts with an agency of this State or the federal government to perform any accreditation or certification function. Information released under this subdivision shall be limited to that which is reasonably necessary and relevant to the standards review organization's determination to grant or continue accreditation or certification. Information released under this subdivision retains its confidentiality and is not subject to discovery or use in any civil actions as provided under subdivision (2) of this subsection, and the standards review organization shall keep the information confidential subject to that subdivision. (1977, c. 568, s. 1; 1979, c. 358, s. 1; 1983, c. 383, s. 1; 1985, c. 589, s. 2; 1989 (Reg. Sess., 1990), c. 1053, s. 1; 1998-212, s. 12.35C(d); 1999-222, s. 1.)

(a) Notwithstanding G.S. 8-53, G.S. 8-53.3, or any other law relating to confidentiality of communications involving a patient or client, as needed to ensure quality assurance activities, the Secretary may review any writing or other record concerning the admission, discharge, medication, treatment, medical condition, or history of a client of an area authority or State facility. The Secretary may also review the personnel records of employees of an area authority or State facility.

(b) An area authority, State facility, its employees, and any other individual interviewed in the course of an inspection are immune from liability for damages resulting from disclosure of any information to the Secretary.

It is the State's policy to provide procedures for the contested case hearing for an eligible assaultive and violent child, as defined in G.S. 122C-3(13a) and to his or her parent, advocate, or legal guardian. Such procedures shall also be available to any child who has been determined ineligible for services for eligible assaultive and violent children and to his or her parent, advocate, or legal guardian for purposes of appealing the denial of eligibility. (1995, c. 249, s. 3.)

§ 122C-195. Scope and effect.

the child's needs, or have not been initiated or provided in a timely, regular, or competent manner; or

- (5) The child's needs and capabilities have not been timely, thoroughly, or accurately assessed.

(b) A local or State agency may obtain review as provided by this section if a parent, guardian, or advocate refuses to consent to the evaluation of the child.

(c) Except as otherwise provided in this section, the administrative review shall be initiated and conducted in accordance with Article 3 of Chapter 150B of the General Statutes, the Administrative Procedure Act. The hearing shall be closed to the public unless the parent, guardian, or advocate requests in writing that the hearing be open to the public. (1995, c. 249, s. 3.)

(c) The meeting shall be informal and nonadversarial, as required by G.S. 150B-22.

The decision shall contain findings of fact and conclusions of law. Notwithstanding the provisions of Chapter 150B of the General Statutes, the decision of the administrative law judge becomes final and not subject to further review unless appealed to the Review Officer as provided in G.S. 122C-199. A copy of the administrative law judge's decision shall be served upon each party, and a copy shall be furnished to the attorneys of record. The written notice shall contain a statement informing the parties of the availability of appeal and the 30-day limitations period for appeal, as set forth in Chapter 150B of the General Statutes. (1995, c. 249, s. 3.)

§ 122C-199. Administrative review by Review Officer.

(a) When there is an appeal by either party of the decision of the administrative law judge, an impartial Review Officer for the review will be appointed by the Secretary of the Department of Health and Human Services.

(b) The Review Officer shall be selected from a pool of review officers who have been approved, meet qualifications, and perform a review pursuant to rules adopted by the Secretary for this purpose.

(c) If the Review Officer decides to hold a hearing to receive additional evidence, all rights prescribed by Chapter 150B of the General Statutes to an administrative hearing apply.

(d) The decision of the Review Officer shall contain findings of fact and conclusions of law and becomes final unless an aggrieved party brings a civil action pursuant to Article 4 of Chapter 150B of the General Statutes. A copy of the decision shall be served upon each party, and a copy shall be furnished to the attorneys of record. The written notice shall contain a statement informing the parties of the right to file a civil action and the 30-day limitations period for filing a civil action pursuant to Article 4 of Chapter 150B of the General Statutes.

ARTICLE 5.

Procedures for Admission and Discharge of Clients.

Part 1. General Provisions.

§ 122C-201. Declaration of policy.

It is State policy to encourage voluntary admissions to facilities. It is further State policy that no individual shall be involuntarily committed to a 24-hour facility unless that individual is mentally ill or a substance abuser and dangerous to self or others. All admissions and commitments shall be accomplished under conditions that protect the dignity and constitutional rights of the individual.

It is further State policy that, except as provided in G.S. 122C-212(b), individuals who have been voluntarily admitted shall be discharged upon application and that involuntarily committed individuals shall be discharged as soon as a less restrictive mode of treatment is appropriate. (1973, c. 723, s. 1; c. 726, s. 1; c. 1084; c. 1408, s. 1; 1977, c. 400, s. 1; 1979, c. 915, ss. 2, 11; 1983, c. 638, s. 1; c. 864, s. 4; 1985, c. 589, s. 2; 1995 (Reg. Sess., 1996), c. 739, s. 2.)

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 739, s. 15, effective January 1, 1997, and applicable to commitments on or after that date, provides: "Nothing in this act shall require hospitals licensed under G.S. 131E or G.S. 122C to contract with area mental health, developmental disabilities, and substance abuse authorities to provide inpatient or outpatient treatment for persons who are mentally retarded with mental illness."

CASE NOTES

Editor's Note. — *Most of the cases cited below were decided under former statutory provisions.*

Constitutionality. — The statutory scheme for involuntary commitment is constitutional. In re Jackson, 60 N.C. App. 581, 299 S.E.2d 677 (1983); French v. Blackburn, 428 F. Supp. 1351 (M.D.N.C. 1977), aff'd, 443 U.S. 901, 99 S. Ct. 3091, 61 L. Ed. 2d 869 (1979).

The North Carolina General Assembly has enacted an excellent legislative scheme which adequately protects the interests of all who may be involved in an involuntary commitment proceeding. In re Jackson, 60 N.C. App. 581, 299 S.E.2d 677 (1983).

Public Policy to Prevent Unnecessary Commitments. — The policy of this State is to prevent the possibility that persons who are not mentally ill or inebriates and dangerous to themselves or others would be involuntarily committed. McLean v. Sale, 54 N.C. App. 538,

284 S.E.2d 160 (1981), cert. denied, 305 N.C. 301, 290 S.E.2d 703 (1982).

Purpose of Involuntary Commitment Proceeding. — The primary purpose of an involuntary commitment proceeding is to protect the person who, after due process, has been found to be both mentally ill and imminently dangerous, by placing such a person in more protected environment where the danger may be minimized and his treatment facilitated; in a real sense the proceeding is an important step in his medical and psychiatric treatment. In re Farrow, 41 N.C. App. 680, 255 S.E.2d 777 (1979).

Two purposes for the involuntary commitment statute are (1) to allow temporary withdrawal from society of those who may be dangerous and (2) to provide treatment. In re Medlin, 59 N.C. App. 33, 295 S.E.2d 604 (1982).

An involuntary commitment proceeding is a proceeding of a civil nature which is

governed by pertinent Rules of Civil Procedure. In re Underwood, 38 N.C. App. 344, 247 S.E.2d 778 (1978).

Requirements for Entering Commitment Order. — To enter a commitment order, the trial court is required to ultimately find two distinct facts, i.e., that the respondent is mentally ill and is dangerous to himself or to others. In re Collins, 49 N.C. App. 243, 271 S.E.2d 72 (1980).

Requirement That Person Be Dangerous. — By requiring that the person be found dangerous to himself or others, the legislature has made it clear that involuntary commitment is not for all those who are mentally ill, or even for those whose mental illness may make it necessary for them to have custodial care. In re Doty, 38 N.C. App. 233, 247 S.E.2d 628 (1978).

Where doctor testified only that the respondent was unable to care for herself and that she was a complete nursing care problem, and there was no showing that the respondent was dangerous to herself, the requirements for involuntary commitment were not met. In re Doty, 38 N.C. App. 233, 247 S.E.2d 628 (1978).

Standard of Commitment for Minors. — Former Chapter 122 was written to provide

constitutionally defensible procedural and evidentiary rules. To allow juvenile court judges to commit minors to mental institutions with a lesser standard than that set forth in former Chapter 122 would subject such commitments to constitutional challenge as a deprivation of liberty without due process of law. In re Mikels, 31 N.C. App. 470, 230 S.E.2d 155 (1976).

§ 122C-202.1. Hospital privileges.

Nothing in this Article related to admission, commitment, or treatment shall be deemed to mandate hospitals to grant or deny to any individuals privileges to practice in hospitals. (1985, c. 589, s. 2.)

§ 122C-203. Admission or commitment and incompetency proceedings to have no effect on one another.

The admission or commitment to a facility of an alleged mentally ill individual, an alleged substance abuser, or an alleged mentally retarded or developmentally disabled individual under the provisions of this Article shall in no way affect incompetency proceedings as set forth in Chapter 35A or former Chapters 33 or 35 of the General Statutes and incompetency proceedings under those Chapters shall have no effect upon admission or commitment proceedings under this Article. (1963, c. 1184, s. 1; 1985, c. 589, s. 2; 1989, c. 625, s. 21; 1989 (Reg. Sess., 1990), c. 1024, s. 26(b).)

§ 122C-204. Civil liability for corruptly attempting admission or commitment.

Nothing in this Article relieves from liability in any suit instituted in the courts of this State any individual who unlawfully, maliciously, and corruptly attempts to admit or commit any individual to any facility under this Article. (1963, c. 1184, s. 1; 1985, c. 589, s. 2.)

§ 122C-205. Return of clients to 24-hour facilities.

(a) When a client of a 24-hour facility who:

- (1) Has been involuntarily committed;
- (2) Is being detained pending a judicial hearing;
- (3) Has been voluntarily admitted but is a minor or incompetent adult;
- (4) Has been placed on conditional release from the facility; or
- (5) Has been involuntarily committed or voluntarily admitted and is the subject of a detainer placed with the 24-hour facility by an appropriate official

escapes or breaches a condition of his release, if applicable, the responsible professional shall notify or cause to be notified immediately the appropriate law enforcement agency in the county of residence of the client, the appropriate law enforcement agency in the county where the facility is located, and the appropriate law enforcement agency in any county where there are reasonable grounds to believe that the client may be found. The responsible professional shall determine the amount of personal identifying and background information reasonably necessary to divulge to the law enforcement agency or agencies under the particular circumstances involved in order to assure the expeditious return of the client to the 24-hour facility involved and protect the general public.

(b) When a competent adult who has been voluntarily admitted to a 24-hour facility escapes or breaches a condition of his release, the responsible professional, in the exercise of accepted professional judgment, practice, and standards, will determine if it is reasonably foreseeable that:

- (1) The client may cause physical harm to others or himself;
- (2) The client may cause damage to property;
- (3) The client may commit a felony or a violent misdemeanor; or
- (4) That the health or safety of the client may be endangered

unless he is immediately returned to the facility. If the responsible professional finds that any or all of these occurrences are reasonably foreseeable, he will follow the same procedures as those set forth in subsection (a) of this section.

(c) Upon receipt of notice of an escape or breach of a condition of release as described in subsections (a) and (b) of this section, an appropriate law enforcement officer shall take the client into custody and have the client returned to the 24-hour facility from which the client has escaped or has been conditionally released. Transportation of the client back to the 24-hour facility shall be provided in the same manner as described in G.S. 122C-251 and G.S. 122C-408(b). Law enforcement agencies who are notified of a client's escape or breach of conditional release shall be notified of the client's return by the responsible 24-hour facility. Under the circumstances described in this section, the initial notification by the 24-hour facility of the client's escape or breach of conditional release shall be given by telephone communication to the appropriate law enforcement agency or agencies and, if available and appropriate, by Division of Criminal Information (DCI) message to any law enforcement agency in or out of state and by entry into the National Crime Information Center (NCIC) telecommunications system. As soon as reasonably possible following notification, written authorization to take the client into custody shall also be issued by the 24-hour facility. Under this section, law enforcement officers shall have the authority to take a client into custody upon receipt of the telephone notification or Division of Criminal Information message prior to receiving written authorization. The notification of a law enforcement agency does not, in and of itself, render this information public information within the purview of Chapter 132 of the General Statutes. However, the responsible law enforcement agency shall determine the extent of disclosure of personal identifying and background information reasonably necessary, under the circumstances, in order to assure the expeditious return of a client to the 24-hour facility involved and to protect the general public and is authorized to make such disclosure. The responsible law enforcement agency may also place any appropriate message or entry into either the Division of Criminal Information System or National Crime Information System, or both, as appropriate.

(d) In the situations described in subsections (a) and (b) of this section, the responsible professional shall also notify or cause to be notified as soon as practicable:

- (1) The next of kin of the client or legally responsible person for the client;
- (2) The clerk of superior court of the county of commitment of the client;
- (3) The area authority of the county of residence of the client, if appropriate;
- (4) The physician or eligible psychologist who performed the first examination for a commitment of the client, if appropriate; and
- (5) Any official who has placed a detainer on a client as described in subdivision (a)(5) of this section

of the escape or breach of condition of the client's release upon occurrence of either action and of his subsequent return to the facility. (1899, c. 1, s. 27; Rev., s. 4563; C.S., s. 6175; 1927, c. 114; 1945, c. 952, s. 12; 1953, c. 256, s. 1; 1955, c. 887, s. 3; 1973, c. 673, s. 11; 1983, c. 548; 1985, c. 589, s. 2; c. 695, s. 2; 1985 (Reg. Sess., 1986), c. 863, ss. 12-14; 1987, c. 749, s. 1.)

Any Escaped Patient, Regardless of the Type of Commitment, Must Be Returned by the Sheriff. — See opinion of Attorney

General to Lena Davis, Broughton Hospital, 41 N.C.A.G. 900 (1972), rendered under former statutory provisions.

§ 122C-205.1. Discharge of clients who escape or breach the condition of release.

(a) As described in G.S. 122C-205(a), when a client of a 24-hour facility escapes or breaches the condition of his release and does not return to the facility, the facility shall:

- (1) If the client was admitted under Part 2 of this Article or under Parts 3 or 4 of this Article to a nonrestrictive facility, discharge the client based on the professional judgment of the responsible professional;
- (2) If the client was admitted under Part 3 or Part 4 of this Article to a restrictive facility, discharge the client when the period for continued treatment, as specified by the court, expires;
- (3) If the client was admitted pending a district court hearing under Part 7 of this Article, request that the court consider dismissal or continuance of the case at the initial district court hearing; or
- (4) If the client was committed under Part 7 of this Article, discharge the client when the commitment expires.

(b) As described in G.S. 122C-205(a), when a client of a 24-hour facility who was admitted under Part 8 of this Article escapes or breaches the conditions of his release and does not return to the facility, the facility may discharge the client from the facility based on the professional judgment of the responsible professional and following consultation with the appropriate area authority or physician.

(c) Upon discharge of the client, the 24-hour facility shall notify all the persons directed to be notified of the client's escape or breach of conditional release under 122C-205(a), (b) and (d) that the client has been discharged.

(d) If the client is returned to the 24-hour facility subsequent to discharge from the facility, applicable admission or commitment procedures shall be followed, when appropriate. (1987, c. 674, s. 1.)

§ 122C-206. Transfers of clients between 24-hour facilities.

(a) Before transferring a voluntary adult client from one 24-hour facility to another, the responsible professional at the original facility shall: (i) get authorization from the receiving facility that the facility will admit the client; (ii) get consent from the client; and (iii) if consent to share information is granted by the client, notify the next of kin of the time and location of the transfer. The preceding requirements of this paragraph may be waived if the client has been admitted under emergency procedures to a State facility not serving the client's region of the State. Following an emergency admission, the client may be transferred to the appropriate State facility without consent according to the rules of the Commission.

(b) Before transferring a respondent held for a district court hearing or a committed respondent from one 24-hour facility to another, the responsible professional at the original facility shall:

- (1) Obtain authorization from the receiving facility that the facility will admit the respondent; and
- (2) Provide reasonable notice to the respondent, or legally responsible person, of the reason for the transfer and document the notice in the client's record.

No later than 24 hours after the transfer, the responsible professional at the original facility shall notify the petitioner, the clerk of court, and, if consent is granted by the respondent, the next of kin, that the transfer is completed. If the transfer is completed before the judicial commitment hearing, these proceedings shall be initiated by the receiving facility.

(c) Minors and incompetent adults, admitted pursuant to Parts 3 and 4 of this Article, may be transferred from one 24-hour facility to another following

the same procedures specified in subsection (b) of this section. In addition, the legally responsible person shall be consulted before the proposed transfer. If the transfer is completed before the judicial determination required in G.S. 122C-223 or G.S. 122C-232, these proceedings shall be initiated by the receiving facility.

(c1) If a client described in subsections (b) or (c) of this section is to be transferred from one 24-hour facility to another and transportation is needed, the responsible professional at the original facility shall notify the clerk of court or a magistrate, and the clerk of court or magistrate shall issue a custody order for transportation of the client as provided by G.S. 122C-251.

(d) Minors and incompetent adults, admitted pursuant to Part 5 of this Article, may be transferred from one 24-hour facility to another provided that prior to transfer the responsible professional at the original facility shall:

- (1) Obtain authorization from the receiving facility that the facility will admit the client; and
- (2) Provide reasonable notice to the client regarding the reason for transfer and document the notice in the client's record; and
- (3) Provide reasonable notice to and consult with the legally responsible person regarding the reason for the transfer and document the notice and consultation in the client's record.

No later than 24 hours after the transfer, the responsible professional at the original facility shall notify the legally responsible person that the transfer is completed.

(e) The responsible professional may transfer a client from one facility to another for emergency medical treatment, emergency medical evaluation, or emergency surgery without notice to or consent from the client. Within a reasonable period of time the responsible professional shall notify the next of kin or the legally responsible person of the client of the transfer.

(f) When a client is transferred to another facility solely for medical reasons, the client shall be returned to the original facility when the medical care is completed unless the responsible professionals at both facilities concur that discharge of the client who is not subject to G.S. 122C-266(b) is appropriate.

(g) The Commission may adopt rules to implement this section. (1919, c. 330; C.S., s. 6163; 1925, c. 51, s. 1; 1945, c. 925, s. 5; 1947, c. 537, s. 9; c. 623, s. 1; 1953, c. 675, s. 15; 1955, c. 1274, s. 1; 1959, c. 1002, s. 11; 1963, c. 1166, ss. 10, 12; 1973, c. 475, s. 1; c. 476, s. 133; c. 673, ss. 7, 8; c. 1436, ss. 6, 7; 1977, c. 679, s. 7; 1981, c. 51, s. 3; c. 328, ss. 1, 2; 1985, c. 589, s. 2; 1985 (Reg. Sess., 1986), c. 863, s. 15; 1991, c. 704, s. 1.)

§ 122C-207. Confidentiality.

Court records made in all proceedings pursuant to this Article are confidential, and are not open to the general public except as provided for by G.S. 122C-54(d). (1977, c. 696, s. 1; 1979, c. 164, s. 2; c. 915, s. 20; 1985, c. 589, s. 2.)

§ 122C-208. Voluntary admission not admissible in involuntary proceeding.

Except when considering treatment history as it pertains to an involuntary outpatient commitment, the fact that an individual has been voluntarily admitted for treatment shall not be competent evidence in an involuntary commitment proceeding. (1985, c. 589, s. 2.)

CASE NOTES

Harmless Error. — Evidence admitted in violation of former § 122-56.6 was subject to the doctrine of harmless error. In re Salem, 31 N.C. App. 57, 228 S.E.2d 649 (1976).

§ 122C-209. Voluntary admissions acceptance.

Nothing contained in Parts 2 through 5 of this Article requires a private physician or private facility to accept an individual as a client for examination or treatment. Examination or treatment at a private facility or by a private physician is at the expense of the individual to the extent that charges are not disposed of by contract between the area authority and private facility. (1985, c. 589, s. 2.)

§ 122C-210. Guardian to pay expenses out of estate.

It is the duty of the guardian who has legal custody of the estate of an incompetent individual held pursuant to the provisions of this Article in a facility to supply funds for his support in the facility during the stay as long as there are sufficient funds for that purpose over and beyond maintaining and supporting those individuals who may be legally dependent on the estate. (1985, c. 589, s. 2.)

§ 122C-210.1. Immunity from liability.

No facility or any of its officials, staff, or employees, or any physician or other individual who is responsible for the custody, examination, management, supervision, treatment, or release of a client and who follows accepted professional judgment, practice, and standards is civilly liable, personally or otherwise, for actions arising from these responsibilities or for actions of the client. This immunity is in addition to any other legal immunity from liability to which these facilities or individuals may be entitled and applies to actions performed in connection with, or arising out of, the admission or commitment of any individual pursuant to this Article. (1899, c. 1, s. 31; Rev., s. 4560; C.S., s. 6172; 1961, c. 511, s. 1; 1973, c. 673, s. 10; 1983, c. 638, s. 15; c. 864, s. 4; 1985, c. 589, s. 2; 1995 (Reg. Sess., 1996), c. 739, s. 3.)

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 739, s. 15, effective January 1, 1997, and applicable to commitments on or after that date, provides: "Nothing in this act shall require hospitals licensed under G.S. 131E or G.S. 122C to contract with area mental health, developmental disabilities, and sub-

stance abuse authorities to provide inpatient or outpatient treatment for persons who are mentally retarded with mental illness."

CASE NOTES

Exercise of Professional Judgment. — Adopting the standard enunciated in *Youngberg v. Romeo*, 457 U.S. 307, 102 S. Ct. 2452, 73 L. Ed. 2d 28 (1982), the court held that so long as the requisite procedures were followed, and the decision to restrain plaintiff, a voluntarily admitted patient at a state mental hospital, was an exercise of professional judgment, the defendants were not liable to the plaintiff for their actions. *Alt v. Parker*, 112 N.C. App. 307, 435 S.E.2d 773 (1993).

Failure to Seek Involuntary Commitment of Patient. — The statutory immunity given by this section makes it most unlikely that the North Carolina Supreme Court would hold that North Carolina's public policy and its tort law would impose tort liabilities upon psychiatrists at Veterans Administration hospital for a mistake in not seeking involuntary commitment of a patient. *Currie v. United States*, 836 F.2d 209 (4th Cir. 1987).

Plaintiff Must Allege Gross or Inten-

tional Negligence or Immunity Will Preclude Claim. — Absent allegation of gross or intentional negligence, plaintiffs' claims of negligence on part of health care providers at Veteran's Administration facility were precluded by statutory immunity. *Cantrell v. United States*, 735 F. Supp. 670 (E.D.N.C. 1988).

Liability for Wrongful Acts of Discharged Patient. — The directors and superintendent of a hospital for the insane acting under former statutory provisions in discharg-

ing or releasing a patient therefrom could not be held responsible in damages for the subsequent killing by such patient of another under a charge of negligence. *Bollinger v. Rader*, 151 N.C. 383, 66 S.E. 314 (1909).

§ 122C-210.2. Research at State facilities for the mentally ill.

(a) For research purposes, State facilities for the mentally ill may be designated by the Secretary as facilities for the voluntary admission of adults who are not admissible as clients otherwise. Designation of these facilities shall be made in accordance with rules of the Secretary that assure the protection of those admitted for research purposes.

(b) Individuals may be admitted to such designated facilities on either an outpatient or inpatient basis.

(c) The Human Rights Committee of the designated facility shall monitor the care of individuals admitted for research during their participation in any research program.

(d) For these individuals admitted to such designated facilities for research purposes only, the following provisions shall apply:

(1) A written application for admission pursuant to G.S. 122C-211(a) and an examination by a physician within 24 hours of admission shall be provided to each of these individuals;

(2) They shall be exempt from the provisions of G.S. 122C-57(a) governing the rights to treatment and to a treatment plan; the requirements of G.S. 122C-61(2) and G.S. 122C-212(b); and the requirements of any single portal of entry and exit plan; however, nothing in this section shall take away the individual's right to be informed of the potential risks and alleged benefits of their participation in any research program;

(3) The Secretary shall exempt these individuals from the provisions of Article 7 of Chapter 143 of the General Statutes requiring payment for treatment in a State institution. The Secretary may also authorize reasonable compensation to be paid to individuals participating in research projects for their services; provided, that the compensation is paid from research grant funds; and

(4) The Commission shall adopt rules regarding the admission, care and discharge of those individuals admitted for research purposes only. (1987, c. 358, s. 1.)

Part 2. Voluntary Admissions and Discharges, Competent Adults, Facilities for the Mentally Ill and Substance Abusers.

§ 122C-211. Admissions.

(a) Except as provided in subsections (b) through (f1) of this section, any individual, including a parent in a family unit, in need of treatment for mental

illness or substance abuse may seek voluntary admission at any facility by presenting himself for evaluation to the facility. No physician's statement is necessary, but a written application for evaluation or admission, signed by the individual seeking admission, is required. The application form shall be available at all times at all facilities. However, no one shall be denied admission because application forms are not available. An evaluation shall determine whether the individual is in need of care, treatment, habilitation or rehabilitation for mental illness or substance abuse or further evaluation by the facility. Information provided by family members regarding the individual's need for treatment shall be reviewed in the evaluation. An individual may not be accepted as a client if the facility determines that the individual does not need or cannot benefit from the care, treatment, habilitation, or rehabilitation available and that the individual is not in need of further evaluation by the facility. The facility shall give to an individual who is denied admission a referral to another facility or facilities that may be able to provide the treatment needed by the client.

(b) In 24-hour facilities the application shall acknowledge that the applicant may be held by the facility for a period of 72 hours after any written request for release that the applicant may make, and shall acknowledge that the 24-hour facility may have the legal right to petition for involuntary commitment of the applicant during that period. At the time of application, the facility shall tell the applicant about procedures for discharge.

(c) Any individual who voluntarily seeks admission to a 24-hour facility in which medical care is an integral component of the treatment shall be examined and evaluated by a physician of the facility within 24 hours of admission. The evaluation shall determine whether the individual is in need of treatment for mental illness or substance abuse or further evaluation by the facility. If the evaluating physician determines that the individual will not benefit from the treatment available, the individual shall not be accepted as a client.

(d) Any individual who voluntarily seeks admission to any 24-hour facility, other than one in which medical care is an integral component of the treatment, shall have a medical examination within 30 days before or after admission if it is reasonably expected that the individual will receive treatment for more than 30 days or shall produce a current, valid physical examination report, signed by a physician, completed within 12 months prior to the current admission. When applicable, this examination may be included in an examination conducted to meet the requirements of G.S. 122C-223 or G.S. 122C-232.

(e) When an individual from a single portal area seeks admission to an area or State 24-hour facility, the admission shall follow the procedures as prescribed in the area plan. When an individual from a single portal area presents himself for admission to the facility directly and is in need of an emergency admission, the individual may be accepted for admission. The facility shall notify the area authority within 24 hours of the admission. Further planning of treatment for the client is the joint responsibility of the area authority and the facility as prescribed in the area plan.

(f) A family unit may voluntarily seek admission to a 24-hour substance abuse facility that is able to provide, directly or by contract, treatment, habilitation, or rehabilitation services that will specifically address the family unit's needs. These services shall include gender-specific substance abuse treatment, habilitation, or rehabilitation for the parent as well as assessment, well-child care, and, as needed, early intervention services for the child. A family unit that voluntarily seeks admission to a 24-hour substance abuse facility shall be evaluated by the facility to determine whether the family unit would benefit from the services of the facility. A facility shall not accept a

family unit as a client if the facility determines that the family unit does not need or cannot benefit from the care, habilitation, or rehabilitation available at the facility. The facility shall give to a family unit that is denied admission a referral to another facility or facilities that may be able to provide treatment needed by the family unit. Except as otherwise provided, this section applies to a parent in a family unit seeking admission under this section.

(f1) An individual in need of treatment for mental illness may be admitted to a facility pursuant to an advance instruction for mental health treatment or pursuant to the authority of a health care agent named in a valid health care power of attorney, provided that the individual is incapable, as defined in G.S. 122C-72(4) at the time of the need for admission. An individual admitted to a facility pursuant to an advance instruction for mental health treatment may not be retained for more than 10 days, except as provided for in subsection (b) of this section. When a health care power of attorney authorizes a health care agent to seek the admission of an incapable individual, the health care agent shall act for the individual in applying for admission to a facility and in consenting to medical treatment at the facility when consent is required, provided that the individual is incapable.

(g) As used in this Part, the term "family unit" means a parent and the parent's dependent children under the age of three years. (1945, c. 952, s. 47½; 1963, c. 1184, s. 22; 1973, c. 723, s. 1; c. 1084; 1983, c. 383, s. 4; 1985, c. 589, s. 2; 1985 (Reg. Effect of Amendments. — Session Laws 1998-47, s. 1, effective retroactively to October 1, 1997, substituted "through (f) of this section, any individual, including a parent in a family unit" for "through (e) of this section, any individual" in the first sentence of subsection (a); substituted "the applicant" for "he" in subsection (b); substituted "the individual" for "he" in subsections (d) and (e); and added subsections (f) and (g).

Session Laws 1998-198, s. 6, effective November 1, 1998, as amended by Session Laws 1998-217, s. 53(a), effective September 30,

1998, substituted "(f1)" for "(f)" in subsection (a); and added subsection (f1).

Session Laws 1999-456, s. 5, effective August 13, 1999, in subsection (f1), substituted "G.S. 122C-72(4)" for "G.S. 122C-72(c)" in the first sentence, and inserted "for mental health treatment" in the second sentence.

Duty to Refer to Another Facility. — This section imposes on a facility the duty to refer an individual to another facility for treatment; therefore, the facility must necessarily use due care in exercising its judgment not to refer an individual for further treatment. *Klassette ex rel. Klassette v. Mecklenburg County Area Mental Health, Mental Retardation & Sub-*

stance Abuse Auth., 88 N.C. App. 495, 364 S.E.2d 179 (1988).

Klassette v. Mecklenburg County Area Mental Health, Mental Retardation & Substance Abuse Auth.*, 88 N.C. App. 495, 364 S.E.2d 179 (1988).

Control Not Conferred by Voluntary Commitment. — Voluntary commitment to treatment facility by veteran for severe post traumatic stress disorder would not have conferred control over him. *Cantrell v. United States*, 735 F. Supp. 670 (E.D.N.C. 1988).

Voluntarily Admitted Patient May Be Involuntarily Returned After Escape. — See opinion of Attorney General to Mr. R.J. Bickel, Division of Mental Health Services,

Department of Human Resources, 44 N.C.A.G. 52 (1974), rendered under former statutory provisions.

§ 122C-212. Discharges.

(a) Except as provided in subsections (b) and (c) of this section, an individual who has been voluntarily admitted to a facility shall be discharged upon his own request. A request for discharge from a 24-hour facility shall be in writing.

(b) An individual who has been voluntarily admitted to a 24-hour facility may be held for 72 hours after his written application for discharge is submitted.

(c) When an individual from a single portal area who has been voluntarily admitted to an area or State 24-hour facility is discharged, the discharge shall follow the procedures as prescribed in the area plan. (1973, c. 723, s. 1; c. 1084; 1983, c. 383, s. 4; 1985, c. 589, s. 2.)

Control Not Conferred by Voluntary Commitment. — Voluntary commitment to treatment facility by veteran for severe post

Part 3. Voluntary Admissions and Discharges, Minors, Facilities for the Mentally Ill and Substance Abusers.

§ 122C-221. Admissions.

(a) Except as otherwise provided in this Part, a minor may be admitted to a facility if the minor is mentally ill or a substance abuser and in need of treatment. Except as otherwise provided in this Part, the provisions of G.S. 122C-211 shall apply to admissions of minors under this Part. Except as provided in G.S. 90-21.5, in applying for admission to a facility, in consenting to medical treatment when consent is required, and in any other legal procedure under this Article, the legally responsible person shall act for the minor. If a minor reaches the age of 18 while in treatment under this Part, further treatment is authorized only on the written authorization of the client or under the provisions of Part 7 or Part 8 of Article 5 of this Chapter.

(b) The Commission shall adopt rules governing procedures for admission to 24-hour facilities not falling within the category of facilities where freedom of movement is restricted. These rules shall be designed to ensure that no minor is improperly admitted to or improperly remains in a 24-hour facility. (1973, c. 1084; 1983, c. 302, s. 1; 1985, c. 589, s. 2; 1987, c. 370, s. 1.)

Editor's Note. — Session Laws 1987, c. 370 rewrote this Part. Where appropriate, the historical citations to the sections in the Part as

originally enacted have been added to corresponding sections in the rewritten Part.

CASE NOTES

Minor is entitled to protection of due process procedures. In re Long, 25 N.C. App. 702, 214 S.E.2d 626, cert. denied, 288 N.C. 241, 217 S.E.2d 665 (1975), decided under former statutory procedures.

The admission procedure under former Chapter 122 was permissible. The judicial deference afforded to parental authority, along with the parent's interest in being able to seek immediate treatment and the policy of encouraging voluntary admissions, would outweigh any interest the minor might have in a pre-

admission hearing. However, the continued confinement of a minor based on that procedure would require procedural safeguards consistent with the due process clause. Such procedural due process should be afforded at the earliest possible time after admission. In re Long, 25 N.C. App. 702, 214 S.E.2d 626, cert. denied, 288 N.C. 241, 217 S.E.2d 665 (1975).

§ 122C-222. Admissions to State facilities.

Admission of a minor who is a resident of a county that is not in a single portal area shall be made to a State facility following screening and upon referral by an area authority, a physician, or an eligible psychologist. Further planning of treatment and discharge for the minor is the joint responsibility of the State facility and the person making the referral. (1987, c. 370, s. 1.)

Editor's Note. — Session Laws 1987, c. 370 rewrote this section, which formerly related to emergency admission to a 24-hour facility. As to

emergency admission to a 24-hour facility, see now § 122C-223.

§ 122C-223. Emergency admission to a 24-hour facility.

(a) In an emergency situation, when the legally responsible person does not appear with the minor to apply for admission, a minor who is mentally ill or a substance abuser and in need of treatment may be admitted to a 24-hour facility upon his own written application. The application shall serve as the initiating document for the hearing required by G.S. 122C-224.

(b) Within 24 hours of admission, the facility shall notify the legally responsible person of the admission unless notification is impossible due to an inability to identify, to locate, or to contact him after all reasonable means to establish contact have been attempted.

(c) If the legally responsible person cannot be located within 72 hours of admission, the responsible professional shall initiate proceedings for juvenile protective services as described in Article 3 of Chapter 7B of the General Statutes in either the minor's county of residence or in the county in which the facility is located.

(d) Within 24 hours of an emergency admission to a State facility, the State facility shall notify the area authority and, as appropriate, the minor's physician or eligible psychologist. Further planning of treatment and discharge for the minor is the joint responsibility of the State facility and the appropriate person in the community. (1973, c. 1084; 1983, c. 302, s. 1; 1985, c. 589, s. 2; 1987, c. 370, s. 1; 1998-202, s. 13(ff).)

Effect of Amendments. — The 1998 amendment, effective July 1, 1999, and appli-

cable to acts committed on or after that date, substituted "Article 3 of Chapter 7B" for "Article 44 of Chapter 7A" in subsection (c).

OPINIONS OF ATTORNEY GENERAL

The post-admission procedures specified by former § 122-56.7 did not violate the right to privacy of a voluntarily admitted minor or incompetent person. Opinion of Attorney General to Mr. John L. Pinnix, 20 August 1975.

Following Admission of Minor Child to Treatment Facility Only Court or Facility May Release Minor. — Pursuant to the provisions of former § 122-56.7, parents who applied for admission of their minor child to a

treatment facility could not later obtain a discharge of the child prior to judicial determination of the need for further treatment at the treatment facility. Only the court or the treatment facility could release the minor child and only then upon determination that the child did not need further hospitalization. See opinion of Attorney General to Mary B. Chamblee, Assistant Public Defender, 26th Judicial District, 49 N.C.A.G. 166 (1980).

§ 122C-224. Judicial review of voluntary admission.

(a) When a minor is admitted to a 24-hour facility where the minor will be subjected to the same restrictions on his freedom of movement present in the State facilities for the mentally ill, or to similar restrictions, a hearing shall be held by the district court in the county in which the 24-hour facility is located within 15 days of the day that the minor is admitted to the facility. A continuance of not more than five days may be granted.

(b) Before the admission, the facility shall provide the minor and his legally responsible person with written information describing the procedures for court review of the admission and informing them about the discharge procedures. They shall also be informed that, after a written request for discharge, the facility may hold the minor for 72 hours during which time the facility may apply for a petition for involuntary commitment.

(c) Within 24 hours after admission, the facility shall notify the clerk of court in the county where the facility is located that the minor has been admitted and that a hearing for concurrence in the admission must be scheduled. At the time notice is given to schedule a hearing, the facility shall notify the clerk of the names and addresses of the legally responsible person and the responsible professional. (1975, c. 839; 1977, c. 756; 1979, c. 171, s. 1; 1983, c. 889, ss. 1, 2; 1985, c. 589, s. 2; 1987, c. 370, s. 1.)

Editor's Note. — Session Laws 1987, c. 370 rewrote this section, which formerly related to discharges. As to discharges, see now § 122C-

224.7. Former § 122C-223 related to judicial determinations.

CASE NOTES

§ 122C-224.1. Duties of clerk of court.

(a) Within 48 hours of receipt of notice that a minor has been admitted to a 24-hour facility wherein his freedom of movement will be restricted, the clerk of superior court, under direction of the district court judge, shall appoint an attorney for the minor. When a minor has been admitted to a State facility for the mentally ill, the attorney appointed shall be the attorney employed in accordance with G.S. 122C-270(a) through (c). All minors shall be conclusively presumed to be indigent, and it shall not be necessary for the court to receive from any minor an affidavit of indigency. The attorney shall be paid a reasonable fee fixed by the court in the same manner as fees for attorneys appointed in cases of indigency. The judge may require payment of the attorney's fee from a person other than the minor as provided in G.S. 7A-450.1 through G.S. 7A-450.4.

(b) Upon receipt of notice that a minor has been admitted to a 24-hour facility wherein his freedom of movement will be restricted, the clerk shall calendar a hearing to be held within 15 days of admission for the purpose of review of the minor's admission. Notice of the time and place of the hearing shall be given as provided in G.S. 1A-1, Rule 4(j) to the attorney in lieu of the minor, as soon as possible but not later than 72 hours before the scheduled hearing. Notice of the hearing shall be sent to the legally responsible person and the responsible professional as soon as possible but not later than 72 hours before the hearing by first-class mail postage prepaid to the individual's last known address.

(c) The clerk shall schedule all hearings and rehearings and send all notices as required by this Part. (1987, c. 370, s. 1.)

OPINIONS OF ATTORNEY GENERAL

Protection of Child's Rights. — Although a minor cannot obtain legal representation without the consent of the legally responsible person, the rights of the child can be adequately protected. First, the Department of Social Services can conduct an investigation of the legally responsible person pursuant to § 7A-542 et seq. [see now § 7B-300 et seq.], the guardian ad

litem program can provide additional support for abused, neglected, or dependent juveniles, including legal support and, a minor receives representation for the commitment proceedings by virtue of this section and § 122C-270. See opinion of Attorney General to C. Robin Britt, Sr., Secretary, Department of Human Resources, — N.C.A.G. — (December 20, 1995).

§ 122C-224.2. Duties of the attorney for the minor.

(a) The attorney shall meet with the minor within 10 days of his appointment but not later than 48 hours before the hearing. In addition, the attorney shall inform the minor of the scheduled hearing and shall give the minor a copy of the notice of the time and place of the hearing no later than 48 hours before the hearing.

(b) The attorney shall counsel the minor concerning the hearing procedure and the potential effects of the hearing proceeding on the minor. If the minor does not wish to appear, the attorney shall file a motion with the court before the scheduled hearing to waive the minor's right to be present at the hearing procedure except during the minor's own testimony. If the attorney determines that the minor does not wish to appear before the judge to provide his own testimony, the attorney shall file a separate motion with the court before the hearing to waive the minor's right to testify.

(c) In all actions on behalf of the minor, the attorney shall represent the minor until formally relieved of the responsibility by the judge. (1987, c. 370, s. 1.)

§ 122C-224.3. Hearing for review of admission.

(a) Hearings shall be held at the 24-hour facility in which the minor is being treated, if it is located within the judge's district court district as defined in G.S. 7A-133, unless the judge determines that the court calendar will be disrupted by such scheduling. In cases where the hearing cannot be held in the 24-hour facility, the judge may schedule the hearing in another location, including the judge's chambers. The hearing may not be held in a regular courtroom, over objection of the minor's attorney, if in the discretion of the judge a more suitable place is available.

(b) The minor shall have the right to be present at the hearing unless the judge rules favorably on the motion of the attorney to waive the minor's appearance. However, the minor shall retain the right to appear before the judge to provide his own testimony and to respond to the judge's questions unless the judge makes a separate finding that the minor does not wish to appear upon motion of the attorney.

(c) Certified copies of reports and findings of physicians, psychologists and other responsible professionals as well as previous and current medical records are admissible in evidence, but the minor's right, through his attorney, to confront and cross-examine witnesses may not be denied.

(d) Hearings shall be closed to the public unless the attorney requests otherwise.

(e) A copy of all documents admitted into evidence and a transcript of the proceedings shall be furnished to the attorney, on request, by the clerk upon the direction of a district court judge. The copies shall be provided at State expense.

(f) For an admission to be authorized beyond the hearing, the minor must be (1) mentally ill or a substance abuser and (2) in need of further treatment at the 24-hour facility to which he has been admitted. Further treatment at the admitting facility should be undertaken only when lesser measures will be insufficient. It is not necessary that the judge make a finding of dangerousness in order to support a concurrence in the admission.

(g) The court shall make one of the following dispositions:

- (1) If the court finds by clear, cogent, and convincing evidence that the requirements of subsection (f) have been met, the court shall concur with the voluntary admission and set the length of the authorized admission of the minor for a period not to exceed 90 days; or
- (2) If the court determines that there exist reasonable grounds to believe that the requirements of subsection (f) have been met but that additional diagnosis and evaluation is needed before the court can concur in the admission, the court may make a one time authorization of up to an additional 15 days of stay, during which time further diagnosis and evaluation shall be conducted; or
- (3) If the court determines that the conditions for concurrence or continued diagnosis and evaluation have not been met, the judge shall order that the minor be released.

(h) The decision of the District Court in all hearings and rehearings is final. Appeal may be had to the Court of Appeals by the State or by any party on the record as in civil cases. The minor may be retained and treated in accordance with this Part, pending the outcome of the appeal, unless otherwise ordered by the District Court or the Court of Appeals. (1987, c. 370, s. 1; 1987 (Reg. Sess., 1988), c. 1037, s. 113.)

§ 122C-224.4. Rehearings.

(a) A minor admitted to a 24-hour facility upon order of the court for further diagnosis and evaluation shall have the right to a rehearing if the responsible professional determines that the minor is in need of further treatment beyond the time authorized by the court for diagnosis and evaluation.

(b) A minor admitted to a 24-hour facility upon the concurrence of the court shall have the right to a rehearing for further concurrence in continued treatment before the end of the period authorized by the court. The court shall review the continued admission in accordance with the hearing procedures in this Part. The court may order discharge of the minor if the minor no longer meets the criteria for admission. If the minor continues to meet the criteria for admission the court shall concur with the continued admission of the minor and set the length of the authorized admission for a period not to exceed 180 days. Subsequent rehearings shall be scheduled at the end of each subsequent authorized treatment period, but no longer than every 180 days.

(c) The responsible professional shall notify the clerk, no later than 15 days before the end of the authorized admission, that continued stay beyond the authorized admission is recommended for the minor. The clerk shall calendar the rehearing to be held before the end of the current authorized admission. (1987, c. 370, s. 1.)

§ 122C-224.5. Transportation.

When it is necessary for a minor to be transported to a location other than the treating facility for the purpose of a hearing, transportation shall be provided under the provisions of G.S. 122C-251. However, the 24-hour facility may obtain permission from the court to routinely provide transportation of minors to and from hearings. (1987, c. 370, s. 1.)

§ 122C-224.6. Treatment pending hearing and after authorization for or concurrence in admission.

(a) Pending the initial hearing and after authorization for further diagnosis and evaluation, or concurrence in admission, the responsible professional may administer to the minor reasonable and appropriate medication and treatment that is consistent with accepted medical standards and consistent with Article 3 of this Chapter.

(b) The responsible professional may release the minor conditionally for periods not in excess of 30 days on specified appropriate conditions. Violation of the conditions is grounds for return of the minor to the 24-hour facility. A law enforcement officer, on request of the responsible professional, shall take the minor into custody and return him to the facility in accordance with G.S. 122C-205. (1987, c. 370, s. 1.)

§ 122C-224.7. Discharge.

(a) The responsible professional shall unconditionally discharge a minor from treatment at any time that it is determined that the minor is no longer mentally ill or a substance abuser, or no longer in need of treatment at the facility.

(b) The legally responsible person may file a written request for discharge from the facility at any time. The facility may hold the minor in the facility for 72 hours after receipt of the request for discharge. If the responsible professional believes that the minor is mentally ill and dangerous to himself or others, he may file a petition for involuntary commitment under the provisions of Part 7 of this Article. If the responsible professional believes that the minor is a substance abuser and dangerous to himself or others, he may file a petition for involuntary commitment under the provisions of Part 8 of this Article. If an order authorizing the holding of the minor under involuntary commitment procedures is issued, further treatment and holding shall follow the provisions of Part 7 or Part 8 whichever is applicable. If an order authorizing the holding of the minor under involuntary commitment procedures is not issued, the minor shall be discharged.

(c) If a client reaches age 18 while in treatment, and the client refuses to sign an authorization for continued treatment within 72 hours of reaching 18, he shall be discharged unless the responsible professional obtains an order to hold the client under the provisions of Part 7 or Part 8 of this Article pursuant to an involuntary commitment. (1975, c. 839; 1977, c. 756; 1979, c. 171, s. 1; 1983, c. 889, ss. 1, 2; 1985, c. 589, s. 2; 1987, c. 370, s. 1.)

§§ 122C-225 through 122C-230: Reserved for future codification purposes.

Part 4. Voluntary Admissions and Discharges, Incompetent Adults, Facilities for the Mentally Ill and Substance Abusers.

§ 122C-231. Admissions.

Except as otherwise provided in this Part an incompetent adult may be admitted to a facility when the individual is mentally ill or a substance abuser and in need of treatment. The provisions of G.S. 122C-211 shall apply to admissions of an incompetent adult under this Part except that the legally responsible person shall act for the individual, in applying for admission to a facility, in consenting to medical treatment when consent is required, in giving or receiving any legal notice, and in any other legal procedure under this Article. (1973, c. 1084; 1983, c. 302, s. 1; 1985, c. 589, s. 2.)

§ 122C-232. Judicial determination.

(a) When an incompetent adult is admitted to a 24-hour facility where the incompetent adult will be subjected to the same restrictions on his freedom of movement present in the State facilities for the mentally ill, or to similar restrictions, a hearing shall be held in the district court in the county in which the 24-hour facility is located within 10 days of the day that the incompetent adult is admitted to the facility. A continuance of not more than five days may be granted upon motion of:

- (1) The court;
- (2) Respondent's counsel; or
- (3) The responsible professional.

The Commission shall adopt rules governing procedures for admission to other 24-hour facilities not falling within the category of facilities where freedom of movement is restricted; these rules shall be designed to ensure that no incompetent adult is improperly admitted to or remains in a facility.

(b) In any case requiring the hearing described in subsection (a) of this section, no petition is necessary; the written application for voluntary admission shall serve as the initiating document for the hearing. The court shall determine whether the incompetent adult is mentally ill or a substance abuser and is in need of further treatment at the facility. Further treatment at the facility should be undertaken only when lesser measures will be insufficient. If the court finds by clear, cogent, and convincing evidence that these requirements have been met, the court shall concur with the voluntary admission of the incompetent adult. If the court finds that these requirements have not been met, it shall order that the incompetent adult be released. A finding of dangerousness to self or others is not necessary to support the determination that further treatment should be undertaken.

(c) Unless otherwise provided in this Part, the hearing specified in subsection (a) of this section, including the provisions for representation of indigent incompetent adults, all subsequent proceedings, and conditional release are governed by the involuntary commitment procedures of Part 7 of this Article.

(d) In addition to the notice of hearings and rehearings to the incompetent adult and his counsel required under Part 7 of this Article, notice shall be given by the clerk to the legally responsible person, or his successor. The legally responsible person, or his successor may also file with the clerk of court a written waiver of his right to receive notice. (1975, c. 839; 1977, c. 756; 1979, c. 171, s. 1; 1983, c. 889, ss. 1, 2; 1985, c. 589, s. 2.)

CASE NOTES

Before a court can concur with a voluntary commitment for an incompetent, it must find that the incompetent is mentally ill or an inebriate and is in need of further treatment at

the treatment facility. In re Hiatt, 45 N.C. App. 318, 262 S.E.2d 685 (1980), decided under former statutory provisions.

OPINIONS OF ATTORNEY GENERAL

The post-admission procedures specified by former § 122-56.7 did not violate the right to privacy of a voluntarily admitted

minor or incompetent person. Opinion of Attorney General to Mr. John L. Pinnix, 20 August 1975.

§ 122C-233. Discharges.

(a) Except as provided in subsection (b) of this section, an incompetent adult shall be discharged upon the request of the legally responsible person as provided in G.S. 122C-212.

(b) After the court has concurred in the admission of an incompetent adult to a 24-hour facility as provided in G.S. 122C-232, only the facility or the court may release the incompetent adult at any time when either determines that the incompetent adult does not need further treatment at the facility. If the legally responsible person believes that release is in the best interest of the incompetent adult, and the facility refuses release, the legally responsible person may apply to the court for a hearing for discharge. (1975, c. 839; 1977, c. 756; 1979, c. 171, s. 1; 1983, c. 889, ss. 1, 2; 1985, c. 589, s. 2.)

§§ 122C-234 through 122C-240: Reserved for future codification purposes.

**Part 5. Voluntary Admissions and Discharges,
Minors and Adults, Facilities for
Individuals with Developmental
Disabilities.**

§ 122C-241. Admissions.

(a) Except as provided in subsection (c) of this section an individual with developmental disabilities may be admitted to a facility for the developmentally disabled in order that he receive care, habilitation, rehabilitation, training, or treatment. Application for admission is made as follows:

- (1) A minor with developmental disabilities may be admitted upon application by both the father and the mother if they are living together and, if not, by the parent or parents having custody or by the legally responsible person.
- (2) An adult with developmental disabilities who has been adjudicated incompetent under Chapter 35A or former Chapters 33 or 35 of the General Statutes may be admitted upon application by his guardian.
- (3) An adult with developmental disabilities who has not been adjudicated incompetent under Chapter 35A or former Chapters 33 or 35 of the General Statutes may be admitted upon his own application.

(b) Prior to admission to a 24-hour facility, the individual shall be examined and evaluated by a physician or psychologist to determine whether the individual is developmentally disabled. In addition, the individual shall be examined and evaluated by a qualified developmental disabilities professional no sooner than 31 days prior to admission or within 72 hours after admission to determine whether the individual is in need of care, habilitation, rehabilitation, training or treatment by the facility. If the evaluating professional determines that the individual will not benefit from an admission, the individual shall not be admitted as a client.

(c) An admission to an area or State 24-hour facility of an individual from a single portal area shall follow the procedures as prescribed in the area plan. When an individual from a single portal area presents himself or is presented for admission to a State facility for the mentally retarded directly and is in need of an emergency admission, he may be accepted for admission. The State facility shall notify the area authority within 24 hours of the admission and further planning of treatment for the individual is the joint responsibility of the area authority and the State facility as prescribed in the area plan. (1963, c. 1184, s. 6; 1965, c. 800, s. 12; 1973, c. 476, s. 133; 1977, c. 679, s. 7; 1981, c. 51, s. 3; 1983, c. 383, s. 7; 1985, c. 589, s. 2; c. 695, s. 14; 1989, c. 625, s. 22; 1989 (Reg. Sess., 1990), c. 1024, s. 26(d).)

§ 122C-242. Discharges.

(a) Except as provided in subsections (b) through (d) of this section, discharges from facilities for individuals with developmental disabilities are made upon request of the individual authorized in G.S. 122C-241(a) to make application for admission or by the director of the facility.

(b) Any adult who has not been declared incompetent and who is admitted to a 24-hour facility shall be discharged upon his own request, unless the director of the facility has reason to believe that the adult is endangering himself by the discharge. In this case the individual may be held for a period not to exceed five days while the director petitions for the adjudication of incompetency of the individual and the appointment of an interim guardian under Chapter 35A of the General Statutes.

(c) Any individual admitted to a 24-hour facility may be discharged when in the judgment of the director of the facility the individual is no longer in need of care, treatment, habilitation or rehabilitation by the facility or the individual will no longer benefit from the service available. In the case of an area or State facility rules adopted by the Commission or by the Secretary in accordance with G.S. 122C-63 shall be followed.

(d) When the individual to be discharged from an area or State 24-hour facility is a resident of a single portal area, the discharge shall follow the procedures described in the area plan. (1963, c. 1184, s. 6; 1973, c. 476, s. 133; 1983, c. 383, s. 8; 1985, c. 589, s. 2; 1989, c. 625, s. 22; 1989 (Reg. Sess., 1990), c. 1024, s. 26(c).)

§§ 122C-243 through 122C-250: Reserved for future codification purposes.

Part 6. Involuntary Commitment — General Provisions.

§ 122C-251. Transportation.

(a) Except as provided in subsections (f) and (g), transportation of a respondent within a county under the involuntary commitment proceedings of this Article, including admission and discharge, shall be provided by the city or county. The city has the duty to provide transportation of a respondent who is a resident of the city or who is taken into custody in the city limits. The county has the duty to provide transportation for a respondent who resides in the county outside city limits or who is taken into custody outside of city limits. However, cities and counties may contract with each other to provide transportation.

(b) Except as provided in subsections (f) and (g) or in G.S. 122C-408(b), transportation between counties under the involuntary commitment proceedings of this Article for admission to a 24-hour facility shall be provided by the county where the respondent is taken into custody. Transportation between counties under the involuntary commitment proceedings of this Article for respondents held in 24-hour facilities who have requested a change of venue for the district court hearing shall be provided by the county where the petition for involuntary commitment was initiated. Transportation between counties under the involuntary commitment proceedings of this Article for discharge of a respondent from a 24-hour facility shall be provided by the county of residence of the respondent. However, a respondent being discharged from a facility may use his own transportation at his own expense.

(c) Transportation of a respondent may be by city- or county-owned vehicles or by private vehicle by contract with the city or county. To the extent feasible, law enforcement officers transporting respondents shall dress in plain clothes and shall travel in unmarked vehicles. Further, law enforcement officers, to the extent possible, shall advise respondents when taking them into custody that they are not under arrest and have not committed a crime, but are being transported to receive treatment and for their own safety and that of others.

(d) In providing transportation of a respondent, a city or county shall provide a driver or attendant who is the same sex as the respondent, unless the law-enforcement officer allows a family member of the respondent to accompany the respondent in lieu of an attendant of the same sex as the respondent.

(e) In providing transportation required by this section, the law-enforcement officer may use reasonable force to restrain the respondent if it appears necessary to protect himself, the respondent, or others. No law-enforcement officer may be held criminally or civilly liable for assault, false imprisonment,

or other torts or crimes on account of reasonable measures taken under the authority of this Article.

(f) Notwithstanding the provisions of subsections (a), (b), and (c) of this section, a clerk, a magistrate, or a district court judge, where applicable, may authorize the family or immediate friends of the respondent, if they so request, to transport the respondent in accordance with the procedures of this Article. This authorization shall only be granted in cases where the danger to the public, the family or friends of the respondent, or the respondent himself is not substantial. The family or immediate friends of the respondent shall bear the costs of providing this transportation.

(g) The governing body of a city or county may adopt a plan for transportation of respondents in involuntary commitment proceedings in this Article. Law-enforcement personnel, volunteers, or other public or private agency personnel may be designated to provide all or parts of the transportation required by involuntary commitment proceedings. Persons so designated shall be trained and the plan shall assure adequate safety and protections for both the public and the respondent. Law enforcement, other affected agencies, and the area authority shall participate in the planning. If any person other than a law-enforcement agency is designated by a city or county, the person so designated shall provide the transportation and follow the procedures in this Article. References in this Article to a law-enforcement officer apply to this person.

(h) The cost and expenses of transporting a respondent to or from a 24-hour facility is the responsibility of the county of residence of the respondent. The State (when providing transportation under G.S. 122C-408(b)), a city, or a county is entitled to recover the reasonable cost of transportation from the county of residence of the respondent. The county of residence of the respondent shall reimburse the State, another county, or a city the reasonable transportation costs incurred as authorized by this subsection. The county of residence of the respondent is entitled to recover the reasonable cost of transportation it has paid to the State, a city, or a county. Provided that the county of residence provides the respondent or other individual liable for the respondent's support a reasonable notice and opportunity to object to the reimbursement, the county of residence of the respondent may recover that cost from:

- (1) The respondent, if the respondent is not indigent;
- (2) Any person or entity that is legally liable for the resident's support and maintenance provided there is sufficient property to pay the cost;
- (3) Any person or entity that is contractually responsible for the cost; or
- (4) Any person or entity that otherwise is liable under federal, State, or local law for the cost. (1899, c. 1, s. 32; Rev., s. 4555; 1919, c. 326, s. 4; C.S., ss. 6201, 6202; 1945, c. 952, ss. 29, 30; 1953, c. 256, s. 6; 1961, c. 186; 1963, c. 1184, s. 1; 1969, c. 982; 1973, c. 1408, s. 1; 1979, c. 915, ss. 21, 22; 1983, c. 138, ss. 1, 2; 1985, c. 589, s. 2; 1987, c. 268; 1995 (Reg. Sess., 1996), c. 739, s. 4; 1999-201, s. 1; 1999-456, s. 36.)

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 739, s. 15, effective January 1, 1997, and applicable to commitments on or after that date, provides: "Nothing in this act shall require hospitals licensed under G.S. 131E or G.S. 122C to contract with area mental health, developmental disabilities, and substance abuse authorities to provide inpatient or outpatient treatment for persons who are mentally retarded with mental illness."

Effect of Amendments. — Session Laws 1999-201, s. 1, effective June 21, 1999, rewrote subsection (h).

Session Laws 1999-456, s. 36, effective August 13, 1999, amended subsection (h) as rewritten by Session Laws 1999-201, s. 1, by inserting "the county of residence provides," deleting "is provided" following "support," and making a minor stylistic change in the fifth sentence.

OPINIONS OF ATTORNEY GENERAL

Former § 122-58.14 (see now this section) required a city to provide the transportation necessary to take a resident of the city who was being processed for involuntary

commitment to a community mental health facility which was located outside of the city but inside of the same county. Opinion of Attorney General to Mr. W.B. Trevorrow, 7 October 1975.

§ 122C-252. Twenty-four hour facilities for custody and treatment of involuntary clients.

State facilities, 24-hour facilities licensed under this Chapter or hospitals licensed under Chapter 131E may be designated by the Secretary as facilities for the custody and treatment of involuntary clients. Designation of these facilities shall be made in accordance with rules of the Secretary that assure the protection of the client and the general public. Facilities so designated may detain a client under the procedures of Parts 7 and 8 of this Article both before a district court hearing and after commitment of the respondent. (1973, c. 726, s. 1; c. 1408, s. 1; 1977, c. 400, s. 4; c. 679, s. 8; c. 739, s. 1; 1979, c. 358, s. 27; c. 915, s. 4; 1983, c. 380, ss. 4, 10; c. 638, ss. 6, 7, 25.1; c. 864, s. 4; 1985, c. 589, s. 2.)

§ 122C-253. Fees under commitment order.

Nothing contained in Parts 6, 7, or 8 of this Article requires a private physician, private psychologist, or private facility to accept a respondent as a client either before or after commitment. Treatment at a private facility or by a private physician or private psychologist is at the expense of the respondent to the extent that the charges are not disposed of by contract between the area authority and the private facility. An area authority and its contract agencies shall set and recover fees for inpatient or outpatient treatment services provided under a commitment order in accordance with G.S. 122C-146. (1973, c. 726, s. 1; c. 1408, s. 1; 1977, c. 400, s. 8; c. 739, s. 2; 1979, c. 358, s. 26; c. 915, ss. 8, 15, 16; 1981, c. 537, s. 1; 1983, c. 380, s. 8; c. 638, s. 14; c. 864, s. 4; 1985, c. 589, s. 2; c. 695, s. 3.)

§ 122C-254. Housing responsibility for certain clients in or escapees from involuntary commitment.

(a) Any individual who has been involuntarily committed under the provisions of this Article to a 24-hour facility:

- (1) Who escapes from or is absent without authorization from the facility before being discharged; and
- (2) Who is charged with a criminal offense committed after the escape or during the unauthorized absence; and
- (3) Whose involuntary commitment is determined to be still valid by the judge or judicial officer who would make the pretrial release determination regarding the criminal offense under the provisions of G.S. 15A-533 and G.S. 15A-534; or
- (4) Who is charged with committing a crime while still residing in the facility and whose commitment is still valid as prescribed by subdivision (3) of this section;

shall be denied pretrial release pursuant to G.S. 15A-533 and G.S. 15A-534. In lieu of pretrial release, and pending the additional proceedings on the criminal offense, the individual shall be returned to the 24-hour facility in which he was residing at the time of the alleged crime or from which he escaped or absented himself for continuation of his commitment.

(b) Absent findings of lack of mental responsibility for his criminal offense or lack of competency to stand trial for the criminal offense, the involuntary commitment of an individual as described in subsection (a) of this section shall not be utilized in lieu of nor shall it constitute a bar to proceeding to trial for the criminal offense. At any time that the district court or the responsible professional of the 24-hour facility finds that the individual should be unconditionally discharged, committed for outpatient treatment, or conditionally released, the facility shall notify the clerk of superior court in the county in which the criminal charge is pending before making the change in status. At this time, a pretrial release determination pursuant to the provisions of G.S. 15A-533 and G.S. 15A-534 shall be made. In this event, arrangements for returning the individual for the pretrial release determination shall be the responsibility of the clerk of superior court.

(c) An individual who has been processed in accordance with subsections (a) and (b) of this section may not later be returned to a 24-hour facility before trial except pursuant to involuntary commitment proceedings by the district court in accordance with Parts 7 and 8 of this Article or after proceedings in accordance with the provisions of G.S. 15A-1002 or G.S. 15A-1321.

(d) Other involuntarily committed respondents who escape, but do not meet the additional criteria specified in subsection (a) of this section, are handled in accordance with the provisions of G.S. 122C-205. (1981, c. 936, s. 1; 1985, c. 589, s. 2.)

§§ 122C-255 through 122C-260: Reserved for future codification purposes.

Part 7. Involuntary Commitment of the Mentally Ill; Facilities for the Mentally Ill.

§ 122C-261. Affidavit and petition before clerk or magistrate when immediate hospitalization is not necessary; custody order.

(a) Anyone who has knowledge of an individual who is mentally ill and either (i) dangerous to self, as defined in G.S. 122C-3(11)a., or dangerous to others, as defined in G.S. 122C-3(11)b., or (ii) in need of treatment in order to prevent further disability or deterioration that would predictably result in dangerousness, may appear before a clerk or assistant or deputy clerk of superior court or a magistrate and execute an affidavit to this effect, and petition the clerk or magistrate for issuance of an order to take the respondent into custody for examination by a physician or eligible psychologist. The affidavit shall include the facts on which the affiant's opinion is based. If the affiant has knowledge or reasonably believes that the respondent, in addition to being mentally ill, is also mentally retarded, this fact shall be stated in the affidavit. Jurisdiction under this subsection is in the clerk or magistrate in the county where the respondent resides or is found.

(b) If the clerk or magistrate finds reasonable grounds to believe that the facts alleged in the affidavit are true and that the respondent is probably mentally ill and either (i) dangerous to self, as defined in G.S. 122C-3(11)a., or

dangerous to others, as defined in G.S. 122C-3(11)b., or (ii) in need of treatment in order to prevent further disability or deterioration that would predictably result in dangerousness, the clerk or magistrate shall issue an order to a law enforcement officer or any other person authorized under G.S. 122C-251 to take the respondent into custody for examination by a physician or eligible psychologist. If the clerk or magistrate finds that, in addition to probably being mentally ill, the respondent is also probably mentally retarded, the clerk or magistrate shall contact the area authority before issuing a custody order and the area authority shall designate the facility to which the respondent is to be taken for examination by a physician or eligible psychologist. The clerk or magistrate shall provide the petitioner and the respondent, if present, with specific information regarding the next steps that will occur for the respondent.

(c) If the clerk or magistrate issues a custody order, the clerk or magistrate shall also make inquiry in any reliable way as to whether the respondent is indigent within the meaning of G.S. 7A-450. A magistrate shall report the result of this inquiry to the clerk.

(d) If the affiant is a physician or eligible psychologist, the affiant may execute the affidavit before any official authorized to administer oaths. This affiant is not required to appear before the clerk or magistrate for this purpose. This affiant's examination shall comply with the requirements of the initial examination as provided in G.S. 122C-263(c). If the physician or eligible psychologist recommends outpatient commitment and the clerk or magistrate finds probable cause to believe that the respondent meets the criteria for outpatient commitment, the clerk or magistrate shall issue an order that a hearing before a district court judge be held to determine whether the respondent will be involuntarily committed. The physician or eligible psychologist shall provide the respondent with written notice of any scheduled appointment and the name, address, and telephone number of the proposed outpatient treatment physician or center. If the physician or eligible psychologist recommends inpatient commitment and the clerk or magistrate finds probable cause to believe that the respondent meets the criteria for inpatient commitment, the clerk or magistrate shall issue an order for transportation to or custody at a 24-hour facility described in G.S. 122C-252. However, if the clerk or magistrate finds probable cause to believe that the respondent, in addition to being mentally ill, is also mentally retarded, the clerk or magistrate shall contact the area authority before issuing the order and the area authority shall designate the facility to which the respondent is to be transported. If a physician or eligible psychologist executes an affidavit for inpatient commitment of a respondent, a second physician shall be required to perform the examination required by G.S. 122C-266.

(e) Upon receipt of the custody order of the clerk or magistrate or a custody order issued by the court pursuant to G.S. 15A-1003, a law enforcement officer or other person designated in the order shall take the respondent into custody within 24 hours after the order is signed, and proceed according to G.S. 122C-263.

(f) When a petition is filed for an individual who is a resident of a single portal area, the procedures for examination by a physician or eligible psychologist as set forth in G.S. 122C-263 shall be carried out in accordance with the area plan. Prior to issuance of a custody order for a respondent who resides in an area authority with a single portal plan, the clerk or magistrate shall communicate with the area authority to determine the appropriate 24-hour facility to which the respondent should be admitted according to the area plan or to determine if there are more appropriate resources available through the area authority to assist the petitioner or the respondent. When an individual from a single portal area is presented for commitment at a 24-hour area or State facility directly, the individual may not be accepted for admission until

the facility notifies the area authority and the area authority agrees to the admission. If the area authority does not agree to the admission, it shall determine the appropriate 24-hour facility to which the individual should be admitted according to the area plan or determine if there are more appropriate resources available through the area authority to assist the individual. If the area authority agrees to the admission, further planning of treatment for the client is the joint responsibility of the area authority and the facility as prescribed in the area plan.

Notwithstanding the provisions of this section, in no event shall an individual known or reasonably believed to be mentally retarded be admitted to a State psychiatric hospital, except as follows:

- (1) Persons described in G.S. 122C-266(b);
- (2) Persons admitted pursuant to G.S. 15A-1321;
- (3) Respondents who are so extremely dangerous as to pose a serious threat to the community and to other patients committed to non-State hospital psychiatric inpatient units, as determined by the Director of the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services or his designee; and
- (4) Respondents who are so gravely disabled by both multiple disorders and medical fragility or multiple disorders and deafness that alternative care is inappropriate, as determined by the Director of the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services or his designee.

Individuals transported to a State facility for the mentally ill who are not admitted by the facility may be transported by law enforcement officers or designated staff of the State facility in State-owned vehicles to an appropriate 24-hour facility that provides psychiatric inpatient care.

No later than 24 hours after the transfer, the responsible professional at the original facility shall notify the petitioner, the clerk of court, and, if consent is granted by the respondent, the next of kin, that the transfer has been completed. (1973, c. 726, s. 1; c. 1408, s. 1; 1977, c. 400, s. 3; 1979, c. 164, s. 2; c. 915, ss. 3, 18; 1983, c. 383, s. 5; c. 638, ss. 3-5; c. 864, s. 4; 1985, c. 589, s. 2; c. 695, ss. 2, 4; 1985 (Reg. Sess., 1986), c. 863, s. 17; 1989 (Reg. Sess., 1990), c. 823, ss. 1, 2; c. 1024, s. 27.1; 1991, c. 37, s. 7; 1995 (Reg. Sess., 1996), c. 739, s. 6; 1997-456, s. 47.)

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 739, s. 14, effective January 1, 1997, and applicable to commitments on or after that date, provides: "The Mental Health Study Commission shall examine the entire civil commitment process with the goal of placing full responsibility for involuntary commitments on area mental health, developmental disabilities, and substance abuse authorities, in accordance with due process, and of improving quality outcomes in crisis services. The Commission shall report its findings, together with draft legislation and cost analyses, to the 1997 General Assembly by March 1, 1997."

1995 (Reg. Sess., 1996), c. 739, s. 15, effective January 1, 1997, and applicable to commit-

ments on or after that date, provides: "Nothing in this act shall require hospitals licensed under G.S. 131E or G.S. 122C to contract with area mental health, developmental disabilities, and substance abuse authorities to provide inpatient or outpatient treatment for persons who are mentally retarded with mental illness."

CASE NOTES

Editor's Note. — Most of the cases cited below were decided under former statutory provisions.

Common Law. — At common law there was a right to detain a mentally ill person in order to protect such person from self-injury and the

public from injury at the hands of such deranged person. This doubtless accounts for the action of the legislature in authorizing such an emergency commitment. The action of the legislature supplanted the common-law rule. *Samons v. Meymandi*, 9 N.C. App. 490, 177 S.E.2d 209 (1970), cert. denied, 277 N.C. 458, 178 S.E.2d 225 (1971).

Right to trial by jury did not exist at common law in insanity proceedings and was thus not required under former § 122-58.3. In *re Appeal of Taylor*, 25 N.C. App. 642, 215 S.E.2d 789 (1975).

A commitment order is essentially a judgment by which a person is deprived of his liberty, and as a result, he is entitled to the safeguard of a determination by a neutral officer of the court that reasonable grounds exist for his original detention, just as he would be if he were to be deprived of liberty in a criminal context. In *re Reed*, 39 N.C. App. 227, 249 S.E.2d 864 (1978).

Requirements of former § 122-58.3 (see now §§ 122C-261 and 122C-281) were required to be followed diligently. In *re Hernandez*, 46 N.C. App. 265, 264 S.E.2d 780 (1980); In *re Barnhill*, 72 N.C. App. 530, 325 S.E.2d 308 (1985).

Contents and Sufficiency of Affidavit. — The affidavit must set out facts upon which the affiant's opinion is based. Such facts must be sufficient to establish to the affiant's satisfaction that the patient is imminently dangerous to himself or others. In *re Hernandez*, 46 N.C. App. 265, 264 S.E.2d 780 (1980).

Petition for involuntary commitment which was not confirmed by oath or affirmation before a duly authorized certifying officer did not comply with the requirements of former § 122-58.3(a) (see now §§ 122C-261, 122C-281) and could not serve as a basis for involuntary commitment. In *re Ingram*, 74 N.C. App. 579, 328 S.E.2d 588 (1985).

Insufficient Affidavit. — An affidavit which stated that the respondent was "believed to have been on drugs for a number of years," was "so mixed up," and was "at a place where he is dangerous to himself" was insufficient to estab-

lish reasonable grounds for the issuance of a custody order. In *re Reed*, 39 N.C. App. 227, 249 S.E.2d 864 (1978).

Statement Held Not to Establish Grounds for Commitment. — Statement that "respondent has strange behavior and irrational in her thinking" was not a statement of fact but a pure conclusion of the affiant, and did not suffice to establish reasonable grounds for issuance of commitment order. In *re Ingram*, 74 N.C. App. 579, 328 S.E.2d 588 (1985).

Statement Held Not to Establish Mental Illness or Dangerousness. — Statements that respondent "Leaves home and no one knows of her whereabouts, and at times spends the night away from home. Accuses husband of improprieties" did not establish facts showing or tending to show that respondent was mentally ill or dangerous to herself or others. In *re Ingram*, 74 N.C. App. 579, 328 S.E.2d 588 (1985).

Effect of § 8-53. — For discussion of former statutory provisions making it manifest that the physician's role in involuntary commitment proceedings was not intended to be inhibited by § 8-53, see In *re Farrow*, 41 N.C. App. 680, 255 S.E.2d 777 (1979).

Defenses of Insanity and Unconsciousness Distinguished. — The defenses of insanity and unconsciousness are not the same; a defendant found not guilty by reason of unconsciousness, as distinct from insanity, is not subject to commitment to a hospital for the mentally ill; however, such a defendant is subject to involuntary commitment to a facility for the mentally ill if found in a civil commitment proceeding to be mentally ill and either dangerous to himself or others or in need of treatment in order to prevent further disability or deterioration that would predictably result in dangerousness. *State v. Fields*, 324 N.C. 204, 376 S.E.2d 740 (1989).

§ 122C-262. Special emergency procedure for individuals needing immediate hospitalization.

(a) Anyone, including a law enforcement officer, who has knowledge of an individual who is subject to inpatient commitment according to the criteria of G.S. 122C-261(a) and who requires immediate hospitalization to prevent harm to self or others, may transport the individual directly to an area facility or other place, including a State facility for the mentally ill, for examination by a physician or eligible psychologist in accordance with G.S. 122C-263(c).

(b) Upon examination by the physician or eligible psychologist, if the individual meets the criteria required in G.S. 122C-261(a), the physician or eligible psychologist shall so certify in writing before any official authorized to

administer oaths. The certificate shall also state the reason that the individual requires immediate hospitalization. If the physician or eligible psychologist knows or has reason to believe that the individual is mentally retarded, the certificate shall so state.

(c) If the physician or eligible psychologist executes the oath, appearance before a magistrate shall be waived. The physician or eligible psychologist shall send a copy of the certificate to the clerk of superior court by the most reliable and expeditious means. If it cannot be reasonably anticipated that the clerk will receive the copy within 24 hours, excluding Saturday, Sunday, and holidays, of the time that it was signed, the physician or eligible psychologist shall also communicate the findings to the clerk by telephone.

(d) Anyone, including a law enforcement officer if necessary, may transport the individual to a 24-hour facility described in G.S. 122C-252 for examination and treatment pending a district court hearing. If there is no area 24-hour facility and if the respondent is indigent and unable to pay for care at a private 24-hour facility, the law enforcement officer or other designated person providing transportation shall take the respondent to a State facility for the mentally ill designated by the Commission in accordance with G.S. 143B-147(a)(1)a and immediately notify the clerk of superior court of this action. The physician's or eligible psychologist's certificate shall serve as the custody order and the law enforcement officer or other designated person shall provide transportation in accordance with the provisions of G.S. 122C-251.

In the event an individual known or reasonably believed to be mentally retarded is transported to a State facility for the mentally ill, in no event shall that individual be admitted to that facility except as follows:

- (1) Persons described in G.S. 122C-266(b);
- (2) Persons admitted pursuant to G.S. 15A-1321;
- (3) Respondents who are so extremely dangerous as to pose a serious threat to the community and to other patients committed to non-State hospital psychiatric inpatient units, as determined by the Director of the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services or his designee; and
- (4) Respondents who are so gravely disabled by both multiple disorders and medical fragility or multiple disorders and deafness that alternative care is inappropriate, as determined by the Director of the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services or his designee.

Individuals transported to a State facility for the mentally ill who are not admitted by the facility may be transported by law enforcement officers or designated staff of the State facility in State-owned vehicles to an appropriate 24-hour facility that provides psychiatric inpatient care.

No later than 24 hours after the transfer, the responsible professional at the original facility shall notify the petitioner, the clerk of court, and, if consent is granted by the respondent, the next of kin, that the transfer has been completed.

(e) Respondents received at a 24-hour facility under the provisions of this section shall be examined by a second physician in accordance with G.S. 122C-266. After receipt of notification that the district court has determined reasonable grounds for the commitment, further proceedings shall be carried out in the same way as for all other respondents under this Part. (1973, c. 726, s. 1; c. 1408, s. 1; 1985, c. 589, s. 2; c. 695, s. 2; 1987, c. 596, s. 1; 1995 (Reg. Sess., 1996), c. 739, s. 7.)

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 739, s. 15, effective January 1, 1997, and applicable to commitments on or after that date, provides: "Nothing in this act

shall require hospitals licensed under G.S. 131E or G.S. 122C to contract with area mental health, developmental disabilities, and substance abuse authorities to provide inpatient or

outpatient treatment for persons who are mentally retarded with mental illness.”

CASE NOTES

Former § 122-58.18 (see now §§ 122C-262 and 122C-282) was not intended to be used indiscriminately and clearly defined the limited time and circumstances for such use. In re Hernandez, 46 N.C. App. 265, 264 S.E.2d 780 (1980), decided under former statutory provisions.

Affidavit. — The affidavit must set out facts upon which the affiant's opinion is based. Such facts must be sufficient to establish to the affiant's satisfaction that the patient is imminently dangerous to himself or others. In re Hernandez, 46 N.C. App. 265, 264 S.E.2d 780 (1980), decided under former statutory provisions.

Reliance on Information Gained from Others. — An officer's petition for involuntary commitment of respondent pursuant to the emergency procedures for violent persons was not required to be dismissed because the officer did not personally observe the respondent in an act of violence but relied on information gained from others. In re Hernandez, 46 N.C. App. 265, 264 S.E.2d 780 (1980), decided under former statutory provisions.

Defendant required immediate hospitalization to prevent harm to himself, pursuant to this section, evidenced by the testimony that when appellant abruptly left the doctor's office, he said he was going to kill himself. In re Woodie, 116 N.C. App. 425, 448 S.E.2d 142 (1994).

No Overt Act Required. — In finding one to be imminently dangerous, there is no requirement of an overt act. In re Hernandez, 46 N.C. App. 265, 264 S.E.2d 780 (1980), decided under former statutory provisions.

Concealing a potentially dangerous weapon is evidence of imminent danger. In re Hernandez, 46 N.C. App. 265, 264 S.E.2d 780 (1980), decided under former statutory provisions.

Constitutional Protection Not Affected. — While this section provides permission and procedures to transport those subject to inpatient commitment who require immediate hospitalization to prevent harm, this section does not and cannot lessen the protection provided the mentally ill, or suspected mentally ill, by the Fourth Amendment. White v. Town of Chapel Hill, 899 F. Supp. 1428 (M.D.N.C. 1995), aff'd 70 F.3d 1264 (4th Cir. 1995).

Illustrative Case. — Where police had been called to plaintiff's apartment in relation to a “hostage situation”, plaintiff's journal notes referenced killing himself and others, and plaintiff refused to come out of his house, police had probable cause under this section to surround plaintiff's home, ask him to come out, and seize him upon his voluntary exit. White v. Town of Chapel Hill, 899 F. Supp. 1428 (M.D.N.C. 1995), aff'd 70 F.3d 1264 (4th Cir. 1995).

§ 122C-263. Duties of law-enforcement officer; first examination by physician or eligible psychologist.

(a) Without unnecessary delay after assuming custody, the law enforcement officer or the individual designated by the clerk or magistrate under G.S. 122C-251(g) to provide transportation shall take the respondent to an area facility for examination by a physician or eligible psychologist; if a physician or eligible psychologist is not available in the area facility, the person designated to provide transportation shall take the respondent to any physician or eligible psychologist locally available. If a physician or eligible psychologist is not immediately available, the respondent may be temporarily detained in an area facility, if one is available; if an area facility is not available, the respondent may be detained under appropriate supervision in the respondent's home, in a private hospital or a clinic, in a general hospital, or in a State facility for the mentally ill, but not in a jail or other penal facility.

(b) The examination set forth in subsection (a) of this section is not required if:

- (1) The affiant who obtained the custody order is a physician or eligible psychologist who recommends inpatient commitment;

- (2) The custody order states that the respondent was charged with a violent crime, including a crime involving assault with a deadly weapon, and he was found incapable of proceeding; or

- (3) Repealed by Session Laws 1987, c. 596, s. 3.

In any of these cases, the law-enforcement officer shall take the respondent directly to a 24-hour facility described in G.S. 122C-252.

(c) The physician or eligible psychologist described in subsection (a) of this section shall examine the respondent as soon as possible, and in any event within 24 hours, after the respondent is presented for examination. The examination shall include but is not limited to an assessment of the respondent's:

- (1) Current and previous mental illness and mental retardation including, if available, previous treatment history;
 - (2) Dangerousness to self, as defined in G.S. 122C-3(11)a. or others, as defined in G.S. 122C-3(11)b.;
 - (3) Ability to survive safely without inpatient commitment, including the availability of supervision from family, friends or others; and
 - (4) Capacity to make an informed decision concerning treatment.
- (d) After the conclusion of the examination the physician or eligible psychologist shall make the following determinations:

- (1) If the physician or eligible psychologist finds that:
 - a. The respondent is mentally ill;
 - b. The respondent is capable of surviving safely in the community with available supervision from family, friends, or others;
 - c. Based on the respondent's psychiatric history, the respondent is in need of treatment in order to prevent further disability or deterioration that would predictably result in dangerousness as defined by G.S. 122C-3(11); and
 - d. The respondent's current mental status or the nature of the respondent's illness limits or negates the respondent's ability to make an informed decision to seek voluntarily or comply with recommended treatment.

The physician or eligible psychologist shall so show on the examination report and shall recommend outpatient commitment. In addition the examining physician or eligible psychologist shall show the name, address, and telephone number of the proposed outpatient treatment physician or center. The person designated in the order to provide transportation shall return the respondent to the respondent's regular residence or, with the respondent's consent, to the home of a consenting individual located in the originating county, and the respondent shall be released from custody.

- (2) If the physician or eligible psychologist finds that the respondent is mentally ill and is dangerous to self, as defined in G.S. 122C-3(11)a., or others, as defined in G.S. 122C-3(11)b., the physician or eligible psychologist shall recommend inpatient commitment, and shall so show on the examination report. If, in addition to mental illness and dangerousness, the physician or eligible psychologist also finds that the respondent is known or reasonably believed to be mentally retarded, this finding shall be shown on the report. The law enforcement officer or other designated person shall take the respondent to a 24-hour facility described in G.S. 122C-252 pending a district court hearing. If there is no area 24-hour facility and if the respondent is indigent and unable to pay for care at a private 24-hour facility, the law enforcement officer or other designated person shall take the respondent to a State facility for the mentally ill designated by the Commission in accordance with G.S. 143B-147(a)(1)a. for custody,

observation, and treatment and immediately notify the clerk of superior court of this action.

In the event an individual known or reasonably believed to be mentally retarded is transported to a State facility for the mentally ill, in no event shall that individual be admitted to that facility except as follows:

- a. Persons described in G.S. 122C-266(b);
- b. Persons admitted pursuant to G.S. 15A-1321;
- c. Respondents who are so extremely dangerous as to pose a serious threat to the community and to other patients committed to non-State hospital psychiatric inpatient units, as determined by the Director of the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services or his designee; and
- d. Respondents who are so gravely disabled by both multiple disorders and medical fragility or multiple disorders and deafness that alternative care is inappropriate, as determined by the Director of the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services or his designee.

Individuals transported to a State facility for the mentally ill who are not admitted by the facility may be transported by law enforcement officers or designated staff of the State facility in State-owned vehicles to an appropriate 24-hour facility that provides psychiatric inpatient care.

No later than 24 hours after the transfer, the responsible professional at the original facility shall notify the petitioner, the clerk of court, and, if consent is granted by the respondent, the next of kin, that the transfer has been completed.

- (3) If the physician or eligible psychologist finds that neither condition described in subdivisions (1) or (2) of this subsection exists, the proceedings shall be terminated. The person designated in the order to provide transportation shall return the respondent to the respondent's regular residence or, with the respondent's consent, to the home of a consenting individual located in the originating county and the respondent shall be released from custody.

(e) The findings of the physician or eligible psychologist and the facts on which they are based shall be in writing in all cases. The physician or eligible psychologist shall send a copy of the findings to the clerk of superior court by the most reliable and expeditious means. If it cannot be reasonably anticipated that the clerk will receive the copy within 48 hours of the time that it was signed, the physician or eligible psychologist shall also communicate his findings to the clerk by telephone.

(f) When outpatient commitment is recommended, the examining physician or eligible psychologist, if different from the proposed outpatient treatment physician or center, shall give the respondent a written notice listing the name, address, and telephone number of the proposed outpatient treatment physician or center and directing the respondent to appear at the address at a specified date and time. The examining physician or eligible psychologist before the appointment shall notify by telephone the designated outpatient treatment physician or center and shall send a copy of the notice and his examination report to the physician or center.

(g) The physician or eligible psychologist, at the completion of the examination, shall provide the respondent with specific information regarding the next steps that will occur. Sess., 1996), c. 739, s. 15, effective January 1, 1997, and applicable to commitments on or after that date, provides: "Nothing in this act shall require hospitals licensed under G.S. 131E or G.S. 122C to contract with area mental health, developmental disabilities, and sub-

stance abuse authorities to provide inpatient or outpatient treatment for persons who are mentally retarded with mental illness."

CASE NOTES

Editor's Note. — *Most of the cases cited below were decided under former statutory provisions.*

Duty of Physician to Make Examination.

— It was the purpose of former § 122-58.4 that only mentally ill persons in need of restraint be deprived of their liberty. This could only be assured by the doctor making the required examination before executing the certificate. *McLean v. Sale*, 38 N.C. App. 520, 248 S.E.2d 372 (1978), cert. denied, 296 N.C. 585, 254 S.E.2d 32 (1979).

Former § 122-58.4 imposed a positive duty to make the examination before signing the certificate. *McLean v. Sale*, 38 N.C. App. 520, 248 S.E.2d 372 (1978), cert. denied, 296 N.C. 585, 254 S.E.2d 32 (1979); *McLean v. Sale*, 54 N.C. App. 538, 284 S.E.2d 160 (1981), cert. denied, 305 N.C. 301, 290 S.E.2d 703 (1982).

Physical Presence of Person to Be Examined Required. — "Examine" requires that the person to be examined be physically in the presence of the qualified physician, so that the physician may actually utilize his five senses, or such of them as he deems necessary, in carrying out the mandate of this section. *McLean v. Sale*, 54 N.C. App. 538, 284 S.E.2d 160 (1981), cert. denied, 305 N.C. 301, 290 S.E.2d 703 (1982).

The requirement that the law-enforcement officer must take and present the person to be examined to the physician requires that the person must be physically present before the physician for the purpose of the examination. *McLean v. Sale*, 54 N.C. App. 538, 284 S.E.2d 160 (1981), cert. denied, 305 N.C. 301, 290 S.E.2d 703 (1982).

An intentional or negligent violation of

the physician's duty to make an examination cannot be the subject of immunity. *McLean v. Sale*, 38 N.C. App. 520, 248 S.E.2d 372 (1978), cert. denied, 296 N.C. 585, 254 S.E.2d 32 (1979).

Relief from Wrongful Certification. — A complaint which alleged that the defendant had certified that he had examined the plaintiff pursuant to this section and recommended commitment when in fact the plaintiff had not been examined by the defendant was sufficient to state a claim for which relief could be granted for wrongful certification of the plaintiff for admission to a mental hospital. *McLean v. Sale*, 38 N.C. App. 520, 248 S.E.2d 372 (1978), cert. denied, 296 N.C. 585, 254 S.E.2d 32 (1979).

A physician's failure to perform an examination prior to signing certificate is a violation of the statute, and if plaintiff is involuntarily committed as a result of defendant's actions, a cause of action arises against defendant, and this is true regardless of what may have prompted defendant to fail to make the examination of plaintiff. *McLean v. Sale*, 54 N.C. App. 538, 284 S.E.2d 160 (1981), cert. denied, 305 N.C. 301, 290 S.E.2d 703 (1982).

Relevance of Reasons for Failing to Examine. — The reasons for which defendant physician failed to make the required examination prior to signing the certificate were competent on the question of punitive damages, but not on the issue of whether defendant violated his statutory duty to plaintiff. *McLean v. Sale*, 54 N.C. App. 538, 284 S.E.2d 160 (1981), cert. denied, 305 N.C. 301, 290 S.E.2d 703 (1982).

§ 122C-264. Duties of clerk of superior court and the district attorney.

(a) Upon receipt of a physician's or eligible psychologist's finding that the respondent meets the criteria of G.S. 122C-263(d)(1) and that outpatient commitment is recommended, the clerk of superior court of the county where the petition was initiated, upon direction of a district court judge, shall calendar the matter for hearing and shall notify the respondent, the proposed

outpatient treatment physician or center, and the petitioner of the time and place of the hearing. The petitioner may file a written waiver of his right to notice under this subsection with the clerk of court.

(b) Upon receipt of a physician's or eligible psychologist's finding that a respondent meets the criteria of G.S. 122C-263(d)(2) and that inpatient commitment is recommended, the clerk of superior court of the county where the 24-hour facility is located shall, after determination required by G.S. 122C-261(c) and upon direction of a district court judge, assign counsel if necessary, calendar the matter for hearing, and notify the respondent, his counsel, and the petitioner of the time and place of the hearing. The petitioner may file a written waiver of his right to notice under this subsection with the clerk of court.

(b1) Upon receipt of a physician's or eligible psychologist's certificate that a respondent meets the criteria of G.S. 122C-261(a) and that immediate hospitalization is needed pursuant to G.S. 122C-262, the clerk of superior court of the county where the treatment facility is located shall submit the certificate to the Chief District Court Judge. The court shall review the certificate within 24 hours, excluding Saturday, Sunday, and holidays, for a finding of reasonable grounds in accordance with 122C-261(b). The clerk shall notify the treatment facility of the court's findings by telephone and shall proceed as set forth in subsections (b), (c), and (f) of this section.

(c) Notice to the respondent, required by subsections (a) and (b) of this section, shall be given as provided in G.S. 1A-1, Rule 4(j) at least 72 hours before the hearing. Notice to other individuals shall be sent at least 72 hours before the hearing by first-class mail postage prepaid to the individual's last known address. G.S. 1A-1, Rule 6 shall not apply.

(d) In cases described in G.S. 122C-266(b) in addition to notice required in subsections (a) and (b) of this section, the clerk of superior court shall notify the chief district judge and the district attorney in the county in which the defendant was found incapable of proceeding. The notice shall be given in the same way as the notice required by subsection (c) of this section. The judge or the district attorney may file a written waiver of his right to notice under this subsection with the clerk of court.

(d1) For hearings and rehearings pursuant to G.S. 122C-268.1 and G.S. 122C-276.1, the clerk of superior court shall calendar the hearing or rehearing and shall notify the respondent, his counsel, counsel for the State, and the district attorney involved in the original trial. The notice shall be given in the same manner as the notice required by subsection (c) of this section. Upon receipt of the notice, the district attorney shall notify any persons he deems appropriate, including anyone who has filed with his office a written request for notification of any hearing or rehearing concerning discharge or conditional release of a respondent. Notice sent by the district attorney shall be by first-class mail to the person's last known address.

(e) The clerk of superior court of the county where outpatient commitment is to be supervised shall keep a separate list regarding outpatient commitment and shall prepare quarterly reports listing all active cases, the assigned supervisor, and the disposition of all hearings, supplemental hearings, and rehearings.

(f) The clerk of superior court of the county where inpatient commitment hearings and rehearings are held shall provide all notices, send all records and maintain a record of all proceedings as required by this Part; provided that if the respondent has been committed to a 24-hour facility in a county other than his county of residence and the district court hearing is held in the county of the facility, the clerk of superior court in the county of the facility shall forward the record of the proceedings to the clerk of superior court in the county of respondent's residence, where they shall be maintained by receiving clerk.

CASE NOTES

Constitutionality of Former Section. — Former § 122-58.5 stated that at the minimum the notice should be served 48 hours in advance of the hearing. This time period was constitutionally adequate to allow for sufficient preparation, especially in light of the fact that continuances could be granted, which would prevent any prejudice because of insufficient time to prepare. *French v. Blackburn*, 428 F. Supp. 1351 (M.D.N.C. 1977), *aff'd*, 443 U.S. 901, 99 S. Ct. 3091, 61 L. Ed. 2d 869 (1979).

Former § 122-58.5 used the terms "notify" and "notice." There could be little doubt that these terms were used to carry the full panoply of due process notice mandated by the law of the land. When the legislature uses the term "notice" it means such notice as is required by due process and, therefore, former § 122-58.5

was constitutional on its face. *French v. Blackburn*, 428 F. Supp. 1351 (M.D.N.C. 1977), *aff'd*, 443 U.S. 901, 99 S. Ct. 3091, 61 L. Ed. 2d 869 (1979).

In light of the nature of the proceedings, the procedure in former § 122-58.5 was reasonably calculated to inform the respondent in an involuntary commitment proceeding of the nature and purpose of the hearing and, therefore, was not constitutionally infirm. There is no constitutional mandate to notify the respondent of the burden of proof or to serve upon him a list of witnesses and the substance of their proposed testimony. Such is not even required in a criminal proceeding. *French v. Blackburn*, 428 F. Supp. 1351 (M.D.N.C. 1977), *aff'd*, 443 U.S. 901, 99 S. Ct. 3091, 61 L. Ed. 2d 869 (1979).

§ 122C-265. Outpatient commitment; examination and treatment pending hearing.

(a) If a respondent, who has been recommended for outpatient commitment by an examining physician or eligible psychologist different from the proposed outpatient treatment physician or center, fails to appear for examination by the proposed outpatient treatment physician or center at the designated time, the physician or center shall notify the clerk of superior court who shall issue an order to a law-enforcement officer or other person authorized under G.S. 122C-251 to take the respondent into custody and take him immediately to the outpatient treatment physician or center for evaluation. The law-enforcement officer may wait during the examination and return the respondent to his home after the examination.

(b) The examining physician or the proposed outpatient treatment physician or center may prescribe to the respondent reasonable and appropriate medication and treatment that are consistent with accepted medical standards pending the district court hearing.

(c) In no event may a respondent released on a recommendation that he meets the outpatient commitment criteria be physically forced to take medication or forceably detained for treatment pending a district court hearing.

(d) If at any time pending the district court hearing the outpatient treatment physician or center determines that the respondent does not meet the criteria of G.S. 122C-263(d)(1), he shall release the respondent and notify the clerk of court and the proceedings shall be terminated.

(e) If a respondent becomes dangerous to himself, as defined in G.S. 122C-3(11)a., or others, as defined in G.S. 122C-3(11)b., pending a district

court hearing on outpatient commitment, new proceedings for involuntary inpatient commitment may be initiated.

(f) If an inpatient commitment proceeding is initiated pending the hearing for outpatient commitment and the respondent is admitted to a 24-hour facility to be held for an inpatient commitment hearing, notice shall be sent by the clerk of court in the county where the respondent is being held to the clerk of court of the county where the outpatient commitment was initiated and the outpatient commitment proceeding shall be terminated. (1983, c. 638, s. 11; c. 864, s. 4; 1985, c. 589, s. 2; c. 695, s. 6; 1989 (Reg. Sess., 1990), c. 823, s. 5; 1991, c. 636, s. 2(2); c. 761, s. 49.)

§ 122C-266. Inpatient commitment; second examination and treatment pending hearing.

(a) Except as provided in subsections (b) and (e), within 24 hours of arrival at a 24-hour facility described in G.S. 122C-252, the respondent shall be examined by a physician. This physician shall not be the same physician who completed the certificate or examination under the provisions of G.S. 122C-262 or G.S. 122C-263. The examination shall include but is not limited to the assessment specified in G.S. 122C-263(c).

(1) If the physician finds that the respondent is mentally ill and is dangerous to self, as defined by G.S. 122C-3(11)a., or others, as defined by G.S. 122C-3(11)b., the physician shall hold the respondent at the facility pending the district court hearing.

(2) If the physician finds that the respondent meets the criteria for outpatient commitment under G.S. 122C-263(d)(1), the physician shall show these findings on the physician's examination report, release the respondent pending the district court hearing, and notify the clerk of superior court of the county where the petition was initiated of these findings. In addition, the examining physician shall show on the examination report the name, address, and telephone number of the proposed outpatient treatment physician or center. The physician shall give the respondent a written notice listing the name, address, and telephone number of the proposed outpatient treatment physician or center and directing the respondent to appear at that address at a specified date and time. The examining physician before the appointment shall notify by telephone and shall send a copy of the notice and the examination report to the proposed outpatient treatment physician or center.

(3) If the physician finds that the respondent does not meet the criteria for commitment under either G.S. 122C-263(d)(1) or G.S. 122C-263(d)(2), the physician shall release the respondent and the proceedings shall be terminated.

(4) If the respondent is released under subdivisions (2) or (3) of this subsection, the law enforcement officer or other person designated to provide transportation shall return the respondent to the respondent's residence in the originating county or, if requested by the respondent, to another location in the originating county.

(b) If the custody order states that the respondent was charged with a violent crime, including a crime involving assault with a deadly weapon, and that he was found incapable of proceeding, the physician shall examine him as set forth in subsection (a) of this section. However, the physician may not release him from the facility until ordered to do so following the district court hearing.

(c) The findings of the physician and the facts on which they are based shall be in writing, in all cases. A copy of the findings shall be sent to the clerk of superior court by reliable and expeditious means.

(d) Pending the district court hearing, the physician attending the respondent may administer to the respondent reasonable and appropriate medication and treatment that is consistent with accepted medical standards. Except as provided in subsection (b) of this section, if at any time pending the district court hearing, the attending physician determines that the respondent no longer meets the criteria of either G.S. 122C-263(d)(1) or (d)(2), he shall release the respondent and notify the clerk of court and the proceedings shall be terminated.

(e) If the 24-hour facility described in G.S. 122C-252 or G.S. 122C-262 is the facility in which the first examination by a physician or eligible psychologist occurred and is the same facility in which the respondent is held, the second examination shall occur not later than the following regular working day. (1973, c. 726, s. 1; c. 1408, s. 1; 1977, c. 400, s. 6; 1979, c. 915, s. 6; 1983, c. 380, s. 5; c. 638, ss. 9, 10; c. 864, s. 4; 1985, c. 589, s. 2; c. 695, s. 2; 1987, c. 596, s. 4; 1989 (Reg. Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 739, s. 15, effective January 1, 1997, and applicable to commitments on or after that date, provides: "Nothing in this act shall require hospitals licensed under G.S. 131E or G.S. 122C to contract with area mental health, developmental disabilities, and sub-

stance abuse authorities to provide inpatient or outpatient treatment for persons who are mentally retarded with mental illness."

CASE NOTES

Effect of § 8-53. — For discussion of former statutory provisions making it manifest that the physician's role in involuntary commitment proceedings was not intended to be inhibited by § 8-53, see *In re Farrow*, 41 N.C. App. 680, 255 S.E.2d 777 (1979).

"Within 24 hours of Arrival" — Applicability. — The words "within 24 hours of arrival" demonstrate the applicability of that provision to the initial commitment phase. It would not make sense to apply that provision to the circumstances of a rehearing at which time there is no longer a question of whether the initial commitment had been proper. *In re Lowery*, 110 N.C. App. 67, 428 S.E.2d 861 (1993).

Second Examination — Purpose. — The purpose of the second examination is to protect the rights of a respondent who has been taken to a medical facility immediately prior thereto to insure that he was properly committed. *In re Lowery*, 110 N.C. App. 67, 428 S.E.2d 861 (1993).

Proof Sufficient for Finding of "Dangerous to Self." — The doctor's findings on the examination report and testimony at the involuntary commitment hearing were sufficient proof that appellant fit the category of one who was "dangerous to self." *In re Woodie*, 116 N.C. App. 425, 448 S.E.2d 142 (1994).

§ 122C-267. Outpatient commitment; district court hearing.

(a) A hearing shall be held in district court within 10 days of the day the respondent is taken into custody pursuant to G.S. 122C-261(e). Upon its own motion or upon motion of the proposed outpatient treatment physician or the respondent, the court may grant a continuance of not more than five days.

(b) The respondent shall be present at the hearing. A subpoena may be issued to compel the respondent's presence at a hearing. The petitioner and the proposed outpatient treatment physician or his designee may be present and may provide testimony.

(c) Certified copies of reports and findings of physicians and psychologists and medical records of previous and current treatment are admissible in evidence.

(d) At the hearing to determine the necessity and appropriateness of outpatient commitment, the respondent need not, but may, be represented by counsel. However, if the court determines that the legal or factual issues raised are of such complexity that the assistance of counsel is necessary for an adequate presentation of the merits or that the respondent is unable to speak for himself, the court may continue the case for not more than five days and order the appointment of counsel for an indigent respondent.

(e) Hearings may be held at the area facility in which the respondent is being treated, if it is located within the judge's district court district as defined in G.S. 7A-133, or in the judge's chambers. A hearing may not be held in a regular courtroom, over objection of the respondent, if in the discretion of a judge a more suitable place is available.

(f) The hearing shall be closed to the public unless the respondent requests otherwise.

(g) A copy of all documents admitted into evidence and a transcript of the proceedings shall be furnished to the respondent on request by the clerk upon the direction of a district court judge. If the client is indigent, the copies shall be provided at State expense.

(h) To support an outpatient commitment order, the court is required to find by clear, cogent, and convincing evidence that the respondent meets the criteria specified in G.S. 122C-263(d)(1). The court shall record the facts which support its findings and shall show on the order the center or physician who is responsible for the management and supervision of the respondent's outpatient commitment. (1973, c. 726, s. 1; c. 1408, s. 1; 1975, cc. 322, 459; 1977, c. 400, s. 7; c. 1126, s. 1; 1979, c. 915, ss. 7, 13; 1983, c. 380, s. 6; c. 638, ss. 12, 13; c. 864, s. 4; 1985, c. 589, s. 2; c. 695, s. 8; 1987, c. 282, s. 18; 1987 (Reg. Sess., 1988), c. 1037, s. 113.1.)

CASE NOTES

Editor's Note. — *The cases below were decided under former statutory provisions.*

The 10-day custody period prior to a full adversary hearing does not constitute a denial of due process. French v. Blackburn, 428 F. Supp. 1351 (M.D.N.C. 1977), aff'd, 443 U.S. 901, 99 S. Ct. 3091, 61 L. Ed. 2d 869 (1979).

The failure to provide a jury trial in involuntary commitment proceedings does not violate the equal protection clause. French v. Blackburn, 428 F. Supp. 1351 (M.D.N.C. 1977), aff'd, 443 U.S. 901, 99 S. Ct. 3091, 61 L. Ed. 2d 869 (1979).

A standard of proof beyond a reasonable doubt is not mandated by the due process clause, and the North Carolina legislature's choice of proof by clear, cogent and convincing evidence does not violate that constitutional prohibition. French v. Blackburn, 428 F. Supp. 1351 (M.D.N.C. 1977), aff'd, 443 U.S. 901, 99 S. Ct. 3091, 61 L. Ed. 2d 869 (1979).

Self-Incrimination. — To apply the privilege against self-incrimination to proceedings under former similar provisions would be to

destroy the valid purposes which they serve, as it would make them unworkable and ineffective. French v. Blackburn, 428 F. Supp. 1351 (M.D.N.C. 1977), aff'd, 443 U.S. 901, 99 S. Ct. 3091, 61 L. Ed. 2d 869 (1979).

Failure to Afford Right of Cross-Examination. — Where the record showed that examining physician's affidavit formed the basis of order of commitment, and respondent was not afforded the right, guaranteed by statute, to cross-examine the physician, the evidence was not sufficient to support the findings required and to support commitment. In re Benton, 26 N.C. App. 294, 215 S.E.2d 792 (1975).

Assuming, without conceding, that a physician's brief statement and conclusion as to the imminent danger of the respondent would support a recommitment order, his failure to appear at the hearing deprived the respondent of his right of confrontation and cross-examination. In re Mackie, 36 N.C. App. 638, 244 S.E.2d 450 (1978).

Effect of § 8-53. — For discussion of former statutory provisions making it manifest that the physician's role in involuntary commitment

proceedings was not intended to be inhibited by § 8-53, see *In re Farrow*, 41 N.C. App. 680, 255 S.E.2d 777 (1979).

Findings Prerequisite to Commitment.

— Statutory mandate under former statutory provisions required as a condition to a valid commitment order that the district court find two distinct facts: first, that the respondent was mentally ill or inebriate, and second, that the respondent was dangerous to himself or others. *In re Carter*, 25 N.C. App. 442, 213 S.E.2d 409 (1975); *In re Hogan*, 32 N.C. App. 429, 232 S.E.2d 492 (1977); *In re Bartley*, 40 N.C. App. 218, 252 S.E.2d 553 (1979).

Facts Must Be Found and Recorded.

— The two distinct ultimate facts of (1) mental illness or inebriacy and (2) danger under former statutory provisions had to be supported by facts which were found from the evidence and recorded by the district court. *In re Williamson*, 36 N.C. App. 362, 244 S.E.2d 189 (1978).

Recording of Findings Mandatory.

— The direction to the court under former § 122-58.7(i) to record the facts which supported its findings was mandatory. *In re Koyi*, 34 N.C. App. 320, 238 S.E.2d 153 (1977); *In re Jacobs*, 38 N.C. App. 573, 248 S.E.2d 448 (1978); *In re Bartley*, 40 N.C. App. 218, 252 S.E.2d 553 (1979); *In re Caver*, 40 N.C. App. 264, 252 S.E.2d 284 (1979).

No Requirement That Findings Be Based Solely on Medical Evidence. — The involuntary commitment statutes do not require that an order of commitment may issue only when the requisite factual findings are supported by competent medical evidence. All that is required is that the court make the essential findings from “clear, cogent, and convincing evidence.” *In re Underwood*, 38 N.C. App. 344, 247 S.E.2d 778 (1978).

No Overt Act Required. — An overt act may be clear, cogent and convincing evidence which will support a finding of danger, but it is not necessary that there be an overt act to establish dangerousness. *In re Salem*, 31 N.C. App. 57, 228 S.E.2d 649 (1976).

Threats as Evidence of Dangerousness.

— The fundamental differences between a criminal charge based entirely on threats and an involuntary commitment in which threats merely serve as some evidence of the dangerousness of the person weigh against the use of such strict standards in the latter case. *In re Williamson*, 36 N.C. App. 362, 244 S.E.2d 189 (1978).

Inadequate Evidence for Findings.

— The finding that respondent was “preoccupied with religious subjects” hardly furnished support for an ultimate finding either that she was

mentally ill or that she was imminently dangerous to herself or others. *In re Hogan*, 32 N.C. App. 429, 232 S.E.2d 492 (1977).

Where doctor testified only that the respondent was unable to care for herself and that she was a complete nursing care problem, there was no showing that the respondent was dangerous to herself and the requirements for involuntary commitment were not met. *In re Doty*, 38 N.C. App. 233, 247 S.E.2d 628 (1978).

For other instances in which the State failed to present clear, cogent and convincing evidence of imminent danger, see *In re Salem*, 31 N.C. App. 57, 228 S.E.2d 649 (1976); *In re Hatley*, 291 N.C. 693, 231 S.E.2d 633 (1977).

Burden of Proof on State. — Subsection (a) of former § 122-58.7 indicated a conscious legislative decision to place the burden on the State to come forward with evidence to justify the commitment within 10 days. *In re Jacobs*, 38 N.C. App. 573, 248 S.E.2d 448 (1978).

Questions of Fact. — Whether a person is mentally ill or inebriate, and whether he is dangerous to himself or others, present questions of fact. *In re Hogan*, 32 N.C. App. 429, 232 S.E.2d 492 (1977).

It is for the trier of fact to determine whether evidence offered in a particular case is clear, cogent, and convincing. *In re Underwood*, 38 N.C. App. 344, 247 S.E.2d 778 (1978).

Standards on Review. — On appeal from an order of commitment, the questions for determination in the Court of Appeals become (1) whether the court’s ultimate findings are indeed supported by the “facts” which the court recorded in its order as supporting its findings, and (2) whether in any event there was competent evidence to support the court’s findings. *In re Hogan*, 32 N.C. App. 429, 232 S.E.2d 492 (1977).

Time for Hearing When Tenth Day Falls on Sunday. — Where the tenth day following the day the respondent was taken into custody was a Sunday, the hearing called for the following Monday was in apt time. *In re Underwood*, 38 N.C. App. 344, 247 S.E.2d 778 (1978).

Denial of Right to Hearing Within 10 Days. — Where the trial court continued the respondent’s hearing, over objection, for seven days, and the State failed at the originally scheduled hearing to offer any evidence or to come forward with even a copy of the magistrate’s order of commitment or the petition for involuntary commitment, the result was that respondent was denied his right to a hearing before the district court within 10 days of confinement. *In re Jacobs*, 38 N.C. App. 573, 248 S.E.2d 448 (1978).

§ 122C-268. Inpatient commitment; district court hearing.

(a) A hearing shall be held in district court within 10 days of the day the respondent is taken into law enforcement custody pursuant to G.S. 122C-261(e) or G.S. 122C-262. A continuance of not more than five days may be granted upon motion of:

- (1) The court;
- (2) Respondent's counsel; or
- (3) The State, sufficiently in advance to avoid movement of the respondent.

(b) The attorney, who is a member of the staff of the Attorney General assigned to one of the State's facilities for the mentally ill or the psychiatric service of the University of North Carolina Hospitals at Chapel Hill, shall represent the State's interest at commitment hearings, rehearings, and supplemental hearings held for respondents admitted pursuant to this Part or G.S. 15A-1321 at the facility to which he is assigned.

In addition, the Attorney General may, in his discretion, designate an attorney who is a member of his staff to represent the State's interest at any commitment hearing, rehearing, or supplemental hearing held in a place other than at one of the State's facilities for the mentally ill or the psychiatric service of the University of North Carolina Hospitals at Chapel Hill.

(c) If the respondent's custody order indicates that he was charged with a violent crime, including a crime involving an assault with a deadly weapon, and that he was found incapable of proceeding, the clerk shall give notice of the time and place of the hearing as provided in G.S. 122C-264(d). The district attorney in the county in which the respondent was found incapable of proceeding may represent the State's interest at the hearing.

(d) The respondent shall be represented by counsel of his choice; or if he is indigent within the meaning of G.S. 7A-450 or refuses to retain counsel if financially able to do so, he shall be represented by counsel appointed by the court.

(e) With the consent of the court, counsel may in writing waive the presence of the respondent.

(f) Certified copies of reports and findings of physicians and psychologists and previous and current medical records are admissible in evidence, but the respondent's right to confront and cross-examine witnesses may not be denied.

(g) Hearings may be held in an appropriate room not used for treatment of clients at the facility in which the respondent is being treated if it is located within the judge's district court district as defined in G.S. 7A-133 or in the judge's chambers. A hearing may not be held in a regular courtroom, over objection of the respondent, if in the discretion of a judge a more suitable place is available.

(h) The hearing shall be closed to the public unless the respondent requests otherwise.

(i) A copy of all documents admitted into evidence and a transcript of the proceedings shall be furnished to the respondent on request by the clerk upon the direction of a district court judge. If the respondent is indigent, the copies shall be provided at State expense.

(j) To support an inpatient commitment order, the court shall find by clear, cogent, and convincing evidence that the respondent is mentally ill and dangerous to self, as defined in G.S. 122C-3(11)a., or dangerous to others, as defined in G.S. 122C-3(11)b. The court shall record the facts that support its findings. (1985, c. 589, s. 2; c. 695, s. 8; 1985 (Reg. Sess., 1986), c. 1014, s. 195(b); 1987 (Reg. Sess., 1988), c. 1037, s. 114; 1989, c. 141, s. 11; 1989 (Reg. Sess., 1990), c. 823, s. 7; 1991, c. 37, s. 10; c. 257, s. 2; 1995 (Reg. Sess., 1996), c. 739, s. 11(a), (b).)

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 739, s. 15, effective January 1, 1997, and applicable to commitments on or after that date, provides: "Nothing in this act shall require hospitals licensed under G.S. 131E or G.S. 122C to contract with area mental health, developmental disabilities, and substance abuse authorities to provide inpatient or

outpatient treatment for persons who are mentally retarded with mental illness."

CASE NOTES

Editor's Note. — *Most of the cases below were decided under former statutory provisions.*

The 10-day custody period prior to a full adversary hearing does not constitute a denial of due process. In re Hernandez, 46 N.C. App. 265, 264 S.E.2d 780 (1980).

Findings Prerequisite to Commitment. — Statutory mandate requires as a condition to a valid commitment order that the district court find two distinct facts: first, that the respondent is mentally ill or inebriate, and second, that the respondent is dangerous to himself or others. In re Monroe, 49 N.C. App. 23, 270 S.E.2d 537 (1980); In re Collins, 49 N.C. App. 243, 271 S.E.2d 72 (1980).

Trial court must find three elements present in order to find that respondent is dangerous to others: (1) within the recent past (2) respondent has (a) inflicted serious bodily harm on another, or (b) attempted to inflict serious bodily harm on another, or (c) threatened to inflict serious bodily harm on another, or (d) has acted in such a manner as to create a substantial risk of serious bodily harm to another, and (3) there is a reasonable probability that such conduct will be repeated. In re Monroe, 49 N.C. App. 23, 270 S.E.2d 537 (1980).

No Overt Act Required. — The present statutory definition of "dangerous to others" does not require a finding of overt acts. In re Monroe, 49 N.C. App. 23, 270 S.E.2d 537 (1980).

It is for the trier of fact to determine whether evidence offered in a particular case is clear, cogent, and convincing. In re Monroe, 49 N.C. App. 23, 270 S.E.2d 537 (1980).

The Court of Appeals does not consider whether the evidence of respondent's mental illness and dangerousness was clear, cogent and convincing. It is for the trier of fact to determine whether the competent evidence offered in a particular case met the burden of proof. In re Collins, 49 N.C. App. 243, 271 S.E.2d 72 (1980).

The trier of fact alone must determine whether the evidence presented is clear, cogent and convincing. A court's only function on appeal is to determine whether there was any competent evidence to support the factual findings made. In re Medlin, 59 N.C. App. 33, 295 S.E.2d 604 (1982).

It is not the court's function on appeal to determine if the evidence offered meets the statutory standard but simply to determine whether there was any competent evidence to support the factual findings made. In re Jackson, 60 N.C. App. 581, 299 S.E.2d 677 (1983).

In its order the trial court must record the facts upon which its ultimate findings are based. In re Collins, 49 N.C. App. 243, 271 S.E.2d 72 (1980); In re Crainshaw, 54 N.C. App. 429, 283 S.E.2d 553 (1981).

Order of commitment was not void on its face where the court recorded the facts by placing "x's" by the recorded facts on the order of commitment form. In re Crouse, 65 N.C. App. 696, 309 S.E.2d 568 (1983).

Standards on Review. — On appeal from an order of commitment, the questions for determination in the Court of Appeals become (1) whether the Court's ultimate findings are indeed supported by the "facts" which the Court recorded in its order as supporting its findings, and (2) whether in any event there was competent evidence to support the Court's findings. In re Frick, 49 N.C. App. 273, 271 S.E.2d 84 (1980).

On appeal of a commitment order, the function of the Court of Appeals is to determine whether there was any competent evidence to support the facts recorded in the commitment order and whether the trial court's ultimate findings of mental illness and dangerous to self or others were supported by the facts recorded in the order. In re Collins, 49 N.C. App. 243, 271 S.E.2d 72 (1980).

§ 122C-268.1. Inpatient commitment; hearing following automatic commitment.

(a) A respondent who is committed pursuant to G.S. 15A-1321 shall be provided a hearing, unless waived, before the expiration of 50 days from the date of his commitment.

(b) The district attorney in the county in which the respondent was found not guilty by reason of insanity may represent the State's interest at the hearing, rehearings, and supplemental rehearings. Notwithstanding the provisions of G.S. 122C-269, if the district attorney elects to represent the State's interest, upon motion of the district attorney, the venue for the hearing, rehearings, and supplemental rehearings shall be the county in which the respondent was found not guilty by reason of insanity. If the district attorney declines to represent the State's interest, then the representation shall be determined as follows. An attorney, who is a member of the staff of the Attorney General assigned to one of the State's facilities for the mentally ill or the psychiatric service of the University of North Carolina Hospitals at Chapel Hill, may represent the State's interest at commitment hearings, rehearings, and supplemental hearings. Alternatively, the Attorney General may, in his discretion, designate an attorney who is a member of his staff to represent the State's interest at any commitment hearing, rehearing, or supplemental hearing.

(c) The clerk shall give notice of the time and place of the hearing as provided in G.S. 122C-264(d1).

(d) The respondent shall be represented by counsel of his choice, or if he is indigent within the meaning of G.S. 7A-450 or refuses to retain counsel if financially able to do so, he shall be represented by counsel appointed by the court.

(e) With the consent of the court, counsel may in writing waive the presence of the respondent.

(f) Certified copies of reports and findings of physicians and psychologists and previous and current medical records are admissible in evidence, but the respondent's right to confront and cross-examine witnesses may not be denied.

(g) The hearing shall take place in the trial division in which the original trial was held. The hearing shall be open to the public. For purposes of this subsection, "trial division" means either the superior court division or the district court division of the General Court of Justice.

(h) A copy of all documents admitted into evidence and a transcript of the proceedings shall be furnished to the respondent on request by the clerk upon the direction of the presiding judge. If the respondent is indigent, the copies shall be provided at State expense.

(i) The respondent shall bear the burden to prove by a preponderance of the evidence that he (i) no longer has a mental illness as defined in G.S. 122C-3(21), or (ii) is no longer dangerous to others as defined in G.S. 122C-3(11)b. If the court is so satisfied, then the court shall order the respondent discharged and released. If the court finds that the respondent has not met his burden of proof, then the court shall order that inpatient commitment continue at a 24-hour facility designated pursuant to G.S. 122C-252 for a period not to exceed 90 days. The court shall make a written record of the facts that support its findings.

(j) Nothing in this section shall limit the respondent's right to habeas corpus relief. (1991, c. 37, s. 2; 1991 (Reg. Sess., 1992), c. 1034, ss. 2, 3; 1995, c. 140, s. 1.)

CASE NOTES

Constitutionality. — Subsection (i) of this section and § 122C-276.1(c) do not violate the due process of equal protection clauses of the federal and State Constitutions. In re Hayes, 111 N.C. App. 384, 432 S.E.2d 862, appeal dismissed, 335 N.C. 173, 436 S.E.2d 376 (1993).

Amendment made in 1991 to subsection (i) of this section and § 122C-276.1(c), which required respondent to bear the burden of proof to

show that he was no longer dangerous or mentally ill and opened the hearing to the public, were procedural changes that did not violate substantive rights or protections though they could have disadvantaged respondent. Therefore, there was no violation of the Ex Post Facto Clause. In re Hayes, 111 N.C. App. 384, 432 S.E.2d 862, appeal dismissed, 335 N.C. 173, 436 S.E.2d 376 (1993).

§ 122C-269. Venue of hearing when respondent held at a 24-hour facility pending hearing.

(a) In all cases where the respondent is held at a 24-hour facility pending hearing as provided in G.S. 122C-268, G.S. 122C-268.1, 122C-276.1, or 122C-277(b1), unless the respondent through counsel objects to the venue, the hearing shall be held in the county in which the facility is located. Upon objection to venue, the hearing shall be held in the county where the petition was initiated, except as otherwise provided in subsection (c) of this section.

(b) An official of the facility shall immediately notify the clerk of superior court of the county in which the facility is located of a determination to hold the respondent pending hearing. That clerk shall request transmittal of all documents pertinent to the proceedings from the clerk of superior court where the proceedings were initiated. The requesting clerk shall assume all duties set forth in G.S. 122C-264. The requesting clerk shall appoint as counsel for indigent respondents the counsel provided for in G.S. 122C-268(d).

(c) Upon motion of any interested person, the venue of an initial hearing described in G.S. 122C-268(c) or G.S. 122C-268.1 or a rehearing required by G.S. 122C-276(b), G.S. 122C-276.1, or subsections (b) or (b1) of G.S. 122C-277 shall be moved to the county in which the respondent was found not guilty by reason of insanity or incapable of proceeding when the convenience of witnesses and the ends of justice would be promoted by the change. (1975, 2nd Sess., c. 983, s. 133; 1981, c. 537, s. 6; 1983, c. 380, s. 7; 1985, c. 589, s. 2; 1991, c. 37, ss. 11, 12; 1995, c. 140, s. 2.)

§ 122C-270. Attorneys to represent the respondent and the State.

(a) The senior regular resident superior court judge of a superior court district or set of districts as defined in G.S. 7A-41.1 in which a State facility for the mentally ill is located shall appoint an attorney licensed to practice in North Carolina as special counsel for indigent respondents who are mentally ill. This special counsel shall serve at the pleasure of the appointing judge, may not privately practice law, and shall receive annual compensation within the salary range for assistant district attorneys as fixed by the Administrative Officer of the Courts. The special counsel shall represent all indigent respondents at all hearings, rehearings, and supplemental hearings held at the State facility and on appeals held under this Article. Special counsel shall determine indigency in accordance with G.S. 7A-450(a). Indigency is subject to redetermination by the presiding judge.

(b) The State facility shall provide suitable office space for the counsel to meet privately with respondents. The Administrative Office of the Courts shall provide secretarial and clerical service and necessary equipment and supplies for the office.

(c) In the event of a vacancy in the office of special counsel, counsel's incapacity, or a conflict of interest, counsel for indigents at hearings or rehearings may be assigned by a district judge of the district. No mileage or compensation for travel time is paid to a counsel appointed pursuant to this subsection. Counsel may also be so assigned when, in the opinion of the Administrative Officer of the Courts, the volume of cases warrants.

(d) At hearings held in counties other than those designated in subsection (a) of this section, a district court judge shall appoint counsel for indigent respondents from members of the bar of the county in accordance with G.S. 122C-268(d).

(e) Counsel assigned to represent an indigent respondent at the initial district court hearing is also responsible for perfecting and concluding an appeal, if there is one. Upon completion of an appeal, or upon transfer of the respondent to a State facility for the mentally ill, if there is no appeal, assigned counsel is discharged. If the respondent is committed to a non-State 24-hour facility, assigned counsel remains responsible for his representation until discharged by order of district court, until the respondent is unconditionally discharged from the facility, or until the respondent voluntarily admits himself to the facility.

(f) The Attorney General may employ four attorneys, one to be assigned by him full-time to each of the State facilities for the mentally ill, to represent the State's interest at commitment hearings, rehearings and supplemental hearings held under this Article at the State facilities for respondents admitted to those facilities pursuant to Part 3, 4, 7, or 8 of this Article or G.S. 15A-1321 and to provide liaison and consultation services concerning these matters. These attorneys are subject to Chapter 126 of the General Statutes and shall also perform additional duties as may be assigned by the Attorney General. The attorney employed by the Attorney General in accordance with G.S. 114-4.2B shall represent the State's interest at commitment hearings, rehearings and supplemental hearings held for respondents admitted to the University of North Carolina Hospitals at Chapel Hill pursuant to Part 3, 4, 7, or 8 of this Article or G.S. 15A-1321. (1973, c. 47, s. 2; c. 1408, s. 1; 1977, c. 400, s. 11; 1979, c. 915, s. 12; 1983, c. 275, ss. 1, 2; 1985, c. 589, s. 2; 1987 (Reg. Sess., 1988), c. 1037, s. 115; 1989, c. 141, s. 12; 1991, c. 257, s. 1; 1995 (Reg. Sess., 1996), c. 739, s. 12(a).)

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 739, s. 15, effective January 1, 1997, and applicable to commitments on or after that date, provides: "Nothing in this act shall require hospitals licensed under G.S.

131E or G.S. 122C to contract with area mental health, developmental disabilities, and substance abuse authorities to provide inpatient or outpatient treatment for persons who are mentally retarded with mental illness."

OPINIONS OF ATTORNEY GENERAL

Protection of Child's Rights. — Although a minor cannot obtain legal representation without the consent of the legally responsible person, the rights of the child can be adequately protected. First, the Department of Social Services can conduct an investigation of the legally responsible person pursuant to § 7A-542 et seq. [see now § 7B-300 et seq.], the guardian ad litem program can provide additional support

for abused, neglected, or dependent juveniles, including legal support and, a minor can receive representation for the commitment proceedings by virtue of § 122C-224.1 and this section. See opinion of Attorney General to C. Robin Britt, Sr., Secretary, Department of Human Resources, — N.C.A.G. — (December 20, 1995).

§ 122C-271. Disposition.

(a) If an examining physician or eligible psychologist has recommended outpatient commitment and the respondent has been released pending the district court hearing, the court may make one of the following dispositions:

- (1) If the court finds by clear, cogent, and convincing evidence that the respondent is mentally ill; that he is capable of surviving safely in the community with available supervision from family, friends, or others; that based on respondent's treatment history, the respondent is in need of treatment in order to prevent further disability or deterioration that would predictably result in dangerousness as defined in G.S. 122C-3(11); and that the respondent's current mental status or the nature of his illness limits or negates his ability to make an informed decision to seek voluntarily or comply with recommended treatment, it may order outpatient commitment for a period not in excess of 90 days.
- (2) If the court does not find that the respondent meets the criteria of commitment set out in subdivision (1) of this subsection, the respondent shall be discharged and the facility at which he was last a client so notified.

(b) If the respondent has been held in a 24-hour facility pending the district court hearing pursuant to G.S. 122C-268, the court may make one of the following dispositions:

- (1) If the court finds by clear, cogent, and convincing evidence that the respondent is mentally ill; that the respondent is capable of surviving safely in the community with available supervision from family, friends, or others; that based on respondent's psychiatric history, the respondent is in need of treatment in order to prevent further disability or deterioration that would predictably result in dangerousness as defined by G.S. 122C-3(11); and that the respondent's current mental status or the nature of the respondent's illness limits or negates the respondent's ability to make an informed decision voluntarily to seek or comply with recommended treatment, it may order outpatient commitment for a period not in excess of 90 days. If the commitment proceedings were initiated as the result of the respondent's being charged with a violent crime, including a crime involving an assault with a deadly weapon, and the respondent was found incapable of proceeding, the commitment order shall so show.
- (2) If the court finds by clear, cogent, and convincing evidence that the respondent is mentally ill and is dangerous to self, as defined in G.S. 122C-3(11)a., or others, as defined in G.S. 122C-3(11)b., it may order inpatient commitment at a 24-hour facility described in G.S. 122C-252 for a period not in excess of 90 days. However, no respondent found to be both mentally retarded and mentally ill may be committed to a State, area or private facility for the mentally retarded. An individual who is mentally ill and dangerous to self, as defined in G.S. 122C-3(11)a., or others, as defined in G.S. 122C-3(11)b., may also be committed to a combination of inpatient and outpatient commitment at both a 24-hour facility and an outpatient treatment physician or center for a period not in excess of 90 days. If the commitment proceedings were initiated as the result of the respondent's being charged with a violent crime, including a crime involving an assault with a deadly weapon, and the respondent was found incapable of proceeding, the commitment order shall so show. If the court orders inpatient commitment for a respondent who is under an outpatient commitment order, the outpatient commitment is terminated; and the

clerk of the superior court of the county where the district court hearing is held shall send a notice of the inpatient commitment to the clerk of superior court where the outpatient commitment was being supervised.

- (3) If the court does not find that the respondent meets either of the commitment criteria set out in subdivisions (1) and (2) of this subsection, the respondent shall be discharged, and the facility in which the respondent was last a client so notified.
 - (4) Before ordering any outpatient commitment, the court shall make findings of fact as to the availability of outpatient treatment. The court shall also show on the order the outpatient treatment physician or center who is to be responsible for the management and supervision of the respondent's outpatient commitment. When an outpatient commitment order is issued for a respondent held in a 24-hour facility, the court may order the respondent held at the facility for no more than 72 hours in order for the facility to notify the designated outpatient treatment physician or center of the treatment needs of the respondent. The clerk of court in the county where the facility is located shall send a copy of the outpatient commitment order to the designated outpatient treatment physician or center. If the outpatient commitment will be supervised in a county other than the county where the commitment originated, the court shall order venue for further court proceedings to be transferred to the county where the outpatient commitment will be supervised. Upon an order changing venue, the clerk of superior court in the county where the commitment originated shall transfer the file to the clerk of superior court in the county where the outpatient commitment is to be supervised.
- (c) If the respondent was found not guilty by reason of insanity and has been held in a 24-hour facility pending the court hearing held pursuant to G.S. 122C-268.1, the court may make one of the following dispositions:
- (1) If the court finds that the respondent has not proved by a preponderance of the evidence that he no longer has a mental illness or that he is no longer dangerous to others, it shall order inpatient treatment at a 24-hour facility for a period not to exceed 90 days.
 - (2) If the court finds that the respondent has proven by a preponderance of the evidence that he no longer has a mental illness or that he is no longer dangerous to others, the court shall order the respondent discharged and released. (1973, c. 726, s. 1; c. 1408, s. 1; 1977, c. 400, s. 8; c. 739, s. 2; 1979, c. 358, s. 26; c. 915, ss. 8, 15, 16; 1981, c. 537, s. 1; 1983, c. 380, s. 8; c. 638, s. 14; c. 864, s. 4; 1985, c. 589, s. 2; c. 695, s. 2; 1985 (Reg. Sess., 1986), c. 863, ss. 20-22; 1989, c. 225, s. 1; c. 770, s. 73; 1989 (Reg. Sess., 1990), c. 823, s. 8; 1991, c. 37, s. 13; 1991 (Reg. Sess., 1992), c. 1034, s. 5; 1995 (Reg. Sess., 1996), c. 739, s. 13.)

Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 739, s. 15, effective January 1, 1997, and applicable to commitments on or after that date, provides: "Nothing in this act shall require hospitals licensed under G.S.

131E or G.S. 122C to contract with area mental health, developmental disabilities, and substance abuse authorities to provide inpatient or outpatient treatment for persons who are mentally retarded with mental illness."

CASE NOTES

Finding of Dangerousness. — By requiring that the person be found dangerous to herself or others, the legislature has made it clear that involuntary commitment is not for all those who are mentally ill, or even for those

whose mental illness may make it necessary for them to have custodial care. In *re Doty*, 38 N.C. App. 233, 247 S.E.2d 628 (1978), decided under former statutory provisions.

Where the doctor testified only that the re-

spondent was unable to care for herself and that she was a complete nursing care problem, there was no showing that the respondent was dangerous to herself and the requirements for involuntary commitment were not met. In re Doty, 38 N.C. App. 233, 247 S.E.2d 628 (1978), decided under former statutory provisions.

Court's Authority Limited If Defendant Found Not to Be Subject to Involuntary

Commitment. — Superior court had no authority to enter order requiring Division of Adult Probation and Parole, without its consent, to provide supervision of defendant, who had been determined incompetent to stand trial but not subject to involuntary commitment, while in custody of his former wife. State v. Gravette, 327 N.C. 114, 393 S.E.2d 856 (1990).

§ 122C-272. Appeal.

Judgement of the district court is final. Appeal may be had to the Court of Appeals by the State or by any party on the record as in civil cases. Appeal does not stay the commitment unless so ordered by the Court of Appeals. The Attorney General represents the State's interest on appeal. The district court retains limited jurisdiction for the purpose of hearing all reviews, rehearings, or supplemental hearings allowed or required under this Part. (1973, c. 726, s. 1; c. 1408, s. 1; 1979, c. 915, s. 19; 1985, c. 589, s. 2.)

Legal Periodicals. — For survey of 1980 law on civil procedure, see 59 N.C.L. Rev. 1049 (1981).

CASE NOTES

Appeal is not moot solely because period of commitment has expired. In re Taylor, 25 N.C. App. 642, 215 S.E.2d 789 (1975), decided under former statutory provisions.

Though respondent had been released, her appeal was not moot. So long as a judgment of involuntary commitment remains unchallenged, potentially adverse collateral consequences may continue. In re Carter, 25 N.C. App. 442, 213 S.E.2d 409 (1975), decided under former statutory provisions.

Effect of Discharge on Challenge to Involuntary Commitment. — Discharge does not render questions challenging the involuntary commitment proceeding moot in view of the adverse consequences which could arise therefrom, including the possibility that the commitment could form the basis of a future commitment. In re Williamson, 36 N.C. App. 362, 244 S.E.2d 189 (1978), decided under former statutory provisions.

§ 122C-273. Duties for follow-up on commitment order.

(a) Unless prohibited by Chapter 90 of the General Statutes, if the commitment order directs outpatient treatment, the outpatient treatment physician may prescribe or administer, or the center may administer, to the respondent reasonable and appropriate medication and treatment that are consistent with accepted medical standards.

(1) If the respondent fails to comply or clearly refuses to comply with all or part of the prescribed treatment, the physician, the physician's designee, or the center shall make all reasonable effort to solicit the respondent's compliance. These efforts shall be documented and reported to the court with a request for a supplemental hearing.

(2) If the respondent fails to comply, but does not clearly refuse to comply, with all or part of the prescribed treatment after reasonable effort to solicit the respondent's compliance, the physician, the physician's designee, or the center may request the court to order the respondent taken into custody for the purpose of examination. Upon receipt of this request, the clerk shall issue an order to a law-enforcement officer to take the respondent into custody and to take him immediately to the designated outpatient treatment physician or center for examina-

tion. The law-enforcement officer shall turn the respondent over to the custody of the physician or center who shall conduct the examination and then release the respondent. The law-enforcement officer may wait during the examination and return the respondent to his home after the examination. An examination conducted under this subsection in which a physician or eligible psychologist determines that the respondent meets the criteria for inpatient commitment may be substituted for the first examination required by G.S. 122C-263 if the clerk or magistrate issues a custody order within six hours after the examination was performed.

- (3) In no case may the respondent be physically forced to take medication or forcibly detained for treatment unless he poses an immediate danger to himself or others. In such cases inpatient commitment proceedings shall be initiated.
- (4) At any time that the outpatient treatment physician or center finds that the respondent no longer meets the criteria set out in G.S. 122C-263(d)(1), the physician or center shall so notify the court and the case shall be terminated; provided, however, if the respondent was initially committed as a result of conduct resulting in his being charged with a violent crime, including a crime involving an assault with a deadly weapon, and the respondent was found incapable of proceeding, the designated outpatient treatment physician or center shall notify the clerk that discharge is recommended. The clerk shall calendar a supplemental hearing as provided in G.S. 122C-274 to determine whether the respondent meets the criteria for outpatient commitment.
- (5) Any individual who has knowledge that a respondent on outpatient commitment has become dangerous to himself, as defined by G.S. 122C-3(11)a., and others, as defined in G.S. 122C-3(11)b., may initiate a new petition for inpatient commitment as provided in this Part. If the respondent is committed as an inpatient, the outpatient commitment shall be terminated and notice sent by the clerk of court in the county where the respondent is committed as an inpatient to the clerk of court of the county where the outpatient commitment is being supervised.

(b) If the respondent on outpatient commitment intends to move or moves to another county within the State, the designated outpatient treatment physician or center shall request that the clerk of court in the county where the outpatient commitment is being supervised calendar a supplemental hearing.

(c) If the respondent moves to another state or to an unknown location, the designated outpatient treatment physician or center shall notify the clerk of superior court of the county where the outpatient commitment is supervised and the outpatient commitment shall be terminated.

(d) If the commitment order directs inpatient treatment, the physician attending the respondent may administer to the respondent reasonable and appropriate medication and treatment that are consistent with accepted medical standards. The attending physician shall release or discharge the respondent in accordance with G.S. 122C-277. (1983, c. 638, s. 16; c. 864, s. 4; 1985, c. 589, s. 2; 1985 (Reg. Sess., 1986), c. 863, ss. 23-26; 1989 (Reg. Sess., 1990), c. 823, s. 9; 1991, c. 37, s. 14.)

§ 122C-274. Supplemental hearings.

(a) Upon receipt of a request for a supplemental hearing, the clerk shall calendar a hearing to be held within 14 days and notify, at least 72 hours before the hearing, the petitioner, the respondent, his attorney, if any, and the designated outpatient treatment physician or center. The respondent shall be notified at least 72 hours before the hearing by personally serving on him an order to appear. Other persons shall be notified as provided in G.S. 122C-264(c).

(b) The procedures for the hearing shall follow G.S. 122C-267.

(c) In supplemental hearings for alleged noncompliance, the court shall determine whether the respondent has failed to comply and, if so, the causes for noncompliance. If the court determines that the respondent has failed or refused to comply it may:

(1) Upon finding probable cause to believe that the respondent is mentally ill and dangerous to himself, as defined in G.S. 122C-3(11)a., or others, as defined in G.S. 122C-3(11)b., order an examination by the same or different physician or eligible psychologist as provided in G.S. 122C-263(c) in order to determine the necessity for continued outpatient or inpatient commitment;

(2) Reissue or change the outpatient commitment order in accordance with G.S. 122C-271; or

(3) Discharge the respondent from the order and dismiss the case.

(d) At the supplemental hearing for a respondent who has moved or intends to move to another county, the court shall determine if the respondent meets the criteria for outpatient commitment set out in G.S. 122C-263(d)(1). If the court determines that the respondent no longer meets the criteria for outpatient commitment, it shall discharge the respondent from the order and dismiss the case. If the court determines that the respondent continues to meet the criteria for outpatient commitment, it shall continue the outpatient commitment but shall designate a physician or center at the respondent's new residence to be responsible for the management or supervision of the respondent's outpatient commitment. The court shall order the respondent to appear for treatment at the address of the newly designated outpatient treatment physician or center and shall order venue for further court proceedings under the outpatient commitment to be transferred to the new county of supervision. Upon an order changing venue, the clerk of court in the county where the outpatient commitment has been supervised shall transfer the records regarding the outpatient commitment to the clerk of court in the county where the commitment will be supervised. Also, the clerk of court in the county where the outpatient commitment has been supervised shall send a copy of the court's order directing the continuation of outpatient treatment under new supervision to the newly designated outpatient treatment physician or center.

(e) At any time during the term of an outpatient commitment order, a respondent may apply to the court for a supplemental hearing for the purpose of discharge from the order. The application shall be made in writing by the respondent to the clerk of superior court of the county where the outpatient commitment is being supervised. At the supplemental hearing the court shall determine whether the respondent continues to meet the criteria specified in G.S. 122C-263(d)(1). The court may either reissue or change the commitment order or discharge the respondent and dismiss the case.

(f) At supplemental hearings requested pursuant to G.S. 122C-277(a) for transfer from inpatient to outpatient commitment, the court shall determine whether the respondent meets the criteria for either inpatient or outpatient commitment. If the court determines that the respondent continues to meet the criteria for inpatient commitment, it shall order the continuation of the

original commitment order. If the court determines that the respondent meets the criteria for outpatient commitment, it shall order outpatient commitment for a period of time not in excess of 90 days. If the court finds that the respondent does not meet either criteria, the respondent shall be discharged and the case dismissed. (1983, c. 638, s. 17; c. 864, s. 4; 1985, c. 589, s. 2; c. 695, s. 2; 1989 (Reg. Sess., 1990), c. 823, s. 10.)

§ 122C-275. Outpatient commitment; rehearings.

(a) Fifteen days before the end of the initial or subsequent periods of outpatient commitment if the outpatient treatment physician or center determines that the respondent continues to meet the criteria specified in G.S. 122C-263(d)(1), he shall so notify the clerk of superior court of the county where the outpatient commitment is supervised. If the respondent no longer meets the criteria, the physician shall so notify the clerk who shall dismiss the case; provided, however, if the respondent was initially committed as a result of conduct resulting in his being charged with a violent crime, including a crime involving an assault with a deadly weapon, and the respondent was found incapable of proceeding, the physician or center shall notify the clerk that discharge is recommended. The clerk, at least 10 days before the end of the commitment period, on order of the district court, shall calendar the rehearing.

(b) Notice and procedures of rehearings are governed by the same procedures as initial hearings, and the respondent has the same rights he had at the initial hearing including the right to appeal.

(c) If the court finds that the respondent no longer meets the criteria of G.S. 122C-263(d)(1), it shall unconditionally discharge him. A copy of the discharge order shall be furnished by the clerk to the designated outpatient treatment physician or center. If the respondent continues to meet the criteria of G.S. 122C-263(d)(1), the court may order outpatient commitment for an additional period not in excess of 180 days. (1983, c. 638, s. 20; c. 864, s. 4; 1985, c. 589, s. 2; 1991, c. 37, s. 15.)

CASE NOTES

Editor's Note. — *The case below was decided under comparable provisions of former Chapter 122.*

Constitutionality. — See *In re Rogers*, 63

N.C. App. 705, 306 S.E.2d 510, cert. denied and appeal dismissed, 309 N.C. 633, 308 S.E.2d 716 (1983), appeal dismissed, 465 U.S. 1095, 104 S. Ct. 1583, 80 L. Ed. 2d 117 (1984).

§ 122C-276. Inpatient commitment; rehearings for respondents other than insanity acquittees.

(a) Fifteen days before the end of the initial inpatient commitment period if the attending physician determines that commitment of a respondent beyond the initial period will be necessary, he shall so notify the clerk of superior court of the county in which the facility is located. The clerk, at least 10 days before the end of the initial period, on order of a district court judge of the district court district as defined in G.S. 7A-133 in which the facility is located, shall calendar the rehearing. If the respondent was initially committed as the result of conduct resulting in his being charged with a violent crime, including a crime involving an assault with a deadly weapon, and respondent was found incapable of proceeding, the clerk shall also notify the chief district court judge, the clerk of superior court, and the district attorney in the county in which the respondent was found incapable of proceeding of the time and place of the hearing.

(b) Fifteen days before the end of the initial treatment period of a respondent who was initially committed as a result of conduct resulting in his being charged with a violent crime, including a crime involving an assault with a deadly weapon, having been found incapable of proceeding, if the attending physician determines that commitment of the respondent beyond the initial period will not be necessary, he shall so notify the clerk of superior court who shall schedule a rehearing as provided in subsection (a) of this section.

(c) Subject to the provisions of G.S. 122C-269(c), rehearings shall be held at the facility in which the respondent is receiving treatment. The judge is a judge of the district court of the district court district as defined in G.S. 7A-133 in which the facility is located or a district court judge temporarily assigned to that district.

(d) Notice and proceedings of rehearings are governed by the same procedures as initial hearings and the respondent has the same rights he had at the initial hearing including the right to appeal.

(e) At rehearings the court may make the same dispositions authorized in G.S. 122C-271(b) except a second commitment order may be for an additional period not in excess of 180 days.

(f) Fifteen days before the end of the second commitment period and annually thereafter, the attending physician shall review and evaluate the condition of each respondent; and if he determines that a respondent is in continued need of inpatient commitment or, in the alternative, in need of outpatient commitment, or a combination of both, he shall so notify the respondent, his counsel, and the clerk of superior court of the county, in which the facility is located. Unless the respondent through his counsel files with the clerk a written waiver of his right to a rehearing, the clerk, on order of a district court judge of the district in which the facility is located, shall calendar a rehearing for not later than the end of the current commitment period. The procedures and standards for the rehearing are the same as for the first rehearing. No third or subsequent inpatient recommitment order shall be for a period longer than one year.

(g) At any rehearings the court has the option to order outpatient commitment for a period not in excess of 180 days in accordance with the criteria specified in G.S. 122C-263(d)(1) and following the procedures as specified in this Article. (1973, c. 726, s. 1; c. 1408, s. 1; 1977, c. 400, s. 9; 1979, c. 915, ss. 9, 17; 1981, c. 537, ss. 2-4; 1983, c. 638, ss. 18, 19; c. 864, s. 4; 1985, c. 589, s. 2; 1987 (Reg. Sess., 1988), c. 1037, s. 116; 1991, c. 37, s. 5.)

CASE NOTES

Editor's Note. — *Most of the cases below were decided under former statutory provisions.*

The indeterminate commitment of any patient without periodic rehearings is clearly proscribed. In re Mikels, 31 N.C. App. 470, 230 S.E.2d 155 (1976).

Findings Prerequisite to Commitment. — In order to support the recommitment of a respondent in an involuntary commitment proceeding, the trial court must find by clear, cogent, and convincing evidence that the respondent is mentally ill or inebriate, is dangerous to himself or others, and is in need of continued hospitalization. In re Mackie, 36 N.C. App. 638, 244 S.E.2d 450 (1978).

Facts Must Be Found and Recorded. — The two ultimate facts of (1) mental illness or inebriety and (2) danger, must be supported by

facts which are found from the evidence and recorded by the district court. In re Mackie, 36 N.C. App. 638, 244 S.E.2d 450 (1978).

The "words" imminently dangerous in former section simply meant that a person posed a danger to himself or others in the immediate future. In re Ballard, 34 N.C. App. 228, 237 S.E.2d 541 (1977).

Overt Acts. — An overt act may be clear, cogent and convincing evidence which will support a finding of danger, but it is not necessary that there be an overt act to establish imminent dangerousness. In re Ballard, 34 N.C. App. 228, 237 S.E.2d 541 (1977).

Effect of § 8-53. — For discussion of former statutory provisions making it manifest that the physician's role in involuntary commitment proceedings was not intended to be inhibited by

§ 8-53, see *In re Farrow*, 41 N.C. App. 680, 255 S.E.2d 777 (1979).

Disposition If Notice Is Insufficient. — The 15-day period of former § 122-58.11 did not have the effect of a statute of limitations so as to necessitate dismissal of a proceeding brought on less notice. Dismissal was too drastic, and unless the respondent could show some preju-

dice, the proper response would be to continue the proceeding until ample notice had been given. *In re Boyles*, 38 N.C. App. 389, 247 S.E.2d 785, appeal dismissed, 296 N.C. 411, 251 S.E.2d 468 (1978).

OPINIONS OF ATTORNEY GENERAL

Actual Notice of Rehearing Is Required Absent Waiver or Consent to Nonservice. — See opinion of Attorney General to Mr. J.

Laird Jacob, Jr., Broughton Hospital, 44 N.C.A.G. 33 (1974), rendered under former statutory provisions.

§ 122C-276.1. Inpatient commitment; rehearings for respondents who are insanity acquittees.

(a) At least 15 days before the end of any inpatient commitment period ordered pursuant to G.S. 122C-268.1, the clerk shall calendar the hearing and notify the parties as specified in G.S. 122C-264(d1), unless the hearing is waived by the respondent.

(b) The proceedings of the rehearing shall be governed by the same procedures provided by G.S. 122C-268.1.

(c) The respondent shall bear the burden to prove by a preponderance of the evidence that he (i) no longer has a mental illness as defined in G.S. 122C-3(21), or (ii) is no longer dangerous to others as defined in G.S. 122C-3(11)b. If the court is so satisfied, then the court shall order the respondent discharged and released. If the court finds that the respondent has not met his burden of proof, then the court shall order inpatient commitment be continued for a period not to exceed 180 days. The court shall make a written record of the facts that support its findings.

(d) At least 15 days before the end of any commitment period ordered pursuant to subsection (c) of this section and annually thereafter, the clerk shall calendar the hearing and notify the parties as specified in G.S. 122C-264(d1). The procedures and standards for the rehearing are the same as under this section. No third or subsequent inpatient recommitment order shall be for a period longer than one year. (1991, c. 37, s. 3; 1991 (Reg. Sess., 1992), c. 1034, s. 4.)

CASE NOTES

Constitutionality. — Subsection (c) of this section and § 122C-268.1(i) do not violate the due process of equal protection clauses of the federal and State Constitutions. *In re Hayes*, 111 N.C. App. 384, 432 S.E.2d 862, appeal dismissed, 335 N.C. 173, 436 S.E.2d 376 (1993).

Amendment made in 1991 to subsection (c) of this section and § 122C-268.1(i), which required respondent to bear the burden of proof to

show that he was no longer dangerous or mentally ill and opened the hearing to the public were procedural changes that did not violate substantive rights or protections though they could have disadvantaged respondent. Therefore, there was no violation of the Ex Post Facto Clause. *In re Hayes*, 111 N.C. App. 384, 432 S.E.2d 862, appeal dismissed, 335 N.C. 173, 436 S.E.2d 376 (1993).

§ 122C-277. Release and conditional release; judicial review.

(a) Except as provided in subsections (b) and (b1) of this section, the attending physician shall discharge a committed respondent unconditionally

at any time he determines that the respondent is no longer in need of inpatient commitment. However, if the attending physician determines that the respondent meets the criteria for outpatient commitment as defined in G.S. 122C-263(d)(1), he may request the clerk to calendar a supplemental hearing to determine whether an outpatient commitment order shall be issued. Except as provided in subsections (b) and (b1) of this section, the attending physician may also release a respondent conditionally for periods not in excess of 30 days on specified medically appropriate conditions. Violation of the conditions is grounds for return of the respondent to the releasing facility. A law-enforcement officer, on request of the attending physician, shall take a conditional releasee into custody and return him to the facility in accordance with G.S. 122C-205. Notice of discharge and of conditional release shall be furnished to the clerk of superior court of the county of commitment and of the county in which the facility is located.

(b) If the respondent was initially committed as the result of conduct resulting in his being charged with a violent crime, including a crime involving an assault with a deadly weapon, and respondent was found incapable of proceeding, 15 days before the respondent's discharge or conditional release the attending physician shall notify the clerk of superior court of the county in which the facility is located of his determination regarding the proposed discharge or conditional release. The clerk shall then schedule a rehearing to determine the appropriateness of respondent's release under the standards of commitment set forth in G.S. 122C-271(b). The clerk shall give notice as provided in G.S. 122C-264(d). The district attorney of the district where respondent was found incapable of proceeding may represent the State's interest at the hearing.

(b1) If the respondent was initially committed pursuant to G.S. 15A-1321, 15 days before the respondent's discharge or conditional release the attending physician shall notify the clerk of superior court. The clerk shall calendar a hearing and shall give notice as provided by G.S. 122C-264(d1). The district attorney for the original trial may represent the State's interest at the hearing. The hearing shall be conducted under the standards and procedures set forth in G.S. 122C-268.1. Provided, that in no event shall discharge or conditional release under this section be allowed for a respondent during the period from automatic commitment to hearing under G.S. 122C-268.1.

(c) If a committed respondent under subsections (a), (b), or (b1) of this section is from a single portal area, the attending physician shall plan jointly with the area authority as prescribed in the area plan before discharging or releasing the respondent. (1973, c. 726, s. 1; c. 1408, s. 1; 1981, c. 537, s. 5; 1983, c. 383, s. 6; c. 638, s. 21; c. 864, s. 4; 1985, c. 589, s. 2; 1991, c. 37, s. 6.)

CASE NOTES

Notice and Hearing. — The statutory provisions of former § 122-58.13(b) requiring notice and hearing prior to release from involuntary commitment were mandatory and not merely directive, applied in every case in which a respondent was initially committed after a judicial determination of not guilty by reason of insanity or incapacity to stand trial, and remained applicable throughout a respondent's commitment. Court's Authority Limited If Defendant Found Not to Be Subject to Involuntary Commitment. — Superior court had no authority to enter order requiring Division of Adult Probation and Parole, without its consent, to provide supervision of defendant, who had been determined incompetent to stand trial but not subject to involuntary commitment, while in custody of his former wife. Part 8. Involuntary Commitment of Substance Abusers, Facilities for Substance Abusers.

§ 122C-281. Affidavit and petition before clerk or magistrate; custody order.

(a) Any individual who has knowledge of a substance abuser who is dangerous to himself or others may appear before a clerk or assistant or deputy clerk of superior court or a magistrate, execute an affidavit to this effect, and petition the clerk or magistrate for issuance of an order to take the respondent into custody for examination by a physician or eligible psychologist. The affidavit shall include the facts on which the affiant's opinion is based. Jurisdiction under this subsection is in the clerk or magistrate in the county where the respondent resides or is found.

(b) If the clerk or magistrate finds reasonable grounds to believe that the facts alleged in the affidavit are true and that the respondent is probably a substance abuser and dangerous to himself or others, he shall issue an order to a law-enforcement officer or any other person authorized by G.S. 122C-251 to take the respondent into custody for examination by a physician or eligible psychologist.

(c) If the clerk or magistrate issues a custody order, he shall also make inquiry in any reliable way as to whether the respondent is indigent within the meaning of G.S. 7A-450. A magistrate shall report the result of this inquiry to the clerk.

(d) If the affiant is a physician or eligible psychologist, he may execute the affidavit before any official authorized to administer oaths. He is not required to appear before the clerk or magistrate for this purpose. His examination shall comply with the requirements of the initial examination as provided in G.S. 122C-283(c). If the physician or eligible psychologist recommends commitment and the clerk or magistrate finds probable cause to believe that the respondent meets the criteria for commitment, he shall issue an order for transportation to or custody at a 24-hour facility or release the respondent, pending hearing, as described in G.S. 122C-283(d)(1). If a physician or eligible psychologist executes an affidavit for commitment of a respondent, a second qualified professional shall perform the examination required by G.S. 122C-285.

(e) Upon receipt of the custody order of the clerk or magistrate, a law-enforcement officer or other person designated in the order shall take the respondent into custody within 24 hours after the order is signed.

(f) When a petition is filed for an individual who is a resident of a single portal area, the procedures for examination by a physician or eligible psychologist as set forth in G.S. 122C-283(c) shall be carried out in accordance with the area plan. When an individual from a single portal area is presented for commitment at a facility directly, he may be accepted for admission in accordance with G.S. 122C-285. The facility shall notify the area authority within 24 hours of admission and further planning of treatment for the

individual is the joint responsibility of the area authority and the facility as prescribed in the area plan. (1973, c. 726, s. 1; c. 1408, s. 1; 1977, c. 400, s. 3; 1979, c. 164, s. 2; c. 915, ss. 3, 18; 1983, c. 383, s. 5; c. 638, ss. 3-5; c. 864, s. 4; 1985, c. 589, s. 2; c. 695, ss. 2, 4.)

CASE NOTES

Editor's Note. — *The cases below were decided under former statutory provisions.*

Requirements of former § 122-58.3 (see now §§ 122C-261 and 122C-281) were required to be followed diligently. In re Hernandez, 46 N.C. App. 265, 264 S.E.2d 780 (1980); In re Barnhill, 72 N.C. App. 530, 325 S.E.2d 308 (1985).

Contents and Sufficiency of Affidavit. — The affidavit must set out facts upon which the affiant's opinion is based. Such facts must be sufficient to establish to the affiant's satisfaction that the patient is imminently dangerous to himself or others. In re Hernandez, 46 N.C. App. 265, 264 S.E.2d 780 (1980).

§ 122C-282. Special emergency procedure for violent individuals.

When an individual subject to commitment under the provisions of this Part is also violent and requires restraint and when delay in taking him to a physician or eligible psychologist for examination would likely endanger life or property, a law-enforcement officer may take the person into custody and take him immediately before a magistrate or clerk. The law-enforcement officer shall execute the affidavit required by G.S. 122C-281 and in addition shall swear that the respondent is violent and requires restraint and that delay in taking the respondent to a physician or eligible psychologist for an examination would endanger life or property.

If the clerk or magistrate finds by clear, cogent, and convincing evidence that the facts stated in the affidavit are true, that the respondent is in fact violent and requires restraint, and that delay in taking the respondent to a physician or eligible psychologist for an examination would endanger life or property, he shall order the law-enforcement officer to take the respondent directly to a 24-hour facility described in G.S. 122C-252.

Respondents received at a 24-hour facility under the provisions of this section shall be examined and processed thereafter in the same way as all other respondents under this Part. (1973, c. 726, s. 1; c. 1408, s. 1; 1985, c. 589, s. 2; c. 695, s. 2.)

Legal Periodicals. — For survey of 1980 constitutional law, see 59 N.C.L. Rev. 1097 (1981).

CASE NOTES

Editor's Note. — *The case annotated below was decided under former statutory provisions.*

Former § 122-58.18 (see now §§ 122C-262 and 122C-282) was not intended to be used indiscriminately, and clearly defined the limited time and circumstances for its use. In re Hernandez, 46 N.C. App. 265, 264 S.E.2d 780 (1980).

Affidavit. — The affidavit must set out facts upon which the affiant's opinion is based. Such facts must be sufficient to establish to the affiant's satisfaction that the patient is imminently dangerous to himself or others. In re Hernandez, 46 N.C. App. 265, 264 S.E.2d 780 (1980).

Reliance on Information Gained from

Others. — An officer's petition for involuntary commitment of respondent pursuant to the emergency procedures for violent persons was not required to be dismissed because the officer did not personally observe the respondent in an act of violence but relied on information gained from others. In re Hernandez, 46 N.C. App. 265, 264 S.E.2d 780 (1980).

No Overt Act Required. — In finding one to be imminently dangerous, there is no requirement of an overt act. In re Hernandez, 46 N.C. App. 265, 264 S.E.2d 780 (1980).

Concealing a potentially dangerous weapon is evidence of imminent danger. In re Hernandez, 46 N.C. App. 265, 264 S.E.2d 780 (1980).

§ 122C-283. Duties of law-enforcement officer; first examination by physician or eligible psychologist.

(a) Without unnecessary delay after assuming custody, the law-enforcement officer or the individual designated by the clerk or magistrate under G.S. 122C-251(g) to provide transportation shall take the respondent to an area facility for examination by a physician or eligible psychologist; if a physician or eligible psychologist is not available in the area facility, he shall take the respondent to any physician or eligible psychologist locally available. If a physician or eligible psychologist is not immediately available, the respondent may be temporarily detained in an area facility if one is available; if an area facility is not available, he may be detained under appropriate supervision, in his home, in a private hospital or a clinic, or in a general hospital, but not in a jail or other penal facility.

(b) The examination set forth in subsection (a) of this section is not required if:

- (1) The affiant who obtained the custody order is a physician or eligible psychologist; or
- (2) The respondent is in custody under the special emergency procedure described in G.S. 122C-282.

In these cases when it is recommended that the respondent be detained in a 24-hour facility, the law-enforcement officer shall take the respondent directly to a 24-hour facility described in G.S. 122C-252.

(c) The physician or eligible psychologist described in subsection (a) of this section shall examine the respondent as soon as possible, and in any event within 24 hours, after the respondent is presented for examination. The examination shall include but is not limited to an assessment of the respondent's:

- (1) Current and previous substance abuse including, if available, previous treatment history; and
- (2) Dangerousness to himself or others as defined in G.S. 122C-3(11).

(d) After the conclusion of the examination the physician or eligible psychologist shall make the following determinations:

- (1) If the physician or eligible psychologist finds that the respondent is a substance abuser and is dangerous to himself or others, he shall recommend commitment and whether the respondent should be released or be held at a 24-hour facility pending hearing and shall so show on [the] his examination report. Based on the physician's or eligible psychologist's recommendation the law-enforcement officer or other designated individual shall take the respondent to a 24-hour facility described in G.S. 122C-252 or release the respondent.
- (2) If the physician or eligible psychologist finds that the condition described in subdivision (1) of this subsection does not exist, the respondent shall be released and the proceedings terminated.

(e) The findings of the physician or eligible psychologist and the facts on which they are based shall be in writing in all cases. A copy of the findings shall be sent to the clerk of superior court by the most reliable and expeditious means. If it cannot be reasonably anticipated that the clerk will receive the

copy within 48 hours of the time that it was signed, the physician or eligible psychologist shall also communicate his findings to the clerk by telephone. (1973, c. 726, s. 1; c. 1408, s. 1; 1977, c. 400, s. 4; c. 679, s. 8; c. 739, s. 1; 1979, c. 358, s. 27; c. 915, s. 4; 1983, c. 380, ss. 4, 10; c. 638, ss. 6, 7, 25.1; c. 864, s. 4; 1985, c. 589, s. 2; c. 695, ss. 2, 9.)

Editor's Note. — Session Laws 1985, c. 695, substituted "his" for "physician's" near the end of the first sentence of subdivision (d)(1). The word "the" preceding "his" probably also should have been deleted by the act and has therefore been bracketed.

CASE NOTES

Editor's Note. — *The case below was decided under former statutory provisions.*

Duty of Physician to Make Examination. — Former § 122-58.4 (see now §§ 122C-263 and 122C-283) imposed a positive duty to make the examination before signing the certificate. *McLean v. Sale*, 54 N.C. App. 538, 284 S.E.2d 160 (1981), cert. denied, 305 N.C. 301, 290 S.E.2d 703 (1982).

Physical Presence of Person to Be Examined Required. — "Examine" requires that the person to be examined be physically in the presence of the qualified physician, so that the physician may actually utilize his five senses, or such of them as he deems necessary, in carrying out the mandate of this section. *McLean v. Sale*, 54 N.C. App. 538, 284 S.E.2d 160 (1981), cert. denied, 305 N.C. 301, 290 S.E.2d 703 (1982).

The requirement that the law-enforcement officer must take and present the person to be examined to the physician requires that the person must be physically present before the physician for the purpose of the examination.

McLean v. Sale, 54 N.C. App. 538, 284 S.E.2d 160 (1981), cert. denied, 305 N.C. 301, 290 S.E.2d 703 (1982).

Relief from Wrongful Certification. — A physician's failure to perform an examination prior to signing certificate is a violation of the statute, and if plaintiff is involuntarily committed as a result of defendant's actions, a cause of action arises against defendant, and this is true regardless of what may have prompted defendant to fail to make the examination of plaintiff. *McLean v. Sale*, 54 N.C. App. 538, 284 S.E.2d 160 (1981), cert. denied, 305 N.C. 301, 290 S.E.2d 703 (1982).

Relevance of Reasons for Failing to Examine. — The reasons defendant physician failed to make the required examination prior to signing certificate were competent on the question of punitive damages, but not on the issue of whether defendant violated his statutory duty to plaintiff. *McLean v. Sale*, 54 N.C. App. 538, 284 S.E.2d 160 (1981), cert. denied, 305 N.C. 301, 290 S.E.2d 703 (1982).

§ 122C-284. Duties of clerk of superior court.

(a) Upon receipt of a physician's or eligible psychologist's finding that a respondent is a substance abuser and dangerous to himself or others and that commitment is recommended, the clerk of superior court of the county where the facility is located, if the respondent is held in a 24-hour facility, or the clerk of superior court where the petition was initiated shall upon direction of a district court judge assign counsel, calendar the matter for hearing, and notify the respondent, his counsel, and the petitioner of the time and place of the hearing. The petitioner may file a written waiver of his right to notice under this subsection with the clerk of court.

(b) Notice to the respondent required by subsection (a) of this section shall be given as provided in G.S. 1A-1, Rule 4(j) at least 72 hours before the hearing. Notice to other individuals shall be given by mailing at least 72 hours before the hearing a copy by first-class mail postage prepaid to the individual at his last known address. G.S. 1A-1, Rule 6 shall not apply.

(c) Upon receipt of notice that transportation is necessary to take a committed respondent to a 24-hour facility pursuant to G.S. 122C-290(b), the clerk shall issue a custody order for the respondent.

(d) The clerk of superior court shall upon the direction of a district court judge calendar all hearings, supplemental hearings, and rehearings and provide all notices required by this Part. (1973, c. 1408, s. 1; 1977, c. 400, s. 5; c. 414, s. 1; 1979, c. 915, s. 5; 1983, c. 380, s. 9; c. 638, s. 8; c. 864, s. 4; 1985, c. 589, s. 2; c. 695, s. 10; 1985 (Reg. Sess., 1986), c. 863, s. 27.)

§ 122C-285. Commitment; second examination and treatment pending hearing.

(a) Within 24 hours of arrival at a 24-hour facility described in G.S. 122C-252, the respondent shall be examined by a qualified professional. This professional shall be a physician if the initial commitment evaluation was conducted by an eligible psychologist. The examination shall include the assessment specified in G.S. 122C-283(c). If the qualified professional finds that the respondent is a substance abuser and is dangerous to himself or others, he shall hold and treat the respondent at the facility or designate other treatment pending the district court hearing. If the qualified professional finds that the respondent does not meet the criteria for commitment under G.S. 122C-283(d)(1), he shall release the respondent and the proceeding shall be terminated. In this case the reasons for the release shall be reported in writing to the clerk of superior court of the county in which the custody order originated. If the respondent is released, the law-enforcement officer or other person designated to provide transportation shall return the respondent to the originating county.

(b) If the 24-hour facility described in G.S. 122C-252 is the facility in which the first examination by a physician or eligible psychologist occurred and is the same facility in which the respondent is held, the second examination must occur not later than the following regular working day. (1973, c. 726, s. 1; c. 1408, s. 1; 1977, c. 400, s. 6; 1979, c. 915, s. 6; 1983, c. 380, s. 5; c. 638, ss. 9, 10; c. 864, s. 4; 1985, c. 589, s. 2; c. 695, s. 11; 1985 (Reg. Sess., 1986), c. 863, s. 28.)

Legal Periodicals. — For survey of 1979 administrative law, see 58 N.C.L. Rev. 1185 (1980).

§ 122C-286. Commitment; district court hearing.

(a) A hearing shall be held in district court within 10 days of the day the respondent is taken into custody. Upon its own motion or upon motion of the responsible professional, the respondent, or the State, the court may grant a continuance of not more than five days.

(b) The respondent shall be present at the hearing. A subpoena may be issued to compel the respondent's presence at a hearing. The petitioner and the responsible professional of the area authority or the proposed treating physician or his designee may be present and may provide testimony.

(c) Certified copies of reports and findings of physicians and psychologists and medical records of previous and current treatment are admissible in evidence, but the respondent's right to confront and cross-examine witnesses shall not be denied.

(d) The respondent may be represented by counsel of his choice. If the respondent is indigent within the meaning of G.S. 7A-450, the court shall appoint counsel to represent him.

(e) Hearings may be held at a facility if it is located within the judge's district court district as defined in G.S. 7A-133 or in the judge's chambers. A hearing may not be held in a regular courtroom, over objection of the respondent, if in the discretion of a judge a more suitable place is available.

(f) The hearing shall be closed to the public unless the respondent requests otherwise.

(g) A copy of all documents admitted into evidence and a transcript of the proceedings shall be furnished to the respondent on request by the clerk upon the direction of a district court judge. If the respondent is indigent, the copies shall be provided at State expense.

(h) To support a commitment order, the court shall find by clear, cogent, and convincing evidence that the respondent meets the criteria specified in G.S. 122C-283(d)(1). The court shall record the facts that support its findings and shall show on the order the area authority or physician who is responsible for the management and supervision of the respondent's treatment. (1985, c. 589, s. 2; c. 695, s. 8; 1985 (Reg. Sess., 1986), c. 863, ss. 29, 30; 1987 (Reg. Sess., 1988), c. 1037, s. 117.)

§ 122C-286.1. Venue of district court hearing when respondent held at a 24-hour facility pending hearing.

(a) In all cases where the respondent is held at a 24-hour facility pending the district court hearing as provided in G.S. 122C-286, unless the respondent through counsel objects to the venue, the hearing shall be held in the county in which the facility is located. Upon objection to venue, the hearing shall be held in the county where the petition was initiated.

(b) An official of the facility shall immediately notify the clerk of superior court of the county in which the facility is located of a determination to hold the respondent pending hearing. That clerk shall request transmittal of all documents pertinent to the proceedings from the clerk of superior court where the proceedings were initiated. The requesting clerk shall assume all duties set forth in G.S. 122C-284. The requesting clerk shall appoint as counsel for indigent respondents the counsel provided for in G.S. 122C-286(d). (1985 (Reg. Sess., 1986), c. 863, s. 31.)

§ 122C-287. Disposition.

The court may make one of the following dispositions:

(1) If the court finds by clear, cogent, and convincing evidence that the respondent is a substance abuser and is dangerous to himself or others, it shall order for a period not in excess of 180 days commitment to and treatment by an area authority or physician who is responsible for the management and supervision of the respondent's commitment and treatment.

(2) If the court finds that the respondent does not meet the commitment criteria set out in subdivision (1) of this subsection, the respondent shall be discharged and the facility in which he was last treated so notified. (1973, c. 726, s. 1; c. 1408, s. 1; 1977, c. 400, s. 8; c. 739, s. 2; 1979, c. 358, s. 26; c. 915, ss. 8, 15, 16; 1981, c. 537, s. 1; 1983, c. 380, s. 8; c. 638, s. 14; c. 864, s. 4; 1985, c. 589, s. 2.)

§ 122C-288. Appeal.

Judgment of the district court is final. Appeal may be had to the Court of Appeals by the State or by any party on the record as in civil cases. Appeal does not stay the commitment unless so ordered by the Court of Appeals. The Attorney General shall represent the State's interest on appeal. The district court retains limited jurisdiction for the purpose of hearing all reviews, rehearings, or supplemental hearings allowed or required under this Part. (1973, c. 726, s. 1; c. 1408, s. 1; 1979, c. 915, s. 19; 1985, c. 589, s. 2.)

§ 122C-289. Duty of assigned counsel; discharge.

Counsel assigned to represent an indigent respondent at the initial district court hearing is also responsible for perfecting and concluding an appeal. Upon completion of an appeal, assigned counsel is discharged. If the respondent is committed, assigned counsel remains responsible for his representation until discharged by order of district court or until the respondent is otherwise unconditionally discharged. (1973, c. 1408, s. 1; 1985, c. 589, s. 2.)

§ 122C-290. Duties for follow-up on commitment order.

(a) The area authority or physician responsible for management and supervision of the respondent's commitment and treatment may prescribe or administer to the respondent reasonable and appropriate treatment either on an outpatient basis or in a 24-hour facility.

(b) If the respondent whose treatment is provided on an outpatient basis fails to comply with all or part of the prescribed treatment after reasonable effort to solicit the respondent's compliance or whose treatment is provided on an inpatient basis is discharged in accordance with G.S. 122C-205.1(b), the area authority or physician may request the clerk or magistrate to order the respondent taken into custody for the purpose of examination. Upon receipt of this request, the clerk or magistrate shall issue an order to a law enforcement officer to take the respondent into custody and to take him immediately to the designated area authority or physician for examination. The law enforcement officer shall turn the respondent over to the custody of the physician or area authority who shall conduct the examination and release the respondent or have the respondent taken to a 24-hour facility upon a determination that treatment in the facility will benefit the respondent. Transportation to the 24-hour facility shall be provided as specified in G.S. 122C-251, upon notice to the clerk or magistrate that transportation is necessary, or as provided in G.S. 122C-408(b). If placement in a 24-hour facility is to exceed 45 consecutive days, the area authority or physician shall notify the clerk of court by the 30th day and request a supplemental hearing as specified in G.S. 122C-291.

(c) If the respondent intends to move or moves to another county within the State, the area authority or physician shall notify the clerk of court in the county where the commitment is being supervised and request that a supplemental hearing be calendared.

(d) If the respondent moves to another state or to an unknown location, the designated area authority or physician shall notify the clerk of superior court of the county where the commitment is supervised and the commitment shall be terminated. (1983, c. 638, s. 16; c. 864, s. 4; 1985, c. 589, s. 2; 1985 (Reg. Sess., 1986), c. 863, s. 32; 1987, c. 674, s. 2; c. 750.)

§ 122C-291. Supplemental hearings.

(a) Upon receipt of a request for a supplemental hearing, the clerk shall calendar a hearing to be held within 14 days and notify, at least 72 hours before the hearing, the petitioner, the respondent, his attorney, if any, and the designated area authority or physician. Notice shall be provided in accordance with G.S. 122C-284(b). The procedures for the hearing shall follow G.S. 122C-286.

(b) At the supplemental hearing for a respondent who has moved or may move to another county, the court shall determine if the respondent meets the criteria for commitment set out in G.S. 122C-283(d)(1). If the court determines that the respondent no longer meets the criteria for commitment, it shall discharge the respondent from the order and dismiss the case. If the court determines that the respondent continues to meet the criteria for commitment, it shall continue the commitment but shall designate an area authority or physician at the respondent's new residence to be responsible for the management or supervision of the respondent's commitment. The court shall order the respondent to appear for treatment at the address of the newly designated area authority or physician and shall order venue for further court proceedings under the commitment to be transferred to the new county of supervision. Upon an order changing venue, the clerk of court in the county where the commitment has been supervised shall transfer the records regarding the commitment to the clerk of court in the county where the commitment will be supervised. Also, the clerk of court in the county where the commitment has been supervised shall send a copy of the court's order directing the continuation of treatment under new supervision to the newly designated area authority or physician.

(c) At a supplemental hearing for a respondent to be held longer than 45 consecutive days in a 24-hour facility, the court shall determine if the respondent meets the criteria for commitment set out in G.S. 122C-283(d)(1). If the court determines that the respondent continues to meet the criteria and that further treatment in the 24-hour facility is necessary, the court may authorize continued care in the facility for not more than 90 days, after which a rehearing for the purpose of determining the need for continued care in the 24-hour facility shall be held, or the court may order the respondent released from the 24-hour facility and continued on the commitment on an outpatient basis. If the court determines that the respondent no longer meets the criteria for commitment the respondent shall be released and his case dismissed.

(d) At any time during the term of commitment order, a respondent may apply to the court for a supplemental hearing for the purpose of discharge from the order. The application shall be made in writing to the clerk of superior court. At the supplemental hearing the court shall determine whether the respondent continues to meet the criteria for commitment. The court may reissue or change the commitment order or discharge the respondent and dismiss the case. (1985, c. 589, s. 2.)

§ 122C-292. Rehearings.

(a) Fifteen days before the end of the initial or subsequent periods of commitment if the area authority or physician determines that the respondent

continues to meet the criteria specified in G.S. 122C-283(d)(1), the clerk of superior court of the county where commitment is supervised shall be notified. The clerk, at least 10 days before the end of the commitment period, on order of the district court, shall calendar the rehearing. If the respondent no longer meets the criteria, the area authority or physician shall so notify the clerk who shall dismiss the case.

(b) Rehearings are governed by the same notice and procedures as initial hearings, and the respondent has the same rights he had at the initial hearing including the right to appeal.

(c) If the court finds that the respondent no longer meets the criteria of G.S. 122C-283(d)(1), it shall unconditionally discharge him. A copy of the discharge order shall be furnished by the clerk to the designated area authority or physician. If the respondent continues to meet the criteria of G.S. 122C-283(d)(1), the court may order commitment for additional periods not in excess of 365 days each. (1973, c. 726, s. 1; c. 1408, s. 1; 1977, c. 400, s. 9; 1979, c. 915, ss. 9, 17; 1981, c. 537, ss. 2-4; 1983, c. 638, ss. 18-19; 864, s. 4; 1985, c. 589, s. 2.)

§ 122C-302. Cities and counties may employ officers to assist intoxicated individuals.

A city or county may employ officers to assist individuals who are intoxicated in public. Officers employed for this purpose shall be trained to give assistance to those who are intoxicated in public including the administration of first aid. An officer employed by a city or county to assist intoxicated individuals has the powers and duties set out in G.S. 122C-301 within the same territory in which criminal laws are enforced by law-enforcement officers of that city or county. (1977, 2nd Sess., c. 1134, s. 2; 1985, c. 589, s. 2.)

§ 122C-303. Use of jail for care for intoxicated individual.

In addition to the actions authorized by G.S. 122C-301(a), an officer may assist an individual found intoxicated in a public place by directing or transporting that individual to a city or county jail. That action may be taken only if the intoxicated individual is apparently in need of and apparently unable to provide for himself food, clothing, or shelter but is not apparently in need of immediate medical care and if no other facility is readily available to receive him. The officer and employees of the jail are exempt from liability as provided in G.S. 122C-301(b). The intoxicated individual may be detained at the jail only until he becomes sober or a maximum of 24 hours and may be released at any time to a relative or other individual willing to be responsible for his care. § 122C-312. Voluntary admissions and discharges of inmates of the Department of Correction.

Inmates in the custody of the Department of Correction may seek voluntary admission to State facilities for the mentally ill or substance abusers. The provisions of Part 2 of this Article shall apply except that an admission may be accomplished only when the Secretary and the Secretary of the Department of Correction jointly agree to the inmate's request. When an inmate is admitted he shall be discharged in accordance with the provisions of Part 2 of this Article except that an inmate who is ready for discharge, but still under a term of incarceration, shall be discharged only to an official of the Department of Correction. The judge shall not order outpatient commitment for an inmate-respondent.

(b) If the sentence of an inmate-respondent expires while he is committed to a State facility, he is considered in all respects as if he had been initially committed under Part 7 of this Article.

(c) If the sentence of an inmate-respondent has not expired, and if in the opinion of the attending physician of the State facility an inmate-respondent ceases to be mentally ill and dangerous to himself or others, he shall notify the Department of Correction which shall arrange for the inmate-respondent's return to a correctional facility.

(d) Special counsel at a State facility shall represent any inmate who becomes mentally ill and dangerous to himself or others while confined in a correctional facility in the same county, otherwise counsel is assigned in accordance with G.S. 122C-270(d).

(c) A non-State resident client of a State facility may be returned to his resident state under procedures established under G.S. 122C-346 or G.S. 122C-361. § 122C-346. Authority of the Secretary to enter reciprocal agreements.

§ 122C-347. Return of North Carolina resident clients from other states.

North Carolina residents who are in treatment in another state may be returned to North Carolina either under an agreement authorized in G.S. 122C-346 or under the provisions of G.S. 122C-361. The cost of returning a North Carolina resident to this State is the responsibility of the sending state. Within 72 hours after admission in a State facility, a returned resident shall be evaluated. The returned resident may agree to a voluntary admission or may be released, or proceedings for an involuntary commitment under this Article may be initiated as necessary by the responsible professional in the facility. (1945, c. 952, s. 34; 1947, c. 537, s. 19; 1959, c. 1002, ss. 20, 21; 1963, c. 1184, s. 1; 1965, c. 800, s. 9; 1969, c. 982; 1973, c. 476, ss. 133, 138; c. 673, s. 13; 1985, c. 589, s. 2.)

§ 122C-348. Residency not affected.

(a) A nonresident of this State who is under care in a 24-hour facility in this State is not considered a resident. No length of time spent in this State while a client in a 24-hour facility is sufficient to make a nonresident a resident or entitled to care or treatment.

(b) A North Carolina resident who is under care and treatment in a 24-hour facility in another state shall retain his residency in North Carolina. (1899, c. 1, s. 18; Rev., ss. 3591, 4587, 4588; C.S., ss. 6187, 6188; 1945, c. 952, ss. 16, 17; 1947, c. 537, ss. 11, 20; 1953, c. 256, s. 3; 1955, c. 887, s. 13; 1957, c. 1386; 1959, c. 1002, s. 22; 1963, c. 1184, s. 1; 1973, c. 476, s. 133; c. 673, s. 13; 1977, c. 679, s. 7; 1981, c. 51, s. 3; 1985, c. 589, s. 2.)

Part 14. Interstate Compact on Mental Health.

§ 122C-361. Compact entered into; form of Compact.

The Interstate Compact on Mental Health is hereby enacted into law and entered into by this State with all other states legally joining therein in the form substantially as follows: The contracting states solemnly agree that:

ARTICLE I.

The party states find that the proper and expeditious treatment of the mentally ill and mentally deficient can be facilitated by cooperative action, to the benefit of the patients, their families, and society as a whole. Further, the party states find that the necessity of and desirability for furnishing such care and treatment bears no primary relation to the residence or citizenship of the patient but, that, on the contrary, the controlling factors of community safety and humanitarianism require that facilities and services be made available for all who are in need of them. Consequently, it is the purpose of this Compact and of the party states to provide the necessary legal basis for the institutionalization or other appropriate care and treatment of the mentally ill and mentally deficient under a system that recognizes the paramount importance of patient welfare and to establish the responsibilities of the party states in term of such welfare.

ARTICLE II.

As used in this Compact:

- (a) "Sending state" shall mean a party state from which a patient is transported pursuant to the provisions of the Compact or from which it is contemplated that a patient may be so sent.
- (b) "Receiving state" shall mean a party state to which a patient is transported pursuant to the provisions of the Compact or to which it is contemplated that a patient may be so sent.
- (c) "Institution" shall mean any hospital or other facility maintained by a party state or political subdivision thereof for the care and treatment of mental illness or mental deficiency.
- (d) "Patient" shall mean any person subject to or eligible as determined by the laws of the sending state, for institutionalization or other care, treatment, or supervision pursuant to the provisions of this Compact.
- (e) "Aftercare" shall mean care, treatment and services provided a patient, as defined herein, on convalescent status or conditional release.
- (f) "Mental illness" shall mean mental disease to such extent that a person so afflicted requires care and treatment for his own welfare, or the welfare of others, or of the community.
- (g) "Mental deficiency" shall mean mental deficiency as defined by appropriate clinical authorities to such extent that a person so afflicted is incapable of managing himself and his affairs, but shall not include mental illness as defined herein.
- (h) "State" shall mean any state, territory or possession of the United States, the District of Columbia, and the Commonwealth of Puerto Rico.

ARTICLE III.

(a) Whenever a person physically present in any party state shall be in need of institutionalization by reason of mental illness or mental deficiency, he shall be eligible for care and treatment in an institution in that state irrespective of his residence, settlement or citizenship qualifications.

(b) The provisions of paragraph (a) of this Article to the contrary notwithstanding, any patient may be transferred to an institution in another state whenever there are factors based upon clinical determinations indicating that the care and treatment of said patient would be facilitated or improved thereby. Any such institutionalization may be for the entire period of care and treatment or for any portion or portions thereof. The factors referred to in this paragraph shall include the patient's full record with due regard for the location of the patient's family, character of the illness and probable duration thereof, and such other factors as shall be considered appropriate.

(c) No state shall be obliged to receive any patient pursuant to the provisions of paragraph (b) of this Article unless the sending state has given advance notice of its intention to send the patient; furnished all available medical and other pertinent records concerning the patient; given the qualified medical or other appropriate clinical authorities of the receiving state an opportunity to examine the patient if said authorities so wish; and unless the receiving state shall agree to accept the patient.

(d) In the event that the laws of the receiving state establish a system of priorities for the admission of patients, an interstate patient under this Compact shall receive the same priority as a local patient and shall be taken in the same order and at the same time that it would be taken if he were a local patient.

(e) Pursuant to this Compact, the determination as to the suitable place of institutionalization for a patient may be reviewed at any time and such further

transfer of the patient may be made as seems likely to be in the best interest of the patient.

ARTICLE IV.

(a) Whenever, pursuant to the laws of the state in which a patient is physically present, it shall be determined that the patient should receive aftercare or supervision, such care or supervision may be provided in a receiving state. If the medical or other appropriate clinical authorities have responsibility for the care and treatment of the patient in the sending state shall have reason to believe that aftercare in another state would be in the best interest of the patient and would not jeopardize the public safety, they shall request the appropriate authorities in the receiving state to investigate the desirability of affording the patient such aftercare in said receiving state, and such investigation shall be made with all reasonable speed. The request for investigation shall be accompanied by complete information concerning the patient's intended place of residence and the identity of the person in whose charge it is proposed to place the patient, the complete medical history of the patient, and such other documents as may be pertinent.

(b) If the medical or other appropriate clinical authorities having responsibility for the care and treatment of the patient in the sending state and the appropriate authorities in the receiving state find that the best interest of the patient would be served thereby, and if the public safety would not be jeopardized thereby, the patient may receive aftercare or supervision in the receiving state.

(c) In supervising, treating, or caring for a patient on aftercare pursuant to the terms of this Article, a receiving state shall employ the same standards of visitation, examination, care, and treatment that it employs for similar local patients.

ARTICLE V.

Whenever a dangerous or potentially dangerous patient escapes from an institution in any party state, that state shall promptly notify all appropriate authorities within and without the jurisdiction of the escape in a way reasonably calculated to facilitate the speedy apprehension of the escapee. Immediately upon the apprehension and identification of any such dangerous or potentially dangerous patient, he shall be detained in the state where found pending disposition in accordance with law.

ARTICLE VI.

The duly accredited officers of any state party to this Compact, upon the establishment of their authority and the identity of the patient, shall be permitted to transport any patient being moved pursuant to this Compact through any and all states party to this Compact, without interference.

ARTICLE VII.

(a) No person shall be deemed a patient of more than one institution at any given time. Completion of transfer of any patient to an institution in a receiving state shall have the effect of making the person a patient of the institution in the receiving state.

(b) The sending state shall pay all costs of and incidental to the transportation of any patient pursuant to this Compact, but any two or more party states may, by making a specific agreement for that purpose, arrange for a different allocation of costs as among themselves.

(c) No provision of this Compact shall be construed to alter or affect any internal relationships among the departments, agencies and officers of and in the government of a party state, or between a party state and its subdivisions, as to the payment of costs, or responsibilities therefor.

(d) Nothing in this Compact shall be construed to prevent any party state or subdivision thereof from asserting any right against any person, agency or other entity in regard to costs for which such party state or subdivision thereof may be responsible pursuant to any provision of this Compact.

(e) Nothing in this Compact shall be construed to invalidate any reciprocal agreement between a party state and a nonparty state relating to institutionalization, care or treatment of the mentally ill or mentally deficient, or any statutory authority pursuant to which such agreements may be made.

ARTICLE VIII.

(a) Nothing in this Compact shall be construed to abridge, diminish, or in any way impair the rights, duties, and responsibilities of any patient's guardian on his own behalf or in respect of any patient for whom he may serve, except that where the transfer of any patient to another jurisdiction makes advisable the appointment of a supplemental or substitute guardian, any court of competent jurisdiction in the receiving state may make such supplemental or substitute appointment and the court which appointed the previous guardian shall upon being duly advised of the new appointment, and upon the satisfactory completion of such accounting and other acts as such court may by law require, relieve the previous guardian of power and responsibility to whatever extent shall be appropriate in the circumstances; provided, however, that in the case of any patient having settlement in the sending state, the court of competent jurisdiction in the sending state shall have the sole discretion to relieve a guardian appointed by it or continue his power and responsibility, whichever it shall deem advisable. The court in the receiving state may, in its discretion, confirm or reappoint the person or persons previously serving as guardian in the sending state in lieu of making a supplemental or substitute appointment.

(b) The term "guardian" as used in paragraph (a) of this Article shall include any guardian, trustee, legal committee, conservator, or other person or agency however denominated who is charged by law with power to act for or responsibility for the person or property of a patient.

ARTICLE IX.

(a) No provision of this Compact except Article V shall apply to any person institutionalized while under sentence in a penal or correctional institution or while subject to trial on a criminal charge, or whose institutionalization is due to the commission of an offense for which, in the absence of mental illness or mental deficiency, said person would be subject to incarceration in a penal or correctional institution.

(b) To every extent possible, it shall be the policy of states party to this Compact that no patient shall be placed or detained in any prison, jail or lockup, but such patient shall, with all expedition, be taken to a suitable institutional facility for mental illness or mental deficiency.

ARTICLE X.

(a) Each party state shall appoint a "Compact Administrator" who, on behalf of his state, shall act as general coordinator of activities under the Compact in his state and who shall receive copies of all reports, correspondence, and other

documents relating to any patient processed under the Compact by his state either in the capacity of sending or receiving state. The Compact Administrator or his duly designated representative shall be the official with whom other party states shall deal in any matter relating to the Compact or any patient processed thereunder.

(b) The Compact Administrators of the respective party states shall have power to promulgate reasonable rules and regulations to carry out more effectively the terms and provisions of this Compact.

ARTICLE XI.

The duly constituted administrative authorities of any two or more party states may enter into supplementary agreements for the provision of any service or facility or for the maintenance of any institution on a joint or cooperative basis whenever the states concerned shall find that such agreements will improve services, facilities, or institutional care and treatment in the fields of mental illness or mental deficiency. No such supplementary agreement shall be construed so as to relieve any party state of any obligation which it otherwise would have under other provisions of this Compact.

ARTICLE XII.

This Compact shall enter into full force and effect as to any state when enacted by it into law and such state shall thereafter be a party thereto with any and all states legally joining therein.

ARTICLE XIII.

(a) A state party to this Compact may withdraw therefrom by enacting a statute repealing the same. Such withdrawal shall take effect one year after notice thereof has been communicated officially and in writing to the governors and Compact administrators of all other party states. However, the withdrawal of any state shall not change the status of any patient who has been sent to said state or sent out of said state pursuant to the provisions of the Compact.

(b) Withdrawal from any agreement permitted by Article VII(b) as to costs or from any supplementary agreement made pursuant to Article XI shall be in accordance with the terms of such agreement.

ARTICLE XIV.

This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any state party thereto, the Compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters. (1959, c. 1003, s. 1; 1963, c. 1184, s. 12; 1985, c. 589, s. 2.)

OPINIONS OF ATTORNEY GENERAL

A Patient Found Not Guilty of a Crime by Reason of Insanity May Not Be the Subject of Interstate Transfer. — See opinion of Attorney General to Dr. Eugene A. Hargrove, Commissioner of Mental Health, 40 N.C.A.G. 388 (1970), rendered under former statutory provisions.

Transfer of a patient involuntarily committed to another state not having equiv-

alent due process safeguards in the form of mandatory, periodic judicial rehearings is not prohibited, although the existence of adequate due process safeguards in the receiving state should be an important factor for consideration in determining the appropriateness of transfer of the patient. Opinion of Attorney General to Mr. John L. Pinnix, 45 N.C.A.G. 27 (1975), rendered under former statutory provisions.

§ 122C-362. Compact Administrator.

Pursuant to the Compact, the Secretary is the Compact Administrator and, acting jointly with like officers of other party states, may adopt rules to carry out more effectively the terms of the Compact. The Compact Administrator shall cooperate with all departments, agencies and officers of and in the government of this State and its subdivisions in facilitating the proper administration of the Compact, of any supplementary agreement, or agreements entered into by this State. (1959, c. 1003, s. 2; 1963, c. 1184, s. 12; 1973, c. 476, s. 133; 1985, c. 589, s. 2.)

§ 122C-363. Supplementary agreements.

The Compact Administrator may enter into supplementary agreements with appropriate officials of other states pursuant to Articles VII and XI of the Compact. In the event that these supplementary agreements shall require or contemplate the use of any institution or facility of this State or require or contemplate the provision of any service by this State, no such agreement shall be effective until approved by the head of the department or agency under whose jurisdiction the institution or facility is operated or whose department or agency will be charged with the rendering of this service. (1959, c. 1003, s. 3; 1963, c. 1184, s. 12; 1985, c. 589, s. 2.)

§ 122C-364. Financial arrangements.

The Compact Administrator, with the approval of the Director of the Budget, may make or arrange for any payments necessary to discharge any financial obligations imposed upon this State by the Compact or by any supplementary agreement entered into under it. (1959, c. 1003, s. 4; 1963, c. 1184, s. 12; 1985, c. 589, s. 2.)

§ 122C-365. Transfer of clients.

The Compact Administrator is directed to consult with the immediate family or legally responsible person of any proposed transferee. (1959, c. 1003, s. 5; 1963, c. 1184, ss. 12, 38; 1985, c. 589, s. 2.)

§ 122C-366. Transmittal of copies of Part.

Copies of this Part shall, upon its approval, be transmitted by the Compact Administrator to the governor of each state, the attorney general of each state, the Administrator of General Services of the United States, and the Council of State Governments. (1959, c. 1003, s. 6; 1963, c. 1184, s. 12; 1985, c. 589, s. 2.)

§§ 122C-367 through 122C-400: Reserved for future codification purposes.

ARTICLE 6.

Special Provisions.

Part 1. Camp Butner and Community of Butner.

§ 122C-401. Use of Camp Butner Hospital authorized.

The State may use the Camp Butner Hospital, including buildings, equipment, and land necessary for the operation of modern up-to-date facilities for the care and treatment of citizens of this State. (1947, c. 789, s. 2; 1963, c. 1166, s. 10; 1973, c. 476, s. 133; 1985, c. 589, s. 2.)

Editor's Note. — Session Laws 1999-140, s. 1, provides that the Camp Butner reservation and the Community of Butner, as regulated by Article 6 of Chapter 122C of the General Statutes, is a unique State resource that is and should continue to be administered by the State of North Carolina through the Office of the Secretary of Health and Human Services. There is a resident population in the Community of Butner that does not have elected representation with respect to public services,

such as police and fire protection, and the provision of water and sewers, that would normally be under the control of an elected city council or board of county commissioners. The citizens of the Camp Butner reservation should be permitted to elect a representative body to act as the voice of the affected people of Butner with regard to the provision of public services and planning for the future of the Camp Butner reservation.

§ 122C-402. Application of State highway and motor vehicle laws at State institutions on Camp Butner reservation.

The provisions of Chapter 20 of the General Statutes relating to the use of the highways of the State and the operation of motor vehicles thereon are made applicable to the streets, alleys, and driveways on the Camp Butner reservation that are on the grounds of any State facility or any State institution operated by the Department or by the Department of Correction. Any person violating any of the provisions of Chapter 20 of the General Statutes in or on these streets, alleys, or driveways shall upon conviction be punished as prescribed in that Chapter. This section does not interfere with the ownership and control of the streets, alleys, and driveways on the grounds as is now vested by law in the Department. (1949, c. 71, s. 2; 1955, c. 887, s. 1; 1959, c. 1028, s. 4; 1963, c. 1166, s. 10; 1973, c. 476, s. 133; 1985, c. 589, s. 2.)

§ 122C-403. (See Editor's note) Secretary's authority over Camp Butner reservation.

The Secretary shall administer the Camp Butner reservation. In performing this duty, the Secretary has the powers listed below. In exercising these powers the Secretary has the same authority and is subject to the same restrictions that the governing body of a city would have and would be subject to if the reservation was a city, unless this section provides to the contrary. The Secretary may:

- (1) Regulate airports on the reservation in accordance with the powers granted in Article 4 of Chapter 63 of the General Statutes.

§ 122C-403 is set out twice. See notes.

- (2) Take actions in accordance with the general police power granted in Article 8 of Chapter 160A of the General Statutes.
- (3) Regulate the development of the reservation in accordance with the powers granted in Article 19, Parts 2, 3, 3A, 3B, 5, 6, and 7, of Chapter 160A of the General Statutes. In addition, the Secretary is not required to notify landowners of zoning classification actions under G.S. 160A-384, and the protest petition requirements in G.S. 160A-385, and 160A-386 do not apply. The Secretary may appoint the Butner Planning Council to act like a Board of Adjustment to make recommendations to the Secretary concerning implementation of plans for the development of the reservation. When acting as a Board of Adjustment, the Butner Planning Council shall be subject to subsections (b), (c), (d), (f), and (g) of G.S. 160A-388.
- (4) Establish one or more planning agencies in accordance with the power granted in G.S. 160A-361 or designate the Butner Planning Council as the planning agency for the reservation.
- (5) Regulate streets, traffic, and parking on the reservation in accordance with the powers granted in Article 15 of Chapter 160A of the General Statutes.
- (6) Control erosion and sedimentation on the reservation in accordance with the powers granted in G.S. 160A-458 and Article 4 of Chapter 113A of the General Statutes.
- (7) Contract with and undertake agreements with units of local government in accordance with the powers granted in G.S. 160A-413 and Article 20, Part 1, of Chapter 160A of the General Statutes.
- (8) Regulate floodways on the reservation in accordance with the powers granted in G.S. 160A-458.1 and Article 21, Part 6, of Chapter 143 of the General Statutes.
- (9) Assign duties given by the statutes listed in the preceding subdivisions to a local official to the Butner Town Manager who shall be hired upon the recommendation of the Butner Planning Council and shall be assigned to the Office of the Secretary of Health and Human Services. The Butner Planning Council shall submit the names of three candidates for the position of Butner Town Manager to the Secretary of Health and Human Services and the Secretary shall select one of the candidates. The candidates shall meet the qualifications set by the State Personnel Commission for the position. The Butner Town Manager shall serve at the pleasure of the Secretary. The Secretary shall, through the Butner Town Manager, provide all necessary administrative assistance to the council in carrying out its duties.
- (10) Adopt rules to carry out the purposes of this Article. (1949, c. 71, s. 3; 1955, c. 887, s. 1; 1959, c. 1028, s. 4; 1963, c. 1166, s. 10; 1965, c. 933; 1973, c. 476, s. 133; 1985, c. 589, s. 2; 1987, c. 536, s. 2; 1995 (Reg. Sess., 1996), c. 667, s. 3; 1997-59, s. 5; 1997-443, s. 11A.118(a).)

Section Set Out Twice. — The section set out above is effective until the majority of the members of the Butner Advisory Council created pursuant to G.S. 122C-413 as enacted by Session Laws 1999-140 have been elected and qualified. For the section as amended when such elections have occurred, see the following section, also numbered § 122C-403.

Editor's Note. — Session Laws 1987, c. 536, which amended this section, in s. 6 provides that a county ordinance that applies to the Camp Butner reservation on the effective date of the act (July 2, 1987) shall continue to apply until the Secretary of the Department of Human Resources withdraws his approval of the ordinance or the county amends or repeals the

ordinance so that it no longer applies to the Camp Butner reservation.

§ 122C-403. (See Editor's note) Secretary's authority over Camp Butner reservation.

The Secretary shall administer the Camp Butner reservation. In performing this duty, the Secretary has the powers listed below. In exercising these powers the Secretary has the same authority and is subject to the same restrictions that the governing body of a city would have and would be subject to if the reservation was a city, unless this section provides to the contrary. The Secretary may:

- (1) Regulate airports on the reservation in accordance with the powers granted in Article 4 of Chapter 63 of the General Statutes.
- (2) Take actions in accordance with the general police power granted in Article 8 of Chapter 160A of the General Statutes.
- (3) Regulate the development of the reservation in accordance with the powers granted in Article 19, Parts 2, 3, 3C, 5, 6, and 7, of Chapter 160A of the General Statutes. The Secretary may not, however, grant a special use permit, a conditional use permit, or a special exception under Part 3 of that Article. In addition, the Secretary is not required to notify landowners of zoning classification actions under G.S. 160A-384, and the protest petition requirements in G.S. 160A-385, and 160A-386 do not apply. The Secretary may designate the Butner Advisory Council to act like a Board of Adjustment to make recommendations to the Secretary concerning implementation of plans for the development of the reservation. When acting as a Board of Adjustment, the Butner Advisory Council shall be subject to subsections (b), (c), (d), (f), and (g) of G.S. 160A-388.
- (4) Establish one or more planning agencies in accordance with the power granted in G.S. 160A-361 or designate the Butner Planning Council as the planning agency for the reservation.

The Secretary shall have no more than 30 days during which to disapprove any recommendation of the council contained in the resolution. Any disapproval shall be in writing, stating the reasons for the disapproval, and shall be returned to the council. If the Secretary does not disapprove a recommendation of the council within the prescribed period, the recommendation shall be deemed approved by the Secretary and shall be carried out by the Butner Town Manager.
- (9) Assign duties given by the statutes listed in the preceding subdivisions to a local official to the Butner Town Manager.

§ 122C-403 is set out twice. See notes.

(9a) Select the Butner Town Manager from the candidates submitted by the council pursuant to G.S. 122C-413.1(b). The Butner Town Manager shall serve at the pleasure of the Secretary. The Secretary shall, through the Butner Town Manager, provide all necessary administrative assistance to the council in carrying out its duties.

(10) Adopt rules to carry out the purposes of this Article. Editor's Note. — Session Laws 1995 (Reg. Sess., 1996), c. 667 s. 1 provides: "The General Assembly finds that the Camp Butner Reservation and the Community of Butner, as regulated by Article 6 of Chapter 122C of the General Statutes, is a unique State resource that is and should continue to be administered by the State of North Carolina through the Office of the Secretary of Human Resources. The General Assembly finds that there is a resident population in the Community of Butner that, because of the unique relationship between the State of North Carolina and cities and counties, as provided in G.S. 122C-410, does not have elected representation with respect to public services, such as police and fire protection, and the provision of water and sewers, that would

normally be under the control of an elected city council or board of county commissioners. The General Assembly finds that the citizens of the Camp Butner Reservation should be permitted to elect a representative body to act as the voice of the affected people of Butner in dealing with the State of North Carolina through the Department of Human Resources with regard to the provision of public services and planning for the future of the Camp Butner Reservation."

Session Laws 1999-140, s. 7, provides for the repeal of this Part when a majority of the members of the Butner Advisory Council created pursuant to G.S. 122C-413 as enacted by Session Laws 1999-140 have been elected and qualified.

(b) When the council adopts a resolution relating to one of the specific powers referenced in G.S. 122C-403 and delivers the resolution to the Office of the Secretary of Health and Human Services, the Secretary may approve the resolution, and it shall be carried out by the Butner Town Manager. The Secretary shall have no more than 30 days during which to disapprove any recommendation of the council contained in the resolution. Any disapproval shall be in writing, stating the reasons for the disapproval, and shall be returned to the council. If the Secretary does not disapprove a recommendation of the council within the prescribed period, the recommendation shall be deemed approved by the Secretary and shall be carried out by the Butner Town Manager. (1995 (Reg. Sess., 1996), c. 667, s. 2; 1997-59, s. 3; 1997-443, s. 11A.118(a).)

Editor's Note. — Session Laws 1999-140, s. 7, provides for the repeal of this Part when a majority of the members of the Butner Advisory

Council created pursuant to G.S. 122C-413 as enacted by Session Laws 1999-140 have been elected and qualified.

Part 1A has a delayed repeal date. See notes.**§ 122C-412.2. (See Editor's note for effective date of repeal of section) Butner Planning Council; planning responsibility.**

The Butner Planning Council shall, in consultation with the Department of Health and Human Services, the Community Assistance Division of the Department of Commerce, the Institute of Government, and other State and local agencies, prepare a long-range plan for the future development of the Camp Butner Reservation. This plan shall provide a blueprint for the development of the Reservation and the adjoining areas of Granville, Durham, and Person Counties and shall consider issues such as:

- (1) The possible incorporation of a municipality on the Camp Butner Reservation;
- (2) The provision of housing, public safety services, water and sewer services, school facilities, and park and recreational services for the increasing Butner population;
- (3) The possible transfer of State-owned property for the future development in and around Butner;
- (4) The growth and development of business and industrial areas within the Camp Butner Reservation, including planning and zoning issues; and
- (5) How to maximize the utility of the Camp Butner Reservation to the State of North Carolina as a site for future State facilities and still meet the needs and improve the quality of life for the residents of Butner.

Copies of the long-range plan shall be submitted to the Secretary of Health and Human Services, the Joint Legislative Commission on Governmental Operations, the Fiscal Research Division of the General Assembly, and to each member of the General Assembly representing the area no later than December 31, 1998. The Department of Health and Human Services, through the Butner Town Manager, shall provide necessary financial and personnel support for the preparation of this plan. (1995 (Reg. Sess., 1996), c. 667, s. 2; 1997-59, s. 4; 1997-443, s. 11A.118(a).)

Editor's Note. — Session Laws 1999-140, s. 7, provides for the repeal of this Part when a majority of the members of the Butner Advisory

Council created pursuant to G.S. 122C-413 as enacted by Session Laws 1999-140 have been elected and qualified.

Part 1B. Butner Advisory Council.**§ 122C-413. Butner Advisory Council; created.**

(b) Members of the Butner Advisory Council shall be elected at large, and the election shall be held in accordance with all applicable federal and State constitutional and statutory provisions, including the Voting Rights Act of 1965. For the purpose of elections under this Part, the jurisdiction shall be considered a city under Chapters 160A and 163 of the General Statutes. In accordance with North Carolina law, a candidate for the Butner Advisory

Council must be a resident of the territorial jurisdiction established by G.S. 122C-408(a).

(c) The candidates for the Butner Advisory Council shall file their notices of candidacy with the Granville County Board of Elections. Absentee voting by qualified voters residing in the territorial jurisdiction shall be in accordance with G.S. 163-302.

(d) The seven candidates receiving the highest numbers of votes shall be elected for the following terms:

- (1) If the election is held in an even-numbered year, the four candidates receiving the highest numbers of votes shall be elected for terms of four years, and the three candidates receiving the next highest numbers of votes shall be elected for terms of two years.
- (2) If the election is held in an odd-numbered year, the four candidates receiving the highest numbers of votes shall be elected for terms of five years, and the three candidates receiving the next highest numbers of votes shall be elected for terms of three years.

Editor's Note. — Session Laws 1999-140, s. 7, made this section effective June 4, 1999.

Session Laws 1999-140, s. 1, provides that the Camp Butner reservation and the Community of Butner, as regulated by Article 6 of Chapter 122C of the General Statutes, is a unique State resource that is and should continue to be administered by the State of North Carolina through the Office of the Secretary of Health and Human Services. There is a resident population in the Community of Butner

that does not have elected representation with respect to public services, such as police and fire protection, and the provision of water and sewers, that would normally be under the control of an elected city council or board of county commissioners. The citizens of the Camp Butner reservation should be permitted to elect a representative body to act as the voice of the affected people of Butner with regard to the provision of public services and planning for the future of the Camp Butner reservation.

§ 122C-413.1. Butner Advisory Council; powers.

(a) The Butner Advisory Council may advise the Secretary of Health and Human Services, through resolutions adopted by the council, on the operations of the Camp Butner reservation and the concerns of the residents of the Camp Butner reservation in connection with the exercise of the powers granted to the Secretary pursuant to G.S. 122C-403.
